

Baptist Church Accepts Resignation of Pastor; Resolutions Praise His Work

Under date of March 1st, J. Pat Horton, pastor of the First Baptist Church of Floydada for the past four years, offered his resignation as pastor in the following communication:

Dear Brethren: "Believing implicitly in the leadership of the Holy Spirit as touching the relationship of pastors and churches, and being at all times anxious to know and follow that leadership, and having prayed much over the question of our relations as church and pastor, I am now fully convinced that the time has come for that relationship to cease. This conviction has grown on me as I have given the matter deliberate consideration. It isn't the passing impression of the moment, neither is it from personal considerations that this conclusion has been reached. Believe me, Brethren, I have a definite spiritual conviction that this step is the Lord's will and will result in good both to the church and myself; otherwise I assure you I would not consider it for one minute. "It has been nearly four years since I came to you as your pastor; four years of sacred associations and happy relations, and to terminate that association and relationship grieves me very deeply. I would that it might be that I could live my life in your midst and be buried by your gentle hands when the Lord shall call me hence. I shudder at the thought of uprooting the heart ties that have grown with the passing years. It will leave a void in my affections that can never be replaced. But Paul was driven from his beloved Tarsus and Asia Minor to a ministry in a strange land by the urge of the Spirit and his going was fraught with blessings both to Europe and to his native land. Is it too much to say that the Holy Spirit is just as active today in shaping the destinies of you and me? God forbid that we should ever become rebellious to His leadership. "I implore you, Brethren, to release me by accepting this my resignation and think of me kindly in your devotions to our God. If you feel inclined to be harsh in your thoughts of me for the action I am taking, remember that I have fought the battle through with my conscience, with God as my guide, and as best I know I am doing His will. "Pray for me as I shall pray for you, and may His blessings ever be yours."

Expresses Appreciation

In special church conference Sunday afternoon, the following resolutions were adopted by the church: "Expression of appreciation and gratitude, from The First Baptist Church of Floydada, Texas, to Brother J. Pat Horton and wife. "Whereas Brother J. Pat Horton has been pastor of the First Baptist Church of Floydada for nearly four years, and whereas during that time he labored faithfully for the upbuilding of the church and the advancement of God's Kingdom, "And whereas his labors have been blessed with abundant success, under his pastorate the church has increased in numbers, and spiritual power, "And whereas he has endeared himself not only to the people of this church but to the entire citizenship of our town and vicinity, "And whereas God has now called him to labor on another field, and his pastorate of this church is now at an end: "Therefore, be it resolved, 1st that this church in conference assembled do here now express its sincere appreciation and gratitude to Brother and Sister Horton for the good work they have done among us. (2) That we feel deeply the loss we sustain in their going. (3) That while we know their places will be difficult to fill, and that we shall miss them sorely, we wish them well in their new field of labor, and our prayers shall go with them that their efforts there may be blessed of God and their success as abundant as it has been with us; (4) That these resolutions be spread upon the minutes of the church that they be printed in the Floydada paper, and sent to the Baptist Standard, and that a copy thereof be given to Brother and Sister Horton. "Done in special church conference this the first day of March 1925. "H. D. Butler, Chairman "J. G. Wood, Church Clerk."

Will Stephens and family returned the latter part of last week from a visit at Wichita Falls and Dallas with relatives.

ANNUAL MEETING OF CHURCH OF CHRIST

The annual meeting of the Church of Christ at Floydada, will be held at the City Tabernacle by Evangelist N. L. Clark, of Fort Worth, Texas beginning the first Sunday in August, and continuing over the third Sunday in August, 1925.

Locals and Personals

Mrs. Lon M. Davis assisted at the First State Bank two days of last week.

Mrs. R. A. Pope and little daughter spent two days in Lockney last week visiting Mrs. O. C. Bailey.

L. B. Maxey spent Friday of last week in Amarillo on business.

Mrs. H. H. Hall of Amarillo was the guest of her cousin, Mrs. A. J. Welch over Friday and Saturday of last week.

Mrs. E. L. Angus who was visiting friends and relatives in Bonham, Jacksonville and Dallas for the past three weeks, returned to Floydada Saturday of last week.

Friday night the Floydada Choral Club and the V. O. Stamps Quartette will hold a concert at Abernathy.

Mrs. Mattie Blackmon and little daughter are visiting in Amarillo this week with her brother, C. V. Duncan and wife.

C. W. Watkins and family, of Petersburg, visited with Judge Arthur B. Duncan and other relatives in Floydada Sunday. Elder Watkins preached at the Church of Christ Sunday morning.

T. W. Smith of near Lockney, was among the visitors in District Court here Monday.

Mrs. J. F. Blanton, of Plainview, has been visiting here with Mrs. L. T. Bishop during the latter's illness.

Sam Farnsworth and Jeff Langford, of Lockney, were among the out-of-town visitors in Floydada Sunday.

Harvey Assiter, of Ralls, has been here on a visit with his father, G. T. Assiter, since the latter part of last week.

Mrs. E. C. Nelson, Sr. honored her husband's 57th birthday last Sunday with a one o'clock dinner party at their home on West California Street.

Among those who came to do honor to E. C. Nelson on his birthday were Mr. and Mrs. J. Pat Horton, Mr. and Mrs. E. P. Nelson, Mr. and Mrs. Dave Standifer and family, and Mr. and Mrs. E. C. Nelson, Jr.

Mr. and Mrs. L. O. Shropshire of Plainview visited Mr. and Mrs. G. M. Hatchell and family last Sunday. Mrs. Shropshire is Mr. Hatchell's sister.

Mr. and Mrs. Francis Wofford and little daughter Jo Hal, and Mr. Key of Plainview were visiting Mr. and Mrs. Arthur Savage over Sunday.

Miss Eura Smith of McCoy community is assisting Miss Willie McSpadden in the Kozy Kandy Kitchen for the present.

Mrs. G. P. Humphries, President of the Amarillo Presbytery, addressed a meeting of the Cumberland Presbyterian Church at Lubbock yesterday.

NIGHT AUTO SIGNAL

For giving hand signals when driving an automobile at night, three simple devices have been found useful. One is a white disc painted on the left glove; another is a polished disk of white metal, and the third is a small ruby lens, all of which reflect the light from any following car," says Popular Science Monthly.

The original manuscript of "Kidnaped," by Rogert Louis Stevenson, brought \$10,000 at an auction in New York City recently.

White Leghorn Eggs

From pens headed by cockerels of M. Johnson's Imperial Matings.

1st pen. Mated with hens and pullets of special matings. Eggs per 100 \$10; or \$2 per 15.

2nd pen. Matings with choice pullets off the yard. Eggs per 100 \$8.00 or \$1.50 per 15.

Drug Store Change

Mr. and Mrs. A. S. Kendrick of Sweetwater, parents of Mrs. R. F. A. Truett, spent several days here the past week, visiting their daughter, and closing a deal by which Mr. Kendrick bought the interests of John C. Tucker and Grady R. Crager in the Red Cross Drug Store.

Mr. Truett will continue as manager of the drug store and retains his interests as before the sale. Mr. Kendrick expects to continue to live in Sweetwater.

The name of the drug store has been changed from Red Cross Drug Store to The City Drug Store, by which name it will be known hereafter.

Beacon Founder 77

Clifton Oliver, employee of the Santa Fe, at Amarillo, was here over Sunday, visiting his uncle, C. A. Floyd and cousins, Leslie, J. M. Floyd and Mrs. Archie Keys. He was enroute home from a trip to Spur, Texas, where he had been to visit his father, F. N. Oliver. F. N. Oliver was the founder of the Lockney Beacon, having bought what was known as the Lockney Leader, in 1900 and changed the name to Lockney Beacon, under which name it still is published. Mr. Oliver stated that his father, who is now 77 years of age, is getting along fine, and is in fairly good health for a man of his age. Mr. Oliver will be remembered by the old settlers of the Lockney country.

Has Operation

Mrs. Ab Harvey was carried to the Floydada Sanitarium Wednesday night of last week, where she underwent an operation at that place for appendicitis. She is reported as getting along nicely at this time.

Ben Smith's Son Married

Albert G. Smith, son of Mr. and Mrs. Ben F. Smith, formerly of Lockney, was married on Feb. 20th, to Miss Jessie M. Davis of Colorado, Texas, at that place. The young people will make their home in Slaton, where the groom's parents are running a newspaper.

CUMBERLAND PRESBYTERIAN CHURCH

On account of the Musical Normal being held in our church we will hold the Wednesday Evening Bible Study also the Ladies' Missionary Society's meetings in the manse.

Sunday school at 10 a. m. preaching at 11 a. m. and 8:15 p. m. and Christian Endeavor at 7:30 p. m. Sunday in the church.

Don't forget to pray for the revival service to begin August 23rd, 1925. Not too early to get ready!

The church with a welcome.

CITATION BY PUBLICATION

THE STATE OF TEXAS: To the Sheriff or any Constable of Briscoe County—reeting:

YOU ARE HEREBY COMMANDED, That you summon, by making publication of this citation in some newspaper published in the county of Briscoe, if there be newspaper published therein, but if not then in the nearest county, where a newspaper is published, once each week for four consecutive weeks previous to the return day hereof, T. B. Michael, M. J. Michael, Elmira Michael, Thomas Griffith, Ella Griffith, Geo. W. Griffith, Clara L. Gigax and husband Edward Gigax, Mary E. Hahn and husband Louis Hahn, Anna R. Long and husband William Long, Alice V. Willis and husband Samuel J. Willis, Alice V. Wells, Mrs. Thomas Griffith the first wife of said Thomas Griffith herein named, Francis Wedge, Nicholas J. Wedge, Betsey Wedge, John Wedge, Charles D. Wedge, Mary E. Holston, and the unknown heirs and legal representatives of each of said

named parties deceased whose place of residence is unknown, to be and appear before the honorable District Court of Briscoe County, Texas, at the next term thereof, to be holden in Briscoe County at the court house thereof in Silverton, Texas, on the 6th day of April, 1925.

Then and there to answer a petition filed in said court on the 23rd day of Feb., 1925 in a suit numbered on the docket of said court No. 475 wherein all the above named parties are defendants, F. M. Autry and wife Mattie Autry are plaintiffs. The nature of plaintiffs demand being as follows to-wit:

Suit in trespass to Try title, and to recover of and from defendants damages and title to the following described land and premises to-wit: A tract of 3 1/2 acres of land, a part of Survey 21 in Block A, Arnold & Barrett Cert. No. 71 in Briscoe County, Texas, said 3 1/2 acres described by metes and bounds as follows: Beginning at a stake in the North line of said Survey 21, at 1068.8 varas East of its Northwest corner, thence East 118.3 varas; thence South 166.32 varas; thence West 118.8 varas; thence North 166.32 varas to the place of beginning.

Plaintiff pleads five and ten year statutes of limitations and alleges that plaintiffs and those under whom they claim have claiming said land under duly recorded deeds had peaceable, continuous and adverse possession of said land using and enjoying the same and paying all taxes as due thereon for over five years after defendants cause of action had accrued, and that they have had actual possession of the same under claim of ownership for over ten years after defendants cause of action had accrued.

Witness my hand and seal this the 23rd day of February, A. D., 1925.

(Seal) T. L. Anderson,
Clerk District Court, Briscoe County, Texas.

Everfast colors last as long as the cloth itself

AT LAST you can have for yourself and your children wash blouses, suits and dresses that will not fade, no matter how they are washed and worn.

We unreservedly guarantee that Everfast Suiting is absolutely

FAST TO SOAP AND BOILING
FAST TO SUN AND WEATHER
FAST TO PERSPIRATION AND URIC ACID
FAST TO EVERYTHING IT ENCOUNTERS AS A DRESS, BLOUSE OR SUIT FABRIC.

We will promptly and cheerfully return your money not only for every yard of Everfast Suiting which, for any reason, does not hold its color, but also THE COST OF MAKING THE GARMENT.

Everfast Suiting has been rubbed and scrubbed with the strongest kinds of laundry soap, boiled in washing soda, and exposed for weeks to sun, wind, rain and salt air without losing color in the slightest degree.

Everfast Suiting is piece-dyed by a special process. It is one yard wide—mercerized—and comes in all popular colors. The name "Everfast" is stamped every yard in the selvage.

Next time you are in the piece goods department, ask for a sample swath of Everfast. Take it home, test it in any way you like and prove to yourself that here at last is an absolutely fast-color wash fabric.

SAFETY IN AIRPLANE MAIL. When the United States mail carrier put on the uniform of an aviator, from all over the country came warnings of disaster. Airplanes sweeping the black of night, struggling with wild storms, pilots guided on feeble lights flickering upward at intervals, deserts and mountains to be crossed, with help difficult to come in case of accident—all in an element of peril into what was surrounded with utmost care, the delivery of our daily letters as danger really being introduced.

Contrary, the way was better for a far greater measure in the postal service, says Science Monthly. Those who think of it as absurd; but it is not. There are hundreds of Uncle Sam's routes where an airplane would be the safest possible method of security for the carrier never dreamed of. These routes are called the "star routes" and byways in the remote parts of the Nation, where the carrier's life and property are in jeopardy from the hazards of nature and other hazards of nature.

In the last thirty years the carriers have given performance of duty which has been crippled by the hazards of nature.

The introduction of the air-mail service has benefited more than 75 million people. The last step in the introduction of the air-mail service is the delivery of our daily letters by air.

The Boxer, a supply vessel owned and operated by the Department of the Interior, Bureau of Education, aids in marketing reindeer meat for Eskimos scattered along the Arctic coast. The vessel has handled 753 tons of meat this season, of which 353 tons were sold to the Eskimos and the remainder to the main-line department like a time table.

of the carriers in these barren, snow-swept reaches virtually disappear.

Likewise, the successful establishment of transcontinental airmail service, cutting the traveling time between New York and San Francisco from four days to thirty-four hours, offers the possibility of covering perilous mail routes that now are served at tremendous risk.

FROZEN EGGS More than 50,000,000 pounds of canned frozen eggs are used annually in the United States by restaurants, hotels and in home cooking. They cost from 3c to 5c a pound less than unshelled eggs and are candled more easily.

The first process in egg canning is chilling the eggs in a room at a temperature of 31 degrees Fahrenheit, for twelve to fourteen hours, says Popular Science Monthly. This stiffens the whites and makes it easier to separate the whites from the yolks.

Girls then candle the eggs to detect and remove bad or moldy ones. Each girl candles on an average 900 dozen a day. Egg canning is done from the middle of March until the middle of September. From the candlers the eggs pass to the breakers, who open and separate them if desired. Canned eggs are sold in the form of whites only, or mixed whites and yolks. If no musty eggs are discovered, they are then packed in wax-lined cans and sent to freezing room, where they remain for seventy-two hours at zero to 4 degrees below zero temperature.

The entire process from the breaking of the egg until it reaches the freezing room takes only eight minutes. The last step is wrapping the frozen eggs in heavy paper and placing them in refrigerator cars in which they start on their journeys to many parts of the world.

of the carriers in these barren, snow-swept reaches virtually disappear.

Likewise, the successful establishment of transcontinental airmail service, cutting the traveling time between New York and San Francisco from four days to thirty-four hours, offers the possibility of covering perilous mail routes that now are served at tremendous risk.

FROZEN EGGS More than 50,000,000 pounds of canned frozen eggs are used annually in the United States by restaurants, hotels and in home cooking. They cost from 3c to 5c a pound less than unshelled eggs and are candled more easily.

The first process in egg canning is chilling the eggs in a room at a temperature of 31 degrees Fahrenheit, for twelve to fourteen hours, says Popular Science Monthly. This stiffens the whites and makes it easier to separate the whites from the yolks.

Girls then candle the eggs to detect and remove bad or moldy ones. Each girl candles on an average 900 dozen a day. Egg canning is done from the middle of March until the middle of September. From the candlers the eggs pass to the breakers, who open and separate them if desired. Canned eggs are sold in the form of whites only, or mixed whites and yolks. If no musty eggs are discovered, they are then packed in wax-lined cans and sent to freezing room, where they remain for seventy-two hours at zero to 4 degrees below zero temperature.

The entire process from the breaking of the egg until it reaches the freezing room takes only eight minutes. The last step is wrapping the frozen eggs in heavy paper and placing them in refrigerator cars in which they start on their journeys to many parts of the world.

The Boxer, a supply vessel owned and operated by the Department of the Interior, Bureau of Education, aids in marketing reindeer meat for Eskimos scattered along the Arctic coast. The vessel has handled 753 tons of meat this season, of which 353 tons were sold to the Eskimos and the remainder to the main-line department like a time table.

Endeavor program for Sunday is as follows: Subject: "Christ Winning Followers."

Leader.—Mrs. Pierce King. Song: "Only Trust Him." Song: "Jesus is Calling." Scripture Lesson. John 1:35-51. Prayer.

Song: "Sweeter as the Years go By" "How and Why should we Introduce Religion into our Conversation?" John 4:1-26.—Mrs. E. C. King.

"What Does Jesus Teach us about Soul Winning?" John 19:1-10—Mildred Temple

"What Does Jesus Teach us about Soul Winning?" John 3:1-16—Mrs. F. Fanning.

Duet: "My Mother's Prayers Have Followed Me"—Mrs. J. A. Awtrey and Miss Julia Adams.

"What Does Jesus Teach us about Soul Winning?" Luke 15.—Orra McNeil.

"How Can Our Society be a Soul Winning Society?"—Mrs. G. P. Humphries.

Song: "The Way the Cross Leads Me."

PROGRAM FOR WEEK

THURSDAY, MARCH 5th

"MERTON OF THE MOVIES", another big James Cruze production, starring Glenn Hunter with Viola Dana. If you're one of the seventeen million people who read the story or saw the play, you won't need coaxing to see the picture. If you're not, take a tip and get acquainted with laughable, loveable "Merton", and his fulfilled career. Here's the original of all stories of Hollywood-behind-the-scenes: Many times imitated, but never equalled. Also good comedy.

FRIDAY, MARCH 6th.

HARRY CAREY in "THE LIGHTNING RIDER", Chicking castanets, Flashing swords, the mystery, romance and color of a border town make Harry Carey's new starring vehicle a smashing picture. It has suspense! action! thrills! romance and intrigue. Don't fail to see Harry Carey, the swift riding, quick-shooting man of action as The Black Mask, a reckless, terror-spreading night rider, a picture with all the action and thrills of the west, all the color and seduction of old Spain, and all the romance of love the world over. Also good Comedy.

SATURDAY, MARCH 7th.

"THE GREAT DIVIDE", with Alice Terry, Conway Tearle, Wallace Beery and Huntly Gordon, the greatest American drama. Millions have cheered the famous stage play from which this picture was made. Millions will hail the film as one of the most thrilling dramas of love and courage ever screened.

MONDAY AND TUESDAY MARCH 9th AND 10th

"SINNERS IN HEAVEN", with Bebe Daniels and Richard Dix. Unusual dramatic romance of a man and woman cast away on a desert island love and thrills in a South Sea setting. See the amazing adventures of this man and woman, and thrill to as fascinating a story as was ever screened. Also Fox News and Comedy.

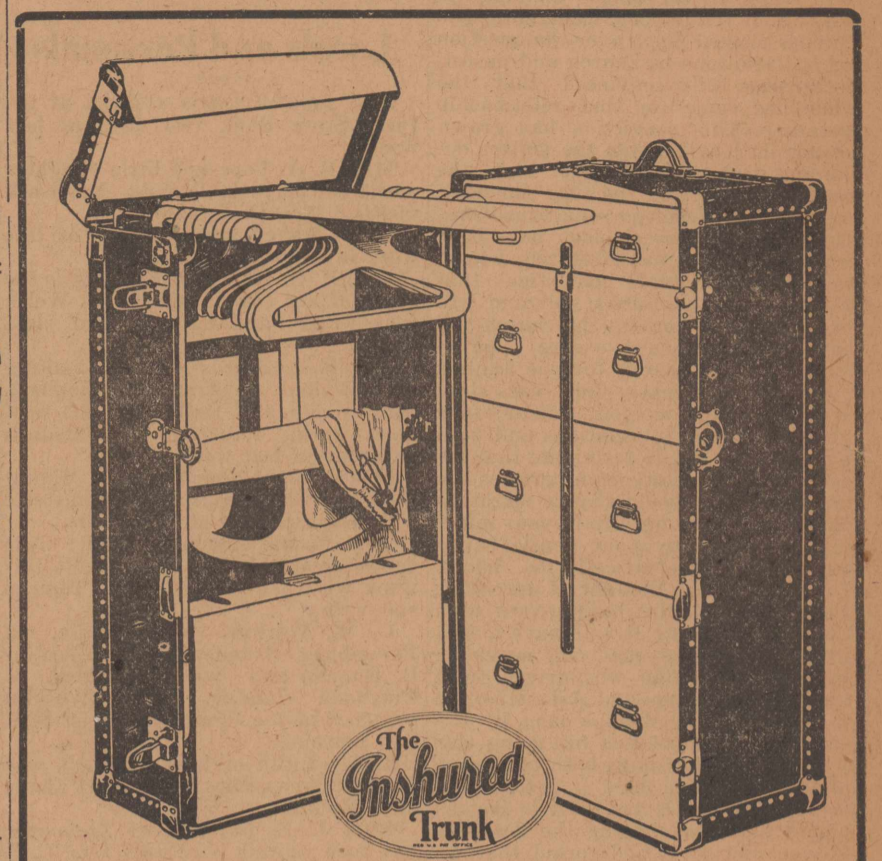

WEDNESDAY AND THURSDAY MARCH 11th AND 12th.

"THE HERITAGE OF THE DESERT", by Zane Grey, with Bebe Daniels, Ernest Torrence, Noah Beery and Lloyd Hughes. Don't fail to see this great Zane Grey story of colorful romance and thrilling adventure. Picturized on the same stupendous scale and with the same gripping sincerity as "The Covered Wagon".

CARD OF THANKS
In our recent bereavement friends and neighbors have been so helpful and kindly, and we take this method of expressing our appreciation and thanks.
Mr. and Mrs. T. W. Salisbury

COLD PORTO RICO
The average temperature of Porto Rico, 76 degrees Fahrenheit, is lower than that of any important island of the American tropics.
A modern motor road is being built between Damascus and Teheran, the capital of Persia.

WASHINGTON BUTTON
Another campaign button of George Washington's second campaign in 1786 has been found in the ruins of the Gen. Nathaniel Lyons' homestead at Eastford, Conn. This button is the property of Harry C. Young, and the only other one extant is that owned by Mr. and Mrs. S. Arnold Peckham and which was placed up on the Peckham farm near Sasford.
A minute and inconspicuous black spider was found living on Mount Everest, higher than any other creature on earth. This spider lived more than 17,000 feet above sea level.

Durable Handsome
A handy trunk for everyone

Five-ply construction throughout, covered and bound with Royal vulcanized fibre, built over three-ply veneered lumber box.

- | LINING | EQUIPMENT |
|--|---|
| Lined with fancy, silk finished, colored washable, Fabrikoid | Dust Curtain, Laundry Bag, Covered Shoe Box |
| TRIMMINGS | Ironing Board |
| Specially designed, heavy malleable steel braced finish | Adjustable Electric Iron Holder |
| LOCK | Four Drawers, Lower one arranged to hold Ladies' Hats |
| Strong spring Snap Lock and heavy draw bolts | Nickeled Steel Locking Device |
| FINISH | Ten Veneered Clothes Hangers |
| Beautifully finished presenting a most attractive appearance | Bulged raised tops Fibre inner lined |

A GUARANTEED VALUE

Under the Capitol Dome

(By J. G. Burr, Austin, Texas)

Too pretty a day to stay in doors and write. Verdure everywhere and birds are calling from the tree-tops. This may arouse the envy of the Pan-handlers who would prefer lines on the driven snow. But this is Texas and windy March and the reader may yet peruse this letter, under the stress of a blizzard by a glowing fireside. Just now the fishing fever hits us and to aggravate the case, some one asks me to go. Only a genius could write successfully against such resistance. (The word successfully saves the sentence.)

The Legislature adjourned yesterday and left for the Rio Grande, but the members are of course only human and while they have much resistance, they are not expected to use it against temptation. In justice to the solons it should be made clear that they are visiting the valley to get grapefruit. The solons need a rest after introducing 1,000 bills in 36 days. They need a rest and the change, but the hotels will get the change and the porters will get the rest.

With the holiday spirit uppermost why enter gravely upon problems that tax the mind and patience and with Monday as Texas Independence Day, work is out of the question. But without hindrance to the call of the wild, Finley's Fur Bill may be mentioned. Finley and fur—notice the alliteration—is commonly heard about the capitol and those who helped him are called fur-bearing representatives. Finley and fur—it sounds like a firm name and may yet evolve into something like Finley and Fleece'm, should he be drawn into the fur trade. The bill has passed the House and has no opposition in the Senate. While regulating the killing of fur-bearers, it gives no protection to a skunk in a henroost or on the premises.

Partridges—216 Hungarian partridges bought in New Jersey at six dollars apiece by the state game department have just been distributed in Texas. They are beautiful birds about twice the size of the Bobwhite. Their increase will be trapped and sent to other sections of the state. Between ten and eleven thousand bobwhites were distributed over Texas during the past 30 days, according to W. W. Boyd, which were paid for by hunting license money, so that hunters are getting something besides fines for their investment, though some 800 persons have been fined since September for breaking the game and fish laws.

Here's a tip. Don't hunt turkey in Kendall and Gillespie counties in March and April. The open season has been set back to November and December.

Game refuges are coming, the most recent acquisition being nearly 100,000 acres on the waters of the San Saba River and Brady Creek in the counties of San Saba and McCulloch, leased to the state for five years for game culture the consideration being one dollar. Active in securing this highly desirable game field were Representative Finley and Senator Wood.

Caddo Lake both in Texas and Louisiana is proposed as a game and fish preserve in a House resolution by Jasper of Marshall, calling upon the state of Louisiana and the federal government to send a commission to Caddo Lake to confer with the Texas Park Board and work out plans of cooperation.

Liquor—Not veering far from the festive spirit of this letter, a little talk about liquor. Lastly and in conclusion, getting one's name in the paper will be all too easy if an amendment by Woodard to the liquor bill should become a law. It proposes the publication of names of all purchasers of liquor for medical uses. An amendment by Senator Sturat would authorize the state through the Board of Control and county clerks to distribute the same to the various county dispensaries of the state upon application therefor by the county clerk. The county clerk would report all sales to the state comptroller and the inhabitants of a county would be limited to one gallon for each one thousand persons during any one year. The net earnings would go into the available school fund. Fifty per cent profit is the maximum and physicians could charge but one dollar for a prescription. With but little more than a week remaining there is doubt whether the regular session will pass the bill. With much work yet to be done there looms the prospect of a called session Not in 20 years has there failed to be a called session in Texas.

The amnesty bill failed to come up in the House before adjournment and is to be considered Wednesday or Thursday.

The senate will devote much time this week to a hearing of the defense of those of the prison system who are charged with various offenses and wrong doing.

WHO WAS SHOT AND WHO WAS NOT?

A duel was lately fought by Alexander Shott and John S. Nott. Nott was shot and Schott was not. In this case it was better to be Shott than Nott. There was a rumor that Nott was not shot, but Shott avows that he was shot, which proves that either he shot Shott, shot at Nott, was not shot, or that Nott was shot notwithstanding.

It may be made to appear on trial that the shot Shott shot shot Nott, or as accidents with firearms are frequent, it may be possible that the shot Shott shot shot Shott himself when the whole affair would resolve itself into its original element, and Shott would be shot and Nott would be not.

Some folks think, however, that the shot Shott shot shot not Shott, but Nott.
Can you tell who was shot?—Byx's roadside.

R. N. BURGETT WILL MAKE RACE FOR CITY MARSHAL

After talking with some of my friends I have decided to make the race for City Marshal of Floydada.

I will make a thorough canvass of the voters and will appreciate your consideration of my candidacy, and your vote at the election.

In case of my election I will do my best to make you a good marshal.

R. N. Burgett.
(Political Advertisement)

SOME NEGLECTED ISSUES

The problems which touch one's personal happiness most closely do not seem to get into politics. For example typewriter ribbons should be easier to put on and take off. As it is now, thousands and thousands of authors stenographers, farmers and business men soil their hands and muss up their tempers once or twice a month from this cause alone. Then, too, milkmen make altogether too much noise, especially on these winter mornings when there is no sense in waking up. There is the chewing gum evil. Every year the United States imports 1,000 trillion tons of chicle from British Guiana or perhaps it is the Dutch East Indies and practically all of this is made into chewing gum and left scattered about on pavements and even on car seats. Moreover, there is a crying need for an automobile tire which will throw mud not on the innocent pedestrian but on the driver who exceeds the speed limit. The bootblacks of America are responsible for another condition which approaches the stature of a scandal. Hardly any of them black the heels of shoes. Practically all of them use polish which fades with the first breath of air. Consider, too, the collar and tie situation. Nobody knows how many hundreds of dollars' worth of ties, collars and energy are wasted every year by men trying to pull ties through collars which are not adapted to that purpose. Ties should be stronger or collars less tenacious. Dress shirts, too, demand legislative attention. As matters now stand a dress shirt (a) cannot be fastened after the wearer is inside; (b) cannot be put on after it is fastened. How different our social life would be if this were not the case! How absurd that such an evil should be left unamended by a nation which has invented the automobile, the flying machine and the League of nations.

These problems affect almost every voter, almost every day of his life. They are important to him as gun elevations, postoffices or—daring as the statement may seem—income tax revision. The politicians do nothing. The Republican and Democratic parties do not even mention them in their platforms along with the other subjects which are always included in platforms and regarding which no one ever has the slightest intention of doing anything. Well let them take warning. Some time a party will arise with a platform covering all these issues and it will sweep the country.—Boston Independent.

Locals and Personals

N. A. Armstrong and daughter, Doris, and John H. Reagan were among the Floydada people who have been in Amarillo this week at the Cattlemen's Convention.

Mrs. Cornelia Goen, who has been seriously ill at the home of her son, W. S. Goen, is reported to be improved this mid-week.

J. H. Fisher, of Gaines County, a former resident of Floyd County, visited here the latter part of last week.

W. L. Boerner returned from Marlin this week after spending more than two weeks at the famous Texas health resort.

Ira Marshall a student at Simmons College, Abilene, spent Saturday to Monday visiting with his parents, Mr. and Mrs. Luther Marshall.

Mrs. R. P. Parker and Wesley Parker and Miss Joe McBride of Crosbyton visited friends in Floydada last Sunday.

M. L. Kizziar visited in Altus, Oklahoma from Tuesday until Sunday. His brothers, Ernest and Bernard Kizziar, accompanied him home and visited in Floydada from Sunday until yesterday, the former returning to Altus, and Bernard going to Albuquerque for a few days.

Sam Berry who is now working at Olney, Texas, visited his family from Sunday to Wednesday of this week.

Mr. and Mrs. L. A. Moore have returned from Vernon, where they were called to the bedside of their son, Dr. W. J. Moore, who was operated on for appendicitis. They report him resting nicely at Moore Brothers' Sanitarium.

WHY FUSE BLOWS OUT IN USING ELECTRICITY

When electric lights go out it is generally because a fuse has blown out, says the Texas public information bureau.

The reason for a fuse blowing out is sometimes because some person has unthinkably tried to operate too many electrical appliances at the same time.

Electric current, flowing over a wire, creates practically no heat unless its progress meets with resistance in making it do some useful thing, such as lighting a lamp, operating a sewing machine, turning a motor or other appliances. This creates energy or heat, not only at the point of use, but all along the wire back of it.

To prevent overheating or heating of wires to a point where fires or other damage might result, a fuse is placed on the line. The blowing of this fuse is neither a catastrophe nor a penalty. It is merely a friendly warning of an attempt to use more electricity than is good for the wires. The fuse blows out only when there might be trouble—and after it has blown out there can be no trouble. The blowing of the fuse is simply the operation of a safety device, and as long as the fuse is there waiting, trouble has no chance.

W. M. S. IN BIBLE STUDY MEETING WITH MRS. CARTER

Our last meeting for Bible Study held at the home of Mrs. S. Y. Carter was greatly enjoyed. Mrs. Jim Willson led the meeting. Following the Bible Study lesson little Carrie Bell Carter entertained us with a reading. Refreshments were served.

At this meeting plans for entertaining the delegates to the District Conference which will be held the last Friday in March were discussed. There will probably be about 175 visitors who must be taken care of. With the housing situation as acute as it is every one with a spare room will have to try to make a place for our visitors. These delegates will have to be taken care of at least two nights.

Next Monday afternoon we will meet at the church building. Study chapters 21 and 22 in "Thirty Studies About Jesus."

Reporter

REVIVAL DATE CHANGE

A change in plans for the revival meeting of the Cumberland Presbyterian Church in Floydada was made late this week and an announcement appearing in another column of this issue of The Hesperian should read for the revival to begin July 19th instead of August 23rd.

Nice Cookies for Entertaining

We have prepared a few recipes for making dainty and pleasing cookies that will prove very suitable for purposes of entertaining, served either with tea or hot chocolate or if desired with cream. In the children's school lunches they will be a very welcome change.

Brownies

1 cup of sugar
1-2 cup melted butter
1 egg unbeaten
2 squares chocolate
3-4 teaspoon vanilla
1-2 cup flour
1 cup nuts cut in small pieces
Mix ingredients in order given. Line a seven inch square pan with paraffin paper. Spread the mixture evenly in the pan and bake in a slow oven. As soon as taken from the oven, remove from the pan and cut the cake in strips, using a sharp knife. If these directions are not followed the paper will stick to the cake and it will be impossible to cut it in shapely pieces.

Nut Macaroons

White of one egg
1 cup brown sugar
1 cup pecan nut meats
1-4 teaspoon salt
Beat white of egg until stiff and add gradually, while beating constantly, the sugar. Fold in the nut meats, finely chopped and sprinkled with salt. Drop from tip of spoon, one inch apart, on a buttered sheet, and bake in the oven (moderate) until delicately browned.

Rocks

1-2 cups brown sugar
3 eggs
1 teaspoon cinnamon
2 cups raisins
1 cup butter
1-4 teaspoon cloves
3 cups flour
1-2 cups English walnuts.
1 teaspoon soda
Cream butter and sugar well. Add the beaten yolks to this; mix spices and soda with the flour and add to the sugar mixture. Flour fruit and nuts and add to mixture. Add the beaten whites and mix well. Drop from spoon and bake 10 minutes. Makes 3 dozen.

Rolls Wafers

1-2 cup butter
1-2 cup powdered sugar
1-4 cup milk
7-8 cup flour
1 teaspoon vanilla
Cream the butter, add sugar gradually and milk drop by drop; then add flour and flavoring. Spread very thinly with a broad, long bladed knife on a buttered inverted dripping pan. Crease in 3 inch squares and bake in a slow oven until delicately browned. Place pan on back of range, and roll while warm in tubular or cornucopia shapes. If squares become brittle, place in the oven to soften. They are very attractive and may be served with shurbet, ice cream, or chocolate.

Biscuit Recipes Error

In last week's recipes for the Biscuit Contest two regrettable mistakes occurred that we wish to correct in this week's issue. In the first recipe for Baking Powder Biscuits change the item that reads from 5 to 4 teaspoons baking powder to read 3 to 4 teaspoons baking powder. In the second recipe for Sour Milk Biscuits, change the item that reads about 1-4 cup thick sour milk to read about 3-4 cup thick sour milk.

SPEAKING OF RARE COINS, HERE ARE SOME

The Hesperian reporter ran across some more interesting coins this week, which match the ones mentioned in last week's issue belonging to Jno. W. Maxwell.

The new find of coins are in the possession of G. V. (Buck) Slaughter. One of them is a three cent piece, dated 1866, a silver alloy; another is a two cent copper piece of 1864, and the third a half dime which came from the mint in 1859.

The last named piece has been in the Slaughter family for many years, G. V. Slaughter, Sr., now deceased, having carried it among his personal effects from youth.

A. D. HARE CONVALESCING WHILE VISITING IN AMARILLO

A. D. Hare left Saturday morning for Amarillo, accompanied by his son, A. H., and will spend several weeks in the home of his son at 519 Tyler St., while convalescing.

R. V. and Monte Hare and Mrs. Willie Norman, sons and daughter of the elder Mr. Hare have spent much of the time during his illness due to pneumonia, here with their father.

A. H. Hare said Friday afternoon that the helpfulness and aid of friends, teachers, school children and others had been of inestimable value to them and their father during his illness, and asked the Hesperian to express the thanks of the family to all of these, and include the physicians for their faithfulness.

SUSTAINS INJURY IN FALL FROM MOVING AUTOMOBILE

Miss Verna Burton, stenographer in the First State Bank, fell out of a moving car while trying to alight in the town square last Friday morning and was rendered unconscious by the fall. She was taken to the Sanitarium with blood flowing freely from a cut in her head. After regaining consciousness it was found that other than an ugly gash in the back of her head and a general shaking up Miss Burton had sustained no serious injuries.

Miss Burton was on the job again late Saturday evening.

NEW DATES SET FOR "HOME ACRES", P. T. C. PLAY

"Home Acres" will be presented by the P. T. C. Society at the Sand Hill Auditorium Friday night, March 6th, and at Floydada High School Auditorium on Friday night, March 13th.

The play is a good one and will be well-presented, it is promised. The cast is entitled to a good hearing wherever presented. Proceeds will be used for the benefit of the piano fund of Sand Hill School, and in the showing at Floydada a portion of the proceeds will go to local school activities. All school children will be admitted free when accompanied by one paid admission. Season tickets of the P. T. C. are good for the play whenever presented.

TWO MORE HOMES

H. E. Cannaday last week started the construction of a 5-room modern bungalow on West California Street, which will be occupied by a tenant when completed.

Clyde Henderson, an employe of the Floyd County Lumber Company also has a residence under construction, which he will occupy when completed. It is on Lee Street, West, and will be a creditable addition to that residence section. Clyde Henderson is a son of E. W. Henderson.

New Express Rates Show Reductions

Changes in express rates and changes ordered by the Interstate Commerce Commission, effective March 1, will result in many economies for shippers according to M. W. Herring, agent, of the American Railway Express Co. of this city.

New express rates go into effect throughout the United States, Mr. Herring, stated today after a careful study of the new tariffs placed on file at his office recently. Practically every basic rate per 100 pounds has been changed and application has been made to apply the new rates on interstate business and the State Commission is expected to take action on the matter.

While there are some increases in rates, applying particularly in the eastern territory, according to Mr. Herring, generally speaking the changes are downward and lower rates will prevail in the greater part of the country. The most marked reductions are in the west and south, thus enabling shippers to reduce their transportation costs substantially.

Mr. Herring has prepared the following rate comparison showing the new rate compared with the old from this city to important points throughout the country.

To	New Rate	Old Rate
Chicago, Ill.	\$4.90	\$6.72
Kansas City, Mo.	3.70	4.78
New York City	7.70	8.59
Oklahoma City	2.60	3.25
St. Louis, Mo.	4.70	5.96

Mr. Herring advises shippers to investigate the new rates and will be glad to give any information on the subject at his command. He points out that in many cases express rates and charges under the new schedules will be found to be less than the charge made by competing transportation agencies, especially in view of the particular character of express with its pick-up and delivery service and other features.

P. T. A. MEETING INTERESTING

A very interesting program was rendered by the Parent Teachers Association at their meeting last Friday afternoon. The general prevalence of flu and severe colds in town has been the reason for the small attendance at most of the club meetings and public gatherings recently. Those who did attend had the pleasure of hearing a clever paper on "Books and Children" read by Mrs. Harper Scoggin, whose charming poems have appeared from time to time in the Hesperian.

Others who were on the program were Miss Jewel Strubling who gave a reading, and Miss Hazel Massie who gave a piano solo.

Following the program refreshments consisting of Eskimo pies and cakes were served.

Coming to LUBBOCK

Dr. Mellenthin

SPECIALIST
in Internal Medicine for the past twelve years

DOES NOT OPERATE

Will be at
MERRILL HOTEL

Monday, March 16

Office hours: 10 a. m. to 4 p. m.

ONE DAY ONLY

No Charge for Consultation

Dr. Mellenthin is a regular graduate in medicine and surgery and is licensed by the state of Texas.

He visits professionally the more important towns and cities and offers to all who call on this trip free consultation, except the expense of treatment when desired.

According to his method of treatment he does not operate for chronic appendicitis, gall stones, ulcers of stomach, tonsils or adenoids.

He has to his credit wonderful results in diseases of the stomach, liver, bowels, blood, skin, nerves, heart, kidney, bladder, bed wetting, catarrh, weak lungs, rheumatism, sciatica, leg ulcers and rectal ailments.

If you have been ailing for any length of time and do not get any better, do not fail to call, as improper measures rather than disease are very often the cause of your long standing trouble.

Remember above date, that consultation on this trip will be free and that his treatment is different.

Married women must be accompanied by their husbands.

STATUARY PRESENTED HIGH SCHOOL CLASSES AT CHAPEL

The regular Monday morning Chapel at the High School Auditorium was in presence of the V. O. Stamps Quartette who gave some numbers that made unusually interesting by the way particularly pleasing to the student group.

Following the Stamps Quartette the presentation of the statuary to the English and History Departments of the school was made by Jean Ayres in appropriate fashion who gave a short history of each piece. The statues presented were those of Mendelssohn, Shakespeare and Dante to the English Department; and the Lion of Lucerne and the Victory of Samothrace to the History Department. The proceeds derived from the Operetta "Gypsy Rover" given under the direction of Mrs. O. W. Kirk by the High School Glee Club last year furnished the necessary funds for purchasing the statuary, presented to the school last Monday morning.

In keeping with the presentation of the statuary a program was given by pupils of the school as follows: Mendelssohn's "Consolation" by Edna Houghton; Moskowski's "Serenata" by Iva Looper; Vocal Solo "The Broken Pitcher" and encore "Sunbeam and the Moonbeam" by Patsy Looper with Iva Looper at the piano.

Mrs. W. L. Boerner visited her daughter, Mrs. W. S. Posey of Lubbock last week.

W. A. Baker attended the ceremonies in Canyon last week, incident to the opening of the new Santa Fe station and White Way.

What to Do For A Persistent Cough

Everybody knows how foolish and dangerous it is to let a cough hang on and on. The proper thing to do is to stop it—quick—and for this purpose there is nothing better than that great old home remedy that our parents and grandparents used so successfully—Dr. Bell's Pine Tar Honey. It often relieves a severe cough overnight. Doctors say there is really nothing like pine tar to quickly loosen and remove the phlegm and congestion which are the direct cause of the coughing, while the honey not only gives a pleasant taste but helps soothe soreness and irritation.

But be sure you get the genuine Dr. Bell's Pine Tar Honey and not some substitute. Dr. Bell's is the original, and has been known for many years as the best. It is scientifically compounded of just the right proportions of pine tar, honey and other quick-acting ingredients, which the best doctors have found to aid in bringing quick relief. Contains no opiates or other harmful drugs, so can be given even to young children—fine for spasmodic croup. If you want the best home remedy in the drug store, get Dr. Bell's, 30c at all good druggists.

DR. BELL'S

The Original
PINE-TAR-HONEY

Get This

It should be and there is a moral law as well as a State law against giving a check and not having the money to pay it. The State law is very plain, stating that if any one gives a check and it is not paid when presented for payment you can be prosecuted. You are then sent to the pen. You will then commence paying the State for violating its commercial law. The State has then closed its account against you. What about the moral side of it? Have you stopped to give that a thought? So many, it seems, have not. The law remains and will ever be bobbing up against you wherever you may go.

If you take a check you expect the money. The other fellow does too. If you both get yours, it sure will be fine. But if you get yours and hold the other fellow's too, what in the world will the other fellow do?

Now, any merchant in this trade territory will be glad to take your check or sell you on credit or the banks loan you money, if you have kept the faith, or paid your note or account when due. Merchants have a right to expect their money and you will not enjoy a good credit rating, here or any other place if you do not pay, or should you fail to adjust an account with your creditor. Those who fail to do this are the greater losers, for they are making a record no one should want. If you ask a credit the merchant will say no, or if you offer him your check, he will say to you "You had better pay the other checks before expecting me to take another from you."

Make Your Checks Good It Pays To Pay Up

RETAIL MERCHANTS ASSOCIATION of Floyd County

Members Retail Merchants Association of Texas. Members National Retail Merchants Association.

Don't Sign Up Unless You Mean Business!

We have been advising our clients in Floyd and adjoining counties that we are in position to make sale of their lands, if the price is made right by the prospective seller.

We urge you, however, not to list your land for sale unless you really want to sell

and are prepared to go through with the deal after we make it for you.

It costs money and time to make a sale, and the land man must have assurance that you actually desire to sell.

Community Sing-Song Attended by Huge Audience Sunday Evening

One of the largest crowds that has gathered together for some time in our town, assembled in the High School Auditorium Sunday evening for a monster community sing-song under the leadership of Prof. M. Morgan of Floydada and the members of the V. O. Stamps Quartette of Jacksonville, and R. B. Vaughn of Magnolia, Ark. Even standing room was at a premium in the aisles, doors and corridors on the first and second floors and many stood at the open windows to listen. And when a thousand voices or so thundered out the old favorite "Halleluia" there was a thrill, a thrill of tremendous power, one that comes but seldom and rarely equalled, that swept over the entire crowd and in a twinkling of an eye had them completely enthralled in the magic of the music.

The Stamps Quartette rendered several selections which were very favorably received. The personnel of the quartette is as follows: Bill Finncanon of Mingelville, F. X. Trigg of Italy, Thomas Ware of Hainsville, La., and V. O. Stamps of Jacksonville.

The group singing was led in the main by Prof. Morgan and Prof. Stamps with Thomas Ware, Miss Virginia Price and Mrs. Calvin Steen at the piano. R. B. Vaughn sang a bass solo in the latter part of the program. Rev. J. L. Henson gave the opening prayer and Rev. F. L. Davis said the benediction.

A similar sing song was held the same afternoon at Ralls with a huge crowd in attendance.

W. S. AND OTIS BOOTHE IN WRECK EAST OF MATADOR

W. S. Boothe and Otis Boothe, of this city, were in a car wreck 14 miles east of Matador on the Lee Highway Saturday morning, that injured both and badly damaged the Ford coupe of E. E. Boothe, in which they were riding.

They were enroute to Marshall, Texas, boyhood home of W. S. Boothe, on a vacation trip, when the accident occurred. Their car apparently straddled an embankment at a full turn in the road. Both were just recovering consciousness when C. R. Wilkinson, of Lockney, came along, also enroute east. At Paducah he telephoned E. E. Boothe, who brought his father and brother back home the same day.

Otis Boothe is still suffering from possible internal injuries; his father, however, being able to be out with only minor injuries.

"DEHORN" TREES OF COURT YARD FOR COUNTY

Floyd County's courtyard last week had this appeared like "the forest primeval," which is accounted for by the fact that W. M. Colville is "dehorning" the trees. The heavy growth is being cut off of the tops of the trees in the belief that it will prolong the life of the trees.

The work is being done under contract. Several loads of wood have been hauled out from the yard following the wood cutters.

G. C. Fairey, of Amarillo, was a business visitor in Floydada Saturday of last week.

It Pays to Walk

Floydada Grocery and Market has a clean, up-to-date stock of Groceries and Meats.

Have you visited our store? Can we have the pleasure of showing you that "it pays to walk?"

Your business will be appreciated. Let us deliver your next bill of groceries and meats.

Harve Williams, Manager

LAND FOR SALE

About 200 Sections located in Floyd, Motley, Hall and Briscoe Counties, to sell for farms, small ranches, some to lease to farm and graze. Consider these lands among the choicest in North West Texas for cotton, wheat, feed, general farming and grazing, some of these lands already in good state of cultivation and some of the grazing land has living water. Will sell or lease in small or large quantities.

W. M. Massie & Bro.,
Agents
FLOYDADA, TEXAS

NEW MANAGER OF LOCAL YARD BRINGS HOME BRIDE

Herbert P. Ralls, of Ralls, a son of Percy B. Ralls, is the new manager of the Higginbotham-Bartlett Lumber Company, succeeding M. L. Kizziar, resigned. He arrived last week and has assumed charge of the yard.

Ralls is a recently married man. He was married on February 22nd, to Miss Ruby Hutchinson, of Paducah, at Paducah. Mrs. Ralls had been teaching expression in the Ralls Schools, resigning her place to marry.

The couple spent several days on a honeymoon downstate, visiting Dallas and other points in that section during a two weeks tour.

Mr. Ralls has been with the Higginbotham-Bartlett Company for several years, and his appointment to the management of this yard comes in the form of a promotion in the service of the company.

COLDS AND FLU PREVALENT LAST WEEK AT LAKEVIEW

Lakeview was among the Floyd County communities which last week had a big list of cold and influenza cases. As indicating the general manner in which the malady visited the community, without prejudice to any of the families, only eight children were in school Friday out of a total enrollment in a three-teacher school, according to A. T. Pratt, who was in Floydada Saturday on business.

At that time none of the cases were serious.

SCHOOLS WILL VOTE ON DISTRICT CONSOLIDATION

Common School Districts Nos. 8 and 31, Sunset and Mountainview, in the northeast portion of the county, will vote on a proposal to consolidate the districts on March 28th.

The order for the vote on the proposal was made by County Judge E. C. Nelson, Jr., following petitions received from the two districts.

P. L. Orman will be the presiding judge in Mountainview and S. F. Gilliland in Sunset.

Why Buy Land

in a ONE CROP COUNTRY where cotton is the only money crop. It's all right when it brings 25 cents per pound, but when it goes to six cents, LOOK OUT.

The deep rich soil of the Hereford Country is especially adapted to such crops as WHEAT, OATS, BARLEY, MAIZE, KAFFIR CORN as well as COTTON and its lands can be bought reasonable because we have no BOOM here.

We offer choice plains land, free from blue weeds and ready for the plow at from \$20.00 per acre, and up owing to location. We also have a few good tracts to trade for other property.

Sideache Backache

"I have been taking Cardui," says Mrs. Lillie Bolton, of Lake Providence, La. "I got down in bad health and lost in weight until I only weighed 120 pounds. I had bad pains in my sides and back and my legs hurt me until I couldn't walk. I stayed in bed half the time. I tried all kinds of medicine, but it did me no good. Finally I tried

CARDUI

The Woman's Tonic

"It seems like it did me good from the very first. After I had taken half a bottle I noticed an improvement. I continued its use and I got better and better. The pains in my legs and sides disappeared and I began to gain in weight until now I weigh 155 pounds and feel better than I ever did in my life. I am perfectly well and strong. I have given it to my girls, too."

Cardui has relieved many kinds of pains and distressing symptoms caused by female trouble. It should help you, too, in the same way. Why not give it a fair trial?

Big Tax Collection Checks for January

Last Friday was pay-day at the tax collector's office, and Tax Collector J. R. Maddox was the payor. Checks totalling \$185,315.35 were made out by him, five in all, representing collections for the first month of his tenure in office, or to January 31st.

Of the amounts paid covering January collections, the state received \$52,222.52; the common school districts of Floyd County \$39,421.29; the county general fund \$16,772.82; the road and bridge fund \$19,424.02 and the court house fund \$6,474.70.

DEBATE TRY-OUTS ARE HELD BY HIGH SCHOOL

The try-outs for the High School Debating Team were held last Thursday evening at the High School Auditorium with a fair sprinkling of parents and friends gathered there to listen to the contestants. Bill Bobbitt, senior, won first place on the boys' team; Roy Jameson, senior, won second place on the boys' team. Jean Ayres, senior, won first place on the girls' team; Evelyn Kizziar, junior, won second place on the girls' team.

This Quartette will represent Floydada High School in its contest with the Lockney High School to be held during the school fair.

Mrs. Frank Cleere who has been visiting for the past two weeks in Altus, Oklahoma, and Wichita Falls, Texas, returned home last Saturday morning.

New Way to Quickly Stop Dangerous Cough

It is almost criminally careless not to properly attend a persistent cough, which by seriously weakening the system lays you open to far more dangerous infections. For by a very simple treatment you can stop the coughing spells almost instantly and often relieve the stubbornest cough in 24 hours.

This simple treatment is based on a remarkable prescription known as Dr. King's New Discovery for Coughs. You simply take a teaspoonful and hold it in your throat for 15 or 20 seconds before swallowing it, without following with water. The prescription has a double action. It not only soothes and heals soreness and irritation, but it quickly loosens and removes the phlegm and congestion which are the direct cause of the coughing. The prompt relief of the heaviest cough seems almost magical.

The prescription is highly recommended for coughs, chest colds, hoarseness and bronchitis, and is wonderful for children's coughs and spasmodic croup—no opiates or other harmful drugs. Economical, too, as the dose is only one teaspoonful. At all good drugists. Ask for

DR. KING'S NEW DISCOVERY FOR COUGHS

HARVEY ASSITER RESIGNS

Harvey Assiter, who has been manager of the grocery department of the Bryant-Link Company store at Ralls for two years, resigned his place recently to return to Floydada. He remained with the firm some thirty days following his resignation, only returning home the latter part of last week.

The people of Australia are ninety-seven per cent British.

MRS. W. C. GRIGSBY IS GOOD ROADS CHAIRMAN

Mrs. W. C. Grigsby was notified last week that she had been appointed Chairman of the Good Roads Committee in this district by Mrs. Reese Tatum, President of the 7th District. All club women in Floydada are honored by this appointment.

Mr. and Mrs. Clyde H. Davis spent Sunday in Matador, where they visited with Mr. and Mrs. Elmer Stearns.

First Class Lumber Yard Being Opened at Quitaque

Floyd County Lbr. Co. Opening Yard and Will Soon be Ready for Business.

We are pleased to announce that we have perfected plans for the opening of a new first-class lumber yard in Quitaque at an early date, from which we expect to be able to give the very best of service.

We are well-acquainted with the needs of the people of the Quitaque section, and plan to maintain a yard that will fill the needs of the country.

We will have three points in our platform by which we hope to merit your patronage:

We will not be satisfied until our customers are satisfied; Our service will be only the best; Our prices will be in line with anything in the territory.

The only difference in the Floydada price and the Quitaque price will be the hauling.

Our large buying power, made possible through purchases for our three yards already established—Floydada, Lockney and Ralls—will make it possible for us to give our customers at the Quitaque yard the advantage of quantity buying and thereby save money.

Floyd County Lbr. Co.

W. I. Cannaday, Manager
Floydada, Lockney, Ralls and Quitaque

**Legion House Warming
Big Feast of Fun**

A large crowd of some one hundred and fifty responded to the general invitation issued by the American Legion boys to the housewarming they held last Friday evening for their new quarters in the beautiful new bungalow home recently completed on corner of Virginia and Fifth streets. A delightful evening was enjoyed by all, an evening punctuated throughout by good music, good fellowship and good eats.

The first part of the evening was devoted to a more or less set program, the Floydada Orchestra setting the evening's pace with jolly jazz music. E. C. Nelson, Jr. made the opening address; Truitt Butler and Elmer Wood sang a duet that was very much enjoyed; a reading by Mrs. Claude Wallace was effectively rendered as was a vocal solo by Mrs. E. C. Nelson, Jr.

A group of short informal talks followed by Dr. W. M. Houghton, T. R. Webb, J. C. Wester and J. E. Horton of Plainview whose particular subject was "How it Feels to Bring Another Fellow's Girl to the Party." The program wound up by some choice old time cowboy ditties rendered by J. B. Jenkins in his characteristic inimitable style of an old-timer.

Refreshments consisting of cream, cake and punch were served to the guests and presently a group gathered around the piano and a general sing-song was in full swing.

Among the out-of-town guests who attended the housewarming were Mr. and Mrs. H. B. Adams of Lockney, J. E. Horton, Misses Dell Howard and Vincent, all of Plainview.

**DATE SET FOR
STARKEY CLUB MEETING**

On Monday, March 16 at two o'clock the Home Demonstration Agent, Miss Mabel Faulkner will meet with the Starkey ladies at the home of Mrs. E. A. Grigsby. Everyone is especially urged to be present as this meeting will determine whether or not we will get the Club. Don't forget the date.

Mr. and Mrs. D. D. Shipley left this week to attend the Cattle Convention in Amarillo.

Sanitarium Notes

Mrs. Ollie Noll of Flomot returned to her home yesterday.

Mrs. Leon Noll of Flomot who was operated on last Thursday for appendicitis is now convalescing at the Sanitarium.

Miss Cleve Campbell will probably return to her home in Lockney in a few days.

Juanita Skeen of Silverton was operated on for appendicitis last Saturday.

John Irwin of Flomot who underwent a mastoid operation last Tuesday morning is doing very nicely.

M. F. Swain who broke his leg last Sunday underwent an operation Tuesday night for appendicitis. He is the son of Mrs. M. F. Swain who less than a month ago had her little son, Robert, in the Sanitarium for an appendicitis operation. In a year's time she has had three of her children undergo operations at the Sanitarium.

Miss Myrtle Henry spent two days in the hospital this week. Her tonsils were removed last Monday.

Lee Faulkner had a minor operation last Tuesday.

ALLMON HOME DEMONSTRATION CLUB

The Allmon Home Demonstration Club had the pleasure of meeting with Mrs. G. W. Falls on February 28. A large number were not able to attend on account of sickness. The subject for our next meeting will be quick breads and probably set-in pockets and bound buttonholes.

Miss Faulkner plans to have a man present from A. & M. College to talk on Club work. We will meet next with Mrs. W. A. Curb on March 13. Every one come and bring some one with you. Let us live up to our motto to "make the best better."

REV. A. W. REVES, OF HAMLIN, TO PREACH SUNDAY

Rev. A. W. Reves, of Hamlin, will preach Sunday morning and evening at the First Baptist Church, it is announced this week.

Members of the church are urged to be present for the services and others have a cordial welcome.

Lee Montague is attending the Cattle Convention in Amarillo this week.

Allmon News

Allmon, March 2.—There is lots of farming now, as spring is near at hand.

Mrs. Baisden was sick last Friday and not able to teach, but improved enough so she could teach Monday.

Mr. and Mrs. Emmett Foster from Lubbock came down to visit Mr. Foster's brother, Roy Foster last Wednesday. Emmett Foster has been sick for some few weeks and thought maybe the trip would help him.

Mrs. Baisden's mother, father and brother, of McAdoo, made her a visit from Saturday until Sunday afternoon.

Miss Fannie Harris is attending the Normal School at Floydada.

Mr. and Mrs. Jones and smaller children made a trip to Post City from Friday until Sunday afternoon.

There was quite a few attended church at McCoy last Sunday night. Uncle Johnnie Allen, as we call him, and Mrs. Allen, spent the day with Mr. and Mrs. Thorn Sunday.

Mary Alice Montgomery spent several days with her aunt, Mrs. Clarence Gamble.

There were many from this community attended the sale last Wednesday.

As Mrs. Baisden was sick there wasn't any singing Sunday night. But if nothing occurs there will be a singing next Sunday night. Every one is invited to come.

FIRST CHRISTIAN CHURCH

The Sunday School last Sunday was the largest ever held in the church it sure was a good school. The Pastor's class was the largest yet and several new scholars present. Come again. Room for more. Come on.

The preaching services were well attended and interesting. We raised our apportionment for both the United Christian Missionary Society and State Missions. The response was hearty and ready.

In the afternoon the Pastor preached at Lockney in the N. E. Church. Had a good crowd for short notice and the interest was good. We will return the third Sunday afternoon at 2:30.

Next Lord's day morning the services will be as follows: Sunday School at 10:00 a. m. Come on time. The preaching will be at 11:00 a. m. and 7:30 p. m. The subject of the sermon in the morning will be "What it means to Preach Christ" At night the subject will be "The Man who was fired for doing Right."

The night services will begin 15 minutes later since the days are getting longer and dark comes so much later.

On the 20th of this month the first entertainment of the Calendar will be given at the church. This will be a good entertainment and all those who are on the calendar are invited to be present and enjoy the evening. All others will be charged an admission. The weeks are asked to send the days a postcard and that card will be admission to the entertainment that night. If you haven't joined yet better get in before then. Come to the little church with a big welcome.

AT THE METHODIST CHURCH

The pastor will preach at 11:00 a. m. and 7:15 p. m. Sunday School at 9:45. Special music at each service.

Homer D. Baker and wife Mrs. Kate Baker joined the church last Sunday morning.

You are cordially invited to worship with us.

Joseph L. Henson.

MAKING DUMB MEN SPEAK

Two men recently stood on a platform in Baltimore, Md., before a gathering of surgeons. Neither had spoken in several years, their vocal cords having been removed in operations for cancer of the throat. They attempted to speak, but the results were only slight hisses from their lips and louder sibilant sounds as the air from their lungs sighed through the apertures in their throats left by the surgeons' knives.

Dr. John E. Mackenty, well known taryngological surgeon of New York City, handed to each man a little device of rubber tubing and silver, quite like some odd form of smoking pipe, says Popular Science Monthly. The rubber tube each man-affixed to a pad that was strapped to his throat over the hole through which he had been breathing since the operation that had taken his voice away. The other end of the apparatus—a tube of hard rubber resembling a pipe stem—each placed inside of his mouth.

Again the men attempted to speak and this time there issued from their lips intelligible, articulate speech.

This was the first semi-public demonstration of the artificial larynx, an amazing device developed in the research laboratories of the Western Electric Company, which ends the hitherto hopeless silence of those who have lost their vocal cords in operations for cancer.

The artificial larynx is not at all a complicated apparatus. It consists merely of a pad, strapped over the breathing aperture, in the patient's throat, a rubber tube through which the air is carried from the lungs, a little cylindrical box containing a diaphragm of thin rubber and another tube by which the air set into vibration by the rubber diaphragm is carried to the mouth. Movements of the lips and tongue then form the speech sounds, just as in the normal act of speaking. The result is speech that is entirely intelligible, with volume sufficient to carry across a large room.

No attempt will be made to manufacture the artificial larynx on a profitable basis. Those who require one, yet cannot afford it, will be lent one. To those who can afford it, the price will be the exact cost of manufacture.

Unusually large shipments of oysters to Baltimore caused an investigation, which disclosed that milk had been removed and the milk added with whiskey.

Robbers stole a Spr. bank safe, the bank says.

Starkey News

Starkey, March 2.—School is progressing nice this week as there are only a few out of school on account of sickness.

Mrs. L. B. Williams has just recovered from a week's illness of flu and is back teaching again.

A large crowd attended Sunday School Sunday. Bro. Sam Smith of McCoy was back again and was welcomed by all.

Miss Vera Carzine, Miss Bessie Moore and Miss Wanda Howard spent Sunday with Misses Thula and Letha Elmore.

Seaton Howard who has been sick for the past three weeks is doing fine, and is expecting to be back in school in a short time.

Mrs. Zara Moore who has been visiting her sister in Canyon came home Friday.

Joe Shannon who has been sick with flu is now up again.

Efford Parish and family spent Saturday and Sunday with relatives in Dickens County.

A. R. Powers and family of Sand Hill spent Sunday with A. L. Powers of this place.

Bro. Tenison of Plainview held religious services at this place Sunday evening. His sermon was much enjoyed by all who attended.

Mr. Tenison ate dinner with Mr. and Mrs. Buster Allmon.

Mr. and Mrs. F. G. Tye of Hurley, New Mexico are planning to move back to Floydada where Mr. Tye will begin drilling wells.

A number of people from here attended the V. O. Stamps program at Floydada Sunday night. The program was reported good.

Mr. and Mrs. J. L. Cromwell who have just moved into this community will make this their home and their children will attend school at this place.

Luke Sargent and family are planning to visit their relatives in Oklahoma soon.

Mrs. S. W. Key of Big Springs and C. E. Nixon of Brice paid a short visit to Mr. and Mrs. L. B. Williams of this place.

A crowd of young people attended singing Sunday night at Farmer. A nice time was reported.

Locals and Personals

Mr. and Mrs. J. R. Thurston spent Sunday with Mr. and Mrs. Harper Scoggins. Mr. and Mrs. Scoggins recently moved to the W. T. Brown place southwest of the new high school.

One of the Shirey twins, Beulah Frances, has been ill recently with the flu.

Fred Bradley, of Wilson, was in Floydada the latter part of last week visiting his sister, Mrs. Chas. A. Massey, and transacting business.

Judge C. L. Glenn, of Matador, was a business visitor in Floydada Tuesday.

Mr. and Mrs. W. E. Walker last week accompanied Mrs. Walker's mother, Mrs. G. W. Armontrout to Carbon where she will visit with her son John Armontrout for a while. Mr. and Mrs. Walker returned to Floydada Tuesday of this week.

Mr. and Mrs. Boone Hall and Mr. and Mrs. R. Fred Brown and family visited Mr. and Mrs. R. E. Jones and family of Aiken last Sunday.

BORN.—to Mr. and Mrs. T. O. Foster, city, March 1, a son.

Glad Snodgrass accompanied by Miss Joyce Hopkins and Mrs. Jack Henry left Tuesday for Amarillo where he is attending the Cattle Convention. The ladies continued on to Miami where Mrs. Henry will visit with her mother and father, Dr. and Mrs. E. A. Hopkins and Miss Joyce returns home after visiting in Floydada for the past two weeks.

A PLEDGE ALL AUTOMOBILE OWNERS SHOULD SIGN

Our recent discussion of automobile accidents has aroused much interest among Progressive Farmer readers.

In this connection we wish to commend the movement for having all automobile owners sign a pledge to observe those definite rules which, if followed, would prevent most of the trouble and sorrow now resulting from automobile accidents. Following is the pledge which it is suggested every automobile owner should sign:

I will not cut in.

I will not pass another car on a curve where there is not a clear road ahead.

I will not speed up to pass another car where there is not a clear road ahead for at least 100 yards.

I will slow up at corners and on thoroughfares where children are playing in the streets.

I will stop eight feet or more to the right of a street car leaving passengers, and never attempt to pass on the left.

I will not be a "road hog" and will drive on the right side of the street.

I will not pass another car at high speed at street corners nor race another car while attempting to pass legitimately.

I will observe traffic rules and will not abuse the parking privileges nor park my car on highways except where there is a clear view behind and ahead for at least 100 yards.

I will keep my brakes in good condition, realizing that a driver is only as good as his brakes.

I will not drive a car while under the influence of liquor. One drink is too many for a driver.

—The Progressive Farmer

REVEAL OIL DEPOSITS

Remains of tiny shellfish and other fossils believed to be from 5,000,000 to 20,000,000 years old are being used to assist in locating fields of buried minerals and oils, says Popular Science Monthly. Experts collect these tiny fossils, some of which are so small that they must be picked up with a camel's hair brush, and send them to the laboratories of the United States Geological Survey in Washington for classification. The fossils are enlarged in photographs that their

FORD CAR SALES

Ford car sales for the month of February announced by Barker Brothers, Ford Dealers, at Floydada are as follows:

Touring models, Ray Slaughter, Dave Standefer, H. R. Manning, W. C. Clubb, H. O. Pope, J. H. Newberry, D. M. West, Oliver Allen, W. H. Smith, Nelson Bros., O. W. Fry, D. H. Glover, Oscar Ragland, T. E. Loran, Sam Cates, L. S. Glenn; Roadster models, Clyde Callaway, Joe M. Day; Trucks, W. W. Payne, O. P. Rutledge, G. E. Bond; Coupe models, T. D. Woods, E. B. Massie; Tudor Sedan, E. L. Norman; Fordor Sedan, W. P. Daily.

1924 NEEDLEWORKERS

Mrs. C. Surginer was hostess to the 1924 Needleworkers. Eleven members and visitors present spent the afternoon very pleasantly with her yesterday afternoon.

Mrs. Dora Reagan will be hostess to the club Wednesday afternoon of next week, beginning at 2 o'clock.

"BAL MASQUE REVUE" BETTER THAN A

"Bal Masque Revue", vaudeville feature staged at the Olympia theatre Tuesday and Wednesday night this week was considerably above average for vaudeville features brought to Floydada.

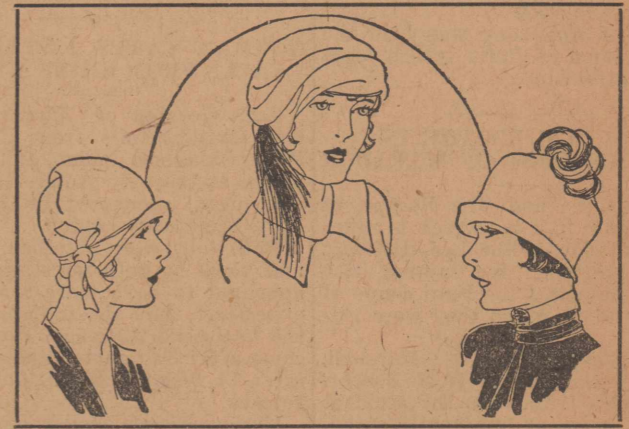

This season is said to have the hardest in "big time" vaudeville in many years, and much of "talent" is working in the "province". As one result vaudeville features offered in West Texas this season have been better than formerly.

Podman Wariamaker of New York carries six million dollars of life insurance, being the most heavily insured person in the world.

Oklahoma produced a record cotton crop this year taking second place among the cotton states of the union.

Bowling on a concrete street or sidewalk, using old automobile tires instead of balls to knock over the pins, is a new form of sport.
