

Plainview Cagers Win Over Ten Teams in Plains Tournament Here Last Week

Two-day Basketball Meet at New Gym Proves Success Despite Bad Roads.

Winning out over ten South Plains basketball teams in competition for unofficial honors in a tournament held here last Friday and Saturday, the Plainview Hi Bulldogs, strong Class A contenders for the championship flag in District One, defeated the Floydada Hi Whirlwinds in the final game Saturday night by the score of 14 to 20. Eight miniature silver basketballs were presented to the players on the winning team as a trophy, following the final game.

Competition Keen Throughout
Although fifteen teams from neighboring South Plains towns had definitely accepted invitations to enter the tournament, the condition of the roads following the rains of last week were so bad that only ten teams were able to register for the meet by Friday afternoon. Those teams entered in the tournament represented Lockney, Hale Center, Crosbyton, Lorenzo, Petersburg, Plainview, Ralls, Idalou, O'Donnell and Floydada.

Plans for the championship of Hale County to be determined at this meet, were not carried out for the reason that the Abernathy team was unable to be at the meet. This was a disappointment to many, several people interested in the Hale County teams coming here Friday afternoon to see the games.

Cleatice Crump, well known West Texas athlete of the West Texas State Teachers College at Canyon, was referee at the games. It is believed that Crump is the most accurate and efficient referee in this section of the country. His judgment in the games here last week proved highly satisfactory to all teams in competition.

The Lockney Longhorn team and the Hale Center Owls were the first teams to clash in the meet. The Longhorns being defeated by the strong Hale Center team, 27 to 12. Although the Lockney team put up a hard fight, neither their offensive nor defensive plays measured up to that of the Owls. The Lockney boys were at disadvantage also because of smallpox vaccinations that had just begun to "take" on all of the players on their team.

Friday afternoon the Crosbyton Chiefs and the Lorenzo cagers clashed in the second preliminary game. Crosbyton was easily eliminated by the Hornets to the tune of 14 to 28. The Hornets proved to be much faster and more accurate throughout the entire game than the Chiefs, although the Crosbyton passing machinery was among the best seen during the meet.

The Petersburg basketballers were defeated Friday afternoon by the winners of the tournament in the first of four games played by Bulldogs. The weaker five put up a strong fight but the Plainview boys proved too strong for them and ran the score to 39 against the Petersburg 18 points.

Idalou-Ralls Game Fast
With the exception of the final championship clash, the fastest, hardest fought game played during the meet was between Idalou and Ralls, on Friday night. The two teams were well matched, first one then the other team holding the lead. The Ralls Jackrabbits' passing machinery was a thing of (Continued on page ten)

Rural Basketball Teams To Meet Here Saturday

The first eliminations of basketball teams in this county will be held next Saturday, February 5, when all rural and Class B teams in the south part of the county meet here and those teams in the north part of the county meet in Lockney to eliminate to one team in each division, according to announcement this week by County Athletic Director, M. E. Nobles of Lockney.

There are over twenty rural teams and four Class B teams in the county that will compete for the right to enter the county championship games, Mr. Nobles said. Those teams that meet in Floydada will play at the Andrews gym and those that meet in Lockney will play at the high school grounds, it is planned.

On the Saturday following the first eliminations, February 12, the winners in this section of the county will meet the winners in the north part of the county in Lockney to determine the winners of each division of the entire county. Present plans are for this meet to be held in Lockney unless weather prevents, in which case it will be held in Floydada at the Andrews gymnasium, Mr. Nobles stated.

MARSHALL UNDERGOES OPERATION

Ira Marshall, son of Mr. and Mrs. L. A. Marshall of this city, who is attending Simmons University at Abilene, underwent an appendix operation last Tuesday afternoon at an Abilene hospital, according to a message received by Mr. Marshall late Tuesday evening. Ira had suffered several attacks of appendicitis and the last attack was not unexpected.

Mr. and Mrs. Marshall left Wednesday morning to be at their son's bedside.

Floyd County Gins Over 35,000 Bales Of Cotton

Bulk of Cotton Crop Reaches 35,000 Mark—More Cotton Still in The Fields.

Approximately 35,000 bales of cotton have been ginned in Floyd County during the past season up to the present time, according to reports from eleven gins in this county. Of this number, 13,912 bales were ginned by the four gins in Floydada, and over 11,300 bales ginned in Lockney. These figures count round bales as half bales.

Although the rainy weather of the past few weeks has greatly slowed up the cotton picking, the gins have been ginning much of the time. Some unpicked cotton still remains in the fields and it is probable that the total number for the county will increase several thousand bales, before the close of the season.

Reports from the gins over the county state that 2735 bales have been ginned at the Lakeview gin, and about 1375 bales at the Alken gin. The McCoy and Joe Bailey gins each have turned out over 2500 bales.

Enrollment Of Schools Is Highest In Years

Total Enrollment of Students in Four Floydada Schools Reaches 844. May Pass 900 Mark.

Total enrollment in the Floydada Public Schools for the 1926-27 school term has reached the sum of 884 students, Superintendent J. C. Wester announced this week. This number is about twenty-five more than the total number of students enrolled in the Floydada schools at this time last year. If the enrollment this year increases at the same rate it did last year, the total enrollment for the year will be over nine hundred, Mr. Wester stated.

The R. C. Andrews Ward school has a greater enrollment than any of the four schools in the city. 336 students are enrolled at this building, Mr. Wester said. 272 are enrolled at the High School building; 228 at the East Ward building and 8 at the Negro school.

The enrollment by grades and teachers, as announced by the Superintendent is as follows:

- First grade: Mrs. Klebold, 43; Mrs. Johnston, 42.
- Second grade: Mrs. Hughes, 44; Miss Walker, 39.
- Third grade: Miss McKinney, 45; Miss Myrtle Terry, 36.
- Fourth grade: Miss Velma Terry, 40; Miss Williams, 36.
- Fifth grade: Mrs. Thornton, 31; Miss Norton, 27.
- Sixth grade: Mrs. Green, 25; Miss Miller, 38; Miss Belser, 35.
- Seventh grade: Miss Fry, 43; Mrs. Crabtree, 40.
- Eighth grade: 33.
- Ninth grade: 76.
- Tenth grade: 63.
- Eleventh grade: 50.

SANITARIUM NOTES

Mrs. C. S. Bryant, of Flomot, underwent an appendicitis operation at the Smith and Smith Sanitarium on Tuesday February 1.

W. R. Odell, of Kress, returned to his home last Saturday, after undergoing an operation for appendicitis.

Aden Glenn city, was dismissed from the hospital last Thursday.

INFANT DAUGHTER DEAD

Little Euna V, two month old daughter of Mr. and Mrs. Sydney Dunavant, died Saturday of last week. The baby was born on December 10.

Funeral services were held Sunday afternoon at the Cemetery Chapel, conducted by Rev. Hardy, pastor of the M. E. Church, and interment was made in Floydada Cemetery at 4 o'clock.

HORACE SIMPSON NEW MANAGER FOR CONSUMERS' FUEL ASS'N.

Horace Simpson has succeeded Clarence Foster as manager of the Consumers' Fuel Association and assumed his duties this week.

Mr. Foster resigned at the oil station last week following his selection by the board of directors as manager of the Community Supply Company. Mr. Foster began work at his new post this week.

VETERAN OF WORLD WAR GOES TO DALLAS FOR EXAMINATION

M. O. Ware, an ex-soldier who was wounded and gassed during the World War, left Monday for Dallas where he will go before the Veterans Bureau for an examination. Mr. Ware has been suffering from his injuries for some time. After an examination he will probably be given treatment in a government hospital.

TEXAS UTILITIES COMPANY IN THEIR NEW QUARTERS

Texas Utilities Company's local offices have been moved to their new quarters leased recently from A. B. Martin, first door north of the Floyd County National Bank, and they have also opened their merchandising department.

The show room features all the new electrical appliances as well as ornamental lighting fittings and fixtures.

RUSH SWAMPS OFFICE LAST TAXPAYING DAY

Poll Tax Receipts Issued May Reach Total of 3,200 Stegall Believes.

Swamping the clerical force at the office of Tax Collector P. G. Stegall's office Monday, last-minute taxpayers, numbering possibly as high as one thousand, including those who forwarded tax money through the mails, made a rush to pay their taxes, and it will be the end of the week before all the receipts will have been issued and the accumulation put in order.

Weather Partially Responsible

The last-minute rush was perhaps the most aggravated of any recent year. Collector Stegall estimated that more than five hundred letters containing remittances for taxes of all kinds from people resident in the county, as well as from non-residents, were received Monday afternoon. Since all taxpayers had until midnight January 31 to pay their taxes without penalty, the payments were in the office on time. None of the mail was worked out until in the evening of Monday, a long row of taxpayers filing in and out of the office all day long to make their payments and keeping all available help busy.

The weather is credited with partial responsibility for the heavy rush on the last day. Practically all of last week's roads were too heavy to travel with any degree of satisfaction and even Monday were still bad from the effects of the rain and sleet, that had kept the roads slushy for more than a week. However, the receipt of hundreds of checks from people living in and near Floydada would indicate that the weather was not responsible altogether. A large percentage of these taxpayers left blank signed checks for the collector's office to fill in with amounts as the receipts were issued.

3,200 Polls Paid

A complete check on the poll tax payments will not be available for some time as yet, but Deputy E. Ray Smith said that more than 3,000 receipts had already been issued and when all the accumulation in the mails had been worked out the total might reach as high as 3,200. Floydada and Lockney precincts will both likely exceed any previous record made by either for total number of polls paid. Figures for the county by precincts will be given out correctly as soon as they are available. At this time only estimates could be made, Mr. Smith said.

Tax payments generally so far as state and county rolls are concerned, were above the average, both for resident and non-resident rolls, Mr. Stegall estimated. "Apparently a larger per cent of taxpayers have paid off before the penalty became effective than for any recent year," Mr. Stegall said. The non-resident roll was especially well cleaned up.

An unusual feature was the relatively small number of complaints regis-

CO. HEALTH SURVEY COMPILED BY WOMEN

Study And Report Gives Comparison Of Present Conditions With Ideal

"No community can study its environments to see if it is healthful without immediate and permanent gains" is the conclusion of Mrs. Lon V. Smith chairman of the health survey work of the Seventh District. The Seventh District is composed of thirty club counties. Prizes are being offered to the counties making the greatest number of surveys. This work is sponsored by The Department of Public Welfare, General Federation of Women's Clubs.

Is Federation Project
Mrs. E. B. Massie, Mrs. Homer Sanders and Mrs. J. C. Wester are members of the committee who have made this survey for Floyd County and are the first of the district to complete this survey.

The Department of Public Welfare, General Federation of Women's Clubs, recommends that Women's Clubs, in cooperation with the Health Officer and other local organizations interested in public welfare (as Parent-Teachers' Associations, Chambers of Commerce, Red Cross, Tuberculosis Associations and Clubs) make a study of their city's health ordinances and facilities. And that the first step toward bettering conditions is a public knowledge of existing conditions as compared with model, yet obtainable, conditions.

How Floyd County measures up to excellence is shown by the following survey just completed:

Survey of Floydada: Population, city 3200; County 9800; per cent white, nearly 100 per cent; colored 20; foreign born, none; Predominant nationalities, white.

As regards community health machinery there is not a Board of Health, there is a part time health officer, six physicians, two dentists, one graduate nurse, three practical nurses. County clerk registers births and deaths and there are no laboratory technicians or clerks.

The total public expenditure for the City all departments, last year were \$23,264, while there was not a dollar spent by the Health Department. The total expenditure of the school department was \$47,414.87 not including the new school building which cost \$80,000. There is one private hospital with a personnel of two doctors and four nurses.

Vital Statistics Given

Vital Statistics of the county show that the County Clerk has registered 337 births during the last five years. There has not been a recent check of birth registration to indicate percent of completeness. Fifty-eight deaths were registered by the County clerk for the year 1926. Deaths from the following causes were reported; Tuberculosis 1;

Stage Set For Annual Get-Together of Chamber of Commerce on Friday Night

Simmons University's Cowboy Band Here Soon

Famous Cowboy Band That Played For Governor's Inauguration to Play Here February 25.

The Cowboy Band Inc., of Simmons University will appear here in concert February 25 under the auspices of The High School Senior Class. The band will be on their first West Texas tour and are enthusiastically preparing for a visit to the country from which so many of them came. Big Springs, Midland, Lamesa, Tahoka, Floydada and Snyder are contracted for this tour.

Director D. O. Wiley began training his band for the western trip as soon as they returned from participating in the inauguration of Moody and the Central Texas tour. "Tell the people of West Texas that the concerts will be the best we have ever offered," he stated.

While Director Wiley trains the band, the special features of the program are being rehearsed daily by the most capable talent of the University.

Y. P. Kuhn, recognized as one of the most efficient Drum Majors in the United States and who drills the Cowboys for the National Conventions of The United Confederate Veterans will display on the western trip, the progress he has made toward preparation for the W. T. C. C. Conventions and a trip to Tampa Florida in April.

The "pop" of college youth and the technique of masters offers itself in its own home—The West.

50 Enrolled In School For Teacher Training

Six-Day Course in Sunday School Work Will Close With Session On Friday Night.

Although the out-of-town attendance at the Sunday School Teacher Training classes being conducted this week at the First Methodist Church is not as great as it would have been had weather conditions at the opening of the school been more favorable, attendance at the school is encouraging. Fifty Floydada and Lockney students of various phases of Sunday School work enrolled for the classes Sunday afternoon at the organization meeting, when the first study was begun.

Four teachers of wide experience and training are conducting the school, which is divided into four parts. Rev. L. B. Nance, of Amarillo, is teaching "Organization and Administration" as it affects efficient Sunday School work. Rev. J. P. Patterson, of Tulla, is teaching the "Life and Letters of St. Paul." Prof. A. W. Evans, of Texas Technological College is teaching the subject, "The Pupil" and Miss Mary Louise Woodson, of Dallas, has the class in "Devotional Life."

The class for training in Sunday School work was brought here through the efforts of the local Methodist Church. The school had been planned for this point last year, but providential hindrances prevented. Rev. Ben Hardy, pastor of the church, said Wednesday the school was creating much interest among students of this work. A few students from churches other than the Methodist Church here and at Lockney are availing themselves of the opportunity to study under the capable faculty who are at the head of the school.

Classes in the "Life and Letters of St. Paul" are being conducted both afternoon and evening by Rev. Patterson for the benefit of several persons who could not accommodate their time to an evening session. The other three teachers are conducting their classes at night only.

The series of lessons, which were taken up Sunday afternoon, will be completed tomorrow night. Pupils who satisfactorily complete the work assigned will be given diplomas.

First Band Meeting Set For Monday, February 7

Roy A. Baker, one of the executive committee in charge of the band being organized, with A. L. Lundgren as director, said Wednesday morning that the financial affairs and other arrangements for the band had been completed in their entirety for the next several months, and that the first meeting will be held Monday night of next week. The county court room will be the meeting place.

The new director is moving his family here from Dallas this week. Mr. Lundgren became ill shortly after his arrival in Floydada last week and has been delayed in making the change of residence.

Men and boys who plan to play in the band are requested to be present at the Monday night meeting, and those who have their instruments are asked to bring them. Prospects for a really good band are good, the committee are agreed and are indicating enthusiasm over the prospect.

Frank Haag, of Midland, was in Floydada, Sunday and Monday attended to business. While here he visited with his aunt, Mrs. C. W. Mitchell.

F. C. Marr, of Lubbock, Salesman for the Gulf Refining Co., of this territory is in Floydada this week on business.

300 Members And Guests Will Gather For "Floyd County" Banquet In Gym.

Fully three hundred Floydada and Floyd County people are expected to feast tomorrow night at the annual Chamber of Commerce Banquet to be held in the R. C. Andrews Ward Gymnasium, which will be converted into a mammoth dining room for the occasion. Floyd County products only will be served, provided by club women of the county, prepared by Parent-Teachers' Association members of Floydada and served by members of the Home Economics Class of Floydada High School.

Sanderfer Principal Speaker
Not only will the spread to be served the members of the Chamber of Commerce and their guests be an excellent one but the program for the evening is expected to be full of inspiration for those who attend. Aside from the report of the secretary of the local Chamber of Commerce, which will show a wide range of effort, activity and accomplishment, these who attend will hear of the efforts being made by Home Demonstration Club women of the county in the "live at home" movement which they have taken as the principal goal for their efforts for the year. Miss Blanche Bass, Demonstration Agent, and the presidents of the various clubs will make brief talks.

Dr. J. D. Sanderfer of Abilene, will make the principal address of the evening. He will arrive here tomorrow afternoon. Dr. Sanderfer is president of Simmons University, and has long been one of the outstanding builders of West Texas. Beginning many years ago at Abilene the doctor has built one of the great schools of the state, which three years ago assumed the standing of a university. The personality of the energetic president is reflected in the great growth of Simmons University and has been one of the factors in building Abilene into one of West Texas' great cities. Chamber of Commerce officials said last week when Dr. Sanderfer accepted the invitation to speak here they felt like congratulating themselves on their good fortune. The doctor's inspirational address will be based on an abundant experience as a strong believer in West Texas.

Many Accept Invitations
Ed Bishop, Secretary of the Chamber of Commerce, said that not only had response been good from the membership of the organization who had been given an opportunity to take tickets, but that many visitors as well were accepting invitations extended. "Guests will be made up largely of Floyd County people, who as our neighbors, we want to call in and recount with us the accomplishments of the past year, and get inspiration for the new year. However, neighboring cities and towns will have representatives here, a score or more of invitations having been sent out to various secretaries and civic workers," he said. "All of these will be asked to make talks."

What are really the possibilities of the farm homes of Floyd County in the production and preservation of foods for its population will be demonstrated in part by the dinner. Each course served will be composed of products grown and prepared for the table in Floyd County. The foods are being purchased from club women of the county.

Smallpox Spreads To 35 Cases In Floyd County
An epidemic of smallpox is sweeping this entire section of the country and Floyd County is gradually being included in the epidemic. Over thirty-five cases of smallpox have been reported in this county within the past two weeks. At this time last week, only six cases were reported to County Health Officer, Dr. V. Andrews.

Eight homes, with a total of 29 cases of smallpox have been quarantined in the county, not including Floydada and Lockney. Only one case is reported in Floydada by City Health Officer, Dr. L. V. Smith, and four cases reported by the City Health officer of Lockney.

"The only way this epidemic can be checked in Floyd County is for all cases to be reported to the officers and for them to submit to quarantine," Dr. Andrews stated. "All cases in Floydada should be reported to Dr. Smith and all outside of Lockney and Floydada should be reported to me," he said.

SCHOOL ORGANIZES SOCIETY

The intermediate and Primary rooms of the McCoy school met recently and organized a literary society.

The following officers were elected: president, Myrtle Coleman; vice president, Clarence Tardy; secretary-treasurer, Orgera Berry; sergeant at arms, Homer Lee Curry; program committee, Maudie Pittman, Inez Newman, Flora Day, Lois Killpatrick and Willie Mays Curry.

The first meeting was held Friday, January 28. Several visitors were present. The next program will be held Friday, February 4th.

CREDIT SYSTEM DOOMED?

Considerable argument pro and con on the credit system is going on wherever there are men to argue on the question of whether or not the credit system is going to be a thing of the past within a few years, so far as retail merchandising is concerned.

The credit system as we have known it in the past, practiced in the cotton sections of the state is certainly not good economically and is doomed to go. However, all credit in the retail merchandising business is not unsound and to a certain extent will be practiced as long as men buy and sell. That portion of the credit system which has for its backbone the crop lien should be abolished.

HOGS COMING BACK

With the return of good prices for swine and ample feed crops made and in prospect for another year the hog business is coming back in Floyd County. Low prices which hung on and on almost put the hog raiser out of business for two or three years and did deplete the country generally of foundation stock except in a few instances.

Statistical information, sometimes unreliable to be sure, seems to indicate that another two years will elapse before there is great danger of over stocking the nation with hogs.

Meanwhile hogs are making a good means of cashing in on cheap feed for a number of Floyd County farmers.

BETTER THINGS AHEAD

The man who is inclined to be pessimistic

as regards the doubtful present situation concerning the extension of the Quannah line to Floydada should bear in mind that the situation can turn out favorably for us just as easily as it can turn out unfavorably. In fact, there is more argument for than against.

The Quannah line spent too much time and effort getting permission to construct their lines into Floydada to abandon the plan lightly. We can be sure they will not abandon it until every effort is made.

Meanwhile, we have a wonderfully good country here and a town that is a lot better than it gets credit for being. They both can stand a lot of growth and developing yet. And waiting for somebody else to do something for us will be a great mistake. Go ahead with your plans, whatever they may be. Floydada and this section of the plains will do to tie to.

'Round The Square

The Plainview High team won the basketball tournament, but Floydada won something much more valuable. They won the athletic fans of this city over to basketball. Made real fans out of many who though little of basketball before.

The new Andrews gym proved a valuable asset again last week. Some insisted that the construction of a gym was all foolishness and was only money wasted. Through the use of that room in the new building, there will be much more interest in the school in the usual dreary winter months. The town will also get a lot of advertisement out of it too.

We had a country friend to promise us a great big ham about a month ago, but that darn hog must have got well.

If Floydada people are awakened in the wee hours of the night by weird, mournful sounds, don't be alarmed. It is just the boys beginning their practice on the local band.

The organization of a town band here is a real opportunity for boys. Don't forget that the West Texas Chamber of Commerce Convention will be held next summer in Wichita Falls and this is a real chance to have a big time.

Plainview boasts a real boys band. Just ask some of the boys there about their trips. Bands are being re-organized in every little town on the plains and if Floydada don't get busy they will be left out in the cold. The town of Lorenzo has a band that will make Floydada turn green with envy, if we don't get one that will beat it.

The Simmons Brand, student paper at Simmons University dedicated its last issue to its first editor, Mrs. Dan Moody, formerly Miss Mildred Paxton. Simmons has a right to be proud of Mrs. Moody—just as Texas has a right to be proud of her husband.

Why not take the "obey" out of the marriage laws—it's been taken out of most every other law.

Good impressions are made by the typewriter but it's the adding machine that counts.

Pessimists who say that the country is going broke had a terrible setback last Saturday. The town was crowded

and everybody 'Round the Square and every where else in town had a big day.

The most unsportsman-like thing a person can do is to criticize the referee of a game. He may not be absolutely right in every instance, but it doesn't do any good to talk about him after it is all over. It sounds worse than ever when it is the losing team that criticize. A good loser is always a winner.

Don't tell me that Floydada is not getting to be a city. Many more days like Saturday and we will be confronting an often spoken of problem—where to park.

We have taken up so much space with this "Round the Square" stuff that we will have to postpone several births and deaths until next issue of the paper.

14 YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

ISSUE OF JAN. 31, 1913

Bond for Williams Boys

The Williams boys of Motley County, who are claimed to have been the leaders in a fracas at the Morrison ranch two weeks ago, in which J. D. Starks was rather badly hurt, and in which a gun play was made, were in Floydada Tuesday for their examining trial in Justice Price's court. Two witnesses, George and Ross Cope, were heard and bond set at \$750.

Glad Snodgrass left last Monday for Dallas, where he will spend about 10 or 15 days on the market. Louie Moore is in charge of the firm's furnishings during Glad's absence.

Increase in Poll Tax Payers

The tax payments for 1912 which were closed today, show a total of 986 poll tax payers in the county, who have been issued receipts, a net increase over last year, but as over 200 more are assessed this year than last, the per cent of payments shows a decrease. Floyd County is the only county in the Panhandle that shows an increase in poll tax payments. This should be rather a source of pride to our citizenship being index to leadership.

J. A. Fawver, of Plainview, in company with R. P. Carpenter, of Kansas, were in Floydada, Thursday and Friday of last week on a cattle deal.

Floydada Defeats Silverton

The boys' basketball teams of the Floydada High School and the Silverton High School were pitted against each other in a pretty contest on the local grounds last Friday, the game resulting in favor of the locals 13 to 21. The Floyd team was composed of Sluder, Abner Cooper, W. Clark, R. Snodgrass and F. Moore. Carter Andrews refereed the game.

Miss Anna Irick returned Monday from Plainview where she visited home folks.

Locals and Personals

Rev. Warren R. Hill, pastor of the local Baptists, and W. P. Daily attended the Big Baptist Meeting at Lubbock on Monday. The chief speakers of the occasion were Drs. Truett and Scarborough of Dallas and Ft. Worth. A great crowd of people from the Lubbock territory was present.

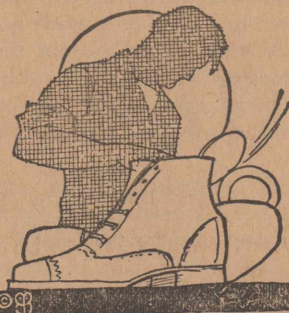

D. A. Shawn, of Bridgeport, Texas, was here from Thursday of last week to Wednesday of this week visiting with his sister, Mrs. T. J. Foster and family. He was also the guest of the J. L. Carathers family at Baker one night while here.

C. R. Houston left the first of the week for the dry goods and ready-to-wear markets where he will spend several days buying for spring and summer for C. R. Houston Company here and at Crosbyton. Mrs. H. O. Pope will assist him in making the purchases for the season.

Miss Audrey Mae Borum, who is teaching school in Silverton, spent last Saturday and Sunday here with her parents, Mr. and Mrs. E. R. Borum and family.

P. V. Halpin and Mr. Ryan of Wichita Falls were in Floydada Wednesday of last week on business.

Herman Thomas, of Lubbock, spent last week-end here visiting friends.

Mr. and Mrs. J. D. Carr have moved back to their farm Route One out of Petersburg, where they will farm this year.

J. A. Shawn, wife and child, of Longworth, Texas, arrived in Floydada this week to make their home. Mr. Shawn is a brother of Mrs. T. J. Foster.

Mr. and Mrs. Bill Sharp spent last week-end in Plainview and Olton visiting friends and relatives.

Harvey Assiter, of Estacado, spent last week-end here visiting friends and relatives.

W. M. Featherston and Jess Boyd, of Petersburg, were business visitors in Floydada Monday.

Mrs. Gilbert Bell, of Levelland, is this week, the guest of her parents, Dr. and Mrs. W. H. Alexander.

Nervous hot flashes

"SOME time ago when in a very nervous, run-down condition," says Mrs. Martha F. Marlow, of Broken Bow, Okla., "I tried numerous remedies to try at least to keep going, but I could not. I was weak and tired—just no good at all. My back ached and I had hot flashes until I was so very nervous I smothered."

"I couldn't sleep and I was never hungry, and I kept getting weaker. I couldn't stand on my feet. This was an unusual condition for me as I had been pretty strong all along. I knew that I would have to do something, and that pretty soon."

"Some friend suggested that I take Cardui, and it certainly was a good suggestion, for after taking one bottle I could tell I was stronger and better. I didn't quit. I kept it up all through the change and did fine. I felt like a different person after I began taking Cardui."

Cardui has helped thousands of suffering women.

Sold by all druggists.

Jordan Says McNary-Haughon Bill Necessary

Farm Relief Measures Favored by Texas Farm Bureau Federation.—Jordan Floyd Representative.

W. B. Jordan, of this city has just returned from Dallas, where he represented the Floyd County Farm Bureau as a delegate to the Seventh Annual Convention of the Texas Farm Bureau Federation. He reports a splendid attendance, despite the extremely bad financial conditions on the farms of Texas, there being present delegates from seventy counties.

The crisis confronting agriculture nationally, and especially the cotton grower, was discussed by able speakers, Mr. Jordan said.

The most important action taken by the convention, according to Mr. Jordan, was the adoption of a resolution favoring the McNary-Haughon Farm Relief Measure, which is being considered in the National Congress, in Washington, at the present time. He is anxious for every farmer and business man in this section to know that the discussion of this measure developed the belief that, had this bill passed Congress last year, it would have saved the farmers of the South more than \$400,000,000. Its passage by the present Congress, he says, will give almost immediate relief from the danger of a like condition this year.

The report of the Convention, according to Mr. Jordan, shows the prospects bright for the passage of this measure, and they would be much brighter if it were not for a small group of reactionary Southern Democratic Congressmen who evidently are not informed of farm conditions, and who are at present lined up under the leadership of the Eastern wing of the Republican party and the industrial East and who are now solidly opposing this bill.

Mr. Jordan says that the report shows more than 1,000,000 farmers have lost their homes and farms by foreclosure since 1920, and the nation's farmers now owe a mortgage debt of over \$12,000,000,000—which is more than the combined Allied Nations' debts to this country. This should be sufficient to make every farmer and business man inform himself on the McNary-Haughon bill and call on his representative to vote for it, according to Mr. Jordan.

MISSISSIPPI BROTHER DIES

D. W. Terry, 74, of Meridian, Miss., a brother of J. R. Terry, of this city, died suddenly at his home in that city Friday night, according to a telegram received by J. R. Terry Saturday morning.

The brother, born and reared in Mississippi, had been in ill health for some months.

One other brother, Milton Terry, and two sisters survive of the immediate family. The sisters are Mrs. A. V. Myatt and Mrs. Gordon Cooper. They reside near Meridian.

CARD OF THANKS

We wish to take this means of thanking our many friends for their kindness and thoughtfulness during the illness and death of our dear husband and father. Also for the many beautiful floral offerings.

HALF-MINUTE INTERVIEWS

Gus de Cordova: "We think our section is hard hit by low cotton prices and general hard times. We haven't got any hard times in comparison with the sections of Texas where I visited several days ago."

Elmer Mickey: "I travelled seventeen miles coming to Floydada one day last week from Mickey. We need a way around or through the lakes mighty bad."

D. A. Shawn, of Bridgeport: "Wise County farmers who are going in for dairying are helping to furnish milk for the big Dallas population and doing well at it. Decatur has one of the largest collecting and cooling plants for sweet milk south of Kansas City."

BORN—to Mr. and Mrs. W. E. McNair, city, February 1, a son.

Thursday afternoon the High School Parent-Teachers' Association will hold their meeting which was postponed on the last meeting date on account of the inclement weather. All mothers who are interested in the high school are urged to attend.

Andrews Ward P. T. A. Serve Lunch.

Lunch was served by the Andrews Ward Parent-Teachers' Association at the Cafeteria both days of the tennis tournament. A large number of people were served during the two days and quite a nice little sum was realized for cafeteria fund.

On Saturday afternoon a parcel post sale was held at C. R. Houston's & Co., Dry Goods store. Thirty packages were received in response to cards sent out to the patrons to send an article that could be sold at 25c. Several dollars were realized from the sale.

The P. T. A. will meet Wednesday afternoon, February 9th, at 3:15. All of the mothers are urged to attend and help their children win a picture for their room.

East Ward P. T. A. Call Meeting Off.

On account of the members of the East Ward Parent-Teachers' Association having to assist in preparing the Annual Chamber of Commerce Banquet Friday night their regular meeting for Friday afternoon is called off.

Legion Auxiliary Meets Monday Night.

Monday night the American Legion Auxiliary will meet in regular session at their club room in the legion hall.

1922 Study Club.

Mrs. C. M. Wilson is entertaining the 1922 Study Club at her home this afternoon.

Joint Missionary Meeting Held.

Missionary society meetings were not held at the respective churches Monday. A joint meeting of the societies was held at the Presbyterian church with the ladies of the church as hostesses. A very devoted program was given and there was a splendid attendance.

The subject of the lesson was "Home Missions Among the Mountaineers." After the singing of several sacred songs Mrs. Geo. Linder led the devotional. A very pleasing vocal number was given by Mrs. Jno. Farris and Mrs. J. A. Enoch. Other topics were discussed as follows: "Why the Need of Mountain Missions"—Mrs. F. L. Davis; "Our Mountain Mission Work"—Mrs. E. Ray Smith. The program closed with a reading by Mrs. Ford Butler.

After the program a social hour was had and the Presbyterian ladies served refreshments of Cheese snacks, bavarian cream, angel food cake and hot tea.

Wedding Solemnized At Home of Bride.

A marriage of interest was solemnized Tuesday evening, February 1st, at 8 o'clock at the suburban home of the bride's parents Mr. and Mrs. B. M. Eubank, the contracting parties, Mr. J. Leslie MacNeill, of Paducah and Miss Thyra Eubank, of this city.

The impressive ring ceremony was read by the Rev. A. A. Collins, pastor of the Cumberland Presbyterian church of this city. Miss Gladys Collins and Mr. Ted Wilkinson attended the bride and groom. The bride's gown was a two-tone creation of rose georgette. Miss Collins wore a gown of tawny georgette, adroitly tucked.

Immediately after the ceremony and congratulations, delicious refreshments were served to the members of the immediate family and a few intimate friends.

Mrs. MacNeill is one of Floydada's most lovable young ladies, and was very prominent in church and social affairs. Mr. MacNeill made his home in Floydada for a short while. During that time he was with the Baker-Hanna Dry Goods Co. They will make their home at Paducah.

Those who attended the wedding included Mr. and Mrs. Lee Wilkinson, Mr. Carder Collins, Mr. and Mrs. Pierce King, Mr. and Mrs. A. A. Matthews and family, Mr. and Mrs. J. G. Eubank, brother of the bride; Mrs. A. A. Collins and Miss Ollie Belle Collins.

County Federation Meets With Sand Hill Club.

The Floyd County Federation of Woman's Clubs met with the Sand Hill Home Demonstration Club, Saturday, January 29th. Mrs. Carl McAdams of Lockney, president presiding.

A very interesting program had been prepared by the program committee. Mrs. A. R. Hanna gave the welcome address, with Mrs. J. B. Jenkins responding. Audrey Farris, Floydada, gave two beautiful piano solos, after which, Miss Bass talked on the "Aims of the Home Demonstration Clubs."

Robbie Archer read two very humorous readings, which were highly enjoyed by the clubwomen.

Miss Flora McGee, of Tech College gave a wonderful talk on "Personality, and how we can make use of it in the club life."

A wonderful dinner had been prepared by the Sand Hill ladies, and this was served in the basement of the school.

Jessie Mae Wood favored the ladies with a very beautiful piano solo. Mrs. A. R. Hanna read, "The accomplishments of the Home Demonstration Clubs of Floyd County."

Mrs. W. E. Miller gave her report of

the Garden Contest work. Little Miss Ruby Lee Baker of Lockney read for the club and was very much enjoyed.

Mrs. G. C. Collins gave her canning report and Miss Marie Smith gave the report on the girls club work of Floyd County.

The reports were very interesting and proved that the Home Demonstration clubs are doing great work.

After the program was over, the Federation went into a short business session. First the various reports of the different committees were given. Mrs. Carl McAdams, Lockney was elected delegate to the District meeting to be held in Quannah, in May with Mrs. J. B. Jenkins as alternate. It was moved and carried that each member of the Federation bring a dish of something for the lunch, so as not to prove a hardship on the club entertaining.

Campbell and Harmony clubs joined the Federation. These clubs make three of the Home Demonstration clubs to join the federation.

The next meeting will be the last Saturday in April, in Floydada.

Merchants Enjoy Lunch At New Cafeteria.

As a means of giving the merchants and other people of the city an opportunity to inspect the new cafeteria of the East Ward school and to give them an idea of what and how the children are served the Parent-Teachers' Association of the school decided to serve plate lunches at 25c per plate to all of those who cared to come. At the noon hour Tuesday from 11:30 until 1:00 o'clock a number of people enjoyed this privilege and opportunity, and expressed themselves as enjoying the well prepared appetizing food.

So successful was the affair that the ladies decided to serve lunch in this manner on each Tuesday of the week. 25c will be charged per plate. The small margin realized from this plan will be used for the upkeep of the cafeteria.

Boys Given Dinner On Birthdays.

Mrs. Joe A. Montgomery entertained for her son, Joe Dolph, and his cousin, Frank Gamble, of Petersburg, Saturday at high noon, with a birthday dinner. It was the occasion of their ninth birthday.

The guests included the two honor guests, Willie Gamble, of Petersburg; W. C. Erwin, of Clovis, New Mex., Robert Montgomery. Other guests included Mr. and Mrs. Clarence Gamble, of Petersburg and Mr. and Mrs. W. C. Irwin.

Party Given Endeavor Society Members.

Members of the Christian Endeavor Society of the Presbyterian church were entertained Friday night at the home of Rev. and Mrs. A. A. Collins. Games and music furnished amusements until a late hour. The hostess served refreshments of Bavarian cream whipped with cream, and angel food cake.

Mr. and Mrs. J. E. Gullion visited in Plainview Sunday.

Mrs. E. C. Henry is spending the week with her daughter, Mrs. Pitzer Baker at Weinert. She accompanied W. A. Baker who is enroute to market to buy merchandise for the Baker-Campbell stores.

Maurice Leach, who has been employed with the Baker-Hanna Co. for the past month, left for Childress last Sunday, where he will assist his father in his business in that city.

Mrs. Everett Bryant, of Anson, and her parents, Mr. and Mrs. H. W. Garrett and little son, H. W. Jr., of Plainview were guests of Mr. and Mrs. Robert McGuire Sunday. Mrs. McGuire's parents, Mr. and Mrs. R. B. Mitchell, of near Plainview were also guests.

H. O. Pope and son Troye made a business trip to Plainview last Tuesday.

J. E. Gullion left Wednesday for Shamrock where he will spend the week on business.

Judge and Mrs. E. C. Nelson, Jr., now of Amarillo, were here Sunday and the first of the week visiting Mr. Nelson's parents, Mr. and Mrs. E. C. Nelson.

The Hopkins and Fry Tailor Shop have placed a new Ford delivery truck on their delivery force for the year.

Lowell Watkins, of Petersburg, spent last Tuesday here visiting his grand parents, Judge and Mrs. A. B. Duncan.

Mr. and Mrs. George Yates, of Idalou, were business visitors in Floydada Wednesday.

Sophs Entertain in Chapel

The Sophomore class entertained in chapel Monday morning with a one act play entitled "Hello Uncle Ben." The play was taken from the last issue of the American Boy. It is a story of college life and the extra precautions necessary to entertain a rich uncle who is to visit the boys.

Uncle Ben unexpectedly telegraphs his nephew Shorty West that he will arrive in time for dinner. At about the time they expect Uncle Ben to arrive, an agent appears at the door and the boys so certain that he is Uncle Ben, do not wait for any introduction but hurriedly take him to Shorty's room. Shorty happens to be away and when he returns they show him the telegram and tell him that his uncle has already arrived and is in his room. One of the favorite professors had been invited to have dinner with the boys that evening also. While the boys are talking about the meal and arrangements for it, the real Uncle Ben appears and finds that Prof. Shyler is an old high school mate of his. Leaving the two old friends talking the boys rush to Shorty's room to see who they placed in there and if he has stolen anything. The play closes with the two old school mates in conversation and the boys crowded around the agent who is displaying his line of goods to the boys. The cast of characters follows:

- Sandy Moore _____ N. B. Stansell
- Bill Powers _____ R. V. Husky
- Mrs. Jones _____ Ruth Jenkins
- Frank George _____ Jim Hardgrove
- Barnes Redwood _____ Pete Nelson
- Mr. Johnson _____ John Key West
- Uncle Ben _____ Charles Matthews
- Shorty West _____ Delbert Eubank
- Prof. Schyler _____ Lee Bedford

Floydada High Enters One Act Play Contest.

The University Interscholastic league is sponsoring a one act play contest this year for the first time. Floydada High has entered the contest and hopes to be able to carry off the prize. There is county contest in this event this year. All teams entering meet at some place designated by state officials for a district contest and the winners go to Aus-

tin. Miss Delphis Miller of the Commercial Department will coach the play.

Debate Work Progressing Nicely
Floydada High is counting on winning the debate contest this year again. Last year we won both the boys and girls debates in the county and the boys won the District meet. The girls won second place in the District. There are three boys working out for the team this year and five girls. The boys are Elma Cummings, R. V. Husky and Delbert Eubank. The girls are Kathryn Swift, Daisy Lee Gresham, Ollie Bell Collins, Joyce Watkins, and Kate Stiles. Most of the contestants have their speeches already prepared and are beginning to work on the delivery of rebuttal. Mr. Cummings is coaching the boys and Miss Rea is working with the girls, both have success in this work and we feel like the students will be successful when they go against opponents.

Basketball Tournament Success Despite Bad Roads.

There were ten teams reported ready for play when the teams drew for places last Friday at the Andrews Ward School gymnasium. As the teams reported the players were assigned rooming places and carried to them by members of the entertainment committee. This committee was composed of the following high school boys: Pete Nelson, M. F. Swain, Hearon Wright, J. R. Borum, Herbert Sims, and Willie B. May. Every visitor had a rooming place that wanted it and there were a number of places left that were not needed. We want to take this opportunity of thanking all the people who kept or offered to keep these boys, for the courtesies extended the visitors while they were here. Every one as far as we have been able to hear was well pleased with their treatment in Floydada and will be back again next year if the tournament is held. The teams reporting were Plainview High with headquarters at Co. Attorney Sone's Office, Hale Center at Baker Campbell Co., Ralls at Baker-Hanna Co., Crosbyton at Floyd Motor Co., Lockney at Woody Drug Co., Lorenzo at O. P. Rutledge Co., Idalou at Boothe Bakery, O'Donnell at Floydada Drug Co., Petersburg at Glad Snodgrass Gents Furnisher.

Luncheon Club Furnished Silver Basketballs For Winners.

The Floydada Luncheon Club took up

a subscription to pay for the Sterling Silver basketballs awarded the first place winners in the basketball tournament. There were eight of the balls. Each bore the inscription "Floydada Basketball Tournament." These were awarded to the members of the Plainview High School team who defeated the local High School boys in a hair raising contest Saturday night.

Hale County Contest Postponed—Until This Week

The Hale County teams by mutual agreement decided to postpone their county meet until this week. They will meet in Floydada Thursday afternoon and Thursday night and decide their county championship. Hale Center, Petersburg, and Plainview will fight it out here at that time. A tournament ticket will be sold for thirty five cents which will be good for the series of games. Single admission will be 15 cents for children in grammar schools and twenty five cents for high school students and adults.

Aiken News

Aiken, January 26th.—More rain! The farmers would like to see some clear weather as they do not have all their cotton gathered yet. They welcome the rain for their wheat but do not need it on cotton.

Rueben Parrish's home at Aiken caught fire last Thursday but was extinguished before serious damage was done. It seems it caught through the flue.

Mrs. D. M. Marshall and Mrs. M. C. Henry, who teach the Intermediate classes of the Methodist and Baptist Sunday Schools, entertained their classes Friday night, January 21, at the home of Mrs. Marshall. They had been running a contest between the two classes for some time.

J. E. McAvoy has purchased a Dodge coach. L. D. McReynolds has purchased a Dodge Sedan. Rueber Parrish has purchased a Chevrolet coach and D. M. Marshall an Essex coach. Aaron Clark has recently purchased a Buick touring car.

Mr. and Mrs. Aaron Clark are the proud parents of a new baby boy.

Sand Hill presented the play entitled "Champagne and Oysters" at Aiken on January 14th, which was greatly enjoyed by all who saw it.

Sunday being the 5th Sunday there was not any preaching at either church, however, Sunday School was had in the morning and Epworth League and B. Y. P. U. at the evening services.

A. D. MOORE RECOVERING

A. D. Moore, pastor of the Floydada Circuit East, M. E. Church, is recovering his strength following an extended siege with the influenza and an infected throat.

He will soon be able to meet his appointments again, it is thought.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—GREETING:
YOU ARE HEREBY COMMANDED,
That you summon, by making Publication of this Citation in some newspaper published in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, Edna Floyd whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Floyd, at the Court House thereof, in Floydada on the 28th day of February A. D. 1927 then and there to answer a Petition filed in said Court, on the 27th day of January A. D. 1927, in a suit numbered on the docket of said Court No. 1855, wherein Henry Floyd is plaintiff and Edna Floyd is defendant.

The nature of the plaintiffs demand being as follows, to-wit: A suit for divorce. Plaintiff alleges that he is a bona fide inhabitant of the State of Texas and County of Floyd; that on or about the 16th day of December A. D. 1908, in Hale County Texas plaintiff was lawfully married to defendant; that they continued to live together as husband and wife until sometime during the year of 1923 when by reason of cruel and harsh treatment and improper conduct toward plaintiff he was forced to separate from the defendant; that since that time plaintiff has not heard from nor had communication with the defendant; that since their separation plaintiff and defendant have not lived together as husband and wife; that the marriage relation still exists.

Wherefore plaintiff prays the court that defendant be cited to appear and answer this petition and upon hearing hereof he have judgment dissolving said marriage, and for other and further relief in law and equity to which he may show himself entitled.

HEREIN FAIL NOT, And have you be-

SERVICE!

There is a great deal said when this word is used, but patrons of our station have been made to realize that is what we give them when they come here. Our Gas and Oils are the best; we sell as good casings as are to be found on the market; our accessories are always the right kind. Courteous men are on the job at all times to wait on the traveling public, and you are greeted with a smile when you come to see us. We solicit your business on the ground that we can give you full return for your money. We possess the "know how" in our line.

Let us have a liberal share of your patronage during 1927. It will be very much appreciated.

CAMPBELL 4H CLUB

The Campbell Club girls met February 1, with Miss Bass present. We had one new member. All members were present and received a star. We are going to try to make our next meeting 100 per cent.

Our next meeting day will be the third Tuesday in February at one o'clock.

OLYMPIC THEATRE PROGRAM FOR THE WEEK

Thursday, Feb. 3rd—

"THE COMING OF AMOS"

With Rod La Roque, Jetta Goudal, Noah Beery and all-star cast. Scintillating melodrama,—in a gorgeous setting of unrivaled splendor and beauty—sprinkled with comedy—abounding in action and thrills—teeming with romance,—ranging from the wildernesses of Australia to the wildernesses of the Riviera—a Cecil B. DeMille picture. From wild Australia to gay Monte Carlo—Don't miss it. Also a good two-reel Comedy.

Friday, Feb. 4th—

"STEEL PREFERRED"

With Vera Reynolds, William Boyd, Herbert Bosworth, Charlie Murray, Walter Long, Ben Turpin and others. A romance of steel in which drama and humor are splendidly blended—a story of great power. A wonderful film showing the interior of a great steel mill at night, with its tongues of flame and myriad sparks, reminding the spectator of Dante's Inferno—the panting locomotive plunging to destruction and releasing death in the form of tons of molten steel—here is real drama absolutely new to the screen. Also "Silent Flyer" and Comedy.

Saturday Matinee, Feb. 5th—

"LAZY LIGHTNING"

Featuring Art Accord, supported by Fay Wray and Bobbie Gordon. One of the snappiest Western stories ever flashed on the screen. Don't miss Art Accord's mad race against time and a storm for the life of a pal. It's one of those breath-catching moments that makes an evening at the movies more than worthwhile. Everything a cowboy can do you'll see in this picture. Also "Silent Flyer" and a good comedy.

Saturday Night, Feb. 5th—

"WEST OF BROADWAY"

With Priscilla Dean, Arnold Gray and Walter Long, is accounted one of the best stories of Wallace Smith, the "big find" in Western fiction today. This brilliant writer is reckoned a modern Bret Harte, and his stories are immensely popular with the readers of magazines of the day. A volatile, dynamic role that gives Priscilla Dean full sway for fiery, impetuous action. Also a good two-reel comedy.

Monday, Feb. 7th—

"PRISONERS OF THE STORM"

Starring House Peters, a tense and absorbing melodrama based on a story by James Oliver Curwood. A tale of the Canadian Northwest and of the famous Northwest Mounted Police. Also "Fighting Hearts."

Tuesday, Feb. 8th—

"VALENCIA"

Starring Mae Murray, supported by Lloyd Hughes, Roy D'Arcy and others. The alluring Merry Widow is here now in the biggest hit of her career. As the wild, winsome gamin of colorful Barcelona, Mae Murray will have you at her feet too, as she is whirled through a series of breathless adventures, gay and dramatic, to a veritable Lovers' Paradise. The charm of Spain—the romance of Castille—and Mae Murray, glittering, exotic and enchanting, in a romance of old Spain. Also a good two-reel Comedy and Fox news.

Wednesday, Feb. 9th—

"THE GAY DECEIVER"

A comedy-drama featuring Lew Cody, Roy D'Arcy, Carmel Myers, Dorothy Phillips and Marceline Day. A gay deceiver—a scheming daughter—a wise wife playing hide-and seek in Paris' Lap of Luxury! The newest, the most fascinating of love triangles! Gay, daring, full of snap and sparkle. A throbbing romance—from the noted stage—The ladies adored him, the Gay Deceiver, the King of Paris. Also Fox news and two-reel Western.

clock. Every member is urged to be present with everything you need in your sewing box.

TRICK DEMONSTRATION CLUB

The Trick Home Demonstration club met in their club room at the school house, Friday afternoon at 2:30. Miss Bass gave us our Year Book and made an interesting talk on our work for the year. There were 17 ladies present. We would like for more of the ladies to meet with us on our next meeting day, which will be the second Friday in February.

Our regular meeting days are the second and fourth Friday's in each month. We feel that we have one of the most efficient Demonstration Agents and we urge the ladies of our community to join our club and get the benefit of her expert services and also help the club by your attendance and support.

SAND HILL CLUB

The Girls' Club of this community met last Wednesday, January 19th. Our president was absent, but our first meeting was a genuine success. Two new members were added, making a total of eighteen. The next meeting will be February 2nd.

STARKEY 4H CLUB

Nineteen members attended the Starkey 4H Club Girls' meeting Tuesday 18th. Miss Bass gave us an interesting lesson on our sewing bags and cup-towels.

At our next meeting we will finish our sewing bags and the first year girls will make the hot dish holders.

We had three new members and we hope they will enjoy the work with us. Our next meeting will be February 1. Remember the date and have your sewing at the club room at 1:00 o'clock on that day.

BLANCO GIRLS ORGANIZE

The 4H Girls Sewing Club of Blanco organized by Miss Blanche Bass at Blanco January 20. Seven joined the club.

Officers elected were Jessie Dalton, president; Helen Tinnin vice president, Irene Cates secretary, and Elga Alexander reporter. Members of the club are Kathryn Alexander, Bernice Tinnin, Noma McPeak and the above named officers. All the members meet at the school house Thursday, February 3, and bring your sewing articles with you.

BLANCO DEMONSTRATION CLUB

The Blanco Home Demonstration club met with Mrs. W. F. Farley, Thursday afternoon, January 20th. There were eight members present. After a short business talk by our president, the members answered to roll call by giving "The Type of Bird I Prefer." Mrs. W. F. Farley was leader of the program. Mrs. J. M. Gamblin, vice-president resigned and we elected Mrs. W. C. Cates to take her place.

A motion to not loan the club canner to anyone except the members of the club who helped to pay for it was moved and passed. Mr. Norton gave the club \$2.50 for the use of the canner one day.

The Blanco club will bake 50 caramel pies for the Floydada Chamber of Commerce banquet. The proceeds will go to the club fund.

The club voted to join the Floyd County Federation of clubs at the next meeting which will be held at Sand Hill the last Saturday in this month.

The next meeting will be held at the home of Mrs. D. R. Badgett on Thursday, February 3rd. The subject of the program will be "Gardening." Mrs. W.

C. Cates will be leader.

Other subjects to be discussed will be:

Reasons for having a garden—Mrs. J. B. Tinnin.
 Plans for a garden—Mrs. F. W. Daniels.
 Preparation of soil—Mrs. J. L. McPeak.

Fertilization—Mrs. G. R. Smith.
 Report on 1926 Garden—Home Demonstration Agent.

THE SAND HILL CLUB

The Sand Hill Home Demonstration Club met January 19th at the school house in their new club room for the first time. We are very much enthused over getting a club room. This will make our meeting place more convenient for our members and it is more in the center of the community.

There were ten members present and one new member. Miss Bass met with us and discussed the subject of "Poultry." Our meetings are always more interesting when Miss Bass meets with us.

Mrs. W. E. Miller agreed to take the Demonstration garden for this year. Mrs. Miller had the garden last year and made a splendid report on it.

Our next club meeting will be February 2nd. The subject will be Gardening. Roll call will be answered with Two new vegetables I intend to plant in my garden this year.

Leader—Mrs. A. B. Masterson.
 Reason for having a garden—Mrs. Arthur Womack.

Plans for a garden—Mrs. W. H. Pope.
 Preparation of soil—Mrs. S. O. Ellis.
 Fertilization—Mrs. W. E. Miller.
 Report on 1926 Garden Contest—County Demonstration Agent.

CAMPBELL CLUB

As we failed to get in a report of our club meeting last week, for January 18, will send it in this week.

Our Home Demonstration Club met at the home of Mrs. C. H. Hough on that date. Ten members were present and two visitors. Miss Bass was also with us and helped very much with our program.

A short business session, at which our president presided, was held, after which roll was called, all answering by telling "what type of bird I prefer." The subject of the program for the meeting was "Poultry." Mrs. S. H. Horn was leader.

"Advantages of the early hatch" was discussed by Mrs. A. C. Jackson; and Mrs. R. H. Ashton talked on "The Selection of Eggs." Mrs. D. H. Glover had for her subject, "Natural Incubation," and Mrs. Roy Horn, "Artificial Incubation." Mrs. J. W. Garner talked on "Care of Baby Chicks."

Gardening was the subject of the club's meeting held Tuesday, February 1, with Mrs. S. H. Horn as hostess.

MCCOY GIRLS' 4H CLUB

The McCoy Girls' 4H Club met on their regular meeting day which was last Thursday, January 20th. There was only one member absent. We had one new member.

The house was called to order and roll call was answered by each girl stating what kind of project she will take for the coming year. All of the girls preferred poultry and a few will take both poultry and gardening.

A decision was also made for each girl to contribute five cents to the club fund for the purpose of getting some kerosene oil.

Several of the sewing bags of the second year girls were completed and turned in. Each bag that was turned in received an A grade.

Miss Bass carefully instructed the second and first year girls on their second article. We are all going to try to have our second problem finished by next meeting.

Those who received stars last meeting were as follows: Marie Smith, Alma Curry, Zell Fairchild, Verna Nixon, Pauline Day, Thelma Smith, Louis Thacker, Etta Berry, Violet Pittman, Lucille Fairchild and Maud Pittman.

Out of the twenty members only eleven got stars. Now this indeed is a very bad record for the first meeting. We can all get stars just as easily as a few if we only try a little harder. Since there is such a very little club work to be done, we should all be interested enough in this kind of work to do our very best.

Home Economics is the most useful and useful work that a girl can take therefore it looks as though a girl is a little lazy to come to club every time and say "I don't have mine finished" or "I forgot my scissors."

Girls we must keep our club up and do our very best. A few members or one girl cannot do the required amount of work for the whole club, every girl must do her part and work together.

Each girl please have a pair of scissors, tape line, thread, needles, thimble, and pins for next meeting. Let us all be present and see if we can all be on the honor roll the next meeting.

INSTRUCTIONS FOR MAKING 4H CLUB GIRLS' SEWING BAG

1. Material, ½ yard gingham or chambray, 27 inches wide.

2. Bag is made by hand.

3. To make bag:

(a) Bag is made crosswise of material.

(b) Straighten one of the cut sides of the cloth by drawing a thread and trimming.

(c) From this straightened side of material measure 14 inches down the selvage to selvage. There will be a piece of material 14 inches by 27 inches.

(d) On both 27 inch sides made a ¼ inch turn on wrong side of cloth.

(e) Fold cloth to center, bringing the 14 inch sides together.

(f) Beginning at the top, baste the creased sides together.

(g) Finish side seams with overhanding stitch. Then overcast or pink raw edges.

4. To make the eyelets for the drawstrings, measure 4½ inches down side seams before hem is turned. From this

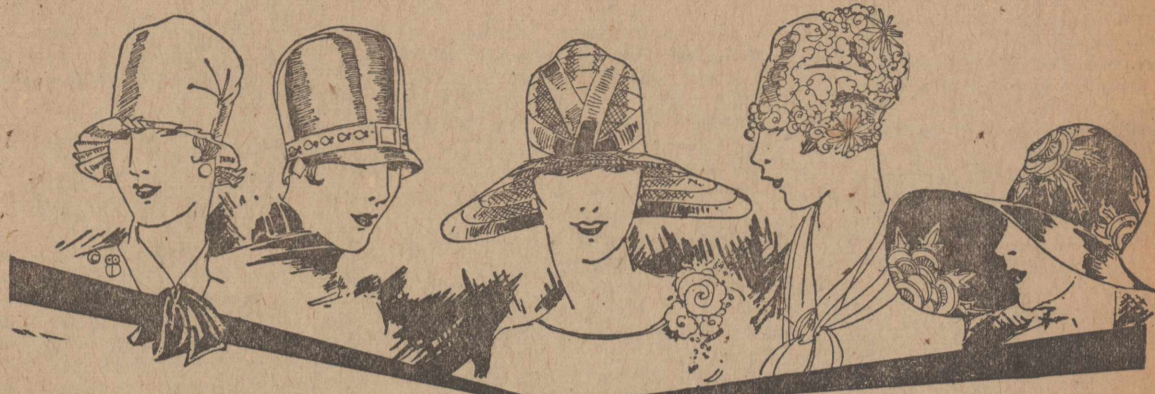

point leave ½ inch in seam for buttonhole. Work with buttonhole stitch.

5. Hem—At top of bag make ¼ inch turn on wrong side. Turn again until the first turn comes just below the buttonholes. Baste hem in place. Use chain or outline stitch for putting in hem, making it on right side of material. San silk or similar thread may be used. ¾ inch above this stitching, put another row of chain or outline stitch, making a casing for draw string.

Hem is 2½ inches wide when finished.

6. To make the 2 drawstrings use the same thread that is used for hem. Take for each 8 threads 72 inches long and make cords. Finish with tassel of same kind of thread, after cord has been put in bag.

7. Turn each lower corner of bag to a point half way up the seam side and finish with a button one inch in diameter. Cover button with material like bag and sew on points of bag.

COME and WELCOME!

CHURCH OF CHRIST

While the weather was bad and most of the preachers that were on the program failed to arrive, yet we had a nice meeting at the City Park Church. The first of the week was so bad that we failed to have any service but there were splendid audiences the last of the week and all enjoyed the splendid lessons presented by the preachers present. We are also rejoicing over the good results obtained, there being four additions to the congregation.
A special invitation is extended to all to be with us again next Lord's Day. Bro. Morgan will address the audience at the hour of worship. Bible study begins at 10 a. m., and don't forget prayer meeting on Wednesday nights.
Ira L. Sanders, Minister.

LADIES' BIBLE STUDY

The ladies of the City Park Church of Christ met with Mrs. Borum last Monday and had a fine lesson. Also a large number present. They will meet next Monday at 3 p. m. with Mrs. E. E. Blackshire, two miles east of town.

We are now studying the teaching of the New Testament and will be pleased to have all ladies who can to come and study with us.
Ira L. Sanders, Minister.

MAKING INTENSIVE PLANS FOR CHEVROLET SALES YEAR

One of the most significant events in the automobile industry today is the series of nation-wide sales meetings of the Chevrolet Motor Company now in progress. They are destined to reach 15,000 dealers, associate dealers and bankers in 21 of the largest cities before their close in April.

Sales plans of the company for what is expected to be the greatest year in its history are outlined at these meetings by officials of the sales, advertising and service divisions. As the world's largest makers of three speed transmission cars the company is looking forward to 1927 for a measurable increase over 1926, when production records for the previous year were exceeded by more than 40 per cent. Recently announcement was made that the company's facilities had been expanded to make possible production of 1,000,000 units yearly.
R. H. Grant, vice-president and general sales manager, will direct the meetings and outline the most comprehensive sales campaign ever attempted by a manufacturer of automobiles.

'CHI CHAE' CHINESE NAME FOR DODGE BROTHERS MOTOR CAR

Among the latest purchases of a Dodge Brothers motor car is the governor of Kansu a province of China. Kansu's greatest claim to fame appears to be the fact that it is just about as far from civilization as anyone can get. It is 1500 miles from the nearest railroad and situated in the extreme north-westerly section of China. According to Ralph C. Scoville, Christian worker, who has recently returned from China, Dodge Brothers motor cars and Graham Brothers trucks are gradually replacing the "mule sedan" and the great mule drawn caravans of commerce.

"Kansu," stated Mr. Scoville, "which is one of the 18 provinces of China, is also known as the terminus of the great wall. Here, in this isolated region, which takes three weeks of tedious, constant traveling to reach after leaving the railroad, I have lived and worked for over seven years. Dodge Brothers motor cars were the only automobiles I ever saw there. I am told this is because these cars seem to be the only make that can survive in this land of indescribably bad roads. The road, in reality a widened trail, runs from Lanchow on the Yellow River to the heart of Asia, where it meets similar roads from the Indian Ocean and the Caspian Sea and others.

"Over these trails an occasional Dodge Brothers motor car plows through, driven generally by Russians, for the Chinese are notoriously bad chauffeurs. The particular Dodge Brothers motor car that I am referring to was purchased by the governor of the province of Kansu. He lived in Lanchow. The appearance of the governor's car upon the streets would cause cries of 'chi chae,' the literal meaning of which is steam car or power cart. The car is a great curiosity and excites much comment among the raw heathen as to what makes it go, the general belief being that it is the invention of some foreign devil.

CARD OF THANKS

We take this means of expressing our heartfelt thanks to friends and all for their many kindnesses and aid during the illness and death of our little daughter.

TO THE VOTERS OF FLOYDADA

I wish to announce my candidacy for re-election to the Office of Mayor of the City of Floydada, Texas, subject to the action of the City election in April, 1927.

I have served as Mayor of Your City for the past four years. I have endeavored to administer the affairs of the City in a progressive and business-like manner consistent with the principles of practical economy.

Floydada's future is resplendent and shining with new things to be accomplished; which will require active and alert judgment in the management of the progress of the City. If re-elected I will give my best efforts to an efficient administration of your City.

I will appreciate very much your vote and influence in the coming election.

Appreciative of the favors extended to me in the past, I am,

Yours very truly,
F. P. HENRY.

NOTICE TO BIDDERS DEPOSITORY OF COUNTY AND SCHOOL FUNDS

Notice is hereby given as required by law (Articles 2544, 2545, and 2546 R. S. 1925) that the Commissioners Court of Floyd County, Texas will consider bids from the various banking institutions of Floyd County for the selection of a depository for the funds of Floyd County and those of Floyd County Common School Districts. All bids must be sealed, and must be deposited with Wm. McGehee County Judge not later than 10:00 a. m. February 14th, 1927.

The above bids shall state the rate of interest to be paid by the bidder if chosen. Interest to be figured on daily average balance, payable monthly. Said bids shall be accompanied by a certified check, payable to Wm. McGehee County Judge, for not less than one half of one per cent (\$25.00.) of said County and Common School District revenue for the preceding year, as a guarantee of good faith on the part of the bidder and if his bid is accepted that he will enter into a bond hereinafter provided. The Commissioners Court reserves the right to reject any or all bids.

Expert Coming to Lubbock
ON
MONDAY & TUESDAY, FEB. 7 & 8
AT
Lubbock Hotel
from 10 a. m. to 4 p. m.
Evenings by Appointment
TWO DAYS ONLY
No Charge for Consultation

Mr. C. F. Redlich, the successful expert says:

The "Perfect Retention Shields," hold the rupture perfectly no matter what position the body assumes or how heavy a weight you lift. They give instant relief, contract the opening on the average case in ten days and strengthen the weak tissue (the real cause of rupture) so that they frequently recover their previous natural retaining power needing no further outside support. Stomach trouble, backache and constipation often caused by Rupture promptly disappear.

Truly remarkable results have been obtained with recent and not yet fully developed ruptures and many old ones also.

No legstraps or elastic belts are used. Can be worn while bathing and are highly sanitary being impervious to sweat.

Letters from highly satisfied clients available.

Advertised mail order contraptions as well as elastic belts with chafing filthy legstraps and all salves and medicines are absolutely worthless.

Call on me and I will show you. Results on children are 95 per cent favorable.

Business engagements prevent visiting any other city in this section. C. F. Redlich, Rupture Appliance Expert, Home office, 535 Boston Block, Minneapolis, Minnesota.

AVERY TWIN-JACK CULTIVATOR

Easy on both man and team

Avery engineers did a big job in eliminating strain on the operator and lightening the work of the team when they designed the famous Jack Rabbit Cultivator. In the Twin-Jack they have repeated their success, this time in a two-row cultivator that is simple to operate—and easy on both man and team.

but minimum effort, the horses are spared sore shoulders, and more ground is covered per day with less fatigue.

Each pair of gangs is controlled by two independent levers, the inside lever raising or lowering the pair simultaneously, when desired. By means of an easy pressure on the stirrups the wheels may be angled to right or to left.

We will be glad to explain the many efficient, time-saving features of the Twin-Jack—or demonstrate at your convenience. There is no obligation.

much interest to the spectators. The Idalou team found it near impossible to break into the passes of the Jack-rabbits. The game was much better than the score indicated, although the resulting score was 27 to 18 favoring the Ralls team.

The F. H. S. Whirlwinds, runners-up of the championship series clashed for the first time during the tournament, on Friday night when they met and defeated the O'Donnell basketeers to the score of 34 to 12. The Floydada boys were in excellent shape for the game and Coach Jay played his first team for only three quarters. In the last period of the game, he substituted his entire second team and held the score steady. Edwards was high-point man for F. H. S. with 12 points and Swain a close second with 10 points. Eubank scored 9 points in this game.

Five teams were eligible to enter the semi-final games Saturday morning. Ralls, Plainview, Lorenzo, Floydada, and Hale Center were still in the running for championship honors. Hale Center drew a "by" while Ralls and Plainview played and Lorenzo and Floydada clashed.

Floydada defeated Lorenzo 13 to 38 in the first semi-finals. The Whirlwinds held the lead throughout the game, the score at the end of the first half being 20 to 5. Edwards was ruled out of this game in the third quarter for four personal fouls, the only time during the meet a Floydada boy was ruled out because of personals. Swain held high score with 19 points to his credit. Edwards scored 6 points in this game.

Plainview Defeated Ralls

Knowing that the Bulldogs were much stronger than their team, the Ralls quintet went into their last game with all the fight possible. The Ralls boys held the Plainview team to a close score until the last period of the game when they began to give out. The score was 22 to 36 favoring the Class A team.

Through the use of their long, high shots at the basket, the champions again won in a semi-final game when they defeated the Hale Center five to the score of 13 to 31 on Saturday afternoon. Before a capacity house, the final game Saturday night between the Floydada and Plainview teams was the most interesting ever witnessed at the new

gym. Although the visiting team held the larger end of the score at the time of the final whistle, the score changed many times before the end. At the close of the first quarter the score stood 2 to 5 in favor of the Whirlwinds and at the close of the half 7 to 8 favoring Plainview.

The Floydada offensive play was much better than their defensive. The Plainview boys scored many times from the center of the court, making long high shots at the basket. The Floydada boys made many more tries at the basket than the Bulldogs but were "off" on goal pitching.

Floydada's first string line-up during the tournament were: Webb, Edwards, Swain, Eubank and de Cordova. Swain was the Whirlwind's high-point man with 36 points to his credit.

The first string men on the Bulldog team receiving the silver basketball trophies were: Craig, Boswell, Wilhelm, Sone, and Pierce. The trophies will be permanent property of the winners. They are made of sterling silver with the words "Floydada Tournament" engraved across the face.

Superintendent J. C. Wester stated that the tournament was a great success, financially. Near \$75 were cleared above expenses by the staging of the tournament, besides the advertisement for the town and the school, and the practice for the basketball team.

"But much more beneficial than the finance of the thing, is the fact that it has aroused the interest of the Floydada people in basketball," Mr. Wester stated. "We expect this to be the start gun for sport fans and we will expect their whole hearted backing throughout the rest of the season," he said.

Rush Swamps Office On Last Day For Tax Paying

(Continued from page 1)

tered this year in comparison with other years, it was said at the collector's office. "The public was good to us, generally speaking, throughout the rush of the last few days, and we appreciate this fact very much," Mr. Stegall said.

2,200 Vehicles Registered. The collector expressed the belief that the registration of motor vehicles before the end of the first quarter would run as high as 2,400 possibly. Monday night between 2,100 and 2,200 motor vehicle owners had registered, and obtained plates. This includes both pas-

senger cars and trucks. One motorcycle was registered. On account of an injunction now in effect against all collectors in the state, no license fees were collected from motor bus operators and no license plates issued.

"By the end of this week, there will be no reason why an automobile owner in the county should not have placed his new license plates on his car," Sheriff Stegall said, "and we expect to begin making actual arrests Monday morning for violations of the highway license law. Automobile owners all over the county should keep this in mind. We expect to arrest all owners we find operating their cars on the highways without the 1927 license plates."

Collections for the City of Floydada were about ninety per cent complete before the close of the date for payment without penalty. City Collector Burl Bedford said. A total of 552 poll tax receipts were issued by him.

E. C. Henry, collector for the Floydada Independent School District also said that collections for the schools had been fair. He did not venture an estimate of the total percentage of the school tax paid.

County Health Survey Is Compiled By Women

(Continued from page 1)

Typhoid Fever none; Diphtheria none; measles none; whooping cough none; diarrhea and enteritis none; pneumonia 12; smallpox none; automobile accidents 4; from fires none. Twelve infants have died under one year of age. Nine individuals have died who were under twenty years of age. Communicable diseases are reported to the County Health officer. Of the communicable diseases tuberculosis, typhoid fever, diphtheria, measles, whooping cough, diarrhea and enteritis and pneumonia only three were reported last year and they were caused from pneumonia. There is not an annual report published setting forth the vital statistics of the community.

Communicable Diseases: There are no regulations empowering the Health Officer to isolate or otherwise control cases of communicable diseases with the exception of the state law. Vaccination against smallpox is not compulsory for attendance at school. One hundred people were vaccinated last year. Diphtheria immunization is not provided by any official officer. The Red Cross is the only actively interested agency in the control and prevention of tuberculosis. There are no clinics, hospitals, home medical and nursing care available. There were no tuberculosis patients hospitalized last year. There is not an ordinance or regulation requiring the report of cases of venereal infections. There is no clinical service. There is not a public health laboratory providing service for the examination of diagnostic specimens, for the examination of food, milk or water.

School Children Examined Health of Mothers and Infants: There is no organization especially interested in Child Hygiene, pre-natal and maternity care or infant hygiene. **Health of School Children:** School children are routinely examined for physical defects each year. 300 children were examined last year. Approximately twenty minutes of the physicians time was devoted to each case. This examination is sponsored by the Parent-Teachers' Association. There are 600 grade children. Probably 25 per cent of the defects are corrected by this examination.

Food Control: There are no regulations concerning the production and sale of milk, pasteurization, tuberculin testing of cows or dip and bottled milk. **General Sanitation:** Water supply is owned and controlled by the City. Source deep well water 98 per cent pure. Method of disposal of sewage, sewer system. Garbage is collected by the city and burned and the streets are cleaned by the city.

Additional Public Health Facilities: There are no visiting nurse services for mothers, infants, school children, or bedside care. **Education of Public:** There are no weekly newspaper articles, health Officer's reports, paid advertising (car cards, etc.) Pamphlets are published by the Red Cross. There are exhibits and special demonstrations in store windows during Child health weeks and May day. There are no First aid tents and health examinations made during the County Fairs.

In some cases statistics pertaining to the health of our County have been neglected, and conditions or facts have not been reported, thereby making the records, or information available, incorrect, in a few instances, as will be readily recognized in the above compilation.

ROE BOY ACCIDENTALLY SHOT IN SHOULDER LAST SATURDAY

The ten year old son of Mr. and Mrs. N. N. Roe, who live on the Dougherty ranch south-east of Floydada, was accidentally shot in the right shoulder with a .22 rifle last Saturday morning while he and another boy were hunting near his home.

The boy's comrade was carrying the gun when it discharged, driving the bullet through the boy's right shoulder just below the neck. The boy was brought to the hospital in Floydada where an X-ray picture showed the bullet to be lodged in the left side of the chest. It was impossible for the doctors to extract the bullet because of the danger of tearing the tissue structure in the lung, it was sated.

The boy is reported to be convalescing from the wound, however there is a possibility of complications setting up, the doctors stated.
