White Way Work Begun By Utilities This Week

System In Residence Section Finished
And Circuit Cut In Wednesday
Night.

With the practical completion of the new lighting system in the residential section of Floydada this week, a part of the construction crew of the Texas Utilities Company under the direction of Construction Foreman Harry Anstead was put to work setting the standards for the white way in the business district. Wednesday the lighting system in the residence district was completed and the circuit cut in. Approximately sixty street intersections are now lighted, the longest line of street lights being from the northeast corner of the Andrews Addition in northwest Floydada to the southeast corner of the city through the business section. While this construction has been under way the crew of six to ten men on the job for the past forty days have also rebuilt the system in the residence section, re-conditioning it throughout with new poles and heavier service lines where needed. Thirty to sixty days will be required to finish the white way work, Mr. Anstead estimated Wednesday.

E. E. Brown Resigns

Last week the resignation of E. E. Brown as manager of the local commercial department was accepted by the company, and S. M. Cole for the past eighteen months with the Plainview office has succeeded him with Mrs. E. L. Angus as assistant. Mr. Brown will give all his time to contract work in the future. Heretofore he has been merchandising electrical supplies and ice, while in charge of the service department for the company. With the entry of the company into the merchandising business here, Mr. Brown decided to resign and give his time to contracting. He will be closely associated with the company. "In point of service Mr. Brown is one of the oldest men with the Texas Utilities Company," S. M. Cole, the new manager said Wednesday. "And we lose him as manager here with much regret. We hope the public will be lenient with the new management until we become more thoroughly conversant with the local situation."

In addition to the extensive repairs and extensions to the service lines and lighting system here, other plans of the company for this spring include completion of the transmission circuit through Floydada to Crosbyton this spring. J. B. Scott, general manager of the company said last week that this was on their program for early spring. Following the completion of the high line to Crosbyton, the lines connecting with the Plainview plant will be repaired and put in good condition. Practically perfect service to this point and Lockney will be assured when these improvements and repairs are completed.

Floydada Gin Co. Sold To R. E. Patterson Tuesday

J. A. Nickels and Sons Sell to Lockney
Gin Man For Sum Of
\$33,500

R. E. Patterson, gin man of Lockney, on Wednesday of this week, took possession of the Floydada Gin Company which he purchased this week from J. A. Nickels and Sons, operators of the gin during the past two seasons. The deal, which was closed last Tuesday, entailed over \$33,500.

J. F. Blanton, of Aiken, who had charge of the Lewis & Davis Gin here several years ago, will take charge of the Patterson gin. Both Mr. Blanton and Mr. Patterson are experienced men in the gin business. Mr. Patterson is proprietor of the Knox-Patterson Gin at Lockney and also proprietor of a gin at Olton, Texas.

J. A. Nickels, the retiring owner, installed the Floydada gin in 1924, having just completed his second seasons ginnings. A round bale press was installed in 1926 and was in operation during the past season. Mr. Nickels has not announced his plans for the future.

ROGERS RELATIVE DEAD

W. T. Rogers and family and Bob Rogers and family left Wednesday afternoon for Colorado, Texas, where they will attend the funeral of Mrs. Curtis Rogers, niece of W. T. Rogers, who died at her home in Colorado late Tuesday evening.

Mrs. Rogers death was sudden and unexpected. She was sick for a very short time before her death. She will be buried in Colorado today.

BOX SUPPER AT MAYVIEW

Box supper at Mayview was held Friday night for the benefit of the Rev. F. L. Davis acted as auctioneer and sold the boxes which brought a price, the sum of \$42.00 being realized. The prize was awarded to Davis for being the ugliest man. Davis said he was rather proud of it, though since it consisted of delicious canned fruit.

END DEALERS MEETING

Well, Chevrolet dealer of this city, E. E. Dyer, Chevrolet dealer of Lockney, attended the first of this week attending a special business meeting of the Chevrolet Dealers of the district. The meeting was held at the Adolphus Hotel, Dallas, dealers from all over the district were present. Mr. Bell returned Wednesday.

Route Three Extension Bettters Postal Service

Floydada Post Office Now Serves Larger
Territory Than Any Other
In The Panhandle.

An extension authorized for Route Three out of Floydada last week, effective yesterday, adds 12.6 miles to that route and makes it now slightly more than 47 miles in total length, and gives the Floydada post office the lead of all towns and cities in the panhandle in point of mileage served on its rural routes. Wellington which formerly held this lead has a mileage slightly less than the mileage of this office. On the five rural routes out of Floydada and the two star routes approximately 750 families are served.

The extension on Route Three does not add a large number of families to be served. However, it adds greatly to the convenience of the people north, northeast and northwest of Fairview, in getting their mail, putting the route within a short distance of many families which were formerly two to five miles from it, Assistant Postmaster N. W. Williams said.

Route One, running south and west from Floydada has a total mileage of forty-seven miles; Route Two, which goes south and east covers a distance of forty-nine miles; Route Three now has a total of forty-seven miles length; Route Four, south and west, runs a distance of thirty-five miles; and Route Five, a "loop route," out of Lakeview, runs twenty-six miles.

The two star routes out of Floydada are the Silverton Route and the Roaring Springs route.

Committee Assignments For C. Of C. Announced

Principal Work of Year Will Be Grouped
Under Seven Committee
Heads, Fry Says.

With forces equally divided the annual chamber of commerce membership drive started this week. Two of the liveliest members were selected by the directors to lead the drive. They are Robert McGuire and N. M. Williams. Each leader has already declared himself winner although they are still hard at work.

A rather unique plan was decided on to increase the interest in the drive. The losers of the contest must furnish all the eats and serve a big wienie roast to be held on Blanco Canyon on the evening of March 18, the closing day of the drive.

Points for the contest will be similar to the old plan. New members will count five points for every dollar subscribed per month. Attendance at the regular meetings will add two and one-half points per member, whether he is old or new, for each side.

Robert McGuire, under the name of Commander-in-chief of the McGuire forces and N. W. Williams, as captain of the Williams army, have notified each member of the drive.

The next regular meeting of the organization will be held Tuesday night of next week. The program for the evening is being arranged by the high way committee. It will deal in particular with problems presented by roads leading into Floydada.

Committee assignments for the ensuing year announced by President R. E. Fry are given below. The major portion of the work of the organization for the year, according to the plan, will be grouped under three standing committees to save time and get effective work done:

Membership: N. W. Williams and Robert McGuire;
County fair: J. G. Martin, Roy Baker and J. I. Hammonds;
Highways: Roy Snodgrass, J. V. Daniel and B. K. Barker;
Conventions: Frank L. Moore, W. L. Fry and C. H. Davis;
Publicity: Homer Steen, Roy Snodgrass, O. P. Rutledge;
Industrial: J. B. Jenkins, J. E. Dickey, T. P. Collins;
Transportation: J. M. Willson, Calvin Steen and C. W. Boothe.

Find Picture Of Early Day Hesperian Office

During the past few weeks members of the English Class of Floydada High School have had the early day settlers rummaging through their old pictures on a hunt for pictures of Floydada Public School buildings of the past, and in these hunts a number of historical pictures of general interest have come to light. J. D. Starks is among those who found pictures in their effects of the first school building in Floydada. He also had a picture of the same building after the boom came along and they had to add an el to the frame building to make room for a third teacher and her "scholars."

Mrs. G. M. Bullard found a picture among the old prints in their home that was particularly interesting to the folk in The Hesperian office. It was a print of this newspaper's office taken about 1906, when the office was located on the northeast corner of the square immediately east of the present location of Kirk & Sons.

SPECIAL SINGING

All who are interested are invited to attend the singing at the City Park Church of Christ next Sunday night. They are E. P. Nelson, Dr. I. W. Hicks, O. L. Stansell, Elmer Caudle, D. I. Bolding, T. S. Stevenson and G. M. Bullard.

Saxophone Sextet of Simmons Cowboy Band

Above is shown the Saxophone Sextet who will appear here with the Simmons University Cowboy Band on February 25.

The Cowboys will be here under the auspices of the High School Friday week and expect to draw a record crowd. They will also be accompanied by the Cowboy Quartet and Hines Sims, whistler. The entertainment will be held at the High School Auditorium.

District Court Opens Monday, February 28th

Entirely New Official Family Will Con-
duct Spring Term District Court
For Floyd County.

District Court, spring term, for Floyd County, will convene in Floydada Monday, February 28, with a new judge on the bench, a new district attorney, a new sheriff and a new district clerk officiating. Former District Attorney Chas. Clements will be the presiding judge, Meade F. Griffin the new district attorney, P. G. Stegall the sheriff and T. P. Guimarin the clerk.

When the court is convened, the non-jury cases will be given right-of-way the first week following the empanelling of the grand jury. No petit jury was chosen by the jury commission for the first week of court.

Probability that this session of court will see a special judge serving at least a part of the time while the criminal docket is being cleared up, is indicated by the fact that the new judge was district attorney when all the cases at present on the docket were filed and will be disqualified to sit as judge.

The first jury panel summoned to appear is for Monday, March 7. They are as follows:

Chas. R. Veigel, E. J. Thomas, J. W. Lloyd, W. M. Vandergriff, W. C. Morris, E. Guthrie, J. H. Hohlaus, E. Grantham, V. L. Webster, Guy Sams, J. A. Dunlap, A. M. Dietrick, R. L. Bennett, W. G. Ferguson, A. G. Mitchell, H. C. McCormack, Warren Thomas, W. Wakefield, J. H. Nall, O. C. Bailey, C. L. Zimmerman, Frank Busby, A. J. Cooper, W. C. Henry, J. H. Phillips, P. L. Orman, R. E. Patterson, T. V. Rankin, H. M. Owens, J. L. Allen, W. A. Amburn, C. J. Jarrett, T. H. Stewart, C. H. Elam, D. W. Bybee, H. J. Irick.

Wall Street Church Of Christ To Build Soon

The Wall Street Church of Christ let the contract last week for the construction of a new brick and tile church building to be constructed within the next month on the corner lot just north of the present building. The contract was let to C. M. Stephenson, of this city, material to be furnished by the J. C. Woodridge Lumber Company.

The contract calls for the building to be made of red brick, an arch-way and one large auditorium with inclined floor. The contract gives the date of completion as April 15.

Plans as to what will be done with the frame building being used at the present time have not been made yet. The building committee plan to buy new fixtures and seats for the new building.

HALE CENTER COUPLE WED; JUSTICE SOLOMON'S FIRST

Justice J. S. Solomon performed the first marriage ceremony Sunday afternoon of his official career since being inducted as Justice of the Peace of Precinct No. One.

The contracting couple was Gus Griffin and Miss Allene Wheeler, of Hale Center. The ceremony was said at the residence of Mr. Solomon in West Floydada at four-thirty.

MARRIAGE RECORD

License to marry have been issued to two couples from the office of County Clerk Tom W. Deen during the past week. They were to the following: Kenneth Barnes and Miss Veda Meacham, February 11; Gus Griffin and Miss Aline Wheeler, February 13.

CHURCH NAMES DEACONS

The Baptist Church in conference Sunday named seven deacons to serve it for the year. They are E. P. Nelson, Dr. I. W. Hicks, O. L. Stansell, Elmer Caudle, D. I. Bolding, T. S. Stevenson and G. M. Bullard.

Poultry Questionnaire Would Assemble Facts

Secretary Will Call Meeting of Poultry
Raisers When Best Date Is
Decided.

Do the poultry raisers of Floyd County need a commercial hatchery in the county?

What kind of chickens do you have, how many are there and are they for sale?

These are two of the leading questions being asked poultry raisers of Floyd County this week in a questionnaire sent out recently by Ed Bishop, secretary of the Floyd County Poultry Association. At the same time the secretary is requesting information as to the best place and time to have a called meeting of the Floyd County Poultry Association for the purpose of electing new officers and directors and to discuss other matters pertaining to the poultry industry in the county. The meeting to be held will take the place of one announced for an early date after the close of the poultry show in December. This meeting was postponed from time to time on account of bad weather and unfavorable conditions.

"If I can get the poultry raisers of the county to answer the first two questions above, the association will be in much better position to function properly than it is now," Mr. Bishop said. "The association will then be in position to point the prospective buyers to those who have the kind of poultry stock the buyers desire. The question of a commercial hatchery is one that we hear much-talked and it appears to me that the poultry raisers themselves can either furnish the answer to the question or the data on which the answer can be based."

The secretary said he was anxious to have as many answers as possible to the questionnaire at an early date so that the plans for the meeting can be started.

Outbreak Of Smallpox Under Control Is Belief

Compulsory Vaccination In Schools
Adopted When Three New Cases
Of Disease Are Reported.

The outbreak of smallpox in Floydada is well in hand, in the belief of Dr. L. V. Smith, City Health Officer, who this week quarantined four cases that developed in three different families, and issued a statement asking that the health officers have the hearty cooperation of all citizens in quickly stamping out the disease here before it reached the stage of an epidemic.

Following the report of the three cases in Floydada, all among children, the board of trustees of Floydada Public Schools at a called session Monday night adopted a compulsory vaccination in the schools here. All children will be required to show a vaccination or exemption certificate from their respective family physicians or the health officer by Friday. Cost of the vaccine points is being borne by the district and the physician are making nominal charges for their services.

Tuesday afternoon the supply of vaccine points in Floydada had been exhausted by the large number of applicants in line for the vaccination, but a new supply was received yesterday afternoon and the vaccinations resumed. A large portion of the population of this section is having new vaccinations.

Dr. V. Andrews, county health officer, had no new cases developed as late as Wednesday morning, it was stated.

Lee Trice Home Burned Last Tuesday Morning

Old Allen Home, Historical County Land
Mark, Destroyed By Fire
This Week.

One of the old land marks of Floyd County, the W. I. Allen old home two miles west of town, was destroyed by fire last Tuesday morning at about 9 o'clock. The house was occupied at the time of the fire by Lee Trice, employe of the Central Filling Station. The house and over three-fourths of the furniture were completely destroyed, the total loss estimated at above \$6000. No insurance was carried on neither house or furniture.

The fire is believed to have originated in the flue, Mrs. Trice being the only person present at the time of the outbreak. Several pieces of furniture were saved by neighbors before the fire got under headway.

The large two-story eight room house was owned by J. B. Brewer, and was built in 1903 by W. B. Merrill. It was occupied for a number of years by the W. I. Allen family, and has stood for the past 24 years as one of the land marks of this county.

BUY BASKETBALL SUITS FOR BAKER TEAM WITH PLAY MONEY

"The Road to the City" a four act comedy-drama, presented last Friday night by the Baker school, proved profitable to the school. Eight new basketball suits were purchased for the Baker basketball team and paid for by the proceeds of the play.

A good crowd was in attendance at the presentation of the play, making it possible for the boys to pay for their suits.

The play was well presented and the cast good, it is reported.

COUNTY SCHOOL MEET SET FOR APRIL 8, 9

Two-Day County Interscholastic
League Meet Will Be Held
In Floydada.

April 8th and 9th are the dates set for the Floyd County Interscholastic League Meet which will be held in Floydada this year, according to the plans laid out by the county directors in a meeting last Saturday in Lockney. Approximately 20 Rural and Class B schools of this county are expected to enter in the literary and athletic events of the two day meet in competition for the forty loving cups offered by the merchants of Floydada and Lockney.

The annual Interscholastic Meet, which was held in Lockney last year, is held to determine the representatives of this county at the district meet which will be held at Texas Tech at Lubbock on April 22 and 23. Floyd County is noted for holding one of the largest county meets in the state, and plans are that the meet this year will be even larger than ever before. Competition between the schools is so great that this county usually sends more representatives to the state meet in Austin than any other county in West Texas.

Of the forty silver loving cups given in this county, thirteen are held by the Floydada High School and eleven by the Lockney High School. The Floydada school holds the large silver cup offered to the school winning the most honors. This year will make the third year these cups have been offered, and the rules are that if any school holds a cup for three consecutive years it becomes the permanent property of that school. The All-Round honor cup has been held by Floydada for two years.

The county directors first planned to hold the county meet on March 25 and 26, but a message to Director General, W. D. Biggers late Wednesday of this week, stated that the district meet at Lubbock had been postponed from March 16 and 17 until April 22 and 23. The date for the county meet was changed in order to give the students more time to practice before the final count meet.

Price Scott, County Superintendent, stated that although all girl's track events and the stock judging contest have been eliminated from the county meet, there have been several new divisions added. The most important of the new entries is a track pentathlon for the rural schools. This event consists of a 100 yard dash, a running high jump, a 12 pound shot put, a running broad jump, and a standing hop step and jump. Another new contest is the junior boys and girls indoor or play ground ball. This feature is expected to arouse much interest in the rural schools.

W. D. Biggers, superintendent of the Lockney High School, was re-elected Director General of the County Meet, at the directors meeting held in Lockney last Saturday. At this meeting the directors of the different divisions of the county meet were elected and plans made for the selection of judges, arrangement of program, etc.

The following officers for the county meet were selected:

Director General—W. D. Biggers.
Director of Debate—J. L. Spear.
Director of Declaration—Miss Ruby Norton.
Director of Essay Writing—Mrs. Floyd Phegley.
Director of Spelling—A. R. Awtrey.
Director of Music Memory—Miss Virgie Price.
Director of Arithmetic—Lloyd L. Rose.
Director of Athletics—M. A. Nobles.
Rural School Director—Mrs. Charles B. Smith.
Director of Oral Spelling—Price Scott.

REPRESENTS MUSIC HOUSE

A. L. Lundgren, director of the new band organization in Floydada, has been named representative of the Whittell Music Company of Dallas, and states that he can furnish any kind of music for those who may need it.

Lockney School Bill

Will Take Effect On May 1

Repealed Last Week

A bill repealing the Floyd County consolidation school bill, an act of the 39th Legislature in special session last year, which consolidated the Lockney Independent School District and seven common school districts into one large independent district, which was passed by the two Houses of Legislature was signed by Governor Dan Moody on Friday afternoon. The repeal bill will take effect on May 1, the date set for the first consolidation bill to take effect.

With the passage of this bill, comes the closing chapter of the efforts to consolidate the eight school districts. Representatives of the common school districts have urged the repeal bill.

R. E. L. Muncy and J. F. Dollar, who have been in Austin during the Legislature, returned home last Saturday.

STOP THE SMALLPOX

Definite, decisive action to stamp out the smallpox in Floydada and Floyd County is an essential. Three or four cases which have made their appearance this week indicate that the disease can become an epidemic if, officials, physicians and citizens generally do not work hand in hand to stamp it out. Soft peddling and carelessness won't do. The situation might get so badly out of hand as to necessitate stopping public gatherings. We don't want that to happen.

The Floydada school board has ordered compulsory vaccination so as to stop the possible spread of the disease from that source. Which is the sensible thing to do. A few folk won't like the idea, of course. Such is life.

But we must stop the disease where it is, and the very great percentage of the public are going to back the officials in their efforts and work with them, submitting to quarantine, and the other inconveniences incident to squelching the epidemic, with good grace. And they won't be satisfied with anything less than painstaking effort of all parties whose respective duties it is to head off an epidemic.

UP AND ABOUT IT

When Benjamin Franklin said that "All things come to those who wait," he did not have in mind the man who sits down and waits for the rabbits to fly him some Easter eggs or Santa Claus or somebody to bring him a pack full of nice things. Those things are for children. Benjamin Franklin had in mind that the man who would be waiting would be industrious and thrifty (not stingy).

Franklin's life exemplified that of the industrious man who was willing to wait. Checking up on the famous sayings or adages that were published in his Poor Richard's Almanac we find that Ben had just been out with a subscription list to get the market place in Philadelphia paved and a lighting system installed. The boys had been hard to get on the dotted line. Finally he got the thing under way after considerable waiting—and much industrious effort. When he got back to the office he reflected over the many waits he had had at various places while the men he wanted to interview talled for time, thinking maybe he'd leave. And it came to him—another ad one to put in the Almanac—"All things come to those who wait."

Ben wasn't a waiter. He was a go-getter.

AMBITIOUS PLANS

The Hesperian likes a man or a set of men who aim as high as the stars. Such a man or set of men will get much further with their efforts than those who aim lower. It is well enough to see that the everyday problems of life are met. There are other things, however, that belong to all the community that cannot be done by the individual. They take collective effort.

Hence we like to commend the Floydada Luncheon Club for the ambitious program it has outlined for itself for the year. We'd like to make the suggestion that this club get everyone of the things done it can within the twelve-month period and set for its luncheon program the first meeting after the twelve-month is over, a review of their efforts.

Businesses take invoices. A check up on a year of activities is an absolute essential. So it might be said, of a club, a church, or any other social activity.

It's well to aim high. And it's well to check up on yourself or your organization to see whether you are accomplishing anything to justify your activities.

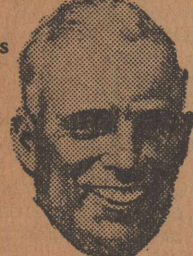

'Round The Square

We were getting right stuck-up about the F. H. S. Cagers until last Saturday. They did, what we would call, punk playing in the final game, and if they can't beat that they won't go far, we don't think.

But still they proved that they could do better when they played Lockney. Perfect defensive and offensive playing like that in the Longhorn game will

Preparedness is a fine thing, and it won't be long before Floydada citizens will be picking out a place to dig fishing worms.

Floydada needs one of three things badly. A good band, a Boy Scout organization, or a Junior Chamber of Commerce.

If some people would spend as much time studying the good points of Floydada boys and girls that they consider "bad" as they do finding their faults, they would find that they are not so bad as they are doped out to be.

Any chap can be gay when he's off for a day
With a gun or a rod and an auto;
But the bird worth while
Is the duck who can smile
When he don't want to work but has gotten.

Sport fans all over the nation know of Walter Johnson, famed pitcher of the Washington Senators, and of his clean, straight-forward way of playing ball. An exchange prints a list of rules laid down by Johnson several years ago that is undoubtedly the background of his clean playing. Although Johnson's rules apply particularly to base ball, they are equally well applicable to the game of life in general.

Although every rule for sportsmanship has often been broken, it isn't a bad idea to think about some of them occasionally, and if possible give them a trial. Walter Johnson says:
"Play fair; be on the level."
"Have respect for discipline."
"Never alibi for failure; accept the breaks of the game as they come."
"Grit your teeth and bear down when things look toughest."
"Live cleanly."
"Don't criticize fellow players."
"Never quit!"

For some time Floydada boys have had something hesitating on their lips and it isn't a proposal either. They have been trying to grow a mustache.

Someone 'Round the Square said that the Liberty Magazine should adopt the slogan "Give Me Liberty or Give Me Death."

Pains disappeared

"SEVERAL years ago I was badly run-down," says Mrs. John Bunch, R. F. D. 3, Columbia, S. C. "I could not do any of my work. I was so weak I could not wash a dish. My back and sides hurt me at times dreadfully. I dragged around until I finally got down in bed."

Then, explains Mrs. Bunch, she happened to read about Cardui, the woman's tonic, and decided to give it a thorough trial, the results of which she describes below:
"It seemed to reach the cause of my trouble at once. I did not take it long before my appetite began to improve. I gained in weight from 114 pounds until now I weigh 125 pounds. I soon was able to be up around the house. I took up my household duties and was delighted with my returning strength."

"I now do all my own work. The pains in my sides and back have disappeared and I feel like a different person."
Cardui has been helping suffering women for nearly 50 years. Sold by all druggists.

What's Doing In West Texas Today

Stamford—One hundred and twenty-five sacks of pure bred black Hull Kafir, grown at Lubbock Experiment Station, are to be distributed free of charge by the West Texas Chamber of Commerce to interested farmers in its territory who will pay for the cost of mailing. The Black Hull Kafir is saced in bags donated by the Postex Cotton Mills of Post, Texas, each containing 8 pounds of high grade seed. Full information about the seed, compiled by R. E. Karper, detailing its production at the Lubbock Station and instructions as to its growth are included in each sack. The first one hundred and twenty farmers writing to the West Texas Chamber of Commerce at Stamford will receive the seed.

Rising Star—One hundred new lock boxes have been installed in the Rising Star postoffice to care for increasing needs for facilities.

Baird—Work is progressing nicely on a modern water system for this town. When completed, Baird will have a system that will compare with the best in West Texas.

Tahoka—Water mains over Tahoka are to be extended to the extent of \$26,000 expenditure for improvement. Piping, hydrants and pumps are included in enlargement of the system.

Walnut Springs—The Bosque County Chamber of Commerce has organized a predatory animal control association to co-operate with the State of Texas and the Department of Agriculture, Bureau of Biological Survey in carrying out a fight against predatory animals in eight counties: Bosque, McLennan, Hill, Somerville, Erath, Hamilton, Johnson, and Coryell.

Groom—Contract for grading and concrete structure on a 20 mile oil field highway from Panhandle to the Hutchinson County line has been let, involving a total expenditure for construction cost of \$70,435.40.

Lockney—Election will be held March 8 to vote \$25,000 worth of bonds with which to extend the water mains of the city, dig another well, and erect another supply house.

W. H. MASON HOME

W. H. Mason, who has been in the Hale County jail the past two years following a jury conviction on a charge of aggravated assault, was released Wednesday of last week and returned home, having completed his time.

The charge against Mr. Mason grew out of the death of Elder Morris, following injuries sustained on Thanksgiving Day, 1917, in an altercation with Mr. Mason. The case was tried two or three times in this county and went up to the higher courts twice before it was transferred to Hale County on a change of venue.

Everything you expect from your MOTOR FUEL

MOTORISTS who drive the year 'round with Conoco Gasoline know they are getting their money's worth. They know it because Conoco never fails in any of the three important tests upon which Gasoline should be judged.

Conoco starts without overtaxing the battery; it delivers a snappy pick-up for traffic driving; it releases full power to the pistons with the resulting extra mileage.

Is it any wonder that car owners who know invariably fill their tanks at the Conoco sign.

Floydada Couple Have Been Married 58 Years

On Valentine Day—February 14—1869, a young couple were married in Tennessee, and to this day have lived together, and as they have gone down the road of life together they have arrived at a ripe old age.

For the past twenty years, this couple, who are Mr. and Mrs. C. S. Lowry, have made their home in Floyd County, the last six years of that time in Floydada.

Mr. Lowry, who was in The Hesperian office Monday, said "I married my Valentine fifty-eight years ago today and though she is a little faded now she is still beautiful to me."

The Lowrys came to Texas fifty years ago, living in Bell, Coryell and Johnson Counties before coming to Floyd County, gradually moving west with the tide of immigration, pioneering all their lives.

To Mr. and Mrs. Lowry were born three children, two of whom are now living and reside here. They are J. A. Lowry and Mrs. J. A. Grigsby.

Mr. and Mrs. Lowry actively managed their own farm, six miles west of Floydada, with the assistance of their grandson, Rufus Lowry, until six years ago when they moved to Floydada. Mr. Lowry will be 81 years of age in August. Mrs. Lowry is 88 years of age.

Little Miss Ila Marie Battey of Pleasant Hill, was a caller at The Hesperian office Saturday.

STATE BASKETBALL MEET WILL BE HELD IN AGGIELAND SOON

College Station, Texas, Feb. 15.—The A. & M. College of Texas will be host to the State Interscholastic Basketball Tournament for the first time this year on March 4-5. Announcement that the tourney would be held at Aggie land was recently made and already plans for taking care of the state high school players are being made here.

The coming tourney will be the seventh state interscholastic tourney and for the first time in the history of the interscholastic system in Texas it will be held outside of Austin. The athletic department of the A. & M. College guaranteed to take care of all the attending teams in a satisfactory manner, and in addition guaranteed a \$1500 gate. This, and whatever additional gate receipts there are, will be divided between the contesting teams to help pay their railroad fares.

Around 160 players are expected for the tourney, and they will be quartered while here in the Aggie land Inn, the Y. M. C. A., and the Post Graduate Hall.

The games of the tourney will be played on the fast court in the Memorial Stadium. Elimination games will be played Friday morning, afternoon, and night, March 4, and in the morning and afternoon of March 5. The championship will be played off the night of March 5. Between fourteen and sixteen teams, representing the various district champions of the state, are expected here for the tourney.

The athletic department of the Col-

lege has announced blanket ticket charge to all the games of \$1 for students, and \$1.50 for others.

J. F. NIX OPENS FIFTH YEAR BAPTIST PASTORATE AT CLOVIS

Sunday, January 30, furnished a splendid climax to the fourth year of the pastorate of Rev. J. F. Nix with the First Baptist Church at Clovis, N. Mex., and the pastor, a former resident of Floyd County for a number of years, is now the pastor of the largest Baptist Church in the state of New Mexico.

In reviewing the four year's work of the church at Clovis the board of deacons gave out the following:

"Twenty additions to the church was a gratifying response to two inspiring, spiritual sermons. This number brought the total additions to the church for the past four years to 709, making an approximate average of four additions every Sunday, with an average of two conversions each Sunday. The Sunday school attendance for last Sunday was 473, and the average for the month of January was the largest for any January in the history of the school. During these years the church has been placed on a new and sound financial basis. The single budget plan is not only taking care of all present needs, but has been so budgeted that it is liquidating debts of many years standing. The church is showing growth and progress in all its departments. The excellent organization, the enthusiastic co-operation and the fine fellowship of this exceptional church of over eight hundred members, under the leadership of Brother Nix, are all contributing to a great and helpful church program. This good church has had nine pastors in its entire history, and Rev. Nix has the honor of the longest period of service since its organization."

THRIFTY NIFTY SHOP IMPROVED

Since the Texas Utilities Co. moved their office to their new location the partition has been removed in the building formerly occupied by the Texas Utilities Co. and the Thrifty Nifty Shop and the Thrifty Nifty Shop now occupies all of the building. The interior has been refinished, lattice work and other decorations added which makes the shop very attractive. The shop was closed for several days while the work was being done but is now open for business, Miss Mollie Crum, owner said.

HAMPTON'S STRIKE OIL ON THEIR LAND NEAR MIDLAND

Mr. and Mrs. M. F. Hampton recently returned from Midland, where they spent several days looking after their oil interest, which is a well now being dug, on their land about 50 miles from Midland, by the Llano company. "Five showings of oil have been struck and a small producer is certain," Mr. and Mrs. Hampton said, "But the company will continue to drill to a greater depth in the hope of bringing in a gusher." A gusher is already in operation about three fourths of a mile from the Hampton well.

Mr. and Mrs. Hampton report that Midland is on a boom. "In fact it is such a busy city that it is really a difficult task to drive a car through the streets," they stated.

QUITAQUE POST TO HAVE NEW UP-TO-DATE NEWSPAPER SOON

At a regular meeting of the Chamber of Commerce Monday night a large attendance was present. The president P. O. Woods, presided over the meeting. Many interesting subjects were discussed. The most important subject was the establishing of a newspaper printing plant at Quitaque, which was assured by Messrs. J. L. Nunn of Amarillo, Paul I. Odor of Silverton and G. H. Russell who is at the present time the editor and manager of the Quitaque Post. Mr. Odor states that there will be a building site bought and a nice building erected and an up-to-date printing plant installed within the next 30 or 60 days. Due to the fact that the merchants of Quitaque are very liberal in supporting a newspaper which has been proven in the past 20 months, and with the many new enterprises being established in Quitaque the success of the new plant will be assured. With some 35 or 40 enterprising and enthusiastic, wide awake business men that are in Quitaque it is almost assured that it will be the best town in the west.—Quitaque Post.

Mr. and Mrs. H. P. Bell of Spur, were here the latter part of last week and the first of this on a visit with Dr. N. C. Purcell. Mrs. Bell was here for treatments. The doctor is a brother-in-law of the Bells.

Mrs. Herbert Ralls and baby returned home Sunday from Lubbock, where they have been several days.

Stomach So Bad Can't Eat Even Fruit

"For years was badly constipated and troubled with gas after eating. Could not eat fruit and many other things. Adlerika has done me good—can now eat anything." (signed) W. H. Fletcher. Adlerika removes GAS and often brings astonishing relief to the stomach. Brings out a surprising amount of old waste matter you never thought was in the system. Stops that full bloated feeling and makes you enjoy eating. Excellent for chronic constipation. Floydada Drug Co. L-2

CITATION BY PUBLICATION THE STATE OF TEXAS,

To the Sheriff or any Constable of Floyd County—GREETING: YOU ARE HEREBY COMMANDED, That you summon, by making Publication of this Citation in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, Edna Floyd whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be held in the County of Floyd, at the Court House thereof, in Floydada on the 28th day of February A. D. 1927 then and there to answer a Petition filed in said Court, on the 27th day of January A. D. 1927, in a suit numbered on the docket of said Court No. 1855, wherein Henry Floyd is plaintiff and Edna Floyd is defendant.

The nature of the plaintiffs demand being as follows, to-wit: A suit for divorce, Plaintiff alleges that he is a bona fide inhabitant of the State of Texas and County of Floyd; that on or about the 16th day of December A. D. 1906, in Hale County Texas plaintiff was lawfully married to defendant; that they continued to live together as husband and wife until sometime during the year of 1923 when by reason of cruel

and harsh treatment and improper conduct toward plaintiff he was forced to separate from the defendant; that since that time plaintiff has not heard from nor had communication with the defendant; that since their separation plaintiff and defendant have not lived together as husband and wife; that the marriage relation still exists.

Wherefore plaintiff prays the court that defendant be cited to appear and answer this petition and upon hearing hereof he have judgment dissolving said marriage, and for other and further relief in law and equity to which he may show himself entitled.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said

Court, at office in Floydada, Texas, this, the 27th day of January A. D., 1927. (SEAL) T. P. GUMMARIN, Clerk District Court, Floyd County, Texas. 484tc

AVERY Jack Rabbit Cultivator

"Free and easy"

Farmers everywhere are talking about the Avery Jack Rabbit Cultivator. "So free and easy in its operation," says one. "Its perfect balance is a remarkable improvement," says another. "Fits all our row crops as does no other," says a third.

It is because of the enthusiastic approval of farmers that the Avery Jack Rabbit is always out in front—a leader wherever shown or used. Its three outstanding features are:

- (1) Perfect balance in all positions—whether gangs are raised or lowered.
- (2) Runs free and easy—no sluggishness or stubbornness to mar its fine performance.
- (3) Equipped for cultivating all row crops over 24 inches—is out and going at all times and under all conditions.

Investigate the Avery Jack Rabbit Cultivator. Test it for all the above advantages. You'll be convinced that it handles easier and does better work in more kinds of crops. Also that it is carefully constructed of the best materials, insuring years of trouble-free service.

Back of the outstanding superiority of this cultivator is a century of implement building experience and the world's finest implement factory. Call at our store any day. Let us give you a complete demonstration and full details.

There is a full line of famous Avery walking, riding and tractor plows, tillage implements and Champion harvesting and haying machines

City Conservatory Gives Unique Program.

A most enjoyable and unique musical programme was given at the East Ward school auditorium Thursday night, February 10. The pupils of Mrs. Ohmer Kirk, Miss Virginia Price and Mrs. Lloyd Fagan were presented in an unusual recital. The platform was arranged to represent a broadcasting station and through the courtesy of Baker-Campbell Company a radio apparatus was used making the effect of broadcasting very realistic. Station W. B. A. P. at Fort Worth was the station represented and Roy Baker announced each number as though he was experienced in the profession. It was reported that several in the audience went home to see if they could tune in on the program with their own radios.

The program was given as follows: "Second Valse by Godard"—Miss Ina Sims.

"Charge of the Uhlans" by Bohm—Ruth Enoch; A group of Original Readings: (1) "The Dearest Valentine" (2) "Eyes of Blue"—Gertrude F. Scoggins; "Little Fairy Queen" by Spaulding—Florence Dorrell; "Airy Fairies" by Spaulding—Maxine Fry; Violin Duet, "Flower Song" by Large—Mrs. C. M. Wilson and Mrs. Lloyd Fagan; "The Merry Makers" piano trio by Adair—Ula Mae Gullion, Willie Mae Cummings and Eva L. Fyffe; "By the Fairy Spring"—Mrs. Henry Edwards; "The Valley of Laughter" vocal solo by Sanderson—Mrs. J. A. Enoch; "Barchetta and Narcissus" by Nevin—Selma Louise Linder; "The Rosary" by Nevin—Mildred Strickland; (1) "To the Vanishing Race" by Cadman, (2) "By the Waters of Minnetonka" by Lowrance—Lois Sitton; "The Brownies Frolic" by Harker—Genell Stovall; "The Old Home Town" original poem—Gertrude F. Scoggins; Violin solo, "Souvenir" by Drala—Mrs. Lloyd Fagan; "Moonlight Revels" by Andre—Victorine Fitch; Duet, "Die Loreley"—Jean Bain and Vivian Stegall. The next program given by the City Conservatory of music will be a Musical Pageant.

Phebe K. Warner Visits Cafeterias.

During her visit of several days in the city last week Mrs. Phebe K. Warner visited the cafeterias at East Ward and Andrews Ward Schools. On Thursday she visited the Andrews Ward Cafeteria, accompanied by R. E. Fry, president of the Chamber of Commerce, Ed Bishop, secretary of the Chamber of Commerce and Mrs. Lon M. Davis and Mrs. W. C. Grigsby, members of the Andrews Ward P. T. A. Tuesday, which is the day luncheon is served to those other than school children, Mrs. Warner visited at the East Ward School, and was a guest at lunch. Mrs. Warner expressed herself as believing that the cafeteria is a very important and necessary part in the schools. Mrs. Warner is a prominent club woman and organizer. She organized the first County Federation of Women's Clubs, in the world, at Claude, her home town, in Armstrong County.

Buffet Dinner Honoring Dr. Lon V. Smith.

Mrs. Lon V. Smith entertained for her husband with a buffet dinner at her home Friday evening. The occasion was for the partaking of a wild fowl which at certain seasons of the year is seen in the vicinity of Floydada but whose cognomen at present no one can recall. Most of those present participated in the capturing of this wild creature. After the guests had been served they found their places at individual tables marked by place cards. The following friends of Dr. Lon enjoyed the occasion: O. P. Rutledge, Glad Snodgrass, Ed Brown, Homer Steen, Rev. W. E. Hill, Rev. Ben Hardy, Dr. I. W. Hicks, W. A. Baker, S. L. Rushing, Lon Davis, Frank Stovall, W. C. Grigsby, L. C. McDonald, Rev. H. E. Smith, Dr. Lon's father and Geo. V. Smith.

Providence Notes

Providence, February 14th.—H. Linderman of Whitefield attended the meeting at the Lutheran Church here last Sunday.

Mr. and Mrs. Ira Smith, of Plainview, spent a few days with his parents the first of the week.

Quite a crowd attended the ball game here at Providence last Sunday. Plainview's basketball team came over last Sunday and played our boys and went back defeated.

Tuesday was a very disagreeable day in our midst.

The Texas Wheat Growers' Association, of Amarillo, with Judge Gough and several other speakers held a meeting here Tuesday night to try to organize an association among the farmers in our community. It would be a great help to the farmers to have their own organization. They could hold their products for a higher price than is offered on the market. The farmers should have their organizations the same as the merchants and other business people.

BORN—to Mr. and Mrs. Wm. Sammons a girl, February 10th. Mother and daughter are doing fine, but poor Billie we are afraid that we are going to have to give him another hypo if his pulse doesn't beat better soon.

Owing to the cold and disagreeable weather, only a small crowd gathered at the school house to hear the Amarillo men speak on the Wheat Growers Association.

PROVIDENCE CLUB

The Providence Club met at their club room on February 8. Miss Bass was with us and there were 13 members present and one visitor, mother of Miss Bass, and we were all glad to have her with us.

Our demonstration lesson was on gardening and we had some nice talks on the subject. Miss Bass gave us some more instruction on our rugs, we are making for the contest.

Our president, Mrs. McLaughlin, was called on to give an account of their trip to the big annual banquet of the Floydada Chamber of Commerce held in Floydada on February 3. They gave a very interesting talk on what they had seen and enjoyed at the banquet. Over 300 guests were present and a very entertaining program given which was made up of Floyd County farmers and club women. Miss Bass gave a fine report of the club work in the last year. Miss Opal Wood, Demonstration Agent of Hale County, expressed her delight of the work done in Floyd County during the past year.

A nice dinner was served, superintended by Miss Bass and her club women. All the products served on the menu were raised in Floyd County except the coffee.

Several able speeches were given by the club women and several good speeches by guests from Lubbock, Matador, Amarillo, Plainview and other neighboring towns. Dr. Sandefer, president of Simmons University, was the principal speaker of the evening.

IRICK 4H CLUB

The 4H club girls of Irick met with Miss Blanche Bass on Friday, February 11. It was our second meeting. There were fourteen members present, all with their work boxes.

After the business meeting, Miss Bass took charge. She gave us a long talk that we enjoyed very much. We took our first sewing lesson under her instructions. The next time we meet we are going to cut out our aprons and caps.

HARMONY DEMONSTRATION CLUB

The Harmony Home Demonstration Club met with Mrs. Will Finkner, Wednesday afternoon, February 2. Nine members and one visitor were present. Miss Bass met with us and gave a very interesting report of the 1926 Garden Contest.

Our next club meeting will be held February 16 with Mrs. Robert Gary as hostess. It was voted to make this an all-day meeting so we could finish work on the rugs.

The subject of our next meeting is "Thrift." Roll call is to be answered with "One Thrift Habit;"

Leader Mrs. Stella Heard; "Gardens As a Means of Economy," Mrs. Trowbridge; "Use of Left-Overs," Mrs. L. E. Williams; "Bargains, Sales," Mrs. Erx Williams; "Economy in Clothes," Mrs. Nixon; and "Keeping Household Accounts," Mrs. D. T. Scott.

J. G. Martin returned last Saturday from New York and other eastern markets where he did the spring buying for the Martin Dry Goods Co.

Cut Planting Costs This Spring

Your listing and planting costs this spring will be just about half what they were when you used one-row listers if you do your listing two rows at a time with the

John Deere No. 667

By letting this two-row do the work of two one-row listers, you'll save the cost of one man and two horses. You'll get the accurate planting and good work for which John Deere listers are noted. Accurate planting because of the famous "999" drop for corn and the John Deere saw-tooth type picker wheel for cotton. Good work because of genuine John Deere bottoms that scour and wear well. Seed plates can be furnished for great variety of seeds. Either horses or tractor can be used with the "667". Row-spacing is quickly adjusted from 36 to 38, 40 or 42 inches. All adjustments easily made from seat. Depth of covering and depth of listing controlled by levers. Put this money-saving John Deere Lister to work on your farm this spring.

We want you to see this lister at our store next time you come to town.

High School "Boys Band" For Floydada

A LITTLE HEART-TO-HEART TALK WITH YOU ON MUSIC

Music is the only great Universal Language, because it needs no interpreter in any country in the wide world. The more you master this language, the more you will be understood and appreciated. By the means of this great Art, you can express yourself when mere words fail. The study of music is really worth while for boys

It is worth while because it keeps the young mind, while in its formative stage, on the very best things in life. That mental habit once formed, makes a clean-thinking and consequently clean-living man—loved and admired by all with whom he may come in contact in after life.

This is the goal toward which we must all strive to attain, and the study of music is the greatest known means toward this end. To be able to play a Band Instrument creditably is a great accomplishment—a source of great pleasure to your family and friends, as well as a very great satisfaction to yourself.

A HIGH SCHOOL BOYS BAND for Floydada is now being organized, members taken from age 12 and upward. If interested fill out the coupon below and mail.

Twelve Years OF DEPENDABILITY

It was Dodge Brothers distinction, twelve years ago, to create a more dependable car in its price class than previously had been known.

This enviable leadership Dodge Brothers have rigidly maintained.

Wherever difficult conditions try the souls of men and the stamina of motor cars, you will find Dodge Brothers product foremost in favor.

You will find also that six, eight and even ten years of service are not exceptional for the car; that frequently it delivers mileage running well into six figures; and that maintenance cost is remarkably low throughout its long and useful life.

These facts powerfully witness Dodge Brothers success in constantly bettering a product that was exceptional even at the start.

WITH THE CHURCHES

METHODIST CHURCH

Our services were good and fairly well attended last Sunday. Our Layman's service Sunday evening was exceptionally good. The High School orchestra played some choice selections for us which all enjoyed.

The talks were to the point, all were brief and interesting. We had several laymen from Hale Center. One of whom, Bro. Gault, made a splendid talk on "Our District Objectives."

Come out and help to make our already splendid Sunday School still better next Sunday.

Ben Hardy.

FIRST CHRISTIAN CHURCH

The following subjects will be discussed at the First Christian church, by the pastor, each Sunday night:

- Feb. 13—"What is the Matter with our youth today?"
- Feb. 20—"What is the matter with our parents today?"
- Feb. 27—"What is the Matter With our Homes Today?"
- March 6—"What is the Matter with Our City?"
- March 13—"What is the Matter With Our Education?"
- March 27—"What is the Matter With Our Preachers?"

The last subject was added by request of one of the brethren. These are live subjects dealing with practical things. These subjects will be discussed in the light of the Bible and Bible ideals and in a constructive way and not in a destructive way. Anyone can find fault, but not everyone can give the remedy that applies to the fault. This we will endeavor to do in each case.

You will enjoy each sermon and are invited to hear them. If you come and get sleepy you can sleep until services close and we will wake you up in time to go home, but you must not snore or we will wake you up at once.

Frank LeRoy Davis, Minister.

CHURCH OF CHRIST

Elder E. B. Mullins will preach at the Church of Christ on South Wall Street Sunday morning at 11:00 o'clock. Everybody invited.

FIRST CHRISTIAN CHURCH

Frank LeRoy Davis, D. O. Pastor

We had a fine day last Lord's day and the interest in the services throughout was helpful. The question we are to be ready to answer next Lord's day at Sunday School is "What is a Home?" Think about it and come and give your answer.

The Endeavor was fine, they had two new members to join and two during the week. The Endeavorers are doing fine work. The night preaching service was good, although not so many in attendance as we had hoped. Those present enjoyed the message on "What is the matter with our youth today?" Many said the preacher was right on

the subject. Be sure to hear the rest of the series.

The teachers' Training class will start this week, but you can join next week, if you cannot come this week. Anyone who wants to take the work is invited to join the class whether you are a member of this church or not. Come on, let's go.

Services next Lord's day will be as follows: Sunday school at 10:00 o'clock with Supt. Lon M. Davis in charge. A class for all with a good teacher for each class. Preaching service immediately following. The subject will be "The Prison Doors Open." Endeavor will meet at 6:30 and preaching at 7:30. The subject will be, "What is the Matter with the Parents Today?" Come.

Weather and roads permitting we will go to Newland in the afternoon at 3:00 o'clock. Those near, come.

CHURCH OF CHRIST

Everyone was delighted with the splendid audience present last Lord's day at the City Park Church. There was also a nice congregation at night. The interest in the 10:00 o'clock Bible study is growing. Some of the classes are already getting too large and it looks like now that we will soon have to arrange another class.

Our prayer meetings on Wednesday nights continue with interest. The weather was very bad last week yet we had eighteen present for prayer service.

Bro. Alexander will have charge of the service at the hour of worship next Lord's day.

Ira L. Sanders, Minister.

BAPTIST CHURCH SERVICES

Warren Robt. Hill, Th. M., Pastor

The Sunday School, for Bible-study, with J. C. Gilliam the Supt., and Ruth Brown Hall the Secretary, meets at ten o'clock. Classes for each age.

Morning preaching service begins, as the second part of a Unified Service, at eleven o'clock and ends at twelve o'clock. The sermon will be "brief, bright and brotherly."

Intermediate B. Y. P. U. meets at three o'clock. Mrs. E. Ray Smith is Sponsor.

Junior B. Y. P. U. meets at 4:30 Miss Lula Belcher is Sponsor.

Senior B. Y. P. U. meets at 6:15. Ted Borum is president.

Evening preaching service begins at 7:15 sharp!

We try as do others to make our services worshipful and helpful. Mr. Elmer Wood is chorister and Miss Virginia Price is pianist. E. P. Nelson is the treasurer. Mrs. Lillie Linder is president of the Woman's Missionary Society. J. G. Wood is clerk of the church.

FLOYDADA CIRCUIT EAST

A. D. Moore, Pastor

Fairview, Sunday, February 20th: Sunday School at 10:00 a. m. Preaching at 11:00 a. m. by pastor. Come one, come all, you are welcome.

At our last appointment at Fairview we had Bro. Nance, our Conference Sunday School Superintendent, with us, and we enjoyed his message very much. He talked on the subject of "Program Work in our Sunday School." We are looking forward to the time when we can put over that program in our school.

METHODIST CHURCH

Junior League

The Junior League of the Methodist church meets Sunday afternoon at 3:00 o'clock. Dorothy Brown will be leader.

F. H. S. Cagers To Enter District Meet Friday

Defeat Lakeview For County Title—Whirlwinds Have Good Prospects For District Title at Lubbock.

By defeating the Lakeview basketball team, champions of Class B schools of this county, in the county basketball meet held at Lockney last Saturday, the Floydada Hi cagers gained the county title and the right to enter the district meet at Lubbock next Friday and Saturday, in competition with some twenty teams representing every county in District Two.

Coach Ike Jay expresses belief that his team will make a good showing at the district meet this week, and will enter the bi-district tourney in Canyon. The Whirlwinds have had a steady onward march toward the district title, having lost only to the Plainview Bulldogs. Indications are that the Bulldogs and the Whirlwinds will battle in the Bi-district meet at Canyon to see who will represent Districts one and two at the State Basketball Meet to be held at College Station the first week in March.

To gain the Class A title, of Floyd County the F. H. S. boys easily defeated the Lockney Longhorns Saturday afternoon to the score of 17 to 0. The first string men of the Whirlwinds played during the first half of the game, Coach Jay substituting his full second string men in the third period and some of his third string men in the fourth quarter. Whirlwind passes were most invariably completed while those of the Longhorns were intercepted by the F. H. S. players many times. The ball remained in the hands of the Green and White during the greater part of the game.

The defensive play of the Whirlwinds Saturday against the Lockney quintet was most complete while the offensive play showed an improvement. The first string men for Floydada were: Edwards and Eubank, forwards; Swain, center; and Hanna and de Cordova, guards. The second string men were: Evers, Carter, Shaw, Porterfield. Eubank was high point man with 6 points and Edwards with 5 points.

The Lockney line-up consisted of: Cooper and Shelton, forwards; Boedeker, center; Cowart and Orman, guards.

Providence Rural Champs.
In the elimination of rural teams, Providence was victorious, defeating the Baker five 21 to 10. Although the out-door court had begun to dry, following the shower Saturday morning, the mud was a disadvantage for both teams. Three teams entered in the rural race, the Baker team defeating the smaller Fairview team, 23 to 6. This was the first game played on the muddy court and was greatly slowed up by the mud.

Two teams Class B schools, Prairie Chapel and Lakeview, were scheduled to meet for that title. However, several players on the Prairie Chapel team were sick and unable to play and they forfeited the title to Lakeview. Lakeview defeated the Providence five 10 to 18, semi-final game to see who would enter the final game with Floydada. This game was probably the fastest played at the meet.

In the final game, the Whirlwinds displayed the worst form of ball played this season. Neither offensive nor defensive plays measured up to their regular playing. The Lakeview boys played a cool, collective game, although they held the smaller end of the score throughout the game. Eubank suffered injuries during the second period of the game and Marshall was substituted until the last quarter. The first half of the game ended with the score standing 15 to 12 favoring the Whirlwinds. The final count was 32 to 16, favoring the champions. The Lakeview line-up was as follows: Bunch, Teague, Poore, Widner and Nelson. Floydada used her entire first string men throughout the game.

"The Whirlwind boys were off on all forms of playing in the final game, but if they play the form of ball that was displayed in the Lockney game, there is little doubt that they will enter the finals at the district meet." Superintendent Wester stated Saturday. "No doubt they will meet great competition at Lubbock Friday and Saturday, but if they play basketball as they should, they should be victorious" he said.

BIG DEMAND FOR FORD BATTERIES

There is a big demand now for Ford batteries, according to Barker Bros., local authorized Ford dealers.

"This demand comes as a result of the reduced price recently announced on the Ford batteries," he said, "and there is no reason now why every car owner should not have a good battery in his car."

"Incidentally, I might say that there also is quite a demand for these batteries from among radio users who find the Ford thirteen-plate battery excellently adapted to radio sets."

"The batteries are unusually long lived and with proper care to see that they always have an ample supply of water they should give long service."

RESOLUTION OF RESPECT ON THE DEATH OF T. J. FOSTER

Floydada Lodge No. 34, I. O. O. F., through a committee composed of J. R. Maddox, Sam Green and M. Mowray, last week adopted resolutions of respect to the memory of T. J. Foster, a member of the lodge, whose tragic death occurred two weeks ago. Following are the resolutions adopted:

Whereas, it has pleased the Almighty Father to remove from our midst, our beloved Brother, T. J. Foster, one we Love and appreciate, and one we will miss from our meetings.

Therefore be it resolved: that we as members of Floydada Lodge No. 34, I. O. O. F., extend to the bereaved Wife, Children and Relatives our sympathy in this sad hour, and may God bless each of you;

Be it further resolved that a copy of these resolutions be furnished the Family, a copy handed the Floyd County Hesperian for publication and a copy be spread on the minutes of this lodge.

Mmes. T. P. Collins, Homer Steen, Jack Henry, Robert Eubank, and Miss Ruth Collins returned home Sunday from Amarillo, where they visited friends and relatives Friday and Saturday.

Miss Grace Alexander and Miss Pearl West spent the week-end at Stamford.

BOOTHE'S QUALITY LOAF

AUCTION SALE

At Holmes Bros. Hilltop Farm, 8 miles west of Floydada, 1½ miles South Mickey (Sand Hill) beginning at 10 a. m.,

Tuesday, Feb. 22nd

36 head of Registered Durocs (including 15 bred sows, 13 fall gilts, 1 junior boar and 7 fall boar pigs); 6 Jersey Cows, 40 Ramboulette Ewes with baby lambs; 7 work mules and 10 horses and mares.

15 BRED SOWS (including 3 junior yearling sows, 1 senior gilt and 11 junior gilts). Most of these sows will farrow in March. These sows have been fed a balanced ration and are grown out big and healthy. They are real brood sows.

These boars should develop into real herd boars. 3 of these boars are full brothers to the boar "HILLTOP'S HERITAGE" that we placed at the head of the Tech College herd at Lubbock.

13 FALL GILTS full sisters to the above sows. These 5 months old gilts will make real brood sows later on.

We have the Registration Papers on all of these hogs. Within 24 hours after sale closes we will mail the Pedigrees to the Record Association to have them transferred to the new owners. This is no quit business sale of scrub stock. We are selling foundation breeding stock that can be depended upon. The men who bought hogs in our last sale will know this is a fact.

ONE 11 MONTHS OLD JUNIOR BOAR, a real one.

7 FALL BOARS about 5 months old.

HERE ARE A FEW FACTS ABOUT THE HOGS IN THIS SALE:

Our aged herd sow "PRINCESS PATHFINDER 2nd." is either the dam or granddam of every hog in this sale. She is 7 years old and has farrowed 95 pigs in 10 litters. She is still a fine looking sow and is due to farrow again in March. This sow needs no introduction in this country.

Our herd boar "GREAT HERITAGE" is either the sire or grandsire of every hog in this sale. He is 3½ years old and weighs 810 lbs. He has showed Grand Champion Boar at Amarillo the past two years. We believe this is the best sire in North or West Texas.

Our young herd boar "SENSATION BOY" that was recently purchased from Lillard Stock Farm at Arlington, Texas, was the second best Junior Boar Pig at Amarillo last year. He was defeated only by his litter mate. Every sow in this sale is bred to this young boar.

JERSEY COWS

One brown Jersey cow, coming 3 years old giving two gallons of milk now and will be fresh in September.

One fawn colored cow coming 3, fresh in September.

One Jersey cow, 7 years old, giving three gallons of milk now and will be fresh in August. A good one.

One 2 year old Jersey Heifer with calf by side.

One Jersey cow 6 years old, giving two gallons now.

One fawn colored Jersey cow, 7 years old giving 1½ gallons of milk.

SHEEP

40 head of Ramboulette ewes with baby lambs.

HORSES

One span of bay mares coming 8 and 9 years old, weight 2350 lbs.

One blue-roan mare, 4 years old, in fold by good jack, a real one, weight 1300 lbs.

One roan horse coming 7 yrs old, a guaranteed true puller, a real one, wt. 1600.

One good mare, 10 years old.

One School pony, gentle.

Two smooth mouth horses, good size.

MULES

One span horse mules, 8 years old, weight 3000. This is a real span of mules, very gentle and big enough to do any kind of work.

One team mare mules, 5 and 10 years old, good size.

One horse mule, 9 years old, 16½ hands, a good one.

One yearling past mule.

One good mule colt.

FREE LUNCH ON THE GROUND AT NOON

Year's Program Adopted At Luncheon Club Dinner

Constructive Objectives of Club Reported Out of Committee And Adopted Monday.

Outlining for itself a big program for the fiscal year, Floydada Luncheon Club in its regular semi-monthly meeting Monday adopted nine projects as its chief objectives for the period, and named a committee head under each project.

This program was adopted following a report of a committee named for the purpose of outlining definite activities for the club, composed of Geo. A. Linder, J. E. Dickey and Ed Bishop. The program will be carried forward, according to plan, under nine heads: Community meetings; Boy Scout work; Municipal band, paving of the square, numbering streets and residences, Clean Up Week, Beautiful Homes contest, Open forum, Boys' Week.

Making his report Geo. A. Linder of the committee pointed out that each activity suggested had great possibilities and would require much work and outside aid, but that the club could sponsor each of the efforts with credit to itself and help to the community.

Rev. W. R. Hill, pastor of the Baptist Church, was a guest of the club and made a brief talk, acknowledging an introduction by president A. J. Folley. J. V. Daniel was accepted as a member of the club, and said he was willing to be put to work.

A change in the dates for meetings was made, setting every other Monday as a meeting day instead of the second and fourth Mondays.

Following are the committees named, together with chairmen and their committee men:

Community Meetings: C. R. Houston, G. C. Tubbs, J. E. Dickey, Boy Scout; F. L. Davis, R. A. Sone, W. R. Hill, Municipal Band; J. C. Wester, Roy Baker, C. M. Wilson. Paving of Square: T. S. Stevenson, C. W. Boothe, E. C. Nelson. Naming and Numbering of streets and residences: Glad Snodgrass, C. H. Davis, J. G. Wood. Clean-Up Week: J. C. Gilliam, Joubert Clements, J. G. Wood. Beautiful Homes Contest: Homer Steen, M. M. Davis, R. E. Fry. Open Forum: Linder, A. J. Folley, O. P. Rutledge. Week: Ben Hardy, S. N. Tawwater Boothe.

GORILLA HUNT SHOWING OLYMPIC THEATRE TONIGHT

"The Gorilla Hunt," Ben Burbridge's excellent picture of the Belgian Congo, and the mighty Gorillas that dwell in its remotest parts, was shown last night at the Olympic Theatre, where it thrilled and delighted a large audience. The action opens in the river port at the mouth of the Congo, and the first thousand miles of the journey are made on a small steamer between banks lined with the primeval forests.

The picture is one long procession of thrills, the highlight being when a huge hairy monster, a man-like ape, six feet tall, weighing four hundred and fifty pounds, beating his breast and champing his hideous yellow fangs, charges the camera.

The picture will be shown again tonight.

BAND MAKING GOOD PROGRESS UNDER NEW BANDMASTER HERE

Bandmaster A. L. Lundgren is well pleased with the interest being taken in the organization of a band in this city. He stated this week that if the business men of Floydada and the musicians, or those boys desiring to learn musical instruments, will keep up their interest in the band, Floydada will have one of the best boys organizations of this kind in West Texas.

At the band practice held in the county court room of the court house last Tuesday evening, some twenty boys were present with instruments. Several boys planning to buy horns and learn music under the bandmaster were also present at the meeting. Mr. Lundgren especially urges these boys to be present at the meetings.

Their next meeting will be held tonight at the county court room at 7:45 p. m. Visitors are invited to attend and give all the encouragement to this organization possible.

A. P. BARKER IS NAMED LIGHT TESTER AT LOCKNEY

A. P. Barker, of Lockney, was named as an official light tester for Floyd County by the Commissioners' Court in their Monday session this week.

Mr. Barker's commission as a tester was issued immediately after his appointment. Harvey Pennington, formerly official tester at Lockney, has moved away and Mr. Barker's appointment will help to serve the convenience of autoists applying for highway license.

Public School News

School Fair Will Be Held Here

The Floyd County school fair will be held in Floydada April 8 and 9 if weather conditions are favorable. At the directors meeting held in Lockney Saturday it was decided to omit the girls track events both junior and senior because of the already crowded athletic day. Playground baseball has been put in for junior girls and junior boys. The senior girls will play volleyball as before. The stock judging contest has been temporarily dropped on account of the fact that there is no county agent and hence very little interest in this event.

The oral spelling contest among rural schools sponsored by L. G. Mathews will be held at the Floydada High school auditorium on Thursday night, April 7. We are expecting more schools than ever to enter this event, as the \$25 library is quite an asset to any library, and we wish the town schools had an opportunity to enter the competition.

Vaccination Compulsory.

Due to the fact that there are four cases of smallpox among the students of the city schools the school board met in a called session Monday night and after being advised of the situation locally by the health officers, decided it wise to require all pupils and teachers to be vaccinated, in order to prevent an epidemic in the schools. All pupils will be required to have this done this week unless they have had the smallpox or have been vaccinated, and in either case the students are required to bring a statement from their family physician.

Girl Debators Selected

The elimination contest in girls debators was held last Thursday afternoon. There were three speakers trying out for the team. Kate Stiles, Ollie Belle Collins, and Kathryn Swift. Ollie Belle and Kathryn were selected by the judges to represent the school in the county meet. The competition was keen even though there were only three in the contest, and we feel sure that these girls will bring home the honors.

High School Orchestra to Play in Chapel

The orchestra will play in chapel Monday morning for the first time. They have been organized only a short time but have done well and we feel sure that their debut will be successful. The folks from town are invited to come up and hear them. The girls and boys debate teams will also clash at that time. The girls having accepted a challenge from the boys to meet them.

Basketball Team Wins County Championship.

The Floydada high school team again won County Championship in basketball last Saturday in an all day tournament at Lockney. They met Lockney in the preliminaries and defeated the mby the score of 17 to 0. They then met Lakeview in the finals and were victorious by a score of 32-16. This was the closest game of the day. The local boys didn't get a safe lead until the last quarter. Coach Jay was unable to use his second team against them as he did in the contest with Lockney.

Baseball Practice to Start Next Week.

The high school boys will trot out next week to begin limbering up for the coming baseball season. The lads will be suited out in new uniforms and are very enthusiastic about the prospects for the year. There are many new prospective players on the lineup and we expect them to make it hard for the regulars of last year to get a place on the team.

MISS BELVA SOLOMON OFFERS FOR CITY SECRETARY'S OFFICE

Miss Belva Solomon, for the past four years with the Floydada Insurance Agency as office assistant, this week announces her candidacy for the office of City Secretary at the election to be held on April 5.

Miss Solomon has been a resident of the county for nine years. She has had extensive experience in working with the public, her work in this line including five successive years as a teacher at Sunset School, as a saleslady and with the local insurance agency.

"If the voters of Floydada should elect me as their secretary for the next two years, it would be my ambition to make them an excellent secretary, and I would certainly fill the office to the best of my ability," Miss Solomon said. "And any support given my candidacy will be greatly appreciated."

Miss Solomon's experience and ability is such that she should fill the office to the entire satisfaction of the taxpayers, if she is named to this important office in the city.

Mrs. Paul F. Taylor, of Newton Iowa, who has been here visiting her parents, Mr. and Mrs. V. F. Hodge, left Tuesday for her home.

SANITARIUM NOTES

Floyd Dunavant, city, underwent an appendix operation at the Smith and Smith Hospital last Wednesday.

Tom Fortenberry was in the sanitarium from last Thursday until Sunday receiving treatment for serious burns around the face and head. He was burned at his home near Lockney when he and his two brothers, Hugh and John, were scalding hogs. One of the boys threw a gallon can of kerosene on the fire causing the flames to leap into the face of the injured man.

E. S. Killpatrick, of McCoy, was dismissed from the hospital on February 10.

Mrs. E. S. Bryant, of Flomot, returned to her home last Saturday.

Mrs. Frank McSpadden, city, underwent a minor operation last Saturday.
