Turkey Day Quail Hunts A Success

A party of ten Floydadans went quail hunting Thanksgiving Day near Dripping Springs and report very good About thirty-five birds were killed, a big quail dinner was spread and members of the party returned home with some of the kill.

Those in the party were Mr. and Mrs. Elmer Woods, Mr. and Mrs. Gene Collins, Mr. and Mrs. Boone Hall, Misses Vera Fry and Mildred Kiser, Lawrence Lewis and Maurice Burke. J. W. Clonts and J. A. Arwine also went quail hunting but in the Roaring Springs community Thanksgiving Day and report they've nothing to thank the quail tribe for. Leaving the city bright and early, with lots of ambition and ammunition they returned home rather late-with drooping spirits and still a good deal of ammunition. For quails they saw not. E pluribus unum! Out of many they saw and killed one!

Mr. and Mrs. Earl Newell, who returned in September from California, and are making their home in Tulia, were here the latter part of last week visiting Mr. Newell's mother, Mrs. L. H. Newell, and other relatives.

> Floydada Whirlwinds closed the season's football games by holding the heavier, much older Wayland College Jackrabbits to a 13-6 score at the city ball park Thanksgiving Day before a fair sized crowd of enthusiastic spec-

The Whirlwinds played a good game with the odds greatly against them, and came dangerously near scoring two additional touchdowns-one after a 20one of the Poultry Show authorities yard gain by Bosley across the goal why a black hen lays a white egg. Bet it's the same thing that makes a wild and on another occasion when the ball yard line; but here the Jackrabbits strengthened and pushed the locals ger zone. Wayland also neared a bales on 30 acres of ground. touchdown in the first quarter after though the Green and White warriors fought desperately and held the Jack-

> rabbits for downs. Wayland's first touchdown came shortly after the opening of the second quarter, with the pig-skin near the 15 yard line, when repeated line bucks and short end run placed them two feet from the goal line. On the next play the touchdown was made, and the attempt to kick goal failed. Their other touchdown came in the fourth quarter on a 20 yard pass. Extra point was

added with a goal kick. Floydada's touchdown was made in the early part of the last period, after Marshall had recovered a Wayland fumble on the 35 yard line. Summerville then made 20 yards on a criss-cross play, Bosley three yards on an end run, and Captain Green the remaining distance after Bosley, on a play that foiled the Jackrabbits, tossed the ball to

him. The effort to kick goal failed. Statistics of the game show that Floydada made six first downs against nine for Wayland, that four penalties totalling 20 yards were called on the locals, while eight for 45 yards were assessed against the Jackrabbits, that seven good and a like number of inomplete passes were made by the Whirlwinds, one intercepted while Wayland completed two passes and had three intercepted, and that the locals fumbled twice and Wayland once.

Individuals doing good work for Floydada included Bosley, Summerville, Green, Jones, and Swain, as well as Lewis, Stiles, Marshall, White, Scott, Edwards, Borum.

Kelley of Plainview referred, Bill Colville umpired, and Jim Colville was head linesman at the game.

Concrete Vernon Streets TEXAS

Mayor Harry Mason of Vernon, Texas, would like to have you come to his town and inspect its concrete streets. He says: "We believe we have the very best."

And Vernon has reason to be proud of its streets. Main Street was concrete paved in 1913. Twelve years have fully demonstrated the economy and durability of concrete. The maintenance cost has been negligible. Any taxpayer in Vernon will tell you that this pavement has paid handsome dividends in satisfaction and

Concrete pavement meets the challenge of twentieth century traffic. It is a safe pavement because it is skid-proof. And it is cheapest in the long run because it costs least to maintain.

If you keep these facts in mind, you will make certain that your streets are paved with portland cement concrete.

Our free booklet R-4 gives many interesting facts about concrete streets. Would you like a copy?

MRS. W. M. KNIGHT TELLS OF CLUB VALUE TO COMMUNITY

Several times I have tried to estimate just what our Club work has meant to our community and our homes. But in thinking about it I find that there are so many ways we have Harmony Club-Mrs. W. C. Hanna been benefitted that it is impossible to put a money value on what we have learned.

Perhaps the thing that is appreciated most by our community as a whole is Mrs. T. E. Assiter, and Mrs. W. F. Fer- the repair and putting down of new walks on the school grounds. Right Allmon Club-Miss Fannie Harris here, we must give the men and boys some praise, for they became interested in our project and not only did the work of putting down the walks but donated shade trees and put them out, We feel indeed proud of our women making our school grounds more at-

Through our club work we have developed ideas of true economy and it has encouraged home industries, such as gardening, poultry raising and dairying, thereby increasing food production for home use.

I shall give a partial record of our work through the Club from the first of the year to Septmber 26, with the money value the products would bring on the market. It is as follows:

Soap, 147 pounds, value \$14.70. Hats and other sewing, value \$400. Meats canned, value \$150.

Vegetables, 1,693 quarts, value \$295. Pickles, 287 quarts, value \$143.50. Fruits, jellies and preserves, 1,050 quarts, value \$666.20.

Distant Business Houses Are Not Interested in the Community Needs of Floydada

The distant business man has his own business problems and his own community needs to think about. He is busy building his own city. Money you spend with him helps build his city. The money you spend in Floydada adds to the volume of the business in Floydada and is returned in part into trade channels here. See the home man first.

H.E. Cannaday Has Big Contracting Business on South Plains

H. E. Cannaday, of Floydada, has built good buildings all over a half-dozen counties in the South Plains, having to his credit as many brick structures as any contractor of this section. That his work is good is evidenced by the fact that where he has done the most work, he is called back to do other work, often, especially in the case of structures for store buildings, without the formality of bidding.

Beginning in a small way in East Texas, Mr. Cannaday moved to Floyd County 15 years ago or more and has gradually built up one of the best contracting businesses in this section.

One of the Numerous Contracts Completed by Cannaday & Stark During the Present Year

-Photo by Wilson.

In the past year, associated with W. O. Stark, of Lockney, who supervises much of the work the two handle, he has constructed seven school buildings in Floyd and adjoining counties, besides a number of business structures. Of these last, the most imposing is the McLaughlin Building at Ralls, at a cost of \$85,000, which now houses the Ralls Inn, one of the largest garages in West Texas and several retail business houses.

Besides his contracting business Mr. Cannaday is largely interested in farming and business in Floydada. He is a director in The First National Bank, of this city, is a large stockholder in the Floyd County Lumber Company and with his brother, W. I. Cannaday, has extensive farming lands east and southeast of this city.

SALADS

A dinner is incomplete without a salad, and properly made salads are conductive to good health and good cheer. A mayonnaise or salad dressing is the basis of nearly all salads, and the good housekeeper will always keep a quanti of good dressing on hand. Nearly all fruits and vegetables are nice when served with salad dresing, and when combining them, the quantity of each is not a matter of great importance. It is not necessary to follow directions closely as to quantities. Use such amount of each ingredient as you have convenient, mix, cover with a good dressing, garnish nicely and you will have a good salad.

A nicely garnished salad is one of most attractive and wholesome dishes on the table, and is very essential to our daily menus.
