

# THE FLOYD COUNTY HESPERIAN

VOLUME 34

FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, AUGUST 18, 1927.

NUMBER 25

## C. OF C. MEETS FOR DISCUSSION OF FAIR

First Meeting of Organization Recently Will Be Held Tuesday Evening.

Every department of the Floyd County Fair will come in for a part of the discussion at the regular meeting of the Floydada Chamber of Commerce which will be held at the County Court room Tuesday evening, August 23. This will be the first meeting of the organization for some time and it is hoped that a large attendance will be present.

As the time approaches for the annual County Fair, the officials are anxious to secure the co-operation of every one interested in the event, and the meeting will be held for the purpose of offering suggestions for the betterment of the fair. The increased interest among the rural communities is very gratifying as preparations are being made for more and better exhibits of every kind. Already four communities have signed for exhibit space in the agricultural department and indications are that there will be as many as fifteen home demonstration exhibits.

The directors of each department will be asked to lead the discussion on their work and an interesting program is being planned.

## A. V. & L. Rail Hearing At Ft. Worth Sept. 6

265-Mile Line From Ardmore, Okla., To Crosbyton Protested by Q. A. & P. Railway Company.

Hearing on the proposal to construct a 265-mile line of railway from Ardmore, Okla., by way of Vernon through virgin territory in King, Cottle, Foard and Knox Counties, westward to Crosbyton, to be known as the Ardmore, Vernon and Lubbock Railway Company, will be held in Fort Worth on September 6 a Washington dispatch states.

Director Mahaffie of the Bureau of Finance of the Interstate Commerce Commission will conduct the hearing on the application for the construction of the line, the Quannah, Acme & Pacific Railway Company, which made a three-year fight for a permit to construct its twenty-seven mile extension from MacBain to Floydada now under construction, today being the only railway company to file a protest against the new line which would penetrate the plains some twenty-five miles south of Floydada, and which according to the petitioners would open a big scope of virgin territory rich in gypsum and other mineral deposits now inaccessible.

L. K. Johnson, of Vernon, is president of the applicant line. Attorney General Pollard, Attorney General of the state of Texas, has announced that he will intervene in the name of the state and appear in person in support of the application of the Ardmore, Vernon and Lubbock line.

## New Hatchery Opens For Season's Run Saturday

Located in the rear of the Duncan building on the southeast side of the square, the Floydada Hatchery will begin operations Saturday and an invitation has been extended the general public to attend the formal opening and see the plant in operation on its first run of the season.

B. L. Blacklock of this city and Edwin Heald formerly of Munday are owners of the hatchery. Mr. Heald will have active charge of the plant. Modern equipment for the plant has been received and installation is being completed this week.

## 12,000 To 15,000 Bales Estimate County's Crop

Floyd County's cotton crop this year will run between 12,000 and 15,000 bales is the estimate of J. Frank Triplett, field service man of the Texas Farm Bureau Cotton Association for Hale and Floyd Counties, who was in Floydada Saturday morning enroute to his home at Hale Center from a trip into Motley County.

"The Floyd County crop and the Hale County crop should run about the same this year," Mr. Triplett said. Although the acreage is much reduced from last year and insects have bothered the cotton more or less in various localities, Mr. Triplett believes the production will run at least to 12,000 bales. Cotton, though late, is doing well at this time, he said.

Motley County will be the big producer in this immediate territory on cotton this year, in Mr. Triplett's belief. "I never saw a more wonderful crop anywhere than is now growing in Motley County, especially in the south half of the county," Mr. Triplett declared. "The growers there have had a good shower or rain every time they needed it and as a result the condition of the cotton is ideal."

Mr. Triplett incidentally called attention to the fact that the town of Floydada needed a good road west very badly so that people of Sand Hill and west of that point could have the opportunity to trade here if they wanted to. A good road west would also give an outlet westward from this point for through travel that is not possible, he said.

## Carve Two Voting Boxes Out of One And Five

Lockney and Floydada Boxes Cut By Commissioners Account Big Increase In Voters.

Out of Floydada and Lockney Voting Precincts, officially numbered One and Five for many years, were carved two new voting precincts by the Commissioners' Court in their session last week, the new precinct out of Lockney to be known as No. 18 and the new one out of Floydada to be known as Number 19.

Acts On Petitions The court acted on petitions presented them by voters of the two precincts respectively, both petitions reciting the fact that the growth in the voting population in the past years had made the boxes so cumbersome as to be detrimental to the best handling of the vote in the precincts and asking that the boxes be halved in population as nearly as possible. Both boxes had nearly 1,000 votes each in elections where near total voting strength was polled, working a great hardship unnecessarily on judges and clerks assigned the duty of handling the elections.

In Floydada precinct No. One hereafter will be that area of the old precinct lying south of the line running due east and west on the alley between California and Missouri Streets to the boundary line of the precinct four and a half miles west of the city, where it joins the Sand Hill district; eastward the line runs through the east and west corridor of the court house following the alley between California and Missouri to Eleventh Street where it dips south to the intersection of the Matador Road, thence east two miles to the line of the Baker box. All residents of this line are now in Floydada Precinct No. 19. They will vote in the basement of the court house in the room used by the city as a City Hall. E. P. Nelson is named as presiding judge of Number 19, and his assistant judges are W. T. Rogers, Will Gaither and O. B. Olson. In Precinct One—the south half of the Old Precinct—J. R. Maddox is named as presiding judge and his assistants are Ohmer Kirk, Carr Surginer and W. Ed Brown. The voting place for this precinct is designated as the county court room.

Divides Two Cities While at Floydada the voting population is cut into approximately north and south halves, at Lockney the precinct is cut into east and west halves. Precinct No. 5 hereafter will be the east side of the precinct and the West Side is given the new number 18. Beginning at the north boundary of the voting precinct, the dividing line between 5 and 18 is the Lockney-Silverton road, which goes due south five and a half miles, thence a west one-half mile to the north end of Main Street, down Main Street to the South Plains Elevator, thence west one-fourth mile to the Pleasant Valley road, which it follows for six and a half miles to the boundary line of the Sand Hill Precinct.

## COMMISSION MAKES AWARDS OF DAMAGES ON KREIS LANDS

The commission named by County Judge Wm. McGehee to determine and assess right-of-way damages for the Quannah, Acme & Pacific Railway Company's new line to Floydada, across two tracts of land belonging to members of the Kreis family, made their findings yesterday afternoon, following a hearing held at the county court room.

J. A. and S. F. Kreis, of Knoxville, Tenn., who are owners of the north half of Section 85 in Block 1, A. B. & M., seventeen miles east of Floydada, were awarded \$880 for the right-of-way one mile long across the tract, and A. M. Kreis, also a Tennessean, was awarded \$500 for right-of-way across the corner of the northeast quarter of Section 105 in the same block. Costs of the proceedings were also assessed against the railway company. The right-of-way is being furnished by a local committee of something over two hundred guarantors.

The commission was composed of J. C. Gaither, A. S. Cummings and E. W. Holmes. It was not known yesterday afternoon whether an appeal would be taken by either party. Kenneth Bain is the attorney for the owners of the land, the committee being represented by G. E. Hamilton and A. J. Folley, attorneys for the railway company.

## Postpone Band Concert Thursday For Revival

For the third time in as many weeks, the Floydada Municipal Band will postpone its public concert at the bandstand, according to Band Master A. L. Lundgren.

The weekly programs which have proven very popular this summer have been discontinued temporarily during the union revival meeting being held at the city tabernacle.

Regular practice, held at night, has also been postponed, Mr. Lundgren said.

## STUDIES NEW FORD

John Buchanan of Dallas and is in attendance there this week at a "Ford School" where plans and specifications of the 1928 model product of the Ford plant are being outlined and studied.

Mr. Buchanan is a member of the mechanical department of Barker Bros. garage, local Ford dealers, and will make purchases of parts and other equipment that will be used on the new models.

## Old Timers To Dedicate Rock House Memorial

Celebration of Fiftieth Year of Smith Rock House in Blanco to Be Held Sept. 19-20.

Old timers of this section of West Texas, resident in the panhandle for not less than twenty-five years, will celebrate the fiftieth anniversary of the building of the Rock House at Mt. Blanco on Blanco Canyon September 19 and 20, and during the celebration will dedicate with fitting ceremonies the Rock House Memorial Park in honor of the section's first pioneer settlers, Uncle and Aunt Hank Smith.

On the evening of the nineteenth the chuck wagon will be put in commission and serve barbecue, the old-time style being observed with those in attendance bringing their baskets to help make out the complete menu, like was done in the early days.

R. B. Smith, one of the sons of the pioneer settlers for whom the Memorial Park is to be named, is one of the old-timers who is aiding in the arrangements. Other old-timers are assisting by donating hoes or mutton. No general entertainment is being planned, the time, except for the formal dedication, being given over principally to reminiscences. The dedication program will be held on September 20.

## 'West Texas Must Find New Market For Maize'

—MARSHALL Urges Farmers To Gather Grain Crop After It Ripens But Before It Stains.

"East Texas is stealing our 'powder' when it comes to west and West Texas farmers might just as well begin to plan now to sell their maize crop at places other than East and Central Texas markets," states L. A. Marshall, local grain man who has just returned from a tour of central portions of the state and points in Oklahoma.

"Instead of using corn and maize for feed this year down-state, the farmers, at least a good majority of them, will use Higar and Darso, the latter being a newly developed grain created by dual growth of kafir corn and red top cane. The production is high, too, averaging from one to two tons per acre, just as they do in this country on the maize."

"We will have to go outside of the state this year to find a market for our maize and I believe the best place will be the poultry feed factories in Kansas. But if the farmers are to profit by this change they must strictly observe a rule in gathering the crop if they are to get top market prices for their grain. That one rule is: gather the maize after it ripens but before it stains. If the grain is allowed to remain on the stalk it will stain in a short time after it ripens and the feed factories make reductions," Mr. Marshall said in discussing the situation as he had reviewed it.

"Gather your maize at the right time this year," is Mr. Marshall's advice to farmers in this section.

## Lockney Sewer Bonds Vote Almost Unanimous

By an overwhelming majority, a bond election for the construction of a sewer plant in Lockney, carried last Tuesday in an election in that city. The vote on the issue, according to news received here today, was 205 for the issuance of the bonds and 3 against. The amount of the bonds for the construction of the plant was \$40,000, thus providing enough funds to install a modern plant and lay the sewer pipe over the entire city.

At the same time refunding bonds totalling \$15,000 were voted by a majority of 202 to 3 to refund old indebtedness of the city.

It has been stated by officials that plans have already been made for the construction of the sewer system and a contract will be let probably in the near future.

## MRS. PATTY ILL AT LUBBOCK

Mrs. W. E. Patty is in the West Texas Hospital at Lubbock, recovering from a minor operation which she recently underwent there. She will probably be able to be moved home Saturday or Sunday, it is reported.

Mrs. E. S. Brittain, of Beaumont, Mrs. Patty's mother arrived Saturday, August 13, to assist Mr. Patty in caring for the children during Mrs. Patty's illness.

## CURRY BUILDING HOME

D. T. Curry last week began the construction of a new six-room house in Block 105, lots 17 and 18 on South Main street. The residence is located just south of the Baptist church.

The home represents an investment of \$3,000. W. A. Gound has the building contract.

## PREACHES ON HISTORIC SAN GABRIEL NEAR GEORGETOWN

Rev. A. A. Collins reached home Wednesday of last week from Oak Grove on the San Gabriel River, near Georgetown, where he engaged for eleven days in preaching for a revival meeting at a site where meetings have been held annually since the year of 1852.

The site of the tabernacle where he preached was first the site of an arbor, erected by the early settlers, and the meeting is attended every year by not only by residents but by people from over the state.

## 'Homecoming Day' In Revival Meet Set For Sunday

Sunday has been designated as "Homecoming Day" for the union revival meeting at the City Tabernacle. Farmers and citizens have been invited to bring their families and their lunches and an old-fashioned all-day meeting "with dinner on the ground" is to be enjoyed, according to announcements.

Permission has been given for lunches to be spread on the park lawn and everyone is urged to come and take part in the big meeting.

A decision to hold the all-day services and have the luncheon spread at the noon hour was reached at a meeting of the ministers of the city churches following the close of the services Wednesday night.

"We want everybody in town and country to be there with us Sunday," said Dr. Wm. J. Lockhart, evangelist in charge of the revival.

## Students Of School Age January 1 May Enroll

Board Passes Ruling At Recent Meeting For Application In System In Floydada.

Student beginners will be admitted into the Floydada Public Schools this year if they are seven years of age by January 1, according to a recent decision reached by the school board, Superintendent W. E. Patty announced Tuesday.

All unders who have taken special training or have otherwise qualified to do second grade work will be admitted on trial, according to the plans adopted by the school board. A tuition charge of \$3 per month will be made for the "unders." All parents who are expecting to start unders this year should make an effort to enter them at the beginning of school, Superintendent Patty said.

Preliminary work is going forward for the opening of all Floydada schools on Monday, September 5. Investigations are now being made upon the advisability of using gas for heating purposes without too great an expenditure. Other schools using the gas will be studied before the school officials act on the matter.

New scenery was recently installed at the three school houses in the city and the auditoriums prepared for assembly meetings of pupils and patrons. No advertisements appear on the new curtains. At the high school a modern drop curtain with the scene of Shakespeare's home, "Statford On Avon" has been installed. Roll curtains with the scene "At Dawn" and "Bluebonnets" have been placed at the Andrews Ward and East Ward buildings, respectively. New sets of scenery have also been added.

The Kansas City Scenic Company had charge of the scenery installation.

## Croquet Tournament At Fair Again This Year

That the three days of the Floyd County Fair will have something of interest to everyone is evidenced by the completion of the plans this week to stage another croquet tournament. So successful was the 1926 tournament that those interested in this entertainment feature are anxious to repeat the performance and details for the prizes were arranged this week by the secretary.

For the winners in the doubles a prize of ten dollars is offered and five dollars as second prize. Entrants will be required to pay an entrance fee of fifty cents each. Those entering the singles contest will compete for a prize of five dollars for the best. The tournament will be held at the cotton yard and will be in charge of E. E. Johnson and J. F. Ruddick.

## Master Farmer Contest Judging Date On Aug 26

Friday, August 26, is the new date set for the final judging for the Master Farmer Contest, sponsored by the Progressive Farmer, according to an announcement made recently by officials and judges of the contest. The change from August 22 to 26 was made necessary in the schedule being worked out by the judges. John T. Egan, District County Demonstration Agent, Miss Myrtle Murray, District Home Demonstration Agent, and Paul Huey, representative of the Progressive Farmer, form the trio of judges and will visit the homes of Floyd County's Master Farmers, in person on this date.

R. B. Gary of the Harmony Community, and K. Sammann, of the Providence Community, are the two Floyd County entries in the contest. Fifteen "master farmers" will be selected in the statewide contest, and indications are that the farmers of this county will make a high score in the judging. Every phase of farm work will be graded on the score card and the final judging made on a high score basis.

Plans are being made by the local demonstration clubs to entertain the judges while in this county. They will probably spend the entire day here, it was stated.

## Rail Shipments For Q Extension Begin Soon

Laying Rails Expected To Begin In October, Says Sommer In Floydada Saturday.

Rail shipments for the track of the Floydada Extension of the Quannah, Acme & Pacific Railway will begin next week, C. H. Sommer, president of the line, said in Floydada Saturday morning, with the expectation that the laying of the track will begin in October.

"Everything is moving along good," Mr. Sommer said. "The contractors are making progress equal to their predictions when we gave them the contract, and have been favored with good weather practically all the time." He did not venture a statement as to the date the trains on the line would be running into Floydada but expressed the belief that it would be after the first of the year.

Mr. Sommer was here in company with G. E. Hamilton, general attorney of the railway company and A. F. Sommer, of Quannah, its vice president and general manager. Although some heavy work still remains for the contractors to do, they are moving along fast and should easily complete the job in contract time, according to the belief of the heads of the line. W. T. Montgomery, of San Antonio, president of the Lone Star Construction Company, which has the contract, was out on the job last week for some days. His company has a "turn key" contract for putting up the grade and laying the steel into Floydada.

Fred P. Holt, subcontractor on the caprock climb, has part of the dirt moved on his contract past the east fence of the H. H. Campbell Ranch, where he is getting earth from heavy cuts to make fills east of that point.

The railway officials were here in conference with local right-of-way committee on the progress of the plans for opening up the right-of-way within the city limits.

## READHIMER BUYS MITCHELL LOT ON WEST CALIFORNIA

J. R. Readhimer, of Mayview, the latter part of last week closed the negotiations for the purchase of the twenty-five foot lot on West California Street in Floydada where the Floydada Tin Shop stands from C. W. Mitchell.

Mr. Readhimer does not have any definite plans as to his new property as yet, lease on which is held by E. C. Thomas, proprietor of the Floydada Tin Shop.

## Ask Regulation Of Gin Building In City

A petition asking for the regulation of gin building in Floydada and particularly that gins "no longer be permitted to build close in to the business district or in the built-up residential district, except in that part of the city where industrial business is properly located," was filed for the attention of the city council the latter part of last week.

The petition was considered by the council at its meeting Monday night, but action was deferred, the decision being reserved for further study of the situation by the council.

The council at the meeting passed an ordinance regulating the installation of gas fittings within the corporate limits.

## DURANT COUPLE INJURED WHEN CAR OVERTURNS EAST OF TOWN

Mr. and Mrs. J. H. Pullen, of Durant, Okla., enroute to Slaton, were painfully injured Wednesday shortly after noon on the Matador highway seventeen miles east of Floydada when their car overturned as they took a corner. Mr. Pullen was severely cut about the face, Mrs. Pullen was cut on the arm and rather severely bruised on one side. A travelling salesman brought them to Floydada and a wrecker was sent out for their car. Dr. Pennington dressed the injuries.

## FORMER RESIDENT PURCHASES HOME IN EAST FLOYDADA

Monday of this week K. D. Ament closed a deal with Fred Brown for a four-room house in the east part of Floydada, next door south to Ohmer Kirk, which he and his family will occupy.

Mr. Ament has been living in Canyon for the past two years and before that time lived at Floydada and had an interest in a Barber shop on the north side of the square. At the present he is with the Sherrill Barber Shop.

## MANY PAY DELINQUENT TAXES TO COLLECTOR IN LOCKNEY

To make it easy for any citizens in Lockney or vicinity to take care of delinquent county and state taxes, Collector P. G. Stegall and Deputy E. Ray Smith spent Tuesday of this week at Lockney, and report a busy day.

A number of the citizens of the north part of the county took advantage of the fact that the records were near them to check up on their taxes, Deputy Smith said.

## FANNING STARTS RESIDENCE

R. W. Fanning is making an addition to the residence section of Southwest Floydada, having started work last week on a new five-room bungalow. The home will cost approximately \$1,250.

## SUNDAY TO BE CLOSING DAY OF BIG REVIVAL

Friday Night Dad's Night, And Sermon to be by Father And Son.

Evangelist Wm. J. Lockhart, Billy Lockhart, George Lockhart and Clare Lockhart, the evangelistic quartette who for more than two weeks past have been drawing record crowds in Floydada and converting many, and who have won the friendship and love of all who have met them, will be singing their farewell songs and preaching their farewell sermons on Sunday next.

One hundred and twenty converts have been recorded to date and continued interest in the meeting indicates that this number will be swelled appreciably before the close of the meeting on Sunday night.

Sunday, the closing day of the revival, is to be community home coming day. Following the Sunday Schools in the church buildings, there will be a great Rally at 11:00 o'clock in the Tabernacle. Dr. Lockhart will preach Sunday morning on "Going a Little Farther." At this morning service a special call will be given by the evangelist for young men and women who want to volunteer for "Life Recruits in

(Continued on back page)

## Sheriff's Association Meets Here Nov. 10-11

Invitation of Sheriff Stegall And Local Citizens Accepted By Peace Officers.

Responding to an invitation from Sheriff P. G. Stegall, extended in person on behalf of Floydada, the West Texas Sheriff's Association Saturday voted to hold their next quarterly convention in Floydada and set the dates for November 10-11.

Sheriff Stegall's invitation was seconded by local business men and civic organizations.

One hundred or more peace officers from over this section of the state are expected here for the meeting. The honors in the shooting contest, which is a regular feature of each succeeding convention, went to Arthur P. Barker, of Lockney, who with E. C. Henry of this city, accompanied Sheriff Stegall to the Lamesa meeting. The prize was a ninety-dollar gun offered by the committee.

Barker's score, shooting with a regulation revolver, was sixty-seven hits out of a possible 100. Sheriff Stegall won an easy second with forty-four out of a possible 100. The third man had thirty-eight.

Floyd County also had an ex-sheriff at the meeting in the person of E. Henry. "I had to go along to see the gun back for Stegall and Barker. Mr. Henry said, the gun being a silver-mounted .45 Colt with scabbard.

## Large Lockney Exhibit Promised For Co. Fair

An added attraction to visitors of the Floyd County Fair this year will be the Lockney Agricultural and commercial exhibit which will be arranged by and in charge of Fay Guthrie, secretary of the Lockney Chamber of Commerce. The exhibit will not compete with the agricultural exhibit of the different rural communities and while not following any certain score card will be composed principally of agricultural products common to the Lockney section.

Anxious to co-operate in the upbuilding of Floyd County and firm in his belief that a County Fair is one of the best methods of advertising the county, Mr. Guthrie is making plans for an elaborate exhibit.

## Cotton Ass'n District Meeting Here October 1

A district meeting of representatives of Lubbock, Crosby, Hale, Motley, Swisher, Lamb, Briscoe and Floyd County members of the Texas Farm Bureau Cotton Association will be held in Floydada on October 1, and a committee is already at work on the program plans for the meeting.

An outstanding feature promised for the convention here will be an address by Miss Susan Landrum, head of the educational department of the association in Texas, who is widely travelled and will tell those present of her investigations of farming conditions especially with regards to progress in co-operative marketing in foreign lands.

## KIRK SCOTT, NOW IN AVIATION HOME ON LEAVE FOR VISIT

Lieutenant Kirk Scott, of Kelley Field San Antonio, is taking the opportunity presented by a brief leave to visit in Floydada with his parents, Mr. and Mrs. R. C. Scott.

Kirk graduated from A. & M. College of Texas this spring as a major in aviation and following the close of school entered the aviation service, having been stationed at Kelley Field since his induction into the service. He arrived in Floydada the latter part of last week and will return to his post the latter part of the month.

### The Floyd Co. Hesperian

Published Every Thursday By THE HESPERIAN PUBLISHING CO.

 One Year \$1.50  
 Six Months .85  
 Three Months .45  
 In Advance

Advt. Rates Furnished on Application.

#### A CITY SCHOLARSHIP

There are in excess of one hundred business establishments in Floydada today. If each of those firms gave one dollar, representing a small part of their annual income, a city scholarship could be established.

This amount of money applied on the expenses of a student would possibly send some worthy boy or girl to college for the first year. While \$100 is only a small amount of money needed to send a student through one year of college, it might at least supplement other available funds of the individual, making attendance possible.

The Hesperian would favor such a plan and would suggest that the scholarship be awarded to some deserving young person in a rural community. It would be only fair that it be given alternately to a boy and girl.

Looking at the matter as a business proposition, the establishment of the scholarship would work to the advantage of the young people, to the community in which they reside and to the city. It might be possible that the respective community would supplement the city scholarship fund with an additional sum.

As a publicity move, it would be worth twice its cost. Good will between the rural and city people would be cultivated and the term "Floydada Scholarship" would be heard in many homes over this and other states as well.

In the catalogues of the college where the scholarship was placed, say for example, Texas Technological College at Lubbock, a description of the scholarship and qualifications for the student receiving it would be given. This college literature, comprising thousands of pamphlets and booklets is sent out each year by the college to prospective students in Texas and neighboring states.

From time to time each year, news stories are sent from the publicity department of the school to newspapers everywhere. At least two such articles would go out each year on the "Floydada Scholarship" and others.

It is a worthwhile suggestion, the Hesperian believes. Think it over, perhaps you will approve.

#### GIVE A SIGNAL

Did you ever drive down the street in your car and almost before you knew what was happening the fellow in the car just in front had made a sudden turn and a wreck seemed unavoidable and somehow you prevented it with a quick turn? Every day it happens thousands of times. This one thing itself causes many of the deadly accidents—just failure to give the proper hand signal when making a turn.

Hold out your hand! Keep in mind that there are other motorists who may not know just exactly what you contemplate doing.

On turning to the left, the driver should hold out his left hand, pointing forward at a forty-five degree angle; on stopping he should hold his left hand straight out, parallel with his body; when turning to the right, he should hold his left hand pointing upward at a forty-five degree angle.

Do not wait until you are ready to make a change in your course and then give out your hand about one-half of second and then jerk it back. The driver behind may not have his eyes cued right at you and your car and you should be fair enough to give at least a warning of one-half minute by giving the signal 75 feet ahead of the turn.

Remember the other fellow and help him save your fenders and perhaps your life by holding out your hand!

#### LARGE SCALE ADVERTISING

"Henry Ford has changed his ideas about advertising," says J. George Frederick in the July Review of Reviews, according to a newspaper report. For a time the Ford Motor Company was counted as one of the largest advertisers in country weeklies, but Mr. Ford made a decision that advertising was an economical waste. That was some months ago. In the meantime, the General Motors Corporation has staged an extensive and persistent campaign. It is very evident that the company is getting results.

The General Motors advertising appropriation for 1927 is 50 million dollars, ten million of which is for the Chevrolet alone, according to Mr. Frederick. He continues that "Ford has started work on preparing advertising the new model."

These two giant automobile manufacturing concerns are today the best examples of the lesson of advertising. If the goods are dependable, then they should be advertised. Any good business man can see that advertising is a recognized and established force that is rendering greater and greater services.

#### GET A ROCK

Some people get a coin-carving complex. Every time they get their hands on a piece of silver, usually of a certain denomination, these people proceed at once to carve their initials. Some are not so artistic and with a few applied strokes with a hammer make some very pronounced dents in a perfectly good coin.

It may be that a government official will never catch them in the act and it may be that they will never get to exchange their complex for a nice little tumbler. But these Sam's money alone go out and get a nice hard pebble hammer to their heart's content. If they have to carve their initials on some-

thing they should be self-sacrificing enough to give up the silver coins and vent their rage on a piece of wood.

### 'Round The Square

Wonder why it is that, after visiting other towns in this and neighboring states, that a fellow returns to Floydada usually feeling mighty proud of this city? Careful comparison will prove to you that things 'Round the Square surely are pointing towards a big future; and money invested here is sure to bring big returns.

Somebody 'Round the Square asked Dr. Lon Smith recently what he operated on a certain patient for, and he answered: "Oh, about a hundred dollars." "But what did he have?" the enquirer asked. "Oh, about a hundred dollars" was the clever reply.

"Blessed are the naughty for they shall receive all of the publicity." That is the reason we try to mention certain people so often.

The appearance of most portions of Floydada would be improved on a hundred per cent if weeds, grass and underbrush were removed. The health of our town would also be safeguarded if this clean up work was carried out completely.

Well, we need not feel so bad about the failure of the road bond election. Just remember that famous old saying: "Rome wasn't built in a day, but it was built, by crickets, it was built."

Somebody 'Round the Square said that the Floyd County Fair to be held in this city on September 22, 23 and 24, will be one of the largest and best attractions this city has ever witnessed.

Harley Sadler, probably the most popular showman in this state, has proven that he is a real West Texan. He recently offered a \$100 scholarship at West Texas State Teacher's College to the student displaying the best dramatic talent for the year's work. Several people seem to think that this is just an advertising scheme, but regardless as to the direct or indirect purpose, some student will be awarded a probably sorely needed scholarship. What this section needs is more people with the fore-thought and the loyalty of "our" Harley Sadler.

The bookkeeper came into the office the other day, and, speaking to the cub reporter, said: "Oh, hello, I didn't recognize you sitting there with your mouth closed." Now, we wonder if they were trying to get funny?

Well, why donche grin, it don't cost nothin'.

### 14 YEARS AGO IN FLOYD COUNTY

News items taken from the Floyd County Hesperian files published in Floydada fourteen years ago.

#### ISSUE OF AUGUST 21, 1913.

A moving picture show on the vacant lot adjoining G. R. Griggs' Grocery store (where the Hesperian Office is now located) has been attracting good crowds this week. They have an individual power plant run by a 10 h. p. two-cylinder engine. They will be here the remainder of the week.

George Coverdale, of Coffeyville, Kansas, was down Friday (1913) and took three more cars of fat cows to the Kansas market off of the Coverdale & Armstrong range in this county. "I gained ten pounds every night I slept in Floyd County, it was so cool and pleasant," he stated.

Santa Fe Agent J. T. J. Dawson and family left Friday (1913) for Mayview, Mo., where they will spend two weeks visiting relatives.

Buenos Ayres, Aug. 14, 1913—The Whaler Fram left for Colon where it takes on board Admiral Peary and Captain Amundsen, who will be the first passengers through the Panama Canal. Amundsen plans a six years' expedition through the arctic to Norway.

Miss Hattie Triplett, of Chico, is out (1913) on a visit with her brother, T. B. Triplett and wife.

Dr. C. M. Thacker obtained a building permit last mid-week for the erection of a new garage at his residence in South Floydada. It represents a cost of \$150.

Mr. and Mrs. Wallace Covington are now making their home in Plainview. Mr. Covington is employed at the South Plains Drug store.

### This and That

Once about every century you hear of it—a newspaper man taking a vacation. The Hesperian boasts of such an individual and his name will very likely go down in history as one of those fortunate of the lucky. Tom Bishop left last mid-week for Carlsbad cavern, El Paso and other points too numerous to mention. He plans to be gone at least an entire week. He was accompanied by Troye Pope of this city and Franklin Walker of Amherst. Hot diggedy dog!

If it rains, the county needs dry weather; if it's dry, rain is needed; if it's not lice on the cotton it's boll worms; if the crews neglect the roads they get rough, and if they drag them, they dig up nails and tacks for motorists to gather up in their tires; if it's one it should be two, and so on and so on.

Try being optimistic once.

What's in a name, is a question often asked. Evidently the good folk back in Tennessee believed the more name the more there was in it. Here is the best sample of a name that was honest-to-goodness worn by a young lady years ago back in Middle Tennessee: "Mary Saro Elizabeth Jane Almita Foster Mario Payne." Now you tell one.

Nice to get all these gas mains laid and everything ready for the "juice." It will be even nicer now if the pavement is put back in good condition at once and all unnecessary "bumps" are eliminated.

Well, it's some consolation to know that a man with a good memory rarely is blessed with good judgement. Surely are plenty of forgetful people and it is strengthening to know that they probably have good judgement.

If gnats flying around in town are indicative of lice on cotton in the country, then it is a wonder that the poor stalks have lived this long.

Almost everybody has some of those blankety-blank relatives they don't need.

#### CHILDREN'S FATAL DISEASES

Worms and parasites in the intestines of children undermine health and so weaken their vitality that they are unable to resist the diseases so fatal to child life. The safe course is to give a few doses of White's Cream Vermifuge. It destroys and expels the worms without the slightest injury to the health or activity of the child. Price 35c. Sold by

Arwine Drug Company

Mrs. J. R. Terry, in company with her son, Milton, M. S., W. R. D. Niel, and W. R. Daniel, Jr., left Friday of last week for Temple, Mrs. Terry and the boys to be the guests of her mother, Mrs. A. H. Allmon for several days. Mrs. Daniel returned to her home at Temple after a visit of a month with her son, W. F. Daniel and family.

## Prisoners Cut Bars And Escape Floyd Co. Jail

Alleged Bootlegger And Two Fugitives  
Held For Briscoe County At Large  
Since Friday Night.

Blackie Conley, alleged bootlegger, Geo. W. Bailey, alleged forger, and Plummer Bailey, a brother of the latter, charged with effecting a jail delivery from the Briscoe County jail early in July, are at large following their escape from the second story of the Floyd County Jail last Friday night, when they worked the cell door combination, sawed the outside window bars and let themselves to the ground with blankets tied together for a ladder.

Although Conley has been traced past the confines of the state, no clues as to the whereabouts of the brothers Bailey had been found this week, according to the sheriff's department, although every effort is being made to effect their capture and return. George W. Bailey, said to be the brains of the trio, is 28 years of age and is credited by the sheriff's department with having done two stretches in the penitentiary.

The delivery, Sheriff Stegall says, was effected about 10 o'clock Friday night while his family were at the Lockhart meeting, he being out of the city at the time, and he learned from prisoners left in the jail that the bars of the window were cut with hack saws brought into the jail by the escaped men. The men had to effect their escape from their cell by working the combination to a cell door. The hack saw had been in use several days, the prisoners cutting occasionally each day until the job was complete and the time ripe for their escape. The cell on the second story was about eighteen feet from the ground. Blankets tied together were used as a ladder by the prisoners, who left a note "kidding" the sheriff.

The brothers Bailey had been in the Floyd County jail since mid-July for safekeeping after effecting their escape from the Briscoe County jail. Conley had been held slightly longer, following his arrest early in the month of July under the caprock.

## Newland News

Newland, August 15.—There were 43 present at Sunday School last Sunday. There was a \$1.20 offering. Most all went to the services at Mayview after Sunday school.

Sam Welborn and family of Snyder visited a few days at Mr. and Mrs. H. D. Bloodworth's last week.

Mrs. Bloodworth's father and mother, Mr. and Mrs. N. J. Deets of Bellevue, are visiting Mr. and Mrs. Bloodworth. Mrs. Shearer and Mrs. Scott took dinner at the Lincoln home Sunday.

## BLANCO NEWS

Blanco, Aug. 16.—Everyone is very busy this week putting up their wheat land.

Mrs. T. B. Floyd of Memphis is spending several days with her daughter, Mrs. Ham Smith. Also Mrs. P. M. Floyd of Lakeview, Texas is visiting Mrs. Smith.

Mrs. Foster Daniel's mother has returned home after a visit here of a month. W. R. Daniels accompanied his grandmother and will return.

Mr. and Mrs. Ham Smith and children and Bob Smith returned home the middle of last week after a visit with her parents. Mr. and Mrs. T. B. Floyd of Memphis. They also went on a big fishing trip catching more than a hundred pounds of fish and reported a wonderful time.

Norwood Shirley is visiting his parents in East Texas this week.

Mr. and Mrs. Will Simpson and son, George Lewis, of Plainview spent Saturday night and Sunday with Mr. and Mrs. J. M. Gamblin.

Mrs. S. D. Greer of Floydada spent Sunday with her daughter, Mrs. Harry Christian.

Mr. Dickerson had word that his father who lives at McKinney was seriously ill.

Mr. Flower's children are visiting him for a few days.

Mr. Tinnin's sister of Chickasha, Okla. visited in his home last week.

Jim Alexander of Davis, Okla., who is spending the summer here with his

brother, Henr. Alexander, spent Sunday with Ham and Bob Smith. Mrs. Farley's daughter and her husband visited here Sunday.

## CHILDREN OF MAYOR SMITH HIS GUESTS OF THE WEEK

Mayor and Mrs. W. D. Smith last week and this week have had as their guests all of their children, not resident in Floydada, except one, the exception being Mrs. W. P. Coates of Fort Worth. The visitors, nineteen in all, included R. E. Smith and family of Hillsboro, Chas. E. Smith and family of Fort Worth, C. D. Smith and family of Bynum, and Mrs. Duke Turner and son, J. L. Smith, of Hillsboro.

Chas. E. Smith and family arrived early last week and will remain possibly through this week, the other families arriving Saturday morning.

Mrs. P. T. Kicker, of this city, is a daughter of Mr. and Mrs. Smith, and has had a part in the reunion of the family here.

## ED DUMAS, NOW OF PLAINS VISITOR HERE THIS WEEK

M. E. Dumas, former Floyd County resident and son of Floyd County's first tax assessor, is a visitor in Floydada this week, having been called here by the illness of his son, Edwin, a cowboy on the Matador Ranch, who was brought to Floydada Monday morning for an operation for appendicitis.

Mr. Dumas is now a resident of Plains in Yoakum County, where he is in the abstract business. He left Floydada some twenty-four years ago, after being reared to early manhood in this county, his father's old homestead being near the Erick school.

Edwin Dumas, his son, was convalescing satisfactorily this mid-week.

## NOW DISTRIBUTING BIG BOY SODA WATER FROM FLOYDADA

E. L. Campbell, of Campbell Bros., proprietors of the Floydada Bottling Works, announced Wednesday morning that supplies for the new Big Boy Soda Water had been received and distribution of this brand of soda, expected to prove immediately popular in the territory, had begun.

Campbell Bros. bought the Floydada Bottling Works plant some weeks ago and begun at once to arrange to manufacture and distribute the Big Boy brand of products.

## Locals and Personals

Gordon and Will McCarty of Canyon spent a short time here Tuesday with friends. They were enroute home after a visit at Wichita Falls.

Mr. and Mrs. Calvin Steen left last mid-week for points down-state. They plan to be gone some two weeks.

B. and U. S. Marshall left Monday at noon for Carlsbad, N. M., and other points in New Mexico and southwestern Texas on their summer vacation.

## NOTICE OF APPLICATION FOR PROBATE OF WILL

THE STATE OF TEXAS  
To the Sheriff or any Constable of Floyd County, GREETING:

You are hereby commanded to make service by publication in a newspaper in Floyd County, Texas for twenty days of the following notice:

Estate of Susie Clubb, Deceased, No. 401, pending in County Court of Floyd County, Texas:

To all persons interested in the above entitled suit notice is hereby given, that W. Clubb has filed in said suit the last will of Susie Clubb, deceased and applied for probate of same as such will, and has also filed in said suit a copy of interrogatories to be propounded to A. W. Canfield residing at Sweetwater, Texas, who signed said will as witness, and commission to take the answers of said witness to said interrogatories to be read in evidence on hearing of said cause, will be issued after twenty days from first publication of this notice.

Given under my hand and seal of said Court this 16th day of August, 1927.

TOM W. DEEN,  
Clerk, County Court, of Floyd County, Texas.

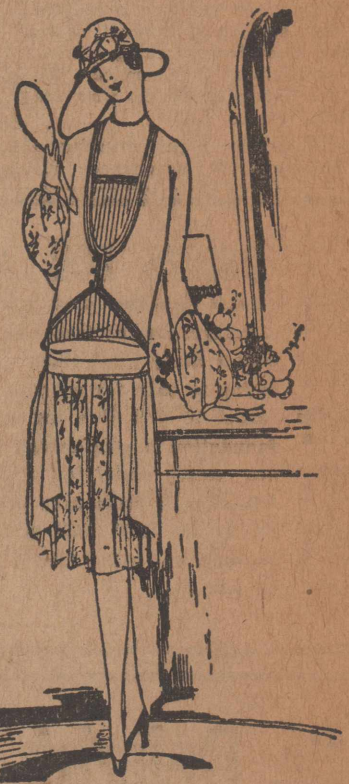

And of this precept and how you have executed the same make due return. (SEAL) TOM W. DEEN,  
Clerk, County Court, Floyd County Texas. 254tc

# Time To Get Ready For HIGH SCHOOL --AND-- COLLEGE

## New FALL GOODS Arriving Every Express

### New Dresses, New Felt Hats, New Shoes and Hose to Match

It's such fun to choose college outfits here! Everything grown daughters need for every college occasion is here—from swagger skirts and stunning sweaters for campus wear to lovely coats and frocks for the Freshman prom.

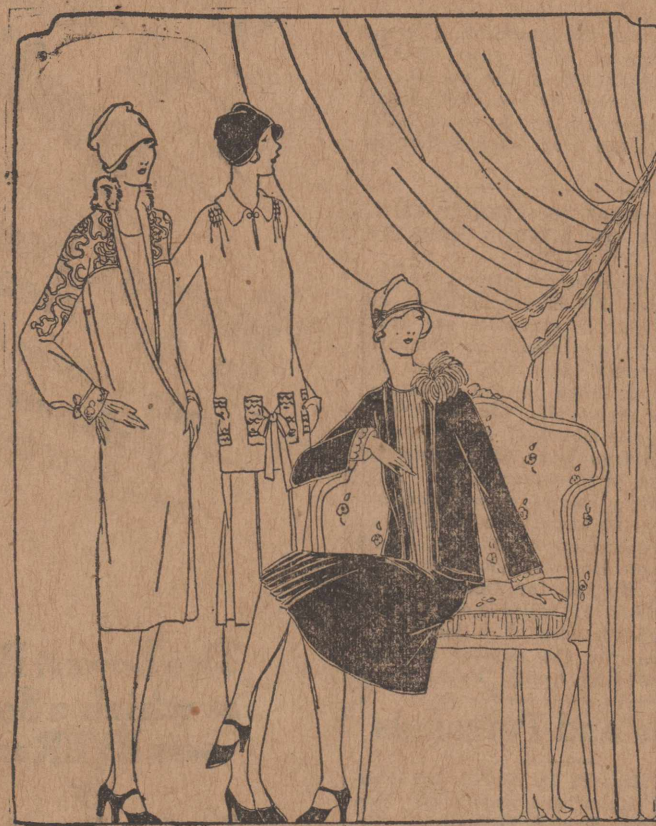

## Children's School Clothes

We have just received a shipment of English Prints, Quadriga Cloths Taffeta Foulards, just what you need to make your children's school dresses from.

## If Daughter Is In High School

She'll have to be just as fashionably dressed for young moderns the country over know the mode quite as well as their mothers. Complete outfits for happy high school days are here in garments of quality and good taste and in modes of the moment. Whether she is a "Freshie," Soph, Junior or dignified Senior—outfit her here!

ATTEND OUR FREE FOOT COMFORT DEMONSTRATION, MONDAY, AUGUST 22.

"Ask Your Neighbor"

## With The Churches

### JUNIOR CHRISTIAN ENDEAVOR

The Junior Christian Endeavor of the Presbyterian church will hold its regular meeting Sunday, August 21 at 7:30 p. m. Following is the program to be given, with Ted Sparks as leader:

Topic, Our helpers the animals.  
Song, to be selected.  
Scripture—Job 12:7-10, to be read by leader.

Prayer.  
How can we be kind to birds in winter?—Ruth Roddam.  
Scripture—Gen. 1:24-25 — Kenneth Bain, Jr.

Do you think caged birds are as happy as though they were free?—Wanda Temple.

Is any wild animal happy in a cage?—Blanche King.

How may we influence people to be kind to their domestic animals?—Elizabeth Daniels.

Is it right to tease or abuse animals?—Kathryn Daniels.

Song, to be selected.

A true story of a prairie dog.—Jean Bain.

Is it right to kill birds for their plumage? How can we help to prevent this?—Raymond King.

What Bible birds can you recall?—Mrs. Collins.

Business session, followed by benediction.

Everyone is welcome to our Endeavor

### BAPTIST SERVICES

Rev. W. R. Hill, Th. M., Pastor  
Sunday School meets at 9:45. Mr. Gilliam the Supt., and Mrs. Ruth Hall the Secy. There were 221 present last Sunday in the S. S., and we should do better next Sunday. If you are a Baptist, and love the Bible and its Giver, will you not make a real effort to come to the place where the Bible is being studied?

The church-service begins at eleven o'clock. All our members are requested to be in this service as several have signified the intention of being received for membership at this service. We will have the baptizing of all who are ready at this service.

There will be no night preaching-service. The church adjourned all

night services during the Tabernacle Revival.

Visitors are cordially invited to worship with us in all the services at the First Baptist Church. Come and Welcome!

### REVIVAL IN PROGRESS AT CARR'S CHAPEL THIS WEEK

Rev. M. P. Hines, pastor, began a meeting at Carr's Chapel Sunday morning, August 14. Rev. Hines reports a fair attendance at the services but extends a cordial invitation to the neighboring communities to join them in the meeting. Robert Gary is leading the song service.

The meeting will probably be continued through next week, "it will depend upon the interest manifested," Rev. Hines said.

### METHODIST CHURCH

Ben Hardy, Pastor  
Our Sunday School attendance was 325 last Sunday at the close of the lesson period. A number were baptized and received into the church.

There will be a number to be received next Sunday. Make an extra effort to be on hand next Sunday. Lets make the grade and go to the 400 mark. We can if we will, will we? Let's put in some time and effort this week to this end.

### FIRST CHRISTIAN CHURCH

F. L. Davis, Minister  
Last Lord's day was the "Banner Day" for the Sunday School of the First Christian Church. It was the largest attendance ever in the Sunday School.

That is fine, we rejoice in it, but are we satisfied? For one, I am not satisfied, especially when over half of our town's people do not go to Sunday School any place. It the devil can get the christian people satisfied with what they have attained that is all he wants. He knows they will not work for more. So let's not be satisfied until every christian and every non-christian is attending Sunday School in some church.

Next Lord's day we will begin Sunday School at 9:30. This is necessary on account of the closing day of the meeting. If you can get to your place of business, or your house work, at the time you do, for 6 days in the week, can't you get to Sunday School by 9:30

o'clock one day in the week? Hasn't the Lord helped you enough that you can do this for him?

Next Monday the Council will meet at the church at 4 o'clock. It is very desirous that not only all the members of the Council, but all of the ladies of the church be present. We must make arrangements to entertain the District Convention on September 6 and 7. The time is short, but we can do it.

Don't forget prayer meeting next Wednesday at 8 o'clock p. m. We will baptize those coming forward during the meeting.

Don't fail to be present that night.

Let's make "Home Coming Day" in our Sunday School next Sunday a real power. Let each member of the family come. If you will do this, we will have over 200 without any trouble. Some of the children whose parents do not belong nor attend Sunday School any place, can't you join that child in Sunday School Sunday.

Let's have that 220 in Sunday School next Lord's day. There are at least that many who need to come, there are that many whom we want to come, there are that many who can come, then why not have them? Come on, let us make "Home Coming Day a Great Day." Come let's go.

### YOUNG PEOPLE'S PROGRAM

The Young People's Organizations of the Methodist, Cumberland Presbyterian, First Christian and Baptist Churches will meet Sunday evening, August 21, at the Baptist Church at 7:00 o'clock and render the following program:

Songs—"Send the Light," and "Loyalty to Christ"—Audience.  
Leader—Mrs. E. Ray Smith.

Invocation.  
Introduction—Leader.

Vocal Solo—Patty Looper.  
Pageant—"Send the Light"—A group of young people.

Reading—Robbie Archer.  
Vocal Solo—Mrs. E. L. Angus.

Reading—Buford Eaves.  
Five Minute Talk—Louise Wright.

Talks by Life Recruit Members.  
Talk—Billy Lockhart.

Benediction.

All young people are cordially invited to attend this service. We also give the parents a hearty welcome to hear this program. "Everybody come and welcome."

### MANY COLLEGE STUDENTS ONLY PARTIALLY SELF-SUPPORTING

A total of \$25,500,000 was earned last year by students in 408 colleges and universities in the United States. Of the entire enrollment in these institutions, 39 per cent were partially or wholly self-supporting, according to a recent study by the Interior Department, Bureau of Education, to determine the extent of self-help in higher education. Of students in coeducational institutions, 44 per cent are working their way. A third of the students in men's colleges and a sixth of the students in women's colleges are earning at least a part of their expenses. Of the 600 colleges embraced in the study, only 27 report no student earning during the school year.

### BUREAU OF EDUCATION SURVEYS NEGRO COLLEGES OVER SOUTH

At the request of the Association of Colleges for Negro Youth, the Bureau of Education of the Interior Department is conducting a survey of about 70 negro colleges in the United States, most of them located in the South. An important result of the survey will be the formulation by the American Medical Association of a list of negro colleges whose graduates are prepared to enter first-class medical schools. The survey is under the immediate direction of Dr. Arthur J. Klein, chief, division of higher education of the bureau. It is financed in part by the Phelps-Stokes Fund, supplemented by a contribution of \$100 or more from each institution surveyed.

### SAFETY CAMPAIGNS REDUCE CHILD FATALITIES ON LONDON STREETS

Child fatalities in the streets of London numbered 210 during 1925, the latest date for which statistics are available. This is a decrease as compared with the record for 1918, when 237 children were killed in the streets of the British metropolis. In New York City during the month of March of this year 32 children were killed, and 849 were injured in street accidents. As a result of safety campaigns and cooperation between the board of education and the police department of the city, a substantial reduction was made as compared with figures for October, 1926, to the number of killed and injured, but it is an increase of 4 deaths and one injured over the number reported for the preceding month, February.

### Locals and Personals

Mr. and Mrs. K. D. Ament and children, of Canyon, are guests of Mrs. Ament's sister, Mrs. S. G. Bishop. Mr. and Mrs. Ament are here prospecting and will probably make their home here again, as they formerly lived here before moving to Canyon about two years ago.

Mr. and Mrs. J. B. Houston and niece, Miss Margaret Probst, of San Antonio, spent Sunday in Lubbock, visiting Mr. Houston's sister-in-law, Mrs. J. H. Houston, who is convalescing in a Lubbock sanitarium from a recent operation.

A. B. Wilder, of the Blackman Motor Company at Plainview, was a business visitor in Floydada Monday.

Mr. and Mrs. L. A. Marshall and children returned last mid-week after spending two weeks on a tour of Central Texas, and points in Oklahoma.

Fred Bell accompanied by his son, Floyd, and R. V. Huskey and Woodrow Tawwater left Monday for Carlsbad Cavern in New Mexico. They plan to be gone about a week on their outing trip.

Mr. and Mrs. Tom Gill and children in company with Mrs. Gill's sister, Mrs. J. L. Evans, of Mt. Vernon left Wednesday for an extended visit with relatives at Mt. Vernon. Mrs. Evans has been here for the past three weeks and was returning home. Mrs. C. F. Veach accompanied them as far as Ft. Worth.

### DENTON EDITOR JOINS WASHINGTON PAPER

WILL C. EDWARDS

Will C. Edwards of Denton, editor of the Denton Record-Chronicle and widely known in Texas newspaper circles, left for Washington, D. C. recently to become publisher on Aug. 1 of the Washington Herald, morning and Sunday newspaper. Starting with the Denton paper thirty-two years ago, Mr. Edwards has built it up from a weekly to one of the best small city dailies in Texas. He also has been intimately connected with the upbuilding of the newspaper profession in the State, having served as president of the Texas Press Association, and was one of the founders and the first president of the Texas Daily Press League.

In addition to this newspaper work, Mr. Edwards has taken an active interest in Rotary Club work, and only recently ended a term as Rotary governor of the West Texas district. He attended the International Convention of Rotary at Ostend, Belgium, in June and had charge of the publicity of the convention for North America.

Mr. Edwards served in the Thirty-eighth Legislature from Denton County and was in the run-off for Lieutenant Governor three years ago.

### Locals and Personals

Earl Norman and wife, of Dallas, were in Floydada the latter part of last week and visited with Mr. Norman's sister, Mrs. Julian Roberts. They were en route home from Canyon and Amarillo, where they visited his father, L. O. Norman and other relatives. With the beginning of another school year Earl will take up the last year of his M. D. course at Baylor Medical University.

G. L. Ham, of Vernon, and his daughter-in-law, Mrs. Guy Ham and three children, of Hereford, were guests of his daughter, Mrs. Mary Awtrey, Sunday afternoon and Monday morning.

Mrs. Fannie Montague and daughter, Miss Wand, made a trip to Plainview Monday.

Mr. and Mrs. Buster Eshank of Kress spent the week-end here with relatives, returning home early Monday morning.

A. J. Hunt and family, of Portales, New Mexico, arrived Wednesday with the view of locating here.

W. M. Slinker, of Valley View, Texas, is here on a visit with his daughter, Mrs. M. H. Martin, having arrived the first of the week.

Mrs. C. L. ... her arrived last week from Santa Anna, California, to spend several months with her daughter, Mrs. Clyde Bagwell. Mr. and Mrs. Bagwell also had as their guests during the past week, Mr. Bagwell's brother, C. R. Bagwell and family, of Los Angeles, California.

Mr. and Mrs. Will Noel, of Hedley, were guests of Rev. and Mrs. Ben Hardy Sunday. Mrs. Noel formerly lived near Floydada and was Miss Myrtle Estes before her marriage. They are old friends of Rev. and Mrs. Hardy.

**Important To Treat All Small Grains For Smut**

Not only should every farmer prepare his soil well but he should treat his seed for smut and other controllable diseases, states E. A. Miller, Agronomist, Extension Service, A. and M. College. Millions of dollars are lost each year by smut, in reduced yields and reduced prices at the markets. Practically all of this loss is preventable by sowing only treated seed. It is unwise to depend upon seed from the fields that were free from smut this year, because smut spores are readily carried from one farm to another by threshing machines, wagons, etc. Therefore, seed from grain fields that were entirely free from smut this year, develop smut next year. All wheat that is sown should be run through a fanning mill to take out all light grain and chaff after which the seed should be treated for smut.

**LOOSE SMUT**—Loose smut destroys the chaff as well as the grain, and is most noticeable just after the wheat has come to head. Fortunately this disease rarely causes serious loss.

**TREATMENT**—Soak the seed from five to seven hours in cold water; then immerse for ten minutes in water at 129 to 130 degrees Fahrenheit and dry. It is important that the hot water be of the right temperature. If it is too low, the smut spores will not be killed, and if too high the vitality of the seed will be impaired.

**STINKING SMUT OR BUNT**—Stinking smut or bunt is the most serious disease of wheat. The disease changes the grain into masses of pores called "smut balls" which have an offensive odor, but inasmuch as it does not destroy chaff, the disease is not readily observed except for the odor. Indeed, many farmers fail to observe it until threshing time.

The disease is carried over to next year's crop by sowing seed infected with the spores from the balls broken in threshing.

**TREATMENT**—Stinking smut in wheat is easily controlled by treating the seed with copper carbonate dust. Until recently the formaldehyde treatment was used but now the copper carbonate treatment is rapidly taking its place, as it has several advantages, viz., (1) it is cheaper, (2) it is a dry treatment and easily applied, (3) it does not injure the germination, (4) treated seed can be handled, stored, and planted in the same way as untreated seed, making it possible to treat it whenever convenient, and (5) the treatment helps to protect the stored seed against weevils, rats and mice.

In using powdered copper carbonate, from two to three ounces per bushel are required. The seed should be placed in some tight container, such as a barrel churn, or box, arranged so that it can be revolved on an axis and which has a tight fitting opening. There are also machines for this purpose on the market. Every seed must receive a coating of powder, and this can be done by thoroughly revolving the container on its axis after the powder has been added to the seed. In some counties this work is being done at grain elevators for the farmers. In some places grain elevators treat wheat for about 10 cents a hundred including the copper carbonate.

**PRECAUTIONS**—As copper carbonate is poisonous, only wheat used for planting should be treated. It is best to wear a mask or handkerchief over the nose and mouth while treating the grain as the dust may cause irritation, nausea and sickness if it is inhaled.

Copper carbonate is not effective for the control of smut in oats, barley, and loose smut of wheat. It is only recommended for stinking smut of wheat and kernel smut of sorghum.

For oats and barley, the formaldehyde treatment should be used as follows:

**METHOD NO. 1**—Spread the grain on a floor or in a wagon box and sprinkle it with a solution containing one pint of formalin to 30 gallons of water, using about 3/4 of a gallon to a bushel and stir the grain so that it all becomes moist. The seed may also be dipped in the solution. Then cover with a wagon sheet or other cover for several hours, after which it should be spread out and dried.

**METHOD NO. 2**—Use one pint of formalin to 3 gallons of water and spray it on the seed lightly, using only enough to dampen the seed. Three gallons of this solution should treat about 40 bushels of grain.

Cover for several hours or over night. This is called the dry method as the seed only becomes slightly damp and they may be planted immediately after being treated.

**HAZEL MASSIE ACCOMPANIES AUNT ON TRIP TO NEW YORK**

Miss Hazel Massie, daughter, of Mr. and Mrs. E. B. Massie left Thursday morning for New York City in company with her aunt, Mrs. P. S. Wolfe of Plainview, who will buy Fall merchandise for the Wolfe's Specialty Shop in Plainview.

They will visit the Great Lakes and Niagara Falls during their absence and return by way of Philadelphia where they will visit relatives for several days. Miss Massie will return home about September 1.

Mr. and Mrs. Roy Snodgrass spent the week-end at Matador, as the guests of Mr. and Mrs. Bob Echols.

**CITATION BY PUBLICATION**

THE STATE OF TEXAS,  
To the Sheriff or any Constable of Floyd County—GREETING:  
YOU ARE HEREBY COMMANDED,  
That you summon, by making Publication of this Citation in some newspaper published in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, Hattie Russell whose residence is unknown, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Floyd, at the Court House thereof, in Floydada on the 19th day of September A. D. 1927 then and there to answer a Petition filed in said Court, on the

11th day of August A. D. 1927, in a suit numbered on the docket of said Court No. 1880, wherein E. E. Russell, is plaintiff and Hattie Russell is defendant. The nature of the plaintiffs demand being as follows, to-wit: Being a suit for Divorce. Plaintiff alleges that he is and has been for twelve months prior to the filing of this suit an actual bona fide inhabitant of the State of Texas, and has resided in said County of Floyd for at least six months next preceding the filing of this suit; that on or about the 15th day of October, 1922, in Floyd County, Texas, plaintiff was lawfully married to defendant; that they lived together as husband and wife until on or about April, 1923, when by reason of the cruel and harsh treatment and improper conduct of defendant toward plaintiff, he was forced to abandon her; that the plaintiff and defendant remained separated until on or about Oct. 15, 1924, when by the promises of the defendant to refrain from such cruel and inhuman treatment towards the plaintiff, plaintiff agreed to resume the living together as man and wife with the defendant, which he did until on or about the 6th day of July A. D. 1925, when by reason of the resumption on the part of the defendant of cruel and harsh treatment and improper conduct toward the plaintiff, he was again forced and compelled to abandon the defendant, since which time they have not lived together as husband and wife; that said marriage relations between plaintiff and defendant still exist.

That prior to the marriage of plaintiff and defendant, plaintiff was seized and possessed in fee simple of the following described land situated in Floyd County, Texas, and described as follows: The North One-half (1/2) of Lot No. Five (5), also Lots Nos. Six (6), Seven (7), Eight (8), and Nine (9), all in Block No. One (1) in the Honerhea Addition to the town of Floyd City (Floydada), Floyd County, Texas, as shown by official plat of said addition recorded in Volume 22, Page 119, Deed Records of Floyd County, Texas; that defendant never had any interest in said lots and improvements thereon, but that same was plaintiff's separate property at time of his marriage to defendant, and is still his separate property and that defendant has no interest in same; that defendant by indenture under date of July 6, 1925, for valuable consideration, by written instrument and under oath, relinquished and quitclaimed unto plaintiff all and any interest she may have had in above described land;

Wherefore plaintiff prays the court that defendant be cited to appear and answer herein and for judgment dissolving said marriage relations and that the above described land be set aside as the separate property of plaintiff, that all interest of defendant therein, if any, be divested from defendant and invested in plaintiff, for costs of suit, and for such other and further relief, both general and special, as in law and equity plaintiff be justly entitled.

HEREIN FAIL NOT, And have you before said Court, on the said first day of the next term thereof, this Writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Floydada, Texas, this, the 11th day of August A. D. 1927.

T. P. GUILMARIN,  
Clerk District Court, Floyd County, Texas.  
By Burl Bedford, Deputy. 254c

**Officer Informs Public On Infantile Paralysis**

In view of the fact that infantile paralysis is prevalent in certain sections of New Mexico, and that it is also reported in a few scattered sections of this state, Dr. J. C. Anderson, state health officer, has issued the following information and advice in regard to safeguards against this disease:

"Infantile paralysis is generally considered a disease of childhood," Dr. Anderson stated, "but it is possible for grownups to contract it. How it is spread is not definitely known, but probably in various ways. It is an acute, communicable disease, and has a tendency to appear every few years in epidemic form, but may be in endemic form at all times.

"The proper name of this disease is Anterior Poliomyelitis, and as the diphtheria germ chooses the tonsils and throat upon which to grow, the germ causing infantile paralysis, chooses the anterior horns of the gray substance

of the spinal column, and particularly or completely destroys the nerves at their origin, causing paralysis.

"Do not carry your children into sections where infantile paralysis is known to exist.

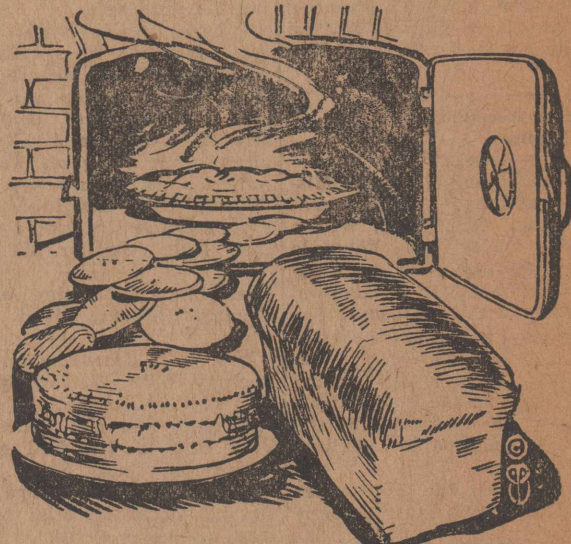

"If this disease breaks out in the section where you live, it is not best to try to run away from it, but keep your children at home, away from public places of all kinds. Do not allow them to play with other children at this time would be a good rule. Let them play in the sunshine in their own yards.

"Include plenty of vegetables and milk of a safe quality in your children's diet, in order to build up their resistance to disease germs.

"Wash well all food that is eaten raw, and do not allow any food to be exposed to flies.

"Observe the rules of cleanliness in every form.

"The early symptoms of this disease is usually fever, weakness, irritability and vomiting. If your child develops any of these symptoms, call your family physician at once.

**High-Powered Talk Sounds Good But FACTS Are Convincing**

Suppose everybody obtained their goods from a mail order house? The local merchant would be guilty of following the same business policy if he permits the high-powered talk of a salesman persuade him into buying an insurance policy with an out-of-town mutual agency?

If a man gets his insurance at a cut rate, he will get cut-rate insurance. He gets just what he pays for.

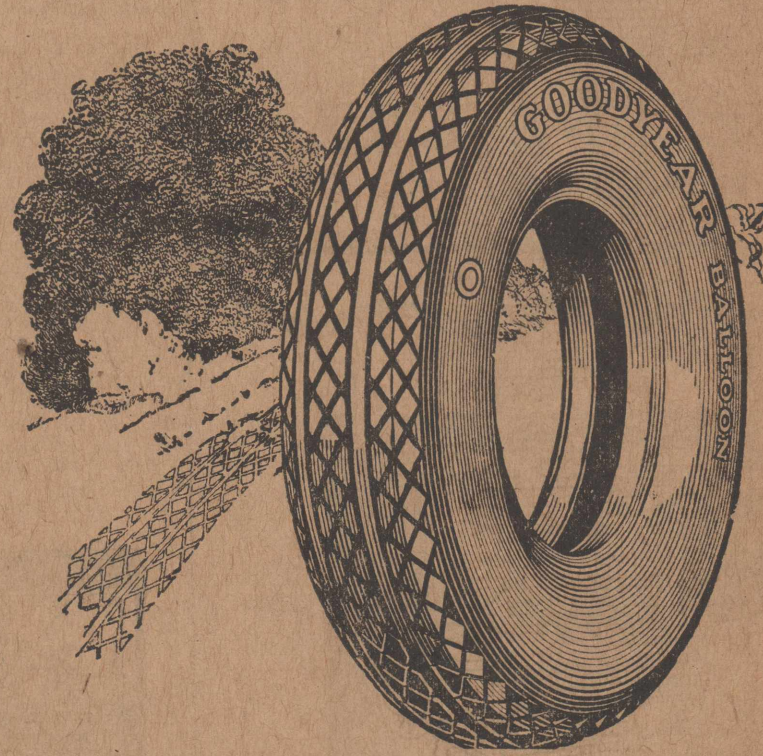

**THE FACTS SHOW THAT**

A recent court decision has held that the policy holder in state-wide and national insurance mutuals is also a stock holder and responsible for the financial standing of the company. Many of these mutuals have gone bankrupt and the stockholders have had to pay their part of the losses.

Mr. Merchant, play fair and place your policy with a local company, which, like you, is helping support local institutions with their business.

## Society and Clubs

### Picnics Enjoyed at Plainview and Crosbyton.

During the past several days of real summer weather swimming and outdoor pleasures have continued to be in favor. One of the several very delightful affairs was a swimming party at Plainview Friday night, followed by a picnic supper served afterwards.

The members composing this party were: Mr. and Mrs. Clyde Davis and son, Billy Clyde, Mr. and Mrs. Albert Clubb, Mr. and Mrs. Flynn Thagard and son, Thomas Flynn, Mr. and Mrs. J. C. Gilliam, Mr. and Mrs. Kight Dickey, Mr. and Mrs. A. P. Horn, Mr. and Mrs. Frank Moore and W. H. Sharp.

Sunday after church several cars of Floydada people drove to Silver Falls, near Crosbyton, for a picnic, returning home early in the evening.

Those enjoying this affair were: Mr. and Mrs. A. B. Keim, Mr. and Mrs. Albert Clubb, Mr. and Mrs. Clyde Davis and son, Mr. and Mrs. Flynn Thagard and son, Mr. and Mrs. J. C. Gilliam, Mr. and Mrs. Frank Moore and Mr. and Mrs. Kight Dickey.

### Young Women's Missionary Society Go Camping.

Members of the Young Women's Missionary Society of Floydada, accompanied by their leader, Mrs. C. M. Wilson and Mrs. Ben Hardy left Floydada Thursday morning and went to Crosbyton where they enjoyed a day and night of camping in the open, near Silver Falls. In the truck they carried their bedding and food which they prepared in regular camp style. Hiking and swimming were the chief diversions. Willie B. May drove the truck for the girls and he was accompanied by Harold Porterfield.

Those who went on the trip were: Misses Kathleen Snodgrass, Evelyn,

and Dola Maddox, Rushelle Morris, Gladys House, Maxine Norris, Mary Gamble, Willie Allen, Corinne Osburn, Mable Fawver, Bernice Bishop, Wilma Deen, Coralee Sherill, Elizabeth McKinney, Mrs. Rip Snodgrass and Mrs. Buster Eubank, of Kress.

### Houston's Entertain For Relatives From Alaska.

Mr. and Mrs. C. R. Houston were host and hostess at an all-day party at the Country Club, Wednesday, August 10, honoring Mr. Houston's niece and her husband, Mr. and Mrs. Wynn Goddard, of Juano, Alaska, who are guests of Mrs. Goddard's mother, Mrs. R. E. Hill, of Plainview. Mr. and Mrs. Goddard have lived in Alaska for a number of years. Mrs. Goddard taught school there for several years before her marriage. Mr. Goddard is chief game warden for that country and gave some very interesting information concerning his work during his visit here.

Other guests included: Mrs. R. E. Hill and daughter, Miss Helen, of Plainview; Mrs. S. W. Meharg, of Plainview; Mrs. Keith Gamble and little daughter, Keith Ann, of Dalhart; Mr. and Mrs. R. D. Gibbs, and children, of Plainview; Miss Margaret Probst, of San Antonio; little Ruth Key Green, W. C. Grigsby and daughter, Virginia, of Floydada and the host and hostess and their little daughter, Mildred.

### Mrs. Massie Entertains At Country Club For Sister.

Mrs. E. B. Massie entertained at the Country Club Wednesday, August 10, for her sister, Mrs. P. S. Wolfe, of Plainview, who left Thursday for New York City to buy Fall goods for the Wolfe's Specialty Shop at Plainview. Mrs. Wolfe was accompanied by Mrs. Massie's daughter, Miss Hazel.

Golf and swimming featured the entertainment early in the evening after which an appetizing supper was prepared over an open camp fire.

After supper an impromptu program was given each of the guests taking part, and proved to be especially entertaining since the guests included several of the leading musicians and readers of Plainview.

Those in the party were: Mr. and Mrs. Matt Cram and son, Marion and daughter, Betty, Mr. and Mrs. C. B. Harder, Mrs. Arilla Peterson, Mrs. Guy Jacob, Mrs. L. C. Wayland and daughter, Constance, Miss Elouise Dorney, and Mr. and Mrs. E. S. Wolfe, all of Plainview and Mr. and Mrs. T. S. Stevenson and children, of Floydada, and the host and hostess, Mr. and Mrs. E. B. Massie and children.

### Floydada Ladies Entertained At House Party At Crosbyton.

Mmes. Jno. Hammonds, Jack Henry, and Homer Steen were guests of Mrs. Bob Webb, of Crosbyton at a house party from Thursday until Saturday afternoon. Outdoor amusements were planned for the visitors with hikes and swims the predominating sport. A special trip was a hike up the canyon to see Fern cave. Mrs. J. M. Parsons, of Parnell, was also a guest and accompanied the Floydada ladies home and was a guest of Mrs. Hammonds Saturday night.

### Mrs. Jno. Hammonds Hostess To Bridge Club.

The Wednesday Bridge Club met Wednesday afternoon, August 10, with Mrs. Jno. Hammonds as hostess. Mrs. J. M. Parsons, of Parnell, was a guest of the club. In the games Mrs. Parsons received highest score. The hostess served a delicious ice course. The members attending were: Mmes Robert Eubank, Bert Barker, Jack Henry, Homer Steen, Alma Boyle, Roy Snodgrass and W. L. Fry.

The club will meet Wednesday, August 24, with Mrs. Robert Eubank.

### Woman's Council Will Meet Monday Afternoon.

The Woman's Council of the First Christian Church will meet Monday afternoon, at 4 o'clock. The women of the council and also the lady members of the church are requested to be present as plans will be made for the District Convention to be held with the Floydada Church, September 6 and 7.

### Party Returns From Camping Trip to Palo Duro Canyon.

Mr. and Mrs. Chas. Smith and their daughter, Miss Lavonne, and their son Chas. Truett, of Fort Worth; Mr. and Mrs. P. T. Rucker, Mr. and Mrs. W. D. Smith, Mr. and Mrs. Homer McDonald, Mr. and Mrs. L. C. McDonald and J. L. Smith, of Hillsboro, went to the Baptist encampment grounds in the Palo Duro Canyon, Thursday for a night's outing, returning home Friday night.

### Mrs. Miller Awards Medals For Work In Art.

Mrs. Olin S. Miller closed the summer session of her art class Friday, August 5, and this week awarded the gold medal offered for the best work and perfect attendance to Miss Bess Clare Smith. Silver medals were awarded to Miss Mollie Crum and Ruth Rutledge for perfect attendance.

Mrs. Miller will open her fall class September 20.

### Mrs. Martin Brown Given Surprise Dinner.

Mrs. C. P. Looper was hostess at a surprise birthday dinner Tuesday at her home honoring the birthday of her daughter, Mrs. Martin Brown. Covers were laid for the immediate family and several close friends.

### M. E. Society Resumes Meetings.

The Woman's Missionary Society of the Methodist Church met Monday afternoon at the church, the first meeting to be held during the Revival Meeting. It was a regular program day and a very interesting program was given on the subject of "Old Mexico" led by Mrs. E. B. Massie. The Bible lesson was read by Mrs. C. R. Houston. Mrs. E. B. Massie and Mrs. Wilson Kimble acted as hostesses and served

delicious punch and wafers to the members present.

The society will meet again Monday afternoon at the church. The lesson will be taken from the book "Moslem Women."

### Dr. and Mrs. Andrews Host And Hostess At Dinner.

Dr. and Mrs. V. Andrews had as their dinner guests Friday evening, Dr. and Mrs. Lon V. Smith and Mrs. Smith's mother, Mrs. H. F. Hawkins, of Chico, and her daughter, Miss Browneges Hawkins. Little Emma Louise Smith and Mary Lynn Cole were also guests.

### WILLIS-HARRIS

Miss Clara Willis and Mr. Bernard Harris, both of the Lakeview community, were married Sunday morning at 10 o'clock at the home of Rev. A. D. Moore, officiating. The bride and groom were accompanied by Misses Gladys Widner, Opal Shurbet and Estella Harris, the groom's sister; Messrs. Earl Smith, and Roscoe Jones.

The bride is the daughter of Mrs. B. C. Willis and was reared in the Lakeview community. Mr. Harris is the son of Mr. and Mrs. V. D. Harris, who have been residents of the community for the past four or five years.

Immediately after the wedding Mr. and Mrs. Harris left for Olton where they are spending a few days with Mrs. Harris' sister, Mrs. Hugh Alexander. Mr. and Mrs. Harris will make their home in the Lakeview Community.

Mr. and Mrs. G. C. Tubbs and children are spending the week with Mr. Tubbs' sister, Mrs. Walter Wells, of Amarillo. They will also visit Mrs. Tubbs' cousin, Mrs. J. P. Cameron at Claude, before returning home.

## Rural School Notes

Goodnight school is the first Floyd County school to open its year of 1927-28. School there began on August 8 with W. F. Cook and wife as teachers. Plans were to begin the school on the first of the month but an addition being made to the building required a week longer to complete than was anticipated. Goodnight will have a nine-month term, the early beginning being made so that school may be dismissed when the cotton picking season opens for the time needed to gather the crop.

### Cedar Has Teacivage

Cedar district is just beginning a two-room teacherage, fourteen by twenty-eight, material for which was contracted Saturday. Clarence Guffee, who taught at Fairmont last year, will teach the Cedar school this term.

Fairview is spending some \$800 for repairs and stucco on the district's school building preparatory for the opening of the school year. Stucco work was finished last week.

Providence is another school district that is making preparations to house their principal in a suitable home. The teacherage there is a four-room modern building. Mr. and Mrs. A. A. Brock will teach the school.

## Locals and Personals

Mr. and Mrs. Wilbur Nelson and family leave this week for a two-weeks vacation visit at Waxahachie, their former home.

BORN—to Mr. and Mrs. C. M. Martin, City, August 17, a son.

W. H. Sharp went to Olton, Sunday after his wife who has just returned from a vacation trip with her parents, Mr. and Mrs. A. S. Ert, to Colorado.

R. B. Smith and family returned Friday from their annual tour of the mountains in New Mexico, visiting the famous Carlsbad Cavern, the Ruidoso Lodge among the pines, and also at Las Cruces, Hot Springs, Carriso and Roswell.

BORN—to Mr. and Mrs. Paul Rogers, Pleasant Valley, July 26, a daughter. BORN—to Mr. and Mrs. M. C. Muse, Muncy, Aug. 5, a son.

Baker, Hanna & Co.

### The Last Tribute To A Faithful Friend— He Was Only A Dog

Callie is dead. Doggone. Where you saw one, you would always find the other—Callie and his master, A. V. Haynes. Pals they were, as only dog and man can be friends. Now, Callie is gone to the final resting place where all good dogs go. A great speeding truck crushed out his life under its ponderous wheels while he was crossing the street in front of his master's house late Thursday night, last week.

The big truck speeded on and left behind the limp form of a great dog lying there still in the road and a vacant spot in the heart of a man. For Callie was loved and petted almost as a member of the family—he was a part of the care of the household. And almost the entire populace of Floydada knew "Callie."

Twelve years ago it was that a little curly-haired pup, footsore and hungry came to the Haynes Gin and with friendly brown eyes and wagging tail begged for a home. He was taken in and given shelter and later taken to a house where a barefoot boy gathered him in to his arms with a gladdened cry.

Then followed the days when Callie was "horse" and proudly but perhaps hesitatingly pulled a two-wheel cart with a laughing boy running by his side. Years passed and the pup grew into doghood—and a big one he was—friend-

ly and shaggy—for he was an Eskimo dog in descent.

Time came for the once little boy to go away to college and the dog turned to his original friend for comradeship. The boy had paid him little attention during the high school years and he had become more and more attached to the man who first had given him shelter.

Almost inseparable companions they became—Callie and his master. And the dog grew old but he was contented and once each year his young master came to see him and there was even more rejoicing in his dog heart.

Now Callie is dead. He was only a dog but his was that faithful dogged friendship that only lovers of animals know how to appreciate. Laid to rest by the loving hands that fed him and cared for him—Callie is no more. Doggone.

### Floyd County Clubs

#### LAKEVIEW DEMONSTRATION CLUB

Lakeview Home Demonstration Club met last Wednesday afternoon, August 10, in the school building with eight members and one visitor present.

Roll call was responded to by the ladies telling what they were planning to exhibit at the community and county fair in next month.

We were sorry more of our club members were not present at this meeting. However, on next Wednesday, August 24, at 2 o'clock, the club will meet at the home of Mrs. Hambright and we hope to have a good representation present of the ladies in the community, club members and those who are not members, too.

#### SMITH-GRIGGS

W. E. Griggs and Miss Ruby Smith, McAadoo couple, were united in marriage in Floydada Monday afternoon, August 15, being accompanied for the wedding by a number of friends and relatives.

Justice J. S. Solomon officiated at the ceremony, which was performed in the county clerk's office.

### Locals and Personals

BORN—to Mr. and Mrs. R. N. Hollister, South Plains, Aug. 8 a girl.

Mrs. Sam Berry returned Tuesday from Coleman, where she spent her vacation visiting relatives and friends.

Levon Pitts, of Los Angeles, Calif., arrived Friday for a visit with his parents, Mr. and Mrs. J. W. Pitts, of Lakeview. Mr. and Mrs. Pitts and their son went to Amarillo, Sunday to visit their daughter, Mrs. Ira Read, for a few days.

Mr. and Mrs. J. C. Parker, of Ralls, came over Tuesday and will spend the remainder of the week with Mrs. Parker's sister, Mrs. H. S. Sparks.

Mrs. Audrey Craig and two children of Graham visited with her sister-in-law, Mrs. B. P. Woody, Sunday and Monday. She and her children accompanied by her father-in-law, C. M. Craig, left Monday for Spearman, where they will visit other relatives. They are expected to return here Thursday for another visit with Mrs. Woody.

Mr. and Mrs. W. M. Slinker, of Valley View, near Gainesville, arrived Monday for a visit with their daughter, Mrs. Mark H. Martin and family.

Miss Ruth Collins is visiting her cousin, Mrs. Fred Nicholson, of Kansas City, Mo. Mr. Nicholson is a league baseball player and during Miss Collins' visit in Kansas City she and her cousin will accompany Mr. Nicholson on a tour.

Ford Butler who was very seriously ill for several days last week is able to be at his work again.

T. P. Guimarin went to Amarillo last Thursday where he underwent treatment for several days for some trouble he has been having with his ears, returning home Monday afternoon.

J. S. Collins and little granddaughter, Edna Mae Nelson, who have been visiting during the last ten days with relatives at Dallas and Leonard, returned home Tuesday. He was accompanied home by his grandson, Roy Nelson, and his granddaughter, Miss Gene Smalley, who has been visiting at Dallas for the past five weeks.

Elder and Mrs. J. J. Day returned home Tuesday from Lubbock. Mrs. Day underwent an operation there at a sanitarium and is reported to be convalescing satisfactorily at home here. Mr. Day also underwent treatment for a small skin eruption on his face.

Mrs. C. J. Bush of Fort Worth is visiting her brother, Harry and J. A. Grigsby. She also visited Mrs. Will Snell, an old friend, while here.

Mrs. Will Snell and little daughter, Ruth, have returned from a visit with relatives at Waco, Turnerville and Fort Worth.

### Texas Utilities New Line Now In Operation

Crew Leaves For Post For Big Construction Job And Will Also Build To Levelland.

Construction Superintendent A. D. Chase and his big crew of men completed the new high-voltage transmission line of the Texas Utilities Company, stretching from Floydada to Ralls the latter part of last week and Sunday put the line in operation, completing the two-way power circuit for Floydada, assuring a smoother flow of energy for users of power here and reducing by half the possibilities of interruption of service to Floydada patrons of the firm.

The length of the line, which follows the highway from Ralls to Floydada, is 26.4 miles, Mr. Chase said. It comes by way of Cone, where the people will be given electric service as soon as a sub-station can be constructed, probably early this fall. Several installations including church, school, residences and motors are already assured when the sub-station is completed there, giving the people of that community this modern convenience.

Mr. Chase's crew left this mid-week, following the phasing in of the two circuits here Monday, for Southland, out of which place they will construct a high-voltage circuit to Post, re-building the system in that city, heretofore served by the Post Mills power plant.

A twenty-five mile line will also be built this fall from Littlefield to Levelland, new town south of that city.

D. R. Badgett and family of Blanco visited Mrs. Badgett's sister and family at Wilson the past week-end.

Men and women to the number of 6, 147 were enrolled last year in home study correspondence courses conducted by the department of education of the Commonwealth of Massachusetts. Students paid from \$4 to \$10 for each course, the actual cost of materials and of instruction.

### TRIPS TO STATE FAIR FOR WINNERS IN 4H CLUB WORK

Two free trips to the State Fair at Dallas this year will be given in the winners 4H Club work at the Floyd County Fair. Winner of first place will be given the trip by the Floyd County Hesperian and the same award will be made by the Floyd County Fair to the winner of second place.

In order to win the honors in this department the girls must make an exhibit of the following: club sewing, home improvement articles, five containers of canned fruit, vegetables, or meats and a history and record book. This includes a part of every subject taught the girls by the home demonstration agent.

### CALL FOR BIG BOY SODA WATER

Biggest and best on the market Made right and flavored right. Watch for the label, "Big Boy" and refresh yourself with the big, cold kind.

### FLOYDADA BOTTLING WORKS

Campbell Bros., Props.

Three additional rural elementary boarding schools, for the instruction of youth in rural sections of Mexico, will be established this year in the States of Puebla, Chihuahua, and Mexico.

Organization of a corps of "story tellers" to entertain children during the summer months is a feature of recreation and playground work of parent-teacher associations in Louisiana. School Life.

Men have been elected as presidents of 129 local parent-teacher associations in Ohio.—School Life.

Farm boys attended from 10 a. m. to 3 p. m. a recent four-weeks' special course conducted by the agricultural instructor of Arcadia (Wis.) High School. Classes were conducted in arithmetic, English, farm shops, feeding, and an hour was devoted to physical training.

## FLOYDADA HATCHERY

Located in the Duncan Building southeast of square. Will open for business Saturday, August 20.

Now is the time to start hatching for Fall friers and Spring layers.

We will hatch eggs for you or take orders for chicks. Come in Saturday with your eggs or book your orders for future hatching. See this mammoth hatchery in operation Saturday, August 20.

Trays hold 112 to 120 eggs.

### ROYAL

Friday & Saturday, Aug 19-20

WILLIAM BOYD & ELINOR FAIR

"JIM THE CONQUEROR"

Jim Burgess started out by conquering a woman, and ended by taming bad men of the western frontier. It was a long jump from Italy to Montana to settle with the man who killed his father, but Jim got his man. A great Peter B. Kyne story with a great role for William Boyd. Also good two-reel comedy.

## Formal Presentation Of The Charming New FASHIONS For FALL

Distinctively New—Decidedly Different—The Modes For Autumn

We have assembled a most distinguished collection of the loveliest styles—models that are replicas from Paris' most famous couturiers. New in silhouette, new in fabric, new in colors.

Just the type of apparel you have been seeking to complete your Fall wardrobe.

### Fur-Trimmed Coats For Women and Misses

\$9.75 to \$100.00

Simplicity of line, richness of fabric and lavishness of fur-trimming mark these coats as ultra-smart models.

Huge collars and cuffs, stoles and panels of fur harmonize or contrast with rich fabrics—lustrous pile materials or the dull suede finish.

### Delightfully New Autumn Frocks For Every Occasion

\$6.75 to \$29.75

An assemblage of frocks that fashionable women cannot help but approve and say are the latest in style.

Collection includes copies and adaptations of Parisian originals. Fashioned by noted designers. The fabrics are the very finest of the season.

Flat Crepe, Crepe Satin, Canton Crepe, French Rep, Charmeen, Fine Twill, Frost Faile, Marveleen, Wool Crepe.

There are styles for every occasion—street, afternoon, and evening wear. In all the new effects, youthful lines. In a great array of new colors.

**ORDINANCE NO. 102**

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF FLOYDADA, TEXAS:

An ordinance granting a franchise and certain privileges to the West Texas Gas Company (a corporation, with its principal office in the City of Amarillo, Potter County, Texas), and establishing rules and regulations for the use of natural gas for light, heat and power, and establishing a maximum limit for price to be charged for such gas.

WHEREAS, West Texas Gas Company (a corporation) has applied to the Mayor and City Council of the City of Floydada, Texas, to grant said Company the right to lay and maintain and operate a gas plant for the distribution of natural gas for light, heat and power within the City of Floydada, Texas, upon the following terms and conditions, and reservations, such rights and franchises to be as follows, to-wit:

**Section 1**

That the right to furnish, distribute and sell natural gas for light, heat and power, for all such other purposes for which gas may be used within the City of Floydada, Texas, for a period of twenty years from the date of the passage and approval of this ordinance is hereby granted to the West Texas Gas Company (a corporation), its successors and assigns, hereinafter called the grantee, subject, however, to the provisions hereinafter incorporated in this ordinance and for such additional period or extensions of time as may be provided by the City Council, and upon conditions then found to be satisfactory to the officials of the City of Floydada, and to this grantee, and provided that this ordinance and franchise is to be in effect and run from and after the day and date of its passage and approval.

**Section 2**

That the said grantee is to have the right to lay mains, pipes and equipment, and to construct such buildings and install such machinery or equipment and to sell or lease such equipment to the citizens of Floydada, Texas, as may be necessary or advisable in the judgment for the proper performance of the service to be rendered to the City of Floydada, and to its citizens and inhabitants to the best interest of the gas consumers and to have, at all times, access to the streets and alleys of said City for the purpose of laying such mains, pipes and equipment as may be needed from time to time during the term of this franchise, or any extension thereof, provided, that at no time shall the grantee obstruct such streets or alleys so as to interfere with the public use thereof for a period longer than twenty-four hours, and that immediately such mains, pipes or equipment is laid and tested same shall be covered and such streets or alleys shall be replaced in the same or as good condition as before such work was done.

All excavations to be properly guarded by barriers by day and by red lights at night, and the said grantee shall hold the said City of Floydada harmless from any and all damages to persons or property resulting from their negligence in the manner of constructing such distributing plant or system and guarding the same while under construction, by a good and sufficient bond executed by the grantee and some reputable surety company permitted to do business in the State of Texas, in the penal sum of Twenty-Five Thousand Dollars (\$25,000.00).

The work done in connection with the construction, maintenance and operation of said plant and transmission, transportation and distributing systems, and the location of regulating stations, vent pipes, valves, gate valves, gauges, stock boxes, manholes, low, intermediate and high pressure mains, pipes, feeders, service pipes and conduits, and service pipe extensions and all appurtenances in the streets, highways, alleys and other public places in the City shall be subject to and governed by the regulations, rules and ordinances now in force or that may be hereafter lawfully adopted.

**Section 3**

That all mains shall be laid at least two (2) feet below the surface of the ground, and so laid as not to interfere in any manner with water mains or pipes or sewer lines of said City, or pipes or conduits of other utilities already installed; and that the connections with the gas mains and pipes shall be placed and laid to the property line of the consumer at the expense of grantee, that the grantee shall not be required to extend main lines more than one hundred and fifty (150) feet to any one consumer.

**Section 4**

That said grantee shall at all times after said gas distribution system has been established and placed in operation, be prepared to furnish said City and its inhabitants with a good quality of gas for light, heat and power, and other purposes, and said grantee shall furnish such gas for all purposes for which same may be used in sufficient quantities to supply the needs of the said City and its citizens.

The said gas shall be furnished to said City and its inhabitants for domestic use at a net price not to exceed sixty-seven and one-half (67½) cents per thousand cubic feet for all gas used; provided however that gas used for heating public buildings, churches, hotels and apartments shall be sold at the following rates:

- For the first 50,000 cubic feet used per month 67½ cents per M.
- For the next 100,000 cubic feet used per month 50 cents per M.
- For all used in excess of 150,000 cubic feet per month 40 cents per M.
- That the maximum rates for industrial gas shall not exceed the rates set out in the following schedule:
- For the first 50,000 cubic feet used per month 45 cents per M.
- For the next 150,000 cubic feet used per month 35 cents per M.
- For the next 300,000 cubic feet used per month 30 cents per M.
- For the next 500,000 cubic feet used per month 25 cents per M.
- For the next 10,000,000 cubic feet used per month 22½ cents per M.
- For the next 20,000,000 cubic feet used per month 20 cents per M.
- For the next 29,000,000 cubic feet used per month 18 cents per M.
- For the next 60,000,000 cubic feet used per month 16½ cents per M.
- For the next 120,000,000 cubic feet used per month 15 cents per M.

That all above rates are to be charged for gas used through one meter only.

That all bills shall be due and payable monthly, and within ten days from date rendered, and in case of default or nonpayment within said time, the grantee shall have the right to discontinue service to said consumer, and to make an additional charge for the gas used for any purpose equal to one-ninth (1-9) of the bill rendered. And in case said consumer shall make application to have services re-established and gas re-connected with his premises, he shall be required to pay all delinquent bills, together with the penalty thereon, and to pay a cut-in charge not to exceed \$1.50 for domestic use and heating purposes, and \$2.50 for industrial use. It is further provided that the grantee shall be allowed to make a minimum charge of \$1.50 per month for gas for domestic and heating service and \$25.00 per month for industrial gas service.

All gas furnished or supplied by grantee shall be metered, and for this purpose the grantee shall, at its own cost and expense, provide and install for each consumer a good and accurate meter of standard make, to be approved by the City Council, and when grantee reads its meters to determine the amount of gas furnished each month, a copy of such reading shall be left with or at the residence or place of business of the consumer. Grantee shall also provide and maintain at its proper cost and expense facilities for testing gas meters, to be to the satisfaction of and approved by the City Council; and said grantee shall also provide and maintain, at its proper cost and expense a standard meter prover of not less than five cubic feet capacity, to be selected by the City Council, equipped with suitable thermometers and other necessary accessories which shall be maintained to the accepted standard of accuracy, all to be to the satisfaction and approved by the City Council.

Such meters shall be and remain the property of the said grantee, and the grantee shall have the right to require the customer or consumer to deposit with it a sum equal to the maximum monthly bill of the consumer, provided, however, that no deposit shall be in a less sum than \$10.00 for domestic meter, and \$15.00 for industrial meter.

**Section 5**

The natural gas to be furnished hereunder shall be at all times kept to a standard of eight hundred British thermal heat units or higher per cubic foot at the point of consumption, at a temperature of thirty-two degrees Fahrenheit, or zero Centigrade; and to determine whether the gas supplied is of the heating value above specified, the City of Floydada may have tests made by a competent analyst under recognized and scientific processes, according to the approved method of making such tests, and said tests shall be from samples of gas collected from the grantee's mains at any point or points within the City. If the result of such tests show that during a month the daily average of the gas supplied was below eight hundred British thermal heat units, then there shall be deducted from the customer's bill for gas during such month a proportionate amount, based upon the deficiency below said eight hundred British thermal heat units. In any month when such tests are being made, the city shall advise the grantee of the result of each test within a reasonable time after it is made, and the official report of such analyst, of which said grantee is so advised, shall be taken and accepted as the agreed prima facie correct test of the heating value of the gas furnished during such month, and thereafter until a different result is determined or ascertained in a similar manner; said grantee shall furnish gas to consumers at a pressure of not less than four ounces, nor greater than eight ounces, measured at the consumers' meters outlet.

Said grantee shall supply and install not less than four, and as many as may be needed approved self-registering pressure and gas gauges capable of recording the pressure of the gas, in the mains at points in the city designated by the City Council, and said self-registering pressure gauges shall be placed at stations which, in the opinion of the City Council, fairly represent the pressure on adjacent territory; and such station shall be securely inclosed under locks, and duplicate keys to said stations shall be retained by the City Manager, or some officer authorized by the City Council; and such self-registering pressure gauges shall be equipped with removable recording dials to record the pressure, and the said City Manager, or some representative authorized by the City Council, shall remove or cause to be removed from said pressure gauges the pressure records of the preceding period, and provide the gauges with recording blanks for the next period during which such record is desired by the City; and each record taken from such pressure gauges shall be filed in the office of the City Secretary of the City of Floydada, and a record thereafter be entered upon the books of the City by the said City Secretary; and the said City Manager, or some representative authorized by said City Council, shall keep self-recording dials in said pressure gauges continuously for a month, or as often as is required by the City Council; and the said gauge record and the said book record shall each be competent and prima facie proof of the pressure at the point at which such record was made at the time as shown by said gauge record.

Each consumer of gas shall install and maintain suitable piping within his property lines and suitable appliances and fixtures, except meters, subject to the approval of the City Council, or such supervisor, inspector or other representative as may be authorized by said City Council to pass upon the same.

**Section 6**

The City reserves the right to lay and permit to be laid electric conduits, water and other pipe lines or cables, and to do and permit to be done any underground work that may be deemed necessary or proper by the City Council, in, across, along or under any street, alley, highway, or other public place occupied by the grantee; and whenever, by reason of changes in the grade of any streets, or in the location or manner of constructing any water pipes, electric conduits, sewers or other underground structure, it shall be deemed necessary by the City Council to alter, change, adapt or conform gas

mains and service pipes of grantee, such alterations or changes shall be made by the grantee when ordered in writing by the City Council or any supervisor or other representative of the City Council so authorized to act, without any claim for reimbursement for damages against the said City; said grantee shall indemnify and save harmless the City of Floydada from any and all claims for injury or damages to persons or property occasioned by or arising out of the construction, maintenance, operation or repair of said grantee's transmission, transportation and distributing system, and by the conduct of the business in the City.

**Section 7**

The right to use the streets, alleys, highways or other public ways or places of the City of Floydada by the grantee, as provided in Section 2 above, shall be and is subject to the following restrictions, limitations and conditions, viz: that in building additional mains or lines of pipe, said grantee shall build and construct the same along and under the alleysways, where alleys exist, rather than along and under streets, and shall only use the streets for same insofar as may be necessary in connecting from one alley to another; and said mains and pipe line shall be so laid that the top of said main or pipe line shall be placed below the surface of the street or alley and so as to protect all paving, wire cables, water pipes, underground wires or sewer laterals, and shall be so constructed and located with reference to water lines and sewer mains as not to interfere therewith, and under the direction and to the satisfaction of the City Council or the City Engineer.

**Section 8**

That the City Council hereby reserves the right to install at the point where said grantee receives its gas for distribution in the city a meter through which all gas distributed to the City and its inhabitants shall be passed, an adequate self-registering pressure gauge adequate to record the amount of gas distributed to the City and its inhabitants and the pressure at which the same was received by the grantee. Said grantee shall also supply and install one distant pressure gauge under the direction of the City Council and at the place designated by the City Council, which will indicate the pressure at such designated point, said gauge to be placed in the City Hall in the office of the City Engineer.

**Section 9**

That said grantee shall make, not oftener than each six months, reports to the City Secretary of the City of Floydada, under oath of the President, Treasurer or Superintendent of such company, showing the gross amount received from the business done within the city in payment of charges of gas for the six months next preceding.

**Section 10**

That after the said gas distribution system shall have been fully constructed, equipped and in operation as herein provided in the City of Floydada, if the said grantee shall then fail to substantially comply with the conditions of this franchise, the City of Floydada shall have the right by ordinance duly passed therefor to forfeit all the rights and franchises herein granted to the said grantee, provided that the City of Floydada shall give the said grantee, its successors and assigns, sixty (60) days' notice in writing, specifying the conditions claimed to have been violated, and giving full and fair opportunity to be heard thereon before declaring such forfeiture, which notice shall fairly and fully set out all of the conditions claimed and complained of and shall be given by the said City and shall be signed by the City Secretary under the seal of said City, after having been properly authorized by the Mayor and City Council of the said City; provided, however, that the said grantee shall have sixty (60) days after receiving such notice in which to rectify and correct such violations and to substantially comply with the terms and conditions of the ordinance; should the violations of this ordinance so complained of not have been rectified and corrected and the terms and conditions of this ordinance fully complied with at the end of said sixty (60) days, then, and in that event the City shall have the power to forfeit this franchise on account of the violations specified in said notice. That in case of forfeiture as herein provided, the City of Floydada reserves the right to purchase the distributing plant of the grantee at its fair appraised value or to allow the grantee to remove same within one year from the date of such forfeiture, provided, that before any of said property may be removed, the grantee shall be required to give to the city a good and sufficient bond that the streets and alleys will be placed and left in as good condition as found.

For each and every breach or violation of any of the provisions of this ordinance by the grantee, it shall be liable to a penalty of Twenty-five Dollars to be recovered in any court of competent jurisdiction by suit, of any person, firm or corporation injured or damaged by such breach or violation; and if the breach or violation shall be a continuous one, each day during which such breach or violation continues shall be deemed a separate breach or violation and a separate ground of recovery against the grantee.

**Section 11**

That in further consideration of the privileges and franchise granted to the West Texas Gas Company, it shall adopt and use any and all reasonable safeguards to provide for the protection of persons or property against injury or damage growing out of the use of gas and that they shall construct and maintain in good order all mains, pipes and equipment used in said City for the distributing of gas, and shall always be prepared to furnish said City and its inhabitants a sufficient quantity of gas for all purposes; provided, however, that in case of explosion or accidents of any character or nature beyond the control of grantee, to the main lines or to the distributing system provided herein, or shortage of gas supply in the fields from which the grantee secures the gas and the grantee is not able on account of such unavoidable conditions to furnish gas for all purposes, that preference shall be given domestic consumers, schools and hospitals in the use of gas until such time as the supply may prove adequate for all purposes. Provided further that grantee shall not be liable for any damage resulting from such accidents either to the lines of the grantee or to the

lines on property of consumers.

**Section 12**

That this franchise is granted to the grantee herein on the representations and distinct understanding that similar franchises have been, will be or may be granted to it by the Cities of Plainview, Canyon, Tullia, Lockney, Slaton and Lubbock, and that each franchise will provide for the sale of gas at the same price and that payment therefor will be made on the same terms, as provided herein, and it is hereby provided that if at any time any one or more of the above cities makes the requirement that gas shall be sold at a lesser price, or on more favorable terms, and the same are acquiesced in by the grantee, or if the grantee at any time sells to any of the above cities, or the inhabitants thereof, at a lesser price, or on more favorable terms of payment, then and in that event the City shall have and hereby reserves the right to amend this franchise to provide for the sale of gas at the same price or prices for like use, and on the same terms of payment granted to any one or more of the above cities, and the inhabitants thereof, the purpose of this provision being to provide that the rates for the sale of gas for like use and the terms of payment thereof, shall be uniform in this and all of the above named cities, provided however, that in the event gas is found at or near any of the above named cities of sufficient quality and in sufficient quantities to be used therein, that the above provisions as to the equalization of rates shall not apply.

**Section 13**

It is provided that the grantee shall in good faith begin the construction of its main lines and distributing systems by \_\_\_\_\_, and shall complete such main line by \_\_\_\_\_, and shall be prepared to serve gas to consumers on or before \_\_\_\_\_, provided, however, that grantee shall not be liable for time consumed out of such period by strikes, acts of providence, acts of constituted legal authorities, or acts beyond the control of grantee.

**Section 14**

That the grantee herein shall have the right and privilege of assigning this franchise and all the rights and privileges granted herein, and wherever the word "grantee" appears herein it shall be construed as applying to its successors and assigns.

**Section 15**

This ordinance shall take effect and be in force from and after its passage and approval and publication as provided by law.

PASSED AND APPROVED THIS THE 12 day of July, A. D. 1927.

W. D. SMITH,  
Mayor, City of Floydada, Texas.

W. H. SEALE & COMPANY'S SALE  
VERY SUCCESSFUL AT MULESHOE

Success in a marked degree with the auction sale of dry goods is reported by the Muleshoe Journal in connection with a business venture in Muleshoe undertaken by W. H. Seale, J. R. Maddox and O. B. Olson of this city. The Journal carries the following

story in its issue of August 11: "The firm of W. H. Seale & Company put on an auction sale of their dry goods last week and from all reports reaching this office it was a grand success for the customers and the firm. Hundreds of bargains were passed over the counter. W. H. Seale is an auctioneer of many years experience and knows how to handle the trade. Messrs. Seale, Maddox and Olsen have made hundreds of friends during their stay here. They will likely make an announcement in this paper about their plans. Look for it, and if it does not appear check them up. We would like very much to have all the above men make their homes with us. Welcome to the city, boys."

Elder J. T. Corder, of Tullia, who conducted a meeting at Baker last week, spent a part of his time in Floydada and renewed acquaintances here.

The Hesperian \$1.50 year.

**AN EXHILARATING EFFECT**  
A bottle of Herbine on the shelf at home is like having a doctor in the house all the time. It gives instant relief when the digestion gets out of order or the bowels fail to act. One or two doses is all that is necessary to start things moving and restore that fine feeling of exhilaration and buoyancy of spirits which belongs only to perfect health. Price 60c. Sold by

Arwine Drug Company

# Racing drivers know

FOR the past four years practically all the winning drivers of every automobile race sponsored by the American Automobile Association have used Ethyl Gasoline.

Racing drivers demand maximum power from their cars—just as you do—and you get it when you use Conoco Ethyl Gasoline. Power on hills, pick-up in traffic, no knocks, these are your rewards when you use Conoco Ethyl.

Look for the Conoco sign.

# Rhodes Junction

My new town at the junction of the Fort Worth and Denver lines northeast of Lockney, has been named Rhodes Junction. Mrs. Fermin, wife of the Chief Engineer of Construction, suggested the name and the prize of \$25 has been paid to her.

Plating of the new town has been completed, lots are priced, and if you'll get on the ground you'll see the ideal layout for a townsite.

## Look Over The Location

See for yourself. Surely this is the place for the new town on the Denver, at the intersection of the Silverton-Lubbock and the Estelline-Plainview lines. The site is in the right place and it drains well.

If interested in building at Rhodes Junction, see D. P. Carter at the office of Baker Mercantile Co., or

### J. E. DICKEY NAMED DEALER FOR PONTIAC AND OAKLAND

J. E. Dickey, of Floydada, has been named associate dealer in this territory for the Pontiac Six and its companion car, the Oakland, following a recent survey of the county by representatives of the factory, who expect the two cars to prove very popular with people of this section in their respective ranges.

The Oakland comes in seven models and the Pontiac in six models. "Following the announcement of the reduced prices recently made by the factory on these General Motors products, and the opportunity presenting itself for the dealership here, I decided to accept the associate dealership and believe that these companion products are going to prove mighty popular with people of Floyd County," Mr. Dickey said to a representative of The Hesperian Monday. "Checking price for price on any of the models with the high-class motor products now coming on the American market, it seems to me that there is unmistakably a place for the Pontiac and the Oakland here."

Mr. Dickey is a member of the Star Cash Grocery firm, popular south side merchants. He is not severing his relations with this firm but will give the major portion of his time to the automobile dealership. He has had experience in automobile sales, having formerly been associated with a large agency in southwestern Oklahoma.

### 'JIM THE CONQUEROR' KYNE'S STORY AT ROYAL THIS WEEK

One of Peter B. Kyne's greatest stories will be seen on the screen when "Jim the Conqueror," featuring William Boyd, Elinor Fair, Walter Long, Tully Marshall and Tom Santschi, comes to the Royal theatre Friday and Saturday. The author of "Cappy Ricks" seems to have the happy faculty of writing stories that retain all their vitality and picturesque characterization when put into the silent drama, and "Jim the Conqueror" is no exception. The dramatic theme of the picture is the bitter fight for possession of waterhole rights on the great western plains, waged by the sheepmen and cattle barons of the wide open spaces.

The picture was made under the direction of George B. Seitz, who was responsible for such successes as "The Vanishing American," "The Last Frontier," and "Pals in Paradise." Will M. Ritchey adapted the story and also supervised the production.

### Locals and Personals

Roy A. Baker and Harvey Assiter left Tuesday for a trip of several days downstate, planning to visit at Dallas, Fort Worth and Denton before their return home.

Mr. and Mrs. Phil Scott, formerly of this city, now resident four miles northeast of Silverton, were visitors in Floydada Monday. A big rain fell at their place Friday of last week they said.

Mr. and Mrs. Baird Bishop of Kress returned home Sunday. Mrs. Bishop and children had been visiting here for the past few days and Mr. Bishop came after them in the car, returning Sunday morning.

Ross Stark, who has been Santa Fe agent at O'Donnell, Texas, for the past two years, has been transferred to Floydada for the present as cashier, taking the place of C. E. Duncah, who is on a vacation.

Mr. and Mrs. A. J. Farrar and son, A. J. Jr., of Waxahachie, Texas, have been visiting G. I. Dunavant and family for several days. Mrs. Farrar is a sister of Mrs. Dunavant.

H. H. Graham and K. A. Krause spent Friday and Saturday of last week in New Mexico on business, going as far west as Endee and Glen Rio.

Mrs. T. J. Kirk, mother of Mrs. Wilbur Nelson, and Mr. and Mrs. Bert Hickman, of Waxahachie, left for their home last week after a visit of some two weeks here with the Nelsons. Crop conditions are good in Ellis, they reported.

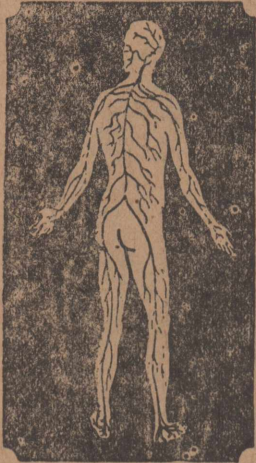

B. L. Blacklock, buyer for Baker-Campbell Company, returned to Floydada last week after spending some two weeks in the markets buying fall and winter merchandise. Mrs. Blacklock and children visited in Abilene during his absence.

Foot Troubles affect the whole system

Don't neglect your feet

Free Foot Comfort Demonstration

Monday, August 22.

By an Expert from Chicago

Pains in the feet go through the nervous system to remote parts of the body, causing distress which nothing will remove till the real trouble is corrected.

Whatever may be the cause of your suffering—weak or broken down arches, weak ankles, painful heels, crooked or overlapping toes, excessive perspiration, corns, callouses or bunions—you can rid yourself of it permanently and quickly.

On the above date a Foot Comfort Expert from the Staff of Dr. Wm. M. Scholl, will be at our store. He is thoroughly trained in Dr. Scholl's methods of foot correction and he will make Podo-graph impressions which reveal the exact nature of any foot trouble, and demonstrate how the correct Dr. Scholl Appliance or Remedy will relieve you.

FREE SAMPLES Come in and get a free sample of Dr. Scholl's Zino-pads for Corns. They give instant relief and remove the cause—friction and pressure.

Dr. Scholl's Walk-Strate Heel Pads correct faulty walking and standing, and prevent crooked and run-over heels. Absorb shock. Saves repair bills. 35c per pair.

Dr. Scholl's Zino-pads give instant relief from painful corns. Thin, medicated, antiseptic, protective, healing, safe and sure—35c.

## Cooking Chats with 6 Famous Cooks Starts Today in THE HESPERIAN

Six of the country's most famous cooks who are contributing many splendid cooking articles.

A POST-GRADUATE course in cooking! That's what we are giving our women readers, commencing today. Here's an opportunity to increase your cooking skill through the experience of experts.

Six nationally famous cooking authorities have contributed to this series. Their favorite, tested recipes and many practical household suggestions make many instructive, easy reading articles. You have heard of every one of these famous cooks. But here's just

a brief description of each.

Mrs. Sarah Tyson Rorer, the "Philadelphia Cooking Expert," is a pioneer cooking teacher, and author of many cook books.

Besides being principal of the Boston School of Cookery, Miss Lucy G. Allen has written many cook books, among them, "Table Service" and "Choice Recipes for Clever Cooks."

Mrs. Belle DeGraf, San Francisco, is known country-wide as a home economics counsellor. And Mrs. Kate Brew Vaughn, Director

of the household economics department of the Los Angeles Evening Express, gives cooking instructions to more than 100,000 women annually.

Miss Margaret Allen Hall is on the faculty of the famous Battle Creek College of Home Economics. Nutrition work is her specialty. Miss Rosa Michaelis is demonstrator for the New Orleans Housewives' League.

Start now to read this instructive, interesting series. And watch each week for the "Cooking Chats."

### Center News

Center, August 16.—Our community is wishing for a real good rain. We are not especially suffering but we think it would hasten the already late crop to mature earlier.

We had our regular services Sunday. The Rev. Chambless of Tulia filled Bro. Bost's appointment here and had a big crowd out to singing. We had visitors from Campbell, Mt. Blanco, Baker, Roseland and Liberty.

Mr. Noland and family took Sunday dinner with Mrs. Montgomery.

Miss Lillian King is here visiting now. She will spend two or three weeks with relatives in Floydada and will visit friends in this community.

Rev. Meredith and family plan to move to Aiken tomorrow.

Mr. Golightly and family plan to move to Plainview this week.

We shall surely miss these two good families from our community and especially the church work. But we hope and wish for them the best in their new homes.

Mrs. Veach and children took Sunday dinner at the Lightfoot home.

Mr. and Mrs. Tivis took dinner at the Jernigan home.

Mr. Golightly has a niece from Clovis New Mexico, visiting them. Lee Golightly left Sunday morning for Abilene after a week's visit with home folks.

Bro. Meredith and family and C. M. Meredith and family took Sunday dinner at the Jordan home.

Mrs. O. T. Higgins, visited Mrs. Tom King one day last week.

A number from this community have been to the Lewis orchard for apples the past week.

Mr. and Mrs. Mankins took dinner at the C. O. Spence home Sunday.

Mrs. A. L. Spence received word Saturday that a brother in Kansas was seriously ill.

Mr. and Mrs. T. J. Gill expect to leave Wednesday for a three weeks' visit in Franklin County and perhaps other east Texas points.

A few have been attending the Rev. G. O. Deen meeting at Campbell.

### Pleasant Hill

Pleasant Hill, Aug. 15.—W. C. Watson of San Angelo, visited last week with his sisters, Mrs. R. M. Battey and Mrs. J. R. Evers.

Visitors in T. J. Cardinal's home last week for several days were little Miss Patsy Lecuyer, of Cloud County, Kansas and Neff Cardinal's daughter, of Plainview.

Mr. and Mrs. Frank White, of Dallas spent Friday night with R. M. Morgan's family. They were former neighbors and close friends in Oak Cliff.

Misses Winnie Rae Shelton, Dora Elsie Lloyd, Lucille Evers, and Elizabeth Woolsey spent Sunday with Miss Stella Furrow.

We are glad to hear that the little baby of Mr. and Mrs. J. G. Shearer is improving. They took him to Dallas two weeks ago for a very serious operation.

E. J. Loe was right sick a few days last week but is able to be up and about.

Mrs. A. T. Pratt has been on the sick list, but is improving.

Cline Lavender and family of Hillsboro visited Mrs. J. R. Evers last week.

Fletcher Day and wife from Amarillo, visited his mother, Mrs. Day, last week. Mr. Morgan is teaching singing classes at Sand Hill and McCoy this week, teaching one place in the morning and the other in the afternoon.

We are asked to announce there will be a meeting at the school house Saturday night for the purpose of deciding on having a community exhibit this Fall at the County Fair.

Ed Bishop has promised to be with us and we urge everyone in the community to be here.

Garland Nichols and family, of Howard County, spent last mid-week as the guest of Mr. Nichols' aunt, Mrs. T. B. Gross, of Sand Hill.

Mr. and Mrs. C. E. Neil and Mr. and Mrs. T. L. Callaway returned Friday of last week from Oklahoma City, where they spent a short time and Mr. Callaway delivered a sport model Buick touring car to Mr. Neil.

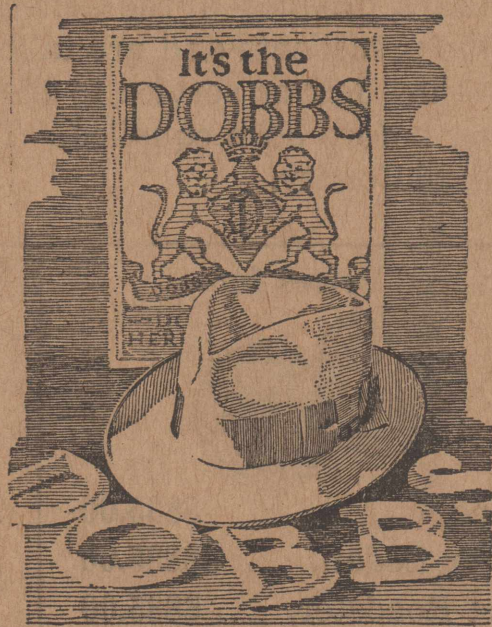

### MISS MARTHA COX OF LOCKNEY TEACHES VIOLIN IN FLOYDADA

Miss Martha M. Cox of Lockney will have charge of the violin work in the Floydada Conservatory of Music this year, according to the former director, Mrs. L. E. Fagan. Miss Cox has been spending the past five years in the conservatory of music at Indianapolis, Ind.

The school of music here this year will be supervised by state officials and the State Supervisor will visit the school at intervals of six weeks, the announcement states.

Mrs. Fagan said, "I have enjoyed my work in this line, and look forward to a greater advancement in the new conditions and especially interest in the State Supervisor of music."

Mr. and Mrs. Jno. Hammonds had as their guest Saturday night, Mrs. J. M. Parsons, of Parnell. Mr. and Mrs. Hammonds took Mrs. Parsons home Sunday afternoon.

Dobbs Felt Hats  
Service and Style

At \$8.50

When you divide the \$7.50 to \$8.50 you pay for a Dobbs Hat by the days of its service you realize what a great "buy" a Dobbs Hat really is.

All of its style is an extra dividend payable every time you wear your Bobbs.

WOOD BROS.  
South Side Square

### Floyd County Clubs

#### PROVIDENCE CLUB

The Providence club met at their club room on August 9. There were eight members present. Miss Bass did not meet with us as this is the month for her vacation and we are not expecting her back until in September, or one more meeting before the County Fair.

We talked on how to use the whole wheat flour in our cooking but did not have any demonstration on the use of it. Mrs. T. E. Cowart read a very interesting report of her time spent at A. & M. Short Course in July. Mrs. Jones brought home with her some very good pictures of the buildings and places on the grounds there which we all enjoyed looking at very much.

Our next meeting will be on August 23. We hope to have a goodly number of our members that are at home, as quite a number are gone off on vacation trips, to come to our meeting and let us get our work all finished up for our Fair that will be held the last of next month. We want our work all completed and on time.

#### NOVARRO PLAYS IN SPANISH ROLE IN 'LOVERS' AT OLYMPIC

Ramon Novarro, son of old Spain, reverts to type in his latest role. He is playing a Spaniard for the first time in years, after being an American in "The Midshipman," a Hebrew in "Ben-Hur," an Englishman in "A Certain Young Man," a Frenchman in "Scaramouche," and other nationalities in other plays of recent date.

Novarro plays "Ernesto" to Alice Terry's "Teodora" in the Metro-Goldwyn-Mayer production of "Lovers," which comes to the Olympic Theatre next week. John M. Stahl, director of "The Gay Deceiver," "Memory Lane" and other hits, is at the megaphone.

The story is a vivid drama of modern Spain, its drama hinging on the subtle dangers of gossip and scandal as affecting the lives of the innocent. Novarro plays a young Spanish aristocrat, protegee of a statesman and his wife, the roles played by Edward Martindel, noted stage star, and Alice Terry, heroine of "The Magician," "Mare Nostrum" and other hits.

The cast includes Edward Connelly, George K. Arthur, Holmes Herbert, Lillian Leighton and others of note.

The play was elaborately staged with lavish reproductions of Spanish cities and other interesting and colorful detail.

### Locals and Personals

Kight Dickey and A. B. Keim made a business trip to Amarillo, Tuesday.

Mr. and Mrs. A. J. Allen, of Chico, and their son, Frank R. Allen and wife, of Fort Worth, arrived Monday for a visit with another son, Walter W. Allen and family.

Mrs. W. I. Cannaday and Mrs. R. C. Henry visited in Plainview, Friday afternoon.

Leslie McBride returned Sunday from Fort Worth, where he has been during the past week on business.

Daily and Theron Bishop and Alan and Raymond Berry returned home Saturday night from a trip to Waco, Dallas and Fort Worth, where they visited friends and relatives.

Miss Jennie Lewis, Mrs. Jim Houston and her niece, Miss Margaret Probst, of San Antonio, were visitors in Plainview, Friday.

### What's Doing In West Texas Today

**STAMFORD**—The official call for the mass meeting of citizens of West Texas in particular and Texas in general to be held in Abilene, Texas, August 18, for the purpose of discussing water rights of Texas has been issued from the headquarters office of the West Texas Chamber of Commerce upon authority of President J. A. Kemp of the Texas Conservation Association and of R. W. Haynie, president of the regional organization of the West.

Governor Moody, Attorney General Pollard, and the Board of Water Engineers, as well as other state officials, have been invited to attend the meet. The water right problem is attracting state wide attention of leading business men, farmers, and other interested parties and it is expected that a record breaking crowd will be on hand August 18 to take part in what is scheduled to be an open forum discussion.

In the official call as issued it is stated that the Texas Conservation Association and the West Texas Chamber of Commerce expect to oppose resolutely and efforts that will place the agricultural, livestock, or industrial interests of the State in jeopardy. The call announces, also, that the conference will disseminate information relative to the rights of landowners with regard to runoff waters and the need for protection thereof. Such action as is deemed necessary and justified will be taken at the mass meeting.

**WEINERT**—Cotton in this community is reported as good. There is but little complaint of worms, this coming from the sandy land district. A good rain is needed. Many farmers here are spending more time on poultry, turkeys, hogs, and better type milk cows.

**HAMLIN**—Considerable improvement has been made in Hamlin property recently. A local filling station, tailor shop, and another business concern have been worked on, making them more modern and convenient. Three new modern residences are being erected in the southern part of town and other building is under way.

**PANHANDLE**—The name of "Panhandle Chamber of Commerce and Agriculture" has been adopted here due to the widening activities of the commercial organization. Roy Arnold has been re-elected secretary for another year, and new officers have been chosen. Fifteen new directors will look after agricultural interests of the section.

**WELLINGTON**—President R. W. Haynie of the West Texas Chamber of Commerce will be initiated into the district convention work of the organization August 25 when he attends the Panhandle-North Plains regional gathering to be held here at that time. Following attendance at this his first district meeting, he will attend the Hills Country Convention at San Saba in September.

**EDEN**—Highway No. 9 Association is now at work. Organization of the group was offered here August 4 when representatives from Big Spring, San Angelo, Brady and Mason met in session at the call of interested citizens of this district.

**MIDLAND**—The Midland Chamber of Commerce is sending their secretary, Paul T. Vickers, to the national school for commercial secretaries which will be held at Northwestern University, Evanston, Illinois, on August 22 and through September 3. The school will give its attendants opportunity to hear experiences of from 350 to 400 leading secretaries of the nation.

#### START WORK ON TWO BUILDINGS TEXAS TECH COLLEGE CAMPUS

Lubbock, Texas, Aug. 17.—With only a few weeks before the opening of the fall term, work has been started on the construction of two new buildings of the campus of the Texas Technological College. The contracts for the new buildings were authorized by the board of directors of the college in their meeting at Dallas, Monday.

The contract for the Home Economics practice house was awarded to W. G. McMillan, of Lubbock, for which \$20,000 was appropriated. The contract for the erection of the \$20,000 temporary agricultural building was awarded to J. B. Maxey, of Lubbock.

The construction of the buildings will be rushed in order to make additional room space for the classes of the two schools. A number of students of the college are to work on the buildings during their construction.

#### HUMPHRIES IN RALLS MEETING

Rev. G. P. Humphries, formerly of this city, engaged this week in a revival meeting at Ralls for the Cumberland Presbyterian Church of which he is pastor, beginning the meeting Sunday night. Rev. Ernest Jennings, of M. A. Church, has charge of the song service.

Friday Rev. Humphries and Rev. A. C. Ales, the latter pastor of the Petersburg Methodist Church, closed a joint meeting held in that city for two weeks.

#### SINGING AT CAMPBELL

A singing school was opened at Campbell Monday afternoon at 7 o'clock. C. M. Byles is in charge and attendance has been good, according to reports. The classes are meeting at the Campbell school house.

C. V. Duncan of Canyon was a business visitor here Friday of last week.

Mr. and Mrs. L. C. McDonald were visitors in Plainview last Friday.

#### 35 POSITIONS OPEN

Last month—many more this month. \$1,000 to \$1,200 salary sure when you qualify here. All the Southwest to select from. Write today for Catalogue M, list of positions, and Special Summer Offer on scholarships good at any time. Address Draughton's College, Abilene, Dallas, or Wichita Falls, Texas.

## Cooking Chats with 6 Famous Cooks

(Courtesy of the Domestic Science Department, Perfection Stove Company)

### SOUPS AND THEIR SERVICE

(Editor's Note: This is the first of a series of special cooking articles by 6 famous cooks, running exclusively in this paper.) One of the finest aids to good digestion is a good soup. Most Americans neglect this healthful dish. The French, noted for their good cookery, are expert soup-makers, and make innumerable savory, tempting varieties. Eventually, it is said, every meat and vegetable finds its way to the French soup pot.

Soup is really a messenger. It tells the stomach to get ready for the meal to come, and gets the digestive juices to working.

**Light Soups with Big Meals**  
Bouillions or clear soups, piping hot, are best to serve with big meals. When soup is the main course, heavy cream or meat-vegetable soups should be served.

Mrs. Belle DeGraf, home economist of the San Francisco, highly recommends Coppas Tomato Soup.

**Coppas Tomato Soup**  
1 quart stewed or canned tomatoes  
1 carrot cut fine  
1/2 onion cut fine  
1 cup celery cut fine  
1 green pepper shredded  
2 whole cloves  
1/2 teaspoon peppercorns  
1 teaspoon salt  
Dash of white pepper  
Put all ingredients into a saucepan and simmer about half an hour; strain and reheat. Pass grated cheese or add 1 tablespoon to each service. This makes a hearty dish.

**Washington Chowder**  
Washington chowder is almost a meal in itself. Add a simple salad and dessert for a well-rounded menu. The recipe is given by Miss Margaret Allen Hall, nutrition specialist, Battle Creek College of Home Economics.

2 medium sized potatoes  
1/2 small onion  
1 cup stewed tomatoes  
1 cup milk  
1 1/2 cups water  
1 teaspoon salt  
1 cup corn  
Slice the onion and cook with the potatoes in the boiling salted water. When tender, add the tomatoes and corn and bring to the boiling point. Heat the cream and milk and add to the vegetables just before serving. (14 tablespoons milk and two tablespoons melted butter may be used in place of one cup of cream.)

**Cucumber Soup**  
An unusual way to prepare cucumbers is given by Mrs. Sarah Tyson Rorer, the Philadelphia cooking authority—cucumber soup.  
Grate two large onions and one large green pared cucumber into a pint of water. Cover and simmer 10 minutes.  
Add a quart of milk, and two tablespoonfuls of cornstarch moistened in a little cold water. Stir until it boils. Add two tablespoons of butter and stand to keep warm. Season with salt and pepper when serving.

**Cream of Celery**  
Mrs. Rorer's celery soup is simple to prepare, too. Chop fine enough outside celery to make a pint (2 cups). Cook for 15 minutes in a pint of boiling water.  
Add a pint and 2 cups of milk, a teaspoon of salt and a dash of pepper. Rub together two tablespoons of butter and flour. Add. Stir each constantly until it comes to the boiling point. Strain and serve.

The modern oil stove is a great saver of time and energy. No kindling is required; no bulky fuel storage. And the heat is so easily controlled.

**The Best Base**  
Thin white sauce is the basis for cream soups. Use the following proportions:  
1 tablespoon flour  
1 tablespoon butter  
1 cup liquid (milk or stock, or a combination of the two)  
Melt butter and stir in flour gradually. Stir constantly until foamy. Add liquid slowly, stirring all the time to prevent lumps. Bring to the boiling point.  
Make white sauce in a double boiler to prevent scorching.

**Suggested Soups**  
With the white sauce base many soups can be made. For potato soup, add 1/2 cup mashed potato and a small onion for each cup of white sauce.  
Good cream of tomato soup is made by heating separately 1/2 cup of tomato for every cup of white sauce. Add a teaspoon of soda to tomatoes to prevent curdling. Bring white sauce to the boiling point, stir the tomatoes into the white sauce.  
Peanut butter soup, especially liked by children, and good for invalids, is made by adding 1 tablespoon peanut butter to each cup of white sauce.

**Formal Service**  
When entertaining formally, the table will be set with service plates. Serve the soup in bouillon cups or soup plates with saucers under them.

**Drink from Cups**  
When clear soups are served in bouillon cups, it is permissible to drink from the cup after tasting 3 or 4 spoonfuls.  
Of course the soup is always dipped from the back of the plate. "Like little boats put out to sea, I dip my spoon away from me."  
Soups are always relished, especially on cool days. Work them into your menu often.  
Soup belongs in the diet. Don't neglect it.

An easy way to clean oil stove burners is to boil them in sal soda. Dry thoroughly.

(Watch for next week's special cooking article by 6 famous cooks.)

### Locals and Personals

O. L. Stansell and family returned last week from Sulphur, Okla., where they spent a vacation of several days.  
W. L. Tubbs and family, of Shawnee, Okla., left last week for their home after a visit of several days with his parents, Rev. and Mrs. G. W. Tubbs, and other relatives here.

Rev. Bert B. Hall and wife, of Denison, Texas, are here on a vacation visit with W. H. Meachum and family, Mmes. Hall and Meachum being sisters. Rev. Hall is pastor of the Trinity Methodist Church at Denton.

W. Ed Brown and family returned home last week from a vacation trip to points down-state, visiting at Denton, Dallas, Waco and San Antonio during an absence of more than three weeks.

Rev. W. L. Tubbs, of Houston County, formerly missionary of the Floyd County Baptist Association, is here to assist his brother, Rev. G. W. Tubbs in a ten-day meeting at Mt. Blanco, which opened the first of this week.

J. C. Fox and family returned Friday of last week from a pleasure trip into the mountains of North Arkansas, where they greatly enjoyed a three-weeks stay.

Sheriff P. G. Stegall was among the West Texas Sheriffs who attended the meeting of the district association at Lamesa last Friday. He returned home Saturday morning.

### Mrs. M. E. Walling One Of County Pioneers Dies

Mrs. M. E. Walling, one of the pioneer settlers of Floyd County, died at her home in this city Tuesday, following an illness since Thursday of last week after a stroke of apoplexy. She was 73 years of age and is survived by five daughters and a son, all of whom were at the bedside at the time of her death.

Funeral services were held at the Church of Christ on South Wall Street, Wednesday afternoon at 3:30 o'clock, conducted by Elder C. W. Smith, assisted by Elder Chas. Watkins. Interment was made in the Floydada cemetery with the F. C. Harmon Undertaking Company in charge.

Deceased was a resident of Floyd County for eighteen years. Mrs. Walling was a daughter of Geo. and Hattie Parling of Alabama. She was married to John Walling, a native of Texas, on August 12, 1884 in Cook County, Texas. Mr. Walling died on March 6,

1894 in Montague County, Texas. He was a soldier in the Confederacy.

Mrs. Walling moved with her children to Floyd County in October 3, 1909, and had made her home here since that date. She has been a member of the Church of Christ for many years.

Surviving members of the immediate family are five daughters: Mrs. R. O. Thomas of Clarendon; Mrs. J. P. Ryals of Elmer, Okla.; Mrs. J. W. Crump of Ralls; Mrs. M. B. Cavanaugh and Mrs. Ben Morton, city; and a son, Abner Walling of Burkburnett. All were present for the funeral services.

Among the out-of-town residents who were present for the funeral were: R. O. Thomas of Clarendon; J. P. Ryals of Elmer, Okla.; W. W. Porter and son of Colorado City; Mr. and Mrs. J. K. Jackson and daughter of Abernathy; Mr. and Mrs. A. L. Sisk of Abernathy; Mrs. W. H. Shell and sons, Frank and Fred, of Ralls; Mrs. K. Clements of Plainview, and others.

Several business firms in Floydada were closed Wednesday out of respect for the deceased.

### Sunday Closing Day For Union Revival Meeting

(Continued from page one)

Christian Work." This will mean those who want to dedicate themselves to some particular line of Christian work, like the ministry, gospel singers, missionaries, pastoral helpers, Christian teachers, etc.

At the morning service a big circular picture will be taken of all present. It is expected that record attendances shall be made at the Sunday Schools and at the Tabernacle Sunday morning.

Sunday afternoon Dr. Lockhart will give his address to men on "Real Americanism," but all women and girls are also invited to this service. The farewell message Sunday night will be on the topic, "Lost or Saved." These three big services on Sunday will close the work of the "Lockhart Quartette" in Floydada. The evangelists will leave Monday morning for their home, Des Moines, Iowa.

The meetings all this week in the District Court room have been attracting large crowds every morning at ten o'clock. The messages are straight from the shoulder of a man who knows men and have aroused unusual interest and favorable comment. The closing service for business men at the District Court room will be held Friday morning at 10 o'clock. Many business houses, including banks, barber shops and offices have been closed for one hour during these meetings.

### J. H. Chase, Mason And Soldier Dies Tuesday

Death of James H. Case Monday morning at 10:15 o'clock at the home of his son, Robert Case, near Allmon school marked the passing of another soldier from the fast thinning ranks of the Grand Army of the Republic, the heroes of the Confederacy. The deceased was 82 years of age.

The remains were laid to rest at the Petersburg cemetery at 3 o'clock Tuesday afternoon with the services in charge of the Royal Arch Masons, of which fraternity he was a member.

Mr. Case was born at Oaks Corner, Ontario County, New York on August 11, 1845. He had been a member of the A. F. & A. M. fraternity since 1880, at Tuscumbia, Miller County, Missouri, and attained the Royal Arch Chapter in 1884.

The deceased is survived by three sons, one of whom is Robert C. Case of Allmon community, with whom he had resided for the past thirty years. He had been a resident of the county for four years, moving here with his son from Oklahoma. The other two sons reside at Wright and Amarillo, respectively.

Mrs. C. Y. Carter and little daughter returned last Monday from Abilene where they have been visiting with Mrs. S. Y. Carter and family. Miss Mildred Carter, of Abilene, accompanied them on the return trip and plans to visit here for several days.

Mrs. Jennie Bishop returned Wednesday from Hedley Texas and Mangum Oklahoma, where she has been for the past week visiting with relatives.

A baby daughter born to Mr. and Mrs. W. M. Wilkinson, of Floydada, August 10, died the same day and was buried in Floydada Cemetery.

A. B. Cox of Paris has succeeded Roe McCleskey as manager of the West Texas Gin at Lockney. Mr. McCleskey formerly resided in this city.

"Dad's clubs," composed of fathers of school children, are proving effective aids in constructive educational work in the Emeryville (Calif.) schools; and in the Washington and Lafayette schools, and the University High School, all of Oakland, Calif.

Trial for neglect of duty is faced by teachers in public schools of New York City who absent themselves from school in order to marry or to take a wedding trip. Such action, according to a recent general circular to the schools, is regarded by the superintendent of schools and the board of superintendents as inexcusable and a neglect of duty.

### \$139 Total Given Here In Salvation Army Drive

Existing circumstances prevented solicitation of the citizenship of both Floydada and Lockney in the Salvation Army drive during the past week, but a full spirit of co-operation was manifested with the \$139 total raised in Floydada, stated J. C. Donley of Dallas Tuesday. He was here directing the drive. Floyd County's quota of which was set at \$200. Mr. Donley is campaign manager for the Southwestern Division of the Salvation Army.

The drive in Lockney was postponed because of quarantine on account of typhoid fever, Mr. Donley said.

"I think we did well under the circumstances. We did not want to stress our work here and come into conflict with the revival meeting, so we made it strictly a matter of a free will offering. We appreciate the fact that people interviewed contributed so liberally—they have a spirit for the Army. As a matter of fact, Floydada only lacked \$61 of making her quota and I consider that fine indeed," he stated.

The advisory board of this city who assisted in the work locally were Dr. V. Andrews, J. V. Daniel and W. A. Baker.

### Flays Modern Dance

Speaking of the "Modern Dance" on Wednesday night "Dr. Lockhart said in part:

"I want to tell you there is no more comparison between the modern dance and the old-fashioned dance of the early days than there is between a Methodist prayer meeting and the wildest night of the wildest show of a western cowboy carnival. The thing that gets me is for some good old sister or grandma in the church that does not know any more about the modern dance than a Duroc Jersey hog knows about conducting a revival meeting to come and say to me, 'Now don't be too hard on the children and don't keep them out of good society, for times have changed you know.' Yes grandma times have changed, but morality and decency have not changed, and I am just as much under obligation to guide my young people safely through as you were to save your boys and girls.

### CARD OF THANKS

We wish to thank and appreciate to each and everyone who so lovingly had a part in making the life of our mother, Mrs. M. E. Walling, one so beautiful to us, and for the unnumbered kindnesses extended her during her recent illness and death. Mere words fail us in an attempt to thank you. So it is with bowed heads we humbly direct you to a greater power than that of man, and wish that when the sad hour in your lives come you may be surrounded by such esteemed neighbors and friends.

Very lovingly yours,  
Her Children.

### MARRIAGE RECORD

License to marry issued recently from the office of County Clerk Tom W. Deere were to the following:

B. E. Harris and Miss Bell Willis, August 6.

W. E. Griggs and Miss Ruby Smith, August 15.

### Locals and Personals

Miss Nancy Guest, of Haskell, has been a guest of Judge and Mrs. Wm. McGehee for several days. She left Wednesday for Plainview where she will visit relatives before returning home.

Little Misses Anis and Alice Stewart, twin sisters, of Lockney, spent the week-end in the home of Judge and Mrs. Wm. McGehee as the guests of their little niece, Contine Guest, of Haskell.

Mrs. W. M. Brown, of Ft. Worth and Mrs. J. W. Dines, of Lockney were guests of Mrs. Wm. McGehee, Sunday.

Mrs. Bush Matfield and Miss Marie Luckett, of Matador, spent Wednesday as guests of Miss Jennie Lewis.

Mrs. J. M. Badgett and daughters, Misses Beulah, Lillian and Posey, of Ozona, arrived Tuesday for a visit with her parents, Mr. and Mrs. W. L. Boerner.

Miss Contine Guest, who has been visiting her uncle and aunt, Judge and Mrs. Wm. McGehee, for the past week, left Wednesday for her home at Haskell.

Mrs. F. M. Kester, Mrs. A. B. Brown and Mrs. T. H. Stewart of Lockney, attended church services at the City Tabernacle Sunday afternoon.

Troye Pope and Tom Bishop returned Wednesday after spending a week at El Paso, Carlsbad and other points in southwest Texas on a brief vacation.

### Brown Bros.

We pay the top for eggs.

## The Figures Stir Their Youthful Pride!

One dollar entered under the names of your youngsters and written in a Bank Book will look as big to them as a thousand does to you. Time and again, you're apt to see them peeping at the figures for "just another look, Daddy, to see how much money we've got."

Theirs is a youthful pride worth encouraging... leading to the cultivation of the Thrift habit which means so much to them in later life. Teach them the value of it by opening a Savings Account for them with this dependable Bank.

We Pay 4% On Savings!
