

'He Stole The Boots And Laid It On Me'

J. W. Blair Gives His Version of a Circumstance That Happened Thirty Years Ago.

J. W. Blair says he didn't steal Judge Clark's boots that time he and George Fawver and Hard Pruitt stayed all night with the judge some 30 years ago, when they were gathering up some calves Mr. Blair had bought. In fact, he lays it on George now and wants a grand jury investigation, having called District Judge Clements' attention to the matter.

In a letter to The Hesperian Mr. Blair gives the following version of the incident:

"About thirty years ago I bought a bunch of calves and hired George Fawver and Hard Pruitt to help gather them. We stayed over night with Judge W. B. Clark near Lockney, and next morning George Fawver says, 'Blair, my boots are hurting my feet. Won't you wear my boots today and let me wear your shoes?'"

"Certainly I will, George," and George slipped Clark's boots from under the bed and threw them to me. I put them on and George put on his own boots and slipped my shoes under the bed where he got the boots.

"So, after breakfast, George got afraid Clark would catch up with him for stealing his boots and he told Clark and his wife that it was a joke he was playing on me and that they would have to call my attention to it or they would lose the boots.

"So, when we got ready to go Mrs. Clark says, 'Mr. Clark, hasn't Mr. Blair got on your boots?' Ha, Ha! Everybody laughed but me. I looked at George's feet and saw that he had on his boots and I went back in the room and pulled off the boots and put on my shoes. I hope the grand jury will tend to George this court. I have already reported him to Judge Clements."

In order to get at the bottom of the situation, The Hesperian asked Judge Clark if he would be one of the prosecution witnesses and his reply was that with memories of the good old days just recently refreshed in his mind by the big old timers' reunion at Mount Blanco, he couldn't see his way clear to do any prosecuting. George Fawver, the accused, was also asked about the matter. "Go ahead as strong as you can," he said, "But please be sure to make it

plain that the boots were on Blair's feet and not mine."

Starkey News

Starkey, Oct. 10.—Several in this community have started to picking cotton this week.

Mrs. Fred Taylor of Lubbock visited home folks here this last week-end. Church and Sunday School were well attended Sunday morning.

Miss Sallie Rattan, our primary teacher, visited her parents at Matador Friday, Saturday and Sunday.

Mr. and Mrs. Claude Snodgrass of Dickens County spent Saturday night and Sunday with Mr. and Mrs. A. C. Collins.

Mr. and Mrs. Lee Howard and family of Floydada visited in this community Sunday evening with his brother, Bill Howard.

Fay, Lydia, Lou and Zennie Carter arrived home Tuesday night from Bell County.

A party was given by Elwood Assiter of this community Saturday night. There was a very large crowd attended and all seem to have had an enjoyable time.

Mrs. Hattie Finley's daughter and son-in-law have been visiting her this week.

TENDENCY IS TOWARD LARGER SCHOOL GROUNDS

Five acres or more of land for elementary schools and 10 acres or more for high schools, junior or senior, have been acquired by several large cities in California, Georgia, Indiana, Michigan, Minnesota, Ohio, North Carolina, Pennsylvania, Texas, and Wisconsin, as announced by the National Conference on City Planning through the Playground and Recreation Association of America. Sixty cities report a definite policy of providing 5 or more acres for elementary schools and of 10 or more acres for high schools. Small cities, where unimproved ground is available at reasonable prices, make a better showing, and 50 cities of 15,000 to 125,000 population report the acquisition of 5 acres or more for school sites since 1915. Cost of land for schools in small cities ranged from \$500 to \$8,000, and in some instances to as high as \$30,000 per acre was paid.—School Life.

A capital fund of \$276,000 has been accumulated by the National Union of Teachers of England, according to a recent report.

Questions On Health With The Answers

(By State Board of Health)

1. Is there a state law regulating barber shops and beauty parlors? (A. N. C., Navasota)
2. If so, what are the provisions of this law?
3. What are the specifications for a healthy child? (E.B.R., Alice)
4. Is meat canning in the home practical and safe? (Rural, Robert Lee)
5. In a lecture I heard recently, I heard it asserted that butter was a necessary part of a child's diet? Is this true? (Mrs. T.M.L., Bay City)
6. What is pyorrhea and can it be cured? (A.B.C., Hempstead)

ANSWERS

1. Yes.
2. The law regulating barber shops and beauty parlors provides that the owner or operator of such shops shall register with the state department of health; that no person shall be permitted to work in such shops who is suffering from a communicable disease; that shops shall be kept in a clean and sanitary condition at all times; that all combs, brushes, razors clippers, etc., shall be thoroughly sterilized each time after use; that head rests of chairs be covered with clean new paper, cloth or other substances that has not been previously used; and that such shops shall not be used as a sleeping apartment by anyone.

3. A healthy child should have a good appetite, sleep well be mentally alert, sleep with mouth shut and without snoring. His teeth should be clean and free of cavities; he should not be conscious of his eyes; and should be able to hear a whisper across a fair sized room; he should be able to hold a glass of water steadily at arm's length, and be free of nervous twitching; he should carry himself erect; his skin should be free from puffiness and circles under the eyes; and he should show a consistent gain in weight each month.

4. Meat canning in the home is practical and entirely safe when a steam pressure canner is used. Such canners can be bought for home use at a small cost, are simple in operation, and last for a long length of time. Glass or tin containers can be used, and beef, pork, mutton, chicken, soups, etc., can be canned successfully. Steam pressure canners are also more successful in the canning of corn, and many other vegetables which require a greater degree of heat for sterilization. Home Demonstration Agents are giving valuable service in this line of work.

5. Butter should be included in the menu of a child at each meal, as it is rich in Vitamin A, which promotes growth and vitality, and is an aid in affording protection against certain diseases. Lack of this Vitamin brings on a disease of the eyes. Butter also contains other Vitamines that are beneficial to health.

6. Pyorrhea is an infection of the gums. This disease can best be prevented by cleansing the teeth well after each meal, and by dental inspection twice each year. Eating of foods rich in Vitamin C is also said to be beneficial in keeping one's gums in a healthy condition. Vitamin C is found in oranges, lemons, and other citrus fruit; in tomatoes, and any vegetables which may be eaten raw, such as cabbage, lettuce, celery, and onions. Milk also contains this Vitamin, and a number of other foods do, but when cooked, the Vitamin is destroyed by the heat.

HUNDREDS AT FUNERAL FRIDAY OF ROSCOE JONES AT LAKEVIEW

Indicative of the friendship and love they had for him in life, hundreds of people of the Lakeview and surrounding communities came to pay final tribute to Roscoe Jones as he was laid to rest Friday afternoon in the Lakeview cemetery. He died Wednesday from burns received in a self-ignited fire, a verdict of Justice of the Peace J. S. Solomon stated. The body was found in a wheat field four miles southeast of Floydada late Wednesday afternoon by Mrs. Lovell Jones, a sister-in-law of the dead boy.

One of the longest funeral processions ever seen in Floyd County followed the hearse carrying the beautiful casket from the residence of the parents, Mr. and Mrs. W. N. Jones, to the auditorium of the Lakeview school, where the services were held. Rev. H. M. Reed of Crosbyton paid tribute in a brief but impressive ceremony.

Miss Hazel Jones, a sister of the deceased arrived from Austin Thursday night and was present at the funeral. She has been attending school at the University of Texas.

Many people from Floydada attended the funeral.

A flaming meteorite, 25 pounds in weight, is reputed to have caused a recent forest fire in the Walla Walla section of the Umatilla National Forest in Oregon. The meteorite, according to reports to the Forest Service, broke off a 28 inch tree 20 feet from the ground and lodged in the stump.

Salary increases every four years are provided for primary teachers and school principals under the new budget for Government schools in Uruguay.

Twenty-two persons have been apprehended and prosecuted for hunting or killing migratory waterfowl with the use of airplanes since the Federal migratory-bird treaty act became effective, in 1918, under the administration of the Biological Survey of the United States. In 11 cases the defendants were convicted and fines totaling \$240 imposed, ranging from \$10 to \$50 each. In two cases the grand jury failed to return a true bill, and the remaining nine cases were dismissed.

Growing of an actual crop in accordance with farm practice as taught in class in evening vocational agricultural schools in Alabama is required of each person enrolled in such schools. The course usually provides 12 regular lessons, given at night in local school buildings, and 6 seasonal lessons, given during work hours on some centrally located farm. All-day vocational schools have increased during the past five years in Alabama from 32 to 72 and evening classes from 14 to 76.

"As a broad conclusion," says W. B. Greeley, head of the Forest Service in the U. S. Department of Agriculture, "the Forest Service has tremendous faith in the commercial promise of timber growing to American landowners. The law of supply and demand is work-

ing steadily to create timber values which in large portions of the United States will pay fair returns on Forestry as a business. The economic history of other countries which have passed through a cycle of virgin forest depletion similar to that which the United

States is now traversing points to the same inevitable conclusion. The time is fast approaching when forestry and forestry alone, will supply the enormous quantities of wood demanded by American markets."

MUSIC EMPHASIZED IN RURAL SCHOOLS OF MICHIGAN

Music by an orchestra composed of 85 pieces, representing rural schools throughout Kent County, Mich., recently played with understanding and ease a number of musical selections before a large audience at Godfrey-Lee School. The concert was given under the leadership of the director of music of Grand Rapids schools. Sheet music and instructions had been sent to the members of the orchestra, and they had practiced assiduously at home, but had only a few hours of practice together. Later, a girls' glee club, composed of 185 voices from different rural schools in the county, taught in the same way, gave a remarkable exhibition at Sparta. Following this, a plan of county-wide instruction of rural pupils in the fundamentals of music was worked out. A teacher was employed who visited as many schools as possible, giving an hour a week to each, and using her own car for transportation. She received \$2 per week from each school. Her time was fully taken, and an assistant was employed.

The pupils have learned rhythm and how to read by note, the choice of music by the children during playtime has noticeably changed, many pupils are taking private lessons in music after school hours, and in one school a boys' glee club has been organized.—School Life.

HAM IN SWEET POTATOES

Casserole dishes are always popular with the homemaker. They are easy to prepare and usually afford an attractive way to serve a number of foods from one dish. The Bureau of Home Economics, U. S. Department of Agriculture, suggests this method of combining sweet potatoes and ham in such a dish: 1 slice of smoked ham cut into slices for serving; 3 cups raw sliced sweet potatoes; 1 tablespoon butter or ham fryings; 2 tablespoons sugar; 1 cup hot water. Broil the pieces of ham lightly on both sides and arrange them to cover the bottom of the baking dish. Spread the sliced sweet potatoes over them; sprinkle with sugar. Add the hot water and extra fat. Cover the dish and bake slowly until the ham is tender, basting the potatoes occasionally with the gravy. Brown to top well.

There is no foundation for the widespread notion that fish is particularly valuable as a brain food. The idea seems to have originally gained headway because fish was supposed to contain relatively large proportions of phosphorus. There is, however, no experimental evidence to warrant the assumption that phosphorus is any more essential to the brain than nitrogen, potassium or any other element that occurs in its tissues. Various other foods furnish a higher proportion of phosphorus than fish.

First Big Grid Game For Plains October 28

Tech College meets the Aggies soon! Texas A. & M. college the first conference team ever to invade the Panhandle of Texas plays the Matadors, on Friday, October 28.

Tech college is planning a gala day when the Aggies come to the Plains for the first time. Special trains will be run into Lubbock and many former Aggie students and football fans from all over the Panhandle are already reserving tickets for the big football classic. This will be the first major football game ever played in the Panhandle, but with Texas Tech likely to be admitted to the Southwestern Conference in the near future it is to be the forerunner of many big games later on.

In addition to the 4,000 new steel bleachers there is a present seating capacity of 3,500 making a total of 7,250 seats. Enough temporary seats will be erected to make the total seating capacity for the A. & M. game at least 10,000. The admission price for all other Tech games on the home field this

year is \$1.00 but on account of the heavy expense of the big game of October 28 it is necessary to charge \$2.50. Reservations may be made by mail.

Trees slightly damaged by field mice will usually recover soon if the injured parts are completely covered by mounding up soil around the bases, or if paint or other material is used to prevent the wounds from drying out. When the injury is severe or the trees are entirely girdled, bridge-grafting should be resorted to.

Mrs. Collins who has been visiting here for the past two weeks was returning to her home in Houston. She will visit at Aledo, near Fort Worth, with her mother, Mrs. E. M. McGlinchey, before going on to Houston.

Build It Right For Cold Weather

These "cold snaps" of the Fall season should serve as a good warning to the builder and to the man who contemplates making repairs for Winter.

Today is the best time to figure those jobs and to begin work. It never pays to erect on the Plains a house, a business building, a barn or a machinery shed of cheap material. Let first-class carpenters build it and buy first-class building materials. It costs no more!

Society & Clubs

Mrs. Rutledge Elected F. C. F. W. C. Alternate.

Mrs. Carl McAdams, president, of Lockney was named as delegate to the state Federation of Women's Clubs November 7 at El Paso, and Mrs. O. P. Rutledge of this city was selected as alternate representative for the Floyd County Federation, at a meeting of the Federation at the Andrews Ward School building Saturday, October 8.

Mrs. Lon V. Smith presided in the absence of the president, Mrs. McAdams. Mrs. O. P. Rutledge gave a splendid talk on "Books and Magazines Enjoyed In Our Home." A round table discussion was led by Mrs. J. B. Jenkins on a general study of home as a part of liberal education.

Because of other appointments, the State President of Women's Clubs Mrs. J. V. Fields was unable to attend and take part in the program.

A round table discussion on how a person with a peaceful nature can help a home, community or state in time of difficulty was led by Mrs. Lon Smith.

After the program, a short business session was held. Mrs. Fields' farewell message as state president of the organization was read by the secretary, Mrs. E. L. Angus.

It was moved and seconded that the County Federation sponsor a calendar party to raise funds for the treasury. The meeting adjourned and lunch was served in the school cafeteria. The next meeting will be held on the last Saturday in March, the place to be announced later.

After lunch, Mrs. Allean Hood Davis of Springfield, Mo., gave two readings by request. They were generously applauded.

Organize New Club At F. H. S.

A new type of club has been organized in Floydada High School under the name of the "Green Petters." They are a group of students backing the football team and all other student activities and organizations, although they are not the official pep squad of the school. Their slogan is "One for all, and all for one."

At their organization recently, they selected the following officials: president, Ollie Belle Collins; vice-president, Claudia Green; secretary and treasurer, Evelyn Maddox; and reporter Cecil Covington. The personnel of the club is as follows: Ollie Belle Collins, Claudia Green, Cecil Covington, Evelyn Maddox, Oma La Juana Beavers, Lois Hill, Ouida Belle, Frankie Smith, Mary Helen Johnson, Thelma Covington, Troy Willis, Ruth Rutledge, Gwendolyn Snodgrass, Audrey Farris and Hazel Probasco.

Mrs. L. V. Smith Addresses W. M. U. Association At Plainview.

Mrs. Lon V. Smith of this city made an address Wednesday afternoon before the W. M. U. assembly of the Staked Plains Association at Plainview. Her subject of "Woman and Evangelism" was discussed in a forceful and entertaining manner.

Mrs. J. Pat Horton led the memorial service. The meeting was held at the Baptist Church of Plainview.

Mrs. Smith was accompanied to Plainview by Mrs. J. E. Horton and Mrs. W. C. Grigsby, the latter spending the day as the house guest of Mrs. S. W. Meharg.

Mrs. Davis Will Entertain October 19.

Mrs. Allean Hood Davis of Springfield, Mo., will give a special entertainment Wednesday afternoon, October 19, at 3 o'clock at the First Christian Church as a benefit for the Ladies Council of that church. A free will offering will be taken. A general invitation to the public is being extended.

Mrs. Davis will render special readings and violin numbers and will be accompanied on the piano by Miss Martha F. Cox of Lockney.

Many music lovers are looking forward to a most entertaining afternoon. Mrs. Davis has made a most thorough study of music and expression, having graduated from the department of expression at Drury College at Springfield; studied at the Columbia College of Expression in Chicago; attended the Morse Dramatic School of St. Louis; taught expression and public speaking in the high schools of Republic and Aurora, Mo.; having had experience in story telling and pageantry for children while in charge of play grounds and story telling hour at Eureka Springs Ark., and Valley Park, Mo. She also taught at Southwest Baptist College at Boliver, Mo.

Miss Cox as accompanist is also a talented artist. She is a graduate of the Metropolitan School of Music at Indianapolis, Ind., and has studied under Hugh McGibney. She is teaching violin this year at Lockney.

Mrs. Davis is a house guest here of Rev. and Mrs. F. L. Davis.

Mrs. W. R. Ivey Gives Farewell Party Monday

Mrs. W. R. Ivey entertained her friends with a farewell party Monday afternoon from 3 to 6 o'clock at the home of her mother, Mrs. C. Surginer in east Floydada. Tables were placed and games of "42" furnished diversion during the afternoon.

There were twenty-three guests present for the social event. Refreshments of angel food, ice cream and punch were served.

Mrs. Ivey left Wednesday for Big Spring to make her future home.

Four Entertain With Vanishing Party.

Four ladies entertained with a most enjoyable vanishing party Wednesday afternoon from 3 to 5 o'clock at the home of Mrs. G. R. May. Mrs. Wilson Kimble, Mrs. L. C. McDonald, Mrs. E. B. Massie and Mrs. May were joint hostesses. The afternoon was spent in embroidery work.

Delicious refreshments of bread and butter sandwiches, pressed chicken, cherry pie and hot tea were served the following guests: Mesdames James Colville, W. M. Colville, J. G. Wood, T. P. Guimarin, Roy Curry, G. V. Smith, M. F. Swain, R. M. McCauley, Worth Shipley, C. R. Houston, Edd Johnson and I. S. Webb.

Andrews Ward P. T. A. Plan To Furnish Library.

The Andrews Ward P. T. A. met in regular session Wednesday afternoon in the school auditorium. "Furnishing the Library" was the main topic of discussion. It was decided to furnish the library at once and a committee of three was appointed for that purpose. Principal D. M. Hopper is chairman of the committee and Mesdames Wilson Kimble and W. M. Houghton are the other members selected to make plans for the library.

The P. T. A. meets each second and fourth Wednesday of every month.

Mendelssohn Music Club Organized.

The pupils of the piano department of the Floydada Conservatory of Music under the direction of Mrs. O. W. Kirk have organized a Music Club to be called the "Mendelssohn Music Club." A scholarship will be given in the club again this year.

Eugenia Hoffman who won the scholarship last year is not allowed to win this honor for two years in succession, according to the rules of the club. There were eleven pupils on the honor roll for the past month of September, which is the first month of the music year. All eleven pupils had an average of ninety or above; they are as follows: Lois Sitton, Victorine Fitch, Mildred Strickland, Willamina Salisbury, Ena Lee Fyffe, Ruth Enoch, Mrs. Earl Branson, Pattie Looper, Jessie Merle Scoggins, Alma Montgomery and Eugenia Hoffman.

WIDNER-SMYTH

Earl Smyth and Miss Gladys Widner both of the Lakeview community were united in marriage Wednesday morning of this week at the home of Mrs. L. Sanders, Minister of the City Park Church of Christ.

The ceremony was performed at about 9 o'clock. Both the young people are very popular and well known in the Lakeview community. They plan to make their home there.

Mr. and Mrs. Emert Hosts At Mayview Dinner Sunday.

Mr. and Mrs. F. T. Emert of Mayview community were hosts Sunday following the close of Sunday School to 32 guests. Those present for the affair were: Messrs and Mesdames J. R. Readhimer, R. L. McNeil, T. J. Campbell, A. T. Emert, W. W. Emert and their families. Tom Holladay and a niece of Mr. Readhimer were also present.

Local Legionnaires Guests Of Plainview Post.

Members of McDermott Post American Legion of this city had "a royal good time" Tuesday night when they were guests of the Ray Blackmore Post at Plainview. A mock trial, the feature of the evening program, proved most entertaining to the many guests present. A. J. Folley of this city assisted the defense council, John Reagan was one of the star witnesses, and C. H. Davis and J. E. Dickey were jurors in the case.

Most of the guests were dressed in tacky costumes and a spirit of informality existed that added to the complete enjoyment of those present. H. S. Hilburn was master of ceremonies which were staged in the City Auditorium. A big "feed" was served cafeteria style to over one hundred guests.

Among those attending from the local post were: Messrs and Mesdames John Reagan, J. E. Dickey, J. C. Gilliam, and C. H. Davis; Messrs. John Maxwell, L. T. Bishop, A. J. Folley, James Colville, Tom Goslee and Calvin Steen.

Pastor's Helpers Meet With Mrs. Porter.

The Pastor's Helpers Class of the Methodist Sunday School met Tuesday afternoon at the beautiful country home of Mrs. W. W. Porter. The rooms were beautifully decorated with baskets and tall vases of Fall blossoms. Some of the ladies embroidered and others cut and pieced for their hostess, Mrs. Porter an album quilt.

Each of the women present contributed a dish to the bounteous dinner served at the noon hour. During the afternoon a devotional and business program was given. A motion was made and carried to buy a gas heater for the basement of the Methodist Church. A com-

mittee of Mesdames Thomas, Britton and Alexander was appointed to buy the heater.

The next hostess to the class will be Mrs. W. L. Boerner on Tuesday, November 8.

Each offered a sentence of prayer for the closing of the meeting. Among those present were: Mesdames C. O. Thomas, W. H. Alexander, W. M. Colville, S. W. Ross, E. C. Henry, J. S. Webb, W. A. Baker, W. L. Boerner, W. A. Shaw, J. B. Bartley, W. H. Meacham, P. M. Felton, Ella Johnson, R. A. McCauley, A. P. McKinnon, Lillie Britton, and Misses Martha Porter and Little Avis Bartley.

COMMUNITY EXHIBITS TIED FOR SECOND PLACE AT COUNTY FAIR

After more than considerable thought, the judges had to give up the attempt to decide the second place winner of the community exhibits at the fair, so they settled things in their own minds by calling it a tie between Harmony and Prairie Chapel. Both exhibits made a total of 731.5 points.

All of the wording and decorations were made of products from Floyd County farms. The word "Harmony" was made from cotton, surrounded by grain heads. "Prairie Chapel" was spelled out with grains of corn.

Whirlwinds Walk Over Matador Eleven 38 To 0

Weaker Team Holds Ball Only Six Downs in Game on Local Grid-iron Friday.

Walking-over their opponents for a 38 to 0 victory in their first official interscholastic game last Friday afternoon, the F. H. S. Whirlwinds downed the Matador eleven on the local grid-iron. It was an easy victory for the locals from the first to the final whistle.

Less than three minutes after the ball was snapped into play, Captain Dixie White carried the pigskin across the Matador goal line.

Only 1 First Down

The Matadors made only one first down, and that in the last quarter when a fifteen yard pass, Patton to Graham, was completed and Graham was downed in his tracks. This was the only offensive play made by the Matadors, which netted more than one yard. The visiting eleven held the ball for only six downs, and the total gains in the six, with the exception of the pass, would not have netted ten yards for the visitors.

Coach Ike Jay started many of his second string men against the weaker team and made substitutions of other second and third string men through the game. In the third quarter he sent in Delbert Eubank, 105 pounds of energy, for right end. Although out-weighted Eubank held his end of the line the remainder of the quarter.

Matador Eleven Light

Average weight of the Matadors was not more than 135 pounds, according to the visiting coach, while that of the starting line-up of the local eleven was 150 pounds at the least. The visiting team was weak on the defense, as the score indicates, and it was impossible to judge the offensive since they held the ball for only short intervals. One of two attempted passes was completed which indicates the team to be fairly strong on an aerial attack. In defensive plays, Lee, swift half of the visitors team, starred. Lee and Bradshaw, alert pivot of the eleven, were in all of the important plays.

As usual, John Edwards, husky center for the locals, played a wonderful game for F. H. S. Howard Welborn, left half starred in the game however, with his spectacular end-runs. In the first quarter, Welborn shot around right end and down the gridiron sixty yards for a touchdown. Again in the second quarter he went around end for 45 yards for his second touchdown. In the third he carried the ball through the line for 25 yards and was downed within two yards of the goal line.

Good Football Weather

Typical football weather greeted the two elevens when they clashed Friday. The sky was cloudy and the day cool. A large group of spectators from Matador accompanied their team here. Approximately one hundred persons saw the game.

The starting line-ups of the teams was as follows:

MATADOR	P.O.	FLOYDADA
Davis	L. E.	Jim Carter
Graham	L. T.	Borum
E. J. Hines	L. G.	Webb
Bradshaw	C.	Edwards
Edwards	R. G.	Newsome

What's Doing In West Texas Today

SAN SABA—Native varieties of pecans will have an even break with improved or cultivated nuts in the prize lists compiled for the first National Pecan Show to be held November 8 and 9 at San Saba, Texas. Premiums range as high as \$250 and none are less than \$25. Pecan growers of eight states are already taking active interest in the exhibition, and a large attendance is expected. The show is planned by pecan experts of A. & M. College and pecan growers of the South, with whom the San Saba Chamber of Commerce is co-operating.

OLTON—The star mail route con-

necting Littlefield and Olton has been granted by the Postal Department, and became effective October 10. The new route is twenty and one-fifth miles long and will call for three weekly trips. The route has been sought for two years.

HAMLIN—The Farm Bureau Cotton Gin is Hamlin's newest enterprise now open for business. It is a purely local business and operated on a business basis by members of the Farm Bureau Cotton Association.

Crosbyton—Frank Corn of this place recently bought 1,200 steers, one, two and three year olds, for a consideration of \$63,500.

McCAMEY—Pecos Cavern, situated on the lower bench of a small mesa near McCamey about half a mile off the Girvin road leading into the McCamey-Yates oil field, is being explored by local parties and exploited by them as a rival of the famed Carlsbad Caverns of New Mexico. Wonderful stalagmites and stalactites have been reported to exist.

VERNON—A scientific and industrial survey of Vernon and Wilbarger County is being sponsored by the Vernon Chamber of Commerce as a preliminary step toward a program of industrial expansion for this section. The report from the survey which will cover agriculture, commerce, and industry, is expected about the first week of January 1928.

LOCKNEY—The city of Lockney has employed a water superintendent who began duties October 1 to take care of the pump station, run the water works system, act as fire chief, read water meters, and look after other such related work.

CLAUDE—The Armstrong County Poultry Association is working out a system of branding poultry of its members as a means of apprehending chicken thieves.

COAHOMA—The local water works system is undergoing a thorough repair and remodeling job. A new tank of 6,250 gallons capacity is a part of the program.

ODESSA—Elliot Hotel, Odessa's new \$200,000 fire proof hotel of 70 rooms is now open to the public.

ATTEND STATE FAIR

Mrs. Robert McGuire in company with her parents, Mr. and Mrs. R. B. Mitchell, and Clarence, of Plainview left Sunday afternoon by auto for Dallas where they will attend the State Fair. They will be guests of Misses Cecil and Lucille Mitchell.

Miss Cecil, who is studying voice at Dallas, and her teacher, Henri LaBonte, broadcast a program recently from Station KRLD. She expects to entertain frequently this winter at KRLD and WFAA stations. Miss Lucille is a first-year student in Southern Methodist University.

Mrs. McGuire plans to return home this week-end.

A full year's work in a modern foreign language may be completed in one summer quarter at the University of Virginia by students who devote their entire time to the study of one language—French, German, or Spanish.

Newland News

Newland, October 10.—Miss Dora Bradley, who is ill at her sister's home, Mrs. Kitchens, is still very low, reports state.

Mr. Shearer and family visited his parents at Tullia last week. His father was very sick and he was called there.

Relatives of Dad Butler from California are visiting him this week.

Bro. Moore's mother of Paducah is visiting them this week. She was one of the visitors at Newland Sunday. It was the first sermon she had heard her son preach.

Several from this community attended singing at Pleasant Hill Sunday evening.

FACTS

-AND THE OPEN MIND

THE MOST important element in business success—and the most difficult—is to be sure that you have all the facts before you act.

TO GET them all, from every possible source, is the first objective in General Motors. The Research Laboratories contribute some. These are nuggets, left in the crucible, after hundreds of ideas that looked good have been burned away. The Proving Ground contributes others. Dealers contribute. The public contributes. Every department contributes. Through the whole organization runs a spirit of inquiry and of rigid insistence on proof.

OUT OF such thinking come the new models announced from time to time by Chevrolet, Pontiac, Oldsmobile, Oakland, Buick, LaSalle, Cadillac—all with Fisher Bodies. And by Frigidaire. Each new model is a tested step forward. Nothing goes into it as a result of habit or guess or pride of opinion.

Nothing counts but hard-won facts, gathered and used with an open mind.

M. SOCIETY OF ZONE 4 MEETS AT CARR'S CHAPEL

rogram Theme "Workmen That Need-eth Not to be Ashamed" Carried Through Day's Session.

The second meeting of the W. M. Society of Zone 4 in Plainview District of the Methodist Church, met at Carr's Chapel Tuesday, October 4, at 10 o'clock. Mrs. Ben Hardy, of Floydada, zone leader, presided in her usual charming and efficient manner. About fifty visitors were present, coming from Floydada, Cons, Belleview, Petersburg and Lockney.

Mrs. Scott in a few wellchosen words extended a hearty welcome. The opening song, "Work for the night is coming," was in keeping with the general theme of the day, "Workmen that need-eth not to be ashamed."

Mrs. Hines of Petersburg led the devotional in a helpful and wonderful way, after which Bro. Hardy led in prayer. Mrs. L. G. Matnews, superintendent of study of Floydada Auxiliary, presided in a very able and impressive manner, a pageant of the mission study book, "The Straight Way Toward Tomorrow." She represented the mother with her six daughters (representing the six chapters of the book). Each daughter presented an outline of her chapter in a very creditable way. Several expressed themselves as being very anxious to

begin the study, after hearing the pageant.

The Gibson Auxiliary was discussed and each auxiliary urged to appoint a Gibson Superintendent and to seek diligently for Gibson members. Two new members were added during the day to the Gibson Auxiliary.

Bro. A. J. Brown dismissed for noon with prayer.

After feasting on all kinds of good things the work was resumed for the afternoon with Mrs. Hardy leading the devotional, using the Lord's Prayer as a theme and giving us some beautiful thoughts about God the Father, also explaining the Prayer League and how it would develop and strengthen us as we entered the "Jubilee Year."

Mrs. W. J. Griffith of Lockney, a graduate of Scarritt, spoke very highly and feelingly of the college, comparing it with a home, and paid a tender tribute to Miss Gibson, its first president.

The District Secretary, Mrs. H. N. Porterfield, enlightened us upon the need of good literature in the homes, literature and supplies for societies, and gave information on general things of which her auxiliaries stand in need. She is a fine secretary and much loved and appreciated.

Mrs. E. B. Massie, of Floydada, gave an instructive and interesting talk on "Constructive Social Service," as to good citizenship, loyalty to home and church, etc.

"The Parable of the Missionary Voice," was presented by Mrs. T. J. Rea, of Lockney, in a very forceful way

—a plea for subscribing for and reading the Voice.

Mrs. Jim Willson, of Floydada, gave a fine talk on the duty of every woman in the church joining the missionary society. She was ably assisted by Mmes. May and Snell in "Why I Do" and "Why I do not belong."

Mrs. Thomas, of Petersburg, discussed in a creditable way, "How to keep our young people interested."

As a fitting close for this good day, Mrs. Dave Scott led in a consecration service which touched all hearts, each resolving to give more time and thought to our own missionary society.

This was our very best zone meeting and was a real feast in spirituality and fellowship.

—Secretary.

METHODIST CHURCH

Ben Hardy, Pastor

The Sunday School is doing mighty well as well as the other organizations of the church. We need you, however, if you are a Methodist and are not in the school.

The year is rapidly closing. Conference meets in Big Spring November 9. It will be a home-going to the pastor and wife, as we served that splendid people four years. Our official board voted to invite the conference here.

Come out and help to make the church what it should be.

AT THE CHURCH OF CHRIST

Ira L. Sanders, Minister

Our interest at the City Park church continues to grow. The house was well filled again last Lord's Day, with several new faces present. We also had a fine audience at night. Some of the classes in the morning Bible study are getting too large again and we are going to have to finish the class rooms in the basement in order to take care of our work. Brother Morgan is doing great work in taking care of the song service and all are delighted with the good singing.

Our prayer meetings on Wednesday nights are also good and we extend an invitation to all to meet with us and enjoy these services.

NOTICE TO SINGERS

There will be a singing at the City Park Church of Christ next Sunday night, beginning at 7:30 o'clock. Professor R. M. Morgan will have charge of the class. An invitation is extended to all who enjoy good singing to come and enjoy the services.

A special invitation is given to all good singers to be present.

LADIES BIBLE STUDY

The Ladies Bible Class of the City Park Church of Christ met for study with Mrs. M. Jarboe of Campbell this week. There was a large class present and after making a quilt, they had a very interesting lesson.

They will meet for Bible study next Monday at 4 o'clock with Mrs. J. U. Borum of Floydada. A special invitation is extended to all ladies to come and study with us.

NEWLAND CHURCH

Bro. Moore filled his regular appointment at Newland Sunday. Sunday school is still doing good work. We had several visitors Sunday of which we are proud to see. Hurry back to see us again.

The Christian Endeavors are going right along. The following program will be rendered Sunday night, Oct. 16:

Subject "Our Need for a Christian Sunday."

Leader, Alsie Caraton.

Topics for discussion:

1. What is Christ's tests for Sabbath observance—Alva Redd.
2. Is there a real need for Lords day observance—Louella Lincoln.
3. The Lord's day is needed for Physical rest—Orville Custer.
4. Is the Lord's day needed for Spiritual improvement—Oland Grey.
5. The Lord's day is needed for Mutual encouragement—Stella Furrow.
6. The Lord's day is needed to help us stop, look and listen—Dora Elsie Lloyd.
7. The Lord's day is needed to protect the home—Albert Knight.

There will also be some special songs.

BAPTIST CHURCH SERVICES

W. R. Hill, Th.M., Pastor.

The Sunday school, for Bible-study, is at ten o'clock.

The morning preaching-service is at 11 o'clock. The sermon-subject to be, "Christian Assurance."

The B. Y. P. U. meetings are at 6:30.

The evening preaching service is at 7:45. The sermon subject is to be, "Overcoming Through the Blood."

Mrs. L. L. Davis, of Springfield, Missouri, will favor us with a reading entitled "Doroas." Spiritual singing led by our choir.

Visitors are cordially invited to all these services.

Come and welcome!

FIRST CHRISTIAN CHURCH

The visitors last Lord's Day did good work. There were a few away from home who will be seen later. All visited and pledged and there were more pledges for both social work and missions than last year. We are very anxious that all have a part in the support of the church, not so much because the church needs the money but you need to have this fellowship. We are sure that those not yet seen will gladly pledge. You will enjoy it.

Next Lord's Day will be a special service at the morning hour of worship. We will ordain the elders and deacons elected recently. We expect Bro. Jasper Bogue, Superintendent of Missions of this district, with us to assist in the service. The New Testament teaches us that the church should come together in fasting and prayer. It is a solemn service. Let's make it so.

The Sunday School will meet as usual at 10 o'clock and the morning service will begin at 10:50. Endeavor Society at 6:45 and night preaching at 7:45. We are going to try to get Bro. Bogue to remain over and preach at night.

The weather permitting we will fill our appointment at Newland Sunday afternoon. Will try to get Bro. Bogue to go with us.

Don't forget the prayer meeting each Wednesday night at 7:45. They are getting better all the time. Come and help out and receive help also.

Choir practice on Friday night at 7:45 if you can sing would be glad to have you come.

You are invited to worship with us.

CUMBERLAND PRESBYTERIAN CHURCH

Sunday School at 9:45.

To S. G. Jackson, W. H. May, and J. W. Golden and the unknown heirs and legal representatives of the said S. G. Jackson, W. H. May and J. W. Golden:

You are hereby notified that the Quannah, Acme & Pacific Railway Company has filed its application with Honorable Wm. McGehee, County Judge of Floyd County, Texas, to have certain lands owned and claimed by you condemned for the use of said railway company in the construction, maintenance and operation of its line of railway over your land; that it has been unable to agree with you on the value of said land or the damages occasioned by said condemnation, and has asked for the appointment of special commissioners to assess said damages; That said land sought to be condemned by said railway company is All of Lot Number Sixteen (16) in Block Number One Hundred Twenty Four (124) of the town of Floydada in Floyd County, Texas, as shown by the original plat of said town of record in the Deed Records of Floyd County, Texas.

This is therefore to notify you that we, the undersigned Special Commissioners duly appointed herein by the Honorable Wm. McGehee, County Judge of Floyd County, Texas, have selected Tuesday, November 8th, A. D. 1927, at ten o'clock A. M. at the Court House in the city of Floydada, Floyd County, Texas, as the time and place for hearing the parties hereto and fix the value of said land and assess the damages herein.

J. C. Gaither,
E. W. Holmes,
W. T. Rodgers,
Commissioners.

many Truck Body Styles Adapted To Chevrolet

Caravan in Floydada Friday Afternoon Demonstrates Versatility of Modern Motor Vehicle.

Visually demonstrating the versatility of the Chevrolet trucks, the caravan of trucks sponsored by the Oklahoma City branch of Chevrolet Motor Company and fourteen other firms serving the southwest, spent Friday afternoon of last week in Floydada with the Motor Supply Company, local dealers, and besides staging a parade on the principal streets of Floydada, joined in with and helped swell the crowd at the Floydada-Matador High School football game.

The caravan was a part of a national advertising campaign, visualizing the different body styles adapted to the Chevrolet truck. The caravan was one of nine touring the southwestern states. They left Oklahoma City on August 22, spending practically eight weeks on the tour and closing Tuesday of this week in Amarillo, where they disbanded. Represented in the caravan here were H. N. Knight Supply Co., Beardman Tank Co., Martin-Parry Body Corporation, Southern Motor Supply Company and the Oklahoma Publishing Co., all of

Oklahoma City; W. C. Nabors Trailer Co., Mansfield, La.; The Alemite Lubricating Co., El Paso; The Amarillo Daily News and the Amarillo Tent and Awning Co., of Amarillo.

K. M. Chase, tour manager and assistant sales manager of Chevrolet Motor Company's Oklahoma City distributing branch, headed the caravan here. "We have found particular interest in truck styles at all points on the tour," he said. "Unusual prosperity in this section is indicated by conditions we have found."

More than a week ago the caravan ran into heavy rains that forced them to slow down their schedule and after cutting several of the points at which they planned to make stops, they were forced to alter their schedule that brought them into the south plains territory, it was explained.

Mrs. N. W. Pratt of Supply, Oklahoma, arrived Saturday afternoon for a visit with her sister, Mrs. Alice Ford. She will remain here several weeks.

Miss Opal Nelson who is attending McMurray College returned to Abilene Monday after attending the funeral of Roscoe Jones Friday at Lakeview. She came home Thursday night of last week.

First Of International W. T. Debates Nov. 18

Abilene, October 11.—The first international debate ever held in West Texas is scheduled for November 18 when Simmons University of this city meets Cambridge University of England in the local school's auditorium. The date was recently closed when representatives of Simmons wired an acceptance, in answer to a letter proposing the contest.

The English team is composed of three men, who will be graduated at Cambridge in June. The Simmons team has not yet been chosen, said Prof. W. A. Stephenson, debating coach.

The question, selected by Simmons out of a list submitted, will be: "That in the opinion of this House compulsory military training should be adopted as a part of the educational system in all schools and universities." Cambridge will take the negative side of the question.

The American tour is being arranged through the Institute of International Education, with headquarters at New York City. Last year the Englishmen toured the east and south and this year are going through the west and southwest.

Each team will be given 45 minutes for speaking with no rebuttals. The judging will probably be done by the English system which lets the audience decide the winner at the close of the debate.

FRIEND PAYS FINAL TRIBUTE TO ROSCOE JONES IN LETTER

In a letter addressed to The Hesperian a friend pays the following tribute to Roscoe A. Jones, who was buried in the Lakeview cemetery Friday afternoon:

"Lives of great men all remind us, we should make our lives sublime, and departing leave behind us footprints on the sands of time.

"Friday afternoon in the presence of a large crowd of sorrowing friends and the members of the immediate family the body of Roscoe A. Jones was tenderly laid to rest in the little cemetery at Lakeview.

"The grave was completely covered with flowers—a silent but beautiful testimonial of the good life just gone and of the high place he occupied in the hearts of his friends.

"Measured by years, Roscoe's life was short indeed. Measured by the deeds of love and kindness which he did and the unselfish service which he rendered, his life will live on through the years and only eternity will reveal the greatness of it.

"In his going, the family loses a loving member, the B. Y. P. U. an honored president and leader, the Junior boys and girls a loving teacher and the community a trusted friend and ardent supporter.

"Truly Roscoe Jones was one of those men whose lives glided on like the rivers that water the woodlands, darkened by shadows of earth, but reflecting an image of Heaven."

NOT ALL MONOTONY IN CHINA MISSIONARY TELLS CLUBMEN

That life in China is not all monotony but that life there has its amusing and pleasant angles as well as its workaday duties and struggle, the same as in America, was told members of the Floydada Luncheon Club Monday noon by Rev. J. W. Moore, returning missionary of the Southern Baptist Association, at its gathering at the Commercial Hotel.

Another pleasing feature of his talk was the report that Americans for the most part are the most respected of any nationality in China, except at Canton where the Bolshevik influence has been made most evident in the past few years. His address of some ten minutes was full of interesting facts concerning the relations of Americans and Chinese in China. The missionary, who is at home on leave, was present in company with Rev. C. J. McCarty, pastor of the Baptist Church at Lockney, who introduced him, after acknowledging briefly an introduction from Rev. W. R. Hill, pastor of the local Baptist Church.

The most heartily applauded feature of the hour's program was a reading by Mrs. L. L. Davis, of Springfield, Mo., who has been the house guest of Rev. and Mrs. F. L. Davis here the past several days. "Puppy Love," was pleasingly rendered and a little sketch from the pen of Judd Mortimer Lewis, "To Please Father" was given in response to demand for an encore.

The suggestion from Rev. Ben Hardy, pastor of the Methodist Church, that Methodist of Floydada are ambitious to have the annual conference here in 1928 and that a vote by the luncheon club, endorsing the effort was desired, got a hearty response unanimously in favor of the plan.

F. L. Davis presided, twenty-seven members and guests being present.

NOTICE OF ELECTION

STATE OF TEXAS, COUNTY OF FLOYD, CITY OF FLOYDADA.

To the Qualified Voters of the City of Floydada, Texas:

TAKE NOTICE that an election will be held on the 31st day of October, 1927 within said City in obedience to a Resolution and election order duly adopted by the City Council on the 23rd, day of September, 1927 which is as follows:

Resolution calling an election submitting to the Qualified voters residing in the City of Floydada, Texas the proposition for closing Mississippi Street in said City at the point of intersection of said street with the right of way of the Quanah, Acme & Pacific Railway Company for the purpose of permitting the said Quanah, Acme & Pacific Railway Company to erect a passenger station and depot in and across said street.

WHEREAS, the City Council of the City of Floydada, Texas deems it advisable to close Mississippi Street at the point of its intersection with the right of way of the Quanah, Acme & Pacific Railway Company for the purpose hereinafter mentioned.

THEREFORE, BE IT RESOLVED AND ORDERED BY THE CITY COUNCIL OF THE CITY OF FLOYDADA, TEXAS:

I. That an election be held on the 31st

day of October, 1927 at which election the following proposition shall be submitted:

"Shall the City Council of the City of Floydada, Texas, be authorized to close Mississippi Street at the point of its intersection with the right of way of the Quanah, Acme & Pacific Railway Company; and to permit the Quanah, Acme & Pacific Railway Company to erect a passenger station and depot in and across said Street."

II. The said election shall be held at the City Hall in the City of Floydada, Texas, and E. P. Nelson is hereby appointed Presiding Officer of said election; and he shall select two judges and two clerks to assist him in holding said election.

III. The said election shall be held under the provisions of the General Election Laws of the State of Texas, as modified by the provisions of Chapter 9 of the Acts of the Regular Session of the Thirty-seventh Legislature and amendments thereto.

IV. All voters who favor the proposition to close Mississippi Street and permit the erection of the Quanah, Acme & Pacific Railway Station therein shall have written or printed upon their ballots the words:

"FOR CLOSING THE STREET" and those opposed shall have written or printed upon their ballots the words: "AGAINST CLOSING THE STREET"

V. The manner of holding said election shall be governed by the laws of the State regulating General Elections as modified by Chapter 9 of the Acts of the Regular Session of the Thirty-seventh Legislature and amendments thereto.

VI. A copy of this order signed by the Mayor of the City of Floydada, attested by the City Secretary of said City, shall serve as a proper notice of said election.

VII. The Mayor is authorized and directed to cause said notice of the election to be posted at the City Hall and at three other public places within said City for at least thirty (30) days prior to the date of said election.

VIII. The Mayor is further authorized and directed to have said notice of election published in some newspaper of general circulation in said City, and which notice shall be published once each week for four weeks, the date of the first publication being not less than thirty (30) full days prior to the date of the election.

Passed and approved this the 23rd day of September, 1927.

(SEAL) W. D. SMITH, Mayor.
Attest: BURL BEDFORD, City Secretary.

CANNADAY & STARK AWARDED CONTRACT FOR JOB AT PLAINVIEW

Cannaday & Stark, local builders, have been awarded the contract for the construction of a modern brick business building in Plainview. The structure is to be 50x140 feet and will be located on Austin Street, according to announcements made the latter part of last week.

The new building contract was let by Harder & Dysart. The business addition upon completion will furnish quarters for the Baird Motor Company, distributors for Buick automobiles at Plainview.

American cuckoos, with a general undesirable reputation derived from observations upon the European species, are most highly regarded by scientists of the Biological Survey who have studied their food habits. Cuckoos feed largely on caterpillars. The stomach of one cuckoo examined by a biologist showed remains of 250 tent caterpillars and another had eaten 217 fall web-worms. Cuckoos are also fond of such pests as grasshoppers, sawfly larvae, and other injurious insects.

Wants Nomination Congressional Seat

Attorney Enters Race to Represent Eighteenth District of Lone Star State.

W. H. Bell of Paducah, has authorized the announcement that he will seek nomination for Congressman from the Eighteenth Congressional District of Texas, subject to the action of the Democratic primaries in 1928. He is a son of Dr. W. H. Alexander of this county. He has visited here a number of times, having a wide acquaintance in the county, especially in Lubbock County.

Mr. Bell is 43 years of age and a life-long Democrat. He is a graduate of the University of Texas with the degree of Bachelor of Laws, and began the study of law at Paducah seventeen years ago. During this time he was District Attorney for the Fifth and Sixth District of Texas for eight years, having been elected to this position for two successive terms. He enjoys an extensive law practice throughout West Texas and has many friends and acquaintances who will doubtless welcome the opportunity to support him in his race for Congress. He had considerable solicitation from over the district to enter the race for this office two years ago, but only recently did he decide to make the race.

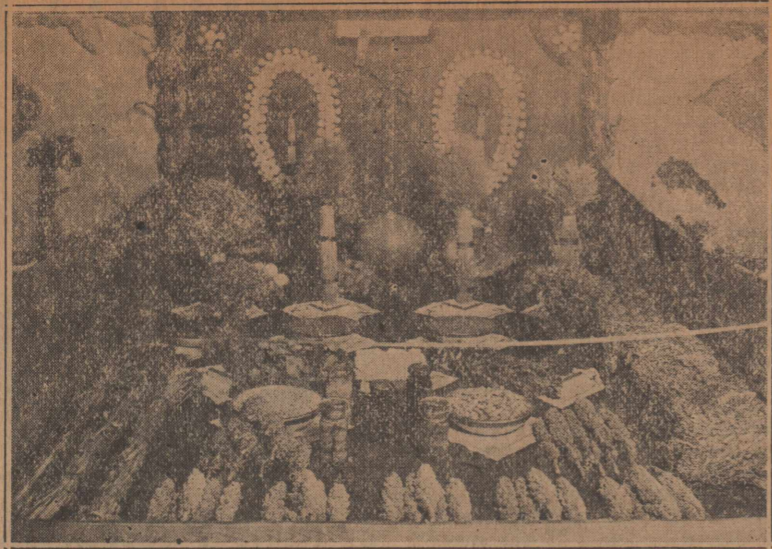

Mr. Bell will endeavor to see as many of the voters of the district as is possible. He says he will at a later date announce his platform which will contain among other matters which he deems pressing importance to the people of this district and the country at large.

(a) Legislation by the Congress for the benefit of the agricultural interest of the country and in this connection the passage of laws prohibiting gambling in farm products.

(b) A further restriction of immigration into this country for certain classes.

(c) A curtailment of the present tendency to centralized government at

DODGE BROS. RADIO PROGRAM CHANGED TO FRIDAY EVENINGS

The program for "Dodge Brothers Dependable Hour," which has in the past been broadcast over the Columbia Broadcasting system every Monday evening will hereafter be on the air from the same stations each Friday evening, it was announced today.

The first program under the new schedule will be broadcast Friday, October 14th and will take the place of the program that would ordinarily be on the air Monday, October 10th. It will mark the completion of Dodge Brothers' first month of broadcasting and is to be featured by many presentations of unusually high character in comparison even with the previous Dodge programs. These have been claimed by thousands of listeners to have established new high standards in radio broadcasting as no effort and expense have been spared to obtain artists whose abilities are outstanding.

The "Dodge Brothers Dependable Hour" will hereafter be a regular feature of the Friday programs broadcast over the Columbia system of radio stations and is on the air from 8 to 9 Central Standard time.

The stations comprising the Columbia system cover the region east of the Mississippi River. They are: WOR, Newark; WMAQ, Chicago; WCAO, Philadelphia; KMOX, St. Louis; WGHP, Detroit; WNAC, Boston; WCAO, Baltimore; WJAS, Pittsburgh; WKRC, Cincinnati; WAIU, Columbus; WMAK, Buffalo; WEAN, Providence; WADC, Akron; WFBL, Syracuse and WOWO, Ft. Wayne.

Among the visitors here last Friday to witness the Chevrolet parade and the Floydada-Matador football game were: Misses Ruth Stapleton, Billie Griffin, Hazel Grover, Margaret Jarnigan, Marie Carter and Lucille Carter, of Lockney. They were accompanied by E. E. Dyer, Chevrolet dealer at Lockney.

Cooking Chats with 6 Famous Cooks

"CORNED BEEF AND—"

(Editor's Note: This is one of a series of interesting cooking articles by 6 famous cooks running exclusively in this paper.)

If the way to a man's heart is through his stomach, surely one of the easiest ways is to serve him corned beef and cabbage.

That holds true for pretty nearly every man, except, of course, the dyspeptic, who is always hard to suit.

Corned beef and cabbage is nowhere more deliciously cooked than in New England, where, with a few additional vegetables, it makes its appearance as the "boiled dinner."

What Flavor!
"And the boiled dinner enthusiast will tell you how excellent the blended flavors are," says Miss Lucy G. Allen, head of the Boston School of Cookery. "I delight in the boiled dinner of corned beef with cabbage, beets, turnips, potatoes, and carrots or parsnips. All but the beets I cook in the same kettle."

Allow ample time for cooking the corned beef, Miss Allen cautions. It should be started at least two or three hours before the vegetables are added. If, by chance, it becomes tender before the vegetables, it can be removed from the fire and reheated before serving.

How to Buy
Very often you can get a more tender piece of meat if you buy a fresh beef brisket. Ask the butcher to rub in coarse salt and keep it a day or two. Sometimes the fibers of meat kept too long in brine get hardened.

Use a very large kettle. Put in the meat, cover with boiling water. (If the corned beef has been soaking long in brine, start cooking it in cold water.)

Let the meat boil for five minutes, then reduce the heat and let it cook slowly for two or three hours.

Add the Vegetables
Add cabbage which has been washed and cut into quarters. Then add peeled turnips, whole if small, sliced if large; and the carrots or parsnips cut into two-inch lengths. Scrub beets thoroughly, and put in separate kettle, covered with boiling water.

Half an hour before serving add peeled potatoes to the large kettle. The success of the dinner depends upon having each article perfectly done, but not overdone.

To Serve
In New England this dinner is usually served by placing the meat in the center of a large platter, and grouping all the vegetables except the cabbage around the meat. The cabbage is so bulky that it is best to serve it in a separate dish.

Truly this is a most delicious meal. A fitting dessert is a custard or a rice pudding, as these are not too hearty to serve with this substantial meal.

Many women have found it a great advantage to use their oil stoves all the year around. The stoves are lighted so quickly that much time is saved. And the long-chimney burner oil stoves cook food so thoroughly, too.

Golden Gate Custard

This is a recipe contributed by Mrs. Belle DeGraf, home economics counsellor, San Francisco.

1 cup sifted bread crumbs
1 cup milk
1 cup orange rind
3 eggs separated
3/4 cup sugar

Add the grated rind of one orange to the juice. Use soft bread crumbs. Sift through coarse strainer. Add milk and orange juice. Beat eggs separately. Add sugar to yolks and then add to custard. Mix well. Fold in stiffly beaten egg whites. Pour in a pudding dish. Set dish in pan of hot water, and bake until firm in center. This takes about 30 minutes, in a moderate oven (350 degrees).

Rice Pudding

From Mrs. Kate B. Vaughn, director of the household economics department of the Los Angeles Evening Express, comes the recipe for rice pudding and hard sauce.

1/2 cup rice
6 cups water
2 cups milk
1/2 cup sugar
1 egg
1 teaspoon salt
1 tablespoon gelatine
1/2 cup cold water

Add rice slowly to boiling water. Boil until tender, 20 minutes, then drain. Heat milk in double boiler. Add egg yolk, sugar and salt, and cook until thick. Add rice, and the last minute before removing from stove, add the gelatine softened in the cold water. Stir in thoroughly. Fold in stiffly beaten egg white, and set in a large pan of ice water to cool.

Make the hard sauce by creaming and stirring together 3 tablespoons of butter, egg white, 2 tablespoons of lemon juice, 2 1/2 cups of powdered sugar and any desired flavoring.

Try "corned beef and—" soon. It's sure to be welcomed by the men in your family.

There is a splendid strong toaster now on the market which gives excellent satisfaction on gas, oil, and other types of stoves. This blue-glazed toaster makes four pieces of brown toast at a time. Its handle never gets hot. You'll see it displayed at most hardware stores.
