

Special "Western Week" Events Being Considered

Annual Rice Cook-Up and Horse Show will be held in Haskell, Okla., during the week of May 22-28. The planning committee, headed by Dr. T. W. Wilcox, is considering a series of events during the week, including a rodeo, a dance, and a picnic. The Rice Cook-Up will be held on May 22 at the Haskell school auditorium, and the Horse Show will be held on May 23 at the Haskell fairgrounds. The committee is also considering a series of lectures and exhibits during the week.

Funeral Rites Held Here Sunday for Mrs. P. D. Sanders, Earlyday Resident

Mrs. P. D. Sanders, 98, member of an earlyday Haskell family, died April 27 in Evansville, Ind., where she had been living during her declining years. She had been in feeble health for some time due to advancing age.

Funeral services were held at the First Methodist Church in this city at 2:30 p. m. Sunday, May 1, with the Rev. Oscar Bruce, pastor, officiating.

Burial in Willow Cemetery was under direction of Holden Funeral Home.

She was born Cornelia A. Porter on March 17, 1862 at Porter's Prairie in Burleson County, Texas. She was married to P. D. Sanders of Haskell on May 24, 1899. He was an earlyday lawyer and abstractor, and served as County Judge of Haskell County and later as District Judge. He died in 1930.

Mrs. Sanders, a member of the Methodist Church since the age of 10 years, was active in the work of her church as long as health permitted. She taught the Builders Sunday School Class here, and was also active in the Woman's Society of Christian Service. Mrs. Sanders also served as deputy county school superintendent for a number of years.

She is survived by one son, Cedric Sanders; and a daughter-in-law, Sophia Sanders; and two grandsons, Bryan and David Sanders, all of Birmingham, Michigan; a step-son, Fred Sanders Sr., of Harlingen; two step-daughters, Mrs. Alma Porter of Caldwell, Texas and Mrs. Zora Park of Oklahoma City, Okla.; three sisters and one brother.

Palbearers were Wallace Cox Sr., Bill Richey, Jason Smith, Earnest Sanders, Wallace Sanders, Hill Oates, Roy Sanders, J. H. Porter.

Rotarians Told Of Changes In Election Laws

Rotarians were briefed on election law changes which will be in effect this year by County Democratic Party Chairman Chas. M. Conner at the weekly meeting and luncheon last Thursday in the Highway Drive Inn.

Conner stressed particularly the provisions which require stamping of voter's poll tax receipt with his party affiliation at the time of voting. Persons exempt from payment of poll tax will be given a stamped certificate of party affiliation.

No person will be permitted to take part in precinct conventions or other party activities unless he has voted in the primary of his political party.

Provisions concerning absentee voting were also explained by Mr. Conner.

In closing his talk, the Democratic Party chairman urged every voter to attend the precinct conventions. These meetings will be held at 2 p. m. on May 7, date of the precinct convention. "Be sure you vote first, then come to the precinct convention," Conner urged. "Try and interest your neighbor in taking part in the party conventions. This is the only time you have a choice in helping select a nominee for president," he concluded.

Henry Withers, program chairman, introduced Conner.

Hooper Wilkinson, president, announced that several members were attending a district meeting in Breckenridge. In the absence of song leader Thos. B. Robertson, Bob Herren led the group in two songs, with club pianist Ruthie Withers accompanist.

Visitor at the meeting was State Representative Ed Cloud of Rule.

Funeral Service For A. F. Parks Held Friday

Funeral rites for A. F. Parks, 91, father of Sam Parks, Haskell barber shop owner, were held at 4 p. m. Friday in the First Baptist Church in this city.

Officiating was the Rev. M. D. Rexford, pastor. Interment was in Willow Cemetery under direction of Holden Funeral Home.

Mr. Parks, a retired farmer, died at 1:10 p. m. Thursday, April 28, in Purcell, Okla. He had lived in that section a number of years.

He was born March 8, 1869 in Marshall, Ark. In 1892 he was married to the former Miss Attie Baker, who preceded him in death.

Mr. Parks was a member of the Presbyterian Church.

He is survived by two sons, Sam Parks of Haskell and Loy Parks of Oklahoma City; seven daughters, Mrs. Lola Henderson of Los Angeles, Calif.; Mrs. Vesta Coplen and Mrs. Geneva Floyd of Abilene, Texas; Mrs. Erma Yeager and Mrs. Ora Petty of Fort Worth, Texas; Valeria Edwards of Odessa, Miss; Ima Parks of San Antonio; 23 grandchildren, 29 great-grandchildren, and three great-great-grandchildren; and one brother, Butler Parks of Marshall, Ark.

Palbearers were A. E. Ivey, Floyd Houston, Steve Sloan, Raymond Burson, Buford Cox and Myron Biard.

Check-Up Planned For Children of Pre-School Age

Parents of children who will enroll in the first grade for the next term of school beginning in September 1960, will be interested in a pre-school Round-Up for their children. It will be held at the Elementary School Tuesday, May 10, at 1 p. m.

Registration will be held in the Band Room. After registration, further instructions will be given for the afternoon.

Many Former Residents Expected at Pinkerton-Whitman Reunion May 14

An annual affair which brings together former residents and members of families who lived in this area 40 and 50 years ago will be held here Saturday, May 14.

It is the Pinkerton-Whitman reunion, which will be held at the American Legion auditorium in this city.

The occasion will be a homecoming for earlyday residents in the old Pinkerton, Whitman and Foster communities west and northwest of Haskell, and the descendants of these families.

The three rural communities at one time boasted separate schools and churches, and the largest, Pinkerton, had a blacksmith shop and several stores.

The reunion and homecoming was started several years ago and has been attended by several hundred persons each year since.

No set program has been planned, the gathering being an informal get-together for visiting, renewing acquaintances, and discussing events and happenings of 40 years or more ago.

A basket dinner will be spread at 5 p. m. as one of the reunion highlights. All families attending are asked to bring a basket of food.

Claude Ashley is president of the Homecoming Association.

Scott Memorial Park Contract Is Renewed

Contract for operating concessions in Scott Memorial Park at Lake Stamford, which includes the duties of park caretaker and maintenance of the county-owned park building, was renewed for a five-year period at the last meeting of Commissioners' Court.

The contract, originally held by Alton Middleton, was transferred to Randy Ballard, who has been park caretaker and operator for the past several years.

The Court also reviewed and approved the delinquent tax roll which had been brought up to date by the assessor-collector's office. Covering the period from 1919 through 1958, total State, county and school taxes shown delinquent amounted to \$37,895.83.

Commissioners also established a policy concerning sick leave for appointed county employees. In the future, when illness causes absence from regular duties, the employee will be carried on the payroll for 60 days, then dropped until able to return to work.

Talented Young Vocalist Sings For Lions Club

Members of the Lions Club welcomed the return of a former member, County Agent Frank Martin, and were entertained by a talented young vocalist at the weekly luncheon and meeting Tuesday at noon.

Lions were given a brief report of a directors meeting held Tuesday morning and announcement was made of the reinstatement of Lion Martin. Visitors were George Wall of Milford, Conn., and Dallas, and School Supt. Robt. King. Lions were told by Supt. King that the Spanish II Class of Haskell High School planned to leave Friday on a trip to Old Mexico. The club voted \$18 toward defraying some of the expense of the trip.

Program Chairman Harold Spain introduced Mrs. Hubert Bell, who presented one of her talented pupils, Millie Holden. The young vocalist sang several numbers and an encore. She is the daughter of Mr. and Mrs. Bill Holden.

Mrs. Geo. Turner Wins Plymouth

J. B. Gipson of the Bill Wilson Motor Company announced that the "Big End of the Month Sale" of cars and trucks held last weekend was very successful, and he expressed thanks to the people of this area for the fine response.

Mrs. George Turner of Haskell was the winner of the 1950 Plymouth which was given away Saturday afternoon.

Homer Patterson New Agent for Reporter-News

New agent in Haskell for the Abilene Reporter-News is Homer Patterson, who succeeds Tom Baker who has handled the agency for the past year or longer.

Patterson has been working with the former agent for the past week or more to familiarize himself with distribution routes in Haskell. He took over the distributorship Sunday, May 1.

Patterson states he will endeavor to maintain the same efficient service given by the Bakers and asks that subscribers notify him when service is not what they expect. He may be reached at telephone UN 4-3120.

Peak Vote Is Expected In First Primary Saturday

Paint Creek School Schedules Closing Exercises May 8-13 for 1959-60 Term

Poll Tax Receipt To Be Required When Voting

A change in the election law makes your Poll Tax receipt a valuable document this year.

This year, for the first time, you must present your poll tax or exemption when you vote. The election judge will stamp the receipt designating your party affiliation as Democrat.

In turn, your poll tax receipt after being stamped showing that you voted, qualifies you to attend your party precinct convention. Changes in the law require that you must have voted before you can take part in the precinct convention, or the county convention later.

Potential Vote in Haskell County, Based on Poll Tax Payments and Exemptions, Is Estimated at Approximately 3,800 This Year

Whether the earlier date of the first primary—heretofore held in July—will have any effect on the balloting habits of Haskell voters remains to be seen. Most political forecasters however, hold the opinion that a big percentage of the county's qualified voters will visit the polls.

Voters will ballot on seven contested State races and six contested county and precinct races, while there are eight State and four county or precinct races where candidates are unopposed.

Balloting will be at 17 voting boxes in the county, with polls opening at 8 a. m. and closing at 7 p. m.

Haskell's four voting boxes will all be in the courthouse. Precinct 1 will be in the office of the Department of Public Welfare, Precinct 2 in the Assessor-Collector's office, Precinct 3 in the County Clerk's office, and Precinct 4 in the County Superintendent's office.

Large Turn-Out Attends Jaycees Political Rally

An estimated 800 voters turned out Friday night for a political rally sponsored by Haskell Jaycees, and heard almost the full slate of county and precinct candidates make pleas from the speaker's platform for support at the coming Democratic Primary Saturday.

Only State candidate represented was Robert W. Calvert, candidate for Chief Justice of the Supreme Court. Courtney Hunt, former Mayor and legislator, spoke in behalf of Mr. Calvert.

Other speakers ranged from State Senator George Moffett, through a list of district, county and precinct office-seekers.

Abe Turner, Haskell Jaycee, served as master of ceremonies and introduced the speakers.

A musical trio, Gene Leonard, W. O. Nanny and Pinky Sherman entertained with numerous selections of hillbilly and popular tunes.

Iced lemonade was served free during the evening's program, a courtesy of Haskell Jaycees. Between 700 and 800 persons were served, Jaycees estimated.

Census Count Nudges 4,000

Population of the City of Haskell edged the 4,000 mark in the preliminary report of the 1960 Census released by Herbert S. Gray, Wichita Falls, district census supervisor.

The exact count was 3,998, a gain of 162 over the 1950 total. However, Haskell County's population declined 2,650, from 13,736 in 1950 to 11,086 this year.

Rule also gained over the 1950 count, while Rochester, O'Brien and Weinert showed losses in the 1960 census.

Preliminary report for Haskell, Stonewall and Kent Counties:

	1960	1950
Haskell County	11096	13736
Haskell	3998	3836
Rule	1334	1251
Rochester	606	773
O'Brien	284	300
Weinert	247	288
Kent County	1696	2249
Jayton	637	635
Stonewall County	2916	3679
Aspermont	1176	1062

April Rainfall Only .93 Inch

Rainfall measured here during April was almost two-thirds below normal for the month, according to Sam Herren, local observer for the Weather Bureau.

Total precipitation in April amounted to .93 inch, compared to normal for the month of 2.80 inches.

Total rainfall for the year to date now stands at 4.74 inches. Herren reported. Normal for the year to date is 6.65 inches, a departure from normal of .91 inch up to May 1.

April temperature ranged from a low of 31 degrees on April 3 to 97 degrees on April 6.

Attend Meeting Of Dental Group In Fort Worth

Dr. and Mrs. Wm. J. Kemp and Mrs. Opal Smith attended the 20th annual convention of Texas Dentists Association and Dental Assistants Association, held in Fort Worth April 23-27.

Outstanding speakers were on the five-day program of lectures and discussions.

Dr. Kemp served as chairman of judges for the Dental Assistant's Clinic, and Mrs. Kemp was appointed program chairman of the 17th District Dental Association with headquarters in Abilene.

Mrs. Smith, immediate past director of the Texas Dental Assistant's Association is now serving her second year as chairman of the State Clinic Committee. She also spoke at two sessions of the House of Delegates and was an honored guest at the president's ball.

All Should Vote, Declares Farm Bureau Head

Every qualified voter in Haskell County should ballot in Saturday's primary, declared Henry W. Smith, president of the Haskell County Farm Bureau, in a statement this week.

The ballot is this nation's greatest bulwark against the forces which would destroy Democratic government, Smith said.

"Because we live in a Christian nation, your right to vote is a God-given privilege. Be sure you exercise that privilege Saturday," the Farm Bureau chief urged.

Little League Program Slated Here Tonight

As a prelude to opening the Little League baseball season, a program will be held at League Field at 7:30 tonight to which the public is invited.

Teams and managers will be introduced, and sponsors of teams will be given recognition. Schedule for the first three opening games follows:

Monday May 9—Bears vs. Frogs at 5:30 p. m. Tigers vs. Hawks at 7:30.

Tuesday May 10—Cats vs. Red Horses, 5:30 p. m. Ram vs. Cubs at 7:30.

Thursday May 12—Red Horses vs. Bears at 5:30 p. m. Cubs vs. Tigers at 7:30.

Complete season schedule will be published next week.

Clean-Up Weeks Proclaimed In Weinert

Mayor W. B. Guess of Weinert has proclaimed the first two weeks of May as Clean-Up Weeks in Weinert, and urges full cooperation of all residents in the campaign.

The clean-up and beautification campaign is sponsored by the Weinert Matrons Club, joined by other civic groups and organizations.

"The active help of every citizen is requested in this campaign, to the end that our community be made a cleaner, healthier, and more attractive place in which to live," the Mayor's proclamation stated.

By-Laws Adopted By Little League Auxiliary

A called business meeting of the Little League Auxiliary was held April 29 in the Highway Drive in Cafe. By-laws for the organization were read and approved. Since the baseball season schedule does not start until the second week of May, payment of dues was extended until May 10.

Plans were made for installation of a telephone at the field during the season and schedules for working in the concession stand were worked up.

Next regular meeting will be June 7.

All Candidates File Reports On Costs of Campaigning

Campaigning for office consumes money as well as time, as expense statements of 19 candidates for county and precinct office reveal.

The reports, filed in the office of the County Clerk, show that the 19 candidates have spent a total of \$5,310.58 on their campaigns. Individual totals range from \$90.25 for a precinct candidate, to \$692.00 spent by a candidate for county office.

Principal expense items listed on the reports were filing fee, newspaper announcements, campaign cards and gasoline and oil.

City Gains Three New Residents

Haskell gained three new residents during the past week, according to the survey of the Chamber of Commerce.

Listed as newcomers are: Mr. and Mrs. M. M. Curtis, 502 North Avenue F. Wm. O. Johnson, 307 Avenue C. Windell Medford, 200 South Ave. I.

Precinct Conventions Will Be Held In All Voting Boxes Saturday

Chas. M. Conner, County Democratic Party chairman, reminded voters this week that Precinct Conventions would be held in all voting precincts at 2 p. m. Saturday.

"Attend your precinct convention. It is the place where your opinion in party matters can be expressed," the Democratic party chief said.

Conner pointed out that you must vote in Saturday's primary before you are eligible to attend the precinct convention. This is provided in an amendment to the State election code.

In Haskell, precinct conventions will be held at the following places, with each meeting starting at 2 p. m.:

Precinct 1, northwest portion of district courtroom on second floor of courthouse.

Precinct 2, Chamber of Commerce office.

Precinct 3, County Judge's office in courthouse.

Precinct 4, Grand Jury room, third floor, west wing of the courthouse.

PEOPLE, PLACES AND THINGS

By A. PATE

Candidates who assumed the role of fledgling orators Friday night at the Jaycees' political rally, each did a very creditable job in placing their claims before the several hundred voters present.

For several members of the legal profession who are candidates, speechmaking was a natural. But for the average candidate it was a formidable and dreaded undertaking. To their credit, each acquitted themselves nicely.

At the Wehnert political rally two weeks ago, the Rev. Carter Tucker, Baptist minister, contributed a timely bit of verse, from which we quote the opening lines:

"Since the beginning of time, men have been on the run. They've run for their lives, and they've run just for fun. They've run for cover, and for dinner, sometimes a bit late.

But no one has ever run like a worried candidate."

In this issue of The Free Press, many of the candidates are making a final bid for support on the eve of Saturday's first primary. Take time to read these statements and consider each candidate carefully in making your choice. After voting Saturday attend

your precinct convention and help your neighbors outline policies and platform of the Democratic Party this year. These precinct meetings ARE important, and afford YOU a chance to help formulate party policies.

Operators of those speedy and noisome motorized "go-carts" that have become fairly numerous in Haskell in recent months, will more than likely find themselves on the receiving end of a traffic ticket unless their vehicles meet traffic safety requirements.

Many of the contraptions, which resemble a mechanized beetle, are home-made assemblies, powered with lawn mower or washing machine motors. They develop amazing speed and almost the noise of a jet fighter, all of which adds to the thrill of operating the miniature scooters.

But according to Sgt. Jirek, the contraptions must be safely inspected and licensed if they're operated on any public thoroughfare.

Don James, State Editor of the Wichita Falls Times and Record-News, had an interesting story in The Times' Feature Magazine Sunday. It con-

cerned the Archer County Cemetery, a 10-acre tract dedicated by the county as a cemetery in the late 1860s or early 1870s. Oldest marked grave has a headstone dated Sept. 19, 1872.

Don's story calls to mind that two of the earliest marked graves in this section are located near the Round Mountain ranchhouse on the Ross Sloan Ranch southwest of Throckmorton and near the Haskell County line.

One of the graves is that of a young woman whose death occurred in 1852. The second grave, nearby, is that of a young man buried some 20 years later, in 1872.

The late John Culp, who lived at Round Mountain for many years when the ranch was owned by Reynolds Brothers, said he had never been able to learn anything about the graves from oldtimers. It is presumed that the young woman was in a party traveling to California, since several "gold rush" trails came through that section.

As long as Culp was manager of the ranch, the two burial plots were kept neat and clear of weeds, with a wire fence enclosing the small tract. Culp's successor at the ranch headquarters more than likely has continued caring for the two burial plots, one of which is now more than 100 years old.

A story in a recent issue of the Quannah Tribune-Chief stated that California parties had announced plans for mining copper ore at a site on the Peace River in Foard County.

A rich vein of copper ore, said to be sufficient to keep a small mine operating profitably for six years or longer, has been discovered on the mining site.

If this development is carried out and actual mining operations started, a revival in mineral prospecting throughout this area might result.

At one time, copper deposits in the Kiowa Peak area near the Knox-Haskell-Stonewall County lines were mined for a brief period. First persons coming to this country also discovered evidence of crude mining operations at several points on the Peace, Wichita and Brazos rivers.

Stories dating back to the Spanish explorations of the West tell of abandoned mines, supposedly in the region which is now Stonewall County. In adjoining King County, it is recorded that an early-day cowboy who found an outcropping of ore in a natural cave on the Wichita River sent a sample to Denver to be assayed. When he received a report from the assayer that the ore was almost pure lead, he was

disgusted. Years later, when interested parties offered him a sizeable sum to guide them to the deposit, the aging cowboy was unable to find the place. The prospectors theorized that sometime during the years that had intervened, the cave had probably collapsed, covering up all signs of the vein of ore.

Of all the mothers who will be taking bows May 8th none has shown more stamina than the little old lady who had been putting children to sleep for more than 200 years.

But Mother Goose may have had more on her mind than nonsense rhymes. In fact, she may have been taking pot shots at some of the key figures of her day.

"Rock-a-bye baby on the tree top" sounds harmless enough. But the lullaby—popular during the time of James I of England—might have been a joking reference to James' shaky hold on his throne.

World Book Encyclopedia suggests that the little boy who sat in a corner eating his Christmas pie was really an English steward sent to London with a pie for the king. In the days of Henry VIII, important papers often were baked in pies, and this particular one supposedly contained title deeds for several English estates. The greedy Jack Horner, however, stole the king's "plum"—the deed to an estate that one belonged to the Church of England.

Humpty Dumpty may have been Richard III. The deformed villain seized the throne of England in 1483 after imprisoning his 12-year-old nephew, the rightful king, in the tower of London. Two years later he was killed in the battle of Bosworth Field, and "all the king's horses and all the king's men couldn't put Humpty together again."

CREEK... COMMUNITY NEWS

BY MRS. GENE OVERTON

ter receiving his discharge from the Air Force at the Air Base at Plattsburg, N. Y. He arrived here last Thursday.

Little Mary Margaret Overton celebrated her 3rd birthday at the home of her grandparents, Mr. and Mrs. Ray Overton Sr., recently. She had a "cocanuff" birthday cake, and her little cousins, Jean Ann, Jimmy Dan and Janie Lynn Raughton came in the afternoon and celebrated with her.

Raymond Davis underwent surgery at the Haskell Hospital two weeks ago and is recuperating nicely.

The community joins in extending our sympathy to the wife and children of John Nanny. Mr. Nanny was one of the pioneers of our community, having come here in 1909.

Tuesday evening the Association Worker's Conference was held at the Paint Creek Baptist Church.

Former Aggies from Paint Creek attending the A&M Muster meeting at the Fair Park Exhibit Building on April 21 were James Raughton, Willie Lee Medford, Bill Griffith, Sammy Griffith and Gene Overton. Gene Overton was this year's Muster Chairman for the Haskell, Jones, Stonewall, Kent and Knox County Musters.

Mr. and Mrs. Ray Overton Sr., were in Quanaah last Tuesday to visit Mrs. Overton's brother-in-law, S. Q. Bailey.

Mr. and Mrs. J. Howard Montgomery spent the Easter holidays in Houston with their son, John Carlos and family.

Mike Overton and Judy Jones from Ruler left Thursday for Amarillo where they joined their aunt and uncle, Mr. and Mrs. Charles McBeath and several stockholders of the Panhandle Associated Grocers, and went by train to the national meeting of the Associated Grocers which is being held in Washington, D. C. They will spend five days in Washington and go on to New York for four days of sightseeing, shows and baseball games, and then back by way of Chicago to Amarillo and home. Mr. McBeath is president of the National Grocers. It's nice to "Have Uncle...Can Travel."

Mr. and Mrs. Roy Overton and Mr. and Mrs. John Kuenstler were in San Angelo Tuesday where they visited Mrs. Overton's and Mr. Kuenstler's sister, Mrs. Lillie Wilson on her birthday.

The junior class left Saturday for Carlsbad, N. M., where they stayed overnight and made the tour of Carlsbad Cavern Sunday morning. Parents and sponsors making the trip were Mr. and Mrs. Allen Isbell, Mr. and Mrs. Ira Coleman, Mrs. Lucille Watson, Miss Shirley Thane and Willie Lee Medford. Juniors making the trip were Mary Lou McLennan, Joann Griffith, Johnny Watson, Mike Shaw, Martindale Coleman and Jackie Sonnamaker.

Mr. and Mrs. Jesse Cook and children Charlotte and Ray, spent the Easter holidays in Oklahoma where they visited Jess's mother, Mrs. W. H. Cook in Ponca City, Okla., and his sister and family, Mr. and Mrs. N. N. Hayward in Shawnee, Okla.

W. A. Montgomery spent the Easter holidays with his daughter, Mrs. Boyd Cathey, Mr. Cathey and Elizabeth. They attended the wedding in Dallas Friday night of Mr. Montgomery's niece, Helen Jean Cox and Thomas N. Coleman.

Mr. and Mrs. W. S. Cox spent the Easter weekend in Dallas with their daughters, Helen Jean and Mrs. James Gardner. Mr. Gardner and children, Friday night they attended the wedding of their younger daughter Helen Jean to Thomas Coleman.

Mr. and Mrs. Pat Morrison

attended the wedding of Helen Jean Cox and Thomas Coleman in Dallas Friday, April 22nd.

College students home for the Easter holidays were William Overton, Dolin Hughes and Nelva Walton from North Texas, Wallar Overton, Dan Griffith, Dub Sims and Jimmy Griffith from Texas A&M; Emilee Griffith from H-SU; Judy Earles and Mina Griffith from Hendrick's School of Nursing, Sandy Earles from Midwestern, Arvie Bergstrom from the University of Texas, Clara Ann Fischer from Metropolitan School of Business in Ft. Worth.

Rudy Raughton spent the holidays with his mother, Mrs. Clarence Raughton and brother, James Raughton and family.

Gene Bourda had a finger amputated last week. It was the same finger he injured some time ago in an oil well accident. His sister, Mrs. Harry Logan, who is a trained nurse, came from her home in Canada to Colorado to be with Gene when he underwent the surgery.

The ladies of the Baptist Church were hostesses for a bridal shower honoring Mrs. Thomas Coleman on Saturday afternoon at the Baptist church. Refreshments of cake, punch and mints were served from a lace covered table, with appointments in crystal and silver. A little white house with blue windows and doors and a blue roof held the gifts.

Billy Cockerell was in Brownwood April 14th to 16th for the Intermediate Girls Auxillary Queen's Court. The girls stayed on the Howard Payne campus and Billy was the only Queen from the Paint Creek Church. She made the trip with the group from Stamford.

Tuesday at noon the junior Homemaking girls were hostesses to the School Board members and their wives for a lovely luncheon. The menu consisted of fried chicken, creamed potatoes, green beans, tossed salad, hot rolls, iced tea and lemon ice box pie. This has become a sort of tradition for the junior girls, who are really "graduating" in the Homemaking to cook and

serve this luncheon for the trustees. This year it was quite a task for the girls because there are only two junior girls, Joann Griffith and Mary Lou McLennan. Miss Billie Boshier is their teacher.

Turnbow Makes Statement to County Voters

To the Voters of Haskell County: It is my sincere desire to place my candidacy before you for the office of Sheriff, Haskell County, subject to our new primary of May 7, 1960.

I have raised my family here, and have been interested in my county's welfare and progress in ever respect. Since I have served as your County Judge for 8 years, makes me feel that I could qualify as your next Sheriff should I be elected.

I also served as Juvenile Judge while serving as County Judge, this also makes me feel I am qualified to work with our juvenile children.

We have the finest children to be found anywhere, but occasionally some have problems, as you may know, and I certainly have the highest respect for each one of them.

I find them to be very much like adults in this respect, they go to the official or friend that they have their confidence and respect for in seeking help or information concerning their problem. I would consider it an honor and a pleasure to work with and for such nice young people as well as you taxpayers.

I favor full and impartial enforcement of county and State laws conceding the same equal rights to everyone.

So if you are interested in my race for office I am now seeking. I sincerely invite you to investigate my record in any way you desire, then if you see fit to vote and elect me to this important office, I will do my best to show my appreciation by making you a conscientious and efficient public official.

It certainly is my intention to see each and everyone of you personally before the primary, but it may be impossible for me to do so. If I should miss seeing you, will you please take this as a personal solicitation for your vote and influence in my campaign. Again thanking you ever so much for all past favors.

I remain sincerely yours, ALFRED TURNBOW.

John Paul Jones' USS Ranger was the first American ship to receive a formal salute to its flag when it visited Quiberon Bay, France, in 1800.

John Brock Makes Statement To Precinct Voters

To The Voters of Precinct 1, Haskell County: As the campaign for Commissioner is drawing to a close I want to thank each one who has given me encouragement and for being so understanding while I have tried to present my side of the questions.

When I offered myself as a candidate for Commissioner I did so after carefully considering the duties and responsibilities of the office.

I think I am qualified for the office due to my general understanding of the public interest and my desire to be of service to the Precinct and the County.

I believe it is the duty of all public officials, and especially the Commissioners Court, to see that every dollar of our tax money that is spent is worth 100 cents to the Precinct and County.

I also believe that taxes should be kept as low as good business practice will permit. This I will do to the best of my ability.

I have lived in this county for almost 50 years and all my adult life has been in Precinct 1 except 2 1/2 years while in the U. S. Navy during World War I. I have lived in each of the five communities of Precinct 1, have voted in ALL five of the voting boxes, traveled ALL the roads, worked for better schools and roads and for better administration of the public business for almost 40 years.

If elected it will be my aim for each part of the Precinct to get its share of road work, and promise that no part will be favored at the expense of some other part of the Precinct.

Thank you for your consideration, and for your vote and influence. JOHN BROCK.

RETURN FROM VISIT

Mrs. Mart Clifton and her mother, Mrs. T. J. Sims returned last week from an extended visit in Fort Worth and Malakoff. In Fort Worth they visited in the home of Mr. and Mrs. Ben Clifton and family, and while there attended a performance of The Ice Capades. From Fort Worth they went to Tyler where they visited in the home of Mr. and Mrs. Pat Hightower and toured the famed Azalea Trail and Dogwood Trails at that place.

TO THE VOTERS OF PRECINCT NO. 3

Since serving as your Commissioner Precinct 3 have learned much about the workings and need of the office, and thus I feel that this better qualified to serve you the second term.

The Precinct's financial condition is in good shape and the records are open to the public. If you check my record I believe you will agree that I have carried out the duties of the office to the best of my ability, and in an efficient manner at all times.

In asking for re-election as your Commissioner Precinct 3, it is my firm belief that I am fully qualified by experience and training to fulfill the duties of the office.

I have tried to see all of the voters, but if I overlooked someone, please consider this message a solicitation of your vote and influence in the May Primary.

The first game of the season will be Monday, May 9th. The Dodgers will play the Braves and the Gants will play the Yankees.

Baptists Entertain Seniors

The ladies of the Rule Baptist Women's Missionary Society and the youth organizations of the church, entertained the members of the senior class and the high school faculty with its annual banquet on Friday night, April 29.

The banquet room was gaily decorated with ships, anchors, and other regalia around the theme of "Bon Voyage." Pleasant sailboats served as centerpieces and nut cups. A ship scene was spotlighted at one end of the room.

Rev. Rodney Dowdy welcomed the guests. Awbrey Simpkins, Sunday School Superintendent, gave the invocation. Jackie Colbert, Senior Class president, responded to the welcome.

Thurman Pylant, Hardin-Simmons student, was the program guest and talked and sang for the group. Mrs. A. D. May and Mrs. Rodney Dowdy presented the seniors and sponsors with gifts. Coach Bill Boles gave the benediction.

The workers in the youth organizations of the church were also guests. Senior mothers served the food.

Eighth Grade Graduation

Graduation exercises for the members of the Rule 8th Grade will be on Thursday, May 19, at 8 p. m. in the auditorium. The Rev. J. W. Carter, pastor of the First Christian Church of Knox City will be the speaker.

Dolores Stryker, daughter of Mr. and Mrs. Tom Stryker of Rule, is the class valedictorian. David May, son of Mr. and Mrs. A. D. May, is class salutatorian. Dolores and David have received many honors in elementary school, both being selected as Best All-Round students for the last three years.

Locals

Mr. and Mrs. Ben Kittley visited with Mr. and Mrs. James Barr and Kelli over the weekend in Ballinger. They attended the Ice Capades in San Angelo Saturday night. Mr. and Mrs. V. L. Trammell and Vicki June of El Paso visited last week with their parents Mr. and Mrs. E. H. Norwood and Mr. and Mrs. C. W. Dunnam.

Mr. and Mrs. A. R. Eaton attended the funeral of Mrs. Frank Martin Sr., last week in Mart, Texas.

Mr. and Mrs. R. C. Pool and Dennis Barbee attended the Ice Capades in San Angelo Saturday night, and visited with the Bertine Barbee's in Bronte.

Midget 'Home-made' Autos Must Comply With Vehicle Regulations

Those motorized gadgets that are showing up more and more in Haskell and which furnish thrills for their adult hot-rod operators, may also furnish a few headaches for their owners in the form of traffic court tickets.

The operation of various types of motor powered gadgets, or so-called miniature automobiles, on highways and streets has become increasingly common, officers say.

Because these contraptions contribute a dangerous traffic hazard, the Department of Public Safety has announced that all so-called miniature automobiles will be required to comply with all requirements of a passenger vehicle, if it is operated on a street or highway.

According to the Department of Public Safety, the following equipment is required:

A legal license plate for the vehicle.

A motor or serial number.

Foot brakes capable of stopping the vehicle within 30 feet at 20 miles per hour.

Emergency brake capable of stopping and holding the vehicle independently operated from the foot brakes.

At least two headlamps of at least 3500 candlepower each, and capable of revealing a person or vehicle 200 feet ahead during nighttime.

At least one red tail lamp. One stop light on the rear, which shall be actuated by the foot brakes.

A license plate light to illuminate the rear registration plate.

A horn in good working order.

A muffler in good working order.

Two red reflectors on the rear of the vehicle.

Windshield wiper in good working order if vehicle sold originally with a windshield wiper.

Operator of vehicle must have proper type of drivers license.

Vehicle must pass vehicle inspection test and qualify for inspection sticker.

Many of the miniature automobiles are home-assembly jobs, built as a hobby by adults, and most of them are operated by grown-up "hot rodders." A few are operated by children too young to be aware of the dangers involved in traffic.

Because of the increasing number of the makeshift vehicles, and the fact that owners do not realize the machines are subject to licensing and regulation, traffic enforcement officers are calling the above facts to the attention of the public.

Future operation of these vehicles on streets and highways will result in tickets for the operators, officers have warned.

Cholla is a particularly spiny species of cactus. It grows to a height of six or eight feet and has many stump branches which are easily detached, and on this account has a most vicious reputation for embedding itself in passers-by.

Mrs. Opal Nanny Directs B&PW Club Program

Members of Haskell Business and Professional Women's Club braved bad weather and held their meeting Tuesday night, April 26 in the community room of the Haskell National Bank.

The room was attractively decorated with bowls of lily and red roses. Mrs. Opal Nanny, chairman of the Legislation Committee, was director of the program for the evening. She was assisted by members of her committee, Jessie Vick, Pauline Norman and Elizabeth Stewart.

Mrs. Ozelle Frierson gave the Club Collect. Madalin Hunt, president, presided for the business meeting. Mrs. Nanny introduced Miss Jessie Vick, superintendent of County Schools. Miss Vick gave a most interesting and informative discussion on "Decennial Census of the United States and the Women Count."

The Legislative Committee, assisted by Brucille Nellums, and Louise Greene, presented a very clever skit, "Vote." The characters: "Apathy," "Ignorance," "Lack of Interest," "You Can't Tell Me How," and "Let George Do It" were finally overpowered by: "Equal Rights for Women," "Interest," "Education," "I Will Do My Part," "Equal Right for Women" urged all members to vote early on May 7 and attend their Precinct Conventions.

The hostesses served delicious frosted Cokes to the members during the social hour.

THE PEOPLE OF PRECINCT NO. 1

was appointed to the office of Constable Precinct 1 about 2 years ago and am now seeking my first term to this office.

to carrying out the duties of the office it has been impossible to see all of you and I am asking that you consider this as a personal solicitation for your vote on the election. I promise to devote my efforts towards making a good constable.

ACE DAVIS
CONSTABLE PREC. NO. 1
FIRST ELECTIVE TERM
(Paid Political Ad.)

Bill Ratliff Asks Support in Race For Co. Attorney

To the Voters of Haskell County:

My name is Bill Ratliff. I am a candidate for County Attorney of Haskell County.

I have been a lawyer in Haskell County for twenty-five years. My wife and I have reared four children in Haskell. As many of you know, we have tried through the years to do all we could, helping and assisting in any program aimed to improve and better our community. We are going to continue to help make Haskell a good place to live and bring up a family.

As you know, an elective office is in the hands of you, the voters. I promise you that I will make that office one that will serve you, the people of this county. I will devote full time to the duties of this office. I believe that my experience and conscientious desire to do my duty will keep that office one in which you will be proud to have a part.

My opponent has held this office for twelve years. You have been good to him, but he can be replaced. I have worked hard during this campaign and want you to know that I appreciate the encouragement and help many of you have given me.

I hope and trust that you will agree with me that the time has come for a change and elect me as your next County Attorney.

Sincerely,
-BILL RATLIFF.

Be Careful, Snake Season Back Again

Beware of snakes. This is the report coming from game wardens all over the State, according to the director of law enforcement of the Game and Fish Commission. With the advent of warm weather, the snake movement has begun throughout the State.

There are four kinds of poisonous snakes in Texas. They are the moccasin, copperhead, coral snake and the rattler. Naturally the moccasins are found around water; the copperheads like cool places around old rock piles, barns and stacks of old lumber; coral snakes also are found around old tree stumps, under vines and shrubs; the rattler likely will be found most any place. Many of them are killed crossing highways.

Because there are so many non-poisonous snakes many persons may take a chance. For instance, near Rockport last week a group of school children found a snake swimming along the beach. They stuffed it in a bag, believing it to be a harmless hognose. Later, however, it developed the snake was a massasauga rattler.

Many of the harmless snakes have value as mice catchers and should not be molested. In fact, the director warns, it is best to leave all snakes alone, except to kill off the poisonous ones.

Dust Storm Damage to Farmland In County Less Than Last Year

High blowing winds have done less damage to our fields this year than in past years, according to Harry Koehler, Soil Conservation Service technician of Haskell. There is still a need for wind erosion control on our farmlands. The blowing dust of February and March points up this need.

Records kept by the Haskell SCS office reveal that four dust storms with an average period of ten hours each changed only about 2,500 acres. Weather conditions would not let farmers get into their fields. Most crop residues were left on the surface of the soil until near the first of April. Last year the records for February and March showed that eight storms prevailed with an average of eight hours each. Land damaged was estimated at 9,500 acres. Weather conditions last year were ideal for field work. Ninety per cent of the crop residue was plowed under by the middle of February.

Does this tell a story? Yes, the story is there. Tillage operations that leave crop residue on the surface of the soil

aid in controlling wind erosion as does residues. Early plowing under crop residues removes the protective cover and leaves our precious soil unguarded against the ravages of the spring winds.

Stubble or any crop residue left on the surface of the soil will catch and hold snow. Any amount of residues left on the top of the soil will break up the force of falling rain, thereby reducing soil loss. All residues left on the surface will reduce soil moisture evaporation during periods of high wind. Any field practice that will tend to retard soil losses either from wind or water should be installed and used on every farm.

"The earth is the Lord's, and the fullness thereof; the world, and they that dwell therein," stated the Psalmist. We are but stewards of the soil. Deeds to the land entitle us to its use during our lifetime. We are expected to care for it in such a manner that when we pass it on to the next generation, it will be in better shape than when placed in our care.

LETTERS... To The Editor

To the Editor

It has been nearly 2,000 years since the Lord gave to His Church the great commission: "Go ye into all the world and preach the gospel." Today only about one-third of the people in the world has heard the name of Jesus Christ.

Only 57 years ago Lenin established with seventeen supporters Godless Bolshevism, now called Communism. Fourteen years later, in 1917, with only some 40,000 supporters he took over Russia and her millions, not from the Czar as we are led to think but from a young government that had overthrown the Czar. Today Godless Communism has complete control over 900 million enslaved people. These millions attend schools with teachers selected, disciplined and trained by Communists from text books written by Communists.

These people, and many in free countries, read newspapers, magazines, novels and comics printed in their own language and sold at below cost, often distributed free, that are prepared by Communists. Quite often they read by electric light furnished by good ole U. S. A. with its so called foreign aid from your pocket. Of information available to the enslaved people, radio, TV included, only about 1 per cent is not flittered through Communist channels.

Communism does not originate with the poor, the working class or the uneducated! Every major world Communist figure who became a Communist in a non-Communist country did so as a student intellectual, atheistic in faith, materialistic in philosophy. Marx, Engels, Lenin, Stalin, Chou En-lai, Chu Teh, Ho Chi-minh, Alger Hiss, Harry Dexter White, Klaus Fuchs, Julius Rosenberg, Guy Burgess, Donald McLean and many others were all well fed student intellectuals.

What can one do about this continued spread of Communism? Spend a little time at study of Communism, its tactics, strategy, and objectives. There are plenty of good books and literature available. You can purchase the Communist Manifesto from your news stand or grocery store for 50c. It has their plan and goal. When you are finished see what you think about the Income Tax, about "moderation," "co-

existence," and "brotherhood." You cannot anymore stop Communism by being just against it than you can cancer by being against it. See that your children are properly educated also. The Chancellor of West Germany, who sits under Communist guns, recently said to Lyndon Johnson: "Educate your children, no price is too precious to pay to educate young people who must be Mentally and Morally strong enough to meet the challenge of our divided world. They must come to see what is a stake between freedom and Communism." I would add to Conrad Adenauer's statement, educate the free world also with pretty pictures, words in their language, magazines, novels and newspapers printed in their language and given away, if need be, that these people too may know what freedom is. Wouldn't this be better than the present give-away program that does not seem to even slow Communism now on the edges of the Americas and a bit inside too. Oppose centralization of power, in City, State, Federal Government and in Churches and industry too. Speak out against communistic and un-American propaganda wherever it appears, in Press, TV, Radio or rostrum. Russia does not want war, they want to win from within as they have with every captive nation now under its control. If our Nation fails it will, as have those others in history, fall from within.

Claude Ashley Makes Statement To Voters

With the approach of the first primary, May 7, County Commissioner Claude Ashley, candidate for re-election, makes the following statement:

To the Voters of Precinct 1: It has been a privilege and honor to have served as your County Commissioner in Precinct 1. It is with a sincere feeling of gratitude to the people of Haskell County, especially Precinct 1, for their past courtesies and support that I am humbly submitting my candidacy for re-election to this important office.

In asking for re-election, I am basing my candidacy upon my record of service during these past years that I have served as your Commissioner. And I would invite you to check the record for yourself. It is open to the public.

The most of my job I like. And because that I work hard at it, I want to keep it, and hope the people of Precinct 1 will see fit to permit me to continue to serve as your Commissioner. The experience that I have acquired in these years as your Commissioner will help me to be more efficient in my duties in the office in the future.

Again thanking you for your courtesies and past support, and sincerely soliciting your continued friendship and vote in Saturday's primary.

-CLAUDE ASHLEY.

LEWIS HESTER MAKES STATEMENT TO PRECINCT 1 VOTERS

Lewis Hester, candidate for Commissioner, Precinct 1, this week issued his formal statement to voters on the Democratic Primary Saturday.

Hester, well-known farmer and cotton ginner, lived all of his 53 years in Precinct 1. He sought office of Commissioner in 1954, and is asking for support again in 1960.

In his statement, Mr. Hester said:

Only after much consideration did I decide to run in this my second political race. I have always felt that serving the people of Precinct 1 would be the greatest honor and privilege that I could ever have.

I promise you that a vote for Lewis Hester will be appreciated and will be a vote for a better Precinct 1.

I have made the race on my own qualifications, not the other fellows' inabilities. I have tried hard to get every voter in the precinct, if I have missed one, I hope you will forgive me, and please accept this as a solicitation of your support."

O'Brien Qualifies Two For State Track Meet

O'Brien high school qualified Jerry Force and Jerry Rowan in the pole vault event at the state meet at Austin on May 6, and Rowan in the low hurdles. Preliminaries in the hurdles will take place Friday morning and finals Saturday afternoon. The pole vault will be over on Friday morning. Force broke the old record of 11-8, held by Danny Walsworth, also of O'Brien, three times during the process of winning from his teammate. They both jumped 11-6 to take the two first places; cleared 11-10 to break the record, both cleared 12-0 to again break the record and then Force vaulted 12-3/4 to set the new mark. Rowan won the low hurdles in 21-1 seconds. This makes the sixth straight year in which O'Brien has gone to the state meet in the pole vault. They have placed each year, with Herschel Force setting the record in 1956 at 12-8. Walsworth placed twice. This is the first time for either Jerry Force or Rowan to compete in state.

Others from District 13-B who will compete at Austin are Ronnie Huntsman in the high jump for Rochester; the Weinert mile relay team (for the third straight year) and Jerry Perryman from Rule, in the discus. Donna Verhalen and Sue Shelton of Knox City won the girls doubles and will compete in the state meet. This is the first time in several years that anyone from this immediate section has gone to Austin in tennis.

James Fowler Is Given Student Teaching Job

James Larry Fowler of Haskell is among a group of prospective teachers from North Texas State Teachers College who will take teaching assignments in Texas school districts this summer.

Dr. C. M. Clarke, director of teacher education at the college, reported that about 170 students are teaching one-half day for the full semester in the immediate Denton area. Others are assigned full time for nine weeks to more distant schools.

Fowler is the son of Mr. and Mrs. William A. Fowler, 1108 N. 8th St. His assignment is teaching physical education at Grapevine Junior High School.

This Is Little League

Minor Leagues: A Training Ground

For the purpose of accommodating those boys in the community who do not make the regular Little League teams, it has been the practice to organize "farm" or "minor" leagues.

The growth of this phase of the program in recent years has made increasing demands for volunteers, facilities, and equipment. It has also pointed up the necessity for more careful planning and better leadership at the local league level.

The minor league serves two essential purposes. It provides an opportunity to train and develop the younger boys who "fail" to make the regular Little League teams a chance to play baseball in company with others of comparable development and skills.

Experience has proved that a well planned and efficiently operated minor league system is an important adjunct to the Little League. But, more fields and equipment will be needed. Leadership will have to be efficient because we are dealing with younger boys.

While scheduling of games is desirable, the most important function of the farm system is to instruct boys in the fundamentals of baseball—how to throw, bat, run, field, and catch. By combining practice drills and informal games, the farm system program fulfills its basic purpose. It should be the purpose of the farm system to teach the younger boys the rudiments of the game.

By having the boys play in "practice games" and discussing "mistake" plays and correcting mistakes in a friendly and constructive manner as they develop, boys show amazing improvement in this type of program. Such games can be preceded by short drills in the basic fundamentals required for graduation to "first" teams. One time it can be a sliding drill, the next batting or bunting, fielding grounders or flies, throwing, tagging, running or backing up plays.

Boys in the minor leagues can be inexpensively outfitted with Little League T-shirts and caps. Each team may have a sponsor, or two sponsors, or more. A dozen T-shirts will cost around \$20.00. Haskell Little League has four minor leagues—Bears, Cats, Frogs, and Red Horses. They are now working out, and any father who would like to help the boys in their practice should contact the Manager.

Sagerton Student Named Member in Tech Sorority

Miss Wynell Fouts of Sagerton was among 17 young women students in Texas Tech tapped for membership in the Mortar Board, national honorary society for senior women students.

Mortar Board is a service organization with membership based on scholarship and demonstrated leadership.

New Lutheran Synod Constitutes The Southern District

New Lutheran... 24x 2... q Pastor Robert C. Berry and lay delegate Willie Peiser of Trinity Lutheran Church, Haskell, on May 9-11 will attend a historic Lutheran Convention in St. Martin Lutheran Church, Austin.

The three-day convention of pastors and delegates from 255 congregations in Texas, Arkansas and Louisiana, will include a concluding convention of the Texas District of the American Lutheran Church on May 9, and the constituting convention of the Southern District of the American Lutheran Church on May 10-11.

The final two days will merge the Texas District, American Lutheran Church, the South Central District, Evangelical Lutheran Church, and the Nebraska District, United Evangelical Lutheran Church into the Southern District of the American Lutheran Church. Parent bodies of the three churches held their constituting convention in Minneapolis, Minn., April 22-24, and the Southern District is the first of the nation's 19 districts to be constituted.

The first day's sessions will be presided over by the Rev. Vernon A. Mohr, president of the Texas District, and features an address by Dr. Geo. Schultz, director of Stewardship and Finance of the American Lutheran Church, Columbus, Ohio.

Reports of the various committees and activities of the Texas District ALC will be heard and there will be a concluding church service that night.

Tuesday's constituting convention of the Southern District of the ALC will open with a communion service. The business sessions of the constituting convention will be presided over by the new president of the American Lutheran Church, Dr. Frederik A. Schlotz, elected at the Minneapolis meeting.

Dr. Raymond Olson, Executive Director of Stewardship and Finance of the American Lutheran Church, will be the principal speaker, and delegates will choose the president, vice president, secretary and treasurer of the new district as well as the members of eleven standing committees.

Merging of the three bodies into the American Lutheran Church climaxes almost 10 years of study and effort, with a membership of nearly 100,000 in the new district, and over two and one-half million in the nation.

Fittingly, the two conventions will be held in the new \$1,400,000 church plant of St. Martin Church that was dedicated on March 27, 1960 and is the largest single church building project ever undertaken by a congregation of the American Lutheran Church.

Weinert Water Plant Operator Earns Rating

Skill and knowledge of water plant operation has won a Grade C "certificate of competency" for R. A. Mathison of Weinert.

The certificate was awarded under Texas' general sanitation law that water plants supplying the public must be under the supervision of an operator who has proved his talent for the job in a written examination and has been certified by the Texas State Department of Health.

Mathison's newly won certificate will be valid for three years. After meeting certain conditions of additional training and experience, he will be eligible to try for higher certification.

The examination for Grade C certification covers fundamental knowledge in quality requirements for a public water supply, interpretation of bacteriological analysis, and sanitation.

Unappetizing spectre of a sales tax was hovering over a generally unawakened Texas citizenship seeking as one major candidate based his campaign on a calling for a three year "sales tax" to ease the troubles.

Week the East Texas Chamber of Commerce, which certainly know better, came within a hair of endorsing a sales tax. A strong speech by the speaker, who attended the convention, prevented the amazing business, of course, is not so much to a sales tax as it is a per-capita income tax. Labor unions, are becoming more and more vocal in Texas, favor the per-capita income tax, which is a progressive thing and hits the higher income people harder than the sales tax, which comprise Governor Daniel believes that a tax is desirable or not, yet, that natural reaction and other selective taxes made to pay the way.

Four states now have a per-capita income tax. Half of the states the sales tax are getting better or better. That would mean the family living off an income of \$3,000 a year would pay around \$100 a year in taxes, just about what the family would pay in

PAINT CREEK . . . COMMUNITY NEWS

BY MRS. GENE OVERTON

If anyone has the time to leave his fields any time soon, the bass and catfish in the lake are either starving for stink bait and "already caught" minnows, or are tired of living and committing suicide. All the men who fish regularly say they have never seen such large catches of large bass and catfish as were caught last week. Everyone we talked to who had been fishing last week had wonderful luck.

This week all class work at Paint Creek will be finished and finals start next Monday. Programs for the commencement exercises will be found on other pages of the paper. We have the first child of a Paint Creek graduate to graduate this year. Since Paint Creek is only 21 years old, we have just one generation of graduates and are beginning our second generation.

On Tuesday evening of last week the Future Farmers of America had their annual Parent-Son banquet in the lunchatorium. The meal was catered by Underwoods of Abilene. Johnny Watson served as master of ceremonies.

Mrs. Lucille Watson and Mrs. Gene Overton were in Denton last Tuesday evening for the College Player's production "Visit to a Small Planet." William Overton designed and directed the building of the set for the play and also was in charge of the lights. They spent the night with Mrs. Overton's aunt, Mrs. Frances Hills and Wednesday went to Fort Worth where they visited Mrs. Watson's daughter, Mrs. Joe Allen Box and family.

ington, New York, and Chicago. The young people made the trip with their aunt and uncle, Mr. and Mrs. Charles McBeath.

The father of Scout Executive Kenneth Lafferty, R. H. Lafferty, about 60, died at Brownwood last Tuesday. The elderly Mr. Lafferty had suffered a heart attack about mid-March. Mr. and Mrs. Lafferty, Mike and Jan left for Brownwood immediately after receiving the message.

Supt. Pat Morrison, Principal Bill Tate, Vocational Agriculture Teacher Willie Lee Medford and board members Gene Overton and Roy Medford attended the District 7 Area Small Schools of Texas meeting at Throckmorton last Thursday evening.

For illustration, change in the stream bed of the Brazos along the west side of the county over a period of years could change property boundaries that would affect a few acres of land.

Delinquent Tax Rolls Show \$37,895 Due In Unpaid State, County Levies

Delinquent taxpayers of Haskell County owe a total of \$37,895.83 in State, county, school and water district levies, some of the unpaid levies dating back to 1919.

This is shown in a check of the 1960 Delinquent Tax Roll which has been approved by the Commissioners' Court.

Almost half of the total, or \$15,069.06, is in county ad valorem taxes, while past due State taxes amount to \$7,304.91, and the amount due in delinquent State poll tax is \$462.00. The county collects taxes for some school districts, and the delinquent list includes \$8,011.30 in unpaid school taxes. Making up the remainder are unpaid levies for farm to market and lateral roads, precinct road, and water district assessments.

Most of the unpaid taxes consist of small individual amounts that have been allowed to become delinquent year after year by the owner. In many cases, owner of the property is unknown, especially in instances involving city property.

However, the delinquent tax total includes some sizeable assessments, including a large ranch and farm property in at least one instance, business and well improved city property in other instances.

On the other hand, some of the assessments that are delinquent may be charged against property that does not exist in Haskell County.

For illustration, change in the stream bed of the Brazos along the west side of the county over a period of years could change property boundaries that would affect a few acres of land.

In another instance, a narrow strip of land inside the city limits of Stamford, is listed on tax rolls as being in Haskell County. In reality, a small offset in the south bound-

ary line of the county, which if confirmed by an accurate survey, would put the six or eight city lots in Jones County. Since the area involved is rough, eroded land and practically worthless, its taxable value to either county is only a few cents a year.

With the exception of a few instances such as the above, the county and State can eventually collect the overdue taxes, along with penalty and interest. This would involve court action and foreclosure and subsequent sale of the property to satisfy the tax judgment.

The 1960 delinquent tax roll of \$37,895.83 compares with a total of \$28,159.19 in 1955, when the last compilation of unpaid taxes was made.

Group From Paint Creek School Visits Carlsbad

Members of the Junior Class of Paint Creek High School, accompanied by their sponsor, faculty members and several patrons, recently toured Carlsbad Caverns National Park in southeastern New Mexico.

Class members in the group were JoAnn Griffith, Mary Lou McLennan, Patsy Bischoffhausen, Martin Coleman, John R. Watson, Mike Shaw. Accompanying them were Mr. and Mrs. Ira Coleman, Mrs. Lucille Watson, Miss Shirley Thane, Mr. and Mrs. Allen Isbell and family, and W. L. Medford, sponsor of the Junior Class.

Known as the eighth wonder of the world, Carlsbad Caverns are unequalled in size, beauty, and geological history.

Visitors find the caverns easily accessible. It takes only 57 seconds to make the trip by elevator from New Visitors building on the surface to the 750 foot underground level of the cavern.

Bill Pennington Makes Statement To Voters

In the closing days of the first primary campaign, I want to again present a formal statement concerning my candidacy for re-election as your Sheriff.

Also, I want to say "Thank You" again to everyone for their past support, their friendship and good will. I also appreciate the cooperation of jurors, court officials, and fellow officers with whom I have been associated.

Your continued vote and support is solicited on my qualifications and record during the time I have served as your Sheriff. Through the help of good citizens and court officials, law enforcement in Haskell County has been maintained at a high level.

Because of the influence of good citizenship, churches and schools, Haskell County is relatively free from the juvenile delinquency problem. In the few minor infractions involving young people, your Sheriff's department has worked with those involved in order that our youth may be helped.

The experience gained in the past will be a valuable asset in helping me to make you a more efficient officer in the future.

In asking for your vote in Saturday's primary, I promise you continued courteous and considerate treatment for all.

BILL PENNINGTON.

The underground ballistic testing range at the Naval Ordnance Laboratory, at Silver Springs, Md., is large enough to serve as a bomb shelter for 3,000 people.

John Alden, Pilgrim best known for his romance with Priscilla Mullins, has another claim to fame. He was the last survivor of the Mayflower passengers, dying in 1687.

Statement of County Attorney Curtis F. Pogue

To the Voters of Haskell County:

I wish to thank all of the people of Haskell County for the splendid support and cooperation given me while I have served you as your County Attorney. I appreciate the full cooperation that I have received from you and from the law enforcement officers, courts, juries and grand juries.

I have lived in Haskell County for 36 years. I am 49 years of age, married, and have two children, ages 4 and 13.

After serving four years in the Air Force in World War II, I returned to Haskell County, engaged in the private practice of law for one year, and was elected your County Attorney. In 1951 I again returned to private practice. In 1953 I was again elected your County Attorney, and was re-elected in 1957.

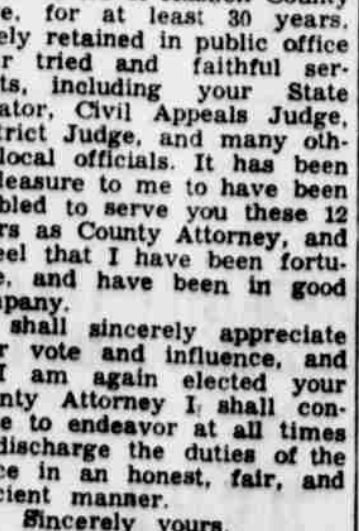

During my experience as your County Attorney I have endeavored at all times to conduct the business of the office in a courteous, fair and efficient manner. Among other duties, I have represented the County and State in about 8500 misdemeanor cases or have been responsible for the prosecution of such cases; I have handled all civil cases for the County, and also all lunacy cases and juvenile delinquency cases. Our rate of juvenile delinquency is considered to be low, due in large measure, I believe, to the efforts of the parents, churches and schools of our communities. Even though it is not mandatory for me to do so, I have voluntarily handled, without pay, all condemnation cases for Farm-to-Market rights-of-way for the County, and have thereby saved the taxpayers large sums of money that would otherwise have come out of the road funds to pay special attorneys.

The voters of Haskell County have for at least 30 years, wisely retained in public office their tried and faithful servants, including your State Senator, Civil Appeals Judge, District Judge, and many other local officials. It has been a pleasure to me to have been enabled to serve you these 12 years as County Attorney, and I feel that I have been fortunate, and have been in good company.

I shall sincerely appreciate your vote and influence, and if I am again elected your County Attorney I shall continue to endeavor at all times to discharge the duties of the office in an honest, fair, and efficient manner.

Sincerely yours,
CURTIS F. POGUE.
