## Awesome Mule Defense Keeps 'Horns Scoreless

*around muleshoe*

When the Muleshoe Athletic Boosters meet Tuesday night at 7:30 p.m. in the MHS cafeteria, highlighted will be the seventh grade football team.

All parents and fans of junior high football are encouraged to attend.

Room mothers of Dillman and DeShazo Elementary Schools are holding a Halloween meeting on Monday, October 5, at 7 p.m. at DeShazo School cafeteria.

All room mothers are urged to attend this very important meeting.

Bob Donaldson of the MAC (Muleshoe Activities Committee) announced a general meeting for all MAC members, and those interested in the MAC program, for 10 a.m. Tuesday, October 6, in the Summit Savings meeting room.

Please be present to discuss activities planned to Christmas.

Robert Kindler, Maple farmer, has produced the first bale of cotton in Bailey County.

It was ginned at the Maple Co-op Gin and was All-Tex Quickie, planted May 11 and ginned on September 29.

Area members of the TMRA will hold their membership meeting in Muleshoe on Saturday, October 10.

Cont. Page 8, Col. 2

### Windbreak Trees

Are Available

Until February

"In Blackwater Valley Soil and Water Conservation District is now accepting orders for windbreak trees," stated Carl Bamert, chairman.

Bamert added, "the tree selection is a little larger than last year and also there is a special wildlife seedling packet designed for use on Conservation Reserve Contracts."

"Stop by the Soil Conservation office, 105 E. Ave. D for application blanks and more information on tree selections and drip systems for the trees. Deadline on all orders is February 24, 1988."

**DANIEL OLIVAS, NO. 24, A SPEED DEMON ON THE FIELD**--Daniel Olivas, forefront, is one Muleshoe Mule, who takes advantage of the slightest hole to gain big yardage. He flies downfield and in each of the last two weeks had touchdowns on long runs. Friday night, the Mules shut out the Lockney Longhorns, 28-0 in action in Muleshoe. Next Friday night, the Mules will host the Friona Chieftains.

### FIRE SAFETY WEEK

## Longtime Fireman, Earl Ladd Reminisces About Fire Career

Rain, snow, sleet or gusting winds never stopped Earl Ladd, Sr. from dropping everything and running when a report came in that a fire had broken out, whether it be a house, business, vehicle or grass.

For more than thirty-five years he was a dedicated firefighter and has remained an active fireman in later years even though he no longer fights fires. "I could still fight fires, for a little while, if it was necessary," Ladd commented. "I still know how!"

Before joining the Muleshoe Volunteer Fire Department in 1941, he had served on the Sudan Volunteer Fire Department from 1930-1935, at which time he moved to Muleshoe. "When I joined the Muleshoe Fire Department it was in pretty bad shape, someone had to re-build the department so I just went to work."

When Ladd became Fire Chief in what he thinks was probably 1954, upon the death of Fire Chief Bill Booth, there were approximately 35 firemen.

Ladd had previously served as assistant Fire Chief to Chief Booth.

At the time Ladd became fire chief, Mrs. Ladd also acquired a job. For more than 20 years

when a fire call came in she would get on the telephone and call firemen, which she said left Ladd free to go on to the fire.

One of the first things Ladd

Cont. Page 8, Col. 1

## Fire Safety Week Boosted For Area

October 4-10, is Fire Prevention Week in Bailey County and across the nation, sponsored by the National Fire Pro-

tection Association.

On October 9, 1871, Mrs. O'Leary's cow kicked over a lamp and the city of Chicago burned. Fire Prevention Day was first sponsored by the Fire Marshal's Association of North America on October 9, 1911.

In 1922, President Warren G. Harding first proclaimed the week containing October 9 as National Fire Prevention Week. Ever since, the fire service of the United States has marked this week to highlight its growing efforts of educating the public in the prevention of fire; and the NFPA, the official sponsor of the Fire Prevention Week for more than 65 years, has selected the theme for 1987 emphasis to be "Play It Safe...Plan Your Escape."

According to NFPA, in 1986, 5,850 people died in fires, a 5.4 percent decrease from the year before when 6,185 people died. Home fires killed 4,655 people, which association officials called a 'modest decrease' of 4.7 percent from 1985.

Citing statistical data from the Texas Farm Bureau Accidental Death Program, Gary Hooten, president of the Bailey County Farm Bureau, said, "Under the fires and burns category...we paid eleven death claims in 1985 and only four in 1986, even with an increase in the number of families covered under the program."

On October 5, NBC prime-time television is dedicating a show... "Valerie"...to the importance of home fire drills. They will be encouraging a nationwide home fire drill in this program."

Cont. Page 8, Col. 3

## School Sets Open House October 11

Muleshoe Independent School District will host a formal 'open house' for the new central administration building on Sunday, October 11, 1987 from 2-5 p.m. All of the patrons, parents, students and friends in the community are invited to come and celebrate with the trustees and administrators.

A formal ribbon cutting will be at 2 p.m. with the president of the board, Julie Cage, presiding. Joining Mrs. Cage in the ribbon cutting ceremony will be honored guests representing KMUL, Channel 6, The Muleshoe Journal and the West Texas Ranger.

All other special guests (patrons, colleagues, parents, and friends of Muleshoe ISD) are invited to 'come and go' between 2-5 p.m.

The Muleshoe High School Student Council will be the official greeters in the front of the new building, while the Muleshoe Cheerleaders will be serving coffee and punch in the professional library. The trustees will greet visitors in the new board room while the administrators and staff greet visitors from their offices located throughout the building.

This is your special invitation! --Please plan to be in attend-

## Lockney Longhorns Fall 28-0 As Mules Continue Roll

In what was a statistically overwhelming game for the Mules Friday night, the Lockney Longhorns were resoundingly

defeated at the hands of the Muleshoe Mules by a whopping 28-0.

The most spectacular play of the game came late in the second quarter when Mule Daniel Olivas made an 81-yard touchdown dash with 1:36 left to play in the first half. Ronnie Perez kept true to his form and kicked the extra point, making a score at the half of 7-0.

After the parent's night activities before the game, it was readily apparent as the Mules took the field they were there for one thing only--another victory to add to their 3-1 record thusfar. The opening quarter showed a right choice had been made when Muleshoe was named as the best defensive team on the South Plains for the second week in a row. The Mules worked hard to keep Lockney from any great accomplishments or yardage gains.

During both the first and second quarter, neither team made any notable gains until the mind-boggling run by Olivas in the last minutes of the half. After the touchdown, Muleshoe was able to effectively control the rest of the game and use their players to their best advantage.

The Mules first possession of the third quarter ended with an attempt at a 37-yard field goal which veered off to the left. The Mules completely dominated the third quarter and moved the ball deep into Longhorn territory before numerous penalties ended their drive.

It seemed that the fourth quarter was to be the quarter for action when Muleshoe scored a colossal 21 points within eight minutes. The first of the TD's came from a two-yard run by Armando Del Toro with 8:50 left on the clock.

The next Mule to cross the line was No. 44, Michael Dunham, who ran 37 yards to bring the score to 21-0. Lockney

Cont. Page 8, Col. 2

### 3-Way Eagles

### Slap Smyer

### In Homecoming

It was a perfect night for football, and a perfect night for Homecoming Friday night when the Three Way Eagles hosted the Smyer Bulldogs. Once again, the Eagles proved they are a powerhouse team, and a team to be reckoned with when they blasted the Bulldogs by a score of 52-25.

It was a packed sidelines to watch the Eagles in action against the Bulldogs, and they weren't disappointed, even with a half-time score of 36-18.

At the half, the 1987 Football Queen was crowned, and the King designated. They were Melinda Turney and Brian Kindler. The Queen received her crown, yellow roses and a 'brand-new' robe of deep green velvet, lined with gold, in keeping with the Three Way school colors.

Other candidates on the field included Lisa Lowe, escorted by Saul Guillen; Staci Kindler, escorted by Kelly Tucker and Sheila Tucker, escorted by Jarrod Soward.

Both teams latched onto paydirt in the first quarter, with the first TD of the game coming on a 6-yard TD pass from quarterback Saul Guillen to Mario Guillen. Brian Kindler made it 8-0 on the extra point try.

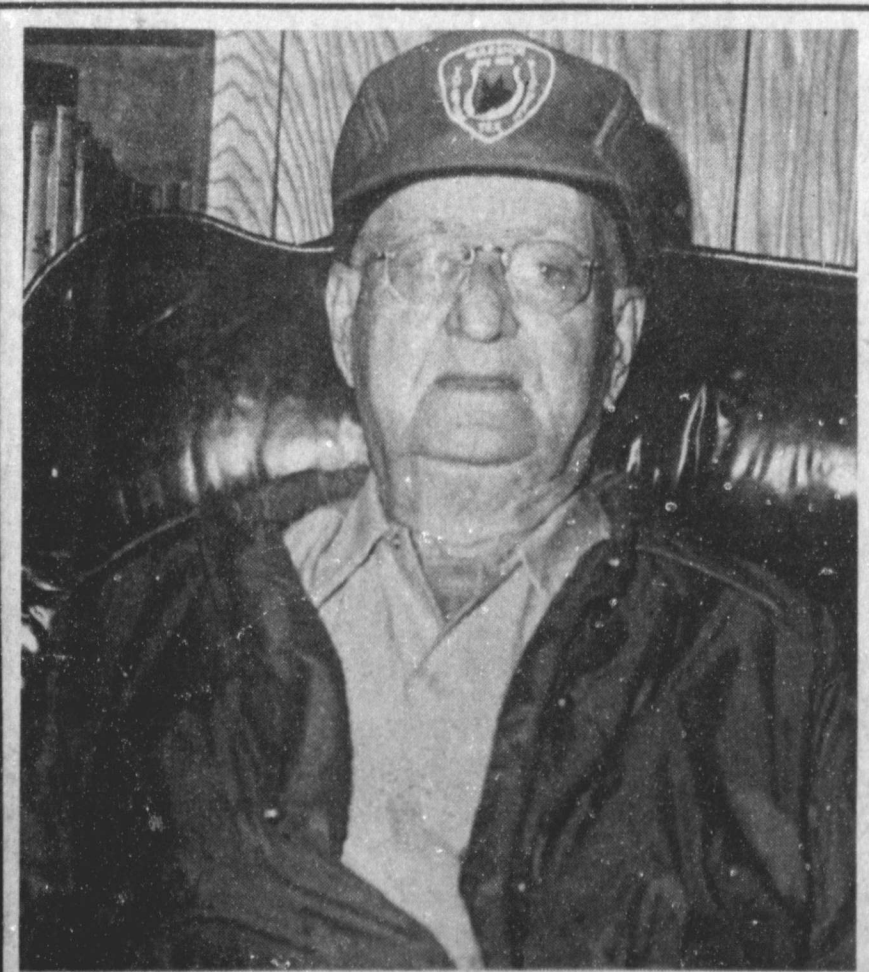

Eagle QB Saul Guillen added the next TD when he fell on a Bulldog fumble in the end zone.

Feisty Smyer came back, however, and scored on a

Cont. Page 8, Col. 1

**THREE WAY ROYALTY**--Friday night, at halftime in the Three Way Eagle-Smyer Bulldog homecoming game at Three Way, homecoming royalty was crowned. Named Three Way Homecoming Queen was Melinda Turney, with Brian Kindler chosen Homecoming King.

EARL LADD, SR.

1962 GRADUATING CLASS---Members of the Muleshoe High School graduating class of 1962, met for their reunion at the Muleshoe Country Club Saturday evening, Sept. 26, 1987.

## Creative Living

by Sheryl Borden

Information on current food trends on how chocolate is made will be featured on "Creative Living" on Tuesday, October 6 at 12 noon and repeated on Saturday, October 10 at 2:00 pm on KENW-TV. (All times are Mountain).

Amy Lloyd, home economist with The Rice Council, Houston, TX will discuss some of the current food trends across the country and relate these to the importance of including rice in the diet. These food trends are evident in both national and international cuisine, and Ms. Lloyd will talk about rice exports, where rice is grown and the various forms of rice on the market. She will also prepare some examples of delicious and nutritious rice dishes.

Whether chocolate is in the form of syrup, chips, canned powder or bars and wafers, it's had an interesting production history prior to being packaged. Dennis DeDomenico is the

General Manager of Ghirardelli Chocolate Co. in San Leandro, CA., and he will explain the various stages involved in chocolate production through the use of illustrations.

On Tuesday, October 6 at 9:30 pm Karen Dahlinger, spokesperson for the California Pistachio Comm. will demonstrate a perfect pairing--pistachios and pasta! Karen is from Fresno, CA.

Gloria Bailey, a fashion designer with Gloria's Fashions in Baton Rouge, LA, will tell about her garments that are not for sale. These pageant gowns and designer originals are only available for rental.

On Thursday, October 8 at 12 noon "Creative Living" will feature three interesting topics. Most Americans are part of a growing trend that's changing the way we eat. Betty Wedman, nutritionist with Uncle Ben's Rice Co. will demonstrate how to lose weight through Uncle Ben's 7-Day Rice Diet. Betty is

from Columbia, MO.

If you'd like information on planning a Caribbean party, you'll enjoy the segment with Florence "FoFo" Voltaire, who owns and operates a catering business in Albuquerque called Time Brokers, Inc. She bases her segment on the premise that "people are always hungry". She will explain what all is involved in putting on a Caribbean theme party and share some authentic Caribbean recipes she likes to use.

Recent studies have shown that babies may be getting an overdose of protein from cows' milk, and this may cause serious health problems. The show will begin with a report on this topic: babies and protein.

"Creative Living" is produced and hosted by Sheryl Borden. The show airs on more than 100 PBS stations in the United States, Canada, Guam and Puerto Rico and is distributed by Pacific Mountain Network, Denver, CO.

Viewers can request copies of printed materials offered on the show by calling on KENW-TV's toll-free telephone lines between 8 am and 5 pm, Monday through Friday. In New Mexico, the number is 1-800-432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

### CARIBBEAN PARTY RECIPES

#### CHICKEN CREOLE

4 lb. chicken wings, thighs or drumsticks, 2 tsp. vinegar, 4 tsp. brown sugar, 1 shot of rum, 1/4 tsp. oregano, 1 tsp. mustard, 1/4 tsp. curry, 6 bell peppers, 2 large onions, 4 tsp. garlic, 2 tsp. salt, 1/4 tsp. black pepper, 1/4 cup oil, 1 tsp. cayenne pepper.

Clean chicken and wash with lemon or lime juice. Spice with garlic, salt, black pepper, and oregano. Saute in oil. Let Cook for 15 minutes, then place in

350 degree oven until brown, approximately 15-20 minutes.

#### CREOLE SAUCE

Saute onions and bell peppers. Add chicken drippings, season with cayenne pepper to taste. Add 1/4 cup water, chicken pieces, brown sugar and rum. Cook on top of the stove for approximately 5 minutes. (Serves 4).

#### RICE CREOLE

1 lb. white rice, 3 tsp. coconut extract or the juice of 1 fresh coconut, 1 tsp. salt, 1 tsp. garlic, 1 Tbsp. white sugar, 1 lb. green lima beans or pigeon peas, 3 Tbsp. oil, 1 onion, 4 whole cloves.

Saute onion in oil. Add 3 cups of water. (Steam peas or limas separately). Add coconut, garlic and cloves when water is boiling. Rinse rice 3 times in cold water (until water runs clear). Add rice to broth and cook. When rice is done, add peas or limas. Cover and cook for 20-30 minutes.

#### Modern Dad

"You mean to say you were not at your own daughter's wedding? Where were you?"  
"I was looking for a job for the groom."

### Enochs News

by

Mrs. J.D. Bayless

Weekend guests in the home of Mr. and Mrs. Clifford Snitker was a son, Mr. and Mrs. Stanley Snitker of Midland. Clifford and sons, J.C. and Stanley went to Brackenridge to Lake Hubbard fishing Monday. Yvonne stayed to visit Mrs.

Snitker while they were gone.

Mrs. Bill Key and Mrs. Winnie Byars attended 2 nights at the Three Way revival.

Mr. and Mrs. E.N. McCall and Kelly Mosser visited her aunt, Mrs. Pearl Knighten at the Nursing Home Saturday at Clovis, N.M.

Mr. and Mrs. Dale Nichols visited friends in Lubbock, Mr. and Mrs. John Gunter Tuesday morning.

### NOTICE TO ALL TAXPAYERS

Tax statements were mailed September 30, 1987.

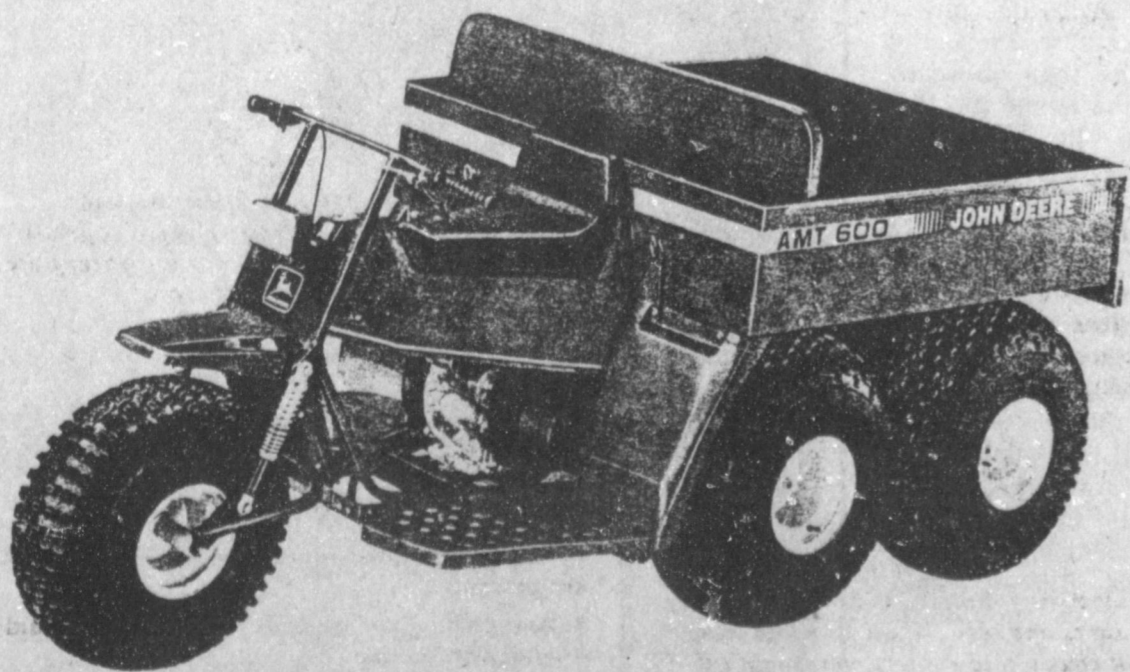

Pursuant to Section 31.01 of the Texas Property Tax Code, failure to receive a tax bill does not affect the validity of the tax, penalty, or interest, the due date, the existence of a tax lien, or any procedure instituted to collect the tax. If you did not receive a statement and should have, please contact the Bailey County Appraisal District.

The family of Lusky Green wishes to express our sincere appreciation for all the visits, food, cards, flowers, and prayers during the illness and passing of our loved one. A special "Thanks" to the EMT's of Bailey County for your help.

**MONEY MAKING PROJECT**—Third, fourth and fifth grade students at Mary DeShazo Elementary gathered in the gym Wednesday afternoon as members of the PTA explained a money making project for the "playground fund". Students will take orders for gift items for the next four or five days, until Oct. 6. Delivery will be in about three weeks. Each child is encouraged to sell ten items. Rules, prizes were discussed followed by a puppet show "Mr. Shag Nasty". It was also announced that during the last PTA meeting Chra Foster's room received \$25 for having the most parents present and Mrs. Skipworth's class received \$15. Pictured (L-R) Isaac Miramontes, third grade; Tyson Moncrief and Cindy Martin, fourth grade.

**Local Chapter  
Heart Association  
Installs Officers**

The Muleshoe branch of the American Heart Association met at noon Friday at the Hungry Mule Restaurant. Plans were made for upcoming local events, and officers for the 1987-88 year were installed.

Those being installed were: Janie Moynihan, president; Wayne Crittenden, vice president; and Dorothy Turner, secretary/treasurer. Committee chairman included: Elaine Burgess, communications; Hugh Young, development; and Deanna Rasco, program chairman.

Mrs. Moynihan explained that the main purpose of the local chapter is to educate the community about the prevention of heart disease and cardiovascular disease.

"The membership is open to everyone and anyone interested may contact David Marricle or any officer or board member," she continued. The local chapter meets the first Friday of each month at noon at the Hungry Mule.

The mission of the American Heart Association is the prevention of premature death and disability from cardiovascular diseases, including heart attack and stroke.

The trouble with the world is the younger generation—grown older.

There's a difference between working and working for a living.

**HEART ASSOCIATION OFFICERS**—Muleshoe Heart Association installed officers for the 1987-88 year at their noon meeting Friday. (L-R) Dorothy Turner, secretary/treasurer; Janie Moynihan, president; Elaine Burgess, communications chairman. Not pictured: Wayne Crittenden, vice president; Hugh Young, development committee chairman; and Deana Rasco.

**National Arbor Day Foundation Gives Away Trees**

Ten free flowering trees will be given to each person who joins the National Arbor Day Foundation during October, 1987.

The Foundatin will give two White Dogwood, two American Redbud, two European Mountainash, two Washington Hawthorn and two Flowering Crab

trees to members joining during October. The free trees are part of the Foundation's efforts to improve the quality of life in America by encouraging tree planting.

"The National Arbor Day Foundation is encouraging more people to plant trees in the fall, which is an excellent time for tree planting," John Rosenow, the Foundation's executive director, said. "So we're giving these free flowering trees to people who make a \$10 membership contribution during October."

"These trees were selected because they will give a colorful flowering of pink, white, and red blossoms throughout the spring," Rosenow added. "The six-to-twelve inch trees will be sent postpaid, at the right time for planting between October 15 and December 10, with enclosed planting instructions. The trees are guaranteed to grow, or we

will place them free of charge."

To become a member of the Foundation and to receive the free trees, a \$10 membership contribution should be sent to FLOWERING TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska City, NE 68410, by October 31, 1987.

We would like to express our thanks and appreciation to the Muleshoe Ambulance Service for the excellent care of our loved one.

**JOIN US**

... on a SafeWatch

... FOR YOURSELF AND THOSE YOU LOVE. BAILEY COUNTY ELECTRIC COOPERATIVE NEEDS YOU TO HELP KEEP ELECTRICITY SAFE, TO PREVENT ACCIDENTS THROUGH CONCERN AND KNOWLEDGE. BE ALERT. REPORT POTENTIAL HAZARDS.

**SAFEWATCH RULES**

*Live with them!*

**RULE 1**  
Never touch a line on the ground. Keep others away, and call your electric cooperative to report the emergency. Let professionals handle the situation. Consider all lines live and potentially lethal.

**RULE 2**  
Keep all appliance cords in good condition! If they're worn or frayed, replace them. The same applies to power tools, which should always have 3-prong (grounded) plugs. If you feel a tingle or see smoke, put the tool or appliance down. Have it repaired before you use it again.

**RULE 3**  
Look up! Anytime you raise something — antennas, sailboat masts, irrigation pipe, ladders — check for overhead lines first. Use the same rules for grain augers and other farm equipment, construction equipment, dump trucks, cranes, frontend loaders, etc. Make sure anything that will raise up is horizontal before you move it. Also, look for lines in trees or brush before you trim or cut. Don't be a part of electricity's path.

**RULE 4**  
Never wire around electrical safety devices in your home! Breakers and fuses are there for a reason — to prevent wiring from overheating, and potentially starting a fire. Don't replace them with a size (amperage) larger than they're designed for. If they trip or blow frequently, have the problem checked by a professional electrician.

**RULE 5**  
Look down! Call before you dig. Before you plant a tree, put in a foundation, sprinkler system ... make sure you know where any lines are. Keep away from pad-mount transformers, the ones on the ground. If they're open or unlocked, call your electric cooperative.

**RULE 6**  
Use the right size extension cord, and only temporarily! If it's too small, it might overheat and start a fire. And they are for temporary use. If you need more outlets, have them professionally installed.

**And**

Other Things to Think About:

- Use safety plugs in outlets when small children are present.
- Avoid using an "octopus" adapter that could overload the circuit.
- Be sure your tools and appliances have been tested by Underwriters Laboratories or a similar organization, so you know they're safe.

## New Girl Scout Executive Director Visits Muleshoe

Tuesday evening Girl Scout leaders, assistants and others involved in the Girl Scout program gathered at the Girl Scout Hut to get acquainted with Myra G. Burris, the new Executive Director of Caprock Girl Scout Council.

Ms. Burris assumed her duties on June 17 and has been busily getting acquainted with staff, leaders, day camps, board members, girls, Taiz, drawer after drawer of folders, Texan language and accents, and all the multitude of people places and things in the Caprock Council.

"The quality of volunteers in this council is terrific," stated Ms. Burris. "Some councils literally shut down in the summer, but Caprock is in full swing with Day Camps everywhere. I find this indicative of the quality to expect year 'round'."

"Communications is important, I want volunteers to let the Board of Directors and the staff know your thoughts, because we can't solve a problem if we don't know it exists. Changes are coming, but all will be explained carefully and everyone will have time to adjust."

"Girls have many role models, but a leader fills a unique position. She shows a girl that it is OK not to have all the answers, to be human. She shows that what is important for our future is that we are willing to give of ourselves and our time as a volunteer."

Ms. Burris is a ten year Girl Scout who earned the Curved Bar, the highest rank at the time, and attended Round-up in Colorado Springs, Colorado. She was a leader for Brownie and Junior Girl Scouts for five years; and has been a professional Girl Scout for 12 years as director of resident Girl Scout Camp Occoneechee, a 190 acre camp set in the foothills of the Blue Ridge Mountains which serves 1258 girls each summer. She has also served as special programs director for the YWCA in both Louisville, Kentucky, and Charlotte, N.C. Her most recent position was with Hornet's Nest Council in Charlotte.

She was originally from the small town of Walterboro, S.C. where everyone still greets her and pats her on the back. She also lived for 15 months in Korea and nearly three years in Germany.

"Having had the experiences of travel, I know that the benefits of getting exposed to new persons, lands, history and architecture help us to know our selves better," Ms. Burris said. "This is why I feel it is so important for girls to apply for Wider Opportunities. Girl Scouting taught me courage-the courage to leave my small friendly town for new places. I realized through my Girl Scout opportunities that it's OK to have different ideas, feelings, etc."

Her mother, Anne Sanders Glover, and her 15 year-old daughter, Christine, have "transplanted" to Texas with her.

### Latest Arrivals

### Zackery Jay Thompson

Christopher and Cynthia Thompson of Fort Worth are the proud parents of a son, Zackery Jay, who was born at 12:03 Wednesday, Sept. 30 in South Plains Hospital at Amherst.

The young man weighed seven pounds and nine and half ounces and was 20 3/4 inches long. He is the first child for the couple.

Maternal grandparents are Mr. and Mrs. Eddie Zamora of Muleshoe and Mr. and Mrs. James R. Thompson of Midland.

### Felicia Reann Glover

Noble and Lynda Glover of Muleshoe are the proud parents of a daughter, Felicia Reann, who was born at 2:15 p.m. Wednesday, Sept. 30 in Cochran Memorial Hospital in Morton.

Felicia Reann weighed six pounds and 15 ounces and was 18 and seven eighths inches long. She has one sister, LaTasha, 19 months, and a half sister, Charitie, four years of age.

Grandparents are Junior and Corine Mallouf of Muleshoe, Red and Betty Pierce of Texico, N.M. and Dixie Pickard of Kansas.

Nadine Edge of Muleshoe is her great grandmother.

GETTING ACQUAINTED--Tuesday evening Myra Burris, Caprock Girl Scout Council Executive Director, was in Muleshoe getting acquainted with leaders, assistant leaders and others involved in the scouting program. Seated (L-R) Renee' Rudd, Myra Burris, Sharon Williams; standing, Rosa Guillen and Tawna Ward.

## Working Women And Elderly Parent Care

Caring for an elderly parent or relative is a second full-time job that demands nearly as much time, or more, than many working women spend at their place of employment.

"Contrary to popular belief, numerous studies show that families provide 80 percent of the care for their elderly relatives," says Dr. Judith Warren, a gerontology specialist. "Only five percent of those 65 and over live in nursing homes, usually because they are too ill to be cared for at home."

She says that the responsibility for this care falls primarily on women--the wives, daughters and other female relatives in the family--and that many of these women work outside the home.

According to Warren, a specialist with the home economics program of the Texas A&M University Agricultural Extension Service, caregiving tasks range from providing companionship, shopping, transportation and household chores to personal care, such as bathing and dressing or giving medicine.

"Whether a woman provides caregiving herself, or manages the caregiving services by hiring others to perform some chores, the strain of caring for an aging relative while managing a family is likely to impact on the job at some point," she remarks.

"It's likely that you'll find yourself having to take phone calls at work or taking time off to deal with problems or appointments that can't be handled on the phone."

For that reason, Warren says it's important talk to your supervisor at the beginning, to describe your situation and how you plan to handle the problem.

Since work situations vary widely, you will need to explore the options open to you.

According to the specialist, one possibility is to offer to make up for time away from work. You can take work home, work late on some evenings, work over the lunch hour or come in on a weekend.

To reduce the distraction of phone calls, establish a "telephone hour" when you can most conveniently call and receive calls from doctors, home health aides, nursing-home staff or others.

When the demands on your time are excessive, she says it may be helpful to arrange for a four-day work week if possible. This lets your employer hire extra help to deal with this temporary situation.

"Avoid using your own vacation or sick days to care for your relative," cautions Warren.

## Xi Omicron Xi Sorority Begins New Year

Xi Omicron Xi Sorority held their first business meeting of the year on Tuesday, Sept. 22 in the home of Vicki Black.

Marilyn Riley, president, welcomed a visitor, Jo Beth Edwards.

The business meeting was conducted and a program was given by Marilyn Riley. She gave those members in attendance a "Mental Alert Test".

Those present included: Marilyn Riley, Annette Bonds, Dawn Williams, Ricki Warren, Kathy Franks, Vicki Black, Debbi Green, Diana Harrison, Debbi Hutto, Alice Liles, Lindy Schuster, Gayla Toombs, Rayniel Bambert, and Kristie Phelps.

Vicki Black served a pound cake with strawberries and cool whip.

### NOTES... COMMENTS

There are more football experts than players.

Laziness explains more failures than ignorance, but the combination is catastrophic.

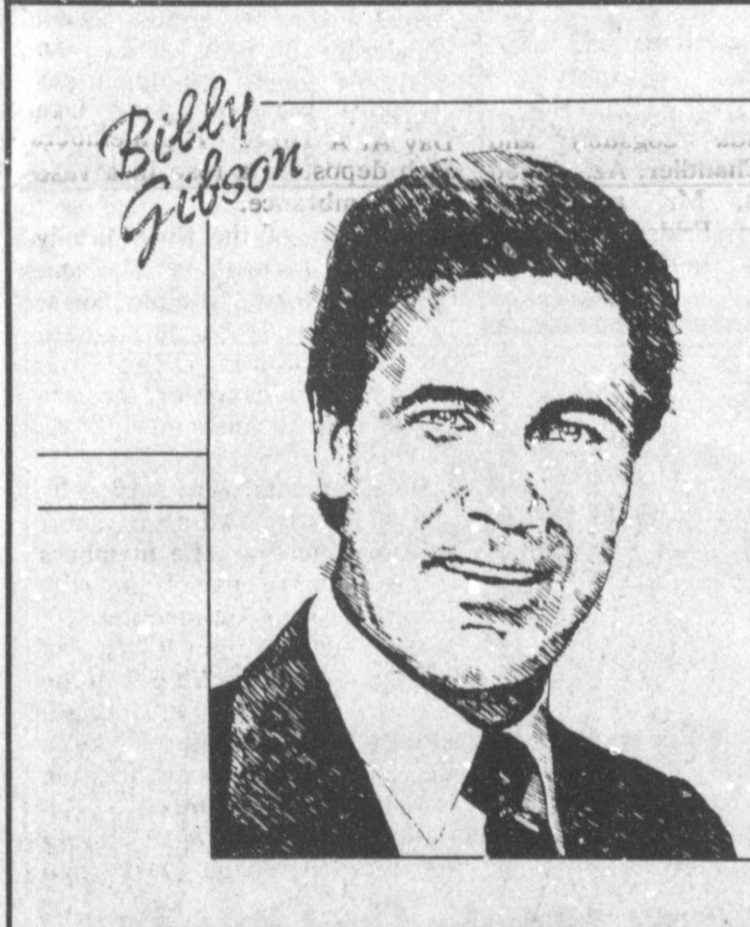

The family of Donna Heathington would like to express their deep appreciation for the kindness that everyone has shown during this time of loss.

## TOPS CLUB

Muleshoe TOPS Club chapter No. 34 met at 6:30 p.m. Thursday, Oct. 1 in the Heritage Thrift Shop. Jewel Peeler, co-leader, called the meeting to order. The TOPS pledge was recited and the fellowship song sung.

Evelene Harris, weight recorder, called the roll with ten members present. One renewal, Mary Edmiston, was welcomed to the club.

Minutes of the previous meeting were read by Thesia Davis, secretary, and they were approved as read. A treasurer's report was given by Ruth Clements, treasurer.

Best loser for the week was Orvid Burris. Runners-up were Rose Sain, first; and Ruth Clements, second.

Monthly best loser was also recognized. Rose Sain was best loser and runners-up were Jewel Peeler, first; and Jacki Jean Whatley and Inez McWilliams, tied for second.

Mrs. Burris received a charm bracelet for 16 weeks consecutive attendance.

It was announced that TOPS open house will be on Thursday, October 8 at 6:30 p.m. and everyone who is interested in losing weight is welcome to attend.

The meeting was closed with the singing of the goodnight song.

**Enochs News**  
by  
**Mrs. J.D. Bayless**

Mrs. Dicie Snitker and daughter-in-law Mrs. Stanley Snitker of Midland visited Dicies brother, and wife Mr. and Mrs. Clarence Shults and Sundown Tuesday.

C.K. Keith Price brought the first load of milo to the Farmers Co-op Thursday, Sept. 24. The grain harvest will soon be ready.

Harold Layton and son Robert of Dell City were lunch guests in the home of his mother Mrs. Eita Layton one day last week.

Mrs. Edward Crume visited her sister Mrs. Juanita Snow at

the Nursing Home in Muleshoe Wednesday.

Gary Price and Sidney Graves went to the fair in Lubbock Sunday afternoon.

Mrs. Mary Lou Brownfield, and Mrs. Marie Elliott visited with Mr. and Mrs. J.E. Layton at the Co-op Elevator and with Mr. and Mrs. E.N. McCall Monday.

Those from our area attending the lunch at the senior citizens Thursday in Morton were Mrs. Winnie Byars, Mrs. Inez Sanders, Mrs. Dicie Snitker, Yvonne Snitker, Mr. and Mrs. Bobbie Adams and Mrs. Ellen Bayless.

Mrs. Linda Logsdon and children of Chandler, Az. visited her parents, Mr. and Mrs. Bobbie Adams Friday and spent the night with them.

**Sudan Lions Club Sponsors  
Canada Trip For Youth**

Donice Holley of Sudan was among the four girls from Texas going to Canada on the Lions Club sponsored trip this summer. Those attending from Texas were Beverly Grindler of Girlstown, Jennifer Goodwin of Snyder, Kim Crowson of Littlefield and Donice Holley of Sudan.

"There were a lot of mixed feelings about going to a different country and traveling by ourselves when Sudan Lions, Bob Summer, John Humphreys and Sammy Crowson, and Stan Powers of Lubbock, saw us off at the Lubbock Airport, but they were soon forgotten.

"The five hour flight didn't seem that long because we excitedly talked about the upcoming month. When we did arrive at the airport in Toronto, we walked anxiously down the hall to the baggage claim. There three Canadian Lions members were waiting to welcome us. After we stuffed our luggage into the van, we were taken to the St. Joseph Lions Building where we met our host families. We said our goodbyes to each other and went our separate

ways. "After an hour and half drive to Brantford, I felt like I had known the Maulsons forever. They have three sons, Leigh 15; Melvin, 9; and Matthew Jay, 4. Susan and Norman were a very happy couple. They moved to Canada in 1980, from England.

"The first week of my stay, the Maulsons took me to some Lion functions. Two that stand out in my mind are a Golf Tournament and banquet for the physically handicapped and a cook-out at a lake house on Lake Erie. The cook-out was held in honor of me and a girl from Austria. The following Sunday we all went to camp. Campers included youth from 15 different countries, Switzerland, Finland, USA, Germany, Holland, Italy, Austria, England, Africa, France, Belgium, Denmark, Israel, Canada and Japan. Our week at camp was so busy no one had time to get homesick. We took tours of an Amish village, went to an amusement park, took tours of towns in Ontario and went roller skating. The largest rip we made was to Niagara Falls. We all rode the "Maid of the Mist" which carried us amazingly close to the falls. We were soaked through despite the rain coats handed out before our ride. The falls were breathtaking as was the town around them. Uncountable gift stores line the streets as far as we could see. The Skyloft Tower stretched above the busy town. For the few hours we were at the camp, we all gave programs, about our countries. Everyone learned something from these. We also played soccer, baseball, water polo, horse shoes and volley ball.

Needless to say, we weren't lacking entertainment but to add excitement, we ate every meal in a different town. The meals were sponsored by Lions Clubs from the towns visited. To be quite honest, the food everywhere was excellent.

Too soon, it was time for everyone to go back to their host families. There were many tears and hugs exchanged when that final hour came. Reluctantly, we all went our separate ways.

"On the way home to Brantford, I got a surprise,

Norman's sister and brother-in-law had come over from England to surprise the Maulsons. This made the next two weeks even more fulfilled than they would have been. The Maulsons took me to Toronto to shop and to a Blue Jays and Boston Red Socks game. We also went to Long Point Beach, Lake Erie for a day. One day, we toured the historical sites of Brantford; Alexander Graham Bell Homestead and Her Majesty's Royal Chapel of the Mohawks, in particular. The same day, the girls from Austria and I Mayor and had a newspaper interview. The Maulsons also took me to Niagra Falls again by request. And finally we went on a river boat dinner cruise down the Grand-river.

"Like Camp, these two weeks ended too soon. I had become very attached to the Maulsons. They took me to the airport in Toronto where I would meet Beverly. After a very teary goodbye, we boarded the plane. I can honestly say this trip to Canada is something I will never forget and again I want to express my thanks to the Sudan Lions Club for making this experience possible for me. I learned so much about other people and so much about myself. It doesn't matter where

a person is from, people are the same. It's just the language that's different."

DONICE HOLLEY

Crossed 'Em Up G-man—Got away, did he? Did you guard all the exits?

Policeman: Yes, but we think he must have left by one of the entrances.

**Rebekah  
Lodge**

The Muleshoe Rebekah Lodge met at 7:30 p.m. Tuesday, Sept. 29 with Noble Grand Pat Langfitt in the chair.

Fern Davis presented the flag with Clara Jones playing the piano. Roll call by June Green showed 20 members were present. It was reported that everyone enjoyed talking with Beulah Kelton, who returned for a visit.

Novella Price, Thursie Reid, Ona Berry, Louise Allen, Audrey Langfitt, Opal Talley, Velma Howell and Pat Langfitt draped the charter in memory of Lillian Sims. Clara Lou Jones played the piano accompanying the members who sang "One Day At a Time." Dimple Sims quoted a poem entitled "One Day At A Time." The members each deposited a rose in a vase in remembrance.

Members of the Sims family who were present were a son, Oran and wife, Dimple Sims; Edith Bridges' daughter, granddaughter, Karen Page and another granddaughter, Rosetta Bishop and husband, W.A. Bishop.

Refreshments were served by the members. After a short business meeting, the members cut out fabric tops for the jelly jars for Association meeting.

The 42nd anniversary of Rebekah Oddfellowship will be celebrated on October 20. All members are asked to take a member who has not been in Lodge for a long time.

Novella Price gave a closing prayer and lodge was dismissed.

## Long Time Fireman

Cont. from Page 1

done when he became Fire Chief was to purchase radios and a telephone system. Going to Dallas, he purchased a used radio transmitter and radios which had a 250 watt output, making it possible to talk as far away as Lubbock.

During the time he served as chief, major pieces of equipment were constructed at Ladd Engineering for the Muleshoe Fire Department, including: one major pumper, two mini pumps, the present Unit 11 as well as the Maple Fire Department fire truck.

Muleshoe volunteer firemen worked nights and weekends building fire fighting equipment, helped start the Lazbuddie Fire department and the Enochs-Bula Community Fire Department.

They also attended fire schools at Lubbock and Canyon and were instructors helping them get their fire school started.

When asked how he became interested in fire fighting, Ladd commented "I guess the main reason was because I had a desire to help people when they needed me, and it kept me going since."

"Fires were mostly fought with straight bore nozzles, when I first began fighting fires," he said. "The method of fire fighting has changed, we used to fight the fires and then wash up the part that didn't burn."

While he was chief, Ladd said that they handled all the fires in Bailey County as well as some in Lamb and Parmer County, "when they had a fire we went."

"We had a lot of fun while I was fighting fires like the time we were out east of town in the Lubbock water field fighting fire backfiring along the road. Ed Edmiston, another long time fireman, was back firing when a rabbit came out and hit Edmiston, he took off scattering fire 30 feet. Also on the same fire, he and the late June Ladd were fighting with their shovels when they say some green weeds, but instead of going out it quickly caught fire, and went

## Eagles . . .

Cont. from Page 1

60-yard TD ramble and then scored on a TD pass.

Into the second, Mario Guillen rambled in from the three on a power play to add six more points, while Kindle again made the extra point try good.

Suarez then scored from the three for the Eagles, and again Kindle came through.

Smyer added another TD, this time from the four, but Suarez came back on a one yard TD punch through the left side, and the extra point try failed.

Jarrold Sowder latched onto a 17-yard to powder dirt in the third, and again the EP try failed. Smyer came back in the third on a 42 yard TD scramble, and a one point run for the extra point.

Kelly Tucker made the final TD of the game for the Three Way Eagles on an 18-yard catch with Brian Kindle adding the extra points.

The only score of the fourth quarter came on a safety by Eagle quarterback Saul Guillen, who trapped the Smyer QB in the end zone.

In rushing, Saul Guillen again was leading rusher with 15 carries for 181 yards. He also completed 14-28 passes for 156 yards and four TDs. Suarez, a freshman, caught four of the Saul Guillen passes for 28 yards and had two touchdowns.

Next week, the Three Way Eagles will be traveling to New Home.

boom crashing them both."

It wasn't all fun, Ladd also remembers the time that Muleshoe Elevator caught fire and burned the elevator part down. The storage house next to it was saved and fortunately no one was injured.

In August of 1985, the newly finished fire house was dedicated to Earl Ladd, Sr. in what he termed as a big surprise. He said "I just thought it would be named the Muleshoe Fire Department never thinking it would be named "Earl Ladd, Sr. Fire Station" until that Saturday morning when it was dedicated," he commented.

Firefighting is a way of life among members of the Ladd family. Earl Ladd, Jr. was a fireman until his death, and another son, John, is still a fireman at LaPort, serving as assistant chief. They also have two grandsons who are firemen. Another grandson, Earl Ladd, III, was a fireman until his death.

## Mules . . .

Cont. from Page 1

was unable to recover from this scoring drive and threw the ball into the waiting arms of quarterback Jeff Hicks on the next play.

The last touchdown of the game was another feather in the cap of Del Toro as he ran the one yard needed to push the Mules into a four touchdown lead from the Longhorns could not recover from.

Ronnie Perez again proved to have the magic touch as he booted every one of the extra point attempts through the uprights to give the Mules a 28-0 victory.

The Mules can look forward to one of their two injured players returning to the game, possibly in two weeks. James Ziegenfuss, who was injured shortly after the Shallowater scrimmage, expects to be back soon. The other injured Muleshoe player, Sergio Gonzales, will be out for the rest of the season with a knee injury from last Friday's game.

Be sure to come out to Benny Douglass Stadium next Friday night as the Mules will host the Friona Chieftains in the first of the district games at 8 p.m.

## STAT BOX

Muleshoe 0 7 0 21 - 28

## Individual Leaders

RUSHING-Muleshoe: Dunham 18-118; Del Toro 19-103; Olivias 12-53; Lockney - Monroe 6-7; Harrison 7-6; Ballejo 10-3.

PASSING-Muleshoe: Olivias 4-54; Dunham 3-32; Del Toro 3-13. Lockney: Hallmark 1-6.

## Muleshoe . . .

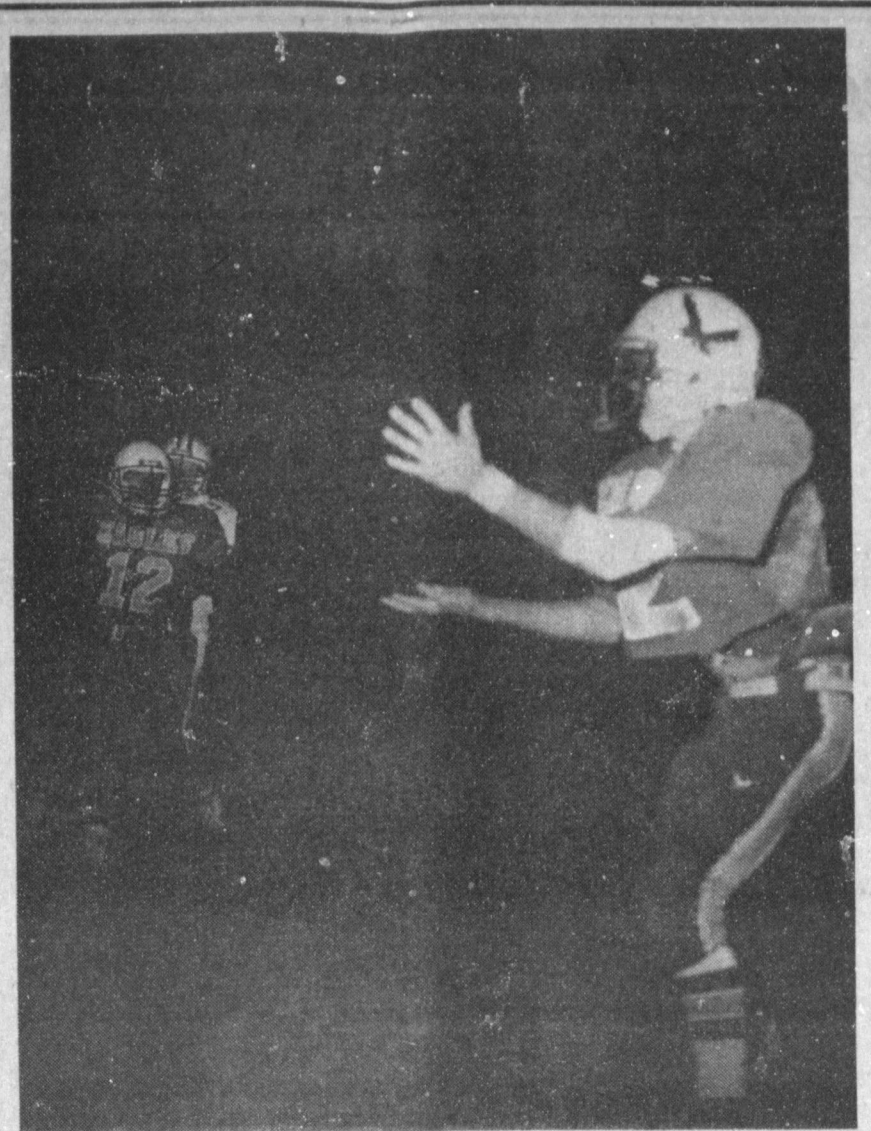

Cont. from Page 1

Following games at the Mule Putt Miniature Golf Course, the members will conduct their business meeting at the Bailey County Civic Center.

Jenny McDaniel said the Muleshoe Roadriders will be hosting 100-150 TMRA members during that weekend.

\*\*\*  
Rumors are often an effort by one person to destroy the popularity of another.

—  
Despite what some people say, most of us want to do the right thing, even though we don't do it.

COME TO PAPA--Jarrod Sowder, far right, who latched onto one TD pass, has his arms out waiting for a pass in the Three Way Eagle Homecoming game Friday night. The ball is just coming into the picture at the far left.

## Fire Safety . . .

Cont. from Page 1

Schools across the U.S. have received instructor's guides which NBC developed with the help of the National Fire Protection Association.

Although three out of four homes in the U.S. have one or more smoke detectors in them, it is believed that one-third to one-half are not maintained properly, or are deliberately disconnected to limit nuisance alarm. Consequently, the U.S.

Fire Administration says that 80 percent of all fire deaths take place in residences not equipped with working smoke detectors.

Members of the Muleshoe Activities Committee (MAC) are boosting fire safety this week and urging all residences, as well as businesses, be equipped with smoke detectors.

How would you feel if everyone in town knew how much you put in the collection plate at church last Sunday?

## Drive Most Successful Since 1982

On Monday, September 21, Coffee Memorial Blood Center of Amarillo held a blood drive in the Lazbuddie Methodist Church.

A total of 27 people turned out to donate blood, and it was reported that the blood received will help at least 96 different patients in the 21-area hospitals that Coffee Memorial Blood Center serves.

This was the highest number

of donors from Lazbuddie since 1982.

The following people donated blood during the recent drive: Larry Reed-Farris, Mary Reed-Farris, Glenda Jennings, Derrill Jennings, Barbara Lust, Glenn Lust, Skip Magby, Melvin Morris, JoDonna Terry, C.W. Williams, Reggie Treider, Russell Treider, Andy Wade, and Robert Gallman.

Also, Joe Bullock, Greg Gregory, Ken Russell, Pug Jennings, Mandi Seaton, Rickie B. Seaton, Betty Smith, Robert Smith, Charleson Steinbock, Dennis Steinbock, Terry Thomas, Tammie Turner and Vernon Turner.

## Assembly Of God

### Will Host Special

### Speaker Next Week

The evangelist Billy Gibson, who has appeared in movies and on TV, will be appearing locally on Oct. 11-14, at First Assembly of God Church, located at 521 South First, Muleshoe. A former Golden Glove champion in Texas, Gibson has travelled across America and to foreign countries sharing the new life in Christ, explained First Assembly of God pastor, David McCune.

Since the age of five, he has appeared as a professional model in newspaper ads, in TV commercials, on TV programs and he has performed in live shows. He has been on 'Camp-meeting USA' and other TV programs and frequently serves as keynote speaker at youth camps and city-wide crusades.

"During his visit here, Gibson will be preaching a week-long crusade that will emphasize ministry to the youth and the young at heart," explained the local minister. "Special singing and special prayer for the sick and other needs will be the focus of each service."

Sunday services begin at 10:45 a.m. and 6:30 p.m.; Monday thru Friday each night at 7:30 p.m.

## Adult Classes

### Now Underway

English, reading, arithmetic, science, government, and other courses will be taught in free classes for adults at Watson Junior High School. Classes are for adults with less than a high school diploma.

This program is designed to improve a person's ability to secure employment, qualify for a job promotion, achieve a certificate of high school equivalency (GED), and to become a more efficient consumer and a more active citizen.

Supplementary areas of instruction include consumer education, occupational opportunities and requirements, health education, citizenship, government, home and family life, science, history and literature. Classes are also available for adults who cannot read, write, or speak English.

Classes are meeting on Tuesday and Thursday evenings from 7-9:30 p.m., and adults may enroll anytime that classes are in session.

For additional information, call Elizabeth Watson at 272-3325.

### JV, Freshmen Win A Few, Lose A Few

In football action last week, the Muleshoe High School Junior Varsity team won their game against Springlake-Earth; while the freshmen team was narrowly edged out by Farwell.

Joe Salinas made the JV points, when he dashed through the S-E defense for a 12-yard jaunt to paydirt, then doubled back with a three yard scamper to add two extra points, making the score, 8-0, with the final score 8-6.

The 12-yard option play by Joe Salinas in the first quarter was the only score in the game, for the Mules adn came in the first quarter.

The win made the JV record 2-1. They will host Lubbock Coronado in Benny Douglass Stadium tonight, Thursday.

Despite three touchdowns, and scoring in each of the first three quarters of the game, MHS Coach Andy Gamble watched his ninth grade football players narrowly edged out of the winning column by the Farwell JV team last Thursday night, 18-20.

Hector Sanchez took a punt return 60 yards to the end zone at 8:27 of the first quarter; and John Orozco scored from five yards out on an off-tackle run at 8:15 of the second.

At halftime, the score was all tied up, 12-12, and at the end of the third, after a 55-yard pitch-run by John Paul Garcia, the freshmen from Muleshoe were leading by 18-12.

The freshmen failed to score in the fourth quarter, but Farwell scored, making the final tally in the game 18-20.

The loss took the freshman season record to 1-2, although they continue to show strong leadership, and steady players.

Tonight, Thursday, they will travel to Lockney, to take in the Lockney JV.

## Senior Citizens Using New Depot Facilities

Muleshoe's Santa Fe Depot was dedicated September 12, and is now the Senior Citizen Activity Center. Since the renovation of the old Santa Fe Depot began, the people of Muleshoe have opened their hearts and their pocketbooks and helped get the building complete. So many volunteers and volunteer manhours have been given to get it insulated, painted, roofed, wired, decks built and on and on.

Now, the Depot will be open everyday for coffee, games, sack lunches or what every you would enjoy doing out there. Zelma Arthur has been hired by as an employee. She is a Green Thumb Worker. She will be open each day, five days a week, at 12 noon and will close the depot at 4 p.m.

Volunteers will keep the Depot open in the mornings from 10 until 12 noon, when Mrs. Arthur arrives. If you would volunteer for two hours to keep the Depot open during the morning, please call Jenne McVicker at 272-4721 or Maurine Hooten at 272-4829.

Wednesday is set aside for 'Fun Day' with fun, games, lunch and visiting at the Depot. Myrtle Creamer invites all Senior Citizens to come on out and enjoy your favorite games and bring a sack lunch. Last Wednesday, about 15 people enjoyed the day and the activities.

People really care through donating furniture, etc. for the Depot. The dining area needed tables and chairs so clubs and individuals gave, and gave. Some of the tables and chairs were given as a memorial:

Chairs were given by Paulette Crawford in memory of her parents, Bob and Nola Mc-

Daniel; Jesse Osborn in memory of his wife, Grace M. Osborn; Muleshoe Study Club gave chairs and a table; Retired Teachers Association gave chairs; AARP gave chairs and a table; chairs were given by Mr. and Mrs. Ross Goodwin; a table and chair was given in memory of Felton Harper by his wife; Lucile and son Roy Lee and Anita Harper; and Kappa Kappa Iota gave a table and chair.

Clifton Finley, chairs; Mr. and Mrs. G.C. Damron gave chairs; Mr. and Mrs. A.G. Taylor gave chairs; chairs were given in memory of Carl M. and Mary E. Evans, by their daughters, Oleta Hamblin and Dorothy Morton; the Jennyslippers gave a chair and table in memory of Robert Sanders and Nita Griffiths; a chair was given by Mildred Davis; a chair given to say; Happy Birthday' to Gil Lamb; table and chairs given by Mrs. Gladys Wilson and her children in memory of Bay Wilson; SCAC gave a table; and a table was given in memory of Bob King by his wife, Lib, and their children.

Later, when the call went out for silverware for the dining room, 25 place settings were bought through Something Special and some of these were designated as memorials.

Four place settings were given in memory of Owen Jones and D.J. Gage by Mr. and Mrs. W.G. Harlan; six place settings were given in memory of J.B. Wright by LaDema Wright; two place settings given in memory of Henry Bass and Lillian Sims by Mr. and Mrs. Eugene Black; three place settings given in memory of Ola Ragsdale, Alice O'Brien and Mack Ragsdale; place setting given by Mr. and Mrs. Jerry Don Glover in memory of Myrtle Steinbock; two place settings given in memory of her mother by Vivian White; and giving three place settings was Mrs. Kathryn Cole; C.E. and Sharon Grant and family gave two place settings and Mrs. Winona Jordan gave a place setting.

These were all appreciated and will be enjoyed. However, the Depot will need at least 28 more place settings. If you would like to purchase a place setting or designate one to be given in memory of someone, please see Betty Wagnon at Something Special and she will take care of it for you.

#### Recovery

Doctor: "How's the patient silverware for this morning?"

Nurse: "I think he's regaining consciousness. He tried to blow the foam off his medicine."

### Ruth Hall Gets Plaque As President

Ruth (Mrs. John) Hall, of Circleback, was presented a plaque of appreciation from the Muleshoe Heritage Foundation last Monday at their annual meeting.

Mrs. Hall served as the first president of the foundation from 1983-86. She is replaced on the board by Elizabeth Watson.

Maurine Hooten and Cara Juan Schuster were also elected to the board to replace Jean Allison and Magann Rennels.

Re-elected to the board was Roland McCormick. He has served as president for the past year. Hall, Allison and Rennels have all served on the board since the formation of the organization. They, along with Jenne McVicker, who is still a board member, were presented lifetime memberships for their volunteer time given to the Muleshoe Heritage Foundation.

RUTH HALL

## Bordertown Heritage Foundation Organized

Bordertown Heritage Foundation was formed by concerned Farwell-Texico individuals wanting to save the Santa Fe Depot in Texico, N.M. The group met late in September to elect the following officers, David Kube, president; Ann Cooper, vice president; Susan Scioli, secretary and Vernon Luce, treasurer. Attending the meeting were Raymond Martin, Vernon Luce, David Kube, Doug and Susan Scioli, Ann Cooper, Jess Richardson and Virgil Fiske.

Plans were made to relocate the Depot, add a basement and use it for a public library, railroad museum and civil defense shelter. Cost of this phase of the project would be approximately \$200,000 explained the group. Payment will be made as the work progresses. As soon as enough money is donated to relocate the Depot, the Foundation said they will apply for a Community Block Grant to cover the cost of renovating, landscaping and other work.

Mrs. Scioli said "This building will be beneficial to Texico and Farwell as a tourist attraction and there is a need for a community shelter and library."

Bruce Ryberg, representing

Ryberg Movers, Denver, Colo., attended the meeting to answer questions concerning moving of the Depot. He showed pictures of other moving projects done by his company, and of special interest were pictures of the Sterling, Colo. Depot, which was much larger than the one in Texas, and was moved successfully.

The depot will be sold to individuals for \$10 a square foot. All contributors will have their name and city engrave on a plaque and placed in the building at the time of completion. The contributions will be placed in an interest-bearing escrow account. If for some reason, the project falls through, the money will be returned with interest.

The next meeting will be held at Luce's Restaurant in Texico on October 5, at 6 p.m. MDT. The public is invited to attend.

Mrs. Scioli said they have been notified by a spokesman from Santa Fe Railway that the Depot has been scheduled for demolition in the near future. She says it is impressive work very fast in order to save the Depot.

Donations may be mailed to Bordertown Heritage Foundation, P.O. Box 592, Texico, N.M. 88135.

# MAGNUM

## Introducing the first all-new tractors from Case IH

Case IH put more into the new MAGNUM tractor line than any farm tractors developed in over twenty years. Here's why you'll get more out of it:

**MAGNUM means more.** Outstanding field performance from a new 505 cubic inch turbocharged engine with reserve power. MAGNUM power.

The MAGNUM tractor's powershift puts 18-speeds of shift-on-the-go workpower at your fingertips—standard. And only MAGNUM tractors offer a full powershift creeper transmission with six additional speeds from .5 to 2.1 mph... for more control and performance. MAGNUM performance.

The MAGNUM tractor's new larger cab has 48 square feet of window area... virtually unobstructed visibility... more room... and more seating comfort. MAGNUM comfort.

It all adds up: Case IH MAGNUM tractors are setting new standards for the 130-195 PTO hp power range and for you. See us for details.

**MAGNUM means more.**

Wisdom is oftimes nearer when we stoop, than when we soar.  
 —William Wordsworth.

### Verron Vinson Former Muleshoe Resident Dies

Graveside services for Vernon Vinson, 77, of Burseson, formerly of Muleshoe, were conducted Thursday at Burseson Memorial Park with Carl Jones, Church of Christ minister, officiating. Vinson died Monday, Sept. 28.  
 He worked for Bailey County Electric as a ground foreman until his retirement on June 15, 1972.  
 Survivors include his wife, Beatrice; five daughters, Jan Hibben of Hugo, Okla., Cora Lou Jesson and Blanche Edwards, both of Odessa, Mary Thomas of Fort Worth and Dorothy Schumacher of Burleson; three sons, Pat Vinson of Sweetwater, John Vinson of Oklahoma City, Okla., and Bob Vinson of Fort Worth; one sister, Bessie Prickens of Portland, Oregon; 20 grandchildren; and 18 great grandchildren.

### Nursing Home News by Joy Stancell

Barbara Blackburn honored her dad, Arnold Morris with cake, and ice cream, Tuesday 29th for his 90th birthday. As he blew out the candles and made a wish the cake and ice cream was served. The residents, employees, and special guests enjoyed Mr. Morris party. Special guest were Betty Jo Beaty, and Mary Crane.  
 Visiting Ruby McCamish Tuesday was Kelsey, Ashley and Beverly Beggs.  
 Ella Faubus was visited Friday and Saturday of last week by Mrs. Thelma Hentlin of Dallas, Fay Cox of Fort Worth and Blanch Autry of Muleshoe.

Mrs. Mildred Niemans visitors were Curtis and Arlene Clevenger of Florida. Saturday evening Robin Moore also visited her grandmother Mrs. Mildred Nieman.  
 Mrs. Marjorie Skipworth was visited by her son, Jimmy Skipworth of Dimmitt.

Sunday evening Mrs. Edward Crume of Bula, Mrs. Etta Layton, Susan Layton and son of Enochs visited Mrs. Snow. Olive Cox also visited her.

Lois Ethridge was visited by her daughter-in-law Janet Ethridge, Janet's mother & sister last week.

Our thanks to the A.A.R.P. The Mary Martha and Truth seekers S.S. class of the First Bapt. Church for their donations to our Activity Fund.

Lynn Bratcher was visited by his wife Nettie Bratcher every-day last week.

Johnny Chappell was visited by his wife Iona Chappell, daughter Jeann Faircloth & grandson Jeremy of Texico.

We were happy that Mrs. Nigh was well enough to go home Wed. to live. We sure are going to miss her.

Beryl Hollis returned to the Nursing Home Tues. after being hospitalized for an extended time. Welcome back Mrs. Hollis!

Wisdom is not an art that may be learned; wisdom comes from the stars.

## ESSENTIAL TOO!

The boys on the field are carrying the bulk of the game, but all the boys on the bench are eagerly awaiting their opportunity to get in the game. Some will get to play, others won't, yet each is essential to the team. During practice each week their efforts help build a better team. To function properly, a church must work as a team. The Pastor and his associates carry most of the load. Many others are needed to help train and teach, or do many other tasks. However whether or not you can serve the Lord in some capacity, *your presence* in the worship services does help you and others too.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

LARHONDA HILL AND BOBBY PHILLIPS

## Sudan Fire Department Holds Appreciation Dinner

By Evelyn Ritchie  
Saturday, Sept. 19, the Sudan Volunteer Fire Dept. had their annual Appreciation Dinner. The men and their families were invited for a bar-b-que dinner with all the trimmings, with the awards presentation following. As President, Rick Hill was MC for the evening, he recognized out of town guests. He thanked the ladies Auxiliary for decorating the tables for the dinner and asked Carl Burnett to come forward to recognize the officers for the upcoming year. They are as follows; Pres. Rick Hill, V. Pres-Darren Provence; Sec. Carl Burnett; Public Information Haldon Messamore; Sergeant at Arms, Bob Carson; Fire Chief-Orville Hill; Ass. Fire Chief;Theron Hill; 2nd Asst. Rick Hill; 3rd Asst. Bobby Phillips; Fire Marshal-Carl Burnett; Asst. Fire Marshal- Bobby Phillips; EMS Chief- Theron Hill; Asst. EMS Chief-Carl Burnett; Training off-Theron Hill, Asst. Training off-Sam DeLaRiva; Training Comm.- Bobby Phillips, Mike Hill and Haldon Messamore, Greg Lance, Troy Moss; Meat Committee-Orville Hill, Carl Burnett, Bobby Phillips and David Wood.

The Firemen's Ladies Auxiliary President, Shonda Hill read the list of activities they have planned for this next year. Ann Carson recognized Mary-Ann Gordon for a job well done as out-going president. Ann presented Auxiliary member of the Year Award to LaRhonda Hill. LaRhonda received this award from the Auxiliary for her work in meeting the needs of the firemen and community.

Orville Hill was asked to come forward as Fire Chief to present the year pins. He was assisted by Mayo Wiseman. One year pins went to David Wood, Bob DeLoach, Norman Humphreys and Dan Foley. Troy Moss received his 5 year pin. 10 year pins went to Bobby Phillips and Craig Doty. Bob Summers received a 15 year pin and Theron Hill received a 30 year pin. The awards presentation is climaxed each year with the announcement of the recipient of the Fireman of the Year Award which is a special award voted upon by members of the Fire Dept. only. They vote on the man they feel has devoted the most time, effort and selfless energy to the department. This year's Fireman of the Year was Bobby Phillips. Way to go Bobby. The night ended with Theron Hill

## Touch Of History

### Settlers From Nebraska Came In Summer 1907

By MRS. MAJOR WOOD  
In the summer of 1907 a group from Salem, Neb., came to Texas and bought land in the "new frontier." Among those buying land were Lee Snyder, Dock Snyder, Hiram Rantsma, Henry Stitser and Will Grush. Bob Morse, who was living at West Camp, met the train at Farwell. He was driving a Reo bus to take the excursioners to view the land.

On December 23, 1907, the T.L. (Lee) Snyder family had a sale in Nebraska and loaded a railroad car with the rest of their belongings. Lee, his eldest son, Earl, along with Jim Snyder and Elmer Grush came with the cars and built barns on the Lee Snyder and Stitzer places.

On January 28, 1908, the wives and children landed at their new homes. They lived in a barn until a house could be built. The lumber had to be hauled by wagon team from Bovina.

It didn't take long for the Jim Snyder and Elmer Grush families to get homesick and

return to Nebraska. Mr. and Mrs. Lee Snyder and four sons, Earl, Carl, Vernice and Frank remained. On May 2, 1908, Mrs. Snyder presented her husband with their first daughter, Mary, the first baby born in Bailey County, then unorganized.

Lee Snyder was Bailey County's first commissioner. Since there was no courthouse here, he had to go to Dimmitt. He often rode to Bovina with the mailman, caught a train to Summerfield, and rode the rest of the way with another mailman. Even when he drove to Dimmitt, it took one day to go and one day to come back. His pay was \$3 a day while the court was in session, but he had no traveling expenses.

The firstmail came to Farwell and was picked up whenever anyone could get there. Then, the people hired Joshua Blocher to bring the mail to Hurley once a week. Finally the government put a post office at Hurley. Then they paid Blocher to bring it two or three times a week. He rode a bicycle or a horse to Farwell. Later, Mrs. Bunk carried the mail, going with horse and buggy to Bovina three times a week. During the winter, Mrs. Snyder had a hot soapstone ready for her when she got there, which she reheated at Bovina for the return trip, exchanging it for a hot one on the way home at the Snyders.

Many of the settlers would take their dinner on Sunday and meet at someone's home.

Joshua Blocher, a bachelor, couldn't seem to fit in with this group, so he dubbed them "The Kings Row." They were known from then on as the King Row Bunch. Some of the families in that group were the Snyders, Mr. and Mrs. Emil Wellsondt, Loui Wellsondt, the two Kurg brothers, Ernest and Godfrey and their sister, Millie; the T.M. Morse family including Bob Chunkie, and Edith; Mr. and Mrs. Don Carles and their daughters, Helen and Irene; Miss Clara Kelley, Max and Myrtle Miller, Waite Miller, Clarence Milligan, and Burt Hubber.

When the railroad came through in 1914, it missed the town completely. The town was then moved to the railroad at Blondie Puckett's place, and was called new Hurley.

The first cannery in Bailey County was along the railroad in Hurley. Among the workers were the Snyders, Guptons, Carles and Miss Gladys Coventry. They canned vegetables grown on the irrigated land and sold it under the "Hurley Best" brand.

No one was without jellies and fruit even though the new orchards had not begun to yield. They hitched their teams to wagons, met at a designated place, and went "plumming." They would drive to one of the ranch windmills in the sandhills

one day, camp out and pick plums the next day, and return home the third day. Everyone enjoyed the short vacation, except the ones who had to stay home and do the chores. Some of the group brought musical instruments and danced barefooted in the sand. The windmills had numbers on them, and they were as familiar as the corner of Main and Avenue B.

Lee Snyder died in January 1931, and Mrs. Snyder died in April, 1957.

### Texas A&M scientist says poor land management depleting timberlands

COLLEGE STATION — The \$6 billion timber industry in Texas is being whittled away as trees are being cut faster than they are being replenished, warns a Texas A&M University forest scientist.

"We must change the way timberlands are being managed today so the industry can expand, but private landowners are hesitant to plant money in the ground and wait 30 years or so for a return," said Dr. Jay O'Laughlin, a specialist in forestry economics and policy.

O'Laughlin said if the trend continues, the outlook for Texas forest industry will be like that for much of the South. A study by the U.S. Forest Service points out that as many as 112,000 timber-related jobs in the South could be lost by the year 2030 because of a shortage of timber.

## ATPE News Examines Forced Unionism

The Texas Right to Work law currently guarantees that no employee can be forced to join or support a union as a condition of employment, but there is no invisible wall around Texas. Between 1970 and 1983, 18 states passed legislation mandating that educators pay the union in order to teach children; laws can be, and every year are, amended, repealed, and skirted with new legislation.

In the September/October issue of *ATPE News*, Susan D. Staub, president of Pennsylvanians for Right to Work, discusses the possibilities of forced unionism happening in Texas.

"In a Right to Work state, there is a very grave danger that citizens -- teachers, students, workers, even legislators--will 'do nothing' while the evils of coercion mobilize around them," writes Staub. "In Texas, coercive unionism proponents are indeed mobilizing."

Also in this issue of *ATPE News*, the official magazine of the 42,500-member Association of Texas Professional Educators (ATPE), Austin's Creative Rapid Learning Center is examined. Each year, the center prepares hundreds of high school dropouts to lead effective lives. Also, the magazine looks at the commitment of the State Bar of Texas to promote law education in the public schools. Highlights of the State Bar's Law and Humanities Summer Institute, this year attended by three ATPE members, are also included.

The September / October *ATPE News* also contains highlights of ATPE's expanded leadership training program, which this year offered workshops in Austin, Houston, Lubbock and Arlington.

*ATPE News* is published bimonthly by ATPE, the largest independent educators' association in the country. About 78 percent of ATPE's members are classroom teachers, but the membership also includes para-professionals, principals, superintendents and other school personnel.

Subscriptions to *ATPE News* are \$10 per year and are available by writing to the Editor, *ATPE News*, 7715 Chevy Chase Dr., Suite 210, Austin, Texas 78752-1507.

### Mentorship program at Texas A&M encourages minorities to go to college

COLLEGE STATION — A new program developed at Texas A&M University encourages minority pupils to attend college and helps prospective teachers get a handle on minority concerns while also providing academic and social interests for minority students, say project directors.

"Minority Mentorships" is the name for the long-range project. Dr. Pat Larke and Dr. Donna Wiseman have developed, as a part of the curriculum in education, a mentorship program for local elementary minority students who will link up with teacher education majors and College of Education faculty at the university.

"The project is two-fold because not only are the Texas A&M students willing to help the minority children, but they are willing to learn from them as well. Both of them will gain experiences to help them grow," said Wiseman.

Larke said the program will give education undergraduates insight into students' learning styles and a base for developing teaching strategies and instructional techniques they will be able to use in their future classrooms.

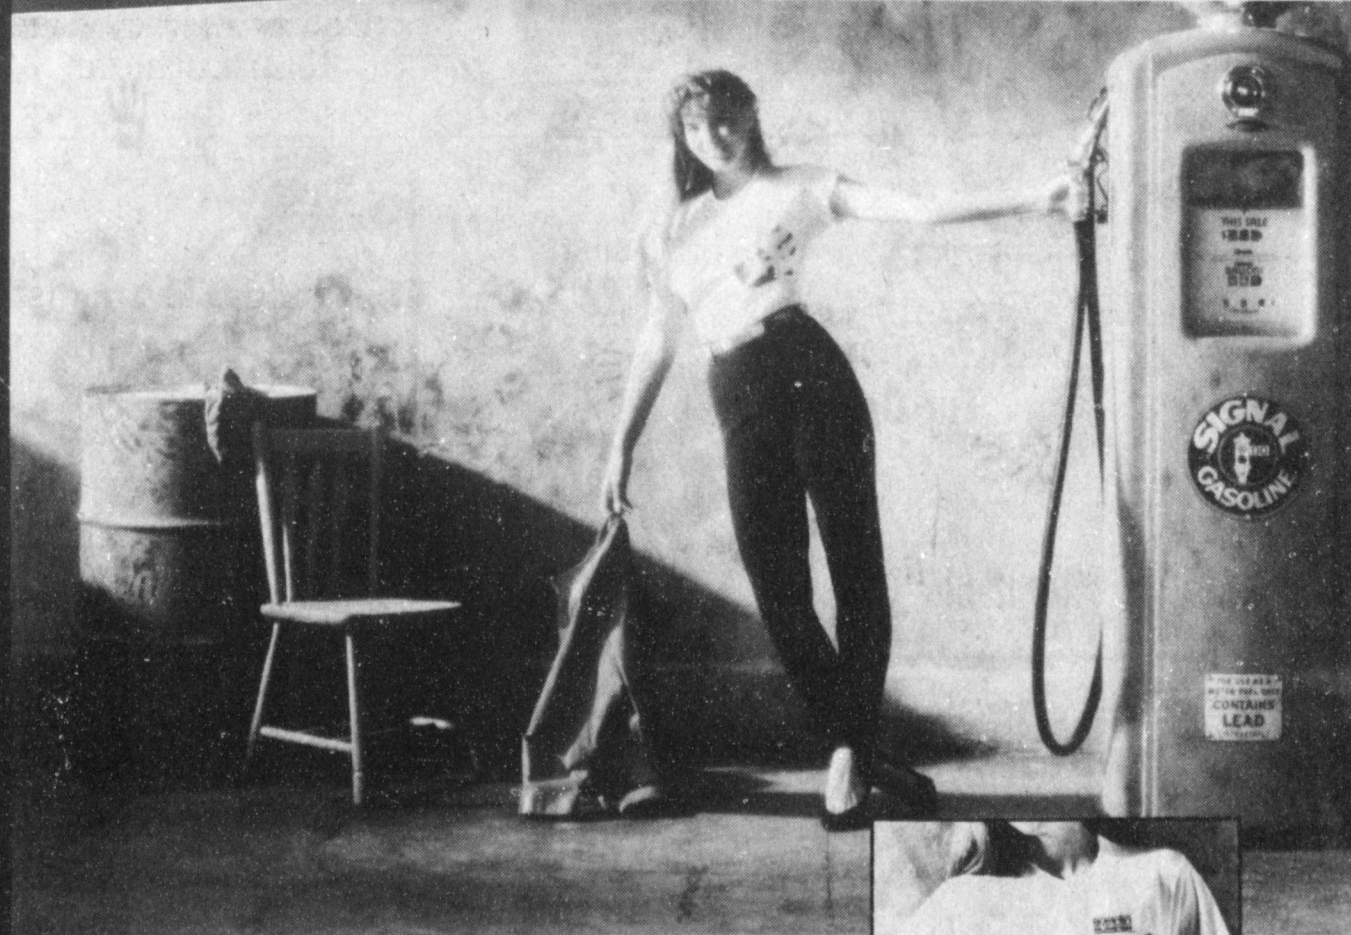

"Our ultimate goal is to increase the percentages of minorities pursuing higher education by increasing the pool of students qualified to attend a university. We feel confident that spending time with the minority children will let them know they can accomplish anything because they will have the support they need for success," she said.

Call Now For An Appointment To Avoid Waiting

Bailey County Coliseum  
272-4114

To someone with a hearing loss, a casual remark can often lead to misunderstandings and hurt feelings. Feelings you may never be able to set right. Because even though a friend or relative may hear what you say, he or she may have trouble understanding certain words. And one misunderstood word is all it takes.

Why take the chance? Be a good friend. Show someone how much you care. Call Beltone and make an appointment for a loved one now. Many hearing problems can be helped.

## BUMPER TO BUMPER

## Sudan News by Evelyn Ritchie

The Sudan Area Senior Citizens will have their regular monthly meeting on Monday, Sept. 28 at 7:00 p.m. in the Senior Citizens building.

There will be a very interesting program brought by Donley Daniel, son of Mr. and Mrs. Acie Daniel. He will be showing colored slides of Alaska.

Everyone is welcomed to attend. Pie and coffee will be served.

Missy Fisher was honored Sunday with a dinner in the home of her mother, Mrs. Josephine Fisher. Others attending were Mr. and Mrs. Ralph Granger and Brett of

Brownfield and Mr. and Mrs. Mike Fisher, Tanya and Shannon of Sudan and Joy Ky Schuitz of Wayland Baptist University.

Linda Gawkoski of Germany arrived Wednesday to visit her father, Clayton Wells and other family members including Mr. and Mrs. Wayne Doty and Mr. and Mrs. Glen Chester and families.

Mrs. Ruth Dunlap hosted a birthday dinner Wednesday evening in honor of the birthday of her daughter, Jimmy Lou Humphreys. Others attending were Norman, Mr. and Mrs. Gary Morris, Jodi, Justin and Jason, Mr. and Mrs. Mart Davison and Ashley and Mr. and Mrs. Mike Morris, Kyla and Kody.

Paul Gordon of Austin arrived Thursday to visit his dad, Waymon Gordon and brother, Mr. and Mrs. Philip Gordon and family.

**HOMECOMING 1987** - The Homecoming festivities begin on Friday Oct. 2 afternoon with a pep rally in the old gym at 3:30 p.m. and the ballgame with Whiteface with kick-off time at 7:30.

The registration will begin at 6:00 p.m. Sat. Oct. 3 in the High School cafeteria with the dinner at 7:00 p.m. Honor classes are there ending at 7, following the meal a business meeting will be held in the auditorium. All ex-students and ex-teachers are invited to attend.

John Williams has been a patient in the Amherst Hospital some this week.

Among college students home for the weekend were Brenda Testerman, Missy Fisher, Bonnie Nieman, Stephanie Bickett, Blake Lacewell, Jeff Kinzie, Wade Donnell, Gina McKillip, Lorrie Gonzales, Bill Gardner, Shawni DeLoack and Dannette Provence.

Mr. and Mrs. Gordon Martin of Lubbock visited during the weekend with their parents, Shirley Martin and Mr. and Mrs. Larry Brotherton and attended the game Friday night between Sudan & Nazareth.

Henry San Miguel has returned home from vacationing at New Braunfels with his brother and also visited in Austin and San Antonio.

Visiting Sunday with Mr. J.C. Wells and other family members including Mr. and Mrs. Wayne Doty and Mr. and Mrs. Glen Chester were their son and brother, Kenneth Wells of Sulphur Springs and sisters, Mr. and Mrs. Claude Patton and Casey of Lubbock, Mary Williford, Rose and Rita of Aberrnathy. Joining them for dinner Sunday at the home of Mr. and Mrs. Glen Chester were Mr. and Mrs. Curtis Chester and boys of Sudan and Mr. and Mrs. John Chester and girls of Clovis, N.M.

A birthday party was held Sunday afternoon honoring

Stacy Corley on her first birthday. It was held in the home of her parents, Mr. and Mrs. John Corley.

Balloons and streamers were used above the table and a "Rocking Horse", cake, decorated in bright colors, along with cokes served in brightly colored plates and cups were served to the guests. The guests included her great grandparents, Mr. and Mrs. Vernon Corley of Belen, N.M., and other family members including Mr. and Mrs. W.O. Stevens, Mr. and Mrs. Greg Lance & Maegan, Janie Corley, Mr. and Mrs. G.C. Ritchie, and Paul Corley all of Sudan and Mr. and Mrs. Jay Riley of Clovis, N.M. and Christie and Michael Phillips of Farwell, and the hosts.

Randy and Sandra Scott and Amanda of Groesbeck visited during the weekend in the home of his parents, Mr. and Mrs. R.E. Scott. Also guests Sunday in the Scott home were Charles and Faye Heffington of Littlefield.

Guests last week in the home of Mr. and Mrs. Jack Scott were Mr. and Mrs. Bob Yates and Mr. and Mrs. Jack Cheney of Fresno, Calif. Mrs. Yates and Mrs. Cheney attended Sudan Schools in 1936-37 they are former Marilee and Lorraine Pillow.

Leah Quisenberry was honored Sunday afternoon on her first birthday with a party held in the home of her parents, Mr. and Mrs. David Quisenberry. A cookout was held and a "Bear" Cake was served.

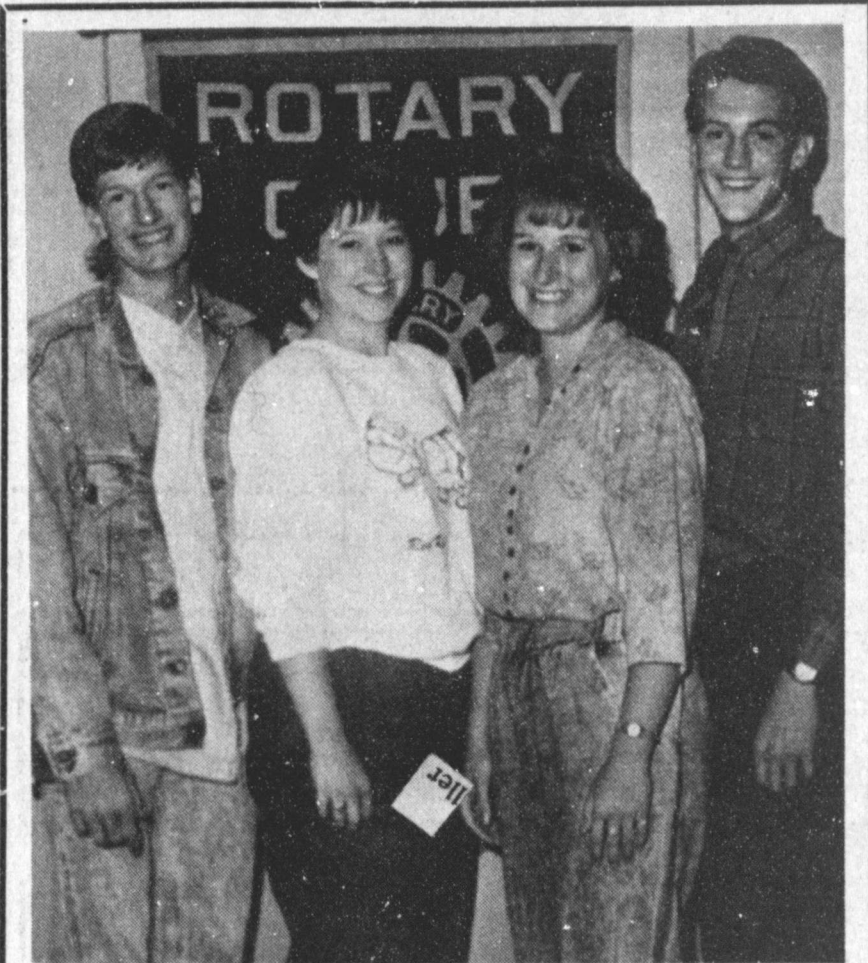

Attending were her great grandparents, Mr. and Mrs. J.W. Gardenhire of O'Donnell and grandparents, Mr. and Mrs. Denny Quisenberry of Lockney and Mr. and Mrs. Jerry McKibbin of Tahoka. Also other family members including her sister, Sarah, and aunts Jerrieth McKibbin and Justin and Lena McKibbin all of Tahoka and the hosts.

## Enochs News

By: Mrs. J.D. Bayless

Local Transportation Every Monday

- To provide access for all citizens within the eight-county area served by South Plains Community Action Association to public places where services or goods are provided for the general public. This means that access will be provided by SPARTAN from the passengers residence to post offices, shopping centers, doctor's offices, job sites, social service offices, and any other location which is considered a public place.
- To provide transportation for the transportation disadvantaged. In this group may be considered handicapped persons, elderly persons unable to drive, persons with a temporary disability which had deprived them from the ability to use their own vehicle, members of a one vehicle household in which the breadwinner must use the vehicle to earn a living or to go to a place where he can earn a living therefore making the rest of the household transportation disadvantaged, members of a family in which the driver has lost the privilege to drive because of legal or financial circumstances.
- To contribute to energy conservation by combining passengers into one trip where otherwise each passenger would have to use other autos to make the same trip, such as pooling to work sites, pooling to medical clinics, family planning clinics, pooling students traveling to higher education institutions.
- We provide Transportation to all centers for RHI, Family Planning, and Medical Transportation.

Take a few minutes to look over these fire safety tips. This ad might save your life.

Please...

<b>SMOKE DETECTORS</b> Install smoke detectors on every level of your home including the basement and garage.	<b>CHECK WINDOWS</b> Make sure children can operate with down, closed a lot or at least their selves to the ground.	<b>TEACH CHILDREN</b> Children should know how to report a fire and where the nearest call box is located.	<b>ESCAPE ROUTES</b> Diagram two routes from all rooms in the house, especially from bedrooms.	<b>KNOW LOCATION OF FIRE EXTINGUISHER</b>	<b>CALL FIRE DEPARTMENT</b> When everyone is safely out go to a neighbor's house and report the fire.
<b>USING FIRE EXTINGUISHER</b> Know exactly how each type of extinguisher should be used and what types work for all types of fires.	<b>MEETING PLACE OUTSIDE</b> Choose a place outdoors for everyone to meet for fire drills and don't go back inside for anything until the fire is completely out.	<b>FLASHLIGHTS</b> Keep working flashlights in all bedrooms to help people see to get out or help.	<b>FEEL DOORS FOR HEAT</b> Feel the door as high as you can reach. If it is warm use an alternate escape route.	<b>YELL FIRE</b> The key person who yells "fire" will help everyone get out.	<b>LOW-SAFETY ZONE</b> Imagine the presence of smoke and practice crawling low.

Money isn't as important as a lot of young people think it is.

Religion isn't a man-made science, and some people overlook this fact.

You can never tell when a little careful driving will save your life on the highways.

**KNOW THE WEATHER**

This year fall arrives on the 23rd of September. Why is it warmer at the fall equinox than at the time of the spring equinox? September weather is warmer than March weather because of the heat which has been stored up in the earth during the days of long sunshine since the sun crossed the equator in March. In September it crosses it again, and the daylight and darkness is equal at both equinoxes. But in March the earth has lost much of its heat over the winter, and equal sunlight doesn't produce equal weather. The shortest day of the year comes in December, at the winter solstice, but the earth still contains some stored heat from summer and early fall and January and February are usually colder than December, though there is more daylight in both months.

One trouble with a democracy is that too many citizens suffer from mental paralysis.
