NUMBER 17

Wheat Harvest In Full Swing Over County

Monday Saw Hundreds of Rigs in Fields After Grain—Harvest Hands Plentiful

The wheat harvest in Floyd County is in full swing this week, many rigs starting to work last Friday and Saturday, and Monday seeing practically every rig in Floyd either binding, heading or combining wheat.

Reports from the fields where wheat is being put on the market and is getting a test indicate that the grade is as good or better than in average years, the test running as high as 62 in some instances. Nothing lower than 60 grade wheat had been delivered here up to mid-week, reports indicated, with the probability that no lower grade wheat would be harvested unless the later crops developed into a poorer grade than pointed to by present indications.

The yield is varying largely in the various fields. Apparently the average is going to run about 15 bushels, but some fields are making around 10 bushels while others are making twenty or better. Hail-damaged fields are varying from 4 to 8 bushels. One field where an eighty per cent damage was collected on insurance is yielding about five or six bushels.

For the first time in a number of years there appears to be plenty of harvest hands, counties immediately adjoining furnishing the bulk of these. Motley, Crosby, Dickens and other counties immediately east have a big quota each of men here. Farmers are paying \$2.50 and board for common labor and higher for skilled men. Indications are there will be no shortage during the harvest and that it is going to be quickly over. Rainy weather would change this situation to an extent. Late wheat is ripening fast and whereas it appeared that it would be two weeks before the harvesters would get into some fields it now seems a certainty that the late crops will be ready by the time the earlier crops are finished. The past week of sizzling hot weather has ripened the grain wonderfully.

Practically the only disappointment experienced to date has been the price the wheat is bringing. With reports from all sections of the country of a poor wheat crop, especially in Kansas and the Dakotas, wheat growers were expecting wheat to show a good profit this year. Present quotations in the primary markets do not indicate that such a profit will be forthcoming. Just what per centage of the farmers are going to be in position to await more favorable markets in this county is not known. It is known that some of them are going to await better markets, with their wheat in their home granaries. Others, marketing through the Wheat Growers' Association, are turning their wheat into the sales channels and drawing against their warehouse receipts. There are about 250 members of this association in this county, it is stated, with approximately one-fourth of the grain in the county. The Marshall Elevator has been designated as the storage elevator at Floydada for this wheat.

NEW ELECTION ORDER IN PRAIRIE VIEW DISTRICT

E. C. Nelson, Jr., Friday of last week issued a new order for the school house bond election in Prairie View Consolidated School District, following receipt of a petition from residents of that district for the election. The date for the election is set for July 14th.

Election to have been held on July 14th was stopped by an injunction which restrained the presiding judge from holding the election and county judge from appointing a new date to hold the election in his stead. The injunction will not be contested, as said, but the new election held on July 14th. It is believed that the technical objections raised have been met by the new election.

MASONS ELECT OFFICERS

Floyd City Lodge Number 712 of the Masonic Order elected officers at their meeting held at the hall Saturday night. The officers elected will be installed in July. They are: M. L. Probasco, W. M.; R. L. Harris, S. W.; C. M. Meredith, J. W.; C. Surginer, treasurer; J. D. Starks, secretary; L. H. Howard, S. D.; Roe McCleskey, J. D.; R. L. Henry, S. S.; J. G. Wood, J. S.; G. W. Tubbs, chaplain and G. C. Tubbs, tiler.

M. D. Ramsey Heads Texas Sorghum Growers

M. D. Ramsey, of this county, was chosen to head the Texas Grain Sorghum Growers' Association at the meeting of the association in Amarillo last Thursday, the meeting having been called to put the organization on a permanent basis so that sales offices could be opened and preparations made for the transaction of business this fall.

Sales offices for the grain growers will be opened in Amarillo, Bass Clay, secretary of the Wheat Growers' Association, being named as acting secretary of the sorghum growers' organization.

The Executive Board is composed of C. P. Galley, of Hereford, Judge L. Gough, of Amarillo, M. D. Ramsey of Floydada, R. W. Vincel of Kress, and Jordan of McLain.

SIXTY-FOUR POUND WHEAT IN FLOYD COUNTY

A. T. Emert, of Mayview community, marketed the first load of 1923 wheat that came on the local market, when he drove in a load of 62-pound wheat on Wednesday of last week and sold to the Floydada Mill & Elevator Company. Tuesday morning J. A. Abernathy reported at the mill that Mr. Emert's wheat was testing 64 pounds to the bushel, and yielding 20 bushels per acre and that it was of exceptional quality.

Such high quality is seldom found and this high test coming as it does from wheat that has made under such trying conditions as the county passed through this year speaks volumes for the high productivity of our soil. Sixty-four pound wheat which has made without the aid of irrigation is a scarce article this year but you can find it right here in Floyd County.

Mr. Emert began harvesting with a combine and was marketing part of his crop as it came out of the spout.

MEMBERS OF FLOYDADA SWATTERS PLAY WITH LAMESA AND MATADOR

Four members of the Floydada Swatters were on the lineups of two other teams last week. Hollis Moore, Griggs Bishop and Mickey played with Matador while Jim Curry worked with the Lamesa team when these two teams played a three game series. Moore held down right field and second base a part of the second game; Bishop decorated the center garden and Mickey was in the box.

SANITARIUM WILL BE READY BY FIRST OF AUGUST

The work on Floydada's new sanitarium is being pushed forward as rapidly as possible. The carpenters have practically completed their work and the plaster work will begin at once.

The finish work will be done next month and everything completed and the building will be ready for occupancy by August 1.

The sanitarium when completed will be an imposing structure and will be one of the most modern and best equipped institutions of its kind in this section of the Plains.

FATHER OF FRED LAVOIE PASSED AWAY YESTERDAY

Joe LaVoie, father of Fred LaVoie, of this city, died at his son's home late Wednesday afternoon from Bright's disease. He had been bedridden ever since he came here six weeks ago for a visit with his son. He had been in poor health for a period of over two years.

Funeral services were held this morning at 11 o'clock at the Floydada cemetery.

The deceased was born in Canada and had been a citizen of that country, France and the United States. His home was in Illinois. He was 73 years of age.

SUNDAY SCHOOL PARTY

Mrs. S. F. Smith entertained her Sunday School Class of the Methodist S. S. of McCoy at her home Monday afternoon.

Games were enjoyed and refreshments of ice cream and cake, strawberries and cream were enjoyed by the following youngsters: Novella Taylor, A. P. Volkman, Bilky and Ruth Snell and Mary Rosalee Jackson.

Trade Trippers Make Swing Around Circles

Tell of American Legion 3rd and 4th o' July Celebration and Carry Message of Neighborliness.

Trade trippers out of Floydada Tuesday and Wednesday spent two whole days, visited eighteen cities and towns in six counties and talked to ten thousand people about the American Legion Barbecue and Celebration in Floydada on July 3rd and 4th, also carrying a message of neighborliness, as town builders and boosters for the Panhandle in general.

Accompanied by the Lorenzo Chamber of Commerce Band the caravan of automobiles made their first swing around the circle beginning on Tuesday morning at Ralls. On this day's trip the caravan made 175 miles, touching at Ralls, Crosbyton, McAdoo, Roaring Springs, Matador, Whitflat, Flomot, Gasoline, Quitaque and Silverton. The noon stop was made at Matador where a big feed was prepared and served by the ladies of the Home Department Club. It was a chicken dinner served in inimitable style. Fifteen carloads of trade evangelists made the first day's trip. J. D. Starks lead the caravan and the route throughout was made on schedule time, until automobile trouble overtook the caravan at the Silverton camp west of Quitaque, where forty minutes were lost. The little city of Gasoline, not included in the regular itinerary was paid a "snap call," serenaded, and its citizens invited to Floydada to the celebration.

On this trip L. G. Mathews, T. R. Webb, T. S. Stevenson of Floydada and Judge C. W. Bean, of Lorenzo, made the addresses. The various features of the barbecue were enumerated and the trade advantages of Floydada were talked about. Good crowds heard the concerts and talks at each point. Crosbyton, Matador and Silverton crowds were especially good.

The Lorenzo Band, with 17 out of 36 members present, came fully up to expectations on both days, and although worn out from the first day of hard work, gave a concert in the down town section the evening of the first day. On the second day Lockney, Plainview, Hale Center, Abernathy, Lubbock, Idalou, Lorenzo and Petersburg were visited in turn. The crowd was larger on the second day than on the first, twenty-eight cars forming in the procession on yesterday. It was led by Roy L. Snodgrass and E. C. Nelson, Jr., had charge of the programs at stops.

Wednesday's trip was even more successful from the point of view of numbers of people seen and pieces of literature distributed than the Tuesday trip. Over five thousand circulars and cards were distributed in the 16 towns visited. Judge L. G. Mathews was the principal spokesman of the day at the various towns visited. He was assisted by E. C. Nelson, Jr., marshal of the caravan, and Judge C. W. Bean of Lorenzo. Good receptions were accorded at all points touched. At Abernathy a fine feed was spread for the trade trippers at the hotels and cafes, at Plainview everybody was given free drinks at the fountains, and Frank Butler made cordial response to the invitation to visit Floydada for the celebration. Curtis Keen at Lubbock responded to the invitation given that city and its people to be in Floydada for the celebration. Little Miss Dyanshine, a seven-year-old daughter of Daredevil Dyanshine, was a feature on the program at each stop, as was her noted father, who did some keen card tricks.

The autoists who made the trips each day are unanimous in declaring that the Legion boys tied up with a keen bunch when they contracted for the Lorenzo Band for the 3rd and 4th. The band of 36 pieces, under the direction of Monte Bowron, jumped into fame at San Angelo this spring, when they captured third prize in the contest of bands from all over West Texas.

HOPKINS TO WHITEDEER

Dr. E. A. Hopkins and family left Saturday for White Deer, Texas, where they will make their future home. Dr. Hopkins will engage in active practice there.

H. M. Henson returned the latter part of last week from south and central Texas, where he has been making his home the past two years.

Stage Set For 3rd And 4th Celebration

Legion Expects Thousands in Floydada for two-day Patriotic Celebration and Barbecue.

The stage is all set for the barbecue and celebration to be held in Floydada under the auspices of the McDermitt Post American Legion on July 3rd and 4th, and the Legion boys anticipate thousands of visitors will be in Floydada during the two days of fun and festivities. With one exception only minor details are yet to have attention. The exception is the assembling of the bees for the barbecue. Several bees are yet to be obtained and all the bees, amounting to a small herd, are to be assembled before Saturday night. A whirlwind campaign is planned for today, tomorrow and Saturday to get the bees and assemble them.

Dare Devil Dyanshine, who is to furnish the thrills twice daily for the crowds, has been working out of Floydada this week. He accompanied the excursionists on their second day's trip. He has been featured at many celebrations over the country and the stunts he uses here are expected to be hair raisers.

Baseball between the independent teams of Floydada and Crosbyton on the first day and Floydada and Matador the second day is going to furnish amusement for large crowds two hours each afternoon and a rodeo will be presented in early afternoon for the people who like riding and roping. Fifteen bucking horses and as many saddle horses for use in the other events of the rodeo are promised by the promoter of the show Hackberry Slim of Baird, Texas. Slim lost a leg in a rodeo a few years ago but has been remarkably successful as a rider and roper since. He offers \$10 for any horse he can't ride at the rodeo here. Performances will be given each day of the celebration. C. J. Witherspoon and Ralls Milles, of Silverton, are associated with him in the show here. Among the boys who are expected to take part in some of these events are Big Jim Vaughn of Castro County, Cooper Crain of Floydada, Marvin Guinn, Jess Freeman and Oscar Ford of Silverton, Fred Simpson of Matador, and others.

A representative of the Farm Bureau has been assigned a place on the program and Hon. Joe Dibrell, Jr., of Coleman, Texas, will make the Fourth o' July oration on the morning of the second day. His speech at this time is planned to follow immediately after the big parade of floats and decorated cars of firms, individuals, societies, ex-service men and the band. Twenty-eight firms have pledged decorated floats or cars, R. L. Harrell, manager of the parade, said. Others are expected to take part and six squads of riflemen with a large number of ex-service men will be in the line of march. The Post Colors and the Lorenzo Band will lead the parade.

Barbecue both days, baseball each day, a good rodeo each day, Dare Devil Dyanshine's thrillers, the old-timers' square dance and old fiddlers' contest each evening, the speaking and other minor attractions are planned. The Legion now expects thousands of visitors. No other celebrations are to be had within several counties and the boys are striving extra hard to make this event one that will be worth while from every standpoint.

HARVESTER, CUTTING 24 FEET, HARVESTS 110 BUSHELS OF WHEAT AN HOUR

C. B. Sims is using a unique feature thought by himself as well as other farmers in this county for "hurry-up" harvesting of wheat, in the use of the combine harvester. Two weeks ago he bought a Case combine machine, and evolved a practical method of hitching a 12-foot header to it, so that he cuts a twenty-four foot swath in the wheat field.

He started up last Thursday and has been cutting each day since, turning out 110 bushels of wheat every hour during the working day. The manner in which the machine mows through the grain, taking a twenty-four foot cut as it goes, threshing and dumping it into a wagon ready for the granary or elevator, seems almost marvelous. The combine machines this season are working in excellent form and are getting excellent results from every viewpoint.

Wool Growers Ship 10,000 Pounds of Wool

The Wool Growers' Association shipment of wool was sent out of Floydada Saturday morning the shipment being 10,000 pounds, a heavy drop from two years ago when the association and other farmers associated with them sent out more than 40,000 pounds of the wool clip.

The clip this season was good, most of the raisers say, both in quality and quantity. It is being sent to the store house in Houston where it will be handled by the sales agency of the association. Good prices for the wool have prevailed generally during the past several months and the sheep are representing a good net profit to their owners this season.

CITY COUNCIL TO PASS CLEAN-UP ORDINANCE

Floydada is going to be in truth and in fact one of the cleanest little cities on the Plains if the steps being taken by the City Council have anything to do with it.

Practically every citizen in town assisted in some way in the last clean up campaign and not only made his own premises sanitary but also the vacant lots located near his place of residence. A few of the vacant lots, however, were not cleaned up and they were in most cases owned by non-residents.

Mayor F. P. Henry said that in order to make Floydada free from the danger of disease in particular and to improve the appearance of the city in general, the city council and officials are co-operating closely in every clean-up campaign. He said that an ordinance is to be passed soon in which all property owners of vacant lots will be required to keep such lots clean of weeds and rubbish and decaying matter of all kinds. "Upon failure to comply with this ordinance the City will have the work done charging the expense to the property owners and the amount will be added to the annual tax. Anyone violating the article will be fined not less than \$5.00 and not more than \$100, and each day's failure to comply with the notice which will be given by the City Health Officer will constitute a separate offense," he said. Mr. Henry stated that he was especially anxious to have all lots entirely free from rubbish and have a spotless little city to present to the Locating Board of the Tech College when they arrive here August 2.

SENIOR EDITOR OF RALLS BANNER DIES SUNDAY

W. H. Morris died Sunday at 12 o'clock at his home in Ralls after a two-week's illness with pneumonia. He was 59 years of age and had been in ill health for the past three years and lacked strength to combat the disease and finally succumbed after making a brave fight for his life.

Interment was made in the Ralls cemetery at 3 o'clock Monday afternoon.

Mr. Morris is well known on the South Plains and in newspaper circles over the state. He has been connected with the Ralls Banner during his sojourn in Ralls, a period of nearly eight years. He was senior editor of The Banner.

TELL WESTER HOW MANY ROOMS YOU CAN SPARE

How many rooms can you spare for the use of visitors in Floydada on the nights of the 3rd and 4th of July? And what price will you charge for beds? That's what J. C. Wester, billing officer for the McDermitt Post, American Legion, wants to know, and he requests all to make a special effort to furnish rooms, as tremendous crowds are expected. "We can't afford to let these visitors sleep in the streets," he said.

If you can spare one or more beds telephone Mr. Wester at 160, advising how many you can accommodate and at what price. You will not be expected to feed guests.

JUNIOR B. Y. P. U.

The Junior B. Y. B. U., of Floydada, will render a program Sunday afternoon at Lakeview at the close of the Sunday School hour there.

Miss Lela Windsor, leader of the Union, will accompany the boys and girls to Lakeview.

Mr. and Mrs. Jack Purdam, of Amarillo, were guests here of Mr. and Mrs. J. A. Awtry Tuesday evening

New School Site Chosen By Trustees

Plans Adopted at Meeting Friday Night and Bids Outstanding for Construction Now.

The site for the new \$75,000 School Building in Floydada was selected by the school board at a meeting last Friday night, two blocks in Bartley Addition, facing east and west on South Fifth Street being the choice of the majority of the board. The purchase from Mrs. J. B. Bartley at \$2,000 was completed Saturday when the transfer was formerly completed.

The site is well-drained, is a reasonable distance from the center of population in the town and for the most part has pleased the taxpayers. Four sites were available from which to make the selection,—one block immediately south of the site of the present high school building at approximately \$2,600, two blocks in southwest Floydada at \$4,000 and approximately 10 acres in the northwest part of town offered as a gift, and the site chosen.

The board has held several meetings recently at which no definite actions were taken in regard to location and plans for the building. Friday night's meeting, however, the members agreed not only on the site but as well on the plans, and now they are advertising for construction bids. Plans submitted by the architect, when slightly revised to suit local needs, will meet the approval of the people of the district, the board believes. Individual members of the board expressed themselves as highly pleased with the plans, which combine architectural beauty as well convenience and economy in space and arrangement.

It is the hope of the board that the walls and other outside work will be finished before cold weather this fall and the interior work on the building can proceed this winter so that the building can be delivered complete sometime next spring.

GREAT WEST MILLS DONATING FLOUR FOR BREAD

One of the heaviest donations the McDermitt Post American Legion got for their big barbecue and celebration to be staged next Tuesday and Wednesday, July 3rd and 4th, was that of the Great West Mills of Amarillo.

R. C. Smith, manager of the concern, gave the flour, amounting to approximately 2,500 pounds—sufficient to make 3,000 loaves—through the Star Cash Grocery. The flour is Amariyllis, the brand which the mill is pushing in West Texas. The Great West Mill is one of the biggest and best in all of Texas and their sales extend over the entire southwest, and foreign countries as well.

BOTHWELL KANE POST WANTS GAME WITH LOCAL LEGION

McDermitt Post No. 118 American Legion almost had a baseball game on their hands or the refusal of one last week when they received a challenge from Bothwell Kane Post of Fort Worth for an engagement on the Fourth of July during the big celebration in Floydada.

It was not possible to consider the offer of the Fort Worth ex-service men, both July 3rd and 4th dates being already filled when the Fort Worth offer was received. Crosbyton plays in Floydada on July 3rd and Matador on July 4th.

JONES & HOWARD BUY MARKET AT CROSBYTON

Jones & Howard, owners of the City Market of Floydada, have also bought the Sanitary Market at Crosbyton, and will take charge of it on July 2nd.

Edgar Jones of the firm will be the Crosbyton manager. He will go over to Crosbyton at once and his family will join him later.

EDWARDS BILLS FIRST CAR OF 1923 WHEAT

The first car of wheat to be billed out from Floydada from the 1923 crop was a carload of milling test wheat that is consigned to Fort Worth mills.

The car was billed out by the Edwards Grain & Elevator Co., one of the leading grain dealers of this section, Wednesday.

A PLAINS PLAY-GROUND

Every year, sometime during the summer months, there comes to the average resident of the city a desire or longing (call it what you will) to get out in the open for a short time, to go fishing or spend a few days in some kind of a vacation. And if the person having such a desire or longing can conveniently do so, he or she will certainly take advantage of every opportunity offered and take that vacation.

We people here in Floydada usually plan our vacations in the form of sight seeing trips that will carry us as far west as the Pacific and of fishing trips that will carry us to some of the creeks and rivers in eastern Texas. All in search of rest and a good time.

What Floydada needs is a playground. Each year we realize more fully the many advantages and possibilities that a recreation park located near home would have in store for us. We have no end of facilities and we have one of the greatest sites for the location of a pleasure resort on the south plains.

Six miles due south of the city of Floydada lies Blanco canyon, which is already a natural beauty spot of Nature. The ideas of man added to what Nature has already made for us would make it possible to create a beauty spot that would compare with the most beautiful in the state.

By building a dam across the canyon from the two banks which rise almost perpendicularly to a height of a hundred feet, a body of water would be created that would reach several miles up the head of the canyon. This lake would be fed by springs which abound in the bed of a small stream which has its source in them. These springs seldom cease to run the entire year and would furnish an ample supply of water to keep fresh water in the lake after it was once filled.

After obtaining the lake there could be no end to the many added attractions and amusements that could be placed at the disposal of the people. An ideal summer vacation camp could be established—a dream when realized that would furnish recreation to thousands of people on the plains.

A boat house could be located so as to conveniently house a fleet of small motor launches and row boats. Diving towers, spring boards and shoot-the-shoots could be provided for those who wished to spend a part of their time in water sports. All kinds of play-ground equipment could be set up for the kiddies and a sand beach constructed for land sports and games.

An imposing community or club house erected so as to overlook the entire scene would be the next step toward erecting the ideal playgrounds of the south plains. This house would contain all the modern luxuries that can be put into home building. A place for rest, dancing, speaking, parties and entertainments. A spacious dining room would be provided for the banquets, luncheon clubs and other public and private affairs. The dining room would be only one of the many features included in the community building.

The natural roughs would make an excellent spot for the location of a golf links and there would also be places for tennis courts, volley ball grounds, and croquet—in fact a home of relaxation where every lover of fun and sport could sate his every desire.

All kinds of shrubbery set off to advantage by lawns, walks, and flower beds would add the home atmosphere and cast over the whole a delightful spirit of tranquility.

Such an undertaking as has been described would be one of gigantic proportions and would cost into the thousands of dollars—but it can be done. The city of Floydada could sponsor the movement "start the ball rolling," so to speak, and then by close co-operation on the part of every community in Floyd County and this combined with aid and support given by all the surrounding cities of the South Plains would make "The Plains Playground" an assured success.

What we need is the booster to start the ball. Who will he be? Why

CLARENDON COLLEGE QUARTET

Will Appear in Concert at First Methodist Church Saturday Night, June 30th.
TICKETS ON SALE AT WOODY DRUG CO. ADMISSION 25c and 35c

not YOU? Why not save that money that you spend on those long trips and invest it on vacation grounds near your home and instead of the long monotonous, tiresome road trip run down in a short time to "The Playground" and spend your hours in ease and quietness.

The Hesperian invites your views on the matter.

VACATION

Some of us are so busy that we don't even have time to get off on picnics to the canyons, so the following recipe has been suggested to the tired business man for relief to his tired mind and muscles and at the same time give him the many thrills and joys that he would have had if he had gone to the picnics.

Just as soon as you get home from a hard day's work, run the flivver out of the garage, crank up and flivver around to the front of the house. If cranking up failed to give your vocabulary enough exercise, let the air out of a couple tires and spend about forty minutes in taking them off, and putting them on and pumping them up again. Go in the house and get some light bread and a piece of ham. Be sure and take some sugar for the lemonade and to make it more realistic forget to take any lemons. Put everything in the car and start her up. Don't throw in the clutch. Just let the motor have the gas and imagine you are on your way to the time of your life. If the motor don't miss properly remove two spark plugs and don't fail to get the necessary grease on your best shirt cuffs during the mechanical change. The engine now has the usual hum of the regulation blankety blank car on the picnic excursion. Shut the motor off and get out on the front lawn (where the most chiggers are to be found) and sit down for the lunch. Get some sand and sprinkle on the sandwiches in order to make them more appetizing; choke it down with water and the "picnic lunch" you've heard so much about, is over. Now, you are ready to climb the hills and mountains to get a good view of the scenery. As there are likely no hills in the front yard it is a good idea to obtain a ladder or borrow one from a neighbor and place it upright against the front porch. Climb deftly up and roam promiscuously over the roof of your house; slip a time or so and skin yourself up good and then make the descent. Leave the papers, crumbs and empty pickle bottles strewn over the yard so the place will have a natural appearance of a picnic ground after the joy makers have departed, and then run around the house four times. Go back to the car, crank up and drive around to the shed with one light making a light that a lightning bug would be ashamed of and park the boat. You can now go into the house a man of new vigor; refreshed, full of pep and ready for the work of the morrow.

The newspaper always says: "and they had a most delightful picnic." The above recipe was turned in by a subscriber and he says that it is a dandy substitute, and a "delightful picnic"—Thar ain't no sech animals.

Summer is here and with it comes the menace of the dog with rabies. It would be wise to dispose of all cats and dogs that are not essential to the household, and to keep all pets

in an enclosure or in some suitable place that is well protected by a high wall or fence.

Reports state that two dogs apparently stricken with rabies were seen on the side streets in Floydada the past week. Every precaution should be taken to prevent the spread of this dreaded disease. No person or animal is absolutely safe when a mad dog is in the neighborhood.

Watch your pets closely and at the first indication of rabies notify your city marshal without delay and have them examined. The deed may save some one from suffering and probably death.

What has become of the old adage that "children should be seen and not heard." The kids never heard of it, and the flappers—we'll they interpreted it both ways.

Of course, everybody is not satisfied with the location of the new school site. This was to be expected. But a good big majority of the folks are satisfied with the choice made by the board. Some are enthusiastic. Floydada School District is about two years behind the building schedule it should have been following, and the folks have not been able to "point with pride" to our educational facilities. This new building is going to be a thing of beauty and a joy forever at least for many years. That it will be incorporated in the plans everything that goes to make a really good school teaching plant may be taken for granted. It will be the last word in buildings of its kind.

The auto train of boosters went out this week to advertise and they put it over on a large scale. They told everybody about their firms and the city in general and about the big celebration in particular. The whole affair was somewhat on the order of a trade excursion and what it did was advertise, and advertising brings results. Why not make it an annual affair and send out a Floydada Merchants' Advertising Auto-Train every summer?

Did you ever see one of those fellows who has a car that makes 20 miles to the gallon, uses practically no oil, never cost him a dime for repairs, pull any hill in the world, never misses and is still good for 100,000 miles? Yeah, he musta been reared in a bed of four-leaf clovers. We know all about it. We owned a car once.

If you want to see human nature when it is off guard and at its worst, go on a long fishing trip with a bunch of people. It will show you their true characters as nothing else will.

NOTICE OF APPLICATION FOR LETTERS—GUARDIANSHIP

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—Greeting:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Floyd State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:
NOTICE OF APPLICATION FOR

LETTERS—GUARDIANSHIP

The State of Texas,

To all persons interested in the welfare of Marion Rasco, Lenard Rasco, Pink Rasco and Inda Rasco, minors, J. C. Gaither has filed in the County Court of Floyd County, an application for Letters of Guardianship of the estate of Marion Rasco, Lenard Rasco, Pink Rasco and Inda Rasco, minors, which application will be heard at the next Term of said Court, commencing the Third Monday in July, A. D. 1923, at the Court House thereof, in the town of Floydada, Texas, at which time all persons interested in the welfare of such minors may appear and contest such application should they desire to do so.

Herein fail not, but have you then and there before said Court this Writ, with your return thereon endorsed,

showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Floydada, Texas, this 12th day of June, A. D. 1923.

(Seal) LOLA WALLING,
Clerk County Court, Floyd County, Texas. 15-3tc

TO THE TAXPAYERS OF FLOYD COUNTY:

Notice is hereby given that the Commissioners Court of Floyd County, Texas, will sit as a board of equalization on the 2nd day of July, 1923. Notices have been mailed to the taxpayers whose renditions the court proposes to raise, and they are hereby requested to appear before said board,

and give cause if any why their taxes should not be raised.

LOLA WALLING,
Clerk County Court, Floyd County, Texas. 16-2tc

FOR PROBATE OF WILL NOTICE OF APPLICATION

The State of Texas,
To the Sheriff or any Constable of Floyd County—Greeting:

You are hereby Commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Floyd, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

Notice of Application for Probate of Will, and Letters Testamentary.

The State of Texas:
To all Persons interested in the Estate of Mrs. Elvira Mullins, deceased, E. B. Mullins has filed in the County Court of Floyd County, an application for the Probate of the Last Will and Testament of the said Mrs. Elvira Mullins, deceased which application will be heard at the next term of said Court, commencing the Third Monday in July, A. D. 1923, at the Court house thereof, in the City of Floydada, Texas, at which time all persons interested in said Estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said Court this writ, with your return thereon endorsed, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Floydada, Texas, this 22nd day of June, A. D. 1923.

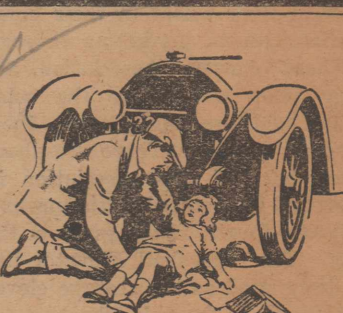

(Seal) LOLA WALLING,
Clerk County Court, Floyd County, Texas. 17-3tc

S. S. UNION PICNIC ON CANYONS GREAT SUCCESS

The union picnic on Blanco canyon at the Day crossing held Thursday afternoon of last week by the Methodist churches and Sunday school classes of Lockney and Floydada was a great success and everybody got their full quota of enjoyment.

At noon lunch was spread with all kinds of eats for the large number of representatives present. A big barrel of lemonade was on hand and the picnickers feasted in true fashion. After the big feed, the afternoon was spent in swimming, swinging and in playing various kinds of entertaining games and contests.

A spirit of good fellowship and friendliness prevailed throughout the afternoon of fun.

Officials of both churches were pleased with the results of the get-together-meeting and it is hoped to make it an annual affair.

Rev. R. N. Huckabee, pastor of the Methodist church at Lockney, and L. Grover, superintendent of the Sunday school, cooperated with Rev. J. L. Henson and G. A. Linder, pastor and superintendent of the local church, and their committees in making arrangements for the affair.

ASSOCIATIONAL B. Y. P. U. MEETS WITH FLOYDADA UNION

The Floyd County Associational B. Y. P. U. met with the Floydada union here Sunday afternoon in a special session. Matador had the largest number of out-of-town delegates; Center was second. Crosbyton also had representatives at the meeting.

The Floydada Union rendered an excellent program of talks and vocal numbers. The subject was "The Life of Joseph." Vice President Warren, of Matador, presided at the business session in the absence of Miss Margaret Grigsby of this city, who is president of the association.

The banner of excellence was won for the second time by Center. They have a highly efficient and earnest group of workers. They finished the quarter with the high average of 97 per cent. Matador had held the banner for the two preceding quarters.

Crosbyton was awarded the next meeting which will be held there September 4.

Miss Leona Coner of Sweetwater, has been the guest of Miss Irene Mitchell the past week.

FLOMOT-FLOYDADA ROAD IS IN BAD SHAPE FOR TRAVEL

The public road from Flomot to Floydada, from the caprock eastward through the rough breaks is in very bad condition, reports reaching Floydada indicate, and the business interests of this community who have been enjoying a good business during the past years from the Flomot people are cut off from this business by the condition of the roads. Flomot whole sale purchases are said to be going to Memphis principally now.

The report of the bad condition of the road comes from motorists who have recently negotiated the road to Flomot only with the greatest difficulty.

W. U. White was in Floydada Friday from Plainview on business.

ORDER AND NOTICE OF STOCK LAW ELECTION

The State of Texas, County of Floyd.

On this the 15th day of June, A. D. 1923, came on to be considered by the County Judge of Floyd County, Texas, the petition of W. E. Rawlings and seventy-two other freeholders of said County of Floyd, State of Texas, for an order of election to be held throughout the entire County of Floyd, State of Texas, for the purpose of enabling the freeholders of said County to determine whether or not hogs, goats, and sheep shall be permitted to run at large in said County.

And it appearing to the undersigned judge of said County that the aforesaid petition was filed with the Commissioners' Court of said County on the 9th day of June, 1923, and that said Court thereafter, on the 13th day of June, 1923, heard, considered, and granted said petition, and ordered that said election be held on the 28th day of July, A. D. 1923, and that said Court ordered that the County Judge

of said County issue an order therefor and cause notice thereof to be given as provided by law;

Now, therefore, by virtue of the authority in me vested by such order and the laws of the State of Texas, I, E. C. Nelson, Jr., County Judge of Floyd County, Texas, do hereby order that on Saturday, the 28th day of July, A. D. 1923, at the usual voting boxes in said County, an election shall be held for the purpose of enabling the freeholders of said County to determine whether or not hogs, goats, and sheep shall be permitted to run at large in said County.

The polls for said election shall be opened at the usual voting places in said County used for the purpose of holding general elections in said County. No person shall vote at said election unless he be a freeholder and also a qualified voter under the constitution and laws of this State. All votes at said election shall be cast by ballot, and voters desiring to prevent the animals designated herein from running at large in said County shall have written or printed on their ballots the words: FOR THE STOCK LAW; and those desiring to permit the animals designated herein to run at large in said County shall have written or printed on their ballots the words: AGAINST THE STOCK LAW.

On or before the tenth day after said election, the persons holding said election shall make due return of all the votes cast at their respective voting places for and against said proposition to the County Judge of said County, who will count and tabulate said returns and ascertain and proclaim the result of said election in the manner prescribed by law.

Public notice of said election shall be given by publication of this order for at least thirty days before the date of said election in some newspaper published in said Floyd County. Witness my hand this 15th day of

June, A. D. 1923.

E. C. NELSON, Jr., County Judge, Floyd County, Texas. 16-5tc.

Severe Indigestion

"I had very severe attacks of indigestion," writes Mr. M. H. Wade, a farmer, of R. F. D. 1, Weir, Miss. "I would suffer for months at a time. All I dared eat was a little bread and butter. . . consequently I suffered from weakness. I would try to eat, then the terrible suffering in my stomach! I took medicines, but did not get any better. The druggist recommended

Thedford's

BLACK-DRAUGHT

and I decided to try it, for, as I say, I had tried others for two or more years without any improvement in my health. I soon found the Black-Draught was acting on my liver and easing the terrible pain.

"In two or three weeks, I found I could go back to eating. I only weighed 123. Now I weigh 147—eat anything I want to, and by taking Black-Draught I do not suffer."

Have you tried Thedford's Black-Draught? If not, do so today.

Just 20 Seconds a Day and a Milk Scale

It just takes 10 seconds to hang a milk bucket on a scale, record the weight and pour the milk into the can. Twice a day means 20 seconds a day for each cow.

Don't you think that is mighty little effort to use in checking up and finding out whether or not those cows are paying you a profit?

Lots of dairymen who never gave the matter any thought or never actually figured their cost of grain feed per pound of milk are beginning to do so now. The man who is taking chances on profits or failure in the dairy business is the one that does not know what his cows are doing.

We will be glad to tell you how you can make a very profitable test on your cows with Cow Chow and how you can obtain a milk scale at manufacturer's cost and free milk record sheets. Just write, call or phone us.

AMERICAN LEGION STAGING MAMMOTH ESSAY CONTEST

The National American Commission, the American Legion, has announced from the headquarters office at Indianapolis a mammoth national essay contest which is expected to draw interest from every county in the nation. The prizes in the form of scholarships to colleges designated by the winners, are \$750 for first, \$500 for second and \$250 for third. First prize in each state a silver medal; second in each state a bronze medal and third prize a certificate of merit.

"Why America should prohibit immigration for five years," is the subject for the essay contest which will close on October 12th. Girls and boys 12 to 18 inclusive are eligible to compete. Among other rules to be observed is that the essay must not be over 500 words in length. In each county the essays must be turned over to the county superintendent of public instruction not later than midnight of October 12th. The county winner is chosen by three judges selected by the county superintendent, who in this county is E. C. Nelson, Jr., County Judge. After the county winners are determined three state judges pass on the best from each state and finally one from each state will be left to be judged not later than November 15th of this year.

NO CUT RATES ANYWHERE IN TEXAS FOR 4th OF JULY

Santa Fe Railway officials, through Agent J. M. Hughes, have advised the Barbecue Committee for the American Legion Celebration in Floydada on July 3rd and 4th, that special rates will not be granted this point for visitors to the celebration.

At a meeting of the passenger agents of this territory recently it was decided that no cut rates would be announced for any Texas railway points for July 4th, and Floydada will not be an exception to this rule the advice state.

LOOT FOUND

\$2,100 of the loot of bandits from a Childress bank was found one day last week lying in the grass in a field near that city. The robbery was committed two weeks ago and the work impressed the officers as being that of Childress people.

Proceeding on this theory one arrest has been made and others are expected, the officers also believing that at least a part of the remainder of the missing money will also be found.

GOOD ATTENDANCE AT PLAY AT MCCOY SCHOOL

A packed house greeted the young people of the Methodist Sunday School of McCoy at their play presented in the school building Saturday night. The play, "A Kentucky Bell," was well received, the characters showing marked talent. Special numbers were given between acts and kept things lively.

The proceeds go to the W. M. Society of that community to be used to further their work there.

CARD OF THANKS

We take this method to express our thanks to our friends and neighbors who were so kind to us during the illness and death of our dear son, brother and grandson, Clifford.

We wish to thank the doctors who were so faithful in their efforts to restore him to health and we thank those who contributed the beautiful floral offerings.

We pray that God will bestow his richest blessings upon each one of you.

Mr. and Mrs. W. V. Smith and children.

REUNION AND BIRTHDAY CELEBRATION AT A. G. SMITH'S

On Sunday, June 24, relatives and friends of the Smith family met at the home of Mr. and Mrs. A. G. Smith, near McCoy, to celebrate the birthdays of Mrs. Smith, Alice Rachael Jones, granddaughter of Mrs. Smith, and Chas. B. Smith, a nephew.

The cars began to arrive at 10:30 Sunday morning, each one bringing besides the passengers, a big basket of lunch.

Lunch was served picnic style in the big double garage.

All the grandchildren and children were present and contributed their part to the fulfillment of a happy day. Mrs. Smith, one of the honorees of the occasion, was at the 64th milestone of her life. The dear old mother was almost too overcome with emotion to return thanks when the dinner was served. One writer has said, "God could not be present every place so He gave us mothers."

Every one present seemed imbued with the spirit of the occasion and all deemed it a privilege to help carry out the well planned program of enjoyment for the day. Memories of the pleasant day will ever linger in the minds of those present and will cheer the succeeding ones.

The personnel of the party was as follows:

Mrs. Sam Ellis, R. E., Ellis, and Miss Belle Brown, all of Estacado; Mr. and Mrs. Taylor Allen, Mrs. Wylie and daughter, Mary, of Idalou; Mr. and Mrs. Bert Smith and family of Friona; Mr. and Mrs. J. C. Fuller and daughter, Louise, of Ellen; Mrs. T. A. Carter, Mrs. Sam Jones and children; Mrs. J. W. Smith and children, Ham Smith and family, Grover and Bob Smith; Jno. H. Smith and family; and Robert McGuire.

—Contributed.

HIGHWAYMAN OPERATING ON F. F. F. HIGHWAY

The other day while enroute to Floydada a lone tourist had the unpleasant and undesired misfortune of meeting with a highway robber who politely removed all the surplus change that he had on his person.

The fellow who was the loser in the deal stated that while he was on the road between Paducah and Matador he was accosted by a stranger who was standing by a cattle-guard and making motions for him to stop. He brought his car to a halt and the man asked for a lift to Matador, which was granted.

They had ridden for several miles and had reached the broken strip of country which is one of the most lonely stretches of road between Paducah and Matador, when the personage who had asked for the ride remarked to the driver of the car, "I believe you've got a flat tire." The driver got out and made a tour of inspection and just as he started to get in again, looked up and found an automatic pointed at his head and his companion greeted him with instructions to stick 'em up.

The robber gleaned between \$17 and \$20 and lost no time in making his escape on foot.

An account of the affair with a description of the bandit was given to the sheriff of Motley County. No trace has been found of the man to date.

BLANCO NEWS

Blanco, June 26.—This community was well represented at the play at McCoy Saturday night and the Children's Day Program Sunday night.

W. C. Cates made a business trip to Plainview last week and while there he and his father, W. C. Cates, from over south of town, bought a new separator for their thrasher.

Mr. and Mrs. Walter Millican and children of Cooper, Delta County, are here visiting his parents, Mr. and Mrs. Tom Millican, and expect to harvest their wheat while here.

Mrs. Mattie L. Childers of Roaring Springs visited Mrs. Will Snell a couple of days the past week.

Mr. Rose and daughter, of Clovis, visited in the W. A. Cates home since our last paper, also a cousin of Mrs. Cates from Clovis.

Mrs. Fred Locke, after a visit with her husband at Casper, Wyo., has returned to the home of her parents Mr. and Mrs. S. C. Burns, to visit for a while.

H. S. LIBRARY OPEN NEXT MONDAY AFTERNOON

Superintendent J. N. Johnston of the Floydada schools stated that the High School Library will be open for the last time during the summer next Monday afternoon at 4 o'clock.

All persons who desire books for the summer months should come on that afternoon when a special librarian will be there to serve them. This will be their last chance to get books until school re-opens in the fall.

J PAT HORTON FIRST STAR BUYER IN FLOYD COUNTY

The first purchase of a Star automobile to be made in Floyd County was made by Rev. J. Pat Horton, pastor of the First Baptist Church of Floydada, who bought a touring car model.

The Star and Durant agency was opened in Floydada the first of last week. T. J. Hooser is the manager of the new concern which will be known as the Hooser Motor Company.

CLARENDON COLLEGE QUARTET HERE SATURDAY EVENING

The Clarendon College Male Quartet will appear in concert at the First Methodist Church Saturday evening at 8:30 o'clock under the auspices of the Epworth League.

These four young men come highly recommended and their varied program which is made up of solos, duets, quartets, readings, impersonations

and skits is a good one, according to members of the league here who heard them in their program given at the Epworth League Conference held at Abilene this month.

The quartet is making a tour of Northwest Texas. An admission of 25 and 35 cents is to be charged.

GRAIN SHIPPING SEASON OPENED WEDNESDAY

The grain shipping season in Floyd County opened Wednesday when Lockney and Floydada both made their first shipments for the season of 1923. Dealers say the grain is testing out, some of it, as high as 63 pounds. They are anxious to know what classification this wheat will get when the grain inspector looks it over.

Floydada dealers who loaded out yesterday were Marshall Grain Co., Edwards Grain & Elevator, W. J. Burke and Floydada Mill & Elevator, each one of whom had one carload for shipment. Four cars also go out on today's train.

NINETEEN TWENTY-TWO STUDY CLUB ON PICNIC

The Nineteen Twenty-Two Study Club had their third entertainment of the year Thursday afternoon of last week in the form of a picnic on Blanco Canyon. House guests of the members were honor guests. The division of which Mrs. T. R. Webb is captain were hostesses for the occasion.

Community plays were engaged in and furnished the principal diversion of the evening. A delicious dinner of chicken sandwiches, crushed chicken, deviled eggs, cake, iced tea and ice cream was served picnic style.

A most enjoyable time was reported by all.

R. A. Pope and son returned the latter part of last week from the Concho river, where they had been on a sixteen-day fishing trip.

ABILENE BOYS TAKING THEIR VACATION HERE

Jack Estes, Dick Bryan and Jerry Combes, all of Abilene, came in last week and will be here during the harvest season.

Dick Bryan was a star center on Abilene High's football eleven that lost to Waco for the state championship in football last fall. The boys are all of prominent families of Abilene. They are out "roughing it" and having a good time in general.

BUYS ACE MOTORCYCLE

W. M. Salisbury has purchased a four-cylinder Ace motorcycle and the delivery was made Monday. The machine is the last word in the realm of the two-wheel motor vehicle. The side car with which it is equipped is a roomy affair and has a protecting windshield of celluloid for the passenger. There is a storage battery, gen-

erator, electric horn, a worm drive gear and a number of other features. The motor is 15 horse power and will carry the cycle over the road at a rate of over sixty miles per hour.

Mr. Salisbury, who is a mail carrier on a rural route will use the machine to carry his parcels and mail. He left with his family Tuesday morning for points in Kansas where they will spend their vacation.

Mr. and Mrs. A. G. Pittman, Jr., of Abilene, were here the latter part of last week and the first of this on a visit with her parents, Mr. and Mrs. R. F. Jackson, and other relatives and friends.

Dr. J. B. Zachry, of Jefferson, Texas, and son, Dr. D. H. Zachry, of Spur, were in Floydada a short time the latter part of last week, guests of Dr. C. M. Thacker. They were enroute to Palo Duro Canyon on an outing.

J. D. TINSLEY SANTA FE GENERAL AGRICULTURAL AGENT

Amarillo, Texas, June 25, 1923.—J. D. Tinsley has been appointed general agricultural agent for all the Texas lines of the Santa Fe Railway with headquarters in Amarillo, announce T. B. Gallaher, general freight and passenger agent of the Panhandle and Santa Fe Railway, and J. S. Hershey, general freight agent of the Gulf, Colorado and Santa Fe Railway.

Fred Hale has been appointed assistant general agricultural agent for the same territory with headquarters in Galveston.

Mr. Tinsley entered railway service in 1910 and for several years was in charge of the agricultural work of the Santa Fe on the Plains of Northwest Texas. Later Mr. Tinsley was transferred to Galveston and placed in charge of the Agricultural Department of the Gulf, Colorado and Santa Fe Railway.

The scope of the agricultural activities of the Santa Fe Railway in Texas has now been materially widened and the Plains of Northwest Texas have been included in the territory of the new and larger program. Mr. Hale has been added to the staff. He has been trained at the Texas A. & M. College and is well qualified for the work.

"In this work," said T. B. Gallaher, General Freight and Passenger Agent of the Panhandle and Santa Fe Railway, "the Santa Fe Railway plans to co-operate with Federal, State, and Community Agencies to encourage the growth of farming, livestock, and other industries. Mr. Tinsley is quite familiar with the problems of the Plains country and is in position to render this section valuable service."

WEST VIRGINIAN SEES LAND HERE FOR FIRST TIME

James Flynn, of Charleston, W. Va., one of the heirs of J. E. McDowell, deceased, who owned 1500 acres of land lying west of the Ralls road in the edges of Floyd and Crosby counties for many years until his death a year ago, visited here with Judge Arthur B. Duncan and G. T. Assiter a few days of this week and last, leaving for north central Texas Tuesday.

It was Mr. Flynn's first visit to this section of Texas. Mr. Assiter has farm-leased the 1,500-acre estate for some 15 years, and made a little tour of this section with Mr. Flynn, visiting Crosbyton and Ralls among other points.

ANOTHER WORD TO LOVERS OF SONG

Since the great Plateau Singing Convention at Plainview, June 23-24, the greatest gathering of its kind it has ever been our pleasure to attend, we desire to say a few words through the paper to those who love to hear the gospel proclaimed through the medium of song.

We want to see the citizenship in this, our county, become more awake to the beauty and the value of a more thoughtful, careful study of this great gift. Almost every person possesses a voice that can sing. With only a reasonable amount of time, and without a very great expense, almost every one can learn to become an average singer, and know the rudiments of music well enough to sing intelligently.

We would like to see more communities in Floyd County organize singing classes. We would like to see more singing schools. We would especially like to see sufficient interest aroused in our county, to establish and maintain each year, at a convenient season, a Singing Normal at Lockney, and one at Floydada. This should not be considered as an idle dream. There is plenty of material to maintain a four week's annual normal in each of these towns, and we hope to see the day when there will be sufficient interest to make this dream develop into a reality. Let's sing.

PRICE SCOTT, President
Floyd Co. Singing Convention.

SANITARIUM NOTES

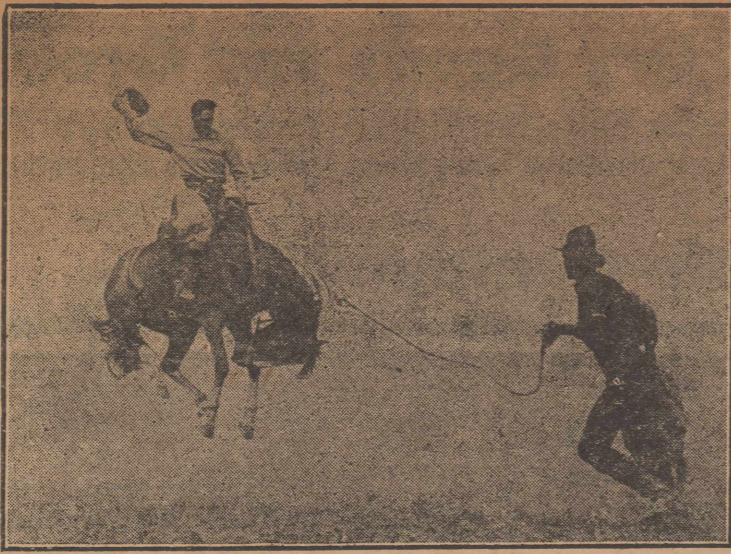

Rapp Green returned home Friday of last week. He underwent an operation at the sanitarium for appendicitis.

Mrs. Henry Smith is convalescing satisfactorily from an operation which she underwent Wednesday of last week. She is a daughter of Mr. and Mrs. W. E. Rawlings who reside north of town.

Frankie Doris Smith, 10, daughter of Mr. and Mrs. H. T. Smith of this city, had an operation for appendicitis Sunday morning.

Miss Edra Roberson of Whiteflat was operated on for appendicitis Monday afternoon. She is a niece of Wallace Sparks of this city.

Miss Era Allcorn, of Clovis, is convalescing from an operation which she had Tuesday morning of this week for appendicitis. She is a sister of Mrs. C. C. Wright and has been visiting here for some time.

TALL PITCHING EXPECTED WHEN HACKBERRY SLIM'S RODEO SHOWS HERE JULY 3rd AND 4th

B. M. Whiteker, exhibit manager of the West Texas Chamber of Commerce, of Haskell, Texas, was in Floydada a short time Wednesday afternoon. He spent the night with his sister, Mrs. Sam Harrow, who resides several miles northeast of town. He was accompanied by his little daughter and was enroute to Amarillo on business.

W. H. Oglesby, of Goldthwaite, is here for a visit with his son, Alvin Oglesby and family, having arrived the latter part of last week. He will be here several days before returning home.

Mr. and Mrs. W. E. Brown and children are at Lampasas for a visit of several days, having left last week expecting to return home about July 4th.

Mr. and Mrs. G. T. Massie left Friday of last week for a visit with Mrs. Massie's parents, Mr. and Mrs. W. H. Badger. They will make their home in central or south Texas.

Born to Mr. and Mrs. W. H. Furrow of Newland community Thursday, June 28, a daughter.

Mrs. W. K. Hale and daughter, Willie, of Fairfax, Oklahoma, came in Sunday for an extended visit here with relatives and friends. Mrs. Hale is a daughter of Mr. and Mrs. R. F. Fry of this city.

Mrs. Baird Bishop is home after some ten days spent on a visit at Seymour.

Mrs. R. F. Kirchner, of San Antonio; Mrs. Richard Starcke, of Bastrop, Texas, and Mrs. T. S. Causey, of Sau Angelo, daughter and sisters of Mrs. A. P. McKinnon who have been here guests here for the past ten days, returned Monday to their respective homes.

Vernon Eubank of Whitney, came in Sunday for a visit with his uncle and aunt, Mr. and Mrs. J. E. Eubank. He will likely spend the summer here.

Mrs. W. H. Nelson and baby, and Miss Gwendolyn Green left Monday for Colorado where they will spend several weeks visiting and in sightseeing.

Maurice Leach, of Childress, former resident of Floydada, is here to work during the harvest. He has finished his second year at Abilene Christian College.

C. R. Houston is home from a vacation of two weeks spent in Coleman, Lockhart, Temple and other downstate points. On his trip he was accompanied by his sisters-in-law, Mrs. S. W. Meharg, of Plainview, Mrs. I. C. Houston of Abernathy, and his little daughter, Mildred. They reached Floydada Tuesday of last week.

Mr. and Mrs. J. T. Paschall and son, Clayton, of Boyd, Texas, came in last mid-week to make their home here during the summer months. Mr. and Mrs. Paschall are the parents of W. N. Paschall.

Mr. and Mrs. Frank Moore returned home last week after spending two weeks on a pleasure trip in east and south Texas. They visited in Austin, Waco, Fort Worth and other points.

T. Y. Wilkes of Childress was here this mid-week on business. Mrs. Wilkes and children accompanied him Monday returning home Tuesday.

Mr. and Mrs. Tom B. Triplett and daughter, Mary Elizabeth, visited in Memphis and Jericho from Sunday to Tuesday of last week. They were accompanied on the trip as far as Clarendon by Misses Marie Henry and Pat McCartney, who were guests of Miss Williams in that city.

Bill Gibson, of Childress, Texas, was in Floydada last week visiting Judge F. P. Henry, friend of a former day. They were friends for many years and had not seen each other for twenty-two years. Mr. Gibson was at Tulia on business and made a special trip to Floydada to be with the judge for a few hours.

Miss Ruby Young returned home Tuesday from a vacation of some ten days spent at Abilene and other points near there.

Henry Solomon this week began work as salesman with Russell's Store in Floydada. He is a brother of Mrs. N. W. Williams. 171t

C. L. Glen, Judge of Motley County, who was injured ten days ago in an automobile accident at Flomot, is improving fast and is out of danger, it is thought. The first of this week he was carried to his home at Matorador from Flomot.

C. C. Hawkins of Chico came in last week for an extended visit here with his niece, Mrs. Lon V. Smith.

Miss Laura Edwards for thirteen years missionary in Korea will lecture at the Methodist Church Sunday evening at 8:30 o'clock. Miss Edwards is well and favorably known here, being related to Mrs. A. N. Gamble and Mrs. Jno. W. Smith of this place. Miss Edwards is now home on a furlough and will return to her work in Korea next August.

Mrs. Wilson Davy and little son of Lorenzo visited here this week with Mrs. Davy's parents, Mr. and Mrs. H. T. Smith.

Mrs. I. C. Surginer and son, Leslie, left the latter part of last week for Brownfield where they will visit a few days with friends and relatives.

Mrs. George McCarty returned from a visit with relatives at Purcell, Oklahoma, last week. She had been absent from home about a month.

Mrs. E. P. Reese, of Sweetwater, is visiting her parents, Mr. and Mrs. S. F. Smith of McCoy.

Otto Smith and wife, of Stamford, visited his parents, Mr. and Mrs. S. F. Smith, of McCoy recently. Mr. Smith is assistant postmaster at Stamford.

M. B. Cavanaugh left today for Mineral Wells, Texas, where he will visit with a sister.

Robs Calomel of Nausea and Danger

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity, purified and refined from those objectional qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One calotab at bedtime with a swallow of water, that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs.—Adv.) 17-5tp.

FOR SALE or trade—Double disc plow and 12-hole Kentucky Drill. 400 acres drilled with. Will sell on time or trade for stock B. W. McReynolds, Petersburg, Texas. 16-3tp

FOR SALE—Two galvanized grain bins, 1000 bu. capacity and platform. S. D. Ferguson & Co. 16-tfc

FOR SALE—Harley-Davidson motorcycle with side car in good shape. R. G. French at Harmon's. 16-3tp

You don't have to dig up the cash to buy a piano of J. W. Boyle & Son, Plainview; round up old Kate and Mollie, drive them in and lead a piano home. 13-tfc

It will pay you to come around to Guimarin Gro. & Pro. Co. to buy that harvest bill. 171tc

OILPULL
"The Cheapest Farm Power"

Dual Lubrication Lengthens Tractor Life

No motor will last without proper lubrication. The OilPull motor has both a forced feed lubricator and a heavy splash from the crankcase. The first forces fresh, clean oil to all important points. The second churns up a heavy oil mist which lubricates even minor parts. This means positive lubrication, minimum wear, low repair expense, a long lasting tractor. Let us tell you more.

FORT WORTH VISITOR IS HONORED AT BRIDGE PARTY

Among the lovely social occasions planned honoring Miss Naomi Harmonson of Fort Worth, who has been visiting in the city for several weeks, none were more delightful than the afternoon at bridge at which Mrs. J. U. Borum was hostess on Wednesday of last week at her home on West Missouri Street.

Bridge was played at four tables. High score honors went to Mrs. J. M. Parsons.

Delightful refreshments of Devil's Food and Angel's Food cake with apricot ice were served to: Mesdames Tom B. Triplett, C. H. Davis, Knight Dickey, Lon M. Davis, Clifton Potter, Ed Johnson, J. M. Parsons, E. C. Nelson, W. B. Henry, and L. S. Tanner; the Misses Naomi Harmonson, Marie Henry, Ruth Collins, Lois Richards, Blanche Abston and Pat McCartney of Waxahachie.

SON OF MR. AND MRS. W. V. SMITH DIED SATURDAY

Clifford, the fourteen year old son of Mr. and Mrs. W. V. Smith, of Starkey community, died Saturday afternoon at the home of his parents, following an attack of diabetes. Death came at 2 o'clock.

Interment was made in the Floydada cemetery and services conducted by Reverend G. W. Tubbs were held Sunday afternoon at 4:30 o'clock in the cemetery chapel.

The deceased was a grandson of W. E. Smith of McCoy.

80-ACRE TRACT SOLD

W. H. Johnson, who lives northwest of Floydada six miles, Monday bought an 80-acre farm near Allmon School house from A. V. Harris, the farm being a part of the Harris holdings there.

Jno. A. Hollums negotiated the deal.

SPECIAL SERVICES AT THE FIRST CHRISTIAN CHURCH SUNDAY, JULY 1

Bible school at 10:00 a. m.—J. C. Wester, superintendent.

Preaching 11 a. m. by Evangelist W. H. Marler.

Subject "The Tragedy of having lived."

Sunday night, beginning promptly at 8:30 sermon by W. H. Marler.

Subject—"What shall I preach."

These services are for both young and old. A special invitation to visitors and strangers.

All members especially requested to be present.

SENIOR B. Y. P. U.

Program for Sunday, July 1. Devotional meeting. Subject—Approaching the mercy of Jesus.

Song service in charge of Elmer Wood: "What a Friend we have in Jesus," "To the Work," "I'll Live for Him."

Bible Quiz—What it means to be a Christian—Miss Windsor.

Introduction—Mrs. Elmer Wood leader.

One out of ten—Mrs. Pat Horton. God appreciates our gratitude—Agnes Burrows.

Mixed quartette—"Stand up, Stand up for Jesus."

The Mercy of Jesus—Ione Wallace. Grateful for forgiveness—Roy Paschall.

Appreciating the price of our pardon; grateful because God so generously gives pardon—R. V. Bond.

How may we show our appreciation?—Miss Leppa Bond.

METHODIST CHURCH

Sunday at 11 a. m. The sermon will be on "The fact and nature of punishment for sin."

At 8:30 p. m. The sermon will be on "The Goodness of God."

J. L. HENSON, Pastor.

Misses Maurine and Fenet Griffis, who were guests of Mrs. W. B. Henry here last week, returned Tuesday to their home in Greenville.

Mr. and Mrs. C. D. Hopkins visited last week with friends and relatives in Munday.

United States Tires are Good Tires -and "USCO" confirms it!

YOUR enthusiasm over "USCO" performance won't surprise the motorist who knows the fabric tire field. Every 30 x 3 1/2 tire user recognizes "USCO" as a value to be respected and to be investigated. The users of "USCO," know it as a money's worth that came before the public as a leader and that has maintained its leadership. "USCO" is made by the same people who make Royal Cords.

Where to buy U.S. Tires BROWN BROTHERS

ATTENTION Automobile Truck and Tractor Owners

Owing to the intense heat under which your motor operates it is very important that Motor Oil that will stand the highest temperature without thinning down quickly, should be used.

100 Per Cent Pure Pennsylvania AMALIE MOTOR OIL

—stands the highest temperature of any oil on the American market because it is manufactured from Pure Pennsylvania Crude Oil. Chemical analysis will show that Pennsylvania Motor Oil thins down less between a temperature of 100 degrees and 212 degrees than motor oil made from any other crude.

100 per cent Pure Pennsylvania AMALIE Motor Oils are all made from Paraffine base Pennsylvania Crude and contain therefore a minimum amount of free carbon.

McQUAY-NORRIS PISTON RINGS, PISTONS & PINS

The three most vital units in motor performance are the piston rings, the pistons and the piston pins. Wear, improper design or inaccurate fit in these units results in loss of power—gasoline waste—oil and carbon troubles—noise and unsatisfactory operation. When new piston rings alone are needed, we have a McQuay-Norris ring for every price and purpose—all made from Electric Iron. When new pistons and pins are also required, we have the McQuay-Norris Wainwright line especially designed and made for replacement. Regardless of where you plan to have your car overhauled, we can supply all sizes or over-sizes promptly.

We Carry a Complete Service Stock MOTOR SUPPLY COMPANY

| | | | | |
|--|---|---|---|--|
| <p>Pistons McQuay-Norris Wainwright Pistons and Pins — specially designed for replacement — available in standard sizes and over-sizes — also in semi-finished form 75-thousandths over-size — pins of special hardened steel, ground to exceptional accuracy.</p>  | <p>\$125 Leak-Proof — an exclusive two-piece design, preventing loss of gas and compression. Gives equal pressure at all points on cylinder walls. For all piston grooves except top, which should have Superoil. Each ring packed in a parchment container.</p>  | <p>\$100 Superoil — Keeps lubricating oil out of combustion chamber. Collects excess oil on each down stroke of piston and empties on each up stroke, which ordinary grooved rings cannot do. Each ring packed in a parchment container.</p>  | <p>50c JIFFY-GRIP — a one-piece ring. Non-Per Ring butting joint, which can be fitted closer than ordinary step cut — velvet finish — quick seating. "Seats in a Jiffy." To keep them clean and free from rust, each ring is packed in an individual glass-ine envelope.</p>  | <p>Snap Rings — of the highest grade. Raised above the average by McQuay-Norris manufacturing methods. Their use insures all the satisfaction possible for you to get from a plain snap ring. They are packed twelve rings to the carton and rolled in waxed paper.</p>  |

**FORD MOTOR COMPANY
20 YEARS OLD JUNE 16th**

**Company Now One of Industrial
Marvels of the Age—Henry Ford
Still Guiding Spirit**

Detroit, Mich., June 16.—The Ford Motor Company is twenty years old today. And this birthday anniversary finds it enjoying the greatest prosperity in its history and engaged in carrying out an expansion program of enormous magnitude, necessary to bring manufacture up to meet the ever increasing demand for Ford Products.

In the score of years which have passed since its incorporation on June 16, 1903, the growth of the company has been amazingly rapid and now its activities extend to nearly every country on the globe and the Ford Car is in use in practically every land on earth.

The capital originally subscribed in the company was \$100,000 of which only \$28,000 in cash was actually paid into the treasury. Among the twelve stockholders with the company in its infancy Henry Ford held 25 per cent of the stock.

Ford "sold" his car to the public at the very start by practical demonstration for he piloted the first Ford racer himself and won race after race in all parts of the country. Driving old "999" on an ice track at Baltimore Bay, Mich., he was the first to break the mile-a-minute record.

In 1907 Mr. Ford acquired additional stock sufficient to bring his holdings in the company up to 58 1-2 per cent.

Development of the company since 1908 when the Model "T" Ford Car was first placed on the market has been marked by unusual success until now it occupies the foremost position in the industry.

In 1913, Mr. Ford set a new standard for the industrial world when he announced his now famous \$5 a day minimum wage and the \$10,000,000 profit-sharing plan, a move that gained him international fame.

Many will remember, too, a year or so later when announcement was made that if sales went to a certain figure every Ford purchaser would receive a rebate. The sales passed the figure and checks went out by the hundreds of thousands.

When in 1919 Edsel B. Ford assumed the presidency, his father turned over to him all the responsibilities of that office and he has taken an important part in all developments of the company since that time. Upon becoming president, Edsel Ford purchased the remaining 41 1-2 per cent held by outside stockholders and on July 9, 1919, the Company was re-organized under the laws of Delaware for an authorized capitalization of \$100,000,000.

The first car manufactured by the Ford Motor Company was on the road in June and sold the early part of July, 1903. In the initial year, 1903-04, the company produced 1,708 cars and each year has seen a steady expansion until in 1922 production totaled 1,351,333 and this year will pass the 1,500,000 mark, a figure which it is estimated will equal if not exceed the combined output of all other automobile companies in the United States.

Since its start the company has produced more than 7,750,000 Fords and sent them to all parts of the world and more than 6,000,000 are now in use in the United States alone.

Manufacturing methods of the Ford Motor Company have been and remain the marvel of engineering experts of the world. All are based on the most scientific principles, distinctly individual in their advanced steps and they bring quality production with high quality coming automatically in the process.

Under its present expansion program the company is carrying out on a larger scale than ever before its policy of effecting every manufacturing economy possible. Thus with costs cut to the minimum all along the line, from primary raw materials to finished cars, trucks and tractors, it is able to give the purchaser a high-quality product at a very low price.

It has its own coal mines in West Virginia and Kentucky and iron ore

mines and forests in northern Michigan.

The Ford railroad, the Detroit, Toledo & Ironton, connects with practically every trans-continental line, which affords unusual shipping facilities.

At River Rouge, with a plant area of 1,200 acres, the company besides having the largest foundry in the world, operates its own blast furnaces, machine shops, body plant, saw mill, coke ovens, cement plant, paper mill, power plant, locomotive repair shops and the Fordson Tractor plant.

The parent plant of the company in Highland Park occupies nearly 300 acres of which 123 are under roof. Here are the general offices, the Detroit sales branch, the boys' industrial school and the world's largest individual automobile plant.

The company has a glass plant at Glassmere, Pa., another at Highland Park and a third is under construction at River Rouge.

There also are manufacturing units at Hamilton, Ohio, Northville, Michigan, and several points in and near Detroit.

A \$1,200,000 building under construction at Dearborn, Michigan, will provide a new home for the Ford Engineering Laboratory. It also will house the plant of the Dearborn Publishing Company, publishers of the Dearborn Independent, the Ford International Weekly.

There are thirty-four branches of the Ford Motor Company in the United States of which twenty-eight are assembling plants. These have all been improved and enlarged within the last year and today are producing cars and tractors at the rate of 6,700 every eight-hour working day.

There are more than 9,000 Ford Dealers in the country and over 15,000 authorized Ford service stations, making a total of more than 24,000 points of contact with the motoring public.

Foreign branches and associated companies are located at Buenos Aires, Sao Paulo and Montevideo, South America; Havana, Cuba; Copenhagen, Denmark; Antwerp, Belgium; Manchester, England; Barcelona, Spain; Bordeaux, France, and Trieste, Italy. There also is a manufacturing plant at Cork, Ireland. The Ford Motor Co. of Canada, Ltd., located at Ford, Ontario, just across the river from Detroit, has an annual output of 75,000 Ford Cars and Trucks and does business not only in Canada but in the British possessions.

The Fordson Tractor was brought out in 1917, during which year 254 were produced. Like other Ford products, it met with almost instant success and at present the Fordson plant at River Rouge is producing tractors at the rate of 500 a day to keep pace with the growing demand.

The Lincoln Motor Company' or-

ganized in 1917 to produce motor cars of exceptionally high quality, was acquired by the Ford Motor Company at a receiver's sale February 4, 1922, for \$8,000,000 and only recently Henry Ford paid to the creditors of the company an additional \$4,000,000 to make up their losses, though under no obligation to do so. The Lincoln Motor Company was re-organized under the laws of Michigan on March 29, 1922, for an authorized capitalization of \$15,000,000. It is now known as a division of the Ford Motor Company and has an annual capacity of 10,500 motor cars.

Not only is the Ford Motor Company the greatest automobile manufacturing institution in the world today, but it stands alone, a stupendous industrial marvel, into every activity of which there permeates the personality and genius of its founder and guiding spirit, Henry Ford.

WINNSBORO VISITORS HERE

Mr. and Mrs. H. M. Williams and their son and daughter, are here for a visit with W. I. Cannaday and family, having arrived last mid-week. Their home is at Winnsboro. This is their first visit to this section.

Mrs. Williams is a sister of H. E. and W. I. Cannaday.

It Has Been Found

That the hens in the United States, alone, lay something over \$600,000,000.00 worth of eggs each year—enough to build two canals like the one at Panama; yet, we have to import eggs to take care of our demands.

The market is unlimited, the price is always good and this section of the country is admirably adapted to the production of chickens and eggs—There is prosperity for our people in the production of more poultry and we are always glad to lend our support to the fostering of this industry.

NOTES FROM THE FIRST CHRISTIAN CHURCH

Rev. W. H. Marler delivered two splendid sermons Sunday, June 24th. His subject for Sunday morning was "From Lethargy to Service." Text Deut. 1:6-7, "Ye have dwelt long enough in this mount."

The language of the text was addressed by Jehovah to the Israelites encamped at Horeb, about one year after they had left Egypt.

The speaker reviewed the enslaving of the Israelites at different times by the Egyptians. He showed how that God called Abraham and how people

are called today to leadership. It was pointed out how Abraham got into trouble when he fled into Egypt at first without asking the advice of God and came very near losing his beautiful wife. Also where Jacob refused to obey God caused him to fall into slavery in Egypt. They saw their wrong doing and sent Moses to them and so we are sent today.

He said "It is not the devil's compromise that we need today, but just come face to face with the true God and man. The devil will say to you don't be a fool fanatic and get too good or the people will call you a crank and ridicule you. MEN do not ride blind baggage but get in God's way. The devil would have you believe that you haven't got to do anything, but Jesus said give your life, train your children, and be on the job 365 days in the year and God will give you a home in Heaven. If you don't believe it, try.

"God never makes a compromise with Satan or man. With God there is no change.

"Israel complained, murmured, rebelled and lost her identity. Did you ever see an old grouch, kicker, or fossilized church member protest? He will say let well enough alone. We are satisfied in the same old way. When a church member becomes perfectly satisfied he ought to be knocked in the head, for he is stagnated and there is no more progress in him."

With many other things he said, "God is calling us today just as he called the children of Israel through Moses. If you are in sympathy with his call accept it and get into line."

In his sermon Sunday night he used

the subject, "Choice between worldly gain and loss of soul." Mark 8:36. The speaker said in part as follows: "Place a scale on the table and in one side put all that the world has to offer in the way of amusements, worldly pleasure, wealth, etc., and in the other side the value of the soul. How much difference is there in value?"

He used many illustrations in attacking popularity and public applause in religious service, or in the political world. He pointed out the fact that those who take after worldly pleasure, fame, wealth are never satisfied. The speaker stated that the world has nothing to offer which is satisfying and permanent but that God's program is everlasting and is satisfying.

The preacher used one illustration quite strikingly in regard to the length of eternity. He said if a bird should take a bit of earth at a time and fly to Mars, when all the earth shall have been carried away, the dawn of eternity would have just begun.

A strong appeal was made to the parents to control their children for he said, "When the parents lose control of their children, they hell begins. How much value do you put upon your children?"

"When one begins sinning he is rather timid, but after a little practice he is not shocked at all. His heart becomes hardened until nothing is too bad for him to do."

JARRELL BAPTIST PASTOR MAY VISIT PLAINS IN JULY

The Pastor of the Baptist Church of Jarrell, Texas, is very anxious to visit the Plains during the first two or three weeks in July, during which time he offers his services to any Baptist Church or churches from the city to the country school house. He has been a Baptist preacher for about fifteen years, but is yet a young man. Besides being an evangelistic preacher he is also trained and experienced gospel song leader. All the real guarantee that he asks is his entertainment and the assistance of a good pianist or organist. Any church or churches desiring his services for the time mentioned will please write at once to W. T. C. Briggs, Box 234, Jarrell, Texas.

HORTON IS CALLED BY BAPTIST CHURCH AT CANYON

Randall County News: A report of the Pulpit Committee, naming Rev. Pat Horton of Floydada to fill the vacancy occasioned by the resignation of Pastor H. F. Aulick two weeks ago, was adopted by the local Baptist Church Sunday morning.

The desire of the church was immediately wired to Rev. Horton, who replied that he would consider the call and perhaps look over the situation during the week. It is expected that a decision will be arrived at soon.

Rev. Pat Horton has been highly recommended by all who know him, and is said to be an unusually successful pastor. Educated for the bar, Rev. Horton practiced law several years before going into the ministry about seven years ago. He was the efficient pastor at Post City for a time, and for the past two years has been at Floydada, where he has a live church.

Although the Floydada church does not wish to release Rev. Horton, the local church is pressing its call on account of the great opportunities here.

CHRISTIAN CHURCH ANNOUNCEMENT

Why God Made Woman

Do not fail to hear Reverend W. H. Marler, pastor of the First Christian Church of Floydada, recently of North Carolina, in his famous lecture Sunday, July 1, at 3:30 p. m. at the Olympic Theatre. This lecture is full of facts and humor. Rev. Marler is a pleasing and interesting speaker, and will amuse, entertain and instruct his audience.

Every lady in Floydada is invited to come and hear this address. Come and bring your husband.

DATE OF CAMP MEETING WILL LIKELY BE CHANGED

Church officials of the First Christian Church announced Wednesday that the date of the Camp Meeting which was to have been held from August 3 to 12 will probably be changed to August 17 to 26.

Reverend W. C. Wright, pastor of the First Christian Church of Plainview, was in Floydada this week in session with committees of the church who are making final plans and arrangements for the meeting.

Misses Leona Houston and Irene Trowbridge left last week for Cucharri Camps, Colo., where they will spend a vacation. Later Miss Houston will visit Denver and study in a dry goods sales training school. She will be absent from home possibly three months.

LADIES HAVE SCREENED WINDOWS OF C. P. CHURCH

The ladies of the Missionary Society of the Cumberland Presbyterian Church last week completed the screening of the windows of their church edifice.

The screens serve the double purpose of protecting the interior from flies and bugs and the window panes from the marksmanship of Floydada's crop of boys.

WORKING ON ENCAMPMENT GROUNDS TABERNACLE

About thirty Baptist preachers are at the Baptist Encampment Grounds this week working on the new 90x90 foot tabernacle which is being erected to house the annual Encampment during the coming summer.

The women of the Canyon Baptist church furnished dinner and supper for the preachers yesterday. The churches at Happy, Tulia, Hereford and Amarillo are taking one day each to furnish meals for the workers.

The work is progressing fine on the construction.—Randall County News.

CHILDREN'S DAY PROGRAM

Place, Cumberland Presbyterian Church,

MRS. CHAMP WALTERS HOSTESS AT PARTY FOR YOUNG PEOPLE

Mrs. Champ Walters entertained the young people of the First Christian Church with a party and ice cream supper at her home Tuesday evening at 8:30.

Games of all kinds furnished the diversion of the evening. Delicious ice cream and cake were served the guests.

INSECTS THREATEN LIFE OF FRUIT TREES

Several reports have come in that insects are in some instances destroying the fruit crop and are threatening the life of the trees in several orchards.

A kind of worm which makes a web in the forks of the limbs and on the leaves has appeared and seems to sap the life out of the trees and they wither and die if attention is not given at once.

Another insect which is peculiar in its appearance is also giving a great deal of trouble. A white cottony secretion is deposited on the trees. The insects exist inside this fluffy mass and attack the tree from there.

County Agent T. Scott Wilson has suggested the use of a spray of Nicotine Sulphate to destroy these pests. Another good one he said is lime of sulphur spray.

THAGARD-CALLISON MARRIAGE SOLEMNIZED

Claud Callison and Miss Lena Thagard, both former residents of this city, were united in marriage Monday, June 18, at high noon in the parlor of the parsonage of the First Methodist Church at Santa Anna, California. The ceremony was performed by Reverend Betts, pastor. The impressive ring service was used.

The bride wore a beautiful gray traveling suit, with hat, gloves and slippers to match. The groom was dressed in blue.

Immediately after the ceremony, they departed on a two-week honeymoon to the various beaches and is-

On The Other Side of The Creek!

Looks like the big fish that are jumping are always on the other side of the creek, but if you were on the OTHER side it would look just the same way.

The "other fellow" always has the soft thing, so it seems, BUT IT ISN'T TRUE.

Contentment is a STATE OF MIND and the fellow who does the BEST he can with what he HAS, can always get assistance when he needs it. This bank works on that principle.

First State Bank

Closed all Day July 4th

lands, and will spend a short time in the mountains before returning.

The bride was reared in Floydada, is well known, and has a host of friends here. She is the daughter of

Mrs. Addie Thagard, County Treasurer here for a number of years, and who is now a resident of Los Angeles. Mrs. Callison is a sister of Mrs. Oliver Allen of this city.

The groom was employed with the Floydada Drug Company for some time. He has been in Santa Anna for

several months. They will be at home in Santa Anna, California, July 7.

AUDITOR LEAVES

E. McNew, of Wichita Falls, who has been making an audit of the books of the City of Floydada covering a four-year period, left the first of the week after completing all data preparatory to making the actual report, which will be completed at Wichita Falls.

GET IT AT

BROWN BROS.

Their store is full to the overflowing. heavy and complete line of Groceries and Hardware.

The day BEFORE you need help

After you are sick you can call a doctor.
After you are in trouble you can call a lawyer.
But after a fire, an accident or a theft you cannot call an insurance expert. HE can only help you BEFORE you need him.
Insurance prevents your needing help. It prepares the day before an eventuality. TODAY, when all is WELL, you need to arrange your insurance.
We should be glad to talk with you on any insurance matters. May we talk with you TODAY?

Soaps and Brushes

Bathing and the proper care of the skin bear directly on the question of health. Indeed, the supplies and accessories for your bath room should be selected with just as much thought and care as those which go into the kitchen.

More and more people are learning this truth every day, and are finding that it pays to have the right soap or the right brush for each particular function in the daily duty of cleanliness.

Selecting "the right kind" is easy at THE REXALL STORE because we are always glad to assist you, and we carry an unusually varied and complete line of soaps, brushes, talcums, sponges and other bathing needs. Let us show them to you.

Floydada Drug Co.

There Is Vanity In MAN

His clothes must look right to the other fellow else they will never look right to him.

Conspicuously comfortable, service giving, faultlessly fitting—these are the real requisites of men's apparel.

Isn't that sufficient reason for our rendering every one unusually good tailoring service?

I have a good supply of work clothes for the man in the harvest field; gloves, work shirts, overalls, unionalls, khaki pants, work shoes and plenty of good summer underwear.

Call me when you want that suit cleaned and pressed. I am prepared now to give you the best of service.
