2007 TREE SALE

Time is here once again for Sherman County Soil and Water Conservation District's annual Tree Sale. If you have any special wants or wishes as far as trees go this year, please call the office at 396-5517 ext. 3 and we will be happy to try and find what you need. We have added a lot of different species of 5 gallon potted trees this year as well as several 10 gallon potted trees, which should keep the landscape interesting. Please keep in mind, that as in years past, several species of evergreen seedlings are in VERY SHORT SUPPLY OR ARE NON EXISTENT and orders should be made as soon as possible. We will do everything possible to see that you get the trees that you want for your specific needs. Order forms can be picked up if you come by, or we can mail it if you give us a call. We can also email the order form if you supply us with an email address. Just call us or email us at swcd@xit.net.

The District can also fill requests for drip irrigation supplies. We do not keep this in stock, but will help in the design of your system and order exactly what is needed for you. Delivery is usually within three working days. On our order sheet you will notice that we can also take care of your needs regarding weed barrier. This is especially important in windbreaks because we do not want the newly planted seedlings to have to fight with weeds and grass for water. The barrier will help prevent the growth of weeds and grass and keep the moisture in the ground. The four and six foot squares are also helpful in the garden for newly planted flower beds and around newly planted landscape trees.

If you need a Tree Order Form, want to place an order for trees, have any questions regarding the trees or need help planning for your particular needs, please do not hesitate to contact the District or the NRCS at 396-5517 ext. 3. Thank you for your continued support of conservation in Sherman County.

ELK TALES

By Lynda Hauser

Luke Haile and Chandra Hawkins are students of the week at Stratford High School. They get to go to lunch 5 minutes early every day this week.

5th grade math is working hard now on fractions. We are also busy using our Measuring Up workbook to brush up on our TAKS skills.

6th grade math is working with ratios. We are also changing decimals to fractions and percents.

Seventh grade English students have started brushing up on their composition writing skills. Their TAKS test is February 20th. Parents need to please keep in mind that all compositions may be corrected and rewritten for a possible grade of 100 up until the day of their state testing. After that the highest grade students can make on composition corrections is a 75.

Eighth grade English students are finishing up a unit on pronouns and then they will begin their unit on Greek mythology. It'll be an awesome time! Holocaust Survivor, Max Glauhen, gave a presentation to the Middle School and High School on Tuesday.

Mrs. Riffe's Spanish classes made good use of the library computers this week. They researched information on the Holocaust in preparation for Mr. Glauhen's visit.

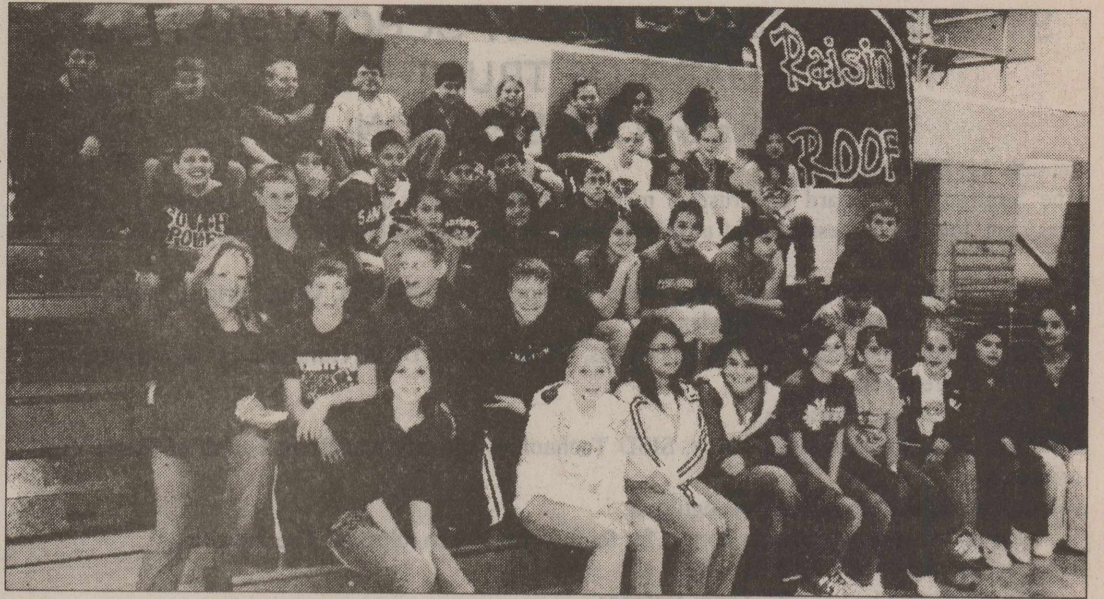

Mrs. Stoy's English classes have been using the computer lab for TAKS preparation. They use an internet program called Study Island to help them review for the test.

Mrs. Hand's 6th grade reading classes are reading *Number the Stars*, which is a novel based on the bravery of Denmark during the Holocaust. Upon completion of this book, each student will do an origination search of last names.

Quote of the week: "The time is always right to do what is right." - Martin Luther King, Jr.

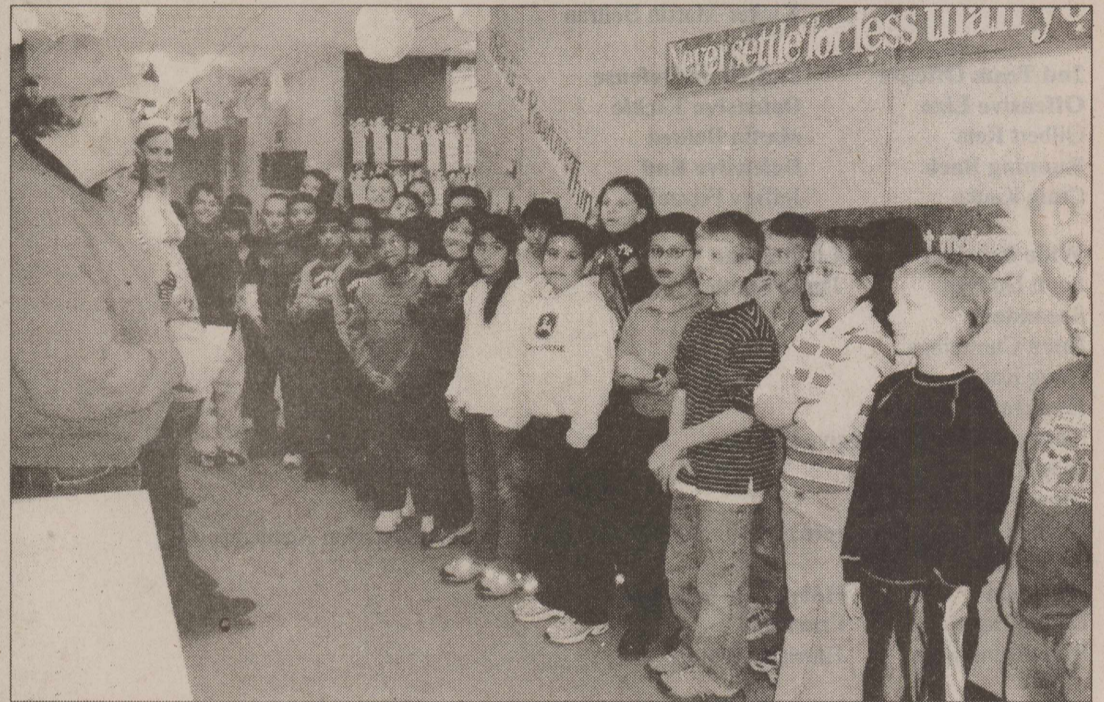

Love doesn't make the world go round. Love is what makes the ride worthwhile.

The Churches of Stratford Welcome You

MORE ON OLD TIME RELIGION

Old time religion is needed in our land. The apostle Paul preached "repentance toward God and faith in our Lord Jesus Christ" (Acts 20:21). Why this two sided message? To be converted to Christianity, two things are essential. First, you must recognize your sin and you must change your mind about that sin. This is repentance. Where you have disobeyed God's rules for living, you must ask His forgiveness. Second, as you turn from sin, you must turn to Christ. You must recognize the sacrifice of Christ as the only adequate payment for sin. You must trust in Jesus Christ as the One who paid the penalty due to you for your personal sins. You must cast yourself on Christ. This is faith. If repentance and faith are sincere, they bring about a change in your life. That's what conversion is all about. It means a changed life. The Bible makes this abundantly clear. "Repent therefore and return, that your sins may be wiped away" (Acts 3:19). "Believe in the Lord Jesus and you shall be saved" (Acts 16:31). A new life emerges. "If any man is in Christ, he is a new creature" (2 Corinthians 5:17). New persons experience lives of "love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control" (Galatians 5:22-23).

This is why old-fashioned religion is so much needed.

"We could not have launched the SSN website without the help of Duane and Lisa..... they are awesome at what they do and they give us a very professional look. It is great to know that we have a valuable resource like that available to us," says Greg. "They take every idea that I have and just magically make it appear on the website. We are always open to any new ideas that the people of Stratford have for us, after all we do all of this for them.....all they have to do is go to the website and send us a feedback."

The Stratford Sports Network was started at the beginning of the 2006-2007 year to bring Stratford sports to anyone in the world. Greg Wright, along with Wayne Smith and Scott Buckles, started broadcasting football as SSN in 2005 when the Elks made their second trip to the state finals. Walt Berry came onboard in the broadcast booth last season as the Elks won their second state title. "Walt is a lot of fun to work with. He brings A LOT of excitement to our broadcasts and has a great knowledge of the game.....he is a vital part of our SSN project," says Greg. "We have a wonderful community who just supports everything we want to do and I want to thank everyone for their support. Without their support during our inaugural season, we would have never been able to get this done."

Since then, the Stratford Sports Network has become the home of anything and everything Stratford sports has to offer. With the help of Scribbles Designs (Duane and Lisa Mungia), SSN took flight on the internet this year with the financial help of many sponsors. www.stratfordsportsnetwork.com "A huge portion of the money we
