## City Asked To Ban Drinking In Public

A request that all stop signs on city streets be given legal backing of a city ordinance was made by Sheriff G. T. Garrett at a meeting of the City Council Tuesday night. Sheriff Garrett also inquired whether the city had an ordinance prohibiting drinking beer or intoxicating liquor in public. He recommended such an ordinance be enacted if such law is not in effect now. "With the opening of liquor stores in addition to the beer establishments now operating in J. P. Precinct 4, I am of the opinion that drinking in public may become a nuisance if not controlled," the lawman said. Concerning an enforcement ordinance for stop signs, the Sheriff predicted that serious accidents might result as more and more motorists disregard the signs on city streets, since they know there is no ordinance against "running" them.

Police Commissioner Bob Stephenson explained that on last Feb. 28 the Council had asked Highway Patrol Sergeant Frank Jirick and Police Chief Tom Paul Barnett and City Attorney Dennis Ratliff to draw up and recommend the form of city traffic ordinance they thought the city needed.

## Bailey Toliver Buys Partner's Interest

Announcement was made this week of change in ownership of the former Smith-Toliver Chevrolet Company, with Bailey Toliver having purchased the interest of W. O. Smith in the firm.

Name of the automobile agency has been changed to Bailey Toliver Chevrolet Company. The automobile concern is an agency for Chevrolet and Oldsmobiles, and is one of the largest dealerships in this section. The concern maintains a complete agency, including parts and shop department, and is equipped to service both cars and trucks.

There will be no change in personnel in the various departments as a result of the change of ownership. Mr. Toliver said. He expressed his appreciation to the people of this area for their patronage in the past, and solicited their continued business. Mr. Smith, who has been associated in the automobile business here and in this area for a number of years, has not announced his plans for the immediate future.

## City to Provide Fire Department Short-Wave Sets

Members of the Haskell Volunteer Fire Department will have the benefit of a modernized short wave radio system for notifying members of night fire alarms, as the result of action by the City Council at its meeting Tuesday night.

The Council approved the recommendation that 15 short wave sets be purchased, to be assigned as many firemen. Cost of the equipment will be around \$1,000, it was estimated. Appearing before the Council to make the recommendation were two firemen, Earl Correll and J. B. Gipson. They explained that in using the equipment, firemen alerted by radio would in turn notify other firemen by telephone.

## First Methodist Vacation Bible School Scheduled

Plans have been completed for the annual Vacation Bible School at the First Methodist Church, to be held May 31, June 1 and 2 and June 3 through June 9. Sessions for all age groups from kindergarten through junior will be from 9 a. m. to 11 a. m. In charge of the various groups will be: Kindergarten, Mrs. Brooks Middleton, Mrs. Homer Jossel, et, Miss Brenda Hisey, Primary, Mrs. John Hisey, Miss Smith Jr., Miss Mrs. John Hisey, Junior, Mrs. Hudson Pitman, Donna Jossel, Mrs. D. V. Hiebert, Miss Jennabeth Pitman.

**B. T. GORDON HERE FOR WEEKEND**  
Mr. and Mrs. B. T. Gordon and daughter of Brownfield were here last weekend to attend the rodeo and visit his mother, Mrs. Claud Gordon and other relatives and friends.

## Fourteen HHS Students Are New Members National Honor Society

Fourteen new members of the National Honor Society were installed Friday morning, May 12. The new members were escorted to the front of the auditorium by a member of the 1960-61 National Honor Society, as President James Cameron called each name. The parents sat behind the new members. Professional music was played by Linda Speer. Dorothea Rueffer sang "Over the Rainbow." Membership cards and ribbons were presented to Sandra Allred, Sue Christian, Jerry Hadaway, Janice Hattox, Beverly Helweg, Tommy Hester, David Hiebert, Charlotte Redwine, Barbara Rexrode, Patsy Robertson, Mollie Terrell, Joan Watson, Jenabeth Weaver and Betty Williams. On Monday morning, May 15, the following officers were elected: President, Jerry Hadaway; Vice President, Patsy Robertson; Secretary, Joan Watson; Reporter, Sue Christian. New members of the National Honor Society are chosen in the following manner: Each member of the high school faculty is given a list of all Junior and Senior students maintaining an 85 overall average. Each teacher then ranks each pupil that he teaches or has been associated with in organizations and activities by the 1-4 rating—4 indicates "excellent," 3 indicates "good," 2 indicates "fair," and 1 indicates "poor." This rating is given on character, service and leadership. Then the principal collects each teacher's report, adds the numbers by each pupil's name and divides by the number of teachers who have rated that pupil. A faculty meeting is then called in which the teachers decide by looking at a list of ratings, how many will be initiated. This list contains no personal names. Thus the faculty members do not know the names of the new members of the National Honor Society until they are announced.

## Little Interest Shown in U. S. Senate Run-Off

On the basis of interest being shown in advance of Saturday's runoff in the special election for United States Senator, balloting is expected to be extremely light in all voting boxes in the county.

With expiration of the deadline for absentee voting this week, only 34 absentee votes had been cast in the office of County Clerk Horace Oneal.

Polls will be open at all voting boxes from 8 a. m. until 7:00 p. m. Little advance interest has developed in the election, with some Democrats indicating that they might stay away from the polls rather than vote for the incumbent Senator Bill Blakely, who is opposed by Republican John Tower of Wichita Falls.

Election officials have advised that no write-in votes will be counted, since this is a run-off election.

## Swimming Pool In City Park to Open Saturday

Opening of the Rice Springs Swimming Pool has been scheduled for Saturday, May 28, by Daniel Sloan, assistant coach at Weimert High School, who operated the pool last season and has leased it again for this year.

The pool will be open seven days a week, and competent life guards and instructors will be on hand at all times.

## Haskell Jaycees Stage Successful 3-Night Show

Haskell Junior Chamber of Commerce almost escaped the weather jinx as sponsors of the annual Rice Springs Rodeo this year, and succeeded in staging a highly successful show both financially and from the standpoint of attendance.

Only rainfall during the three night show was a slight sprinkle early in the first night's performance which sent some spectators home, followed with a downpour of .56 inch shortly after midnight Friday morning.

Heavily overcast skies and threatening rain clouds cut down attendance at the opening day parade Thursday at 4 p. m., but the hundreds who braved the threat of rain witnessed a colorful parade.

Led by the State Highway Patrol and the HHS Indian Band in cowboy and cowgirl costume, the procession included five visiting riding clubs, commercial entries, rodeo contestants, and all members of major and minor teams in Haskell Little League baseball organization, Cub and Boy Scout troops.

Winners of the three parade trophies offered visiting riding clubs were Stonewall County Sheriff's Posse of Asperment, Fisher County Sheriff's Posse, second; Coleman Riding Club, third. Other riding clubs in the parade were the colorful Seymour Remuda, a

## Nine Teens Will Present Final Concert Sunday

The Nine Teens will present their last concert Sunday at 3:00 p. m. in the High School auditorium.

The concert will bring to a close their three years of singing together. During the program, the Nine Teens for 1961-62 will be formally presented, and the new group will then join in the present Nine Teens in singing Handel's Hallelujah Chorus from The Messiah.

The concert is without charge and the public is invited.

## Visits Mother

Jimmy R. Gordon of Lubbock was here several days last week visiting his mother, Mrs. Claud Gordon.

## Lions Broom Sale Monday Nets \$135.43

The Lions annual broom sale staged here Monday grossed \$524.50, and netted \$135.43 for the club, according to figures released at the Tuesday noon-day luncheon meeting.

Funds from the mop and broom sale served a two-fold purpose as it not only added \$135.43 to the "Goodfellow Fund," but in turn the balance of \$389.07 benefitted the Texas Lighthouse for the Blind.

E. W. Pruett was in charge of the Tuesday noon luncheon program, and Dr. J. F. Cadenhead showed a very educational and interesting film on "Vertical Frontiers" which viewed man's conquest of space.

Since next Tuesday, May 30, is Memorial Day, and designated as a holiday in Haskell, Lions will not meet.

## Final Rites for Mrs. Dilbeck, 71, Held Tuesday

Mrs. J. L. Dilbeck, 71, resident of Haskell County more than 50 years, died at 11:45 a. m. Sunday at the home of Mrs. H. Hisey, following a heart attack.

Funeral for Mrs. Dilbeck was held Tuesday, May 23, at 10:30 a. m. in the First Baptist Church, with the Rev. M. D. Rexrode, pastor, officiating. Burial was in Willow Cemetery under direction of Holden Funeral Home.

Deceased was the former Essie Pearl Graham, born June 25, 1889, in Franklin County, Tenn. She moved to Haskell County in 1906. She married Virgil Williams Oct. 28, 1911. Following Mr. Williams' death in 1918, she married J. L. Dilbeck June 30, 1929. He died in 1955.

She was a member of the First Baptist Church. Survivors include a daughter, Mrs. D. M. Kingston of Lovington, N. M.; a son, Billy Alton Dilbeck of Amarillo; four stepsons, J. W. Dilbeck of Santa Maria, Calif., D. L. Dilbeck of Daly City, Calif., Clyde Dilbeck of Stockton, Calif., and Wayne Dilbeck of Haskell; three step-daughters, Mrs. Kenneth Staey of Clifton, Ariz., Mrs. D. E. Livengood of Haskell and Mrs. Howard Montgomery of Haskell; 19 grandchildren and 10 great-grandchildren.

Palbearers were Ed Honea, Jess Kreger, Tom Cogburn, Hubert Bledsoe, Jodie Earles, Abe Turner, John Hisey, Jimmy Bledsoe.

## Citizens Group Backs Audit of City Records

A group of Haskell taxpayers, meeting Monday morning, formed a Citizens Taxpayers Committee and employed a Certified Public Accountant of Abilene to conduct a detailed audit of municipal records of the City of Haskell. A recent expenditure by the City Council of \$1,500 to an Austin law firm to protest a May 30 hearing before the Board of North Central Texas Municipal Water Engineers in which the North Central Texas Municipal Water Authority is seeking a water permit, mainly prompted the action by the citizens group. The group also was interested in payments made to council members who made trips to Austin to protest the water authority program, a spokesman for the group said. "This group of citizens intends to press legal action if any grounds are found to sustain action," John Kimbrough, who was named chairman, said.

Following the organizational meeting, about 20 members of the committee, accompanied by Kimbrough and Lester Barry, Abilene CPA, to the City Hall, where permission was asked to audit the records. Mayor J. E. Walling was out of town, and later when four members of the Council were present the request was made again. Mayor pro tem R. L. Stephenson said he lacked authority to grant permission for the audit, which is being paid for by the citizens. Each councilman said he had no objection to an audit since the records were open to the public. Sego told the group they could "go ahead but it would have to be without the consent of the council." Alderman Raymond Davis said he felt the matter

was not so pressing that the group could not wait until Walling returned home. Dr. T. W. Williams made the motion to make the audit, and it was started. The audit covers not only the present administration, but goes back 18 months. Shortly after 5 p. m. Tuesday, Barry, the CPA, completed what was described as the first phase of the audit. Barry said he had secured information the Citizens Committee asked for, which includes details of Council expenditures. Council Meets

At a regular meeting of the Council Tuesday night, the statement by an Alderman that he destroyed a \$104.11 expense check covering a trip to Austin, produced a controversy between city officials and members of the Citizens Committee attending the session. The controversy started during a series of questions posed to the Council by Kimbrough, spokesman for the group, and Dr. T. W. Williams, identified with the committee. Kimbrough began posing his questions by asking the councilmen what funds were used to pay a \$1,500 legal fee to an Austin law firm. He directed two more inquiries to the council concerning recorded payments of \$140.70 and \$104.11, which Kimbrough said are listed as expense payments for councilmen to make trips to Austin on April 11 and May 13. The legal fee and \$140.70 payments were said by council members to have come from water funds.

Immediately after Kimbrough quoted the \$104.11 figure, Councilman R. L. Stephenson responded, "It never was paid. I returned that check."

"I wouldn't know anything about that," Kimbrough responded. "It was made out to you and drawn against the city account."

Stephenson responded again, saying he had destroyed the check after receiving it. Dr. Williams asked Stephenson why he destroyed the check. "I didn't think the city owed it to me," Stephenson shot back.

The city councilman denied before the delegation of about 20 or 25 persons that he had ever turned in any type of expense account or itemized statement for the money. He said he had been intending to tell Travis (T. J. Arbuckle, city secretary) to destroy it, but I just haven't been down here in a couple of weeks."

Arbuckle said the itemized statement referred to by Kimbrough was handed to him during a meeting and he was asked to "run up on an adding (Continued on Page 12)

# GRAIN HARVESTING GETS UNDERWAY

Harvesting of the 1961 wheat crop was moving ahead rapidly in all parts of the county Wednesday, and with continued dry weather is expected to reach peak level by the coming week, local grain dealers said.

Moisture content in the wheat is dropping rapidly, with most showing around 13 per cent, with a test of 60 pounds or better. Farmers report yields of from 12 1/2 to 25 bushels per acre, with some yields as high as 30 bushels reported. Local elevators state that this year's crop is not expected to equal last year's record crop. However, some buyers estimate the average yield at 17 bushels per acre.

There are ample combines in the county to handle harvesting of this year's crop, elevator owners say.

## Saturday, May 27 Is Proclaimed As Poppy Day

Saturday, May 27, has been officially proclaimed as Poppy Day in Haskell by Mayor J. E. Walling.

The annual memorial to American war dead, which is sponsored by the American Legion Auxiliary, will last all day. Volunteer workers from the Auxiliary and other participating organizations will be on street corners throughout Haskell offering poppies to the public.

"Poppy Day enables every American citizen to personally wear a memorial to this nation's war dead," Mayor Walling said. "At the same time the wearing of a red poppy is recognized as a tribute to our disabled veterans of three wars," he added. "I hereby proclaim Saturday, May 27, to be Poppy Day in the City of Haskell. I strongly urge that all our citizens observe this day by wearing a memorial poppy," Mayor Walling said.

Mrs. Herbert Ray, Poppy Day Chairman for the Auxiliary, said this patriotic observance has been held in Haskell for the past 25 years. The program, originated by the American Legion and Auxiliary after World War I, has had two basic objectives. To serve as a memorial for the nation's war dead and as a tribute to the disabled veterans. "The American Legion Auxiliary has always been pleased with the heartening response of the public to this worthy program. We are hoping that 1961 will be our best year to date," Mrs. Ray said. All donations received from the poppies will go directly to either veterans or members of their families.

## Ben Franklin Grand Opening Will Offer Special Buys, Free Gifts

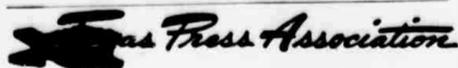

The greatest convenience to shoppers, Mr. and Mrs. Hill said, all articles will be within easy reach and clearly price-marked. The store is comfortably air-conditioned and equipped with modern lighting.

The Hills store is one of the more than 2,400 independent Ben Franklin businesses which work cooperatively with Butler Brothers, nationwide merchandising organization. The Ben Franklin plan is designed to enable local stores, operated to fit the needs of their communities, to offer more than 14,000 items of quality merchandise at lower prices.

"We know Haskell families will enjoy shopping in pleasant, modern surroundings," Mr. and Mrs. Hill said, "and we hope they will give us their suggestions as to what they like in a locally owned and operated store. Through friendly and courteous service and by guaranteeing the quality of every product we sell, we want to make our Ben Franklin the most popular store in Haskell."

A Salute to Our Band

A school organization which has meant much to our community and its splendid school system, but which has not been accorded the recognition it has earned and richly deserves, is the Haskell High School Indian Band and its director, Frank Porter.

For that reason, we suggest a Community Salute for this fine musical organization, its members and director.

The HHS Indian Band has not only provided entertainment and inspiration at our football games and other school events, it has also been available for numerous community affairs.

The Band also has reflected credit upon our school and community through participation in band meets and contests where it has earned recognition as one of the top school bands in the area.

The high school career and band membership ends within the next few days for many of the band members who are seniors. Take time to give all band members a pat on the back or a word of praise when you meet them, for a job well done for their school and community.

Congratulations!

Congratulations from the entire community are due Mr. and Mrs. Ray Hill for the extensive enlargement and modernization of the Ben Franklin Store, to make it one of the largest and nicest retail establishments of its kind in this section.

Mr. and Mrs. Hill purchased the local store and moved here early this year from Illinois. They selected Haskell as a location after visiting a number of towns and cities.

Since coming here, they have actively entered into many phases of community activities, and given their support to community movements, to identify themselves as citizens of Haskell who are interested in their town and its growth.

Mr. and Mrs. Hill have announced Grand Re-Opening of the enlarged Ben Franklin Store this week. We suggest this would be an opportune time for Haskell people to visit the store and meet these new citizens of Haskell.

Only A Trillion Dollars!

According to Senator Bennett of Utah, U. S. government programs already authorized will cost the taxpayers a trillion dollars in the next 40 years. A trillion, in case you're interested in seeing it in figures, is a thousand billion—\$1,000,000,000.

No one save a celestial mathematician is capable of visualizing such an amount. One illustration, however, may help: In cash, it would take a stack of \$1,000 bills 88,000 stories high!

Remember—Senator Bennett was speaking only of already authorized programs. New and expanded programs could vastly increase the costs. And one thing is sure—if the welfare state philosophy prevails and grows, as it has been prevailing and growing, a trillion ultimately will look rather like petty cash. Then the value of the inflation-eroded dollar will move right or down toward the vanishing point—along with both security and freedom.

The "isms" have been defined in this fashion: Socialism: If you have two cows, give one to your neighbor. Communism: If you have two cows, the government takes the cows and gives you some of the milk. Capitalism: If you have two cows, you sell one and buy a bull.

Virgil Cobb, past president of Haskell Jaycees who served as Rodeo Chairman in last week's successful Rice Springs Roundup, purchased himself a new wide-brimmed hat in the style worn by cowboys, especially to wear during the three-night show.

It was a nice-looking hat, Virgil was proud of it and so was his oldest son, Gary, who commented it made his daddy look like a real cowboy.

Came time for the grand entry on opening night, and rodeo officials were being introduced as they rode into the arena. As Virgil entered, wearing his new wide-brimmed hat, he and his mount had a little difficulty and parted company.

Virgil landing on his head and shoulders in the soft ground. He quickly remounted, however, to the applause of spectators, and the show went on. Gary, who witnessed the incident, was greatly concerned about his daddy's new hat, and broke the news to his mother by saying, "Daddy ruined his new hat."

Asked how that happened, Gary explained, "His horse threw him off on his head and it smashed his nice, new hat."

Cobb was not the only rodeo official to "hit the dirt" in the initial night's show. Brooks Middleton, arena boss, conceded one of the arena's top cowboys, lost a contest with his mount while he was judging in the calf roping, and the whirling, bucking animal dumped tall, lanky Middleton unceremoniously in the middle of the arena.

Needless to say, the unscheduled event was wildly applauded.

If the Jaycees sponsor a rodeo next year, and if they stage another Pig Scramble in connection, chances are they'll try to get a few experienced football referees as judges.

Wayne Wainwright and Curtis Cox ran into a problem referee's frequently encounter, when a gang of eight youngsters of all ages and colors, piled onto one shoat, each youngster with a death grip on the greasy, slick pig.

Unable to determine just who got the first hold on the hapless squealing animal, the two judges decided to turn the pig loose again for another race.

As they finally separated the stack, a 10-year-old at the bottom of the heap, his face and clothes greasy from contact with the greasy quarry, was heard to protest: "It's not fair; that long-armed jigaboo stole that pig from me after I had it caught."

The construction engineer, who supervised building of the first unit of West Texas Utilities Company's Paint Creek power plant, T. L. Woodward, is now bossing a huge construction job in Panama which includes a bridge over the Panama Canal.

Woodward, in a letter recently to Hill Gates, told of his job there. The engineer was with Austin Construction Company when he was here on the WTU plant job, but he is now with another concern which does considerable overseas work. Woodward sent regards to Haskell friends, and stated he would probably be in Panama for some time.

John Payne, Haskell druggist, was in Dallas last weekend for the annual reunion of the rapidly diminishing group of World War I veterans who attended the first Officers Training Camp at Leon Springs near San Antonio, in the early days of the first world conflict.

The Haskell man says the most striking features he has noticed in recent reunions is that his former officer-buddies are getting so much older he finds it difficult to recognize them. Mostly a bunch of old men, and those that are not bald are gray-haired and portly, he declared. "They must have all been a lot older than I thought they were back in 1917-18," he added.

The Haskell officer, a Lieutenant at the time, was in charge of a combat unit at the front in France when the Armistice was signed in 1918.

Shortly afterwards, troops under his command were ordered into Germany for occupation duty, and Lieut. Payne has the distinction of being the first American officer to lead infantrymen into Germany. Years ago we were told of an incident in connection with the entry of Payne's unit into Germany, but we've never been able to get the reticent veteran to elaborate.

The way it was told to us, the Haskell officer and a platoon of infantrymen were slogging along into Germany when they came to a river. As they were crossing the river bridge, ravens were noticed circling overhead, and occasionally one of the sleek black omens of ill would glide down over the marching troops.

This had happened several times. Then, about midway of the bridge, a large raven came swooping down in a wide circle. The young officer, without breaking his stride, pulled his service pistol, a .45 automatic Colt, aimed and fired. There was a burst of feathers and the raven plummeted into the

river as the officer replaced his pistol. A low murmur ran through the column of marching troops at the feat of marksmanship displayed by their commanding officer. Minutes later, a feeling of expectation could be sensed when another raven started wheeling down from the sky, with the GI's watching closely. But nothing happened. The young officer was content to rest on his laurels.

Mention in this column last week of the concrete hitching posts familiar here until the mid-twenties resulted in a call from Mrs. Jack Merchant with additional information.

She recalled that her late husband was a worker in concrete, and built the first concrete posts for a hitch-rack, as well as a concrete sidewalk, at the home of a pioneer family, Mr. and Mrs. F. M. Morton.

Mr. Merchant also put down the concrete floor in the old Haskell ice plant, and built some of the first sidewalks around the courthouse. He also built the concrete walks leading from each entrance of the courthouse across the street on each side of the square. These walks were taken up when the square was paved.

Most people who move away from Haskell after living here awhile frequently tell us they always keep a warm feeling for the town as one of the "friendliest" anywhere.

This is borne out by the experience of Ray Lusk recently. For several decades Haskell has had a county singing convention on the fourth Sunday in April each year, and it attracts hundreds of people who enjoy music and singing in old-time fashion.

About a week after the convention was held this year, Ray had a long-distance call from Huntsville, Ala. The caller was O. T. Smith, former resident who wanted to know the dates of this year's convention and who said he planned to bring a quartet for the program.

Disappointed that the event had already passed, Smith promised he would keep closer check in the future and would be here next year for sure. He will be remembered as a former employee in Bill Wilson Motor Company.

May Williams, Los Angeles, Calif., air line employee and a sister of District Clerk Carrie McAnulty, is a girl who keeps her word.

While here visiting her sister two weeks ago, she told of a planned trip to Hawaii. She promised post cards to Carrie and PPT if and when she visited the Islands. The cards came Sunday, depicting some of the grass-clothed girls for which the Islands are renowned. Also a brief message from May that "Hawaii is beautiful, think I'll stay and go native."

Our big mouth, coupled with the fact that we were expecting a telephone call from our fast-talking friend Wallace Wooten who is known for his unpredictable kidding over the telephone, resulted in our biggest boo-boo of the year last week.

Wooten, a wheelhorse in the Jaycees, was away from his station when we called to see if we could get him in a publicity picture for the coming Rodeo. We left word for him to call when he returned.

We evidently had Wooten in our subconscious mind when our phone buzzed a few minutes later and a voice sounding suspiciously like Wooten, inquired: "Is this the Haskell newspaper office?"

"You are so right, bud, for once in your life," we answered, hoping to get the jump on our friend. "Furthermore, you have just missed a chance to get your picture in the paper," we rattled on.

"Well, I'm sorry," came the reply from the other end of the line (supposedly Wooten) "But I called about another matter. I'm Les Mallin of Fort Worth, and I'm calling long distance."

"Oh, yeah," we answered, a little stymied but still confident it was one of Wooten's pranks.

"That's right, Mister, and I'm with White Rose Distributing Company of Ft. Worth. We want to subscribe for your paper in order to keep up with all who apply for liquor store license."

You can be sure a red-faced PPT tried to make profuse apologies. We haven't met the man yet, but we'll say one thing—he's a swell guy, and first time he's in Haskell he and Wooten are going to be PPT's guests for coffee.

## Weinert Seniors Entertained With Picnic Supper

On Wednesday, May 10, 1961, the parents of the Weinert Senior Class sponsored a picnic supper for the graduating students and their families. A bonfire was built on the ground of the Weinert Paymaster Gin and weiners were roasted. Those present were: Don Cunningham and his family, Mary Nell Taynes and her family, Erlinda Alexander and her family, David Earle and his family, Sandra Alexander and her family, Raymond Walker and his family, Bill Rainey and his family, Beverly York and her aunt, and Gary Rainey. Also the sponsors, Mr. Myers and Mr. Sloar, and their families were present.

Along with the hotdogs the group enjoyed potato salad, red beans, vegetable salad, potato chips, pickles, cookies and punch or tea. This outing provided much fun for everyone.

## Reception Given In Honor of WHS Senior Class

After graduation exercises Tuesday night the Weinert FHA girls honored the graduating Seniors with a reception. This is an annual tradition of the Future Homemakers. Serving at the reception were Linda Cunningham, Mary Davis, and Patsy Raynes. These girls have each been outstanding in FHA work, this only adding to the list of things that they have done to further their goals. Also these girls, the Junior girls of 1961, ushered at the graduation.

**To Tighten Axe Handle**  
You can tighten the handle on a loose axe head by soaking end of handle in oil for an hour. Handle end will swell. Then you can affix head tightly and permanently to it.

## Williams Clan Has Reunion at Park in Cisco

Descendants of the late E. M. Williams of Moran and W. J. Williams of Stamford met Saturday, May 20, in the Presbyterian Park at Cisco for their annual family reunion.

They found the park especially convenient for all their needs. The park covers several acres of hill country, has a large kitchen and dining hall with modern conveniences to take care of large family gatherings. There are dormitories and beds to accommodate 150 sleepers. Dormitories are grouped in different locations about the campus, to meet the needs of smaller groups who might come.

Descendants of E. M. Williams in attendance were J. L. (Jim) Williams and his daughter, Mrs. Glenn Cope with her daughter and a neighbor, of Lamesa; Mrs. D. A. Jones and her husband, David Jones of Haskell; Wiley C. Williams and Mrs. Williams of Moran. Children of Wiley C. were Mrs. Dora Stokes and three children from Snyder, Mrs. Dorothy

Neissman with her husband and three children from Dallas, and Loren Williams and wife of Albany. Also another daughter of E. M. Williams, Mrs. Homer Rogers and her husband from San Angelo.

Descendants of W. J. Williams in attendance were Mrs. W. K. White Sr. of Sherman; Mrs. J. M. Crawford and husband of Haskell. Children of Mrs. Crawford present were Mr. and Mrs. Maurice Crawford with three children from Wichita Falls; Mrs. Jack Lane with her husband and three children from Fort Worth; Mr. and Mrs. Horace Crawford and children of Richardson.

Another daughter of W. J. Williams present was Mrs. Ola White with her son, Monta, and his three children of Abilene; a son, Burnell White and wife with two children, of Abilene; a daughter, Mrs. Cleburne Willingham and husband, of Gustine; also Burben Woodward and daughter, Linda, and a neighbor, from Stamford.

A son of W. J. Williams, Morgan Williams and wife of Stamford, with their children, Mrs. Arnold McLemore with her husband and two children, of Moran; Mrs. Don Morgan and Arvalene Thomas, and Billy Jack Williams and wife

of Abilene. It was a good time for all. The elders spent the hours by the air conditioners saying "Do you remember blood and skin, horseback riding..."

Here's a wish for the future... may path of endeavor you choose... be the armed forces... hold rich full your hopes and also the wealth of and wisdom that comes only from greeted with an open mind.

Congratulations Seniors

## Rainbow Club Meets in Home Of Mrs. Thomas

Mrs. Annie Thomas was hostess for the Rainbow Sewing Club Tuesday, May 16. Colorful spring flowers were used as decorations throughout the home.

Flossie Rogers led the group in singing "I'll Fly Away," and "Blest Be the Tie," with Annie Pearl Lusk as piano accompanist.

Anne Thomas gave the thought for the day by reading "A Talk By A Little Girl." Annie Pearl Lusk and Sallie Patterson won honors for the most sewing. The club voted to send a graduation gift to Judy Wiseman, who was once our little mascot of the club. She is a granddaughter of Mrs. W. E. Johnson. A report from the committee was given on cards sent to the sick and bereaved.

Stella Josselot and Florence Larned sponsored several games which were very interesting. Ethel Edwards drew the nice hostess gift.

Refreshments were served to Mesdames Eva Pearsey, Florence Larned, Annie Pearl Lusk, Sallie Patterson, Ethel Edwards, Flossie Rogers, Stella Josselot, Annie Thomas. The meeting closed by singing the closing song, "Willing Workers."

The next meeting will be with Elizabeth Andrews.

# SALUTATIONS TO HIGH SCHOOL GRADUATES

We are rejoicing with you in your accomplishments, and that this is a just reward for your labors. We know that you have learned many things to help you lead a more useful and happy life.

We want to whisper a secret to you, and to all Youth everywhere. You are not only of more value than all other possessions, you are the foundation for all other values.

There could be no civilization without you. You are the "Alpha and Omega" of all God's plan and purpose for man. "Ye are the light of the earth," "You are the light of the world," "Through you the families of the earth be blessed."

We would like to have serious counsel with you. You are the Architects and builders of your own lives. You will supply the workmen for your generation. We have confidence in you. We bid you: Learn to excel, not only others, but yourselves. It is of much importance that you can do a better job. "Sarah or James" but it is of far more excellence that each repeated task finds you more accomplished and more than you were yesterday.

There is no unplanned progress. You can go forward on a fixed purpose. You can drift downward aimlessly.

"Daniel purposed in his heart that he would not defile himself with the food of the king, and he refused to eat the food of the king. Daniel defied every fear and challenged every foe and arose valiantly with signal honors to himself and his God.

The world holds abundant joy for you if your purpose is to bring joy to the world.

# NEWS OF INTEREST TO WOMEN

## Josset H. D. Club Meets With Mrs. Norton

The Josset Home Demonstration Club met in the home of Mrs. Clovis Norton May 23 at 2:30 p. m. in a regular meeting.

The president, Mrs. Paul Cothron, called the meeting to order.

For the opening exercise, Mrs. Paul Cothron read the quotation, "Beware of little expenses, a little leak will sink a great ship." Two songs were sung, "Battle Hymn of the Republic," and "There Shall

Be Showers of Blessings." Each member present answered the roll call with "What is new in fabrics."

Mrs. Carl Bailey gave a very interesting talk on "What's New in Fabrics for 1961."

Refreshments of coffee and cookies were served to Meses, J. L. Toliver Jr., and Karen, J. P. Perrin and Kathy, Carl Bailey and Lanna Sue, J. L. Toliver Sr., Paul Cothron, C. A. Thomas Sr., Laton Robertson, Thurman Howeth and the hostess, Mrs. Norton.

The next meeting will be in the home of Mrs. Stella Josset on Tuesday, June 13, at 2:30 p. m.

## First Methodist Couples Class Elects Officers

The newly elected officers for the Fellowship Couples Class of the First Methodist Church are: David Middleton, president; Bob Dulaney, vice-president; Mrs. Johnny Smith, secretary-treasurer; Mrs. Wallace Cox Jr., social chairman; Mrs. Leland Thane, song leader and Jennabeth Pitman, pianist; Mr. C. J. Robinson is the retiring president.

## Rogers-Salter Betrothal Is Announced

The engagement and approaching marriage of Miss Jane Rogers, 2212 Webster Ave., San Angelo, and Victor L. Salter Jr., 4747 Homer St., Dallas, is announced by the bride-elect's grandmother, Mrs. H. E. Flowers, 2212 Webster Ave., San Angelo.

Miss Rogers is the daughter of H. W. Rogers of Colorado and the late Mrs. Rogers. Mr. Salter is the son of Mr. and Mrs. Victor L. Salter, 4690 Ebonwood Lane, Beaumont.

The wedding is planned for Oct. 14, 1961, in the First Baptist Church of San Angelo.

Miss Rogers is employed by the Lone Star Gas Company of San Angelo, and Mr. Salter is with the general sales department in the Dallas district sales office of Texaco, Inc., Dallas.

BARBARA JEAN ELLIOTT

Mr. and Mrs. Jean Joseph Elliott, 1500 N. Ave. H, Haskell, have announced the forthcoming marriage of their daughter, Barbara Jean, to Jimmy Don Brock, son of Mrs. R. L. Brock of this city.

The couple plan to be married at 6 p. m. July 8 in Joseph A. Hill Chapel in Canyon.

Miss Elliott and her fiancé are graduates of Haskell High School and are students at West Texas State College in Canyon.

## Seniors Girls Honored at Luncheon

Mrs. J. A. Bynum, Mrs. Douglas Lees, Mrs. Hubert Bell, and Mrs. S. P. Herren honored their daughters, Jane Bynum, Sara Lees, June and Jane Bell, and Louisa Herren with a luncheon Saturday, May 20. The luncheon was in the Community Room in the Bank Building, which was decorated with the class colors of pink and purple. Favors were purple violet nosegays and the table decorations were purple sweetpeas on a pink tablecloth. The mothers presented their daughters with pink corsages tied with purple ribbons. Mrs. R. C. Couch Jr., class sponsor, gave the invocation.

A salad plate was served to the following senior girls: Linda Speer, Betty Landess, Joy Bevel, Christy Royal, Jane

Ann Sego, Carol Jircik, Rowena Jacobs, Jan Eastland, Carolyn Bruce, Sandra Howard, Dorothea Reuffer, Jan Herren, Janice Hattox, Twyla Hipp, Mrs. R. C. Couch Jr., Mrs. W. P. McCollum, the honorees and the hostesses.

## Christian Church Missionary Group Meets Monday

The Ladies' Missionary Society of the First Christian Church met Monday, May 15, at the church.

Mrs. Courtney Hunt, president, called the meeting to order with a short devotional thought and prayer.

Mrs. James Crawford gave the lesson on Thailand. She told about the land, the people, and the missionaries and the work.

Mrs. George Fouts gave the devotional and read an article by Senator Goldwater.

Mrs. Virgil Meadors was hostess and served refreshments to 12 members and two visitors.

## Mrs. Cadenhead To Present Pupils In Recital

Piano pupils of Mrs. J. F. Cadenhead Sr., will be presented in recital Friday evening, May 26, at 7:30 o'clock in the First Baptist Church. The public is invited.

Pupils taking part will include: Deanna Robertson, Helen Mary Cadenhead, Betty Edwards, Judy Therwhanger, Jeff Cadenhead, Anita Edwards, Vern Howard, Betsy Fouts, Diann Cadenhead, Alana Williams, Sandra Mathison and Wayne Cadenhead.

## Fidelis Class Meets in Home of Mrs. Cadenhead

The Fidelis Class of the First Baptist Church met in the home of Mrs. J. F. Cadenhead Sr., Monday at 7:30 p. m. for a regular meeting.

Mrs. Ruby Matthews, the president, presided for a business session. Reports of group captains were given on business and visits to the sick.

Minutes of the last meeting were read after which the group sang two songs, "Take Time to Be Holy," and "In the Garden." Mrs. Cadenhead led in prayer, and Mrs. Etta Moore gave the devotional on Friendship, taken from 1st Samuel, 18:13. The group joined in two enjoyable games, after which Mrs. L. V. Moore and Mrs. Brewer served refreshments of pineapple ice cream and cake to the following:

Mesdames Etta Moore, Juanita Rhea, Lola Brewer, May Pledsoe, Alta Linville, Trudie Wheeler, Ethel Alvis, Ruby Matthews, Miss Mae Cothron and the hostess, Mrs. J. F. Cadenhead.

## Recent Bride Is Named Honoree At Gift Tea

A gift tea honoring Mrs. Robert Starr, the former Suzanne Lane, daughter of Mr. and Mrs. R. A. Lane, was held in the R. W. Herren home Saturday, May 13, from 5 to 7 p. m.

Guests were greeted at the door by Mrs. Herren and presented to those in the receiving line, Mrs. R. A. Lane, mother of the bride; the honoree, Suzanne Lane Starr; and Mrs. Dugan Starr, mother of the bridegroom.

Sisters of the bride and bridegroom, Linda Lane Jones and Carolyn Starr, showed gifts, and were assisted by some of the hostesses during the evening. The two grandmothers present, Mrs. D. C. Moore and Mrs. Clarke, also visited with the guests during the tea hour.

Jan Herren registered the guests in the bride's book after they were served, and invited them to see the gifts.

Guests were served punch from a milk glass punch bowl, on a table covered with a lace over blue table cloth.

The three-tiered white milk glass epergne centerpiece with blue hydrangas and blue carnations arranged over white and silver sprayed fern, topped with two bluebirds of happiness, was a topic of conversation.

Cake squares were decorated with a sprig of lilies of the valley and served from a silver tray. The napkins were a soft blue printed with silver letters, "Suzie and Rob."

Hostesses invited guests to visit in the solarium while being served, then were shown into the rooms where the gifts were on display.

Hostesses took turns officiating at the table and the other stations throughout the house during the evening.

Hostesses for the tea were: Meses, Byron Frazier, Bill Pogue, Ed Hester, M. C. Medley, Ira Hester, Hubert Bell, C. M. Culbertson, Alvin Sherman, Alvis Bird, J. B. Gipson, R. W. Herren.

## Crackdown Due On Unlicensed Drivers

A crackdown on unlicensed drivers by members of the Highway Patrol, county and city officers is imminent, Highway Patrol Sergeant Frank Jircik said this week.

Sgt. Jircik warned that in the case of minors, complaints would be filed against parents or guardians, or others permitting an unlicensed minor to drive.

This also applies to any unlicensed driver, he added, explaining that the owner of a vehicle was liable where an unlicensed operator was permitted to drive.

Three new residents moved to Haskell during the past week, the regular survey by the Chamber of Commerce shows. The newcomers are: Roy G. Davidson, 1008 N. Ave. E.

J. A. Hutto, 203 1/2 N. Ave. H.

J. E. Hobbs, 710 South 9th.

Speaking for 180,000 physician-members... the AMA believes you deserve to know exactly where we doctors stand on the question of:

# MEDICAL AID FOR THE AGED

### HERE'S WHAT WE FAVOR:

The doctors of America believe that our aged citizens who need medical care should get it, whether or not they can afford to pay for it.

We favor a program of medical aid for the aged sensibly designed to help those who need help — that allows millions who can afford it to pay for their own medical care.

Such a program was enacted by Congress last year. It's the Kerr-Mills law which has the enthusiastic support of America's doctors. Specifically, the law provides for Federal grants-in-aid to the individual states, enabling them to provide health care for those among the elderly who need help. The benefits of this locally administered program also include the 2 1/2-million Americans eligible for Old Age Assistance . . . and protect all other senior citizens who cannot meet the costs of a serious or long-lasting illness.

The Kerr-Mills law represents a common-sense approach to solving a problem that concerns us all. As doctors, we support it — because our first consideration is the health and life of our patients. As Americans, we endorse it — because helping those who cannot help themselves is the obligation of all decent people.

### HERE'S WHAT WE REJECT:

As Americans — not simply as physicians — we are deeply concerned about the dangers of Socialized Medicine. And we are not crying "wolf" when we apply that term to the currently proposed legislation which would establish a COMPULSORY health-care program for everyone covered by Social Security (regardless of need). The Socialist Party itself calls this Socialized Medicine. And we believe they have a more expert knowledge of socialist definitions than do those who describe it as "just a method of financing aid for the aged."

This COMPULSORY health-care program adds up to nothing more than Socialized Medicine — controlled by a bureau of the Federal Government . . . paid for by increased Social Security taxes, burdening both present and future generations. Confined at first to the aged, it would inevitably be expanded to cover all Americans.

Moreover, when the Federal Government enters the privacy of the examination room — controlling both standards of practice and choice of practitioner — the cost includes loss of freedom. Your doctor's freedom to treat you in an individual way. Your freedom to choose your own doctor. When the physician is socialized, so is his patient.

IF YOU AGREE WITH US that a compulsory health-care program for any segment of our population would be bad for the nation, we urge you to write your Senators and Congressman. Urge them to reject Socialized Medicine in any form . . . to use our present program of medical care for the aged, administered locally, that helps those who need help.

**Nine Teens Will Present Final Local Program Monday, May 29**

(This is the first in a series of two articles about an outstanding high school choral group, The Nine Teens. The concluding article will appear next week.—Ed.)

**By JO COX**

Haskell's original Nine Teens will sing in our town for the last time, May 29... the night they graduate from Haskell High School. They will end an eventful three-year career as a new group begins theirs.

The Nine Teens did not just happen. Margie and Hubert Bell had been dreaming of such an organization for a long time. Their dream came true in 1958 when nine attractive girls beginning their sophomore year in high school said "yes" to such a plan. All were students of music, either studying piano, organ or in the band. After auditioning each girl individually, the Bells saw great possibilities for development.

The first try-outs for this singing "nine" were held in the Visual Aids Room of the high school in September, 1958. Those chosen were Carol Jircek, Suzanne Lane, Dorothea Rueffer, first sopranos; Jan Herren, Jane Bell, Martha Jane Bynum, second sopranos; June Bell, Twyla Hipp, Janice Hattox, alto, Linda Speer, a classmate, became accompanist and assistant librarian for the girls. They chose their own name and elected Jane Bell, president for the first year.

Being a Nine Teen has not been all fun. It has meant hours of effort for the twelve persons involved. It is estimated that 300 hours have been spent in rehearsals and that the girls have memorized 105 numbers. Mondays and Thursdays have been the regular practice times. Numerous extra hours have been spent in preparation for concerts and performances.

The Nine Teens have one original composition to their credit. They composed "Mr. Sombo Gets Religion" and rendered it before a District Teachers Meeting. The number drew praise from several visiting English teachers, including a professor from Midwestern University who later wrote the girls.

To date this group has made

approximately one hundred and forty public appearances. This figure was far from their minds when they organized as a service organization to serve where and when needed in their school, churches and community.

One of the proud moments was in March, 1960, when they appeared with the "Sons of the Pioneers" at the Tumble Weed Festival in Colorado City. On Monday, May 15th, they made their second appearance with this renowned group.

One of the highlights of their career was an invitation to sing for the District Rotary Convention in Wichita Falls on the "Governor's Night." The governor was Haskell's School Superintendent, Mr. Bob King. They boast, "Mr. King is our biggest fan!" They later received recognition in the International Rotary magazine.

This group of "goodwill ambassadors" from Haskell High School has probably traveled as many miles for public appearances as any high school choral group in this section of the country. Among the many public appearances are the following: Rotary banquets in Graham and Spur, P.T.A. Convention in Anson, District P.T.A. Convention at Western Hotel in Abilene, District Bankers Meet at Windsor Hotel in Abilene.

First Methodist Church in Munday. Concert at the Avoca High School, Production Credit Association Meeting in Stamford and for almost every civic organization in Haskell.

In April, 1959, the girls accompanied by their directors and several mothers, journeyed to the North Texas State campus at Denton and attended the "Sing Song," a choral contest among the sororities and fraternities. After the concert, the group was invited to the sorority ramp to attend open house for Delta Gamma.

After being recognized as a group, they received an invitation to sing a number.

One of the most elegant affairs at which the Nine Teens ever performed was a spring luncheon held at the Woman's Club in Abilene. They did a 30-minute program and received a gracious ovation.

The girls have been very

gracious and affirmative in consideration of their many invitations. They have never refused to offer their services except in cases of illness or conflict. Their directors take pride in the fact that the girls have never assumed an attitude or feeling that they are indispensable and have remained humble. Serving as their own critics after each performance, they are never satisfied and always come back to the studio with a determination to improve.

The Nine Teens hold a formal spring concert each year. Their last and third concert, climaxing the year's work, will be held May 28. The program is made up of approximately twenty numbers including classic, secular, religious and Negro spirituals.

Their last performance as a group will be the Lions District Meeting June 3 in Breckenridge.

HOW TO INVEST TEN MILLION DOLLARS  
These recent photographs show construction progress at Oak Creek Lake, and some of the massive equipment which transported it.

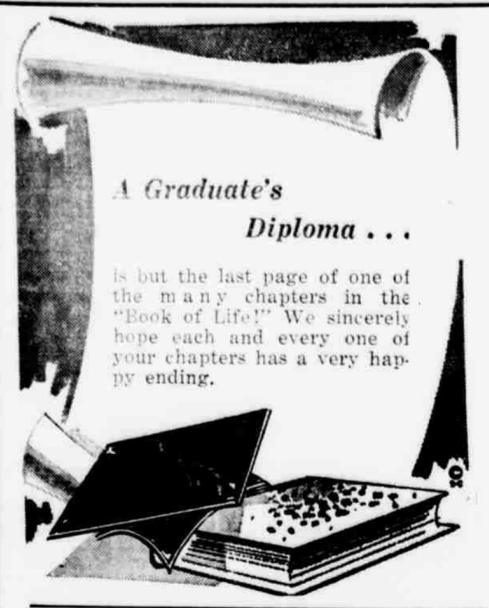

*Symbol of the Future*

Any way you look at it, an investment of \$10 million is evidence that we are convinced that growth is evidence that we are convinced that...

The new generating station at Oak Creek Lake, showing rapid growth of that figure — is showing rapid growth...

But it is only one phase of W.T.U.'s long range plans. Still another such station is on the drawing boards — major additions to our transmission and distribution system.

This is the way we are preparing for the future — service area — from the Red River to the Gulf of Mexico. THE SYMBOL OF THE FUTURE in the Central West Texas Utilities Company.

**Audit--**

(Continued from Page One) machine and give Bob (Stephenson) a check for it." The city secretary said he was unable to recall who handed him a slip of paper or told him to make such a statement.

He said Stephenson had left before he made out any check and he mailed it later.

During the day Tuesday, Lester Barry, Abilene CPA, who was hired to make the audit, reported the \$104.11 check has been issued but had not cleared the city's bank account.

"How come you wanted to pay all that expense?" Stephenson was asked by Dr. Williams.

"Well, I just had the money," he replied.

Dr. Williams read a list of figures that had been published as expense items for councilmen on the April 11 trip to Austin. He read each which in turn were verified by council members. Items read included: Mayor J. E. Walling, \$40.65; Otho Nanny, \$18; John Thomas, \$18.75; Bob Segio \$14.70; Raymond Davis \$15.40, and Stephenson \$33.60.

Dr. Williams requested that the people present be permitted to see the various bills for which these payments were made. But he was told that it was authorized that Arbuckle make the payments at the discretion of councilmen and no itemized bill was presented.

Kimbrough returned to the itemized statement list he said was the basis for the payment for the \$104.11 to Stephenson. He read, "B. S. beer." It was at this point that Segio interrupted him and said he saw no need of reading the detailed list.

"The bill was turned in and

we are just trying to find out what it was for," Kimbrough responded.

"How about waiting until we pay such a bill?" Segio fired back.

Dr. Williams asked Stephenson if his payment of all the expenses was any attempt to "cover up for anybody. It is a bit unusual."

Stephenson quickly denied any attempt to cover up anything.

"Am I on trial here or something?" he asked.

"Yes," Dr. Williams shot back. "This deals with city money and we have a right to know."

The group left a short time later. As they were going out the door of the council meeting room, Stephenson quipped: "That's the first time I didn't know a man couldn't spend his money if he wants."

**Committee Meets**

At a meeting Wednesday afternoon with the Abilene CPA, the Citizens Committee heard a report on findings in the audit to date. A committee of five members was appointed to confer with an attorney concerning next steps to be taken in the investigation.

Appointed on the committee were John Kimbrough, Dr. T. W. Williams, Jetty Clare, Halie Chapman, Bob Herren.

**WHEN FOLKS...** are living mighty high.  
With no big worries coming by, They forget to plan for a rainy day, Sometimes, like you and I. But when people get in great distress, And things are in an awful mess, They wonder why they didn't insure When things were at their best.

**Paint Creek News**

Mrs. Gene Overton was in Denton Wednesday evening to see two plays. One "At Liberty" by Tennessee Williams was directed by her son, William Overton, and the other, "It Shouldn't Happen to a Dog," in which William costarred.

We extend our sympathy to Mrs. J. H. Montgomery, Wayne Dilbeck and Mrs. Edith Livengood in the loss of their step-grandmother, Mrs. Pearl Dilbeck, mother, Mrs. Dilbeck died Sunday and funeral services were held on Tuesday.

Mrs. Lela Cox of Ft. Worth spent Sunday and Monday with her brothers, W. A. Montgomery and J. H. Montgomery and her sister, Mrs. W. S. Cox.

A very proud grandfather in Paint Creek these days is Arthur Montgomery. His granddaughter, Elizabeth Cathey, is the salutatorian of the class of 1961 of Grand Prairie High School. There are almost 400 graduates in the class, and it is such an honor for her, but one we know Elizabeth has worked hard for. The amazing thing is that she has been in so many other activities, and still kept such high grades. She has taken piano, voice and organ lessons for years, and has been most active in her church and Methodist Youth group, has sung in choirs, won Interscholastic League Typing contests, and entered into all the social activities of her school. She plans to enter North Texas State University next fall—and our sincere congratulations go to this fine young lady.

Mr. and Mrs. Bill Tate and little daughter, Sandra, returned home from the Methodist Hospital in Houston Sunday night and will go back in a month for Sandra's surgery. During the attempted surgery last Wednesday morning, complications arose and the operation had to be stopped. The incision had already been made, and that will have to heal before they go back.

**HERE FROM CALIFORNIA**

Mr. and Mrs. John Roberts of Watsonville, Calif., spent several days here last week visiting in the home of his sister, Mrs. Frank B. Reynolds, and Mr. Reynolds and other relatives and friends. Mr. Roberts was reared here and moved to California in 1932-33.

**Cubs and Hawks Remain Top Spot in Little League**

The Cubs and the Hawks continued in a tie for top place in the major division of Little League this week, and the Lions and Rams were also deadlocked for fourth and fifth place.

The league had its first no-hit game last week, when H. J. Hambleton hurled a no-hitter for the Hawks in their game with the Rams.

Also, through error the score for the game between the Cubs and the Hawks was incorrectly reported as 4-4.

Only two games were played last week, in conflict with the school games. Thursday, Friday nights will be scores in the Monday, May 22 game. Tuesday, May 23, Rams 3, Cubs 4. Major Team: Cubs 4, Hawks 4, Lions 3, Rams 3, Tigers 3, Bears 3.

**LOW PRICE IS ONLY HALF THE STORY**  
(The other—and even more satisfying—half you discover the first time you drive a Corvair!)  
And when we say "low price," we mean more than merely the pint-sized figure on the window sticker of a new Corvair. You're going to be saving like sixty on gas. And on the antifreeze you won't buy next winter, and the radiator repairs you'll never have to pay for. About the only things Corvair doesn't skimp on are room, smoothness, style and pure driving joy. But that's the other half of the story. Talk to your Chevrolet dealer about it soon!
