

THE FLOYD COUNTY HESPERIAN

VOLUME NUMBER 28

FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, JULY 28, 1921

NUMBER 21

CONSTITUTIONAL AMENDMENTS ALL IN DOUBT NOW

Interest of Voters Lacking in Saturday's Election—Many Returns Are Not in

Although daily newspapers of the state are forecasting the result of the election last Saturday in which five constitutional amendments were at issue, returns so far received are insufficient to determine whether or not any of them have carried, it is believed. Two of the five have probably carried.

In Floyd County the interest was so lacking that in some boxes no elections were held and less than one-sixth of the voting strength of the county was polled.

At noon yesterday eight boxes had reported officially, it being impossible to get reliable unofficial reports. Of the eight reporting Floydada cast 52 votes, and Lockney 51 of a total of 137 votes reported. At Lakeview, Center and Antelope it is known no election was held. The same is reported to be true of Baker and Sunset, where sufficient help to hold the election could not be gotten. Floydada was the only box which gave as many as four of the amendments a majority in the county.

Tabulations of figures from the eight reporting boxes show that the Penitentiary amendment had a majority, 69 for to 61 against; the Officers' Compensation amendment lost 75 to 47; the Confederate Soldiers' Pension amendment lost 60 to 51; the Legislators' Per Diem amendment lost 80 to 47; and the amendment relating to voting and poll tax paying qualifications carried 95 to 34.

The last is taken to indicate the temper of the voters just at this time, it being the only amendment offered which will not increase the cost of the state government in one way or another.

Floydada, Lockney, Meteor, Fairmont, Allmon and Providence are the six boxes for which the figures above are compiled.

So far as is now recalled interest in an election of major importance was never before known to be so lacking in Floyd County.

FIVE GAME SERIES WITH LOCKNEY NEXT WEEK

Lockney's baseball team and the Floydada Swatters will mix in a five game series beginning Monday of next week, when the first game will be called in Floydada. Tuesday's game will be played at Lockney, Wednesday's here and Thursday's at Lockney. The place for the game Friday has not been announced.

The Lockney Club has considerable new material which they are working out and shaping up for the five-day series.

GETTING GOOD MAIZE CROP FROM SOD WHILE PREPARING FOR WHEAT

F. L. Carter, until recent years of Alabama, and who has taken to the plains way of farming like a duck to water, is trying a new scheme on his sod land this year and it looks like it ought to prove a winner.

After plowing his sod, he planted maize in nine-foot rows and is now cultivating it. First he used the go-devil, knifing the ground good around the maize, and is following this up with vigorous cultivation with an eight-foot disc harrow.

This fall when wheat planting time comes he will go into the field with an eight-foot tandem and drill and sow his wheat and gather the feed crop at his convenience. One thing is certain. He will get a mighty good crop of feed, and his land looks like it ought to raise twenty to thirty bushels of wheat.

His experiment will be watched with interest. While not exactly a summer fallow proposition it is a modification of the summer fallow idea, giving him an income from the land and an opportunity to prepare it really as well as the other method. The stalks left in the field while not interfering with the planting or harvesting of wheat will also have a tendency to hold snow and moisture on the ground during the winter months and the foot of space left between the drills will also act in the spring as a moisture storage space, and, if the year proves a dry one will really be of more value than the same amount of ground planted in wheat.

The experiment looks good on paper. It will be watched with interest by many to see how it works out in practice.

"AMERICANS-ALL" FEATURE OF CHAUTAUQUA NEXT WEEK

Entertainment Coming Under Auspices of American Legion Expected to Prove Excellent

McDermott Post, American Legion, which is sponsoring the forthcoming three-day Chautauqua which opens Monday and closes Wednesday night, is receiving very favorable reports in advance of the coming of the entertainment. The program offered, it is declared, is well-rounded out and offers features which cannot but appeal to every class.

The premier feature of the three-days program is a unique one. This is the "Americans-All" detachment of the U. S. Army. They were trained and educated at the Recruit Educational Center, Camp Upton, N. Y. Their entertainment has never been seen until this season outside of fifteen of the largest cities in the country. Drills, physical culture exercises and popular songs make up their programs. Every member of the detachment was either a foreign-born or American-born illiterate when he entered the Army School, advance notices declare.

The programs are to be given under tent, the Brewer Block, one block west of the square, having been chosen as the location. Advance sales of tickets are being made this week.

Numbers on the program include: The Oakley Concert Company, Miss Marybelle LaHatte in stories for the young, two lectures by Dr. Wm. E. Adams, the Emerson Winters Company, Mysterious Millburn, Edward Tomlinson, Harry Hibschan, L. L. D., and the Americans All Detachment.

COLQUITT ANNOUNCES HE IS CANDIDATE FOR SENATE

Austin, Texas, July 20.—Former Governor O. B. Colquitt of Dallas, who is in Austin today, announced that he is a candidate for the United States Senate, subject to the action of the Democratic primaries in July 1922.

Governor Colquitt said that he would make the race on a platform of State rights, reduction of the tax rate and in opposition of centralizing Government, and to return to the system of running the State Government on \$10,000,000 for two years, as was done during the first two years of his administration.

Governor Colquitt also said he would support the paying of a bonus to the soldiers who fought in the world war.

FLOYDADA TOURISTS WILL VISIT OKLA. AND ARKANSAS

E. C. Henry, wife and daughter, Marie, Dr. George Smith and family, R. L. Henry and Mrs. F. P. Henry left Friday morning of last week on an automobile trip to Oklahoma and Arkansas. They made the first lap of the tour to Hobart, Okla., the first day.

The party will touch at Tulsa and Fayetteville, and expect to be gone about three weeks.

NUMEROUS FLOYD COUNTY STUDENTS AT NORMAL

Floyd County is well represented at the West Texas State Normal Summer School this year.

A list of students by counties recently printed by "The Prairie," students' publication, gave the total from this county at 32. Crosby has 16, Hale 41, Lubbock 37, Motley 8, Brisco 7, Randall, in which the school is located, leads with 125. Of the total number enrolled at the school 226 are male and 1018 female, representing 129 counties in Texas and eight other states.

Mrs. M. Montgomery, of Wichita Falls, accompanied by her daughter, Mrs. C. F. Shipley, visited here the early part of the week with Mrs. E. M. Caraway. Mrs. Montgomery went to Lockney to visit yesterday, and Mrs. Shipley will go there today.

Miss Jessie Green, accompanied by her sister, Gwendolyn, left yesterday for Amarillo where they will visit a few days. From there Miss Jessie will go to Colorado Springs and Boulder, Colorado, to spend the rest of the summer, and Miss Gwendolyn will return here.

Dr. W. M. Houghton went to Plainview Monday to administer ether to three patients who were operated on at the Plainview Sanitarium. He returned Monday afternoon.

MRS. IRA D. GAMBLE DIED SUDDENLY HERE LAST NIGHT

Funeral Services Will be Held Tomorrow Afternoon at Methodist Church

Mrs. Belle Gamble, wife of Ira D. Gamble, died at the family home in Floydada last night about 12:30, following an illness of less than an hour's duration.

The funeral services will be held tomorrow afternoon at three o'clock at the Methodist Church. Rev. J. T. Howell, of Abernathy, a friend of the family for many years, will assist in conducting the funeral if he can come, it was stated by close friends of the family this morning. C. B. Meador, pastor of the Methodist Church of which Mrs. Gamble has long been a member, will have charge of the service if he can be reached in time. He is away with his family on a short visit at Munday.

Mrs. Gamble was a native of Ellis County, Texas. She was born May 6th, 1879. The husband and three children, Erin 17, John 13, and Mary 9, survive her, besides her aged parents, Mr. and Mrs. R. A. Owens, and two brothers, Warren Owens, of Boyce, Texas, and J. M. Owens, of Bardwell, Texas. The two brothers are expected to reach Floydada tomorrow sometime and Miss Gertrude Owens, of Lubbock, a niece, arrived this morning. The parents are not expected to make the long trip.

Mr. and Mrs. I. D. Gamble moved to Floydada in 1903 and have resided here ever since, during which time the deceased has ever been active in self-sacrificing work for her family and others, and the announcement of her sudden death has been a distinct shock to the community.

MRS. KIZZIAR ENTERTAINS FOR HOUSE GUESTS

Mrs. M. L. Kizziar entertained informally Tuesday morning from 9:30 to 11:00 honoring her guests, Misses Mattilene Floyd and Cleo Bowers of Vernon, Texas. After being introduced to the honorees, the invited guests were served punch by Miss Evelyn Kizziar. "42" was the diversion of the morning. Miss Ray Parker distributed the tally cards.

The house was tastefully decorated with verbenas, sweet peas and other cut flowers. A dainty ice course with nasturtiums as favors was served to the following: Misses Mattilene Lloyd and Cleo Bowers, sister and niece of the hostess, Margarette Viles, Wanda Montague, Blanche Abston, Gladys Felton, Verda Snodgrass, Foy Canaday, Jack White, Ruby White, Wanda Armstrong, Pauline Bishop and Mrs. Jack Henry.

WICHITA TO SPEND HUGE SUM ON HIGHWAYS

Wichita Falls, July 23.—Money will soon be available for the completion of the Wichita County concrete road system, with the announcement from Austin that the transcript of the \$1,500,000 road bond election had been approved by the Attorney General, and with the announcement by Frank Kell and W. M. McGregor, under contract to purchase the bonds, that the money for the first installment would be available soon after they were received here.

With the State and Federal aid, this bond issue will mean additional \$3,000,000, approximately, for the road system. One issue of \$750,000, with State and Federal aid, has already been expended. The highway from Wichita Falls to the Archer County line, via Lake Wichita, has already been completed, as has the highway from Wichita Falls to Iowa Park. Construction is now in progress on the highway in continuation of the latter, from Iowa Park to Electra. From Electra to the Wilbarger County line, and from Wichita Falls to Burk Burnett, and on to Red River, will be the next in order. Following that will come a highway from Wichita Falls to the Clay County line, and from Wichita Falls to the Archer-Baylor line on the Seymour road will be the highways remaining.

Misses Ollie and Vera Wade and Lunette Worthy, of Chester, South Carolina, and Royce and Willette Waters, of Lubbock, who have been visiting D. H. Collins and family left Saturday for Lubbock. They were accompanied by Miss Ruth Collins. Miss Collins and the young ladies from South Carolina will go from Lubbock to Roscoe and Abilene where they will visit relatives.

TABERNACLE MEETING GROWS IN ATTENDANCE AND INTEREST

The protracted meeting now in progress with the Church of Christ at the tabernacle, is growing in attendance and interest with each service. Evangelist Johnson is doing some good work, presenting lessons of divine truth that should be heard and heeded by every responsible being in Floydada. Following is a list of subjects yet to be discussed:

Thursday night: Operation of Holy Spirit in Conversion;
Friday night: How they can be saved;
Saturday night, Regeneration;
Sunday 11 a. m.: The Master's Vineyard.
Sunday 4 p. m.: Christian Evidence;
Sunday night: Prayer;
Monday night: These Signs shall Follow—Mark 16:17;
Tuesday night, Unpardonable Sin. Other subjects will be announced later. The day services are devoted to the discussion of the principles of Christianity, duty, responsibility, devotion, Etc. Come and be with us and enjoy these services.

SWATTERS DIVIDE DOUBLE BILL AT ROSWELL

The Swatters were unable to hit enough Monday at Roswell, and had a bad inning the sixth when Roswell got lucky and an error, two two-base hits and a home run, gave them four scores. Batteries for Floydada Monday: Curry and Duren.

Score by innings: R H E
Floydada: 000000001—1. 1 6 4
Roswell: 000004001—5. 5 9 0

Tuesday's game was a different story. The Swatters were on a rampage and had the Roswell club beaten throughout. Bassenger pitched a two hit game and had first class support in the pinches. Floydada scored in the fourth and ninth.

Score by innings: R H E
Floydada: 000100003—4. 4 7 3
Roswell: 000000000—0. 0 2 1

Batteries for Floydada: Bassenger and Duren.

The games which were to have been played yesterday and today at Portales were called off by the latter club, and the Swatters have these two days off before a set-to of two games with Clovis tomorrow and Saturday.

C. C. Wright, Tom B. Triplett, wife and daughter, and Mr. and Mrs. H. W. Atkinson are with the club on their tour.

REV. BRUCE MEADOR AND FAMILY ON TRIP

Rev. Bruce Meador, pastor of the Methodist church, and family left Monday morning on an automobile trip to Abilene and Munday, Texas, at which places they will visit friends and relatives. Rev. Meador will return in time to fill the pulpit at his regular services Sunday.

PADUCAH NEWSPAPER MAN CANDIDATE FOR SHRINE RING

E. A. Carlock, of Paducah, editor of The Paducah Post, has been announced as a candidate for the Khiva Shrine Ring at the conclave of Shriners in Amarillo in the earlier part of September, and newspaper men of this section are lining up with him solidly to help "put him over."

Support of his candidacy among Shriners in Floydada has already received favorable mention. T. S. Stevenson, a member of the Shrine Club here has consented to act as his Floydada manager.

Mr. and Mrs. R. T. Stribling and family, Miss Clara Lee Johnson, Miss Mae McCallon, Mr. and Mrs. B. L. Williamson and family, accompanied by Mr. and Mrs. W. H. Williamson, of Gatesville, spent Sunday in Plainview.

Mrs. W. S. Posey, of Lubbock, accompanied by her daughter, Evelyn, is here visiting her sister, Mrs. E. P. Nelson. Mrs. Nelson's niece and nephew, Beula and James Baggett, Jr., of Ozona, are also visiting her.

Supt. James E. Parks and family, Mrs. A. I. Skiles of Cisco and Mr. and Mrs. Leland Dawson spent Friday night and Saturday of last week camping on the Tule canyon fifteen miles northwest of Silverton.

W. D. Herring, wife and son were here Tuesday from Matador to meet Mrs. Herring's mother, Mrs. G. C. Paul, and her sister, Mrs. W. R. Brodie, who arrived from Canadian, Texas

PROMINENT FLOMONT FAMILIES INVOLVED IN TRAGEDY

Marvin Washington, aged about 45 years, of Flomot, was shot and instantly killed Saturday night in the church there before a congregation assembled for preaching, and E. A. Preston, of the same community, is under \$10,000 bond, set by Motley County authorities, charged with his murder.

Washington was killed instantly, and a panic among the people in the church created. Following the deed, Preston left for Matador to surrender to officers. His car stalled and he was met by a deputy who carried him into town. Preliminary trial was waived and the bond set at \$10,000 which was made.

Funeral services for the deceased were held Sunday afternoon. He is survived by his wife and three children, one of whom is a married daughter. He had lived at Flomot some twenty years and was a leading citizen in the community. Mr. Preston was also a substantial citizen of Flomot and had resided there many years.

Conflicting reports reach Floydada as to the cause of the tragedy. One report has it that Preston waved a letter or letters before the congregation following the shooting, saying, "Here is the reason."

The case will come up in District Court for Motley County.

TO EMPLOY SEXTON AT CEMETERY ASSOCIATION

Mrs. O. P. Rutledge, chairman of the Cemetery Association, has called a meeting of members of this organization for tomorrow afternoon at 4 o'clock, when the matter of employing a sexton on half-time for the Floydada Cemetery will be definitely determined. The presence of a quorum of members is urged by Mrs. Rutledge in order to definitely dispose of the matter, which is being urged by city officials who will also have half the time of the sexton employed.

MRS. STARKS HOME FROM 30-DAY TOUR OF EAST

Mrs. J. D. Starks reached home Tuesday evening from a tour of north and Atlantic states, where she went as District Delegate from Texas on a tour of Supreme Delegates and officers of the Woodmen Circle.

During her absence she visited Niagara Falls, Philadelphia, Baltimore, cities in New Jersey, and New York City. At the latter place she visited with Mr. and Mrs. Grady Vaughn, and enjoyed reading the news from home in The Hesperian.

She declared the trip one of the most delightful she ever experienced.

Among other notable events in which she participated was the World Wide Christian convention at New York City. She also heard W. J. Bryan make a speech while there.

MISS COLLINS ENTERTAINS

Thursday evening, July 21st at eight thirty o'clock Miss Ruth Collins gave a dinner to a number of her friends at her home on Virginia St. honoring Misses Lunette Worthy, Willette Waters, Vera and Ollie Wade, who were visiting with her.

Various games and music furnished the diversions of the evening after dinner.

The following guests were present: Mrs. Tom Triplett; Misses Vera Smith, Marie Henry, Blanch Abston, Wanda Armstrong, Gladys Felton, Lunette Worthy, Vera Wade, Ollie Wade and Willette Waters; Messrs. Tom Triplett, Roy Snodgrass, Thurman Bishop, Maury Hopkins, Duke Bassinger, Royce Waters, Irvin Bishop and T. P. Collins.

INFANT SON DEAD

The infant son of Mr. and Mrs. R. A. Stacey, which was born on last Saturday, died Sunday morning, living only a few hours.

Funeral services were held at the home Sunday afternoon at 4:30 and interment made in Floydada Cemetery. Rev. O. N. Baucom conducted the services.

Mr. and Mrs. M. L. Kizziar have as their guests Misses Mattilene Lloyd and Cleo Bowers of Vernon, Texas, sister and niece of Mrs. Kizziar.

Mr. and Mrs. W. M. Massie and children left this morning for Colorado on a vacation trip.

F. F. F. HIGHWAY MEETING AT PLAINVIEW AUGUST 1

Representatives from Towns on Highway to Revive Organization and Push Route to Popularity

The F. F. F. Highway Association, which was started several years ago but during the war allowed to die, will be re-organized at a meeting of representatives of towns and cities on the line to be held in Plainview on Monday, August 1st. The Chambers of Commerce and road people up and down the line, aided by good roads enthusiasts, are combining their efforts to make this organization meeting a good one.

In a call issued by Jno. L. Boswell, secretary of the Board of City Development last week attention was called to the fact that though the highway organization had been allowed to die and despite the lack of organized effort the F. F. F. Highway has been much traveled because of its merits. The completion of an aggressive organization behind the route, Mr. Boswell says, can make it one of the most travelled routes in the southwest.

The re-organization meeting, besides electing officers and directors, will make plans to put all the route in good condition and mark it from end to end, and methods for obtaining the widest publicity for the route will be discussed.

The Clovis Chamber of Commerce is also enthusiastic about the route and are urging big attendance at the re-organization meeting.

"We are expecting Floydada in large numbers," Mr. Boswell says, in a letter to R. E. Fry, secretary of the Floydada Chamber of Commerce. "Every garage, filling station and hotel manager in Floydada should be among the representatives from Floydada. A heavy organization from Floydada will do much for the route as well as for the city of Floydada." Other business interests are also urged to be represented at the meeting.

Mr. Fry is at work on the matter. He said the first of this week that the popularity of the route the past sixty days is evidence of what could be made of it if an aggressive organization would push the route in the same manner that other routes are supported. Business men of Floydada who can attend the meeting should report to him not later than Saturday of this week.

EPWORTH LEAGUE MOON LIGHT PICNIC

Thursday evening, July 21, a number of the members of the Methodist Epworth League enjoyed a moon light picnic on Blanco canyon. The picnickers met at the church at seven o'clock and went to the canyon in cars, having a fine ride in the cool evening air.

After reaching a select place in the canyon the older folk spread the lunch while the young people walked up and down the stream or climbed the hills, breaking the peaceful quietness with their loud yells and laughter, until A. N. Gamble shouted, "Come to the feast!" They came, and it was some feast.

Many interesting games were played and League songs were sung till the time came for them to go home.

In the crowd were: Mesdames Mary McCaskill, B. M. Gamble, N. W. Williams, A. N. Gamble, C. B. Meador, and R. H. Willis. Misses Mary Childress, Gwendolyn Green, Myra Olson, Thelma Williams, Irene Meador, Maude Williams, Marivena Bartley, Clarie Johnson, Effie Gamble, Francis Edwards, Jessie Green and Cecil Owens, of Ennis, Texas. Messrs. Jerome McCauley, Ira Marshall, Jeff Welborn, Byron Standifer, Claude Fondy, Ralph Zachry, Robert McGuire, Clement McDonald, Olen Turner, B. M. Gamble, N. W. Williams, A. N. Gamble and Rev. Bruce Meador.

U. OF T. SCHOLASTIC HONOR ROLL NAMES ANNOUNCED

Austin, Texas, July 25.—Names of students who attained the scholastic honor roll in the academic department of the University of Texas during the spring term have recently been announced by H. Y. Benedict, dean of the academic department. In compiling this list account was taken both of the quantity and quality of work accomplished by the student as indicated by the reports of the instructors. Emphasis was placed on quality in computing the score of each student by counting an A as 12, a B as 9, a C as 6, and a D as 3. The best one per cent of the upperclassmen made scores of 65 or above, while the best one per cent of freshmen made scores of 63 or more. The remaining groups made scores lower than these, but above 45 in the case of freshmen and 48 in the case of upperclassmen. Among the four thousand students of the University 331 merited this distinction.

Wanda Lee Montague of Floydada was included in the list of students among the best five per cent for scholastic merit.

FLOYD COUNTY TEACHERS TO MEET IN JOINT INSTITUTE

Teachers of Floyd County last year at the joint institute held at the West Texas State Normal, voted to go back to that place again this year, to meet jointly with as many other teachers as voted for the meeting there.

The institute this year will be held as usual the first week in September, and all teachers who have contracts in force at the time of the opening of the institute will draw pay for their attendance at the institute.

NEW RECORD MADE FOR STEER BULL DOGGING

Chicago, July 24.—Mike Hastings of Cheyenne, Wyo., made a new world record in steer bull dogging at the Cowboy Contests in Grant Park tonight. He pinned his steer in 9 seconds flat. The former record was 9 2-5 seconds, made by Slim Caskey of Wichita Falls, Texas. Hastings' feat practically clinches the world's championship for him if he succeeds in pinning his ninth steer tomorrow afternoon in fast time. Caskey is running a close second.

CHICAGO BANK LOSS PLACED AT \$700,000

Chicago, July 23.—C. A. Beutel, cashier of the Michigan Avenue Trust Company, which was closed by bank examiners Thursday, today estimated that there would be a probable loss of \$700,000 and that the bank would pay 65 cents on the dollar.

B. Y. P. U. PROGRAM, JULY 31

Missionary Meeting.
Subject: Our Foreign Mission Board's New Fields in Europe.
Introduction: Thelma Kinnard.

COUNTY BOARD TRUSTEES TO MEET AUGUST FIRST

The County Board of Trustees of Floyd County will meet in regular session in Floydada on next Monday, August 1st.
The regular sessions of the board are held quarterly.

L. P. Hale, of Greenville, Texas, is here visiting G. M. Todd and family. He will probably be here a week or ten days.

Miss Viola Ryals, daughter of A. J. Ryals, returned Saturday from Plainview where she had been visiting her sister.

Mrs. W. R. Ivey, of Slaton, is here visiting her parents, Mr. and Mrs. C. Surginer, and her son Garner. Mrs. Ivey came here Friday of last week after a months visit with her aunt, Mrs. W. L. Tandy of Devol, Oklahoma.

E. M. Randolph and family, of Lockney, were in Floydada Monday enroute on a vacation fishing trip southeast.

J. B. Gordon, who is employed with the Express Company, is spending a two week's vacation visiting his mother in Columbia, Missouri.

Jess McBride, of Matador, passed through here Thursday of last week on his way home after a trip to Amarillo.

Miss Lucile Mauldin of San Angelo is here making an extended visit with her sister, Mrs. John Powell.

Otis Trulove, of Amarillo, was here the latter part of last week transacting business.

Sheriff J. A. Grigsby made a trip to Amarillo Saturday of last week on official business.

P. V. Price, of Wise County, was here this week visiting his brother, F. M. Price and family.

Mrs. J. E. Courtney, of Tulia, visited here Monday with Mrs. B. C. Blackmon.

Miss Esther Hicks who has been here for some time visiting with her brother, Dr. I. W. Hicks, and family will return to her home in Abilene tomorrow or Saturday.

Mrs. J. R. Neece, of Amarillo, is here visiting her sister, Mrs. J. R. Norman.

Mrs. W. C. Grigsby returned Sunday from Temple, where she had been with her father. The latter was convalescing following an operation at a sanitarium there.

Fordson TRACTOR

Henry Ford Was Right When He Said:

"The Tractor will enable the farmer to work fewer hours in the day, giving him more time to enjoy life. I believe the tractor will make farming what it ought to be—the most pleasant, the most healthful, the most profitable business on earth."

This tractor has done much—very much—in bringing true Mr. Ford's prophecy; for in it is a machine which has harnessed one of the most dependable, efficient, adaptable, economical sources of power in the world—a machine that saves from thirty to fifty per cent of the farmer's time—a machine which many farmers claim plows, harrows or drills as much ground in the same time as four, six or even eight horses. And more—a machine that takes care of every power job on the farm.

Call and let's talk it over, or telephone or drop us a card and we will bring the facts to you.

BARKER BROTHERS
Floydada, Texas

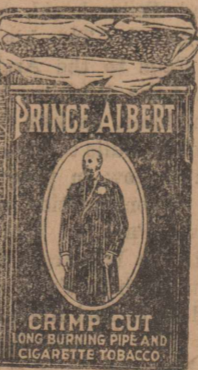

You'll get somewhere with a pipe and P. A.!

Start fresh all over again at the beginning! Get a pipe!—and forget every smoke experience you ever had that spilled the beans! For a jimmy pipe, packed brimful with Prince Albert, will trim any degree of smokejoy you ever registered! It's a revelation!

Put a pin in here! Prince Albert can't bite your tongue or parch your throat. Both are cut out by our exclusive patented process. So, just pass up any old idea you may have stored away that you can't smoke a pipe! We tell you that you can—and just have the time of your life on every fire-up—if you play Prince Albert for packing!

What P. A. hands you in a pipe it will duplicate in a home-made cigarette! Gee—but you'll have a lot of fun rolling 'em with Prince Albert; and, it's a cinch because P. A. is crimp cut and stays put!

SWATTERS FIND CLOVIS EASY IN SECOND GAME

Boys Win First 4 to 3 and Cop Second Game Before Good Crowd Nine to Two

The Swatters took both of their games with Clovis, Friday and Saturday of last week. The first game was a real baseball game with an uncertain outcome until the last man was out in the ninth. The second was a different story. The Swatters were on a rampage and batted three pitchers freely winning with ease.

In Friday's game Clovis put over one run in the first inning, when an error was followed by two hits. The Swatters came back in the same inning and got three men across with four safeties and two sacrifices. Clovis made it a tie in the fifth, when Hubbard hit a man and allowed two two-base hits in a row. A Texas Leaguer between third and short stop in the seventh by Skinny Moore can be said to have won the game. Johnson was on third when this came, having got a safety and being followed by Hubbard who poked out a two-bagger and advanced him to third. He came home on Moore's hit.

In the ninth Mickey led off with a two base hit, stole second and advanced to third on a fielder's choice, and was dangerously near scoring when the last man up for the team popped up to Moore and retired the side.

The second day's game is a longer story to tell. Clovis drew first blood in the third, when an error, followed by a two-base hit and another error put Tolbert over for the first score. Their only other score came in the sixth when Mickey got a two-base hit and scored on Cavanaugh's two base hit. Bassenger was complete master of the situation with this one exception and kept hits well-scattered.

The Swatters meanwhile were hitting and running, piling up a total of 14 hits against Althouse, Steppe and Murphy in eight innings. Johnson clouted in the first two scores in the third, when he parked the ball with one man on. Hubbard, Moore, Sanders, Battle, Bassenger all figured in the scoring hits column before the game closed.

Box score, first game:

Clovis	AB	R	H	E
Turner, c	3	2	1	0
Tolbert, m	4	1	1	0
Kerr, s	4	0	1	0
Johnson, l b	3	0	0	0
Ruth, 2 b	4	0	0	0
Cave, r f	3	0	1	0
Mickey, l f	4	0	1	0
Cavanaugh, 3 b	4	0	0	0
Althouse, p	4	0	0	1
Craig, r f	1	0	0	0

Floydada	AB	R	H	E
Wright 3 b	4	1	2	1
Bassenger l f	4	1	1	0
Moore, s s	3	0	1	0
Curry, m	3	0	0	0
Duren, c	4	1	2	0
Sanders l b	4	0	2	0
Battle, 2 b	4	0	0	1
Johnson r f	4	1	1	0
Hubbard, p	3	0	1	0

Score by innings:
Floydada: 3000010x-4.
Clovis: 100020000-3.

Summary: Two base hits, Sanders, Hubbard, Mickey; left on bases, Floydada 7, Clovis 6; hit by pitcher, Curry by Althouse, Turner by Hubbard; wild pitches, Hubbard, 2; base on

balls, off Hubbard, 1. Strikeouts, by Hubbard 4, by Althouse 5.

Second game:

Clovis	AB	R	H	E
Turner l f	4	0	0	0
Tolbert m	5	1	2	0
Kerr s s	4	0	2	0
Johnson l b	4	0	0	0

Bassenger p	4	1	1	0
Curry m	4	0	1	0
Battle 2 b	3	1	2	0
E. Johnson r f	4	1	2	0

Score by innings:
Floydada: 00211140x-9.
Clovis: 001001000-2.

Summary: two base hits, Moore, Mickey, Cavanaugh; three base hits, Wright, Bassenger; home run, E. Johnson. Left on bases, Floydada 4; Clovis 6. Double plays, Tolbert to Kerr; hit by Bassenger, Mickey; bases on balls, off Bassenger, 3; struck out by Bassenger, 10; Murphy 2 in 2 innings; by Steppe, 1 in 2 innings; hits off Althouse 5 in 4 innings; off Steppe 5 in 2 innings; off Murphy 4 in 2 innings. Umpire Cave.

SWATTERS WIN ANOTHER FROM LORENZO AT HOME

The Swatters with Curry on the mound easily beat Lorenzo out again Thursday of last week, the score being 11 to 3.

The visitors were unable to hit when hits meant runs while the locals were hitting freely.

A small crowd witnessed the game, which was played in Floydada Park, following a game the day previous at Lorenzo, which the Swatters also won easily.

F. F. F. HIGHWAY

The F. F. F. Highway connects Texas, Louisiana, and other southern states with the Rocky Mountains of New Mexico. These mountains have been designated by continental travelers as the "Switzerland of America." There is no more beautiful scenery or more historical points of interest in the United States than around Santa Fe, Las Vegas and ancient Taos. The trout streams in the head waters of the Pecos are unsurpassed for fishing. Many beautiful free camping sites are available in the Santa Fe National Forest.

In addition, the F. F. F. Highway will provide a direct route from Floydada to the Grand Canyon and California.

NEWS OF LOCKNEY

From the Beacon:

Mr. Grady Crager and Miss Berle Light were united in marriage last Sunday afternoon, Rev. Weathers, of the Meteor community officiating.

Miss Light is the accomplished daughter of Mr. and Mrs. F. M. Light, of this city, and is well known among the younger set. Mr. Crager is the son of Mr. and Mrs. A. J. Crager and has been practically reared in this community. The young couple will make their home in Memphis, Texas, where Mr. Crager is engaged in the undertaking business.

Mrs. H. A. Keys died at Slaton last Saturday and her remains were brought to Lockney and interred in the Lockney Cemetery. Funeral services took place at the Methodist Church Sunday at 11 o'clock a. m., conducted by Rev. H. B. Watts, pastor of the church.

Mrs. Key's home was in New Mexico where she and her husband moved a few years ago. They resided for a number of years near Lockney. She has two daughters living in this community, Mrs. E. T. Pratt and Mrs. Simpson.

Sunday, the 17th, there was a family reunion at the home of Mr. and Mrs. C. A. Wofford, who live a short distance north of town, given in honor of Mrs. Wofford's brother and family, Mr. and Mrs. W. E. Reid, of Goldthwaite, Texas, and their two daughters and families of Ralls, Texas, and a few friends. Mrs. Wofford, her daughters, daughters-in-law and Mrs. H. Carroll, daughter of Mr. and Mrs. Reid, prepared the dinner. There were 59 present, including children, grandchildren, besides those above mentioned. There were eight persons present above 60 years old that were raised together.

LEON COLLINS RETURNS FROM FORT LOGAN

After finishing a six week's training period in the R. O. T. C. at Fort Logan, Colorado, Leon Collins returned to his home here, Friday of last week.

500 WOMEN WRITE DEMPSEY EVERY DAY

Los Angeles, July 24.—Jack Dempsey gets 500 letters a day, mostly from women, at which he never looks, he said in a statement commenting on testimony in a divorce action at Pawhuska, Okla., concerning letters which Mrs. Helen Boulanger said she had written to the heavyweight champion. His manager and assistants take care of this batch of mail for him, Dempsey declared.

Dempsey said he had never seen any letters from Mrs. Boulanger and does not know her.

"We get hundreds of letters a day telling how beautiful the women writers are and everything, but we don't pay any attention to them unless they ask for a picture and then sometimes we send a picture," said Teddy Hayes, who is handling Dempsey's interests here. "If this woman ever wrote a letter and didn't ask for a picture it went right into the wastebasket and Jack didn't know about it any more than about the hundreds we throw away every day."

Rev. J. O. Quattlebaum, of Matador, was in Floydada Friday afternoon to meet Rev. G. W. Shearer, presiding elder of the Lubbock District, Methodist Church, who was enroute to Matador to conduct quarterly conference Saturday and Sunday.

CHRISTIAN ENDEAVOR

Program for July 31. Subject: Home Missions, The American Indian.

Leader—Roy Baker.

Song: "I Love to Tell the Story"

Text: Isa. 61:1-9.

Song: "Wonderful Words of Life". Bible References.

Sentence Prayers.

Violin Solo: Mr. Frede.

Discussion Topics:

1. What is our debt to the Indians?

—Mrs. E. C. King.

2. In what respect has the Indian changed?—Thelma Teepees.

3. What stumbling blocks have the white men put in the way of the simple minded Indians?—Mr. Bain.

4. What can we say of Indian education, industry, as well as religion?

—Roy H. Baker.

5. How may we help the Indian Missions?—Mrs. O. N. Baucom.

6. How often do we pray for this race so closely allied to our own?—Mrs. J. L. King.

Prayer.

Duett.

Business.

Benediction.

4. Reading—Lena Thagard.

5. Do I fully realize that while I am judging others I am constructing a standard for myself by which I will be judged?—Robert McGuire.

6. Piano Solo—Thelma Williams.

7. Are parents always as exacting with themselves as they are with their children? Ministers of their congregations? Teachers of their pupils?—Mrs. Wooten.

8. Would you not be as polite to a fellowman as to a picture? Put him in the best light.—Marivena Bartley.

League Benediction.

LAYMAN'S ORGANIZATION

Sunday afternoon at 4:30 the Baptist Laymen met at the Baptist Church for the purpose of organizing a Baptist Layman's Organization. A large number was present, and the following officers were elected: Dr. E. A. Hopkins, president; Doyle Garison, vice president; and T. C. Russell, secretary.

Tuesday evening the officers of the organization met at the church with the pastor and appointed three committees, the Social Committee, Program Committee and the Committee

for Church Development. On the Social Committee are: E. P. Nelson, chairman W. L. Fry, Truett Butler, M. F. Hopkins, Frank Moore, D. C. Hamilton, and J. E. Swenson. On the Program Committee are: Geo. W. Ellis, chairman; G. C. Tubbs, Elmer Caudle, Dr. I. W. Hicks, and Elmer Woods. On the Church Development Committee are: E. C. Nelson, chairman; T. S. Stevenson, J. M. Hamner, W. P. Daily, J. D. Price, J. S. Collins, and A. A. Jones.

The next meeting of the organization will be held on the first Sunday in August.

FLOYDADA PEOPLE GO TO POST ON PICNIC

A number of people left here Saturday in cars bound for Post City. After reaching that place they went to the lake near town and had a great time, according to their report. They spent Saturday night and Sunday at the lake and returned here Sunday evening.

In the crowd were: Mesdames W. P. Daily, R. C. Henry, E. J. Moorehead and W. L. Heagerty; Miss Irene Daily; Messrs. R. C. Henry, B. K. Barker, Bill Daily and Kenneth Henry.

LIKES SOLITUDE MORE THAN CITIES

Edmonton, Alta., July 22.—"I have been in civilization a year now and I am going back home as quickly as I can," said W. D. Clark, who has been a hermit in the Arctic wilderness nearly

a quarter of a century.

Clark's "home" is on the headwaters of the Peel river, 180 miles from Herschel Island and 110 miles from Fort McPherson. His nearest neighbor is 56 miles away. They see each other once a year. With the exception of this one other man Clark is the only human being in a thousand square miles of country. The Indians do not go that far north and the Eskimos do not come so far south.

"Once a hermit always a hermit," said Clark preparing to return to the solitude of his cabin in the wilderness. "A hermit wants nobody's pity. I wouldn't trade my solitude for all the pleasure and excitement of cities.

"I have seen 10,000 caribu in one herd. What have you in the cities like that?"

"The mercury gets down to 75 degrees below in winter but it is really the most healthful climate in the world."

NOW IS THE TIME TO BUY A

Clark Right Lap Plow

We have just a few of them left. We guarantee them to do all we claim for them. They do almost twice the work with the same power. Repairs are reduced to a minimum. They leave the ground in better shape.

The Clark Double Action Harrows

Take the ground better. Have a center disc that leaves no ridge unbroken. Are on a rigid frame that holds them to their place.

We can supply any of the best models. Just received, new August Records, Needles and Repairs.

Wilson Kimble

HEALTH NOTES

By Dr. M. M. Carrick, State Health Officer.

"Public Health is purchasable. Within natural limitations, any community can determine its own death rate."

The human machine is a most delicate device and it needs inspection and adjustment occasionally, if it is not to be scrapped before its time.

The proper Care of Food at Home, on ice in summer and covered so as to protect it from flies and dust and unnecessary handling at all times will help to keep down disease.

Health determines your happiness.

A carefully made out birth certificate is one of the first duties we owe the new-born baby. Great trouble may be saved that same child in later years if that matter is attended to early. The children are the state's greatest asset.

Eat your meals with good cheer. Worry and grief retard the digestive processes.

Eat bread and raw vegetables at the beginning of the meal—these stimulate the flow of gastric juice.

When typhoid fever appears in any family, having been contracted somewhere else, special precautions must be taken to keep the disease-germs from reaching other members of the household or neighbors. Directions to this end have been prepared with care by the State Board of Health and may be obtained free upon request.

A sanitary privy costs about \$10; a case of typhoid fever costs at least ten times as much, and may result fatally. Which is cheaper?

The timber used in building sanitary privies will never be needed for making coffins.

Many people have an idea that dogs only go mad during the so-called "dog days." As a matter of fact, the disease that drives dogs mad—hydrophobia or rabies—can be contracted at any time from a rabid animal and is scarcely more prevalent in Texas at one season than at another.

POTATO VINES ALSO HAVE FULLY DEVELOPED TOMATOES

Elmer Prichard has turned over to the Normal a bunch of vines on which grew both potatoes and tomatoes. The vines bear both vegetables fully developed.

Mr. Prichard states he planted potatoes. He noted some weeks ago that the vines were producing tomatoes, and on investigation found the vines also had small potatoes. He asked a number of local people concerning the freak, and is informed that experiments have been made in California to produce both vegetables on the one vine. It is said that the experiment has not proven satisfactory as neither vegetable usually fully matures before the vine dies.—Randall County News.

ROCKEFELLER DISPOSES OF MOST OF STANDARD STOCK

New York, July 20.—John D. Rockefeller has disposed of all his vast holdings in the Standard Oil Company of New Jersey, with the exception of 1,000 shares of common stock valued at \$106,875, according to an account published by the New York World today.

The World's list shows that John D. Rockefeller, Jr., now holds 452,080 shares of the common stock and 88,970 shares of preferred; the Rockefeller General Education Board 170,320 common and 56,779 preferred; the Rockefeller Foundation 196,000 common and 55,000 preferred and the Laura Spellman Rockefeller Memorial Fund 40,000 common and 19,000 preferred.

No information was available as to whether Mr. Rockefeller was making transfers of any of his other vast holdings.

G. H. McCleskey, of Commanche, Oklahoma, was here the first of the week for a short stay with his brother, N. W. McCleskey.

G. W. Gilley of Abilene, is here this mid-week on business.

CANYON OFFICIALS REJECTS ALL PAVING BIDS

There will be no paving around the public square of Canyon until a contractor is located who will do the work within the boundaries set by the engineers. All bids for paving were rejected by the city council at the meeting Monday evening owing to the fact that the lowest bid was \$6,000 more than the engineers' estimate made eighteen months ago.

TO BE STABLE
Readjustment is About Completed and Business is Looking Up

Price readjustment in the automobile industry seems to have been about completed, judging from the final report just issued by the National Automobile Chamber of Commerce, which shows changed prices on the various makes of cars. The new prices, in many instances, go back to the figures of a few years ago, notwithstanding that the models, in many cases, are bigger with better finish and such additional equipment as cord tires and improved electrical apparatus.

In the opinion of students of the industry, the midyear change is bringing increased sales to all companies.

Carload shipments from the factories during April and May were 67 per cent of the production for the same two months of last year, and there is reason to believe June was at approximately the same rate.

A Real Comparison

Compared with the feverish rush of motor cars last spring a two-thirds demand looks to be a big falling off, but compared with normal years it shows that the motor car business is faring much better than other lines.

There has been a steady demand for used cars, prices of which have also been substantially reduced. Lower prices of new cars have been offset somewhat by the reduced allowances on used cars when offered for a trade in by the retail buyer. In other words, many who waited for the reductions of the last few months saved comparatively little because of the lower valuation on their old car.

Good buying power has been shown where prices have been reduced or where it was known that present prices and quality would be maintained. The National Automobile Chamber of Commerce figures show that with more than 8,000,000 passenger cars in use, the replacement demand alone should be about 1,000,000 cars. The production of passenger cars last year was 1,883,000. To show how close are the new prices, one of the largest manufacturers in his last cut was only able to reduce \$25. The manufacturer is producing at the rate of 110,000 vehicles a month. During this readjustment period some cars are being sold at a loss because of the high wages and the costly materials that were bought last fall.

The success of the automobile industry has been based on big production and the resulting low prices which insure a broad market. For that reason every effort has been made to produce better cars at lower prices to insure the big productions which make increased values possible. Moreover, in these readjustments of the last few weeks, motor car manufacturers generally have taken into consideration the need for increased car and truck sales by the 35,000 dealers throughout the country.

The truck business continues to be on a par with general business, but with an improved future just as soon as general construction and road building programs get under way and railroads perfect their plans for the use of motor trucks for short haul traffic and in connection with store-door delivery.

BRUNK'S COMEDIANS OPEN HERE NEXT MONDAY

Brunks Comedians with Harley Sadler will open an engagement in Floydada for one week, starting next Monday night on lots N. E. Cor. Square. They have recently received their new tailor-made tent of special design, which is the finest that can be built in America, say the factory. It has a seating capacity of 1,800 and is waterproof.

All new plays will be introduced by Mr. Sadler this season, including several late releases of New York successes.

The opening play next Monday night will be a 4-act comedy drama entitled "When Dreams Com True," which is a wonderful play and shows Mr. Sadler at his best as a rural "Country Kid."

Other plays to follow are "Jim's Girl," "Kentucky Soo," "A Wise Fool," "The Shepherd of the Hills" or "Out of the Fold" Etc., all new to this territory with new vaudeville between acts and the best band and orchestra traveling with any company.

What the papers say of us: "Mayor Wozencraft of Dallas entertained a party of friends at the Brunk's Comedians Tent Theatre in Dallas last week and said: 'I laughed until my sides hurt and will say this show is clean, moral, and up-to-date, and a credit to any city.'"—Dallas Daily Times-Herald.

"THE STORE WITH THE GOODS"

The new fall merchandise is arriving daily and we're ready for you

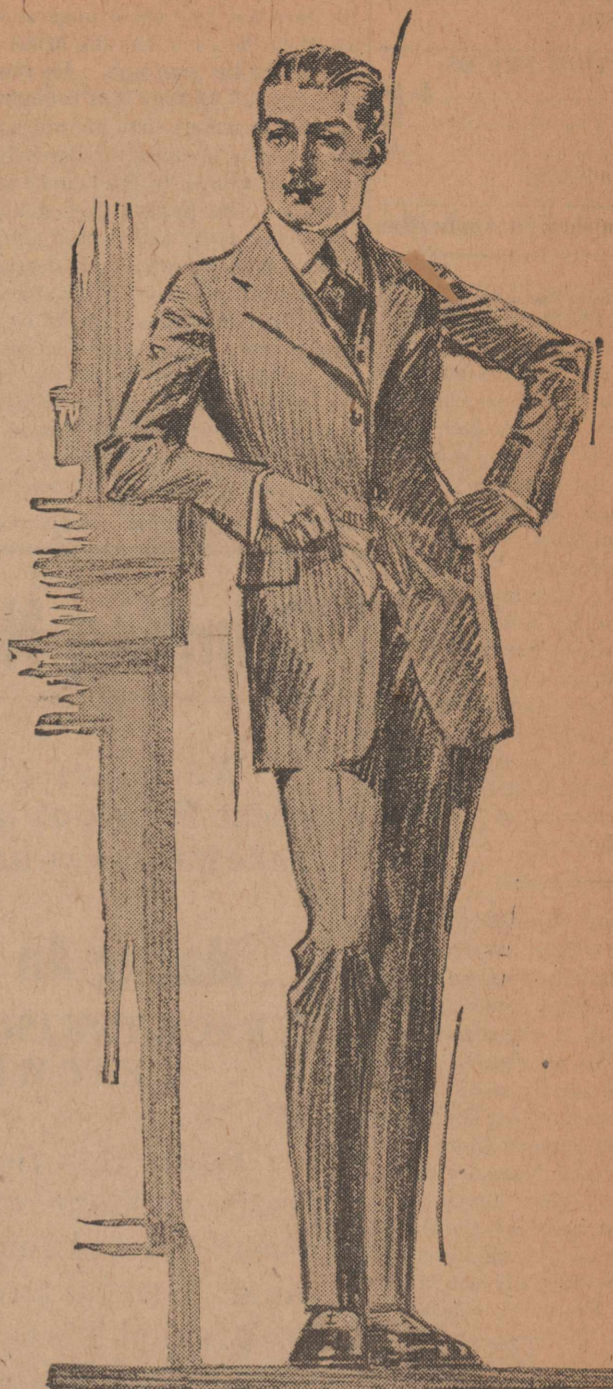

This week we wish to call your attention to a few of the many new things that every express brings to us from the great eastern markets, where our buyer is now purchasing the new things for this store.

MEN'S NEW FALL SUITS

Men's new fall and winter suits, in snappy young men's models and the conservative models for the more conservative man, all are good all-wool worsteds, and the patterns are beautiful. You'll more than be surprised at the prices when you have seen these suits for you have not expected to see such suits as these for the prices.

PRICE RANGE \$20.00, \$25.00 \$30.00

Come in and let us show you,—A good range of patterns and sizes are here to choose from.

THE FIRST SHOWING OF WOMEN'S AND MISSES' NEW FALL DRESSES.

Canton Crepes, Crepe Satins, Charmeus, Tricotines and Poiret Twills. You will find us well stocked with a large variety of these dresses for this first showing. We are not competing for the doubtful honor of selling the cheapest dresses, but we can say that we are selling the best dresses for the money that can be bought and we stand ready to prove it to you if you'll give us a chance. Come in and see the new dresses that are here and are arriving every day now.

THE PRICE RANGE IS \$25, \$29, \$30, \$39.

We have just received a new shipment of women's Packard Oxfords, in black and brown glazed kangaroo, Priced at \$8.00 and \$9.50.

Martin Dry Goods Company

Foreign Advertising Representative THE AMERICAN PRESS ASSOCIATION

The activities of the Ku Klux Klan in Texas are drawing down condemnation from every quarter, and since the organization is a secret one and has been taking the law into its own hands, committing deeds which in themselves are unlawful, it seems that means should be found to put a stop to their activities. Conditions in this day and time do not compare with conditions out of which grew the K. K. K. of reconstruction days following the Civil War. The organization then was a last resort. In these days there is no need for a K. K. K. or any other organization which presumes to take law enforcement out of the hands of constituted authorities.

There are many conflicting ideas about where West Texas really does begin, attention having been called to this thought in a recent article in The Dallas News. In a compilation of figures showing the number of state institutions in the state, their location and the money expended for their upkeep. This article strongly hints that Austin, Gatesville and Waco are within the confines of West Texas. To the plains resident, and from the clarified vision one gets from this section of the state, these cities are not at all in West Texas. From the viewpoint of a person near the Louisiana line, they are "way out west," and so the conflicting ideas grow. Perhaps, if all of the Panhandle-Plains country would cease to dub themselves West Texas and declare themselves in the panhandle, it would be more satisfactory all the way round. At least, there could be no doubt about where the panhandle begins.

FAVORS DIVERSIFICATION

The following editorial from the Lockney Beacon of last week has in it considerable food for thought. It argues against gambling on the "one crop" system in farming in Floyd County:

One of our progressive farmers living south of town stated in our presence last Saturday that he would not sow any wheat at all this year. He only had a small acreage this year, and he said it was a bother and hindrance in the cultivation of his row crops. Mr. E. T. Pratt is the farmer's name. He raises hogs and feeds his maize. He has been marketing hogs throughout the present year, and has quite a number to market this fall. He does not buy these hogs and fatten them out, but has his brood sows and raises his own pigs. He recently sold 12 head of hogs that brought him more clear money than his wheat crop. Mr. Pratt is farming intelligently and is adding wealth to the county and to himself. The Beacon does not advocate doing away with wheat altogether as a money crop, but it does advocate curtailment of the acreage, and more time and thought given to hogs. This country can be made the greatest hog producing section of the world. We can meat the nation when our resources are properly developed. This country is the home of the hog. They never have cholera, they grow larger

and with less effort than hogs can be raised in any other section of the United States. Every farmer in Floyd and adjoining counties should raise himself a substantial crop of hogs this coming year. Cut your wheat acreage in two, and plant plenty of feed another year. If you have more land than you can cultivate in this manner, build you a few rent houses or sell some of it. Bring your acreage down to about half of what you have been cultivating, farming less with better methods.

BIFFLE-FORT

On last Thursday J. G. Fort and Mrs. Fred Biffle motored to Plainview and were united in marriage, Rev. Clements of that place officiating. They returned home Friday afternoon, and a number of their friends "serenaded" them that night.—Silverton Star.

W. J. Burke who is still in Amarillo attending to his interests there spent last week end here with his family.

SPOKANE, WASH., FAMILY VISIT RELATIVES HERE

J. M. Olson, wife and son, of Spokane, Wash., left Monday morning by auto enroute home after a week spent with Mr. Olson's brother, O. B. Olson and family.

They had also been visiting relatives in north Texas while in this state.

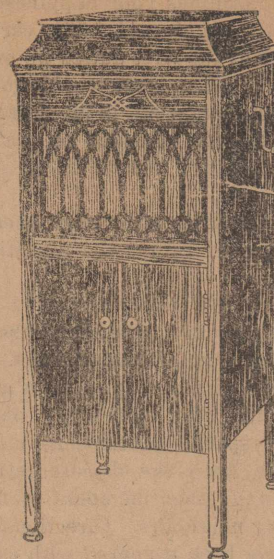

Mr. and Mrs. D. S. Davidson and children and Mrs. W. E. Buckley, left Thursday of last week for their home at Polytechnic, Texas, after a two-weeks visit with Mr. and Mrs. T. H. Benton and family here.

Mr. and Mrs. Walter Carpenter, of Matador, were visiting here Saturday.

Ed Williams, of Dor Sunday.

Meta-

REASONS FOR CLAXTONOLA SUPREMACY

ITS UNIVERSALITY: The "Golden-Throated" Claxtonola is a combination of all phonographs in one. It plays all disc records. All the world's artists play and sing their best for the audience of the Claxtonola.

ITS DUPLEX TONE ARM: Instantly adjustable for all makes of records. No attachments necessary.

ITS TONE AMPLIFIER: No part of the Claxtonola receives greater care in its manufacture than the horn or amplifier. The amplifier is made of selected spruce and shows the latest improvement, the "Golden Throat." This is one reason for the amazingly clear, sweet, full deep tone of the Claxtonola unexcelled by any other phonograph.

ITS REPRODUCER: It is evident that no phonograph can be better than its reproducer. The Claxtonola reproducer will

reproduce the most delicate strains of any musical instrument or the human voice in their full volume and absolutely flawlessly.

ITS MOTOR: The motor is extra strong, noiseless, non-vibrant, non-varying; all parts accessible for inspection, exposed parts nickel plated.

Its Accurate Automatic Stop

ITS CABINET: The cabinets of all models show graceful lines and charming curves. The workmanship is of the best, the wood of the finest grain, making cabinets of exclusive design and surprising beauty.

ITS RECORD FILES: They are simple, neat and roomy.

ITS DURABILITY: You buy for a lifetime when you buy a "Golden-Throated" Claxtonola.

We also have other good makes of talking machines. Price range \$125.00, \$150.00, \$175.00 to \$225.00. Come in and let us show you.

Grinding New Wheat Now

We began grinding on 1921 crop of wheat Friday of last week, and in order to make it move we are

Making An Extra Good Price

IN FACT, THE PRICE IS BASED ON PRESENT WHEAT PRICES.

While this flour will not be hardly so pretty as flour we made from last year's wheat you will find that it is GOOD just the same. Several have tried it out already and declare that it is O. K. in every respect. Then the fact that it is priced on present what crop sales prices makes it a doubly good buy.

You save money.

You Patronize Home Industry. When you buy FLAVO from

Floydada Mill & Elevator

J. A. ABERNATHY, PROP.

"Ouija! What's the good word?"

MY YOUNG sister,
 HAS A Ouija board,
 AND SHE believes it,
 AND TALKS to Noah,
 AND I think she talks,
 TO HER best fellow,
 WHO'S DEAD but doesn't know it,
 AND I used to give her,
 THE LOUD, rude laugh,
 BUT I'M sorry now,
 BECAUSE LAST night,
 I WAS home alone,
 SO I got the board,
 AND PUT in a call,
 FOR JOHN Barleycorn,
 AND OTHER departed spirits,
 BUT THE line was busy,
 FOR NOTHING happened,
 THEN I cheated a little,
 AND IT spelled this,
 "GRAMMASHOTTA SEVEN."

SO I shut off quick,
 TO HEAD off any,
 FURTHER FAMILY scandal,
 THEN I stopped to smoke,
 A CIGARETTE,
 AND AFTER a while,
 I CRANKED up weejee,
 AND ALL of a sudden,
 IT STARTED off,
 AND QUICK as a flash,
 IT SAID something,
 "THEY SATISFY."

"SATISFY"—that's the good word. Just light up a Chesterfield and see what experts can do with fine Turkish and Domestic tobaccos when they blend them in that can't-be-copied Chesterfield way. You'll say "they satisfy."

Did you know about the Chesterfield package of 10?

They Satisfy Chesterfield CIGARETTES

ARRESTS MADE IN CURRENT CHEATING

Denison, July 22.—Two arrests have been made and fines applied to parties charged with diverting electric current around their electric meters in Denison. It is said other arrests will be made. It is claimed by officials of Texas Light and Power Company that there has been a heavy fall-off in electric light receipts and all men have been sent to Denison to uncover the cause, which they are doing rapidly by finding different meters in houses for diverting current.

Miss Dona Gibson left the latter part of last week for Houston where she will spend a two weeks vacation with her mother.

Lee Young and Albert Traweck, of Matador, spent Saturday night and Sunday here.

PROMINENT POLITICIAN OF N. MEXICO VISITS HERE

Lieut. Governor Duckworth, of New Mexico, was among the party of visitors in Floydada Friday and Saturday last with the Clovis Ball team on their tour of the plains.

Mr. Duckworth is an enthusiastic baseball fan but not one of the rabid pop-bottle throwing kind.

Mrs. Anna Smalley and children left Sunday morning for Wellington to attend the funeral of Jess Collins. She will spend several days at Wellington and will also visit at Paducah before returning home.

Miss Evelyn Pitts, of Lakeview, is visiting this week with Miss Frances Edwards of Petersburg.

Mrs. G. S. Craven, of Matador, was in town shopping Friday of last week.

C. I. Cary and Harley Sadler, of Brunk's Comedians now in Plainview, were in Floydada Tuesday while Mr. Carey was engaged in advance work for the show.

Mrs. J. M. Fondy who was visiting here last week with J. H. Fondy and family returned to her home at Slaton Saturday.

Homer Sheets, of Matador, was in Floydada on business Monday.

C. R. Houston and W. C. Grigsby spent Sunday in Plainview.

J. W. Davis and wife, of Petersburg were shopping in Floydada Monday.

W. C. Wood, of Lockney, was a business visitor in Floydada Monday.

Boyd Roberts spent Sunday in Matador visiting with his relatives.

Miss Fleeta Fullingim, of Estacado, has been here the past several days on a visit with her grand parents, Mr. and Mrs. W. A. Shipley.

Judge C. B. Whitten of Quanah, former County Judge of Motley county, and D. C. Carpenter, of Matador, were here Saturday.

Miss Naomi Harmonson, of Fort Worth, is here on a visit with Mrs. J. U. Borum and will spend several days here.

SOMETHING TO THINK ABOUT

Hogs are selling around \$10.50 per hundred on the Fort Worth market. This means that your maize is bringing approximately \$2.00 per hundred, if marketed through hogs.

The pig crop is the only money crop you can raise that brings in the coupons twice each year. While you are worrying about the hail on your wheat and the boll worms in your cotton, the faithful old red sow (the greatest pork producing machine ever invented) is always on the job raising two litters each year.

Another thing: If you are a Doubting Thomas about the profit side of the hog business ask your neighbor who has been in the hog business for a number of years. I can show you men who have been engaged in the hog business continually for 10 years or more who will tell you their hogs have always made money for them. One said, "I feel like I can take a bunch of red sows and do anything."

On August 10, 1921

I WILL SELL AT AUCTION

23 Head of Registered Duroc Gilts and Young Sows

BRED TO PATHFINDER'S EQUAL, the sensational young boar I bought from Hanks & Bishop, of New London, Iowa, last fall. I believe this is the largest boar for his age in the south. He will be shown at the State Fair in Dallas this fall. Come look him over sale day whether you buy or not.

Why not have a few porkers on hand to sell at different intervals in the year and have money coming in all the time?

You will have the opportunity at this sale to get Durocs bred from the best blood lines in America—and the best bred hogs are the best to market because they make killing weights quicker and at less expense.

I Am Not Expecting Fabulous Prices in This Sale.

Everything has been reduced to pre-war prices and I expect to sell my neighbors and friends these sows and gilts on a pre-war basis.

LIBERAL TERMS TO RESPONSIBLE PARTIES

Sale will be held at my farm one and one-half miles northeast of Floydada and lunch will be served on the ground at noon.

SALE BEGINS PROMPTLY AT ONE O'CLOCK

Local and Personal

Ira D. Gamble and family returned home Thursday afternoon of last week from a visit of twenty days in North and Central Texas, touching at Gainesville, Denton, Dallas and spending sometime at Ennis with relatives. On their return they were accompanied by Miss Cecil Owens, a niece of Mrs. Gamble, who is to visit here and at Lubbock until the latter part of August.

N. L. Ross, who lives east of Floydada, sustained painful injuries Sunday night when he was kicked by a horse. His knee joint was dislocated physicians who attended him said. He was in Floydada when the accident occurred and was taken to the residence of his grandparents, Mr. and Mrs. J. C. Dickey for medical attention.

Mr. and Mrs. S. R. Crim who were here last week visiting J. A. Awtrey and family, were accompanied by Miss Tommie Lee Awtrey when they left for their home in Vernon, Texas, Thursday morning of last week. Miss Tommie Lee will visit friends and relatives in and around Vernon for the next three weeks.

Mrs. F. G. Hudson, accompanied by her nephew, Phelix West left Tuesday morning for Lubbock where she will visit relatives. She will be gone two weeks or more and will also visit relatives at Hamilton and Clifton, Texas.

Mrs. W. L. Heagerty of Fresno, Calif., who has been visiting here with her parents, Mr. and Mrs. W. P. Daily, returned to her home Tuesday morning. She was accompanied by her sister, Irene, who will spend some three months visiting in California.

R. J. Lucius of Negreet, Louisiana, who was here last week looking after his real estate left Friday morning for New Mexico where he has other interests. He was accompanied by his son, Jack.

Deil Hatch and wife, of Big Springs, Texas, accompanied by their grand daughter, Mabel Robb, of Dallas, were here from Tuesday of last week to Monday of this week visiting Justice Gaither and wife.

John Edwards and Bert Ione Smith, son and daughter of Mrs. Jno. W. Smith, spent Saturday to Tuesday near Petersburg visiting their grandparents, Mr. and Mrs. J. C. Edwards.

Mr. and Mrs. W. H. Williamson, of Gatesville, Texas, are here visiting with Mr. Williamson's brother, B. L. Williamson and his sister, Mrs. R. T. Stribling.

Rev. and Mrs. W. C. Garrett were here from Matador last Friday on business. Rev. Garrett is the pastor of the First Baptist Church of Matador.

Miss Ella Dorrell who has been visiting here for the past month with her brother, L. H. Dorrell and family, returned to her home in Granger, Texas, Saturday last.

Mrs. L. M. Strickland left Monday morning for Plainview where she will take a course in nursing at the Plainview Sanitarium.

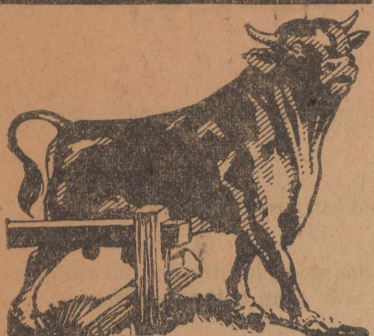

Mrs. Richard Starcke who has been visiting here with her sister, Mrs. A. P. McKinnon, returned to her home in Bastrop, Texas, Monday morning.

Mrs. R. E. Hill and daughter, Helen, of Plainview, who has been visiting her brother, W. C. Grigsby, the past two weeks returned home Saturday.

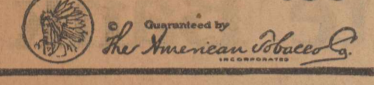

J. W. Crawford and family of Childress, were in Floydada for a short time Friday enroute home after visiting in Plainview and Lubbock.

Alvin Stearnes, John Plumlee and Leonard Gloyer, all of Matador were here Saturday.

R. H. Hutto and son, of Matador, passed through here Friday on their way to Plainview.

Announcing The Nash "Four"

With perfected valve-in-head motor

July first Dodge Brothers ruled that no other car could be handled under the same roof with theirs. And, with the advent of the NASH "FOUR" WITH PERFECTED VALVE-IN-HEAD MOTOR, combined with the fact that there is also a large volume of business on "SIXES" and Trucks, we had no trouble in making our decision, and have discontinued the Dodge Brothers line. The Carter-White Motor Company of Plainview will hereafter look after sales in this territory on Dodge Brothers line.

Nash Cars and Trucks Are Manufactured By C. W. Nash

Mr. Nash is one of America's foremost Automobile engineers. He is the originator of the VALVE-IN-HEAD MOTOR, having spent a number of years at the head of the factory manufacturing one of our most popular "SIXES" of that type. He christened the NASH MOTOR the "PERFECTED VALVE-IN-HEAD MOTOR" which is truly a perfection. His twenty eight years experience in building motors reflects the true value of NASH CARS. They are also kept in alignment with actual costs. They are not changed to meet other prices or selling conditions, favorable or unfavorable, therefore NASH value has become a standard to judge by.

The Nash "4" Is Also a Perfected Valve-in-Head Motor

We are living in a "MOTOR AGE," just in it's infancy. Man nor beast no longer bear the burden of drudgery. Members of older manufacturing concerns are grasping new ideas and find ample capital for putting them into effect. C. W. Nash left the head of a gigantic concern to take up from the ground floor the NASH LINE. And, asked the question today "Why we would discontinue an old well-established line like Dodge Brothers to take up a newer line?" we would sum the situation up about as follows: The resources of the two manufacturers are almost equal. The experience in manufacture and distribution is in favor of NASH. The endurance of the two cars are thus far quite equal. And, we would go further and compare specifications of important units as follows:

NASH

DODGE

MOTOR: PERFECTED VALVE-IN-HEAD high speed; high efficiency; 3 3-8 inch bore, 5 1-2 inch stroke; 237.17 cubic inch piston displacement; 40-50 H. P.
LUBRICATION: Circulating splash, and force feed to bearings.
CRANKSHAFT: Selected forging steel. 35 per cent Carbon double heat treated. 2 1-2 inches diameter COUNTER-BALANCED; Runs at true balance at all speeds.
BEARINGS: Die cast babbit braced backed; 16 1-16 inches bearing surface on crankshaft. Which is extra width.
BRAKES: Foot brake both internal and external contracting; Drum 13 inches diameter, 2 inches wide. Emergency, external contracting drum mounted on extended transmission shaft. Considered the most advanced engineering practice.
STEERING: Gemmer type irreversible. Not found on cars below \$2,500.00.
SPRINGS: Front 37x2 inches; rear 53x2 inches. No torque or radius rods. Means longer life to tires. Each leaf vanadium steel.
REAR AXLE: Hotchkiss type drive; semi floating; drive and torque through rear springs. No radius rods. All strains absorbed through rear springs.

MOTOR: "L" head, 3 7-8 inch bore, 4 1-2 inch stroke. 212.27 cubic inch piston displacement; 30-35 H. P.
LUBRICATION: Pump and splash.
CRANKSHAFT: Drop forged steel 1 5-8 inches diameter.
BEARINGS: Die cast babbit braced backed; 13 25-32 inches bearing surface on crankshaft.
BRAKES: 14 inch drum on rear axle; foot brake external; Emergency internal; 2 1-2 inches wide.
STEERING: Worm and worm wheel type.
SPRINGS: Front 35x1 3-4 inch; rear upper 17 1-2 inch, lower 43x2 inch. Main leaves vanadium steel.
REAR AXLE: Full floating; rigid construction.

The wheelbase, front axle, transmission, clutch, size of tire, valves, cooling system, fuel system, Etc., are about equal. The body lines are very much in favor of NASH; Marvel carburetor on NASH excels by far special carburetor on Dodge. Connecting rods on NASH much longer and lighter than Dodge. NASH uses 6 volt battery; Dodge 12. NASH is equipped with Wagner electric system, and Dodge with North East, which leaves little room for argument either way. The roominess of NASH cars, all models, excels Dodge.

Endurance Is What Counts

It is an established fact that our motors of today producing the maximum turnover are of small bore, light pistons, long stroke, counterbalanced crankshaft, with forced feed and splash oiling system combined. The NASH FOUR has all the above. There is times when an owner is forced to travel at a high rate of speed, and a counterbalanced crankshaft which runs at true balance at all speeds is the only solution of endurance. MR. PROSPECTOR, you can get all that in a NASH FOUR.

Accessibility Coming Feature In Automobiles

You can remove your camshaft and replace new bearings in NASH CARS (all models) without removing your motor from the frame. You can put in new bearings throughout without removing motor from frame. Your valves are more accessible and easier to keep at proper gauge. You have less parts in a NASH MOTOR than any other motor. Not necessary to remove your motor from frame ONLY in case something happens to your crankshaft. When you lift a motor from the frame it costs you approximately \$25 extra labor.

Service An Important Factor

Regardless of where you go today you will find NASH SERVICE. There is a NASH DEALER in every centrally located district. We will begin NOW to place NASH SERVICE on top, as we realize service to be the car owners watchword in making his purchase.

You Will Like a Nash Car or Truck

We will be able to show you a NASH FOUR within a short time. We are on the job with NASH-SIXES now, also Trucks. If you are interested in a car, don't be prejudice, but consider the fact that a man twenty eight years on the job building one type of motors, surely knows their weak and strong places, and has a product worth while. If you are not mechanically inclined consult a neighbor whom you know to be, or come in and let us go over every unit in detail with you. We invite the most rigid comparison of any motor car, regardless of price.

SIXES	FOURS	TRUCKS
5 Passenger Touring	5 Passenger Touring	1 Ton two wheel driven
2 Passenger Roadster	2 Passenger Roadster	2 Ton two wheel driven
4 Passenger Sport	3 Passenger Coupe	2 1-2 Ton two wheel driven
7 Passenger Touring	5 Passenger Sedan	3 Ton Quad four wheel driven
4 Passenger Coupe		
7 Passenger Sedan

FLOYDADA, TEXAS

SOW TURNIPS IN GARDEN TO FOLLOW EARLY VEGETABLES

As a crop to utilize garden space after early vegetables have been harvested, nothing is better than a turnip. Turnips should be planted in most parts of the country about July 25, but in the extreme South as late as the last of August and can be left in the ground until after several light frosts or all winter in the South. They are useful as a table vegetable and to a limited extent will supply the place of potatoes. It is the general opinion of specialists of the United States Department of Agriculture that the American public could consume many more turnips than it does, a fact of particular interest this year when there seems every indication of a curtailed potato crop.

For field sowing, turnips are usually broadcasted. The particular requirement is a reasonably rich soil finely raked and leveled off to avoid water collecting in pools. The seed should be sowed sparingly. One homey rule is to take the quantity which seems sufficient and divide it in half. After the seeds have been scattered on the surface of the ground, they should be well raked in. This may be done by dragging a piece of brush over the ground. The surface should be well smoothed. It is a good plan to sow turnips just after a rain, giving them opportunity to sprout before a crust forms. After sowing they will need little attention until harvest.

C. E. Reeder, wife and four daughters, of Borden County, have been here this week on a visit with Mr. and Mrs. G. R. Fort.

NEED A QUEEN?

Owing to improvement in the weather conditions, the State Experimental Apiary at San Antonio has a fine prospect to rear an unexpected extra supply of probably 150 pure-bred untested Three Band Italian Queen Bees for distribution to Texas apiaries wishing to breed up their colonies, according to Dr. M. C. Tanquary, Chief of the Division of Entomology, Texas Agricultural Experiment Station, A and M. College at College Station. To insure as fair and general distribution as possible, Dr. Tanquary states that it has been necessary to supply any one apiary not more than three queens on orders he receives.

Mrs. E. J. Harkey left Monday morning for Lubbock where she will spend three weeks visiting her mother, Mrs. Con Parrish.

THE PANHANDLE PROSPERS

Dallas News Editorializes on the Way Things Are Done Upstate and Morale of Panhandle Folks

Dallas News:

The farmer is in a bad way. The farmer is getting the worst of it. The farmer is quitting the farm. The farmer—but what's the use of banging away at this all the time? Up in the panhandle they have quit this business and are bringing in the harvest. It is a good harvest. Some of the farmers have real money salted away in the bank. The corn looks good. The wheat never looked better. Alfalfa and grain sorghums are going to turn out well. The farmer isn't going to starve to death after all—in the Panhandle.

It is a pleasantly different note from that which has thus far made up the chorus about the farm and about the people who are on the farm. It appears that Panhandle people have been tending something besides cotton, that the hail and the cold weather didn't get all the fruit, that banks and agricultural agents who have been trying to stock cowless farms with good cows and pigless lots with good pigs have not altogether failed. One of the comforting things about State-wide disasters in Texas is that they never are really State-wide. Sweeping threats of famine and pestilence in Texas simply don't sweep, somehow. Texas is too big and Providence smiles with too generous indulgence upon her people for the bottom really to drop out of everything, no matter how much the timorous may quake in their boots over the prospect.

The Panhandle knows what it is to take up a few notches in the belt and plant this year's crop in a faith which last year's failure and the failure of the years before that could not weaken or conquer. The Panhandle has had its years of short grass and its years of next to no grass at all. But the Panhandle came out of those years, tested and tried, but not found wanting. The good fortune that is hers in the food and feed crops of the present harvest are deserved by a people who will not be discouraged when the clouds withhold their moisture, as they have been known to do at times, or the hot winds atomize the face of the earth and blast it across field and pasture and habitation of man. But Panhandle folk stayed out those lean, hard years because they knew that good times were coming. Panhandle

folk believe in the Panhandle. If they reap now the fruits of that faith, they have but come into their own.

Panhandle farmers aren't going to be millionaires "come October," but they are going to be able to pay debts and feed their families and rear their children with at least some of the comforts of life. Might it not be possible that a little of the grit and determination which makes Panhandlers stick when the bad years come would help us all? Might it not be that some of the rest of us are hurt less than we supposed we were? Isn't it possible to find that the work of gathering in our own harvests will give us surcease from our pining about what we might have reaped had cotton stayed up or if the Reserve Bank had given each of us forty acres and a mule? At least these things are worth considering, in town as well as in the country.

KEPT RATS OUT OF CORN

Wilson Reed returned from a Fourth of July celebration at Clovis, and tells how the farmers in that part of the country keep the rats out of their corn. Last year the rats were so bad that it was almost impossible for the farmers to store their corn anywhere, that these pests would not destroy it. It was finally decided to transform the corn into a liquid. Mr. Reed says in some parts of the New Mexico country, corn made thirty gallons to the acre.—Lubbock Avalanche.

Local and Personal

W. C. Maupin and wife, of Calhoun, Mo., are here on a visit with L. H. Lewis and family, having made the trip cross country by auto.

Mrs. Bell Weaver, of Haskell City, Texas, is here visiting Rev. J. H. McCauley and family. Mrs. Weaver is Mrs. McCauley's mother.

What Business Is Ours What You Do With Your Money?

About a thousand sermons could be preached with that question as a text.

Summed up, though, the principal points would be these—

You owe it to the wife and kiddies to lay by for the rainy days, and you can't find a better way than a bank account.

You owe it to yourself to lay by funds and credit standing for investments you will want to make, and for the rainy days, and connection with a good bank is the very best way to do those things.

You owe it to the general public, of which you are a part, to help establish thrift habits, and the more people who practice thrift, the better conditions will be for all parties concerned.

First State Bank

FLOYDADA, TEXAS

Mrs. A. D. Burleson, Mrs. Roy Burleson and Miss Cara Burleson, all of Matador, were in town shopping Tuesday.

N. W. Williams made a business trip to Plainview the first of the week.

Mrs. Harry Campbell and daughter, of Matador, were in town shopping Friday of last week.

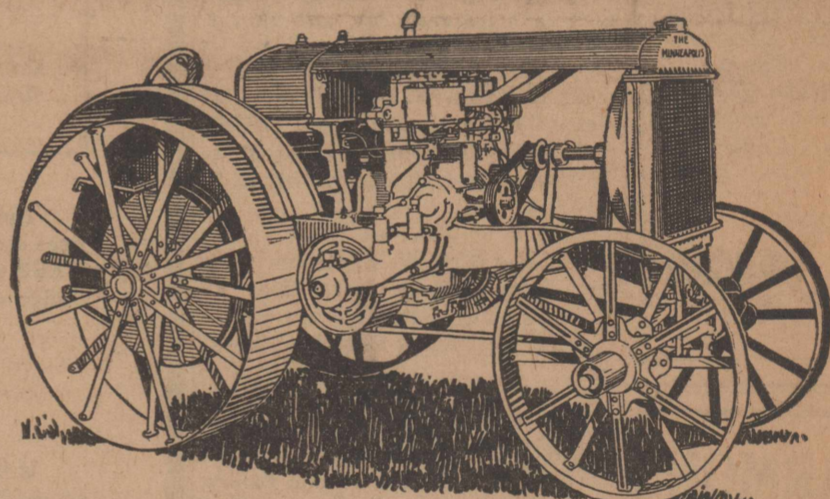

E. W. Holmes bought a 16-30 Oil-Pull tractor this week, which was delivered by the L. A. White Motor Co. yesterday.

W. A. Nash, of Plainview, was a business visitor in Floydada Wednesday.

Mr. and Mrs. B. P. Woody and son went to Jayton yesterday to visit. They will probably be back today or tomorrow.

A TRACTOR OF QUALITY

THE MINNEAPOLIS 17-30
4 CYLINDER VALVE-IN-HEAD MOTOR

REMOVABLE CYLINDER WALLS. ALL WORKING PARTS ENCLOSED. OIL TIGHT, DUST PROOF, BURNS KEROSENE.

MOTOR. Four vertical cylinders cast en bloc, mounted crosswise and having removable cylinder sleeves. Bore 4 3/4 in.; stroke 7 in.; speed 775 R. P. M.
CYLINDER SLEEVES: turned and ground. Interchangeable.
VALVES: located in head and made of nickel steel, ground and hardened.
CRANK SHAFT: 2 3/4 in. diameter turned and ground. Three bronze back babbit lined bearings.
PISTONS: 6 1/4 in. long, turned, ground and fitted with 4 rings.
PISTON PINS: 4 3/8 in. long, 1 1/2 in. diameter made of steel, hollow, case hardened and fastened in position with Woodruff key and dowel screw.
CONNECTING RODS: 14 in. long, drop forged, heat treated.
CAMSHAFT BEARINGS: 2 2-5 in. diameter, total length 7 1/2 in.
CLYINDER HEADS: Cast in pairs. Valves and spark plugs located in removable heads. A dust proof cover fastened to head with thumb nuts encloses the valves and rocker arms.
MOTOR LUBBRICATION. Mechanical oil pump and splash effectually lubricate all motor parts.
GOVERNOR. Fly ball type, our own make, enclosed and operating in oil.
IGNITION: High tension magneto with impulse starter.
FUEL: Kerosene, gasoline or distillate used. Gasoline tank capacity 6 gallons. Kerosene capacity 18 gallons.
CARBUREATOR. Kingston 1 3/4 inch. Intake air through cleaner and the fuel mixture are heated from exhaust. Special manifold with heat regulating valves. Water used with fuel. Suction water valve automatically controls the amount according to load.
COOLING SYSTEM. Tubular radiator and fan. Water circulated around cylinders and heads by means of a centrifugal pump having a capacity of 31 3/4 gallons per minute. Capacity of cooling system 8 1-2 gallons.
CLUTCH. Twin disc in belt pulley. A pulley brake is also operated by clutch lever so disengaging the clutch applies the brake to pulley face.
BELT PULLEY. 15 1-2 in. diameter, 7 1-2 in. face, mounted on crank shaft. Outer bearing is S. K. F. double row self-aligning ball bearing.
DRIVE WHEELS. Power applied to both rear wheels. 54 in. diameter, 12 in. face, fitted with 3 in. angle cleats.
FRONT WHEELS. 36 in. diameter, 5 in. face, 1 1/4 in. skid rings.
STEERING GEAR. Worm gear type, completely enclosed in transmission case.

We will show you this tractor working on your neighbor's farm.

Minneapolis Threshing Machine Co.

GUS HERBERG, DEALER

Tractor Prices Reduced

Effective at once our 10-20 TITAN and 15-30 INTERNATIONAL tractors are reduced 10 per cent and we can make the payments:

1-2 THIS YEAR
1-2 OCTOBER 1ST, 1922

Deferred payment to be made in note drawing 8 per cent interest. Can also sell plows and harrows on this payment plan.

LET US START YOU INTO THE POWER FARMING GAME.

O. P. Rutledge Co.
