N. S. SHERMAN WILL MAKE WATER MAIN EXTENSIONS

City Council Award Contract to Builders of Original Plant—Local Labor to be Used.

N. S. Sherman Machine and Iron Works of Oklahoma City, Oklahoma, were successful bidders for the extension of the waterworks mains for the City of Floydada, Saturday night when the City Council opened the bids for the work. There were seven bidders and all the prices ranged very closely together.

The successful bidders are to begin work as soon as the bonds are sold. Erie W. Sherman, vice president of the Sherman Iron Works, represented his firm in the negotiations here. All local labor will be used in the work, it was announced by Mr. Sherman, with the exception of one or two men. It was also stated as likely that on account of freight rates the ditches may be dug by hand labor instead of using machinery. Mr. Sherman superintended the first construction work on the local waterworks plant and is thoroughly familiar with local conditions.

The council did not accept any of the bids for the purchase of the bonds. Several good bids were received for them and negotiations are still under way this week. The bonds are looked upon with much favor by buyers because of the low indebtedness of the city. One buyer is quoted as saying that Floydada has the lowest percentage of bonded and warrant indebtedness, counting the issue now on the market, of any city in the southwest.

CHICAGO LADIES' SEXTETTE GET ENTHUSIASTIC RESPONSE

The Chicago Ladies' Sextette, appearing here Friday night of last week as a number on the Floydada Lyceum Course, got a hearty response from an audience which filled the auditorium of the Methodist church, loaned to the Lyceum Committee for the purpose.

A wide range of entertainment was given by the six talented young ladies, so that a part of the program suited practically every person in the audience, while many expressed their delight at the program throughout.

The program was put on without charge by the committee, only free-will offerings being accepted.

REV. HAYGOOD CALLED TO PASTORATE OF DENISON CHURCH

Rev. J. M. Haygood, who was for a year evangelist of Floyd County Baptist Association, and who has been pastor of the Albany Baptist Church for the past year, has been called as pastor of the Calvary Baptist Church at Denison, and has accepted the call, friends here learn.

He is moving to Denison at once to take up his work.

MOTHERS' CLUB PROGRAM ANNOUNCED FOR FRIDAY P. M.

The Mothers' Club will meet at the High School Building on Friday, January 27th at 2:30 P. M.

There will be round table talks on the subject, "Preparation of lunches for school children," led by the following ladies:

Leader—Mrs. Doyle Garrison.
Mrs. Welch, on "Planning the lunch."
Mrs. Lon Davis, on "Packing the lunch."
Mrs. J. B. Jenkins, on "Quality and Quantity of lunch."
Mrs. A. A. Beedy, on "Variety and attraction of lunch."
Mrs. Glad Snodgrass, on "Value of milk."
Mrs. Menefee, on "Value of fruits."
Miss Green, on "Sandwiches."
Mrs. Farris, on "Value of Sweets."
A full attendance is desired. A picture will be given the school room that has the most mothers or ladies representing it. This is a campaign for membership.

"UNDERS", 7 BY MARCH 1st, CAN ENTER SCHOOL

Supt. J. E. Parks announced this morning that "unders" who will be seven by March 1st of this year, may enter Floydada Public School next week.

This week marks the close of the first term at North Side and it is important that "unders" who are entered be started to school next week so as to get started on the half-year period to assure making the full half-grade before the close of the term.

Editor Ben F. Smith, of Lockney, was in Floydada Wednesday on business.

WILLSON & SON LUMBER CO. NEW YARD OPENING HERE

The Willson & Son Lumber Company is the name of a new lumber yard business being opened in Floydada, of which J. M. Willson, for a number of years with the Floydada Lumber Company, will be manager. The formal announcement of the new business was made Monday when Mr. Willson's resignation with the Floyd County Lumber Company became effective. Buildings for the new company are under construction and many thousand feet of lumber are on the ground for the stock. The new yard is located on East California Street. D. M. Willson is also interested in the enterprise.

J. M. Willson first entered the lumber business here when he and his associates bought the interest of the West Plains Lumber Company. After operating this yard for a number of years the company disposed of their holdings to the Echols-Cannaday Lumber Company in the summer of 1920. For a year or more Mr. Willson has been managing this business since its re-organization as the Floyd County Lumber Company.

No announcement has been made by the directors of the Floyd County Lumber Company as to a successor to Mr. Willson as manager of their yard.

WOOL SHIPMENTS TO BUREAU TOTAL OVER 40,000 POUNDS

Shipments of wool from Floyd County members of the Farm Bureau Federation to the Southwestern Farm Bureau Wool Association at Houston have to date exceeded forty thousand pounds, according to County Agent Wilson.

J. F. Conner shipped 745 pounds to the concentration point this week.

ENTOMOLOGIST SAYS SHIP BACK UNSTERILIZED SEED

Unsterilized cotton seed from points within the danger zone of pink boll worm are warned against in a letter this week from R. E. McDonald, State Entomologist, with the Texas Department of Agriculture, to T. Scott Wilson, county agent of Floyd County.

According to this authority all seed can be and should be sterilized before shipment from one section of the state to another. His advice is that the best aid to avoid scattering the pink boll worm is one which farmers themselves can apply. This is to ship back to the grower seed which has not been sterilized.

Roy Eubank, who accompanied Lewis Hancock, 3F Highway marker, on his westward trip to Las Vegas, spent Friday to Sunday at home, leaving Monday for Dallas and Galveston.

W. H. Seale and W. A. Nash held a mule sale at Matador Saturday, returning to Floydada and conducting a dry goods sale that night.

J. O. Wyckoff, of the O. K. Drug Company, and Dr. E. Lee Dye, of Plainview, were business visitors in Floydada Tuesday afternoon.

A. C. Goen returned home Saturday night from Eastland, where he had been on a business trip in connection with his holdings there.

D. F. Rice, who was injured in a fall some thirty days ago while doing work on a windmill tower, is practically recovered and is again at work.

Mrs. Pleas Nelson will leave Saturday for the millinery markets where she will spend an indefinite period buying for the Hat Shop for spring.

Mr. and Mrs. Clark and family of Plainview, spent Sunday here visiting W. H. Finley and family and Mr. and Mrs. R. K. McCleskey.

Judge A. P. McKinnon returned the latter part of last week from Austin, where he had been in conference with the attorney general's department.

Mrs. J. M. Hughes returned last week from Fort Worth, where she had been for some weeks on a visit with her sister, Mrs. Jim Liston.

J. F. Duck, principal of the Starkey School, spent part of last week in Clarendon, where he was a witness in District Court.

Deputy Sheriff D. E. Hamlin, of Woodward, Oklahoma, was here the first of this week on official business.

W. O. Shurbet of Lockney was in Floydada Monday on business.

J. S. Simmons of Lockney was in Floydada Monday on business.

Earnest Green of Lockney was in Floydada Sunday visiting.

C. B. Harder, of Plainview, was in Floydada on business Tuesday.

R. F. and R. E. Fry and W. B. Wilson are in Amarillo on business today.

MARKETING ASSOCIATIONS IN CAL MADE MONEY

Farm Bureaus in Every Community is Aim of Organizers who Come Here Feb. 9, 10 and 11

Special to the Floyd County Hesperian Amarillo, Jan. 24.—For the first time, Floyd County farmers will have the opportunity to see copies of telegrams, letters and bulletins from the California walnut, raisin and other farmers co-operative commodity marketing associations, formed exactly like the cotton, wool and mohair, wheat, potato, prairie hay, watermelon, alfalfa, peach, peanut, tomato, dairy products, grain sorghums, poultry, cattle, swine, and other exactly similar association have been and will be organized in Texas under the auspices of the Texas Farm Bureau Federation, when meetings are held in Floyd County on February 9th, 10th and 11th, under the sponsorship of the Floyd County Farm Bureau.

D. P. McCalib, Panhandle-Plains Supervisor of the Texas Farm Bureau Federation, read a statement issued here today by E. M. McCracken of Groom, one of the leaders in the Texas farm bureau, the Texas and National wheat growers associations, and Judge L. Gough of Hereford, also a leading farmer in all these organizations, will address Floyd County farmers under the auspices of the Floyd County Farm Bureau and the different community farm bureaus in the county, Mr. McCalib advised the officers of the county organization, who had asked that he secure the best informed men available to tell of the farmers organization.

"There are 40 farmers co-operative commodity marketing associations in California, and all made some money this year. No 'independent' made money," reads an extract from the California Commissioner of Marketing.

"To ask a Californian for a recommendation of the farmers co-operative commodity marketing associations, would be like asking President Harding to recommend the United States," an official of a California Chamber of Commerce wrote.

"The time has long passed when a farmers organization asked a bank for a recommendation. 'We cannot furnish any,' an officer of an organization selling 220,000 tons of raisins stated.

Members of this same organization were selling 'independently' 40,000 tons of raisins yearly at a loss, before organizing.

Mr. McCracken and Judge Gough will demand that someone in their audience ask to see the letters, telegrams and bulletins, for they are going to be prepared to produce the proof of every statement they make and have made.

Floyd County is going to make the Floyd County Farm Bureau among the strongest in the state, and before its membership campaign is completed there will be community farm bureaus in every community, and each will have a representative member on the County Executive Committee.

The Floyd County Farm Bureau officials will arrange speaking dates for Judge Gough and Mr. McCracken. As many addresses as possible will be arranged for them during their three days' stay in Floyd County, as they will be forced to fulfill other engagements in other counties immediately after their engagements in Floyd County are filled.

Mr. McCalib has promised the Floyd County Farm Bureau officers every possible assistance, and has assured them that several other counties desire to have the Floyd County Agricultural Agent address farmers meetings, as T. S. Wilson is considered one of the best informed County Agricultural Agents in Texas.

"ODDS" AND "EVENS" OF LEGION ABOUT EVENLY MATCHED

The "Evens" have the odds on the "Odds" in the McDermott Post American Legion membership and attendance contest which started last week, although their lead is slight.

Eight new members have been added to the post's roster since the contest began.

Quite a bit of enthusiasm was manifested at Monday evening's call session at the Legion Hall.

Prof J. J. Wilson, of Lockney Public Schools, and A. Pennington, secretary of the Lockney Commercial League, were business visitors in Floydada Saturday.

PLEDGES INDICATE C. OF C. TO BE WELL FINANCED

Annual Meeting of Members Friday Evening, February 3rd, will Elect Officers

Officers and directors for the ensuing year will be elected at the annual meeting of the membership on Friday night, February 3rd, when the activities of the Chamber of Commerce for the past year will be reviewed and round table discussion of the coming year's activities will be held.

Indications are that the Chamber of Commerce will be strengthened financially for the ensuing year. Pledges already made in addition to the support the organization is getting from individual memberships indicate the strong belief in the value of the organization. Very likely other pledges of material increase in financial support will be forthcoming by the time of the meeting.

Chairman O. P. Rutledge and Secretary R. E. Fry urge the attendance not only of the membership but also of every other citizen of Floydada, who is interested in its welfare. The meeting, it is hoped, will result in increasing the membership materially.

T. S. Stevenson is chairman of the committee having in charge the arrangements for the luncheon to be served at the meeting.

PLAINVIEW SWINEBREEDERS' CHOICE FOR 1923

Plainview was chosen as the meeting place for the 1923 convention of the Panhandle Swinebreeders' Association, F. W. Boerner, of Lubbock, was re-elected president and Earl Lewis secretary of the association, and J. I. Hammonds was elected vice president.

In the big sale of purebred swine on Wednesday, Hammonds' two entries in the sale ring sold for \$105 and \$110.

LOOK OUT FOR BUFFALO! THEY'RE HEADED SOUTH

Amarillo, Jan. 23.—Buffalo again roamed the plains in the vicinity of Amarillo today. Nine of a shipment of twenty-five head from Fort Sumner, N. M., to Hominy, Okla., made their escape from a local stockyard this morning after being unloaded to feed.

Following the tradition of their kind, the buffalo turned their backs to the blizzard which is raging here today and headed south. Cowboys were sent in search of the animals soon after their escape had been discovered.

I. D. GAMBLE REPRESENTS FAIR AT ABILENE MEETING

I. D. Gamble represented the Floyd County Fair Association at Abilene Monday in a meeting of the secretaries of West Texas Fairs who gathered there for the purpose of agreeing on exposition dates which would insure as little conflict as possible and give abetter line-up for high class attractions which in the past two years have begun to give more attention to West Texas and Panhandle Fairs.

Mr. Gamble, who is a member of the fair committee of the Chamber of Commerce, took the place of R. E. Fry, who was detained here by business in connection with the letting of the city's water works extension contract. Mr. Gamble went on to Dallas from Abilene on private business.

3F HIGHWAY MARKINGS TO BE COMPLETED THIS WEEK

Lewis Hancock, of Dallas, reached Floydada from Las Vegas, Friday night of last week, and left Monday morning on the last lap of the finishing trip which will land him in Fort Worth Saturday night, according to the schedule he has laid out for himself. On this trip he is completing the marking with the F. F. stencil, placed on the white band between black borders, which were made on the going trip, when he was in Floydada the first Sunday in the month.

The two days of rest here followed an arduous run from Las Vegas. With the exception of a very few miles he declares the route one of excellent roads.

FAIRVIEW NEWS

Fairview, Jan. 24.—We are having winter weather, which we would enjoy more if it were accompanied by snow.

Rev. Orrick filled his regular appointments at 11 o'clock in the morning and at seven in the evening Sunday. The B. Y. P. U. meeting was well attended and a good program rendered, but Sunday School was not so well attended.

There will be a singing at Fairview next Sunday afternoon beginning at three. We also want to reorganize our B. Y. P. U. Every one come, especially the young people.

Mr. and Mrs. Hoffman took dinner at the Austin home Sunday.

Mr. and Mrs. G. M. Bullard spent Saturday night in Floydada with their daughter, Mrs. J. L. Landrum. They attended church at Floydada Baptist Church Sunday morning. Little Ella Marie Landrum returned home with them to spend the week.

A party at Mr. McAfee's was enjoyed by several youngsters on Friday night.

Mr. and Mrs. Mitt Bullard took dinner in the Kneirim home last Sunday; they all went to church at Campbell on Sunday afternoon to hear Bro. McCauley.

Mr. Wiggington hauled grain to town Saturday.

Claude and Eula Snodgrass, Verne and Anna Austin and Lewis Bullard took Sunday dinner with Ernest, Inez and Alice Gordon.

Willie Pollan is home from Matador, where he has been for several weeks.

Mr. Nix and family visited at the Irwin home on Sunday afternoon.

Mr. and Mrs. Conner, father and mother Belden, Mr. and Mrs. Belden and daughter, Miss Marion, took dinner at the Montgomery home on Wednesday.

The pupils of Mrs. Irwin's Sunday School class presented her a bouquet of carnations last Sunday, it being her birthday. Rev. Orrick and Mrs. Belden, Mr. and Mrs. Clyde Irwin, Misses Marion Belden, Glennie Austin, Beryl Nix and Kate Bullard accepted the invitation to the Irwin home Sunday to the birthday dinner, and such a dinner it was—meats, vegetables, salads, pickles and celery, cakes, pies, fruits and candies—as one guest expressed it, "A regular wedding dinner." We enjoyed the remainder of the day, then left, wishing Mrs. Irwin many more happy birthdays.

J. U. BORUM AT HARDWARE MEN'S ANNUAL CONVENTION

J. U. Borum, accompanied by his wife and children, left Monday for Decatur, Krum, Justin and Dallas. At the latter place Mr. Borum will attend the annual convention of Texas Hardware Dealers.

His family will visit with relatives in that section while absent from home.

FLOYD COUNTY FAIR DATES SET FOR SEPTEMBER 25-27

Conflicting Dates of West Texas Fairs Eliminated as Far as Possible Under Agreement

Abilene, Jan. 23.—Organization of a permanent West Texas Fair Secretaries Association was perfected at a meeting of the West Texas Fair Secretaries held here today. Stuart L. Williams of the Runnels County Fair Association, was elected president and W. G. Kingsolving, Secretary of the West Texas Fair, secretary.

The meeting today had been called by the West Texas Chamber of Commerce to arrange dates for the various fairs of West Texas and to eliminate insofar as possible conflicting of dates. A schedule committee, which was appointed by President Williams, is composed of the following: Grady Kinsolving, Abilene; Curtis Keen, Lubbock; J. E. Bell, San Saba; George S. Plants, Seymour, and the secretary of the Board of City Development of San Angelo yet to be named. This committee will arrange the fair dates for 1923.

The following schedule of fair dates was adopted by the secretaries for this year: Sept. 12-16, Seymour and Childress; Sept. 14-16, Ballinger and Cisco; Sept. 21-22, Brownwood and Spur; Sept. 22-23, Colorado; Sept. 25-30, Abilene; Sept. 25-27, Floydada; Sept. 28-30, Plainview; Sept. 29-30, Brownfield; Oct. 5-7, Post; Oct. 17-21, Lubbock; Oct. 24-28, San Angelo.

PLEASANT HILL ALMOST UNANIMOUS FOR BONDS

Pleasant Hill School District will have a large, commodious brick building for the opening of their 1922-23 school term this fall, if the plans of the patrons and trustees do not go awry, following the voting Saturday of \$4,500 worth of bonds on the district for the purpose of supplementing \$4,500 bonds voted two or three years ago, making a total of \$9,000 they will have available for a new building, as soon as the record is complete and the bonds sold.

The vote was 15 for the bonds and 2 against.

A dandy auditorium for school and community meetings is included in the present plan for the building.

SCHOOL FAIR DIRECTORS TO MEET SOON

Directors of the Floyd County School Fair and Interscholastic Meet, who were to have held their first meeting of the year in Floydada Saturday, did not hold any session, a quorum not being present.

The directors will meet soon to begin plans for the fair.

FARM BUREAU SPEAKERS DATED FOR FEB. 9, 10 AND 11 IN FLOYD COUNTY

Judge L. Gough, of Hereford, and E. M. McCracken, of Groom, who are on an itinerary of the panhandle and south plains speaking for and organizing local groups of the Farm Bureau Federation, are billed for Floyd County on February 9th, 10th and 11th, according to advance notices received here yesterday. This week they are in Farmer county, next week they will fill dates in Hale county, which will be followed by Lubbock and Briscoe counties in turn, the speakers planning to spend from two to three days in each county according to its importance.

Federations are already formed and working in Floyd county, and it is expected these speakers will go into the matter more fully, and that a larger number of farmers than are now members will sign up. Commodity marketing associations will follow for the various commodities in which farmers of the various localities are interested.

It is possible that Lee Satterwhite, of Panhandle, will visit Floyd county on one or more of the dates set for the meetings in this county.

MOTLEY WINS BASKETBALL SUB-DISTRICT LEADERSHIP

Motley County has won the sub-district interscholastic championship in basketball for Floyd and Motley counties, the honor going to Matador High School which last week defeated Sand Hill, Floyd County champion school.

The Matador School will play Crosbyton School tomorrow, probably at Floydada for the championship of Floyd, Motley, Dickens and Crosby County sub-district.

No Business in Floyd County? Sure
there is for those who are going after
it.

Only five more days of the January
Poll Tax Sale, which positively closes
on January 31st. Get yours or do with-
out another year.

Hale County has three thousand
scholastics, which fact entitles that
county to the services of a school super-
intendent to give all his time to the
schools of that county.

Only five more days to pay your
poll tax and get a vote this year.
Bear in mind this is the year of pri-
maries. If you want the candidates
to pay you any mind, better get your
receipt.

One of the most remarkable drilling
operations in the country is that of an
oil company which is drilling near
Pecos. In their test they have 3,500
feet of open hole in which no water
has been struck and not a cave-in has
occurred. The drill passed through
800 feet of potash slates between the
1,000 and 2,000 foot levels.

A happy remark, and a true one, is
made by some exchange the past week
to the effect that when the panhandle
country promises little it is just get-
ting ready to do much. Old timers
declare they have seen this occur time
and again.

Twelve carloads of hogs were ship-
ped from Floyd County to market
last week. Don't figure Floyd County
people are broke by any means when
that kind of thing is taking place regu-
larly.

THIS IS MORE LIKE IT

Commenting on the watchful eye
which the Frisco System and Okla-
homa City are keeping on the proposed
construction of a Plains-to-Fort Worth
railroad, the Paducah Post says:

"It seems that the Frisco system of
railways and the people of Oklahoma
City are now becoming interested in
the extension of the Q. A. & P. railway
to the Plains, and even on to the
Pacific Coast. This interest has been
created from the fact that Fort Worth
and the towns all along the line are
advocating a road from that city to the
Plains. The Q. A. & P. has been
overlooking an important outlet all
these years, but no doubt it would have
been built had financial and commer-
cial interests have justified. Paducah
is in line for the new road from Fort
Worth to the Plains, but we will frank-
ly admit that the Frisco system would
mean a great deal more to us, while it
would be to the interest of Fort Worth
and the Eastern cities to build a road
via Paducah. It is also up to Okla-
homa City and the Frisco to see that
the new road does not take away from
the present trade territory. Our
freight rates from here to Oklahoma
City are practically the same (per-
haps a little better) than from here to
Fort Worth, but evidently a new road
leading directly to Fort Worth would

give us an advantage in freight and
passenger rates. By an extension of
the Q. A. & P. Oklahoma City (and
likewise all the large cities to our
north) would attract the Lower Pan-
handle business in their direction.
Rates would be cheaper and the route
to the big Eastern markets would be
less. If the Fort Worth to the Plains
road materializes, we predict that it
is going to be a race between them
and the Frisco to see who gets there
first."

That the Frisco system, by extend-
ing its Q. A. & P. line on thirty-five
miles can tap the south plains trade
territory and give this country an
eastern outlet with less expenditure
and more quickly than can any other
system, is a patent fact. And that
the tremendous tonnage available to
an eastern outlet from the south
plains makes a plum which must cause
the officials of this system to cast
longing eyes plainsward, is also prob-
ably quite true. Only financial con-
sideration or some sort of "spheres
of influence" agreement furnishes ex-
planation for their failure to have
tapped the south plains at Floydada a
number of years ago, it appears, and
such a thing is still one of the big
potential factors in the developments
in the railroad chess game with West
Texas as the checker board in the
next few years.

SAYS THE RANDALL CO. NEWS

Pat Neff was elected on the pro-
gram of consolidating and doing away
with useless state offices. If he has
been able to do anything along that
line, no one has heard of it. When
you try to take away some fellow's
job through legislation, you have on
your back that fellow, all his relatives
and friends, all of whom have some
influence, and those create a howling
mob opposing every measure of re-
form in state or national government."

In his speech in Floydada during
the nomination campaign, Pat Neff
made lots of votes with an illustration
of the old-time school slate and how
when it got full the way to clean it
was to spit right in the middle and
mop it off with your coat sleeve. The
crowd went wild when he said "That's
the way I'm going to do with all these
useless offices and bureaus and com-
missions when I'm governor of your
state." Remember how you cheered
him? Pat meant it and thought he
could do it. He had the cheers ringing
in his ears when he went into office.
But the folks who put him in office
wouldn't let him do it. They wanted
the offices and bureaus all abolished,
—all of them except their pets. And
every section of the state had its par-
ticular bureau that had to stay. And
that's the way campaign promises go
and the way we forget what has just
happened in looking forward to what
we hope is going to happen.

MYSELF

I have to live with myself, and so
I want to be fit for myself you know.
I want to be able, as the days go by,
Always to look myself straight in the
eye;
I don't want to stand, with the setting
sun,
And hate myself for things I've done.
I don't want to keep on a closet shelf
A lot of secrets about myself,
And fool myself, as I come and go,
Into thinking that nobody else will
know
The kind of a man I really am;
I don't want to dress up myself in
sham.
I want to go out with my head erect,
I want to deserve all men's respect;
But here in the struggle for fame and
self
I want to be able to like myself.
I don't want to look at myself and
know
That I'm bluster and bluff and empty
show.
I can never hide myself from me;
I see what others may never see;
I know what others may never know,
I never can fool myself, and so,
What happens, I want to be
Self-respecting and conscience-free.

HOW THEY FEEL ABOUT IT

At a recent meeting of McDermott
Post No. 118 of the American Legion,
the following from the facile pen of
W. F. Keilis, editor and proprietor of
the Sterling City News-Record, was
adopted as the sentiments of the Post
on the liberation of Eugene V. Debs:

Let Him Go, Boys
(To the American Legion.)

Let him go, boys! Let the miser-
able old traitor go in peace. Let him
get out where true patriots can point
the finger of scorn at him and say:
"There goes Debs, the man who tried
to turn America and all that was in
it over to the Kaiser by using every
means in his power to impede the
progress of American resistance."
Let him go, boys. Let him go, even
though while you were in the camps,
on the battlefields and in the trenches
with your lives upon your country's

altar, ready to make the supreme sac-
rifice—while your bodies were bleed-
ing and dying and needing succor,
this same Debs was at home using all
the influence of a traitor's logic to
prevent others, from going to your
relief and to the relief of your sick
and dying buddies.

Let him go, boys; let this shame-
less action of Judas go, that the lash-
es of contempt and disdain of all one
hundred per cent Americans may fall
so thick and fast upon him that he
will hide in oblivion and his name will
not be spoken among true Americans
except to express the term of traitor.

Let the traitorous rattle howl, boys,
let them howl their delight at seeing
their chief once more freed from a
felon's cell, where in mercy he was
sent instead of the hangman's scaf-
fold. Even the wolf has a right to
howl and a time to howl.

Let him go, boys; let him who
strove against his country's weal while
you were over yonder enduring hell
that she might live, go, that all who
love Old Glory may see his naked
shame. Let him go, boys; let him
who wore the prison stripes instead
of a tie of hempen rope around his
neck, while you wore the glorious
khaki and performed the deeds that
proved you heroes, see how great and
glorious it is for men to answer their
country's call and how pucillanously
despicable it is for such as he to shirk
it.

Let him go, boys; let our President
take comfort in his deed of mercy in
the thought that the prison which held
this distinguished enemy of American
ideals needed purging, and that when
he let Debs out it would be cleaner

The Story of Our States

By JONATHAN BRACE
V.—CONNECTICUT

CONNECTICUT stands
unique as prob-
ably the first
state which was
created in the
world by a writ-
ten constitution.

It was really an offshoot from
Massachusetts, for in 1636 there
was dissatisfaction over the form
of government among the Puritans
in Cambridge, Watertown
and Dorchester, the three towns
surrounding Boston. A large
part of these three towns, there-
fore, decided to journey to the
Connecticut valley, as they had
heard that there was to be found
excellent farm land, and the
Dutch from New Netherlands
had been forced out the previous
year by the erection by the Eng-
lish of a fort at Saybrook at the
mouth of the river. The Cam-
bridge people, under the leader-
ship of their pastor, Hooker,
founded Hartford, the Dorches-
ter people settled Windsor, and
those from Watertown estab-
lished Wethersfield. For a few
years they remained a part of
Massachusetts, but early in 1639
the people of these three towns
met and drew up a written con-
stitution and agreed to govern
themselves. Meanwhile, in 1638,
a large company of colonists un-
der the leadership of John Dav-
enport arrived from England and
settled the town of New Haven,
later spreading to Milford and
Stamford. These two distinct
colonies were later united and
took the name of Connecticut
from its principal river. This is
an Algonquin Indian name mean-
ing "long river." It became the
fifth state to join the Union
when it adopted the Constitution
on January 9, 1788. It is some-
times called the Land of Steady
Habits, but is more popularly
known as the Nutmeg state from
the humorous accusation that
its peddlers were accustomed to
palm off wooden nutmegs to
their customers. The area of
Connecticut is 4,965 square
miles, the third smallest of our
states. Its population, however,
entitles it to seven electoral
votes for president.

J. L. KING IS CANDIDATE FOR COMMISSIONER PRE. 1

J. L. King, who is now filling his
first term of office as commissioner in
Precinct No. One, is a candidate for
re-election. His formal announcement
was authorized this week.

Mr. King's interests are thoroughly
identified with the interests of Pre-
cinct No. One, and his attention to the
duties of the office have largely oc-
cupied his time during his present in-
cumbency. He does not make any
formal statement as to policy but
calls attention to the fact that his
record is a matter of public inspection
at any time, and that he will continue
to work faithfully as a commissioner
should he be chosen again.

His candidacy is subject to the
Democratic Primaries.

NEW RANCH IN CANADA BIGGEST IN THE WORLD

Washington, Jan. 22.—What is said
to be the largest ranch property in the
world recently came into existence in
Canada when a private company ob-
tained from the Canadian Government
a grant to 75,850 square miles for the
purpose of raising caribou and, per-
haps musk oxen. Figured in the land
measurement of the United States this
area is something more than \$48,000,-
000 acres, using 640 acres for each
square mil of area. The ground rent
to the company taking it over is about
4c per acre.

The King ranch of Texas, figured
roughly at 1,000,000 acres, has been
recognized as one of the large ranches
of the world, or about 1,600 square
miles. Until the Canadian grant was
recorded the Terrazas property in
Chihuahua was thought to have been
the largest ranch in point of area in
the world. That property is said to
have embraced from 8,000,000 to 15,-
000,000 acres, but a conservative es-
timate for the property was about
10,000,000 acres, or ten times as large
as the King ranch. Its area on that
basis was about 16,000 square miles.

QUILTING CLUB MEETS WITH MRS. A. P. MCKINNON

The Floydada quilting club held
their weekly meet at Mrs. A. P. Mc-
Kinnon's Thursday the nineteenth.
The day was very cold and a large crowd
was not expected. The workers be-
gan to arrive about eight o'clock and
continued to arrive until noon. The
morning was spent in warming up
the house and preparing dinner al-
though some of the workers were put
to work on the quilts at once.

At last when the dinner was ready
each worker waited on themselves.
Something like an hour was spent in
partaking of the lunch and washing
the dishes and then every one was
put to work with all their might.

Although there were only nineteen
present the entire day a large showing
was made on the quilts. Six quilts
were completed and some five or six
of the workers were obliged to leave
at three o'clock, having another en-
gagement more important than quilting.
This is the largest number of quilts
completed this year in propor-
tion to the number of the workers.
This goes to prove that the club is
pretty well organized.

The next quilting will be at the
home of Mrs. F. P. Henry where if
the day is pretty they hope to make a
good days work show for their ef-
forts.

The visitors at Mrs. McKinnon's
were: Mrs. T. B. Triplett, Mrs. J. A.
Grigsby and Mrs. Homer Steen.

MRS. MOLLIE WALLING ANNOUNCES FOR TREASURER

The announcement of Mrs. Mollie
Walling, of Lockney, for the office of
Treasurer of Floyd County, is made
this week, her candidacy for the of-
fice being subject to the action of the
Democratic Primary.

Mrs. Walling has been a resident of
the county the past sixteen years,
during which time she has lived at
Lockney. She is the widow of E. M.
Walling, for many years a resident of
Lockney, and at one time of Floyd-
ada. For the past three years she has
been saleslady at the Baker Mercan-
tile establishment at Lockney. Her
qualifications are excellent for the of-
fice.

Should she be elected to the office
she promises careful attention to its
duties and asks the voters of the
county to give every consideration to
her candidacy at the ballot box.

JUDGE A. P. MCKINNON AN- NOUNCES FOR RE-ELECTION

Judge A. P. McKinnon, who is fill-
ing his first elective term as County
Attorney of Floyd County this week
announces his candidacy for the office,
and asks re-election at the hands of
the voters, subject to the Democratic
Primary.

Judge McKinnon's record of service
in the legal world is perhaps the most-
widely known of any resident of the
county. He has made a good record in
the county attorney's office, both as a
prosecuting attorney and as an ad-
visor for the activities of the officers
of the county.

Should he be re-elected he assures
the voters he will give his best efforts
to the office and the enforcement of
the laws.

DOLLAR APPORTIONMENT FROM STATE FUNDS ANNOUNCED

Austin, Jan. 17.—An apportionment
of \$1 per capita, based on 1,298,000
scholastics in Texas for January, was
made by the State Board of Education,
announced Miss Annie Webb Blanton,
State superintendent of public instruc-
tion, late Tuesday. This makes a
total per capita apportionment of
\$1.50 for the present scholastic year,
the total for the year being \$13 per
capita.

"We hope to make a larger appor-
tionment next month," Miss Blanton
said. "The reason we have been un-
able to make larger apportionments
is on account of slow tax collections
over the state."

EARL RAINER AGAIN OFFERS FOR COMMISSIONER

Earl Rainer this week authorizes
The Hesperian to announce his candi-
dacy for the office of Commissioner of
Precinct No. 4, of Floyd County. He
is a candidate to succeed himself in
the office. His first term will expire
December 1st of this year.

Mr. Rainer has been quite active
during his tenure of office in the com-
missioners' work and in announcing
for re-election simply puts his record
up for the voters of his precinct to
consider. If re-elected he promises
faithful attention to the duties in-
cumbent upon him.

His candidacy is subject to the
Democratic Primaries.

CONSIDERABLE SAVING TO TAXPAYER UNDER NEW LAW

Income Tax Report Due to be Made by March 15 Comes under Revised Rules

Income Tax in Nutshell

Who? Single persons who had net income of \$1,000 or more, or gross income of \$5,000 or more. Married couples who had net income of \$2,000 or more, or gross income of \$5,000 or more.

When? March 15, 1922, is final date for filing returns and making first payments.

Where? Collector of internal revenue for the district in which the person lives, or has his principal place of business.

How? Full directions on Form 1040 A and Form 1040; also the law and regulations.

What? Four per cent normal tax on taxable income up to \$4,000 in excess of exemption. Eight per cent normal tax on balance of taxable income. Sur-tax from 1 per cent to 65 per cent on net incomes over \$5,000 for the year 1921.

In making out his income tax return for 1921, the average taxpayer will find a considerable saving in comparison with the amount of tax paid on the same income for 1920.

The exemptions provided by the revenue act of 1921 are \$1,000 for single

persons (the term including widows, widowers, divorcees, and persons separated from husband and wife by mutual agreement), \$2,500 for married persons whose net income was \$5,000 or less, and \$2,000 for married persons whose net income was \$5,000 or more. Under the revenue act of 1918 the personal exemption allowed a married person was \$2,000, regardless of the amount of net income. The personal exemption allowed a married person applies also to the head of a family, man or woman who supports in one household one or more relatives by blood, marriage, or adoption.

The exemptions for dependents—a person who receives his chief support from the taxpayer and who is under 18 years of age or incapable of self-support because mentally or physically defective—is increased from \$200 to \$400.

The act requires that a return be filed by every single person whose net income for 1921 was \$1,000 or more, every married person whose net income was \$2,000 or more, and by every person—single or married—whose gross income was \$5,000 or more.

The requirement to file a return of gross income of \$5,000 or more regardless of net income is a new provision. Net income is gross income less certain specified deductions for business expenses, losses, bad debts, etc., which are fully explained on the

forms.

Returns must be filed by married couples whose combined net income for 1921, including that of dependent minor children, equaled or exceeded \$2,000, or if the combined gross income equaled or exceeded \$5,000.

The period for filing returns is from January 1 to March 15, 1922. Heavy penalties are provided for failure or "wilful refusal" to file a return on time.

Forms 1040A for incomes of \$5,000 and less and 1040 for incomes in excess of \$5,000 may be obtained from the offices of collectors of internal revenue and branch offices. The tax may be paid in full at the time of filing the return, or in four equal installments, due on or before March 15, June 15, September 15, and December 15.

PHONE BOOTH DRESSING ROOM

Young New York Woman Evidently Held With the Sailor, "Any Port in a Storm."

"Oh, dear," exclaimed the girl as she discovered a good-sized hole in the heel of her stocking. "I thought that would last today, though I noticed that it was getting thin when I put it on this morning. And we've got to meet the boys for lunch in just 15 minutes. I'll have to hurry and buy another pair and change them."

Grabbing the arm of her sympathetic chum, she hurried into a store, and quickly selected a pair of silk stockings. A hurried inquiry brought the discouraging news that the ladies' room was four floors above.

"Heavens," murmured the girl under her breath, "it will take a good 15 minutes if not more to go up there and change them. That'll mean almost half our lunch hour, and besides the boys will be so peeved if we keep them waiting."

She looked around the store in desperation, and then suddenly an expression of relief crossed her face.

"Wait just a minute!" she commanded, and dashed for a telephone booth. After a few minutes of contortions in the limited space of the booth, she stepped out, a bit hot, but nevertheless triumphantly wearing the new stockings. Hastily dusting her nose, she linked arms with her chum and hastened off to keep the luncheon date.—New York Sun.

MARRIED AFTER FIFTY YEARS

French Nobleman Waited Half a Century to Wed the Sweetheart of His Childhood.

A boy and girl romance which began 50 years ago, during the reign of the third Napoleon, ended happily in a London register office recently when Duke de la Chatre, a member of an old French family, married the widow of a British dragoon's officer, Mrs. Digby Wentworth, a pretty woman with slightly fading hair. The age of both bride and bridegroom is given as sixty-five.

Mrs. Wentworth's first husband was Capt. William Digby Wentworth, Seventh dragoon guards. The duke and Mrs. Wentworth were playmates in childhood, and as years passed the early friendship continued. It was while the duke, who is a great traveler, was abroad that Mrs. Wentworth met and fell in love with Captain Wentworth. They were married and came to live in England. The duke, who remained a bachelor, maintained affection for his early playmate and recently met Mrs. Wentworth again in London.

FOOD GOING TO WASTE.

Tons of wild rice, as nourishing as the cultivated kind and obtainable for harvesting, is going to waste in marshes of the Northwest. The only persons using it as food are a few Indians and the city epicures who have it served with wild game dishes. It is on sale in probably half a dozen places in the Northwest.

Wild rice is hard to get at and difficult to harvest. The Indians get it by paddling through swamps and knocking heads and kernels into their canoes. They parch the rice in kettles over a fire of red coals and then shake it vigorously in blankets to loosen the chaff.

T. W. Martin of Floydada left for Paris, Texas, Tuesday where he will be gone a week or ten days.

MATADOR AND MOTLEY COUNTY ITEMS OF THE WEEK

From Motley County News:

The work of the Minneapolis Oil Company, which is putting down the test in well No. 1, of the Whiteflat field, is making remarkable and most encouraging headway, with but little interruption.

The well is now down to a distance of over 3,000 feet, and each day is developing more favorable signs of reaching the desired goal, as the log bears out the hopes of the most sanguine, promising that their efforts will ultimately be rewarded with striking oil. In fact, things look more encouraging than ever before and a few weeks more will tell the tale and relieve the suspense.

The Commissioners' Court, at its recent regular monthly meeting, took up the matter of the enforcement of the law pertaining to killing of prairie dogs, and instructed the sheriff to see that the provisions of this state are strictly complied with.

Accordingly, Sheriff Russell is sending out notices to all interested and giving them a chance to escape prosecution by living up to the law, and they will do well by heeding the warning.

Mrs. Herman Norton of Whiteflat, was taken to Floydada, suffering from acute appendicitis last Wednesday

morning.

On her arrival at the sanitarium it was decided that an immediate operation was the only thing that offered relief from her suffering, and this was performed the next day.

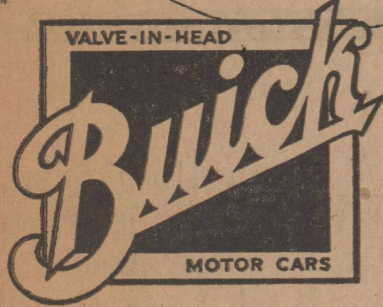

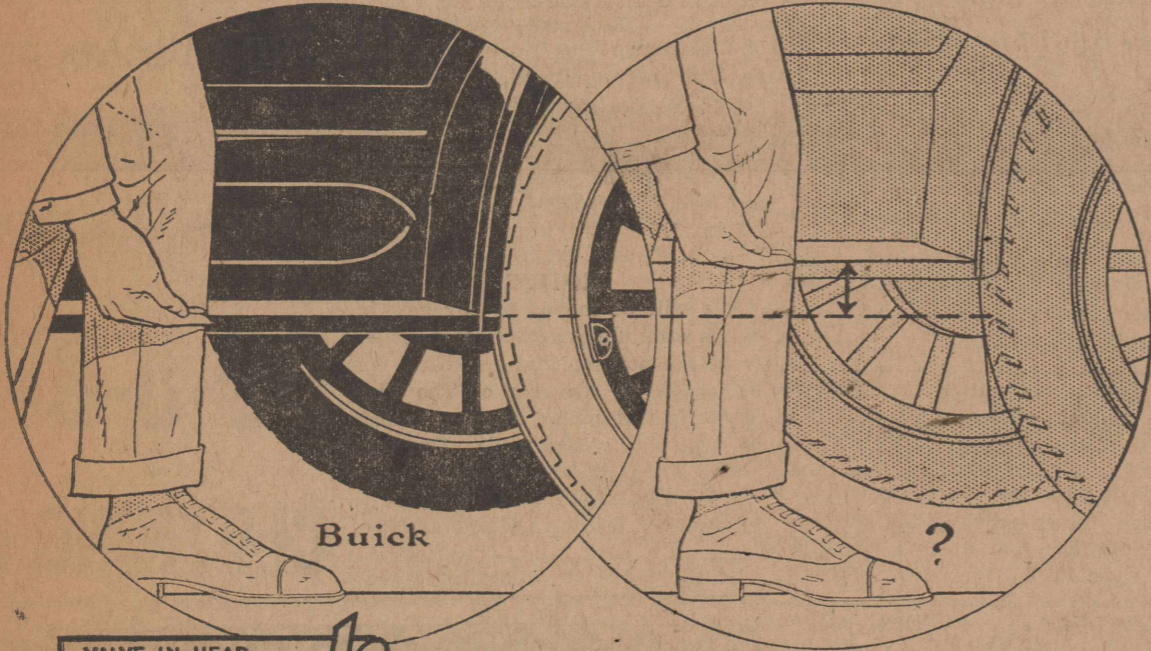

Latest advices are to the effect Mrs. Norton is rapidly recovering from the effects of operation and that the ultimate and speedy recovery was anticipated.

TWO LOCKNEY FAMILIES ARE BEREAVED IN WEEK

Two Lockney families were bereft of parents last week, according to The Lockney Beacon. One of them, J. F. Lee, father of J. E. Lee, died south of Lockney two miles Monday night and was buried in Lockney Cemetery Wednesday with Masonic honors.

The other death was that of Mrs. Showalter at Austin, mother of Mesdames E. M. Randolph and W. L. Whitt, of Lockney. The mother was living with her son, G. H. P. Showalter at the time of her death. The remains were taken to Virginia, former home of the family, for burial.

Roy Mickey, formerly a resident of Floyd County, who has been living at Bellevue, New Mexico, the past few years, was elected secretary of the Bellevue Commercial Club recently at its organization there.

CO. AGENT NOTES

Time to Prune Fruit Trees

The pruning season is here. Grapes should be pruned early but fruit trees may be pruned any time from now till March. If you have any trees you wish to prune and do not know just how to do it you may call on the county agent for a demonstration. The way to do the most good is to set a date and call in as many of your neighbors as are interested. By group demonstrations we can accomplish a great deal more than by individual visits. Please do not hesitate to call upon the agent for advice along these lines. It is just as free to one as to another. It is your own fault if you do not get your share of the service. The agent is not likely to stop at your place unless you invite him for he has lots of places to go where he is wanted.

Poultry Hints

Now is a good time to see about getting you breeding pens ready and your best fowls picked out. The earlier you get your eggs for hatching purposes, the better chicken you will raise. The early hatch is always the healthy ones. Also you should try to get your pullets off in time to begin laying in the fall when your older hens are molting. By replacing these older ones by the pullets you will get the advantage of your best egg prices but if you get the young ones off so late they will not lay till spring of the following year you get their eggs when the price is low.

If you are planning a poultry house you would do well to see the county agent for plans. Any thing that is worth as much as good poultry should have a good consideration for housing and when building the poultry house you should build a good one. If you want to see a good poultry house visit Albert Kings place near Lone Star school. So far as I know he has the best and most modern breeding pens and housing facilities in Floyd County.

Things You Should Know About the Farm Bureau

The Farm Bureau membership consists of farmers.

The Farm Bureau is organized for business.

The three things the Farm Bureau promote are, agricultural education, co-operative marketing, and favorable legislation.

Through the benefits of Farm Bureau a man can make better living conditions for his family, farm women need better home conditions.

Mr. Merchant: The Farm Bureau will make your business better.

If you price your stuff then let the farmer price his.

The farmer is entitled to cost plus a reasonable profit.

The Farm Bureau is the strongest farmers organization on earth.

Unless the farmers stick they are stuck.

The Farm Bureau is here to stay, join in and help push it.

Farm Bureau will sell your wool, wheat, cotton and other products.

You may sign one or all the contracts with same cost as one.

Cost of handling cotton through association less than two dollars a bale.

Honest grades and staples are insured through association.

Warehousing saves country waste over old outdoor methods.

A large number of bales of same grade sold together will bring more

You can get a cash advance of fifty dollars per bale.

Cotton has brought a higher average price than old way.

Wool sold direct to mills for about twice price outsiders got.

Honest grades are assured you under new way.

The same advantages are yours in respect to wheat as wool and cotton.

You can get cheaper farm insurance through Bureau.

You can get money much cheaper through the advance system.

The commodity marketing plan copied from California system.

Farmers of California last year, only two percent of them borrowed money for making a crop.

85 percent of Texas farmers borrowed, others would if they could.

More homes in California have modern improvements than elsewhere.

150 counties of Texas are organized now, since 15 months.

Every association under Farm Bureau has made good.

Watch Farm Bureau grow and watch results, receive benefits also.

WOES OF AN INJURED WRITER GRAPHICALLY TOLD

Consoling Friends Point out Possibilities of Lockjaw and Other Complications

Judge Ward in Motley County News: The writer met with one of those usual accidents, peculiar to people who note not where they step and step hard when they do plant a foot, i. e. he run a nail in his foot about the time that all well ordered beings were glancing at their Sunday School lessons early last week.

According to the diagnosis rendered by disinterested parties outside the fee, the foreign substance protruded only about half an inch, but it seemed to the sufferer that it had gone clear through and clinched. The man of medicine and tools, the latter doubtless designed for slicing ham at the Harvey House, was early summoned and came late. He proceeded first to assure himself that the inflammation had set in and that there was really some soreness, which experiment drove me over back of the bed, and then he proceeded to apply a local anesthetic, which did not hurt much more than having a tooth pulled. The major operation soon followed and stopped just this side of the great beyond. He laid the bottom of the foot open, evidently endeavoring to ascertain whether or not the nail was still in there, and if so that it might fall out without touching any of the infected parts. This done, he applied further anaesthetics in the way of a liberal application of carbolic acid, disguised under the appellation of iodine. After further cauterizing and chastising the victim was left to his own meditations, sufferings and preparations for the future.

The most interesting features of an experience of this kind are developed by the observation of the neighbors and friends who drop in to sympathize with you and otherwise enjoy your misery. First comes the man who knew a girl about seventeen years of age who had fallen from the top of a board fence, and landing squarely on a ten penny nail, had forced it through the center of her foot until the apex was just discernible beneath the skin on the instep. It required the combined efforts of two men and a boy to disengage the unfortunate damsel from the entanglement, but by the immediate application of kerosene she never had to leave off wearing her

shoe. Another tells you about her father, who was working on a windmill, nine miles from no where, when he run a spike through his foot. He had nothing in the way of surgical instruments except an oil can, and he pushed the spout of that can into the aperture and forced cylinder oil through it, and just kept on working. A good, kindly old lady tells you of a man she once knew who just had the skin broken and thought nothing of it for several days, when blood poisoning set in and he only lasted seventy-six hours. Still another cheerfully tells of a boy who had just such an accident as you have suffered and on the third day he had lock-jaw and they had to carry his aunt, as well as his remains, from the room. The most comforting visitor, however, was the one who assured me that nothing serious ever resulted from injuries of this kind, except to large, fleshy people (I weigh 220 pounds in my sock feet). The most sensible remark was made by a little four-year-old boy who wanted to know where I had found the nail.

PLAINVIEW NEWS

From the Herald: The Hale County Grand Jury adjourned yesterday forenoon with a further report of two felonies and three misdemeanors. This makes a total of fifteen cases the grand jury has reported for this term of court, four of them being felonies and eleven misdemeanors.

The district court this week ordered special venires for the case of Geo. Bass, charged with statutory rape and for Grady Mason, a case which has been transferred from Floydada. The Bass trial was set for January 30, and the Grady Mason case for Feb. 6th. Thursday, January 19, was the coldest day in Plainview in three years, according to the records of the local weather observer here. The thermometer yesterday registered 3 degrees above. In 1919 the thermometer on January 3rd, showed 4 degrees below.

The problem of entertaining the approximately 3,000 delegates to the West Texas Chamber of Commerce Convention to be held here May 22-23, will be taken up at a meeting of the Chamber of Commerce next Tuesday night at 7:15 o'clock at the commercial quarters.

BORN—To Mr. and Mrs. Clarence Goin, City, January 22nd, a daughter.

PROTECTING THE SEAL.

All told, America expended £1,500,000 on her efforts to protect the seal, but it has been money well spent. Last year's census revealed the existence of 550,000 seals, and this year's count is expected to show at least 600,000. As the pelt of this particular seal fetches £30 in the open market, the herd may be said to represent a value of £18,000,000. About 25,000 young male seals are now being taken annually, which means a yearly revenue to the government of £750,000, of which 15 per cent goes to Great Britain and another 15 per cent to Japan.—London Tit-Bits.

FORBIDDING PROSPECT.

"I am afraid," said the woman who had moved into a new flat, "that we're going to have a cold, hard winter?" "Judging by those nature-faking signs?" sneered her husband. "No. By the expression on the janitor's face."

JAPAN LIKES SMALL CARS.

American automobiles constitute about 70 per cent of the 9,000 motorcars in Japan, according to the government commerce report. The small car is the popular size. It can be handled with greater ease and speed on the narrow roads and city streets than can a car with a long wheelbase and heavy body.

"BRAC THE POOR HOUSE GIRL" PRESENTED AT SILVERTON FRIDAY NIGHT, JAN. 20th

The Floydada Dramatic Club presented "Brac the Poor House Girl" at the Silvertown high school Friday night, January 20th.

Although the night was rather cold the home talent play was patronized by a very good crowd. The players were accompanied by the Floydada orchestra which added much to the enjoyment as well as interest of the play. Although it was very cold the house was heated to a comfortable temperature and the play was enjoyed by every one present and the Dramatic club was highly complimented.

SHERIFF'S SALE

STATE OF TEXAS, County of Floyd. By virtue of an Alias Execution issued out of the Honorable County Court of Dallas County, on the 8th day of December, 1921, by the Clerk thereof, in the case of Southwest, General Electric Co. versus B. C. Blackmon as Sole owner of Electric Supply Company No. 11352 and to me, as Sheriff, directed and delivered, I will proceed to sell, within the hours prescribed by law for Sheriff's Sales, on Saturday the 28 day of January, A. D. 1922, at The Building now occupied by Electric Supply Co. in Floydada, Floyd County, Texas, the following described property, to-wit:

All the stock of goods of Electric Supply Co., and all office fixtures owned by the said Electric Supply Co. B. C. Blackmon owner levied on as the property of B. C. Blackmon owner of Electric Supply Co. of Floydada to satisfy a judgment amounting to \$552.38 and interest at the rate of 6 per cent from January 1st, 1921, in favor of Southwest General Electric Co., and cost of suit.

Given under my hand, this 5th day of January, 1922.

J. A. Grigsby, Sheriff.

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Floyd County—Greeting:

You are hereby commanded, that you summon, by making Publication of this Citation in some newspaper published in the County of Floyd if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published once each week for four consecutive weeks previous to the return day hereof, Roy McDowell, who is a non-resident of the State of Texas, to be and appear before the Hon. District Court, at the next regular term thereof, to be holden in the County of Floyd, at the Court House thereof, in Floydada, on the Fourth Monday in February, 1922, same being the 27th, day of February, 1922, then and there to answer a Petition filed in said court, on the 20th, day of August, A. D. 1921, in a suit numbered on the docket of said Court No. 1354, wherein Minor C. Keith, Charles H. Zehnder & Hugh R. Partridge, Trustees, are plaintiffs and Roy McDowell is defendant. The nature of the plaintiffs demand being as follows, to-wit: Being a suit by said plaintiffs on twelve certain vendor's lien notes each for the sum of \$1,295.00, executed by Roy McDowell and payable to Minor C.

Keith, Harry I. Miller, Ward E. Pearson, Francis R. Hart & Bradley W. Palmer, Trustees, and conveyed and transferred by them to these plaintiffs, said notes dated January 1st, 1917, secured by alien on the East 112 acres of the S. W. 1-4 of Survey No. 43, Block D. 6; and the N. E. forty acres of the West 200 acres of Survey No. 44, Block D. 6, Floyd County, Texas, said notes being due and payable January 1st, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929 and 1930 respectively; providing for 10 per cent attorney's fee; plaintiffs alleging that said notes are now all past due and unpaid, and sued for judgment thereon according to their face, tenor and effect, and a foreclosure of their vendor's lien on the above described land securing said notes, and for the principal, interest, attorney's fee and costs of suit on said notes.

Herein fail not, and have you before said Court, on the said first day of the next term thereof, this writ, with your endorsement thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Floydada, Texas, this, the 17th, day of January, A. D., 1922.
(Seal) G. C. TUBBS,
Clerk District Court, Floyd County, Texas. 46-5tc

QUAKES A BURDEN ON ITALY

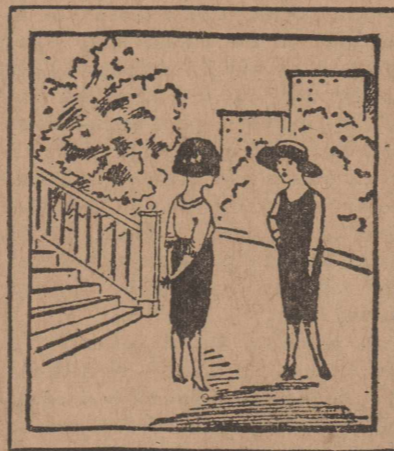

Government in Fifteen Years Has Ex-
pended More Than \$44,600,000 in
Work of Relief.

In the last 15 years, during which period Italy has been stricken by earthquakes 13 times, the Italian government has spent \$44,600,000 in repairs in the 25 provinces, including more than 1,000 towns and villages, which have suffered from the disasters. This sum, says the San Francisco Chronicle, is exclusive of the amounts spent for the reconstruction of public buildings destroyed.

In view of the grave condition of the public finances and of the present high cost of materials, the government considers it the part of prudence to limit the budget requests for the continuation of the reconstruction work to a sum estimated necessary for the building to be accomplished in one year.

About one-fifth of this sum will be used for the building of barracks and cottages to rehouse the population made homeless by earthquakes. Five million dollars is considered necessary for the construction of these dwellings, and the sum of \$17,520,000 is the estimation for the continuation of other works of reconstruction.

EXPLAINED

Miss Jazzbo—I've wanted to know you ever since you moved into the building. I wanted to ask who it is that plays the saxophone so lovely in your flat.

Miss Littleflat—We've got no saxophone there, but pa snores something awful.

STUDYING WIND POWER.

Years ago wind power was commercially popular. It simply had to be since there were few other sources of power. Today we get most of our power from coal and a great amount from water. Palestine is not favored with either coal or water power, and Dr. I. M. Mayersöhr is now studying the problem of wind power to determine whether it would be possible to run the industries of Palestine with wind-motors. He has collected interesting data on wind-motors in Europe. Examination of 477 installations was made. Eighty-seven per cent of these worked satisfactorily for periods up to 1,800 years. Wind-power installations are now made in Denmark for the generation of electric power in small communities.

Attorney W. E. Huffhines spent Monday in Leckney on business connected with his practice.

HAMMONDS' WINTER SALE OF DUROCS FEBRUARY 16th

The Southwest Poultry and Swine-breeder says of John I. Hammonds and his herd of purebred Durocs from which he is to sell some thirty head in February:

John I. Hammonds of Floydada, owner of Pathfinder's Equal, the grand champion Duroc Jersey boar at the Plainview livestock show, and second in a big class at the Texas State Fair at Dallas, sells on the sixteenth of February at Floydada. John Hammonds is a young man who has been instrumental in helping interest Floyd and its adjoining counties in better hogs and in better livestock in general. He is a practical and a successful farmer. He grew out the boar which has made him famous as a Duroc Jersey hog man and is keeping a sow herd that is fit company for this good boar. His sale offering is set out in detail in his advertisement in this edition over his own signature

and those who know John Hammonds have learned to take his word at par. You will not be disappointed in making the February sales of John Hammonds at Floydada on the sixteenth and Fred W. Boerner at Lubbock on the seventeenth.

John Hammonds will offer some real sows in his sale. There is one sow hat was sold by Stickleman for \$1,100. A sow from the Holsinger herd has been secured from H. L. Lyle of Garland, Texas. Mr. Lyle paid \$800 for this sow. There is not a common sow in the offering Mr. Hammonds sells. They have had good care and shelter and have had the run of summer tilled wheat pasture.

One thing that is tickling John Hammonds almost to death is the good litters he hears of from Pathfinder's Equal. A few days ago the editor of The Southwest Poultry and Swine Breeder went with him to look at a good litter on the farm of Woods & Son, near Kress. If that litter is properly cared for someone will have

to watch his step at the fairs in this section next fall. Practically every sow that was sold by Stickleman for Equal has been sent back for re-breeding.

From Mr. Lyle, John has secured a number of gilts sired by Major Orion, the boar that was first in junior yearling class at Dallas this year. They will be bred to Mr. Hammonds' Pathfinder's Equal.

Hammonds' good offering last year is excelled by the offering he has this year by fifty per cent. Most of the draft are carrying March litters—a good opportunity for Duroc breeders to get futurity litters for the shows.

O. B. Vaughan, Will Nickell, Earl Edwards and Vaughan Porterfield returned the latter part of last week from middle northwestern New Mexico where they had been on a prospecting trip. While away the first three-mentioned, all of whom are ex-service men, filed on land.

All the K-Ranger gilts are bred to THE PLAINSMAN, sired by Lon's Victory Bond, who traces back on his sire's side to Orange Boy and on his dam's side to Big Orange. One outstanding fall boar by K-RANGER and Miss Orange Fair. This boar should head some good herd. One spring boar by K-RANGER. One good fall boar by Long Orange. One spring boar by Yankee Timm, the great C. E. Alexander boar.

SALE WILL BE HELD IN HEATED PAVILLION IN TULIA, TEXAS, FRIDAY, FEBRUARY 3RD, 1 P. M., RAIN OR SHINE.

Claude and John Adams were fortunate in the selection of a herd boar, K-RANGER, a littermate of The Ranger, of S. E. Lewis' whose get made such a phenomenal showing at the fairs of the Southwest, particularly the Oklahoma State, Texas State and Kansas State Fair. K-Ranger is breeding good pigs, as the record of his get at the Swisher County Fair and elsewhere shows. All the offering of Adams Bros. is sired by or bred to this great breeding boar, and the sows and gilts offered are of individuality and blood that will attract. The Buster Avalanche gilts are probably the top of the lot.—H. S. HILBURN.

SCHOOL NOTES

JUNIORS DEFEAT SENIORS FOR INTER-HIGH SCHOOL CHAMPIONSHIP MONDAY

A very close and interesting game of basketball was played Monday on the high school courts between the juniors and seniors. This is the beginning of the games for the inter-school championship. The juniors challenged the seniors for a game of ball Friday and the seniors readily accepted but the weather prevented the game from being played. The game was decided for Monday of this week and was played at noon. Twelve and one-half minute halves were agreed upon as the time. Some excellent playing was done by both teams during the first half and the score at the end of that time stood 18 and 20 in favor of the juniors. At the beginning of the first half the seniors made a goal tying the score. The next ten minutes were minutes of real battle by both teams. First one side was ahead and then the other. When there was only one minute the score stood 28 and 30 in favor of the juniors. This was minute that the juniors will never forget. Finally the whistle blew and the juniors realized that they had defeated the seniors by a score of 2 points.

The lineups were: seniors, center, Scott; guards, Green and McDonald; forwards, Colville and Smith. Juniors: center, Harris, guards, Eubank and Henderson; forwards, Cates and Burke.

MATADOR DEFEATS SANDHILL IN BASKET BALL GAME
The Sandhill team met the Matador team on the Matador gridiron Saturday afternoon for one of the best games of the season in basket ball. The Sandhill team left Sandhill about eleven thirty and the game was called at Matador at two o'clock.

The time was agreed upon as fifteen minute halves. From the time the ball left the referee's hand in the first minute of the game no one knew who was going to win. The teams were so evenly matched that the score looked like a tie. At the end of the first half the score stood 15 and 16 in Sandhill's favor and looked as if the game was going to be a tie in spite of the splendid playing of both teams. One minute before the end of the last half the score stood 22 and 21 in favor of Sandhill but the Matador boys worked the ball to their end of the court and after two or three attempts made a goal making the score one point in their favor. Just as the ball started up in center the whistle blew for time out and the game ended with the score 22 and 23 in favor of Matador.

This is Sandhill's first defeat this year in basket ball, having defeated Lakeview twice, Floydada twice and Trick once. The Sandhill team is a splendid team and stood a good chance for the championship.

J. C. Wester, coach of the Floydada High team refereed the Matador game.

SILVERTON GAME POSTPONED

On account of the bad weather the game with the Silvertown high school girls was called off. The game was billed for Friday afternoon but the weather prevented the Floydada girls

going. The game will probably be played the latter part of this week. Although there has been no arrangements made for a boys game the same day there will possibly be one.

By using the splendid practice they have been having the Floydada girls hope to win this game and feel sure they will.

KING MADE CAPTAIN OF TEAM BY UNANIMOUS VOTE

L. M. King was elected captain of the football team of 1922-23 F. H. S. by a vote of the squad.

L. M. Plays the position of tackle and in his two years of hard work he has come forward as one of the greatest pivot men on the high school football team.

As an offensive man he is unexcelled; as a defensive man he is a terror. He is fond of the game, a tireless player, aggressive and fearless, a clean athlete and a man who will lead the squad of 22 to success.

M. E. LADIES' ALL-DAY PROGRAM GREAT SUCCESS

The program of mission study on the book "The Kingdom and the Nations," rendered at the Methodist Church last Monday was well-attended and a great success. As we remember, there was but one absentee, which is remarkable when you consider there were forty women taking part.

The interest in this study was manifested in the splendid talks made and in the readings given.

It was an inspiration to hear the missionary songs, especially the solo and duet, and view the beautiful paintings drawn to represent some of our countries. But we want to mention in particular the debate, the subject of which was "Resolved, that Latin America is a more important mission field than China." The debaters showed they had given much time and hard work to their subjects, and as we listened we realized we here have talent which could be used anywhere with credit. The judges decided in favor of the negative side.

BETH CARRUTH HOSTESS SUNDAY SCHOOL CLASS PARTY

Last Thursday evening Mrs. Burke's Sunday school class was delightfully entertained at the home of Miss Beth Carruth. The contest work, which had been of great interest to all the girls, ended Christmas week.

The old saying that church work is all "solemn" was exemplified when the side that was beaten entertained the winning side. The girls entertaining were dressed as boys and acted as the boy friends of the other young ladies. This created a lot of fun at the party, and quite a lot of worry and curiosity for the side that was being entertained.

Despite the cold weather the larger part of the class were present. At a very late hour refreshments consisting of sandwiches, cored apples, and lemonade were served to about twenty guests.

An excellent teacher, and a very interesting class of young girls were the concoctors of this fun, and we take this method to invite all the young girls of the town to either join or visit our class and share the fun as well as the useful work we are trying to do.

ENTERTAINS WITH 84

Mrs. Tom B. Triplett was hostess Wednesday afternoon of last week from three to six, when eighty-four was used as a diversion during a very pleasant afternoon. The game was played at four tables.

A dainty salad course and coffee were served.

Chas. Trowbridge, who was quite ill several days with appendicitis, is out of bed this mid-week.

MRS. ADDIE THAGARD IS IN RACE FOR TREASURER

To the Voters of Floyd County:
After due consideration I have decided to make the race for the office of County Treasurer. To those who have come to this county in the last few years, I will say that I feel I can fill the office with satisfaction, and those who have known me in the past can testify as to my ability to do the work I am asking for.

I have been trying to make a living in the poultry business. Although I like the work fine I find that I do not have the physical strength to keep them on large enough scale to make a living and keep two girls in school. It is natural for all of us to want to do something that will enable us to educate our children.

If I am elected I will give the office my undivided attention.

When spring comes I will make an earnest effort to meet every voter of Floyd County. I will appreciate all favors rendered me during this campaign. My candidacy is subject to the action of the Democratic Primaries.

Yours very sincerely,
MRS. ADDIE THAGARD.

W. A. CATES ANNOUNCES FOR COMMISSIONER PRE. ONE

W. A. Cates this week announces his candidacy for the office of County Commissioner for Precinct One, his candidacy being subject to the Democratic Primary.

He has resided in the county slightly less than three years but has had property interests here since 1916. He has lived on the plains many years, coming here from Swisher county. His qualifications for the office are such that he will make a good commissioner if elected. He has had previous experience as a commissioner in Swisher county, and feels that he knows the needs of the people in this precinct, so that he can make them a good business representative in the Commissioners' Court.

He promises faithful attention to the duties of the office if elected, and will fill the office to the best of his ability for the good of the precinct as well as the county as a whole.

McCoy

McCoy, Jan. 24.—We are still having cold weather and there is quite a bit of sickness in this community. Mrs. W. W. Smith has been very ill the past week but is some better at this writing.

Hester Lynn Robertson is improving rapidly and will soon be able to come home.

We hear there were not very many present for Sunday school last Sunday, but a large crowd attended the B. Y. P. U. program and prayer service.

Ernest Robertson of Memphis, visited his parents here last week.

Mr. and Mrs. Melvin Day and children of Ralls, spent Saturday and Sunday with Mrs. Day's parents, Mr. and Mrs. W. W. Smith.

Mr. and Mrs. Willie Kemp are visiting Mr. and Mrs. W. J. Berry.

Miss Viola Brown spent Sunday with Miss Selma Pittman.

Miss Beulah Puckett was sick last week. Also Mrs. Grace.

Mrs. T. L. Brown and Mrs. Nora Jones of the Blanco community, visited Mrs. W. E. Smith last Friday.

Mr. and Mrs. Frank McSpadden spent Sunday with F. J. McDermott and family.

BRIDGE CLUB MEETS WITH MRS. E. P. NELSON

The Bridge Club had its meeting Tuesday afternoon of this week with Mrs. E. P. Nelson as hostess, at the Nelson home on South Wall Street.

Miss Kittie Long was winner of high score.

A salad course was served.

The next meeting of the club will be held with Miss Blanche Abston on Wednesday, February 8th at three o'clock. Members of the club are: Misses Marie Henry, Alma, Mabel and Kittie Long, Naoma Harmonson, Ruth Collins, Blanche Abston, Gladys Felton, Irene Daily; and Mesdames Wells Henry, O. P. Rutledge, Glad Snodgrass, G. T. Massie, E. P. Nelson, Tom B. Triplett, W. L. Fry, Grady L. Barnett, Jas. K. Green, Homer Steen, H. W. Atkinson, Lon M. Davis.

MISS FLORENCE NELSON GIVES SLUMBER PARTY

Miss Florence Nelson entertained a number of her friends at her home Friday night with a slumber party. The party was given in honor of Miss Ruby Faulkner of Wilson, Oklahoma. The earlier hours of the night were spent in various games and songs. After all became weary they retired for the night.

Those present were: Joyce Hopkins, Fay Hatchell, Ina Faulkner, Ethel Houghton, Ruby Faulkner, Ora Slaughter and Beth Carruth.
