POULTRY AND CLUB SHOW ATTRACTS INTEREST

Many Poultry Growers Show Birds—Excellent Breeding in All Divisions

Although twice postponed and otherwise largely handicapped, the Poultry Show and Boys' Club Shows, held on the southeast corner of the square from Thursday to Saturday last proved a very interesting and attractive affair, the Poultry Club more especially pulling a wide variety of birds and creating wide-spread interest among fanciers of this section. Because of the delays experienced no attempt was made at a large show in any division but the grade of fowls, pigs and sheep shown was excellent, breeding of the fowls and pigs being especially high.

In the poultry division exhibits were here from many local growers, from Mickey, Lockney and Plainview. E. B. Miller was judge in this class.

R. E. Prewitt, a Poland China grower of state-wide reputation, was judge in the Pig Club division, and W. L. Boerner, for many years a grower of sheep judged in the Sheep Club Division.

T. Scott Wilson, County Agricultural Agent, said Tuesday that the show was indicative of what could be done by growers, breeders and members of the Boys' Club members made excellent records, he said.

Oliver Allen, Secretary of the Floyd County Poultry Club, says that exhibitors in the poultry division, were well-pleased with the results obtained at the show, and he anticipates that next year's show will be on a much larger scale.

Discussing the poultry show Tuesday afternoon Mr. Allen said: "Our show was a success in every particular and we wish to start now laying our plans for a much larger show next year. We had quality that is not passed and very seldom equalled in shows much larger than ours was. We had something over 260 birds besides the turkeys, bantams and guineas. The Wyandotte, Brown Leghorns and Reds were the largest classes, and there were good entries in many other classes.

"We as an association wish to thank each and everyone for their contributions and assure you that we did our best to put on a show that was worthy of your support.

"With the co-operation of the people in general and the poultry raisers in particular we can have a much larger show next year. We are going to work to this end."

Awards in the various divisions are given herewith:

Pig Club Winners
Poland China breeding gilt: First, gilt owned by Alton Bonarden, second gilt owned by Chas. Splawn.
Poland China male: Male owned by Luther McCravey, first. No competition.
Special for best Poland China shown, all classes: Gilt, owned by Keith Pierce. Two specials offered, \$10 by J. E. Lee and \$5 by B. B. Gully.

Duroc Jersey breeding gilt: Gilt owned by Aubrey Elmore, first. No competition.
Duroc Jersey breeding gilt (over 12 months): Gilt owned by Albert Grigsby, first. No competition.
Duroc Jersey sow and pigs: Owned by Victor Trammell, first. No competition.

Fattening hogs: first, Marvin Fawver; second, Mabley McMurray; third, Homer McMurray.
Sheep Club Winners
Pen of Shropshires: Milton Fawver, first. No competition.
Pen of Ramboulets: Riley Holmes, first; second, Lynn Smith; third, Oliver Holmes.

List of Awards
Partridge Wyandottes: 3 cocks, 6 cockerels, 6 hens, 17 pullets.
H. P. Coleman, Lockney: 2n cockerel, 2nd pullet, 2nd cock, 3rd hen and 2nd pen.

E. J. Moorehead, Plainview: 2nd cockerel.
Buff Rocks: 1 cock, 4 hens.
All prizes to A. A. Hatchell, Plainview, no competition.
White Rocks: 4 in class.
All prizes to E. J. Moorehead, Plainview, no competition.
White Orpingtons: 2 cockerels, 4 pullets.

All prizes to Robert Smith, Jr., Lockney, Texas, no competition.
Buff Orpingtons:
All prizes to A. A. Hatchell, Plainview, no competition.
White Leghorns: 3 cocks, 10 hens, 6 cockerels, 14 pullets.

D. R. Badgett, Floydada: 1st and 2nd cockerel, 3rd pullet, 2nd and 3rd pen.
J. S. Dunavant & Son, Floydada: 1st pullet, 1st cock, 2nd cock, 1st pen.
Mrs. Addie Thagard: 1st and 3rd hen.
W. I. Allen: 2nd pullet.

Brown Leghorns, 1 cock, 7 cockerels, 4 hens, 17 pullets.
All to Earl Coward, Floydada no competition.
Buff Leghorns: 1 cock, 3 hens, 2 cockerels, 6 pullets.
A. A. Hatchell, Plainview: 1st cock, 1st, 2nd and 3rd hen, 2nd pullet, 2nd hen.

J. S. Dunavant & Son, Floydada: 2nd cockerel, 1st pullet.
R. C. Rhode Island Reds: 1 cockerel, 4 pullets.
All to W. A. Miller, Lockney, Texas. No competition.
S. C. Rhode Island Reds: 2 cocks, 12 cockerels, 7 hens, 22 pullets.

C. B. Meador, Floydada, 3rd hen, 2nd cockerel, 2nd pen.
Chas. Owen, Floydada: 3rd cockerel, 2nd pullet.
Allen & Trammell, Floydada: 1st and 2nd cock, 1st and 2nd hen, 1st cockerel, 1st pullet, 1st and 3rd pen.
Rhode Island Whites: 1 cock, 2 hens. All to B. L. Williamson. No competition.

Black Minorcas: 3 hens.
J. S. Dunavant & Son. No competition.
Anconas: 1 cock, 4 hens.
All to J. S. Dunavant & Son. No competition.
S. S. Hamburgs: 1 cock, 4 hens.
All to J. S. Dunavant & Son. No competition.

Black Langshans: 4 hens.
J. S. Dunavant & Son. No awards.
Light Brahmas: 1 cockerel, 4 pullets.
All to J. S. Dunavant & Son. No competition.
Buff Cochin Bantams:
A. A. Hatchell, Plainview: 1st cock, 1st hen, 2nd pullet.

H. P. Coleman, Lockney: 1st cockerel, 1st pullet, 2nd hen.
Golden Seabright Bantams:
1 cock, 3 cockerels, 1 hen, 4 pullets.
All to Oliver Allen. No competition.
M. B. Turkeys: 1 old tom, 2 young toms. All to Mrs. Albert King, Lockney. No competition.

Donations
Donors to the Pig Club and Poultry Show, together with the amounts are as follows: Barker Bros., \$2.50; Woody Drug Co., \$2.50; J. E. Stephens, \$2.50; T. B. Triplett, \$2.50; C. D. Hopkins, \$2.50; Jones & Howard, \$2.50; Viles Hotel, \$2.50; Brown Bros., \$2.50; A. D. White, \$2.50; Floyd Co. Swine Breeders' Association, \$25.00; W. M. Massie, \$20; First National Bank, \$10; First State Bank, \$10; B. F. Yearwood & Son, \$10; O. P. Rutledge, \$10; A. G. McAdams Lumber Co., \$10; J. L. Smith, Produce, \$10; Martin Dry Goods Co., \$10; Edwards Grain Co., \$5; Marshall Grain Co., \$5; Chas. Massie, \$5; Chas. Wilson, \$5; R. E. Fry, \$5; Mrs. J. N. Farris, \$5; J. A. Grigsby, \$5; Floydada Lumber Co., \$5; Springer Bros. \$5; W. H. Seale, \$5; C. R. Houston & Co., \$5; C. T. Stevens, \$3; J. W. Howard, \$2.50; J. M. Massie, \$2.50; Johnson Grocery \$2.50; Kenneth Bain, \$1; R. C. Scott, \$1; G. C. Tubbs, \$1; A. A. Beedy \$2.50

Contributions from Lockney were: C. R. Wilkinson, \$10; Mr. Lee, \$10; Leslie Floyd Grain Co., \$5; First National Bank, \$5; Baker Mercantile Co., \$5; Roy Griffith, \$2.50; H. P. Coleman, \$2.50; G. M. Sellers, \$1; F. M. Kertter, \$1; received by H. P. Coleman and forwarded, \$16.00.
Others whose help should be specially mentioned are: Messrs. Smith, Murray and Dudley.

SHERIFF LANDS YOUNG MAN IN JAIL FOR LARCENY
Sheriff J. A. Grigsby returned last Friday from Stamford, bringing with him a 20-year-old boy who plead guilty in county court Saturday morning to the theft of some bridle bits from D. D. Shipley several weeks ago.
The young man was fined \$10 and costs and six months in the county jail.

F. H. S. LOSES GAME TO PLAINVIEW FRIDAY

Plainview High School football team took the long end of a game on the local gridiron from the team of Floydada High School Friday afternoon last by a score of 28 to 0, the same number of points by which they won from the local boys earlier in the season.

The visitors had the advantage of considerably more weight and were able to pull out of tight places at two or three different times by reason of superior strength. In the third quarter the locals had the ball in ten yards of the goal line, but were unable to carry it on over. The visiting team scored both by line bucks and open field playing, one of their scores coming in the third by means of an intercepted pass.

The team's Thanksgiving game will be played at home this afternoon against Hale Center. Reports from that place indicate that a large crowd of rooters will come with the team. The game will be the last of the F. H. S. team for the season.

OLYMPIC THEATRE CHANGES OWNERSHIP AGAIN

The Olympic Theatre has changed ownership again, although Elbert Holmes, who recently bought the show from Donaldson & Scott, has never actually taken the house management over, his purchase contract being effective December 1st.

H. W. Atkinson and E. T. Whiteley, of Florence, Texas, are the new purchasers of the show. They plan to move here and assume charge of the business on December 15th.
Mr. Holmes will have the control of the business on December 1st, and will operate the show for fifteen days.

CAFÉ PRICES OFF 12 TO 17 PER CENT HERE

Café prices have shown the effects of reduced prices of foodstuffs in Floydada, recent reductions in charges made for various foods having been made, ranging from 12 to 17 per cent.
Eggs, milk and pastries are the only foods on which reductions in price have not been made.

GRAY-BREWER

A wedding of considerable interest in the Campbell neighborhood last Sunday afternoon was that of Miss Blanche Gray, daughter of Mr. and Mrs. W. T. Gray, who was married at the home of the bride's parents to Mr. Roy Brewer, a young man of the same community.
The wedding ceremony was said at 2:30, Rev. R. E. L. Muncy, pastor of the Baptist Church, officiating.

The wedding was a quiet affair, only intimate friends outside of the family circle being present.

MRS. G. M. TODD DEAD

Mrs. Geo. M. Todd, for nine years a resident of Floyd County, died at her home north east of Floydada last Thursday morning. She was ill only a short time, her death resulting from apoplexy. The funeral services were conducted Saturday afternoon at 2:30 by W. A. Darden, pastor of the First Baptist Church, at the Floydada cemetery, where the remains were laid to rest.

Mrs. Todd was 53 years old and was a native of Missouri. She was converted at the age of sixteen, joining the Baptist Church the same year. She is survived by her husband, Geo. M. Todd, and two children, Neta Ethel and Roscoe Irvin, one daughter having died at the age of two years. She is also survived by two sisters, Mrs. Dullie Citwheed of Yakima, Washington, and Miss Lizzie Blevens, of Hartwell, Mo.

LAKEVIEW SCHOOL OPENS

The Lakeview Public School opened its term for 1920-21 Monday morning.
Price Scott is superintendent with Miss Wanda Armstrong and Miss Ruth Wagoner his assistants, and Mrs. John W. Smith teacher of music.

DISTRICT ARGICULTURAL AGENT VISITS WILSON

Jno. R. Edmonds, of College Station, District Agricultural Agent, spent Monday afternoon and Tuesday morning here with T. Scott Wilson, County Agent, going over with him the work for the ensuing year in this county.
Mr. Edmonds left Tuesday afternoon for Tulla and Lubbock.

SILVERTON PAPER PRINTS RUMOR STILL IS FOUND

In its last week's issue the Silver-ton Star printed the following rumor of a still being found "Somewhere not forty miles from here:"

It has been rumored that a still has been found somewhere not forty miles from here with two or three barrels of mash and ten barrels of whiskey. There was also a rumor to the effect that some parties had recently been seen with forty gallons of whiskey in fruit jars. These rumors have not yet been officially confirmed and we do not know as to whether they are true or not.

BROTHER OF J. R. TERRY DIES OF HEART FAILURE

R. F. Terry, of Colorado City, brother of J. R. Terry, of Floydada, died last Thursday morning at an early hour at his home on a farm near that city.

J. R. Terry left Thursday for that place to be at the funeral services for his brother, who was buried Friday morning at Colorado City.
The deceased brother was 67 years of age and was hale and hearty. His death occurred without the knowledge of his family sometime during the night and was supposed to be due to heart failure.

1199 BALES COTTON GINNED AT FLOYDADA TODAY

With the return of better cotton picking weather ginning figures for Floydada have begun to climb with more spirit once more, though the figures are largely disappointing because of the indifference of many farmers to gathering the crop, and the shortage of labor where efforts are being made to gather it.

A composite of the figures for all three gins of Floydada Tuesday morning showed a total of 1199 bales ginned at the four figures were given.

NUTRITION WORKER FROM RED CROSS COMING JAN. 1st

A nutrition worker has been applied for by the Floyd County Chapter of the Red Cross through the Southwestern Division headquarters to begin work on January 1st.
Advices from the St. Louis office received the latter part of last week indicated that the worker would be employed in ample time to take up her duties here on the date set.

The worker will spend the time here until the close of the schools of the county in the spring. Her coming is a part of the peace-time program of the Red Cross in this county.

ENTERTAINED

Miss Tommy Lee Autry was hostess at a party given at her home Tuesday evening. Tables were arranged for 42 which was enjoyed during the earlier part of the evening. Numerous other games were played. Refreshments consisting of sandwiches, hot chocolate and cake were served the following guests: Misses Mary Childress, Miriam Pack, Ruby Price, Maurine Andrews Lorene Carter, Ruby Stanley, Margaret Grigsby, Evelyn Neil, Myrtle Muncy, Gladys Covington, Thelma Williams, Ethel Houghton, Ora Scoggins; Messrs. Frank Boerner, Roy Haines, Jack Scott, Roy Holmes, Bill Beedy, Ralph Zachray, Ira Marshall, Chauncy Garrison, Leslie Surginer, Aubrey Bishop

The class of Rev. H. E. Smith of the Methodist Sunday School were the winners of the Banner given for the best attendance last month. Accordingly, they were joint guests of the classes of Mrs. John W. Smith, and Messrs John L. West, W. M. Colville and Judge Bartley at a social given in the basement of the Methodist Church Tuesday evening. An interesting program was rendered after which, an oyster stew was served to about 75 guests.

BOX SUPPER AT CAMPBELL

A box supper will be held Friday night, December 3rd, at Campbell Schoolhouse, proceeds from which will be used to finish paying for the new well recently dug on the school grounds.

CORAL WHITE TAKES PLACE WITH HESPERIAN

Miss Coral White has accepted a place with The Hesperian as society and local news reporter, having begun work last week.

1,367 CARS REGISTERED IN COUNTY TO OCTOBER 1

Floyd County had a total registration of automobiles with the State Highway Department of 1,367 on October 1st, according to a report just made public by highway officials, an increase over 1919 of 329 cars.

The census bureau gave Floyd County a population of 9,850 persons, which means that there is an automobile in Floyd County for every 7 1-4 persons.

Other Panhandle counties show considerable increase in auto registrations also. Among these Crosby shows 772, Hale 1561, Lubbock 1537, Briscoe 405, Deaf Smith 718, Dickens 551, Swisher 757, Motley 393, Hall 1409, Potter 2998, Randall 492, Cottle 469.

Dallas county leads the state with 26,090. Harris county is second with over 20,000 and Bexar third with slightly less than 20,000.

WEEK OF PRAYER PROGRAM CONSOLIDATED INTO ONE

On account of inclement weather, the program of the week of prayer in the Missionary Society of the Methodist Church was consolidated into one afternoon's program which was held Monday, November 15. Mrs. J. M. Wilson was in charge and an interesting program rendered. We had a splendid attendance, over 25 ladies coming out, who, I am sure were helped and benefitted by several good talks made by members.

The collection was over \$10 which goes to Vashita College and Satillio, Mexico.

MRS. J. D. STARKS ENTERTAINS 84 CLUB

Mrs. J. D. Starks was hostess last week for the 84 Club. Three tables were arranged, eight of the members being contestants for high score.

A salad course was served the following members and guests: Mesdames W. L. Boerner, W. I. Cannaday, Jess Woods, B. P. Woody, H. O. Pope, Geo. A. Luder, F. S. Truitt, Jim Willson, Wilson Kimble, Glad Snodgrass, O. P. Rutledge, J. M. Hughes, J. B. Jenkins, J. T. J. Dawson, R. H. Willis, W. I. Cannaday, Wister Ross, E. P. Nelson, E. C. Henry, Tom B. Triplett, A. P. McKinnon, Homer Steen, Jas. K. Green, Carl Eubanks and Misses Bernice Henry and Julia Adams.

The Club will meet next Thursday at seven o'clock with Mrs. N. W. McCleskey.

THE MOTHERS CLUB

The air was full of scurrying snow flakes, and the clouds were dark and lowering, as though heralding a real winter's afternoon. But in spite of this the Mothers Club met in the new annex to the North Side School, Friday at 2:30 p. m., November the 12th. Fourteen ladies were present at this meeting. In the business session the "sticky slide" was discussed. The Club feels confident of securing this much desired play apparatus, for the primary. The much needed sidewalks from the square to the Primary school also came in for discussion. Again we have confidence, for we had favorable reports from an investigating committee, who had been appointed at a previous meeting.

Committees were appointed to arrange for use at once a generous sand box with spades and buckets for the delight of the little folks, and long telephone poles to be placed horizontally, about 36 inches from the ground for the larger and more active children. This club is a busy one, for we are working for the betterment of the children.

Miss Ivey with the assistance of some of the other teachers gave a delightful program, using only the real young folks. Their songs, readings and plays would have done credit to children in the advanced grades. The occasion was commemorating Armistice Day.

The whole club enjoyed this feature of the afternoon program very much. We realize the efforts of the teachers are untiring. The next meeting will be at the High School auditorium Friday, November the 26th, from 2:30 to 4:00 p. m.

We continue to solicit new members. Four new members were enrolled at the last meeting.

Joe W. Williams, of Canyon, was here the latter part of last week on a business trip and visiting his brother, W. C. Williams.

MANY RED CROSS MEMBERSHIP IN FLOYDADA

Other Districts Slow in Reporting—Parade Thursday Morning to be Feature

The Fourth Roll Call of the American Red Cross in Floyd County is approaching its end, and with the closing days considerable interest has been manifested in its furtherance locally. Other districts in the county had not reported to Wednesday morning, but at Floydada the interest has been good and the response to the work of canvassers very satisfactory. Many teams spent Monday working in the district, visiting every part of it. Saturday and Tuesday workers also spent considerable time in the downtown sections. With these reports in the membership in this district has already reached 242, with total receipts of \$268.50, a portion of which was donations to the local chapter. An effort will be made to complete the canvass in this district by Saturday night.

The program for Thursday morning has been arranged to feature the Red Cross work, advantage being taken of the regular Thanksgiving services to give prominence to it. Last-minute details of the arrangements for the parade are being made today (Wednesday). The parade will form on the square and march south on Main to the intersection of Kentucky Street. Thence West on Kentucky Street to the Presbyterian Church, where the morning's program will be given. Rev. C. B. Meador will preach the Thanksgiving sermon, preached by the Red Cross program.

Local members of the American Legion anticipate that more than a hundred ex-service men will march in the parade, and an equally large number of Red Cross workers will be in the line. Service men will lead, with H. L. Dawson, Commander of McDermott Post American Legion as commander. Sam E. Goslee and Phil Scott, both A. E. F. men, will trumpet and Tom Goslee also an A. E. F. man, will be the drummer. The service men will be followed by Red Cross workers, both men and women, who took part in the work during the war and afterward. Each Red Cross worker will wear instead of the Red Cross uniform of war days, an armband of white with a 3-inch Red Cross. These will be followed by the Boy Scouts in a body, and these by school children.

Following the parade and service at the Presbyterian Church, the ex-service men will make their headquarters at the Commercial Hotel, where all visiting service men will be guests of citizens of Floydada at a Thanksgiving Dinner.

The day will be rounded out with a football game in the afternoon between the team of Floydada High School and Hale Center High School. The latter school has not been a contender in football until this year, when they have been playing a superior game.

CAR OVERTURNS AND PINS THREE BOYS BENEATH IT

Sunday afternoon three young men were rather severely bruised up and two of them sustained broken bones on the Ralls Road South of Floydada, when a car overturned and pinned them underneath it.

Two of the boys were named Luttrell and the third one Williams. Williams has two broken ribs and a broken collar bone and one of the Luttrell boys has a broken collar bone.

J. B. Jenkins and Gus Herberg lifted the car off the young men and brought them into town.

TEACHERS AT MEETING; KIDS HAVE HOLIDAY

A number of the teachers of Floydada Public Schools left Tuesday night for Fort Worth to attend the convention of Texas State Teachers Association.

Among the party who left are Mr. and Mrs. J. E. Parks, J. C. Wester and Misses Rea and Green.

They will return the latter part of the week.
Other teachers who are away for the Thanksgiving holiday are Miss Mae Parks, who with her little nephew, James E. Parks, Jr., is visiting at Rosco, and Miss Wingo who is visiting her brother, Hal Wingo, at Plainview.

The High School was dismissed Tuesday afternoon and the North Side School Wednesday, to reconvene on Monday morning.

AS SEEN IN PARIS

No Style Changes of Drastic Order Are in Evidence.

Long, Straight Line, Long-Waisted Corsage, Plaited Skirt and Cape Hold Sway.

Now that we have all settled down for next winter we are able to realize, and with considerable satisfaction, that very few important changes have taken place in the world of dress. Changes have been made, of course; but none of a drastic order. We still have with us, observes a Paris fashion authority, the long straight line, the long-waisted corsage, the plaited skirt—also the plaited cape—and picturesque sleeves.

Even the robe-chemise is in evidence. True, it is now decked out at the sides with loops, puffings or plaited panels, but the outline remains very much the same.

The one-piece robe and long tunic have proved so universally becoming that women refuse to give them up. For this reason our big dressmakers have set themselves the task of making unimportant changes—here and there while the dress itself, practically, remains unchanged.

It will be an exceedingly picturesque winter. All the best dressmakers in the Rue de la Paix and Place Vendome are showing what may be called "picture style"; indeed, this feature is carried almost to the point of exaggeration.

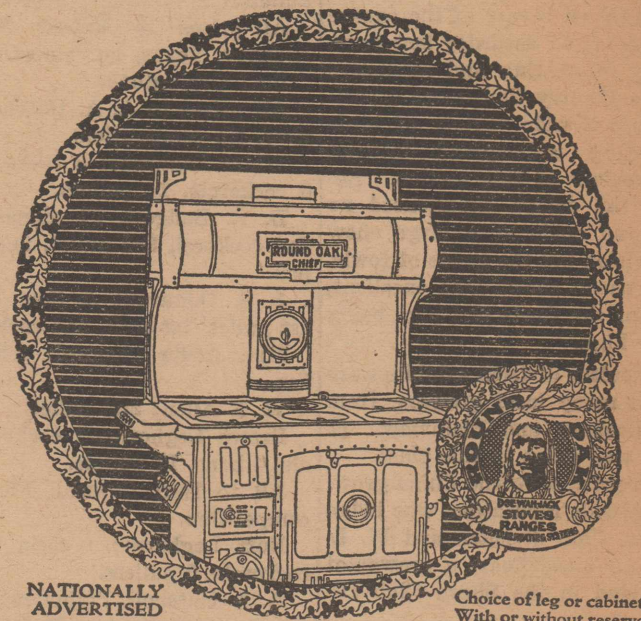

For example, one charming model was in reality a smart little indoor gown, meant for boudoir use, but it would be the correct thing for a dance-tea, in conjunction with a big velvet picture hat. And the same may be

OUTLAY FOR RURAL ROADS AND BRIDGES INCREASES

During the calendar year 1919, 46 States of the Union expended over \$400,000,000 on their rural roads and bridges, the Bureau of Public Roads of the United States Department of Agriculture recently announced. This total is made up of the actual cash expenditures for such items as labor, materials, supervision, and administration, amounting to \$389,455,931, and convict labor and statute labor, the value of which, not definitely known, is estimated at about \$12,000,000. So far as possible, all expenditures on city streets within incorporated towns and cities and all items of sinking fund payments on road and bridge bonds have been excluded.

The road and bridge expenditures for 1919 show an increase of approximately 33 1-3 per cent over those of 1918 and 70 per cent over those of 1914. More striking, however, is the increase in the proportion of the total funds supervised by the several State highway departments. In 1918 the expenditures by or under the supervision of the State highway departments amounted to \$117,285,268, while the local road funds, over which they exercised no control whatever, amounted to \$168,812,925. In 1919, however, the State highway departments supervised the expenditure of \$200,292,694 as against the total of \$189,163,237 expended by the local road and bridge authorities.

W. R. Allmon and Mr. and Mrs. D. H. Allmon, of Hereford, spent the earlier part of the week here.

said of many of the more important models. When they are exhibited one says: "Is it a boudoir gown, or is it a frock for a dance-tea?"

Plaitings of all kinds are amazingly popular.

In Paris they are doing wonderful things with accordion-plaited goods of filmy texture; they are also plaiting serge, taffeta and shantung. But, though the accordion plait is first favorite, it is run close by the larger flat plait, which recalls the genuine "kilt" of Scotch renown.

RURAL CARRIERS WILL SELL GOVERNMENT STAMPS

Dallas, Texas, Nov. 22.—Patrons of rural mail routes will hereafter be given opportunity to purchase government savings securities, War Savings Stamps and Registered Treasury Savings Certificates, from their carriers as residents of cities have done heretofore. Postmaster R. J. Kennedy of Whitesboro reports the sale of \$600 worth of securities in one week by rural carriers from the Whitesboro post office.

**NORTHERN METHODISTS HAVE
FIFTEEN WOMEN PREACHERS**

Chicago, November 19.—Fifteen women are now regular ministers of the gospel in the Methodist church. The right of women to qualify as preachers was granted by the general conference of the church last May.

Miss Madeline Southerd, president of the Association of Women Preachers in the United States and Canada that represents fifteen denominations and director of evangelism in the Epworth League, said today that the first woman preacher to be licensed in the Methodist church under the new ruling was Miss D. Willis Caffrey of Wenatchee, Wash. Miss Caffrey comes of a family of preachers and had been acting as associate pastor of the First Methodist Church of Wenatchee. Miss Winifred Miller of Denver is among the women preachers. Miss Southerd also has been licensed to preach, but has no fixed field because of her other duties. She believes ordination will be granted Methodist women at the next general conference.

**GOOD FELLOWS ASKED
TO HELP SANTA CLAUS**

Doubtless there will be some Santa Claus-less homes in Floydada this Christmas if the old gentleman is not aided along by outside help and with this in mind Glad Snodgrass has arranged some receptacles in handy places in which Good Fellows are to be given an opportunity to drop money for use in buying these presents for distribution.

The plan is that every boy and girl is to be remembered on Christmas Eve, the donations of the Good Fellows to be used for the purpose. Means will be taken to discover these kiddies and without publicity bring them some of the happiness which many of their little neighbors will have in abundance.

SOCIAL AT MISS ARMSTRONG'S

A number of young people enjoyed an informal social given at the home of Miss Wanda Armstrong, Friday evening. Music and games were amusements of the evening.

W. P. Splawn who has been spending the summer at Colorado Springs where he has been at work, returned home last week, following the continued drop in temperature in that section.

Last Night's Dreams

—What They Mean

DID YOU DREAM OF HAM OR BACON?

OF ALL the "high-brow" modern investigators of dream phenomena Frederick Greenwood is the most daringly inclined toward the school of the mystics. While by no means accepting the arbitrary interpretation of dreams as set forth by the empirics he says, writing in one of the ponderous and learned English Reviews: "So far as we know neither the free imagination of childhood nor the absolute unlettered faculty of madness is ever productive of a dream of the things called supernatural for want of a word more expressive. These are the most remarkable phenomena of sleep and it appears that prophetic dreams which seem to import something of the supernatural only arise and do not appear until the mental qualities are of full growth. Dreams which have all the character of revelation and prophecy do undoubtedly occur."

He propounds as a new theory the possibility "that these dreams occur when all the mental faculties are lifted to a higher range of freedom and at the same time maintain their accustomed harmony similar to the rapt condition of men of genius engaged in their best work." There is such a thing as a dream intuition, he believes.

Most of his fellow scientists scout this theory, though the eminent Dr. Corliat contents himself with being "very skeptical" and asking to "be shown." The real mystic, however, does not require any lifting of the mental faculties harmoniously to a higher plane. For him something prophetic lurks even in dreams of ham and bacon. All agree that to dream of ham is an excellent sign. It means financial success for you and much happiness ahead. The more you see in your dream the greater will be your good fortune. But, strange to say, while bacon is so nearly of the nature of ham, yet many, if not most, of the oracles look upon it as an unfavorable omen; though one or two see in it a prophecy of financial gain. This disputed point is respectfully referred to the packer combination.

Mother's Cook Book

"This world which clouds thy soul with doubt
Is but a carpet inside out.
It's when we view these shreds and ends,
We know not what the whole intends;
So when on earth things look but odd,
They're working out some scheme of God.
What now seem random strokes, will there
In order and design appear.
Then shall we praise what here we
spurned;
For then the carpet shall be turned."

Mr. and Mrs. Gus Loyd of Kim, Colorado, are here to spend the winter with her parents, Mr. and Mrs. John A. Fawver. They arrived Monday afternoon.

**Fooling
Himself!**

This skinny critter is busy at making himself believe he is a fat steer! But his delusion is no more complete

than that of the farmer who thinks he saves money by raising cheap scrubs. These days, when the margin between feed cost and selling price on the hoof is uncertain, there is on y one economical kind of steer—the pure-bred. His superiority over the scrub can be measured in size, in quality, in pounds of beef for pounds of feed consumed—and finally in dollars on the credit side of the farm ledger.

In a series of advertisements in this newspaper, we shall demonstrate that pure-breds make the beef for which the packer pays the highest price. They are your big money-makers when the market is up, your surest source of profit when it drops.

For this publicity in the interest of pure-bred beef cattle, we are indebted to THE COUNTRY GENTLEMAN. If you are now a reader you know its frequent helpful

articles on better beef cattle, and its many fact-stories of successful farmers who have prospered from the steadily increasing demand for pure-bred breeding stock.

If you are not a subscriber, let THE COUNTRY GENTLEMAN enroll you along with the rest of its progressive farmer subscribers. Fifty-two issues of a year's subscription come for just \$1.00. Yes, your check is good.

Texas Hereford Breeders Association

THE AMERICAN PRESS ASSOCIATION

Mrs. Seth B. Holman, wife of the editor of The Hereford Brand, at Hereford, had a surgical operation last week at Temple. The operation was entirely successful, reports from Hereford indicate.

Starvation is stalking many a land these days, and while America is going through a period of travail, our difficulties are due to inability to sell

our surplus at a profit. On the contrary in other lands their troubles are because of inability to buy the surplus which we desire to sell. And so it may truly be said that the American people should be thankful, and more especially those who are of the favored number who live in the bread basket of Texas.—The great panhandle.

Good Fellows of Floydada are going to help Santa Claus get around to see all the boys and girls. That's the kind of sentiment that expresses the real Christmas spirit,—giving. And the child mind responds so spontaneously to the spirit of the thing that too much stress cannot be laid on the suggestion that you don't pass up a chance to drop a little money any time you have some extra change into the Good Fellow Fund between this time and Christmas. The fact that the thing will be carried out with absolutely no publicity, so far as the individuals or families who receive the gifts are concerned, will make it all the more appealing. Naturally, it will be made known publicly how much money was obtained and it will be so arranged that several persons will know how the money was expended. But do not withhold money from the fund for fear that any worthy persons will be embarrassed. Help the Good Fellow Fund.

Pre-war grain prices are reached, is the information gleaned from the headlines at the close of last week's grain trading on the grain exchanges of the country, the price having continued to slump throughout the season. The fact that all the markets are bear markets, made so by the stringency of the cash situation, and the inability of European countries to pay for their supplies may be summarized as the causes for the continued depressing prices. While the United States is suffering cramps from inability to sell thousands of people are literally starving in Europe and Asia because they have no money with which to buy,—or rather their money is of so little exchange value as compared with American money that it doesn't buy enough to keep body and soul together. What this country needs most of all is a definite foreign policy of some kind. Our political fiddlers have been playing party music for some three years now while the fat has laid in the fire and fried.

GOOD WAGES

That Floyd County cotton raisers have, in the big price slump, lost thousands of dollars on cotton cannot be gainsaid. However, our idea is that a large number of them are taking a considerable loss on account of

indifference toward getting the crop out of the field. Admitting that the price of cotton is not at all in line with the cost of production, this part of the loss has already been marked off the books, and what remains now is an opportunity to make mighty good wages gathering the crop and selling it.

Plowing under the present crop and planting another one in its stead next April does not look like good business, for if a person argues that next year's crop will be a better price why not gather what you have and hold it, using the ground for some other commodity? On the other hand, people of this section of Texas do not realize that compared with conditions in other parts of Texas, with the wool-growing sections, with the manufacturing centers and the cane growing sections, West Texas is rolling in wealth. A heavy wheat crop, a large part of which was sold on a high market, may be thanked for this condition. And in addition to this the cotton crop now on hand offers the best wages Floyd County will see in many a day, to the man who will go and gather it. The cotton now in the fields offers absolutely guaranteed work at good wages for several weeks. This money will pay grocery bills and buy clothing. It will pay debts and prevent further indebtedness.

If conditions which are today prevalent over other sections of the United States reach this territory,—and we have no guarantee that they will not,—the man who sits down now and mourns the loss of two thousand, five thousand or ten thousand dollars profit he had ready to grasp when the bear market tore down his house about his ears, will look back six months hence and wonder why he didn't take advantage of the opportunity which now presents itself and make the money which is ready to hand for him.

RED CROSS WORK IN SOUTH- WEST GROWING RAPIDLY

How the public health work of the American Red Cross in the South-western Division has grown more rapidly since January 1 last than at any other period, is shown by a chart which has just been drafted at South-western Division headquarters, St. Louis.

The states of the division are Missouri, Kansas, Texas, Oklahoma, and Arkansas.

The chart shows that, whereas there were but 27 nurses in the entire division January 1, the number now is 140, with additional nurses being appointed as they can be secured.

The greatly increased number of public health nurses in the division is looked upon by Red Cross officials as remarkable, because of the shortage of nurses which now exists. Many of the nurses who have been placed in duty recently were secured through a campaign for student public health nurses, which was carried by the Red Cross and other agencies.

How the work has grown in each of the states is shown by the chart, as follows:

Texas, 12 nurses on duty January 1 last, 55 now; Kansas, six on duty January 1, 36 now; Missouri, 3 on duty January 1, 26 now; Arkansas, 2

on duty January 1, 15 now and Oklahoma, 4 on duty January 1, 8 now. The work of the nurses is the principal part of the health work of the Red Cross in its peace-time program. They make examinations of school children, do follow-up work to eradicate physical defects that are found among them, and do other kinds of health work which present themselves.

The Red Cross plans also to establish Red Cross Health Centers throughout the division. The centers will serve as clearing houses for information on health and are expected to do a great work in helping people become well, and helping those who are not ill or suffering, to remain thus.

PRESIDENT'S PLANS UNDE- CIED AFTER MARCH 4th

Washington, Nov. 18.—President Wilson, himself, has not decided what he will do after March 4, it was authoritatively announced at the White House today.

It was stated by attaches that in reply to a direct inquiry as to his plans the President had replied he had not yet made up his mind. His physical condition, it was stated, was extremely good and was showing improvement right along.

Dr. E. A. Hopkins returned Sunday from Greenville, Texas, where he had been with his daughter, Mrs. Jack Henry, who is in the sanitarium there.

Mr. and Mrs. J. E. Stephens left Wednesday morning for Clovis, New Mexico, to visit Thanksgiving with relatives. They expect to return Friday or Saturday.

Everything Seems to Be Going Down But Coal

And the only way this can be figured out is the EARTH has begun to charge storage.

We have taken our loss and marked everything in our store at a reduction, with the exception of a few items—These may not come down but its a cinch they are not taking the hill in high gear as they used to.

We have noticed this week to reduce C. H. Hyer shop made boots \$2 on the pair.

OUR CLOTHES SALES

The past two weeks have been very satisfactorily. Seems as most every body now wears new clothes—WE THINK the reason NO BODY now wears old clothes in because some of the clothes thrown on the market now wear out before they get old.

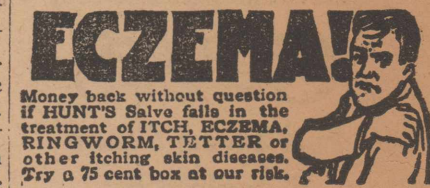

One way to bring down the high cost of living is to wear fewer clothes—BUY when necessary but buy GOOD ONES.

We have just received a new shipment of Florsheim Shoes in all the new lasts and colors.

I want your business on 100 per cent on the dollar basis.

Glad's

P. S. Any one who knows an orphan or family in destitute circumstances—I will deem it a favor if you will report them to my store. A bunch of GOOD FELLOWS are going to line up with me and we are going to see that every kid in hard circumstances is visited by Santa Clause Christmas.

THE UNIVERSAL CAR
The Ford One Ton Truck is a profitable "beast of burden" and surely has the "right of way" in every line of business activity. For all trucking purposes in the city and for all heavy work on the farm, the Ford One Ton Truck with its manganese bronze worm-drive and every other Ford merit of simplicity in design, strength in construction, economy in operation, low purchase price, stands head and shoulders above any other truck on the market. Drop in and let's talk it over and leave your order for one.

"Our Budget Plan will bring the New Edison this Xmas!"

THIS is the time of the year when our Budget Plan is most helpful. You ought to come in right away and find out what it can do for you.

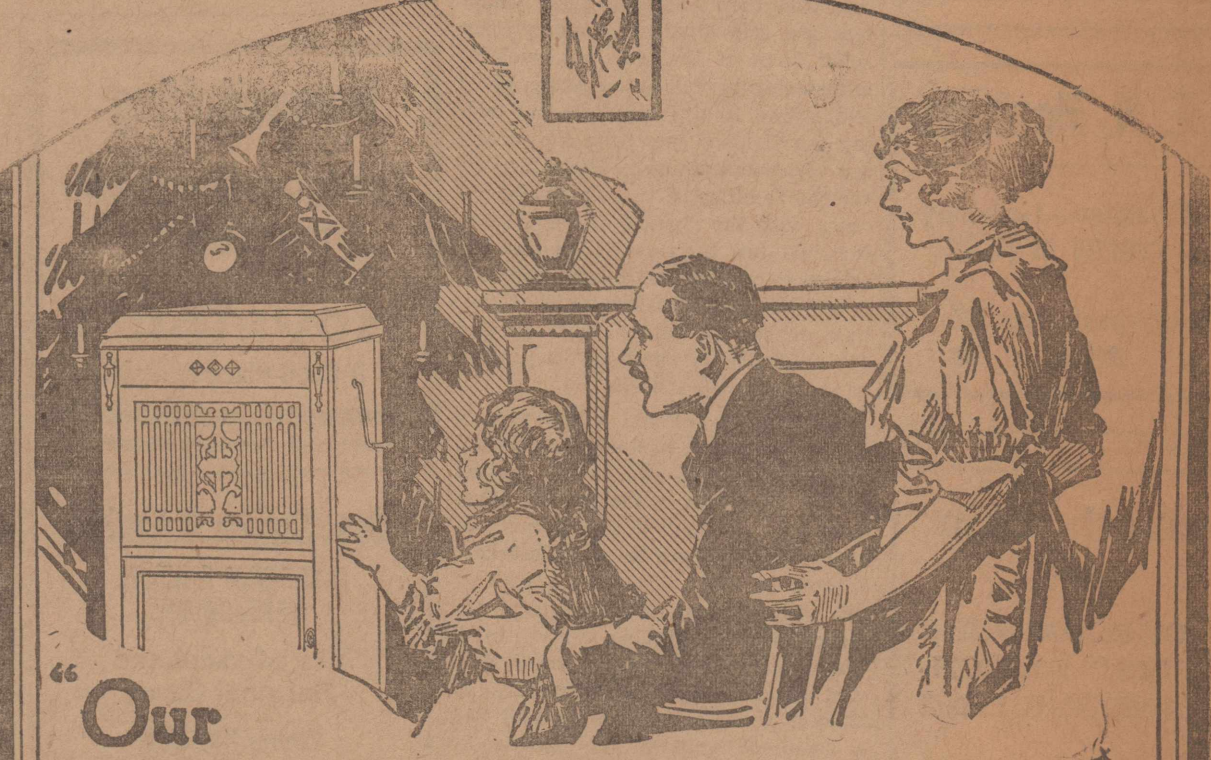

In the first place, it will put a New Edison beside your Christmas tree, (how the family will rejoice!)

In the second place, it will stretch your Christmas dollar so that you'll hardly feel the purchase.

The Budget Plan treats the New Edison as an essential of life, such as a home, and arranges payments on the sound "time" principle. It combines modern business practice with thrift.

This way of treating a dollar actually makes it go farther. Let us explain how the Budget Plan brings the longed-for New Edison for what an extremely ordinary gift would cost,—and makes 1921 thrift pay for the balance.

MANY PROJECTS OF HOME SERVICE BY RED CROSS

Summary of Work Indicates Wide-spread Activities in Peacetime

There are today 3,659 American Red Cross Chapters, 3,502 of which are in this country and 57 in foreign territory and American possessions outside continental United States, according to a summary of localized Red Cross work just compiled at National Headquarters. In American territory overseas—the Canal Zone, Guam, Hawaii, Philippine Islands, Porto Rico and the Virgin Islands—there are eight Red Cross Chapters; in foreign territory—Asia, Central and South America and Europe—there are forty nine.

The summary provides the first complete picture of the home town projects of service which are the concern of Red Cross Chapters. In performance of the duties undertaken during the war in behalf of service men and their families, 2,521 Chapters are still engaged in completing some form of the war job, such as ministering to men in the Army, Navy and Public Health hospitals and aiding the disabled men who are receiving vocational training. Home Service for the families of these men did not cease with the signing of the Armistice, but has been continued and extended to civilian families as well, and is now being undertaken by 629 Chapters, while 273 others have applied for authority to carry on such work on a peace time basis.

The Health Service, a new project of the Red Cross, has already effected the establishment of Health Centers in 126 Chapters, while in 429 other Chapters various other forms of health activities are being undertaken. Classes in First Aid form a part of the programs of 299 Chapters; instruction in Life-Saving is given in 75 Chapters. Health Information Service is conducted by 75 Chapters, 113 have a general information and 219 a combined general and health information service.

Recognizing the value of the work of the public health nurse in disease preventive work, 713 Red Cross Chapters are today employing 950 public health nurses. Under the direction of Nursing Service, classes in Home Hygiene and Care of the Sick are held in 1,006 Chapters and instruction in Nutrition in 85.

In 286 Chapters Disaster Preparedness Committees have been formed for the purpose of furnishing immediate relief to their communities in the event of disaster. Canteen Service, which is maintained by 47 Chapters, and Motor Service, which is a definite project in 40 Chapters, have both proved invaluable in time of disaster and in other emergencies.

In the rural districts, where there is especial need for recreational activities, forty-eight Chapters have adopted programs of this nature while nine are co-operating with other agencies in providing facilities for recreation. Community centers which provide rest rooms and offer a place where entertainments and community gatherings may be held, have been established in thirty-five Chapters. In nine other agencies the Red Cross is helping other agencies in this work.

Junior Red Cross activities are being undertaken by 1,639 Red Cross Chapters, the report discloses. This means that the American Red Cross program of service has been established in nearly 60,000 schools throughout the country and is daily reaching millions of American school children.

TEXAS UTILITIES OFFICE IN JOHNSON GROCERY

The Texas Utilities Company the latter part of last week moved their office in Floydada from the rear of the First State Bank building to space in the W. R. Johnson Grocery.

E. E. Brown, manager of the company here, plans to carry electrical fixtures and supplies as soon as stock can be obtained.

KEROSENE EXPLOSION BURNS PARKER SHIPLEY

Parker Shipley, youngest son of Mr. and Mrs. D. D. Shipley, 4 miles south of Floydada, was severely burned about the hands and face Sunday morning of last week when he threw kerosene in the home furnace to start a fire.

The young man is convalescing, his recovery from the burns, which were rather severe, being as satisfactory as could be expected.

..... Guion
 - Lindy Lou Lillian Strickland
 - Mr. Hector Dansereau at the piano.
 - Arrangements of Horner-White of Kansas City.

TESTS DISPROVE OLD THEORY THAT CHARRING STOPS DECAY

The old theory that charring the butts of fence posts and telephone poles preserves the wood has been disproved by a series of tests recently conducted by the Forest Products Laboratory of the Forest Service, United States Department of Agriculture, on fences with charred and untreated posts of varied species. The charred posts proved in these tests to be even less durable than the untreated ones.

Theoretically, an area of charred wood around a post should prevent decay, because charcoal does not decay or encourage the growth of fungi. But the charred area around a post is not usually a solid covering. It is checked through in many places. If posts are seasoned before they are

charred, the charring does not reach to the bottom of the season checks, which are always present. If green unchecked posts are charred, checks will open through the charred part as the wood seasons. In either case the uncharred center of the post is exposed to fungus infection and will decay as rapidly as untreated wood.

Charring deep enough to resist decay would undoubtedly weaken a post of ordinary size.

They say Zeph Forgerson drove out home from the store the other evening as usual, put his car up and went into the house and started to ask his wife if supper was about ready, when he just happened to think, he had taken her and their little son to town that morning to visit that day and had forgotten to bring them back with him.—Silverton Star.

Mrs. V. Andrews returned home last Saturday from Purcell, Oklahoma, where she had been at the bedside of her mother, who died while Mrs. Andrews was there.

From Edison
To YOU!

EDISON'S NEW DIAMOND
AMBEROLA

The World's Greatest
Phonograph Value

THINK of the vast difference between Edison's Amberola and ordinary phonographs or "talking machines". The Amberola is the product of matchless inventive genius—of inspiration. Other phonographs are plain, factory-made machines, devoid of inspiration.

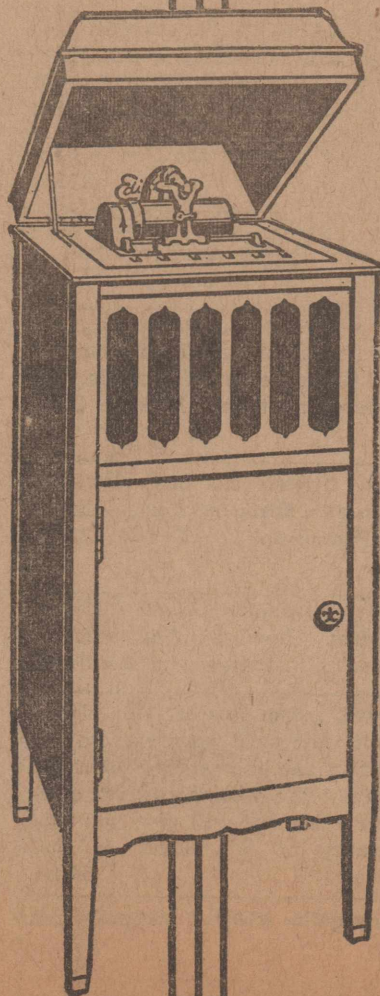

Thomas A. Edison's master mind conceived the Amberola to entertain mankind. Commercial phonographs are put together with just one object in view—to sell at so much profit.

No wonder the Amberola has demonstrated its superiority time and again in public comparative tests with "talking machines" and commercial phonographs.

The marvelous tone of the Amberola—the permanent, genuine Diamond Point Reproducer (no needles to change)—the practically unbreakable, everlasting Amberol Records—all reveal the genius of Edison. And the surprising, low cost of the Amberola puts high-priced "talking machines" and commercial phonographs to shame.

Let us show you how easy it is for anyone to own an Amberola. Call at our store or write to us in the next few days. Even if you are convinced you cannot afford an Amberola, put it up to us to make it possible. So remember—call or write—soon.

LEISURE.

I thank the Lord that I have time
For things that pay no dividends,
For song and book and sunset gleam
And sweet companionship of friends,
The song may be some simple theme,
The book some poet's dreamy rime
For those who dare to pause and
dream—

I thank the Lord that I have time.

I thank the Lord that I have time
To stop a moment by the way
To kiss the scented lips of flowers
And hear the voice of song, birds
gay.

The lark announces morning hours,
Around my door the roses climb,
And Nature lures me to her bowers—
I thank the Lord that I have time.

I thank the Lord that I have time
To pause beside some other soul
Who falters by my poor abode
Upon the path to greater goal.
If I can help him on his road,
Can aid his weary feet to climb,
If I can ease him of his load,
I thank the Lord that I have time.

I thank the Lord that I have time
For humbler joys and humbler
things.

I thank the Lord for lips that smile,
I thank the Lord for heart that
sings.

If I in life's uncertain while
With word or song or cheery rime
Can light some pilgrim's dreary mile,
I thank the Lord that I have time.

THE ROMANCE OF WORDS

"CAMOUFLAGE."

THOUGH comparatively new
in English, the word "cam-
ouflage" has struggled along in
French for several centuries,
during which time it has been
surrounded as used in connec-
tion with the French with a
number of meanings, most of
them of a slangy or colloquial
nature. The term, as used in
connection with the French the-
ater, signified "make-up" and it
was the scene painters of the
Parisian stage that carried it
with them into the war and
planted it in military slang. The
British Tommy soon adopted the
noun and, almost overnight,
added its use as an adjective
and also as a verb—applying
it to all kinds of concealment,
whether mental, moral, spiritual
or physical.

While the word itself is new
to the English language, and
comparatively modern even in
French, the use of deceptive de-
vices to fool the enemy dates
back to the dawn of history. In
the Bible, for example, we find
the ruse by which Gideon, with
only 300 men, defeated a force
of 135,000 Midianites by giving
each of his men a pitcher con-
taining a light. The military
custom of that day decreed that
only the commander of a com-
pany should carry a light, so,
when the Midianites saw 300
lights approaching them from
various directions, they natu-
rally thought they were being at-
tacked by a large force, broke
and fled. The use of branches
of trees as a screen for Mal-
colm's men is mentioned in
"Macbeth," while the American
Indian has long been an adept
in painting his body so that it
would blend in with the sur-
rounding country—an adapta-
tion of nature's principle of
"protective coloration," the old-
est camouflage of all.

PIE SUPPER

There will be a pie supper for the
benefit of the school at Sand Hill
School House Friday night, Novem-
ber 26th. A program will also be
rendered.

A \$5 box of chocolates will be given
the most popular lady present.

All ladies are requested to bring
pies and all gentlemen their pocket
books.

—CONTRIBUTED.

PRE WAR GRAIN PRICES REACHED LAST WEEK

Chicago, November 19.—Pre-war
prices made their first appearance to-
day in the grain market. Corn and
oats were sacrificed wholesale in the
trading pits until both cereals were
squarely on an ante-bellum basis of
value. Transactions in wheat were
also of great volume, with prices
slashing in progress. Reported un-
settled general business conditions
furnished the background, and large
supplies of feedstuffs were said to be
in sight with livestock being rushed
to market instead of being held on
farms, according to reports. Wheat
showed itself the most sensitive of
any board of trade commodities, and
stopped falling only after having
broken 9 3-4 cents a bushel. Bear
leaders conceded that farmers were
to a large degree successfully main-
taining a holding policy as to wheat,
but took the ground that the wheat
must be sold some time, and that in
the meantime, Canada was supplying
the urgent demand in this country and
was furthermore glutting United
States markets with Canadian cattle
as well.

BONDS FOR COUNTY OFFICERS SET BY COURT

The Commissioners' Court of Floyd County in session during the second week of the month set the bonds of the various officers of the county. And officers-elect will have made or arranged to make these bonds on December 1st, when the new tenure of office will begin.

The bonds for the various offices will be as follows:

County Attorney	\$2,500
County Judge	\$5,000
Co. Superintendent (ex-officio office).....	\$1,000
Surveyor	\$5,000
Sheriff	\$5,000
Treasurer	\$5,000
Tax Assessor (County)	\$5,000
Tax Assessor (State)	\$10,000
Tax Collector (state)	\$25,000
Tax collector (county)	\$75,000
Commissioners, each	\$3,000
Public weighers, each	\$5,000
Constables, each	\$1,000
Justice of the peace, each.....	\$1,000
District clerk	\$5,000
County Clerk	\$5,000

In the case of the county superintendent and county judge, both these bonds will be made by one person, W. B. Clark. This is also true of the collector's and sheriff's bonds, all three of which are to be made by J. A. Grigsby. For the first time in the history of the county the offices of county and district clerk will be separated, G. C. Tubbs being the district clerk elect and Miss Lola Walling county clerk-elect.

While the tax collector's state bond is of a less amount than the county bond, it will be harder to make, because the state bond must be backed by unincumbered land, which must be valued for the purpose of the bond at the valuation set upon it for taxes. This bond will in reality, therefore, be worth possibly as much as \$125,000.

WEST TEXAS TAKES ALL PRIZES AT COTTON PALACE

According to information received last Friday from the authorities of the Waco Cotton Palace, West Texas district won first prize in the district contest receiving a one thousand dollar premium. South and East Texas districts were in contest for the large purse, but the West Texas district excelled those of East and South Texas considerably. In every contest entered the West Texas exhibit took the blue ribbon.

Practically all of the products entered in the contest for the western district were selected from the exhibit at the Dallas Fair.

W. E. PACK BUYS CAFE FROM J. E. EUBANK

W. E. Pack the latter part of last week bought the Eubank Cafe on West California Street, opened some two months ago by J. E. Eubank.

PRICE BROS. LANDS ARE TO BE SUBDIVIDED

Plainview, Texas, November 25th.—The twenty thousand acres of farming lands located in the heart of the shallow water district here owned by Price Brothers are to be made available to home seekers. This is the largest tract in this section not yet subdivided. This property has been held by the same family for nearly half a century. Several thousand acres of it have been in cultivation for sometime.

Announcement was made here today by Hickman Price, one of the owners, that the farms are to be divided.

It pays to advertise in the Hesperian

THANKSGIVING DAY—

What more fitting time for giving thanks than at this season, when the Sun and the Rain and Mother Earth have conspired to give to our nation an abundant harvest and the golden crops have been garnered against the Winter's needs.

Thanksgiving has ever been a day welcomed because of its feasting, its joyousness, its happiness. But we must not forget that it is also a day set aside for sober thought and earnest meditation.

We are thankful for the prosperity the year has brought to our friends and neighbors, and we are finding our greatest cause for thankfulness in their co-operation with us. We are grateful, if throughout the year, we have added something to the happiness and success of this community.

May this Thanksgiving be to you and yours a day of joy and happiness.
