

THE FLOYD COUNTY HESPERIAN

VOLUME NUMBER 26

FLOYDADA, FLOYD COUNTY, TEXAS, THURSDAY, OCTOBER 16, 1919

NUMBER 32

SKIBINSKY CONCERT CO. GIVES GOOD PROGRAM

The Skibinsky Concert Company Tuesday evening in an entertainment at the High School Auditorium was heard by a capacity house, the feature of the evening being the violin selections by Mr. Skibinsky, who was at the head of the company.

Solos by Miss Turner, soprano, were also well received and the accompaniment and readings of Miss McKay were also excellent.

The Skibinsky Company filled the date of the Fillion Concert Company, which had been billed for this date and place.

FOOTBALL GAME HERE SEPT. 26th WAS FOR PRACTICE

J. K. Greer, principal of the Lockney Schools and County Athletic Director, has called attention to the fact that the football game in Floydada on the afternoon of September 26th, between the Lockney and Floydada High School Teams, was only a scrimmage or practice game and does not count in the per centages or standing of the teams in the county, district or section.

The first game which will count in the interscholastic record will be that which was played October 3rd on the local grounds.

Mr. Greer fears that some misunderstanding or controversy might arise unless attention is called to the fact that the first game does not count.

* DO YOU WANT TO PICK COTTON OR GATHER MAIZE? *

* Do you live in town and—
* Do you want to Pick Cotton or gather Maize?

* If you do, notify The Hesperian
* Office by telephone or in person,
* giving the day or days of the week you can work and stating whether you want to pick Cotton or Gather Maize.

* If we can get as much as an auto load of persons who will do either or both, we can get you work, transportation furnished to and from the fields at good wages
* \$2 per 100 pounds, for cotton picking, \$4 per day for maize heading.

* Is the price offered, you to furnish your noon lunch. Farmers of Floyd County stand to lose thousands of dollars worth of cotton and feedstuffs in the next 60 to 90 days if labor is not obtained in some manner. If you can work any of your time in the fields, you can help save the situation. Every time you help save a bale of cotton or a ton of maize it is money in your pocket, if you live in Floydada, on top of the money you'll get for your work.

* Do it now. Telephone No. 8.
* No charges for the service.

G. V. SLAUGHTER HAS STROKE OF PARALYSIS

Last Thursday G. V. Slaughter suffered a stroke of paralysis, which for a time was quite serious. He is at present regaining the use of his members, however, and is gaining strength, also.

Mr. and Mrs. T. B. Triplett and little daughter, Mary Elizabeth, are spending the week in Dallas at the Fair.

WOMEN MOBILIZE FOR RED CROSS DRIVE

8,000,000 Produced During War \$100,000,000 in Various Articles

The war achievement of the American women who are being mobilized for the Third Red Cross Roll Call, November 2 to 11, in but one of the numerous activities by which they backed up the country's fighting men, is revealed in the announcement by the Red Cross that in two years they produced nearly \$100,000,000 worth of surgical articles and garments.

It is estimated that 8,000,000 women and girls participated in this tremendous work and it is among them largely that the Red Cross is now recruiting 1,000,000 workers who will assist in the enrollment of members for 1920.

These women, affiliated with over 3,700 chapters, toiled early and late in homes and Red Cross work-rooms throughout the land, and to their efforts was largely attributed the morale maintained in Allied countries through the assistance given the suffering civilian populations, in addition to the cheer and comfort their labor carried to the American troops.

The betterment of health conditions, the improvement in community life, and the training of children for citizenship furnish just as patriotic a motive for service today as did the making of bandages a year ago. It is hoped that the women of the 655 chapters of the Southwestern Division, comprising Missouri, Arkansas, Texas, Kansas and Oklahoma, who produced articles worth more than \$13,000,000 in addition to many hours of service, will rally as valiantly to the peace call as they did to the call of war.

FLOYDADA CAR WILL ENTER ENDURANCE CONTEST

An endurance Contest for automobiles to be staged on country roads between El Paso, Texas, and Phoenix, Arizona, during the earlier part of October, will be entered by a local car which will leave soon for El Paso. The car is the re-modeled Ford of the Motor Supply Company, which was one of the principal contestants in the races here during the Fair. Big prizes are offered for the car which makes the best time between the two points, which is about a 500-mile run.

ART EXHIBIT HERE

The Art Exhibit from Belmont, Mass., comprising some 300 reproductions of the world's master-pieces, which was to have been shown at Floydada during the Twelfth Floyd County Fair, was received here yesterday, and plans are being made to exhibit it Friday and Saturday (October 24th and 25th) at Floydada, and the next week-end at Lockney.

The pictures will be shown at the County Court Room here and a charge of 15 cents will be made for admission, the proceeds to be used for the purchase of pictures for schools of the county.

The exhibit will be open evenings until 10:30.

The Ladies' Aid of the Baptist church cordially invite all the lady members of the church to meet with them Monday afternoon, October 20, at 2:30. A program will be given after which all will enjoy a social hour and light refreshments will be served. The meeting will be at the church.

LIST OF AWARDS IN DEPARTMENTS OF TWELFTH FLOYD COUNTY FAIR ISSUED

Concluded from Last Week

- Farm and Orchard**
Wheat: 1st, S. H. Phillips; second, Lewis Cardinal.
Rye: L. C. McDonald, first (single entry).
Oats: first, R. F. Green, Mickey; second, W. N. Pascall.
Best 6 stalks corn: L. O. Norman, first (single entry).
Best ears white corn: first, R. B. Smith, (single entry).
Best ears yellow corn: first, Harry H. Campbell (single entry).
Maize: first, H. L. Puryear; second, R. B. Smith.
Kaffir corn: first W. W. May; second H. L. Puryear.
Feterita: first Thad Elliott; second S. H. Phillips.
Best 10 pounds seed cotton: first, Chas. Saunders, (single entry).
Best 50 bolls cotton: first, Chas. Saunders (single entry).
Best 3 stalks cotton: first O. B. Rawlings, second L. O. Norman.
- Fruit**
Best plate Arkansas Black Apples, first, Mrs. M. Carr, second L. H. Lewis.
Best plate Waggoner apples, Mrs. M. Carr, (single entry).
Best plate Ben Davis apples: first, D. T. Scott (single entry).
Best plate Jonathan apples: first, D. T. Scott (single entry).
Best plate Bledsoe apples: first D. T. Scott (single entry).
Best plate Wolfe River apples: first, D. T. Scott (single entry).
Best plate Limber Twig apples: first, Harry H. Campbell, (single entry).
Best plate Grimes Golden apples: first, L. H. Lewis (single entry).
Best plate Summer Pippin apples: first, L. H. Lewis (single entry).
Best plate Gano apples: first, L. H. Lewis, (single entry).
Best plate Missouri Pippin apples: first, L. H. Lewis, (single entry).
Best plate Northern Spy apples: first, L. H. Lewis, (single entry). Also first, on single entry specimens of the following varieties of apples: Northwest Greening, Winesap, Black Twig, Janett, Rhode Island Greening.
- Peaches**
L. H. Lewis, first in White Heath and October Heath (single entries in each).
Mrs. M. Carr: first on Dalmont Favorite (single entry).
- Other Fruits**
D. T. Scott: first on grapes, (single entry).
L. H. Lewis: first on single entries of the following varieties of pears: Keifer, Bartlett, Lawrence.
L. H. Lewis: first on single entry, Golden Gage Plums.
- Garden**
Sweet potatoes: first, D. T. Scott (single entry).
Best dozen tomatoes: first, Mrs. J. F. McCarty, second Mrs. Lillie Wooten.
Best pumpkin: first, V. H. Trammell, (single entry).
Best sweet peppers: first L. A. Slaughter, second, W. P. Daily.
Best turnips: first H. C. Bosley; second S. Y. Carter.
Best Sugar beets: Thad Elliott, first (single entry).
Best beets: first, M. R. Pelphry (single entry).
Best gallon dry beans: first, Mrs. Lillie Wooten (single entry).
Best Cashaw: first, Jennie Wilson (single entry).
Best okra: first, Otis Splawn (single entry).
Best gallon peas: Mrs. L. H. Newell (single entry).
Best display gourds: Horace Carr, Jr., (single entry).
- Live Stock**
Best Jersey Cow: first, V. H. Trammell; second N. A. Armstrong.
Best Jersey bull: first, Fred Wimberly (single entry).
Best sweepstake cow and bull: first N. A. Armstrong; second E. C. King.
Best Hereford bull: first, N. A. Armstrong; second, Walter Newell.
Best Hereford cow: first, N. A. Armstrong (single entry).
Best pen of Herefords: N. A. Armstrong, (single entry).
Best Holstein bull: first and second, E. C. King.
Best Holstein cow: E. C. King (single entry).
Best 4 Holstein calves: E. C. King (single entry).
- Sheep**
Best buck: G. L. Fawver, first Walter Newell, second.
Best ewe: G. L. Fawver, first; Walter Newell, second.
Best buck under 1 year: G. L. Fawver, first; Walter Newell, second.
Best breeding herd: G. L. Fawver, first; Walter Newell, second.
Best goat: Mr. Burgett, first (single entry).
- Horses**
Shetland horse: J. I. Hammonds, first; Kinder Farris, second.
Shetland mare: Alpha King, first, Lorraine Nelson, second.
Harness and saddle stallion: E. L. Brotherton, Lockney, first; Miner Crawford, Silverton, second.
Draft Stallion: J. L. Smithee, Silverton, first; W. H. Baker, Floydada, second.
Jack: E. L. Brotherton, Lockney, first; Vern McPeak, Floydada, second.
Suckling colt (mule): E. L. Brotherton, Lockney, first; W. H. Baker, Floydada, second.
Best mule colt: E. C. King, first.
Best draft mare: W. H. Baker, first; J. S. Latham, second.
Best span mares: J. S. Latham, first; W. H. Baker, second.
Best saddle mare: Mrs. A. E. Elder, first (single entry).
- Hogs**
Boar and sow: G. L. Hilburn, first; D. C. Day, second.
Brood sow and pigs: Ray Cope, first M. F. Swain, second.
Poland China boar: C. W. Denney, first; Mrs. Nora Jones, second.
Duroc Boar: L. S. Heath, first; G. C. Hilburn, second.
Sow: J. I. Hammonds, first; G. C. Hilburn, second.
- Art**
Best piece china painting: first, Mrs. A. P. McKinnon; second, Miss Dollye Parker.
Best handpainted picture (water color): Miss Dollye Parker; second, Mrs. Lem Flanary.
Best oil painting: Mrs. L. V. Phillips, Lockney.
- Flowers**
Best display cut flowers: first, Mrs. M. F. Husky; second, Mrs. Bosley.
Best geranium: first, Mrs. A. P. McKinnon, (single entry).
Best fern: first, Mrs. A. P. McKinnon; second, Mrs. A. P. McKinnon.
Best oleander: first, Mrs. A. P. McKinnon; second, Mrs. A. P. McKinnon.
Best begonia: first, Mrs. M. F. Husky, second Mrs. M. F. Husky.
- Children's Department**
Best piece furniture designed by boy under 12 years: first L. B. Fawver, Jr., (single entry).
Best dress cut and made by girl under 12 years of age: first, Geraldine Massie (single entry).
Best piece crochet: first, Lorene Carter; second, Inez Paschall.
Best piece tatting: first, Lorene Carter; second, Lorene Carter.
- Embroidery**
Best cut work, Blanche Conway; Best French and Eyelet Embroidery, Blanche Conway, second, Mrs. L. C. McDonald; Best dining table cover, Blanche Conway; Best Luncheon set, Mrs. Nathe McCleskey; Best Mount Melic Embroidery, Mrs. Nathe McCleskey; best hardanger, Mrs. H. B. Callihan, Best pair pillow cases, Prudie Mae Hamilton; Best boudoir pillow, Mrs. A. P. McKinnon, second Irene Cardinal.
- Lace Work**
Best Battenburg, Luna Lowrance, second Mary Willmon; Best Lace, any style, Mrs. S. J. Hollums, second Mrs. J. P. Hopper; Best tatting, Bill Lowrance; Best tatted collar, Mrs. W. W. May; Best tatted cap, Mrs. W. W. May; best tatted handkerchief, Mrs. W. T. Hamilton.
- Knitting**
Best tatted specimen, Mrs. J. P. Hopper.
- Crochet**
Best specimen, fine thread, Blanche Conway; second, Irene Cardinal; best specimen, coarse thread, Mrs. H. B. Callihan, second Mrs. Tom Messenger; best yoke, Ona Mitchell, second Mrs. Mary Ellis; Best Irish Crochet, Prudie Mae Hamilton, second Mrs. Will Burgett.
- Quilts**
Best patch work, Mrs. D. T. Scott, second Mrs. O. B. Olson; Best appliqued quilt, Mrs. M. J. Pope, second Mrs. A. J. Womack; Best crazy quilt,

HOUSE BUILT IN '91 IS BEING TORN DOWN

Farris Building on South Side Bought By Price-Goen and Being Razed

The Farris Building on South Side Square, formerly known as the Ranft Building, perhaps the only building left standing in Floydada built in 1891 in the third year of the town's life, is being razed this week and will be no more by the end of the week.

The building is being torn down by the Price-Goen Dry Goods Company, who bought it the latter part of last week. It belonged to Mrs. Jno. N. Farris having been acquired by her husband many years ago and used for two or three years as a drug store.

The building has quite a history. It was erected by Mr. Tommy, a son-in-law of John G. Ranft, now deceased in the winter of 1890. In 1891 Mr. Ranft moved to Floydada and bought an interest in the building and established a business there which he conducted until 1906 or thereabouts. It was later used as a telephone exchange building when the Northwest Texas Telephone Company was operating in this section, later as a drug store, then as a cafe and rooming house, and several other kinds of businesses have been conducted there.

So far as is known it is the only building built during the first boom days of the townsite remaining. Though several fires have occurred around it and its roof scorched, the old building has been saved time and again by good luck and hard work of bucket brigades.

SELLS FIRST 35 CENT BALE ON THIS MARKET

The cotton market has had an encouraging tendency upward for several days and the dry days of the first of the week have given a few of the farmers a chance to get cotton in on it.

Yesterday good cotton was selling here at 35 cents. W. T. Gray was probably the first to sell on the local market at that price. He had a bale here Tuesday, three or four other bales selling the same day at that price, too. Mr. Gray said that was the highest price he ever received for a bale of cotton on any market, and 35 cents is the highest price that the Floydada market has ever had, at least in recent years.

CLUB BOYS HOME

Ralph Cope, of Fairview, Chas. Splawn, of Floydada, Joe Foster, of Lone Star and Otto Milton, of Sunset, who spent last week in Dallas at the Boys' Club Encampment as guests of the Texas State Fair, returned home Monday in company with County Agent W. H. Darow.

The trip to the Fair was won as a prize in the county competition among club boys at the Twelfth Floyd County Fair.

UNITED PROFITS SHARING COUPONS

Statement of the Ownership, Management, Circulation, etc., Required by the Act of Congress of August 24, 1912.

Of the Floyd County Hesperian, published weekly at Floydada, Texas, for October 1, 1919.
STATE OF TEXAS,
County of Floyd,

Before me, a notary public in and for the State and county aforesaid, personally appeared Homer Steen, who, having been duly sworn according to law, deposes and says that he is the editor and manager of the Floyd County Hesperian and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publisher, editor, and business manager: Publisher, Hesperian Pub. Co., Floydada, Tex., Editor, Homer Steen, Floydada, Tex. Managing editor, Homer Steen, Floydada, Texas, Business Manager, Homer Steen, Floydada, Texas.

2. That the owners are: (Give names and addresses of individual owners, or, if a corporation, give its name and the names and addresses of stockholders owning or holding 1 per cent of the total amount of stock.) Hesperian Publishing Company, Incorporated; B. C. Willis, A. C. Goen, W. L. Boerner, C. Snodgrass, L. H. Liston, S. A. Greer, A. D. White, Arthur B. Duncan, Homer Steen, W. M. Windsor N. A. Armstrong, Floydada, Texas; J. A. Burrus, Lubbock, Texas; Claude V. Hall, Slaton, Texas.

3. That the known bondholders, mortgagees, and other security holders holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.) Intertype Corporation, Brooklyn, N. Y.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the six months preceding the date shown above is: (This information is required from daily publications only.)

HOMER STEEN,
Sworn to and subscribed before me this 11th day of October, 1919.
(Seal) J. K. GREEN,
Notary Public, Floyd County, Texas.
(My commission expires 6-1, 1921.)

PROMINENT GEOLOGIST IS OPTIMISTIC OVER OIL PROSPECTS HERE

Wm. T. Noblitt, well locating engineer left Wednesday for Beaumont, after having spent several days here and at Floydada on professional business. The nature of Mr. Noblitt's work makes it impossible for him to make a public statement but he stated that he would make a very optimistic report to his company at Beaumont. He thinks that oil and gas will be found in large quantities near here. It is his duty to make locations for wells. The fact that he will return to Plainview in about two weeks lands interest to his activities here.

Mr. Noblitt was one of the first geologists in the Beaumont field and has made a number of locations in the North Texas fields recently all of which are big producers now. He is an old friend of E. C. Nelson, of Floydada.—Plainview Herald.

IMPORTANT CHANGES IN STATE GAME LAW

Austin, Oct. 8.—Attention of hunters is called to important and material changes, as well as differences, in state and federal game laws, in a statement by the game, fish and oyster department. Most important of these is that the federal law now forbids the shooting of curlew and plover,

and fixes a daily bag limit of twenty-five on doves. The state law allows a maximum of but fifteen doves.

The new bag limits and open seasons follow:

Deer, three bucks, from Nov. 1 to Dec. 31.

Turkey, three gobblers, March 1 to April 30.

Doves, fifteen per day, Sept. 1 to Dec. 15.

Quail or Mexican pheasants, fifteen per day, Dec. 1 to Jan. 31.

Ducks, twenty-five per day, Oct. 16 to Jan. 31.

Geese, brant and sandhill crane, eight per day, Oct. 16 to Jan. 31.

A maximum of twenty-five is fixed as a day's bag limit, which would include any combination of birds listed above.

Farmers may kill birds destroying growing crops by obtaining a proper permit without regard to limit or season.

Shooting migratory fowl from motor or sail boats is prohibited by federal law. All such boats carrying passengers must obtain a license from the game, fish and oyster department.

The state law prohibits the hiring or employing of another person to hunt and makes it a misdemeanor to accept such employment. This prevents even the giving of a box of shells to a person to hunt for another.

Game now may be shipped without the hunter accompanying the shipment by protecting the bag with an affidavit. These affidavits may be taken by express agents, train auditors, conductors and boat captains.

The new hunters license costs \$2 each and is required when hunting beyond the confines of a person's own resident county, even on land owned by the hunter.

The only closed season on squirrels is in Angelina, Cherokee, Hardin, Liberty, Nachodoches, Dallas, Rockwall, Tyler, Jefferson, Orange, Jasper, and Newton counties, this season extending from Jan. 1 to Sept. 1 with a bag limit of five daily. There is no bag limit or closed season on Javelinas and Peccaries.

A material change in the state law permits the bringing in of game birds, dead or alive, from Mexico. The federal law, however, provides that live quail may be imported from Mexico only through the port of Eagle Pass. All such imports must be upon permit issued by the game, fish and oyster department of Texas.

It is unlawful to kill any wild song-bird and night hunting is prohibited in all seasons, as also is the use of any light or lantern.

OCTOBER 27, ROOSEVELT MEMORIAL DAY

Dallas, Texas, October 6.—Roosevelt Memorial Day will be observed throughout Texas on Monday, October 27th. On this date, the birthday of Col. Theodore Roosevelt, exercises will be held in every public school and practically every college of the state and United States. Non political, and non partisan, it is the desire of the Roosevelt Memorial Association that the teachings of Col. Theodore Roosevelt on Americanism be revived and cultivated among all young men and women.

State Superintendent of Public Instruction, Miss Annie Blanton, has announced that the date would be observed in all public schools of the state. This same observance is being held in public schools in practically all other states. Previously the many college presidents who are serving as members of the State Executive Committee assented not only to the observance of the date but also to the organization within their respective institutions of Roosevelt Memorial Societies.

The Texas campaign in the interest of the Roosevelt Memorial Association is perfecting its organization. In approximately two hundred counties, organizations have been arranged and plans are being outlined for the active campaign to be conducted during the week October 20, October 27th inclusive for the purpose of securing funds to provide a suitable memorial to Col. Roosevelt both in Washington and in Oyster Bay.

At the recent meeting in Dallas, Judge W. F. Ramsey, formerly of the State Supreme Court and now of the Federal Reserve Bank made an appeal to the people of Texas to get behind the movement and insure its success. Many other prominent Texans are taking an active part in the campaign.

A booth has been secured at the Texas State Fair and literature will be distributed explaining the movement and urging assistance. No memberships will be solicited nor funds asked. The effort will be made to have activities of this nature conducted through the county organizations. Texas State headquarters are located at 1600 1-2 Main Street, Dallas.

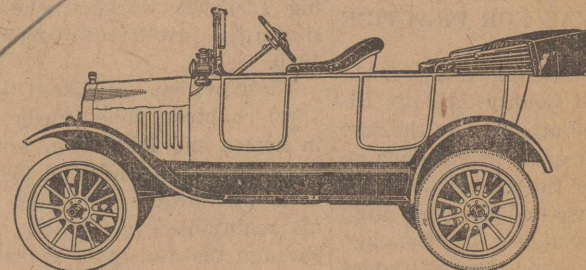

FIRST BALE AT PLAINVIEW

Plainview's first bale of cotton was brought in Saturday. It was raised

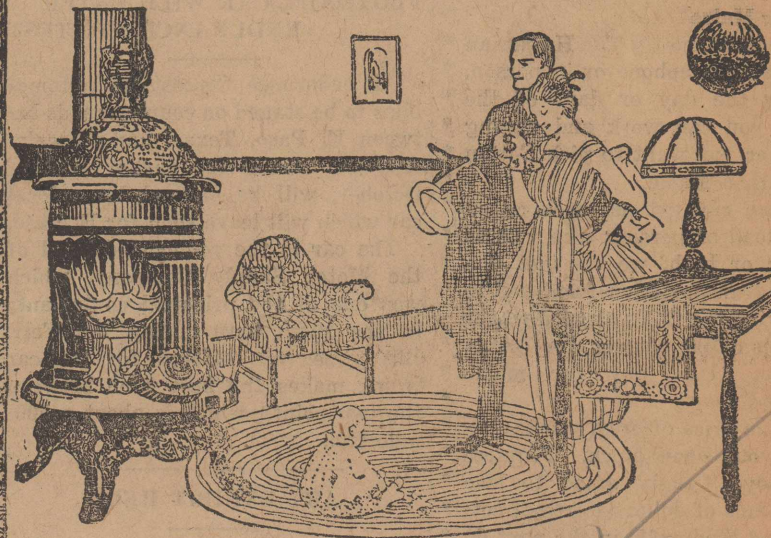

The Farmer's Truck

The Ford One Ton Truck may well be classed as an agricultural necessity, it fits into and fills so many wants on the farm. It is a reliable bearer of farm burdens, not only doing the work of several horses quicker and better than the horse, and does not "eat its head off" when not working. The aggressive farmer has only to consider the possibilities of the Ford truck and he is ready to buy one. We judge this to be so from the way farmers are buying them. Truck Chassis \$590 f. o. b. Detroit.

BARKER BROTHERS

Everybody is searching for a way to save fuel and food. Here's your opportunity to cut your coal bills square in half and gain a perfectly heated home as well. Investigate now. Our Store is Fuel Savers Headquarters.

No. 112

by A. H. Porter of the Ellen community. The bale attracted quite a little attention here as cotton is not grown around Plainview much. Mr. Porter sold the bale to Barrier Bros. at 32 1-2c per pound.
Mr. Porter has about 100 acres in cotton this year and it is estimated that the yield will be about a third of a bale to the acre. He had to haul the cotton to Lockney to have it ginned as there is no gin here.—Plainview Herald.

GARNER BROS.

Undertakers and Embalmers. All calls answered promptly.

PLAINVIEW, TEXAS

George Greene, a former resident of Floydada, who now resides in Wichita Falls, was here several days last week

on business, and renewing acquaintanceships.

No Agents No Commissions

In many things we purchase price should be the chief consideration.

There are others which the eternal fitness of things demands that we purchase the BEST.

A monument is purchased but seldom in a lifetime. Here QUALITY, not price, is the main consideration.

GRANITE is SUPERIOR to all other monumental material in beauty, strength and durability.

A monument in BARRE, QUINCY or ST. CLOUD granite will be as beautiful and enduring as your love for the one it commemorates.

South Plains Monument Company.

Plainview, Texas.

PROMPT DELIVERY. CONCRETE FOUNDATIONS

COTTON FARMER SHOULD MAKE EFFORT TO PROTECT PRODUCT AGAINST SLUMP

Dallas, Texas, October 11.—According to the American Cotton Association, when England, the great cotton manufacturing center, becomes uneasy concerning the outlook for a supply of cotton it is time to take notice. One of the largest representatives on the Liverpool Cotton Exchange cabled asking that they be furnished with definite information concerning the indicated yield of cotton as shown by the American Association as follows:

"Please give us the benefit of your estimate as to the indicated yield from the growing crop. Also indications as to proportion of good and off grades, also your estimates to proportion of spinnable cotton brought over on August 1st. Give us also your candid judgment as to possibility of stabilizing production, so that there will be a vast variation in the size of the crop produced. At what price will farmers sell freely? Will all cotton be brought out at the minimum price named at the New Orleans meeting? Will the American Cotton Association name a different price after the ratification of the Peace Treaty? Will your Association control the acreage to be planted next year? Will an attempt be made to reduce production below the pressing demands of the world for the purpose of forcing exorbitant prices?"

"This inquiry shows plainly what

way the wind is blowing. It has been pointed out to them plainly that the growing crop is the shortest in the last decade, that there will be a large proportion of off-grades on account of the great shortage of labor; that there will be no possibility of stabilizing production. We have advised them that acreage will be reduced so as to furnish sufficient cotton to supply the actual demands of the world at remunerative prices, and under no condition would large crops be produced again for the purpose of furnishing surplus cotton to beat the price down.

"Cotton is headed for fifty cents per pound, basis middling. The combined fight of the spinners and profiteers of the world is concentrated in an effort to beat the price down. The American Cotton Association with one million members, with warehouses under the control of the people of the south in every county or parish in the cotton belt will revolutionize the marketing of cotton. The producer will claim the right to sell his product, and will refuse longer to be profiteered upon by those who have long reaped where they have never sown and who have brought to him poverty and misery.

"Organize the American Cotton Association; build warehouses; stand firm; be loyal; and success is certain. The world is bare of cotton goods; they need cotton. We need schools for our children; good roads; happiness and contentment; some of the good things of life. A reasonable price for our cotton will bring this.

"The world must be clothed and fed. It will require every pound of our cotton, every bushel of our cotton seed, to do this, and still the demand will not be filled. Of the 1,800,000,000 people in the world, 7,500,000 are sufficiently clothed; 500,000 partly clothed; and 550,000 are entirely naked. Nine tenths of the clothing of the world is made from cotton. The world's consumption of cotton today is approxi-

Delco-Light Users

More Than 75,000 Satisfied Users

DELCO-LIGHT was designed and built by men who were raised in farm homes—who experienced the discomforts and inconveniences of farm life—and who set out deliberately years ago to develop an electric plant that would provide city advantages for rural communities.

They were the same men whose engineering talent had made DELCO Starting, Lighting and Ignition Equipment for automobiles the standard of the world—

They knew electricity—and they knew the needs and limitations of farm life—

They knew that an electric plant to give service in a farm home must be simple, so that it would not get out of order and require complicated repairs—

It must be easily operated and require little attention—

It must be very economical in operation—

It must be built to stand hard usage and it must last indefinitely—

It required five years to develop a plant that would measure up to these specifications.

There were five years of hard engineering effort back of DELCO-LIGHT before the first plant was put on the market three and a half years ago.

Today DELCO-LIGHT is furnishing the conveniences and comforts of electricity to more than Seventy-five Thousand farm homes.

It is providing an abundance of clean, bright, economical electric light for these homes. It is furnishing power to pump water, operate washing machine, churn, separator, vacuum cleaner, electric iron, milking machine, and other small machinery.

And everywhere it is demonstrating its wonderful efficiency—and actually paying for itself in time and labor saved.

DELCO-LIGHT

A complete electric light and power plant for farms and country homes, self-cranking—air cooled—ball bearings—no belts—only one place to Oil—Thick Plates—Long Lived Battery—RUNS ON KEROSENE

BAYLOR EXPERIENCES CRUSH DURING OPENING WEEKS

Indicative of Need of Baptist Institutions for 75 Million Campaign

Dallas, Texas, Oct. 15.—The mad crush experienced at Baylor University, Waco, during the first two weeks of the present term, due to lack of room facilities for accommodating the largest student body in the history of the institution covering seventy-five years, has set the Baptists of Texas thinking seriously and prayerfully, according to Dr. J. M. Dawson, pastor of the First Baptist Church at Waco and State Publicity Director of the Southern Baptist \$75,000,000 campaign. "It is bringing home to them concretely," he continued, "the vital necessity of raising \$16,000,000 plus in Texas to meet the denomination's enlarged program of education, missions and benevolences."

Baylor University has no dormitory for young men and many are being turned from the doors of the school. Most of the residences within two blocks of the University and others beyond have been rented for the girls, and from three to four girls are occupying a single room. This is causing great dissatisfaction and some have returned home. Dormitories, a natatorium, an artesian well and a fine arts building are among the most urgent needs.

It is pointed out that the distressing situation at Baylor University is illustrative of over-crowding and shortage of modern facilities at virtually all the other Baptist educational institutions of Texas, and that it will be imperative for each of them to enlarge its facilities and extend its accommodations out of its apportionment of the \$75,000,000 fund.

"Baylor University for more than fifty years has been the fountain and foundation of the Baptist church of Texas," says Pat M. Neff, Chairman of the Board of Trustees. "It is the head of the Baptist denominational schools of the state, and thousands of the leaders of men in Texas were educated here. If the responsibility rests on Baylor to furnish the leaders, the responsibility is on the Baptist brotherhood to provide the institution with sufficient funds to meet its great work. The success of the \$75,000,000 campaign will do wonders toward placing the University where it ought to be, as well as the upbuilding of the other Baptist schools.

Following is the apportionment to the schools made from Texas' quota, \$16,000,000 plus; Baylor University, \$1,000,000; Baylor College at Belton, \$750,000; Simmons College, Abilene, \$500,000; Howard Payne College, Brownwood, \$300,000; San Marcos Academy, \$100,000; Decatur College, \$100,000; Burleson College, Greenville, \$100,000; Rusk Junior College, \$100,000; Theological Seminary, Fort Worth, \$500,000; Wayland College, Plainview, \$100,000; Marshall College, Marshall, \$100,000.

AWNING FALLS; C. FOSTER HAS SPRAINED ANKLE

Clarence Foster sustained a sprained ankle and was jolted up considerably in a fall Monday afternoon from a height of some ten feet to the sidewalk, when the awning of the frame building on south side recently purchased by Price-Goen, collapsed with him.

He fell clear and was not struck by the timbers, but the sprained ankle will put him out of commission for some weeks, it is feared.

Mrs. Sam Goslee underwent an operation Saturday night last at the Plainview Sanitarium for appendicitis. She is resting well and recovering satisfactorily this week.

Savings Campaign Is Boon To Women

The average family in Texas, Louisiana, Oklahoma and New Mexico is not wealthy enough for the "lady of the house" to have all the little conveniences she wants. Through Thrift and War Savings Stamps, however, the Government has provided a way for the housewife to fit up her kitchen, paint the house, furnish her spare room or embellish the parlor.

Those women who were so wise as to begin saving systematically early in 1918 have nice little sums invested in War Savings Stamps by this time. Eleven War Savings Stamps, some of which cost as little as \$4.12 apiece, will buy a first class kitchen cabinet. In many instances, the housewife would not have saved anything to speak of, had it not been for the War Savings Stamps.

Some of the banner Savings Societies in the Eleventh District are in women's clubs or church societies. Women are quick to grasp the benefits from habits of Thrift. Numerous reports have been received at District Headquarters of the Savings Division at Dallas of women who have started in by putting quarters in Thrift Stamps and who have been enabled to buy desired articles to brighten up their homes. As soon as a War Savings Stamp is bought, it begins earning more money. War Savings Stamps are ready money. They are redeemable with accrued interest at the post-office on ten days' notice, but the longer they are held, the more money they make for their holders.

Have you bought your Thrift Stamp today?

—w.s.s.—

The First Thousand Is Hard To Get

When a man gets \$1,000.00 saved up there are always opportunities for a good investment. It is hard to place much less than that. That is why wealthy men who are self-made advise young men to begin early and save the first thousand.

Until we went to war, it was hard to get started toward that \$1,000.00 unless at least one dollar could be put away at a time. Small change was restless and acrobatic and kept jumping out of our pockets into some body else's.

Now, however, there is an easy way to get that first thousand. The answer is Thrift Stamps. They cost only a quarter apiece and can be converted into War Savings Stamps. The Government of the United States backs these War Savings Stamps with a guarantee of 4 per cent interest, compounded quarterly. Save and Succeed.

Have you bought your Thrift Stamp today?

—w.s.s.—

Who Is Best Man To Do Your Work?

The best way to have anything—do it yourself. The best way to get ahead in the world is—save regularly and invest wisely. Your children may be buying Thrift Stamps but the nickels and dimes and quarters they are able to save won't buy a home or a new automobile or a new cultivator. The money to do that will not be saved—unless you save it.

It's easy enough to save if you do it the W. S. S. way. Quarters planted in Thrift Stamps grow into War Savings Stamps and the interest makes them grow like rain does a summer weed. Save for that happy opportunity. If you're not in a War Savings Society—get in one. Be with the crowd. Save.

Have you bought your Thrift Stamp today?

—w.s.s.—

Farmers Find Easy Method of Saving

Farmers who are making a habit of getting a few Thrift Stamps every time they market anything from their farms are finding that they are able to save regularly and that they do not miss the small amounts invested. The average farmer in this section of the country depends largely on his "money" crop, which he harvests once a year. Almost every one of them, however, grows something else which he markets at odd times.

An occasional load of hay may be taken into town and sold. The thrifty farmer also plants peas, beans, okra, lettuce, beets or some of the other vegetables which thrive in the South-west and for which there is a ready market. Butter and eggs form staple articles to be marketed between seasons. By buying just a few Thrift Stamps each time the farm-wagon makes a haul to town, the farmer or his wife is providing a fund which they will be able to turn to good account later on, for when these Thrift Stamps are exchanged for War Savings Stamps, they increase in value automatically, and may always be turned into cash on ten days' written notice to the postmaster, although the longer they are kept the more they earn.

Have you bought your Thrift Stamps today?

FAMED FOR ITS HOLY WELLS

City of Benares, India, a Place of Peculiar Veneration for the Devout Pilgrim.

Benares, "the city of 2,000 temples," is also the city of holy wells. A pilgrim in Benares can put in a busy day making the rounds of these landmarks and complying with the ceremonies prescribed for those who would drink from them.

Only the devout Indian pilgrim would care to drink of the sacred wells, for custom says that flowers must be flung into most of them as peace offerings, and these decayed floral offerings tend to make the water unfit for drinking. The British government did clean up some of the most holy and popular of the wells in the interests of sanitation. But the Hindus were not pleased. They come hundreds of miles to enjoy the benefits of the holy water, taste, scent and all, and they do not care to have it tampered with.

The most holy of the wells is the Well of Knowledge, which stands near Benares' most sacred shrine, the Golden Temple, and is said to be the dwelling place of a very important god. The most mysterious is the Well of Fate. Any one who looks into the Well of Fate exactly at noon and falls to see his shadow is said to be doomed to die within six months. Of course, if the silent prophecy is unfavorable, the spirits can usually be bought off by offerings at the temple conveniently near by.

In another well a snake god lives, and still another is dedicated to the spirit of healing. Pilgrims not only drink of the water of this well, but also bathe in it to make sure of the water's power being transferred to them. Half a million pilgrims tour the holy wells of Benares every year and drink enough of the water to stock up their systems with the germs of every disease known to India.

MEMORY'S JOY AND SORROW

To the Properly Balanced Mind the Scales Will Be Found About Evenly Arranged.

It is remembrance that makes us human, remembrance that gives us present immortality. Without memory there could be no progress, no advancing from low places to the heights; for it is memory that brings the past to us and gives us a certain immunity from the burdens of the passing moment.

Not in childhood, perhaps, but at all other times memory is the mother of hope. It may be true, as Dante said and Tennyson echoed, that sorrow's worst sorrow is to remember a happier time; but against this we have to weigh the numberless joys that memory confers, the lessons it teaches us, the strength it gives us and the coherence, the sense of completeness that it gives to our lives.

It is not well to live in memory only, unless in old age, when remembrance may be the best treasure left to us. We can easily become morbid and weak by too continual a dwelling in the past; the present and the future both have their insistent claims. But any sane person knows that the abuse of good may always turn it into an evil, and remembrance can be no exception to this law.

Snow Houses in the Arctic.

A snow house is the most adaptable of dwellings. If it gets too warm either for the comfort of the inhabitants or because the roof begins to thaw, you can lower the temperature by enlarging the ventilating hole with your knife. If it gets too cold you make the hole smaller by stuffing a mitten into it. If the roof begins to thaw because it is made of blocks that are too thick you send a man out with a long knife or machete, and he thins them down until the frost without neutralizes the heat from within and the thawing stops. But if you have made your roof too thin and hoar frost begins to form from your breath and from the steam that rises from the cooking, then a man goes out with a shovel instead of a knife and throws a little soft snow on the roof to blanket it from the excessive cold.—Vilhjalur Stefansson in Harper's Magazine.

Peele's.

There was offered for sale recently Peele's hotel in Fleet street, originally famous as Peele's Coffee house. With its files of London and provincial newspapers it was very popular, especially among the lawyers of the Temple and Chancery lane. At Peele's from 1858 onward, until its work was successfully concluded, was the central committee room of the Society for Repealing the Paper Duty. At one time the old coffee house was the house of call and post office for all the money lenders and bill discounters in the neighborhood. It was rebuilt some 40 or 50 years ago, and reflects very little of its earliest history today.

Tradition Upset.

Trouble with miners is almost proverbial. In South Staffordshire, England, there were three big strikes in successive decades, namely, 1864, 1874 and 1884, and on those occasions the older men led the younger ones. In the recent trouble it has been the other way about. Whilst the seniors were quite inclined to accept what the commission had given them, the young men were restive, and the elder miners had, for once in a way, to follow the boys who were really out—after the commission's report—for a day or two's "shackle."

ATTENTION CALLED TO WEEKLY MARKETING BULLETINS BY STATE

The County Agent wishes to call the attention of all farmers to the weekly marketing bulletin issued by the State Marketing and Warehouse Department at Austin. This bulletin is something new in its line. It lists the names of all available dealers who are in the market for each farm product, and then lists the names of producers who have the same products for sale. In this way it is hoped that the farmer may be able to keep in better touch with marketing conditions and be able to sell some of his produce directly.

This bulletin is posted regularly on the bulletin board in the court house near the entrance to the County Agent's office, and may be had regularly by any farmer by sending name and address to the County Agent. Farmers are urged to take advantage of the opportunity, since it costs nothing, and may be worth thousands of dollars in the future.

W. H. Seale left this morning for Frederick, Oklahoma, on receipt of information that his mother is seriously ill there.

W. F. Hendrix and wife left Tuesday for Dallas to spend a short time during the fair. Before returning home they will visit with Mrs. Hendrix's relatives at Palacios.

Judge J. N. Stalbird, of Lockney, has been here this week in district court as one of the attorneys in the Block C9 Boundary Suit, which has been occupying the time of the court.

Mr. and Mrs. H. E. Edwards left last week for Rochester, Minn., where Mrs. Edwards will be treated and possibly undergo an operation at the Mayo Brothers Hospital. They were accompanied by their youngest son, Alfred. The two elder children, Mary Frona and Bruce, are staying with their grandmother, Mrs. Johnson, at Plainview, while their parents are away.

C. H. Quinby, of Teague, Texas, was in Floydada Monday and Monday night, the guest of his nephew, S. W. Ross. Mr. Quinby is a traveling salesman for one of the larger cotton oil concerns of Texas. It was his first visit to this section and he was surprised and delighted at the excellent country and town which he found.

Little Miss Dorothy Ford left Monday for Vicksburg, Miss., where she will attend school this winter. Mr. and Mrs. Ford were going and they had intended to make the trip in their car, but on account of the continued rains it was decided to have Dorothy make the trip on the train so that she could enter school there without the loss of so much time. Uncle Frank received a message from her Wednesday evening stating that she had arrived there at twelve o'clock that day safely and had a most pleasant trip.—Lockney Beacon.

USE TIN TO WEIGHT SILK

Manufacturers Have to Employ Material Which Would Seem Hardly Suitable for Human Apparel.

We have adopted many foreign ideas of comfort or utility, but no one has sought to introduce the wooden shoe from Holland. The tin stocking is even less suggestive of luxury, and yet many of us wear them. Of course a person could not wear a sock of "eighteen-carat" tin and be unconscious of it, but if the tin is alloyed and disguised with silk he can wear a considerable amount of it without suspecting it.

In cutting round tops and bottoms out of tin sheets in the manufacture of tin cans there remains a certain amount of scrap. Men have sat up nights figuring the maximum number of such pieces of various sizes that can be cut from a sheet of the tin, and still there is the waste left over that cannot be worked into sheets again. Relief is found in the demand of the manufacturer of silk, who needs some substance to weight his goods. A silk garment hangs and fits and holds its shape better if weighted. Everybody knows how soft and light are the unweighted pongee silks. So the manufacturers of tin cans and of silks co-operate. One disposes of his tin waste, and the other converts the metal into tin chloride and works it into the woven silk. Virtually all the waste of tin can factories is put to that use. Some silk stockings contain as much as 30 per cent of tin. The use is entirely legitimate, since the trade demands a silk that is firm and heavy for certain garments for which the purchaser desires a perfect fit.

Silk waste, such as worn-out and cast-off garments, becomes in turn a source of tin worth attention. Rag pickers give little heed to silk remnants, but carefully collect linen and wool. The rag-pickers' union, if there is such a body, might well take notice of this information. The tin chloride in the silk is easily converted into tin oxide by burning the material, and from the oxide the metal can be re-solved.—Youth's Companion.

Famous Health Resort Treatment at Home

Nervous and Run-Down People Can
Now Obtain Relief Without Going
to Health Resort.

People used to travel to a popular health resort when they were nervous, thin, weak, run-down and felt tired all the time. There they found a physician whose fame had spread far and wide for the remarkable success that he had in treating just that kind of people. And the secret of his success was a tonic that he prepared for his patients according to his own formula, which taken according to his directions gained for him his popularity.

This same tonic is now obtainable by the public generally under the name of **HIGH-TONE** with full directions on each bottle. If you suffer from bad health and need a building tonic, you need not travel to the health resort for you can take this treatment at home.

One well known lady who was under the care of three eminent physicians, and who had been in a sanitarium on several occasions and had been operated on without benefitting her general health, found it necessary to take only one bottle of High-Tone and find full relief.

There is **POWER and PUNCH in GOOD HEALTH**—it means a bright eye—alert look—snappy gait,—that resilient step,—that general make-good appearance no different from the men of one on the ragged edge of a declining constitution.

Men and women who wish to gain vigor and strength should commence this famous health resort treatment at once. It's only a dollar at

O. P. RUTLEDGE

Misses Willie Mae and Mabel Tye and Catherine Terrell, of Plainview, spent Sunday with Mr. and Mrs. J. S. Magill.

Miss N. E. Parrish left last week for Bokehito, Oklahoma, where she will make her home for some months.

J. D. Scott, of Plainview, manager of the Texas Utilities Company, in company with C. D. Hardesty, of St. Louis, Mo., from the head offices of the company, was a visitor in Floydada Tuesday of this week.

E. C. and R. C. Henry left Monday for Dallas where they are attending the State Fair this week. They will also visit at Denton where Miss Marie Henry is in school.

Is Your Title Clear?

Lands and Town Lots in Floyd County are becoming valuable. \$25 to \$125 per acre and Town property in proportion. We cannot be too careful about our titles. If you were to sell right now or if you are getting a loan on your property, are you sure of your title? Would it pass as Gilt Edge or would you be bothered with delay of having an Abstract made, thereby taking chances on having your sale or application for loan delayed and perhaps turned down on account of defective title?

There are a great many defective titles in this County, made so in a great many instances in the early days when we did not think much about land titles. Defective acknowledgements, defective Notary work, deeds wherein the wife did not join, deeds that are worthless and convey no title whatever. It will take time and diligence to cure and correct these things, and make some of our titles merchantable, and the longer it is put off, the more difficult it will be to make them good.

We have instances of this kind every day in our office, and some of them take weeks and months to perfect, in fact some of them are never perfected.

I have a complete, modern and up-to-date Abstract plant covering all lands and lots in this County, have also had a good many years experience with land titles in this County, and feel that I am in position to take care of your Abstract work, accurately and promptly and at a reasonable price. Any work intrusted to me, will have my personal supervision and will be appreciated.

For the next 60 days I can make special price on Abstracts covering Lots in Lockney and Floydada.

On November 4th before you vote against the proposed amendment which would give Galveston and Galveston County the right to vote bonds to build themselves additional protection against the Gulf Coast Storms, remember that the Galveston people want and need this amendment, that it is purely a local matter, and that it won't cost you a red cent. Also remember that the better and safer conditions can be made at Galveston the better and safer are your marketing opportunities for your wheat, cotton and maize.

HERE'S SOMETHING ELSE

Astronomers now predict that the world will experience disastrous storms from the 17th to the 20th of December. Even if it don't happen, it is worth something to the people of this nation who are almost crazed by the continued advance in the high cost of living—we can worry over the storms that are to come—even if they don't.—Clarendon News.

Coal dealers in the summer begged their patrons to buy coal. Their patrons will be begging the coal dealers to let them have the wherewith to keep warm this winter if the signs of the times do not mislead.

Thirty-four head of Hereford thoroughbreds sold last week at Hereford for \$100,000, or practically \$3,000 per head. The sale was made to Nebraska breeders.

CENTER

October 7.—The farmers would just as soon have sun shine at this time as so much rain, at least until the maize is in shape to be stacked so it will keep.

Miss Minnie Adams came in Friday from her home at Whitdeer. She and Miss Wimberly opened school here Monday. The attendance is very light on account of so much work and the scarcity of farm help.

We said in our last items that Miss Lottie Maxey had gone to Canyon to attend school, but it seemed that she had gone there to be married as she and Mr. Clyde Irwin of this place were married at Canyon Wednesday of last week.

Mr. Scott called at Mr. Austin's a few minutes Sunday afternoon.

Most every body attended the fair at least a little while one day but very few were up with their work sufficiently to go every day.

Mr. Austin and family went to Mr. Burgetts awhile Saturday night.

Mr. Bolding has some company

from Stonewall county. We understand they are prospecting.

Mrs. Green, Miss Adams and Mr. and Mrs. Jordan called at the Austin home awhile Sunday afternoon.

Arthur Jordan and Roy O'Brien visited Ray and Ebb Warren Sunday afternoon.

Grandma Tubbs is visiting with her grandson Clifford Tubbs this week.

Mr. Hickman is on the jury this week. His son Ross is sick, just a bilious attack we understand.

No Sunday school Sunday as it was so rainy.

It is announced that the Rev. Menefee will preach here Sunday morning.

STARKEY NEWS

October 6.—We are having lots of rain in this part of the county but hope it will soon fair up so we can be gathering our crops. Most all the people around here made fine crops but the rain is hampering the harvest.

Most all of the people around here attended the fair and enjoyed it fine.

Miss Mae McSpadden and Mrs. Hulsey called at Mr. Manning's Friday evening.

Tom Foster, Mr. Hulsey and J. E. Hammit are attending court this week. Some few from here attended the party in McCoy community at the home of Mr. Griffith.

Miss Nola Roland has just returned home from Jones county where she has been visiting friends and relatives.

Collice Roland spent Sunday evening at Mr. Hammit's.

MRS. MALINDA JANE RANDOLPH

Was born December 27, 1832, and died October 1, 1919, aged 87 years, 9 months and 3 days.

She lived with her son on the Randolph ranch and was laid to rest in the cemetery at Lockney, Texas. The funeral was preached by the writer in the presence of a large crowd of friends and relatives. There are two boys and two girls and their families to mourn their loss.

Your loss is her gain. Blessed are the dead who die in the Lord, therefore weep not for her. She cannot come back to you but you can go to live with her forever if you will only accept her Christ, in whom she trusted, and who has borne her safely home where no more partings shall come and sorrow will be no more.

O. A. Mealer.

NOTICE WITHDRAWAL OF SPECIAL TRAIN

On account of the inability to furnish equipment for the operation of the special train between Amarillo and Dallas as advertised for October 14th returning to Amarillo on the 17th the Railroad Administration requests that the notice of said train be withdrawn.

"Because of the present heavy traffic and general congested conditions together with inadequate equipment" as stated by the railroad administration, "it is our desire that special trains be not asked and that the travel be distributed as equally as possible throughout the duration of the fair, in order that we may conserve the motive power and other equipment for the purpose of carrying on the commerce of the country."

"You are asked in conformity with the above statement to withdraw the order for special train."

The Panhandle Plains Chamber of Commerce regrets to recall the expe-

dition which would have been so pleasurable and so beneficial from a social point of view, but we are willing to conform to any arrangement that will conserve the interests of the Panhandle country.

You are advised that the Fort Worth & Denver Ry. will operate extra equipment on their regular trains between Amarillo and Fort Worth and if this organization can assist any one in perfecting arrangements for accommodations we shall be glad to have you forward such request to this office Very respectfully,

F. R. JAMISON,
Secretary-Manager, Panhandle-Plains Chamber of Commerce.

COTTON RAISERS SHOULD HAVE SAME PROTECTION SPINNERS HAVE

Dallas, Texas, October 7.—With spot cotton slowly creeping upward in price, officials of the Texas Division of the American Cotton Association are urging the farmers to hold their crops, or to market it very slowly. Although the recommended minimum price at the New Orleans meeting was only thirty-six cents, it begins to appear that even a better price will be secured, and brokers in the East are predicting publicly fifty cent cotton.

The ability to borrow from banks on cotton protected from country damage and warehoused is showing to the farmers throughout the cotton belt that one phase of the solution of securing a better price for their cotton lies in the development of a system of warehouses. The attitude of the consumer with reference to cotton prices may be gathered from the discussion of the World's Cotton Conference to be held in New Orleans in the near future.

Although the American Cotton Association is only partially organized, its officers are confident that its activities will result in immeasurable benefits when it has been extended into

every cotton growing county of Texas as it has been extended in Georgia, South Carolina, North Carolina and other states. Growing out of the cotton acreage reduction organization which caused cotton to take a boost over thirty cents which price it has almost consistently held, the American Cotton Association proposes to develop in the South an organization as fully capable of protecting the interests of the cotton grower as the spinners, manufacturers and others have been protected for years at the cost of the producer.

TEXAS COTTON CROP

By F. N. Gray, Texas Cotton Crop Specialist, Bureau of Crop Estimates

Great losses have occurred in the condition of the cotton crop of Texas since the 25th of August, due mainly to insect ravages in the southeast half of the State and to the effects of the tropical hurricane of September 14th, which swept the entire south district, causing a total loss of about 100,000 bales of unpicked cotton.

A condition of 52 per cent of a normal crop on September 25, forecasts a total production for the state of about 2,950,000 bales, not including linters, of 500 pounds gross weight. Last year the production in Texas was 2,696,561 bales, two years ago 3,125,378 bales, three years ago 3,725,700 bales, four years ago 3,227,480, and five years ago 4,592,112 bales.

This is the final condition report for the year. The next will be the usual estimate on yield, as of December 1, 1919.

Since the beginning of the season, except for the northwest half of the State, where conditions have been uniformly promising, throughout, nearly all ills possible, have befallen the cotton grower, in that area so adversely affected. First, continuous and excessive rains delayed the planting and

caused frequent replantings. Secondly, under the superabundance of moisture, cultivation was delayed, resulting in grassy fields and abandonment of acreage. In the last place, all known insect enemies of cotton have constantly increased in numbers and destructiveness, until only half a crop for the whole state is now in prospect.

Hesperian Ad Liners Get Results.

Frank Scott, of Commerce, Texas, a former Floydada boy, was here the first of this week visiting W. D. Newell and prospecting with a view of moving here.

John Scott, of Tulia, Texas, is here on a visit with his brother, Olin Scott, and sister, Mrs. J. H. Donaldson, assisting during the fair at the Olympic Theatre.

RAILROAD ACCIDENT PREVENTION DRIVE TO BE STAGED OCTOBER 18-31

Complete details for staging the National Railroad Accident Prevention Drive October 18th to 31st inclusive have been decided upon by the Director General of Railroads through Mr. A. F. Duffy, Manager of the Safety Section, according to announcement from Washington, D. C. today.

Mr. H. A. Adams, Regional Supervisor of Safety for the Central Western Region conferred with 67 safety officers representing the lines comprising the Central Western Region at a meeting held in Denver on September 1st and 2nd, completing all details for the staging of this big drive. This campaign is being handled along similar lines in the Northwestern, Pochontas, Eastern, Allegheny, Southern and Southwestern Regions.

There will be 187 railroads, employing nearly two million men and operating approximately 231,000 miles of track, competing for first place in this Drive. It develops that the roads in this region (the Central

BAPTISTS PLAN RECONSTRUCTION PROGRAM

BODY CHARGED WITH DUTY OF OUTLINING HOW 75 MILLION CAMPAIGN CAN PROMOTE THAT TASK REACHES FIELD—DR. LOVE OUTLINES THE NEED AND ISSUES CALL

DR. J. F. LOVE
SECRETARY
FOREIGN
MISSION
BOARD

DR. Z. T. CODY
EDITOR
BAPTIST
COURIER

REV. EVERETT GILL
MISSIONARY AT ROME

To make a general survey of the economic, social and religious conditions in Europe with a view to recommending to the Baptists of the South where and how they can aid most effectively in the reconstruction of that continent through the Baptist 75 Million Campaign, a commission, composed of Dr. J. F. Love, secretary of the Foreign Mission Board at Richmond, Va.; Dr. Z. T. Cody, editor Baptist Courier, Greenville, S. C., and Rev. Everett Gill, missionary at Rome, Italy, who is returning after a leave of absence in this country, and who will serve as guide and interpreter to the other members, is now in England for a conference with the Baptists of Great Britain and will go from there for an inspection of France and Belgium.

Another brief conference will be held with the Baptists of Switzerland, after which a trip will be made through Italy and a survey of the new republic of Czechoslovakia conducted. From Prague, capital of Bohemia, the commission will go into such parts of Russia as are open, and the foreign trip will be concluded with an inspection of Palestine, where the missionary work formerly done in Syria, Persia and Galilee by the Illinois Baptist Association has been turned over to the Foreign Mission Board.

There are approximately 4,250 Baptist churches in Europe today, with 3,000 pastors and missionaries and 566,800 church members. It is announced by the headquarters of the Baptist 75 Million Campaign, and a considerable sum from this campaign will go toward succoring needy families of Baptists and others in the war-torn regions as well as in the propagation of the gospel and the establishment of Christian institutions there, it is announced. Before sailing on the Adriatic on his

European mission, Dr. Love made the following statement outlining the purpose of the commission: "When the call came to help save, promote and secure democracy in Europe there came a louder call to help save, promote and secure evangelical Christianity in Europe. That which alone will now preserve and perfect the democracy for which brave men have died on the battlefield of Europe is the Christianity of the New Testament. Southern Baptists can no longer profess New Testament Christianity and decline a challenge like that which is now presented to them to bear witness to their faith among the peoples of Europe. Our people never before faced such a challenge and such a responsibility.

"Of course we can not go to the men and women of Europe who have been stripped of earthly fortune and reduced to direst necessity with a message of Christian love and brotherhood if we decline in our abundance to carry some substantial pledge of our love and compassion. Mothers will not be able to stay the crying of their little ones to hear us preach if we decline to practice the gospel of compassion and feed these little ones and build fires at which they can during the coming winter warm their frosted toes. Southern Baptists are under the most solemn obligation to help relieve the want and suffering of Europe. But if there were no reconstruction work in Europe, Southern Baptists have motives numerous enough and strong enough to compel them to make a complete success of the Baptist 75 Million Campaign. I would therefore, as my parting word to my brothers and sisters of the South, implore them to give themselves to this campaign and carry it to a triumphant conclusion during Victory Week, November 30-December 7."

Western) have, in the aggregate, approximately 325,000 employees and 55,000 miles of track, and that each employe is going to be asked to individually do his utmost during a period of fourteen days to keep from being injured himself, or being the cause of injuring any others.

The eyes of the world will be upon the American Railroads during this campaign, for already favorable attention and earnest inquiry has been received by the United States Railroad Administration from the British and Japanese Governments regarding the success being accomplished by this

intensified Safety work.

Personal Injury records of railroads under Federal Control for the first seven months of 1919 as compared with the corresponding period of 1918 shows approximately 1300 fewer deaths and 25,600 fewer injuries on our railroads.

LIVESTOCK MARKET

Kansas City Stock Yards, October 13th.—Cattle prices were steady at 25 cents lower, hogs strong to 10 cents higher and sheep steady to 25 cents lower. Liberal receipts of cattle and sheep caused the weakness in those divisions, while hog receipts were barely large enough to meet urgent requirements.

Cattle receipts today were 41,000, and the largest thus far this year, showing an increase of 1200 compared with a week ago. Hog receipts were 11,000, the same as a week ago, and 2,000 smaller than a year ago. Sheep receipts 19,000 were 9,000 larger than a week ago, and 3,000 larger than a year ago.

Carbon Paper and ribbons at The Hesperian Office.

QUARTERMASTER DEPARTMENT OPENS RETAIL STORES

Will Offer for Sale Household Commodities Included in Surplus War Materials

The War Department opened on September 25th, twenty-four retail stores in which are offered for sale certain household goods which are included in stocks of surplus war materials. Sales will be made over the counter and also by mail. Prices have been fixed in these stores and the price fixed includes delivery charges to any point in a given district. The counter price and delivery price are the same.

In opening the stores the United States was divided into 24 districts and a store opened in each. Residents of a given district must send their orders to the store of that district, according to advice received by Judge F. P. Henry, postmaster at Floydada. Complete lists of commodities sold are to be displayed in post office, together with the price at which the commodity will be sold, and additional articles will be added from time to time, advance notices state, and prices changed accordingly. Only new and unused articles will be sold through the mails. Mail orders of \$2 and over will be insured at government expense. The store for the district in which Floyd County is situated is at San Antonio, Texas, and should be addressed as: Army Quartermaster Retail Stores Division.

Following are the principal articles offered for sale:

ARTICLE	SELLING PRICE
Blankets, cotton (new)	\$3.00 per pair
Blankets, wool and cotton (new)	\$5.00 each
Blankets, wool (new)	\$6.00 each

Kettles, camp, with covers	80c each
Lariats	65c each
Toilet paper	8 1-3c per roll
Staffs, flags, steel	5-ft \$1.10 each
Thimbles, saddler's	8c each
Whips, Artillery	\$1.00 each

AN INCH MORE RAIN

Friday morning of last week 1.1 inches of rain fell in Floydada and over the surrounding territory, bringing the total at this point since September 14th to 9.2 inches.

Yesterday afternoon rain fell over a portion of the southern part of the county, also.

With dry weather until after the Christmas holidays the damage would not be so large in dollars and cents from rain, but hundreds of tons of maize has been damaged considerably. The damage to cotton has not been serious, the principal part of the damage in this respect being due to delayed picking of the staple. Cotton began to move again the earlier part of the week and unless more rain comes will be coming in steadily by tomorrow.

MARRIAGE LICENSES ISSUED

The following marriage licenses have been issued by County Clerk Tom W. Deen from September 19th to October 10th:

- John A. Husky and Miss Mary Russell, September 19th;
- Ike Wallace and Miss Willie Mae McReynolds, September 20th;
- Ralph Childress and Miss Franklin, September 22nd;
- Keller Page and Miss Annie Nelson, September 22nd;
- Ercel Smith Umerson and Miss Alma Reynolds, September 22nd;
- R. L. Casey and Mrs. Lennie King, September 27th;
- Ezekiel Lafayette Brotherton and Miss Alice R. Wood, October 4th;
- Jane Simpson and Miss Hattie Blanton, October 8th.

J. C. Newsom is among the Floydada people who are in Dallas attending the Texas State Fair this week.

Roy Carter, of Wichita Falls, was a business visitor in Floydada Tuesday.

WIND BLOWS SKIRTS SO SHE WEARS BREECHES

Archer City Officers are Nonplussed by Lady Who Puts on Trousers

Archer City News:
While on one of our usual rounds of business and pleasure combined, we yesterday called to see our friend Coff C. Conner, our popular County Clerk, and found him engaged in the gentle art of entertaining a lady with pants on. We mean the lady had on not pants, but gingham pants, breeches or whatever you choose to call the bifurcated regalia men wear on their forked ends. Of course Coff also had on pants, his were not nearly so pretty and cute and attractive and spell-binding as this lady's pants. Coff's pants noticeably bagged at the knees, and did not fit him anywhere except around the belt line. Her pants, though apparently cut peg top did not bag anywhere, neither were they creased, neither were they wrinkled. They were the last word in a superb snug fit, and purty—gosh them was the purtiest breeches we ever saw. And attention, and service, visible anxiety to show every record in the vaults—birth records, marriage records, deed records—goal records and bad records—were hers for the asking, were hers without asking in fact the whole office force vied with each other in anticipating her wishes that is, all the office force saw the efficient female portion of it, who edged back to a recess sat down and in desperation removed her glasses. As to what else she wore besides breeches, we didn't notice. Didn't notice whether she was a blonde or brunette. Didn't even notice whether or not she had a face but as to that and her other habiliments we can refer you to the Rev. Mr. McCarter, whose pastoral duties had called him to the Clerk's office. As we were reluctantly leaving we also met the Hon. W. E. Forgy polishing his specs and tripping in the door like he had never had to go to Corpus Christi for rheumatism. Ves Morris and Lyman Hudson were also visibly impressed occupants of a close up bald head row sitting. F. M. Power also sauntered in to see if Coff thought the holes in limberger cheese were there to give it fresh air. But back to those breeches, we wish all ladies would wear them. They do not sweep up the dust and are perfectly sanitary. And we also noticed she wore leggings—nice, pretty, chic, shapely—about 8 inches around the

ankle and 18 inches around the calf. Of course the law heard of this beautiful exhibit of feminine perfection, and doubtless looking for an animated replica of Miss September Morn, and doubtless having been advised of their arresting women in Wichita Falls for appearing in public wearing breeches, they rushed to the scene, forgot their mission and became silent members of the constantly growing and never diminishing audience. Sheriff McDonald said he was not sure the law was being violated, and as public opinion—the men part of it—offered no objections and as not a man could be found with soul so dead that he could have been induced to sign a complaint, the Hon. Sheriff would not make an arrest of such a personality on his own initiative. The Hon. Sam C. Walker, him of the dignified mien and legal trend of mind who serves the people as County Attorney, was also among those present, after giving the subject a thorough and critical examination, after pondering long in studious thought with cold unbiased deliberations, he arrived at the decision that such matters were out of his jurisdiction. In fact, he would not prosecute with out a precedent, and he didn't have the precedent as he had never before been called on to prosecute a woman for appearing in public without any dress, petticoat or corset on. The lady assigned her reason for wearing breeches was because in this windy country a lady could not wear skirts without showing her legs.

MRS. JULIA WANSLEY DIES AT AGE OF 86

Mrs. Julia Wansley, who for the past three years has resided at Floydada, mother of J. A. Wansley, who was well-known here and died here last March, died at 5 a. m. Sunday, October 5th, and was buried Tuesday afternoon, October 7th, at Floydada Cemetery. She was 86 years of age at the time of her death, having been born in 1833 in Tennessee.

Rev. H. E. Smith, assisted by Rev. Geo. W. Montgomery, conducted the funeral services for the deceased.

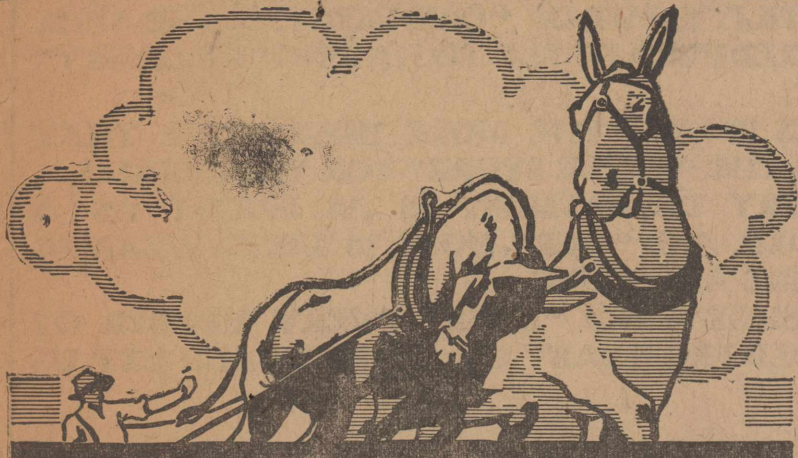

Mrs. Wansley is survived by two children,—Miss Mollie Wansley, of this city, and J. E. Wansley, of San Diego, Calif. The son was notified of his mother's serious condition but did not reach Floydada until Tuesday. A grand daughter, Miss Kate Wansley, of Weatherford, Oklahoma, was here also, and is here this week with her aunt, Miss Mollie Wansley.

J. E. Wansley returned home Monday.

FLOYDADA, TEXAS

TURNER-BROWNLEE

A quite wedding was solemnized last Saturday evening (September 27) at 8 o'clock when Miss Marie Brownlee, the oldest daughter of Mr. and Mrs. J. P. Brownlee, was married to Mr. James B. Turner, the ceremony being performed by Rev. R. S. Gavin at his home on Second Avenue, North. The happy couple left shortly after the marriage for several points of interest, having returned home yesterday.

The bride is a charming and attractive young woman and is well-known throughout the city, having many friends who congratulate Mr. Turner. The groom, who formerly lived in Macon, now holds a responsible position with the Columbus Auto Company.

The Brownlee's lived in Floyd County, Texas, for several years, returning to Columbus last winter. While there Mrs. Turner made many friends.—From the Columbus (Miss.) Dispatch.

HEAVY ROADS MAKE ROUTE CARRIERS' WORK HARD

For twenty or thirty days past the route carriers out of Floydada have had heavy roads to contend with and have been forced to resort to all kinds of strategy to get the mail to the patrons on their routes.

On all six routes the roads have made a heavy demand on the equipment of the carriers and part of them have been forced for one or more days to abandon their trips altogether.

S. A. Greer and J. R. Hall have been at Bellevue, New Mexico, the past week after their herd of sheep with which they are returning to Floydada and will sell Saturday afternoon at the stock pens, at public auction.

Robert Hinkson has purchased the M. A. Yearwood residence on West Virginia Street, and moved to that place last week.

ELECTION NOTICE

Pursuant to the election proclamation issued by the Governor of Texas, notice is hereby given that an Election will be held on Tuesday, the Fourth Day of November, 1919, in Election Precincts No. 1 to 15 at the various voting places in the County of Floyd State of Texas, for the purpose of voting for or against the Amendment to Section 49, Article 3, of the Constitution of the State of Texas, providing for an issue of bonds by the State for the purpose of construction of Highways; for or against the Amendment to Section 51, Article 3, of the Constitution of the State of Texas, relating to Confederate pensions and increasing tax rate for payment of same; for or against the Amendment to Article 16, of the Constitution of the State of Texas, permitting prisoners to share in the net proceeds from the State penitentiary system; for or against the Amendment to Article 16 of the Constitution of the State of Texas, permitting Galveston County and City to issue bonds for grade raising purposes; for or against the Amendment to Article 8, Section 9, of the Constitution of the State of Texas, relating to special taxes by cities, towns, and counties for public improvements, public roads, etc.; for or against the Amendment to Sections 10, 11, 12, 13, 14, and 15, of Article 7, of the Constitution of the State of Texas, providing for the separation of the State University and the Agricultural and Mechanical College, and for

found issues by each, and for or against a Constitutional Convention.

J. W. HOWARD,
31-33c County Judge Floyd Co., Texas.

SHERIFF'S SALE

THE STATE OF TEXAS,
County of Floyd.

By virtue of a certain order of sale issued out of the Honorable District Court of Floyd County, on the 13th day of October 1919, by Tom W. Deen clerk of said Court against Gus Herberg for the sum of one thousand one hundred fifty-eight and 96-100 (\$1,158.96) Dollars and costs of suit, in cause No. 1253 in said Court, styled M. E. Graves versus Gus Herberg, and placed in my hands for service, I, J. A. Grigsby, as sheriff of Floyd County, Texas, did on the 13 day of October 1919, levy on certain real estate, situated in Floyd County, described as follows, to-wit:

One turning Lathe, one motor generator set, one electric motor, air compressor and tank, one four horse power Stover gasoline engine, one one-horse gasoline engine, one drill press, All hand tools and jacks. All other goods mentioned in the order of sale have not been found; and levied upon as the property of said Gus Herberg, and on Saturday, the 27th day of October, 1919, at the court house door of Floyd County, in the town of Floydada, Texas, between the hours of ten a. m. and four p. m. I will sell said property at public vendue, for cash, to the highest bidder, as the property of said Gus Herberg by virtue of said levy and said Order of Sale.

And in compliance with law, I give this notice by publication, in the English language, once a week for two consecutive weeks immediately preceding said day of sale, in the Floyd County Hesperian a newspaper published in Floyd County.

Witness my hand, this 13 day of October, 1919.

J. A. GRIGSBY,
32-2c Sheriff, Floyd County, Texas.

DONT YOU NEED SHOES & HOSE?

WITHIN THE LAST YEAR THE "SHOE BUSINESS" HAS UNDERGONE A GREAT CHANGE. SHOES ARE NO LONGER A THING OF UTILITY, BUT OF "ORNAMENT." THE SHOE BUSINESS HAS REDUCED ITSELF TO HAVING "MILLINERY" FOR THE FEET.

THIS MAKES IT ALL THE MORE IMPERATIVE THAT YOU COME TO THE "STYLE STORE" FOR YOUR SHOES.

OUR HOSIERY DEPARTMENT IS AS BRIGHT AS A FLOWER GARDEN, AND "OUR" HOSE IS LONG WEARING AS WELL AS FINE APPEARING.

WE CAN "SHOE" AND "HOSE" EVERY MEMBER OF THE HOUSEHOLD FROM BABY UP. COME IN AND LET US DO IT.

We will be delighted to show you

\$4,800,000 TO BE RAISED FOR HOSPITALS

A modern hospital illustrative of the type of buildings Southern Baptists are employing in the relief of human suffering.

In their work of relieving human physical suffering Southern Baptists at present own and control fourteen hospitals and there are under course of construction and about ready to be opened at least two more, with considerable progress made toward the erection of others. All of these institutions are liberally patronized and are self-supporting but all of them need to be enlarged in order to meet the rapidly-growing demands upon them. The demand for charity work is especially urgent and in order to enable them to thus render a needed service to those who are least able to help themselves as well as to provide larger facilities for the regular work the hospitals are doing the sum of \$4,800,000 has been apportioned to them from the proceeds to be raised in the Baptist 75 Million Campaign.
This work of relieving the physical infirmities of men, women and children and thus putting them on the road to better health and larger efficiency and usefulness was begun within the bounds of the Southern Baptist convention in 1890 when the Missouri Baptist Sanitarium was opened in St. Louis. From a very small beginning in a residence with less than a dozen beds, this institution has grown into a modern institution with more than 300 beds.
Other Baptist hospitals in the South include Baptist Hospital, Muskogee, Okla.; Baptist Hospital, Miami, Okla.; Baptist Hospital, Cushing, Okla.; Baptist Memorial Hospital, Memphis, Tenn.; Georgia Baptist Hospital, Atlanta; Oklahoma Baptist State Hospital, Oklahoma City; Baptist Hospital, Columbia, S. C.; Texas Baptist Memorial Sanitarium, Dallas; Baptist Hospital, Houston, Tex.; Baptist Hospital, Alexandria, La.; Baptist Hospital, Jackson, Miss.; St. Louis Baptist Hospital, St. Louis, Mo., and the Kansas City Baptist Hospital at Kansas City, Mo.

If you want a shirt cut with as much care as tho' coats were never worn, wear an **EAGLE SHIRT**. Notice the smoothness across the shoulders, the drape of the back, the hang of the sleeves and the trimness at the waist.

It fits you as you've always wanted a shirt to fit.
