Stopping In Silk Stocking "I saw an item in the paper the other day about stopping off in a silk stocking by rubbing it with a bit of mustard soap," said a young girl, "I believe I have discovered that it can be stopped merely by dapping it. I have discovered that you can always dangle the stitches that are left open at the end of a short "runner," and you can never have more than $5.00 In all my life, either in property or money? Certainly not! If I didn't expect to be worth a good many dollars in money, I would not be ashamed of myself." There are only nine persons in 110 more than have ever more than $5.00.

In discussing the plans and purposes of the Inter-Scholastic League, Dr. B. R. Shurtleff said the following:

"The University Inter-Scholastic League is an organization for the promotion of cultural activities outside the regular class work. To this end, it furnishes platforms for school house meetings for promoting school and community spirit and holds leagues, county, district, and state contests in debate, oration, writing, spelling, and athletics. Any public or private school in the state that shall belong to the Scholastic League shall be a member of the League by sending an annual membership fee of $1 to Chairman E. E. Shurtle, University, Austin, Texas."

Sunday morning after a cold and cramped ride, the boys lay at Hole Center, by the class stores of 21 to 11.

As substitutes were taken and some of the players injured, the team was in bad condition to play. The Floydada team will get another chance at them later in the season.

Prospects are fine for a winning team and Mamoue. Parma and Shamshill have already been defeated. Floydada is in for the championship of the plains and anyone wishing games write to J. E. Parks, Floydada, Texas.
