We lost a good friend last week, Mr. Arthur Mullins, a man who had made his home in Sherman County for 74 years. We first met Mr. Mullins when we moved to Stratford almost 13 years ago and have always enjoyed the chance to visit with him over the years. We always get a photo of the new license plates up at the Court House each spring, and we shall never forget this one time when we took a picture of Mr. Mullins buying his license plates.

After we took his photo with his new plates, he grinned and said, "Y'know, if I live much longer, I'm going to have to buy a new car, that old 1946 Pontiac just isn't going to last much longer!"

We shall just relate one more incident about Mr. Mullins, then quit. Back in 1970 there was a story about the state's oldest voter casting a ballot downstate. Mr. Mullins was not a man to brag, but this got to him, he called us and informed us that he was several years older than the person in the story and that he had always walked into the polls to cast his ballot. So we wrote up a story about him voting challenging the original story which hit the AP wires.

On this subject, Mr. Mullins was proud of the fact he had paid taxes into the Stratford School system for more years than anyone else, he had voted in every election that came along since his first one back in 1899 and cast his first ballot in Sherman County in 1901 in an old dugout over by the Rock Island tracks in Stratford.

We could recall many other instances which come to mind, so many we'd have to write a book about this man who has made such an impression upon us.

One of the things we shall be grateful for, and we know his family was grateful for, is the fact that Mr. Mullins was as sharp in his wit as could be up until his death.

XXXX
With the Easter weekend just behind us, a group of us were talking about how much we used to dread those weekend as kids when momma would pack us off to go "a-visiting."

We recall one instance when our momma and her sister along with a cousin about my age all went visiting one afternoon.

Seems as how we were going to visit some old-maid aunts of my mothers out in the country. We can recall vividly the old two-story farm home with the porch which went around three sides.

We can also recall the two old ladies who greeted us upon our arrival. Naturally after much "how much the boys have grown?" and a few similar remarks we were hugged and kissed. As you can remember small boys about four or five years of age don't take to such treatment kindly.

Anyhow, we got inside and as we sat down our cousin went into a fit of coughing and choking and turning red. His mother jumped up, came to his aid hitting him on the back and finally Billy caught his breath and rallied.

"What happened to you?" his mother asked.
We shall never forget his reply for as we had come up on the porch Bill and I had been eating peaches.

Well, Billy choked out this answer, "Well, when that old woman kissed me I swallowed my peach seed!"

Needless to say, our visit after that was very brief and both Billy and I got a good going over on how to respect our elders.

Weather has been the same, hot, dry and high winds with some cooling in the mornings and warm in the afternoons. Wonder where that rain is that we have all back-ordered?

Hope we don't get it all at one time like some folks down in the

Absentee Voting Underway For May Party Primaries

Absentee balloting got underway Monday and shall continue through May 3 for the Primary Elections to be held on May 7.

The big race in Sherman County will be within Precinct 4

where a field of seven candidates are running for the office of County Commissioner to replace S.J. Lavake who declined to seek reelection.

The seven candidates include E.A. Hamilton, Ted Reynolds,

Tommy Wakefield, Howard White, L.S. (Red) DeBord, C.T. Watson and Roscoe Dyess. The only other race in which there is some interest concerns the office of Congressman for the 13th District.

Incumbent Bob Price of Pampa, a Republican, is unchallenged within his party in the primaries, but there are three Democrats seeking their party's nomination to face Price this coming November in the General Election.

The three Democrats include Ray Ruffin and Dr. Louis Finney, both of Amarillo, and State Senator Jack Hightower of Vernon. The winner of the May Democratic Primary will then face Price in November for the 13th Congressional seat.

Back on the local scene there are several other offices which are included on the ballot, but are all uncontested.

The county races include Robert J. [Bob] Ferguson, seeking reelection as Precinct 2 Commissioner; J.R. [Bob] Marshall, seeking reelection to the office of Justice of Peace for Precinct 4; Madge Lowe, seeking return to the office of Sherman County Judge; and Archie McDonald of Dumas, who is seeking reelection as District Judge.

The only other posts which will be on the ballots locally is the office of Sherman County Democratic Chairman which is being sought by Charley Cozart and Mrs. Frances Watson is running for reelection for the office of Republican County Chairman.

Taking a look at the official ballot, there is a public opinion referendum attached which concerns horse racing in the State of Texas.

The referendum is "For" or "Against" the proposition that the 64th Legislature shall enact a law to permit parimutuel wagering on horses by local option.

This feature of the election will probably draw plenty of heat before time for the actual election in early May.

Taking the Democratic ballot from the top, there are four seeking the office of Governor of Texas with Incumbent Dolph Briscoe leading the favorites role. Briscoe is being challenged by Sissy Farenthold of Corpus Christi and the two other candidates include Bill Posey and Steve F. Alexander.

Bill Hobby is unopposed for the office of Lt. Governor while

perennial candidate Jesse James is being challenged by Donald B. Yarbrough for the office of State Treasurer.

Incumbent Bob Bullock is being challenged by Hugh Edbert for the office of Comptroller of Public Accounts. Bob Armstrong is unopposed for the office of Land Commissioner.

John C. White, an incumbent, is running against Herbert A. (Peanuts) Schroeder for Agriculture Commissioner while two men, Max Wallace and C.A. Kelly, are running for an unexpired term on the Railroad Commission.

Jim Langdon is seeking reelection to the full term of office on the Railroad Commission while there are three men seeking the three places as Associate Justices of the Supreme Court. They include Sears McGee, Place 1; Thomas

Reavey, Place 2; and Volle Steakley, Place 3.

W.A. Morrison is seeking Place 1 while Leon Douglas is seeking Place 2, both as Judge for the Court of Criminal Appeals and W.W. (Bill) Carter is running for the State Board of Education for this area.

Presley Ashton of Cactus is the Democratic candidate for the office of State Representative for the 64th District and is unopposed in the Primary. However, Bob Close of Perryton, is running for the Republican nomination for this office and these two will meet in November. This is the seat currently held by Dean Cobb of Dumas who declined to seek reelection to the State Legislature at the last moment.

Judge Mary Lou Robinson is seeking the unexpired term as Associate Justice of the Court of Civil Appeals for this district and is unopposed.

KINDERGARDEN HAS VISITORS--Next year's Kindergarten youngsters were guests of this year's Kindergarten classes last Thursday at the Mary Allen Elementary School where they visited with their classes, had lunch in the cafeteria then went to the City Park for the Easter Egg Hunt. A total of 106 youngsters kept teachers and helpers on their toes for the many events of the day!

New Phone Rates Approved By Council

New telephone rates for the City of Stratford were approved after several months of negotiation between the city and representatives of General Telephone Company at last Thursday night's Council meeting.

The new rates will include a 75 percent increase on business phone service, 10 cents per month increase on home telephones and a hike on service charges.

In other action, the Council met with about 23 citizens interested in rumors that the City was going to take action to shut down the PSP Center.

These rumors were unfounded and after discussion the Council assured those on hand they were happy that there was a place for the youngsters to gather and stay off the streets.

Most members of the Council took the position that there had been no trouble at the center

Great Plains Sale Averages \$748

The 30th annual Great Plains Hereford Sale held recently at Guyton, Oklahoma, saw 133 registered bulls gross \$99,495.00 for an average of \$748.00, while 47 females grossed \$16,840.00 for an average of \$358.00. Total receipts were \$116,335.00.

The top ten bulls averaged \$1202.00, while the top twenty bulls averaged \$1121.00. The top priced bull consigned by Wayne Maddox of Miami, sold at \$1,500.00 to Jack Barnhill of Turkey. Second high selling bulls were consigned by Claude and Jerry Harland of Texhoma, Oklahoma with three head going each at \$1,225.00 (per head) to George McDaniel of Texhoma, Oklahoma, Morrison Brothers of Pampa, and Delbert McCloy of Sunray. Top selling females were consigned by Max Blau with four springer cows going from \$480.00 to \$560 per head. Top selling heifer calves were consigned by Campbell and Sons of Elmwood, and Cap Williams of Boise City, Oklahoma, selling in the \$430.00 to \$470.00 range.

and until there was there was no sense in working on ordinances to control it.

The rumors were all unfounded and most based on misunderstanding and a lack of communication between Mayor Wall, City Manager Max Stephenson, Police Chief Ed Sanders and Center Owner Tom Pendleton.

In other business, the Council approved changes in the county's Civil Defense program, canvassed election returns and swore in Mayor Wall and Councilmen Bill Blain and Ed Moore.

The Council also okayed the monthly financial statement and approved a planning map pertaining to the Texas Water Quality Board.

In going over the new telephone rate changes, the new phone charges include a raise of service charges of changing out telephones of from \$15 to \$30 for residence phones and \$22 to \$40 for businesses.

The new rates compare as follows: business one-party lines will be changed from \$9.50 per month to \$11.10 per month; residential one-party lines will be changed from \$4.65 to \$4.75 per month; residential two-party lines will be changed from \$3.90 to \$4.05 per month; business extension lines residential extension lines will remain as before at a rate of \$1.75 and \$1.25, respectively, per month.

NEW WESTERN AUTO OWNER--Leland Lewis is the new owner-manager of the local Western Auto franchise purchasing the interests of James and Helen Crawford. Lewis took over operation April 1, and is offering a "New Owners Sale" in an effort to get acquainted this week.

Leland Lewis Buys Local Western Auto

Leland Lewis took over as the new owner-manager of the Western Auto Store in Stratford April 1 and has re-opened the business at the corner of 3rd & Main in downtown Stratford.

Lewis purchased the interests of James and Helen Crawford in the local business. The Lewises moved here from Plainview in 1961 and they have made their home here since that time.

Lewis served as pastor of the Assembly of God Church, later worked for G&G Grocery and went with the Texas Highway Department in 1968 where he was employed until purchasing the Western Auto franchise last month.

Leland and his wife, Dorothy, have two children. They include Lyndal, a junior at Stratford High School, and Kay, an eighth grader in the local schools.

HOUSE TO HOUSE CANVASS SLATED BY CANCER GROUP
Sherman County American Cancer Society will have their annual house to house campaign during the evening hours on Thursday, announced Mrs. C.C. Plunk, campaign chairman.

All residents are urged to give to this cause.

The annual Bik-A-Thon will be held May 5 beginning at 2 p.m. and will meet at the Rex Christian home. The 20-mile trek is sponsored by the local Cancer Society and David Bornstein will serve as chairman of this event.

Over 150 Turn Out For Egg Hunt

An estimated 150 youngsters turned out Sunday for the Easter Egg Hunt sponsored by the Stratford CB Club.

Most Eggs found in the various age groups were won by Cher Moore, age 1-2; Rex Martinez, 3-5; Johnny Pulliam, age 6-8; and Bobby Doshier, age 9-12.

Prize Egg winners included Cindy Smith, Lance Brooks, Scott Langham and Sherry Melton.

"We appreciate the fine turnout for our first egg hunt," spokesmen for the CB Club said. "We plan to make this an annual event for it seems the kiddoes all enjoyed it," they added.

NEW METHODIST ORGAN--Jerry Whitten of Pampa will be the guest soloist on the Allen Memorial Organ which will be dedicated at special services Sunday morning at the First United Methodist Church Founder's Day. District Superintendent Rev. Weldon Butler will preside at the Dedication Services and all members of the community are urged to attend. Whitten will play several specials on the organ during the services.

DEDICATION SERVICES Founder's Day Slated By Methodist Church

Members of the First United Methodist Church will be observing Founders Day Sunday with special services for the purpose of dedicating their new organ and other remodeling within the Church which has taken place this past several months.

The Founders Day Services will be held at 10:50 a.m. in the church sanctuary and will be followed by a noon meal in the Fellowship Hall of the Church.

Former pastors of the First United Methodist Church will be recognized as the congregation will be observing the 74th Anniversary of the founding of the Stratford Methodist Church and the 25th Anniversary of their present building.

The new Allen Computer Organ was only recently installed in the sanctuary and a special Memory Book will be dedicated in which all the names of those persons to whose memory the organ will be dedicated.

The First United Methodist Church of Stratford traces its history back to November of 1900 where the new Coldwater Mission of the old Clarendon District of the Northwest Texas Conference of the Methodist Church assigned the late Rev. W.B. McKeown to serve the new church. A congregation was organized in the Coldwater, Sherman County Court House, on April 14, 1901. The congregation was later moved to Stratford in July, 1901 when Stratford became the county seat.

The first Church building was erected in 1902 and the present structure was completed in the fall of 1949 and dedicated in the spring of 1950.

A total of 28 pastors have

served the congregation since 1901. These pastors, in order of their service, include:

W.B. McKeown, 1901; T.W. Sharp, 1904; C.L. Cartwright, 1904; J.B. Blackwell, 1905; R.A. Hall, 1905; A.W. Waddill, 1906; J.W. Mayne, 1910; J.W. Lowrey, 1911; J.P. Patterson, 1912; John E. Eldridge, 1914; Ben Hardy, 1917; S.M. Williams, 1919; G.P. Huffman, 1921; L.B. Smallwood, 1922; Joseph E. Eldridge, 1924; J.W. Hawkins, 1926; P.E. Yarbrough, 1927; W.A. Hitchcock, 1931; R.T. Breedlove, 1935; C.E. Fike, 1936; J.B. Thompson, 1938; J.W. Rosenberg, 1942; H.A. Nichols, 1946; T. Edgar Neal, 1953; Charles R. Gates, 1955; Raymond T. Dyess, 1959; Bill M. Kent, 1968; J. Frank Peery, 1973.

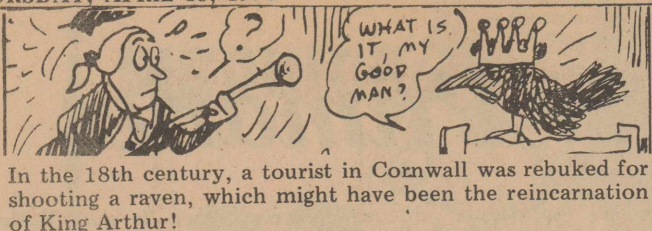

Dr. Weldon Butler, district superintendent for the Methodist Church in this area, will be on hand for the Sunday morning service which will feature a Dedication Organ Recital to be presented by Jerry Whitten of Pampa.

Whitten, a native of Muskogee Okla., lives in Pampa and is a graduate of the University of Oklahoma School of Music. He received his Bachelor of Music with a major in organ. He earned the graduate degree Master of Sacred Music from the Union Theological Seminary School in New York City.

Whitten served as organist for several churches in Oklahoma City and has been affiliated with Tarpley Music Company in Pampa and Tolzien Music Company in Amarillo for the past 11 years.

Whitten will play a total of nine inspirational musical presentations during the Dedication Services.

OBITUARIES

Arthur Mullins

Funeral services for Arthur Mullins, 96, a resident of Sherman County for 74 years, were held at 3 p.m. Friday from the First United Methodist Church of Stratford with the Rev. J. Frank Peery, pastor, officiating.

Mr. Mullins, a Stratford pioneer who operated a hotel and general store here and was later a farmer and rancher for many years, died at 5 p.m. Wednesday in Coon Memorial Home at Dalhart, where he had lived 10 months.

Mr. Mullins was one of the oldest residents of Sherman County and had made his home here since the turn of the century.

After retiring from active farming, he and his late wife made their home near the school until entering Coon Memorial Home.

He took great pride in his church, community, his family and his country. He was an active member of the First United Methodist Church and at the time of his death was the oldest member of the congregation. He would've been honored as such this next Sunday during the Founders' Day Services for

his length of service to his church.

Survivors include one daughter, Mrs. Lois Fedric of Stratford; two granddaughters, Mrs. Selma Pendleton of Stratford and Mrs. Dale Veazey of Oklahoma City, Okla., and seven great grandchildren.

Interment was in Stratford Cemetery under direction of Morrison Funeral Home.

Hubert Heiskell

Funeral services for Hubert Heiskell, 74, a retired stock farmer and produce store operator who died at 11:05 p.m. Tuesday in the Coon Memorial Home, were held at 2 p.m. Thursday in the First Baptist Church of Dalhart.

The Rev. Mel Hardin, pastor, officiated. Burial was in Memorial Park Cemetery by Schooler-Gordon Funeral Directors of Dalhart.

Mr. Heiskell, born in Tennessee, had resided in Dalhart for 47 years after moving here from Campo, Colo.

He is survived by his wife, Carrie; four sons, Hershel of Grove, Okla.; Calvin of Clyde, N.C.; Kenneth of Rocky Comfort, Mo.; and Harold of Fritch; a daughter, Mrs. Sylvan Hulsey of Wichita Falls; four brothers, Elmer, Harvey, Sam and Ralph, all of Dalhart; a sister, Mrs. Rennie Hupp of Wichita, Kansas; 17 grandchildren and three great-grandchildren.

SCOT Group To Meet

A "SCOT" Steering Committee meeting will be held Sunday in the County Barn beginning at 4 p.m.

Discussion for the meeting will be the evaluation of the first SCOT luncheon and plans for the April 25 meeting.

A possible slate of officers for the organization will also be under consideration at the meeting.

All committee members are urged to attend.

Bike Crashes Up 70 Percent

Noting that traffic accidents involving bicycles increased by some 70 percent in Texas last year, the Texas Safety Association urges cyclists to begin bike season this spring with safety in mind.

Riders should be aware that bicycles are subject to all traffic rules, signs and signals on Texas thoroughfares.

TSA recommends the following bike safety rules:

—Keep to the right side of the road and ride single file. Don't weave.

The Knowledge of the Lord

Habakkuk 2:14. "For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."

The Church is chosen of God to spread the good news that God has a plan to redeem men and reconcile them unto Himself through the vicarious sacrifice of Jesus Christ our Lord. The Church will be so successful in spreading this glorious knowledge in the world that God says the earth will be as full of it as the waters that fill the ocean. Attend church and become a part of this great undertaking.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

The new arrival weighed 7 lbs. 2 oz. and was 19 1/2 inches long.

The Ashers have one other son, Heath, 2 1/2 years old.

Maternal grandparents are Mr. and Mrs. Leon Guthrie and paternal grandparents are Mr. and Mrs. J.O. Pulliam.

Great grandparents are Mr. and Mrs. Chester Guthrie of Stratford and Mrs. Ray Morgan of Dallas.

Catholic Ladies Hold Annual Spring Event

The Pampa Deanery of the Amarillo Diocesan Council of Catholic Women held its annual Spring meeting April 5 in the Sacred Heart Parish Hall at Canadian with Mrs. Gregory Rapstine, president, presiding.

Sister Charles Marie Foster presented a program entitled, "Women". During the Eucharistic Celebration, Rev. James Gutzynski gave the Sacrament of the Sick to ill or elderly persons.

During the afternoon session, new officers were installed. They were president, Mrs. Bob Farr of Spearman; vice-president, Mrs. Glen Felker of Borger; secretary-treasurer, Mrs. Fabian Hiaduk of Panhandle; historian, Mrs. Bill Behr of Groom; and parliamentarian, Mrs. Gregory Rapstine of St. Francis.

Guest speakers were Bishop Lawrence DeFalce, Magr. Francis Sayer and Rev. Donald Rusch.

The next meeting will be held in White Deer in the spring of 1975.

Whaley-Slagle Vows Recited In Friona

Miss Connie Whaley, daughter of Mr. and Mrs. Watson Whaley of Friona, Texas, and Dennis Slagle, son of Mr. and Mrs. Ray Slagle of Benicia, California, exchanged wedding vows in a double ring ceremony at 3 p.m. on April 6, 1974 in the Union Congregational Church of Friona.

Terry Brown performed the ceremony before an altar featuring a large urn of spring flowers flanked on either side by spiral candelabras entwined with Lily of the Valley and matching urns of spring flowers on pedestals. Assisting in the ceremony was S.W. Pope of Amarillo.

The church pews were marked with aisle candelabras holding blue candles decorated with lily of the valley and ribbon.

Given in marriage by her father, the bride wore a formal length, candlelight satin gown with a sweetheart neckline. The gown featured deep cuffed sleeves with the waistline coming to a V in front and back with two rows of lace entwined with blue ribbon and embroidered flowers on either side of the dress from shoulder to floor and a chapel train. Tiny covered buttons were featured on the front bodice of the dress. The gown was designed by the bride. Her elbow length veil was decorated with greenery and baby's breath in the band.

The bride carried a nosegay of white carnations, yellow roses, and baby's breath atop an heirloom Bible covered with lace.

The Bible carried by the bride was the Something Old with the bridal gown being something new. Something borrowed was a crocheted cross placed in the Bible at I Corinthians 13. Something blue was the traditional garter.

Lou Whaley of canyon served her sister as Maid of Honor. Matron of Honor was Mrs. Diane Nelson of Westville, New Jersey, sister of the bride-groom. The attendants wore formal length, blue satin gowns with Empire waist and long sleeves that were edged in lace. The gowns featured a blue lace

silver service.

Guests were registered by Miss Deloris Phipps of Hereford from a table covered with a white satin cloth overlaid with lace featuring a single rose in a crystal bud vase. Guests used a blue plume pen to sign the guest book. Miniature "Thank You" scrolls tied with blue satin ribbons were given to the guests as they registered by Millie Kautz of Stratford, Glenda Kautz and Detricia Miller.

Member of the houseparty and the servers wore corsages of yellow mums.

The rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. Ray Slagle, at the Fellowship Hall on April 5, 1974.

For a wedding trip to points of interest in New Mexico, the bride chose a two-piece, navy pants suit with a corsage of gardenias and yellow roses.

The bride attended West Texas State University and is presently employed as a teacher by the Stratford Schools.

The bridegroom attended the Heald College in San Francisco and is employed with Leroy Kautz of Stratford in a farming operation.

Sitting Clinic Axed

Martha Mitts, president of the Women's Division of the Stratford Chamber of Commerce, announced today that due to the lack of interest in the Baby Sitting Clinic that the clinic would not be held as scheduled.

The Women's Division of the Chamber felt that not enough interest in the clinic had been shown to warrant the cost and time involved in bringing the necessary personnel to Stratford for the clinic.

The Women's Division wishes to express their appreciation for the efforts of everyone in getting the clinic organized.

Mrs. Dortch Hostess For Embroidery Club

Embroidery Club met on April 11 in the home of Mrs. Bernice Dortch.

Time was spent doing needlework and enjoying pleasant conversation.

Refreshments of salad and cake were served to Addie Taylor, Glenna Seigman, Bertha Crutchfield, Opal Biddy, Esna Buckles, Nora Kidwell, Nora Ramey, Cleve Garrison, Ione Reed and hostess, Bernice Dortch.

Regional Track Meet Slated In Odessa

Five representatives of Stratford High School's Elk Track team will be traveling to Odessa this weekend to participate in the Regional Track Meet which will be held Friday and Saturday.

The Elks who have qualified to run at Odessa include Steve Barrett, Ricky Howard, Mark Beatty, John Walden and Van Brandes.

In addition to the Elks who will be competing in Track, Cindy Stokes and Dana Kendrick will be competing in Girls Doubles in Tennis, and Jere Gilley, Mike Flores and Ty Hacker will be competing in the University Interscholastic League's Literary events. All will be held at Odessa this weekend.

The Track Team will be entering the 440 Yard Relay, Mile Relay, 100 Yard Dash and 220 Yard Dash.

The 440 Relay Team is comprised of Barrett, Howard, Beatty and Walden. The Mile Relay Team is comprised of Barrett, Brandes, Beatty and Walden.

Mark Beatty will be running the 100 Yard Dash while John Walden will be running the 220 Yard Dash for the Elks.

This past weekend the five Elks competed in the Regional Qualifier Meet held in Hereford where representatives from all high schools in the area participated.

The Elks wound up the Hereford Meet winning third place in the 440 Relay, third in 220 and a tie for third in the 100 Yard Dash competing with AAAA schools on down.

This is the largest field of track participants the Elks have managed to send to Regionals since back in 1961.

The Track Preliminary Events will be held on Friday with the top four qualifiers in each event competing on Saturday in the finals. The top two finishers in the finals then qualify for the State Meet to be held in Austin in May.

The Girls Doubles Team, Miss Stokes and Miss Kendrick, will be out to equal the mark set by Kathy Allen and Andrea Dettle several years ago when that duo won the State Girls Doubles in Class A.

Miss Gilley will be competing at Odessa in Journalism events while Hacker will be competing in Science and Flores will be competing in Number Sense events.

Top two winners in each of these events also advance to the State Competition held also in early May.

SCS News

Present Conservation Cropping Systems of farmers in Sherman County can truly be appreciated if one experienced environmental conditions here from 1930 to 1936. In Sherman County, being in a semi-arid region, it is very important that a cropping system be used that will produce high residue. So, when we have very little moisture, we can produce that 750 to 1000 lbs. acre residue necessary to hold the soil in place.

Sorghum and wheat are both high residue producing crops and most of the time produce enough cover to hold soils that have wind erosion characteristics. They also furnish soil openings to allow rainfall to enter the soil, reducing erosive rainfall run-off.

High residue crops are soil

building and keep the soil aerated with a loose tilth, holding fertility in place. Bacteria inoculated legumes in a cropping system is also a very good soil builder and conserves fertilizer expense by utilizing and fixing the nitrogen from the air.

We should compliment our farmers for practicing a good Conservation Cropping System and managing the residue, for if he did not, air pollution here could be as bad as some of the large cities. Recognition of their efforts will give them needed encouragement.

In the Middle Ages, bat blood was considered a good depilatory. What a hairy idea!

CARD of THANKS

I would like to take this opportunity to thank everyone for the cards, letters and visits while I was in the hospital.

Six States Wheat Event In Amarillo

Wheat and its expanding use in foods will get a close analysis by experts from six states meeting in Texas for a three-day session April 24-26. The Wheat Foods Council, an informal internal organization of home economists and nutritionist of the producer-supported "Wheat Commissions" will conduct their business sessions and hear a wide array of speakers in the headquarters of the Texas Wheat Producers Board, Suite 600, Bank of the Southwest, Amarillo, according to Miss Mary Ellen Dambold, TWPB Nutritionist and treasurer of the Council. Members will attend from North Dakota, South Dakota, Nebraska, Kansas, Colorado and Texas.

Program participants and speakers during the session will include Miss Linda Farrell, Home Economist, marketing Division, Texas Department of Agriculture, Austin; Mrs. Margarette Harden, Asst. Professor, Food and Nutrition, School of Home Economics, Texas Tech University, Lubbock; Mr. Homer McPherson, Vice President, Mead Foods, Inc., Amarillo; Mrs. Jackie Skinner, Woman's Editor, Amarillo Globe News. Mr. C.L. Edwards, a Panhandle producer and member of the Domestic Marketing Committee of Great Plains Wheat, Inc. will participate. TWPB, will discuss his observations relative to wheat foods and their use in Russia gleaned from his recent market study trip there.

The Wheat Foods Council was organized in January, 1973. Its function is to provide an avenue for the exchange of information and materials related to research, education and promotion of wheat foods in the domestic market which might enhance the market development programs conducted in the individual member states, all, of course, designed to improve the market for wheat and strengthen the individual wheat producers income.

Planned Parenthood Program Progresses

When the local chapter of Planned Parenthood got underway members felt optimistic that through a coherent effort in education and self help and through the spread of fact and information the people of Sherman County would insure the survival of the program.

A total of 14 women have been eligible to receive the medical services provided by Dr. Claude Harlow and his staff. Dr. Harlow has been the heart of the program as his giving of time and services has made the program complete.

A large number of women have been counseled in health education and family planning. Where other needs were involved, those who requested it, were referred to the right agency.

Texhoma, as a portion of Sherman County, will now be inducted in Mrs. Cissy Blanford's outreach and system of referrals. She will visit in that community and will be available for presentation of educational films and programs.

Locally, she has spoken at the Lion's Club and the Liberty, Justice and Development study through the First United Methodist Church.

If you can't get PIONEER Brand 8311 here are some excellent alternative hybrids for High Plains farmers.

Pioneer Brand 8311, the "Golden Bronze Yield Leader," has been our most popular hybrid this year — so popular, in fact, that it may be in short supply in some areas. One reason is that the demand has been so great downstate where 8311's disease tolerance is so important. Fortunately, there are several other Pioneer Brand hybrids that are proven top performers on the High Plains. If you can't get 8311, ask your dealer about these.

PIONEER Brand 8417

This versatile yellow endosperm sorghum is a champion yielder in the medium-late maturity class, for irrigated or non-irrigated land. It has large open heads, uniform head height, strong stalks for easy threshing, good tolerance to smut and anthracnose.

PIONEER Brand 820

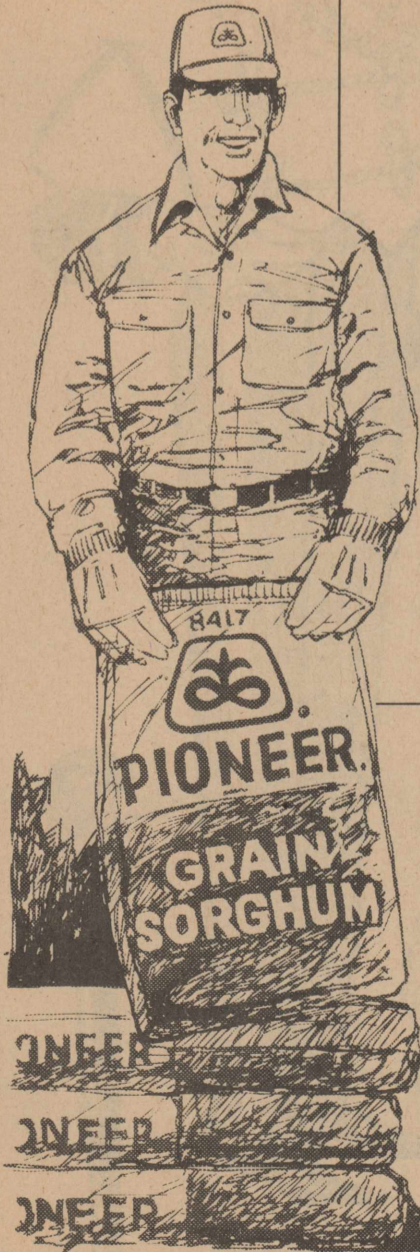

This top-notch full-season hybrid, is a consistently high yielder. Excellent drought resistance and standability plus good roots and stalks make it a good choice for irrigated or non-irrigated farming on the plains.

PIONEER Brand 828

One of the highest yielding sorghums you can plant, this full-season hybrid responds well to good management on good land with plenty of water. Plains growers like it because it holds its quality and threshes well even after an early freeze. It produces sturdy stalks with semi-compact heads of dark red grain.

PIONEER Brand 846

Famous for its versatility and adaptability, this medium maturity hybrid yields along with the full-season varieties. Resistant to smut, rust and MDM, its outstanding hybrid vigor and excellent drought resistance help it turn in consistently high yields even under stress.

Social Security News

Quarterly wage reports and social security contributions for household workers are due by April 30, according to Robert H. Schaller, social security Branch manager in Guymon, Oklahoma.

"People who pay a household worker \$50 or more in cash wages in any 3-month calendar quarter must send a report of the wages, along with the social security contribution, to the Internal Revenue Service within one month after the end of the quarter," Schaller said.

Quarters are January-February-March, April-May-June, July-August-September, and October-November-December. Wage reports and social security contributions for the first quarter of 1974 are due by April 30.

People who employ household workers may file the wage report on a form available at any Internal Revenue Service Office--"Employer's Quarterly Tax Return for Household Employees (of Social Security)."

The 1974 social security contribution for a household employee is 5.85 percent of covered wages, and the employer pays a matching amount. "Some household employers may prefer to pay the full 11.7 percent contribution," Schaller said, "and this is also acceptable."

Social security contributions help build retirement, disability, survivors, and Medicare protection for workers and their families. People who employ household workers can get a free copy of the leaflet, "Social Security and Your Household Employee," at Guymon social security office at 106 East 6th Street, Schaller said.

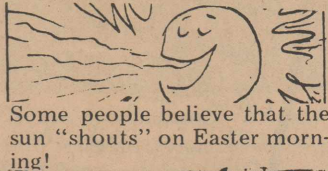

Big Day Held

At Texhoma Sale

The receipts at Texhoma Livestock Commission last Friday were 8126 cattle and calves. The market was very active and higher thru out.

Some representative sales were as follows: 116 WF Steer Calves Av. Wt. 398# at \$55.10 per cwt.; 65 WF Heifer Calves Av. Wt. 325# at \$51.50 per cwt.; 85 WF Steers Av. Wt. 784# at \$43.60 per cwt.; 45 Heifers Av. Wt. 594# at \$41.40 per cwt.

For next Friday we are expecting 7000 to 8000 cattle. We still have lots of good cattle coming off wheat pasture in our trade area, and many farmers and ranchers have decided to graze off some dryland wheat.

Some people believe that the sun "shouts" on Easter morning!

ON WALL STREET

What is low in sulphur, so inexpensive that American families throw out 5 pounds of it every day, and is so abundant that it could supply all of the electric lighting needs of the U.S. in the future? Household garbage, and there's lots of it. If the utility companies can figure out a way to use it as a source of power, it could provide 5 percent of all the electricity produced in the U.S. and solve one of our biggest environmental headaches; what to do with all that trash. This is becoming a critical problem in our larger cities.

Union Electric Co. of St. Louis, Mo. will invest \$70 million in trash collection centers, boiler conversion, separation and shredding equipment and hauling vehicle for garbage fuel. By 1977 all of the garbage from the city of St. Louis and six surrounding counties, 7,500 tons per day, will be burned in Union Electric boilers to generate electricity under a mixture of 20 percent trans and 80 percent coal. This will save Union Electric 1 million tons of coal a year and get rid of a massive trash problem for St. Louis and the surrounding area. The fuel savings to Union Electric are estimated \$10 million a year and these savings will increase as the price of coal rises in the future.

Union Electric also expects to reap additional financial benefits by receiving the dumping fees now paid by commercial sanitation hauling companies for places to dump trash for landfill or to incinerate it. Too, a ton of garbage contains approximately 150 pounds of usable steel and about 20 pounds of other metals which can be sold for scrap.

It has taken two years and \$3.3 million to prove the feasibility of such a project. Most ventures such as this wind up being sponsored by municipalities or counties. The refreshing thing about the St. Louis project is that it is sponsored by an investor-owned utility.

So far only coal burning electric generating plants can convert to garbage fuel, but experiments are being made to see if garbage can be converted to a fuel similar to oil which can then be used in oil-fueled electric generating plants.

Since a 20 percent 80 percent garbage and coal fuel mixture has been used successfully, a project is now underway to get the fuel mixture up to a 50-50 ration in plants specifically designed for garbage fuel.

What a great accomplishment to discover that garbage, which costs huge sums of money to dispose of, now has a valuable and worthwhile use to benefit mankind. Now that's progress.
