

SNOOTER KNOWS

LITTLE ABOUT EVERY-THING

NOT MUCH ABOUT ANY-THING

PRACTICALLY impossible to fill this column this week, sitting at the keyboard of the linotype, no copy in sight, with a thousand and one things turning over in our mind, none of them pertaining to a thing for this column—and the time drawing short for putting the paper to bed if we hope to get some 5,000 copies of the paper to our few hundred subscribers by Friday morning.

MONDAY, aft. noon, we took in the rodeo performance in the \$60,000 plant of the Midland Fair, Inc. and enjoyed every minute of it, for we haven't hardly been able to sit down since. We advise the rodeo officials their upholster their grandstand seats with pneumatic cushions. We know what you are going to say, they had cushions for sale, but our last dime went for a hamburger. Fellow has to eat even if he has to sit on a castus plant.

They say, "birds of a feather flock together," we suppose is the reason that Lee O'Daniel, the next governor of Texas, Hon. R. E. Thomasson, congressman from El Paso district and we, were all three, at the rodeo at the same time on the same day. The governor-elect had his whole family and his hill billy band with him. And, right here before we forget it, Stanton scooped Paul Barron's town—it met the governor first—he had to come through Stanton before he could get to Midland. Dr. Moffett, Stanton's mayor, shook hands with Mr. O'Daniel and welcomed him to our fair city. We suppose that is what the Dr. said, we were at the baggage car when the train pulled in.

Perhaps the greatest pleasure we got from the rodeo, aside from the arena performances, was seeing Bill Collvyns without that murky dun brick dust patch of whiskers he had growing during the boosting of the rodeo. It made our face feel was full of fleas to look at him. But laying all jokes aside Bill Collvyns did a nifty job of publicity work for the occasion, backed up by the solid support of the rodeo officials, and the fine publicity work dished out by Paul Barron's live daily newspaper, the Midland Reporter-Telegram. That accounts for some 20,000 attendance chalked up the three days of the rodeo.

Lee W. O'Daniel and his hill billy band held the center of the stage between acts Monday afternoon with music, and songs. Gave the governor-elect an opportunity to address the folks. Highly did he praise Midland for the fine rodeo performances and the fine hospitality shown his group. He told the boys and girls when he got to Austin the latchstring to the mansion would be found always hanging on the outside, and "bring your horse feed and come on down."

BUYS THE B&W WHOLESALE OIL

Henry Hull and E. R. Cawthon, have purchased the wholesale oil department of the B&W Oil Co. from Horace Blocker and Jim Willingham, these gentlemen retaining the filling stations.

Messrs. Hull and Cawthon have been operating the Barnsdall filling station here.

These gentlemen are thoroughly conversant with the wholesale and retail of oil and gas products. Mr. Hull having represented oil companies in Stanton for several years and Reporter predicts success for Messrs. Hull and Cawthon in their new undertaking.

JAIL INMATE SOVPS SELF SLIPS AWAY

We've heard of greased lightning, greased poles, and greased pigs, but never before have we heard of a jail inmate greasing himself and escaping through a hole in jail bars. But this is just what happened at the Martin county jail last Friday night. Allan Mathis, languishing in the county jail, charged with forgery, broke up his iron bed, wrapped a rail with some of the bed clothes so his work could not be heard went to work prying out the jail bars. This done he greased his body with

hole that was a little larger than would allow a cat to crawl through and made his escape.

Mathis had been brought here from Vernon, and together with other expense in running him down, cost the county considerable which would amount to quite a drop in the bucket toward building a new jail for Martin county.

If ever one of these dry weather whirlwinds hits our jail broadside, it will be up to the populace to pick the debris off Sheriff Morris Zimmerman and family. soap and crawled out the

SCHOOL OPENED WITH 413 ENROLLED

Stanton schools opened the 1938-39 session, Tuesday, with a program and general assembly in the school auditorium.

Following scripture reading and invocation by Rev. Raymond Van Zandt, pastor of the Methodist church, J. D. Renfro, secretary of the school board, welcomed the new teachers to the system, and called upon a number of patrons to speak.

Messrs. W. A. Kaderli, J. S. Lamar, J. L. Hall, and Mmes. G. B. Shelburne and J. P. Woodward, made timely and appropriate expressions regarding the school and its work.

Supt. Southall was introduced by Mr. Renfro, and he in turn, introduced the new teachers. L. E. Gammon, member of the

elementary faculty, led the songs for the occasion, being accompanied at the piano by Mrs. R. G. DeBerry, who will teach private classes in piano and elementary band work in the Stanton schools.

Following announcements by H. D. Haley, principal of the elementary school, the benediction was pronounced by Rev. Fred McPherson, pastor of the Baptist church, and the routine work of the school began.

Many parents availed themselves of the opportunity to visit various rooms and departments of the school.

Total enrollment for the first day showed 413. In the high school 148, and in the elementary school 265.

FIRST BALE COTTON BRO'T. SATURDAY

Erman Hardy, living 25 miles northwest of Stanton brought in the first bale of cotton of the season Saturday. The bale weighed 496 pounds, classed strict midlin, and was bought by the Co-Op Gin, the gin that ginned it, for 8:35. A premium of \$54 given by the merchants, together with the

price received, netted Hardy about \$100.

Following soon after the Hardy bale, Ray Byerly, on the McReynolds farm, 23 miles northwest of Stanton brought in the second bale, which was ginned by the Co-Op gin. It weighed 448 pounds, and sold to the gin. We failed to learn the price paid.

JUDGE KLAPPROTH TO LEAD CLASS

Judge Charles L. Klapproth, district judge of the 70th judicial district, of Midland, will lead the downtown Men's Bible class, in Stanton, next Sunday, at

the Texas Theater, 9:45 A. M. Every man and boy is invited to come and listen to an interesting and entertaining speaker. Come as you are, in shirt-sleeves or overalls.

BRIDE HONORED AT PRETTY PARTY

One of the prettiest parties of the season was the gift party Tuesday from 3 to 5, in the beautiful brick home of Mr. and Mrs. Sam Turner in west Stanton. Mrs. Addie Turner Donelson honoring Nola Shelburne Elch, a recent bride. The reception rooms were decorated with roses and other cut flowers and Mrs. Dave Foreman, sister of the bride, sat at the registry. After registering, guests were ushered into the dining room by Miss Wilma Turner where Florine Jones served punch. Mary Prudy Story sang, "You Are As Sweet As The Red Rose in June, Dear." Mrs. James Jones gave several accordian selections. Mrs. Donelson presented Nola with "The Key of Plenty," and led her to "a well filled cupboard."

The many gifts were admired by those present after which, in her own unassuming way Nola expressed her appreciation.

Mrs. Donelson and the honoree were room mates at Abilene Christian college in the summer of 1934 and their friendship has grown with the years.

New Judge-elect Here

Cecil Collings, present district attorney of this, the 70th district, was here Saturday, having just returned from a vaca-

tion trip to his old home at Glen Rose.

After January 1 Collings will don the ermine of District Judge of this district.

Visit From Mother

Rev. and Mrs. Raymond Van Zandt, have as their visitor, Mrs. J. L. Taylor of Waco, mother of Mrs. Van Zandt.

ZONE MEETING IN STANTON

On Tuesday morning September 13, at 10 o'clock at the Methodist church in Stanton, the West Zone of the Sweetwater district, will begin its zone coaching day for fall study.

Mrs. O. B. Bryan, zone leader, expects delegates from ten auxiliaries to be present. Mrs. Ralph Odam of Snyder, the secretary of the Sweetwater district, will be the principal speaker.

The affair is one of great importance in our women's work, and every member of the local auxiliary is urged to attend.

A covered dish luncheon will be served in the dining room of the church at noon.

ATTEND WEST TEXAS TEACHERS C. EXERCISES

Mr. and Mrs. G. B. Shelburne, son, Cleddie, daughter, Mrs. Dave Foreman, niece Mrs. Levi Driver and Mr. Driver, attended the commencement exercises of West Texas Teachers college at Canyon, where Nola Shelburne Balch, received her Bachelor of Arts degree with honors. There were 160 in the class, and among the number were Mrs. Inez Webb Luce and Miss Ova Webb, sisters of Jim Webb and Mrs. J. F. Harvard of Stanton, and Mrs. S. J. Foreman of Lenora.

While on the trip the party visited Palo Duro Canyon, Buffalo Draw, and the Panhandle Plains Historical Museum and beautiful parks in Amarillo.

Mr. and Mrs. Balch returned home with her parents for a visit and left Thursday for O'Donnell where they will reside. Mrs. Balch is beginning a new term as teacher in Wells high school Sept 5.

GULF STATION UNDERGOING A GOING-OVER

A crew of workmen out of Big Spring are placing a stucco finish over the already pretty brick building of the Gulf Station, converting it into what they say will be one of the most attractive stations on Highway 1. The floors in the rest rooms will be tiled as well as the walls up some seventeen inches, and electric pumps will be installed.

All indications (from the present outlook), point to Clark Hamilton, manager, and assistant his brother John, will be too big for the breeches, when the workmen turn over the station to them.

The Glazeners Arrive.

Mr. and Mrs. W. C. Glazener and son, Stanton, arrived last week in Stanton from summer school at the State University. Mrs. Glazener has resumed her position as teacher in the Stanton schools while Mr. Glazener expects to leave next week for A&M college where he has a position with that institution with possibly a position on the faculty later.

STANTON BOY GOES TO CAIRO, EGYPT

This editor is subject to errors, the same as a doctor, only the errors we have made has killed nobody, but we are about to chronicle a very bad, or rather, a costly error as termed in baseball parlance. Three weeks ago Johnny Bassett, that fine looking stalwart son of Mr. and Mrs. John Bassett, of Stanton, was in this office fresh from A&M college, inquiring what the cost would be to send the Reporter two years to Cairo, Egypt. We asked Johnny if it was Frank Buck, he wanted to send the paper to. "No, it's to me," Johnny replied. This caused the editor to converse with Postmaster Morgan Hall, relative to the extra postage. In the meantime Johnny visited around and finally got off on his way to Egypt, and the fact, escaped our memory.

With seven other A&M boys,

with Johnny making eight, have gone to Cairo, Egypt as a seismograph crew for the Mott-Smith Co., to be gone two years

Johnny Bassett has grown up in Stanton, attending the local schools until graduation. Not a lazy bone in Johnny's body, he washed dishes at local cafes and worked at anything he could get to do. All this time he had his mind set on an education that would prepare him to go out in the world and battle its problems. So, with the completion of high school he went to A&M where he has been for two years and so well did he accomplish his work, he was selected as one of A. & M. students to go into Egypt as a seismograph crew for a prominent geographical company.

At the end of the two years in Egypt Johnny will return to A&M to complete his college career.

TRENCH SILOS IN COUNTY DOUBLED

The number of trench silos in Martin county has doubled this year bringing the total to 35 silos now, and the equipment used in filling them has improved greatly this year by the purchase of three new field choppers and several stationary choppers by the farmers and ranchmen.

Larger equipment has also been used in digging the trenches. Catipillar tractors and larger freznos have dug the trenches for less than 10c a ton for the

feed. The sir-yard frezno and tractor of a well known company dug seven large silos in four days on Edmund Tom's place. Mr. Tom is using a field chopper that requires a minimum of labor to fill the trenches Joe Poindexter is also using a field chopper to harvest his 100 acres of maize.

J. C. Sale started this week to fill his two large silos. He plans to chop the feed at the trench.

Ellis Everetts also plans to chop his feed at the trench.

4-H CLHB BOYS START FEED CALVES

Boys of the Valley View 4-H Club started their dry lot calves on feed last week when they received ten head from Stanton Brunson of the L-7 Cattle Company ranch.

They plan to feed home grown feeds and keep the cost records on their work so they can determine the expense of each pound

of gain they obtain. Cane, hay, ground maize heads, and cotton seed meal will be the principal feeds used.

The boys who plan to feed are Billy Y. and Dub Clements, Wayne, Reid, and Donald Brooks, Chelsy and Ceburn Weathers, G. C. Keele, Ray Robertson, and Curtis Powell.

LEGION CARAVAN HEAD COMING HERE

WALTER LEE

Walter Lee, grand chef de gare passe of the 40 & 8, who will head the Mississippi Legion caravan on its 5,750-mile journey from Jackson to the national parade in Los Angeles visiting Stanton on Sept 30, has announced that in addition to the expensive array of floats which make up the state flotilla a caravan of five 40 & 8 locomotives,

manned by a crew of uniformed Legionnaires, will make the trip to the West Coast, leaving about a week prior to the Los Angeles parade of September 22. Annie Laurie Bishop, the scintillating Tupelo drum major, who at the New York parade last year attracted such widespread attention, has been selected for the second consecutive year to be lead drum major of the Mississippi marching units and will thus head the first band of the parade.

Bobbie Vaughn, beautiful blond drum major of Magnolia, winner of the national high school championship in drum-majoring at the Louisville, Ky., contests last spring, has been selected to lead the second band in the national parade, Mr. Lee announced.

The Legion caravan is accompanied by Miss Elaine Russell of Vicksburg, whose brunett beauty brought her the national title of "Miss American Legion." She will act as personal representative of Governor Hugh White, extending his greetings to high Legion dignitaries and governors of states included on the itinerary.

Brownwood Visitor

Miss Inez Petsick, of Brownwood, was a guest of Miss Lela Boyd last week, the two having taught in the Big Lake schools. Miss Petsick, will teach in the Odessa schools this year, taking the place made vacant by Mrs. Paul Jones of this city.

To Teach At Marshall

Miss Lela Boyd will leave next week for Marshall, where she will be instructor in Spanish and glee club work. She has

been a teacher in the Big Lake school the past few years, and now she goes from a 9-tencher school to a 30-teacher.

Sells Home

Bill Clements has sold the home he first owned in Stanton to Floyd Evans of Big Spring, who, with Mrs. Evans, is expected to move here by the first of the month. Mrs. Evans is the daughter of Mr. and Mrs. W. H. Cox. Mr. and Mrs. R. G. DeBerry, teachers in the Stanton schools now occupies the home.

AFTER THE RAIN

(Mrs. Betty Hobbs)

I love the morning warm and bright
After a good old rain at night.
Everything seems so fresh and clean
With vegetation smiling serene.
There's an indescribable feeling too
Of life and vigor then that is new.
We feel invited to come and try
The good effects of a bright blue sky
And listen to the songs of the birds
Altho you don't understand their words
You feel they are thankful in the main
For the warm sunshine and the good rain.
And the clouds that so often linger
Point upward as tho with a finger
Reminding us from where blessings come
Bringing thoughts of our eternal home.

STEERS EXPECTED TO WEIGH 800 POUNDS

In the "Chasing Round" column, Harry Holt, conductor, in the Abilene Reporter-News, this item of interest to local ranchmen appeared:

W. P. Strole, formerly of Kansas City where he was associated with a commission firm at the stockyards, has been in Abilene for a month getting a line on the cattle of this section of Texas and making necessary arrangements for handling animals to be shipped from this country.

Strole was in Colorado Saturday to receive two carloads of two year old steers that he had bought from Lay Powell, veteran rancher of Mitchell county who is known for his witticism. The steers were expected to

weigh better than 800 pounds. Powell says he has bought bulls from Fort Worth to El Paso and the kind of cattle he runs show the result of using well-bred herd sires. The Kansas City buyer was well pleased with quality of cattle of the area.

Lay Powell is the father of Earl and Son Powell, prominent young ranchmen of this section. He is also, the guy whose picture appeared along with others boosting the Colorado rodeo, in a recent issue of the Ft. Worth Star-Telegram, resembling the last picture we saw of Jesse James back in the early 80's. We imagined we could see wild deer and bear cavorting around behind that brush so conspicuously evident on the face.

Return From California

Mrs. Eula Eubanks and daughter Dorothy, and Miss Vestal McClane, have returned from a two weeks visit with relative in Los Angeles, Calif. They visited the Grand Canyon and Boulder Dam on their return home.

Arrested For Tire Stealing

A couple of boys have taken up residence in Sheriff Zimmerman's boarding house to await the disposition of the county judge's office. They were arrested for stealing two tires of the truck on the farm of W. J. McAdams in the north part of the county. Mr. McAdams lives in Big Spring.

WOODROW WILSON CAPTAIN AT M. C.

The Sonora Stockman, the home of the father Lee Wilson, had the following to say of his son Woodrow Wilson, who is at West Point:

Woodrow Wilson, son of Lee Wilson, Ozona Buick dealer, will serve his final year in the United States Military Academy as a cadet captain.

News of his son's elevation to a captaincy was received by telegraph early this week by Mr. Wilson. Young Wilson, who was ranked among the first fourteen men of the entire third year class in scholastic rating at the end of the term, and who has made an outstanding record in the institution in athletics, was elevated to a lieutenant last spring at the conclusion of his third year's work.

At the outset of summer maneuvers, Wilson was promised a captaincy by his company commander if he met certain requirements in military training work during the summer. He met those requirements and his promotion resulted.

Captain Wilson stands a good chance of gaining all-American honors in football this fall. He is one of Army's mainstays in the backfield as a kicker, passer and ground gainer, and barring illness or injuries is due to make a big noise in the big time football circles.

And to think that Woodrow Wilson received his high school degree in the Stanton school, as well as receiving his early football training that made him a star on the School of Mines, El Paso, after leaving the Stanton Buffalo squad. His mother, Mrs. Mary Wilson lives in San Angelo.

COSDEN REFINERY DOUBLES CAPACITY

Producers of Cosden Higher Octane Gasoline complete \$800,000 expansion program at Big Spring, Texas. The above picture shows the 6,500-barrel Dubbs Cracking Unit, the completion of which on July 10th, established the Cosden Refinery as the most modern in the United States, combining the latest improved features of automatic control now known to the petroleum industry.

To meet the ever-increasing demand for its Higher Octane Gasoline and to still further insure the uniformity and quality of its production, the Cosden Petroleum Corporation has just completed improvements and additions to its refinery at Big Spring which practically double its potential output and increases the octane of its Higher Octane Gasoline to a consistent 72.

The major addition, shown in the picture, includes a 6,500-barrel,

Universal Oil Product, Dubbs Cracking Unit. This unit is of latest design, featuring U. O. P. Up-shot cracking furnaces along with the latest design of reaction chamber and fractionating column. The equipment is designed to operate at a high degree of pressure and temperature as is necessary to secure maximum yield of high quality gasoline from crude.

This installation increases the output of higher octane gasoline by 175,000 gallons per day and

gives the refinery sufficient capacity to completely process into gasoline and fuel oil 14,000 barrels of crude oil daily, and by manufacturing various grades of Diesel and furnace oils will have a flexibility of 17,000 barrels of crude oil per day.

In addition to this new Dubbs unit, the No. 1 Dubbs Unit which has been in operation for several years, has been brought up to date by the installation of new centrifugal hot oil pumps, and has a daily capacity of 5,500 barrels.

Sentinels of Health

Don't Neglect Them!
Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—the daily—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure. When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, pitting up nose, swelling, puffiness under the eyes—feel tired, nervous, all worn out.
Frequent, scanty or burning passage may be further evidence of kidney or bladder disturbance.
The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use Doan's Pills. They have had more than forty years of public approval. Are endorsed by the country over. Don't be deceived. Sold at all drug stores.

Mr. and Mrs. Geo. Bolen and son, Geo. Jr., of Ennis, and Mr. and Mrs. Green of San Angelo, were Labor Day vacation guests of Mr. and Mrs. Son Powell on the "69" ranch. Mr. and Mrs. Bolen are the parents and Mrs. Green, a sister of Mrs. Powell.

WELL EQUIPMENT MOVED TO SWEETWATER

To those Stantonites who have spent their evenings and Sunday afternoon going out to see how the drilling on the Dr. Vance oil well northwest of town was progressing, the moving of equipment to Sweetwater will be of interest. After fulfilling the contract of 4200 or sulphur water the George Callahan Drilling Company moved their spudder to a location 4 miles north of Sweetwater.

And so goodbye to another of Stanton's dream of an oil well.

Returning From California

Mr. and Mrs. W. E. Loveless and Elbert Loveless of Denton, while returning from a trip to California, visited a few days last week visiting their daughter Mrs. Bud Jones and Mr. Bud Jones.

Mexico and Austin Visitors

Miss Maude Alexander has had as her guests the past week Mrs. T. B. Eisenlohr of Austin and Mr. and Mrs. C. A. Stover of Mexico. The Stovers went on to El Paso for a short visit.

Home Brew Confiscated

Sheriff Morris Zimmerman reports the arrest of a Mexican over in the Mexican village, with 125 bottles of home brew in his possession, enough dynamite if put under Stanton would blow it to smithereens.

Now My Dear
DON'T LET THAT HEADACHE SLOW YOU DOWN

STOP IT WITH ALKA-SELTZER

Does Headache "slow you down?" You are a rare exception if it does not.

One or two tablets of ALKA-SELTZER in a glass of water makes a pleasant alkalinizing solution that usually brings relief in just a few minutes.

ALKA-SELTZER is also recommended for:

- Gas on Stomach, "Morning After", Acid Indigestion, Colds, and Muscular Pains.

You will like the tangy flavor and the results when you take Alka-Seltzer. Alka-Seltzer, when dissolved in water, contains an analgesic, (Sodium Acetyl-Salicylate). In addition, the alkalinizing agents in Alka-Seltzer help to relieve those everyday disorders associated with hyper-acidity.

Your Telephone Company is Mostly People serving you in Texas

IT TAKES a lot of people... nearly 9,000 in Texas... to see that more than four million telephone calls each day flow swiftly to their destinations.

It takes operators, whose skilled fingers stand ready to flush your calls on their way; linemen, to keep the voice paths open for your words; experts to see that no trouble happens in the intricate telephone apparatus that serves you; engineers; accountants; men and girls in business offices.

To each one of these 9,000, Texas is "home."

They work here; their children are in Texas schools. Last year their pay checks totaled more than eleven million dollars, and they spent nearly all of this in Texas. They are an important part of your community.

The telephone company, like its people, is also part of Texas. It is here to meet this state's need for friendly, dependable telephone service. It serves its own interests best by giving good service at reasonable cost to you.

Southwestern Bell Telephone Company.

MES. ELLIS, HOUSTON, AND TOM ENTERTAIN

One of the most delightful parties of the season was given Friday afternoon when Mrs. J. C. Ellis and Mrs. A. R. Houston, joined Mrs. Jim Tom in entertaining at the Tom residence.

Interest in the bridge games was heightened by prizes presented each player who bid and made a slam. Receiving them were Mrs. B. F. Smith who chose a dish of ovenware, Mrs. Sam Wilkinson who received a flower pot, Mrs. J. P. Boyd, who received a kitchen plaque, Mrs. Cullen Wilson who was given a match holder, Mrs. Ted Eisenlohr, who received a deck of cards, Mrs. H. A. Houston, a measuring cup, Miss Lela Boyd, who received a salt and pepper set, and Miss Beryl Tidwell, who was given a teapot.

Prizes were also given for high and low scores. Mrs. Eisenlohr won high and was awarded a lovely salad bowl set, and Miss Maude Alexander was presented a casserole for low.

An attractive fruit plate was served to Mrs. Edmund Tom, Mrs. H. A. Houston, Mrs. S. M. Wilkinson, Mrs. J. P. Boyd, Mrs. Bevy Purser, Mrs. Earl Powell, Mrs. Phil Berry, Mrs. Paul Jones, Mrs. Morgan Hall, Mrs. Filmore Epley, Mrs. R. F. Straith, Mrs. Floyd Smith, Mrs. Arlo Forrest, Mrs. Jim McCoy, Mrs. O. B. Bryan, Mrs. Poe Woodard, Mrs. T. B. Eisenlohr of Austin, Mrs. H. D. Haley, Mrs. Raymond Blackford, Mrs. J. E. Kelly, Mrs. Cullen Wilson, Mrs. Calvin Jones, and Misses Maude Alexander, Lorraine Lamar, Gladys Poe, Beryl Tidwell, Lela Boyd, and Mary Vance Keneaster of Big Spring.

EASTERN STAR UNIT FORMED AT ANDREWS

The worthy grand matron and worthy grand patron of the Grand Chapter of the Order of the Eastern Star of Texas, were at Andrews recently to institute a chapter of the Order of the Eastern Star.

The worthy grand patron appointed Mrs. A. W. Keisling, worthy matron of the Stanton chapter to act as associate grand conductress in the instituting ceremony. Six grand officers were present and eight or ten chapters were represented.

Among the invited guests were the following members of the Stanton chapter: Mrs. J. N. Woody, Mrs. J. H. Zimmerman, Mrs. Mose Laws, Mrs. Jim McCoy, Mrs. J. A. Wilson, Mrs. Brick Eidson, Mrs. Frank Orson, Mrs. Ada Lea, Mrs. E. Jones, and Mrs. A. W. Keisling.

After the chapter was closed, refreshments were served to about 90 members.

At Home From School

Miss Beth Houston, accompanied by Miss Juanita Fowler, came in last week from Alpine, where Miss Houston, attended summer school at Sul Ross. Miss Fowler will remain on a two weeks' visit.

Sand Wells School Opens

The school at Sand Wells opened Monday. This school forms a community center and is patronized by the A. R. Houstons, Bland Cross and the John Peters families. Miss Boynton of Lubbock, is the teacher for this year and will live in the home of Mr. and Mrs. Bland Cross.

First Football Pass

The editor is in receipt of the season's first football pass, coming to us from A. R. (Toby) Greer, coach of the Monahans Green Waves football squad. Just for that Toby, we will yell our lungs out for the Monahans team, only when it is not playing the Stanton Buffaloes. And, while we are on the subject of football passes, though the team has strayed from our class B setup, it wouldn't break or make Odessa school officials to

send this department a season pass to the games. We might be of some service to the Odessans.

Visited In Lubbock

Mrs. Earl Powell and son Edgar Lay, accompanied by Mrs. J. E. Kelly, spent Saturday in Lubbock, the guests of Mrs. J. W. Moore, daughter of Mrs. Kelly's. Mrs. Powell also visited an eye specialist with her son.

Mrs. Calvin Jones has returned from a visit with her parents in Denton.
