Club Calves Champions At Amarillo and Midland

L. R. SHOEMAKER AND HIS GRAND CHAMPION CALF AT AMARILLO

SNOOTER KNOWS

A LITTLE ABOUT EVERYTHING
AND
NOT MUCH ABOUT ANYTHING

AN ABILENE newspaper reporter, making a survey of rental property situation for her newspaper since Camp Barkley is to be inactivated, found a rather gloomy situation. In the heyday of the camp there were at least 50 families waiting for apartments to every one called in to be listed; Abileneans were building little houses in the back yard built on rooms; divided their homes into duplex setups; colleges were asked to furnish dormitory facilities; business houses were turned into apartments; a trailer camp was set up; screens were put up in hotel lobbies for people to sleep behind; and beds were made on railroad benches in the depots. But now the scene changes the reporter finding the following property vacancies: Apartments, 86; room available between 1600 and 1700; houses available, two. People now patronizing the housing bureau are looking for a better place to live which requires less rent. If before they lived in a room they want an apartment. If they rented a two room apartment now they want a 3-room apartment. And if they had a 3-room apartment they are now interested in a house. This is the condition the Abilene reporter found in her survey of rental property in her city following on the heels of the removal of Camp Barkley scheduled for April 1.

ESPECIALLY SELECT'D 4-ENG. BOMB. PILOT

2ND LT. JAMES A. BROWN JR.
(Special to Reporter)

LIBERAL, KANSAS — 2nd Lt. James A. Brown, Jr., of Stanton, Texas, has been especially selected for four-engine bomber pilot training and has been transferred to Liberal Army Air Field for instruction in flying Liberator bombers. Lt. Brown is the son of Mr. and Mrs. James Alvin Brown of Stanton, Texas. He will receive fifteen weeks of intensive training at this Southwest Kansas installation of the Central Flying Training Command, and upon graduation will receive the rating of "airplane commander."

A graduate of Stanton High School, Lt. Brown was a civil service clerk prior to entering the service. He received his flying training at Stamford Flying School, Texas; Perrin Field, Texas; and Frederick Army Field, Frederick, Oklahoma. He graduated from advanced training February 1, 1945.

MESSED UP

In the news item we published last week about T/Sgt. Willis W. Timmons, we got him mixed up about as badly as when he got mixed up in flak and was wounded. We had him styled Staff Sergeant when he is Tech. Sergeant and that he has three Oak Leaf Clusters to Air Medal and the Distinguished Flying Cross. He is a B-24 engineer with the Eighth Air Force. T/Sgt. Timmons is to report March 28 at Santa Anna, Calif., for reassignment.

Visited Their Mother

Isaac and Charley Johnson of Hobbs, N. M., visited their mother Mrs. C. P. Browning this week

tell you the fine points of a calf if it was far enough away she'd have to look through field glasses to see it. And she and husband are building up nothing but the best bred stock of Hereford cattle.

There is something else beside the breed of a calf that wins it top honors, and that is the feed and the care and attention given. The boy who feeds and takes care of such calf, must possess sound judgment and love for his work. All of these features seemed to be absorbed in young Shoemaker that coasted his calf through to win top honors in such keen competition as one must face in the Amarillo show. Hats off to you 4-H Club Boy L. R. Shoemaker, Jr.

L. R. SHOEMAKER AND BOB COX WIN CHAMPION CALVES MIDLAND

L. R. Shoemaker, Jr., and Bob Cox, two Martin County 4-H club boys, each, won championship honors with their calves, Tuesday in the Midland Livestock Show. Shoemaker won top honors in the dry lot division with his 990-pound calf and Bob Cox of Tarzan, in the milkfed division with his 890-pound calf. Both calves had a bed in the lobby of the Scharbauer Hotel Tuesday night. The Shoemaker calf was bred by Jim and Edmond Tom, brothers, and ranchers of Martin County, and Cox's calf was bred by the exhibitor and his father Sam Cox of the Tarzan community.

The Shoemaker calf sold at auction Wednesday afternoon for 60 cents per pound, and the Cox calf had a bid of 45 cents a pound but it will go on to Odessa show this week end. The A&M Packing Company of Midland bought the Shoemaker calf.

Frank Burnett, who was at the Midland show, representing the San Angelo Standard, wrote his paper: "Martin County—where the plow is king and not the rangeland—took home Tuesday both championships in calves in Midland's third annual 4-H and FFA district livestock show.

"Proving up to his name a tropy, evenly fleshed little calf of 390 pounds won the wet-lot division for Bob Cox of Tarzan while L. R. Shoemaker's 990 pound senior dry lot steer won that division."

From the Midland show the following Martin County 4-H boy went to Sandhill Hereford Show at Odessa this week end: W. D. Chandler, two calves; Bob Cox, showing champ at the Midland show; Benny Kelly, one Morris Standefer, one

In the junior milkfed calves blue ribbons went to W. D. Chandler, Elmer Criswell and Benny Kelly and Wayne Church Senior milkfed class blue ribbons went to W. D. Chandler, Morris Standefer and Benny Kelly.

San Angelo Visitor

Miss Erlene Peters, taking a nursing course at Shannon Hospital at San Angelo, was a week end visitor of her parents, Mr. and Mrs. John Peters and sister, Mrs. Bobby Simmons.

Hurrah, for 4-H club boys.

SEEN LOTS OF DEAD JAPS

PFC. IRA D. BARNETT

Pfc. Ira D. Barnett, son of Mrs. J. C. Brothers of Stanton, now serving in the Philippines, has seen plenty of dead Japs. He writes his mother: "We were on one hill five days with dead Japs all around the hill, and about 10 feet of our foxhole. They didn't smell so good, either, but we got used to it."

"So Slick is still in Midland. Tell him he is lucky. But I would rather say I done my part in stopping this war with blood and guts. I can say I have done my part for three brothers who weren't old enough to fight. I get the Stanton Reporter. You should have heard Dug when he read where Jean Graham got the expert medal in training. He said if he would come over here he would get the combat medal if he lived long enough. One of my buddies was wounded and sent home. He has been wounded twice, the first time in New Guinea when in 10 feet of me, and the second time about the same distance of me. He is in a hospital in Arkansas, close to his home. He had been over here 32 months.

Don't know how long I will be over here—until the war is over I guess. It pays not to think about going home."

Here From Amarillo

Vestal McClain of Amarillo, was home last week visiting her mother Mrs. Viola McClain and other relatives.

FINDS HIS SEABAG JAP LAND MINES

JAMES H. JONES
Marine Corporal

(Special to Reporter)

SAN DIEGO, CALIF. — Marine Corporal James H. Jones, Box 5, Tarzan, Texas, is home on a furlough following his return from the Pacific.

On Guam, Corporal Jones encountered an example of Jap trickery when he discovered his seabag, which had been packed with his most prized possessions, contained Japanese land mines. The bag had fallen off a truck and had been made into a booby trap.

Corporal Jones has been assigned to duty at Camp Joseph H. Pendleton, Oceanside, Calif.

APRIL 10TH LAST DATE FARMERS HAVE TO FEDERALLY INSURE COTTON CROP

Martin county farmers have until April 10th to place their 1945 crops of cotton under protection of the all-risk Federal crop insurance program, according to Wylie L. Clements, chairman of the county AAA committee.

Under the new insurance program, farmers will have a choice of two contracts, one providing coverage up to 75 percent of the average yield, and the other up to 75 percent. The insurance provides coverage against crop losses from drought, floods, hail, wind, frost, wildlife, insects, and other hazards determined by the Federal Crop Insurance Corporation to be unavoidable.

Contracts are now being written by county AAA committeemen and other authorized agents in the county, Mr. Clements said. Contracts must be signed before the crop is planted, and at least 50 applications must be made before crop insurance becomes effective in the county.

The state of the cotton crop's development will determine the maximum indemnity to be recovered in the event of loss, Mr. Clements said. If a loss occurs after it's too late to replant to cotton, but prior to the first cultivation, the indemnity would be 40 percent of the maximum insured protection. The land, of course, would be released for another crop. Losses occurring after the first cultivation and the end of the harvest would be indemnified to the extent of 75 percent of the maximum coverage.

Indemnity for losses occurring after harvest but before delivery to the gin would be 100 percent of the maximum coverage. Indemnities payable under the program may be used as collateral security for government-sponsored commodity loans.

"Crop insurance is the only means of protecting crop investments from the innumerable hazards that go with cotton growing," Mr. Clements explained. "It offers assured production returns from planting to delivery at the gin. It seems to me that most farmers who need returns from their cotton crops, need crop insurance."

SERIOUS FIRE DAMAGE BY FIRE TO HIGH SCHOOL

Fire broke out Friday morning in the Vocational Agricultural room in the high school building entailing an estimated damage of \$2,000. Quick and effective work by the fire department, saved the probable loss of the entire building. Much of the credit for the effective work goes to several fireman home from Midland airfield, where they are members of the fire company at that field.

Many school books and other school supplies were destroyed and badly damaged.

RED CROSS OVER TOP

According to latest reports, Cecil Bridges, county chairman of the Red Cross drive says Martin County has exceeded its quota by a substantial margin. Lenorah has gone over its quota of \$250 by \$26. The total amount reported thus far is \$3,572.34, and the county's quota was \$3300.

Visited Her Parents

Mrs. Jimmie Henderson has returned to her home at Paso Aobles, California, after a visit here with her parents, Mr. and Mrs. John Pinkston. She drove her car back to California.

There is mighty stiff competition to expect in these Amarillo shows. Recognized as in the herat of the Hereford breeding section of West Texas, and the calf that walks off from this show with grand champion honors must have everything that goes into a perfectly constructed baby beef.

Mrs. Raymond Glasscock can

Bible Thoughts

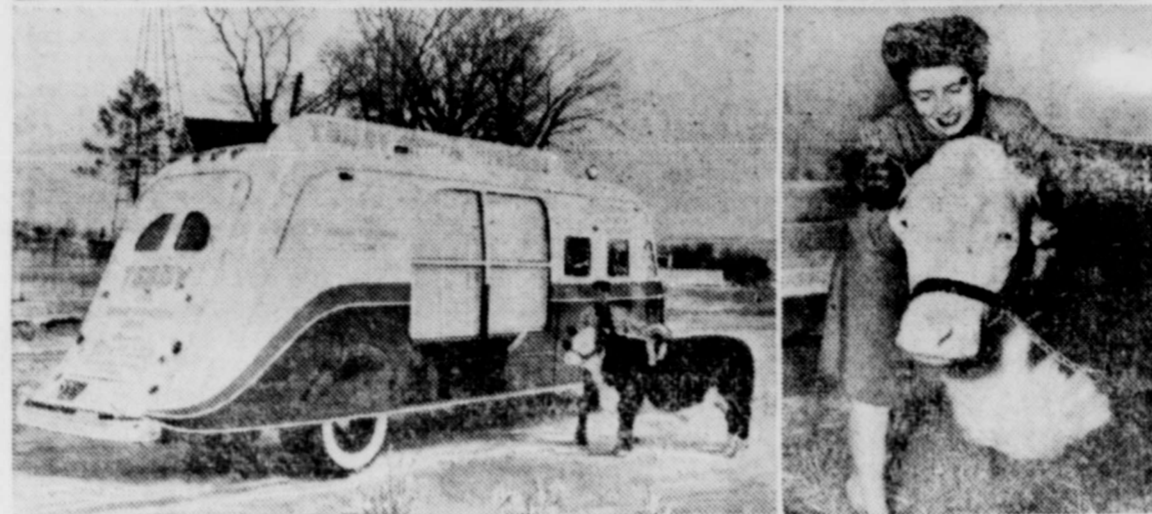

In studying the Bible we should be careful to make the proper divisions. See 2 Tim. 2:15 We must bear in mind the three dispensational divisions of time: the Patriarchal, which lasted from the beginning until the giving of the law from Mount Sinai, a period of about 2500 years, the Mosaic, which lasted from Mount Sinai until Christ came into force, a period of about 1500 years; and the Christian, which began with the giving of the law of Christ and will last until the end of time. We are living in the last age and the things that we are to obey are the things commanded by Christ. "God who at sundry times and in divers manners spake in time past unto the fathers by the prophets, hath in these last days spoken unto us by his Son..." (Heb. 1:1-2). Therefore, the things Abraham, Isaac, and Jacob were commanded to obey during the Patriarchal age do not apply to us today. Neither do the things given through Moses apply to us. "The law was given by Moses, but grace and truth came by Jesus Christ" (Jno. 1:17). Christ "abolished the law of commandments contained in ordinances" (Eph. 2:15), and "took it out of the way, nailing it to the cross" (Col. 2:14). Address comments and questions to Box 376, Stanton, Texas. Attend the services of the CHURCH OF CHRIST. Services are held each Sunday morning at 10:30 and at 8:30 each Sunday and Wednesday evenings.

WORLD'S CHAMPION STEER GOES TO A AND M. COLLEGE

Teddy, The Firestone Tire and Rubber Company's world champion steer, is going to college in the role of a "professor." The grand champion of the 1944 Chicago Market Fat Stock Show—wartime version of the International Livestock Exposition—"joins the faculty" at Texas A. & M. College, March 6. Cattlemen, professors of animal husbandry, students, Future Farmers and 4-H Club boys and girls will "sit at the feet" of Teddy to study the "margin of magnificence" which sets him apart from ordinary steers.

AIRMEN ENJOY TURKEY DINNER

The following flyers and their families enjoyed a turkey dinner given Sunday by Mr. and Mrs. J. E. Kelly at their home: Capt. and Mrs. Don Reel and daughter Susan; Lieut. and Mrs. Bob Caldwell and son Bobby; Lieut. and Mrs. S. B. Smutsky and little daughter; Lieut. and Mrs. M. K. Strutz and baby son; all of MAAF, Midland; and T/Sgt. and Mrs. John Connell of the Lubbock Flying Field. The captain and the lieutenants have served missions in the European theatre and are at the Midland airfield taking a refresher course. Capt. Reel and Lieuts. Caldwell and Smutsky have rooms at the Kelly home.

To California
Mrs. Casey Jones and Miss Mary George Morris are in California, visiting Casey Jones who is stationed there.

CITY ELECTION COMING UP APRIL 3

According to official notice issued by Mayor G. W. Alsop and published in the Reporter, the Stanton city election will be held Tuesday, April 3. There are to be two aldermen to be elected to hold two terms each.

Assistant Roadmaster

Will somebody please tell us when the war is over? We would like to print the news within a week or two of that big event. T. W. (Warner) Haynie was appointed assistant roadmaster, with headquarters at Ft. Worth and we did 't know a darn thing about it until Warner came strolling into this office dressed up like a king. How come dressed out in such toggery and Warner said he was home from his job as assistant roadmaster at Fort Worth for the week end.

Returns From Post City

Shorty Bland and wife returned from a visit to his parents at Post City. Hoyt Bland is up there running the farm for his father. About a month ago Shorty Bland married Miss Molly Veele, daughter of Mrs. J. M. Bradford, residing on Route 1. The Reporter starts this week on a year's journey to Hoyt at Post City.

CITATION BY PUBLICATION

THE STATE OF TEXAS
To Ruth Beadle, Greetings:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 16th, day of April, A. D., 1945, at or before 10 o'clock A. M., before the Honorable District Court of Martin County, at the Court House in Stanton, Texas. Said plaintiff's petition was filed on the 27th day of February, 1945. The file number of said suit being No. 1553.

The names of the parties in said suit are:
Jack Beadle, as Plaintiff and Ruth Beadle, as Defendant.
The nature of said suit being substantially as follow, to-wit:
Plaintiff and defendant were married on the 17th day of March, 1942, and separated on the 20th day of December, 1943; plaintiff charges defendant with adultery and prays for divorce. Plaintiff alleging he has lived in the State of Texas for more than twelve months and in the county of Martin six months and further alleging no property rights and no children born to said marriage and none adopted. Issued that the 1st day of March, 1945.
Given under my hand and seal of said Court, at office in Stanton, Texas, this 1st day of March, A. D., 1945
Mrs. Lenora B. Epley,
Clerk District Court, Martin County, Texas 21-4tc

MY, THE FISH!!!

A group of Stanton fishermen of which W. S. Barnhill was leader, have returned from a trip to the Rio Grande River, and from the number poundage they bro't back, the reel and rod editor of this newspaper wondered if they left any fish in the river for the natives. A trailer was filled with fish, many of them weighing 50 and 60 pounds each.

HOME DEMONSTRATION COUNCIL HEARS REPORT 1945 FOOD PRODUCTION PROGRAM

MRS. W. W. SMITH
Reporter

That the 1945 home food production program is no little job and one that cannot be taken lightly was stressed by Mrs. F. L. Key and Mrs. Clay Osborne as they reported to the Martin County Home Demonstration Council at its regular meeting March 17, at 2:00 p. m. Mmes. Key and Osborne were two of the three delegates who attended a sub-district meeting on home food production. This meeting was held in Colorado City, March 13.

Why we need to grow more in 1945, planning the amount we need to grow and how to get the job done were discussed. Mrs.

Key brought vital facts concerning better poultry and gardening practices. Mrs. Osborn discussed producing clean milk for the family and she told of attractive and nutritious ways to serve simple everyday foods.

The exhibits committee presented plans for adoption. These plans concerning the year's work in the county were adopted.

Plans concerning a county-wide training meeting in organization were made. The meeting is to be held in the Methodist church in Stanton at 2:00 p. m., on March 23.

Eleven members representing the four home demonstration clubs were present at the meeting. The next regular meeting of the council will be held April 21, at 2:30 p. m.

SUBSCRIBERS ARE ASKED TO CHECK EXPIRATION DATE

Reporter readers are asked to watch the expiration dates on their paper in order that they may not miss a single issue of the Stanton Reporter, your home town newspaper.

In other words, if the number following your name on the paper reads 3-45 that means your subscription expired March 1, 1945 and if it reads 4-45 that means your subscription will expire April 1, 1945, and that unless your subscription is renewed your paper will be stopped at that time.

The subscription price of the Reporter is \$1.50 inside Martin County and \$2.00 outside the county.

Strict adherence to saving waste paper, scarcity of blank news, rationing of newsprint, and its high cost, compels us to have all subscriptions paid in advance.

AN URGENT APPEAL FOR WASTE PAPER

Paper packs a punch!

The punches our fighting men are giving to the Axis enemies on their marches to Berlin and Tokyo are all packed in paper—the greatest part in paperboard manufactured from your own old newspapers and brown wrapping paper.

Every time you burn or destroy your waste paper you are depriving the armed forces of just that much vital material needed in packing all of their necessities, from K rations to artillery shells.

Estimates of the War Production Board and the United States Department of Commerce conservatively put the amount of waste paper now being salvaged at only 50 per cent. Waste paper inventories are now at their lowest points in years and the need is greater than it has ever been.

If the war in Europe should end, then the need for waste paper will be greater than ever because mountains of supplies in the European theater must be repackaged for shipment to our fighters in the Pacific.

What can be done to help this situation:

1. Save all your old newspapers. Fold them flat and tie them in bundles about 12 inches high.

2. Save all your magazines. Tie them in bundles about 18 inches high.

4. Save all your wastebasket paper and flatten and pack it down in a box or bundle so that it will make a substantial weight and can be carried.

Do not save paper which is wet, or paper which is greasy, bloody, or otherwise soiled. Do not save carbon paper.

When you have a sufficient amount of waste paper accumulated, see that it is put in the

If you don't know your drugs—know your druggist

JUST A COLD

How often it is heard . . . yet it pretends serious trouble. On the first snuffle, the first cough, the first scrape in your throat, see your doctor and avoid days of annoyance and suffering.

Bring your prescription to Hall's, where prescription accuracy and economy are invariable.

PURCHASE OF E WAR BONDS IN SEVENTH WAR LOAN OPENS APRIL 1 CLOSES JUNE 30TH. MARTIN COUNTY QUOTA \$85,000

W. Y. Houston, Chairman Martin County War Finance Committee, has received information from Nathan Adams, Dallas state chairman, that Texas has been assigned an E Bond quota of \$168 million for the Seventh War Loan. This compares to \$105 million E Bond quota in the Sixth War Loan. Mr. Adams stated: "The E Bond quota for your county is \$85,000."

This is the largest E Bond quota ever assigned to Texas and while it is a tremendous job, we will have three months to attain it.

The over-all quota in Texas amounts to \$430 million; about the same as we had in the Sixth War Loan.

"By the time of the opening of the general drive on May 14," Mr. Adams said, "we'll send you the over-all quota for your county. At present we intend to direct all statewide publicity against our Series E bond and suggest you do likewise, thereby focusing all attention against our major undertaking in this drive."

Reason for increased individual quotas is due to the fact that only two War Loan Drives are planned for this year, as against three drives in 1944. War production is scheduled to remain constant even after the defeat of Germany, and wages will remain high. Depletion of stocks of consumers' goods is a further threat to inflation and sales of E Bonds can divert a large portion of these high wages into savings rather than inflationary channels.

EDMOND TOM IS NEW SUPERVISOR FOR SOIL CONSERVATION AREA

Edmond Tom, rancher cooperator in the Martin-Howard Soil Conservation District, was elected a supervisor in a meeting held here last week. Tom will fill the vacancy left by the resignation of Earl Heald, who served as supervisor of Zone 1, including the area in Midland County, north of Highway 80.

Tom has been a cooperator with the district since 1942 in establishing soil conservation practices on his 11-section ranch including a section of cultivated land. The election was held by Howard Goss, field representative of the State Soil Conservation Board.

THREE SONS AND THREE SONS-IN-LAW IN SERVICE

Thomas Eugene Graham, has returned to Camp Robinson, Little Rock, Arkansas, after spending his furlough here. He is the son of Mr. and Mrs. Irvin Graham, who now live in Portland, Oregon. His wife is the former Willie Mae Haggard, daughter of Mr. and Mrs. N. G. Haggard of Lenorah.

Mr. and Mrs. Haggard have two other sons-in-law in service. Pfc. David C. Saunders in Cooper, Wyoming, Lee Jones Bennett in Virginia. They also have 3 sons in the service: Pvt. Joe A. Haggard, who has recently landed in Hawaii, Thomas A. Haggard F 1/c somewhere in the Pacific, reported wounded on 19th day of February, R. F. Haggard, S1/c, on Coronado Island, San Diego, Calif. Another son James of Houston, has passed the physical examination will be inducted into the army soon.

Boy For John Whitsons Announcement was received by the editor and wife of the

birth of a son to Mr. and Mrs. John R. Whitson at an Amarillo hospital on March 12, weighing 7 pounds and 11 ounces. They have named him Eddie Pendleton Whitson for his paternal grand parent, E. P. Whitson of Midland.

SAUNDERS-LEONARD

Miss Vivian Leonard and El Saunders, were married March 10 in a double ring ceremony performed by Rev. Shelbourne at his residence in Stanton.

The bride wore a teal blue suit with brown accessories. She was attended by Billie Bisby of Garden City, Billy Y. Clements was the best man.

Mrs. Saunders is the daughter of Mr. and Mrs. Carl Leonard of Midland, and a 1943 graduate of Stanton High School.

Mr. Saunders is the son of Mrs. D. C. Saunders of the Valley View community.

The couple will make their home 10 miles north of Stanton.

"CALAMITY KIDS"

The Junior Class of Stanton High School announce the Junior play "Calamity Kids," will be presented March 29 in the school auditorium. The play includes three acts beginning at 8:30. The cast follows:

Midge Starr, Calamity Jane—Sarah Haislip.

Mickey Starr—Norman Chandler.

Aunt Em Hoskins, loveable old lady—Billie Thomason.

Uncle Hep Hoskins, man of the house—Douglas Church.

Gideon Garvey, rich old bird—Pete Woody.

Clara Clagg, with a nose for news—Billy Lindsay.

Opal Ludlow, the twin aunt—Frances Morrow.

Ermer Ludlow, her son—Harold Graves.

Lorraine Ludlow, her daughter—Betty Renfro.
Brad Rivers, who hates girls—Bob Howard.
Bonnie Blue, girl hitch hiker—Betty Ruth Gibson.

TWO LOCAL SOLDIERS WOUNDED

This piece of news may be so old it has whiskers on it, but it was news to this editor when he discovered it among the list of wounded soldiers in last week's daily newspapers.

Hovt F. Springer, son of Mr. and Mrs. F. Springer of Lenorah and Pvt. James A. Ballard, son of Thomas A. Ballard of Tarzan, were wounded in the European

theater of war. Before the War Department releases news of wounded soldiers for publication, the next of kin are notified.

Here From Marshall

Mrs. George A. Bond, Jr., of Marshall, was in Stanton a short while Friday visiting friends. She had been visiting George A. Bond, Sr., at San Angelo, who was ill, and relatives in Big Spring. Her husband now holds the rank of lieutenant colonel and is serving in the Philippines. Lieut. Colonel Bond was county agricultural agent of Martin county and entered the war at the start, the commissioners' court giving him a leave of ab-

sence. **Won 6th Place At Ft. Worth.** Owen Kelly, a Martin County 4-H boy, drew 6th place with his calf at the Fort Worth Stock Show, in class under 900 pounds.

Visitors In Bentley Home Mr. and Mrs. H. V. Coats and family of Seagraves visited in the T. E. Bentley home last week. Ensign Tommy Coats is home on leave after a tour of duty

aboard a hospital ship. Mrs. Pacific and Corp. Victor Coats was on furlough from 9 months in the Mediterranean theater aboard a hospital ship. Mrs. Jack Bentley of San Antonio, who was a guest last week in the Bentley home has returned to her home.

Here From Dallas Mildred Louder, Dallas, spent the week-end with her parents, Mr. and Mrs. Albert Louder.

Southern Ice Co.

This house will be open every day from 8:00 a. m. to 7:00 p. m.
