Fire at Sunray Co-op in Conlen

Sunray Co-op in Conlen had a fire on Tuesday, June 28th that destroyed the location's offices, barn and shop. Craig Lechner, Sunray Co-op manager, stated the fire was determined to be caused by the electrical panel located in the shop behind the main office. Fire Departments from Stratford and Dalhart responded to the fire. The elevator was previously owned by the Crabtree family which Ed Crabtree had bought from Leo Potishman many years ago. The Business is backup and running.

Richard later received his Master of Science degree in Journalism Education in 1980 from OSU. After graduating OSU in 1951, Richard was an Agricultural teacher in Stratford, Texas. While living there, he met Wederth (Dee) Watkins and on September 25, 1954, they were united in marriage in Danville, Arkansas. To this union, three children were born, Stephen, Lane and Dana. Richard moved his family to the home farm, one quarter mile east of Sentinel, in 1967. I hope everyone had a wonderful and safe 4th of July. We have the Garden Tour and Quilt Show this Saturday July the 9th. Hope to see everyone there. We are expecting a big variety of wonderful, beautiful quilts. We wanted to showcase the amazing talents of our community. The quilt we are raffling off has been displayed around town. This week it is at the Happy State Bank so, run on down there and get your raffle tickets. You just might be the lucky winner. Lynn Wells and Susie Spurlock have been working very hard at this event, for us, so let's support our organization.

We have the new flooring down, in the kitchen. Our luncheon this month, will be at noon, not a hamburger cookout in the evening. We are going to have a bake sale, at the street dance, during Jamboree. We are asking all S.C.O.T members to bring cookies, brownies or bars (something easy to eat without a fork or plate), to S.C.O.T Hall Saturday morning, July 30th. along with your dessert for the BBQ Luncheon. So, you need two desserts for Saturday July 30th. One dessert for the luncheon that we sell (cake, pie, etc.) and one for the bake sale (cookies, brownies, bars, etc.) for that evening, at the street dance. Rattle those pots and pans, we have some baking to do.

I want to take a minute to thank everyone that helps and donates to SCOT Hall couldn't begin to name all the people and all the things you have done. So, if your one of those people (you know who you are) thank you very much.

Luncheon Hosts for July are: Cindy Jackson, Jack Gore, Margaret Reed, Martha Mitts and Leonda Fedric

It will be a Mexican Pile on Luncheon.

Farmers may be eligible for loans of up to 100% of their actual losses needed to continue the agricultural business. For farmers unable to obtain credit from private commercial lenders, the interest rate is 3.75 percent.

As a general rule a farmer or rancher must have suffered at least a 30 percent physical loss due to the disaster to be eligible for an FSA emergency loan. FSA will consider each loan application on its own merits, taking into account the extent of losses, security available and repayment ability.

Applications for loans under this emergency designation for physical or production losses will be accepted until January 30, 2012 but farmers should apply as soon as possible.

FSA is a credit agency of the U.S. Department of Agriculture. It is authorized to provide disaster emergency loans to recognized farmers who work at and rely on farming for a substantial part of their living. Eligibility is extended to individual farmers who meet U.S. citizenship requirements and to farming partnerships, corporations or cooperatives in which U.S. citizenship requirements are met by individuals holding a majority interest.

For further information, you may contact James M. Heck at (806) 435-6597, ext. 2 or contact your local FSA office and they will direct you to the Farm Loan Program office that handles your county. Additional information regarding Disaster Assistance Programs may be found online at <http://www.disasterisa.usda.gov>.

SCDC'S BLOCK PARTY to HONOR EX-STUDENTS
Coming up during Jamboree Weekend

On Saturday, July 30th SCDC will sponsor the Jamboree's First Annual Block Party on Main Street. SCDC wants to show off our newly renovated Main Street and honor the Ex-Students at the same time. Spaces will be available for vendors to set up before the parade that morning and may be left up until dark that night. Vendors must fill out forms that are available from SCDC; you can request one by email at scdc@xit.net, call 366-2897 and one will be mailed to you or stop by the SCDC office @ 301 N. Main. Vendor spaces will be assigned by SCDC on a *first come - first serve* basis. Of course all businesses on Main Street will automatically have access to their total storefront area and no forms will be needed from those businesses. Spaces for food booths will be limited to the side street south of the SCDC office and forms for the food booths are also available at SCDC. The Block Party will begin at 7 p.m. Saturday night with food and game booths, arts & crafts and vendor booths. AND then we'll have a street dance beginning at 8 p.m. It's going to be a great Saturday, so bring your lawn chairs and join us!!

What is Stars for Our Troops?

The Stars for our troops program takes your worn, used American flags and turns them into a prized possession for an American Soldier at home, on base or overseas. Volunteers lovingly cut each embroidered star from the flag, dispose of the stripes properly, and place each star into a tiny plastic bag with a card.

The card reads: "I am part of our American flag that has flown over a home in the U.S.A. I can no longer fly. The sun and winds have caused me to become tattered and torn. Please carry me as a reminder that you are not forgotten"

Each star is then handed to, mailed or sent with a care package to an American Soldier or Veteran by volunteers, family, friends and through Gettysburg Flag Works retail location. Your worn out American flag can touch the lives of 50 American Soldiers even after it's reached the end of its flying days!

How can you help?

1. Send us your old American flags. We will see that they are cleaned and each star makes it's way to an American Soldier. To save on shipping, collect your neighbors' flags too, and send them all at once.

2. Link to this page and tell your friends. There is an ongoing need for these stars as we have troops leaving for combat all the time, and returning home where they need to integrate back into society. Places that might get the most exposure are facebook, twitter, blogs or personal websites.
