Xcel Energy provides \$387,500 in area nonprofit grants

Amarillo, Texas - The Xcel Energy Foundation has awarded \$387,500 to 77 nonprofits in its Texas-New Mexico service area.

The grants were awarded in the focus areas of Education, Environment, Economic Sustainability and Arts & Culture. "Our mission is to provide our customers safe, clean, reliable energy services they want and value at a competitive price, but we also know that the quality of life in our communities is equally important to their continued success," said David Hudson, president and CEO of Southwestern Public Service Company, an Xcel Energy company. "Our nonprofits are key partners in this success, and we are pleased to be able to support their good efforts."

Through the Foundation's focus area grants, Xcel Energy supports nonprofit 501(c)(3) organizations that improve science, technology, engineering, economics and math education; improve and enhance the natural environment; help individuals achieve economic self-sufficiency; and that provide access to arts and culture.

Information on Xcel Energy Foundation focus area grants can be found at www.xcelenergy.com by selecting the "About Us" tab on the home page, and clicking through "Community" and "Corporate Giving" links. Applications for all focus area grants are accepted online once a year.

Xcel Energy (NYSE: XEL) is a major U.S. electricity and natural gas company with regulated operations in eight Western and Midwestern states. Amarillo Area Foundation Panhandle Disaster Relief Fund Receives \$10,000 from Xcel Energy Employees

On June 11, 2014, David Hudson, Xcel Energy CEO, presented a \$10,000 contribution from Xcel employees to the Amarillo Area Foundation to provide assistance for the Fritch post-fire recovery. Charlotte Rhodes, AAF Vice President, stated, "This most generous gift will bring the fund total to \$100,000 with additional pledges to aid the Fritch community in the recovery process."

Rhodes continued, "The Panhandle Disaster Relief Fund was established at the Foundation to provide aid after the 2006 ranch wildfires and the Board of Directors Executive Committee has now designated the fund as the conduit for public donations for fire relief in Fritch." In an effort to focus on sustainable solutions, the Fund will address post-fire recovery, repair and community re-building efforts.

These efforts may include environmental and infrastructure projects, long-term housing, and special needs of children. Local Hutchinson County and Fritch leaders will be working with the Foundation to determine the needs and when and how to best use the funds. According to Julie Winters, Executive Director, the Hutchinson County United Way has raised over \$100,000 from local corporations to assist with the housing effort.

AAF will work primarily with the Hutchinson County United Way and is in contact with the Hutchinson County Disaster Relief Committee, appointed by Judge Faye Blank, to coordinate intake applications for special needs.

The AAF Panhandle Disaster Relief Fund provides a way for companies, organizations and individuals to give charitable gifts in support of the intermediate and long-term recovery of the Fritch community. Several ecumenical groups have volunteered for clean-up and to provide labor or materials to rebuild. The Fund could support some of those efforts. The Foundation has waived all fund administration fees for response to these needs and will honor restrictions placed on specific donations for food, rent, transportation, etc.

Donations to support ongoing recovery efforts are still being accepted and may be made by making a donation online at www.amarilloareafoundation.org or sending a check to the Amarillo Area Foundation Panhandle Disaster Relief Fund at 801 S Fillmore, Suite 700, Amarillo, TX 79101. For more information, contact Charlotte Rhodes at 806-376-4521 or charlotte@AAF-HF.org. All gifts are tax deductible according to the limits of the law.

Henry Harrison August 8, 1940 - June 8, 2014

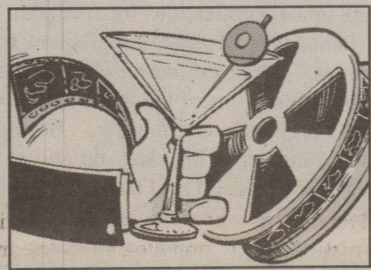

Henry Harrison, 73, of Stratford, passed away peacefully on June 8, 2014. A Memorial Service was held at 10 o'clock in the morning on Wednesday, June 11, 2014 at First United Methodist Church with Rev. Steve Ulrey, pastor of the church officiating. Arrangements were entrusted to Morrison Funeral Directors of Stratford.

Henry was born August 8, 1940 in Stratford, Texas to Homer E. and Martha Blackburn Harrison. Henry spent most of his days living in his home town. He was united in marriage on August 15, 1962 in Dalhart to Dorene Davis. Some of Henry's favorite hobbies were fishing and camping. Henry was a member of the First United Methodist Church and will be remembered in his community as a devout follower of Christ, enthusiastic fan of the Stratford Elks, and as an animal lover. Henry was a cherished husband, father and friend.

He is survived by his wife of 52 years, Dorene; daughters, Kim Haisten and husband Mike of Amarillo, and Stefanie Daily and husband Donnie of Canyon Lake, Texas, his grandchildren Shelbi and Ryan Haisten, and Ty and Cody Daily.

He is preceded in death by his parents, his sister Jean Turner, and brothers John, Jay and Hoy Harrison. Condolences may be sent to P.O. Box 1055, Stratford, Texas 79084.

In lieu of flowers, memorial contributions may be made to a charity of choice.

Texas A&M Leaders AgriLife Extension Service graduates lifetime leaders

Lawyers, farmers, bankers, ranchers and agriculture-related industry representatives banded together for two years with one aim: learn to be leaders. Their intensive study of agriculture worldwide culminated this month when their Texas Agriculture Lifetime Leadership XIII class graduated at a ceremony in College Station.

"The Texas A&M AgriLife Extension Service administers the program known as TALL, which focuses on local, state, national and international issues to help ensure effective understanding and encourage positive action that will advance the agriculture industry," said Dr. Jim Mazurkiewicz, program director.

This class — the 13th since the program started — traveled extensively, including a trip to Brazil to learn about the impact of agriculture worldwide.

"TALL creates leaders in agriculture by exposing participants to all segments of the industry — locally, nationally and internationally. We develop a network with other participants and those who generously host us during visits to realize opportunities where we can positively affect how we, as agriculturalists, will feed and clothe the world," said Kelley Sullivan of Houston.

"The program has truly broadened my perspective on many production, political and social issues impacting agriculture, which will help me be a stronger leader and spokesman for this great industry," said Lindsay Kennedy of Lubbock. "The TALL program is making a lasting impact not only in the lives of its participants, but on Texas and American agriculture as a whole."

Graduates and their hometowns are:

Casey Cook and Wade King — Amarillo; Jesse Womack III — Austin; Kevin Proctor — Ben Wheeler; Jason Avent — Canyon; Jon Mixson — Corpus Christi; Debra Barrett — Edroy; Linda Jordens Galayda — Elkhart; Brady Miller — Groom; Heath Hill — Gruver; Kelley Sullivan — Houston; Kody Bessent, Mary Jane Buerkle, Shelley Heinrich, Lindsay Kennedy and Eric Wanjura — Lubbock; Matthew Tyler — Malakoff; Kelly Kettner and Joe Osterkamp — Muleshoe; Sally Oglesby Harris — Ozona; Chase Tyndell — Rosenberg; Brant Mettler — Sanger; and Bryan Clift — Stratford.
Also Brandon Grooms and Jeremy Seiger — Oklahoma City, Oklahoma; and Mark Slavens — Dublin, Ohio.

Rita Blanca Electric Awards Scholarships

Rita Blanca Electric Cooperative supports our members in a variety of ways, and one of the most important is by providing scholarships to area students.

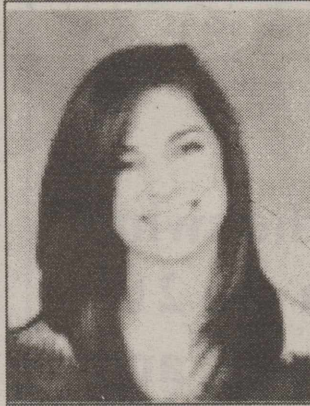

Starting in 2013, the Board of Directors voted to present seven scholarships to graduating seniors from Hartley High School, Texline High School, Dalhart High School, Stratford High School, Sunray High School, Dumas High School and one At-Large. These scholarships are available to immediate family of active members to attend state and private universities, junior colleges or vocational schools. The scholarships are administered by The Opportunity Plan, Inc.

In 2014, the scholarship amount was increased from \$1,000 to \$1500 payable at \$750 per semester. The funding for the scholarships primarily comes from unclaimed capital credits.

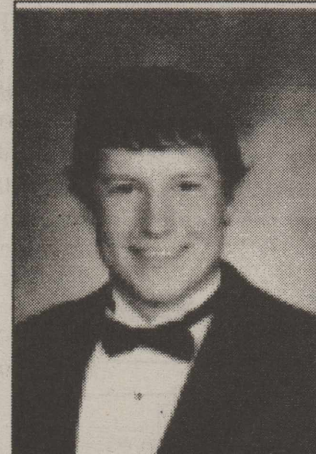

The 2014 recipients are:

Clayton Schumacher, a Dalhart High School senior, is planning to attend Texas A&M University in the fall and study animal science. Clayton is the son of Mark and Paula Schumacher.

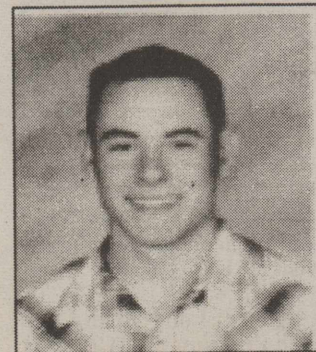

Kimberly Cantrell, daughter of Mr. and Mrs. Ken Cantrell, will be pursuing a degree in Agricultural Communications in the fall. Kimberly will graduate from Texline High School.

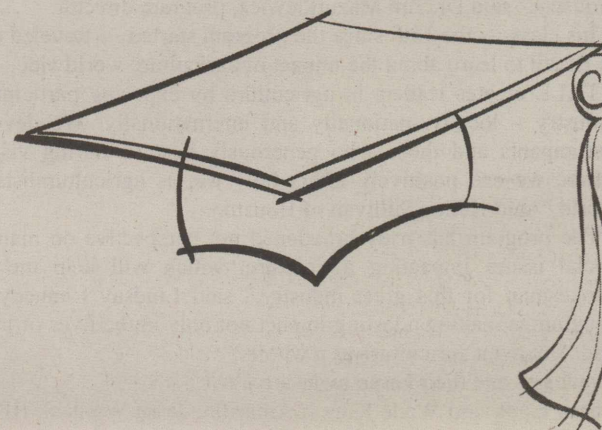

Dax Hayes, plans on attending college and obtaining a degree to further his education. Mr. and Mrs. Jay Hays of Dumas are the proud parents of Dax.
