Stone takes back to back Gold in Class 2A Boys Shot Put

Tanner Stone takes back to back Gold in Class 2A Boys Shot put, becoming the first Elk athlete to win back-to-back gold medals in track during the UIL State Track and Field Meet at Mike A. Myers Stadium. Everybody says hard work pays off," Stone said. "That's an absolute fact. I have put in hours of work, and for it to pay off is amazing. "I am blessed to be where I am from," Stone said. "I enjoy waking up every morning and going to school at Stratford. I'm going to miss it I am. But this is a great way to go out. Congratulations to Tanner and good luck in your future plans.

McBryde Named JHS Valedictorian

The Stratford Junior High School Valedictorian is Ty David McBryde, son of Gareed and Misti McBryde, the grandson of the late Doug McBryde and Joyce McBryde and Charles and Joanna Hafer. Ty has a numerical grade point average of 98.545 for two years of work. He has participated in Dictionary Skills, Maps, Graphs and Charts, Mathematics and Science in UIL Academic Competitions. Ty was also involved in Football, Basketball and Track in SJH Athletics. He was named on the Honor Roll and received the President's Education Award.

Ty is a member of the First Baptist Church of Stratford and enjoys skiing, reading and attending sporting events when not at school.

McBryde Named JHS Salatorian

Salutatorian of the 8th grade class is Kenlee Layne McBryde, daughter of Brad and Kaci McBryde and granddaughter of Joyce McBryde, the late Doug McBryde, and Ken and Barbie Wight. Kenlee has a numerical grade point average of 97.272 for two years work. She has participated in UIL Ready Writing, Social Studies, Maps, Graphs & Charts, Editorial Writing, Dictionary Skills, Listening Skills, and was the district champion in Impromptu Speaking. Throughout junior high, Kenlee has been a cheerleader, played basketball, and run cross country and track. She has been on the honor roll and received the President's Education Award. Kenlee is a member of the Jr FFA club where she enjoys showing pigs at the county and major shows. She attends the First United Methodist Church of Stratford and is very active in the youth group there. In her spare time, Kenlee likes to play sports and spend time with her friends and family.

Laynee Burr shown at left took a Bronze Medal in the Class 2A 100 Hurdles. Andy Reyes took 4th place in 800 meter run and Maty Mace took 5th in Discus. Congratulations to all who competed.

CORRECTION ON DATES

FUMC Invites Children to Cave Quest VBS: Following Jesus, the Light of the World!

A summer kids' event called Cave Quest VBS will be hosted at First United Methodist Church from **Sunday June 12th thru Tuesday, June 14** At Cave Quest, kids explore what it means to follow Jesus through dark times. Kids participate in memorable Bible-learning activities, sing catchy songs, play teamwork-building games, experience one-of-a-kind Bible adventures, and collect Bible Memory Buddies to remind them of Jesus' love. Plus, kids will learn to look for evidence of God all around them through something called God Sightings. Each day concludes with a Cave Quest Closing that gets everyone involved in living what they've learned. Family members and friends are encouraged to join in daily for this special time at 7:30-8:00pm. Cave Quest is for kids going into Pre-K to 6th grade and will run from 5:00-8:00 PM each day. For more information, call VBS Director Cass Hudson (806) 290-1808

Cemetery Clean Up Sat. May 21,

Please bring your push mower, weed eater, rake, tree trimmers, etc to the Cemetery at 9:30 a.m. to prepare for the Memorial Day Program on Monday, May 30.

We have loved the rain and so have the weeds. Can you give me and the city a helping hand to catch up? I am willing to help the city with the mowing and trimming while they repair the sewer, water and streets which I cannot help do. I have mowed the highway tree line and downtown alleys, three times already, when two years ago I mowed maybe 5 times the whole summer. David Rhea and I have picked up 4 trailers of tumble weeds at the cemetery alone and there are still more. Come out Saturday or any day before that the help clean up. There are many families no longer here and "out of sight, out of mind". The Historical Commission is also trying to get permanent markers for all the graves over 3 years old.

Another help would be to pull the weeds from the decorative brick curb on Main St. I have sprayed but have not eliminated them. They are very easy to pull after a rain. The second person to pass is as guilty as the first. Curb appeal and Keep Stratford Beautiful.

Obituaries

Paul Leroy Aduddell
October 8, 1939-May 15, 2016

Paul Leroy Aduddell passed away peacefully at Coldwater Manor on May 15, 2016, in Stratford, TX.

A memorial service will be held at 3:00 p.m., on Friday, May 20, 2016, at the First Christian Church in Stratford, with pastors Terry Stegall and Rusty Hancock officiating.

Paul was born on October 8, 1939, to Paul and Mildred Aduddell of Stratford. He was a 1958 graduate of Stratford High School and went on to graduate from Texas A & M in 1963 with an Agricultural Economics degree. He was a member of the Company D-1 "Spider D" Corp.

Paul grew up with a love for cattle and horses. He showed cattle extensively in High School and went on to raise cattle and show horses for the most of the rest of his life. Paul was a farmer and rancher. He owned and operated Sierra Vista Ranch. He retired from the Texas Dept. of Criminal Justice. Paul always had an eye for a good horse.

Paul was preceded in death by his parents, Paul and Mildred Aduddell.

He is survived by three children, Deide and husband Ted Ziemann live in Conlen, David and wife Jennifer Aduddell live in Amarillo, and Don and wife Maryrene Aduddell live in Stratford. He has seven grandchildren, Cheyenne and Channing Ziemann, Austin and Taylor Aduddell, Heather and Stephanie Seiler, and Connor Esparza.

He is also survived by his sister, Frankie and husband Bud Shields of Stratford as well as a brother Cleo and wife Debbie Aduddell of Stratford.

The family requests memorials be made to Coldwater Manor Activity Fund, P.O. Box 1189, Stratford, TX 79084. The family would also like to sincerely thank all the staff at Coldwater Manor for extending Paul's time here on earth and for becoming part of his family this past year.

4-H Sponsors Quilt Raffle to Support Retired Military and Service Dogs

Sherman County 4-H is sponsoring a quilt raffle to contribute to the state 4-H service project Eli's Fund. This year the Texas 4-H Council has selected Eli's Fund for their statewide charitable giving campaign effort. This memorial fund was established for Lance Corporal Colton Rusk of Orange Grove, TX. Eli, a bomb-sniffing military working dog was assigned to US Lance Cpl. Colton Rusk. In December, 2010, Lance Cpl. Rusk was killed by sniper fire in Afghanistan. Eli, ever faithful to his handler was left depressed and alone. He would not leave Lance Corporal Rusk's cot at the base for several weeks. In February 2011 Lance Cpl. Rusk's family in South Texas was allowed to adopt Eli. The Texas Veterinary Medical Foundation (College of Veterinary Medicine, CVM) has pledged to cover all of Eli's veterinary care for the rest of his life. The CVM established Eli's Fund as a source of financial support for active duty service men and women, medically retired veterans' service animals and retired military animals.

In Support of this worthwhile cause Sherman County 4-H is selling chances on this handmade puppy themed quilt. A donation of \$5 per ticket or 5 tickets for \$20 is requested. Tickets may be obtained from Sherman County 4-H members or the Sherman County AgriLife Extension office. Checks are tax deductible and may be made out to Sherman County 4-H. Call 806-366-2081 or come by the Extension office 701 north 3rd street for tickets or more information

Texas A&M AgriLife Extension Lunch & Learn

Thursday, May 19th there will be a Lunch and Learn program held at the Imagination Station. "Back to Basics- Around the Home" will be the topic of the day. The program will be from noon to 1. Cost of the program and lunch is \$10. RSVP to 806-366-2081 is appreciated but not required for the program.

Attention Stratford Residents,

Please be advised that high grass and weeds are a fire/health/safety issue and must be kept under control per Stratford Ordinance Sections 6.03.001 and 6.03.002. The City Code Enforcement Officer will be checking properties in the upcoming weeks for compliance with these and other ordinances. Citations for non-compliance may be issued. Please be sure to keep your property, including behind fence lines and up to the alleyways, free of high grass/weeds and other debris in order to avoid a Citation. For further information, call 806-268-4158.

Are You Prepared?

Every year across our Nation, some homes survive - while many others do not - after a major wildfire. Those that survive almost always do so because their owners had prepared for the eventuality of fire, which is an inescapable force of nature in fire-prone areas. Said in another way - if it's predictable, it's preventable! Wildfires often begin unnoticed. These fires are usually triggered by lightning or accidents. They spread quickly, igniting brush, trees, and homes. Reduce your risk by preparing now - before wildfire strikes. Meet with your family to decide what to do and where to go if wildfires threaten your area. Follow the steps listed below to protect your family, home, and property.

Wildfire Preparedness Checklist

- Make a disaster supply kit and have a family plan
- Design and landscape your home with wildfire safety in mind: select materials and plants that can help contain fire rather than fuel it
- Use fire-resistant or noncombustible materials on the roof and exterior structure of the dwelling, or treat wood or combustible material used in roofs, siding, decking or trim with fire-retardant chemicals evaluated by a nationally recognized laboratory, such as Underwriters Laboratories (UL) Plant fire-resistant shrubs and trees (for example, hardwood trees are less flammable than pine, evergreen, eucalyptus or fir trees)
- Regularly clean roof and gutters
- Inspect chimneys at least twice a year. Clean them at least once a year. Keep the dampers in good working order. Equip chimneys and stovepipes with a spark arrester that meets the requirements of National Fire Protection Association Standard 211. (Contact your local fire department for exact specifications)
- Use 1/8-inch mesh screen beneath porches, decks, floor areas, and the home itself. Also, screen openings to floors, roof and attic
- Install a dual-sensor smoke alarm on each level of your home, especially near bedrooms; test monthly and change the batteries at least once each year
- Teach each family member how to use a fire extinguisher (ABC type) and show them where it's kept
- Keep handy household items that can be used as fire tools: a rake, axe, handsaw or chain saw, bucket and shovel
- Keep a ladder that will reach the roof
- Consider installing protective shutters or heavy fire-resistant drapes
- Clear items that will burn from around the house, including wood piles, lawn furniture, barbecue grills, tarp coverings, etc. Move them outside of your defensible space
- WATER: Identify and maintain an adequate outside water source such as a small pond, cistern, well, swimming pool, or hydrant
- WATER: Have a garden hose that is long enough to reach any area of the home and other structures on the property

WATER: Install freeze-proof exterior water outlets on at least two sides of the home and near other structures on the property. Install additional outlets at least 50 feet from the home

WATER: Consider obtaining a portable gasoline powered pump in case electrical power is cut off

Prepare Your Home For A Wildfire

It is recommended that you create a 30 to 100 foot safety zone around your home. Within this area, you can take steps to reduce potential exposure to flames and radiant heat. Homes built in pine forests should have a minimum safety zone of 100 feet. If your home sits on a steep slope, standard protective measures may not suffice. Contact your local fire department or forestry office for additional information.

Rake leaves, dead limbs and twigs, and clear out all flammable vegetation

Remove leaves and rubbish from under structures

Thin a 15-foot space between tree crowns, and remove limbs within 15 feet of the ground

Remove dead branches that extend over the roof

Prune tree branches and shrubs within 15 feet of a stovepipe or chimney outlet

Ask the power company to clear branches from power lines

Remove vines from the walls of the home

Mow grass regularly

Clear a 10-foot area around propane tanks and the barbecue area

Place a screen over the barbecue grill—use nonflammable material with mesh no coarser than one-quarter inch

Cont. on page 7

Card of Thanks

I would like to say thank you to the community of Stratford. The outpouring of love and appreciation for Bill has been amazing. Your prayers, calls, cards, visits, gifts, food, plants, flowers, memorials have been overwhelming. It's wonderful to know how loved you are.

Are you Prepared

Cont. from page 5

Regularly dispose of newspapers and rubbish at an approved site, and follow local burning regulations

Place stove, fireplace, and grill ashes in a metal bucket, soak in water for 2 days; then bury the cold ashes in mineral soil

Store gasoline, oily rags and other flammable materials in approved safety cans, and placethe cans in a safe location away from the base of buildings

Stack firewood at least 100 feet away and uphill from your home, and clear combustible material within 20 feet

Use only wood-burning devices evaluated by a nationally recognized laboratory, such as

Underwriters Laboratories (UL)

Review your homeowner's insurance policy and also prepare/update a list of your home's contents

During A Wildfire

If advised to evacuate, do so immediately. Take your disaster supply kit, lock your home and choose a route away from the fire hazard. Watch for changes in the speed and direction of the fire and smoke. Tell someone when you left and where you are going.

If you see a wildfire and haven't received evacuation orders yet, call 9-1-1. Don't assume that someone else has already called. Describe the location of the fire, speak slowly and clearly, and answer any questions asked by the dispatcher.

If you are not ordered to evacuate, and have time to prepare your home, FEMA recommends you take the following actions:

Arrange temporary housing at a friend or relative's home outside the threatened area in case you need to evacuate

Wear protective clothing when outside—sturdy shoes, cotton or woolen clothes, long pants, a

long-sleeved shirt, gloves and a handkerchief to protect your face

Gather fire tools such as a rake, axe, handsaw or chainsaw, bucket and shovel

Close outside attic, eaves and basement vents, windows, doors, pet doors, etc. Remove flammable drapes and curtains

Close all shutters, blinds or heavy non-combustible window coverings to reduce radiant heat

Close all doors inside the house to prevent draft

Open the damper on your fireplace, but close the fireplace screen

Shut off any natural gas, propane or fuel oil supplies at the source

Connect garden hoses to outdoor water faucet and fill any pools, hot tubs, garbage cans, tubs or

other large containers with water

Place lawn sprinklers on the roof and near above-ground fuel tanks, and leave the sprinklers on,

Legal Notice

The Stratford Independent School District is accepting requests for proposals from interested contractors for Electrical Repairs. The proposals will be accepted until 2:00 PM June 1, 2016. Any requests for proposals after this date will not be accepted. The proposals may be mailed to Stratford ISD, PO Box 108, Stratford, TX 79084, or Faxed to 806-366-3304, or delivered to the Superintendent office at 503 N 8th Street, Stratford, TX. The requests for proposals will be opened on June 1, 2016 at 2:00 PM. We reserve the right to accept or reject any and/or all proposals. Stratford ISD does not discriminate on the grounds of race, color, sex, or national origin.

The Owner reserves the right to reject any and all proposals and to accept only the proposals that in the owners opinion is in the best interest of SISD.

More economical!

Differences between electric and hydraulic-driven systems

Have you ever seen the old style electric driven systems? They are expensive to install and maintain. They are also very inefficient. Hydraulic driven systems are the most efficient and reliable. They are also the most economical. They are also the most reliable. They are also the most efficient. They are also the most reliable. They are also the most efficient. They are also the most reliable.

Hydraulic Driven Professionals are ready to share other cost-saving options why more and more producers are observing Hydraulic Driven systems.

dowsing these structures as long as possible

If you have gas-powered pumps for water, make sure they are fueled and ready

If asked to evacuate:

- Place a ladder against the house in clear view to aid firefighters
- Disconnect any automatic garage door openers so that doors can still be opened by hand if the power goes out, and close all garage doors
- Place valuable papers, mementos and anything "you can't live without" inside the car in the garage, ready for quick departure
- Any pets still with you should also be put in the car
- Place valuables that will not be damaged by water in a pool or pond
- Move flammable furniture into the center of the residence away from the windows and sliding-glass doors
- Turn on outside lights and leave a light on in every room to make the house more visible in heavy smoke

Hopefully we never have to deal with this, but if we do, I felt like this was some good information to pass along.

Please call your local extension office or fire department with any further questions or concerns.
