HASKELL (Haskell County) TEXAS, THURSDAY, JUNE 4, 1964

NUMBER 23

HASKELL-BASED SCHOLARS OBTAIN COLLEGE DEGREES

Nine Haskell-connected students either have been awarded degrees, or are to receive them in the next few days at six colleges and universities in Texas...

Rodney Davis, son of Mr. and Mrs. Raymond Davis, of Haskell, was awarded his bachelor of science degree in electrical engineering at Texas A & M University, May 23...

J. T. Humphreys, Kin of People Here, Succumbs

James Thomas Humphreys, 49, of Abilene, kinsman of several Haskell residents, died on Wednesday at 9:25 p. m. in Hendrick Memorial Hospital, Abilene.

He was the brother-in-law of Mrs. J. E. Walling, Jr., Mrs. G. H. Muegge and Mrs. Paul Dick, and the uncle of Jack Muegge, employe of the Haskell Free Press.

Mr. Humphreys was a Mason and he was a member of the Temple Baptist Church. He was employed by the Union Texas Petroleum Co. as a plant operator.

Services were held Friday at 2 p. m. in Elliott's Chapel of Memories in Abilene. Officiating was the Rev. Melvin Byrd of the Temple Baptist Church.

Survivors include his wife; 3 sons, James Thomas, Jr., of Irving, Dan Curtis of the home, and Kim Edward, of the home; his mother, Mrs. Delia Humphreys of Lynwood, Calif.; one brother, Roy Humphreys of Oakland, Calif.; one sister, Mrs. Felix Huffman of Breckenridge; a half sister, Mrs. Maude Baker of Napa, Calif., and two granddaughters.

REUBEN B. NORMAN

Reuben Norman, Longtime School Official, Dies

Reuben B. Norman, 69, former school teacher and administrator in Haskell County, and principal of Amarillo High School for 32 years before his retirement in 1961, died suddenly of a heart attack in his Lake Worth, Florida, home at 4 p. m. Monday.

Mr. Norman, following his retirement in Amarillo, taught two years in Texas Christian University before moving from Fort Worth to Florida a year ago. He was planning to return to Texas to re-establish residence at the time of his death.

Funeral services under the direction of Pinkard Funeral Home in Rule will be held at 2:30 p. m. Sunday from Rule First Baptist Church with Rev. Perry King, of Abilene, retired Baptist pastor, and former pastor of the Rule church, officiating. Burial will be in the Norman family plot in Rule.

The body will arrive by train from Florida on Friday.

Norman, holder of many offices in state and national scholastic associations during his long tenure as teacher and administrator, was the first of 15 children of the late Mr. and Mrs. Frank Norman, early day Haskell County settlers, to die. His father died in 1949, and his mother's death came in 1957.

A familiar figure in Texas schoolboy athletic circles as principal of Amarillo High School during the long reign of the school's "Golden Sandstorm" at the pinnacle of high school football under Coaches Blair Cherry and "Bull" Lynch, Norman negotiated sites and arrangements for many an Amarillo high school playoff game.

Born September 21, 1895, in Eddy, Texas, Norman came to Haskell County with his parents in 1897. He attended Pinkerton and Rule schools and was graduated from old Simmons College (See Reuben Norman, Page 10)

Everett Is New Head Coach Here

Rev. Ellis Todd Going To Pulpit At Wellington

Reverend Ellis A. Todd, pastor of the First Methodist Church of Haskell for the past year, who came here from Stanton, is leaving here to assume the pastorate of the First Methodist Church of Wellington, it was announced along with other Methodist superintendent and pastoral appointments in this area Friday.

He will be succeeded here by Reverend J. V. Patterson, who comes here from the First Methodist Church in Clarendon. Both pastors preached their last sermons at their present churches on Sunday. Rev. Patterson will be in the pulpit here Sunday.

Reverend Patterson also will succeed Reverend Todd in the pulpit at the Paint Creek Methodist Church.

Dr. Tilden B. Armstrong and Reverend Hubert H. Bratcher are the new superintendents of the Abilene and Stamford Methodist districts, respectively, succeeding Dr. Woodrow W. Adcock, a Haskell native, and Rev. C. A. Holcomb, Jr.

Dr. Adcock, who was born in Haskell March 3, 1913, and graduated from high school here in 1932, has been Abilene district superintendent for the past three years. He was the speaker at Haskell High School's biennial homecoming last year. He is going to the San Jacinto Methodist Church in Amarillo. Reverend Holcomb will go to the Means Memorial Church in Andrews.

Dr. Armstrong has been the Pampa district superintendent, and Reverend Bratcher, the new Stamford district superintendent, under whose jurisdiction the Haskell and Paint Creek Churches are, has been pastor of the First Methodist Church of Pampa. He has served on the board of McMurry College, Abilene.

SONNY EVERETT

Sonny Everett, 27-year-old former all-state end with the Breckinridge Buckaroos and a star griddler at Rice University before an automobile accident curtailed his playing career, was promoted to head coach of Haskell High School in a special session of the Board of Education here last Wednesday night.

Superintendent of Schools Hooper T. Wilkinson said Everett, who has been an assistant high school and head junior high school coach here since last September, will be given a two-year contract as head mentor.

Everett succeeds the popular Ray Overton, Jr., head coach for the last seven years and an assistant eight years before that, who has accepted the post of junior varsity head football man and assistant track coach at Abilene's Cooper High School.

The new head coach of Haskell's 6-AA Indians is a native of Breckenridge and played end on the Buckaroos' state championship team in 1954. Graduating there in the spring of 1955, he enrolled at Rice Institute, playing plenty of freshman football there that fall.

In 1956, his sophomore year, Everett had played in the Rice-SMU game at Dallas and was returning to Houston accompanied by his parents, when an automobile accident, in which all three were seriously injured, cut short his playing career.

After leaving the hospital, Sonny finished the school term at Rice, then transferred to Ranger Junior College, attending night school part of the time, to be near his parents, still bedridden from the near fatal car crash. At the end of another year, he enrolled in North Texas State University, from which he graduated in 1959.

Choosing teaching and coaching as a career, Everett's first job was coaching the B football team and head track coach at Pecos High School, where he stayed two years, through 1962. He then became assistant coach in charge of the line and track coach at Cameron, Texas, High School. After one year there, he came to Haskell last September.

In his first year as coach here, his Warriors of Junior High tied for the football district championship and performed commendably in basketball and track.

Everett is married to the former Billie Little, of Breckenridge, and they have one child, a daughter, Laura Lee, who was seven months old Tuesday.

June Starts Off 'Real Rare'; May Has Good Rainfall

Monday, on the first day of June, a month a day in which what is so rare as Haskell had a low temperature of 50 degrees, lowest June reading in the records of U. S. Weatherman Sam Herren here. So this town bore out the saying "with a rare day indeed," according to Herren.

Welcome moisture three of the last four days in May sent Haskell's rainfall totals soaring almost one inch above the normal for the month. The May total was 4.91 inches, according to Herren's report, and the normal for the month is 3.99.

The May moisture raised to 9.35 the amount received for the first five months of 1964, which is .35 of an inch above the normal through May of an even nine inches, Herren said. Haskell's rainfall last month was "caught" on seven different days, the greatest amount being on May 8, when 2.75 inches fell. An additional two inches were received the last four days of the month.

"TOLL CHARGES" PRETTY HIGH FOR "PHONING" FISH AT LAKE

Four men from the South Plains found "toll charges" at Lake Stamford a mite expensive this week and were charged amply for the "call" while "phoning fish" there.

Vic Lowery, of Knox City, Texas Parks and Wildlife representative as game warden in Haskell and Knox Counties, said maybe the quartet should have waited until after 9 p. m. when the rates are reduced to do their "phoning."

The four, listed as James D. Dean, Edgar Lee Follis, Jr., Burl L. Cooley, and Jack L. Stamford on the docket of Haskell County Court, each paid a \$60 fine plus court costs of \$25.50, or \$75.20 each, upon entering a plea of guilty before Haskell County Judge James C. Alvis.

Lowery nabbed the four, all in the same boat on Lake Stamford, while they were allegedly using an old fashioned crank-type telephone with two wires extending from it into the water to produce shock waves. The waves will cause any non-scale fish, particularly cat-fish to surface "in nothing flat, and practically dance atop the water on their tails," according to fishermen in the know. Apparatus of this sort permits the fisherman to hook or net quite a haul, old anglers say.

But it's illegal, says Game Warden Lowery. The four from the Lubbock area who pushed their luck found that out — the hard way.

MEM AND CONSTITUENTS AT TOL-Congressman Graham Purinton Falls, U. S. Representative of 13th District serving this area, the sights from a vantage spot on steps to two of his Stonewall monuments who are in Washington "official business." Bill Morgan, Peacock, won the district spelling contest here at McMurry College in late April, spelling down the

champion spellers of Haskell and other area counties, thereby qualifying for the National Spelling Bee this week in Washington. He was accompanied to the Nation's Capitol by his mother, left, and Curtis Cook, managing editor of the Wichita Falls Record News, sponsors in Northwest Texas of the annual spelling contest. At Free Press deadline time, Bill was 8th ranking speller and still in the running.

Interest In Two Runoffs, Federal Races, Is High

In widely separated parts of the county, interest in the two runoff elections and the federal races is high. In the normal 17th District runoff election, the primary runoff will be held with the opposing candidates being the incumbent, Ralph Yarborough, and the challenger, George C. Cox or George H. Brown for U. S. House. The runoff will be held with the opposing candidates being the incumbent, Ralph Yarborough, and the challenger, George C. Cox or George H. Brown for U. S. House.

A five-man race for this post, largest number of candidates for any one position in the first Democratic Primary May 2, has been reduced to two.

The surviving candidates, LeFevre and Hatfield, received 266 and 213 votes, respectively. The three eliminated candidates and the votes they polled were: R. L. Anderson, 48; E. C. Miles, 35; and David Epley, 58.

In the County Commissioners runoff, Kuentler is seeking a third term in office. Earles is running for public office for the first time.

Constable LeFevre, a former Haskell County Deputy Sheriff, was appointed to the post his first elective term.

Again, in the second Democratic and Republican Primaries in Haskell County, there are 2913 registered voters, plus some 1500 senior citizens, who are poll tax exempt, who will have the privilege of going to the polls next Saturday.

CLASSES PRESENT UNION SPAN 58 YEARS

Mrs. Vera Walker Beil, of Old Glory, and Mrs. Eula Mae Gibson Magness, of Friona. Classes represented spanned 58 years from 1906 to 1964. The oldest teacher present was Elmer Davis, who taught at Tanner-Paint School even before Sagerton had a school. He taught Mrs. John Clark, of Sagerton, there 65 years ago. Tanner-Paint was a community located about three miles north of Sagerton for many years.

Mr. and Mrs. Frank Pilley, who both went to school at Sagerton, came the farthest distance, from California. The areas of study upon which young Pilley concentrated in earning his award were Christian faith, stewardship, citizenship, fellowship and witness.

Oscar Gibson and G. A. Lambert were honored for being the oldest former school trustees present. J. N. Wilson, superintendent (See Sagerton Classes, P. 10)

Burns Leaving Assembly of God; Successor Named

Rev. I. A. Burns, pastor of the First Assembly of God Church in Haskell, is leaving for a new assignment and will preach his farewell sermon at the church here on Sunday, June 14, he has announced.

Rev. S. M. Malone, currently pastor of the Mission Assembly of God Church in Abilene, will succeed Rev. Burns, assuming his duties here the week of June 15.

The new pastor has served the Haskell church before, having left here in 1954. Since that time, he has held pastorates in Jacksboro and Electra before going to Abilene a year ago.

Rev. Burns was an Assembly of God pastor in Winters and South Louisiana before coming to Haskell four years ago. The nature of his new pastoral assignment will be announced soon.

Lee Pippin Gets 'God & Country' Scouting Award

Lee Pippin, member of Boy Scout Troop 36 of Haskell, is the recipient of a "God and Country" Award, second only to Eagle rank as a cherished achievement in Scouting. Scoutmaster Edd Smart here has announced.

Young Pippin, 12, and a Life Scout, was presented the hard-earned award at a recent regular Sunday worship service in the First Presbyterian Church here, with Rev. Douglas Finch, pastor, participating. He is the son of Mr. and Mrs. Jack Pippin, well-known Haskell residents.

For this Scout, the God and Country Award was the climax to 14 months of diligent work under the watchful eye and supervision of Rev. Finch. The Presbyterian minister directed the youth's study of the Bible, the administration of the church, the institutions, colleges, and universities of the church, and its missions.

The areas of study upon which young Pippin concentrated in earning his award were Christian faith, stewardship, citizenship, fellowship and witness. (See Rival Little, Page 10)

70 Day Campers 'Living It Up' All This Week

Seventy Haskell girls from the Girl Scout troops here, including two Junior, one Cadette, and one Brownie unit, are participating in an activity-jammed day camp on the Dude Montgomery Ranch in southeast Haskell County this week.

Mrs. Cliff Berry, camp director, reports the campers are "living it up," and the week-long program of events going all too quickly.

Assisting Mrs. Berry are the following adult leaders: Mrs. Bunnell Gililand, Mrs. John Wisdom, Mrs. Jack Pippin, Mrs. Allen Rieves, junior units: Mrs. Tommy Ballard and Mrs. B. L. Franklin, Brownie; and Mrs. H. E. Stephens and Mrs. Jack Medford, Cadette.

RIVAL LITTLE LEAGUERS THINK YOU SPELL 'POISON' LIKE IVY

LANNY IVY

Haskell's Little League has been more or less an "Ivy" League since its inception. It has had a member of the Volley Ivy family in it since Little League activities in Haskell 10 years ago. And rivals think "Ivy" spells poison.

The father, Volley Ivy, has managed the Tigers, one of the Little League entries here, all 10 of those years. He also has contributed four sons to Little League play, a record in this area.

The third son, Lanny, just turned twelve, has been preceded by two older brothers on the well-manicured diamond here, but his sensational showing last season, and so far during this season, and so far during this season, and so far during this season. (See Rival Little, Page 10)

Lanny Repeats ...

Lanny Ivy, just turned twelve years old, and a pitching sensation for the Tigers, Haskell Little League leading pitcher, little wonder) ball club with a 7-0 record, did it again last Friday night.

Ivy (he's just been nicknamed "Poison") not only duplicated, but bettered his no-hit perfect game performance of last week by striking out one more batter, 17 this time compared with 16 on the last outing, in hurling and hitting his team to a 25-0 slaughter of the Lions in a regulation six inning affair at Little League Park here.

For good measure, Lanny, cucumber cool all the way, hit a grand slam homer to account for four of his Tigers' raft of runs.

Last week, Poison Ivy didn't allow a runner to reach first in whiffing 16 of the 18 men facing him, Friday night, he fanned 10 batters, and one lone batter dribbled one ball down to the first sacker, who handled the play easily and stepped on the bag.

In being credited with three of the Tigers' (coached by his father, Volley Ivy) seven straight wins this young season in his only three mound appearances (he plays a sizzling shortstop every other game), "Poison" Ivy has fanned 46 of 54 batters it took to retire the side in three regulation sixing. (See Lanny Repeats, Page 10)

Billy Lane, 12, Hurt In Scooter-Pickup Collision

Billy Lane, Jr., 12-year-old son of Mr. and Mrs. Bill Lane, of Haskell, has been in Haskell County Hospital since Saturday with injuries received when the motor scooter he was riding was in collision with a pickup truck on North First Street here about 4:30 p. m.

Rushed in an ambulance to the hospital by Don Alley, of Holden's Funeral Home, the youth was treated for facial and ear lacerations and possible head injuries. He was admitted to the hospital with a possible skull fracture. Hospital attendants reported his condition satisfactory.

Frank Pierce, 25, of Stamford, driver of the pickup headed west on North First Street, was turning right into the Gilmore Implement Company parking area when his vehicle was in collision with the boy on the scooter, who was reportedly trying to pass him on the right side, headed in the same direction, according to witnesses.

Pierce and his father, P. H. Pierce, of Benjamin, who was riding with him, were going to the implement firm here to pick up some combine parts at the time of the accident.

Investigating were Haskell Police Chief Tom Paul Barnett, Haskell County Sheriff Garth Garrett, and Chief Deputy Sheriff Pete Mercer.

This is the month that has 30 days, each one of which is supposed to be what is so rare as. This is being written early on the first day of the 30, and after three days, and 2.86 inches of rain, the day in June is rare and revitalizing, indeed.

One of life's little vignettes: Amiable R. A. Harris came to a directors' meeting of the Sheriff's posse here at the Free Press the other night ... and left without his hat.

Next morning, Our Girl Friday, at the instance of the Head Wrangler, called Mr. Harris at his home to tell him his hat was here.

"Who was that?" inquired Mrs. Harris after her hubby had hung up the phone.

"The girl calling about my hat," innocently replied Dutilful Husband Harris.

"Where WERE you last night?" came the logical next question.

Sympathy cards are being sent by those of us who have "been there." And we've changed Veriene's (that's our Girl Friday) name to H. W. (for Home Wrecker).

We just got through reading a book entitled "Behavior of Man," by Smith and Smith, figuring it might help us with some of our problems and assist in improving our editorial image.

Smith and Smith evidently never have been to Haskell.

Did you read the intriguing story of the kidnapping and discovery of Mrs. Marcel Dussault, wife of the rich French airplane manufacturer, and her classic remark upon being found in the abandoned farmhouse near Paris? She said concerning her experience, and of the gang who spirited her away, "The chief was charming to me."

Just tres charmant! And why not? For a Frenchman, what else?

Our candidate for the most surprised guy on earth was the fellow who assisted recently at the early arrival of a daughter, tied the umbilical cord, took his wife and child to the hospital, and thereafter all downright proud of his accomplishment.

Returning to the hospital later, still preening his feathers, he was greeted by a nurse who said, "It's a boy." The father replied, "No, it isn't. It's a girl, I delivered it."

"This one's a boy," declared the nurse. "You've got twins."

The father was reported resting comfortably in a nearby hospital room.

Hope everyone enjoyed the long Memorial Day weekend. For the information of you long range planners, there are more long holiday weekends in 1964: July 4, like Memorial Day, comes on Saturday this year. And Christmas Day is on Friday, and the day after Christmas, annually a townwide closing day in Haskell, falls on Saturday, as have Memorial Day, and as will July 4.

No charge for this information. Anticipation is thrilling, isn't it?

The boss of this outfit here on the southeast corner of the Square, also being Sheriff's posse president, has been using his establishment as a supply base for issuing some nifty new red-and-white striped saddle blankets adorned with a big red "H." The blankets are to

Haskell County History

30 YEARS AGO
 (June 7, 1934)
 Rev. Perry King, who has been pastor of the Rule Baptist Church for the past year, has accepted a call to the Clarendon Baptist Church.

Kenneth Thornton is in Houston on business this week.

The first carload of Texas grown wheat from the 1934 crop to reach the Ft. Worth market was received Monday. The car was shipped by Haskell Mills and Grain Company and was loaded at Sagerton. The wheat graded No. 1 dark hard, testing 62 pounds to the bushel and had a moisture content of 12 per cent.

Mrs. J. W. Hill and children of Amarillo are here visiting her parents, Mr. and Mrs. J. A. Jones.

Harry Bradley, who has been working in Mineral Wells for the past four months, has returned to Haskell and is again employed with Modern Cleaners.

Several farmers in the Plainview community report they are having to replant cotton because of the ravage of Jumbo grasshoppers.

Oscar E. Oates is spending a short vacation in Galveston this week. He will return by way of Austin to attend a meeting of the State Pharmaceutical Association in that city.

Gaines Post is at home with his parents after completing his work for the current term at the University of Texas.

John W. Pace, owner of the Haskell Telephone Company, and his son, John W. Jr., left Thursday morning to spend their summer in Colorado. They will drive through in their car, and Mrs. Pace and daughter, Mary Ella, will go by train later to join them for the summer.

A farmhouse two miles west of town on the middle Rule Road was destroyed by fire Saturday afternoon, together with all contents. No one was at home at the time, and neighbors who noticed the blaze were unable to get to the scene in time to save anything from the house.

Mr. and Mrs. Elmer Wall, of Hamlin, were in the city Wednesday visiting friends. Mr. Wall formerly lived in Rule, but is now engaged in the gent's furnishing business in Hamlin.

J. W. Gholson and family left this week for South Texas, where they will spend a 10-day vacation. They will visit in Marble Falls, New Braunfels, San Antonio, and other points before returning.

Mrs. Irene Ballard, and children, Helen and Labry, and her brother, David Perrin,

Mrs. B. M. Whiteaker was in Winters this week to attend a reunion of her brothers and sisters and their families.

Mr. and Mrs. R. E. Sherrill, Jr., and son of Pittsburgh, Pa., arrived Tuesday afternoon to spend several weeks in the home of their parents, Dr. and Mrs. L. F. Taylor and Mr. and Mrs. R. E. Sherrill, Sr.

Mrs. Lanham and son, Barry, English of Plainview, are visiting in the home of Mrs. Edith English.

Mrs. W. P. Trice, and her mother, Mrs. Davis, of Rule, left Wednesday morning to visit relatives in New York. They will visit other points in that area while away.

Mrs. Dennis P. Ratliff, and daughters, spent Thursday and Friday of last week in Seymour and Wichita Falls.

40 YEARS AGO
 (June 7, 1924)

Several farmers in the Plainview community report they are having to replant cotton because of the ravage of Jumbo grasshoppers.

Oscar E. Oates is spending a short vacation in Galveston this week. He will return by way of Austin to attend a meeting of the State Pharmaceutical Association in that city.

Mrs. Irene Ballard, and children, Helen and Labry, and her brother, David Perrin,

spent last week visiting in Decatur, Wichita Falls, and Ft. Worth.

60 YEARS AGO
 (June 8, 1904)

Judge and Mrs. H. R. Jones returned Thursday night from St. Louis, where they spent a week at the World's Fair.

Rev. I. N. Alvis, and son, Vestus, came in Tuesday from Fisher County and spent a day of two with old friends.

Miss Perrie Arnold, who has been teaching a school in the southwest part of the county, visited friends in Haskell this week and left Friday for Yellowstone Park, where she will spend the summer in the home of an aunt.

Mrs. A. G. Neathery and children returned Thursday from Farmersville, where they have been visiting relatives for several weeks. She was accompanied home by her sister, Mrs. Yeager, who will visit her for several weeks.

Messrs. W. F. Rupe and J. W. Wright came in from a fishing trip the other day with a nice lot of fish for which they found a ready market.

G. R. Couch returned Wednesday from a trip to Dickens County.

S. W. Scott attended the big Masonic affair at Munday yesterday.

Miss Laura Garren left Wednesday for Crawford, where she will visit friends.

Mrs. W. A. Springer, of Aspermont, is visiting the family of E. F. Springer and other relatives here.

J. W. Collins and family attended the Masonic installation and annual picnic at Munday yesterday.

Pink Thomason and children left yesterday on a visit to relatives at Corsicana.

Mrs. H. N. Frost, and children, of Mineral Wells arrived Wednesday for a visit with relatives here.

T. E. Ballard shipped two cars of beef cattle to Ft. Worth Tuesday from Seymour.

The live oak tree is most common in Texas on the coastal Plains north and south of Corpus Christi.

 We Handle Real

Owed . . . A Debt Of Gratitude To Our Farmers

The farmer's share of the food dollar has declined from 47 cents in 1960 to 37 cents today. In the past 16 years, the prices received by farmers for their products have dropped 12 percent while the prices paid by consumers have increased 27 percent.

Why? Why has the retail price of bread increased from about 14 cents a loaf to about 22 cents in the past 15 years? Why in this same period has the price paid to farmers for wheat in that loaf of bread declined slightly? The "marketing spread" affecting bread has increased about 80 percent. By the same token, why has the farm-retail price spread for beef increased in the past 15 years from about 22 cents a pound to about 36 cents a pound?

In an effort to find the answers to these and other questions involving the food industry, the Senate last week passed the House of Representatives in Washington will soon consider legislation establishing a "National Commission on Food Marketing." This 15-member bipartisan panel would make a thorough study of the food industry from the farmer to the consumer. The inquiry would be aimed at these points: (1) What changes actually have occurred in the size, concentration, and business relationship of food marketing firms? (2) What will the food industry be like in the future if present trends continue? (3) Will this food industry structure be consistent with the national long-run interest? (4) What will be the effect of this structure on the family farm -- and the consumer? (5) What kind of food marketing system DO WE WANT?

The food industry involves expenditures of \$70 billion annually at retail. About 11 million Americans are employed by it. All segments of the food processing industry -- farm organizations, major food chains, and grocery associations, and labor unions -- support the proposed Commission study.

The President has recommended enactment of the legislation.

North Central-Northwest Texas wheat farmers and cattlemen should be especially interested in the results of such a study. Today, and for a number of months, no segment of American agriculture has been more adversely affected by economic factors beyond its control than the cattle industry.

Senator Gale McGee, of Wyoming, in urging that the Commission be established, told the Senate last week, "I would point out that the American cattleman has lost more than \$2 billion since his prices started to fall about two years ago. I believe that he is entitled to know why his prices have dropped to the point where he can no longer make a living while at the same time the price the housewife is paying for her beef has not dropped at all. And beef is not the only area where there seems to be little relationship between the price paid the producer and that paid by the consumer."

Americans today enjoy the lowest food prices in the history of the world -- less than 19 percent of take-home pay.

YET, THE FARMERS' ACCOMPLISHMENTS IN IMPROVED PRODUCTION HAVE NOT BROUGHT TO THEM THE SECURITY AND INCOME THAT SUCH AN INCOME SHOULD NORMALLY PRODUCE!

For some time, there has been a trend in this country toward casting a blanket indictment against the American farmer. Farm programs generally have been referred to as "subsidy programs." The word "subsidy" has come to be associated with the American farmer, especially by those who have not understood economic problems involved.

THE TRUTH IS that it would be impossible for us here to list the different businesses that enjoy direct and indirect subsidies FAR GREATER THAN ANY THAT EVER WENT TO THE AMERICAN FARMER.

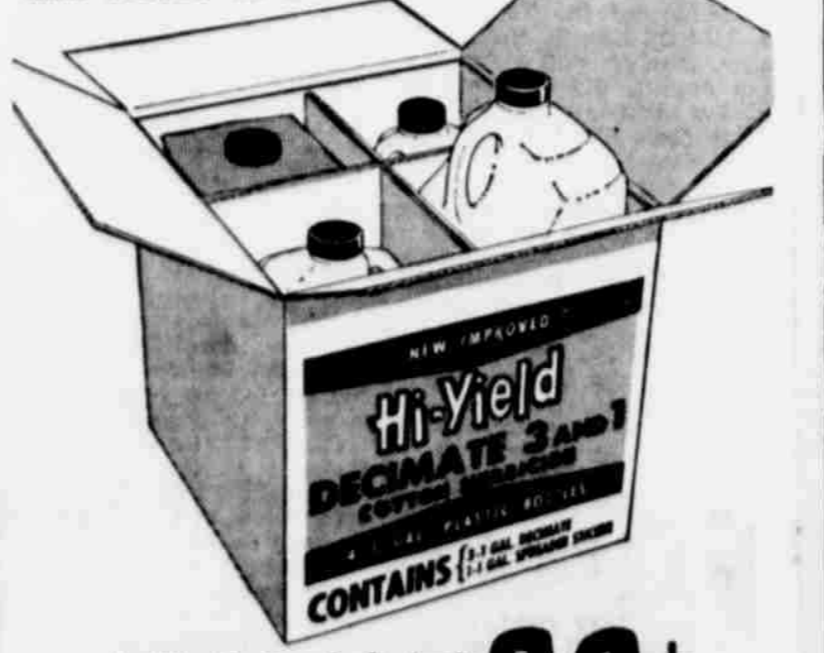

We feel A DEBT OF GRATITUDE IS OWED THE AMERICAN FARMER BY THE AMERICAN PEOPLE GENERALLY!

Our farmers are certainly entitled to fair treatment in the market-place, whether they be grain producers, cattle producers, fiber producers, milk producers, or otherwise.

And in keeping with this thought . . . ONE OF THE PRIME, AND FOREMOST, PROTECTIONS AFFORDED OUR FARMERS SHOULD BE AGAINST IMPORTS.

This, indeed, would be the place to start to help our very own right here in the breadbasket of the nation. We hope Congress gets . . . and stays . . . with it.

Quick! Pick a Chevrolet and fill in the spaces

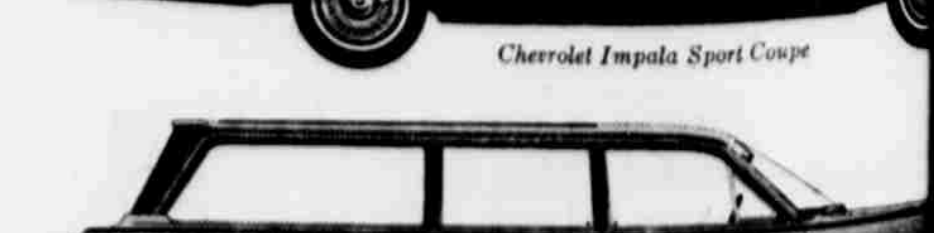

Now's the time to see the great outdoors in a great Chevrolet.

Here you are on the brink of vacation time. There's your Chevrolet dealer in the midst of Trade 'N' Travel Time. You two should get together! Object—celebrating the joys of summer in a new Chevrolet.

Why a Chevrolet? Well, with 15 models in four series, what possible reason is there to look further?

Take the Impala Super Sport (and a lot of people do just that). Comes as a Sport Coupe or Convertible. Has trimmings like front bucket seats, center console, special trim—all as standard equipment. And offers a

typically Chevrolet array of options. Plain Impalas are anything come in all popular body styles—wagons. They're dressed in stery-well; fully carpeted interiors as durable as it is attractive. Bel Airs and Biscaynes, the Chevrolets, make hiding it. All the no sacrificing come. Did we mention 'N' Travel Time forever? It won't. Chevrolet dealers, in the spaces.

ING 'MIGHTY FISHY' RY THURSDAY

...establisments here the rest of the day. It was all "on film," but projected to appear quite real to the viewers.

It all was occasioned by a program brought before Haskell Rotary by Don Kriebel, district game warden for the U. S. Wildlife Service in this area, who is headquartered at Lubbock, and Vic Lowery, game warden in Knox and Haskell Counties for the Texas Parks and Wildlife Service, who lives in Knox City.

The federal and state game wardens showed a 30-minute film on what "the experts" consider to be the seven or eight most "utopian" fishing paradises in the West, and there was pictorial evidence to prove the catches. Entitled "Fishing West," scenes were reeled off in rapid fire order of the luck anglers were having at Lake Texoma, Rogue River, Oregon; Lake Mead, Nevada; the headwaters of the Missouri River; Shasta Dam, Calif.; Pend D'Oreille and Post Angles, in the State of Washington.

After an appetite whetter like that, it was said Rotarians here could have held another meeting at Lake Mead late

W.L. Chamberlain Formerly Here, Dies At Lockhart

W. L. Chamberlain, 80, former president of Haskell until about 1950, died in Lockhart Hospital, Lockhart, Texas, at 9 p. m. on May 14. He was buried May 17 in Jeffrey Cemetery there on May 17, according to word received here.

Born at Dale September 9, 1883, he was the son of Daniel N. and Elizabeth Frey Chamberlain. He farmed in the Haskell area for a number of years.

A brother, Charles Chamberlain, also a Haskell County farmer for many years, southeast of Haskell, died about three years ago.

Survivors include four sisters, Mrs. Effie Stockton, of Pixley, Calif.; Mrs. Mae Chunn of Dallas; Mrs. Ola McMahan, of Austin, and Mrs. Lucille Cypert, of Munday; and four brothers, Ernest Chamberlain, of Livingston, N. M.; James Chamberlain, of McMahan, Okla. and Sam Chamberlain, of Goree, Texas.

Thursday. Because a "quorum" was there.

Brenda Nicholson, Mattson Native, At Girls' State

Brenda Nicholson, daughter of Mr. and Mrs. D. F. Nicholson, former Mattson residents, now of Caddo, is one of two representatives from her community chosen to attend Girls' State in Austin May 31-June 6.

The Girls' State selectee, granddaughter of Mrs. Kate Bledsoe, of Haskell, has attended Caddo School for the past 11 years. She is active in 4-H and Future Homemakers work, and has played guard on the basketball team for the past two years.

Having taken piano lessons for five years and voice for a year and a half, Brenda serves as pianist for the Young People's Department of the First Baptist Church of Caddo where she is a member.

Workers' Assembly For Haskell-Knox Baptists at Weinert

Haskell-Knox monthly workers' conference for the Baptist Church in this area was held Tuesday at the Weinert Baptist Church following an associational board meeting.

Reverend Ray Nobles, pastor of the First Baptist Church of Haskell, presented an area report, and Rev. L. L. Trout, of Abilene, reported on the Southern Baptist Convention in Atlantic City, N. J. Special music was provided by Bill Upchurch, who also led congregational singing.

The message for the meeting was delivered by Rev. E. V. Brooks, pastor of the Rochester Baptist church. Scripture and prayer were given by Cecil Foster.

Next workers' conference of the Haskell - Knox Association will be on June 30 in Rochester, with the emphasis to be placed on denominational work.

E. M. Jolly, 56, Brother of Mrs. O. L. Crouch, Dies

E. M. Jolly, 56, of Amarillo, brother of Mrs. O. L. Crouch, of Haskell, died in Amarillo Veterans' Hospital at 11 p. m. on Sunday after a long illness.

Funeral services were held in the Perry Street Baptist Church, of which Mr. Jolly was a member, in Amarillo, at 2 p. m. Wednesday. Burial was in Llano Cemetery there.

An Amarillo resident for a number of years, Jolly operated a service station in West Amarillo, and more recently

Ads Creating Comfortable Middle Class In Nation, Rotarians Told

Rise of a comfortable middle class in the United States is the most pronounced result of advertising and merchandising on the social behavior of this country in the last 60 years. Tom Barfield, Haskell businessman and civic leader, told a Rotary Club audience here last week.

Speaking to Rotarians here on the origin and growth of advertising, and its effect on the social development of America, Barfield declared, "Advertising is like learning. A little of it is not enough. One has to keep at the job of advertising to produce results."

Citing the evaluation a manufacturer of a well-known soap put on advertising, the speaker quoted him as saying, "Any fool can make soap. It takes a smart man to sell it."

Barfield traced the history of trends in advertising from testimonials to slogans to jingles, and all the "gimmicks" that have shaken American behavior patterns since the 1890's. There's no doubt but what advertising has "cleansed" the American, Barfield said, ever since he "found out it didn't debilitate you to bathe often."

Advertising's impact on the public mind came about when the quarantine it formerly had in the back of newspapers and magazines was lifted, and ads became integrated with editorial matter, Barfield reported.

He has been employed as a barber. He is survived by his wife, Ruby; two daughters, Debbie, of the home, Freda, of California; two sons, Alton and Arnold Jolly, of Amarillo; three brothers, Cecil and Willis, of El Paso; and Bob, of Olton; six sisters, Mrs. Crouch, of Haskell; Mrs. Ree Morris, of Lindsey, Calif.; Mrs. Mable Mathis, of Olton; Mrs. Sue Miller, of Sherman; Mrs. Mildred Reynolds and Mrs. Lillie Kiser, both of Amarillo; and several grandchildren.

George Neely Is Recovering From Knee Surgery

George Neely, well-known Haskell merchant, owner-operator of Neely Dry Goods Company here, was reported resting comfortably in Bethania Hospital at Wichita Falls after undergoing surgery last Thursday for the repair of a broken kneecap.

Mrs. Bud Derr, a relative here, reported the longtime Haskell citizen should be able to leave the hospital within a week "if all goes well."

Neely suffered the knee injury, a broken finger, and was shaken up considerably when the car in which he and Mrs. Neely were riding was in collision with a pickup truck on a bridge spanning the Brazos River between Throckmorton and Olney last Tuesday afternoon. Mrs. Neely escaped with but a single scratch.

The accident reportedly occurred when the driver of the pickup approaching the Neely car swerved over into Neely's lane to avoid hitting a pedestrian who suddenly appeared in the pickup's path. The Neelys were enroute to Dallas on a market trip at the time of the mishap.

A competent 98x100. Fuy Gatewood, of the home club in Vernon, won the Class A title.

The handicap event was taken by Jim Sours, of Quanah, with 98x100.

Class A doubles was a dead heat between Malcolm Bottoms, of Quanah, and Gatewood, who both cracked 90 of 100 birds.

Sours took the Class B doubles trophy and also the high gun honors of the day with a 274x300.

The Haskell Gun Club will have a 150-bird registered shoot at the traps here on Sunday, June 7.

Chiropractors Here To Attend Annual Meeting In Dallas

Dr. A. D. Stone and Dr. Gertrude B. Robinson, of Haskell, are planning to be among the 500 Texas chiropractors who will attend the 49th annual convention of the Texas State Chiropractic Association in Dallas June 11-13.

Part of the three-day convention will be devoted to an educational program that serves as a refresher course for chiropractic practitioners to bring them up to date on new methods, according to the two Haskell chiropractors.

Special emphasis will be placed at this year's convention on insurance matters.

Among convention speakers will be Dr. William N. Coggins, of St. Louis, president of Logan Chiropractic College; Dr. J. R. Lasky, of Miami, Fla., an authority on evaluating spine disabilities; and Waggoner Carr, attorney general of the State of Texas.

More than 50 species of cat are natives of Texas.

Strongest pickup IN THE Southwest

Tough new double-sidewall box, a tailgate that can take a ton! And underneath, this Ford's built like the big trucks!

You read right! Ford's new Styleside box has a tailgate so strong it can support a ton of weight. Yet a new center latch lets you open and close it with one hand!

You'll find this new long-wheelbase Ford pickup easier to load, to ride in, to drive. But from axle to axle, it's built like the big trucks for extra strength—and extra savings—on the job. Come see!

Drive it today at your

MRS. JAMES EUGENE MALLOW

Virginia Ann Roberts, San Antonio Man Exchange Double Ring Vows Here

First Baptist Church of Haskell was the scene Saturday evening, May 30, of Virginia Ann Roberts' marriage to James Eugene Mallow, of San Antonio, Texas.

The bride is the daughter of Mr. and Mrs. Ben F. Roberts, of Haskell.

Reverend Ray Nobles, pastor of the church, read the double ring rites.

Organist was Mrs. Hugh Mathis, of Quanah, cousin of the bride. Mrs. Charles Merritt, of Snyder, was soloist.

Miss Linda Grinstead, of Rochester, cousin of the bride, was maid of honor. Bridesmaid was Mary Wilson, of Ft. Worth, and junior bridesmaid was Lisa Grinstead, of Rochester, cousin of the bride.

Curtis Sanders, of Ft. Worth, was best man. Groomsmen were Bennie Roberts, brother of the bride, and Bennie Archer, of Rochester.

Ushers were Bassett Owens, Bennie Roberts, Bennie Archer, and Maxie Mullins.

Mr. Roberts gave his daughter in marriage. She wore white nylon over taffeta and tulle with bodice of lace edged with peau de soie, three quarter

Friersons Have Backfield, All In Motion

Mr. and Mrs. David Frierson announce the birth of their fourth son, born May 13, weighing 10 pounds, 12 1/2 ounces with the height and dimensions of a prospective fullback.

Randall Ross has three brothers, Nathan, Jeff and Gary, all of whom are proud to have him join the team.

Grandparents are Mr. and Mrs. Chris Gibson, of Haskell, and Mr. and Mrs. Calvin Frierson, of San Angelo.

Annual growth of Texas National Forests is estimated to be 300,000,000 board feet.

Tommye Simpson Brde-Elect, Is Feted With Shower

Tommye Jo Simpson, bride-elect of Bob Clark, was honored with a miscellaneous kitchen shower at a morning coffee on Saturday morning, May 30, from 10 until 12, in the home of Mrs. Delbert LeFevre of Sagerton.

Hostesses were Mrs. LeFevre, Mrs. Melvin New and Mrs. Alvin Ulmer. They presented the honoree with a baked enamel teflon skillet.

The party room was decorated in the honoree's chosen colors of blue and white, with a centerpiece of white mums accented with blue flowers and white candles.

Coffee or Cokes, cookies and nuts were served to the following: Judy Elmore, Brenda Hisey, Teresa Mahler, Mary Sue Lewis, Linda Green, Patsy Clark, Janice Hertel, Jana Ulmer, and Mmes. Mike Bailey of Denton, Charles Clark, N. Y. Benton, O. Cole, T. E. Simpson, Melvin New, Delbert LeFevre, Alvin Ulmer and the honoree.

Mrs. R. C. Couch Sr. Entertains Josselet Club With Travelog

Mrs. R. C. Couch Sr. entertained members of the Josselet Home Demonstration Club last week with a talk and slides on an enchanting Hawaii which she visited last summer. The club met in the home of Mrs. J. L. Toliver Jr.

Janice Wall and Patricia Toliver opened the meeting with a duet. Mrs. T. M. Howeth gave a home demonstration council report, and Mrs. Paul Cothron read the minutes. A financial report was presented by Mrs. C. A. Thomas.

Visitors were Mrs. Frank Curry, of Plainview, and Mrs. Berta Mae Carroll, of Dallas.

A new member, Mrs. A. E. Ivey, was introduced.

Members present were Mmes. Laton Robertson, J. L. Toliver Sr., Carl Bailey, T. M. Howeth, Paul Cothron, C. A. Thomas, B. F. Cobb, and the hostess, Mrs. J. L. Toliver Jr.

Lucky Bluebonnet Club Hears Talk By Mrs. Burkett

Mrs. Luther Burkett, of Haskell, guidance counselor for the Haskell schools, addressed the Lucky Bluebonnet Home Demonstration Club of Rule at its recent meeting on "The Legal Status of Women in Texas."

Meeting in the home of Mrs. John A. Lee, Mrs. Rex Murray gave a council report after Mrs. H. H. Hines directed the opening exercise. Mrs. R. K. Denison reported on a training institute in Haskell on the methods of freezing vegetables and fruits. Mrs. Murray discussed plans for selling identification tags and making lamp shades as club projects.

Next meeting will be in the home of Mrs. W. R. Mason. Attending were Mmes. Hines, C. B. Sprayberry, W. R. Mason, George Smith, E. O. Morkan, Johnnie McCain, Lee, Miss Velda Carter, and the guest speaker, Mrs. Burkett.

Mesquite District President Guest At Aspermont Event

Mrs. Ramon C. Liles, of Weinert, president of Mesquite District, Texas Federated Women's Clubs, was guest of honor at an annual awards banquet in Aspermont recently.

Accompanied by her mother, Mrs. Fred Monke, of Weinert, the Mesquite District president was the special guest of the Phoenix Women's Club, which jointly sponsors the annual occasion with the Men's Luncheon Club of Aspermont.

Entertainment was provided at the banquet by Miss Alex Foy, of Sweetwater, a music and drama major at McMurry College, who was the recipient of the first annual Mesquite District Scholarship earlier this year.

CARD OF THANKS

We wish to express our sincere appreciation for the prayers of our friends, flowers, cards and visits while in the hospital for surgery. May God bless each of you. Mrs. Emmitt Russell.

MRS. RODNEY DOUGLAS DAVIS

Judy Ruth Kirby and Rodney D. Davis Exchange Vows At Daingerfield

Judy Ruth Kirby, of Daingerfield, and Rodney Douglas Davis, of Haskell, were united in marriage Saturday night, May 30, at 8 in the evening in the First Baptist Church of Daingerfield. Dr. Amos Bennett, pastor, was the officiant for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Jack P. Kirby, Sr., of Daingerfield, and the groom is the son of Mr. and Mrs. Raymond Davis, of Haskell.

Given in marriage by her father, the bride wore a white satin wedding gown with the bodice and sleeves overlaid with lace. Long pointed sleeves and a train of white satin accented the dress, and the bride wore a pillbox hat with a shoulder length veil of French illusion.

She carried a lace covered white Bible topped with a white orchid.

Maid of honor was Mrs. Michael Blackwell. Bridesmaids were Misses Linda Martin, Sherry Williams, and Susan Santry. Candlelighters were the bride's sister, Sydney Kirby, and the bride's cousin, Joanna Freeman. Flower girl was the bride's niece, Alexa Dawn Kirby.

The bridesmaids wore gold satin street length dresses with hats of gold satin fashioned in a rose with a short face veil. They carried bouquets of white carnations with gold streamers. The candlelighters and flower girls wore gold satin floor length dresses and wrist corsages.

The altar was graciously furnished with baskets of gladiolus, flanked with greenery, and tandelabras on either side, served as artistic altar supplements.

Ben Anderson, of Haskell, was best man. Ushers were Tom Anderson, Lynn Seets, and the groom's brother, Gary Davis. Master Mark Trull, the bride's cousin, was ring bearer.

Traditional wedding music was provided by Jack Kirby, Jr., soloist, brother of the bride, with Mrs. Frank Manna, the organist.

The bride's mother wore a beige dress fashioned of lace over linen with beige accessories and carried a corsage of white carnations. The mother of the groom was attired in a linen dress of oyster shell gray with jeweled belt, with gray accessories. She carried a corsage of white carnations.

Members of the house party were Miss Juanita Godde, Miss Rodney Anne Godde, Mrs. Jack Kirby, Jr., and Miss Sue Long.

For the wedding trip to Carlsbad, New Mexico, and other New Mexico points of interest, the bride wore a lime green linen suit with silk blouse and white accessories. She had an orchid corsage.

The bride is a graduate of Daingerfield High School and attended Stephen F. Austin State College. She is a member of Delta Zeta social sorority.

The groom is a graduate of Texas A & M University where he received a bachelor of science degree. He is presently employed by the United States government as an electrical engineer at White Sands Missile Range, White Sands, New Mexico.

The couple plan to establish residence at Las Cruces, New Mexico.

New Stockholder in Klose Corporation

Mr. and Mrs. Wilbert Klose announce the arrival at Haskell County Hospital on May 26 of Camille Annette, weighing 7 pounds and 6 ounces. The new member of the Klose corporation has a big sister, Pamela, who is 9 1/2.

Grandparents are Mr. and Mrs. Mack Matthews and Mr. and Mrs. Herbert Klose. Great-grandparents include F. A. Klose, of Haskell, and Mrs. Lee Turnbow, of Gustine, Texas.

B&PW Will Rollie And Frolic With "White Elephant Bingo" At Fun Night

Haskell's Business and Professional Women's Club will hold a fun night on Tuesday, June 9, at 7:30 p. m., with "white elephant bingo" the principal lure for the evening. The event will be staged in a jovial atmosphere at the community room of the Haskell National Bank here.

In charge of B&PW Fun Night will be members of the telephone committee, including Mrs. Scott W. Greene, Jr., Mrs. J. Hassen, Mrs. O. E. Vogelmann, and Mrs. Grace Reid. Hostesses will be Dr. Gertrude Robinson, Miss Nettie McCollum, and Mrs. Gladys Frierson.

Members At Hazel Reynolds Memorial Dinner To Send Three Girls to School

Following an annual dinner dinner recently at which Miss Maybelle Taylor, one of their own, who is home in Haskell on furlough from her missionary assignment in Brazil, was the principal speaker, members of the Hazel Reynolds Memorial Association voted to send three Brazilian girls to school during the coming year.

Primarily organized for the purpose of perpetuating a fund started when the late Mrs. Hazel Reynolds was teacher of a Sunday School class in the First Baptist Church here, this group has financially underwritten educational opportunities for girls in Brazil for a number of years.

Meeting in the Fellowship Hall of the First Baptist Church here, 25 members and two guests of the memorial group heard a moving message from Miss Taylor, a Haskell native, who has been a Southern Baptist missionary for more than 20 years.

Miss Taylor has six teachers under her supervision, and her tasks are many and varied. She is a life guard for 53 Girls Auxiliary members at her Brazilian post. Starting from scratch on both projects, she has watched her dream of a library and a chapel at her base of operations become reality.

A GA and YWA director in Baptist activities in Brazil, Miss Taylor travels the country quite often as counselor of women's organizations in the church.

In a business meeting coincident with the annual dinner, correspondence was read by Miss Nettie McCollum from Mrs. H. R. Jones, a former member and teacher, and from Martha Hairston, a director in the Brazilian schools, thanking the class for their contributions to the educations of Brazilian girls.

Mrs. R. A. Lane gave the invocation. Mrs. Viars Felker read the minutes, and Mrs. J. F. Cadenhead Sr., provided piano music. Mrs. R. C. Couch, Sr. president, was in charge of the meeting.

Attending were Mr. and Mrs. Oscar Oates, Mr. and Mrs. R. C. Couch Sr. (Mr. Couch is a

Financial Support Needed Here On June 19th Event

Plans for the observance of "June 19th" by the Negro community of Haskell were going forward this week. Albert Sharpe, coordinator of the program, announced.

A barbecue from 11:30 to 1:30 p. m. at a site to be announced, a softball game between "young" and "old," a softball contest between Stamford and Haskell girls at 10 a. m., and at 4 p. m., a program climaxed baseball duel between the Haskell Braves and Fort Worth Hawks will highlight the day.

Contributions from citizens are needed to help underwrite the expense of the day, and anyone wishing to help should contact Sharpe.

PAINT CREEK . . . COMMUNITY NEWS

BY MRS. GENE OVERTON

Paint Creek hosts the Girl Scout Day Camp this week when the Troops from Haskell have their annual Day Camp at the Dude Montgomery Ranch. Mrs. Allen Overton and daughter, Kay, are the only Paint Creekers attending, but we hope the little visitors have a good camp and enjoy their week on the ranch.

College students home for the summer are Mike Overton from Texas A&M, Paulette Fischer from Texas Tech, Ina Rea Bittner, Jeff Smith, Ann McLennan and Mike Shaw from North Texas University.

For several families this was the first graduation of a child from Paint Creek. Mr. and Mrs. Homes Lavengood, the Vernay Howards, the Bill Cockrells, the Leo McKeever, the Theron Medfords, and the Weldon Woods, graduated their first. The John Schmits, Lynn Carltons and the Jodie Earles

had seen older children graduate. But Marie Kohout is a veteran. She graduated her fifth, and except for one year between Punk's graduation and Butch's starting to school she has had a boy in Paint Creek ever since there has been a Paint Creek. When Plainview came into the school system in 1939, she had three boys in school, and Butch is her last. That would be a sort of record, but for the Fred Shaw family. They have graduated all nine of their children from Paint Creek.

Mr. and Mrs. Weldon Woods Robert and Rita, and LeRoy Cockrell spent last weekend in Comanche where they visited Mrs. Wood's parents and family.

Mrs. Nora Jenkins, Rev. Kenneth Neely's mother from Port Arthur, is here baby sitting for the Neely's while they are at Six Flags.

The Nanny family had a reunion at Veda's Camp Sunday. That story is somewhere else in the paper.

Attending the Order of the Arrow work day at Camp Tanka-awa last Saturday were Danny Isbell, Thornton Gilmore, Ricky Perry, and Bob Earles. Bob Earles and Thornton Gilmore were inducted into the Brotherhood at the evening ceremony.

Mr. and Mrs. Merle Howard of Albany spent Sunday with his brother and family. Mr. and Mrs. Vernay Howard and Vern.

Wallar Overton showed his film slides of Germany at the Lutheran Church in Haskell on Sunday night at their family night meeting.

Mr. and Mrs. Jessie Guadaluca had as their guests last week Mr. and Mrs. Jesus Vasquez of Waxahachie, and Mr. and Mrs. C. D. Guadaluca of Petersburg.

Mary Margaret Overton spent Sunday with her grandparents. Mr. and Mrs. Ray Overton Sr., while her mother and daddy were in Abilene finding a home for them when

they move to their new job. Five car loads of young people went to Six Flags Over Texas at Arlington Tuesday, and attended the ceremony placing the Christian Flag with the other Six. Rev. and Mrs. Kenneth Neely, Mr. and Mrs. Homer Lavengood, Mr. and Mrs. Vernay Howard, Mr. and Mrs. Bill Griffith and Mr. and Mrs. Dale Middlebrooks took their cars. Young people from all over the state will be there for the ceremony.

Mrs. Woodrow Smith underwent gall bladder surgery at the Stamford Memorial Hospital Saturday morning. She is doing nicely this morning, and will be in the hospital several days. Her room is Room 7, when she can have company.

The Explorers of Post 48 and their dates bowled at the Stamford Lanes Thursday evening. Advisor Roy Wiseman and Wallar Overton went with them.

Hargrove Cockrell, who is a disabled veteran of World War II, and takes turns staying in the homes of his brothers, is visiting the Bill Cockrells.

All work has stopped for a few days because of the wonderful rains. Almost all the wheat was out, and oat harvest can begin when the ground is dry. The cotton that had been planted is all coming up. I haven't heard anyone say their cotton washed much. Some may have to be replanted, but for the most part, the farmers will only have to replant in spots where the water is standing. John Gramsbaur has cotton six inches high, but he doesn't have so many acres of it. It surely looked pretty before the rain, and I know it will really grow now.

We Paint Creek Methodists are heartsick at losing Rev. and Mrs. Todd. But that is the thing about the Methodist Church. No matter how much you love and need your pastor, the conference may feel he is needed somewhere else more and the church will lose him. We love the Todds, though, and we are plumb jealous of the Wellington church. Our new pastor is Rev. J. V. Patterson, and I know we will love him and his family, too.

The families of the church attended a salad supper honoring Rev. and Mrs. Todd Monday night at the Fellowship Hall of the Methodist Church in Haskell in cooperation with the Haskell Church.

Mrs. Virgil Smith from Paducah is here spending several days with her sister and family. Mr. and Mrs. Glen Walton.

The Paint Creek school board met in their regular monthly meeting Monday night and purchased the furniture for the new school building. Have you seen the new school. The steel is all up and they are ready to begin building. We have a metal and glass door at the front entrance, and metal windows on the south. The parti-

tion has been taken out of the two southwest rooms and the new science lab is a huge room. We are going to be so fancy when we get the new school, with a new auditorium, and a new piano, and Pat a new office, and a teachers' lounge (which Gene insists on calling "the room where the school board will meet"). It does have a big table and 8 chairs. Maybe it is the school board room anyway, we are proud of it.

Meeting in the Gene Overton home Friday afternoon were several members of the Haskell Garden Club. They met to make some tentative plans for next year's objectives for the club. Mrs. Fred Monke and Mrs. Bailey Guess from Weinert, and Mrs. Lee Roy O'Neal, Mrs. Kenneth Thornton and Mrs. Ed Fouts of Haskell, all were there.

Attend Funeral

Mr. and Mrs. C. W. Dunning and Mrs. F. L. Chambers, of Rule, attended the funeral of Mr. Harry Kinley, Sr., in Graham Tuesday.

Sagerton Boy Wins County 4-H Lamp Contest

Jim Scheffel, 10-year-old Haskell County 4-H boy of the Sagerton Club, won first place in the countywide boy's electric lamp making contest here last week.

Terry Chapman, of Mattson 4-H Club, won second, and Harold Kretschmer, also of Mattson, took third place honors, according to Frank Martin, Haskell County agricultural agent.

Young Scheffel's award is a 4-H jacket. The Chapman youth received an electric lamp, and young Kretschmer was given a 50-foot electric extension cord.

In addition to the first three place winners, the following placed in the "blue ribbon division" for the workmanship of their entries: Kenneth Dujensing, Paint Creek; Glenn Dul-

LETTERS . . .

Mr. Porter Oakes
Editor Haskell Free Press
Haskell, Texas
Dear Porter:

We have been trying to get to this for several days now to thank you for the very fine article that you wrote about Bobby Tatum, but the 25th anniversary celebration did bring our normal activities to a halt.

We certainly do agree with you about the very fine things you said about Bobby, and I hope you saw his picture on the front page of the Amarillo

ensing, Paint Creek; Keith Chapman, Mattson; and Sonny Seif, Rule.

Red ribbon winners were Oscar Joe Ramos and John Pike, Rule; Donnie King and Johnny Stuller, of Weinert, Ray Clark and Clayton Stegemoeller, of Sagerton.

The contest was held in the West Texas Utilities office in Haskell, with Curly Hays, service agent for WTU, as judge.

Daily News, that came out Monday. Bobby and his dorm dad, Mr. Daylon Johnson, dropped by the office the other day to say that Bobby has obtained a good opportunity with the Santa Fe Railroad and will be working as a telegrapher apprentice near Pampa. I am sure he will make an excellent railroad man and he couldn't find a better outfit to work with.

Thank you again for this very fine story and for all the help

IF YOU DON'T HAVE A MINUTE TO WASTE

COOK Electrically WITH PLANNED FLAMELESS STORED HEAT

If dinner is cooking, and you're running late (to pick up the children at school, hubby at work, or attend a club meeting) flameless electric cooking allows you to leave home earlier.

A flameless electric oven is insulated on SIX sides, and uses current only 15 minutes out of each hour to maintain pre-set temperature. You can turn it off completely, and food will continue to cook at pre-set temperature for 30 minutes. A flameless electric surface unit maintains pre-set temperature 5 minutes after electric energy is turned off.

VERNON, TEXAS SANTA ROSA ROUNDUP

H. PAUL WAGGONER, Pres. JOHN BIGGS, Mgr.

VERNON, TEX. (Spl.)—Guy Weeks last season won his first world champion's buckle in a rodeo career which began in 1949. A top cowboy and one of the sport's biggest money winners each year for over a decade, he has truly an outstanding record in competition. Starting in 1954, when he finished eighth in the all-around standings, Guy has collected \$241,723 for an average of more than \$24,000 per year. Over the span of seasons he has been among the top five in bronc riding seven times and twice has wound up fifth in calf roping. Guy is one of the few cowboys on record who is tough in both riding and roping events. A slender six-footer, weighing 155 pounds, Guy is the popular conception of what a cowboy should look like and is a regular contestant at the Santa Rosa Roundup which will be held this year from June 17th through June 20th. Tickets may be ordered by calling LI 2-6868, or writing the Santa Rosa Roundup Ticket Headquarters in Vernon, Texas.

The Good Earth

by MRS. B. F. COBB

I received such a nice compliment on this column, Mr. and Mrs. J. M. Crawford told me to keep writing about flowers, trees and shrubs, that I was bringing sunshine into many homes.

If I am able, in life, to bring even one tenth as much sunshine into lives, as this sweet couple has, I'll be forever grateful. Most every home in Haskell has received joy of one kind or another from this loving pair. Long after they are gone, the sunshine of their life will linger on to enrich the "Good Earth".

Just this spring, Mr. and Mrs. Crawford bought, and at the Community Center for dinner Sunday.

Mr. and Mrs. M. W. Phemister were host and hostess to a party for Linda Davis, senior student at Weinert High, who will return to her parents' home in Fort Worth for the summer. Thirty-five guests attended.

Weinert ex-students home from college are Wanda Miller, Kenneth Sanders, H-SU, Keith Hobbs, Joe Williamson, Scotty Moody and David Berry, Texas Tech, Jack Hammer, Cisco, Sherry Hix, McMurry, Chet Forehand, ACC, Patsy Raynes, Midwestern, Linda Cunningham, LCC, Lubbock, and Mary Alice Davis, NTSU. Mary Alice will enroll in summer school and Linda will enroll for first semester summer school.

There are several hundred species of cactus native to Texas.

Martha Campbell, who is at- passed on to others, twenty rose bushes. The thing that makes their deeds so outstanding, is their quiet way of doing them. Always giving, never expecting anything in return.

Their lives makes one to know that there is happiness and joy to be found, if only we look for it. There is happiness in a beautiful garden, the dear face of a sweet old lady, the smiling face of a child. The earth producing bountiful crops. Even after trees shed their leaves and plant life is dormant, there is happiness to be found in the beauty of a twig covered with snow, or the pretty lines of the barren branches.

Planting and caring for plants, seeing them grow and flourish, can bring peace and contentment found only in the contact of "The Good Earth".

I'll leave you with this poem Mrs. J. E. Williams sent to me:

I cannot think an unkind thought;
When working in my garden,
My heart is full of tolerance,
Forgiveness, love, and pardon.
I cannot harbor hate and greed;
When working with the flow-
ers,
So I will harvest love enough,
To last through winter hours.

TO THE VOTERS AND TAXPAYERS OF PRECINCT 3.

I want to express my sincere appreciation to the people of Precinct 3 for the splendid vote given me in the first primary, which placed me in the run-off.

I have put forth every effort in carrying out the duties of the office in an efficient manner and I want to serve you another term.

Precinct 3 financial condition, under my administration, is in excellent shape as records will show that ALL EQUIPMENT IS PAID FOR. . . ROADS ARE IN GOOD CONDITION AND AS OF MAY 1, 1964, we had A BALANCE ON HAND OF \$36,315.20.

I have learned much about the duties and needs of Precinct 3, from my past experience, and I feel that this better qualifies me to again serve you.

When you go to the polls next Saturday, June 6th, a vote for Louie Kuenstler will be a vote for an experienced, qualified and hard working Commissioner.

Again let me say thank you, and your vote and influence will be appreciated.

LOUIE KUENSTLER

--Candidate For--

Prattle

By AL HINDS

I am in receipt of a copy of the Arlington Times, newspaper, Arlington, California which was sent to me by my sister-in-law, Johnnie Davis. I enjoyed looking over the 32-page paper, (and by the way it was a Wednesday issue), so that's a pretty fair paper for the middle of the week in anybody's print shop.

On page one of the paper was a picture of a covered wagon, pulled by two burros and captioned, "Probably the first covered wagon, leaving California going East." The article said that Al Whitrock, who owns a one-acre ranch on Jones Street in Arlington, California, (a next door neighbor to my sister-in-law, who also owns the same amount of property on Jones St.) . . . and his wife Athie, are leaving California for greener pastures. In Southwestern Missouri.

"Civilization and progress are crowding us in all the time," says Mrs. Whitrock.

"All we are looking for is a little grass and some water," is how Whitrock phrased their goal.

The couple will cross the desert and go through Flagstaff along much the same route they took several years ago when they came to California in a pick-up and a house trailer. . . chasing the phantom dream of the wide open West.

Could it be, after all these years, Horace Greeley's famous words . . . "Go West Young Man" is backfiring???

Although this scribe does not agree with some of the statements made in an editorial appearing in the Arlington Times. . . I will have to admit it carried some food for thought. Excerpts from the editorial will be found below:

"Everywhere in the country, as the politically sagacious President of the United States knows, is against poverty. To criticize Mr. Johnson's 'war' . . .

therefore, characterizes any opposition as heartlessly disinterested in our less fortunate citizens.

"However, the nation is poorly served if those with an obligation to exercise discernment so fear popular emotion that they remain silent. It is one thing to be for motherhood and against sin. It is quite another to deal with the more uncomfortable realities which if not faced, can swamp the baroque of State in the tides of Philistine indulgence.

"This is a political year. By harping on poverty, the 'elimination of hatred', the possibilities of another cut in taxes and the affluence of the American economy, President Johnson successfully diverts the attention of most voters from the critical but disagreeable issues which still have to be solved.

"The United States has risen to a position of national and individual prosperity unparalleled in the history of mankind. Our 'pockets of poverty' are the smallest ever. This is a tribute to our system of American capitalism so we question whether another giant step away from this system and in the direction of socialism is going to benefit the majority.

"While Mr. Johnson denounces poverty, he offers no solution to it other than masochistic federal boondoggling which invites more bureaucratic grafting, more encouragement toward lassitude on the parts of those who would rather live off relief than work and more reliance of Big Daddy, in Washington, to regulate our society.

Kidding ourselves into believing that pouring public funds into the Appalachian mountains is going to solve our problems is a pipe dream and could be a dangerous diversion, if we puff away reality."

If the writer of the editorial will take time to read the article in the last issue of the Reader's Digest, "The Poor and Prosperity", I think perhaps he might have a change of heart about the Appalachian situation.

Prattler has never been a too strong Lyndon Johnson man, but let's give credit where credit is due. . . and he certainly has made a very impressive record during his first 6-months as President of these United States. He is working long and hard at his job, and has already done more in that 6-month period than some of our Presidents have accomplished in a full term. . . so let's hold our criticism at least for a spell, and give the Tall Texan a pat on the back now and then, instead of a boot in the seat of the pants.

Sagerton Classes ...

(Continued from Page 1) of schools at Petersburg and a 1940 graduate of Sagerton High School, who was the principal speaker, told of the down-to-earth things he remembered about Sagerton, particularly the things that made people stick together and help each other survive during the depression-ridden Thirties.

Miss Irene Stewart, present principal of Sagerton School, was honored for her part in arranging the Homecoming. She has been teaching in Sagerton since 1936.

Mr., Mrs. Couch Talk "Turkey" At Lions Meet

Mr. and Mrs. R. C. Couch, who recently returned from a "world tour," presented the program at the Tuesday noon luncheon meeting of Lions. C. O. Holt was program chairman for the day and introduced the guests.

Mrs. Couch showed slides which were taken in their tour of Turkey, while Mr. Couch told of the scenic spots as they were flashed on the screen. The very colorful and beautiful pictures depicted both farm and city scenes. Mrs. Couch pointed out that they had pictures from some eight other places, but due to the time element showed only those made in Turkey.

Mrs. Couch remarked that men and women in Turkey were not allowed to worship together in the Moslems.

"The women in Turkey do most all the farm work," Mr. Couch said.

Mrs. Couch passed around some souvenirs they had brought back from Turkey, for Lions to view.

Lions, from their ovation, revealed they thoroughly enjoyed Tuesday's program, and hope some time in the near future to have them back again to show slides made in other parts of the world.

Director's Meeting
At a meeting of officers and directors Tuesday, 7:00 a. m. at Felker's Cafe dining room, plans were outlined for the annual Ladies' Night program.

President Wallace Cox Jr., presided over the meeting. Tuesday night, June 30, was set as the date of Ladies' Night and installation of officers for the 1964-65 official Lions Club year. Place will be announced at a later date.

At the Tuesday morning breakfast meeting, "Prexy" Cox named the entertainment, food, decoration and arrangements committees to work out plans for the annual event.

Lanny Repeats ...

(Continued from Page 1) inning Little League ball games. In his first outing, he got 13 batters on strikes. Then 16 last week, and 17 Friday night. He also has hit 7 home runs in seven ball games.

Buck Everett, Haskell rural mail carrier, winner of the recent invitational golf tournament here, and an athletic type, called Friday night's game as umpire.

Everett said he won't be able to play golf for a couple of days because "my strike calling arm is too sore. Lanny threw too many strikes too fast," Buck figured.

Dinner On Grounds At Catholic Church Here Sunday Noon

A parish-wide dinner, to which the general public may come, will be served at St. George's Catholic Church here from 11 a. m. to 1:30 p. m. this coming Sunday.

A fried chicken meal, with tantalizing trimmings, will be served for one dollar for adults and 50 cents for children.

Proceeds from the home-cooked dinner will be used to support worthy projects of the St. George Catholic Society, women's organization of the church sponsoring the event.

Reuben Norman ...

(Continued from Page 1)

lege, now Hardin-Simmons University, in 1919.

He taught school at O'Brien, in this county, Saragosa, Pecos, Colorado City and Amarillo before becoming principal there. In Amarillo, his students affectionately called him, "Papa Sandie."

He married Edith Mayberry, of Trent, Texas, December 22, 1917. A member of the Missionary Baptist Church, he was an ordained minister.

Mr. Norman received an honorary doctorate from Hardin-Simmons University in 1955.

Survivors include his wife, two sons, Norris, Palm Beach, Fla.; Bruce, of Fort Worth; nine brothers, Fred, of Waxahachie; Norval, of Odessa; Theibert, of Portland, Oregon; Floyd, of Baldwin Park, Calif.; and Claude, Carl, Doyle, Roy, and Lester, all of Rule; five sisters, Mrs. Clyde Kimbler, of Rule; Mrs. Lillian Brown, Ignacio, Colo.; Mrs. Grace McKelvin, of Haskell; Mrs. Bill Lees, of Rule, and Mrs. Howell Miller, of Farmington, N. M.; and one grandchild.

Rival Little ...

(Continued from Page 1)

ing this young one, have branded him as perhaps the best ballplayer of the bunch.

There's still Randy Ivy, age 8, a hustler on the "minor league" Red Horses, who is now getting "seasoning" to step up to the Tigers in the footsteps of three prestigious brothers.

Lanny last week astounded the Little League world in this territory, in two games, by (1) pitching a perfect game in regulation six innings against the rival Hawks, allowing no one to reach first; (2) struck out 16 of 18 batters to oppose him; (3) hit a homer to aid his own pitching cause in winning 5 to 0; and (4) playing as an infielder in the second game of the week came up with some sparkling plays at shortstop, socking two more homers to pace the Tigers' rout of their nearest rivals, the Rams 10-3, in the five-team major Little League race here.

Appearing in six games this year so far, Lanny has hit seven circuit swats, and won both games he's pitched, striking out 29 batters, 13 in one game and 16 in the other, besides fielding flawlessly.

Playing with the Tigers, which had a 13-2 record last year, Lanny was chosen as pitcher-infielder for the Haskell Little League All-Stars, winning two of the four games it took to advance to the sectional finals in the state playoffs. He beat Rule and Big Spring while the Haskell team was subduing those two clubs, plus Iowa Park and Abilene before falling to Pecos which went to the State finals.

Lanny's brother "forebears" of the horseshoe realm were Volley Jr., 20, who made the Ranger Junior College Ball club last year, his only term at the school, and James, 17, who has just completed his junior year in Haskell High School, and is expected to be a mainstay in the backfield of the 6-AA Indians here next fall. It is Lanny's intention of measuring, and endeavoring to exceed, this brother's strides on the gridiron.

In the 10 years Volley Ivy has managed the Tigers in Little League baseball battles here, his teams have finished first three times and second three times.

He just may "manage" to have another winner or two yet before his "Ivy League" season is over and his winning streak of sons is broken. . . with Lanny still in the box, both pitcher's and batter's, and Randy "on deck".

The pecan is the State Tree of Texas

Registration For Methodist VCS Is 4 P. M. Saturday

Registration for the annual Vacation Church School of the First Methodist Church of Haskell, to be held June 8-17, will be at 4 p. m. Saturday, June 6, in the Children's Building at the rear of the church here.

Mrs. W. H. Pitman, director of the school, said registrants will be treated to a horned toad race and refreshments will be served during the registration hour. Each child may bring a horned toad marked to show ownership, if he or she desires, but it is not required. Mrs. Pitman explained:

Any boy or girl between the ages of 4 and 12 who does not attend a church school is invited to visit the Methodist school, Mrs. Pitman announced.

Classes will be held from 8:45 to 11 a. m. Monday through Friday, June 8-12, and the same hours Monday through Wednesday, June 15-17, with a "sharing period" scheduled with parents of the pupils at 8 p. m. Wednesday night, June 17, Mrs. Pitman said.

Teachers in charge of the various departments will be Mrs. Eugene Hunter, kindergarten; Mrs. Alma Terrell, primary; Mrs. M. B. Powell, Junior.

It was originally planned for the First Presbyterian Church to join the Methodist church school. However, the Presbyterian Church will hold its own school at a date in July to be announced. Mrs. Howard Perry, Jr., director, announced.

Two Rule Girls Competing In State 4-H Meet

Haskell County is being represented at the Texas 4-H Roundup at College Station Tuesday through Thursday of this week by Misses Brenda Allison and Mary Ann Anders of Rule, who survived county and district competition to earn the right to enter contests there.

The girls are participating in the state vegetable preparation and use contest, having won this event both in Haskell County and district 3.

Their mothers, Mrs. Wallace Allison and Mrs. Norris Anders, have coached the girls and accompanied them to the statewide event.

Lynda Matysiak, original member of the team with Brenda, is unable to attend, and Mary Ann was chosen as her replacement.

The girls and their mothers have been assisted by Haskell County Home Demonstration Agent Mary Jo Leverett in perfecting their demonstration for the state competition.

Texas 4-H Roundup representatives this year will be treated to a chuck-wagon supper one night and a banquet the second night of their College Station stay as a courtesy of friends of the 4-H program in the state.

Haskell-Based ...

(Continued from Page 1)

Mrs. John Rike, son-in-law and daughter of Mr. and Mrs. Porter Oakes, both were awarded bachelor of science degrees at joint baccalaureate and commencement exercises at West Texas State University in Canyon May 24. Mrs. Cooke, a speech therapy major, obtained a degree in education. Mr. Cooke, who has been commissioned a second lieutenant in the U. S. Army, majored in mathematics and physics.

Lieutenant and Mrs. Cooke reported for military duty at Fort Bliss, Texas last week.

The red maple is the most abundant maple in Texas.

Mission With The Military

Mrs. M. O. Brinlee has returned to Haskell after a five-day visit with her son, Major Curtis Cross, and his family, at Biggs AFB, El Paso. She reports a systematic sightseeing "reconnaissance" with her officer son in the El Paso-Juarez area, which included the new race track and stadium and the dog track on the Mexican side of the Rio Grande. She also took in the grandeur of the Guadalupe Mountains going and returning on her trip.

Mrs. C. H. Bryant, of Breckenridge, sister of Mrs. Brinlee, stayed with their mother, Mrs. Anna Vaughn, during her absence.

Mrs. Brinlee's son, Major Cross, is a 1940 graduate of Haskell High School and has made the Air Force a career since 1941.

Political Announcements

The Free Press authorized to make announcements Haskell County action of the primaries in 1964.

Is It? "No man is until he has"

Why knock yourself out trying to save money
(...when you can get somebody else to do it for you)

Wrestling with your will power about saving is hard on the nerves. It's also unnecessary.

There's an easy, painless way to save for your future called the Payroll Savings Plan.

You just ask your employer to set aside a small amount from your pay and put it toward the purchase of U. S. Savings Bonds. Savings come automatically!

You never see the money you're saving, so you hardly miss it.

Another good thing about saving this way: you help your country's future as well as your own. Uncle Sam puts your Bond dollars to good use safeguarding our freedom.

For America's security and your own buy
U. S. SAVINGS BONDS
"Operation Security" May 1 to July 4

YOUR PLYMOUTH DEALER IS HAVING A RED HOT SUCCESS SALE NOW

NOW

ON THE TEST TRACK CHAMP

Recently a showroom Plymouth, equipped with a standard V-8, beat Ford and Chevrolet in ten out of ten tests at Sebring, Florida. Tests of performance, handling, braking and gas economy. Tests of the "things you buy a car for."

Now your Plymouth Dealer is having a "success sale" on the same model Plymouth (and other models, of course). He's dealing like it was midsummer. And right now trade-ins are worth more too. Get up and see your Plymouth Dealer.

At Plymouth's request, Nationwide Consumer Testing Institute bought the comparably equipped V-8s directly from dealer showrooms, made the runs and supervised the entire competition. See your Plymouth Dealer for details of "Test Track, U.S.A."
