Project Christmas Card Set to Begin

Project Christmas Card is a project benefitting the Sherman County Public Library being sponsored by The Stratford Star this year. How does the project work? Instead of sending Christmas cards locally to your friends and neighbors in the Stratford area, you are asked to make a donation to the library, estimate how much it costs for the cards and stamps, add a little extra and bring your donation to the Sherman County Library or the First State Bank of Stratford. Names of donors will be placed on a full page Christmas card printed in the December 23, 2016, Christmas edition of The Stratford Star wishing everyone a "Merry Christmas." Previous years' donations have purchased e-books, computers, large print books, audiobooks, and shelving. Our library is one of the best of its size in this area, if not the state, so let's help continue to support it. The deadline for donations will be closing time on Friday, December 16, 2016. For more information, please contact Sandy Baskin at 366-2200.

FOUNDATION AWARDS GRANT TO MRS. RUTHERFORD

The Stratford Education Foundation is excited to announce that Mrs. Rhonda Rutherford from Mary Allen Elementary also won a grant. Mrs. Rutherford teaches 3rd Grade at Mary Allen, and she received \$836.82 to purchase 18 Spell Checkers. Mrs. Rutherford will use the Merriam-Webster Dictionary and Spell Correctors with her 3rd grade language arts students so they can improve spelling skills for the TEKS writing test. This is an extension of a grant won by Heather Braden two years ago. The first grant proved so successful in helping students that an application was made to purchase more Dictionary-Spell Correctors. The SEF congratulates Mrs. Rutherford for seeing a need and finding a solution to help students improve at MAE.

In the photo, SEF board members Ann Wells and Lynda Hauser present Mrs. Rutherford with a classroom gift.

SANDI WHEELER WINS SHS GRANT FROM FOUNDATION

SHS Language Arts teacher Sandi Wheeler won a grant from the Stratford Education Foundation. Mrs. Wheeler wrote a grant to purchase Chromebooks for use in her ELA classroom and for UIL speaking events. She was awarded \$4,500 to purchase Chromebooks and hopes to have them ready for use by January. The Chromebooks will allow Mrs. Wheeler to differentiate work for individuals in special education, ESL, as well as the gifted & talented program. The Chromebooks will also be used for UIL academics to make SHS more competitive on both a district and state level. Congratulations to Mrs. Wheeler for finding an innovative way to help so many SHS students.

LINDA HENDERSON WINS MATH GRANT FOR MAE

Linda Henderson, math teacher at Mary Allen Elementary, won a grant from the Stratford Education Foundation. Mrs. Henderson won a grant for \$5,200 to purchase a special software program for mathematics. All 1st through 4th graders will benefit from the "FASTT MATH" grant, both this year and in years to come. The software utilizes math intervention to find which math areas are weak points for each student. The software will then create math problems to help the student improve in that target area until grade level mastery is attained. The software program will help increase retention and recall in basic addition, subtraction, multiplication, and division. Congratulations to Mrs. Henderson for winning a SEF grant!
