Procrastination:

"It's a word I'm not familiar with", I told my learned teacher.
I've heard it said 'bout me though I couldn't have that feature.
It sounds so hideously grotesque it couldn't be about looks,
'cause I could be a 'model', (in one of them Wards' books).

Let's take this word apart and see just what it means.

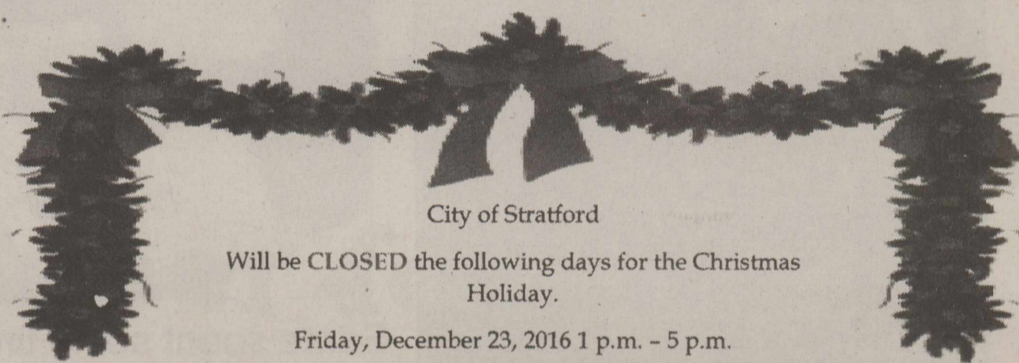

Is this a word bout me, or just a word obscene?

Now, PRO means you're a star, and CRASS means you're uncouth,
Tin's a light metal, and this NATION's my place of birth.

(Pause)

The meaning here's well hid,... and to my utmost sorrow,
It's a word I just don't understand so I'll look it up! tomorrow.

Farm Bureau leaders attend TFB Annual Meeting

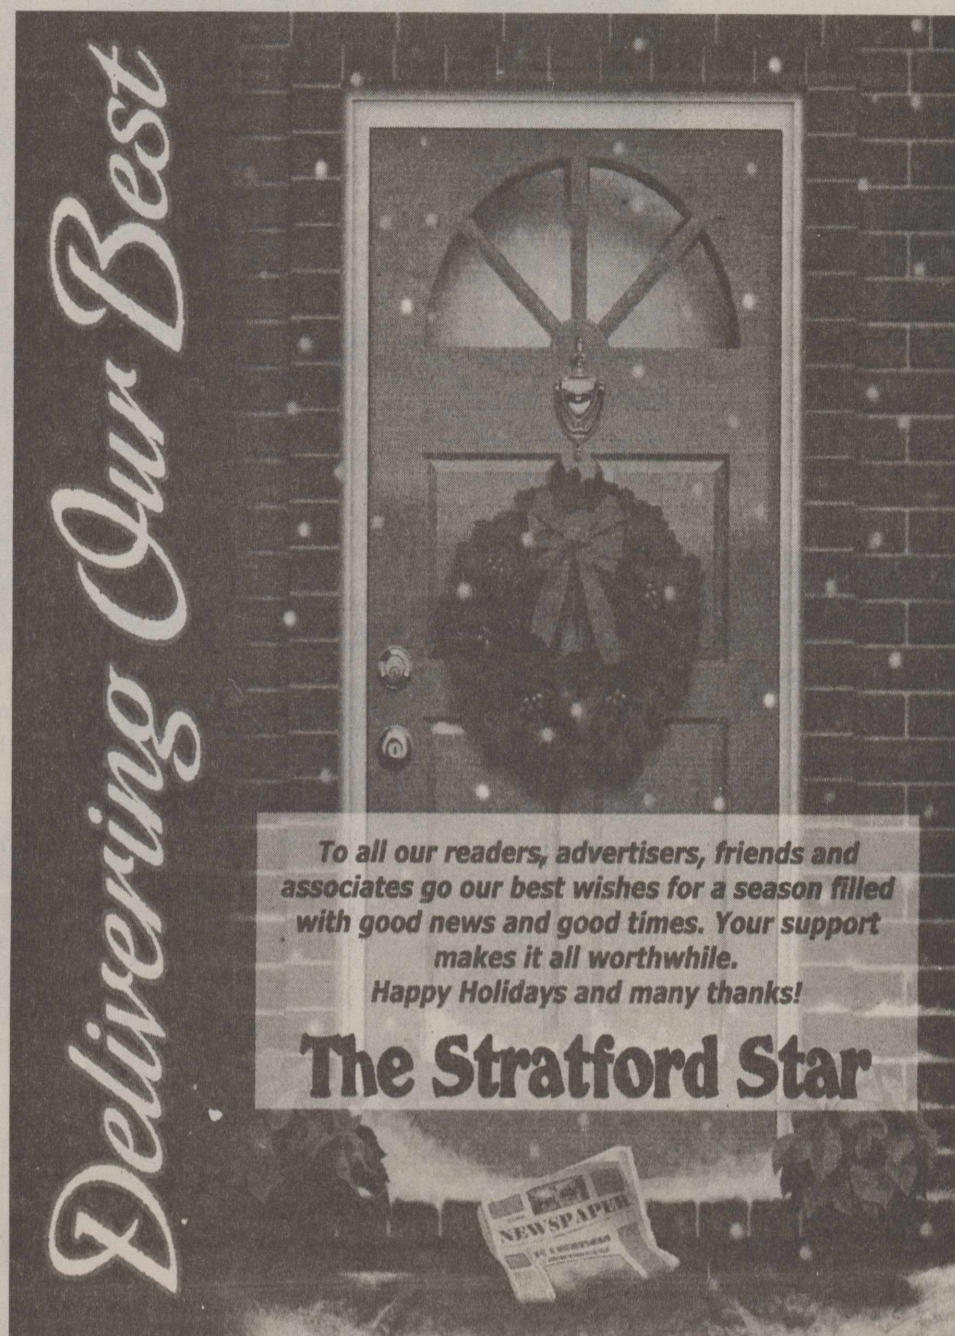

Stratford - Agricultural leaders from Sherman County Farm Bureau attended the 83rd Texas Farm Bureau Annual Meeting Dec. 3-5 in San Antonio.

Attending from Stratford were Jimmy & Ineta Chesher.

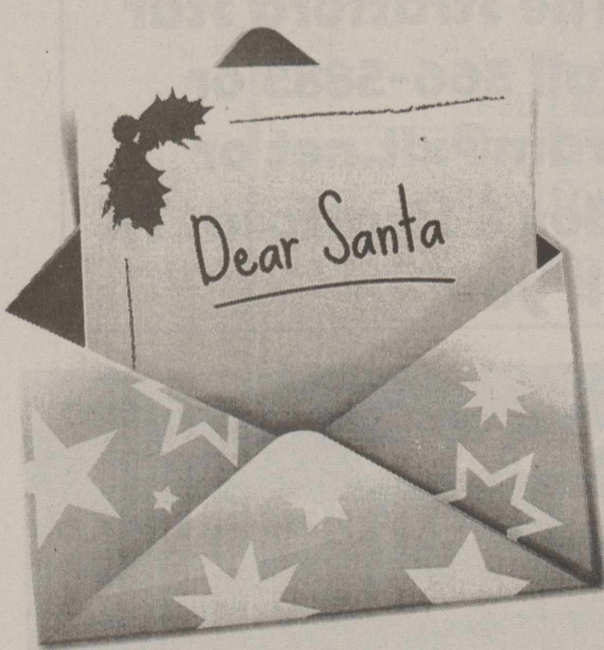

Discussion of the latest agricultural issues, including high speed rail, eminent domain, property rights and property ag valuation; the recognition of top county Farm Bureaus and individuals; and evaluation of the organization's policies, were the tasks for more than 900 voting delegates from 159 organized county Farm Bureaus.

County delegates voted on proposed policy changes during the meeting's business session the final day of the meeting. Farm Bureau policies reflect the needs of local farmers and ranchers and direct the state's largest farm organization. Approved recommendations on national policies advance to the American Farm Bureau Federation annual meeting to be held in January in Phoenix, Ariz.

Addressing the delegates was TFB President Russell W. Boening of Poth, TFB Executive Director Si Cook and Lt. Governor Dan Patrick.

The Stratford High School Student Council recently organized a food drive to benefit our local food bank and Lollipop Junction. The students of Stratford ISD did not disappoint. We were able to collect a total of 3,831 items to be donated to the organizations. Mary Allen Elementary turned in 1,102 items, the junior high contributed 1,491 items and the high school collected 1,238 items. The homerooms that brought the most items on their campus will be given a pizza party when school resumes after Christmas break. These are: MAE- Mrs. Lavake, SJHS: Mr. Murphy and SHS- Mrs. Everett. Thank you to everyone who participated!

Holiday Gift Ideas

Sweet, Sweeter And Sweetest Ideas For The Ice Cream Lover

(NAPS)—At holiday time or anytime, just about everyone enjoys ice cream. In fact, according to the International Dairy Foods Association, Americans consume some 22 pounds per person of the cool treat every year. So this year, your friends and family will likely love getting ice cream-themed accessories such as these:

Personalized ice cream scoops let you give a gift with both sentiment and quality.

- Get the Real Scoop On Holiday Cheer and spread your love with a customized ice cream scoop. Choose an engraved message such as "Merry Christmas," "Happy Holidays" or "I Love You," or design your own scoop with a message of up to 20 letters at www.ZerollCustom.com. It makes a great stocking stuffer for less than 20 dollars.

Here's the real scoop on the Zeroll: The handle is filled with a permanent, safe defrosting fluid that responds to the warmth of a hand so ice cream is rolled smoothly into a ball. Patented in 1935, the Zeroll scoop is still Made in the U.S.A. and is displayed in the Museum of Modern Art's Permanent Design Collection in New York City.

- Cone Home for Christmas: The whole family can enjoy delicious, rich cone flavors in a choice of cone or bowl with

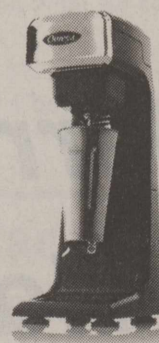

an almost infinite variety of fillings, from ice cream to sorbet to fresh fruit and whipped cream, with a waffle-cone maker. Your delicious cones can even be dipped in chocolate and sprinkles, just as in the ice cream parlor. A box filled with homemade waffle cones makes a great present anytime of the year. Plus, there are many savory uses for your homemade cones—from salad bowls to taco shells. The Chef'sChoice WaffleCone Express Model 838 features an advanced professional baking system to ensure homemade, freshly baked sugar cones in just two minutes. It comes equipped with a cone form to help make rolling uniformly shaped cones with ease, instant temperature recovery, non-stick surface, easy-to-clean overflow channels, color control dial and more.

For authentic ice cream fun at home, create your own cones.

- Holiday Delight Cone Holder: To accompany it, and help you create a great ice cream party, there's an all-metal, non-stain, easy-clean cone holder. It's a fun, practical way to support your freshly made cones for filling and to present them for eating. The holder is great for maintaining cone shape after rolling. Place the cooling cones in the holder and fill them or store them after they've reached room temperature. The Chef'sChoice International Ice Cream

Cone Holder Model 838CH's rotating support arms are designed to hold even heavy 3" or 4" diameter cones securely.

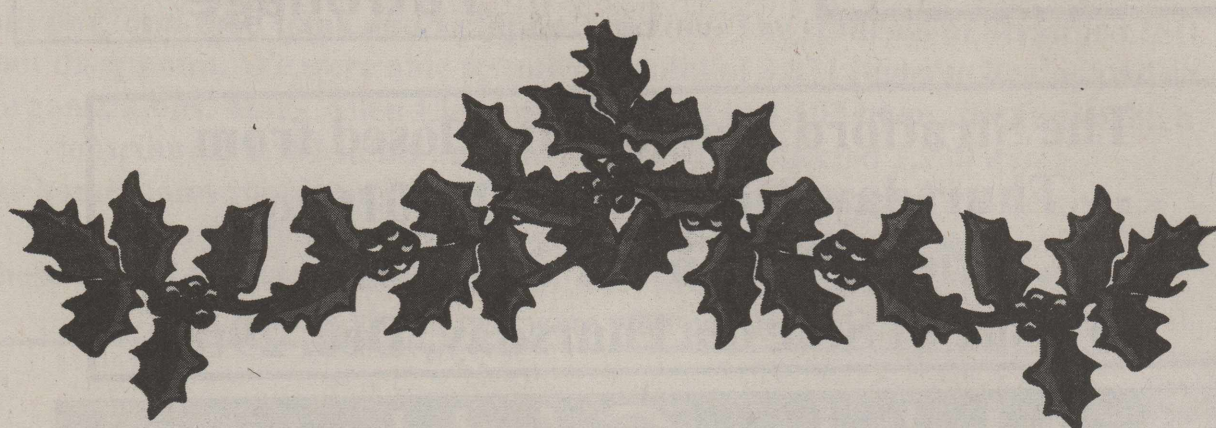

For fun with food, few things can shake things up like this milkshake maker.

- Santa Loves His Sweets and Other Treats: Serve up some shakes or make food prep easier with the versatility of the Omega M1000 Single Spindle Milkshake Maker. A delight all year round, this whipping wonder is great for mixing ice cream, bar drinks, eggs, pancake batter, waffle batter and more. The extra-large stainless steel blending cup clicks on and off for ease of use and serving. The powerful motor and detachable spindle aerate mixtures into frothy, smooth textures for superior whipping results. See it at www.OmegaJuicers.com.
