Blizzard over the weekend

Well Stratford and surrounding counties and state were hit by a blizzard over the weekend. Power went out to thousands in Stratford and surrounding areas. It has been reported that Stratford received 10 inches of rain and snow. Trees took a big hit; there are tree limbs down all over Stratford. Cattle came to town to roam, highways closed because of the blowing snow and lots of water up in our area where we live. Some folks did not get their power back on until today (Tuesday). The moisture was welcomed, but it did some damaged to. At press time I had not heard about the crops, etc. Hope fully will have more in next week's edition. Our power was out so I had to hurry and get what I have to go to print early Wednesday. Thanks for your patience

January 26, 1934-April 26, 2017

Elwyn Leon Bass, born January 26, 1934, in Vealmoor, TX, to Fred Leon and Beuna Otto Bass, passed away April 26, 2017, in Sugar Land, TX.

E.L. Sam Bass graduated from Ackerly High School at the age of 16. He married Johnette Carr at 17, and attended college at Baylor University before being drafted into the army immediately following the Korean War. Upon graduating from college, Elwyn served as a teacher and principal at Dawson High School, superintendent at Grady ISD, Follett ISD, and Stratford ISD. He retired in 1990 after 35 in public education. Elwyn married Jo Anna Morton in 1994. He then returned to his teaching roots at Faith Lutheran School in Sugar Land, TX; and taught and coached basketball for 10 years. Elwyn was always active in the churches and the communities in which he lived. He served many years as a deacon of First Baptist Church in Stratford. Most recently, he served on the board for the Parkway United Methodist Church in Sugar Land, TX.

Sam was a strong Christian and family man. He was known for his love of singing the older hymns. He loved his family; and he loved to play golf and eat chocolate kisses. He was a caring husband; father; grandfather; and great-grandfather. His love for life and the good he always saw in people earned him many friends. He was also passionate about the students; faculty; and parents in the communities where he served. His love for sports and kids earned him the honor of having the stadium at Stratford High School named after him E.L. Sam Bass Stadium.

Elwyn was preceded in death by his parents; his first wife and mother of his children; Johnette; infant son Michael; brothers Joe Bass and Roger Bass.

Elwyn is survived by his wife; Jo Anna; sister-in-law Nancy Bass; brother George Bass and wife Gloria; daughter Gina and husband Bill Flores; son John Bass and wife Christi; daughter Leigh and husband Brian Jackson; stepchildren Patricia and husband Fernando Fernandez; Mark Johlke and wife Anita; Jennifer and husband Robert McMillin; eleven grandchildren; and 10 great grandchildren.

The family received visitors Friday, April 28, 2017; from 5:00 p.m. to 7:00 p.m. at The Settegast.Kopf Co. @ Sugar Creek Funeral Directqrs. Funeral services were held Saturday, April 29, 2017; at 4:00 p.m. at Parkway United Methodist Church; 5801 New Territory Blvd. in Sugar Land. The graveside services were held Sunday, April 30, 2017; at 2:00 p.m. at Cypress Cemetery in Cypress (Winnsboro); TX. In lieu of flowers; the family asks that donations be made to Parkway United Methodist Church or the Stratford Education Fqundation; Box 121, Stratford; TX; 79084.

Tales From No Man's Land Museum

The No Man's Land Museum in Goodwell especially reflects on the early history of the area in the month of May. With the passage of the Organic Act, No Man's Land became part of Oklahoma Territory on May 2, 1890, - (127 years ago). The area was populated with farmers and ranchers who anticipated Statehood.

Cimarron, Texas, and Beaver Counties were covered with one room school houses to serve the children of those early settlers. Many of the one room schools existed into the 1930s. The Museum has a small, much used, and much loved artifact that was an important part of school life for a young Panhandle girl. An earlier generation would have carried a lard bucket, but Virginia Hart had a beautifully decorated lunch pail to take to the first grade in Anchor Dee School. The blue painted scenes portrayed happy little girls playing amid flowers. Virginia carried the metal pail in circa 1936 - 1937 to Anchor Dee School, 1 1/2 miles north of Eva and 5 miles east. In a Guymon Daily Herald article in 1976, the Webb family recounted that the first Anchor Dee School burned but was later rebuilt. When one room schools were consolidated in the late 1930s, the building was moved to Unity School and became a teacher age. It was later torn down and sold.

Years before there was an Anchor Dee School there was the Anchor D Ranch that existed before the 1890 congressional action. It was established in the 1870's by Ezra C. (E. C.) Dudley, a Bostonian, who purchased it from another man from Boston, named Harwood. It has been suggested that his brand used an anchor that reminded him of the ship anchors he saw in Massachusetts, and he used his initial "D". Dudley's ranch was west of the present town of Guymon on the Beaver River. An Oklahoma Historical Society item states, "At its peak it pastured thirty thousand head on an estimated 960,000 acres".

In a Panhandle Herald article by Rev. R. L. Wells, he reported that Dudley maintained his eastern residence but did come to the Ranch for round ups, shipping, and branding. Charlie Hitch worked for him in 1887 when they headed southeast to Canadian, Texas for a grand round up. Dudley had purchased the finest "eats" in Boston for the mess wagon pulled by four big mules. He remembered that they had nine riders who each had eight horses. After a national depression in 1893, Dudley sold the ranch, cattle, and about 95 saddle horses to T. C. Schumaker.

By the turn of the twentieth century, Howard Stonebraker was one of the next owners. On the occasion of their Golden Wedding Anniversary, Julius Kohler of Cimarron County recalled his experiences as a young German immigrant on the Anchor D. He was trained as a

blacksmith and made the first three dozen branding irons for Stonebraker. The branding irons were made with the Anchor and D Connected.

In the 1976, Volume 6 of Panhandle Pioneers, it was related that in 1947, Morris and Mattie Freeman of Texhoma bought the west acreage of the Anchor D Ranch from the Coon Estate. They were established ranchers who had already faced the challenges of the Panhandle. Their descendants still maintain the ranch and have expanded the Anchor D name to their banks in Texhoma, Goodwell, and Guymon.

The No Man's Land Museum invites everyone to visit the museum which is open Monday - Friday, 10:00 AM - 12:00 AM, 1:00 PM - 4:00 PM and Saturday 10:00 - 4:00 PM.

Attention Stratford Residents

Please be mindful of the upkeep of your properties. Landowners are responsible for the lot upkeep from the curb to the alley. It is not permitted to dump tires, tree limbs, trash and other debris in the alleys. I have seen an increase of such items being piled up next to the dumpsters. Not only is this a violation of the City Ordinance but also a violation of the State law. State litter fines range from \$200 to \$2,000.

Sec. 8.05.010 Depositing offensive refuse

If any person in this city shall deposit or cause to be deposited offensive rubbish or refuse matter from any premises whatever in any street, alley, sidewalk, gutter, creek, branch, square, lot, or other place, private or public, within the limits of the city, he shall be deemed guilty of a nuisance. (1977 Code, sec. 10-19)

Since we are now into mowing season please place your grass clippings in the green dumpsters. It is not permitted to put your grass clippings in the brown trash dumpsters.

Thank you for your cooperation.

Jessica Thompson, Code Enforcement/Animal Control Officer
