Attention Stratford Residents

Please be mindful of the upkeep of your properties. Landowners are responsible for the lot upkeep from the curb to the alley. It is not permitted to dump tires, tree limbs, trash and other debris in the alleys. I have seen an increase of such items being piled up next to the dumpsters. Not only is this a violation of the City Ordinance but also a violation of the State law. State litter fines range from \$200 to \$2,000.

Sec. 8.05.010 Depositing offensive refuse

If any person in this city shall deposit or cause to be deposited offensive rubbish or refuse matter from any premises whatever in any street, alley, sidewalk, gutter, creek, branch, square, lot, or other place, private or public, within the limits of the city, he shall be deemed guilty of a nuisance. (1977 Code, sec. 10-19)

Since we are now into mowing season please place your grass clippings in the green dumpsters. It is not permitted to put your grass clippings in the brown trash dumpsters.

Thank you for your cooperation.

Card of Thanks

Bill & I would like to thank everyone for the prayers and concerns during his tests and treatments. We are truly blessed to live in a community that is so caring and compassionate. I also want to thank those at Stratford Feedyard for helping cover for me while I have been gone it is wonderful knowing that I have that support as well. A week ago Billie Zak brought Bill a Prayer Quilt from the Baptist Church and it touched our hearts to know that a prayer was said for every tie in the quilt and that these people took the time to do this for him. I also want to thank my mother Judy Williams for taking care of our animals while we have been gone. God bless each and every one that has been there for us.

Thank you
Bill & Merlene Dean

Smart Ways To Keep Your New Home Safe

(NAPS)—Home buyers rejoice—spring is here! Time to dig into the competitive real estate hunt and discover the home of your dreams.

ADT, the leading provider of home security and automation, works with new home owners throughout the year, and has shared a check-list to make sure your new home is both safe and smart.

Protect Your Investments

In the excitement of finally moving into your new home, two factors many new homeowners forget to consider are carbon monoxide and fire detectors. Be sure to work with a home security and automation provider who connects these monitored devices with your home security panel to get alerts when carbon monoxide levels increase or smoke occurs. Your family's safety shouldn't depend on just hearing and responding to an alarm; be sure to get 24/7 professional monitoring by real people.

Embrace Complete Home Automation

Wireless home automation systems have many benefits. Not only can you check in on your home from a remote location, you can manage everything from your home security: lights, locks and more. If you're an ADT Pulse customer, home automation is at your fingertips...and your voice. The system is compatible with Amazon Alexa Skills, which make controlling your home's

functionality simple and efficient, so you can focus on more important things—such as how to furnish your new space.

Note Your New Territory

One of the easiest and most helpful items on your checklist should be to use identification stickers. Stickers for children's rooms and pets' favorite places can help first responders find your loved ones quickly, so everyone can be safe and secure in an emergency. If you're an ADT customer, these stickers are available to you at no cost. Put them to good use on your new home so you're prepared in advance of any emergency.

Thank A Teacher

(NAPS)—Although National Teacher Appreciation Week begins on Sunday, May 7, 2017, any time is a good time to acknowledge all the teachers who make a positive impact on children's lives.

Send A Free Thank-You Video E-card

To help facilitate giving thanks to our nation's often undervalued K-12 teachers, the national nonprofit AdoptAClassroom.org offers a free and easy way to thank teachers. Kicking off April 17, it allows people to preschedule free digital video thank-you e-cards, which the nonprofit will automatically send out during Teacher Appreciation Week.

"We wanted to make it easy for people to shower their teachers with gratitude during Teacher Appreciation Week," says Ann Ness, executive director of AdoptAClassroom.org. "We believe our video e-cards will put smiles on the faces of our nation's teachers."

To preschedule free video e-cards, go to adoptaclassroom.org/ThankATeacher, enter your teacher's name and e-mail address, select your favorite video e-card and add a personal message. AdoptAClassroom.org will automatically send all e-cards out beginning May 7.

Join Sheryl Crow

Nine-time Grammy Award-winning singer-songwriter Sheryl Crow wants everyone to understand the importance of thanking teachers.

"We need to support the teachers who changed our lives for the better; teaching is the most important job that exists," said Crow. "Join me and AdoptAClassroom.org in letting teachers know how important and appreciated they are for the work they do."

Grammy Award-winning singer-songwriter Sheryl Crow appreciates teachers.

As a former teacher who comes from a family of teachers, Crow understands just how challenging the profession can be.

On average, U.S. teachers spend \$600 a year purchasing school supplies for their classrooms and students. Twenty percent of teachers spend more than \$1,000 annually.

Give teachers your support this Teacher Appreciation Week. In addition to sending a meaningful thank-you e-card, you can make a donation to your favorite teacher on AdoptAClassroom.org to show your gratitude.

As an award-winning 501(c)(3), AdoptAClassroom.org makes it easy for individual donors and corporate sponsors to donate funds to K-12 classrooms in public, private and charter schools throughout the United States. To date, AdoptAClassroom.org has donated more than \$30 million to teachers and their classrooms.
