Property Tax Protest and Appeal Procedures

The law gives property owners the right to protest actions concerning their property tax appraisals. You may follow these appeal procedures if you have a concern about:

- the market or appraised value of your property
- the unequal appraisal of your property
- the inclusion of your property on the appraisal roll
- any exemptions that may apply to you
- the qualification for an agricultural or timber appraisal
- the taxable status of your property
- the local governments which should be taxing your property
- the ownership of the property
- the change of use of land receiving special appraisal
- any action taken by the chief appraiser, appraisal district or appraisal review board (ARB) that applies to and adversely affects you.

Informal Review

(Insert description of appraisal district's informal review process, if any, then give name and telephone number of person taxpayer should contact.)

In office informal review M-F 8:00-5:00 @ Sherman CAD, 402 N 3rd, Stratford or call 806-366-5566 for a review over the phone or to schedule an in-office review.

Review by the ARB

If you cannot resolve your problem informally with the county appraisal district (CAD) staff, you may have your case heard by the ARB.

The ARB is an independent board of citizens that reviews problems with appraisals or other concerns listed above. It has the power to order the CAD to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You will receive written notice of the time, date and place of the hearing. If necessary, you may request a hearing in the evening or on a Saturday or Sunday. Prior to your hearing, you may ask to review the evidence the CAD plans to introduce at the hearing to establish any matter at issue. The law provides that before a hearing on a protest or immediately after the hearing begins, you or your agent and the CAD shall each provide the other with a copy of any materials - whether in paper or electronic form - intended to be offered or submitted to the ARB at the hearing. (Multiple copies of these materials typically must be brought to the hearing so that each ARB member has a copy of all the materials to review.) To the greatest extent practicable, the hearing will be informal. You or a designated agent may appear in person to present evidence or you may send notarized evidence for the ARB to review at your hearing. The CAD representative

will present evidence about your case. You may cross-examine the CAD representative. The ARB will make its decision based on the evidence presented. In most cases, the CAD has the burden of establishing the property's value by a preponderance of the evidence presented.

In certain protests, the chief appraiser has the burden of proving the property's value by clear and convincing evidence. You should review ARB hearing procedures to learn more about evidence and related matters. You can get a copy of a protest form from the appraisal district office or from the Comptroller of Public Accounts at comptroller.texas.gov/forms/50-132.pdf.

You should not try to contact ARB members outside of the hearing. The law requires ARB members to sign an affidavit saying that they have not talked about your case before the ARB hears it.

Review by the District Court, an Arbitrator or SOAH

After it decides your case, the ARB must send you a copy of its order by certified mail. If you are not satisfied with the decision, you have the right to appeal. If you choose to go to court, you must start the process by filing a petition within 60 days of the date you receive the ARB's order. In certain cases, as an alternative to filing an appeal in district court, you may file, not later than the 45th day after you receive notice of the ARB order, a request for binding arbitration with the county appraisal district. In certain cases, you may appeal to the State Office of Administrative Hearings (SOAH). An appeal to SOAH is initiated by, not later than the 30th day after you receive notice of the ARB's order, filing with the chief appraiser of the county appraisal district a notice of appeal. Appeals to district court, binding arbitration, or SOAH all require payment of certain fees or deposits.

Tax Payment

You must pay the amount of taxes due on the portion of the taxable value not in dispute, the amount of taxes due on the property under the order from which the appeal is taken or the amount of taxes due in the previous year.

More Information

You can get more information by contacting your appraisal district at (insert appraisal district name, address, telephone number).

Sherman CAD
402 N 3rd, PO Box 239
Stratford, TX 79084-0239
806-366-5566

You can get additional information on how to prepare a protest from the Comptroller's publication, *Property Tax Basics*, available on the Comptroller's Property Tax Assistance Division's website at comptroller.texas.gov/taxes/property-tax/docs/96-1425.pdf.

Deadline for Filing Protests with the ARB*

Usual Deadline

On or before April 30 for residence homesteads and May 31 for all other property (or within 30 days after a notice of appraised value was mailed to you, whichever is later).

Late protests are allowed if you miss the usual deadline for good cause. The ARB decides whether you have good cause.

Late protests are not allowed after the ARB approves the appraisal records for the year.

Special Deadlines

For change of use (the appraisal district informed you that you are losing agricultural appraisal because you changed the use of your land), the deadline is not later than the 30th day after the notice of the determination was delivered to you.

For ARB changes (the ARB has informed you of a change that increases your tax liability and the change did not result from a protest you filed), the deadline is not later than the 30th day after the notice of the change was delivered to you.

(You may insert deadline for protests concerning omitted property if doing so would avoid taxpayer confusion.)

Protest Deadline 6-14-2017
Appraisal Review Board Meets 6-30-2017

If you believe the appraisal district or ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually Feb. 1) or no later than the 125th day after the date you claim you received a tax bill from one or more of the taxing units that tax your property. The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

* The deadline is postponed to the next business day if it falls on a weekend or legal, state or national holiday.

Attention: TAXPAYERS

At a time when people are concerned about the tax increases, everyone should make an effort to be better informed about the Texas property tax system and how it functions.

Main divisions of the property tax system are:

1. APPRAISAL DISTRICT which sets the value of property based on procedures established by state laws. These values are checked each year by the Property Tax Division of the State Comptroller's Office for accuracy. An Agricultural Advisory Committee of three local farmers reviews farm and ranch land values. The Chief Appraiser operates the Appraisal District office and is employed by an eight member board. This board is elected by the taxing units.
2. APPRAISAL REVIEW BOARD is a board of six local citizens who settle any disagreements between the taxpayer and the Appraisal District concerning value.
3. LOCAL TAXING UNITS (County, city, school, hospital, other governments) decide how much revenue will be needed to operate for the coming year. They then set the tax rate which determines how much tax liability each taxpayer will have. Each taxing unit has an elected governing body.

Through the checks and balances of the system, no one person has total responsibility for your tax bill.

The work of locating and placing value on property is completed for the 2017 tax roll. On May 15th, taxpayers were mailed a notice of proposed value on their property. **Now is your opportunity to respond if you have questions or difference of opinion in regard to this value. After the Appraisal Review Board meets on June 30th and approves the records, the Appraisal District has no more authority over the value.** The values then go to the taxing units in the form of an appraisal roll. At that time, the taxing units are preparing budgets and setting rates.

Most taxing units have contracted with the Appraisal District to do collection of taxes. The County Tax Assessor/Collector collects the County's taxes.

If you have any questions about the property tax system, please contact the Appraisal District Office at 402 N. Third, Stratford, or call (806) 366-5566.

Memorial Day at Stratford Cemetery

Written by Gaynelle Riffe

The American Legion Post 262 and Sherman County Historical Commission honored veterans, past and present at the Stratford Cemetery, Monday, May 29 at 10:00 a.m.

The program opened with invocation by Kevin Anderson, Assembly of God pastor followed by Pledge of Allegiance and National Anthem. Wayne Smith gave a History of Memorial/Decoration Day followed by honoring the branches of Service, and the presentation of the Veterans wreath by Joe Flores. The Sherman County

Historical Committee recognized the 100 year of WW I veterans buried in the Stratford Cemetery. Each name was read by Eddie Metcalf with a bell rung by Barbara Chumley. The program was concluded by a Volley Salute by the Sons of the Confederacy, benediction by Mark Loonie, pastor of Independent Baptist Church and Taps. (Notice WW I Centennial Display at 305 Main St)

The Boy Scout Troop helped the American Legion place the flags in the veterans metal markers (If you know of markers missing, please contact Robert McGinnis)

Donations are used to place stones at unmarked graves.

The Circus Came to Town!

By Gaynelle Riffe

Bailely's Circus from Hugo, OK, performed in Stratford on Wednesday. Not the Circus of old, animals are no longer allowed. The Circus is jugglers, clowns, magic, tumblers, popcorn, cotton candy, balloons, etc.

The Circus was held at The Imagination Station (Magic Station) as that was the only place available. The ceiling was not quite high enough for the acts but they managed quitwell. It was certainly large enough as the crowds were quite sparse and disappointing.

Timing was wrong, bible school, baseball, summer activities. Timing is always a problem if it does not include a ball.

I hesitate to invite entertainment to Stratford, such as Helen Blackburn the wonderful flutist from WTAMU. She would love to come and she is a super entertainer, but it would not be a good representation of Stratford if no one came to the performance.

If it is in our home town, is not a high dollar ticket, is not in Amarillo, Lubbock, Dallas, Denver, it must not be worthwhile. Think about what we might be missing.

One way to tell the difference between alligators and crocodiles is by their teeth. On crocodiles, the fourth tooth on each side of the lower jaw projects outside the snout when the mouth is closed.

It is illegal to chain an alligator to a fire hydrant in the state of Michigan.

Hints For The Home

Picking A Paint Color Is As Easy As 1-2-3

(NAPS)—Whether it's the sifting through mountains of swatches or trying to remember unique names for the color blue, selecting a new paint color for your home can be a daunting task. However, Chris Stigliano, merchandising director at Lowe's, says there are three stress-free steps you can take to ensure you choose the right color.

Before you begin painting your home, you should consider following three key steps.

Step 1: Size Up Your Room

- **Consider its shape and size:** A lighter color can make a small room feel more spacious, while a darker color can help an immense room seem cozier.
- **Take architectural details into account:** Think molding, trim, columns and brackets. What's attractive and what's not? Varied intensities and hues can complement architecture, furnishings and art. The right paint can accentuate a room's features or hide them.
- **Factor in function:** Will the main purpose of the room be eating, sleeping, working, entertaining or something else entirely? A warm color in the living room or family room creates a more comfortable and inviting atmosphere for guests than a cooler one.

Step 2: Determine Color Palette

- **Consider yourself:** Paint color should reflect your mood and personality. What are your favorite colors? If you're having trouble selecting a shade, try looking in your closet. The colors you enjoy wearing are the ones that make you feel good. You're the one who has to live in the space so live with the shades you love.
- **Emotional response:** Studies show that room color can affect your mood. Hues of blue, green and neutrals—such as beige, gray and white—can create an overall sense of calm. On the other hand, shades of red, orange and bright yellow provoke high energy. Find out the colors that work best in each area of your home.
- **Work with what's already there:** If you've already chosen an interior decor or if you're working with a room that's already furnished, focus on a favorite fabric color, piece of art or furniture, or other object. Bring a pillow, piece of fabric or even a favorite pair of shoes to Lowe's and an associate will custom blend a paint shade to match.

Step 3: Get Samples

- **Ask for a color wheel:** The color wheel has thousands of hues to choose from so bear in mind that paint is generally divided into two groups: bolds—reds, greens, pinks, blues, greens and purples—and neutrals—pastels, beiges, grays and whites. Neutrals are generally considered to be a safer choice because they blend with many different decor styles, meaning if you plan to change your decor later, you can often keep the same color walls.
- **Get three or four colors you like:** Colors in the store often look different at home because of the changes in light. Rather than running the risk of getting a gallon of paint you don't like, try a few samples first. Samples are an inexpensive way to ensure you're making a good choice.
- **Test:** Paint a one-foot square in each color on your wall. Over several days, watch the colors at different times of day, comparing natural sunlight and artificial light.

By following these simple steps, you will increase your color confidence. So don't be afraid to paint bold and bright. If you love a vibrant color such as peacock blue or fuchsia, go for it!

Learn More

If you buy your paint from Lowe's and aren't in love with the color once your room is finished, Stigliano reminds us that you can simply return the unused paint to your local store and they will replace it with another color. For more painting ideas, tips and product solutions, visit Lowe's.com/Paint.
