SMITH AGENCY SALE

Miles and Wayne Smith are proud to announce the sale of Smith Agency to Jay Lindley and Jaime Johnson. Jay and Jamie have formed a partnership and will own and operate the agency in Stratford. Both have extensive experience and knowledge of the insurance industry and have been licensed agents for many years.

B.L. (Chuck) Smith started Smith Agency March 1, 1967 purchasing the agency from Minnie Laura Jackson and the W.N. (Pinky) Jackson. He operated the agency in the old Legion Hall, and then later in 1986 the agency was moved to its present location. Chuck purchased the First State Insurance Agency in 1987 from J.A. Whittenburg, III. Chuck passed away shortly afterwards in 1987 and Miles and Sharon worked together in the agency. In 1995, Wayne retired from the U.S Navy and returned to Stratford and came into the agency. Sharon retired from the agency in 2012 at which time Miles and Wayne continued the operation. In March of this year, the agency celebrated its 50th Anniversary.

Miles and Wayne both indicated that Jay and Jamie will bring a wealth of knowledge and expertise to the table. "They will bring in more companies and will give our customers more choices and better pricing in the future." Miles will continue working in the agency.

It has been our honor and privilege to serve our customers over the last 50 years. We hope you will come by the agency in the future and visit Jay and Jaime and get to know them. We believe that they will be great assets to the community.

Fumonisin update meetings set Dec. 19 in Dumas, Dimmitt

Writer: Kay Ledbetter, 806-677-5608, skledbetter@ag.tamu.edu Contact: Dr. Jourdan Bell, 806-677-5600, Jourdan.bell@ag.tamu.edu

AMARILLO - Texas Corn Producers and the Texas A&M AgriLife Extension Service will host two update meetings Dec. 19 regarding fumonisin issues in corn this year and what to expect for 2018.

"These meetings will offer our farmers an opportunity to review the regulations and policies related to fumonisin and provide guidance on planning for the year ahead," said David Gibson, Texas Corn Producers executive director, Lubbock. "We want to ensure farmers have the information and resources available to adequately mitigate fumonisin risk."

The first meeting will be from 9-11:30 a.m. at the Moore County Community Center, 1600 S. Maddox St. in Dumas. The second will be from 5:30-8 p.m. in the Castro County Expo Center, 405 S.E. 4th St. in Dimmitt.

High levels of fumonisin in corn harvested this year in the Texas Panhandle resulted in about 700 farmers, crop consultants, insurance agents and end-users attending two emergency meetings in September.

Fumonisin is a mycotoxin produced by two species of Fusarium fungi that can cause illnesses in livestock and humans, so there are regulatory limits to the amount corn can contain.

Dr. Jourdan Bell, AgriLife Extension agronomist in Amarillo, and Dr. Jason Woodward, AgriLife Extension plant pathologist in Lubbock, will begin each meeting with a discussion on production.

"We know that fumonisin occurrence is very dependent on weather conditions from year to year, but there are some agronomic steps producers can take to help minimize their risk," Bell said.

Each meeting will also include representatives of the U.S. Department of Agriculture's Risk Management Agency providing a crop insurance update and reports from representatives of a Lending Task Group and Marketing Task Group. Both meetings will conclude with a question and answer session.

Reinke Recognizes Texas Electric Company as Top Five Dealer in Territory Sales

(DESHLER, Neb. - December 2017) - Reinke has recognized Texas Electric Company in Stratford as one of its top five highest selling dealers in the South Central Territory, in acknowledgement of the company's marketing year success.

Texas Electric Company also received a Gold Reinke Pride award. The dealership was honored during Reinke's recent annual convention held in Omaha, Neb.

"Congratulations to Texas Electric Company on receiving this recognition," said Reinke Vice President of North American Irrigation Sales Mark Mesloh. "We appreciate the dedication that they show to their agricultural community and are happy to have them representing the Reinke brand."

Reinke dealerships from across the United States and Canada gather each year to attend the company's sales convention. The convention awards ceremony recognizes select Reinke dealerships for their hard work and dedication to sales and marketing throughout the past year.

The Reinke Pride awards are determined as part of an incentive program that distinguishes superior achievement levels according to an evaluation based on a dealership's exterior and interior housekeeping and maintenance, indoor and outdoor displays, safety, retail environment, merchandising, professionalism, promotions and event participation, and market share.

Time Out with Rog!

Well those pundit in Amarillo that thought Panhandle was gonna give us all we wanted...Nah. Wow we had over 500 yards compared to their 139 which is almost 4 football fields. We had 6 different players score and that's half a dozen. It was a fantastic night for all the Stratford Elks except for the one wearing the head phones on the other side of the field and the superindent!! It was a perfect night for football and a perfect night to be a Stratford Elk 61-7!!!! This week we play another Panther which is another feline. My sources say they are as fast as a Jaguar, but they haven't seen our swarming S's and boy do they love to hit you. This week we play in Snyder which is a stadium we have never played. I know it's a long ways on a Thursday, but if the outcome is correct it will be worth the drive. It's the semifinals people we haven't been here since 2009. It's a long ways people but moments like these don't last long, like my hair. So meet the Lady Elks, Hugoton Tournament Champs, in Snyder on Thursday, Let's pray for our President and our Country. Once an Elk always an Elk.
