Annual Singing Convention Stated Sunday, April 25

Haskell County's 42nd annual Singing Convention will be held here, Sunday, April 25, from 10 a. m. to 4 p. m. at the American Legion Building, Halbie Chapman, president, announced today.

"We are asking everyone to circle this date on their calendars" to assure the largest turn-out ever in our history," Chapman said.

Outstanding quartets from a wide area are expected to participate in the singing convention in Haskell.

Chapman also announced that the Wofford family, Joe, Carl, Elmer, Henry and Jesse, will be guests in the Halbie Chapman home from 6:00 to 9:00 p. m., on Saturday, April 24th. Friends are invited to drop by and visit them.

The Woffords will remain in Haskell for the singing convention on Sunday, April 25.

"Many of the older residents of Haskell will remember the Woffords, who left here in 1918," Chapman said.

A more detailed story concerning the convention will be carried in next week's Haskell Free Press.

Christian Church Sets Revival Dates

CECIL BEAVER
Evangelist

Revival services will begin April 19th and continue through April 25th at the Haskell Christian Church, Royce E. Wood, minister, announced.

Cecil Beaver, minister of the First Christian Church, Dalhart, Texas, will be the evangelist.

Evening services will be at 7:30 o'clock, with Sunday services at 10:45 a. m., and 6:30 p. m.

Mr. Beaver was born and reared in Arcadia, Texas, attended public schools there and went to Johnson Bible College, Kimberlin Heights, Tennessee. He preached two years at Dun- canville, Texas, seven years at Palestine, Texas, and has been at the Christian Church at Dalhart for four years. He is married and has two boys and two girls all of school age.

Some of the messages Bro. Beaver plans to preach are: "The Devil's Creed," "Jesus, The Christ of God," and "Ready or Not." Bro. Royce E. Wood extends a cordial invitation to all in the Haskell area to attend these services. A nursery will be provided. The messages is Scripture and song will inspire and challenge all who attend.

Annual City-Wide Spring Clean-Up Campaign Gets Underway Monday

Annual Spring Clean-Up in Haskell will officially get underway next Monday, April 19th, when city trucks begin hauling away trash and rubbish from the residential areas of town.

In designating the coming week, April 19th through 24th, as Spring Clean-Up, city officials hope to make this the most intensive and thorough campaign of its kind in years. To that end the cooperation of all homeowners and citizens is necessary, as well as the help of civic groups and organizations.

Residents are urged to rid their premises of winter rubbish, weeds and other unsightly growth, and to join with their neighbors in cleaning vacant lots.

The city will provide trucks to haul away rubbish, trash of all kinds (except tree limbs, and anything that will not burn) at no cost to homeowners. However, all trash should be put in containers for quick handling, but if unable to get containers, rubbish should be piled in a location accessible to the city trucks.

Here are some of the things residents can do to help promote the City-Wide Clean-Up Campaign:

• Clean out basements, attics, garages, etc., of things that might be a fire hazard; clear your yards or lots of all rubbish; trim shrubbery, hedges, repair and paint fences; clear off any vacant lots, or space you are going to use for gardens.

• In the business section, keep windows clean and sidewalks clean, rear entrances free from unsightly rubbish; don't throw garbage or refuse of any kind in back yards, or vacant lots; place garbage and trash in piles for easy pickup and put in accessible location.

• Clean-Up Week will also be an ideal time to paint up and brighten up your home, and make this community more attractive, and a beautiful city.

Special Meeting Set For World War I Veterans, Wives

A special meeting for all World War I Veterans, their wives and widows, in Haskell County, will be held in the American Legion Hall, Haskell, Thursday, April 22, at 6:00 p. m.

Speakers from Abilene and 17th District will be present in the interest of the State Department of World War I Veterans Conventions to be held in Abilene, July 16, 17, 18.

Officers of the 13th District will be on hand to speak in the interest of the 13th District meeting to be held in Seymour, May 16.

Haskell County Barracks 1816 and ladies auxiliary will host the April 22 meeting in Haskell.

Miss Barbara Marsee To Begin Home Demonstration Agent Duties May 1st

MISS BARBARA MARSEE

Fern Hodge, District Agent, District 3, announced today that the Commissioner's Court of Haskell County has approved the appointment of Miss Barbara Marsee as Home Demonstration Agent for Haskell County.

For the past three months, Miss Marsee has been serving as Junior Assistant, Jones County, training under Mrs. May Newberry, Home Demonstration Agent, Jones County.

Miss Marsee will assume her duties here May 1. She is a January graduate from Texas Wesleyan College, Fort Worth, with a B. S. degree in Home Economics.

Miss Marsee is a Stephens County native and was active in 4-H club work. She is a 1961 graduate of Breckenridge High. While in high school she was a member of the student council, Future Homemakers of America and the Breckenridge Buckaroo Sweetheart for 1961.

At Texas Wesleyan College she was Dormitory President two years, a member of the dormitory council, Gamma Omicron, American Home Economics Association, Gamma Omicron "girl of the month," and has received a fashion award from Leonard's Department Store.

Miss Marsee is the daughter of Mr. and Mrs. Joe Marsee, Route 2, Breckenridge, and is a member of the Baptist Church.

Mike Campbell Died Suddenly Tuesday Night

Mike Campbell, 72, retired newspaperman, died suddenly Tuesday at his home, 1209 South 3rd St., at 10:10 p. m., while watching TV.

Final rites will be held today, Thursday, April 15, at 10:00 a. m., from the First Presbyterian Church, Haskell, with the Rev. Douglas Finch officiating.

Michael Campbell, age 14, said his father just slumped down in his chair while viewing the 10:00 news, and never uttered a word. He apparently was feeling well during the day, Tuesday, as he made his usual visits around the square, and had not complained of feeling ill, prior to his sudden death, apparently from a heart attack.

Mike had visited the Free Press office Tuesday morning to say hello and chat with members of the press.

The Campbell's came to Haskell from Stamford about 15 years ago, and Mr. Campbell was linotype operator on the Free Press until three years ago when he retired. He was employed on the Stamford American for several years.

"Mike," as everyone called him, had a wide experience in the newspaper field, serving in most every capacity during his long years of newspaper work. Most of his life was spent in the printing business, where he started his newspaper career at Frost, Texas.

The famed Boyce House, in a number of his books and other writings, had referred to Mr. Campbell's writings and sayings, many times.

He was born August 20, 1892, at Blooming Grove, Texas, and was married to Hazel H. Alford, August 3, 1949, in Wichita Falls, Texas.

Survivors include his wife, Hazel, of the home, one son, Michael L., and one sister, Mrs. Dewey Cleveland, Hillsboro, Texas.

Palbearers will be Jetty Clare, Al Hinds, Leslie Collins, Wallace Cox Jr., O. V. Kreger and Hamp Harris.

Services will be under direction of Holden Funeral Home, and interment will be made in Willow Cemetery, Haskell.

In order to stay in touch with his cherished newspaper work, Mike had been writing a column, "Mike's Mumbblings," for the Free Press during the past several weeks. He had a "backlog" of two columns which will continue to appear in the Free Press the next two weeks.

Variety Show Benefit Danny Isbell Success

The "Variety Show," benefit of Danny Isbell, held at the Paint Creek School gym Tuesday night, drew a packed house, with some 650 persons attending.

Around \$1,000 was raised from the benefit show and concession stands.

The planning committee composed of Abe Turner, Pat Morrison, Ira Coleman, Gene Overton, Mrs. Ray Perry, R. V. Earles, H. B. Montgomery, Homer Livengood and Mrs. V. W. Hand, expressed thanks to the entertainers, merchants and everyone who worked so diligently in presenting the benefit show.

Danny Isbell, 15-year-old Paint Creek High School football player, was injured in a football game last October 15, and since that time has been receiving treatment in Baylor Hospital, Dallas.

Dr. Skiles Of Abilene Speaks To Rotarians

Dr. Elwin Skiles, of the First Baptist Church, Abilene, spoke to members of the Haskell Rotary Club, Thursday noon concerning his visits with Rotary Clubs around the world and showed some very interesting slides he had taken on his various tours.

Tom Barfield, program chairman, introduced the guest speaker.

"It is interesting to learn how Rotary is helping to bring about better understanding throughout the world, and to see how it affects the lives of all who come into contact with it," Dr. Skiles said.

President Roy Johnson called the meeting to order and Rev. Douglas Finch, minister of the First Presbyterian church gave the invocation.

Ira Hester introduced the following guests: Joe Debellah, of Old Glory, guest of Stanley Furrh; Miss Sandra Calhoun, guest of Bob Herren and H. T. Wilkinson.

Birthdays for the week were announced by the president as follows: Brooks Middleton, Gene Hunter, Henry Withers and Haskell Stone. Happy birthday greetings were extended to them.

Woody Woodard led the group in singing two songs, accompanied at the piano by Mrs. Henry Withers.

Boykin Withdraws In Favor of J. E. Jetton At Weinert

R. W. Herricks, unopposed candidate for mayor, received 32 of 34 votes cast in the city election at Weinert. O. W. Vaughn, candidate for alderman, received 21 votes; L. J. (Bud) Adams received 20 votes. J. E. Jetton and Ted Boykin tied for alderman with 17 votes each; R. M. Walker and M. R. Boykin were low with 15 and 9 votes each.

Ted Boykin withdrew in favor of J. E. Jetton, prior to the city council meeting last Thursday evening. Other members of the city council are Don Griffiths and E. S. McGuire.

Election judge was Mrs. R. A. Mathison. Clerks were Mrs. J. W. Liles and Mrs. J. A. Driggers.

Final Rites Are Held For Mrs. Farley

Funeral for Mrs. J. C. Farley, 84, was held at 4 p. m. Monday in Rochester Church of Christ. Mrs. Farley and her late husband operated a hotel here many years.

Mrs. Farley died last week at Lawton, Okla. She was born on July 23, 1880, in Grayson County, and came to Rochester in 1906.

Work Day Set At Pleasant Valley Cemetery

Mrs. W. P. Curd, announced that next Thursday, April 22, has been set as "work day" at the Pleasant Valley Cemetery. Everyone interested in helping with cleaning-up the cemetery is asked to be on hand.

In addition to a general "clean-up", the flattened and sunken graves will be filled in, and old timers are especially asked to be present, to help identify some of the graves, Mrs. Curd said.

Workers are asked to bring hoes, rakes, etc.

Haskell Receives More Moisture

Haskell is receiving its share of April showers.

22 of an inch was registered by Sam Herren. "The Weatherman," Thursday morning, April 8, and .74 was gauged Friday, April 9.

.07 fell here April 11; .02 April 2, and .16 on April 5.

At press time .31 had been registered from Wednesday's showers.

Sacrament Of Holy Communion Tonight, Thursday

The Methodist and Presbyterian congregations of Haskell will join together tonight, Thursday, April 15, in the celebration of the Sacrament of Holy Communion. The service will be held in the downstairs section of the Presbyterian Church at 7:30 p. m.

Communion will be served at table by candlelight. The service is the traditional Maundy Thursday celebration, remembering the night that Jesus instituted the Sacrament in the Upper Room.

All persons of the Christian faith are cordially invited to take part in the open communion.

The Presbyterian and Methodist ministers of the Haskell churches will preside.

Final Rites Are Held For W. H. Matthews

Final rites were held Wednesday, April 14, at 4:00 p. m., from the First Assembly of God Church, Haskell, for William Harlon Matthews, 82, who passed away Monday, April 12, at 9:15 p. m. Rev. Ode Stewart and Rev. S. M. Malone, officiated.

Mr. Matthews, who resided at 206 South Avenue L, Haskell, died in the Shady Oaks Lodge, Abilene, where he had been for only two weeks and two days.

He was a retired farmer and minister.

Born November 12, 1882, at Argyle, Texas, to W. L. and Mary Ida Frances Matthews, he was married to Miss Alice Tidwell in November, 1910. She died in December, 1945, and his second marriage was to Mrs. Maude Eason Burns on January 4, 1918, in Fort Worth, Texas.

Survivors include his wife, Mrs. Maude Matthews, Haskell; one foster son, Harlon N. Horton, Fort Worth; four step-sons, Rev. A. E. Burns, Fort Worth, G. E. Burns, New Orleans, La.; Rev. Franklin Burns, Munday; five step-daughters, Mrs. Mary Beatty, Dallas, Mrs. Wilma Col- lum, Morgan City, La., Mrs. Henrietta E. Ferdinadsten, Mrs.

Lions Hear Speech Students Tuesday Noon

Paula Haynes, Linda Sampson and Dianne Hester, Haskell High School Speech students of Mrs. Terry M. Diggs, presented the program Tuesday noon at the meeting of the Lions Club.

Vice-president, Jim Sampson, was program chairman for the day, and introduced Mrs. Diggs, who in turn introduced the student guests.

Dianne Hester, first place winner in the 5-AA literary events, gave her interpretation reading of a poem, "Morning Sentinel" by Conrad Aiken.

Paula Haynes, first place winner, prose, 5AA, gave a commentary on "Memories of Robert Frost," by Ralph McGill.

Linda Sampson, who placed on the "all-star" cast in "Cradle Song," 5AA, presented a reading of "Old Man at the Bridge," by Ernest Hemingway, in the fiction department.

Mrs. Diggs praised the students very highly and from the performance before the Lions Club, the students deserved every bit of the credit.

Raja Hassen was commended for distributing and picking up the song books (for one time-on time).

Guests other than those appearing on the program were Charles Merritt, and Sarah Cox (daughter of Wallace Cox Jr.)

Specialist To Hold Training Meeting Here

Miss Rhea M. Boyles, clothing specialist from College Station, will be in Haskell, Friday, April 23, to give a type training session on choosing and weaving accessories.

The meeting will be held in the Community Room, Haskell National Bank, from 2:00 to 3:30 p. m. on the above date.

Miss Boyles said that this meeting will be open to all women in the county who are interested.

Haskell Places Second In District 5AA Track Meet Held At Sweetwater

The Haskell Indians placed second in the District 5-AA track and field meet held at Sweetwater, Saturday, however Winters finished with 168 points, more than doubling the second-place Indians.

Team totals were as follows: Winters 168; Haskell 83; Stamford 62; Colorado City 49½; Anson 47; Ballinger 45; Hamlin 41 1/4.

Haskell's fine sprint relay team suffered a setback with its best leg, Joe Josselit, having trouble with one of his best legs. The Indians toured the oval chasing Winters, the winner, in 45.0.

Josselit still managed second in the 100 behind Winters' winner, at 10.0 while brother, Ronnie, was close by at 3rd. Joe limped through a 220 well enough to take another second, again behind Winters at 22.2, while Ronnie chased him in 5th. Gary Connor won the 180 yard low hurdles in the record-tying time of 20.8 while team-mate Dennis Turnbow was 3rd. Connor won the highs in 15.2. Dennis Turnbow was fourth in the high jump and the Indians were sixth in the mile relay.

Winters accounted for all four new records.

Stamford took first place in the junior varsity meet.

Central Missionary Baptist Revival Now In Progress

Revival Services which began Sunday, April 11, will continue through Sunday, April 18, at the Central Missionary Baptist Church, with the pastor, W. L. Henry, serving as Evangelist.

Services are being held at 8:00 p. m. daily, with Leonard Sciffes, leading the singing.

"We extend a hearty welcome to everyone to attend the remaining services, of gospel messages and inspiring music," Rev. Henry said.

Pinkerton-Foster Whitman Event Set April 24th

Oldtimers from the now all but extinct and once thriving northwest Haskell County communities of Whitman, Pinkerton and Foster, three of some 40 to 50 which dotted this county in the pre-World War I days, will converge on the American Legion Hall April 24 for their annual reunion.

The Whitman, Pinkerton, Foster assembly is one in which many citizens of the Haskell County of yesteryear. A large number of senior citizens are expected to attend the 1965 gathering for fellowship, food from picnic baskets they spread in the Legion Hall and at nearby Rice Springs Park.

This is one of the red letter days of the year for oldtimers in this area to stay in touch, year to year, according to H. W. Smith, president, and Mrs. Claude Ashley, secretary, of the reunion.

Flying High Again

Kite flying has been one of the more harmless and inexpensive pleasures which people have long enjoyed. For hundreds of years, it has been a national pastime in Asiatic countries, sometimes connected with religious ceremonies or superstition. The Chinese, Japanese, Koreans and others developed complete kites resembling dragons, butterflies, fish, even musical kites... their construction and flying became and remains an art in itself.

The process is much simpler in this country. But the winds and weather of Spring are bringing the usual tens of thousands of high flying kites—attached to an equal number of children.

We should all be reminded that there are hazards in this sport and every parent and child should be familiar with some of the important "DON'TS" of kite flying:

Don't use tinsel string, wire, or any twine with metal in it. Don't fly a kite with metal in the frame or tail. Don't fly a kite in the rain. Don't run across streets or highways while flying a kite. Don't fly a kite over TV or radio aerials or near electric power lines... if a kite becomes entangled in electric power lines, leave it there and don't touch the string or in any other manner attempt to get it down.

Whether you are flying a dragon or a butterfly or one of the familiar diamond shapes from the corner grocery store, these safety "Don'ts" still make sense. They spell the difference between safe fun and possible serious injury.

Spring Clean-Up Time

Along with thousands of towns and cities from coast to coast, our town next week is making a concerted effort to brighten up our homes and the community in general.

Our local Spring Clean-Up committee urges you to help us in our drive to make our town more beautiful.

You can help by beginning at home. The American Insurance Association suggests that you make Spring Clean-Up Week a time to check your home for fire hazards from attic to basement and throw out accumulations of old newspapers and other combustibles upon which fires feed.

By so doing, you will perform two jobs at the same time: (1) you will get rid of unneeded trash, and (2) you will have eliminated potential fire hazards.

Fire losses in the United States have been exceeding \$1-billion annually. Many of the tens of thousands of fires which occur should never have happened.

Fires involve lives as well as property, it should be remembered, and Spring Clean-Up can help save lives and injuries. It is a tragic fact that more than 11,000 persons lost their lives in fires last year.

Spring Clean-Up should be carried on outside as well as inside the house. Rake up dead leaves and small branches that may have accumulated in your yard during the winter.

And don't forget to place your rubbish on the curb on the day designed for pickup in your neighborhood.

Monetary Evidence

The average income of men with a college degree is on the verge of reaching \$10,000 a year to establish a new financial milestone in the rising money value of an education.

The figure crossed \$9,500 a year in 1931, and has been going up steadily throughout the post-World War II period, according to new data compiled by the U. S. Bureau of the Census on the average income of males, 25 to 64 years old, by years of school completed.

The biggest rise, which added up to practically \$2500 in annual income, occurred between 1929 and 1934. The rate of growth has slowed down noticeably since then, but the annual income figure increased by another \$800 for the 1934-35 period.

Since these figures are statistical averages for all adult males with a college degree during the predominant part of their working lives, they do not necessarily apply to individual cases. However, while some will lag many others will go on and do far better than average, based on their own capacity and ambition, and their adaptability and performance in an age of rapidly increasing technology in the means of production and in other economic activities.

The timeliness of the latest evidence on the dollars and cents value of an education and its growth is enhanced by the importance of the current period in the educational calendar, when more than 4,000,000 of our youth will get their coveted sheepskins this year from colleges and universities, and about 1 3/4 million more will be awarded high school diplomas. Beyond that, the figures serve as a reminder to many millions of others still in school of the importance of going on to attain the educational groundwork and training so vital to individual progress in our times.

The foregoing indicates tangible challenge enough to folks in this area to band together, to provide for their very own, education beyond the high school!

Neglect of The Historic

A new directory of historical museums in Texas has been issued by the Texas Historical Survey Committee.

The directory, by its omission of any listing for Haskell calls attention to the lack of a museum here.

Many places in Texas have a history that figures importantly in early settlements, the Texas War for Independence, and the frontier which had to be guarded against both Indians and outlaw depredations.

Haskell is not lacking in significant historical background which should be pointed up for posterity. That is the reason an intensive effort has been made here to get the railroad museum project here up and going.

Several collections and many individually owned articles that would be properly housed in a museum, are available, if there were a place to put them.

With the exception of a tenacious few, who are holding to, and they should be commended for their interest and exemplary effort the matter apparently is being left by the present and older generations to older generations, and that could be tragic.

Meanwhile, what properly belongs here will, in all likelihood, be scattered about. Some of this attrition of matters historical in the Haskell area has already taken place.

The effort which eventually will be made to preserve the history and the historical articles of Haskell and vicinity will have to be all the greater for the neglect that is so apparent.

We urge every last citizen to get behind and actively support the hard-working Haskell County Historical Survey Committee to make reality of our old depot museum here. The entire territory will benefit.

Haskell County History

30 YEARS AGO (April 11, 1905)

Very few voters in the Haskell Independent School District exercised their right of franchise in the election of two school trustees for the current two-year term here Saturday, and only 106 votes were cast in the election. Lynn Pace, Haskell winner, present trustee up for re-election, received 65 votes and Clay Smith, young hardware merchant, polled 63 ballots, to win the two open places, while J. M. Crawford, winner, whose name was filed for re-election, and Sam A. Roberts, publisher, followed with 52 and 34 votes respectively.

With practically every member of the team in good condition, Manager O. W. (Mack) Major will send his Haskell Braves against the Western States club here Sunday afternoon at 3:00 for the first baseball game of the season.

Drawn to serve as Grand Jurors at the April term of the District Court of Haskell County are: R. C. Montgomery, Evans Ray, A. J. Josselyn, Hollis Atkinson, Jno. Ivey, Edwin Patton, W. E. Bland, A. J. Fouts, Ray Eastland, Ollie Gilliland, W. Z. Wedzeck, Scott Huthens, J. F. Simmons, E. L. Riding, H. M. Conner, Jessie L. Wright.

The varied duties of a West Texas sheriff present full 24-hour daily schedule. Records in the office of Sheriff Giles Kemp of Haskell County, reveal that in this 90-day period 108 arrests have been made by the sheriff's department, and he has traveled more than 11,000 miles in the three-month period.

W. E. Sherrill, R. J. Patson, T. W. Flenniken and F. L. Daugherty attended a Masonic Lodge Banquet in Hamlin Monday night.

Mrs. Mildred Banks has been appointed representative of Investor's Syndicate.

Willon Kennedy, formerly employed with the local Texas State Highway Department here, has accepted a position with the Panhandle Garage and Service Station, and entered upon his new business Monday.

Mr. and Mrs. T. V. Post and son returned from Tyler Saturday where Mr. Post had been on business.

40 YEARS AGO (April 10, 1925)

The postoffice at O'Brien was robbed last Friday night, and \$40 in cash, and about \$140 worth of postage stamps were taken.

432 votes were polled in the City Election, Tuesday, which was probably the largest vote cast in several years. W. T. Sarrels was elected City Marshal over W. E. Welsh by 15 votes. G. B. Fields, R. R. English and J. B. Post were elected Aldermen.

Very little interest was manifested in the School Trustee election which was held last Saturday. Jno. Couch, E. J. Christian and Oscar Oates were elected without opposition.

The Haskell Band will give a concert at the High School Auditorium on April 17.

MIKE'S MUMBLINGS

By MIKE CAMPBELL

Martin Luther King has gone a little too far when he has called for boycotting as a weapon as a means to reach his goal. Boycotting isn't condoned by any law-abiding American.

Do we have dictators in the United States? Well, there is a group of ex-politicians in Washington, who ruled that prayer cannot be held in schools, and their way is the ultimate.

Then we have one closer to home—the head of the Inter-scholastic League at Austin. The Haskell football team was once eliminated from competition due to an official being roughed up a little by a citizen after the game ended. No one connected with our school system was implicated in the affair in any way. The boys who had given their all on the field were innocent of any wrong-doing; yet there may have been one or two senior boys deprived of an athletic scholarship in a college or university by the Austin edict—no recourse—no appeal.

Since the departure of former editor, Porter Oakes, the "Thang", like the Turk, "has folded his tent and silently stolen away."

A wrong letter in a word can

change the meaning of a word as shown in a newspaper article: "Jones was always the life of the party with his birth-provoking antics."

"The price of liberty is eternal vigilance." But remember, friends, the price of The Free Press is only a dime.

With the sun beaming down has succeeded in bringing a lot of us out of hibernation.

Snap judgment doesn't always work out that way. For instance, when I first observed George Neely I put him down as being of a gruff, taciturn disposition. How wrong can a fellow be? Later on, I found him to be a man easy to approach, who enjoyed jokes, even though he happened to be the target, and above all, like myself, he likes sports. Yep, snap judgment is pretty unreliable.

assistant cashier of the Haskell National Bank for the past five years, was promoted to the position of cashier of this popular institution at a meeting of the directors, which was held Friday. Mr. Pierson is one of Haskell's most promising young business men and his host of friends will be glad to hear his promotion.

With a good deal of satisfaction the management of the Haskell Free Press announces the installation of a new model 14 Linotype machine. We invite the public to pay us a visit and see this mechanical marvel.

Every merchant in Haskell is asked to furnish one or more men or clerks from their store to finish up the intensive clean-up campaign on Friday afternoon, April 10. Workers are asked to meet on the north side of the courthouse square at 1:00 o'clock.

Mr. T. E. Phillips, living in the west part of Haskell, has recently repaired his home, and is now putting on a new coat of paint.

Sam A. Roberts and little son, Paul Wesley, made a business trip to Chillicothe Friday afternoon, returning Sunday. Mrs. Grady G. Roberts, who had been visiting her father, returned to her home in Chillicothe with Mr. Roberts, Friday.

60 YEARS AGO
(April 15, 1905)
J. C. Drapier, who is farming on wild horse prairie, was in town one day this week and in conversation with the Free Press reporter said that a large acreage had been planted in corn in the neighborhood, and that the cotton acreage would be cut down fully twenty-five per cent.

My stock of ladies' dress goods is extra nice this spring. The ladies can't afford to buy their nice dresses until they have seen the new patterns in my stock. All kinds of silk and novelty trimmings, embroideries, laces, etc. Call in and see them. S. L. Robertson.

Mrs. Joe Irby's having a new residence erected in the northeast part of town.

On last Friday afternoon from 4:00 until 7 o'clock, an unusually interesting meeting of the different church societies of the town was held in the spacious parlors of Mrs. M. S. Pierson. The ladies of the Baptist society who assisted Mrs. Pierson in receiving gave a hearty welcome to the ministers of the different churches and the many ladies who were in attendance.

G. R. Couch, J. E. Hubbard,

Spray new Caparol when planting your cotton to control weeds.

Spray new Caparol* in a band or broadcast when planting your cotton for effective, early-season control of most annual broadleaf weeds... like carelessweed (pigweed), annual morning glory, cocklebur, lambsquarter and many other problem weeds.

You'll also get control of many grass-type weeds, such as crabgrass and goosegrass.

Early-season weed control with Caparol means you'll be able to eliminate that first, slow cultivation. So you won't be plowing out or covering up young cotton. All it takes is moisture to move Caparol into the soil.

You can also apply new Caparol after your cotton is up six inches or higher, or at layby. Just direct the spray to the base of the plants, apply to weeds no larger than inches in height.

Whatever program you choose, you'll have no soil carryover to harm next spring-seeded crops when you Caparol.

Ask your local supplier or Caparol spray applicator for new Caparol.

The thing that makes our sales success so sweet this year is watching a man who thought he couldn't afford a Chrysler drive home one home.

Got the idea you can't afford a Chrysler? Listen: nearly half this year's models are actually priced just a few dollars a month more than the most popular smaller cars, comparably equipped. Now, another shock: V-8 engine, automatic transmission, power steering, power brakes, radio and heater are included. So, look friend—come in and see how easy it is to drive home a new Chrysler.

There is also a perennial ageratum that blooms only in the fall. It can some times become a pest, as the roots run under ground, sending up new plants ever few inches. By using a good curb around a perennial bed, the roots can be controlled.

Annual ageratum can be grown from seed also. They bloom 3 months from planting time. Varieties of annual ageratum are blue mink, blue ball, fairy pink, dwarf white, snow carpet and midjet blue. All these bloom constantly once they begin to flower.

If a brilliant foliage plant is desired, try planting amaranthus. By mid-summer these plants will be dressed in the most colorful, brilliant foliage one can imagine. So outstanding are these foliage plants they demand attention from mid-summer until frost.

A background of amaranthus adds beauty as well as dignity to a garden. The low growing variety is good to fill a vacant spot or border a bed. Kinds to be had are: molten fire with flaming red foliage; aurora-salmon scarlet foliage, variegated with bronze and gold. Crimson pigmy, low growing with red brown foliage and chinelle tassel flowers, often called love lies bleeding. Green tassel, pointed leaves with long green tassel flowers that add a pleasing note to an arrangement.

Molten fire is often so brilliant it can be seen for several blocks. Seed should be planted soon.

I visited the Sam Scott home this week and saw some of the largest hyacinth flower heads I've ever been privileged to see. They were from 10 to 12 inches high. There was one very outstanding cluster of flowers, the flowerlets were centered with light purple and edged in orchid, giving a striped effect to the plant. Fragrant colorful flowers of orchid, pink, purple and variegated really presented a striking picture along the walk.

If the Easter bunny brings a pot of chrysanthemums, cut the blossoms off just as they begin to fade. Slip the plant from the pot and put it in the yard. The plant will bloom again this fall.

Residents are asked to keep this announcement in mind in transacting their banking business.

WHAT I HAVE LEARNED ABOUT MENTAL HEALTH

The following theme was written by Linda Hartsfield, fourth grade student, and was judged "tops" among several other themes:

By LINDA HARTSFIELD

"I learned that mental health is the way you think and act. I learned that happiness is not found in some distant land, but in your own home by being kind and helpful.

"I learned that if you do not catch a ball the captain should not yell at you. He should say everyone misses a ball sometimes. When you are up to bat and make an out, you should try to do better next time.

"I learned that on a test, if you have not studied and do not know the answers, you should not copy the answer. Then you

will not deserve the grade you got. "I learned that if you do not have self-control, you cannot control others. "You should always play fair and follow the rules. You should not cheat. "I have learned that your

Spray Propazine to control weeds and grasses in sorghum.

One spray of Propazine® 80W herbicide controls most annual broadleaf weeds and grasses in sorghum for the entire season. This can reduce or even eliminate the need for cultivating because Propazine takes care of problem weeds for you. Propazine is particularly effective on carelessweed (pigweed) and annual morning glory.

Sprayed before weeds and sorghum are up and activated by moisture, Propazine gives your crop an entire season without weed competition for moisture and soil nutrients. The result? Higher yields and more profit for you.

Contact your local supplier now for Propazine. Geigy Agricultural Chemicals, Division of Geigy Chemical Corporation, Ardsley, New York.

Kreger-Kimble Wedding Vows Read March 26

Mylla Jean Kreger, daughter of Mr. and Mrs. O. V. Kreger, of Haskell and Louis Ray Kimbler, son of Mrs. Clyde Kimbler of Rule, were married Friday March 26, at 8:00 p. m. in the First Christian Church, Haskell. For the ceremony the bride wore a 3-piece lace suit. Her flowers were feathered white carnations around yellow roses. The Rev. Mike Herrington, pastor of the First Christian Church, Rule, officiated. Mrs. Lynn Pace, Jr., was organist, and Miss Joan Graves read a poem. Maid of honor was Miss Judy Collins, of Haskell. She wore a 2-piece, yellow suit and carried a long stem yellow rose. Mr. Jerry Kreger, of North

Texas State University, Denton, Texas, was best man. The bride is a graduate of Haskell High School and McMurray College, Abilene, and is employed at Munday High School. The groom attended Hardin-Simmons University, Abilene, and Stephen F. Austin, Nacodoches, and is employed at Allison Texaco Station. Following the wedding, a reception was held in Chandler Hall, First Christian Church. After a wedding trip to San Antonio, San Marcos and Austin, Mr. and Mrs. Kimbler are at home in Haskell.

Missionary Society Christian Church Luncheon Is Held

The Christian Missionary Society of the Haskell Christian Church met in their Chandler Fellowship Hall for the annual spring luncheon Monday, April 12.

The ladies had for the guests this year ladies from the Lydia-Doreas Circle, Southwest Park Christian Church, Abilene. A lovely salad lunch was served to 23 ladies. After the luncheon, the ladies went to the Memorial Chapel for the program of the day. Departing from the usual missionary lesson, the program was centered on the Resurrection, "I Love to Tell the Story" and "He Lives!" were sung by the ladies, after which Mrs. Royce Wood led in the responsive reading of the Resurrection of Jesus taken from the 20th Chapter of John. Mrs. Lynn Pace Jr., introduced Mrs. Wallace Cox Jr., the devotional leader. The meeting was closed in prayer by Mrs. George Fouts.

COMMUNICATIONS Your Tool for Progress

Imagine a telephone becoming a teacher!

In a case we know of, an automobile dealer uses our SPEAKERPHONE as a valuable and effective teaching instrument to train his salesmen. A salesman calls a customer and delivers a sales talk, with other salesmen listening to both voices via our SPEAKERPHONE. Afterward, sales talk and customer response are reviewed and discussed for the benefit of all. Here is still more evidence that in this modern age Communications can be your Tool for Progress. PAINT CREEK . . . COMMUNITY NEWS

BY MRS. GENE OVERTON

Little Wayne Medford, son of Mr. and Mrs. Willie Lee Medford, underwent a tonsillectomy in Hendrick Memorial Hospital in Abilene last Thursday. He remained in the hospital Thursday and Friday and returned home Saturday. He is recuperating nicely. His mother, Mrs. Willie Lee Medford, stayed with him and Mrs. Gene Overton taught for her.

Benny Young, Abilene, Scout executive of the Northern District, Chisholm Trail Council, visited Wallar Overton Thursday evening.

Mrs. Mabel Sikes, of Bangs, former high school English teacher at Paint Creek, underwent surgery at Hendrick Memorial Hospital last Thursday. She will remain in the hospital for a week or more. Her sister, Mrs. Heflin, was at the hospital during the surgery and stayed all day Thursday. Mrs. Bailey Toliver taught for her.

Mr. and Mrs. Pat Morrison and daughters visited in Dallas, with Mr. and Mrs. Allen Isbell and Danny last weekend.

Mr. and Mrs. Van Morrison and children were Abilene visitors Thursday afternoon. Ricky thought he was going to get some glasses, "real ones," he said. But the doctors decided to wait several months and he might not have to have them, or he could be fitted next fall.

A funny thing happened to Mrs. Heflin last week that just proved what a good teacher she is. She had coached Mrs. Dan LeFevre in the work of the Order of Eastern Star so that she could get a B certificate at the O.E.S. school. Mrs. Heflin explained to the examiner that Mrs. LeFevre was a new member, and that she had taught the work, but to be patient with her as she gave it because she was a bit nervous. Mrs. Heflin said it seemed to take longer than usual for the examiner to give Bonnie the test, and when Bonnie came back she had an A certificate. The examiner had not known to stop with only the B, but had given her the test for the A. Mrs. Heflin does not have an A herself, but her pupil was able to get one.

The entire faculty was re-elected for the 1965-66 school year at the monthly meeting of the school board Monday afternoon. Attending the board meeting for the first time was Mr. R. V. Earles, Homer Livengood and Ray Perry. Supt. Pat Morrison's contract had been renewed at a previous meeting of the board. We have one of the best faculties of any school I know and we are all grateful and appreciate their efforts in our community.

The Paint Creek Chapter of Future Homemakers of America celebrated FHA Week by stressing the things they learned at their recent Area meeting in Stephenville. The theme of the meeting there was Women of the Bible, and the quality of each Bible character portrayed. At the meeting in the auditorium Friday afternoon, delegates Jeannine Isbell, Linda Griffith and Brenda Griffith reported on their trip to Stephenville, and gave the highlights of the Area meeting. Mrs. Bass Powell is the chapter sponsor.

Mr. and Mrs. Gene Overton and Wallar spent Sunday with her brother's family, Mr. and Mrs. Doc Jones, Nan and Bill, and her parents, Mr. and Mrs. L. W. Jones. They had a birthday dinner for Mrs. L. W. Jones Sr.

Did you see Mr. Medford on the Harry Holt TV show last Tuesday night? He was advertising the Danny Isbell Benefit show. We were all quite proud of him. (He says he has been swamped with TV offers.) He took some good pictures of Danny and we were sorry they could not be used. They could have been shown while the Tenpest group were singing and it wouldn't have hurt a thing. But I suppose the producer thought viewers wanted to see the musical group. Mr. Pat Morrison was there and could have been on the show.

Coach James Ross Miekler and his track boys were in Rochester Saturday for the District run-offs in track. Wallar Overton taught Mrs. Medford's German class Friday and showed souvenirs from Germany and played some German songs and answered questions of the students about modern Germany.

Mr. and Mrs. Boyd Cathey and daughter, Elizabeth, were community visitors last weekend. They are going to move to her father's place, (the late W. A. Montgomery) and spend the summer. The FFA boys entertained their parents and school board members and their wives at their annual banquet Monday night. The delicious food was prepared by Mrs. Willa Lee Medford and the mothers of the boys, and served cafeteria style by the freshmen girls.

Danny Ivy, president of the chapter, served as master of ceremonies and conducted the formal opening of the FFA chapter. The invocation was given by Ricky Perry. Lee Roy Curtis Bittner introduced Bill Chambers, vocational agriculture teacher in the Rochester school, who was the banquet speaker. His speech was an interpretation of the FFA motto. "Learning to do, Doing to Learn, Earning to live, and Living to Serve." Mrs. Chambers was a guest. Chapter Advisor, Willie Lee Medford, gave the year's awards and Danny Ivy received the DeKalb medal and the highest award given by the chapter.

Outstanding sophomore agriculture student was Bob Earles; outstanding freshman agriculture student award was won by Ricky Perry.

Other awards given to students most proficient in different phases of agriculture were: Electricity, Jerry Scheets; public speaking, Curtis Bittner; livestock, Ricky Perry; poultry, Phil Coleman; soil and water management, Bob Earles; dairy farming, Dudley Cockrell; welding and farm mechanics, Glenn Baumbach.

The Chapter Sweetheart, Doyleene New, and her parents were guests also. Doyleene was introduced and presented a gift from the chapter. A gift was also given Mr. Medford, chapter advisor.

PRESENTS MONOLOGUE
Judy Gibson, freshman student at Cisco Junior College, daughter of John A. Gibson, of Haskell, presented a dramatic monologue of an excerpt from "Long Day's Journey Into Night," at a Forsenic held April 8 and 9, at Navarro Junior College in Corsicana, along with nine members of the Cisco Junior College Speech Club.

TO VISIT IN MISSISSIPPI
Dr. and Mrs. J. F. Cadenhead and family, accompanied by Mrs. Bunty, will visit in Okolona, Mississippi, during the Easter holidays.

Rule 18 11-B Tennis Champ

Rule walked away with the District 11-B tennis championship Monday.

In the boys division, Hal Ousley defeated Jerry Levearton of Benjamin, 6-0, 6-0 and 6-4, for the singles title. Jerry Cannon and Crawford Allison teamed up to down O'Brien's Bill Duncan and Roy Henry in doubles play, 6-0, 6-1 and 7-5. Sue Gann beat Jo Carol Dowd of Benjamin, 6-2 and 6-0, for the girls singles title, while the

doubles crown went to the some of Carol Gann and Simpson, who topped the min's Brenda Center and Drake in the finals, 6-3 and 6-4. Rule also made a clean sweep of the four junior high girls.

If you've been sitting tight waiting for just your kind of car, with just your kind of power, at just your kind of price—wait no longer!

Chevrolet. It's a bigger, more beautiful car this year. Which is why that handsome silhouette could be mistaken for cars costing a thousand—even two thousand—dollars more.

Chevelle. This one's got lively looks, spirited power, a softer ride—and remarkable room atop a highly maneuverable wheelbase. No wonder it's today's favorite mid-size car.

Chevy II. No car so trim has a right to be so thrifty. But thrifty it is, with money-savers like brakes that adjust themselves and a long-lived exhaust system.

Corvair. Ask any '65 Corvair owner how it feels to drive a car with such easy steering, tenacious traction and responsive rear-engine power. And be ready to do lots of listening.

Senator Everett McKinley Dirksen (R-Ill.) says he knows a man who got off of a hospital elevator on the wrong floor, which happened to be the maternity ward.

The visitor noticed that many of the babies were crying in their cribs, so he asked a nurse what was wrong. "Nothing," replied the nurse. "You'd cry too, if you just arrived and found out you owned the Federal Government \$1,800 on the national debt and had wet pants."

Next year's income tax form will be as simple as A-B-C. Under "A" you'll be directed to list all income. Under "B" you'll report what you have left. Line "C" will merely say, "Send 'B'."

A project, under the direction of the Chamber of Commerce, to clean-up, fix-up and paint-up the Depot Museum is underway and volunteer workers are needed. Those persons who can give a few hours of labor to help with the project may call the Chamber of Commerce and volunteer their services.

Haskell is planning another "Hay-Day" celebration this year and plans are to have the museum in "tip-top" shape by that time. Won't you please help?

Budgies talk, canaries sing, and starlings hold conventions; Robins bring the signs of spring. And storks bring tax exemptions.

The politicians' promises of yesterday are the taxes of today.

The City Council has set next week - Monday, April 19th through Saturday, April 24th - as "Clean-Up Week."

City trucks will begin hauling rubbish, cans and trash of all kinds, except tree limbs and anything that will not burn, that becomes a menace to health as well as causing an unsightly appearance to the City of Haskell.

City officials are going all-out to make this the most thorough clean-up week this city has ever had... to do this everyone residing in Haskell will have to give their cooperation.

So "City Dads" asks Haskellites to begin now. Clean attics and garages of all useless and discarded items... trim hedges... clean vacant lots. Put all trash in containers for quick handling, but if unable to get containers, pile all rubbish in accessible location for the city trucks.

The City Council is asking each of us to please make this clean-up the best!

For some strange reason the wolf seems always to be hanging around the Prattle's door where there's little for him.

Easter Sunday, the most joyous day of the Christian calendar, commemorates the resurrection, and this year falls this coming Sunday, April 18. In the early history of the church, Easter was observed on various dates by different bodies of Christians, but the Council of Nice in the year 325 fixed it as the first Sunday following the full moon occurring on or next after the vernal equinox, March 21.

Easter Sunday may come as early as March 22, or as late as April 25, and its date governs all ecclesiastical days from Ash Wednesday, the beginning of Lent, to Trinity Sunday, eight weeks after Easter.

Grand-Daughter of Mrs. Elam Parish Is "Top" Coed

Joan Atterbury, sophomore at NTSU, Denton, daughter of Mr. and Mrs. John Atterbury Jr., of Kingsville, and the granddaughter of Mrs. Elam Parish, of Haskell and Mr. and Mrs. John Atterbury Sr., of Knox City, has been named "Top Coed" on the campus at North Texas State University. Grades, service and campus leadership activities earned Miss Atterbury the honor. Joan, who is an English major, was also listed on the fall semester honor roll at NTSU.

Good Friday services at the Trinity Lutheran Church will be observed this Friday, April 16, at 7:30 p. m. The sermon will be entitled, "Am I An Heir of God?" The Sacrament of the altar will be celebrated at this service. The "Bidding Prayer," one of the ancient prayers of the church, will be introduced in the service with one of the laymen of the congregation reading the "Bids." Following the "Bids" the congregation will have opportunity to offer their private petitions during the moments of silence, after which the pastor will pray a collect (prayer). This will continue until all "bids" have been read and prayers offered.

On Easter Day, the Resurrection of our Lord, services will be conducted at 10:30 a. m., with the Sacrament of the Altar being celebrated. The sermon for Easter will be entitled: "Did Jesus Really Rise From the Dead?"

Easter is the leading festival of the Christian Church. The whole life, suffering and death of Jesus is centered around this event. The whole church year of the Christian church is also centered around this event. The church has actually taken over a pagan festival and made it into Christian festival. The ancient name for Easter was Pascha, having its derivation in the Hebrew word "Passover." The title Easter itself is taken from the Anglo-Saxon spring festival where in the Spring goddess, Eostre, was worshipped during the spring equinox welcoming the resurrected life of nature in the spring from its cold death bands of the winter months.

It is on this day, the "Queen of Feasts," of the church year that we give special attention to the resurrection of our Lord. Every Sunday for that matter is an Easter, but it is on this one special occasion during the year that we lay special attention on the resurrection. With the great "Alleluia" we worship the Lord, whom we have followed through His passion during the days of Lent, who is the Risen Lord of Easter.

Merchants To Offer Many Bargains \$ Day

Haskell merchants are offering some unusual and outstanding bargains in spring and summer merchandise for Dollar Day Tuesday, April 20.

Whatever you want to buy, and at the price you want to pay will be found in the big, 4-page trades day circular which will be mailed out and distributed door-to-door this week. Nearly 9,000 of the circulars will be circulated over a 100-mile area this weekend... so watch for it, and head for Haskell... where your money will buy more.

Area Workshop Scheduled By Masonic Lodges

A Workshop has been scheduled for officers and members of Masonic Lodges in this area at 7:30 p. m., April 16. The meeting will be held at the Masonic Hall in Rule. Officers of Throckmorton, Haskell, Rochester, Woodson and Rule Lodges are especially invited. Grand Master Hinsley stressed the importance of attendance by all Lodge officers and emphasized that other Masons are welcome.

Sgt. Ray Hale Completes Radio Repair Course

Langgreis, Germany (AHT-NC)-Sgt. Ray A. Hale, son of Mr. and Mrs. Austin Z. Hale, Route 1, Haskell, completed a radio repair course at the U. S. Army School, Europe, in Langgreis, Germany, recently. During the course, Sgt. Hale received instruction in the principles of radio and electrical theory, with emphasis on learning to repair AM and FM radio sets.

A radio repairman in Headquarters Co., 2d Battalion, of the 8th Infantry Division's 87th Infantry near Mannheim, Hale entered the Army in 1952 and was stationed at Fort Benning, Ga., before arriving overseas in July, 1963.

Scout Troop 36 Court of Honor Held April 12

Scout Troop No. 36 held its Court of Honor in Fellowship Hall of the Methodist Church on April 12. There were approximately 35 scouts and their families who enjoyed a buffet supper and an excellent skit presented by one of the patrols. A very impressive candle-lighting ceremony followed, and the awards were presented. Scout Master Ed Smart presented merit badges to 20 scouts. Dr. Wm. J. Kemp presented tenderfoot badges to Steve Stevens, Glenn Thompson and Philip Joesselet. Ed Hester, assistant scoutmaster, presented first class badges to Kenneth Perry, Kenneth Hilliard and Gary Black.

Mr. Russell, district commissioner, presented the Bronze Palm to Johnny Stark, Garland Stark, Gene Hester and Glen Smart, who have all attained the rank of Eagle. Rev. Patterson, pastor of the Methodist Church, praised Scout Troop 36, saying it was the finest troop he had ever worked with. Cub Master, E. W. Pruitt and family, were special guests. The group went to the Texas Theatre and saw films on "Adventures of Valley Forge," where the National Jamboree was held.

There will not be a meeting Monday, April 19, due to the Easter holidays.

Dr. Landes Rule C of C Banquet Speaker

Around 250 persons from Rule, Haskell, Abilene, Munday, Rochester, Sweetwater, Stamford, Knox City and Wichita Falls attended the annual Chamber of Commerce banquet in the Rule cafeteria Tuesday night.

Lewis and Mrs. Worth (Dorothy) Green were saluted Tuesday night as Rule's top man and woman of the past year.

Lewis, 35-year-old farmer and former county agent for Floyd County, and Mrs. Green, 29, active member of First Methodist Church and Rule resident for the past year and a half, were presented plaques by Clyde Grice, retiring president of the Rule Chamber of Commerce.

Dr. James Landes, president of Hardin-Simmons University, urged the group to work together, and plan together and pointed out that it takes plans and it takes work to make a good community.

He said dreamers are necessary in any community and that individual community leaders need vision if their community is to make progress.

"If I understand life at all, progress is hard to achieve and easy to lose," he said.

Landes spoke of the many illusions which confuse people about the real nature of progress, such as bigness, scientific achievement, low standards of success, and big houses.

New officers of the Chamber assumed their duties at the banquet. They include M. B. Hertenberger, president; N. S. Ousley, vice president; Herbert Rinn, secretary-treasurer.

Directors include Grice, Hertenberger, R. C. Ezell, Jim Norman, Lynn Shaw, Pete Kittley, Linn, James Simpson, Paul Bell and Joe B. Cloud.

Invocation was given by the Rev. Ray Elmore. A. R. Eaton introduced guests and the Rule High School Teen-Tones presented music. The Rev. Mike Herrington introduced Dr. Landes and Arlis Vandiver gave the benediction.

DRAWING WINNERS
In the drawing for three door prizes given away during the "open house" of the Stamford Federal Savings, Stamford, two Haskell people were awarded prizes.

Mrs. Jesse Dean was winner of the color television, and Mrs. Joe Harper was winner of one of the table model sets.

Meetings Mark Agriculture Calendar In Area

This is a busy week for farmers, ranchers, pecan growers and gardeners, members of the Taylor Electric Co-Op, and just about everyone interested in agriculture and livestock matters.

This week opened with the first of a series of cotton production meetings throughout the Rolling Plains area, sponsored by the Texas Extension Service.

The first meeting of the series was held at 1:30 p. m. on Monday in the auditorium of Texas Coca-Cola Co., 2074 N. 1st St., Abilene. At this meeting a team of cotton specialists of the Extension Service, headed by Fred Elliott, presented a program covering all phases of cotton growing.

On Tuesday of this week a meeting was held at 7:00 p. m. at the Roscoe Elementary School, and on Wednesday, April 14, 2:00 p. m., at the Robert Lee Community, then at 7:00 at the Lowake Community Center.

Other meetings are scheduled as follows: Monday, April 19, Anson, 7:00 p. m.

Haskell, Tuesday, April 20, Community Room, Haskell National Bank, at 1:00 p. m.

Rotan American Legion Building, 7:00 p. m., April 24, and at the Woodson Community Center at 1:00 p. m.
