LETTERS TO THE EDITOR

POLICY FOR PUBLICATION: All letters will be accepted, provided they are not anonymous and a bonafide address is given. We will not print statements that are obscene or libelous per se. This paper assumes no responsibility for content and all views are strictly the views of the writer.

EDITORS NOTE: In checking with the Police Department concerning the following letter, Chief Dennis Davis stated that he appreciates the letter and also invites the citizens of Stratford to keep a "Check" on the police department. Further he stated that the picture used in last weeks edition of the Stratford Star showing the three police units parked in front of the fire department doors was misleading to a point. An offense would have indeed been committed if the patrol cars had been left unattended. However, due to the

officers being present when the photo session took place, the police department was not violating the law.

Dear Editor,

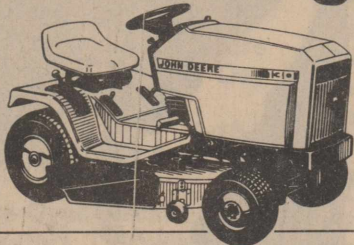

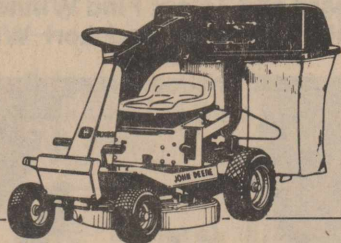

This letter is in reference to the picture in the June 9, 1988 issue of the Stratford Star of the City Police all parked in a "NO PARKING" zone. I wonder if they gave each other tickets? You may ask why I don't call City Hall to complain but it seems if I call City Hall to ask questions or to question their authority I am accused of harassment. I don't believe the police are above the law and I hope the citizens of Stratford become aware of things of this nature and bring it to the attention of the City Council as well as the City Police.

Yes, I am disgruntled with the City Police for being arrested but I have evidence and witnesses to prove my innocence. I'm not saying I'm perfect but we need people in the position of City Police to at least obey the

SCOT Notes

by Timmie Brown

Good Morning to you, Sherman County Older Texans, friends and neighbors! Are you ready for an interesting week? As we look at the calendar we notice that this is the 165th day of 1988 and that there are 201 days left in 1988, since it is early morning. Date now: 8 a.m. Monday, June 13, 1988. The Sherman County Soil and Water Conservation District Calendar for 1988 is the one referred to. It has listed on it all S.C.O.T. regularly scheduled activities and the above mentioned trivia. Let us remind you to mark June 18, 1988 on YOUR calendar since Scotters will meet at Scot Hall at 7 p.m. to play games, Saturday, June 18, 1988 at 7 p.m. Other weekly activities are going on also.

On hand for the Birthday party last Friday to wish Jewel Dovel and Opal Bryant Happy Birthday were Marie and Ed Hill, Kathleen King, Lillie Galloway, Clarence Wilman, Freida Dortch, Eskie Ritchie, Elsie Pickens, Minnie Reeder, Billie Lou Thompson, Gladys Arnold, Rowena Williams, Dicy and Max Stephenson and Corda Pleyer.

At the Gary Hudson home June 7, 1988, to wish 'Aunt Jewel' Dovel a very special happy birthday were Flo Hudson, Clyde and Lavinne Hudson and Mary Grace Hudson, all of Amarillo; Wanda Riffe, Shirley Foreman, Joyce Ann Lasley, Ed and Marie Hill, Cleve Garrison, Timmie Brown, Corda Pleyer, Betty Lou O'Brien, Zola and WD Brannan, Dale and Kathryn Schriber and Tim Hudson. Good fellowship, cake and ice cream made a delightful evening complete. Thank you Sue and Gary.

Owen Hudson has lately undergone surgery. He is doing well now.

A very special bit of news came lately. In conversation with Gene Harrison Turner, she told us that on Sunday, June 5th her aunt, Ruth Harrison White and husband, Henry, visited in Stratford. They had attended a family reunion at Joe Harrison's house in New Mexico and came by Stratford on the trip home. Ruth and Henry plan to celebrate their 60th wedding anniversary at Western Motel, Tulsa, July 15, 1988. Their address is: 1304 Brookside Park, Bartlesville, Ok. 74003. Gene, also, had word that Lloyd Pillings, Dalhart, Tx., had lately been buried in Dalhart with graveside rites. Mrs. Pillings taught school in Stratford several years. She is in failing health.

Texhoma and Stratford communities have certainly been saddened by deaths the last two weeks. Funeral services were conducted for Mary A. Berry and Terry Neal Stump, Texhoma. Mrs. Berry was a long time resident there and we are of the opinion that Terry Neal was a grandson of the late Mr and Mrs Bill Ellis, Stratford. Last rites for Delmar F. Davis, Coldwater Manor, father of Georgia Roberts, Stratford, were

read in Clovis, N. Mexico. In Stratford memorial services were held for Brent Schoonover, Judge Bill Frizzell and Jewel (Mrs. Chester) Guthrie. Our desire is to convey Sherman County Older Texan's and personal deepest Christian and heart-broken concern to each sorrowing family member. We uphold you in prayer and love, trusting that each will find consolation through your reliance on Our Heavenly Father. We know that "when the golden bells ring for us" we will understand all the "whys" - until then "We trust and obey" - Amen. Read IThess; Chap. 4.

For leisure reading, we suggest the Stratford Star of June 2 and 9. Notice the nice things that come to our deserving citizens as well as matters of community pride: Excellent School Report; Improvement in looks of Police Dept. cars; High Church attendance Sun. Oct. 3, 1988; shower of replacement for the Mathews family.

Best wishes for health improvement to Alice Jeffcoat, Franny Taylor and Patti McDaniel.

Nell Wall and daughter Sheryl Hayworth had a most enjoyable time at the Liberal, Ks. 100th Anniversary a few days back. Nell graduated from L.H.S. Sheryl is a 4 generation 'Liberalite'. Their grandmother "Brown" came to Liberal in 1897. Why wouldn't they have a super day. In fact one in a lifetime!

Other nice experiences are welcoming lone and Ken Kendric home for the summer; receiving news the granddaughter Rose Brown, El Paso, is on the President Honor Roll with 5 A's; observing Geo. Brooks, Coldwater Manor administrator, cheerfully and patiently shopping with daughters Tammy and Natalie; meeting Mrs. Hoyt Davis in Dalhart; learning that thru exposure to the public at Depot Doins Our LOCAL band - Nervous - will play for SCOT dance June 25, 1988. The "Nervous" band is composed of Johnny Pulliam, James Johnson, Mac McMillon, Gary Herring.

June time, lovely weather!

Let's be busy enjoying it. Passing out Scot shoulder pads and Luv U. Our community needs our attention!

P.S. Remember Father's Day June 19th. Our sons are the honored fathers.

P.P.S. "The Happy Hatters" of Dumas will entertain Scotters June 23, 1988 Regular meeting.

WE SHOULD NEVER LEAVE FAITH OUT OF OUR BUSY SCHEDULE

Like many of us, you have the problem of too little time and too much to do. In addition to earning a living, you have the responsibility of a home and everyone in it. Then on top of all that, you yearn to be a good citizen and get involved in some worthy cause, to help the poor or whatever. Suddenly, you are awash in a sea of promises you will never be able to keep. It's time to rearrange your priorities, and to confine them to the ones you can reasonably handle. However, you should also take the time to attend your House of Worship, to recharge your batteries and be able to confront your obligations with a renewed vigor and the ability to accomplish more than you would have thought possible. Remember that the Lord is never too busy to help you, so be sure to ask for His help. If He approves of what you are doing, you'll get it.

"Come unto me, all ye that labour and are heavy laden, and I will give you rest."
—Matthew 11:28

He who is slowest in making a promise is most faithful in its performance.

Texas 4-H Scholarships Exceed Half-A-Million Dollars

Outstanding 4-H members from across the state will reap a bountiful harvest of scholarships at the 1988 Texas 4-H Roundup at Texas A&M University June 7-9. More than 90 youth will receive scholarships totaling more than \$500,000.00.

"Our Texas 4-H scholarship program is second to none and continues to grow each year due to tremendous support from the private sector," said Preston Sides, 4-H specialist with the Texas A&M University Agricultural Extension Service and executive director of the Texas 4-H Foundation.

The 4-H Foundation is a non-profit organization that provides private sector support for the 4-H program in Texas and arranges for scholarship donors and numerous other gifts and awards.

"The Texas 4-H Foundation sponsors the world's largest scholarship program, Sides Said." "It all began some 27 years ago when one scholarship of \$1,000 was awarded."

This year's 93 scholarship recipients will come from applicants who will be interviewed the day preced-

ing 4-H Roundup, said the 4-H specialist. Recipients will be recognized at the opening assembly of Round-up at 7 p.m., June 7, in the Rudder Conference Center auditorium on the Texas A&M campus.

1988 scholarship donors include the following: Houston Livestock Show and Rodeo, Houston; Southwestern Exposition and Livestock Show, Fort Worth; Raymond Dickson Foundation, Hallettsville; Texas farm Bureau, Waco; C.J. Davidson Endowment, College Station; Texas Grain and Feed Assoc., Fort Worth; Floyd Lynch Endowment, College Station; Texas 4-H Foundation Memorial Fund, College Station; Volunteer Leaders Assoc. of Texas; San Antonio Livestock Exposition, Inc., San Antonio; Fort Worth Downtown Stock Show Auction Syndicate, Fort Worth; Panhandle-South Plains Fair Lubbock.

"All of these scholarships have a tremendous impact on the Texas 4-H program and provide educational opportunities for many deserving youth," said Sides.

Try Oats To Reduce Cholesterol Level

It's long been known that the fiber in oats lowers blood cholesterol in people who have high levels, thus reducing their risk of developing heart disease. Now researchers have also found it lowers blood cholesterol of people who have what are considered normal levels.

Research scientists at Northwestern University School of Medicine have found that just two ounces a day of either oatmeal or oat bran, which equals about two cups of hot cereal or two muffins, can lower cholesterol by almost 5 percent in a

matter of weeks. Before you start eating bowl upon bowl of oatmeal be aware of two factors. First, the oat products in the studies were found to be helpful only as part of a moderate-fat, moderate-cholesterol diet. So don't count on oatmeal to combat the effects of a fatty diet.

Second, it hasn't been shown that just because two ounces of oats are effective in lowering cholesterol levels that more than two ounces will be even better. So don't go overboard on oats to the exclusion of other carbohydrates.
