#### McKelvy Speaks To Industrial Group Here

William H. McElvy, of the

Small Business Administration office in Lubbock, spoke to the Haskell Industrial Foundation Committee and interested citizens at a 7:00 a, m. meeting on Wednesday at Felker's Restaurant. Oscar Dickerson of the SBA office in Asperment ac-companied McKelvy to Haskell and also spoke briefly at the meeting.

McKelvy advised the group that the Haskel Industrial Foundation (provided the government would okay it), could obtain 80 percent of funds on a 20-year-loan basis at 51/2 % interest should the foundation consider it feasible to secure a loan to purchase an industrial site, build or equip a building for an industry. The Founda-tion, of course, would have to procure the other 20 per cent," McKelsy said.

The Small Business Investment act which was passed in 1958, gave the "green light" to SBA to make loans to small businesses, McElvy pointed out. The SBA now can also make loans to investment companies.

Of the five-step priority system the local economy status would be the most feasible procedure in applying for and ob-taining a loan by the Haskell Industrial Foundation, it was pointed out.

#### WHO WANTS LOSSES?

There is not a person alive who does not live in the hope of profit ... profit from his labor, profit from his experience, or profit from his ideas. And yet, profit, at least when it accrues to others, is often resented. Political careers have been built on nothing more constructive than appealing to mass resentment against the other fellow profiting from his endeavors. When the instinctive urge to realize a profit is frustrated, as in communist-ridden dictatorships, a state of hopelessness, starvation and anarchy event-

Nowhere does the resentment of profit pose a greater threat to normal progress and the preservation of private property than in the field of conservation. These conservationists who advocate the removal of vast tracts of land from profitable use, under private ownership, appear to be guided more by ancient prejudices

#### Water Planning Meeting Slated

A meeting to discuss water plans on the upper Brazos will be held in the courthouse in Aspermont Monday, October 31st, at 7:30 p. m., it was announced by John Metcalf, president of the Stonewall County Farm Bu-

Gilbert L. Jentz, Assistant Chiet Engineering Division Corps of Engineers, Fort Worth, will be the principal speaker. He will give the current status and proposed objective of a basin wide survey now underway on the Brazos basin.

Since nearly all the salt pol-lution in the Brazos originates in Stonewall, Kent and Dickens, it is felt by many that plans for control of the salt water should be thoroughly studied by the people of the area so that cooperation and prompt action can be given to the solution to this Farm Bureau will sponsor

and assist in other meetings in this area for further studies. A plan has been advanced to form a coordinating group made up of representatives of the threecounty area and the advisibility of this will be given further consideration in the meeting in Aspermont October 31. Everyone is urged to attend.

### "Threats To Teenagers" Theme Progressive Study Club Meeting

The Progressive Study Club met Thursday night, October 20. in the community room of the Haskell National Bank. Twenty. two members were present.

Guests were Mr. Myron Biard, Mr. and Mrs. Joe Buse. Rev. Royce Wood, Mr. Gerald McCoy, Mrs. Charles Guthrie, Mrs. Bennie Bland and Mr. Ken Lane.

Mrs. Ed Hester, president, conducted a short business session. A report was given by Mrs. Bailey Toliver on the recent Mesquite District Board meeting held in Stamford. One point she stressed was that individuals write their representatives and congressmen so that they might know the opinions of their constituents.

Mrs. Abe Turner led the Club Collect. The program, "Threats to Teenagers," was directed by Mrs. Kenneth Lane. The two threats discussed were drug addiction and alcoholism.

In discussing "Drugs and Addiction" Mrs. Joe Warren pointed out that 15 days of continuous use of heroin produces addiction. It costs \$60 per day. Finding it difficult to get this amount of money, the teenager often turns to crime.

Mrs. Randy Burton discussed the "Spread of Alcoholism." She stated that the most alcoholic country in the world is France. Second is the United States, Chile and Australia.

them unexpected honors and a windfall of hard cash.

The two will be recipients of the 1967 Hoblitzelle Awards for the Advancement of Texas Rur-al Life—the highest recognition given active land operators for accomplishments in the field of commercial agriculture

"Search for the two men is underway through a network of committees," said statewide Dr. C. L. Lundell. Director of Texas Research Foundation at Renner, which administers the awards. "One recipient will be a junior farmer or ranchman who is 35 years of age or younger. The other will be a senior who has passed his thirty-sixth

Each will be presented an a-ward of \$5,000 in cash, a gold medal and a scroll in recognition for his outstanding contribution to the improvement of rural life in the state. The awards will be given in a presentation ceremony next year at Texas Research Foundation. The four-year period of service covered by the awards is July 1. 1962 through July 1, 1966 'Any farmer or rancher op

erating in Texas is eligible the 1967 Hoblitzelle Awards," Dr. Lundell continued. Any organization, business, institution or person may make nominations to the proper committee. The nominee's actual plan of land use and improvement will weigh beavy in the selection, the Director added.

The statewide manhunt is carried out by five state regional committees-one in each of the five areas of the Texas Association of Soil Conservation Districts. Nominations may be made to any member of the state regional committee in the area in which the nominee lives.

All nominations for the honors must be submitted to the proper committee by November 15, 1966.

Members of each regional committee are the area viceof Texas; an area supervisor of and children.

Reunion of 90th Division World War I Veterans

Mr. and Mrs. John Payne, of Haskell, will attend the Ninetieth Division Association World War I Veterans Annual Reunion to be held at Lake Texhoma State Lodge, Kingston, Okla., Nov. 3, 4, 5 and 6.

The Ninetieth Division of World War I was composed largely of men from Oklahoma and Texas. It is estimated somewhere near 10,000 men who served with the old Ninetieth Division are still living in Texas and Oklahoma, the greater number in Texas.

In addition to the above mentioned men, a great number of men joined the Ninetieth Division in April, 1918, from Camp Lodge, Iowa. Most of these men were neighboring states and butane and service station busi-
