

## Prattle

By AL HINDS

Bob Terrell and E. J. Stewart are it over a number of Haskell County deer hunters who to South Texas, Colorado, Mexico, and other fair-places to hunt. Motor Stewart and "Lay-A-Terrell" bagged a buck in the Von Cobb Settlement, southeast part of the county on the opening day of the season in these parts. Stewart's buck was an 8-pointer and Terrell's a 7-pointer.

I saw this sign, "My Job," Steve Stephens' desk at M-tem: "It's not my job to run the train... The whistle I can't hear... It's not for me to say go... I'm not allowed to go off steam... Nor even to bang the bell... But let the train thing jump the track... There's more truth than poetry in this little poem."

Excuses are not any good, maybe apologies will be. It was the week that I just wasn't the week for newspaper people," here at Free Press. In the Haskell Annual Bank ad, the name of Turner, cashier, was left the list of officers. On page section two, a wrong heading was placed on an obituary. I accept our apologies.

Prattler's Prophecy: Prattler had a 666 percentage in pre-vious predictions involving the Southwest Conference. For last weekend contests, course, the big one was the Tech-Arkansas game. Though overtaken in the second half by the Piggies, the Red's from the high country looked great in first half, and will make the representative in the Bowl against Georgia Tech. Finished the season with an 8-2 record and placed honors in the Southwest Conference.

Only two games are on tap for the Southwest Conference for weekend; I pick 'em like Baylor over Rice and SMU TCU.

## Goodfellows To Provide Holiday Cheer For Needy

As has been the custom for a number of years, Haskell Goodfellows, sponsored by the Lions Club, have started work on plans to provide holiday cheer for needy and less fortunate families here at Christmastime.

To again carry out this worthy project, Goodfellows will need the help of every public-spirited citizen of Haskell, and the cooperation of local organizations and civic clubs as well. Food and clothing, along with candy, fruits, and a few toys, where there are children in the family, are the principal items that will go into the Christmas baskets that the Goodfellows distribute each year at Christmastime.

The program costs money, a lot more money than Goodfellows have in their treasury. That is why they are appealing to you to become a Goodfellow by sending a contribution today.

Donations in any amount, should be sent to the Haskell Free Press. All contributions will be acknowledged in the columns of this newspaper unless otherwise requested.

Usable toys may be left at the Fire Station. Individuals, as well as clubs, churches and civic groups, are asked to turn-in names of all needy and deserving families to the Chamber of Commerce office, Royce Adkins, Goodfellow chairman, announced.

Information that is needed will be the name and address of the family, number in the family group, whether boys or girls, and their ages. The first gift received by the Free Press for "Goodfellows" was a \$15.00 check from the Haskell Fire Department.

## Services Held Saturday For Frank Draper

Frank Draper, 66, a prominent retired farmer, was found dead at his farm home three miles southwest of Weinert at 11 a. m. Thursday.

Justice of the Peace Virgil Brown rendered an inquest verdict of death from self-inflicted gunshot wound.

Funeral services were held at 10:30 a. m. Saturday from the First Christian Church in Haskell. Royce Wood, pastor, and Edward Anderson of Seymour, officiated. Burial was in Willow Cemetery under direction of Holden Funeral Home.

A native of Haskell, he was born Nov. 17, 1899 and was a member of the First Christian Church.

Survivors include one daughter, Mrs. Dorothy Stricklin of Duncan, Okla. one son, Fred, of Weinert; one brother, John, of Austin; one sister, Mrs. Ira Lowry of Seymour; and two grandchildren.

Pallbearers were Jim Alvis, Bill Reeves, Hardin Corfield, J. B. Dunnam, C. G. Hammer, Glenn Caddell, W. C. Collins, and Bill Ratliff.

## Strickland Is Named 'Jaycee' Of The Month

David Strickland was named "Jaycee of the Month" at the Haskell Jaycees Ladies' Night meeting held Tuesday evening at the Corral building.

A. G. Peiser, president, said that Strickland earned his honor for his efforts of laying the ground work for the Turkey Shoot to be held in December; for his assistance in organizing a Jaycee football team and his overall attitude of Jaycee activities.

## Another "Full Session" Held By C of C Directors Tuesday Morning

A "busy" session was on the agenda at the Tuesday morning meeting of the board of directors of the Chamber of Commerce.

C of C Manager Luther Walker gave a financial report of the Chamber, and also a progress report on the gala Christmas program.

Walker said the Christmas program was designed in order that merchants would not be contacted the second time for Santa and candy. The judges have been named for the parade December 4 at 3 p. m.

Kiddie rides are scheduled for Dec. 21, 22, 23.

A committee will be named to proceed with the Industrial Foundation. It was suggested that \$25,000 to \$30,000 be available in pledges if Haskell should be selected for Industry. A community survey can be published by General Telephone Co. at a moderate cost to give background information of Haskell. This information will be needed if contacted by an Industrial firm.

Wichita Falls is hosting area towns on an all-day tour of their plants and places of interest Dec. 2. Haskell will be represented by five outstanding citizens to attend this event.

## The Sam Crume's Managing Apts. And Motor Inn

Mr. and Mrs. Sam Crume, former owners and operators of Sam's Cafe in Haskell, have taken over the management of the Lexington Apartments and Motor Inn at 611 West Eules Blvd. (Highway 183), Eules, Texas.

The Free Press Editor received a short note from Mr. and Mrs. Crume this week, ordering the paper to be sent to them.

"Anytime Haskell residents are down our way we would appreciate it if they would drop by to see us," the Crumes said.

## Lazy-S Beauty Salon Now Open For Business

The name of the Pal-O-Mar Lodge, 909 South Avenue E (Highway 277), owned and operated by Blanch Stinnett, has been changed to the "Lazy S Motel," and Haskell has gained a new business, the Lazy S Beauty Salon.

Mrs. Stinnett, who has had 23 years experience as a beautician, also announced the opening of her up-to-date modern, Lazy-S Beauty Salon at 909 S. Avenue E.

An attractive color scheme of white, gold and pink, with French Provincial furnishings decorates the beauty salon. Four beauty operators will be on duty to serve customers with the latest in hair-styling and beauty needs.

The all-new beauty Salon is now open for business, but the big grand opening gala will be held in the near future.

"Free gifts await all our new friends and future patrons... so come on out for coffee and cake, look over our modern salon and chat with us," Mrs. Stinnett said.

"Appointments are appreciated, but not necessary... so pay us a visit today and discuss any hair problem you might have," Mrs. Stinnett said.

The Lazy S Motel, formerly the Pal-O-Mar Lodge, has taken on a new look as gold carpeting and Early American furniture has been installed in the living quarters. The motel rooms have new gold and red carpeting throughout. Every room is equipped with TV, and all other modern conveniences.

Haskell Gets Crop Insurance

ROY ARLEDGE

## Arledge Appointed Member of House Interim Committee

Speaker Ben Barnes has announced the appointment of Representative Roy Arledge to serve as a member of the House interim committee to investigate and study the operations of livestock auction companies with respect to their compliance with state and federal statutes.

Arledge has served as a Member of the House since 1963 and is now a member of the standing committees on Livestock and Stock Raising; Motor Traffic; Oil, Gas and Mining; State Affairs; and Chairman of Interstate Cooperation.

In making the appointment, Speaker Barnes said: "I am confident that with Mr. Arledge's experience on various committees, and particularly Livestock and Stock Raising, he will make a valuable member of this committee, and I am sure he will contribute a great deal to carrying its work to a successful conclusion."

## Alfred Pierson Is Improving

A. C. Pierson, who was taken to the Haskell County Hospital around 2:00 a. m., Saturday morning for treatment is reported to be improving. His attending physician, Frank Ca-denhead, M. D., said Mr. Pierson suffered a heart attack similar to that of former President Eisenhower.

Mr. Pierson has been associated with the Haskell National Bank for 45 years and president of the institution since January, 1947.

## Sloan Named Haskell County Service Officer

County Judge Jim Alvis announced Tuesday that Howard Sloan, of Rochester, had been named Haskell County Service Officer, replacing Herbert Ray, who resigned that position.

Sloan has farmed in Haskell County for a number of years and is a Veteran of World War I. His brother, Ben Sloan, was killed in action on April 25, 1945, in Italy.

The new County Service officer is married to the former Fycheleene Adkins, and they have two sons and two daughters; Dickie Sloan, who teaches in the Rochester school system; Tommy Don Sloan, student at McMurry College, Abilene, and Backy and Sherry Sloan, students at Rochester.

Sloan's office will be located on the third floor, courthouse, Haskell.

## Santa Claus Will Officially Open The Yuletide Season In Haskell December 4

## Application Is Approved For The Rule Independent School District

Word has been received from the Texas Education Agency that the Rule Independent School District has been approved on Title I for the "Expanded Educational Public School Projects Program."

The approved \$23,788.78 will be used between now and August 31, 1966. It will be used for:

1. A teacher with four aides, to be used in remedial work, grades 1 through 8. Mrs. Sidney Wilcox will be the teacher and her aides will be Mrs. Lucy Denson, Mrs. Margie Fannin, Mrs. Joan Carroll and Mrs. Raynelle Miller.
2. Possibly a truant officer for the school district.
3. Equipment for listening and communication and various types of remedial work, such as visual aids, projectors, films, film strips, overhead projectors, tape recorders, record players and records, charts, maps, books, magazines, newspapers, program learning equipment, etc.

Remedial work will be stressed for those students whose grades are below their age level, and those who are having language and reading difficulty.

Classes began Monday, Nov. 22. The program started with an intensive study of the children involved.

On Monday and Tuesday afternoons, Nov. 22, 23, classes were dismissed at 2:11 and there was a faculty meeting from 2:15 until 4:15, with Mrs. Pat Meyer, from the West Texas Rehabilitation Center, speaking on "In Service Training Program for Educationally Deprived Children."

Mr. Horton, Rule Superintendent, adds that the Rule Independent School District has also applied for Title 2, which is library materials; and for the "Youth Work Study Program" which comes through the Vocational Agriculture program.

## Anderson Tire Co. Celebrating 3rd Anniversary

Anderson Tire Company, 300 South Avenue E, is celebrating their third birthday in Haskell, with a big anniversary sale, which is now in full swing, and will continue through December 4th.

Eldon Anderson, owner and operator, in speaking of the 3rd anniversary celebration said: "We want to express our sincere appreciation to the many people of this area for the wonderful patronage and continued growth we have had. Your patronage, loyalty and support have exceeded our expectations, and we will ever be grateful to you. We want to assure you that every effort will be put forth to merit your continued patronage and confidence."

Customers may register for 4 valuable door prizes which will be given away on Saturday, December 4. There is no obligation, you do not have to make a purchase, but you must register for the door prizes.

That Man of the Year, Santa Claus, will officially open the Yuletide season here Saturday, December 4, in person.

Santa will come to Haskell in the World's Largest Sleigh. Every boy and girl in the area, has a hearty invitation to come visit the old gentleman. Free rides on the sleigh with Santa will be given, through a special arrangement made by the local merchants. Parents have been urged to bring their children early in the day, to offset the after-school rush.

Since it doesn't snow much in Texas, six of Santa's favorite Shetland ponies will pull the sleigh, dressed in their chrome-plated harness, red plumes and sleigh bells.

The sleigh, which is 30 feet long and eight feet wide, is bright red, trimmed in silver. Santa's official North Pole flags will be prominently displayed atop the sleigh.

A personal interview with Santa is in store for each child. Through concealed speakers on the sleigh, the interviews will be broadcast along the designated route, which has been set-up by the local committee. Beautiful Christmas music will also be heard.

Local merchants who have contributed to arrange for the local visit, have free ride coupons which they will give to their customers. When a child wishes to ride, he trades the coupon for a numbered ride ticket, with Santa's ticketman, who will be stationed at the loading platform throughout the day.

On each ride, 60 children can be seated on the sleigh. Santa's crew in colorful Christmas costumes will assist in the operation, with Merry Christmas acting as official hostess.

The annual Christmas Parade at 3:00 p. m., in downtown Haskell on Saturday, Dec. 4, will include bands, floats, cars, pet parade and entries of all types. C. O. Holt is parade chairman.

The Pershing Rifles, a National Military Honor Fraternity of Hardin-Simmons University, will perform in the Christmas Parade, using both standard and fancy drill procedures.

Another highlight of the Yuletide season in Haskell will be the week preceding Christmas, Dec. 21, 22 and 23, when kiddie rides will be furnished by the Jest Amusement Company, of Stamford. Discount tickets for these rides may be picked-up at stores displaying Mustang Posters.

## Rotarians View Film, "To Have And Bear Arms"

A film, "To Have and Bear Arms," produced by the National Rifle Association, was shown to members of the Haskell Rotary Club at last Thursday's noon-day luncheon meeting at Felker's Restaurant dining room.

Ferrell Coston was program chairman for the day, and presented a very timely and educational film on the history and safety of handling firearms.

Mrs. Abe Turner and Mrs. Bailey Toliver announced the talent contest which was held last Thursday night for the benefit of Mrs. Lee Barnett.

Guests at Thursday's session were Bob Martin of Quanah, guest of Emmett Russell, Cleburne Hurston James High, Dr. Haynes and Wade Watts, Rotarians from Stamford; Fred Johnson, Rotarian from Dallas, and student guests Joy Bergstrom and Steve Harper.

The Stamford Rotarians called attention to the "Appreciation Dinner," honoring State Representative Roy Arledge held in Stamford Wednesday night, November 24.

No meeting of the club was held today, Thursday, due to Thanksgiving.

## B. F. (Bryant) Cobb In Race For Commissioner 2

Another Haskell Countian pitched his hat into the political ring this week, as B. F. (Bryant) Cobb, announced his candidacy for Commissioner Precinct 2.

Commissioner 2 and 4 races are getting "red hot." A look at the political calendar on the back page of the Free Press reveals there are four candidates now seeking the Commissioner 2 place, and four for Commissioner 4.

Only other contested race to date in the county is for County Judge.

CLUB WOMAN OF THE YEAR AWARD: Haskell County Judge Jim Alvis is shown presenting Mrs. Albert Hannasz with the Club Woman of the year award. This is an annual award given by the Haskell County Home Demonstration Clubs to the "Outstanding Woman of the Year."

## Bosque County Men Held Here

Billy Ray Moffett, 22, and Joe C. Hand, 18, both from Bosque County, Texas, are being held in the Haskell County Jail pending grand jury action.

Sheriff Garth Garrett said the two men were arrested on forgery charges. Two of the checks were passed to a couple of service stations in Rule, and one of the charges was for forgery in Bosque County.

## No Alibi for Lawlessness

All manner of excuses are given for the waves of juvenile delinquency that continually poison this country. It is said that some way, some how, society has failed these errant young people, and so society must take the bulk of the blame. How about parents.

A man who is a real authority on crime and its causes... Director J. Edgar Hoover of the FBI... holds a very different view. In his words, "Teen-agers and their parents have been subjected to a foolhardy theory which condones rebellious conduct against authority, law and order, or any regulatory measures which restrict their whims, wishes, desires and activities. This astonishing belief has spread into the schoolroom, the living room, the courtroom and now into the streets of our nation in the form of wild, drunken brawls.

"No doubt society has failed our youth, but not in the way many seem to think. Rather, the dereliction has been in the failure to teach them the meaning of discipline, restraint, self-respect, and respect for law and order and the rights of others. Consequently, the lesson now is both painful and costly."

The surest way to turn the juvenile delinquent of today into the hardened adult criminal of tomorrow is to pamper him. The foremost right and duty of society is to enforce the law under representative government.

## AVOID "FOOD FADDISM"

Nutritionists and medical authorities are constantly issuing warnings against "food faddism." Numbers of Americans, with warped ideas of what constitutes a proper diet, are endangering their health by pursuing eating habits which fall woefully short of furnishing the elements the mind and body need.

Special diets should be followed only under a physician's direction. For the vast majority of us, whatever the age, a sound diet consists of the common items found in every super-market...meats, fruits and vegetables, dairy products, grains. Each of these contain a vital nutrient.

As an example, the American Meat Institute has listed the vitamins that are found in the meats and described their function. Vitamin B1 is essential for the body's proper use of carbohydrate foods and for maintaining health of the brain and nerve tissues. Riboflavin plays a part in many enzyme actions in the body. Nicotinic acid has to do with the maintenance of the health of the brain, skin and the digestive tract. The vitamin B6 complex helps in the formation of needed fatty acids. Vitamin B12 is essential to the prevention of pernicious anemia. And various other vitamins which exist in meat perform essential health-building and health-preserving functions.

Sound bodies and minds demand sound diets...diets based on the old, standard foods...not fads.

## DON'T BE SURPRISED

Horror is continually expressed at the numbers of persons maimed and killed annually on streets and highways in automobile accidents. As a matter of fact, it is astonishing that ten times as many are not killed. It's just luck they are not.

The majority of automobile drivers today are the greatest lawbreakers and most discourteous individuals in the nation. Too many drivers think they have to show their prowess as racers by passing everything in restricted speed zones.

First, there are the midget cars whose drivers seem impelled to prove they must show their speed qualities. Then there are the imitation racing or so-called sport cars with their imitation speed drivers. Then come the owners of their first behemoths cruising at 80 to 100 miles an hour.

They pass on the right or left, they run on your rear bumper, they don't come to a full stop at signs, they pay no attention to turn signals of the car ahead but speed past.

Many pleasure cars, trucks and motorcycles run with mufflers open until the noise on city streets and freeways is deafening. If they know the rules of the road, they pay no attention to them or driver's manuals.

No wonder there is so much juvenile delinquency when there is so much adult delinquency.

There is not much use of talking about reducing automobile killings until the public abides by the commonest rule of courtesy and driving techniques.

In the meantime, try to keep out of the way of the drivers who think it is smart to break the traffic laws and don't be surprised at the mounting auto death rate.

## There's No Lawn Like A Fall Lawn

Everyone talks about planting in the spring, but the man who really wants a beautiful lawn should plant it in the fall. That's the time when there's enough warmth for seed germination, root growth is heaviest, and most important, cooling temperatures keep weeds down to a minimum.

Selecting the right kind of seed is the first step toward a lush, thick lawn. Avoid bargain priced seed. It often contains impurities and a high percentage of miscellaneous grasses and weeds.

For the average homeowner in the bluegrass area, pure Merion Kentucky Bluegrass or mixtures with 40 percent or more are best. This strain has long been preferred for many of the nation's parks, airports, athletic fields and golf courses, besides home lawns.

Best planting time is early to mid fall. Like most cool-season

## Why more motorists switch to the Tiger when it gets cold.

Many cars that ran just fine all summer get into trouble when ear-muff time rolls around—stalling at stoplights and coughing and chugging halfway into town.

That's when a lot of people switch to the Tiger. Winter-formula Enco Extra gasoline is blended to match the weather conditions in your area—including a special additive to help guard against icing. Result: easier starting, faster warm-up and a lot less worry about stalling.

You'll like the way new Enco Extra behaves on the open road, too. It's the High-energy gasoline with the: (1) cleaning power; (2) firing power; (3) octane power to help preserve the performance of new cars and restore lost power and mileage to many older cars.

Switch to the Tiger and get that nice warm feeling. Happy Motoring!

**MRS. FAYE DUNNAM**

**Thanksgiving Services**  
The churches of Rule held a combined Union Thanksgiving service Wednesday night, Nov. 24, at the Rule First Baptist Church.

The Rev. Mike Herrington was the principal speaker. A choir was featured, under the direction of Bruce Ayer. Hardin-Simmons University student, who is choir director at the First Baptist Church.

A Fellowship Hour was held after the service in the banquet room.

**Class Has Supper**  
The Ruth Sunday School class of the First Baptist Church enjoyed Mrs. Boyce Foil with salad supper on Friday night, Nov. 20, in the home of Mrs. Grier. Mr. and Mrs. Foil moved to Plains, Texas to make their home. The class presented her with a carpet as a moving away gift.

Guests present for the occasion were the honoree, Mrs. Grier, Bill Kitley, Ben Mims, Bruce Miller, A. E. Gladys Smith, C. A. Jackson, Lois Martin, and Mrs. Grier.

**Rule Water Works Wins Honors**  
Travis Self, Water and Sewer Superintendent for Rule, has returned from Lubbock where he attended a short course for water and sewer personnel. While there he received the certificate for first place for water and sewer systems in towns under 8,000 population. The award was given for the most efficient and attractive water and sewer plants of entities the City to enter competition in the State meet March.

Mr. and Mrs. Jimmy New of Charles of Lubbock spent the weekend visiting their parents in Rule and Sagerton.

Mr. and Mrs. Larry Tanner of Fort Worth spent the weekend with his parents, Mr. and Mrs. Orville Tanner.

Mr. and Mrs. Sonny Bounds of Jayton spent the weekend with his parents, Mr. and Mrs. Ward Cox.

Mr. and Mrs. Bobby Rossario of Fort Worth spent the weekend with her parents, Mr. and Mrs. Orville Tanner.

Mr. and Mrs. Tom Horton of Haskell spent the weekend with his parents, Mr. and Mrs. Tom Horton.

Mr. and Mrs. A. K. Kuttler were being visited in the home by Mr. and Mrs. Mordant Mc-

Kinney. Mrs. Kuttler is Mrs. McKinney's sister. They have been living in Boise City, Idaho and are enroute to College Station, Texas, where they will make their home.

Dr. Larry Horton of Miami, Fla., is spending the Thanksgiving holidays with his parents, Mr. and Mrs. Connor Horton.

College students seen around over the weekend were: Jana Kile, Jeff Lewis, Joe and Jerry Cannon, Paula Pinkard, Carol Gann, Kenny Gayle Ross, Ronnie May, Claire Wright, Scotty White, Ronald Kinney, John McQuinn, Ford Cole, Mike and Linda Bailey, Elaine Elmore.

## Oldest Age Proof Now Required By Social Security

"We are tightening up on our age proof requirements, effective Nov. 22," announces R. R. Tuley, Jr., Abilene district manager for the Social Security Administration.

He added that completion of a study, conducted on a random basis for the past several months, has led to this change. Heretofore, almost any proof of age that was recorded five or more years before a claims application was filed would suffice. Now, the best and oldest evidence in existence must be secured.

"First, we must find and use any evidence established before the claimant reached his 5th birthday, or be able to show that no such evidence exists," Tuley said. "Failing that, the same search is made for evidence recorded before the applicant reached age 11."

"If there is no record as to age or birth prior to age 11, then the two oldest records made after that date will be used," he stated.

Among sources that must be explored are city, county or state birth records, infant baptismal records of certain churches, early school records, 1900 and/or 1910, census records, hospital or medical records dating back to early childhood, etc., according to Tuley.

Prior to about 1920, only a small percentage of births were recorded promptly in Texas.

He added that the study just completed indicated that about 5% of the aged applicants using recent proofs set up wrong ages, with about two out of every three such changes being to the benefit of the applicant. Applicants benefited when the early proof made them older than they now thought they were by either getting additional checks or higher amounts or both.

"So, when you file for your social security from now on, bring the oldest possible proof; if you have no old proof, we'll help you try to locate some," concluded Tuley.

## Cotton Classing Report

Cotton harvesting activity increased last week and the USDA Cotton Classing Office in Munday reached a season's total of 46,831 samples classed. The number classed for the week ending Nov. 19 totaled 9,297.

According to A. D. Peebles, in charge of the Consumer and Marketing Service, Cotton Division Office, grades showed some improvement with 15% classed in the white grades compared to 5% the previous week. Light Spotted amounted to 82% and Spotted 3%. A breakdown on grades for the week ran Middingling 3%, Strict Low Middling 9%, Middling Light Spotted 49%, Strict Low Middling Light Spotted 30%, Low Middling Light Spotted 2% and Middling Spotted 2%.

Staple lengths for the same period were 15 7/8, 7/8 of an inch and shorter, 45% 29/32, 28% 15/16, 4% 31/32, 7% one inch and longer.

Micronaire readings continued to hold up well with 91% in the 3.6 through 4.8 range; 3% miked 3.2 and below; 5% 3.3 through 3.5, and 1% 4.9 and higher.

Market price averages remained about the same with Middling Light Spotted bringing slightly above the loan, Strict Low Middling Light Spotted and lower grades from 60 to 100 points over.

## CHRISTIAN SCIENCE SUNDAY SERVICES

The divine protection given to David in his fight with Goliath and later his safety from the jealous rage of King Saul will be included in the Lesson-Sermon this Sunday at Christian Science churches. The subject is "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced."

In the responsive reading will be this verse from Ephesians 6: "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil."

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, will include this statement: "Evil thoughts, lusts, and malicious purposes cannot go forth, like wandering pollen, from one human mind to another, finding unsuspected lodgment, is virtue and truth build the Paint Creek community, a strong defense" (pp. 234, 235).

## ANNOUNCE BIRTH

Mr. and Mrs. Sammy Sorenson announce the birth of a 5 lb., 7 oz. son, Marnie Keith, November 15, at Lovington, N. Mexico.

Grandparents are Mr. and Mrs. Spec Sorenson of the Mattson community, and Mr. and Mrs. D. E. Livengood of the Paint Creek community.

### ANNUAL HOME DEMONSTRATION ACHIEVEMENT DAY HELD NOV. 17

The annual Home Demonstration Club Achievement Day was held November 17. The day's activities began with a luncheon at Felker's Restaurant.

Chairman of the day's activities was Mrs. Paul Cothron. County Judge, Jim Alvis gave the invocation and a luncheon of turkey and dressing was served.

Judge Alvis announced the Club Woman of the year for 1966. Mrs. Albert Hannsz was chosen as the Woman of the year.

Mrs. Hannsz has been a home demonstration club woman for 26 years. She has held every office in her club; has attended every district meeting that has been held since she has been in club work, and has attended two state meetings. While living in Rule, she was a 4-H leader for five years. At the present time, she is serving as the county chairman for the Texas Home Demonstration Association, and is active in Church work at Pinkerton Baptist Church.

Following the luncheon, the regular monthly council meeting was held with Mrs. Cothron presiding.

Minutes of the October meeting were read by Mrs. C. B. Sprayberry, secretary, and approved by members. The treasurer's report was given by Mrs. Rex Murray.

The following standing committee reports were given: 4-H, by Mrs. Betty Weise; Triple E, by Mrs. Buck Bland; Yearbook, by Mrs. C. B. Sprayberry, and the finance committee.

The Home Demonstration Christmas party was set for December 15, and will be held in the office of the H. D. Agent, Mrs. Barbara Elliott. The five clubs in the county will be in charge of the gifts, program, refreshments and decorations.

Installation of council officers will be held on December 15, and the yearbooks for 1966, will also be distributed at that time.

Following the council meeting 35 women made a tour of homes in the county that were new or remodeled. The first home toured belonged to Mr. and Mrs. Woodrow Frasier. This home has been completely remodeled. The group also toured the newly built home of Mrs. Mildred Robertson. The new home of Mr. and Mrs. Ray Perry at Paint Creek was the third home toured. The group then went to Rule and toured the newly remodeled home of Mr. and Mrs. Sonny Denson. A former hotel remodeled into a home by Mr. and Mrs. W. O. Whorton was the fifth home toured.

Mrs. Bob Herren Returns From PTA State Convention

The 56th Annual Texas Congress of Parents and Teachers convention was held Thursday, Friday and Saturday of last week in Corpus Christi. Mrs. Bob Herren, of Haskell, represented the 18th district at the state session.

"We The P-T-A... Participate in the Community Story", was the theme of the convention, with Mrs. W. J. Danforth, of Fort Worth, State president, presiding. Judge Kessinger, of Ridgewood, N. J., spoke on "The World's Greatest Adventure."

Mrs. L. L. Ledger, of Copperas Cove, was elected and installed as the new president; Mr. R. H. McKay, of Dallas, first vice president; Mrs. Jean Harris of Aqua Dulce, second vice president, and Mrs. Bill Leadbetter, of Donna, recording secretary.

Mrs. Herren reported that more than 2,000 persons attended the state convention.

### Toymaker's Tips For Parents

### Christmas Shopping With The Experts

Shopping for Christmas toys may seem almost as much of a problem today as buying a new family automobile.

Thanks to the ingenuity of the toy industry, Dad and Mom now can choose from literally thousands of different toys, priced from a fraction of a dollar to ten or more times that amount. But when they start on their annual Santa Claus expedition, they need not be confused by the tremendous variety on toy department shelves, says Gordon E. Batdorf, father of five children who range in age from 5 to 18. Gordon Batdorf has unique qualifications for guiding parents on their annual big tour through the toy stores. Besides being an experienced father, he is president of Tonka Toys, a leading manufacturer whose steel toy trucks and construction vehicles are known to a generation of Americans.

What does he look for when he's shopping for Christmas? —

• Try to match the toy to the child's physical and mental development. Pre-school girls and boys can be thrilled with the same playthings, whether they're dolls or dump trucks. Older children require toys tailored to their age and sex. Even if it's fun for the parents to participate, don't buy a toy that the child can't fully enjoy without grown-up help.

• Make sure you understand how a toy — or game — works. If it needs batteries, have a supply of fresh ones. If it's a game, study the rules in advance. There's nothing more frustrating for youngsters than a Christmas present they can't immediately enjoy.

• For younger children — under ten — try to select toys they have to work with. These should challenge their interest and participation, not toys that work automatically while they watch. Just as in grown-up life, it's better to play and participate than simply sit in the stands and look on.

• Good design and construction are important, not only because they guarantee the parent's money is well spent but

Gordon E. Batdorf and his five-year-old son, Scott, expertly evaluate a toy dump truck's Christmas gift potential.

because they help teach the child the value of fine workmanship. Inspect the quality of the materials used if you want to be sure the toy will outlive Christmas day. High-grade materials, well finished and accurately assembled mean your toy investment is good for years rather than days.

• Safety is always a prime consideration. While the American toy industry has made great strides in guaranteeing the safety of the young toy user, we have many imported toys on the market. Always check a toy for dangerously sharp edges or points. If a toy uses electricity, make sure it has the "underwriter-approved" label.

• When even one special toy for each child seems to stretch

the Christmas budget, you can round out your Christmas giving with inexpensive but fun-filled packages. Understandably, more expensive toys get much advertising space, but any good toy department will have a selection of good quality toys for boys and girls at reasonable prices.

• Your safest choice in toys, for all but the very youngest, are things that enable the child to imitate the grown-up world of his parents. By the same token, these are often the most educational because they incorporate exercise in physical dexterity, as well as imaginative play.

• And as a last caution, buy toys with appeal for the children, not for yourself. The toy that intrigues an adult is often likely to bore a child.

### Winners Announced In Haskell County "Make It Yourself With Wool" Contest

### Adult I Annual Thanksgiving Supper Friday

Mrs. Wendell Jones, president of the Esther Class, welcomed all members and guests to the Adult I Thanksgiving Supper held Friday night, November 19, in Fellowship Hall, of the First Baptist Church.

Dr. Ray Nobles lead the opening prayer. Carolyn Everett, Delight Jones and Ruby Turner sang, "Bless This House," after which Carolyn Everett brought the devotional thought on home life and the responsibility parents have in teaching their children religious values of prayer.

Mmes. Wayne Lyles, Lyndon Harris and Jimmy Webster were hostesses.

The Haskell County "Make It Yourself With Wool" Contest was held Monday night in the Weinert High School Gym.

Judges for the contest were Mrs. Rae Carter, Jo Alice Stout, and Patsy Cooper. There were three divisions in the contest: Junior, Senior and Adult.

Winners in the Junior Division were Marsha Shaver, first; Judy Herring, second and Cheryl Brown, third. All winners in the junior division were from Rochester.

Senior division winners were Alana Williams, of Rochester, first; Ruby Joyce Rainey, of Weinert, second, and Marian Homer, of Rochester, third.

Mrs. Edna Yarbrough, of Rochester, was winner of the Adult Division. Mrs. Modelle Ballard of Rochester is county chairman.

The program was narrated by Mrs. Wanda Vojkufka and Sherry Newton furnished the music and welcomed the group.

Entertainment was furnished by the Weinert Choral Group, directed by Mrs. Don Davis of Rule and also the Weinert Quintet. Members of the Quintet are Sherry Newton, Sandra Mathison, Evelyn Mayfield, Kay Newton and Anita Kay Edwards. Mrs. Jerry King is pianist for the group.

A reception was held in the Homemaking Department following the program. Refreshments and decorations were prepared by Mary Yates, Darlene Hawkins and Penny Patton.

The young Homemakers met Monday, Nov. 22, at 7:30 in the Home Economics Cottage at the school. Each member came armed with buttons, thread, needles, scissors and all sorts of sewing notions, and immediately set to work mending, ironing, sorting and boxing stacks and stacks of clothing donated by club members to be given to those less fortunate.

The young Homemakers feel this project was a great success, as when they finished there were several boxes of clothing, shoes, and some type of toys, for children, women and men.

Mrs. Jimmy Browning, the Young Homemaker president, said that these articles will be turned over to Mrs. Stella Trice, County School Nurse, who will distribute them where they will be of the most benefit.

In a short business meeting, the club voted on the theme for their Christmas float. Work night on the float has been set for Monday, Nov. 29, at 6:30 at the Corral Building.

Attending the mending workshop were Mmes. Raymond Bennett, Jimmy Browning, L. B. Ivey, Jimmy Hannsz, Jerry Sorrells, Tommy Mathews, Elton Klose, Larry Gilliam, Durward Campbell, W. H. McBroom, Bob Greenroy, Ronnie Brooker, David Frierson and W. P. McCollum.

Several members unable to attend, donated clothing.

### Rainbow Club Hear Program On Thanksgiving

The Rainbow Club held a Thanksgiving and business meeting in the home of Mrs. Ann Taylor, Tuesday of last week.

The meeting was opened with song, "God Bless America," and the thought for the day was given by Mrs. Andrews, after which several songs were sung in keeping with the program.

Mrs. Josselot directed the program and Mrs. Johnson gave the story of the first Thanksgiving. Mrs. Josselot and Mrs. Rogers sang a duet, "Count Your Many Blessings." A very appropriate poem, "Thanksgiving Holiday," was given by Mrs. Reding. Mrs. Thomas gave "The Pilgrim's Feast," and little Tim Larned sang, "He's Got the Whole World In His Hands." Mrs. Edwards and Mrs. Josselot presented a Thanksgiving playlette, and the program was closed with prayer by Mrs. Johnson.

### Riley Couch Speaker At P-TA Meeting

"Developing a Community Climate for Education" was the theme of Elementary Parent-Teachers Association meeting, held Wednesday afternoon, November 17, at 3:00 in Elementary School cafeteria.

Second grade mothers were hostesses, and Mrs. Brucille Nellum's fourth grade students gave the Thanksgiving devotionals.

Mrs. Virgil Cobb introduced the speaker, Riley Couch, who gave a talk on his trip to the Texas Farm Bureau Citizenship Seminar which he attended this past summer in Huntsville, along with two other Haskell County youths, Steve Cothron and Marsha Shaver.

### "Thanksgiving" Is The Theme Of Matrons Club

"Be Enthusiastic In Giving Thanks" was the theme for the Love Feast in the home of Mrs. P. F. Weinert, Wednesday, November 17, with 23 members present for a salad luncheon.

Mrs. Ross Anderson gave the invocation. Roll call was answered with "What Thanksgiving Means to Me." Mrs. C. T. Jones told about "The First Thanksgiving."

Gifts were brought for the State Hospital at Abilene by each member.

The next meeting of the club will be December 2nd in the home of Mrs. C. T. Jones, at which time there will be a contest of unusual snapshots of America.

### Member of Girl Scout Council Gets Scholarship

Harriet Redwine, who formerly served as advisor in District I covering Haskell, Abilene and Merkel and whose present position is advisor in District II and III, has received a graduate scholarship in English from Arizona State University, Tempe, Arizona.

Miss Redwine, professional staff member of the West Texas Girl Scout Council, resides in Snyder. She plans to enter the graduate college in January for the spring semester. She, therefore, resigns her council position effective Jan. 1, 1966.

Miss Redwine joined the council in June, 1959, upon graduation, summa cum laude, from McMurry College. Scoutism was not new to Harriet when appointed to the council as she had been a Senior Scout, serving as patrol leader to the first inter-council encampment at Blue Cedar. As a volunteer, she served as an advisor to the Senior Planning Board, assistant leader to a troop at Abilene State School, and worked at Camp Boothe Oaks during her college summers.

**Holiday Fun in 'Naked Wool'**

The colorful holiday season ahead promises festive wool fashions for "at home" entertaining or evenings out on a tinseled town. Gown, designed with dancing in mind, is of pure "naked wool" in soft-stepping demi-longueur length. Featherlight fabric, worked on bias, is set in motion by a ripple of ruffles at neckline and hem. Waist is softly defined by gathers and narrow belt of matching fabric gracefully bowed at one side. Design carries the new "wool mark" quality label awarded by The Wool Bureau to fashion fabrics tested and approved as "the world's best . . . pure virgin wool."

**Reverend Finch Guest Speaker At B&PW Meet**

"Thanksgiving" was the theme of the program presented Tuesday evening to members and guests of the Business and Professional Women's Club when they met at Felker's Restaurant for their tenth annual Thanksgiving dinner, featuring the Rev. Douglas Finch, minister of the First Presbyterian Church, as guest speaker.

Mrs. Roy Johnson, president, conducted the business session. Mrs. Barney Frazier gave the invocation. Mrs. Opal Adkins, program chairman of World Affairs, read a Thanksgiving poem and Mrs. Henry Withers introduced Mr. Finch, who presented an inspirational Thanksgiving message.

Mr. Finch cited many incidents of the Old Testament as our guide and as an example of the first Thanksgiving which originated in Biblical days. He spoke graphically of the different customs and the ways of life of each country up to our present day.

In conclusion, the guest speaker said: "We are indebted to our forefathers for handing down the American heritage, and we must give thanks to God for our prosperity... Yes, we do, indeed, have much for which to give thanks."

**SIX FLAGS '65 SEASON ENDS THIS WEEKEND**

Only two more operating days, Saturday and Sunday, Nov. 27, 28, remain on the Six Flags Over Texas calendar for the 1965 season.

Six Flags, which began its 1965 season on April 16, has already topped last year's attendance record of 1,622,000 visitors and should pass the 1,700,000 mark after the final count on Sunday.

Over the winter months the Park's staff of artists, engineers, landscaping and construction personnel will be busily engaged in preparing new additions for Six Flags' 1966 season which begins in mid-April.

# PAINT CREEK ... COMMUNITY NEWS

BY MRS. GENE OVERTON

At halftime in the Paint Creek and Leuders game last Thursday at Paint Creek, Miss Joyce Warner, daughter of Mr. and Mrs. Paul Warner of Haskell, was presented as the Football Sweetheart for 1965. Runners-up were Miss Jeannine Isbell, daughter of Mr. and Mrs. Allen Isbell and Brenda Griffith, the daughter of Mr. and Mrs. Bill Griffith.

Paint Creek lost to Leuders. Mr. and Mrs. Bill Mickler had all their children home for Sunday dinner: Mr. and Mrs. Gene Mickler and children of Fort Worth, Mr. and Mrs. Durward Mickler from Snyder, Mr. and Mrs. E. W. Mickler and children of Stamford, and Mr. and Mrs. Allen Isbell and children.

Football Hero, selected by the pep squad, was Ronnie Medford. Runners-up were Shorty Baumbach, Phil Coleman and Ricky Hambleton.

Gene Overton received word Sunday night of the death of a man he roomed with for two years in Texas A&M, Philip Roberts of Jackson, Miss. Philip died Sunday following surgery on Friday. He headed a huge steel firm in Mississippi, Alabama and Texas. He has visited in Paint Creek so many times both as an Aggie and in all the years since, that many Paint Creekers know him. Too, his two daughters, Carolyn and Evelyn, have been students at

ACC in the past five years and have close friends in Haskell and Weibert. Philip was buried in Houston Wednesday.

George Franklin, our Gandy milkman, had a wreck here at the end of our lane Monday morning in the fog. He didn't see the turn soon enough in the fog. The truck jumped a deep barrow ditch and went through the fence into the wheat field. Luckily it didn't turn over or hurt him. George must be an exceptional driver because his loss in milk and eggs was very small for that bad a job.

Paulette Fischer of Texas Tech in Lubbock spent Friday night with her parents, Mr. and Mrs. Paul Fischer and Clara Ann.

Mrs. John Carlos Montgomery left Wednesday from Midland by plane for San Diego, Calif., where she attended the program in which her brother, Jeff Smith, completed his naval boot camp training. After the program, Mrs. Montgomery left for Los Angeles where she will spend the Thanksgiving holidays with her husband. Carlos is attending IBM school there for two months. Mrs. Montgomery's parents, Mr. and Mrs. Woodrow Smith, stayed with her children and brought Johnny Paul, April and Scottie, here for the weekend. They visited their other grandparents, Mr. and Mrs. Howard Montgomery.

Clara Ann Fischer and her parents, Mr. and Mrs. Paul Fischer, entertained with a birthday party for Rev. Gary Bruns on Saturday night. Guests were Rev. and Mrs. Dick Becker of Stamford, Rev. Allen Johannes, Lorie and Eric, of Haskell, Mr. and Mrs. T. F. Nauert and Bertha, and Bob Goerdel of Stamford, the guest of honor, the hostess and her parents.

William Overton of Garland spent Saturday night at home with his parents, Mr. and Mrs. Gene Overton and Wallar, and attended the regular National Guard meeting at the National Armory in Stamford Sunday.

Mr. and Mrs. Louie Davis were guests of her parents, Mr. and Mrs. Otto Baumbach, on Thursday evening. They attended the Paint Creek-Leuders ball game in which Glen Baumbach played his last game. Louie, a professional photographer, took pictures of the game, and of the introduction of the Football Sweetheart at halftime.

The junior girl and boy teams both played in a junior tournament at O'Brien last weekend. The girls lost their first with O'Brien and won their second game with Goree, and lost to Weibert in the finals. The boys won their first game with O'Brien, lost their second game with Knox City.

CHRISTMAS is just around the corner. Order your Christmas cards early from the Haskell Free Press and get them at cost plus 10%. Many pretty selections to choose from. 371c

## Rochester Rips Rule 16-6 For District 6B Football Championship

Rochester broke a 0-0 half-time standoff to down Rule 16-6 for the District 6B football championship at Rochester on Saturday afternoon. Both teams scored in the final minute of the third quarter, but a successful Rochester conversion, topped by a final score, gave the Steers the crown and a shot at Groom, District 5-B champion at Childress Friday night.

The Steers threatened the break in the deadlock twice in the first half, moving to the 8 before losing the ball on downs; then recovering a Bobcat fumble on the 14 and going to the 6 before the intermission buzzer stopped the push.

In the third stanza Rochester moved 66 yards to the first score with QB Tommy Holmes sneaking over from the two with 35 seconds left in the quarter. Holmes ran the point after. An on-side kick fizzled when Bobcat Dennis Barbee covered it on the Rule 43. On the next play, Larry LeFevre bolted right end for 57 yards and the sole Rule score with 10 seconds still remaining in the frame. A pass attempt failed. In the final stanza, Holmes passed to halfback Steve Le-

## Aspermont Girls Topple O'Brien

The Aspermont girls basketball team defeated the O'Brien girls, 31-23 at Aspermont Friday night.

High scorers for Aspermont were Betty Millican with 14 points and Linda Winters with 11. Leading scorers for O'Brien were Brenda Corn, getting 12 points, followed by Rorve Day with 10.

## Lueders Topples Paint Creek

Tommy Hart scored four TDs in helping to lead the Lueders Pirates to a 44-19 six-man football victory over the Paint Creek Pirates at Paint Creek Thursday night.

Adding to the Lueders scoring were Ennis Kelly with two touchdowns and Sammy Davis with one. Ronnie Medford, Glen Baumbach and Jimmy Ballard each scored one touchdown for Paint Creek.

It was the final game for both teams. Lueders finished with a 2-8 season record and Paint Creek had a 3-5 mark. Lueders ... 12 6 13 13-44 Paint Creek ... 0 7 6 6-19

## Sagerton News

By MRS. DELBERT LEFEVRE

The Fun Festival at the Sagerton Community Center was a great success. The net profit totalled \$540.60. It was a success because of cooperation of all people of the community, and help of some of those in area towns of Stamford, Rule, Haskell and Old Glory. Mrs. Fred Kupatt, president of the L. O. C. home demonstration club which sponsored the event, wishes to thank everyone who took part in any way. The crowd was estimated at over 400. This shows what can be done when people work together.

A voting box was placed in the hall Friday night at which people could vote for their choice for a Board of Directors for the Community Center. The results of the votes cast were that Charles Clark was elected president, Norvell Lehmann as vice president, and Joe Swoford, secretary-treasurer, with Alvin Ulmer and Melvin Baitz as directors.

Mr. and Mrs. Mike Bailey of Canyon visited with the Delbert LeFevres over the weekend. Mr. and Mrs. Aubrey Pilley of Abilene visited with Mr. and Mrs. Cliff LeFevre Friday night.

Mr. and Mrs. Jimmy New and son, Charles of Lubbock, visited with Mr. and Mrs. Melvin New and Mr. and Mrs. Doc Jones in Rule over the weekend.

Thanksgiving services will be held at the Zion Lutheran Church Thursday morning at 8:30 a. m., and at St. Paul's Lutheran Church at 9:30 a. m.

# The Good Earth

by MRS. B. F. COBB

I visited Mrs. John Tubbs' this week. She gave me an armload of plants from the yard to root and use for house plants this winter.

Mrs. Tubbs has two gardens in one. She plants a row of yard geraniums across the front of her house. Clumps of coleus dot beds both front and back. The geraniums winter in the cellar where glass bricks send in enough light to help them keep them strong and healthy. Coleus are potted and brought into the house to furnish color during long winter months.

Pyracantha and nandina

blend their colors to make the yard attractive all through the cold months.

A lovely bed of dark purple fall asters is bordered by the lush green foliage of fall crocus. The yellow blossoms come about October 1, then beautiful dark green blades appear and stay until spring.

A bird bath nestles beneath large shade trees in the back yard and many other plants add to the beauty of the back yard.

An arch covered with honeysuckle vines invites one to enter the backyard. Mums, roses and annuals greet one just before they enter the arch.

Umbrella plants grow in clusters all across the front yard. These will be killed when cold weather comes, but will come back again when spring comes again.

Concrete urns of sansevieria

and huge pots of hen and chickens rest on a concrete bench beneath the trees in the side yard.

Mrs. Tubbs' garage has benches and tables covered in house plants. She will derive much pleasure in caring for these plants this winter.

I dug a half bushel of potatoes out of our green patch recently. These came up from potatoes I accidentally left in the ground this spring.

We planted potatoes August 18. The ground is cracked all around these plants. We should make at least a bushel of potatoes from this bed. Cabbage seed planted the same day will weigh from 1 3/4 to 2 pounds. They are early Wakefield. Carrots planted at the same time are furnishing long, juicy roots for our table. Beets planted on

August 18th also are ready to can.

We planted red onion seed, some Aug. 18, some about 15 days later. Those planted first are large enough to eat as green onions. The others are about pencil size.

Haskell Garden Club members are studying how to grow and show their plants this year. Help us make Haskell a beautiful place. If you have an unusual plant, please call me—864-2264.

### OIL NOTES

A proposed 2,900-foot rotary Palo Pinto reef wildcat was staked two miles northwest of Stamford in Haskell County.

It is George B. Rice and James H. Rice of Dallas and Harrison & Childress of Abilene No. 1-A S. M. Swenson & Sons, located on a 160-acre lease.

Drill site is 1,320 feet from the south and east lines of Sec. 19, Block 2, BBB&C Survey.

D. H. Bolin of Wichita Falls completed a Haskell County Regular Field well 5.5 miles northwest of Weinert.

It is No. 3 Mabel Smith, Sec. 191, Blk. 45, H&TC Survey A-272. No. 3 Smith had a daily pro-

duction of 49.33 barrels of 40.2 gravity oil, plus 4 per cent water. It is pumping from 48 perforations at 4834-50 feet, treated with 250 gallons of acid.

The 4 1/2 inch casing was set at 4949 feet, one foot off bottom.

## Dr. Crawford Speaks To Engineers

Dr. Horace Crawford, Manager of the Chemical Engineering Department of the Research Division of the Western Company, addressed the American Institute of Chemical Engineers, Dallas Section, Tuesday night, Nov. 23, on the subject of Non-Newtonian fluids. The meeting was held in the Dallas Federal Savings and Loan building at Preston Center.

Dr. Crawford is the son of Mr. and Mrs. J. M. Crawford, of Haskell, and graduated from Haskell High School in 1945. Titled his talk, "Funny Fluids." Dr. Crawford described the unusual properties of these fluids in both laminar and turbulent flow, and covered the dramatic improvements these fluids produce in pumps pipe-

line transmission and power transmission systems.

Future plans of the Research Division of the Western Company call for establishment of their major research facility in Richardson. The Research Division engages in fundamental and applied research for the Department of Defense, Federal Aviation Administration, National Aeronautics and Space Administration, Atomic Energy Commission, and private industry in the fields of aircraft safety, munitions, waste disposal, acoustics and drag reduction.

## NOTICE TO FARMERS USING COTTON BURS ON FIELDS

Don't tie up the nitrogen in your land! To help rot your cotton burs and turn them back to organic matter for plant food—Use 16 gallons of Aqua Amonia Fertilizer per acre.

16 gallons of Aqua Amonia will give you 25 lbs. of pure nitrogen per acre at a cost of only \$2.16 per acre.

We will apply the above application for you at a total cost of \$2.80 per acre or we will furnish you **applicators free** that will cover 30 ft. strip.

Burs should be turned under within 24 hours after application of nitrogen—the same day, if possible will give better results!

Spreading of burs on fields is a good practice! The use of nitrogen to rot them will give you the full benefit of them much quicker.

Be good to your land—and it will be good to you! Give this a try! See what we mean!

# ADVENT SERVICES AT TRINITY LUTHERAN CHURCH, SUNDAY

November 28 is Advent Sunday in the liturgical churches of Christendom.

This is New Year's Day in the Christian Church year. The Christian year in the liturgical churches always begins with Advent Sunday, the Sunday nearest the feast of St. Andrew, which always falls on November 30.

Advent begins the festival half of the Christian Church year. During this festival half we celebrate the great festivals of the Christian faith, such as Christmas, Epiphany, Ash Wednesday, Holy Thursday, Good Friday, Easter, Pentecost and Trinity Sunday (June 5, 1966).

Advent is a season of joyful anticipation. It was not so in the early days of the Christian church. Then it was a solemn period, but today it is a season of joyful anticipation—a period of preparation for the advent of the Lord in flesh, word and spirit, and at the end of time.

The first Sunday in Advent, Nov. 28, carries with it the thought of Jesus' entry into Jerusalem; the second Sunday, Dec. 5, the thought of His coming in the end; the third Sunday, Dec. 12, continues the thought of the second, with references to the prophetic voice of John the Baptist; and the fourth Sunday, Dec. 19, is the prophetic voice of John, the one crying in the wilderness, making straight the path for the coming of the Lord.

In this voice crying in the wilderness, we wonder if our

present day folk-rock singers, such as Bob Dylan, P. F. Stone, Barry McGuire, Joan Baez, Pete Seeger, who are leading the singing world with protest songs, and many of the demonstrators, are not modern day voices crying in the wilderness.

"During the Festival half of this next year, Trinity Lutheran will explore several 'Ages' as we considered 'God's Word for Man's World,'" Rev. Johannes said.

Advent: "The Age of Dawning."  
Christmas: "The Age of Birth."  
Epiphany: "The Age of Light."  
Lent: "The Age of Destruction."  
Easter: "The Age of Resurrection."

Pentecost and Trinity: "The Age of Secularization."

Services at Trinity Lutheran are held every Sunday morning at 10:30 a. m. Anyone interested in the teaching of the Lutheran Church may inquire with Pastor Johannes. An instruction course of such can be arranged after the first of the year.

### CARD OF THANKS

I want to express my sincere appreciation to my many friends for the beautiful flowers, cards and visits during my recent illness. Your kindness has done much to make the hours happier. May God bless each of you, Mrs. R. F. Pitman.

# Boys And Girls, It's Time To Write Santa!

Attention, Children of Haskell and Haskell County... it's that time of year again, so better get out your pencil and paper and write that important letter to Santa Claus.

A look at the calendar reveals that Santa will soon be loading up toys and gifts, getting ready for that all-important trip on Christmas Eve.

Santa Claus will appreciate if all the good little boys and girls will write him and tell him what gifts they want most this year.

Cooperating with Santa, The Free Press will publish these letters in the annual Christmas edition of the newspaper.

Letters should be sent in as soon as possible, so we suggest you write Santa today. Just address it to Santa Claus, in care of the Haskell Free Press. The Free Press is already assembling copy for the big, annual Christmas edition, so be sure to write your letter to Santa!

### Prattle--

(Continued from Page 1)  
For beauty in the blooming trees,  
Father in Heaven, we thank Thee.

On Nov. 21, 1620, a group of 42 men aboard the ship, the Mayflower, in Cape Cod Harbor, signed their names to the Mayflower Compact, forerunner of the great documents of freedom and law that were to follow in later years.

The signers agreed "solemnly and mutually in the presence of God and one another, to form a body politic to frame such laws as they might need, to which they promised all due submission and obedience." These courageous men were Pilgrims who had sailed from England, more than 100 days before, to seek religious freedom in the New World.

So, let us remember the old familiar hymn, "Count Your Blessings, Name Them One By One, Count Your Many Blessings, See What God Has Done."

### Brother of Mrs. J. E. Bernard Passes Away

Wilbur Wright, 80, of Waco, brother of Mrs. J. E. Bernard, of Haskell, passed away, Monday, Nov. 22.

Mr. Wright, retired veteran passenger conductor, served on the MK&T Railway, between Waco and Rotan for a number of years.

Survivors include his wife, of Waco; two sons, Wilbur Jr., of San Antonio, and Byron, of Los Angeles, Calif.; three sisters, Mrs. Ann Warren, of Wewoka, Okla.; Mrs. Gladys Munday, of Abilene, and Mrs. J. E. Bernard of Haskell.

Funeral services were held Wednesday with interment at Waco.

# Local Draft Boards Will Not Be So Liberal On Students In Future

Forced to meet doubled quotas, local draft boards will not be as liberal in granting deferments for college and university study now as they have been the past few years.

That is the opinion of Colonel Morris S. Schwartz, state Selective Service director, who is responsible for carrying out draft functions in Texas.

The state draft director pointed out that it was his responsibility to furnish boards with officially recommended standards, principles and opinions in the area of student deferments.

Considering the increased calls for the armed forces, Col. Schwartz said he was still recommending the deferment of undergraduates taking a full-time course of 12 semester hours or more.

He said he recommended deferment of a student taking less than a full-time course if his local board finds he is making satisfactory progress toward attainment of his bachelor's degree in four successive calendar years, or five years in the case of degrees requiring the additional study.

Col. Schwartz said state draft headquarters normally would not recommend the deferment of any student carrying less than a load of nine semester hours.

"If the student defers on the basis of a nine-hour load doesn't go to school in the summer," the state draft director said, "we will recommend termination of his deferment. He must make normal progress toward his four-year degree in four successive calendar years, or his five-year degree in five, if he expects to continue to earn a recommendation for deferment from us."

In the case of graduate students, the state draft director recommends deferment if the candidate for a master's degree completes his required work in 15 months from the time his bachelor's degree was awarded.

Deferment toward a doctor of philosophy degree is recommended if he will complete his required work in three years from the time the bachelor's degree was awarded.

"When a local board questions a student's progress," Col. Schwartz said, "it has been suggested that the board request the student to supply a transcript of his credits."

The state draft director said that students who drop out, carry less than the recommended academic load, or get themselves on scholastic probation can expect a recommended termination of their deferments by his office.

"While we expect registrars to notify us of these changes in student status," he said, "it nevertheless is the responsibility of the student to notify his local board when any of these actions occur."

"The criteria we recommend to boards concerning deferment of students is advisory only," Col. Schwartz pointed out, "which is required by Selective Service regulations. The boards can consider other criteria and information, scholastic and otherwise. Each deferment is decided on its own merits."

"Draft boards are charged with deferring students whose activity in study is found to be necessary to the maintenance of the national interest," he stressed.

"It is the duty and responsibility

PAUL B. HARING

State Representative Paul B. Haring, 28-year-old Goliad attorney and former school teacher, was in Haskell Wednesday in the interest of his candidacy for Texas Railroad Commission.

Haring said he will wage a blistering low-budget campaign against incumbent Byron Funnell, who was appointed to that post by Gov. John Connally last January 8.
