NUMBER 22

HERE and THERE AROUND BURKBURNETT

Mr. E. E. Clack underwent surgery Friday in the Southwestern Clinic in Lawton, Okla. Thursday. He is reported progressing nicely.

Wayne Nelson of Oklahoma City and Loyal Nelson of Portland, Ore. arrived last week to be at the bedside of their brother, Wm. Nelson, who is critically ill in the Wichita Falls General Hospital.

Mrs. Hettie Gilbert enjoyed a visit with her sister, Mrs. Millie Howard, who was accompanied by her daughter and grandson of Oklahoma City. They spent a couple of days with Mrs. Gilbert last week.

Mr. and Mrs. David Germany of Tyler, Tex. arrived Friday to visit his cousin, Wm. Nelson and relatives.

Mr. and Mrs. Brack Preston flew to New Orleans Friday to visit his sister, Gayle Preston and attended the Mardi Gras.

Mrs. Birdie Tulle of Edmond, Okla. visited her aunt, Mrs. Hettie Gilbert here Friday.

Mr. and Mrs. Lacy Hardage of Muleshoe, Tex. visited her sister and husband, Mr. and

Mrs. J. B. Ady last week. They all attended the Fat Stock Show in Fort Worth over last weekend.

Mrs. Ina Gilbert and sister, Miss Mabel Gladden attended the funeral of an old friend, Charlie W. Reeder, of Bowie Wednesday. Interment was in the Post oak, Texas cemetery.

Mr. and Mrs. Garth Landes and family of Houston and Mr. and Mrs. Keith McElwain of Snyder, Okla. visited their parents, Mr. and Mrs. Floyd Landes in this city last weekend.

Mrs. A. G. Gerber and sons of 517 Rosewood are leaving this weekend for Germany where they will join S. Sgt. Gerber who has been overseas for several weeks.

Mr. John Durham left Wednesday to attend the funeral of his cousin Jeff Euk in Forest, Texas.

Mr. and Mrs. Bill Askins and Dewayne of Fort Worth visited their parents, Mr. and Mrs. S. E. Askins and Mrs. Sid Gambelin here last weekend.

Mr. and Mrs. Charlie Worden of Alex, Okla. visited Friday night and Saturday with her brother and wife, Mr. and Mrs. J. C. Gay.

Mr. and Mrs. T. C. Gilbert of Hollis, Okla. visited his sister, Mrs. Florence Nichols and his brother, Mr. and Mrs. Lawrence Gilbert and family, last week.

Mr. and Mrs. Horace Hinkle of Wakita, Okla. visited his mother, Mrs. Lena Hinkle and called on his cousin, Wm. Nelson, who is confined to the Wichita General Hospital.

Mr. and Mrs. Reece Hewell of Dallas visited relatives here over the weekend.

Mrs. George McClarty drove to Amarillo Friday to visit her son, Dr. and Mrs. Bill McClarty and family. She is expected to return home Tuesday.

E. L. Blum of Monahans, Tex., a former resident of Burk, with his cousin, Ervin Dew of Los Angeles, Calif., attended the funeral in Duncan, Okla. for their uncle, Bill Norris. They visited friends here when they were enroute from Duncan to Dallas where Dew boarded a plane for home.

Mr. and Mrs. Tommy Carmichael of San Antonio visited her mother, Mrs. Sylvia Myers here last week. Mrs. Myers accompanied them home for a more extended visit.

Mr. and Mrs. Jack Northcott and Nancy of Kilgore, Tex. visited her mother, Mrs. Sid Gambelin over the weekend.

Mrs. Raymond VanLoh, Mrs. Ina Gilbert, Mrs. I. E. Harwell, all of Burk, and Mrs. Grady Fuqua of Grandfield attended the Fat Stock Show in Fort Worth Tuesday.

Pvt. James W. Ellis Completes Course

FT. BENJAMIN HARRISON, IND. (AHTNC) — Private James W. Ellis, 18, son of Mr. and Mrs. James B. Ellis, 700 Cottonwood, Burkburnett, completed a 10 week pay specialist course Jan. 30 at the Army Finance School, Ft. Benjamin Harrison, Ind.

He was trained in the payment of civilian and military personnel, handling of travel allowances, and accounting. Instruction was also given in business law and pay regulations.

PHILLIP DAY

Phillip Day Joins Burk Bank Staff

Phillip Day recently joined the staff of The Burkburnett Bank, it was announced today by Jack Aaron, President of The Burkburnett Bank. Phillip is a 1965 graduate of Burkburnett High School and has attended Midwestern University. He resides at 504 S. Hilltop with his parents, Mr. and Mrs. Clair J. Day.

Waurika Jaycees Plan 6th Annual Rattlesnake Hunt

Alert!!! Waurika Jaycees are plotting their sixth annual rattlesnake hunt. Snake hunters and spectators are invited to plan a weekend in Waurika, Okla., April 8th and 9th. There will be plenty of action for young and the young at heart, such as the snake pit with Bob Jenni lecturing, the butcher pens with skilled snakehandlers, the kiddie rides with Central State Shows, and the photography stand with a live rattlesnake.

A queen contest will be the ball rolling Friday night April 7th at 7:30 p.m. at the Central Grade School Auditorium and is free to the public. A dance will be held Saturday night April 8th (couples only). There will be \$200.00 in prize money and 19 trophies awarded on April 9th (Sunday).

Have you ever tried a rattlesnake steak? Try one, then come tell me what it tastes like to you.

For additional information, please write "Little Rattler," Box 263, Waurika, Okla. 73573.

Local Insurance Agent Attends Study Courses

Clyde Conway, local agent for American Hospital and Life Insurance Co., has recently returned from the Institute of Insurance Marketing of Louisiana State University, where he successfully completed the first of four concentrated study courses offered by the Institute. Completion of the course places Conway among the 2% of all life underwriters who have attended on campus collegiate instruction at the Institute.

Conway, his wife and four children reside at 734 West 3rd in Burkburnett.

3750th Promotes Airman Student Counseling

SHEPPARD AFB, Tex.—The 3750th Technical School has an active Airman Student Council which affords the student, from airman basic on up, a voice in matters affecting morale, health and welfare.

Established in November 1955 at the request of Maj. Gen. Edward H. Nigro, commander of Sheppard Technical Training Center, the council is unique within the Armed Forces.

Maj. Rhonel Morgan, commandant of Troops of the School, is chairman of the council during its monthly meetings. Through this council, students are encouraged to report to General Nigro, not only any rule infractions, but suggestions for improvements on items affecting student airmen.

The minutes from the January meeting show that student representatives of 17 student squadrons were present to speak for their membership.

These representatives are chosen on the basis of academic standing and leadership qualities (not necessarily the result of having been appointed a student leader). Their function is one of representing the student body on items which can make Sheppard even better than it is now.

For instance, at the last meeting such items discussed were barracks maintenance, dining hall procedures, and requests for changes in briefing schedules.

The newly arrived airman may feel that talking with his squadron representative may not be easy to arrange. According to the Technical School Regulation 35-3, "Members of the council will make themselves available by appointment, schedules for groups, or any other convenient means, to solicit suggestions or grievances from their respective squadron students."

Through this means the "voice" of the student airman is heard by the center commandant, and he becomes, not an impersonal number, as he supposes, but an important person on a large and vital installation.

Burk's Library Dedication Set Sunday, April 2

Sunday, April 2nd, was set as the date of the dedication of the new Burkburnett Public Library, by the Library Board at a called meeting, Tuesday night.

Announcement of the dedication program will be made as soon as replies have been received from top state political figures who have been invited to attend.

The library is expected to be in operation in March, depending on the arrival of book shelving. The building is completed and books and furniture have been arriving almost daily.

Purchase of a ten minute film "The Magic Book" was authorized by the Board, Tuesday night, will be supplied to the school system, which has agreed to show it in each home room so that all children may have instruction in the care of library books.

Among Other Matters

LaWANDA HENRY

Noticed in Glenn Shelton's column, his reference to a friend who believes that men who wear hats are not good drivers. Don't know about hats in general . . . but we have noted that men who wear their hats very straight on their heads . . . frequently drive 15 miles an hour in a 30 mile zone . . . with two wheels on each side of the mid-stripe.

Lillie Cashwheeler came into the office on Ground Hog Day . . . no connection except that wherever Lillie is . . . its springtime. Her exuberant spirit makes it so.

Nice people nomination this week: Lahoma Wood.

Clara-Fairview Community Has Recent Meeting

The Clara-Fairview Community met for its regular meeting January 14 with President Norman Roberts, presiding.

In the business session the Clara-Fairview Community voted to help support the Community Service Council project of financial assistance to the Burkburnett Youth Center.

Clara - Fairview Community voted to purchase a \$5.00 membership in the Burkburnett Junior Livestock Project Show Association.

Guest speaker for the evening, Jack Aaron, President of the Burkburnett Bank and chairman of the Board of Directors of the Burkburnett Junior Livestock Project Show Association.

Refreshments were served to the following: Mr. and Mrs. Claude Adams and Mark; Mr. and Mrs. Elmer Klinkerman; Mr. and Mrs. Norman Roberts; Mr. and Mrs. E. W. Roderick; Mr. and Mrs. James Roderick; Gary and Larry; Mr. and Mrs. Frank Kelly; Mr. and Mrs. James Easter, Kim and Kevin; Mrs. Newt Crane, Mrs. Raymond Schroeder; Mr. Edgar Siber; Mr. E. J. Simons; Mr. Charles Goins; Mr. Fred Dwyer; Mr. Frank Mahlar and guest Jack Aaron.

The next meeting will be February 10.

Fifth Grade Science Club Has Meeting

The fifth grade Science Club held its usual 15-minute meeting Friday, January 27th.

Our officers are: President, Joyce Halverson; Vice-President, Benny Wilkerson; Secretary, Sherry Key; Treasurer, Marlene Perry; Reporter, Janet Neslon.

The purpose of our Science Club is to learn more about Science. We also give interesting reports.

A Frenchman, Nicholas Appert, is credited with discovering the process of canning foods at the beginning of the 19th Century.

Membership Drive Set By Wichita County's Farm Bureau Group

County Judge Calvin Ashley has designated the week of Feb. 6-10 as official "Farm Bureau Membership Week" in Wichita County. The local county Farm Bureau organization will have a special enrollment drive under way as part of a statewide effort to push Farm Bureau membership in Texas over the 100,926 figure achieved in 1966.

The Wichita County Farm Bureau ended its 1966 membership with 610 member families. The official proclamation called for citizens "to give due recognition honoring the Wichita County Farm Bureau."

Earlier Gov. John Connally proclaimed the same period as "Farm Bureau Membership Week in Texas." The statewide drive was launched with big rallies in Lubbock, Dallas and San Antonio.

Carl Moeller of Electra is chairman of the local county Farm Bureau Membership Committee. Others on the committee with Moeller are: Raymond Schroeder, Fred H. Lalk, Ed Foster, Jr., Lloyd E. Bell and Frank Krajca. Board members and wives have volunteered to assist with the drive. A set of Safemark Tires will be awarded to the worker who brings in the most members during 1967.

The committee chairman said every farmer and rancher in the county is needed "as a member and leader" by the Farm Bureau.

"Each of us in agriculture has too great an outlay in our business not to do all that we can to protect our investment in capital, time, and labor," he declared.

Following is the text of the proclamation:

"WHEREAS, agriculture is essential to the economy of Wichita County, our State and Nation; and

"WHEREAS, the productive efficiency of our farmers and ranchers have helped stabilize food prices and the cost of living for all our citizens; and

"WHEREAS, this record of achievement has resulted from educational and technological advancement in agriculture under a free choice system; and

"WHEREAS, farmers and ranchers have recognized the value of joining together in organized effort to promote and protect their interests; and

Larry Lange Enrolls At Lubbock College

A Burkburnett student, Larry Lange, is enrolled for the spring semester at Lubbock Christian College, and is now attending classes.

Lange is the son of Mr. and Mrs. O. E. Lange, 106 Terrace. He is freshman at Lubbock Christian and is majoring in Physical Education.

A 1966 graduate of Burkburnett High School, Lange was active in football and the chorus. LCC is celebrating its tenth anniversary this year. All campus events will be directed toward highlighting this decade of development.

An evening college has been initiated this year allowing students to earn up to six hours of credit at night.

More than 500,000 New York City children use the subways or buses to get to school each day.

"WHEREAS, three out of four farm and ranch families in this nation belonging to a general farm organization are members of the Farm Bureau; and

"WHEREAS, Farm Bureau is a free, independent non-governmental, voluntary organization of Farm and Ranch families united for the purpose of analyzing their problems and formulating action to achieve educational improvement, economic opportunity, and social advancement, thereby promoting the national welfare;

"NOW, THEREFORE, I, Calvin Ashley, County Judge of Wichita County, do hereby designate February 6-10 as FARM BUREAU WEEK in Wichita County, and urge our citizens to give due recognition to this observance honoring the Wichita County Farm Bureau.

"IN OFFICIAL RECOGNITION WHEREOF, I hereby affix my signature this 2nd day of February, 1967, signed Calvin Ashley County Judge.

6.7 Million Motor Vehicles To Register In '67

AUSTIN — The Texas Highway Department reported today that more than 6.7 million motor vehicles will be registered in Texas in 1967 and urged car owners to buy their license plates early.

The new license plates may be purchased during February and March at county tax assessor-collector's offices or at authorized sub-stations. New license plates must be displayed after midnight April 1.

A Highway Department spokesman said motorists can help shorten waiting lines and speed up registration by buying license plates early and by presenting proper ownership documents.

Car owners are required by law to present certificates of title and last year's license plate receipts when renewing vehicle registrations.

In previous years there has been some confusion and misunderstanding about the ownership documents needed to obtain license plates.

In one Texas county, for instance, motor car owners were permitted to renew their vehicle registrations with their old license numbers written on the backs of envelopes or other scratch paper without proper proof of ownership.

The Highway Department stressed that county tax assessor-collectors and their sub-station agents must demand proper credentials before issuing license plates. Motorists may speed up the process by taking last year's license plate receipts and certificates of title with them to the tax office to obtain their 1967 license plates.

Boy Scout Week February 7-13

In observance of the 57th anniversary of the Boy Scouts in America, extensive scout activities will be carried out throughout the nation, February 7-13. The national theme is "Scouting Rounds A Boy Out."

You will hear much about scouting during this week. Magazines and newspapers will carry articles. There will be radio and television programs. Scouting is a great program and in keeping with this year's theme it does "Round A Boy Out."

Troop 155 of Burkburnett is observing scout week through participation in various events. Scout Sunday will be observed in the Methodist Church Feb. 11 and the troop display will be in place in the Burkburnett Bank throughout Scout Week.

Scout Week To Be Observed

BOY SCOUTS take an active part in community beautification. Troop 155 assisted in the city-wide project of planting Bluebonnet seed. Shown are Mark Bulla, Allan Bellachico, Steve Albin, Thomas Dorman, John Cokendolpher and Brad Bellachico, pictured at left.

At right are Scouts Allan McCollar, Bruce Blankenship, Richard McCollar and Lester Edens, members of Boy Scout Troop 155 are shown as they prepare to transplant a native tree on the grounds of the Burkburnett Library.

BOY SCOUT WEEK

The Boy Scouts of America celebrate the 57th anniversary of their organization February 7 to 13. Today there are over five and three-quarter million scouts in the United States alone. Scouting is dedicated to teaching boys how to do things for themselves and others.

Working to build friendship and understanding between the people of all countries, scout associations of 86 nations now coordinate their efforts through the Boy Scouts World Conference. Although each national association is independent in its organization and methods, the World Conference works to establish common ground in thinking and action among all its member associations. One of the major highlights of 1967 will be the Twelfth World Jamboree to be held at Farragut Park in Idaho next August. The first to take place in the United States, it will bring together more than 15,000 scouts from 100 free nations. Although they will speak many dozens of different languages and come from widely varying religious, economic and cultural backgrounds, they will for a time share common experiences and pleasures and be united in the purpose of building world friendship.

In the work they are doing, the Boy Scouts deserve the respect and support of all of us. Building character in boys today shapes men of whom all the world can be proud tomorrow.

Who Owns The Electric Industry?

Critics of the electric utility industry who would like to see the "private companies" taken over by the taxpayers and put under political management leave the impression that the electric industry is owned by a handful of people. In reality, the electric industry is publicly owned in the truest sense of the word. There are four million direct owners of the industry — security owners who represent every profession and walk of life. Insurance companies, mutual savings banks, pension funds and the like have substantial investments in electric utility companies, giving millions of other Americans an indirect financial interest in the industry. For example, the more than 120 million life insurance policyholders comprise 60 per cent of the population. It is estimated that the largest portion of life insurance companies' public utility holdings — some \$17 billion — is in electric light and power companies. In addition, the insurance companies have \$3.3 billion invested in public utility stocks. Mutual savings banks operating in 18 states with 22.3 million depositors, hold \$1.6 billion in public utility bonds.

In other words, the taxpaying, investor owned electric industry is owned by a substantial portion of the people of the United States, either directly or indirectly. Their voluntary investment has created an industry with plant and equipment valued at more than \$63 billion. It provides a vital service that is one of the biggest bargains in the family budget.

All time records in freight volume and capital improvement spending highlighted 1966 operations of the nation's railroads. The year 1966 saw railroads handle 7 per cent more freight volume than in 1965 and a whopping 32 per cent more than in 1961, reports the Association of American Railroads.

In 1962 the average employee at the U. S. Arms Control and Disarmament Agency received \$9,970.00 a year. Four years later, his salary has nearly doubled to \$17,000 according to Representative Harold Collier of Illinois. "I just wonder what these 187 people do eight hours a day, five days a week and 52 weeks a year at a time when we are increasing the size of our military armaments and expanding the defense budget . . ." Collier added.

The nation's interstate highway system is more than half completed. The U. S. Bureau of Public Roads reported that 22,141 miles of the 41,000 mile network are open to traffic. Another 6,382 miles are currently under construction.

Tung Chi-ping, a former member of the diplomatic corps of Communist China, stated recently in a Reader's Digest institutional message: "During my two years in the United States I have come to believe that the sense of individual worth is one of the strongest qualities that Americans possess."

The Internal Revenue Service reports that \$239 million was returned to taxpayers who overpaid their income taxes in 1965. This overpaid tax total is more than one third of all U. S. individual income taxes collected 30 years ago, reports Brevities, a publication of the Employers' Association of Greater Chicago.

FLORENCE NIGHTINGALE NURSED WOUNDED SOLDIERS DURING THE CRIMEAN WAR 110 YEARS AGO, AND MADE A TECHNICAL SCIENCE OF NURSING. TODAY, THERE ARE 460,000 REGISTERED NURSES... 1 FOR EVERY 417 AMERICANS!

THE DEMAND FOR NURSES IS ON THE RISE, AND BY 1970 THE U.S. WILL NEED 4 NURSES FOR EVERY 3 IT HAS!

BECAUSE OF THEIR SPECIAL KNOWLEDGE MANY NURSES USE AN ANTICOLD MEDICATION LIKE CORICIDIN 'D' TO FIGHT CONGESTION THAT ACCOMPANIES COLDS AND ALLERGIES.

RANDLETT NEWS

By MOLLIE RUTH ELLIOTT

Mr. and Mrs. Walker Hatcher returned to Randlett after four days in Bokchita, Okla. and will be at home in Randlett now.

Mr. Grady Martin is reported ill and in a Wichita Falls hospital last week he came home and was taken to an Oklahoma City hospital Monday.

Mr. Fred Harrison of Devoal was released from a Wichita Falls hospital Monday of last week. He came to his sons, Mr. and Mrs. Bill Harrison and family while convalescing last week.

Mr. and Mrs. Hugh Frye and Darlene went to Fort Worth Sunday to visit Mr. and Mrs. Terry Morris.

Mr. and Mrs. David Martin and children visited Mr. and Mrs. Charlie Coffey of Lawton Sunday.

Mr. O. L. Burton, 81, passed away Sunday morning in a Wichita Falls Hospital after a lengthy illness. Mr. Burton made his home in Randlett for the past 46 years. Funeral services were held Monday at 4 p.m. at the Randlett Baptist Church and interment was in the Randlett Cemetery under the direction of Owens & Brumley Funeral Home. Survivors include one daughter, Mrs. Inez Evans of Colorado Springs, Colo. Three sons, Laurence of the home address, Brice of Burkburnett and Oscar of Oklahoma City; two sisters, Mrs. Mary Zachary of Randlett and Mrs. Cass Wilson

Former Area Man Receives Honor At Randolph Base

Randolph AFB, Texas — TSgt. Earl H. Dodson and A1C James R. Shelton have been named NCO and Airman of the Quarter, respectively, for the 3510th Maintenance and Supply Group, Randolph AFB.

Sergeant Dodson, flight chief in the T-37 section of the 3511 Organizational Maintenance Squadron, was chosen for maintaining high standards of leadership and management during the year.

During this time 90 per cent of the experienced personnel in his section transferred. Also his outstanding management of new personnel was far above the average NCOs capacity, it was stated.

Both awards were presented by Col. Roderick E. McCaskill, commander of the 3510th M&SG.

Sergeant Dodson, in service 11 years, took basic training at Lackland AFB and attended technical school at Amarillo AFB. Other bases he has been assigned to include Misawa AB, Japan, Bryan AFB, Tex., Dyess AFB, Tex., and James Connally AFB, Tex. He was stationed at Randolph once before from 1959 to 1963.

He is from Grandfield, Okla., and graduated from high school there. He lives in Schertz with his wife, the former Alice Taylor of Burkburnett, and his two daughters, Jona and Candice.

Fish Farming Talk

What may be the first Commercial Fish Farming Conference in the nation will be held at Texas A&M University, Feb. 1-2. Purpose is to provide detailed and current information on commercial freshwater fish production, catfish in particular. Wallace Klussmann, Extension wildlife specialist, says interest in fish farming is increasing at a rapid rate.

of Guymon and a host of friends.

Cluburne Crow and grandson Rickie of Temple, Okla. visited Mr. and Mrs. Herb Crow Sunday.

A housewarming was given Mr. and Mrs. Jack Williams Sunday afternoon January 29. Hostesses were Mrs. Joe McCluskey, Mrs. T. L. Wileman, Mrs. Ida Green, Mrs. Jess Butler, Mrs. Clarence Watson, Mrs. Kenneth Robbins, Mrs. A. S. Nason, Mrs. Flora Hatcher, Mrs. Mollie Elliott, Mrs. Daisy Dunn, Mr. W. R. Baldwin and Mrs. A. S. Nason.

Several out-of-town guests and approximately 65 local guests registered. Refreshments of punch and cookies were served as the guests arrived.

Mr. and Mrs. Jimmie Kinnard and son were Sunday dinner guests of Mr. and Mrs. W. E. Morrow of Devoal.

Spotlight on HEALTH Science Features

Heartburn Is A Pain In The Gullet

In spite of its name, "heartburn," a common symptom of gastric distress, does not originate at the heart, but in the esophagus or gullet, the tube that carries food to the stomach for digestion.

Because no muscle belched up and irritate esophagus tissue. This produces what is commonly called "heartburn."

Dr. Walter Alvarez reported in the journal, *Modern Medicine*, that most of the 123 patients he studied described a burning sensation so severe that it was sometimes "like fire." Some felt pain, distention, or spasm in the esophagus region.

(A burning pain just below the ribs is also frequent in the middle and later months of pregnancy.)

Anger and other emotional upsets often bring on heartburn, Dr. Alvarez reported, but no matter how the problem originates, the effective treatment for it appears to be the same, namely, an antacid that soothes the esophageal walls and relieves the symptoms by neutralizing the acid that causes the burning sensation.

Many of Dr. Alvarez' patients found that a liquid antacid which can bathe the esophagus (home-mixed bicarbonate of soda in water, for example) works very

well while tablets, passing quickly through the esophagus, do not.

In line with the reasoning set forth by Dr. Alvarez and other eminent physicians, drug manufacturers have produced a number of liquid neutralizers.

One that has just recently become available for relief of heartburn — and stomach overacidity generally — contains the long-tested aluminum and magnesium hydroxides refined to the point where they are capable of neutralizing 300 times their weight in gastric acid. It is called WinGel and has been described as the "near ideal" antacid.

Dr. Alvarez concluded from his study that heartburn, in spite of the discomfort it causes, is not a threat to life and is usually not a symptom of a more serious disorder. It is, however, annoying — something one must learn to live with. Antacids in pill and liquid form make this a little easier for most people.

EVENTS OF YESTERYEAR

From The Burkburnett Star 10 Years Ago

The Rotary Club entertained the School Faculty, Board Members, their guests, and Rotary-Anns with their annual Banquet Jan. 24th. It was held in the School Cafeteria.

Hugh "Pud" Fewin was a guest of I. C. Evans at the Rotary Club Tuesday noon. He was enroute to Houston where he will be employed as a Civil Engineer until June when he will be called into service.

Mrs. W. J. Tyler and Patsy spent the weekend in Houston visiting Mr. and Mrs. D. G. Salinas and family.

Army Privates, Joe R. Bryant and Everett R. Walden of Burkburnett recently completed the first phase of packet platoon training with the 4th Armored Division at Ft. Hood. They will soon finish training at Ft. Hood and are scheduled to go to Germany.

New officers for the Quarter-back Club were announced at the annual Banquet at Town Hall, Jan. 21st: Pres., Clyde (Huck) McDonnell; Vice-Pres., E. J. Tatam; Treasurer, Hugh Veach.

Ira Hardcastle has bought a place near Bentonville, Ark. and will be moving soon.

Town Hall was the setting for a Magnolia Pipe Line Co. dinner Jan. 25th, honoring Mr. J. A. Tally, who is retiring after 32 years of service with the Company. Approximately 40 attended the dinner. Sandy Vanderberg, supervisor of the Magnolia Pipeline Station here was general chairman of the arrangement for the affair.

Mr. and Mrs. George Byerly visited Mr. Byerly's parents and other relatives in Port Arthur over the weekend.

AIC JESSE D. MCCLURE

Burkburnett Resident Selected As NCO Of Year By Sheppard Technical Training Squadron

Sheppard AFB — Two native Oklahomans were selected by the Headquarters Squadron, 3750th Technical School as Non-commissioned Officer and Airman of the Year for 1966 for that organization at Sheppard Technical Training Center.

Chosen from a field of 11 other NCOs and airmen, who had been named for this honor throughout 1966 on the monthly basis, MSgt. Elon W. Hamilton and AIC Jesse D. McClure were the winners. The selection was made by a board of officers and senior noncommissioned officers from the squadrons.

Appropriate plaques were presented to each during the monthly Commander's Call. Presentation was made by Maj. David L. Silver, Headquarters Squadron commander.

Sergeant Hamilton, selected for NCO of the Month of February, 1966, is noncommissioned officer in charge of the design and development section of the technical school's training devices branch.

Formerly from Lawton, Okla., he makes his home in Burkburnett, with his wife and four children. His wife is the former Miss Barbara Jean Newman and their children are Johnny, Jeanie, Julie and Janna.

While at Sheppard he has completed formal courses at Midwestern University on Basic Fundamentals of Electronics

and Advanced Electronics, during his off-duty time. Along with this, Sergeant Hamilton completed the Titan II Ballistic Missile Analyst Course.

At the Douglas Aircraft Corporation in Tucson, Ariz., the sergeant received training as a Thor Ballistic Missile Analyst and in Milwaukee, Wis., he attended an inertial guidance school.

The sergeant was selected in February for his managerial and supervisory abilities, loyalty, job knowledge, performance of duties and interest in his fellow airmen.

Airman McClure, September's selection as Airman of the Month, is an instructor in the Technical Instructor course.

A graduate of Central High School in Oklahoma City, the airman entered the Air Force in July, 1961. He came to Sheppard from Malmstrom AFB, Mont., in November, 1965. While at Malmstrom, he attended the College of Great Falls in Great Falls, Mont.

The airman and his wife, the former Miss Betty S. Percifield from Protection, Kans., have one child, Sonya Kay.

His selection as Airman of the Month in September was based on his outstanding performance of instructional duties and for having set a challenging example for all to emulate.

Alma Jackson Circle Of First Baptist Church Has Meeting

The Alma Jackson Circle of the First Baptist Church met with the Circle Chairman, Mrs. Howard Smith, Monday night, Jan. 23rd. Mrs. Leo Foster opened the meeting with prayer. Mrs. Smith conducted the business meeting. Minutes were read and Treasurer's report given.

Mrs. Florence Nichols was welcomed as a new member. Mrs. Carl Miller reported on a visit to the County Farm Hospital made by Mrs. Smith and daughter, Carol, Mrs. R. P. Thaxton and Mrs. Miller, taking fruits, treats and some needs to the patients.

Mrs. Lena Houser was program leader. Mrs. Thelma Bridwell read the prayer calendar, giving a short devotional and scripture and led in prayer. Miss Jewel Reed gave a very interesting Bible Lesson using the Royal Service topic on "Mis-

sions and the Ministry of Healing." Delicious refreshments were served to 11 members.

LAZY MAN'S WASH

Take a mesh onion bag on your next camping trip. After dinner put the silverware therein and dip in boiling water. Let dry in a tree. No work, no worry, no waste.

NOTICE

WHEREAS, the term of office of Mr. Paul Fisher and Mr. Jack Smith, members of the Board of Trustees of this School District will expire on the first Saturday in April, 1967, said first Saturday being April 1, 1967, and on said date a trustee election will be held in said School District.

Said election shall be held, as provided in Texas Election Code, at Junior High School Building in Burkburnett, Texas. F. A. Marten, President, Board of Trustees, Feb. 2, 7, 9 & 14

NOTICE

Any qualified voter of the Burkburnett Independent School District desiring to have his name placed on the Official Ballot for the April 1, 1967, School Election may do so by securing application form from Mr. Norman Roberts, or pick up from Mr. Dow Estes at School Tax Office. This form may be obtained at School Tax Office between the hours of 8:00 A.M. and 4:30 P.M. weekdays until March 1, 1967. The last day for filing application to have name placed on ballot will be March 1, 1967, 4:30 p.m. Feb. 2, 7, 9, 14, 16, 21, 23 & 28

Clara-Fairview HD Club Hears Talk On Electric Appliances

The Clara-Fairview Home Demonstration Club met in the Texas Electric Reddy Room on January 9.

Mrs. Crane called the meeting to order at 2 p.m.

Mr. Gad Garland, rural representative of Texas Electric Service Co., was the guest speaker. He explained about electric cords, their selection

and care in a program on lighting. He discussed electric repairs and warned against overloading circuits, and how to wire an electric cord for a plug in socket.

Reports were made by the Secretary, Treasurer and the County Council Delegate, Mrs. James Ludeke reported on the Project Show.

Mrs. N. T. Crane was nominated as a candidate to the District Meeting to be held in March.

Refreshments were served to 10 members and two visitors.

Burkburnett Garden Club Installs New Officers At Meeting

The Derrick Restaurant served the Burkburnett Garden Club a lovely luncheon Thursday, January 25th. Mrs. A. R. Bunstine, Mrs. Walter Riley and Mrs. A. H. Loehofener were hostesses.

Mrs. Loehofener gave the invocation.

Mrs. Lloyd Bloodworth presided in the absence of the president and vice president. Minutes were read. Reports from the different committees were given. Mrs. Newt Crane gave a Community Service report. The Auction Sale to be held March 4th was stressed and members urged to collect all articles possible to be gathered and made ready for the sale. Articles will be picked up during the month of February. All proceeds will go to the Youth Center. The planting of the library grounds was discussed.

Officers for the new year of 1967-68 were elected. They are: President, Mrs. Virgil Mills; Vice President, Mrs. Lloyd Bloodworth; Secretary, Mrs. Newt Crane; Treasurer, Mrs. D. C. Dodson. Mrs. Grady Fuqua exhibited Horticulture cuttings suited for

easy rooting and talked on the procedure involved.

Mrs. Johnnie Herring's topic was "Planting To Attract Birds". She also displayed various shrub cuttings bearing seeds and berries that birds feed on.

Mrs. Morrison furnished a very attractive dried arrangement she had assembled using a banana boat container.

Mrs. Bear drew the door prize. The next meeting will be held with Mrs. Glen Ear February 22nd.

Fourteen members attended the luncheon.

QUICK SELECTION

ST. PETERSBURG, Fla. — It was a child's dream come true for Mike Scalise, 9, who won a "shopping spree" drawing. The prize was as many toys as he could carry off in his arms within five minutes, and Mike managed to take home about \$110 worth.

Miss Marilyn Vaughn Is Bride Of Robert Hartman

Wedding vows were exchanged Saturday afternoon in the First Baptist Church in Burkburnett by Miss Marilyn Vaughn and Robert Alfred Hartman. The Rev. Lamoin Champ, officiated. Decorations were arrangements of pink mums and a pair of tapered candelabra entwined with greenery and white carnations.

Parents of the couple are Mr. and Mrs. Henry F. Vaughan, Burkburnett, and Mr. and Mrs. H. A. Hartman, Denton. The bride was given in marriage by her father. Music was presented by Mrs. Vernon Duke, organist, and Mrs. Jack Smith, vocalist.

The bride wore a white Empire tunic gown of silk velvet, petal-hemmed over French Chantilly lace. Her veil of silk illusion was attached to a headband of flowers and she carried white gladioli and lily of the valley.

Miss Gay Lynn Arndt of Odessa was maid of honor. She wore a formal gown of cranberry velveteen and carried a single long-stemmed pink rose. Her headpiece was a pink flowered band.

Candles were lighted by Johnny Blalack of San Angelo and Larry Wright of Duncanville. Hobson Hartman of Denton was his brother's best man. Ushers were Richard Alexander, Henry E. Vaughan of Wichita Falls, the bride's brother, and Eugene L. Wittenmyer of Denton.

A reception was given by the bride's parents in the Burkburnett Bank Community Room. Assistants were Mes. Myrl Roberts and Larry Masters and Miss Billie Morton.

Following a trip to Lake Texoma, the couple will live in Denton where he is employed by Retail Credit Company and she is a senior at North Texas State University. She was graduated from Burkburnett High School. Hartman is graduate of NTSU.

The bridegroom's parents were hosts for a rehearsal party Thursday in Luby's Cafeteria.

IT'S UP TO YOU

By Howard E. Kershner, L.H.D.

Free Money: The End of Freedom

At first shocked and incredulous, the American people are being softened with reference to the proposal for a federally financed income for every American, regardless of his own efforts or productive powers. If this measure is attempted we predict that it will be the end of our free society, and the beginning of a reign of tyranny wherein the federal government must assign jobs, and determine wages and prices.

In the first place, the proposal violates the law of God that one must eat by the sweat of his own brow. If the state decrees otherwise, it is acting in rebellion against the moral law. It would be a blasphemous attempt of the state to supplant God, and to induce the people to pray to the state rather than to God.

Aside from this philosophical aspect of the matter, it would cause a sharp decline in production, widespread hardship, and lower living standards. Finding that they could live respectably, even though on relatively low standards, an increasing number of people would be satisfied with that status, and would not put forth much effort to improve their lot. If one found that he could draw \$3,000 a year from government without any effort on his own part, would he be likely to accept a job requiring hard work and diligence that paid \$4,000 a year? An increasing number, we believe, would prefer idleness with \$3,000 a year rather than hard work with \$4,000.

As more and more people adopted this way of life, the burden of supporting them would fall heavier and heavier upon the thrifty hard working portion of the population. As taxes took away a larger and larger part of their earnings, and they themselves were reduced toward the level of the guaranteed government income, many would cease to strive and join the ranks of loafers on government pay. When it became impossible to finance the scheme, as it surely would, because of too many free loaders and too few workers, government would be obliged, in order to prevent starvation, to step in and force people to work. It would then have to assign jobs, fix rates of pay, and establish prices. That would be government-managed economy, and it could be made to operate only by an authoritarian government. At that point freedom would disappear, and we would have a slave state such as exists in communist lands. This whole error arises from the concept that government has the right to dispossess some in order to give to others. That is what the welfare state means. It is the essence of socialism and communism, and it is based on coveting and stealing. It violates the moral law, and it cannot succeed. A system of that kind cannot long coexist with freedom. Either the scheme of "something for nothing" will be abandoned, or freedom and self-government will disappear.

There are now about 2,000 cities in the world with over 100,000 population.

The Star Of The Show

As the family sits down to Thanksgiving dinner, all eyes are on the turkey. To make sure this golden-brown holiday bird tastes as good as it looks, use Ac'cent to wake up all the sweet, delicate flavor of the meat and make it seem juicier, too. And here are some stuffing variations that will add an exciting touch to your Thanksgiving menu. By using 1/2 teaspoon of Ac'cent per pound of turkey, you will have enough to use in the stuffing and gravy, too.

- Basic Turkey Stuffing and Variations**
- | | |
|---------------------------------------|--|
| 1/2 cup butter or margarine | Water |
| 1 cup chopped celery with leaves | 2 packages (8 ounces each) prepared stuffing |
| 1/2 cup chopped onion | 1/4 cup chopped parsley |
| Ac'cent (according to size of turkey) | 1/4 teaspoon each basil, rosemary, and thyme |
- Melt butter in large skillet; add celery and onion and cook until tender but not brown. Sprinkle with Ac'cent. Add water called for in packaged stuffing directions. Bring to boil. Add stuffing and herbs; mix lightly.
- YIELD:** Approximately 3 quarts, enough for 12- to 16-pound turkey.
- Oyster Stuffing:** Substitute liquor from 1 pint oysters for part of water; add 1/2 teaspoon Tabasco. Coarsely chop oysters and add to stuffing mixture.
- Orange Stuffing:** Add 1 tablespoon grated orange rind and 2 cups dried Florida orange sections.
- Mushroom Stuffing:** Cook 1/2 pound mushrooms, sliced, with onion and celery. Or substitute liquid from 6-ounce can mushrooms for part of water; add mushrooms to stuffing mixture.

Save Heating And Cooling Costs With Storm Windows And Doors

If you find that winter fuel bills take a big bite out of your household budget, and that air-conditioning drives your electricity bills sky high in the summer, give a thought to the money you could save on heating and cooling, with storm windows and doors.

According to scientists, air always moves from warm to cold. For example, in the winter, the warm air in your house tends to escape into the outdoors, while in the summer, just the opposite happens.

Storm doors and windows, installed on the outside over your regular doors and windows, provide insulating by forming a partial vacuum. This vacuum keeps the warm or cool air in your house from escaping so rapidly, thus reducing the cost of keeping your home at a comfortable temperature year round.

Storm windows also help prevent condensation from forming on the glass—a common wintertime problem when only one window is used.

A thinner, stronger safety glass, tempered by a new air cushion manufacturing process can now provide completely safe storm doors for the home.

A new super-strong glass, only one-eighth-inch thick, is said to be the flattest tempered safety glass ever made.

Used in aluminum storm doors, this safety glass not only provides adequate insulation, but also protection against serious injury.

Safety glass is many times stronger under impact than ordinary glass of the same thickness. It resists breaking under normal impact, long term loads and thermal stress. Should it break under heavy impact, it crumbles into small granular fragments without rough edges, rather than large, jagged pieces.

Storm doors of aluminum and safety glass will be giving an added measure of safety and comfort to an increasing number of homes in the future.

With Robins Here Can Spring Be Far Away

Spring???? It can't be far away. Not when you get a glimpse of the visitors Salem County has been having.

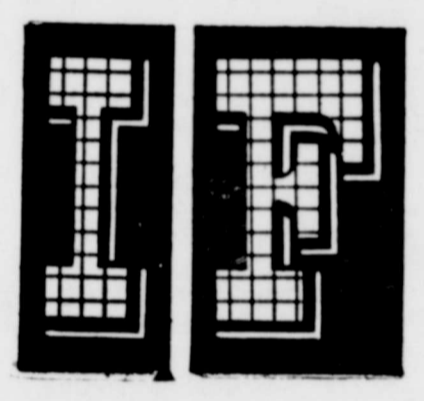

At least 10 or 12 robins were practicing spring time feeding in a Lower Alloways Creek field during the past few days.

Mrs. Blanche Ashlock, Poplar Street, Hancock's Bridge, New Jersey, came across the early chirpers.

She was driving down Buttonwood Road, toward the Delaware River, when she sighted two of the orange breasted flyers sitting atop fence poles.

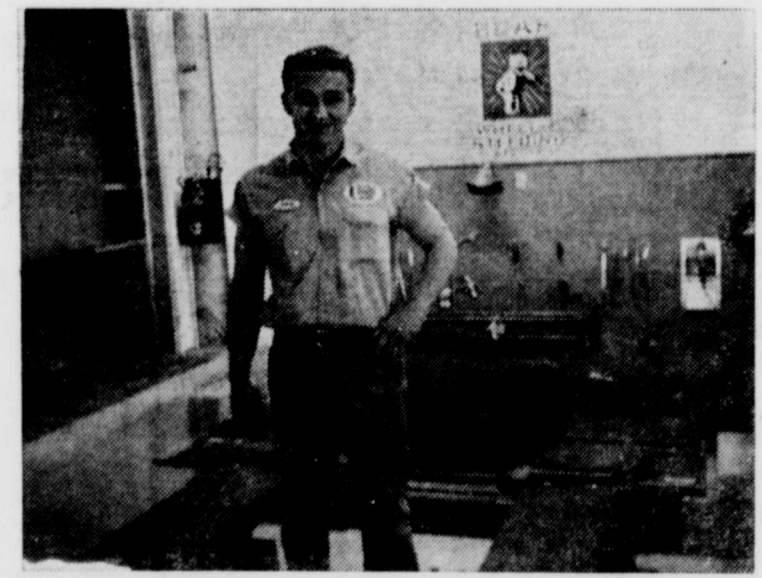

Then, in the field where starlings and blackbirds were lunching, eight or ten more of up-from-the-south robins were also feeding.

To those who watch the birds and small animals for signs of a season's change, the sighting of the robins indicates an early departure of winter weather and a hurry-up arrival of spring. Mrs. Ashlock is the daughter-in-law of Mrs. Opal Poobinder of Burkburnett.

Feeding Your Cat

Like people, cats need a well balanced diet. But this does not mean preparing special foods or feeding table scraps which may not furnish balanced nutrition. The best solution is a scientifically prepared and balanced cat food which supplies protein, vitamins, minerals and other nutrients. Pets are individuals and the amount of food your cat needs depends upon his size, weight, activity and personal appetite. Fresh cool drinking water is a daily must for your cat and be sure to clean the water dish thoroughly every day. The experts at the Purina Pet Care Center in St. Louis suggest using a heavy feeding dish made of glass or crockery which won't slide and placing it on newspaper so that spills are easy to clean. Milk is an excellent food, but alone does not constitute a well balanced diet. It's especially useful with newly-weaned kittens and nursing mothers. Remember not to leave milk in the bowl all day but remove what's left over within two or three hours. A nutritious diet and grooming maintains a sleek coat. Nearly all cats like catnip, a tonic herb with a mildly intoxicating but quite harmless effect. Try spreading some dried catnip leaves on paper or in a large box and watch your pet play happily.

Miss Sue Kassinger Honoree At Dinner Held Recently

Mr. and Mrs. Page Brown, 610 E. 6th, and Mr. and Mrs. Lester L. Kassinger, 1008 Beverly Loop, Burkburnett, entertained Thursday evening with a dinner in the National Room of the First National Bank of Burkburnett honoring their niece and daughter, Miss Sue Kassinger, who will complete her training at the School of Medical Technology, Wichita General Hospital, Wichita Falls, February 10.

Sue graduated from Sherman High School, Sherman, Texas, in 1963, where she served on the Student Council, became a member of the National Honor Society, was chosen to attend the Second Southeastern State College of Mathematics Institute for superior school students and received a scholarship for study at Southeastern State College, Durant, Oklahoma.

She began her study of Medical Technology as a biology major at Texas Woman's University, Denton, Texas and was on the Dean's Special Honor Roll. While there she was initiated into Alpha Lambda Delta, an honorary sorority. She transferred to Arlington State College, Arlington, Texas in 1965, where she will receive her Bachelor of Science Degree in May, 1967. The National American Legion Auxiliary awarded her a scholarship at Arlington.

In February, 1966, she entered Wichita General Hospital School of Medical Technology and was presented a scholarship by the Woman's Auxiliary, Wichita County Medical Society.

Forty-one friends attended the dinner, among them were the speaker, Dr. D. E. Fletcher, Director of the School of Medical Technology, his assistant, Dr. Ralph Ehrdman, Mrs. Fletcher, Mrs. Ehrdman, Mrs. C. E. Thompson, Student Director of the School, Mr. Thompson, Mrs. Dorothy Edwards, Laboratory Supervisor, Wichita General Hospital, Mr. Dan Muenster, supervisor, Micro-biology Laboratory and Mrs. Muenster.

In July, 1967, Sue will travel to Austin to take the Texas State Examination to become a member of the American Society of Clinical Pathologists. She has applied for an appointment with the U.S. Civil Service Commission to be employed as a Medical Technologist.

Burkburnett D.A.R. Honors Judy Pace With Citizen Award

Judy Pace, daughter of Mr. and Mrs. Leon Pace, has been chosen as Daughters of the American Revolution representative for Burkburnett High School. The award, given by the faculty, exemplifies good citizenship.

She was recognized as an outstanding youth by the Optimist Club during Youth Appreciation Week. Miss Pace, a senior, is editor of the yearbook, an active member of the student council, F.T.A. president, and F.T.A. sweetheart.

Last year she served as vice president of her class.

After you've passed forty, life seems to become more complicated instead of getting simpler.

PACK 151 NEWS

Cub Scout Pack 151, sponsored by St. John's Church, met on Monday, Jan. 30, to hold their regular monthly meeting.

The program was begun by Rev. Merriman giving the Invocation. He then announced that February 12, is Boy Scout Sunday, and all Cubs and Scouts are urged to attend their church, in uniform, for these special services.

The program was then turned over to the Cubmaster, Victor L. Powers. He announced the cake donations and tickets were then purchased for the drawing to be held later in the program.

Next, was the Flag Ceremony, held by Mrs. Gatten's Den 1. A skit was then presented by Mrs. Miller's Den 3. It was entitled "A Parade of Historical Characters." The Den Chief, Brad Billicieco was the narrator and he told of outstanding characters in our nation's history. Each boy in the den arose at the appointed time, representing a different person: David Miller was Abe Lincoln; Jeff Shadd was George Washington; Michael Ryan as Frances Scott Key; Butch Esau as Daniel Boone; Mike Martel as Christopher Columbus and Gregory Scott Owens as Benjamin Franklin. Each boy was dressed his part, and their makeup job was outstanding. These boys and Mrs. Miller had made three disguises in their den meetings and are to be congratulated on presenting a fine skit for their audience.

Next on the program was the presentation of awards, given by the Cubmaster, and the Advanceman, Mr. Richard Rozell. The awards were as follows: To Jimmy Chartier, Lion Badge; Gold and Silver arrows and a 2-year pin. To Eradley Robertson, Lion Badge, Gold and Silver Arrows. To Tony Rozell, Wolf, Gold and Silver Arrows. These boys are all in Den 1. In Den 2, the following boys were presented with Wolf Badges, Dale Tisdale, Archie Pendey and Victor Powers. Kevin Warren was presented his Gold Arrow. In Den 4, Roy Cheney was presented his one year pin. In Den 5, Jerry Beckett received his Bear Badge. Jesse Dickson of Den 1, received his Bobcat pin and registration card. After each presentation, the Cub Scouts really sounded out with their D.Y.B. Yell.

The cake that had been donated by Den 4, was then raffled off, and the winner was Cub Scout Tony Rozell. The Pack Treasurer had taken in \$7.20 for the cake donations.

Displays for the evening were made by Mrs. Allen's Den 4, and Mrs. Pendley's Den 2. There was Indian Headress, pictures made from rice and beans, and an assortment of old-time wagons made from Clorox bottles. These were quite impressive and took many hours to prepare them for display.

Cubmaster Powers made the announcement of the Blue and Gold Banquet, to be held Feb. 9, at 7:00 p.m., in the Town Hall. There will be no pack meeting the last Monday in February, as the Banquet will take its place.

After the meeting, refreshments were enjoyed by 41 parents in attendance. Thanks goes to Den 5 for the delicious re-

freshments, we all enjoyed them.

We hope to see all the parents and Cub Scouts at the Banquet on the 9th, so make your reservations with the Den Mother as soon as possible. The next pack meeting will be in March.

VETERANS Questions - Answers

EDITOR'S NOTE: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through the Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—Are veterans whose only service was after January 31, 1955, eligible for admission to a Veterans Administration Hospital?

A—Yes, on the same basis as veterans with war-time service.

Q—A person who has no veteran status, but is in the service now, is he able to take training under the new G. I. Bill?

A—Yes. Any person on active duty in the Armed Forces of the United States who has served on active duty for at least two years and continues on active duty is eligible to apply for educational benefits under the new G. I. Bill.

Q—Under the new G. I. Bill, can training on-the-job be approved?

A—No. Apprentice, or on-the-job, or institutional on-farm training, may not be approved.

Mainland China is the world's leading rice producer, with a crop normally about 80 million tons annually.

freshments, we all enjoyed them.

We hope to see all the parents and Cub Scouts at the Banquet on the 9th, so make your reservations with the Den Mother as soon as possible. The next pack meeting will be in March.

NEW TOMATO VARIETIES FOR TEXAS

Seed of La Pinta, El Monte and Chico Grande, new commercial-type tomatoes developed by the Texas Agricultural Experiment Station, are now available for spring crop plantings. La Pinta and El Monte are mostly Valley-adapted, but Chico Grande is expected to do well throughout the state. They are resistant to disease and cracking, and under tests have produced double the

yields of present types. Horticulturist Paul Leeper at the Lower Rio Grande Valley Research and Extension Center developed the new varieties.

OVERDUE BILL

BETHLEHEM, Pa. — The city treasury is \$4 richer now, and some New Jersey motorist's conscience is clearer. The driver sent the money as payment for two parking tickets, both issued 13 years ago.

Music Appreciation

I am not a musician, but as I write this I think back and realize how my taste in music has changed. Early in life, it took only the simplest childhood jingles to please me, then in school I was trained and taught to appreciate more intricate music. All through life I feel that my knowledge of . . . and appreciation for music has grown and matured.

Through study and help from others, I have also grown as a Christian and have a better appreciation of my Lord.

My knowledge of, and love for God increases with each church worship service . . . This way of life and worship, I would recommend to anyone. Won't you try it . . . Start by attending church this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

HARRIS-TUTTLE VOWS ARE READ RECENTLY

Floyd Price Tuttle, Jr. and Frances Ellen Harris were united in marriage on the 30th of January at the Bible Baptist Church, 908 Austin, Wichita Falls, Texas, by Rev. T. H. Masters. Mrs. Tuttle was raised in Marion, Ill. They plan to make their home here until Floyd finishes school in May. When school is out he will go into the active Navy and Mrs. Tuttle will join him in San Diego, Calif.

Helena, capital of Montana, was known as Last Chance Gulch by gold prospectors before it was founded as a community in 1864.

TELL ME

Den 6, Pack 155 January Weekly Meets Reported

This month's theme was "Highways to History." Our weekly meeting of January 13, was a tour of the Wichita Falls Police Station. We want to thank Information Officer Carl Franklin for being so nice and taking so much time to show us all of the functions of the department. The Cubs and the Den Mother enjoyed it very much and it was very educational and made us appreciate our Policemen so very much more. Cubs Wade Harris, Kermit Olson, Morris Jacobsen, Wade Meadows, Donny Roe, Mike McKinley and Den Chief Darrel Rivard enjoyed our snack in the King Flight Service Lobby and Wade Harris led us in the pledge of allegiance.

plans in the hangers and then the Cubs, Wade Harris, Morris Jacobsen, Billy Savage, Donny Roe, Joe Scruggs, Mike McKinley and Den Chief Darrel Rivard enjoyed our snack in the King Flight Service Lobby and Wade Harris led us in the pledge of allegiance.

Due to illness, Mrs. McKinley had the January 26 meeting for Den Mother Mrs. Scruggs, and it was very much appreciated, and was very nice of her to do so. They painted their paper mache bracelets they had made at home and also made valentines. Den Chief Darrel Rivard led Cubs Wade Harris, Morris Jacobsen, Kermit Olson, Wade Meadows, Donny Roe, Joe Wayne Scruggs and Mike McKinley in several games. The den meeting was enjoyed by all.

Our January 30th meeting was our pack meeting and we had a pine wood derby. The cars were made by the boys and their fathers. All the boys received a pine wood derby ribbon for entering their cars in the race. Awards received were: Wade Harris, Wolf Silver Arrow, Denner Bar, Donny Roe, Wolf patch and Gold Arrow, Denner Bars; Morris Jacobsen, Lion Patch and Gold Arrow. He will now become a Webbo, we will miss Morris in our den. Our next Den meeting will be Feb. 6, and our theme will be Anniversary Month and we will have our Elue and Gold Banzquet Feb. 24.

... AND BABY MAKES 50

NEW YORK — Mr. and Mrs. Percy Dewey Potter who have 12 children, became grandparents for the 50th time when their daughter, Mrs. Doris Toney, gave birth to a girl. UNICEF means help and hope for millions of the world's needy children.

Continually study the clothing needs of family members in terms of activities, special interests, and total family income. They also need to study fabrics, their fiber content and finish.

The consumer who puts her clothing know-how to good use is more nearly assured of full satisfaction in what she buys for herself or members of the family.

To The Rescue

ORLANDO, Fla. — Bulldozers came to the rescue... of another bulldozer here. A 25-ton bulldozer, costing approximately \$7,500, plunged into Lake Ivanhoe after falling from a man-made peninsula extending from the north side of the lake. Work on Interstate 4 project was stopped as three other bulldozers were called in to pull the half submerged vehicle to safety. Owner Bill Crawford said, "We're lucky it didn't sink to the bottom of the lake."

In one year alone, UNICEF supplies protected 36,000,000 persons from malaria.

A variety of closures are suitable for vinyl garments. Bound buttonholes can be used on knit back and woven back fabrics. On clear and woven back vinyls, machine worked buttonholes are successful. Hand worked buttonholes can be used on knit back vinyls.

Homemakers have recently completed a sportswear workshop sponsored by the Wichita County Program Building Subcommittee on Clothing. Mrs. Jim Roberts, chairman, would welcome suggestions for future work in clothing, selection and construction or care.

What is there about a clothing sale that appeals to many consumers? Is it that shoppers want to test their skill to see if they really can spot a good value? Perhaps consumers really believe they can get something for nothing at a clothing sale or they may feel they are contributing to family income with the pennies saved.

Dollars spent on clothing should give a good return for the investment according to Thelma Wirges. It's the responsibility of consumers to see that family clothing needs are adequately met and that they are getting the best value for their money, she explains.

The wide variety of styles and sizes available in all types of clothing and at prices for consumers at all levels has considerable increased the number of well-dressed people in this country. Extensive information on fiber, fabric, characteristics, and care make it easier for consumers to buy wisely and to prolong the life of garments. For this information to be most effective, consumers must con-

enjoy flameless electric living in a TOTAL ELECTRIC GOLD MEDALLION HOME

There's wonderful modern living in a Total Electric Gold Medallion Home, where flameless electricity heats in winter and cools in summer, cooks the meals, does the dishes, washes and dries clothes, provides plenty of hot water and does so many other jobs efficiently and economically. Before you build or buy a home, let us give you complete information about Total Electric Living in a Gold Medallion Home... and about our low rate for all-electric homes.
