**THE PLASTIC TEE-TOTTER** provides plenty of fun for Christy Pruett and Karen Faust as they enjoyed themselves at the nursery school conducted at the high school last week.

**STORY TIME** at the nursery school, with Becky Dark reading. Her listeners are Edwin Smith, Shene Wright, Christy Pruett, Dianah Dark, Karen Faust, Danny Powell and Lori McClain. Assisting is Debbie Lamer.

**OUTDOOR PLAY** was another feature of the nursery school. Here Linda Baker, Lori McClain, Diana Dark, Danny Taylor, Christy Pruett and Karen Wood take advantage of the pleasant outdoor weather.

**CREATIVE WORK** of the students is closely supervised by Jane Shackelford and Carla Nelson. The students are Karen Faust, Linda Baker and Christy Pruett.

## Burk Students Learn While Conducting Nursery School

Working for high school credits can be fun. That was the experience of 19 Burk Burnett High School girls last week, as they conducted a nursery school at the high school home economics department for ten youngsters of pre-school age. The nursery, which also provided valuable training for the girls in home economics, last all week, from 9 a.m. to 11 a.m. each morning. The girls put in much more time than that, however, as they prepared for the course. First, they spent a week learning their chores, how to hand-

le reluctant and homesick youngsters, how to plan and organize play and work periods. Then, they must complete a project at home to earn their half credit. Girls taking part in the nursery were Sharon Wooten, Deborah Roth, Becky Dark, Kathy Milstead, Carla Nelson, Kathy Kincaid, Jane Shackelford, Lis Jackson, Mary Chesser, Lydia Cobble, Brenda Goines, Susan Hayes, Jackie Miller, Linda Purcell, Carol Barbutes, Susan Hall, Marlene Meadors, Debbie Lamer and Linda Howard.

## HERE and THERE AROUND BURKBURNETT

Any, or all, interested citizens are asked to join a group to help clean up our Cemetery, Thursday. Grass, near monuments and grave markers, which mowers cannot reach, needs clipping. Remove old and damaged floral pieces and wires and many odd jobs necessary. Many graves are very-much neglected. Due to lot owners or relatives being non-residents. Helpers are asked to furnish their own equipment. Work starts at 8:00 a.m. Thursday, June 18th. Do come out and help with this city approved project. Mr. and Mrs. Vernon Duke are in Colorado Springs, Colo. (Continued On Back Page)

## Pecos Family Is Treated To A Night On The Town Recently

"Welcome to Burkburnett, Texas, the Cowboy Capitol of the World." Those words have been spoken often, we're sure, but seldom to the wailing of a highway patrol siren, and a delegation of citizens as they stopped an unwary traveler on the highway. But it happened Thursday, as a feature of the annual Boomtown Rodeo, when a traveling family was stopped, invited to stay the night and to attend the first night's rodeo performance as guests of the Burkburnett Chamber of Commerce. The family was Mr. and Mrs. John Stickle of Pecos, school teachers at Pecos, who were enroute to Bloomington, Indiana, to further their education. In the reception committee was W. S. Granberry, highway patrolman; Vernon Duncan, chairman of the tourist promotion committee, and Bill Vincent, president of the Chamber of Commerce and news media. Included in the honored family were children Billy John 11, Bena 9, and David 4. The family was treated to a night's lodging at the Twilight Inn Motel. They also had seats on the reviewing stand for the rodeo parade, and seats at the first night's performance of the annual Boomtown Rodeo. In each case, they were formally introduced to the crowds. "It was a thrill," the family reported, "all except those first few minutes which were perplexing."

## Elaine McAda Is Named Queen Of 1969 Burkburnett Rodeo

Lovely Miss Elaine McAda, sweetheart of the Clay County Saddle Club, was chosen Rodeo Queen of the 24th Annual Boomtown Rodeo held here over the weekend. Miss McAda, resplendent in a shining blue riding costume, was formally announced as the Queen at the beginning of the first performance of the three-day show Thursday night. Also introduced were sweethearts of each of the other riding clubs which took part in the 45-minute parade Thursday afternoon. Large crowds braved the blistering sun to view the riders and marchers. One of the highlights of the parade was the precision marching and riflanship of the Sheppard Air Force Base Drill team. The Saint Jo Riding Club was first place in the parade, judged in riding and appearance, and as such, had the honor of leading the grand entry and setting pivots at the opening performance. Winning first places, however, is nothing new to the smartly, attired green and white riders from northeastern Montague County. Second place riding club was the Dean Club, with the famed Jim Bowie Saddle Club of Bowie placing third. Second place winner in the Queen contest was Luring Hass, sweetheart of the Duncan Riding Club, while Jeannine Walker of the Bowie club was third. The Burkburnett Riding Club, as host club, was not competing for honors, although their appearance brought many favorable comments from spectators.

## Kiddie Parade Winners Judged

Scores of kiddies turned out Saturday morning for the Kiddie Parade, one of the features of the annual Boomtown Rodeo. Prizes were awarded for various categories. The winners listed for first second and third, were; Tricycles: Nocol Nunn, Kim Brown and Charla Skaggs; Bicycles; Kelly Hale, Mary Cantrell and Kim Hale; Costumes: Sharon Allison, Beth Radanovic and Rena Thaxton; Horses; Clifton Jones, Marty Myers and Keith Luke.

## Special Members To Be Honored

Members of the Burkburnett Senior Citizens' Club who have observed their fiftieth wedding anniversaries will be accorded special honors at the next meeting of the club. A special table will be set for Msrs. and Mmes. J. A. Ady, T. A. Banning, Lester Coats, Jimmy Johnson, Otis Magee and Ray Stimpson. The occasion will be observed on June 26 at the Town Hall. Officers of the club are Will Teal, president; Ray Stimpson, vice-president; Silvia Lohofener, secretary, and Bertha Johnson, treasurer.

AIRMAN SPANNAGEL

## Clark Spannagel Completes Basic

SAN ANTONIO — Airman Clark D. Spannagel, son of Mrs. Kenneth Palmer, 808 Easy St., Burkburnett, Tex., has completed basic training at Lackland AFB, Tex. He has been assigned to Chanute AFB, Ill., for training in the missile electronics field. Airman Spannagel, a 1967 graduate of Canadian (Tex.) High School, attended Midwestern University, Wichita Falls, Tex. His father, Clark J. Spannagel, resides in Canadian.

QUENTON LEE HOWARD

## HOWARD RITES ARE HELD

Quenton Lee Howard, 47, died Thursday afternoon in a Wichita Falls hospital after a brief illness. He was a long-time resident of Burkburnett. Funeral was at 2:30 p.m. Saturday from Janlee Baptist Church with the Rev. Don Burks, pastor, officiating. Burial was in Burkburnett Cemetery under direction of Owens & Brumley Funeral Home. Howard was born Aug. 19, 1921, in Maryville, La. He was a veteran of World War II and was a Civil Service employe. He was a member of the Baptist Church. Survivors include his wife Marilyn; a daughter, Mrs. Carolyn Smith of Golden Meadow, La.; a son, James Howard of Ontario, Calif.; three sisters, Mrs. Opal Long and Mrs. Pearl Morse, both of Burkburnett, and Mrs. Laura Hatcher of Madera, Calif.; two brothers, Clayton of Burkburnett and Othel of Costa Mesa, Calif.; and two grandchildren.

## Judith Hoover Earns Degree

DENTON, Tex. — Mrs. Judith Karen Hoover of Burkburnett was among 1,177 students from 33 states and seven foreign countries receiving degrees at spring commencement at North Texas State University. President John J. Kamerick conferred 1,010 bachelor's degrees, 144 master's and 23 doctor's degrees, including the first seven doctor's degrees in business administration at NTSU. Mrs. Hoover, daughter of Mr. and Mrs. Harry C. Small, 306 W. First St., received the bachelor of science degree in psychology.

## ANNIVERSARY CELEBRATION AT FIRST SAVINGS TERMED SUCCESS; PRIZES CLAIMED

The Ninth Anniversary celebration now under way at the First Savings and Loan Association of Burkburnett is turning out to be a bigger success than hoped for. Albert Dillard, president of the institution, said many of the prizes have already been claimed, and many more are awaiting for a lucky reader of the Burk Star. One of the more interesting prizes will be the cash given for guessing the number of nickies on display in a glass bowl on the counter. The person guessing the closest will receive \$50, with prizes of \$25 and \$10 offered for the next two best guesses. Persons making the 5th, 20th, 40th, 60th, 70th and 90th deposits during the month will also be rewarded. They will receive the greater of \$10, or \$5 for each year they have had an account with the association. And, if the fire siren happens to blow while you are in the office, it will be worth \$10 to that saver. Not only that, but visitors are invited to register for a drawing to be held on June 30. To be eligible, a registrant

need not have an account with the First Savings and Loan. Some of the prizes to be drawn for are: Gasoline for your personal car for the entire month of July at the Burkburnett service station of your choice. Fifty dollars toward the purchase of a new car at Wolfe Ford Company or Mathis Chevrolet during the month of July. The electric bill at your residence during the month of July. All the ice cream you can eat during July on the premises of the Corner Drug Store. A cash prize of \$25. Five cash prizes of \$5 each. Or, 2,500 S&H Green Stamps. The prizes are not transferable, but with a grand array like that, who would want to? The drawing will be held June 30, and will be announced in the Burk Star. Registrants need not be present to win. Dillard, in a letter to the public, expressed his appreciation and satisfaction to the residents of the area who have made the growth of the First Savings and Loan possible. He stated that since the opening of the institution in 1960, they have assisted in the purchase, upgrading, expansion and refinancing of resident, commercial, farm and ranch property to the extent of some \$12,000,000. Directors of the fast-growing firm are Dillard, president; Phillip Carpenter, William Clement and Jack Mathis. As of December 31, 1968, savings at the First Savings and Loan reached \$6,839,214. The firm pays dividends of 5.25 per cent on time certificates of \$1,000 and above, and dividends of 4.75 per cent on regular passbook accounts on any amount. In addition, during June and July, each new account of \$250, or an addition of \$250 will entitle a saver to a 16-piece set of stainless steel flatware, or 750 S&H Green Stamps. All savings in by the 10th earn from the first.

## Insect, Disease Clinic Scheduled

An Insect and Disease Clinic for shrubs and flowers will be held in the county on Friday, June 20. Dr. Jerral Johnson, Plant Pathologist from Texas A&M University, and Emory Boring, Area Entomologist from Vernon, will be on hand to answer your questions. If you are having problems with insects or diseases on shrubs, flowers or trees, bring a specimen to one of the following places closest to you on June 20. There will be no charge. Sears Garden Center, Wichita Falls, 9:00-10:30 a.m. Central Seed and Feed, Parker Square, Wichita Falls, 11:00-12:00. Texas Electric, Burkburnett, 1:30-2:30 p.m. Chamber of Commerce, Electric, 3:00-4:00. The clinic is sponsored by the Wichita County Program Building Committee.

## CARD OF THANKS

I wish to express my heartfelt thanks to friends and neighbors for their thoughtfulness during my recent stay in the hospital. Your cards, flowers, gifts and other kindnesses will always be remembered. A special thanks is extended to Bro. Champ for his visits and prayers. MRS. ANGIE MAE RANDALL

## WINDS, RAIN HIT BURK

High winds and rain which struck Burkburnett Friday afternoon reaked havoc with trees and limbs, and hail did some damage to autos and rooftops. The rain, not entirely unexpected, struck the city shortly before 4 p.m. Chief of Police Buck Abbot, on weather patrol west of the city, said damage and hail in that area, about 1 1/2 miles from town, was severe. "If Burkburnett had caught what struck about one mile and a half west of the city, damage would have been terrible," the chief said. Hundreds of tree limbs were down, and city crews were kept busy cleaning and clearing the streets. Electrical power was off for about 20 minutes due to a broken pole west of town, according to Bill Vincent, local manager of Texas Electric Service Company. However, emergency crews repaired that damage and restored power in short order. Chief of Police Abbott reported that rainfall Friday afternoon and night measured 4.19 inches. The northwest part of the city seemed to sustain the most damage, Abbott reported, especially between 4th and 8th Streets. A mobile home was blown over while being installed into place, but no injuries reported. Wayne Smith, combination man here for Southwestern Bell Telephone Company, said they had isolated instances of trouble in rural areas, but no main cables were damaged or destroyed.

## CEMETERY WORKDAY HERE SCHEDULED FOR THURSDAY

Thursday is THE day. That's the annual work day for Burkburnett Cemetery Beautification Committee, all individuals and clubs who would like to join in. The work day is needed more than ever this year, since the wet weather has not only hampered city crews from their chores, but has contributed to the hasty growth of weeds and shrubs. Mrs. Ralph White, chairman of the committee, urged and requested all available citizens to join in the civic project. "Bring your lawn mower if you can," she said, "and of course all the garden tools you can carry." The work day will begin at 8 a.m., but Mrs. White said no one will be unhappy if a worker turns up a few minutes late. And of course, the volunteers may work as long or as short as they wish. The work day has the full approval of the Burkburnett City Council. Extra city employees will be on hand, and extra trucks will be available to remove cuttings and debris. Much of the natural beauty of the cemetery has been enhanced in recent years with the planting of 665 trees and shrubs, secured through the efforts of the committee. Bushes along the fence have been planted by garden clubs. The beautification committee, organized many years ago, consists of Mrs. White, Mrs. Phillip Carpenter, Mrs. Carl Morrison, Mrs. Troy Miller, and Mrs. R. C. Gilbow.

## "STORED-UP LABOR"

One of the best explanations of what makes a country move ahead is contained in the following brief item from the Union Electric News—house organ of a midwest power company:

"All of our factories and railroads, airlines and private power plants, telephone systems and supermarkets—and almost any other production or service facility you can name—represent the past savings of the people.

"These things exist only because people have been willing to work, to save and invest.

"They are really the 'stored-up labor' of millions of individual Americans. Not all of these Americans were direct investors, buyers of business shares. But they all helped, through such things as insurance policies and bank deposits and mortgages, to provide the necessary investment for our great productive and service machines.

"Obviously, we must continue to expand these facilities, to provide jobs and goods and services for our expanding population. Hopefully the new federal administration will bear in mind that the best thing government can do for us is to protect our savings, through rigid government economy and alertness to inflationary threats wherever they arise. In that way . . . stored-up work . . . can continue to provide for the real welfare of all Americans."

## FIRST-CLASS PEOPLE NEEDED

The Marshfield, Missouri, Mail has expressed some thoughts on the quality of people and the quality of nations that while sounding uncompromisingly harsh, embrace a fundamental truth. It says: "Only second-class people make a second-class nation. People who want to be paid without working enough to earn it are second-class people, not Americans. People who want to be protected without having the courage to fight, and earn their own protection, are second-class citizens. People more anxious for security than self-respect, comfort above accomplishment . . . are dragging America down to the second-class nation status . . . Run this nation once more by hard work—and for those Americans with self-respect, not for whiners—and we'd sweep that scornful 'second-class' sneer and all excuses for it down the rat-hole where it belongs."

## WASHINGTON AND SMALL BUSINESS

### Approaching the Precipice

It used to be that a man drawing welfare checks while holding down a full-time job at the same time was committing fraud. But now it appears that this can be done quite legally in at least two states.

Under the new law in New Jersey, about a dozen GIs have been added to the welfare rolls. They are drawing regular government pay. One, an airman, first class with a wife and child, gets \$272 a month in pay and allowances, including \$82 for an apartment off the base. The state has determined that he needs \$390 a month for an adequate standard of living, and so under the new law it is making up the \$118 difference.

Service families living off-base are eligible for this welfare supplement, regardless of home state residency. Applications are piling up, and welfare officials are wondering how many servicemen will qualify and what it will cost.

Reportedly, some Federal and state officials are shocked over the situation and believe that New Jersey taxpayers should not be nicked because Uncle Sam's pay is "inadequate."

And in Ohio, where 777 state employees reportedly earn less than the Federal governments defined poverty level, it's been disclosed that several unskilled state employees earning \$3,278 a year also receive state welfare payments.

Cynics might say that, well, the big question is whether the guaranteed annual income is going to be adopted in principal. That is the crucial step, like the next step after reaching the edge of a precipice.

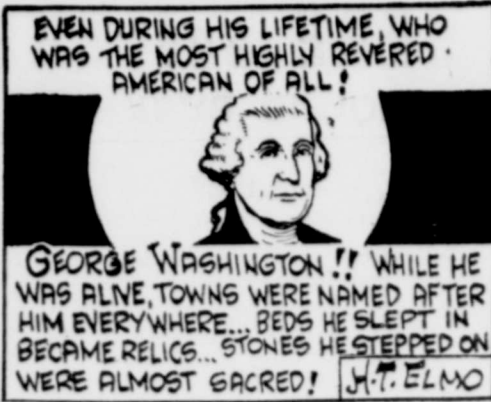

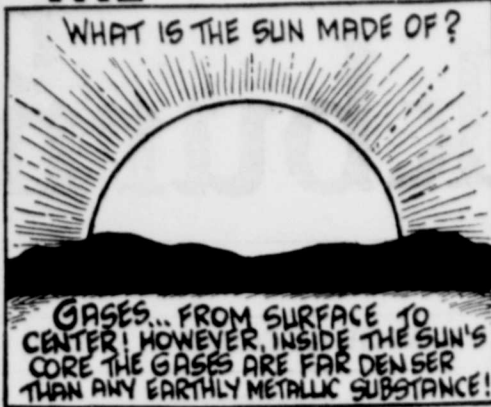

Supplementing the incomes of persons on the lower end of the economic ladder—whether working or not—is the basic idea of the "guaranteed annual income" which is being strongly pushed by some groups, including organized labor and organized welfare recipients, but hotly opposed by 90 per cent of the nation's independent business proprietors, a poll shows.

Apparently, the principal is getting a foothold at the state level despite the fact that many states are in dire financial trouble. Ohio is considering imposing an income tax and other taxes to meet a ballooning budget. State welfare costs are rising so fast that Governor Nelson Rockefeller of New York wants the Federal Government to assume them.

The question—if welfare supplements to fully-employed persons do catch on—is not so much who should pay, state or Federal, but can either one afford it which really boils down to: Can the economy and productive taxpaying citizens afford it? Estimates run up to \$50 billion a year. Businessmen do not think the economy can carry such a load without breaking down.

reflections in beauty

BY  
Aubrey McDonald

What makes a woman feel like a woman -- a soft, wistful hairdo; subtle, flattering make-up; a youthful, softly-curved figure; or a few words of flattery from her favorite man? Whatever it takes to make your sense of femininity flourish, one of the nicest ways to subtly express your womanly ways is with cologne and perfume.

Every woman should be familiar with the many forms of fragrance and how they should be used in her daily beauty routine.

Perfume, the most concentrated and long-lasting form of fragrance, contains from 40 to 2,000 ingredients diluted with a minimum amount of alcohol.

For the most pleasing results, apply perfume directly to pulse spots -- inside wrists, behind ears, temples, back of knees, base of throat. Even with pulse-point applications, the scent will not last all day and you should refresh your perfume about every four hours.

Cologne is a lighter fragrance form with a higher alcohol content. Use it lavishly. Splash it on after bath or shower, or spray it from head to toe after dressing and see how the fragrance envelops you like a delicate veil.

Scented bath products, such as dusting powder, bath oil and milk bath are not-to-be-neglected fragrance bonuses. These delightful beautifiers not only soften

and condition your skin, but create a long-lasting base for your cologne or perfume.

Fashion Two Twenty has created some particularly pleasing fragrances. Select the one which best expresses your mood or the moment: provocative Near RRR, elegant "U", coy Wisp Purr, intriguing Hot Cargo, and frivolous Little Spree.

Wear a fragrance every hour, every day, everywhere and you'll feel fresh, fragrant and eternally feminine.

If you have any question regarding proper beauty care or grooming, send them to me c/o Fashion Two Twenty, P.O. Box 195, Aurora, Ohio 44026.

**for a Better Tomorrow**

Working, learning to sew... Now, something simple is being prepared and soon her own dresses, and in the future, clothing for her own family. Training is important in the lives of our children.

Spiritual training is a must in the lives of our young ones.

"Train up a child in the way he should go; and when he is old, he will not depart from it."

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

## Department Of Public Safety Seeks Applicants

A call was issued recently by the Texas Department of Public Safety for applicants to fill a recruit training school to begin in July.

Applicants must be between the ages of 20 and 35, a height of at least 68 inches, a weight of not less than two pounds or more than three and one-half pounds per inch of height, and be in sound physical condition.

They must have completed high school or submit a certificate approved by the Texas Education Agency showing an equivalent educational background. They must be a citizen of the United States and be of good moral character.

Those selected will take their basic training at the Texas DPS Law Enforcement Academy in Austin. This training period is approximately four months in length. Upon graduation, the patrolmen will be assigned to one of the four uniformed field services — Highway Patrol, License and Weight, Motor Vehicle Inspection and Drivers License.

Because of the short time remaining to test applicants, immediate inquiry is urged for young men to contact the nearest DPS office or patrolman.

## Highway Patrol Investigates 16 Rural Accidents

The Texas Highway Patrol investigated 16 accidents on rural highways in Wichita County during the month of May, according to Sergeant D. W. Lawson, Highway Patrol Supervisor of this area.

These crashes resulted in no persons killed, ten persons injured and an estimated property damage of \$6,330.00.

The rural traffic accident summary for this county during the first five months of 1969 shows a total of 74 accidents resulting in two persons killed, 42 persons injured, and an estimated property damage of \$54,475.

A last minute invitation is being given by the Texas Department of Public Safety to high caliber young men to fill its uniform ranks. A recruit training school for the position of patrolman will begin in July.

Applicants must be between the ages of 20 and 35, a height of at least 68 inches, a weight of not less than two pounds or more than three and one-half pounds per inch of height, and be in sound physical condition.

They must be a citizen of the United States, and be of good moral character.

Because of the short time remaining to test applicants, immediate inquiry is urged for young men to contact the nearest DPS office or patrolman.

## Cooper HD Club Meets Recently

The Cooper Home Demonstration Club met June 9 in the home of Mrs. Sam S. Spencer.

The meeting was called to order by Mrs. Bee Bryant, our president.

Roll call was answered by "How I Would Spend a 25th Hour," by 15 members.

In the business session the sale that we are to have Saturday was discussed and planned.

Our project for July and August, the making curtains for a bedroom for Faith City Missions, was discussed and voted on.

Mrs. W. P. Rogers gave a Safety Hint.

Mr. Joe N. Sherrill, Jr., of Wichita Falls gave the program. He talked about Property Rights of Women. In his talk he discussed ownership, who controlled the rights, wills, and taxes.

Mrs. H. E. Clayton conducted the recreation. Mmes. O. J. Cooper and Bob Stewart won the prizes.

Refreshments were served by the hostess, Mrs. Sam S. Spencer to the following members, Mmes. O. J. Cooper, J. H. Gill, P. S. Swinford, Mae Kotch, J. H. Musgrave, Lee Cooper, W. P. Rogers, Bob Stewart, Bee Bryant, H. E. Clayton, Laura Greger and Miss Amelia Spencer.

The next meeting will be June 23 in the home of Mrs. Bob Stewart. Mrs. Mae Kotch will have the program on "Key to Safety."
