There's been much discussion around town since the Friday night beauty pageant. It seems that many didn't realize that there were as many "beautiful" or available or "beautiful" girls in Burk Burnett as was evidenced that night.

Someone accused me of not showing up for the pageant. I was the dame on the roller skates--and I have a few bruises to prove it!!

Gary Owen it seems is just now getting back down to ground level since sinking a "hole in one" on the local golf course last week.

Mickey Cornelius, Jim Phillips and John Brown were the witnesses for this most unusual shot for any golfer and especially Owen. Knowing the witnesses and then also knowing Owen it makes a man wonder how much money that Owen had to accidentally drop on the course in order for the others to see the ball drop in the cup.

Of course my regards for the witness are a lot higher than what I can believe that Owen could make such a shot. Cornelius told me that Owen used a #8 iron to make the shot and that the hole is normally considered a wedge hole. What ever that means in golf lingo.

A friend of mine who operates his own business, posted this notice to his employees which brought many comments concerning his well-known generosity:

NOTICE:

It has been brought to my attention that the attendance record of this department is a disgrace to our gracious benefactor, who, at your own request, has given you your job. Due to your lack of consideration for your job with so fine a company, as shown by frequent absenteeism, it has become necessary for us to revise some of our policies. The following changes are in effect as of today:

SICKNESS: No excuse . . . We will no longer accept your doctor's statement as proof as we believe if you are able to go to the doctor, you are able to come to work.

DEATH: (other than your own) . . . This is no excuse. There is nothing you can do for them and we are sure that someone else with a lesser position can attend to the arrangements. However, if the funeral can be held in late afternoon, we will be glad to let you off, one hour early, provided that your share of the job is ahead enough to keep the job going during your absence.

LEAVE OF ABSENCE: (for an operation) . . . We are no longer allowing this practice. We wish to discourage any thought that you may need an operation as we believe that as long as you are an employee here, you will need all of whatever you have and you should not consider having anything removed. We hired you as you are and to have anything removed would certainly make you less than we bargained for

SHOWMANSHIP AWARDS--Receiving the showmanship awards at the Saturday Jr. Livestock Assn. Show were (left to right) Rick Beard, Lynn Morton and Rick Bradley.

Livestock Assn. Show Gets Record Turn Out Saturday

The sixth annual Junior Livestock Show concluded with its usual success Saturday with more than 75 4-H'ers and FFA boys turning out with their animals to compete in the 12 classes of swine, sheep, and beef.

Chris Bailey, Vernon vocational agriculture teacher, served as judge for the day. He was assisted by James Easter and Jake Fite, local vocational agriculture teachers. Also on hand was Joe Winstead, assistant Wichita County agent, and Pam Buckley, local FFA Sweetheart.

The grand champion Barrow of the show, a Duroc, was shown by John Goins, 15, son of Livestock Association's president and Mrs. Charles Goins. The champ had already picked up first place as a heavy-weight barrow.

Placing first in the other three classes of swine were a middle heavy-weight barrow shown by Steve Kinnard, a light heavy-weight shown by Jay McCluskey, and a light-weight shown by Kurt Marten.

Grand Champion in the sheep class was a crossbred lamb shown by Keri Morton while the Grand Champion steer trophy was picked up by Gary Harper's bald face black calf.

Rick Bradley, Lynn Morton, and Rick Beard claimed the three showmanship awards in the hog, sheep, and steer divisions, respectively.

In the foods division, judged by Burk Burnett High School Home-making teacher, Jo Ann Duke, first place ribbons were picked up by Tam Garland, Sandra Burton, Joy Klinkerman, Jan Klinkerman, Brenda Swinford, and Cynthia Lindsay.

City's Growth Noted By Phone Number

Despite the nation's generally sluggish economy in 1971, Southwestern Bell continued to experience "substantial" growth in Burk Burnett, according to Dub Deuschle, manager for the company.

"Perhaps the best measure of our growth here is the fact that we gained nearly 170 telephones, for a year-end total of 4,395 in service in the Burk Burnett calling zone," Deuschle said.

Not only were there more phones in Burk Burnett, but customers here were using them more often during 1971. During the average business day in 1971, more than 21,500

Second place ribbons were won by Pam Hennis, Susan Hennis, Nancy Hennis, Susan Barritt, Misses Swinford and Lindsay.

A meeting of the Junior Livestock Association, sponsor of the show, was held immediately following the show to elect officers. James Roderick was named the new president, with Frank Morton vice-president and Vernon Duncan secretary-treasurer. The two new directors elected were Norman Roberts and D.B. Clark. The Complete results, through the sixth places, of each class are listed below.

Light Weight Barrows: Kurt Marten, Kurt Marten, Donald Guinn, Keith Easter, Zac Henderson, and Terry Thompson.

Light Heavy Weight Barrows: Jay McCluskey, Mike Howard, Vernon Smith, Rick Bradley, David Weatherred, and Rodney Roberts.

Middle Weight Barrows: Steve Kinnard, Mike Howard, Griff Klinkerman, Tim Mullens, Rick Bradley, and Cy Froman.

Heavy Weight Barrows: John Goins, Donald Guinn, Griff Klinkerman, Keith Easter, Allen Hatcher, and Robert Gill.

Glts: David Weatherred, Randy Walker, Larry Roderick, Janet Clark, Ronnie Williams and Janet Clark.

Cross Bred Lambs: Keri Morton, Keith Gardner,

Danny Allen, Jim Wright, Richard Fore, and Steve Sands.

Hampshire Lambs: Lyn Morton, Larry Barritt, Danny Allen, Suzan Barritt, Gary Roderick, and Steve Hoover.

Fine Wool Lambs: Howard Lewallen, Mike Towery, Mark Rorabaw, Freddie Cowan, and Mark Rodgers.

Breeding Sheep: Danny Allen, James Bentley, and Robert Bentley.

Steers: Gary Harper, Rick Beard, Robert Harper, and Brenda Swinford.

Sjolin - Kee Receive Eagle Scout Award Sat.

In special ceremonies held Thursday night at the Methodist Church, Eagle Scout awards were presented to Brickley Sjolin and Norman Kee, both members of Troop 155.

Parents of the young men are Mr. and Mrs. Carl Sjolin and Mr. and Mrs. Alvis Kee.

The presentations were made by the chairman of the Eagle Scout board of review of the North West Texas Council, Joe Hughes, who was assisted by the local scout leader, Tom Evans. Hughes stressed the fact that to earn the Eagle Scout badge a scout must work for approximately 3 years to complete a series of 21 merit badges, and, serve as a junior

leader. In working toward this goal, the young man must learn the importance of serving his community, being physically fit, being of good character, and working hard to complete each badge.

Other awards presented Thursday night included the Tenderfoot rank to Terry Houk, Rickey Conway, Mike Richter, John Dixon, Kevin Prince, Kenneth Prince, DeWayne Rooney, and Jimmie Boardman.

The Second Class rank was awarded to Donald Ebert, Mark Miller, Terry Houk, Rickey Conway and Mike Richter. Receiving First Class Awards were David Miller, See SCOUTS, Page Two

Football Star To Speak Here

Jack Mildren, the famed quarterback of the wishbone from Oklahoma, will be in Burk Burnett next Friday, March 10, as the featured speaker for the All Sports Banquet of Burk Burnett High School.

The annual affair will be held at the new Burk Burnett Civic Center and will feature the presentation of numerous awards and certificates to the athletes in the Burk Burnett High School.

Mildren, a former star in school boy football at Abilene, made an eventful name for himself at Oklahoma University.

He holds the school record for total offense for the season at 2,018 yards and also the career mark of 4,818 yards. Described as the best triple option quarterback in college this past year, Mildren's rushing yardage of 1140 for this past season is more than any other member in the NCAA has ever gained in a single season on the ground.

His 4.6 second speed for a 40 yd. dash and his accuracy has given him quite a boost in his career. Mildren has never missed action due to an injury. He was the starting quarterback the past three years for Oklahoma.

Classed as a mediocre passer, Mildren had a season record of 31 of 64 passes for a total of 878 yds. and 10 touchdowns. In the much talked about game against Nebraska, Mildren completed 5 of 10 passes for 127 yards and two touchdowns and ran for another 130 yards and another two

touchdowns, for a game total of 267 yards and four touchdowns.

He was named an All American in 1971 and as the Outstanding Bowl player in the Sugar Bowl in which Oklahoma defeated Auburn 40-22.

In addition to his many athletic honors Mildren is described as a "good student." He is a member of

the NCAA Fellowship for graduate students. He has a 3.2 grade average and is majoring in Petroleum Land Management, and for the past two years has been cited as the top student in that group.

He is one of 11 athletes in the U.S. honored by the National Football Foundation in New York.

In addition to all this, he

is reported to be an excellent speaker. A large crowd is expected for the March 10 occasion as the local athletes are honored and as someone as dynamic in athletics as Jack Mildren speaks.

Tickets for the banquet are on sale now from any of the officers of the Bulldog Booster Club or from both of the local banks.

WHO'S WHO IN BHS--Chosen for the honor of Who's Who in the local high school recently were (clockwise) Pat Zimmerman, Terry Sutton, Mike Dean, Steve Cremeens, Bill Page and Benay Barnes.

Six Students Named To Who's Who At Burk High

The six members of "Who's Who" at Burk Burnett High School have just recently been announced. Of the fourteen seniors nominated, the BHS faculty chose Pat Zimmerman, Benay Barnes, Terry Sutton, Bill Page, Steve Cremeens, and Mike Dean.

The students were selected on the basis of their participation in school activities, scholarship, leadership, and attitude.

Miss Zimmerman, the daughter of Mr. and Mrs. W.T. Zimmerman, is president of the student council, National Honor Society, Spanish club, and the tennis team.

Active in the National Honor

Society, student council, Pep Club, and senior class affairs, Miss Barnes is the daughter of Mrs. Mary I. Barnes.

Dean has marked his senior year by being president of the National Honor Society, parliamentarian of the student council, member of the basketball team, and a voter registration deputy for the student council. His parents are Mr. and Mrs. Billy J. Dean.

Cremeens is the son of Mr. and Mrs. Steven R. Cremeens. He is president of the senior class, and has participated in the National Honor Society, Student Council, basketball, and Boys' State.

Page, the son of Mrs. John Page, has served as vice-president of the National Honor Society, and has been active in the Future Teachers of American chapter and the Bulldog band. He is also a National Merit Scholarship finalist.

Others nominated for the honor of being named to "Who's Who" were Karen Brown, Carol Webb, Janice Harris, Cheryl Webb, Rodney Roberts, Phillip Butcher, James Cokendolpher, and Mark Lax.

MISS HARDIN PTA "Joe Gillespie"

Gillespie Wins Beauty Contest

With a magnificent flourish that can only be found at a womanless beauty pageant, Tiny Tipka Toenaller was crowned the blushing, but beautiful Miss Hardin Friday night as 700 enthusiastic spectators viewed. Tiny is better known as Joe Gillespie.

First runner-up, due to her dynamic display of talent, was Angela Angelpass (Jim Hollis) and second runner-up was Greta Gledie stuffer (C.J. Lippard) with all of her silent charm.

According to Mrs. Primo Galvez, president of the Hardin PTA, this event was their greatest success yet in raising money for the air-conditioning fund of the Hardin School. "More than \$550 has been turned in already, with a bit more outstanding."

TEEN TALK
 By Laura Allison

The Future Teachers of America had a busy weekend February 25-26. Four FFA members and two sponsors attended a convention at Dallas, while the other members stayed home to carry through a bake sale. Steve Goad, Mark Bulla, Bob Knox, and Marcie Long attended the state meeting at the Dallas Convention Center. The main purpose was to elect state officers and attend workshops to learn about the teaching profession. The students from our school were elected by the local FTA Chapter to attend this meeting, and Marcie was one of the ten voting delegates from our district. Steve attended workshops on TSEA Professional Preparation and Metropolitan Learning Centers--Meeting the Needs of Today's Dropouts, Media Services and What's New in Education? were the topics of Bob's group, while Mark Bulla sat in on Effective FTA Programs and Projects and Challenges of Special Education. Marcie, as a delegate, also attended workshops which taught the making of a good scrapbook and one named People to People: An Experience in Human Relations. The group, accompanied by Irene Frey and Mary Patterson, also entered its scrapbook in competition.

The Distributive Education Club is getting ready to leave for its state convention in San Antonio scheduled for March 2-4. Three voting delegates, four area contest winners, and a nominating committee member will attend from the BHS Club. Tom Shackelford, Phillip Butcher, and Gary Scobee will be the delegates, and Larry Doerre will represent our school on the nominating committee. Chris Swain, Steve Newsin, Laura Allison, and Pam Hensley will participate in various contests on the state level. Lloyd Hoodworth and Leon Pace will be taking the group to San Antonio.

DEATH: (your own) This will be accepted as an excuse but we would like a two-weeks notice as we feel that it is your duty to train someone else for your job. Also, entirely too much time is being spent in the restroom. In the future, we will follow the practice of going in alphabetical order. For instance, those whose names begin with "A" will go from 8:00 to 8:15. "B" will go from 8:15 to 8:30, and so on. If you are unable to go at your time, it will be necessary to wait until the day when your time comes again.

Phones

calls were placed in the calling zone, an increase of about 1,000 over the pace in 1970. Of that number, customers here completed 547 Long Distance calls on the average business day.

"This growth was a challenge for Southwestern Bell people," Deuschle said, "and a major part of meeting that challenge was the addition of new telephone facilities here."

Included in facilities added in the Burkburnett calling zone during the year was switching equipment designed to accommodate up to 100 new phones. Deuschle pointed out that these additional facilities were part of Southwestern Bell's \$444.8 million 1971 construction program in Texas. "Virtually every penny spent in this program went for additional facilities to meet current and future demand for telephone service in the state," he said. "This year, we plan to spend an additional \$483.8 million for construction in Texas."

He noted that Southwestern Bell contributed to the economy of Burkburnett by paying more than \$4,300 in ad valorem property taxes and nearly \$6,300 in gross receipts taxes here during the year.

"In all, we think it was a very good year--and we're looking forward to another good year in 1972," Deuschle said. "Our forecasters say we'll add about 170 phones here by the end of December, and we remain quite encouraged with the overall growth potential of this area."

Scouts

Scotty Arthur, and Jamie Prince.

Brian Blankinship and Alan Kimmman were awarded the Star Rank with Billy Hromas, Alan Mahaffey, and David Ellis being advanced to the Life Rank.

Merit badges were given to John Morgan, Alan Mahaffey, Ricky Sjolun, Dale Thomas, Chris Thomas, Melvin Antee, Randy Goetsman, and John Mahaffey.

Spring Sports Getting Underway

With the first signs of warm weather comes the start of spring sports at BHS. Two of these sports are track and baseball. Burk High has two track teams, a freshman and Varsity one. The Varsity, coached by Pat Smiley, has 23 boys, while the freshman team also has approximately 20. The first track meet was held February 23 at Duncan. "The meet was primarily to condition the team

and to see where our strengths lie," stated Coach Smiley. The team will rely on the leadership of seven returning lettermen, and the coach feels that the team will fare the best in hurdles, relays, long runs and broad jump. Smiley thinks, however, that Vernon will again repeat its district championship, and Weatherford also should be strong. "I am sure we will be able to compete and will probably finish in the middle of the district, pointwise. We have a strong team, but it lacks depth."

Where most coaches need all the boys they can get, baseball coach David Keller had the opposite problem. Over 40 boys tried out to play on the varsity baseball team, and Coach Keller had the hard job of picking only 21 of these. Now after choosing the team, the boys are hard at work for their first game March 10 against Rider. Keller feels that the strength

News Of Interest To Women

Boomtown Chapter of ABWA Hears Wichita History Teacher Monday

Boomtown Chapter members of American Business Women's Association held their regular monthly dinner meeting in the newly constructed civic center of Burburnett Monday evening.

Mrs. Merle Anthony, history teacher in the Wichita Falls High School, spoke to the group concerning American Citizenship. Her comments were greatly inspirational and informative. She said she thanks God every day that she is an American citizen and that the American flag is still waving over our great land. "America was built by people who believed in God," she said as she related inspiring stories of some notable Americans whose success has been prompted by proper guidance from others who loved God and country. Other countries have fallen when moral decadence has

taken place. She does not fear the 50-megaton bomb of the Communists; she feels "some things are worse than death." She is concerned about the destruction of the moral fibers within our nation through influence of "rated movies and other internal forces that are eating away like a cancer." If we are intelligent people, we must not keep our heads in the sand and lack concern.

Virgie Tobias, chapter president of last year, was presented a past-president's pin by Virginia Sjolun.

Barbara Hamilton, employee of Robble's House of Hallmark, gave the vocational talk.

Specific plans for the Springtime Carnival to be held March 9 through March 18 were outlined by Paula Avritt, Ways and Means Chairman. JoAnn Nitzel gave the in-

formation and Valree Matherly the benediction.

Guests were Johnette Ray, Ora Mabry, Robble Nelson, June Hopkins and Barbara Roysden.

Plans Progress For Mar. Carnival

Final plans for Springtime Carnival in Burburnett are now being completed. Boomtown Chapter of American Business Women's Association has been granted permission to sponsor the carnival March 9 through 18 on a vacant lot adjacent to Hardin Park on Avenue D and opposite Parker Plaza shopping center.

The carnival has become an annual event sponsored by the chapter to raise money for scholarships granted each year to worthy young women in our community. The chapter now sponsors three scholarship recipients.

The use of the vacant lots has been donated by Howard Clement. Chapter members are indeed grateful to Clement for his contribution. Several Burburnett merchants have helped to make this event a success.

Make plans now to attend Springtime Carnival. There will be rides for all ages. Soft drinks, hot dogs and snack items will be sold at a concession stand operated by chapter members.

Advance sale tickets may be purchased now at the rate of \$1.00 for six tickets. Cost of one ticket or one ride is 25¢ after the carnival begins. You may purchase tickets in Burburnett at Burburnett Bank, First National Bank of Burburnett, and Robble's House of Hallmark.

Melba Mills - Donald Edgar Vows Recited Saturday

Melba Elaine Mills became the bride of Donald Edgar Schuff Saturday night before an altar banked by baskets of gladioli in the First Baptist Church.

Rev. Lamont Champ, pastor, officiated.

Parents of the couple are Mrs. Edna Mills, 102 Carolyn Lane, Mickey D. Mills of Frederick, and Mr. and Mrs. Ralph W. Schuff of Lebanon, Mo.

Given in marriage by her father, Miss Mills chose a formal gown of organza with a chianti lace pinfore. Her mantilla train was edged with matching lace. She carried a cascade of white carnations and a white orchid.

Attending the bride were Deborah Schelter, maid of honor, Darlene Ford, bridesmaid, and Leionne Arnold, flower girl. They wore similar gowns of deep blue crepe

and lace and carried nosegays of daisies.

Dennis Cox was best man and Roy Schuff, brother of the groom, was groomsman. Bradley Thompson served as ringbearer.

Ushers were Curtis Campbell and Randall Mills, brother of the bride.

Organ and piano wedding music was presented by Janet Dimarzio and Lamona Champ. Joel Graves was soloist.

Mrs. Mills hosted a reception immediately following the ceremony and was assisted by Debbie Cummings, Mrs. P.A. Schelter, and Mrs. Phil Mustick.

The rehearsal dinner was hosted by the groom's parents in the National Room.

TB Testing For Students

The Board of Education, in conjunction with the local health authorities and the Texas State Department of Health, will be conducting a school tuberculin testing program for all first and seventh grade students. The tuberculin test is simple and painless. It consists of placing a harmless test solution into the skin. The test will be given by the school nurses under the direction of local Medical Advisors and Health Department.

Your cooperation in this testing program is important to the health of your child, your family and your community.

This testing program will begin Monday and will continue through Friday.

The goals of the state-wide program can only be accomplished by your child participating in this program. It is necessary for parents to give signed permission for this procedure. It is asked that the form which was sent home to be completed, returned and signed.

Scroggs-McSorley Vows Told In Double Ring Ceremony

Miss Sharon Lynn Scroggs and Robert Clayton McSorley were married in a double ring ceremony at 8 p.m. Saturday, Feb. 26, in Bowman Chapel of First United Methodist Church in Lubbock.

Officiant was the Rev. J. Wald Griffin, associate minister. The vows were read before an altar of white gladioli and candelabras.

The bride is the granddaughter of Mrs. G.D. Scroggs Sr. of Burburnett and the daughter of Mrs. George D. Scroggs Jr. of Lubbock and the late Mr. Scroggs.

The bridegroom's parents are Mr. and Mrs. Travis Timberlake of San Antonio.

Ramon Scroggs, Burburnett, presented his niece in marriage. She wore a formal white satin gown styled with a high neckline, bishop sleeves with petal point cuffs and a bias, self-fold belt at the natural waistline. Alencon lace appliques with seed

pearls adorned the bodice and A-line skirt. Her veil was attached to a headpiece of matching fabric and seed pearls. She carried white roses, miniature white carnations and baby breath.

Matron of honor was Mrs. Mark Rodner of Houston, Miss Libby Scroggs of Hattiesburg, Miss. and Miss Alice Scroggs, Lubbock, sisters of the bride were bridesmaids. They wore full length dark pink velvet A-line dresses fashioned with bishop sleeves and white and green trim on the bodice, with matching cap and veils. Their flowers were pink carnations and baby breath.

Flower girl was Miss Linda Scroggs of Burburnett. She wore a full-length white velvet A-line dress with bishop sleeves with sash and head piece of pearls and green and hot pink velvet ribbons. She carried a white lace basket with pink carnations and baby breath.

Wedding music was presented by Mrs. Marlin Hayhurst, organist, and Miss Peggy Tonroy, vocalist from Lubbock.

Steven Young of Galveston was best man. Groomsman were Steve Duke and Doug Christensen, both of Lubbock, and Joe Wayne Scroggs of Burburnett was usher.

The reception, held in the church parlor, was given by the mother of the bride, who was assisted by Mrs. Norman Duke of Lubbock and Ramon Scroggs of Burburnett.

Following a wedding trip to Mexico City, the couple will make their home at 333 Chimney Rock Road, Houston.

The bride is a graduate of the University of Southern Mississippi where she was on the Dean's list, the President's list, in Pi Omega Pi and Kappa Delta Pe. She is a teacher at Massey Business College, Houston.

McSorley is a graduate of the Texas Academy of Art in Houston. He is an artist at the Houston Museum of Natural Science at Houston.

of the groom, Clarence Brown, brother-in-law of the groom, and Mike Loyd were grooms-men.

Thomas Schackelford and Clarence Brown seated the guests.

The bride was a mid-term graduate of Burburnett High School where she was a member of the band and editor of the school newspaper.

The groom, a 1968 graduate of BHS, attended Grayson County Junior College majoring in Industrial Education. He was a member of Sigma Theta Epsilon. He is presently serving in the U.S. Army at Fort Benning, Ga.

The reception was held in the Fellowship Hall of the church with the bride's parents as hosts. Mrs. Robert Keene, Misses Carla Webb, Carol Bratina, Laura Bloodworth, and Margie Clemmer assisted.

The bridegroom's parents hosted the rehearsal dinner in their home.

Girl Scouts Cookie Sale Begins Fri.

The 1972 Girl Scouts Annual cookie sale is to begin Friday, March 3rd, and continue through March 18.

Mrs. John MacPherson is District Cookie Chairman.

Four varieties of cookies are to be offered. Assorted sandwich, mint, butter flavor and peanut butter. All of the cookies are in the new large family size packages.

Support your Girl Scouts, AND REMEMBER "Happiness is Eating Cookies—Girl Scout Cookies."

Antique Show Begins Today In Wichita

Plans are underway for the 13th annual Antiques Show sale at the Woman's Forum building in Wichita Falls, Texas. This sale, with authentic antiques from all parts of the world, will be held March 2, 3, 4, and is open to the public. Interested persons may come to browse or buy with the purchase of an admission ticket for either the full 3-days or a single ticket.

All items at the show will be for sale from about the 30 dealers who come from all over the United States, according to Mrs. Peg Scanlan, show manager, from Mesa, Arizona. Mrs. James Brosch, show chairman, advises that luncheon and dinner will be available and the snack bar will be open all day during the show.

Admission tickets are being sold by members of the Woman's Forum, but they will also be available at the door and are now in the Forum office.

Be a cooler cook!
Choose AMERICANS FAVORITE
THE Electric Range

It's a fact that electric ranges are the Number One seller in America. One of the many reasons more women prefer to cook electrically is because an electric range puts less heat into the kitchen air. An electric oven is insulated all the way around to hold the heat inside. And to give you accurately-controlled heat for better results. See your appliance dealer soon about a new electric range. You'll always be glad you chose America's favorite.

FARM REVIEW

Owners Warned To Get Jump On VEE

COLLEGE STATION - Horseowners throughout Texas are urged to "get the jump" on VEE. Venezuelan equine encephalomyelitis, that deadly sleeping sickness or horses. All horses that were not vaccinated last year should be vaccinated as soon as possible.

It was less than a year ago that the disease swept into the state from Mexico, killing hundreds of horses in its path. The 1972 campaign against VEE calls for vaccination of all equidae (horses, mules and donkeys) not vaccinated last year, points out Dr. James Armstrong, veterinarian with the Texas Agricultural Extension Service. In addition to Texas, the vaccination campaign will include the Gulf

Coast states and states adjoining Mexico. All these states have been designated "high risk" states by the U.S. Department of Agriculture. Armstrong lists four categories of horses that should be vaccinated now--(1) unvaccinated horses that have recently moved into the state; (2) foals born since last year's vaccination drive; (3) foals vaccinated under six months of age; and (4) horses that were overlooked and never vaccinated.

Officials to the USDA's Animal and Plant Service believe that VEE will break out again even though the disease was confined to 25 Texas counties in 1971. So, it's important to vaccinate now before mosquitoes which transmit the disease emerge in the warm months ahead, emphasizes Armstrong.

By appearance, VEE is not distinguishable from Eastern and Western forms of encephalitis. Symptoms range from fever, loss of appetite and depression to stupor, weakness, staggering, blindness and death. More than 60 percent of infected horses die, according to the veterinarian. Armstrong encourages all horse owners to report any sickness in horses suspected of being encephalitis to local veterinarians.

A surveillance program is underway to check for possible infection in a variety of wild and domestic animals in the critical Gulf Coast and Mexican border states.

Grain Meet This Month

Producers of small grains in the Texas Rolling Plains will have chance this month to hear much on the subject. Scheduled March 15 in Farmers National Bank at Seymour is the 1972 Small Grain Symposium.

The same program will be held very next day in Wilbarger Auditorium at Vernon. Starting time both days is 1:30 p.m. The event is sponsored by the Texas Wheat Producers Board and the R-PEP Small Grains Task Force.

(R-PEP, meaning the Rolling Plains Economic Program, begun four years ago by local citizens and the Texas A&M University College of Agriculture to increase farm cash income in the 29 counties of the area.)

Five specialists in small grains will recommend practices in selecting varieties, in fertility, in grazing, in controlling diseases and insects, in sowing and marketing, and in evaluating various farm programs.

Wheat Growers Improve Income

Wheat growers in Texas have an opportunity to strengthen their own income and that of wheat growers nationwide through use of set-aside provisions of the 1972 farm program, according to Leo Witkowski of Hereford, President of the Texas Wheat Producers Association. Witkowski urges all Texas producers to heed the appeal for program participation of National Association of Wheat Growers President, Gene Moos of Edwall, Washington.

Moos says, "Wheat growers should consider the long-range advantage to each individual producer and to the wheat industry if they sign up some wheat acreage in the new set-aside option in 1972."

Moos, who has 300 acres of winter wheat planted, says wheat producers who anticipate more than an average yield on wheat already planted will be tempted to gamble on price at harvest time and not use the new U.S. Department of Agriculture offer to pay 94¢ per bushel for an average yield for up to 75% of a farm's domestic allotment. He

signed up to set aside 65 acres. Moos emphasized that the 1971 wheat crop year will see a carry over of 900 million to 1 billion bushels of wheat and unless growers use the option to cut potential overproduction, they will be looking at a total carry over of about 1.3 billion bushels of the end of the 1972 year.

"If U.S. wheat growers will set aside 10 million acres that average 30 bu. per acre, that would cut U. S. production about 300 million bushels in 1972 which is about the amount anticipated in excess of our needs," stresses Moos. He points out that if growers ignore the opportunity to use the voluntary set-aside to cut wheat production back to manageable carry over in 1972, then growers could think they won for the short-range but many face rigid wheat allotments and reduction programs in 1973 and 1974.

Wheat acres signed up for the set-aside program can be pastured or let standing to prevent wind and soil erosion. Contact your ASCS office for complete details.

Farm Bureau Announces Trophy Winners

Wichita County Farm Bureau was announced winner of a trophy given in district competition for most new members written during "FARM BUREAU WEEK" Feb. 14-24 in Wichita Falls Feb. 24.

Carl Moeller of Electra, membership chairman, announced that his committee secured 50 new members during this period. Moeller presented the trophy at a District III Conference Thursday by Melvin Dansby of Bowie. Mr. Moeller presented a bill-fold to Ed Foster, Jr., Loyd D. Barbour, J. W. Tole, and Carl Barnhill for securing five or more new members during this statewide effort.

Wichita County has 795 members during 1971 and the county farm organization has set a goal of "1002-4-721 or 1002 members for 1972. Although the contest officially closed Feb. 24, volunteer workers will bring in additional members.

Rex Wells, Ruth Gard and Dennis Mitchell also attended the Thursday meeting from Wichita County.

Certain management practices can reduce disease losses to corn and grain sorghum with little or no additional expense. These include crop rotation, wise variety selection, Johnsongrass control and a knowledge of disease problems. Variety selection is a key practice as many disease resistant varieties have yield capabilities equal to or greater than susceptible varieties. Johnsongrass control is essential since it is an excellent host of maize dwarf mosaic virus (MDMV).

Soil test your garden and buy your fertilizer while the weather is still cold. Fertilizing without a soil test is a gamble. Store the recommended amounts in the basement or storeroom until spring weather comes around. Then you'll be ready to plant your garden. Soil testing will also show the presence of nematodes in the soil. These should be treated as soon as possible. Soil samples boxes and questionnaires may be picked up from the County Agent's office, 304 Federal Building, Wichita Falls.

The big increase in pork production in 1971 brought pork consumption levels to 72.5 pounds per capita, the highest in 20 years. Veal and lamb consumption both continued their long-time downward trend. Veal consumption was only 2.5 pounds per capita during the past year compared with 7.2 pounds 20 years ago. Lamb and mutton consumption at 3 pounds is at a new low.

In 1972 Americans will consume about the same total amount of red meat but there will be a substantial shift among the meats. Pork consumption will drop 2 to 4 pounds per person as production supplies decrease. Beef supplies on the other hand are expected to increase moderately and will provide consumers with an additional 2 to 4 pounds.

Big Pasture FFA Places

The Big Pasture FFA was at the Southwestern Jr. Livestock Show held at Carnegie, Oklahoma during Feb. 24, 25 and 26. The Big Pasture members showed in 5 divisions: Duroc, Hampshire, Poland China, Crossbred, and Chester White.

In the Duroc divisions there were two boys showing, Tom Booher, and Gayle Hopkins. Gayle had 10th place barrow and Tom Booher had 12th place barrow.

In the Hampshire divisions, Terry Josefy had 15th place barrow while Tyle Justice had 14th place barrow.

The only Poland China was Reserve Breed Champion, shown by Ricky Griffin.

There were three members showing Crossbred Pigs, Neal Taylor with 5th heavy, Rodney Griffin with 5th middle, and Tyle Justice with 3rd light.

The Chester White were shown by Neal Taylor, with Reserve Breed Champion and 5th.

There were two members of the chapter showing steers, Gary Doty, who placed 5th, and Bobby Williams, who placed 12th. Both calves were in the light Crossbred division.

Regional Science Fair Mar. 13-19 At Midwestern

Midwestern University is hosting the regional science-engineering fair March 13-19 in Clark Student Center, according to Billy C. Brackeen, committee chairman for the event and MU assistant professor of mathematics.

There were over 200 students and science teachers who attended and took part in the regional competition at Midwestern last year. Almost \$6,000 in awards were distributed, of which more than \$3,400 was contributed by Sheppard AFB personnel.

The regional fair will encompass exhibits from grades 5-12 in the eleven county area which makes up District VII Texas State Teachers Association North.

Industrial and service organization exhibits will begin arriving March 13, and student exhibits may be set up in the center ballroom on Tuesday. Students register Wednesday between 3:20 and 10 p.m.

Exhibits are to be judged March 16 between 4 a.m. and 4 p.m. Southwestern Bell Telephone Company hosts the science teachers and students with a recognition banquet at 7:15 p.m. in the MU cafeteria. Fair exhibits are open to the public Thursday 8 a.m. to 10 p.m. and Friday between 8 a.m. and 9 p.m. Exhibits may be removed after that hour and on Saturday.

Judging will be based primarily on creative ability and scientific thought, with thoroughness, skill, clarity and dramatic value also considered.

Exhibits are classified as intermediate (fifth and sixth grades); junior high (seventh through ninth grades); senior high (tenth through twelfth).

The senior high classification has two categories, biological and physical sciences. Sweepstakes winners will be named in both the biological and physical categories, and these students with their science teachers will receive expense-paid trips to participate in the international fair in New Orleans April 30-May 6.

District VII North consists of representatives from Archer City, Holliday, Megargel and Windhorst in Archer County; Seymour in Baylor County; Byers, Henrietta, Petrolia, Bellevue and Midway in Clay County; Crowell in Foard County; Chillicothe and Quannah in Hardeman County; Antelope, Bryson, Jacksboro and Perrin in Jack County; Benjamin, Gilliland, Goree, Knox City and Munday in Knox County; Bowie, Goldburg, Forestburg, Montague, Nona, Prairie Valley and Saint Jo in Montague County; Burk Burnett, City View, Electra, Iowa Park, Sheppard AFB and Wichita Falls in Wichita County; Harrod, Northside and Vernon in Wilbarger; and Graham, Newcastle and Oney in Young County.

Midwestern personnel who are on the science fair committee include Brackeen, Dr. James Boswell, associate professor of biology; Capt. Elvius Farrow, assistant professor of military science; Bert Griffey, instructor of health and physical education; Dr. Kurt Kreiselmair, assistant professor of business administration; and Dr. Rick-ey J. Williams, assistant professor of chemistry.

Vamvoros Places In Bareback Ride

Professional rodeo cowboys won nearly \$20,000 at the Southwestern International Livestock Show rodeo in El Paso, Texas, the Rodeo Cowboys Association said.

Forty cowboys shared in the payoff at the rodeo, which ended Sunday. The biggest winner was Terrell Shelley, Cliff, N. Mex., who pocketed \$1,152 in calf roping. Shelley's total time on two calves was 23.4 seconds.

Two cowboys shared top bull riding honors. Marvin Paul Shoulters, Henryetta, Okla., son of rodeo's legendary Jim Shoulters, and George Gibbs, Pueblo, Colo., won \$1,035 each with identical scores of 72.

Jim Dix, former Australian now living in Iona, Ida., topped the bareback riders into go-rounds, winning a total of \$922 with a total of 140 points. Canadian Ivan Daines, Innesfall, Alta., placed first in the single go-round of saddle bronc riding for \$969. He scored 76 points on a salty bronc named American Express.

In steer wrestling, Oklahoma Lee Jones, Randlett, took the two go-round average with a total time of 10.7 seconds for \$978.

In bareback bronc riding, Clyde Vamvoros of Devol, Oklahoma won \$2,866.

THE INFORMED CONSUMER

BY CRAWFORD C. MARTIN
Attorney General of Texas

Let's assume that you have decided to fix your home, and that you are planning on having repairs made or new additions. You should be particularly cautious about selecting the man for the job. Take some time in determining just who you want to do the work to avoid disappointment, and in some cases, actual deceptive practices which can be costly.

It would be well to contact reputable contractors in your area, getting estimates for the work you want done. Compare the prices. To help you arrive at your decision, ask the contractors or workmen to give you the names of homeowners for whom they have worked previously and call them to inquire about the quality of the work.

When pricing home improvements, do not be carried away by advertising which states a specific price for a specific job on your home, sight unseen, with a free television set thrown in as a bonus. It is always best to have someone actually come to your home to examine it in order to determine what the cost will be.

Once you have chosen the man for the job, he and you should have a written contract setting forth in detail the cost of the work to be performed and the work to be done. The total cost should include the price of materials and labor.

Unfortunately, the home improvement area is a fertile field for the unscrupulous fly-by-nighters. For that reason it is usually best to have established reputable local contractors, tree surgeons, exterminators, roof repairmen, etc., to do the work for you.

One of the most insidious and reprehensible deceptive practices in this area is the "free termite examination" which is used merely as a "toe-in-the-door" to get additional work.

This ploy has financially harmed many of our elderly citizens who live alone. Usually someone for the "X" company telephones the unsuspecting senior citizen telling him that the company's workmen and trucks are working in the neighborhood and offering a free termite inspection. Then a workman arrives on the scene, makes an "inspection" under the house, in some instances finding termites, in others, not; but ALWAYS finding the need for repairs to be done. The consumers are warned that the house is about to fall in, that the floors need leveling, the tile slabs and blocks are needed, that the wiring is dangerous, and that additional repairs are essential. Of course, the workmen are available to do the job. Some of the individuals are frightened about the condition of their homes and accept the company's low estimate, allowing the workmen to proceed.

Very little work, if any, is actually performed around and under the house, but the homeowner gets a bill for the authorized work plus the unauthorized work. It is not unusual for the bill to be three times more than the estimate. It amounts to an exorbitant price for shoddy work. The presentation of the bill is in person, and the workmen prefer being paid on the spot by check. In some instances where the workmen allegedly find termites, the consumer is charged for a spraying job with a solution that is ineffective to rid the house of the pests.

Don't pay for work in advance. Often the homeowner is requested to pay one-half of the agreed price so the contractor can "purchase the necessary materials". After the money is paid, the repairman never shows up. Never pay in advance for home repairs unless you know the person with whom you are dealing.

When you decide to improve your home, make sure you know something about the background of the company. Do not allow yourself to be pressured or frightened into having work done by an outfit that contacts you. If you are told your house is hazardous to live in, have another repairman look at it before authorizing work to be done. Be sure that the repairs are needed.

If you have been a victim of a scheme such as described above, notify Attorney General Crawford C. Martin, P.O. Box 12548, Capitol Station, Austin, Texas 78711.

FAITH

1 Cor. 13: 12-13 says, "For now we see through a glass darkly; but then face to face; now I know in part; but then shall I know even as also I am known. And now abideth faith, hope, charity, these three; but the greatest of these is charity."

Let us divide the things in the above scripture listed for "now" from the things that are to be after Christ's as we are known. "Now" we have faith, hope, and charity. Faith is for "now"! It will not be needed "then".

Note with me three things about faith: (1) Every Christian has faith; they could not have been saved without it. (2) There are degrees of faith; little faith, faith, great faith, unfedged little faith, to great faith, to greater genuine faith. (3) Faith does not ask "why?" or "how?" Mark 4:26-27 states "So is the kingdom of God, as if a man should cast seed into the ground; and should sleep, and rise night and day, and the seed should spring and grow up, he knoweth not 'how'."

Have faith—in God, in man, in yourself. Paul said in Phil. 4:13, "I can do all things through Christ which strengtheneth me."

Deadline Nears For Club Scholarship

SHEPPARD AFB, TEXAS--Three scholarships of \$500 each are being offered by the Officers Wives Club, Sheppard AFB, Tex., for high school seniors who are sons and daughters of Air Force officers.

It is intended that two of the scholarships go to students planning to attend college and one to a person planning to enter vocational training.

To be eligible, a student must be a senior in a Wichita Falls area high school, his father must be an Air Force officer, either active or retired, and his mother a member or associate member of the Sheppard Officers Wives Club.

Application forms must be submitted by March 10, 1972.

Applicants must be available for a short test to be given at the Sheppard Education Office March 11, and they must be present for an interview March 16.

Winners will be announced in April. For more information, interested seniors may call Mrs. D.L. Bomer at 855-2958 or Mrs. W.O. May at 855-3720.

Safety Full Time Job For TSgt. Max Jasie

SHEPPARD AFB, TEXAS--Safety means many things to different people, but for Technical Sergeant Max Jasie, "safety" represents a full-time job.

Sergeant Jasie heads up the ground safety program for the 3750th Technical School, and his obsession with safety has paid handsome dividends. "Safety is a continuing process of education," said Sergeant Jasie, and his program reflects that belief. "I'm always trying to keep our people informed with up-to-date information about potential safety hazards and appropriate preventive measures. Additionally, I brief safety supervisors every week to keep them abreast of new developments in the field."

"In turn," he continued, "the supervisors inform their subordinates of current safety information. In this way, we get the word to virtually every one in the Tech School."

His program is, by all standards, highly successful. Since his assignment as Tech School Ground Safety NCO, in December 1970, he has prepared the school's people, including students, for 11 three-

day weekends. During those highly vulnerable periods, when an average of 5,000 Tech School people leave the base, only one student has been involved in a reportable automobile accident.

During Sergeant Jasie's tenure, there have been no military or civilian on-duty accidents in the Tech School involving government vehicles.

"I give Sergeant Jasie a great deal of credit for the Tech School's outstanding safety record," said Col. Francis

L. Jones, commander of the 3750th Student Group. Colonel Jones has a keen interest in the program, since his organization contains around 6,000 students, most in the 18-25 age group, statistically the age group most often involved in automobile accidents.

"We appreciate his efforts and dedication," Colonel Jones states. "There's no doubt he has had an important impact in promoting safety with our students."

Six Persons In One Dept. Honored Recently

SHEPPARD AFB, TEXAS--Six persons in the Department of Comptroller Training, 3750th Technical School at Sheppard Air Force Base were recognized during the second annual awards banquet held Sunday night at the Sheppard Noncommissioned Officers Club.

The senior and junior-entitled instructor of the year award trophies were presented to TSgt. Marion Jones and Sgt. William R. Simms III, respectively. Both are instructors in the General Accounting course. Col. Thomas B. Miller, Tech School commander, presented these.

Civilian instructor of the year trophy went to Gerald D. Henry, instructor in the Systems Analysis Course; and the officer instructor of the year award went to Capt. Richard E. O'Neill of the Financial Administration course. These were made by Col. Donald F. Trautwein, Comptroller Department chief.

Support worker of the year award went to Marvin D. Parks of the curricula section; and supervisor of the year award went to TSgt. Thomas E. Brown, of the Computer Operator course. Capt. Kenneth Baker, commander of the 3772nd Instructor Squadron of the department, made these awards.

All of the awards were donated by Krugers Jewelers, sponsor of the squadron in the Squadron Adoption Program. During the dinner meeting background piano selections were presented by Bob Dudley. Entertainment consisted of a medley of songs by MSgt. Gall Sogard and Sgt. Rachel Lebon, and a variety skit.

Special guests were Col. and Mrs. Miller, Charles Howard of KFDX Television Station, and Mrs. Howard; Lee Lucas of KAUZ Television and Mrs. Lucas; and Mr. and Mrs. Jack Fowler of Krugers. Approximately 250 persons attended.

Pike Gets Award

SHEPPARD AFB, TEXAS--Robert O. Pike, an offset press operator with the 3750th Air Base Group, Sheppard AFB, has been awarded \$150 for superior performance through the Air Force Incentive Awards program. The award was granted on the basis of Mr. Pike's performance on his job for the period Jan. 1, 1971, to Dec. 31, 1972.

SHEPPARD AIR FORCE BASE

Cub Pack 230 Hold Blue-Gold Banquet

SHEPPARD AFB, TEXAS--Cub Scout Pack 230, sponsored by the 3750th Technical School at Sheppard AFB presented awards during its annual Blue and Gold Banquet Friday night at the Sheppard Wherry Elementary School. Guests of honor were Col. Thomas B. Miller, commander of the Tech School and Mrs. Miller. Other guests included William McLaughlin, district scout executive and Dan Wegman, associate district scout executive.

Special entertainment was provided by parents of the various dens from the pack. A skit was presented by Den 4. Colonel Miller was presented the charter for Pack 230 by Mr. Wegman. The Six Star Recruiting Award with

twelve stars was presented to the Pack by Mr. Wegman, for successfully recruiting at least one member to the pack each month for the past 12 consecutive months.

MSgt. Ronald Tendick, committee chairman, presented awards to all the adult leaders of the pack. Special awards were presented to MSgt. Donald Kruger, cubmaster and Mrs. Velma Kruger, den leader coach for their exceptional service and leadership to Pack 230.

Husband-Wife Team Together

SHEPPARD AFB, TEXAS--SSgt. Gary D. Bagley and AIC Judith E. Bagley, husband and wife team with the 2054th Communication Squadron at Sheppard, got their wish recently when they were re-assigned to the 1902 Communication Squadron at Hamilton AFB, Calif. Sergeant Bagley requested the transfer upon his reenlistment this month.

The couple, both air traffic controllers, met at Sheppard when Amn. Bagley was assigned to Sheppard in 1970. Upon their arrival she was teamed up with Sergeant Bagley and in September 1970 they were married.

Awards Given

SHEPPARD AFB, TEXAS--Three civilian employees of the 3750th Technical School, Sheppard AFB, Tex., have been given cash awards for superior performance at their jobs for a period of one year. Hal R. Ray, an instructor in the electrical branch, Department of Civil Engineering, was awarded \$200 for the period December 1970 to December 1972.

Awarded \$150 for the period November 1970 to November 1972 were Marybelle Elliott, a clerk-typist with the 3755th Student Squadron, and Betty J. Skelton, a clerk-typist at the financial management branch, Department of Comptroller Training.

Wins High School Award

SHEPPARD AFB, TEXAS--Kathleen Ticknor, daughter of Maj. E.F. Ticknor, chief of Information at Sheppard, and Mrs. Ticknor, won the Betty Crocker Homemaker of Tomorrow Award for Notre Dame High School in Wichita Falls.

She won the award for making a higher score, 898 percentile, than the other senior girls taking the Betty Crocker test. The test is a written examination divided into sections dealing with nutrition, home making, finance, and other aspects of home making.

For her efforts, Miss Ticknor has received a certificate and is qualified to compete for the state award, a \$500 scholarship, and the national award, a \$5,000 scholarship.

First Woman Veterinarian In Air Force At SAFB

SHEPPARD AFB, TEXAS--Travel, diversion, and excitement are the reasons she joined, yet she is not the typical woman in the Air Force. She is instead the first woman veterinarian in the Air Force, a precedent setter who has opened yet another field for women.

She is Captain Alexandra Roesler, a member of the Air Force reserve at Chicago's O'Hare International Airport and presently a student in Officer Basic Military Training - Medical at Sheppard.

Although a member of the Air Force since June 1971, she has not had any actual military training until now. She could have passed all formal training, but she decided that learning to wear the uniform and return a salute were important and that every officer should learn basic military skills, even those in the medical field.

Born in Joliet, Ill., she spent her childhood constantly moving from place to place, a type of life she missed later when in school. She was married in 1967, and her husband, also a veterinarian and an Army veteran, is now doing post

graduate work at the University of Chicago.

Yet Captain Roesler felt the desire to travel so she joined the Air Force, last summer. A matter of months after she was sworn into the Air Force, she spent her two week obligation at Elmendorf AFB, Alaska, an experience she found exciting and interesting. She also enjoyed the atmosphere of the Air Force and liked the chance to get away from her job yet still work in a field that was related to her specialty.

Veterinarians in the Air Force do not examine animals. Rather they examine food and food service areas looking for diseases and insuring cleanliness.

Eventually Captain Roesler and her husband hope to go back West where she plans to open a private practice specializing in pets. She intends to stay in the Air Force Reserve, however. The excitement and the diversion are well worth it.

Cook of the Week

Ham Stuffed Mushrooms
(Hors D'oeuvres)
30 fresh mushrooms (1 inch in diameter)
1/4 cup butter or margarine
1/2 teaspoon Curry Powder
1 can (4 1/2 oz.) deviled ham
2 teaspoons parsley
1/4 teaspoon onion powder
1/4 teaspoon salt
1/4 cup white dinner wine
Wash mushrooms well; remove and RESERVE stems. Place mushroom caps in a shallow metal baking pan, hollow side up. Chop stems finely. Melt butter or margarine in a small skillet-then saute the chopped mushroom STEMS until golden. Stir in curry powder; saute a minute longer, and remove from heat. Stir in deviled ham, parsley, onion powder and salt. Mix well. Spoon mixture into mushroom caps, heaping slightly. Pour white wine into bottom of baking pan around mushrooms. Bake in 350 degree oven for 25 minutes. Cool slightly before serving. Makes 30 hors d'oeuvres.

Our Cook of the Week is Edith Olmstead. She and her family are newcomers to Burkburnett, coming here recently after spending 4 years in Germany. Her husband SSG. Quintin E. Olmstead is stationed at Sheppard AFB, and works at the base dispensary. They have two children, Dorena Beth, age 3, and David, age 1 1/2 years. They are residing at 506 Meadow Drive, Native mid-westerners, they are hoping to learn lots of new things during their stay here in Burkburnett.

Local J. P. Back From Lubbock

Eldon Morris, local Justice of the peace, has recently returned from attending a 40 hour session for justices which is offered annually by Texas A&M University.

This year's meeting included 172 justices of the peace from 140 counties and was held at the Red Raider Inn in Lubbock.

Those who successfully completed the training will be certified in accordance with the bill signed a year ago by Gov. Preston Smith which stipulated that all Texas Justices of the peace would be required to have a minimum of 40 hours of training.

Riding Club

A lengthy discussion concerning the district riding club will be on the agenda when the Burkburnett Riding Club meets tonight at 7:30 in the Community Room of the Burk Bank. All members and interested persons are urged to attend the meeting.

Blue and Gold Banquet Held

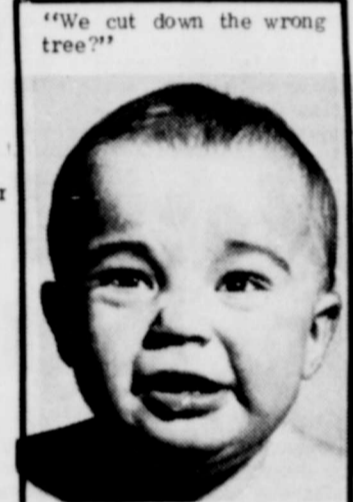

Pack 156 held their annual Blue and Gold Banquet on Thursday, February 24, at 7:30 p.m. in the Community Room of the Burkburnett Bank. Roland Creekmore, Cubmaster, opened the meeting and introduced Reverend Wayne Glazener, Pastor of the Jan-Lee Baptist Church who in turn gave the invocation.

Guests present were Bill McLaughlin, District Executive; Dan Wegman, Associate District Executive; Ralph Corbelle, Institutional Representative for Wolfe Ford Company (sponsor of Pack 156) and Reid McCandless, guest speaker.

Awards were presented to David Henderson, Jerry Alvins, Bobby Morrow, Kelvin Dumphy, Johnny Melton and Mark Burton.

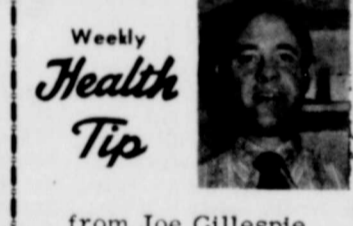

McCandless, owner of The Gun Shop gave an enlightening talk on guns and brought along samples to show the boys. He held their interest as he talked on ecology and how it affects us today.

The food served buffet style was enjoyed by sixty-two Cubs and their families. The meeting was then closed with prayer led by Rev. Glazener.
