RAYMOND GREENWOOD

Things have been busy around Burk Burnett his past week with people getting ready for the various Heritage Week activities.

The turn-out for the Glenn Ash show Saturday night was very small, but each of those that attended stated they more than got their money's worth.

Maybe the Chamber will have another program like that again and maybe this time more will take advantage of the excellent entertainment.

Of course, if some one asked me I would say the blame for the small crowd was attributed to two of the other singers at the affair--Pat Patterson and Gary Bean. Not that these fellows can't sing--why they're the best hog callers in these here parts--but the word must have leaked out that they were going to sing a couple of numbers and all of the people panicked.

All kidding aside, those that attended the program reported that Bean and Patterson and their compadres did a fine job, too. As to be expected however, couldn't hold a light to Glenn Ash who really put on a fantastic show.

The Fashion Show held Monday night is another place where many people missed a great show --and it was free! Those that went to that stated that it was one of the best ever.

A light shower of rain hampered the Tuesday morning session of the downtown auction but the remainder of the day went along well. If you didn't take advantage of this opportunity to move out some of your old non-needed articles, you sure should have. Maybe there will be another one too for you to take advantage of.

For all you golfers, don't forget about the Golf tourney tomorrow and Saturday. For others of you, come on to town and take a look at some of the great window displays out and some of the displays in the stores.

And now for all you cowpokes or those of you that call yourselves cowboys. The Play Day scheduled for tomorrow night is just for you.

Several local businessmen are expected to compete in the special events there.

I only wish they had bull riding events where "qualified, expert riders" like our Chamber of Commerce Manager Gene Allen could enter. Of course, a Shetland Pony race with Jockey C.J. Lippard or long tall Reid McCandless as a jockey See EDITOR, Page Two

TO PAINT AT SHOW--Don Walker is shown as he paints a portrait of Glenda Galvez which he will continue working on during the Rotary Club Art & Antique Show.

Rotary Art & Antique Show Begins Saturday

The annual Burk Burnett Rotary Club Art and Antique Show will get underway Saturday morning with some of the best displays ever to be viewed.

Housed at the new Civic Center this year, the show is expected to be one of the best ever for this area. A large number of well known artists are expected to display their paintings as well as a large number of professional antique dealers, who will be on hand with scores of valuable antiques.

Don Walker, one of the best artists in this entire section of Texas, will be on hand at the show and will be painting a portrait of Glenda Galvez during the show.

Walker, who states he is self-taught, paints entirely in pastels. A large number of

his paintings are on display around Burk Burnett at present to help advertise the upcoming show. Many who view his work can't believe that the portrait is really a painting and not just a super photograph. The colors in his paintings are much richer than those in a photograph, the likeness of the subject and the detail too, are always as good as a superb photograph and in most cases even better.

Walker, who lives in Wichita Falls where he is employed by Southwestern Bell, paints mostly portraits. "I'll paint almost anything," states Walker, "it's just that most people want portraits rather than paintings of animals, etc.

He demands perfection on each of his paintings. "1/8 or even 1/16" can make a portrait all wrong," reports Walker. He is continually making changes on a portrait until everything is exactly right. He reports that many times the final portrait is actually the third or fourth attempt due to the fact that he edits and criticizes his paintings so strictly.

Walker states he keeps his painting in the "hobby" class, but tries to spend some time each day working on them.

Other talented artists who will have work displayed at the show include Jim Henson who paints in water colors, acrylics and oils; Kenneth Cunningham, who paints mostly in water colors; Glenda Galvez, Mary Veach and Eunice Cokendolpher.

Other artists are also expected for the show and a large number of beautiful paintings are expected for the public to both view and purchase if they wish.

A large number of antique dealers are expected for the show, among whom will be Pauline Griffis of Wichita Falls.

Pauline and her husband own the North Texas Railroad Museum and Griffis Antiques, located on the Wellington Road in Wichita Falls.

Pauline opened her antique shop about two years ago after buying and storing a large num-

ber of antiques for over ten years. "I wanted to have a good stock of good quality antiques on hand when I opened my shop," stated Mrs. Griffis. She expects to bring a "whole bunch" of lesser expensive antiques as well as some of the very rare and expensive ones that few people of this area have possible ever seen.

Some of the pieces being brought to the show by Mrs. Griffis include:

American five piece sterling tea set; brass candlesticks and incense burner, vase; Claisonne Enamel vases; 2 clocks, several lamps; Chalice Cup and

Saucers (Gandy Ditch, W. T. Capeland and Son (willow) Royal Bayreuth (card); glass pieces--Amethyst, Cambridge, vaseline, venetian, Imperial Bristol, Carnival, and pressed pattern pieces; cut glass and choice piece china; pottery, (Roseville, Weller, etc.); tapestries and pictures, oil paintings--Early American Furniture; (Lady's desk, washstand, small etagere, record stand, sewing rocker, table, chair; primitives; duck decoy, cigar mold, charcoal foot warmer, scales, hand tools, woodenware, stoneware and store items.

Girls Track New Program At H.S.

Girls track will be added to the curriculum at the Burk Burnett High School beginning next fall, according to action taken by the Burk Burnett School Board in their regular session Monday night.

P.E. teachers will begin to work with girls interested in the new sport at the high school at the beginning of the school year with the actual track program getting underway at the beginning of the second semester of the school year.

Johnson Glass and Fence Service of Burk Burnett was awarded the bid for constructing the fence around the new track in the amount of \$3,245.04. The bid included installation of 1,368 feet of 9 gauge fence with double barbed wire at the top and the 462 feet of old fence taken down during track construction.

The road base of the new track is expected to be laid the latter part of this week.

The board also approved the bid of \$1,014.40 for ten new Royal manual typewriters from Boyd Office Machine of Wichita Falls.

M.D. McDaniel Co., a plumbing, heating and air conditioning firm from Wichita Falls also received the bid of \$1,010 for renovation work to two boys rest rooms in the Hardin Grade School.

Dan Schaffner was appointed

text book custodian by the board and the bond was transferred to him from Supt. James Pearson.

Bids for a new boiler at Southside Elementary School was tabled until other bids can be received by the board.

In other action, the board voted to re-enroll with the Region 9 Media Service Center. The center helps the school with in-service training for the teachers and teacher workshops, etc.

Local Youth Activities Told For Summer

Monday and Tuesday have been set as enrollment days for the Golf Clinic for the city's youth under the City's Summer Activities Program. Boys and girls between the ages of 8-12 for the first division and 13-18 for the second division are urged to come to the Boomtown Golf Center to enroll in the clinic.

The clinic will be held from Wednesday through June 30. No prior knowledge of golf is necessary for youngsters to learn from the clinic.

The clinic will be conducted by Cliff Southerland, pro at Boomtown Golf and Bob Carpenter, golf coach and summer recreation director for the city.

At the conclusion of the clinic a junior tournament will be held and winners will be awarded trophies in each division with medals going to the 2nd and 3rd place. Those that finish the clinic will be able to buy a junior membership for the remainder of the summer.

BASKETBALL GYM

The Junior High Girls Gym will be open starting today and every week day from 9 a.m. until 11 a.m. for the local youth. Carpenter stated that a basketball clinic has been planned for the middle part of July with further details available soon.

TENNIS PROGRAM

The high school tennis courts will be the scene Monday night at 7:00 for the enrollment of those interested in joining in the summer tennis program. A class for beginners and intermediates will be started at that time with advanced enrollment date announced at a later date.

Carol Henderson has been named instructor for the beginners and Dwayne Jones as instructor for the intermediates.

An annual tennis tourney will be held at the end of the four week tennis program.

Adults who are interested in teaching art or handicrafts for a two week session are asked to contact Carpenter.

Lloyd Bloodworth Rites Held Wed.

Services were held Wednesday for Lloyd A. Bloodworth, 42, in the First United Methodist Church. He died Sunday on the way to a Wichita Falls hospital following an apparent heart attack.

Rev. David Stout, pastor of the First Christian Church, officiated, assisted by Rev. Bryon K. Rose, formerly of Wichita Falls and now of Houston.

Graveside services were the same day in Sulphur, Okla. under the direction of Owens and Brumley Funeral Home.

Bloodworth was born in Sulphur Nov. 27, 1929, and received his bachelor of science degree from Oklahoma State University. He married Fern Montgomery on Feb. 12, 1950, in Sulphur and was the distributive education teacher and coordinator for the Burk Burnett Independent School District. He was a member of the First Christian Church.

Survivors include his wife; two daughters, Connie and Laura, and a son, Thom of the home; two brothers, Steve Sealy of Sulphur and Jim W. Furr of

LOYD BLOODWORTH

of Wichita Falls. Pallbearers were Leon Pace, Jack Aaron, Charles Slegler, Jack Moss, Jim Furr, and Bob Stephens.

A special memorial fund has been set up at the Burk Burnett Bank. The fund will be used for a DECA Scholarship.

Chamber Sponsored Team Golf Tourney Tomorrow

The North Texas Par-3 Team Championship Golf Tournament, sponsored by the Burk Burnett Chamber of Commerce,

will get underway tomorrow with qualifying rounds beginning

at 8:00 a.m.

The 54 hole tournament will be held at the Boomtown Golf Center. Each partnership must consist of one Chamber of Commerce member and one non-member. Entry fee is set at \$7.50 per person and those interested may enter at the Chamber of Commerce office or at Boomtown Golf Center.

Qualifying rounds will be shot Friday between the hours of 8:00 a.m. and 9:00 p.m. with competition beginning on Saturday morning. A whole host of prizes awaits those that are declared winners of their flights.

A championship, first, second and third flights are expected to be held with approximately 40 teams entered in the tournament.

Each partner that is the first place winner of his flight will receive a golf bag; second place winners will each receive a dozen golf balls and third place winners will each win a set of head covers.

Area golfers are urged by the Chamber to enter the tournament and vie for the excellent selection of prizes.

ON HAND FOR AUCTION--A fair group of people was on hand for the Tuesday session of the city-wide auction despite the unpredictable weather that day. Many went away with some real values.

Bloodmobile Coming To Burkburnett Next Week

Burkburnett is a partner in the Wichita County Red Cross Blood Program and through the program all of the blood needs of the local people are met. In this way Burk is providing its citizens with a very high quality blood supply at the lowest possible cost to families.

The Red Cross Bloodmobile visits Burkburnett 4 times a year and by giving a fair share of blood during its visits, a safe, dependable supply is available when and where it is needed 365 days a year. In order to keep the costs at an absolute minimum, many residents of Burkburnett volunteer their time to make each blood-

mobile visit successful.

Each donor will have a specific appointment time so that he will get through the donation process promptly without having to wait. This will also keep the nurses working at a steady pace and will assure a sufficient blood supply.

The next bloodmobile visit will be between 3 and 6:45 p.m., Thursday, June 22, at the National Room of the First National Bank.

Interested persons may make appointments by calling Mrs. Irv Smith at 569-2301.

Persons over 18 years of age who are physically qualified, can donate without parental permission but persons over 66 should have written approval of their physician dated within 2 weeks of the bloodmobile visit.

The recruiting volunteers are Mmes. Dale Mortland, Reid McCandless, Albert Dillard, Ken Walker, Bake Browning, Arthur Houser, Ralph White, Bob Carter, Ralph Story, Rusty Stowe, and Mrs. Irv Smith and Mrs. Alvin Hill are co-chairmen.

Local Boys Attend FCA Meet Recently

The second of two national conferences of the Fellowship of Christian Athletes to be held this month on the campus of Arkansas ended Friday with 250 athletes and coaches registered from 12 states.

States represented were Arkansas, Louisiana, Texas, Mississippi, Missouri, Kansas, Oklahoma, Tennessee, Kentucky, Ohio, Minnesota and Indiana. Louisiana registered the most-60. Tighman High School of Paducah, Kentucky with 41 enrolled has the largest single chapter in attendance.

Larry Doerre and Dennis Barnes, along with Coach Charles Seagler, represented the Burkburnett chapter of Fellowship of Christian Athletes at the conference.

The 250 youths present for the conference were divided into 16 huddles and the huddle that the Burk group was in was named not only as the Best Christian Fellowship Group, but also pennant winner of the Dog Patch Olympics.

"We were interested in winning the Olympics award of course," stated Doerre, "but we were all more concerned with the Christian fellowship that we received. The conference helped build us spiritually, mentally as well as physically," he continued.

Some of the pros attending the Arkansas Tech conference this week are Jimmy Files of the New York Giants, Jim King of the Chicago Bulls, and Jim Lindsey of the Minnesota Vikings.

Charlie Miller and Ron Hess, both members of the national FCA staff, are in charge of the Arkansas Tech conference, one of three national conferences being held this week.

An impressive list of college coaches are also serving on the staff-James Cameron, Head Football Coach at Angelo State University; Bill Hicks, Assistant Football Coach, Baylor University; Duane Nutt, Head Football Coach, Austin College; Don "Scooter" Purvis, Assistant Football Coach, LSU; Elmer Redd, Assistant Football Coach, University of Houston; and Raymond Berry, Assistant Football Coach, University of Arkansas.

Others serving on the staff this week are Bill Barnett, former University of Arkansas great; Bill Leach, known as the "All-American" artist, Bunny Martin, the "World's Yo-Yo Champion", and Larry Templeton, Assistant Sports Information Director, Mississippi State University.

Board

The board also approved the final foundation fund designated by the state. The fund is the amount of money the state pays the school for the various school programs. The amount of monies paid by the fund is set by the state.

Membership in the Texas Association of School Boards was renewed by the Board and Ted Harris was elected delegate and Ira Schroeder alternate delegate to the Association's fall meeting.

A change in the current pregnancy policy of the school was tabled to the Policy Rules and Regulations Changes meeting which will be held Monday, June 26.

Bids on the track equipment and on the construction of a new ticket office at the football field were tabled by the board to a future meeting.

Supt. James Pearson was authorized to pay for Title I, Title II and Title III materials. Title I materials include reading improvements and 90% of teachers salaries involved in reading improvements; Title II materials include library books, \$5,000 of which is paid by the state; and Title III materials includes equipment for science, math and band, of which 50% is paid by the state.

In other action the board voted to close the school offices Monday, July 3 in observance of the Fourth of July and to hire an elementary counselor next year.

Resignations accepted by the board included Mmes. Francine Burris, 4th Grade, Hardin; Jan Horky, P.E., high school; Mary Patterson, science, high school; Audrey Tillmans, science, high school; and Betty Turner, 2nd Grade, Sheppard-Berry Elementary.

Eleven secretaries were rehired by the board, which included: Elwanda Ailmon, June Doten, Rosa Gregory, Rocille Groenewald, Jill Hensley, Mary Morgan, Opal Kennedy, Yvonne Lewis, Betty Loveless, Sandie Pickett and Peggy Owen.

Thirteen custodial and maintenance personnel contracts were renewed by the board. They included: J. D. Abbott, Thomas Bryan, John Duncan, Avon Fields, B.F. Harmon, Henry Hodges, Lonnie Hoffman, Tex Northrip, Charles Smith, Elbert Smith, W.H. Thompson, E.J. Tatum, and Henry Vaughn.

Chris Hogan Wins Derby

Chris Hogan was grand champion winner of Pack 155's annual Pinewood Derby held Saturday afternoon at the Burk Royal Park. Wade Hutchinson was first place winner and Billy Yates and Curtis Curry were third place winners in the competition.

Cups were awarded to Ricky Wallace, most original; Dennis Hurst, best design; and Glen Sutton, best workmanship.

Twenty boys entered the race. Each boy, along with his father, help build and design the cars. Billy Yates, Darane Lucia, Brian Roark and Tony Padron were accepted into Troop 155 by Frank Miller. Richard Busby was sworn into the pack by Lonnie Padron, cubmaster.

An afternoon of fun and fellowship was enjoyed by the boys and their families. Don Lucia and Reed were chefs for the stener roast.

The pack had farwell to the Reed and Yates families and to Don Lucia, who are moving.

McClendon - Carroll Vows Read At St. Jude Catholic Church

Gillis Kathleen McClendon, daughter of Mr. and Mrs. Frank G. McClendon, Devol; and Billy Robert (Bob) Carroll exchanged marriage vows Thursday at 8:00 p.m. in St. Jude Catholic Church. The bridegroom's parents are Mrs. Doris Carroll, Grandfield; and Bill Carroll, Barstow, Calif.

Father Richard Beaumont performed the ceremony before two candelabra trimmed with greenery and blue flowers.

The bride wore a formal gown of pure white silk organza over bridal taffeta in a slight Empire design. Chantilly lace formed the small stand-up collar and accented the full Bishop sleeves and wide pointed cuffs of the gown. More lace framed the sheer yoke and panels of the softly gathered skirt. A single organza Dior bow attached the flowing Chapel train, which was framed and embroidered with medallions of the chosen lace. A "Camelot" cap of peau d' anse lace held the ballerina length veil of English silk illusion. The bride's flowers were white carnations with baby's breath on a prayerbook which was carried by the brides

great - great - grandmother in her wedding over one hundred years ago.

Mrs. Richard Anderson of Spring, the bride's sister, and Matron of Honor, was gowned in turquoise silk organza over taffeta with white lace trim, in a Juliet style. Her headpiece of turquoise silk taffeta held a circular veil, her flowers were miniature carnations.

Randy Farquhar, Grandfield, was best man. Ushers were Steve Harrison, Devol, and Steve Antwine, Grandfield.

The couple will live in Weatherford where he will attend Southwestern College. The bride was salutatorina of her graduating class at Big Pasture High School and the groom was graduated from Grandfield High. He has been employed at Byrns and Day in Grandfield.

Misses Jean Laminack, Jan Booher, Judy Byrns, Karen Anderson and Mrs. Jay Bill Norton were assistants for the reception given by the bride's parents at the church.

The groom's mother was hostess at the rehearsal dinner at Walker's in Grandfield.

The annual session of the Junior Grand Lodge and Theta Rho Assembly of Texas met in Dallas June 8, 9 and 10th. Jacque Harris, Cathy Wills, Garyla Williams, Georgianna Neal, Jo Ann Smith, Linda Stewart, Juanita Walden, Audrey Williams and their advisory officer, Mrs. Darold Williams and Mrs. Ted Harris of Burkburnett attended.

At the joint meeting Friday morning, the Burkburnett Girls presented the Bible in a very impressive ceremony.

Gayla Williams was appointed by the state president to serve as Assembly Guardian during the 32nd session in Dallas. During the election of officers Gayla was runner-up for state treasurer's office. Ramona Williams was runner-up for the 'Advisor of the Year' Award.

Two awards were presented to Burkburnett girls in the Individual Charges Competition - Juanita Walden for Supporters Charges and JoAnn Smith for Heralds Charges.

Jacque Harris was presented to the joint awards assembly for having won the Theta Rho Essay Contest, entitling her to the all expense paid United Nations Pilgrimage. This is a great honor for Burkburnett.

Cathy Wills assisted the Wichita Falls Theta Rho Club in performing the Initiatory Degree in competition, for which they took the first place trophy.

Saturday night at the joint installation of officers, Jo Ann Smith was installed as State Chaplain for 1972 and 1973 and Gayla Williams was installed as State 2nd Herald. Gayla was also introduced as club deputy, approved by the State President and State Youth Committee.

Annual Dinner Held By Orbit Skate Club

The Orbit Skate Club held its annual dinner Sunday, June 11 in the National Room.

A Good Luck Party for the skaters attending the Regional Meet in Ft. Worth June 18-22 was also held at this time. Eight skaters will attend with their instructor, Miss Toni Savage. Kevin Brown will enter Elementary Boys Figures; Darrell Brown, Elementary Boys Figures; Mark Miller, Elementary Boys Figures; Denise Fulcher, Freshman Dance and Freshman Girls Figures; Lee Ann Thomas, Freshman Girls Figures; David Miller, Freshman Dance and Freshman Boys Figures; Cathy Thomas, Freshman Dance and Freshman Girls Figures and David Brown, Freshman Dance and Freshman Boys Figures. They will be competing with skaters from New Mexico, Texas, Oklahoma, Arkansas and Louisiana.

A business meeting was held after the dinner with President Edgar Fulcher in charge.

The remainder of the candy bars were distributed and skaters are to have money in within 30 days to Mrs. James Brown.

The Club voted to display the skating trophies during Heritage Week Observance and to take some of the candy to the auction on Tuesday and Wednesday.

A nominating committee was appointed to present a slate of officers to be voted on at the next meeting. Frank Miller, James Brown and Bill Crosley were appointed.

The next regular meeting will be July 16.

Thom Bloodworth Makes Presidents Honor Roll

Thom Bloodworth, son of Mrs. Lloyd Bloodworth, 806 Easy Street, Burkburnett, has been named to the President's Honor Roll at Phillips University for the spring semester, according to Dr. Hallie G. Gantz, university president.

Only 74 students on the Phillips campus qualified for the President's list by maintaining a straight A overall average for the semester's studies. Another 117 were named to the Dean's Honor Roll by achieving at least a 3.6 grade point average for the semester.

"Being named to the President's Honor Roll is one of the highest academic honors available to college students," Dr. Gantz said.

Phillips University is a four year liberal arts institution supported by the Christian Church (Disciples of Christ).

Miss Sandra Williams Becomes Bride Of Mr. John Boucher

Miss Sandra Williams became the bride of John F. Boucher in Sunday afternoon ceremonies at the First United Methodist Church. Rev. William W. Penn, pastor, officiated before the altar, which was flanked by twin baskets of white gladiolas and majestic daisies.

Parents of the groom are Mr. and Mrs. Joseph R. Boucher, 1306 Eleanor.

Given in marriage by the groom's father, the bride wore a gown of ivory muslin with ivory lace trimming the bodice, leg-of-mutton sleeves and high Mandarin collar and an ivory lace ruffle. The gown was accented with a cameo pin, belonging to the groom's grandmother, worn at the bride's throat. Her headpiece was an ivory mantilla. She carried a bouquet of white majestic daisies and baby's breath with cascades of huckleberry and English ivy.

Matron of honor was Mrs. Don Bell of Amarillo, who wore a long gown of mint green silk

shantung and carried a spring nosegay.

Attending the groom as best man was Glenn Dalke of Amarillo. The groom's brother, Christopher Boucher, also of Amarillo, served as usher.

A reception at the Boucher residence followed the ceremony.

After a wedding trip the couple will make their home in Houston, where the groom is employed by Western International Hotels.

Out-of-town guests for the ceremony and reception included: the groom's grandmother, Mrs. Grace Groves, and his brother Christopher, both of Amarillo; Mr. and Mrs. J.A. Emerson, Jr., Mr. and Mrs. Don Bell and children, Mr. and Mrs. Cliff Walls, Mrs. Bonnie Dalke and Mr. and Mrs. Glenn Dalke, all of Amarillo; and Mr. and Mrs. Ed Garner and daughter, Kathy, of Spearman, Texas.

JACQUE HARRIS

Miss Harris Departs For Dallas Mon.

Jacque Harris will depart from Dallas Monday on a three week trip to New York City. She is making the expense paid trip as state winner of the annual Theta Rho "United Nations Pilgrimage for Youth" contest. The Theta Rho Assembly of Texas is a youth auxiliary of the International Order of Odd Fellows.

Miss Harris won the contest on the basis of an essay that she wrote on the United Nations, and because of her record in church, school, and community activities.

She is the 16-year-old daughter of Mr. and Mrs. Ted Harris, 523 W. Third.

Her group will tour Washington, D.C., then visit points of interest in New York City including the United Nations. The group will also visit Niagara Falls and points in Canada, and return to Dallas on July 5th.

Cook of the Week

Gale Mann, wife of Sgt. Edward Mann, is this week's Informer/Star Cook of the Week.

Gale is the mother of two children and also works part time in Wichita Falls, but finds time to do some of the things that she enjoys most - cooking.

She agreed to share with the INFORMER readers two of her most prized recipes.

Cooks in and around Burkburnett are urged to send in their favorite recipe to the Informer/Star, where one week they can be named Cook of the Week.

Hot Green Bean Casserole
1 can French Style Green Beans, drained
1 can Cream of Mushroom Soup
1 can French Fried Onion Rings

Butter glass baking dish. Combine green beans and mushroom soup. Add 1/2 to 3/4 can of french fried onion rings. Toss lightly, bake in 350degree oven for 25 minutes. Add remaining onion rings to top of casserole and bake for five minutes.

Serving Suggestion: Goes well with ham and pork.

5,789 Make OU Honor Roll

A total of 5,789 students at the University of Oklahoma made the honor roll for the 1971-72 spring semester, Dr. Paul F. Sharp, OU president has announced.

Of the total, 842 students had straight A (4.0) averages. To be eligible for the honor roll, a student must have an overall grade average of B(3.0) or better in a minimum of 12 credit hours and must not have a "failing" or "unsatisfactory" mark in any course.

SHEPPARD AIR FORCE BASE

Couple's Home Community Meeting Place

SHEPPARD AFB, TEXAS--Lt. Col. Billie B. Patterson of Sheppard AFB and his wife have always had their home open to the youngsters of the neighborhood wherever they have lived. But never on the scale they do now.

They have opened up a community meeting place for the teenagers of Cyril, Okla., where they now live. Beginning in October 1971, Colonel Patterson, an aircraft staff officer with the 3750th Field Training Squadron, 3750th Technical School, Sheppard AFB, began looking for a community place for the teenagers in Cyril when it was apparent that because of boredom, their normal activities were destructive and aimless.

Starting from scratch, he took an old store front that was practically unrentable, carpeted the area, and installed a ping-pong table, candy machines, and a stereo system capable of handling tapes, cassettes and records.

Naming the place New Horizon, he opened it a month later. The center was an immediate success and is now open regularly on Friday and Saturday nights. It has also been the scene of several special parties and dances. The activities here cut across age lines to include such functions as a grade school Christmas

party, a high school Valentine party, a chess tournament, and a union retirement party.

While Colonel Patterson provided most of the incentive in the beginning, the people of the town have now pitched in to help. Their most visible contribution is a new pool table for the center while a local company provided a shag rug for a lounge.

Probably the most impressive aspect of New Horizon is that Cyril is 70 miles from Wichita Falls. Colonel Patterson drives that distance every day to help keep New Horizon in business although its success seems secure.

Health Care Service Number Grads 34

SHEPPARD AFB, TEXAS--Graduation for 34 members of the Health Service Administration (Basic) Course at the U.S. Air Force School of Health Care Sciences at Sheppard AFB was held Friday morning at the school.

The 11-week course for newly commissioned officers consists of a study of all the major functional areas of a hospital, including resource management, hospital registration, plan management, patient care support, squadron commander duties, medical material, and aero-medical evacuation.

Approximately one-third of the officers in the course have master degrees in hospital administration.

Divided into seven sections, the first four weeks are mainly didactic, with the balance of the course, job proficiency, comprised of situations that the officers would be likely to encounter in a real hospital.

Following graduation from the Sheppard school, approximately 95 per cent of the officers will go to Air Force hospitals to serve as staff members, with the rest going to

aero-medical evacuation units in the United States and overseas.

Guest speaker for the graduation was Brig. Gen. Colin C. Hamilton, Jr., formerly deputy director of Operations, National Military Command Center, Organization of the Joint Chiefs of Staff, Washington, D.C.

Queen Of Month Told

SHEPPARD AFB, TEXAS--Mrs. Ed Embury was named queen of the month of May with a loss of 15 1/2 pounds to highlight the meeting Tuesday night of the Texas TOPS (Take Off Pounds Sensibly) No. 410 at Sheppard AFB.

Mrs. Nazuma Stout received her 40 pound weight loss charm. In addition, charms for a 10 pound loss and monthly queen and phone pals were handed out. Mrs. Marrell Robins was named the weekly queen.

The new members present at the meeting was Mrs. Steven Neese.

Persons interested in joining Texas TOPS No. 410, or wanting more information concerning the meetings, are invited to call 322-5964.

Airman Gets Two Diplomas

SHEPPARD AFB, TEXAS--"You really don't know what to say at a time like this," said Ann. Richard Shoemaker, "I was very surprised."

Airman Shoemaker, a student in the Department of Aircraft Maintenance Training of the 3750th Technical School at Sheppard AFB, received, not one, but two diplomas in ceremonies at the school Thursday afternoon.

Maj. Peter A. Ravella, acting commander of the department, presented Airman Shoemaker with his graduation certificate from the Jet Aircraft Mechanics Course, and his diploma from high school.

A native of Muncie, Ind., the airman completed his high school requirements at Southside High School there in January 1972. His class, however, did not receive their diplomas until June 1.

Since Airman Shoemaker's class at Sheppard did not graduate until June 8, he was unable to attend his high school graduation.

"He was pretty disappointed about not getting home for graduation," said MSgt. Clifford E. O'Neal, the student aide for the 3778th Student Squadron, "So, I decided to help him as much as I could."

It took a week for Sergeant O'Neal to make the arrangements with Richard's school to have his diploma sent to Sheppard.

"I was so shocked," said Airman Shoemaker, "I was about to flip."

After graduating from the course at Sheppard, the airman will go to Incirlik Air Base, Turkey.

"I'm really going to enjoy this assignment," he added, "Especially since I joined the Air Force because I wanted to travel."

When asked what he thinks of Sergeant O'Neal's efforts in his behalf, Airman Shoemaker said, "He'll bend over backwards to help anyone who comes to him with a problem. He's really a great guy."

Fire Power Display Friday

SHEPPARD AFB, TEXAS--Artillery units at Ft. Sill, Okla., will hold a public fire power demonstration Friday, June 16, at 2:15 p.m. at Mow-way House on the post's west range.

Elements from III Corps Artillery will stage the demonstration. They will fire 105 mm, 155 mm, and 8-inch howitzers and the 175mm gun.

Also, 2.75 inch folding fin rockets, the 40 mm grenade launcher and the 7.62 mm mini-gun will be fired from an AUG Cobra helicopter.

The high point of the demonstration will be the launching of an Honest John rocket. The demonstration will begin with a parade featuring a World War I French "75" towed by six matched horses. The cannon will be mounted by troops in uniforms of the period.

In addition to the demonstration, there will be an exhibit of Sergeant, Pershing, and Lance missile systems.

Spectators should be seated half an hour before the demonstration begins. Military police will be at all the gates to furnish directions to the public.

SHEPPARD AFB, TEXAS--RODEO TICKETS--Maj. Gen. Robert L. Petit, commander of Sheppard Technical Training Center, center, is presented tickets to the Red River Rodeo by two members of the Wichita County Mounted Patrol. At left is Cletus Schenk, president, and at right is Bob Hillary. The rodeo will be held June 14-17. (OFFICIAL USAF PHOTO)

Ages Altered For AF Dependents In Programs

SHEPPARD AFB, TEXAS--Ages for dependents eligible to take the U.S. Air Force technical training programs at Sheppard AFB have been altered to those 15 to 20 years of age.

Classes opened to dependent participation from the U.S. Air Force School of Health Care Sciences are medical service fundamentals (three weeks), medical administration specialist (six weeks), hematology (eight weeks, one day), medical administration specialist (six weeks) and advanced emergency medical treatment (four weeks).

The 3750th Technical School is offering electric principles (four to nine weeks), plumbing specialist (nine weeks), protective coating specialist (seven weeks), carpentry specialist

(eight weeks), pavement maintenance specialist (seven weeks), and entomology specialist (six weeks). Class starting dates range from Wednesday, June 7, through August.

Participation in this program is based on the availability of student spaces not filled by regular Air Force students. Dependents will attend the classes on a full-time basis, six hours a day, on either the morning (6 a.m. to noon) or afternoon (noon to 6 p.m.) shifts.

All students will participate in regular classroom and laboratory instruction, provided there is no interference with instruction of the airman.

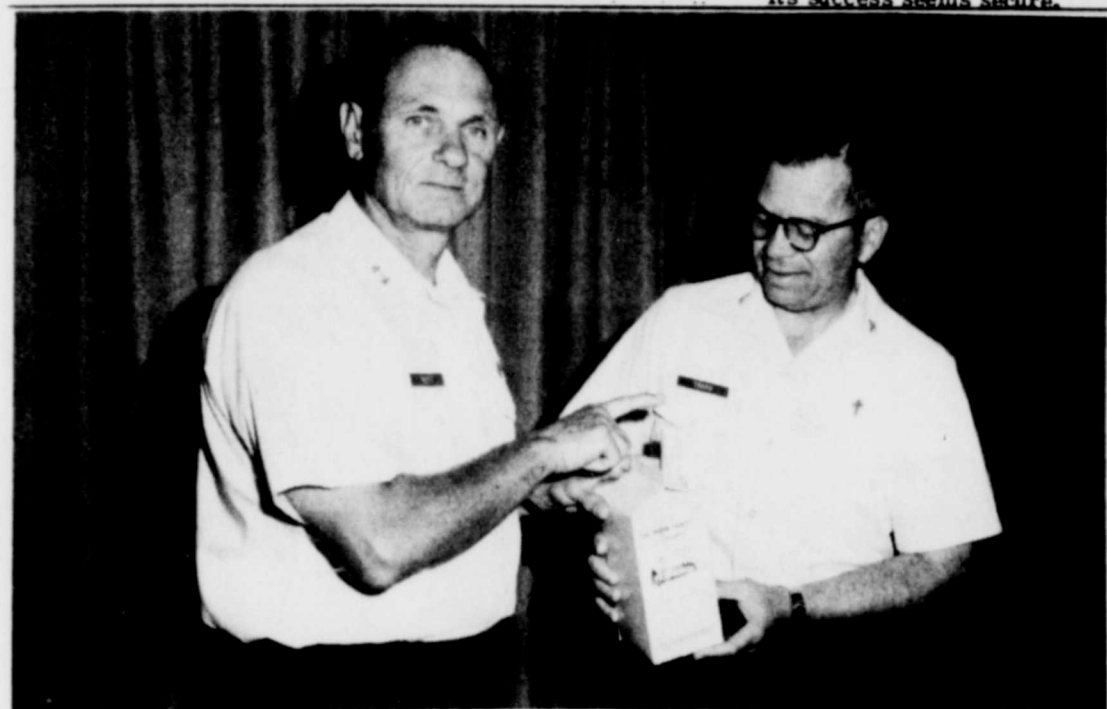

Normal academic checks on progress will be made but no formal grades will be given. Upon completion of the course, however, a statement of training received will be issued.

Students will be required to attend all scheduled classes and will have to comply with rules of dress and grooming comparable to those required of student airman.

Application forms, including a release to be signed by a parent or guardian for Technical School courses can be picked up at the school's Operations Division in room 8, Building 843 at Sheppard.

School of Health Care Sciences application forms and releases can be obtained in the training analysis section, room 1022, building 1900 here.

Enrollment will be on a first-come, first-serve basis, and only a limited number of slots are open for students. Interested people should sign up as soon as possible.

SHEPPARD AFB, TEXAS--CHAPEL DONATION--Maj. Gen. Robert L. Petit, commander Sheppard Technical Training Center, presents a donation to the Korean Chapel fund to Chaplain (Col.) Richard D. Trapp. The project is to help build a new chapel at Taigon, Korea, home of the Training Command for the Royal Korean Air Force. A goal of \$1,500 has been set for Sheppard. (OFFICIAL USAF PHOTO)

Families Invited To Help Allies In Korea Build Chapel In Taigon

SHEPPARD AFB, TEXAS--The Air Training Command chapel families have been invited by the U.S. Air Force Chief of Chaplains, to share in a very important project with our allies in Korea.

A gift of \$10,000 will enable the Koreans to build a beautiful chapel to be located at Taigon, the home of the Training Command of the Royal Korean Air Force.

A certain amount of preliminary work is already being done by the Koreans themselves, so that as soon as the financial support is received, these people will set to work

on the construction. It is estimated that approximately six months will be needed to complete the structure after they are given the go-ahead.

"Your support of this project will help convey a concern for the things of the Spirit and provide an inspiring example of brotherhood and cooperation by two Air Forces of Allied nations," stated Chaplain (Col) Richard D. Trapp, base chaplain.

Maj. Gen. Robert L. Petit, commander of Sheppard Technical Training Center, initiated the project at Sheppard by making a contribution during the

Center Staff meeting Wednesday morning.

The project officers, Chaplains (Majors) Shural Knippers and Meredith Thomas, have said that the goal for Sheppard is \$1,500. Designated offerings are being received at all chapel services June 18.

All other donations to the project will be received at any chapel before that date. They also said, "this is the opportunity for all of us, no matter what our religious persuasion, to give to a cause of another people."

AF To Save \$415,528.20 Due To Suggestions

SHEPPARD AFB, TEXAS--As a result of suggestions recently approved at Sheppard AFB, the Air Force stands to gain \$415,528.20 in addition to reaping the benefits of intangible improvements in daily operations.

Eighteen people received awards in the program, 12 of them cash awards totaling \$2,370, while the remainder received certificates.

The entire amount of total tangible benefits was approved by the Resources Conservation Program (RECON) at Sheppard.

The largest cash award, \$1,000 went to SMSgt. Robert F. Hill, of the Operations Division, 3750th Technical School.

Following Sergeant Hill was TSgt. Ralph J. Kuester, Department of Field Training, Technical School, with \$490; CMSgt. Roy H. Cordova, Supply Division, 3750th Maintenance and Supply Group, \$295; Georgia M. Flanagan, Personnel Division, and Gregory J. Nieto, 3750th Civil Engineering Squadron, Air Base Group, both with \$200.

Receiving smaller cash awards were TSgt. Ray E. Hornbaker, Department of Aircraft Maintenance Training, Tech School, \$75; Billie A. Allard, Maintenance Division, M&S Group, and Capt. Michael A. Flamer, Training Aids Division, Tech School, both with \$50; MSgt. James Fulford, Jr., Hospital Services, U.S. Air Force Regional Hospital; TSgt. Santiago Black and Lester W. Morrill, 2054th Communications Squadron; and Beth R. Tayntor, Command Section, Sheppard Technical Training Center, all with \$25 awards.

Certificates went to Maj. Loren K. Olson, Resource Management Office, and Capt. Charles A. Harsanyi, Materiel, Materiel, Hospital; Capt. Donald H. Voyles, 3631st Pilot Training Squadron, 3630th Flying Training Wing; MSgt. Joseph A. St. Laurent, Department of Communications and Missile Training, Tech School; Melba M. Cole, Training Services Division, School of Health Care Sciences; and Jenell B. Todd, Comptroller, Air Base Group.

Suggestion Nets Airman \$1,000

SHEPPARD AFB, TEXAS--The Sheppard sergeant assigned to Sheppard's Field Training Detachment 310 at Little Rock, Ark., recently was awarded \$1,000 for his suggestion improving trouble-shooting on the T-56 engine oil system.

He is MSgt. Franklin D. Gray, an engine instructor on C-130 aircraft. The new procedures suggested by Sergeant Gray allow trouble-shooting of the system without excessive removal and replacement of operating components.

The monetary savings in man-hours and material due to Sergeant Gray's suggestion were estimated to be more than \$53,000 during the first year alone.

The money was presented to him by Capt. Darel M. Ray, FTD 310 commander.

FARM REVIEW

Beef Consumption Up Greatly In Last 20 Years

Doubling the public consumption of beef in the last 20 years and yet keeping the prices of fat cattle at the same levels speaks well for the production and marketing chain of the beef business, William C. Donnell, president of the Texas and Southwestern Cattle Raisers Association, told a gathering of newspaper food editors representing the daily press of the Southwestern states.

Donnell, speaking at the 1972 Beefsteak held in Atlanta, Ga., June 1 and 2, and representing the producers on a panel presentation, remarked that "Charges that livestock producers have been gouging the public are utterly false. Records of federal land banks and production credit associations over the country show a 500 per cent increase in agricultural debt in the last 20 years -- certainly not a sign of excessive profits."

Asked to comment on the recent Life Magazine picture feature concerning beef prices in which a family's grocery buying budget was explored, Donnell replied: "This family earning \$14,000 a year and paying on a three-bedroom home a backyard swimming pool, two station wagons, color TV and stereo equipment is blaming their grocery bill for their unhappiness. I suggest these people change their priorities. A few pages later in the magazine, a 1939 issue of Life was shown. It sold for 10 cents a copy then, compared to 50 cents now."

"Have food prices risen 500 per cent since 1939? Actually they've fallen steadily compared to income. Now it takes only 15 1/2 per cent of the average family's disposable income to feed them. That's the cheapest grocery bill in all our history and the lowest in the world."

"Why shouldn't the bread winner eat what he likes, particularly when it's getting cheaper all the time, relative to his income? I think the public has its priorities well adjusted. It was consuming 56 pounds of beef per person in 1951 and it jumped to 114 pounds last year. The consumer knows a good value when it tastes it."

Millions of beef consumers of the Southeast read the copy of the 30 food editors entertained by the Beefsteak in Atlanta, sponsored by the Texas Cattle Feeders Association and the National Beef Industry Council. Cooperating organizations included the Alabama Cattlemen's Association, Florida Beef Council, Georgia Cattlemen's Association, Kentucky Cattlemen's Association, Louisiana Cattlemen's Association, Mississippi Cattlemen's Association, North Carolina Cattlemen's Association, Tennessee Livestock Association and Maryland Red Meat Council.

Others with Donnell on the "Range to Range" panel of speakers included: Moderator David Stroud, president of the National Live Stock and Meat Board, Chicago; Lamar Stanton, vice president of Publix Supermarket, Inc., Lakeland, Fla.; Verne Swanson, chief executive officer of the Texas Meat Packers, Inc., Dallas; Tom Herrick, president, and Glen Deen, vice president of the Texas Cattle Feeders Association, Amarillo.

Queen and Talent Contest To Be Held Fri

The Wichita County Farm Bureau Queen Contest and Talent Find will be held Friday night, June 16 in the Iowa Park First United Methodist Fellowship Hall beginning at 7:30 p.m., according to Mrs. Norman Roberts, chairman. Mrs. Roberts states that ten girls have indicated they will participate in the Friday night competition.

A Coke Party will be held June 13 for the girls and their mothers at the home of Mrs. Carl Barnhill in Iowa Park to finalize plans for the evening.

Mrs. Roberts is being assisted by Mrs. Barnhill, Mrs. J.W. Toie and Mrs. Ed Foster. Rehearsal will be held at 4 p.m. on Friday to be followed by the contest at 7:30. Barry Mahler of Iowa Park will be master of ceremonies.

Talent Find Contest will be held with the queen contest. Mrs. Raymond Schroeder is serving as chairman of this event.

1971 Queen Patti Lucy of Wichita Falls will crown the new queen. A reception will follow the crowning. The public is invited to attend.

Farmcast

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

Nearly all of Texas Below Normal Rainfall During February, March, April... Texas Farm Prices Show Gain... Sheep On Feed Up 61 Per Cent... Red Meat Production Down 7 Per Cent...

Only the southern tip of Texas had rainfall above normal during February, March and April, the Texas Crop and Livestock Reporting Service notes. Rains in the Lower Valley were 123 per cent of normal. The Dalhart area had only 15 per cent of normal for the three months.

During May, the Trans-Pecos area had the lowest rainfall total with 1.24 inches. The upper coastal areas had the largest rainfall in May with slightly more than nine inches.

Crops generally throughout the state were making good growth. Wheat harvest is speeding up; oat harvest more than two-thirds complete. Grain sorghum harvest will soon be in full swing.

FARM PRICES are up 15 per cent from a year ago. Farm parity at 73 per cent, however, still means that agriculture is more than one-fourth below the rest of the economy.

All poultry and eggs were down from a month ago with the exception of chickens and broilers which were unchanged. All poultry and eggs were the same or down compared to a year ago. Wool and mohair were above last month and a year ago.

Commodity prices in Texas include wheat \$1.43 bushel, up a penny from 1971; corn \$1.36 bushel, up 17 cents from last year; grain sorghum \$1.95 per hundredweight, down 50 cents from 1971; cotton 26 cents per pound, up five cents from 1971; hogs \$24.20 per hundredweight, up \$5.40 from last year; beef cattle \$33.80 per hundredweight, up \$13.06 from 1971; sheep \$11, up \$3.24 from last year; lambs \$32, up \$9.34 from 1971; broilers 13.5 cents per pound, down one cent from 1971; eggs 27 cents per dozen, down 4 cents.

RED MEAT production in Texas during April was down seven per cent from the previous month and 14 per cent below April, 1971. Red meat production in April was 176.3 million pounds. Red meat production during the first four months of 1972 totaled 706.7 million pounds.

Cattle slaughtered during April totaled 285,000 head, 7,000 head below the number slaughtered last month and 41,000 less than April, 1971.

Hog slaughter during April numbered 157,000 head, 45,000 less than April of 1971.

Sheep and lambs killed during April numbered 124,000 head, which is 24,000 less than last year.

Average live weight of cattle slaughtered during April was 883 pounds compared with 888 pounds last year. Hog slaughter averaged 240 pounds compared with 231 pounds in 1971.

Salads Help Curb Appetites

Squelch summer appetites the cool and convenient way with salads. When making your selection for lettuce, gently squeeze the lettuce head and feel if it springs back. When lettuce is harvested for quality and flavor, it's cut while there are still air pockets between the leaves. That's why it will "give" when squeezed. Compact heads of lettuce that don't bounce back may be slightly bitter, feel tough to the tongue and have leaves that are difficult to separate.

Rust-covered spots sometimes found on inner leaves of head lettuce result from poor growing conditions such as sunburn or frost while the lettuce matures. There is no way to detect these spots without cutting or splitting the head.

Lettuce doesn't keep its good eating quality for much more than a week. It physically changes from the time it's harvested until it's eaten.

Salad green require cold, moist surroundings. If you plan to use the lettuce within a day or so, knock out the core by hitting against the edge of the sink. Then run a heavy stream of water into the center of the head. Turn it upside down and drain thoroughly before putting into a plastic bag. Store in the hydrator of the refrigerator.

Do you give your child the security of limits? He needs to know how far he can go. Freedom and limits need to be different for every child. Some children need a high fence, while others manage with a low one.

Deciding limits for each child is hard to do but there are some key questions to help you set boundaries. Ask if the limit is necessary for the child's safety and well-being of others. Is the limit necessary for the protection of property? Is it primarily for the convenience of adults? Does the boundary prohibit the child from experimenting? As if it is necessary

or if he has outgrown its usefulness. If it is necessary, how can it be enforced.

Not all limits need to be explained to a child, but the parents should understand the reason for the rule. All too often parents simply reply, "Because I say so," without thinking about the reason for the boundary. Other parents slip into the habit of automatically saying (no). Children cooperate more with fewer, well-defined limits that are strict. Let your child make his own decisions within these limits, and as he grows older, let him help decide on new limits.

THE NATIONAL BANK

BURKBURNETT, TEXAS
569-2221 300 E. 3RD

Dale Lewis Graduated From Banking School

Dale Lewis, vice-president and cashier of First National Bank, Burkburnett, is one of the 381 bankers graduating this week from the School of Banking of the South at Louisiana State University. Classes started May 29 and continue through June 10, covering advanced study in all phases of banking, economics, and finance.

The School, sponsored by bankers associations of 15 southern states, requires attendance at campus sessions for three years, plus extensive home study work during the remainder of the year. An outstanding faculty of more than 100 bankers, businessmen, economists, and educators teach 18 courses dealing with modern bank management, service, and operations.

During their three years at

LSU, banker-students receive a total of 180 hours of classroom instruction, 90 hours of review, organized evening study, and written final examinations at the end of each year. Since the School began in 1950, graduation certificates have been awarded to 3,300 graduates.

"This program makes an important contribution toward improving and increasing the type and quality of banking services being offered in the South," said Bradley Currey, Director of the School. Mr. Currey is senior vice president and controller of Trust Company of Georgia, Atlanta.

Current enrollment includes bank officers from 23 states and Central America. In addition to varied class lectures, instruction concentrates on banking and business case studies.

Officers Told For Alliance

The members of the Ministerial Alliance in their last monthly meeting elected officers for the fiscal year. Those elected were: Rev. William Penn, pastor, First United Methodist Church, president; Father Richard Beaumont, pastor, St. Jude Catholic Church, vice-president and Rev. Lamoine Champ, pastor, First Baptist Church, secretary-treasurer.

Rex Holt Goes To Boys State

Rex Holt, a junior at Guthrie (Okla.) High School, attended the Boys State activities on the Oklahoma State University campus in Stillwater this past week.

Holt attended Big Pasture High School in Randlett before moving to Guthrie last year. His parents, Mr. and Mrs. W.D. Holt, were former Randlett residents, where Mr. Holt was vocational agriculture instructor for 12 years.

Boys State is for the top juniors in Oklahoma high schools. It is sponsored annually by the American Legion and gives youths experience in governmental procedure.

The boys lived in one of OSU's high-rise dormitories and were divided up into mythical cities. The different cities competed against others for government offices and in sporting events.

Boys State attendants heard Gov. David Hall, Speaker of the House Rex Privett, State Senator Al Terrill, OSU president Robert B. Kamm, and OSU head football coach Dave Smith.

Former Burk Resident Named Outstanding Educator

Three faculty members at Golden Gate Baptist Theological Seminary have been chosen Outstanding Educators of America for 1972. They include a former pastor of the First Baptist Church of Burkburnett, Dr. Jack W. Manning, a professor of church history.

The annual awards program honors distinguished men and women for exceptional service, achievements and leadership in the field of education. Manning has been with the Seminary since 1950. He retired from the U.S. Army Reserve Chaplaincy in 1970 and was awarded the Meritorious Service Medal in 1971. President Richard M. Nixon, in a citation, commended Manning for outstanding service while the professor was assigned as chaplain of the 6253rd U.S. Army Reserve Hospital, Presidio of San Francisco. A former president of the Baptist Ministers Alliance, Oklahoma City, Okla., Manning has been active in Southern Baptist associational work and has been a trustee for California Baptist College in Riverside, Calif.

Former Burk Resident Gets Promotion

Dave Johnson, a former Burk resident, has recently been advanced to the position of accounting department manager of the Hamilton, Ohio branch of the Champion Paper Co.

Johnson is a 1943 graduate of Burkburnett High School and is the son of Mr. and Mrs. Preston Johnson. He received his bachelor degree in business administration from the University of Houston and has been employed by the company since 1952. Dave and his wife, Charlene, have three children.

Manning is a member of the American Historical Association, Georgia Historical Society, Texas Historical Society, the American Society of Church History, the California Society of Church History, American Academy of Political and Social Sciences, Military Chaplains Association, the Association of the U.S. Army, Masonic Lodge, the Medieval Academy, and the Southern Historical Association.

VA News

Veterans Administration
A lost birth certificate or marriage license no longer poses the problem it once did for veterans seeking veterans benefits, Jack Coker, Veterans Administration Regional Office Director, reports.

Less formal proof of marriage and birth are now acceptable, under a regulation initiated last October, when this information is needed to establish claims for higher benefit payments.

A veteran's or a widow's certified statement of marriage is now sufficient for applications for compensation and education benefits for veterans, widows and orphan children, provided neither he nor his

wife has been married before, and VA has no contradictory information on file.

Coker said prior to the change in regulations, VA required all statements of marriages and births to be supported by formalized documentary evidence.

A certified statement is acceptable also regarding the birth of a child of a veteran's marriage, and as proof of age and relationship, he added.

Guidelines of Life

By Ed Morris, Church of Christ

IN HIS STEPS

Sunday is the Lord's day. This is the day we may honor our Savior in worship "in the spirit and truth." (John 4:24). We may still put Christ first and at the same time honor our earthly parent. Have you ever watched a proud father walking down the street? He walked with the stride and steadiness of one with a fine physique. But it was not so much his way of walking that attracted your attention. What did attract your attention was his young son following him, walking in the same manner, not in mimicry, but in admiration, strengthened by the fact that his Daddy is leading the way. Perhaps Rudell Strible can put it so much better than I. The poem reads:

Walk a little plainer, Daddy,
Said a little boy so frail,
For I'm following in your footsteps
And I don't want to fail.
Sometimes your steps are very plain
Sometimes they're hard to see
So walk a little plainer, Daddy,
For you are leading me.
I know that you once walked this way
Many many years ago,
And what you did along the way
I'd really like to know.
For sometimes when I'm tempted,
I don't know what to do,
So walk a little plainer, Daddy
You know I'm following you.
Some day when I'm grown up
You are like I want to be,
Then I will have a little boy
Who'll want to follow me.
And I would want to lead him right
And help him to be true,
So walk a little plainer, Daddy
I'm going to follow you.

The thought comes to me that because a little fellow's Daddy will be in Bible Class and Worship this Lord's Day, it will be natural for the son to follow.

Play Day Begins Friday Night

The Burk Burnett Riding Club will sponsor a Heritage Week Playday Friday night beginning at 6:00 p.m. This playday is in recognition of Burk Burnett's Heritage Week celebration and everyone is invited to participate in the fun events whether or not they are true horsemen.

Regular playday events will be held such as the ring, barrel, potato, flag, and pole races for the more expert riders. These events will have a 25¢ entry fee with a trophy being given in each of eight age groups. Fun events have also been scheduled for the regular playday riders.

An added attraction for the evening will be the events that have been scheduled for Burk Burnett's businessmen, businesswomen and military personnel. Challenges are being made between business people and the evening should have a lot of excitement in store. Trophies will be awarded for the first, second, and third places in these events, but no entry fee will be charged.

The trophies to be awarded Friday night and the trophies that have been won by the Burk Burnett Riding Club are now on display in the window of the Burk Burnett Bank.

RICHARD L. SPEIR

LONNIE L. NORRIS

First Class Richard L. Speir, son of Mr. and Mrs. Vernon Speir of Grandfield, Okla., was aboard the submarine USS John C. Calhoun when the ship surfaced west of Scotland and moored at Holy Loch, ending the U.S. Navy's 1,000 undersea ballistic missile patrol.

Lonnie L. Norris, son of Mr. and Mrs. Lonnie L. Norris of 3600 Parkwood, Waco, Tex., has been commissioned a second lieutenant upon completion of the U.S. Air Force Reserve Officers Training Corps program at North Texas State University at Denton.

Lieutenant Norris also received his B.S. Degree in education. The lieutenant is being assigned to Vandenberg AFB, California, for missile officer training. His wife, Donna, is the daughter of Mr. and Mrs. Frank Greer of 311 S. Avenue D, Burk Burnett, Texas.

Stolen Auto Found Burned

Alvin Simmons of 407 1/2 Main reported to Burk Burnett police about midnight Saturday that his 1972 Mercury Marquis had been stolen from the Boomtown Bowling Alley parking lot. Simmons stated that the trunk of the automobile contained a silver saddle and matching trid, luggage and an assortment of clothing.

Less than an hour later, replying to a bulletin put out by the Burk Burnett Police Department, the Electra Police Department reported they had found the vehicle on fire.

The vehicle, with its trunk lid open, was found approx. 5 miles west of Electra on Highway 1126. The auto was totally destroyed by the fire. All contents of the trunk had been stolen.

The local police and Sheppard AFB personnel are still investigating the death of SSGT. Frederick P. Burns who was found dead at his residence Wednesday, June 7.

A friend of Burns reported to police that Burns had failed to report to work at the base that morning. He and the police went to Burns' residence at 222 E. College to check. There they found Burns lying dead in his bed. It was ruled that death was caused by carbon monoxide poisoning.

No foul play was believed involved in the case. Paul Baber, local businessman, and Mack N. Applin both escaped serious injury Tuesday

as they were involved in a head-on two-car collision. Both men live near Randlett, Okla.

The accident occurred at 1:30 p.m. Tuesday, 4 miles south and 1 1/2 miles east of Randlett at a blind curve on a narrow county road.

Baber, driving a 1966 Mustang, was headed west while Applin, driving a 1967 Dodge, was headed east. The two vehicles collided head on left front to left front.

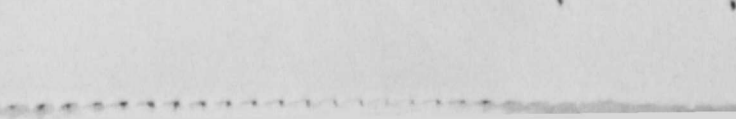

Both men were taken to the Burk Burnett Clinic where they were treated and released.

Both drivers were cited for operating at a speed greater than reasonably proper.

Monday, the 1964 Mercury driven by Dezzie Hatcher of 1205 Cheryl was hit in the rear by a 1960 Ford driven by Clark L. Peters of 705 Pecan. The accident occurred at 277-281 service road.

Dale W. Hudson of 1002 Sheppard Road received a cut on the calf of his leg as the horse he was riding and the 1967 Ford driven by Noble Doughty of 214 Walnut collided. Hudson was headed into the dump grounds when the accident occurred Wednesday afternoon.

The horse received a broken back due to the accident. A.D. Gilbert of 625 Sheppard reported to police Monday that someone had stolen 15 stereo tapes from his vehicle. The tapes were recovered the following day by the Iowa Park Police Department.

JANET DIMARZIO, Lions Sweetheart, gave the Club a report on the First Baptist Church Youth Mission tour of Colorado.
