THURSDAY, SEPTEMBER 14, 1972

NUMBER 2

Editor's Viewpoint

RAYMOND GREENWOOD

Photographers, whether they be news photographers, just an amateur fooling around with a camera or a real professional photographer most often find some of the best pictures, and the most rewarding ones, are those that "just happen." It's those that aren't planned for, those that suddenly are there and you snap the picture. Many more times, however, the best picture of all is never recorded on film because the photographer was not prepared at the time. Such was the case with me Friday night.

Following the buzzer at the end of the football game between the Bulldogs and the Eagles, I was busily rejoicing over the win with a friend and explaining how I hoped my action shots of the game would turn out good. Just then he said "look" and there was the best picture of any football game ever played.

There in the middle of the field in Bulldog stadium knelt the coaches, players, managers, and cheerleaders from both football clubs, all together in prayer. The winners and the losers alike, together, with one purpose in mind—thanking God for His many blessings.

Anti-football fans claim nothing good can be learned from the head-knocking, rough game of football. But, I can't help but believe that something is being related to both teams as they kneel in prayer together after the game as did our local football teams and the visiting DeSota Eagles Friday night.

The best picture of the game Friday night wasn't recorded on film, cause I too wasn't ready when it occurred.

If you haven't already noticed, the INFORMER/STAR is sponsoring a Football Contest this fall. It could mean cash in your pocket, so take a close look at the football pages in this issue. Be sure you get your entry in to our office by 5:00 p.m. Friday or mail it early enough that you can get it postmarked on Friday.

The first few days or weeks of school each year brings up a recurring subject among teachers and parents: discipline.

Jerry Flemmons of the Fort Worth Star Telegram wrapped up the subject of discipline in a great article recently.

Jerry said, among other things, that children quite probably should not be struck, except in self-defense and even then, only then with moderate severity. Usually adults can beat off a kid with an average size stick.

But the part that was most hilarious, was where Flemmons said:

"Once I met a child psychologist who explained his methods, which seem to have worked, because his seven-year-old son was a textbook kid - said 'yes, sir' and 'no, sir', stood straight and tall, smiled, and was quite polite. 'I try to remember,'" said the psychologist, "that children, mine included, are human beings."

"I believe in discipline but my approach is one of moderation. I attempt to be calm and explain to my child the right and wrong of his act. 'I do this in a calm moderate voice, using everyday language. I do not talk down to him, but as I would to another adult. I explain that his disobedience requires a punishment. I explain that society has certain standards of behavior in given circumstances and that other people conform. See EDITOR, Pg. 2

GO DOGS, "WE'RE NUMBER 1"—Says the sign in the Bulldog dressing room last week. The local team won their season opener 34-8.

Bulldogs Take First Game Of Season

Burkburnett's tough running attack and its stringent defense completely over shadowed the DeSota Eagles by a score of 34-8 last Friday night. The Bulldogs will approach a team this Friday night, however, that will probably close the winning margin some.

The Bulldogs will travel to Lawton, Okla. to take on Lawton Eisenhower in what is expected to be a real tough battle.

In speaking of the opposing team, Bulldog coach Bill Froman stated, "We have watched them in scrimmages and in their 30-3 romp last week over a strong Ardmore, Okla. team. They (Lawton) are a strong team which is probably better than it was last year."

In 1971 the Lawton team rolled to a 7-3 season record mark in one of the strongest AAA conferences in Okla. This year they are picked #14 in state

rankings. They are described as a good solid team with outstanding speed, and they like to throw the football. Their 175 pound tall back has been described as one of the finest backs in the southern part of Oklahoma.

Their offensive line is large and boasts a pair of tackles that weigh in at 240 lb. as well as two other men over the 200 lb. mark. The other members of the line are also large men. Their defensive team also has a 240 lb. boy as well as several other large players. Very few of their players play both offense and defense.

Froman reports that special effort this week in the area of defensive secondary of the Bulldogs will be a must. "They have always been able to throw the ball well and now they have installed a solid running attack which will put extra pressure on our defensive backs as well

as our other defensive players," stated Froman.

In regard to the Bulldog victory last Friday night, Froman reported that he felt that the players make a good overall effort. Once the Bulldogs had the 34 point lead (which was at half-time) Froman began playing many of his backup players. "We still have a number of rough edges that we are working on in many areas, but our boys are coming around fast". According to the coaches the Bulldogs for this season should have every bit as good a team as they did last year, if not better.

The strong Burkburnett Bulldogs will clash with the strong Lawton team at 8:00 p.m. Friday night in the Cameron College Stadium, which is located on West Gore in Lawton.

Gun Accident Injures Youth

Joe Glenn Nichols, son of Mr. and Mrs. Darrell Nichols of 407 Peach, is currently in satisfactory condition at Wichita General Hospital recovering from a gunshot wound sustained in an accident last Thursday.

Nichols was visiting in the home of a friend, Johnny Hamilton, at the time of the accident.

It was reported that the gun involved in the accident, a 12 gauge pump shotgun, had been loaned to a friend the day before. The Hamilton youth got the gun from the closet to check and be sure that the friend hadn't left the weapon loaded. He had the gun pointed toward the floor as he tried to open the chamber. The bolt of the gun was stuck and as he tried to pull the bolt down the gun discharged hitting the Nichols lad in the right leg just below the knee. Nichols

was sitting some eight feet away at a desk at the time of the accident.

Darrell Nichols, Joe's father, reported Tuesday that his son was in satisfactory condition and that a Visitors Book was just outside the door to his room in Wichita General. At present, doctors aren't permitting any visitors into the room.

Several friends of the family have indicated they would like to give blood for the Nichols youth. They should go to the Red Cross Center in Wichita Falls and designate that the blood is for Joe Glenn Nichols, room 209, Wichita General Hospital. Any type of blood will be accepted by the Red Cross and credited to Nichols.

At present doctors have administered four pints of blood to the youth.

SEES ALOT OF ACTION--Three members of the Burkburnett Fire Department, Winford Henry, A.C. Shackelford and Marion Thornton, left to right, were kept plenty busy Sunday afternoon providing cokes to the large number of thirsty guests attending the Firemen's Convention here.

Questions Explained On Coming Election Proposal

Numerous questions have been in the air for several days now concerning the Burkburnett City Council decision to call a revenue bond election for the purpose of upgrading our present sewer and water facilities. In an interview with City Manager Gary Bean the early part of this week, most all of the questions came to light with each receiving a full reply.

Local citizens should be informed that the City of Burkburnett is NOT planning on scrapping the existing water system. They, however, are looking for a permanent water supply that will help Burkburnett with its peaking (maximum usage days), thus eliminating the water rationing that citizens of Burkburnett have experienced almost everyday through out the history of the town.

The only permanent water supply in existence at this

present time that would be available to Burkburnett is from Wichita Falls, according to Bean. The proposed permanent water supplies of the Cookietown Reservoir project and the Waurika Lake haven't even begun constructing yet. The distance to the Waurika Lake, upon its construction, would be approximately 35 miles compared with the eight miles of line we will have to lay to tie on with the Wichita Falls supply, stated Bean. Also, with a transmission line to either Cookietown or Waurika Lake the line would have to cross the Red River and the cost there would be astronomical.

In addition to this, a filtering plant would have to be constructed by the City of Burkburnett if they ever purchased water from either of those two sources. At present Burkburnett chloridates its water, but does not have to filter it since it comes from wells rather

than a lake. Water purchased from the City of Wichita Falls is already filtered and ready to go straight to the consumer.

When asked about Burkburnett obtaining water from around the Byers area Bean replied, the distance to that point is about the same as to Wichita Falls (eight miles) and in addition to that we would be tying on to a non-permanent water system. The wells in the Byers area are the same depth as those of Burkburnett and in the same type water table, which too could drop just as the one that Burkburnett has been tapping for its water supply. In other words,

stated Bean, Burkburnett would have to spend the same amount of money to lay a line to Byers and then it couldn't be sure of the dependability of the water supply there, especially if the general drought of this area continued.

It has been estimated by water officials that the City of Wichita Falls currently has a five year supply of water in its lakes if the lakes never receive another inch of rainfall during that period.

Although Burkburnett has had a water shortage for a number of years, the City has been working on the problem. "We

Chamber Directors Endorse Bond Issue

We, the Directors of the Burkburnett Chamber of Commerce, resolve: The purpose of this organization shall be to promote the civic, commercial, industrial and other interests of the City of Burkburnett, Texas, and its contiguous territory, and to correlate the efforts of the citizens of Burkburnett and of the members of this organization, and to make Burkburnett a better place to live.

Be it furthermore resolved that we believe the necessity of a good source of water or water supply is of great importance to all citizens of Burkburnett;

WHEREAS, there has been evidence that the limited supply of water has, in the past, created a hardship on the citizens of Burkburnett,

WE, the Directors of this organization, resolve to endorse the Burkburnett Revenue Bonds.

Book Autograph Party Sunday

An autograph party will be held Sunday to introduce and kick off sales of "Portrait of a Boomtown: Burkburnett", the first complete history of this city and area.

The book's author, Mrs. Minnie Benton, a local resident, will be on hand from 3 until 5 p.m. at the Burkburnett Community Center to autograph books and meet persons interested in her publication.

The public has been invited to the party by the publisher, Nortex Offset Publications, Inc. and by the local distributor of the book, The Informer Star.

Mrs. Benton, author of the history, is a long-time local history teacher who retired this year after teaching some 27 years in the local school system and a total of 42 years in Texas.

The book, which is divided into six chapters including "The Early History", a history of the Indian tribes who roamed the Burkburnett area and the early merchants and cattle barons; "The Boom Period", the story of the oil rush boom town; "John G. Hardin and Burkburnett", the story of the two men who most influenced the history of Burkburnett; "The After-Boom Era, 1922-1937"; "Present Day Burkburnett, 1952; and an Epilogue, bringing the community's history up to the present.

Along with the interesting

and actual history of Burkburnett will appear some 40 to 50 early day photos gathered from the files of the Informer/Star, the Wichita Falls newspapers, pioneer Burkburnett families, and from the outstanding collection of J. C. and W. F. Reynolds.

All Principals Report School Enrollment Down

The superintendent and principals of the Burkburnett Independent School District presented the program at the monthly luncheon of the Chamber of Commerce Monday.

The resounding report from each, James Pearson, superintendent, Bill Darland of the high school, Carl Dixon of the junior high, Bill Weathered of Southside, Stan Owen of Sheppard-Burk, and Overton Ray of Hardin Elementary, was a lower enrollment from last year's total in all schools. The result being a total enrollment of 3,696 including 1,448 in high school, 926 in junior high, 435 at Southside, 550 at Sheppard-Burk, and 613 at Hardin.

This decrease is in keeping with the national trend and is most prevalent in the first

grade, explained Pearson.

Pearson also told the group that the system employs some 269 persons with the school's monthly expenditures totaling \$50,000.

Each principal also listed changes and improvements for the new year in each school.

According to Ray, Hardin's new Minimal Brain Damage Unit has just begun helping children with special problems by supplementing regular schedules with personal teaching.

Hardin also has an elementary counselor for the first time.

Dixon explained that the special education class for students with IQ's under 70, is now located in the junior high and has approximately 13 pupils.

Two new courses have been introduced at the high school, according to Darland. They are Beginning Art with an enrollment of 106 and Girls Agriculture with 25 students.

He also stated that this year 150 boys are in the three divisions of the football program, 180 members in the band program, and thanked the business

people for sponsoring the four vocational education courses.

Following the program, City Manager Gary Bean explained the revenue bond election that has been set for September 26, with the Chamber of Commerce directors endorsing the proposal.

In the Monday afternoon directors meeting, it was voted to omit the rodeo for next year's program of events. A 1973 budget committee consisting of J.B. Riley, C.J. Lippard, Jerry McClure, Dick Johnston and Lester Yates was appointed.

The committee to select 10 nominees from which five directors will be elected to serve for 1973-76 were named including Dan Schaffner, Mickey Cornelius, Paul Averitt, Loise Bean and Dick Johnston.

Lester Yates, chairman of the trade promotion committee said a sidewalk sale and Halloween parade will be Oct. 31, a public auction Nov. 17 and a continuing Christmas program Dec. 16-23.

The next Chamber luncheon will be October 2.

Johnston Takes First In Football Contest

Dick Johnston was named winner late Monday afternoon in the Informer/Star's football contest. He was tied with Terrace Armstrong with Johnston's guess in the tie-breaker being the deciding factor.

Johnston picked up his \$15.00 and Armstrong was awarded \$10.00 for his efforts as second place winner.

Some three dozen entries were received for this past week's contest, with a few being received past the deadline. REMINDER: All entries must be postmarked no later than Friday afternoon.

Out of all the entries, the one from farthest away was from Buddy Byars in Mineral Wells. Byars is the former

Chamber of Commerce manager of Burkburnett.

Another contest, sponsored by participating merchants, is now in progress this week. Entry blanks may be found in the football pages of this issue of the Informer/Star and may be turned in at the office, 417 Avenue C, or mailed to P.O. Box 906.

ployee. The Duponts live in Trainsle Trailer Park.

**Burk Community Service
Council Hears Report**

The Burk Community
Service Council met in regular
session in the TESCO Reddy
Room, Monday night with eleven

organizations answering roll
call.

James Cunningham of South-
side PTA made the motion that
member organizations make a
small donation toward the debt
retirement of the Depot project.
Gene Allen of the Chamber
of Commerce presented a pre-
view of coming events, includ-
ing a Halloween Parade and
Cosume contest, a special
City-wide auction sale on No-
vember 17, a giant Christmas
Tree with carolers for the week
preceding Christmas. Larry
DeMarzio and Father Richard
Beaumont will serve as com-
mittee in charge of the distri-
bution of Christmas baskets in
December.

A city clean-up and a pavilion
in one of the park areas were
among suggestions as projects
of the council.

The next council meeting will
be held in the Reddy Room at
7:30 p.m. on November 13.

**NOTICE OF ELECTION FOR
THE ISSUANCE OF BONDS**

THE STATE OF TEXAS
COUNTY OF WICHITA
CITY OF BURKBURNETT

TO THE RESIDENT QUALI-
FIED ELECTORS OF THE CITY
OF BURKBURNETT, TEXAS,
INCLUDING THOSE WHO OWN
TAXABLE PROPERTY IN SAID
CITY, AND WHO HAVE DULY
RENDERED THE SAME FOR
TAXATION:

TAKE NOTICE that an elec-
tion will be held in the City
of Burkburnett, Texas, on the 26th
day of September, 1972, in
obedience to an ordinance duly
entered by the Board of Com-
missioners which is attached
hereto and made a part of this
Notice for all intents and pur-
poses.

WITNESS OUR HANDS AND
THE SEAL OF THE CITY OF
BURKBURNETT, TEXAS, this
5th day of September, 1972.
Billy J. Smith, Mayor
City of Burkburnett, Texas

Lahoma Wood, City Secretary
City of Burkburnett, Texas
(City Seal)

AN ORDINANCE by the Board
of Commissioners of the City
of Burkburnett, Texas, calling
a bond election to be held within
said City, making provision for
the conduct of the election and
other provisions incident and
related to the purpose of this
ordinance; and declaring an
emergency.

WHEREAS, this Board of
Commissioners deems it ad-
visable to call a bond election
for the purposes hereinafter
mentioned; therefore,
BE IT ORDAINED BY THE
BOARD OF COMMISSIONERS
OF THE CITY OF BURKBUR-

Legal Notice

Waterworks and Sanitary Sewer
System, each bond to be con-
ditioned that the holder thereof
shall never have the right to
demand payment of said obli-
gation out of funds raised or
to be raised by taxation?"

SECTION 2: That the official
ballots for said election shall
be prepared in accordance with
the V.A.T.S. Election Code so
as to permit the electors to
vote "FOR" or "AGAINST" the
aforesaid propositions which
shall be set forth in substancially
the following form:

PROPOSITION NUMBER 1
"THE ISSUANCE OF
\$700,000 REVENUE BONDS
FOR WATERWORKS SYSTEM
IMPROVEMENTS AND EX-
TENSIONS"

PROPOSITION NUMBER 2
"THE ISSUANCE OF \$25,000
REVENUE BONDS FOR SANI-
TARY SEWER SYSTEM IM-
PROVEMENTS AND EXTEN-
SIONS"

The word "FOR" and beneath
it the word "AGAINST" shall
be made to appear on the left
of each of the propositions. A
square shall be printed on the
left of each of the words "FOR"
and "AGAINST", and each elec-
tor shall place an "X" in the
square beside the statement
indicating the way he wishes to
vote.

SECTION 3: That said elec-
tion shall be held at the CITY
HALL in said City, and the en-
tire City shall constitute one
election precinct for said elec-
tion.

SECTION 4: That the follow-
ing named persons are hereby
appointed officers of the elec-
tion:
F. T. FELTY, SR. Presiding
Judge

MRS. F. T. FELTY, SR. Alter-
nate Presiding Judge

The Presiding Judge shall
appoint not less than two (2)
nor more than four (4) qualified
clerks to serve and assist in
holding said election; provided
that if the Presiding Judge
herein appointed actually serves,
the Alternate Presiding Judge
shall be one of the clerks.

On election day the polls
shall be open from 7:00 A.M.
to 7:00 P.M.

Absentee voting shall be
conducted at the City Secretary's
office in the City Hall, in ac-
cordance with the provisions of
V.A.T.S. Election Code, Chap-
ter 5.

SECTION 5: All resident
qualified electors of the City,
including those who own taxable
property in said City and who
have duly rendered the same
for taxation, shall be permitted
to vote at said election. That
at said election two separate

ballot boxes shall be provided
at the polling place. In one
box only resident qualified elec-
tors who own taxable property
and who have duly rendered the
same for taxation shall be
allowed to vote. In another
box all resident qualified elec-
tors (who are otherwise qual-
ified but do not own taxable
property which has been duly
rendered for taxation) shall be
allowed to vote. The votes cast
in each of said boxes shall
be recorded, returned, and can-
vassed in such manner as will
reflect separately the votes cast
by the qualified electors who
own taxable property and who
have duly rendered the same
for taxation from the votes cast
by all qualified electors (in-
cluding those who own taxable
property and who have duly
rendered the same for tax-
ation).

SECTION 6: That a substancial
copy of this ordinance shall
serve as proper notice of said
election. Said notice shall be
posted in the election precinct
or precincts and at the City
Hall not less than fourteen (14)
full days prior to the date on
which said election is to be
held, and be published on the
same day in each of two suc-
cessive weeks in a newspaper
of general circulation in said
City, published therein, the first
of said publications to be made
not less than fourteen (14) full
days prior to the date set for
said election.

SECTION 7: That the public
importance of this measure and
the fact that it is to the best
interest of the City to submit
the propositions to the voters
of said City, at the earliest
possible date, constitute and
create an emergency and an
urgent public necessity for the
immediate preservation of the
public business, property,
health or safety and providing
for the usual daily operation of
a municipal department, re-
quiring that the rule requiring
ordinances to be passed, read
and voted upon at three regular
meetings of the Board be sus-
pended and requiring that this
ordinance be passed and take
effect as an emergency measure,
and such rule is accordingly
suspended, and this ordinance
is passed as an emergency
measure and shall take effect
and be in full force immediately
from and after its passage and
it is so ordained.

PASSED AND APPROVED,
this 5th day of September,
1972.

Billy J. Smith, Mayor
City of Burkburnett, Texas

Lahoma Wood, City Secretary
City of Burkburnett, Texas
(City Seal)

AN ORDINANCE by the Board

BE IT ORDAINED BY THE
BOARD OF COMMISSIONERS
OF THE CITY OF BURKBUR-

Bond Issue

drilled enough wells last year
to add an additional 425,000
gallons of water a day to our
supply" stated Bean. This
figure should have been more
than enough with the previous
production capabilities to supply
Burkburnett with the 2.5
million gallons of water it uses
daily, but it wasn't.

"We've run out of places to
drill wells and we're running
into diminishing returns with
the wells we have drilled,"
stated Bean. "Tests show now
that when we drill a new well
it only draws from another well
and further diminishes re-
turns."

Council members agree with
Bean that the only feasible way
to eliminate the water shortage
for Burkburnett is to tie on
with a permanent water supply
and that the most logical one
at this time is definitely Wichita
Falls.

How will the project be fi-
nanced and how much is it
going to cost Mr. Average Cit-
izen?

The total water improve-
ment project which included
the transmission line to Wich-
ita Falls, a loop of the water
system from Kramer Rd. to
West Third and the construc-
tion of a one million ground
storage is expected to cost
the City an estimated \$700,000.

The loop, mentioned above,
will provide water feeding lines
into the West Third area from
both ends. At present the
water supply in that area comes
only from the downtown storage
tank and due to the under size
of the line down West Third,
the pressure in that area has
dropped more than other areas
of town. The loop of the water
supply there should eliminate
the low pressure and provide
the citizens there with ample
water.

The money will come from
the sale of Revenue Bonds.
The money needed to retire
these bonds will come from
water and sewer revenue and
NOT taxes. The money needed
to pay out the \$125,000 sewer
bonds for the proposed sewer
improvement project will also
come from the water and sewer
revenue and NOT taxes.

Thus, an increase for most
citizens in both sewer service
and water rates are a must, if
the bond issues pass.

How much of an increase?
Persons using the minimum
amount of 2,000 gallons of water
per month won't receive any
increase in their rates. "We
will keep the minimum rates
the same as they are now for
the benefit of our older citizens
and fixed income citizens,"
stated Bean.

Others using over this mini-
mum amount can expect an
increase of 6% based on 3,000
gallons and up to 38% based on
the consumption of one million
gallons per month. This figure
represents an average of 25%
increase in the gross monthly
revenue in water sales which
will go toward the retirement
of the revenue bonds. An ex-
ample of the proposed increase
would be an increase from \$4.50
per month to \$5.00 which is a
10% increase for a person that
uses 4,000 gallons of water. A
person using as much as 10,000
gallons of water would see his
monthly \$7.25 water bill rise
to \$9.50 which is a 23% increase.
An anticipated rate increase
of 25% is expected on the sewer
rates.

Bean pointed out the fact that
the City had applied for a fed-
eral grant that he was hopeful
would pay one-half of the total
\$700,000 cost of the water pro-
ject. If the City receives the
grant then only one-half of the
total amount of the revenue
bonds will be issued and that
the rate increase on water ser-
vice would also be lower than
the above estimated increase.

The sewer improvements
bonds for \$125,000 are for the
construction of a new sewer
plant adjacent to the present
facility and the updating of the
present plant. This \$125,000
figure represents the city's 45%
share of the total project. The

Obituaries

Vincent Edward McCourt

Services were held recently in Saint Jude Catholic Church here
for Vincent Edward McCourt, 48, who died last week.

McCourt was born May 8, 1924 in New York. He was a seaman
and World War II veteran.

Survivors include his wife, Barbara of the home; and two sisters,
Mrs. Elaine Von Flatern of Altus, Okla. and Mrs. Dorothy Mc-
Govern of Florida.

Texas Water Quality Board
through a state grant is paying
the remaining 55% of the total
project.

The present sewer plant is
not able to meet the rules
and regulations that have been
raised and strengthened by the
Texas Water Quality Board
through the past few years.
The City of Burkburnett is
therefore being forced by this
board to construct a new sewer
plant where by the City's sewer
can meet all the proper require-
ments of the new clean water
regulations, etc.

"If we don't construct such
a plant," reported Bean, "the
TWQB can come in and fine
us as much as \$1,000 a day un-
til we build a plant that will
meet all their requirements."
He further stated that if the
revenue bond issue pertaining
to the sewer improvement failed
that the TWQB could force the
city council to build the new
plant and finance it with Gen-
eral Obligation Certificates
through one of two federal agen-
cies, which is a more expen-
sive route than the Revenue
Bonds would be if voted by the
people.

A federal agency, the En-
vironmental Development As-
sociation, through their con-
nection with the Texas Water
Quality Board dictates that cit-
ies the size of Burkburnett can
have a sewer plant in only one
location. Thus, in order for
the city to receive the 55%
grant for the new sewer plant
the plant had to be constructed
adjacent to the existing plant.

Voters will get a chance to
approve or vote down each of
these bond issues in a special
election Tuesday, Sept. 26. All
citizens of Burkburnett, prop-
erty and non-property owners
alike, may vote in the election.
Briefly, the \$700,000 water
bond issue would provide a
permanent water supply to
Burkburnett to eliminate the
water scheduling it has experi-
enced the last several years.
The cost to the average citizens
of issue would be nothing if he
used the minimum of 2,000 gal-
lons of water and citizens using
over this rate could expect a
graduated increase based on
consumption in their water
rates.

The \$125,000 sewer bond is-
sue provides for a new sewer
plant and the repair of our ex-
isting plant. The construction
of his new plant will have to
be done to comply with the
new state regulations. The
cost to each citizen on this
issue will be approximately 25%
in his sewer rate.

The both issue the bonds
are Revenue Bonds, therefore
they have NO effect on the
taxes of the City of Burkbur-
nett.

Mr. And Mrs. J.L. Caffee To Be Honored On 50th Wedding Anniversary

Mr. and Mrs. J.L. Caffee will celebrate their 50th wedding anniversary with a reception given in their honor Sunday from 2 until 5 p.m. at 905 Tejas Drive. Friends and relatives are cordially invited to attend and the family requests no gifts please.

Hosts will be their children, Mr. and Mrs. Bill Vincent of Burkburnett, Mr. and Mrs. Charles Caffee of Wichita Falls, and grandchildren, Mr. and Mrs. Jerry Dennis of Corpus Christi, Debbie Vincent, and Jon Caffee.

The couple were married in Ralls, Texas September 17, 1922 and have lived at their present address since their marriage. They have been active in First United Methodist Church, civic clubs, and community affairs. Caffee worked in the U.S. Post Office in Burkburnett for nearly 40 years serving as assistant postmaster from 1943 until his retirement in 1960.

Revival Slated By Local Church Group

The First Assembly of God Church, College and Avenue "B", will conduct a revival meeting September 17 through Oct. 1. Services will be at 9:45 A.M. and 7:15 p.m. on Sundays, and 7:30 P.M. each week night except Monday, Sept. 25. On this night the local church will cooperate with a sectional Youth Rally in Wichita Falls.

The evangelist will be the Rev. Kern Choate, former youth director of the Wichita Falls Section of the Assemblies of God.

The pastor, John Hocker, invites all to attend.

Contemporary Study Club Begins Year

The Contemporary Study Club opened their 1972-73 club year with a western round-up and chuck wagon dinner in the home of Mrs. Robert Norriss with Mmes. Frank Miller, Harry Elliott and Edward Richter of the year book committee as co-hostesses.

Invocation was given by Mrs. Tom Smith.

After the dinner, Mrs. Edgar Fulcher, president, called the meeting to order with the club collect. During the business session, Mrs. Bill Pittard gave a report on the Community Service Council and the club voted to make a donation to the Council and to support the auction to be held later in September.

Mrs. Harry Elliott, year book chairman, handed out new year books. The theme for the new year is "Our Heritage". The course of study for the new year is "Yesterday in America." The club will become involved in many different projects throughout the year.

Mrs. Dan White presented the program, "The Liberty Bell." She gave the history of the bell and told of the historic times the bell had been rung.

Secret pals were revealed and door prizes were won by Mrs. Tom Smith, Mrs. F.T. Feltz, Jr., Mrs. Don Brookman, Mrs. Harry Elliott and Mrs. Cliff Wampler. Mrs. Mary Loy Herrod and Mrs. James Cunningham were special guests.

Mrs. Hodge (Miss Solis)

Miss Elisa Solis - Melvin Hodge United In First Baptist Church Chapel

First Baptist Church chapel was the setting recently for the exchange of wedding vows by Miss Elisa Solis and Melvin Eugene Hodge.

Parents of the couple are Mr. and Mrs. Jose M. Solis, Lamesa; and Mr. and Mrs. Frank M. Hodge Sr.

The Rev. Lamoin Champ, pastor, officiated. The church was decorated with candelabra and baskets of white gladioli and greenery.

The bride, given in marriage by Dr. Joe Wells of Wichita Falls, wore an empire style gown of white smocked violet trimmed in crocheted lace. Her illusion veil was held by a lace headpiece trimmed with seed pearls and she carried daisies, sweetheart roses and baby's breath.

The groom's parents were hosts for the rehearsal dinner at Underwood's.

Out of town guests were: Mrs. Jose Solis, Lamesa; Mrs. Albert Rios, grandmother of the bride of San Antonio; Mrs. Ester Solis, San Antonio; Mrs. Billy Myers and Stephanie of Wichita Falls, Mr. and Mrs. John Fryer, Fairfield; Mr. Robert Rusk; Mr. and Mrs. George Scruggs; Mrs. Tommy Dean, Ralph Sterle, James Elio, Mike Cecil and Carmen Garriga, all of Wichita Falls.

The couple will live in Wichita Falls. She is employed by the City of Wichita Falls and the groom is employed by Town and Country Mobile Homes, Inc. He attended Stephen F. Austin University and Data Training.

The bride's parents gave a reception following the ceremony in Fellowship Hall. They were assisted by Mmes. Tommy Dean, James Elio, Ralph Sterle and Mike Cecil.

Campaign Caper To Head Meet

Campaign Caper, the annual September Hand-of-Friendship Tea for Boontown Chapter ABWA, will be held Sunday afternoon from 3 to 5 in the Reddy Room of the Texas Electric Building at 3rd and Avenue C. Barbara Hamilton is campaign manager and Hazel McCullough is her aide. Local women in business and education are invited via letter to attend and learn about ABWA and its benefits.

Nancy Jefferis In WAC Course

Nancy R. Jefferis, daughter of Mr. and Mrs. H.R. Jefferis, recently joined the Women's Army Corp., receiving a direct commission as a 2 Lt. The oath of office was administered at the WAC recruiting headquarters in Dallas. She is based at Ft. McClellan, Alabama, for five months of schooling in an Officer Training Detachment, WAC Officer Basic Course.

In recent correspondence Lt. Jefferis notes that she is kept almost too busy, but is enjoying it in spite of the long hours and hard work. The classes are in military leadership, effective writing, effective oral communication, unit administration, organization of Dept. of Defense, and officer indoctrination (military customs and courtesies). "Much time is also spent in drill and command, better known as marching," she reports. Thus far she is quite enthusiastic about an Army career.

Graduation is set for Dec. 15 with perhaps "a leave" home before assignment of duty. She sends greetings to all her friends in Burkburnett and mentions that all mail is welcome, though she has little time for correspondence.

Model Meeting Held By Theta Epsilon Chapter

Theta Epsilon Chapter of Epsilon Sigma Alpha met Monday night, Sept. 11, 1972 for a model meeting in the home of Clodella Bridges.

President, Helen Eaton gave the opening ritual and presided over the meeting in which Mrs. Bridges was presented with the fourth degree Pallas Athene Award, one of the highest honors a member can obtain.

Kathlene Brammer, chaplain, gave the opening thought. Each member described her duties for the benefit of guests. Chapter Yearbooks were given to the members.

Formation of a VIA (Vision and Imagination in Action) chapter was discussed. This is an organization for high school girls, 14-18 years of age who are interested in participating in worthwhile civic endeavors, volunteer work at the nursing homes, etc. Helen Eaton has been appointed District VI Youth Coordinator.

Frankie McClurkan, formerly from Epsilon Tau chapter in Grandfield, Oklahoma paid dues and was reinstated to Theta Epsilon Chapter.

The "Scope of E.S.A." was given by Helen Eaton.

Guests for the evening were Frankie McClurkan, LaDonna Sheperd, Joan Higgins, Bonnie Minor and Louise Newton. Seven members were in attendance.

Lutheran Meet Recently

Grace Lutheran Missionary Society met recently for their business meeting. The meeting opened with a hymn and Mrs. Kenneth Frieling led the opening prayer.

After the standing committee reports were made the group planned their Christmas bazaar to be held in December.

The group decided to start collecting cancelled stamps to be given to missions, and trading stamps to be sent to the Good Samaritan Home for a bus.

Mrs. Chester Lasley presented the program "Thanksgiving in Thanksgiving."

Mrs. Frieling served the refreshments to Pastor Lindeman, eleven members and three visitors.

The meeting closed with the Lords Prayer.

Make sure the light is right.

Look for a study lamp with this tag.

Lamps that carry these tags have met the rigid specifications of the Better Light Better Sight Bureau and the Illuminating Engineering Society.

This means they'll distribute abundant, even light over the entire study area. A special diffuser prevents the reflected glare and

distracting shadows that cause eye fatigue.

These lamps are available in a variety of attractive styles and colors.

Don't make your child's homework any harder than it is—select an approved study lamp at your dealer's today.

Large Group Attends Convention Here Sunday

The West Texas Firemen and Fire Marshals Association held its 79th Semi-annual meeting in Burkburnett Sunday. After a morning of registration, pre-program entertainment was provided by a local group sponsored by Pat Patterson. Patterson is a member of the local Volunteer Fire Department.

The meeting was opened at 1:30 p.m. in the new Community Center with invocation by Clark Gresham, chaplain. Billy Mize was emcee for the program and Renc McCallless gave the welcome address. Cletus Alexander, the Association President from Archer City, gave the response. Guests were introduced and among them were Sidney Smith, Civil Defense coordinator of Wichita County, Richard Odum of Wichita Falls and Ben Leward of Fort Worth.

Highlight of the program was an address by the main speaker, Lee Herring, Grand Prairie State Bank, Grand Prairie, Herring stated that he had been a volunteer fireman for 24 years and that the reward or payment is in the fact that you had served your fellow-man in a time of need.

The Burkburnett Fire Department gave away many prizes donated by local merchants. The idea of securing a local training school in Wichita Falls was passed and Bill Broyles, Training Chief of Wichita Falls Fire Department, was elected to be the authorized representative of the group and to be a liaison officer between the group and Texas A&M College.

Roll call was won by Archer City followed by Seymour and Holliday. The spring meeting in 1973 will be held in Archer City in May and Munday will host the fall meeting. Olney won first place in the 6 man pumper hook-up and Holliday was second. Archer City took first in the 6 woman pumper hook-up and Olney second. In the 2 man hose hook-up Olney won first place with Munday second. Archer City was first

in the 2 woman hose hook-up contest and Holliday second. In the men's water polo Archer City won first place again and Holliday came in second. Archer City won first place in the women's water polo and Holliday was second.

Retiring president Cletus Alexander thanked the Burkburnett Fire Department for a good convention and invited everyone to be in attendance at the Spring meet.

Burk School Board Hear Routine Reports

The Burkburnett School Board met in regular session Monday night with what proved to be an unusually short agenda.

Approving the employment of 18 faculty members and granting three leaves of absence was the first action taken by the board.

Employment was approved for Marlene Babinsky, Pamela Beard, Beverly Brown, Nancy Burk Timothy Clipson, Richard Cook, Donald Hogson, Cheryl Cox, Donna Eggen, Sue Guinn, Linda Lyles, Ben Martin, Sharon Martin, Zella Parrish, Roy Sitzman, Janice Vincent, Linda Vinson and Jean White.

Leaves of absence were granted to Diane Carper, Judith Mandigo and Cheryl McKinnon.

Camp Fire-Blue Birds To Organize Tonight Here

The Camp Fire Girls will organize groups for Camp Fire and Blue Birds tonight at 7:30 p.m. The meeting will be held at the National Room in the First National Bank of Burkburnett.

The Camp Fire Girls program was organized in 1910 and is for girls of all races, religions, national origins and economic backgrounds from the age of six through high school.

The program, through a variety of constructive character building experiences, helps girls grow, discover themselves, their community and their nation as well as individuals and their uniqueness.

Camp Fire Girls have been serving the Wichita Falls Area since 1925.

Bill Hursh, president of the Camp Fire board of directors, will be present along with several other board members. Mrs. Donnie Park is the membership chairman in the Burkburnett area.

If you are interested in Blue Birds or Camp Fire Girls for your daughter or your community, please be present at this meeting.

In other action, the board agreed to advertise for bids for a 11 1/2 ton truck with dump attachment for use as an alternate maintenance vehicle.

The board approved purchase of a new air compressor for the auto mechanics class. They also approved the sale by bid of a 1962 Dodge 60-passenger bus, 1962 Chevrolet 54-passenger bus, and a 1952 stake bed truck.

It was also decided to transfer \$75,000 in certificates of deposit from the operating fund to the regular building fund.

Pearson announced that Burkburnett will host the area school masters October 11.

Circle 11 Meets In Shrum Home

Circle two of First Methodist W.S.C.S. met Monday in the home of Mrs. S.H. Schrum. Meeting was called to order by the chairman, Mrs. Howard Henderson. Mrs. Mallett gave a report on the North Texas Annual Conference of W.S.C.S. to be held in Sulphur Springs on September 27. Mrs. Mallett and Mrs. Bertha Mitchell will attend. The lesson was brought by Mrs. G.G. Scruggs. Refreshments were served to eight members.

Ruling Given On Death

Suicide by self-inflicted gunshot wound was ruled by Dr. James T. Cook, assistant Wichita County medical examiner, in the shooting death Wednesday night of Vincent Edward McCourt, 48, of 1401 Sheppard Rd. Police Chief Buck Abbott reported that McCourt had been shot in the right temple with a .32 caliber pistol. Burkburnett police were notified at 7:10 p.m. by McCourt's wife. No autopsy was ordered in the incident.

In other action the local police investigated a complaint of malicious mischief in the Williams Drive area Monday. Also that same day, United Supermarkets reported the theft of a small amount of produce.

John Gill reported to police Friday that someone had stolen a shotgun from his vehicle. Police only investigated three traffic accidents this past week. The first being on the Jiffy Parking lot in the 900 block of Sheppard Road involving a 1966 Chevrolet driven by Lawrence A. Washington of 600 Floyd and a 1964 Chevrolet driven by Joe Nieto of 411 Vaughn.

The second accident of the week occurred Saturday in the 200 block of Harwell Street. Involved in the incident were a 1958 Buick which was parked and a 1961 Chevrolet driven by Kenneth E. Howard of 702 E. First.

The last accident occurred Monday in the 700 block of Third. Involved in the accident were a 1962 Lincoln driven by Wilfred F. Braley of 1001 Beverly and a 1964 Volkswagen driven by Tom Posey of Douglasville, Texas.

Bulldogs Blast DeSota With Whopping 34-8 Win

by Sedelta Verble
Racking up a 34-8 victory over the DeSota Eagles the Burkburnett Bulldogs could do no wrong last Friday night. With 300 rushing yards and 89 passing yards, the Bulldogs dominated the entire game and

dashed any late hopes the Eagles had to score more than one touchdown. Quarterback Sam Hancock set up the first touchdown ending a 66 yard drive in 6 plays with a 5 yard keeper in the first quarter. Rocketing a pass

to number 23, Zac Henderson, Hancock again belted the ball across the goal line for the second touchdown. A conversion brought the score to 14-0.

Hot and heavy second quarter action continued as Rick Bradley, 44, ripped the Eagle offense open with a 61 yard six pointer, while Alex Koulavatos broke loose for a 61 yard touch down to lead the Eagles 28-0. Benny Wilkerson turned on the juice to slide through Eagleland for an 80 yard touchdown chalking up a 34-0 half-time score.

The Bulldog's stingy defense tolerated only 9 yards of rushing and 3 first downs in the first half. Allen Fournier and Bill Snowden kept a solid defensive line which obliterated Eagle offensive plays.

In third quarter play with the Eagles determined not to be shut out, DeSota ran a 25 yard touchdown followed by a conversion. The powerful Bulldog defense resisted the Eagles twice within 20 yards of scoring until the offense could run out the clock with 14 plays. Rick Bradley emerged as top rusher for a gain of 105 yards in 6 carries.

The Bulldogs finished fourth quarter action, ending their complete control of the game since the first kick-off. In all the mighty offensive running attack blasted across the goal line for seven touchdowns.

MONDAY -- Hot beef sandwich on bun, tater tots, pickle circles, seasoned mix greens, butter, milk, chilled fruit.

TUESDAY -- Hamburger, bun, onion, pickle, mustard, french fries, lettuce and tomato, butter, milk, chocolate cake.

WEDNESDAY -- Ground beef and spaghetti, buttered peas, carrot sticks, bread, butter, milk, spiced apple.

THURSDAY -- Corny dog with mustard, seasoned blackeyed peas, cole slaw, bread, butter, milk, cookies.

FRIDAY -- Fried chicken with chicken gravy, green beans, whipped potatoes, hot rolls, butter, milk, jello with whipped topping.

Troop 155 Holds Summer Scout Of Honor Program

Scout Troop 155 held its summer scout-of-honor Aug. 26 at 7:30 p.m. on the First United Methodist Church lawn. Robert Hunter, advancement chairman, was in charge of the event in which thirty one scouts received awards.

The Tenderfoot award was presented to Ralph King, Brian Roark, Mark McKinnis and Tom Lindborn.

Receiving the Second Class award were Ronnie Schrage, John Dixon, Kenneth Prince, Kenin Prince, Joe Lay, DeWayne Rooney, and Jimmy Boardman.

First Class awards went to Mark Miller, Melvin Antee, Chris Thomas, Randy Goettman, and Michael Richter.

Receiving the Star Awards were Roger Dempsey, David Miller, and Scotty Arthur.

Ricky Sjolin and Brian Blankenship received Life awards.

Merit badges ranged in subject areas from camping to citizenship in the home to fishing and lifesaving.

Ice cream and cake was served to the more than 100 guests and scouts following the awards presentation.

Woods & Waters

By Mike Gaines

Well, the mountains of Colorado were beautiful, but it's nice to be back. We had a good time but deer were rather scarce. Gary Bowen was the only one to score; he got a porcupine the third day we were in Colorado. Now if I can just convince myself there's always next year, I'll be alright.

From the reports I've had this week the dove hunting has more than equaled all predictions. I have been advised that the following locals all got their limits last weekend. They were T. M. Cornelius, B. H. Alexander, Jr., Dale Lewis, Jerry McClure, Floyd Martin and Gene Robertson.

According to T.M. Cornelius, there was no doubt that Fred Allen Eastman and Jim Goff both easily got their limits. But one of them (and I don't know which one) got a Taystee bread man. I don't know if

there is an open season on them or not.

Some people have been having trouble with game officials during the first part of the season. Please remember that it is illegal to shoot from a roadway and you must have permission to hunt on private land.

It is also illegal to bait or hunt over baited areas. This does not include standing crops, flooded standings or harvested crops, grain properly shocked in the field where it was grown or grain scattered as the result of normal agricultural practices.

Migratory birds may also be hunted by falconry and long bows and arrows if you wish to try it.

I think I'll stick with my 20 gauge for Doves if you don't mind.

GOOD HUNTING!

Midget Football In Campaign

The Burkburnett Midget Football League is sponsoring a money-raising campaign to be used for equipment and for league operation for the 1972 season. The campaign will come to a climax at half-time on September 19 in the game between the American Oilers and American Eagles, and National Oilers and National Eagles. Everyone is invited to assist in this campaign.

Red Cross Course Set

A Red Cross First Aid Instructor's class will be conducted in Wichita Falls in the near future. The class will be held in the evening and the only requirement for enrolling is that a person have a current Advanced First Aid card. Anyone interested in taking this course to teach conventional standard and advanced first aid should call Mrs. Owen at the Red Cross, 322-8686, as soon as possible.

The Premiers

Breakfast Kicks Off New Study Club Year

The Jr. University Study Club gathered recently for their first meeting of the new year. A breakfast was served to members in the Bounty Room at the Trade Winds in Wichita Falls.

Organized in 1946, the members decided this year to choose a nostalgic theme, taking programs from previous yearbooks for a course of study "Then and Now".

President Dorothy McCandless presided over the meeting in which 20 members were present. An outline of the year's

projects was discussed and presentation of the yearbooks was made.

Officers for the 1972-73 year are Mesdames Reid McCandless, president; Zac Henderson, vice-president; Bill Vincent, recording secretary; Floyd Martin, corresponding secretary; Irv Smith, treasurer; B.H. Alexander, Jr., reporter; W.C. Koller, historian, and R.D. Hatcher, parliamentarian.

Nineteen members were present and are looking forward to a new Club year.

Burk High School Choir Selects Officers

Look Who's New

The 1972-73 Burk Burnett High School Choir elected officers this week. Officers elected were: President, Terry Waller, vice-president, Greg Eastman, secretary - treasurer, Traye Young, librarians, David Schroeder and Joyce Petty, reporters Rachel McDonald and Letha Dawson.

The 57 member choir is presently working on a program to present to the local service clubs. Ted James, band director in the school system, is choir director this year.

Rev. and Mrs. Charles Galloup of Star Route, Truscott, Texas, announce the arrival of Martha Louise, on August 21. She weighed 6 pounds, 1 ounce. She has a brother, Paul Andrew. Her grandparents are Mr. and Mrs. Seeley Galloup of Burk Burnett and Mr. and Mrs. J.N. Yeakley of Wichita Falls.

Arllis Avery, lead singer and emcee; Rick Hartsfield, first tenor; Bill Ward, bass; Herb Henery, baritone and pianist; Dwayne Gaffey, drummer, and Keith Dowdy, bass guitarist. The pastor, John Hocker, invites all to attend this special night of gospel singing.

The personnel consists of pel hits along with their unique arrangements of favorites from years past. Many of their songs are composed by members of the group.

The premiers perform in churches, civic and school auditoriums, along with prisons and youth authority schools. They travel to their engagements in their private bus, which is equipped with living facilities.

Assembly Of God To Sponsor Gospel Music Concert Tonight

The First Assembly of God Church, College and Avenue "B", will sponsor a gospel music concert Thursday, September 14, at 7:30 p.m. with the Premiers. This is a group of young men which has become a favorite among gospel music fans on the West Coast. The Premiers consist of six fellows who combine their talents to present gospel music in a style that appeals to people of all ages. The repertoire of the group consists of current gos-

Local Skaters Bring Home Fourteen Trophies

Fourteen trophies were won by the competitive skaters of the Orbit Skate Club. Twenty-six members from Burk Burnett and Wichita Falls attended the Labor Day Meet held at the Irving Rollarena, Irving, Texas. Cathy Thomas and David Brown won 2nd in Freshman Dance, Denise Fulcher and David Miller, 3rd in Freshman Dance, Evelyn and John Elam, 3rd in Esquire Dance, Darrell Brown, 1st in Sub-Novice Boys Figures, Denise Fulcher, 3rd in Freshman Girls Figures, Lee Ann Thomas, 1st in Novice Ladies Figures, David Miller, 1st and Darrell Brown 3rd in Freshman Boys Figures, Judy Long, 3rd in Esquire Ladies Figures, Denise Fulcher, 3rd in Ladies Open International

Figures and David Miller 1st in Mens Open International Figures. Skaters eligible to skate in semi-final and final events were Patricia Cox and Kevin Brown, Elementary Dance; Denise Fulcher, Sub-Senior Ladies Figures; Mark Miller, Sub-Novice Boys Figures; David Miller, Sub - Senior Mens Figures; Cathy Thomas, Freshman Girls Figures and Patricia Cox, Girls Solo "A" Dance.

Other skaters attending the meet were Barbara Call, Robert Gibson, Terry and Veleta Houk, Benny Ketchem, Donna Lewis, Anne and John Rice, Darlene Ryburn, Bill Savage, Robin Wampler, Barbara and Brenda Webb and Cathy Willis.

Burkburnett Study Club Holds First Meeting

The Burk Burnett Study Club held the first meeting of the year at the Woman's Forum in Wichita Falls. Hostesses for a brunch honoring new officers were Mesdames Glen Bear, Philip Carpenter, Raymond Morse and Francis Raines.

The invocation was given by Mrs. Raines.

Roll call was answered with members giving their impressions of other lands. The president, Mrs. Morse, welcomed the members and guests and presented her aims and hopes for the year. She suggested that all members be aware of self, each other, and an awareness of the needs of the Community and World Community will grow from that.

Mrs. VanLoh, chairman of the finance committee, announced plans for "An Attic Treasure Sale" to be held in October. Funds from the sale will be used to finance the community projects of the club.

The course of study will be Concerned Women: Our Responsibilities to Public and International Affairs."

Mrs. Charles Skelton presented an interesting program about Women's Clubs in Other Lands.

The meeting was closed with the reading of the club collect. Special guests were Mrs. Jack Mathis and Mrs. Carl Morrison. Fourteen members were present.

Hand Of Friendship Tea Planned By ABWA

The Boomtown Chapter of the American Business Women's Association will hold its Hand of Friendship Tea, September 17, at 3 p.m. in the Texas Electric Reddy Room, according to Mrs. Valree Math-erly, the chapter president. The Tea is a membership

event held semi-annually to introduce the organization and the local chapter to business women in this area. At the same time, similar events will be held across the country by all ABWA chapters.

The chief function of ABWA is to help women in business

advance through education, increase competence and upgrading of professional skills and business attitudes.

The Tea will be highlighted by a program entitled "Campaign Capers" featuring chapter members and local youth talent.

Loy Gulley, Jr., Administrator

FROM THE DESK OF LOY GULLEY:

The two most prevalent questions asked about Nursing Homes are who are residents and what is their length of stay? Anyone who is at least 14 years of age, ambulatory and non-ambulatory, has a physician certify that they do not have a communicable disease, not harmful to themselves or other guests, not currently alcoholics or drug addicts, or require the direction, observation and professional activity of a Registered Nurse may be admitted to a Nursing Home. Nursing Homes can only admit guests who can be treated safely and adequately within the limitations of licensing requirements. If the guests requirements should be of such a complex nature that skilled nursing techniques or intensive medical therapy is required, the Director of Nurses, Administrator, or patients Physician may request that the patient be moved to a hospital. Length of stay may vary from just a few days to a permanent type residency. While recuperating from a short-term or long term illness, stop-over between hospital and going home, while the family is on vacation or temporarily away from home, or during a period when domestic help cannot be found are good examples of a short term or limited stay in a Nursing Home.

Guidelines of Life

LAMOINE Champ, Pastor, First Baptist Church

Man in his pride desires to be his own god. In the encounter that Eve had with the tempter, the devil said, "you shall be as gods." In Isaiah 14:12-14, we find that five times Lucifer said "I" in his heart. In 1 Timothy 3:6, Paul warns a bishop that he must not be puffed up with pride.

We are proud of our education, our physical prowess, our accumulation of money and our scientific accomplishments. We use prayer only as a means of getting what we want or of getting out of difficulty. We fail to worship God or to thank Him for His blessings. James tells us that every good gift is from God.

Proverbs 16:18 says, "Pride goeth before destruction, and an haughty spirit before a fall." The psalmist said, "The fool hath said in his heart, there is no God."

In Luke 18 we find the Pharisee bragging on himself with the use of the word "I". The publican humbly cried unto God for mercy and forgiveness. Jesus tells us that the sinner who called upon God was forgiven and made right with God.

While men in their pride and greed are striving for dominion over the earth, Jesus says, "Blessed are the meek; for they shall inherit the earth." Men who play God by running their own lives, lose all in the end. Others humbly confess their sins and their dependence upon God and thereby find forgiveness, peace and purpose. The God who made us is good and merciful. Man finds himself when he lets GOD be GOD in his life.

Am. William T. Ursurey Brings Nashville To SAFB

SHEPPARD AFB, TEXAS--The "Nashville Sound" has found its way to Sheppard in the form of Amn. William T. Ursurey, a talented young songwriter and producer from the Tennessee music capitol.

Airman Ursurey recently completed basic training and is a student in the 377th Student Squadron.

The son of a Baptist preacher, he started playing the piano by ear at an early age. "I can play all the string instruments but the piano is my first love," he said.

While performing in a talent show as a senior in high school, Airman Ursurey took first place. The prize was a four-year scholarship to Belmont College in Nashville. The first step toward a musical career.

Asking him what helped him win the show he said, "I performed songs similar to Elton John who at the time was a popular performer. I also performed some of my own writings and I guess it pleased the judges."

While at Belmont winning contests didn't stop. He obtained a five-year exclusive contract with Three International Music Publishing Co. "It was quite an honor to be approached by them since they publish songs for groups like 'Three Dog Night,' 'The Carpenters' and 'Roger Miller,' Airman Ursurey proclaimed.

Rising to the position of stardom in the entertainment field is not usually done overnight and Airman Ursurey was no exception. He lived in a small apartment in Nashville performing local jobs at coffee houses and bars.

"I guess the biggest influence in my song-writing career was Jim Hurley who is a talented writer himself. He gave me the encouragement I needed and at the right time, when the chips were down," he said with

great admiration.

The talent was there and the only thing to do was wait.

The Lawrence Welk show gave Airman Ursurey his break. "I traveled with a quartet from the show. We played for concerts and things like that. It wasn't the same type of music you hear on the Lawrence Welk show," he reminded me quickly, "we played all kinds from jazz to rock."

With the draft breathing down his neck and a wife and small child to support Airman Ursurey made his four-year commitment to the Air Force.

While taking basic training at Lackland AFB, Texas, Airman Ursurey auditioned for the Air Force Band. "I made the qualification but was hesitant in going into the field. I joined so I could learn something other than music in case my voice or hands ever go on me," he said.

Even while in the Air Force Airman Ursurey has compiled

quite an impressive musical record. I played at the Skylark Club by myself and with the Ding-A-Ling Sisters," he said. "I guess they liked me. I played one song that I wrote about a guy who enters the service and has to go to Vietnam and fight a war he doesn't understand. The military man can identify with it and everyone seemed to enjoy the song," he explained.

Now that Airman Ursurey is here in Wichita Falls his engagements are limited to small parties and social affairs. "I left the union so I can't perform at any big engagement, just enough to keep my hand in the business so to speak," he said laughingly.

"While I am in the Air Force I plan on entering the Air Force Talent Contest. If I win I don't think I will get another four year scholarship for my talent. One hitch ought to be enough," he said with an amused look on his face.

SHEPPARD AIR FORCE BASE

150 Bachelor Airmen Living Off Base Recalled To Base Quarters

SHEPPARD AFB, TEXAS--Approximately 150 Sheppard airmen who have been living "off base" will be recalled to the base the first of October.

These bachelor airmen, all of sergeant (E-4) grade, have had the privilege of living off base and collecting basic allowances for quarters. Now that there are surplus bed

spaces in Bachelor Enlisted Quarters at Sheppard, due to new construction, this privilege has been withdrawn.

These persons may continue to live off base; but must do so at their own expense after Sept. 30. They are being recalled by rank and date of rank with the junior members being recalled first.

"We regret that this action

is necessary," stated Col. S.D. Berman, base commander, "but by law our beds must be filled before we can authorize payment of funds for the bachelor airmen to live off base."

Awards Night Held By Tops

SHEPPARD AFB, TEXAS--The Texas TOPS (Take Off Pounds Sensibly) held an awards night at their meeting Tuesday at Sheppard AFB's Chapel 5.

Those who received awards were Mrs. Tom Robinson, 20 pound loss charm; Mrs. Lonnie Wilkerson, 30 pound loss charm; Mrs. Ed Embury, July queen; and Mr. Pat Kelley, August King.

President of the TOPS, Mrs. William Harrison, gave a pep talk at the meeting.

Visitors are welcome, and those desiring information are asked to call 322-5964.

TSgt. Billy R. Noland To Serve On SASC Team

SHEPPARD AFB, TEXAS--TSgt. Billy R. Noland, an instructor supervisor at Sheppard AFB, will serve as a team member for the Southern Association of Colleges and Schools (SACS) for a visit to the Northwest Alabama State Technical Institute in Hamilton, Ala., Sept. 11-14.

Believed to be the first non-commissioned officer in the Air Force to be asked to serve in this capacity, Sergeant Noland will participate in the accreditation program of the Commission on Occupational Education Institutions.

In this capacity, Sergeant No-

land will evaluate that institution's aircraft maintenance program and also placement and follow-up of student graduates.

Sergeant Noland is assigned to the Instructor Training Branch of the Department of Transportation Training of the School of Applied Aerospace Sciences at Sheppard. This organization provides training for all technical instructors at Sheppard.

Base Loans Air Facilities

SHEPPARD AFB, TEXAS--Commercial airline passengers at the Wichita Falls Municipal Airport will soon be boarding and off-loading at Sheppard's Base Operations.

Beginning Friday, Sheppard will offer the use of its base operations so the city and the base can repair potentially hazardous ramps and taxi ways that both airports share. The work is expected to take two weeks to complete.

According to Maj. Eugene Grove, chief of operations and maintenance branch of the 3750th Civil Engineering Squadron, the work needs to be done, so it was decided to combine the projects. This method provides that the facilities of either organization do not have to be shut down more than once for these repairs.

Shuttle service from the Municipal Airport to base operations will be provided by the city.

Major Garove emphasized that commercial passengers will wait for their flights at the city's facility and will be boarded immediately upon arrival at Sheppard.

Two SAFB Sharpshooters To Compete In Florida

SHEPPARD AFB, TEXAS--Two Sheppard sharpshooters have been chosen to represent ATC in the First term division at the Air Force Rifle and Pistol Match to be held Oct. 8-16 at Tyndall AFB, Fla.

AIC John D. Peters and AIC Jerlak D. Newboles, both of the 3750th Security Police Squadron here, will attend Advance Marksmanship Training at Lackland, prior to the match. Airman Peters scored 1,800 out of a possible 2,000, for the highest qualifying mark of any first term airman in ATC. No slouch himself, Airman Newboles, shot 1,794 to rate as the second highest qualifying marksman.

From Monet, Mo. and Hutchinson, Kan., respectively, Airmen Peters and Newboles both came to Sheppard following completion of basic training, Security Police Technical School, and the Sentry Patrol Dog School.

Under the guidance of SSGT. Jim Burns, also with the SP Squadron, the sharpshooters have trained only a short time for the match. Both agree, however, that their qualifying scores have improved their chances of grabbing high honors.

Airmen Peters and Newboles will join AIC Robert Harris from Columbus AFB, Miss. and Amn. Jerry Rodriguez from Williams AFB, Ariz. to complete the first term faction of the ATC team.

Sheppard Receives Revised Wage Grade Pay Schedule

SHEPPARD AFB, TEXAS--The Department of Defense Wage Fixing Authority has issued a revised Wage Grade Pay Schedule for Sheppard AFB retroactive to August 20, 1972, according to Fred Davenport, civilian personnel officer.

This revision is an interim adjustment. It resulted from a change in the standard cutoff rate by the Cost of Living Council. Rates of pay for non-supervisory Wage Grades 1 through 3 and all Wage Supervisor Grades were left unchanged at this time due to the 5.5

per cent annual wage increase ceiling established at the current general standard under the President's Economic Stabilization Program.

Retroactive payments in those grades affected will be included in the Sept. 22, 1972 payroll checks.

The new schedule is not to be confused with the wage survey currently in process. Sheppard AFB will not have pay schedule results from the current survey for a number of weeks.

FARM REVIEW

Ways Rural Ministers Can Perform More Effectively To Be Meeting Topic

"The Bold New Challenge in Town and Country Churches" is the overall theme of the 27th annual Town and Country Church Conference Oct. 12-13 at Texas A&M University.

Program Chairman David Ruesink, sociologist for the Texas Agriculture Extension Service, said discussions will center on ways rural ministers can perform more effectively in today's fast-changing rural scene.

Activities start with registration at 8 a.m. in the Memorial Student Center. Keynote speaker is Dr. Bardin Nelson, A&M sociology professor. His subject is "Systemic Analysis of the Challenge."

Other topics are "Managing Time and Resources," by Kenneth Wolf, Extension economist-agribusiness; "Pastoral Counseling," Kenneth Pepper, director, Pastoral Counseling Center, Greater Dallas Council of Churches; and "The Changing Scene," James Copp, A&M's head of the Sociology and Anthropology Department.

Also, "The Home and the Family in the Changing Scene," Florence Low, Extension Service assistant director for home economics; "The Texas Agricultural Extension Service Can Help You with Community Resource Development," Daniel C. Pfannstiel, Extension Service associate director; and "Just Don't Stand There," by Reagan Brown, Extension sociologist.

A banquet is set for 7 p.m. October 12 at which Charlie Scruggs, executive editor of "The Progressive Farmer" magazine, will present the Rural Minister of the Year Award. Banquet speaker is Will Erwin, deputy under secretary for rural development, U.S. Department of Agriculture.

The non-denominational conference is planned by a committee of inter-denominational ministers and the Town and Country Church Committee of A&M. It is sponsored by the Texas Agricultural Extension Service and the Texas Agricultural Experiment Station, and is conducted by the A&M Department of Agricultural Economics and Rural Sociology.

Ruesink said rural and small town ministers have found the conference to be unique and helpful. Ministers of all faiths are invited to attend.

County HD Agent

Joyce Smith,
Wichita County Home
Demonstration Agent

September has arrived and Home Demonstration Clubs are meeting again. Plans and preparations are being made for a good year. Council and officer training will be September 19 to help prepare for the new year.

Mrs. Clarence Payton, Mrs. R. A. Gilbert and Mrs. Cad Bryant were among those representing Wichita County at the dedication of the new Research and Extension Center in Vernon.

Make the most of your food budget money—read and compare newspaper grocery ads.

Stores spend time and money on full page advertisements. Why do this? The grocery business is very competitive; each store wants you for a customer.

This competition among stores brings the customer several benefits. An observant shopper can compare not only prices, but often brands, cuts, quality, grades and sizes. This can aid in reducing the amount spent on food items and affect future purchases.

Advertising also brings variety into diets by introducing new products. Many families are willing to try new foods once informed about them. In addition, family favorites and satisfactions can be repeated through brand identification. For instance, your family may like a product prepared a certain way by one company but be indifferent about the same product from another company.

A few things to remember when studying ads and purchasing foods are: for your family's sake, consider which foods are nutritious. Also, your family's taste preferences are important in determining what to buy. And certainly keep in mind how much you can spend on food.

For more economical shopping, make mental menus for the coming week. This can help reduce the possibility of costly impulse buying at the store. Food ads serve the purpose for both you and the store. A good advertisement aims to inform you and help you buy more intelligently. The consumer should fully utilize ads. Because she pays for them she should get her money's worth.

September 28 Ag. Field Day

THROCKMORTON (Special)—Sept. 28 is the date of a field day held every other year at the Texas Experimental Ranch here, site of very long-range research in the reaction of livestock and of native vegetation to different systems of grazing and stocking.

Among speakers will be Dr. M.E. Meadows Jr., of Mission, Texas, director of the Screw-worm Eradication Program.

The field day activities will fall into two parts:

--Registration and tours of the experimental pastures at the ranch, from 9 a.m. until noon.

--Catered lunch, \$1.65 a ticket, at the Throckmorton Agriculture Building, where an educational program is also scheduled.

Other speakers will be three members of the Texas A&M University Range Science Department: Dr. Joseph L. Schuster (head), Dr. Charles J. Scifres, (co), Dr. M.M. Kothmann, and Gary Mathis (superintendent of the ranch).

Master of ceremonies in the afternoon will be Dr. W.J. (Dub) Waldrip of Lubbock, manager of the Spade Ranch.

The Texas Experimental Ranch is adjacent to State Hwy. 183, 10 miles north of Throckmorton.

COUNTY AGENT NEWS

B.T. Haws
Wichita County
Agricultural
Agent

Plans have been made for a Part Time Farming Seminar to be held in the ASCS Community Room in Iowa Park, September 28 and October 5. The program will begin each night at 7:30 p.m., and will include the following topics: 7:30 P.M.—Planning of Part Time Farming With Minimum Labor, Norman Britts; 8:00 - 8:45 -- Vegetable Crops for Part Time Farming and Marketing, Dr. Mack C. Fugua, Mundy Research and Experiment Station; 8:45 - 9:30 -- Financing Part Time Farming Operations, Bob Hillery, First Wichita National Bank; Charles McGilvray, Farmers Home Administration; 9:30-9:45 ASCA Assistance for Part Time Farmers, David Robinson, Director, ASCS Office, Iowa Park; OCTOBER 5 -- 7:30-8:00 - Part Time Farming Livestock Enterprises, Dr. Dennis White, Area Livestock Specialist, Vernon; 8:00-8:30-- Part Time Farming, Dairying, Thomas H. White, Area Dairy Specialist, Denton; 8:30-8:45-- Points to Consider in Purchasing Small Tracts, Charles McGilvray, Supervisor, Farmers Home Administration; 8:45 - 8:55-- Assistance for Part Time Farmers Through SCS, Gary Batte, Soil Conservation Service, Iowa Park.

Anyone interested may attend.

Although small grain planting time is just around the corner, there's still time to get a soil test on the land to be seeded. Small grains cannot be expected to perform well when grown with inadequate amount of plant nutrients. Many producers apply nitrogen in the fall or as a top-dressing in the spring, but do not consider other nutrients that small grain crops may need.

Small grains are very responsible to phosphorus and only a soil test can determine the amount of fertilizer to apply. Phosphorus stimulates rapid, early growth which is especially important if the crops are to be grazed. Phosphorus should be drilled at planting or broadcast and worked into the soil prior to seeding.

Some fields may also need

Dolph Briscoe To Address Rolling Plains

MUNDAY (Special) -- Members of the Rolling Plains Economic Program (R-PEP) will hear Dolph Briscoe when they assemble here Oct. 3 for their annual conference.

Preceding the appearance of Briscoe, Democratic nominee for governor in the general election in November, will be a noon meal catered at the Texas A&M University Vegetable Research Station, Dutch-treat at \$2 a ticket.

Briscoe's address and main business of the conference will be at 1:30 p.m. in the auditorium of Munday High School, where the group will elect 1972-73 officers to succeed Chairman H.H. Partridge of Munday, Vice Chairman Bob Hillery of Wichita Falls, and Secy. Norman W. Britts of Vernon. The group will also hear a report on R-PEP's 1971-72 activities and its long-range plans for the next 12 months.

potash which improved the standing ability of plants. However, this plant nutrient is generally not needed as often as nitrogen and phosphorus.

A soil test is the best guide to a sound fertilization program for small grains. Soil samples may be submitted to soil testing laboratories run by the Texas Agricultural Extension Service at College Station, Lubbock, or Seymour.

Information sheets and instructions for collecting and mailing soil samples are available at the County Extension office, 304 Federal Building, Wichita Falls.

Wheat producers should study the 1973 Wheat Program closely before making a decision on participation. Listed is the major differences in the new program as compared with the 1972 version:

1. Mandatory set-aside has been increased from 83 to 86 per cent of the domestic allotment.
 2. Additional set-aside limit has been increased from 75 per cent to 150 per cent of the domestic allotment.
 3. Payment on the additional set-aside has been decreased from 94 cents to 88 cents per bushel.
 4. For the coming season, planting is limited to the 1972 harvested acres (including acreage credited as failed, grazed or overharvested) plus 1972 additional set-aside acres and less the 1972 additional set-aside.
- The loan price remains at \$1.25 per bushel and marketing certificates will again be paid based on the difference between the national average loan rate and 100 per cent parity.

To what extent a farmer decides to participate in the additional set-aside provision of the program will depend mainly on his ability to profitably use the set-aside acreage for grazing.

An increase in payments may be offset by a decrease in production due to less acres being harvested. Also, the amount of acres planted for harvest will be influenced by the number of additional set-aside acres which a farmer had in 1972, if he elects to set-aside additional acreage in 1973.

Each producer should sit down and carefully calculate all the angles of the program. Then, an intelligent answer can be found and decision made.

NEW FOUR-DOOR SEDAN FROM SUBARU: A clean, sculptured look highlights the new Subaru four-door sedan. The front-wheel drive car offers exceptional handling and a spacious interior. Numerous "extras" are included in the \$2298 p.o.e. price.

Subaru Introduces Three New Autos To The American Market

Three new Subarus including two sedans and a station wagon, designated the DL series, are being offered to the American public according to an announcement by Michael L. Sanyour, president of Subaru of America, Inc., importer of the front-wheel drive vehicles.

"Coupled with the recent introduction of the Subaru GL Coupe," said Sanyour, "the new DL series enables our dealers to offer what we believe to be an unbeatable combination of design, performance and economy for virtually all personal and family needs."

"The DLs," he added, "carry forward the philosophy of combining design excellence with performance engineering initiated by Fuji Heavy Industries with the GL Coupe. To our knowledge, no manufacturer in automotive history has moved so rapidly in developing such a complete line of cars."

All DL models are fully equipped with approximately 20 factory-installed "extras" included in the p.o.e. price. The two-door sedan retails for \$2165, the four-door sedan for \$2298 and the station wagon for \$2498. The present GL Coupe has a p.o.e. price of \$2499.

"The DL series includes just about every option that a buyer

might want," said Sanyour. "It is our policy to include these extras in our quoted p.o.e. prices with the exception of air conditioning and very few additional items. The American public has been 'optionized' almost into unconsciousness. I don't see why a new car buyer, lured by low prices, should drive a brand new car away from a dealership with a great big dent where it hurts most, namely, right in the pocket-book."

The new Subaru DL models are now arriving at dealer showrooms across the country and an extensive test drive program will soon be underway. "Car buyers are encouraged to test drive the Subaru," said Sanyour, "because our dealers find that one out of every three people who do, end up buying one. Front-wheel drive gives us an outstanding edge in handling and greater passenger comfort."

SP/4 Clayton Norris, Jr. Cited For High Rank

Specialist Four Clayton W. Norris Jr., a 24-year-old National Guardsman from the Service Battery, 2nd Battalion, 131st Artillery, Wichita Falls, was the seventh ranking man in his class of 214 Army Reservists and National Guardsmen graduating August 25 from the Fifth U.S. Army Reserve Non-Commissioned Officers' Academy at Ft. Wolters.

He is the son of Mr. and Mrs. Clayton W. Norris Sr., 1011 Beverly Loop, and the son-in-law of Mr. and Mrs. Paul R. Fisher, 615 Meadow, all of

Burkburnett. He and his wife Carliss Ann live at 909 Preston Street, Burkburnett.

A 1966 graduate of Burkburnett High School, he received his bachelor's degree in accounting in 1970 from Midwestern University. In civilian life, Norris is a staff accountant with the CPA Firm of Allred, Armstrong and Blancett, Wichita Falls.

During the two week course at the Reserve NCO Academy, he received training in general subjects, drill and ceremonies, map reading, tactics and weapons.

Subaru Sales Up Over 115%

Recent sales performance indicates there should be a high degree of reader interest in Subaru. In the first seven months of 1972, retail sales were up 115% over the same period last year. This gain was achieved despite only moderate increases, or significant losses in sales rates for other imported cars.

Subaru of America, Inc. is the exclusive importer of Subaru front - wheel drive cars manufactured in Japan by Fuji Heavy Industries, Ltd. It is an independent, publicly held U.S. corporation and there are fourteen distributors serving some 600 dealers throughout the United States.

Subaru dealer for Wichita County is Tullis Subaru of Burkburnett.

Tips Offered To Fall Hunter

The fall hunting season is fast approaching and Texas sportsmen will want to get "geared up", as far as their equipment and physical condition are concerned. "A little time and effort devoted to getting your field gear and physique 'in shape' can be a big plus for that upcoming hunting adventure," contends Dr. Milo Shult, area wildlife specialist for the Texas Agricultural Extension Service. A good beginning for the equipment check is your firearm. Clean the piece, carefully giving special attention to the bore and the action. "Carefully sight in all rifles and handguns," suggests Shult. "This will not only prevent disappointment over a missed shot but also will help the shooter get the 'feel' of his weapon again."

To sight in center-fire rifles, use the bullet weights and powder charges that you expect to use in the field. Determine sighting distances by the type of game to be hunted and the likely terrain. As a rule of thumb, shot groupings from 50, 100 and 200 yards will prepare the hunter for most situations. The specialist suggests that handguns be sighted in for 60 yards. Accuracy is difficult at greater distances. Remember, range safety is of critical importance with all firearms but especially with handguns, cautions Shult.

For the shotgun enthusiast, the specialist suggests getting in a little trap or skeet shooting. "Another good practice is 'patterning' the shotgun. This can be done by firing at large sheets of paper or cardboard at distances of 15, 25 and 50 yards. Thus the hunter will know how his weapon performs at those distances with whatever load he is using.

For the hunter with a double barrel, slide-action or semi-automatic shotgun, it's good to fire more than one round to get used to getting off a second or even third shot. An equipment check is also in order for the archer. For instance, broadheads may need sharpening. Shult suggests practicing with silhouette field targets rather than bullseyes, since this gets the archer accustomed to firing at "vital spots" rather than just "at the deer."

Most hunters carry some type of cutting tool for dressing game. These knives, hand axes and bone saws should be checked and sharpened. Shult emphasizes that wearing apparel also needs checking. Footwear is especially important as a painful blister can ruin an otherwise enjoyable hunting experience. Boot stitching should be checked and the leather should be oiled or treated for comfort and protection. It is a good idea to break in new boots before starting out on a long day's hunt.

In addition to checking his gear, the smart hunter prepares himself physically for the field, notes the specialist. "Many of us work at jobs which don't allow us to stay in shape for that once-a-year hunting trip. Perhaps the best solution is to start early with sensible exercise. This may mean just walking every day or it may include jogging and dieting off a few pounds. Remember, more hunters die from heart attacks brought on by over-exertion than from firearm mishaps."

The sportsman who begins preparing his gear and his body now will have a much rewarding experience in the outdoors when hunting season rolls around, contends Shult.

Weekly Health Tip
from Joe Gillespie

No anti-biotic or other drug can halt a full-blown case of tetanus -- about 60% of those afflicted die. Yet 3/4 of our adults are not immunized. In a free-bleeding cut, tetanus spores are usually washed out. The deep puncture, such as from a nail -- or a scrape or cut with dirt imbedded, is most prone to tetanus. Make a doctor appointment to immunize your family against tetanus.

PIGGLY WIGGLY

Piggly Wiggly presents 2 great offers that could add up to the 2 best buys in your lifetime

The warmth of an autumn sunset, the color too beautiful to reproduce here...this unusual dinnerware will brighten your table and bring compliments from your family and friends.

Elegant Sundown dinnerware

Once again Piggly Wiggly brings you a handsome, quality dinnerware at a price too good to pass up. Attractive and durable, this American made dinnerware is oven proof and dishwasher safe. Start your collection now. Begin with the five piece place setting and add a beautiful completer piece each week.
