Herb's Discount, Inc. To Locate In Burk

Herb's Discount, Inc. of Lawton, Oklahoma released information this week telling of the 16,500 square foot super market which is to be constructed adjacent to Burk's new Gibson Discount Center. The new ultra-modern operation will be of the discount type with no stamps, limited advertising, etc. with volume, low price selling as their speciality. Featured in the store will be National Brands in canned goods, frozen foods, drug items, and USDA Choice Texas Beef from Elmer Bros. Packing Company in Wichita Falls. Also featured

will be the freshest produce around. This is Herb's first venture out of Oklahoma. Herb's Discount originated in Enid, Oklahoma in 1944, moving its operation to Lawton in 1952. There are now four stores in Lawton employing 119 people with an annual payroll of \$650,000. Herb's Discount feels that their new location with Gibson's Discount Center will afford the people in the Burk Burnett area with one-stop shopping convenience for quality items at the lowest possible price.

Coach Bill Froman shows a little bit of a grin as does Sam Hancock as Sam signs his football scholarship with Baylor University.

Sam Hancock Signs With Baylor University

by Sedelta Verble
Sam Hancock, senior All-District letterman who quarterbacked the Bulldog football team to the State semi-finals, signed to play football for Baylor University recently. Sam commented that the contract called for Baylor to pay his room, board and books, and full tuition cost while he is attending the Waco school. He decided to play for Baylor because of the massive rebuilding program that is underway there in the athletic department. He picked Baylor from among many accredited universities who offered him a contract including Oklahoma University. Baylor coaches indicated that they were interested in Sam as a quarterback prospect for

the Varsity team and though it is a rarity, Sam predicts that newly recruited Freshmen will be playing on the Varsity team this year. Several other outstanding high school football players have been acquired by Baylor, including Aley Jackson who is an All-American from Dallas. Sam is undecided about the academic branch of Baylor he will be involved in, but will carry the regular Freshman course load. He has won several school honors this year outside of his many achievements in sports including a nomination for All-State. He was chosen by BHS faculty for WHO'S WHO honors and voted by students as Mr. Burk Burnett High School this year. In foot-

ball he has made All-District for two years and voted by his teammates to be one of the captains of the football team. And, of course, he has led the Burk team to its first district championship in many years. Sam Hancock has thrilled Burk Burnett football fans since his eighth grade years when he quarterbacked the Bulldogs in Junior High. He has not only excelled in athletics but has won the admiration of his fellow students for his sportsmanship and determination. Upon his signing with Baylor, the Informer/Star would like to congratulate Sam for his outstanding achievements and contributions to Burk Burnett High School and the community.

Burk School Board Elects New Officers

The Burk Burnett Independent School District School Board met in regular session last Monday night. During the course of the meeting, new officers were elected to the Board for the coming year. Gene Bankhead was elected president; Norman Roberts was elected vice-president and Ira Schroeder was elected secretary of the Board. Election returns were then canvassed and the oath of office was administered to the two members elected which included Mr. Thurman Allison, and Mr. Frank M. Morton. While covering the meeting agenda, BHS athletic and activity reports were given. It was noted that the Burk athletic budget was reported to be in the best condition that it has been in for the past several years. Current tax collections for the month were reported to be \$2,400.69. Utilities services at the Sheppard-Burk Burnett School will be changed in the future. Cur-

rently, the service is being taken care of by Sheppard Air Force Base. Sheppard began the service when the school was built due to the fact that other facilities were not available. However, now other facilities are available and Air Force regulations forbid Sheppard from continuing the service. The school must now get on a water line from Wichita Falls. Superintendent of Burk Schools will be in full charge of negotiating the job. The following resignations were accepted by the Board of Trustees: Mr. Travis Anderson, Mr. Tim Clippson, Mrs. Beth Demerath, Mrs. Pat Deal, Mrs. Pamela L. Hammond, Mr. Richard Hulet, Mrs. Linda L. Liles, Mrs. Linda J. Vinson, Mrs. Zella Parrish, Mrs. Caroline Paskus, and Mrs. Cleo Simon. Following a report from the Insurance Committee, headed by Gene Bankhead, it was agreed upon to insure Burk's new track surface for any and all damage for 3 years. The premium total-

ed \$340.00. Bankhead then appointed Ted Harris and Ira Schroeder to a standing Insurance Committee, for the purpose of keeping abreast of all insurance information. Ted Harris was appointed chairman of the Committee with members including James Pearson, Superintendent of Schools, and the School Insurance Servicing Agent. The final School Board workshop for the school year will be held April 12 at Midwestern University. Members of the Burk Board made plans to attend. Driver education fees were set for the summer courses by the Board. An increase of \$5.00 over last year's cost was set. This year's driver education course will cost a total of \$25.00. According to the school superintendent, James Pearson, gasoline bids for school busses will be put in early this year in hopes of combating the rising prices of gasoline and the limited quantities.

Voter Turnout Light In City, School Elections

A poor turnout of voters was noted in both local races last week in Burk Burnett. In the city elections, seeking three to place on the city council, a total of 385 votes were cast. This number is less than 10% of the near four thousand registered voters in Burk. Reid McCandless, Al Lohofener, and John Musick were chosen by the few votes cast to take the council seats. The total number of votes received for the candidates were 272 for Reid McCandless, 263 for Al Lohofener, 258 for John Musick and 254 for Irv Smith. Three other names appeared

on the ballots as write-ins but each totals less than 5 votes. In the school board election, a total of 409 votes, placed one new member to the Board of Trustees-Frank M. Morgan, and returned Thurman B. Allison, Jr. to his place. Morgan now holds place 7. Vote totals were as follows: Thurman Allison, 404 votes; Elizabeth Ellen Johnson, 80 votes; Frank Morton, 336 votes; Taylor H. Greene, 74 votes, and Mrs. John Karstetter, 75 votes. Two write-ins were on the ballots but each captured less than 5 votes.

Committees To Aid In Equipping Little League

Vic Fore, President of the Burk Burnett Little League, has announced the selection of committees for a community-wide program that will enable teams in the local League to obtain free bats and baseballs this season. The program is sponsored by Scott Paper Company, in cooperation with Little League Baseball, whose International Headquarters is in Williamsport, Pa.

"In addition to physical activity which contributes to the fitness, vigor and vitality of our youth, Little League Baseball builds qualities of fair play, cooperation, discipline and leadership. Our activities are family-oriented and inspire all members of the family to work together."

During the season, Scott will give away to Leagues nationally up to \$300,000 worth of approved Little League baseballs and bats. Every "Seal of Quality" on a package of Scott Towels, Scott Tissue, Scotties Facial Tissue, Waldorf Family Scott Bathroom Tissue or Scott Family Napkins will be redeemable for five cents in value towards bats and baseballs for the Leagues that send in seals. The Burk Burnett Little League is asking cooperation of all local residents in saving the seals from specified Scott product packages to help this League obtain baseballs and bats.

Residents are asked to deposit seals in containers that will be located at League ball fields during games. Seals also can be mailed to the Seal-Saving Committee Chairman, Judie Brunson at 114 Hyland Drive. Seals may also be picked up at resident's homes in response to a phone call to 569-0094. It is an opportunity for public-spirited neighbors to get behind a campaign that will help local youngsters, Mr. Fore said. The League's committee chairman for the local campaign is: Judie Brunson, 114 Hyland Drive, phone 569-0094.

"The Little League movement has made it possible for hundreds of youngsters in our area to take an active part in the country's national game of baseball," Mr. Fore said.

Seven Burk Burnett Students Place First In Spring UIL Meet

by Sedelta Verble
Seven Burk Burnett students won the right to compete in Regional competition at Denton

this weekend after placing first in the District UIL Spring Meet held here Friday and Saturday. Ken Schroeder won the Boy's

Informative Speaking competition and Robbie Pemberton took first place honors in Boy's Persuasive Speaking. Vicki Sickman placed third in Girls Persuasive Speaking and Teri Garland will serve as alternate in Girls Prose Reading with her second place win.

Pictured above are four of Burk's seven competitors in the UIL competition held last weekend.

OPEN LETTER

Dear Fellow Citizens: It is with sincere gratitude that I write this letter of appreciation to the people of Burk Burnett. Your concern and your assistance in any emergency is simply tremendous. Last week, when it seemed imperative that we find a missing individual in a hurry, you responded in spite of the very threatening weather. You were ready, willing and able in spite of the consequences to yourselves and without any thought of recompense or reward. You will never know the feeling of responsibility I have when this kind of situation develops, but I am always encouraged by the kind of response you give to me when I need to call upon you. Thank you from the bottom of my heart. Whenever and however I can be of service to any one of you, please do not hesitate to come to me at any time. Looking forward to our continued association, I remain Very sincerely yours, M.L. Abbott, Chief Burk Burnett Police Department

Funny Money Coming Next Week

Starting next week, when you shop with Burk Burnett Merchants, you will not only save real money but will be given FUNNY MONEY. Folks, for each dollar of real money that you spend, you will be given one dollar in Burk Funny money. Save and collect your FUNNY MONEY and use it just like the real stuff on May 17 at the city wide auction to bid for new merchandise. Burk Merchants promise that you will not be disappointed at any of their merchandise available at the auction. FUNNY MONEY! Just another fun way to save money in Burk.

Burk Beautification Program Started

It's been a long time coming and even longer needed but action is finally underway. A beautification program is started for the purpose of enhancing the appearance of the entrances into Burk Burnett from the expressway. Plans include the south entrance and the east entrance to the city. The program was initiated and first pushed by Lotse Bean but has now been turned over to the Community Council of Clubs here in Burk. Last week, Grady Stem, Landscape architect for the Texas Highway Department, and Jack London, Maintenance fore-

man for the Texas Highway Department visited Burk with drawn out plans. For the program, the Highway Department will landscape, plant and keep the areas to be beautified. All that Burk Burnett has to do is furnish the plants for the job. The rest is up to the Highway Department. The landscaping for the moment features evergreen borders for plants and seasonal flowers such as Crepe Myrtles, Holly, and Cannas will also be planted. Without doubt, the program will greatly enhance the beauty of our city. Help is needed. Cont. on Page 2

OOPS!

Members of the Burk Burnett Chamber of Commerce and other guests were on hand Tuesday morning for the formal Grand Opening of the SEWING BOX, downtown Burk Burnett. The Sewing Box is owned and operated by Mr. and Mrs. W.S. Sykes of Burk Burnett.

from the community for the purchase of the plants to be planted. Mr. Buck Hunt of the newly established Bark Nursery, has volunteered to get the plants for the project at cost.

In a nutshell, and thanks to Mr. Hunt and all involved, we now have access to the plants at cost, and a professional landscaping architect planning the program and a guaranteed upkeep for the area to be planted. How can we afford not to raise the money?

The Building Trades Class shows steady progress on the house they are constructing on Sycamore Street under the supervision of Mr. David Breuer. The Park High School students have constructed the house from the floor up and will sell the finished product.

Obituaries

Darrell J. Edwards

Darrell J. Edwards died Saturday, April 7 in a Dallas hospital. Funeral services were held at 2 p.m. Tuesday at First Baptist Church in Burkburnett. The Rev. Lamoin Champ, pastor, officiated.

Burial was in Crestview Cemetery in Wichita Falls with Owens & Brumley Funeral Home of Burkburnett in charge. A civil service employee at Sheppard AFB, Edwards had lived in Burkburnett for 24 years. He was a veteran of WWII and a member of the Masonic Lodge.

Survivors include his wife, Lorena of Burkburnett; one son, John of Dallas; two daughters, Mrs. Roxene Cornstubble of Euless and Mrs. Darrellyn Richey of Richardson; three brothers, Bruce and Lee of St. Paul, Minn. and Ralph J. of Madison, Wis.; two sisters, Mrs. Ida Miller of Monomonte, Wis. and Mrs. Lola Peterson of St. Paul and two grandchildren.

Carlos E. Baker

Funeral services were held Wednesday in San Antonio for Carlos E. Baker, 62, who died Sunday, April 8 in San Antonio. Graveside services and burial were held at 10:30 a.m. in Burkburnett Cemetery with the Rev. William Penn, pastor of the First United Methodist Church officiating.

Survivors include his wife, Elizabeth of San Antonio; two sons, Phil of Dallas and Dan of San Antonio; one daughter, Mrs. Rebecca Ballenger of Harlingen and one step-son, James Herrington of San Antonio; two step-daughters, Pat Lippard of Burkburnett and Jean Imel of Jacksonville, Florida; one sister, Mrs. Marshall Chrestman of Taft and eight grandchildren.

Newt J. Sanders, Jr.

Newt J. Sanders, Jr., 19, of Randlett died in a Wichita Falls Hospital April 4 after being injured in an industrial accident at B&W Fabricators, Inc. on the Red River Expressway about 9:20 a.m. Wednesday morning. Services were held at 2 p.m. Saturday in the Randlett Elementary School Auditorium. Burial was in the Randlett Cemetery under direction of Gray Funeral Home of Grandfield, Oklahoma.

Survivors include his parents, Mr. and Mrs. Newton J. Sanders, three brothers, David and Robert, both of Oklahoma City and Parker of Randlett; two sisters, Mrs. Mildred Sanders of Lawton and Georgia Sanders of Randlett. Maternal grandmother is Mrs. Mildred Lone of Tonkawa, Oklahoma.

Albert E. Walkup

Burial services were held in Lovington, N.M. Saturday, March 31 for Albert E. (Al) Walkup, who died March 29 in Lea County Memorial Hospital from a massive heart attack.

He was a student and resident of the Clara community until 1942. He married the former Mable Anderson. Mr. Walkup was a retired Shell Oil Company employee and had been doing contract plumbing work in the vicinity of Lovington since his retirement.

Survivors include his wife of the home; two sons, H.R. of Rouse, Texas; A.R. of Henderson, Texas; two daughters, Sherry Weaver of Johnersville, Texas and Ginny Thompson, Richardson, Texas; 1 brother, O.C. Walkup of Wichita Falls; 2 sisters, Edith Jones of Van Nuys, Calif. and Etta Golden of Wichita Falls; and 8 grandchildren.

Mother-Baby Care Class To Be Held

The American National Red Cross is sponsoring a mother-baby care class in the National Room of the First National Bank beginning Tuesday, April 24. The classes are scheduled twice weekly from 7:30 p.m. to 9:30 p.m. for three weeks. Instructions will include prenatal care, labor and delivery, care of the infant up to one year, formula preparation and in-class participation in bathing and care of the infant. Expectant fathers and adoptive parents are invited also.

Linda Luvier, R.M. and Betty Bowles, R.N. will be the instructors for these classes. Reservations and more information can be obtained by calling the Red Cross at 322-8686.

LETTER TO EDITOR

Dear Mr. Williams
While reading the Burkburnett Informer Star, I was surprised to find an article stating that my secretary is employed by Mr. Vernon Stewart ("Round the Town", March 29, 1973). Please be advised that Miss Laura Allison is a member of my staff, and Mr. Vernon Stewart is no longer a member of the House of Representatives.
Sincerely,
Frank J. Lombardino

Rhoda Murphy, 84, aunt of Lillie Cashwheeler, punched cows and broke horses in Arizona where she and her husband, Louis, operated a ranch. Since Rhoda retired she has developed a tremendous collection of dolls. She creates all the dresses, hair pieces, bonnets, and everything to doll up the dolls. These are only a few of the many dolls throughout Rhoda's house. She has one brother, W.B. White, 86, of California.

In & Around Temple

Temple

Buddy Knox made a fast round trip to San Antonio, Texas to bring his parents home. They had been visiting their daughter and son-in-law, Mr. and Mrs. William Frye, for 3 weeks.

Irene and Timmie Smith, and Mary Jane, Teresa and Sheri Parkey were in Dallas, Tex. on business at Apparel Mart. The group mixed pleasure with

business by going to see "The Gold Diggers".

Don Parkey's mother, Mrs. Viola Kellan of Fish, Fla. suffered a fractured hip last week due to a fall in her home and is recuperating in Memorial Hospital.

Mrs. D.R. Dowda of Cisco, Texas is now in Temple. She is with her daughter, Mrs. Waldorene Pigg. Her tenure in Temple depends upon how long "I can get her to live with me," Mrs. Pigg said.

Reports are that Mrs. Ray Collins is doing good following surgery last week in a Houston, Texas hospital.

Second Of Doubleheader Brings Rousing Victory For BHS Leaguers

by Sedelta Verble
The Burk Burnett Baseball team defeated Bowie 8-1 in their second match on Tuesday while Bimbo Davis pitched one hit and struck out seven. Coach David Keller commented on the doubleheader played at Bulldog Field after three previous games had been rained out. The Bulldogs were outscored 2-0 in the first match against Bowie but fared much better in the second game. "We made a few mental errors and I think this is because we've had so many games rained out. Another thing that didn't help was that we had nine men left on base," he said.

Mike Millar pitched the first games against Bowie. This brings Mike's seasonal pitching total to one win and one loss. Benny Wilkenson was the leading hitter in the Bulldog victory against Bowie with two hits and four times at bat. Mike Millar totaled two hits and three times at bat. The total Bulldog hits were 10 in the second game. Defensively, Zac Henderson and Benny Wilkenson both made outstanding plays between first and second base. Friday the Bulldogs will take on Iowa Park in Bulldog Field at 4:00 in a non-district clash.

Baseball Coach David Keller released the top batters so far for this season. Jimmy Koulovaotes and Mike Millar are both tied for the top batting spot with an exceptional .500 batting average. Both David Todd and Mike Millar are tied with 2 rbi's.

Music, Subject For Study Club Program

The Modern Study Club met Monday evening, April 9 in the home of Mrs. Jim Standlee. Guest speaker for the evening was Mrs. Jahn Crews of Yamaha Music Store in Wichita Falls. She spoke on the "Importance of Music to our Youth." The business meeting consisted of the election of new officers for the 1973-74 year. Elected were: President, Mrs. Gary Owen; vice-president, Mrs. Jimmy Lindsey; recording secretary, Mrs. Dale Lewis; treasurer, Mrs. Buster Pruitt; parliamentarian, Mrs. Tommy Olds; historian, Mrs. Carol Baber; and reporter, Mrs. Raymond Greenwood. Refreshments were served by hostesses Mmes. Jim Standlee and Jimmy Lindsey. The club then viewed and told about the different handmade art objects they had brought to the meeting.

Sedelta Verble

In the UIL story I wrote last week concerning Burk Burnett hosting of the UIL Spring Meet here for the first time, I accidentally left out Slide Rule competitors who are Morgan Moore, and John Hagan. Though this is not a disastrous thing it was a bad error, because of all the events this is the one which has been most successful for BHS in the past several years. I did feel bad because these contestants practice all year for this competition and are deserving of any publicity they receive. Another thing that was brought to my attention is that UIL advisors seldom receive thanks for their work. This is a volunteer job and a very vital one to Burk Burnett High School. The teachers who accept the responsibility of training students in different UIL events aren't readily recognized by the community. Mr. Tom Moore and Mrs. Dorothy Lewis have strived for years to prepare not only UIL competitors for success, but also seniors who are preparing for college. Mr. Moore teaches chemistry and physics and from what I hear is well equip-

ped to teach at the university level, yet because he is dedicated to the high school level of teaching, he stays here. Although not many people are aware of the influence he has on graduating students, I have been very aware of his influence on students I know and myself. He also sponsors the National Honor Society organization at BHS--another voluntary activity. Mrs. Lewis teaches senior English, a college preparatory class for English. I said she teaches the subject, but what I mean is that she brings literature to life and the writings of Homer, Austen, Hardy and my favorite--Milton are not just words written by dead writers--they are truths and ideals believed by intelligent men of the past. At the same time she sponsors Ready Writing and coaches students on term papers and developmental paragraphs, important elements students will encounter during the upcoming college years. Truly these teachers are remarkable in their attitudes toward students and their efforts to prepare students for college.

Girls Softball League To Meet Tonight, 8:00

The Girls softball League will have a general meeting Thursday night, April 12 at the Youth Center. All interested parents are urged to attend. The meeting will start at 8:00 p.m. Last official sign up date is April 21. Registration forms may be obtained at the meeting for any girl that wants to play and hasn't signed up yet. Forms can also be obtained by calling Mrs. Smith, 569-1282; Mrs. Drake, 569-3990 or Mrs. Goode, 569-1442.

THANK YOU

Words can not express my gratitude for your support of me in the election for school trustee of the Burk Burnett Independent School District.

THURMAN ALLISON

I would like to express my thanks and appreciation to all the people who supported and worked in my behalf in the City Council election. I will strive to serve in the best of my ability in the interest of a better Burk Burnett.

Sincerely,
John Musick

Tennis Action Completed With Two To Go On To Regionals

by Sedelta Verble
Richard Mead and Dick Pittman won the right to advance to Regional competition after they triumphed in the Junior Division Boys Doubles in District tennis contention Friday and Saturday. Richard and Dick will compete in the regional competition to be held at Denton this weekend.

Boys Singles. Mary Grandy and Becky Tate played in the semi-finals in Senior Division Girls Doubles, while Taft Gustafson competed in the semi-finals of the Senior Division Girls Singles. Mike Dye and Jack Salyer played in the Senior Division Boy's Doubles of Semi-Final competition. This concluded regular tennis action for Burk Burnett High School, except the regional and hopefully state competition for Dick and Richard in the weeks to come.

Thomas Sturges completed the semi-finals successfully and barely missed regional competition in Senior Division

Beauty combined with elegance is only a moderate description of what can be found in merchandise at Lippard's Furniture and Appliance.

Two years ago, Pat Lippard bought out Monaghan's Furniture and brought a new mode of business to downtown Burk Burnett. Still in the infant stage, Pat reveals that the store has really grown, but there is still much more growth to be expected.

Pat claims her store to be a "full service" business. Such name brands as Thomasville, Broyhill, Hickory, Ayers and Riverside are to be found on her furnishings' labels. Anything from contemporary to traditional design is available. New to the store is the room dubbed "The Added Touch". Beautiful imports, beeswax candles, chandeliers and antiques are arranged for display to enhance your urge for purchase.

All of the antiques are carefully selected pieces. A light fixture from the YMCA in Dallas that was placed there in 1900, gives a soft glow to "The Added Touch". Also very prized is a German planter signed and dated 1900.

Pat is becoming quite well-known for her interior decorating talents. Customizing of drapes, pillows, bedspreads, carpeting and upholstery are all specialties. All her designs are done with the personal touch. She does both residential and commercial decorating. A wide selection of commercial carpets and fabrics are available to choose from.

Among her pride and joy, and adding lovely splashes of color throughout the store are the real dried flower arrangements. Wall coverings with coordinating fabrics are available to choose from. Only medium and higher priced carpet is carried.

Schumaker and Waverly are just two names associated with the fine line of fabrics for drapes, bedspreads, and upholstery available to make your selections from.

Reproductions are on display throughout the store. Pat prides the store in carrying only the finest quality of these reproductions.

In the appliance department, you can find the well-known G.E. and Magic Chef products. They also carry a line of Sony Merchandise.

ABWA To Hold Annual Boss Night Affair Saturday

The Boomtown Chapter of the American Business Women's Association will hold its annual Boss Night Banquet at the Burk Burnett Community Center, April 14 at 7:00 p.m.

Highlight of the Banquet will be when Mr. Carl Dixon, Boss of the Year for 1972 turns over his crown to a new "Boss" selected by a special panel of judges.

Dr. Travis A. White, President of Midwestern University will be the speaker for the occasion. Dr. White came to this position in 1956 from Atlantic Christian College, Wilson, North Carolina. He was born in Hammond, Louisiana in 1909, and graduated from Byrd University, receiving an A.B. degree in 1932 and a B.D. degree in 1934, with further graduate training at the University of Chicago in 1935 and Union

Theological Seminary in 1941. The honorary degree of D.D. was conferred upon him by Texas Christian University in 1961. The honorary degree of L.L.D. was conferred upon him by Atlantic Christian College in 1964. He is listed in WHO'S WHO IN AMERICA AND WHO'S WHO IN AMERICAN EDUCATION.

Prior to his entrance into the field of higher education, Dr. White was a successful minister of the Christian Church, with which he now maintains his ministerial standing. He is active in the national and state work of his church and participates in many interdenominational activities on a community and state level. He has completed a world tour of more than 35,000 miles, visiting many nations of the world and the Holy Land.

Dr. White is an active participant in civic and community life. He is a member of the Downtown Rotary Club and is a Thirty-Second Degree Mason. He is a member of the Boards of Directors of the Boys' Club of Wichita Falls, the Wichita Falls Chamber of Commerce, and the Wichita Falls Symphony Orchestra, Inc. In 1960, he was chosen for recognition by the Altrusa Club of Wichita Falls for service rendered to his city.

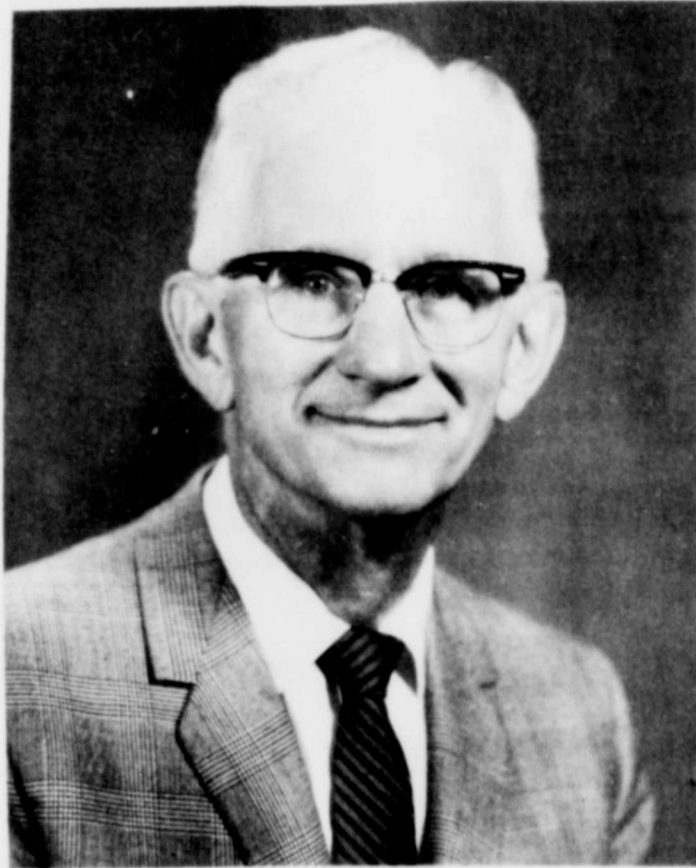

Through the years, Dr. White has had a keen interest in higher education. He served for four years as a member of the Board of Trustees of Phillips University and was active in the creation and development of the Texas Tech Christian Foundation at Lubbock. He has served as a member of the Board of Higher Education of Christian Churches.

Dr. White has been a believer in and leader of young people through the years. It is his belief that a well-rounded university education should help the student achieve personal stability, adequate social adjustment, vocational competence, and spiritual awareness.

Midwestern University maintains not only a strong undergraduate school but a graduate program offering the Master's degree, and an Evening College designed for those who desire to continue their college training but who must work during the day. Under Dr. White's leadership, Midwestern University was made the 19th fully state-supported institution of higher education in Texas.

Program Chairman for the Banquet is Mrs. Ollie Ruth Larson. The theme for the banquet will be "School Days". Past Bosses of the Year are the late Mr. L.C. Evans, Mr. Alvin Hill, Dr. Bill Boardman, W.T. Lee, Mr. Vance Ragland, Mr. Lester Yates and currently serving, Mr. Carl Dixon.

Officers of the Boomtown Chapter are Mesdames Valree Matherly, president; Rita Hudson, vice-president; Margaret Williams, recording secretary; Jessie Stewart, corresponding secretary; and Zell Schmidt, treasurer.

DR. TRAVIS A. WHITE

KRYSTAL DAWN TAYLOR

Miss Taylor Honored

Krystal Dawn Taylor was honored April 7 on her first birthday with a party given by her Great Grandmother, Mrs. Claudine Boydston.

Krystal Dawn is the daughter of Mr. and Mrs. Eddie Taylor of Wichita Falls and Granddaughter of Mr. and Mrs. Edward Taylor of 1011 Frances and Mr. and Mrs. Bill Gibbons of East College.

Celebrating the occasion with little Miss Taylor were

Billy and Steve Stayton, Billy Ray and Kenneth Morgan, David Rush, Elizabeth Ann Taylor, Gina Morgan, Glynda Tullis, Mr. and Mrs. Clyde Hester, Annie Taylor, Dorothy Gibbons, Darlene Taylor, Claudine Boydston, Mattie Boydston, Leeta Jennings, Deborah Rush and Thelma Ryals. Those sending gifts were Uncle Otis Ray Taylor, Aunt Affaretta Gentry, Rose Caroland and Mrs. James Phillips.

Sorority Attends Its District U9 Meeting In Ft. Worth

Epsilon Sigma Alpha International held a District VI meeting Sunday, April 8 at the Green Oaks Motel in Ft. Worth.

District VI President, Jan Reppentine, presided at a business meeting during which awards were presented with installation of new officers climaxed the days meeting.

Theta Epsilon, Burk Burnett chapter, had the honor of having Helen Eaton, chapter president, win second in District for Outstanding ESA'er and Lou Glover, chapter recording secretary, win third in District for Outstanding First Year Member.

Also, Theta Epsilon won second for their educational programs for the months of January through March. Romona Vaughan, Theta Epsilon Chapter Educational Director, won first place in District Educational Programs. Theta Epsilon also won first place for being the first 100% chapter reporting in District.

Two of the chapter members were installed as District VI officers. Helen Eaton will head the VIA for all chapters and Clodella Bridges will be District VI Chaplain. Other officers include Flo Kleiber, president and Bernice Ball, vice-president, both from Ft. Worth area.

A check from District VI welfare was presented to the Cal Farley Boy's Ranch near Amarillo. Mr. and Mrs. Jack Hardin, representatives from the Ranch accepted the check and explained how the money would be used.

The new president for District VI, Flo Kleiber, announced her theme for the 1973-74 year will be in accordance with the times and end of the war and return of the P.O.W.'s. It is "Let Freedom Ring" using the American flag as the symbol.

The next District VI meeting will be held July 8 at Iowa Park. The State convention is scheduled for May 18-20 in San Antonio.

Federated Missionary Society Plans Activities

The Federated Missionary Society met Friday, April 6 in the home of Mrs. John Ney. The president, Lela Mallett opened the meeting. The group sang, "Near the Cross".

Minutes were read and approved and the treasurer's report given.

A load of clothing, magazines, etc. was taken to the State Hospital. The club voted to

buy canned goods and take to the Faith Mission and to buy a pair of pajamas for a girl who will enter the hospital soon for surgery.

Cards were sent to the sick in the hospital.

Mrs. Gragg gave the devotional using scripture from Corinthians and read the poem, "When I Survey the Wonderful Cross". She also read two other poems.

Bertha Vandenburg presented the program reading, "Easter Great Was The Fate." She also read some others which were very timely.

Delicious refreshments were served to Mesdames Gragg, Cheney, Chambers, Haley, Begeman, Baker, Turner, Beldon, Miller, Mallett, Vandenburg, Ney and a guest, Mrs. Beard.

The next meeting will be May 2, with Lela Mallett as hostess.

It is in deep appreciation that I wish to thank you for your support in the recent election.
Thank you.
Mrs. Odell Karstetter

CALLING THE PLAYS--Roger Staubach, right of the Dallas Cowboys discusses strategy with Jim McCutchen of Wichita Falls. It isn't touchdowns they are concerned about, but Easter Seals. Staubach is the 1973 State Easter Seal Chairman and McCutchen is president of the North Texas Seal Society which helps support the North Texas Rehabilitation Center where children and adults from Burkburnett receive the help they need to win against their handicaps.

Burk Noted In Response To Easter Seal Campaign

Contributions from Burkburnett to Easter Seals, which help support the North Texas Rehabilitation Center in Wichita Falls total, to date, \$262.50 according to Jack Mathis, Burkburnett Easter Seal Chairman. Burkburnett can be very proud of its response to the mail-in appeal for Easter Seals which help handicapped children and adults from Burkburnett receive the therapy they so desperately need to achieve happier, healthier, more productive lives, Mathis said. However, Burkburnett can do more and should do more, he said, because we have 98 handicapped children and adults treated at the center and they need our support. Without our Easter Seal dollars, this help would not be so readily available. It takes a great amount of money for therapy--and Easter Seals help make it possible. Mathis related that Jim McCutchen, president of the board of the North Texas Easter Seal Society and the North Texas Rehabilitation Center, said that contributions from the eight-county area served by the center are lagging this year. To date, \$27,123 has been donated. The Easter Seal goal is \$32,500, in order to help the center meet its operating expense budget of \$132,847. The mail-in appeal is the only area-wide drive being conducted by Easter Seals this year, Mathis said. A letter from Roger Staubach of the Dallas Cowboys, 1973 State Easter Seal campaign chairman, was mailed

out last month to residents of Burkburnett asking support for the rehabilitation center in Wichita Falls. Mathis said he joins with Staubach and with McCutchen in urging all who have not sent in a contribution to do so immediately. This money provides physical, occupational and speech therapy for children and adults who are physically handicapped, have a speech and/or hearing difficulty or children who have learning disabilities. There is also a gross motor and language development program for children who have learning disabilities. Conditions treated include patients with bone, joint and neuro-muscular involvement. Specifically, crippling conditions such as cerebral palsy, spina bifida, strokes, arthritis, rheumatism, Parkinson's disease, and birth defects. Or, victims or accidents such as fractures, sprains, head injuries and amputations. Speech and language difficulties include aphasia, articulation disorders, delayed speech, cerebral palsy, delayed language, stuttering, tongue thrust, mild to moderate hearing losses and learning disabilities. Patients are given the opportunity to help the center meet expenses by paying what they can. While there are those who are financially able to pay for therapy, there are many who cannot. Donations are what make it possible for the center to continue its services.

Burkburnett Student Council To Lead Hope Campaign For MS

The Student Council of Burkburnett High School has been named as Chairman of the Hope Chest Campaign of the National Multiple Sclerosis Society. Mrs. Donna Perkins is Counselor for the Student Council. Miss Gail Cullison will serve as the Chairman. This announcement was made by Mrs. Pauline Mahan, Executive Director of the Wichita Falls Area Chapter. The Student Council has begun the organization of approximately 175 volunteers for the campaign, which will open on the day after Mother's Day, May 14 and will close on Fathers Day on June 17th. It is most fitting that the Student Council should sponsor the Hope Chest appeal since multiple sclerosis is a disease of young adults. The conviction of these young people that

MS must be overcome inspires everyone in this community of the opportunity to contribute to a victory so long awaited by the many MS patients in this area and their families. The National Multiple Sclerosis Society recently inaugurated a stepped up program of scientific research to identify the cause and cure of this neurological disease, which affects the brain and spinal column, its first onset usually being detected among youth and young adults. Services to MS patients are offered by the Society's Wichita Falls Area Chapter. Miss Gail Cullison said, "We need all the help we can receive, and urgently ask that the Burkburnett residents who wish to join in this effort call me at 569-1225 or any other member of the Student Council."

Christian Church Makes Plans For Special Services

The last week of the life of Jesus Christ will be the time frame for special services at First Christian Church beginning Sunday, April 15 at 7:30 in the evening. The Rev. Miles Graham will be the preacher for the Sunday, April 15 service, and Mrs. Ramon (Mary Jo) Scruggs will be the featured soloist. Monday, April 16 the Rev. Keith Pierce of Iowa Park will speak here and also be soloist accompanied by Mrs. Pierce on the organ. Tuesday, April 17 soloist will be Mrs. Charles (Elaine) Seagler and the Rev. Lorene E. Williams of Quannah will lead the workshop sermon. Wednesday, April 18 will be a Union Good Wednesday Service at Jan Lee Baptist Church put on by the ministers of Burkburnett's Ministerial Alliance. Thursday, April 19 will see a reenactment of the Last Supper around a large table seating thirteen for a likeness to that which Jesus and his twelve Apostles sat. It is a family affair and will be candle-lit with the public invited to participate this night and every night. Good Friday worship services will be a dramatic review of the sadness and hatred that St. Matthew's gospel reveals in the last moments of the Lord's life leading to the cross.

Burkburnett's Revenue Sharing Funds are shown hard at work in this photo of Tidal Street. The street is being completely reworked and represents only one revenue sharing money expenditure. Property owners will be assessed \$1.75 per front foot for the curb and gutter and revenue money will take care of the rest. The total cost of the project is \$43,000.

Burk Golf Team Brings Home Second Best Team Score Of Sheppard Round

by Sedelta Verble
Competing in the third and last leg of district Golf contention, the Burkburnett team placed fifth in competition with the second best team score of the Sheppard Round. Danny Lee who is a junior this year, placed eighth in Medalists competition, he also placed as the second best individual score in the Sheppard leg of the competition

with an 82. Frank Andrajack who scored 85 at Sheppard is a freshman and was the fifth best individual. He finished in the upper half of Medalists competition as did Frank Andrajack, freshman; Darrell Coleman, junior; James White, sophomore; and Alex Koulovaotes, senior. Coach Bob Carpenter commented on the results of the

district Golf contention. He said that the Bulldogs excelled in both the Brownwood and Sheppard Rounds of the golf contest, but fell in the Graham matches. He further stated that next year, these players will be returning with this year's experience behind them and that next year would improve if transfers and young golfers enter the program.

Zac Henderson Advances To Regionals In Track

by Sedelta Verble
Zac Henderson will advance to the Regional Competition this weekend after he took second place honors in District UIL competition in the Broad Jump event with 21'9". Zac trailed the Hirschi contenders who won first place honors in the Broad Jump by only 3/4's of an inch. Zac also placed 5th in the 100-yard dash and sixth in the 220-yard dash. Mark Bailey placed 4th in the 880-yard dash while Bill Deville placed fourth in the 330 Intermediate Hurdles. Sam Hancock ranked 5th in the 440 dash and John Panter scored 5th in the shot put competition with 44' 10 and 3/4". The Mile relay team from BHS took fifth place honors.

Burkburnett students also made an exceptional showing in freshman running events as Wayne Enright won the 880 yard run with 2:09.3. The Burk 440 yard relay team took third place honors as David Ray ranked second in the 120 high hurdles and placed 4th to Tim Kormos's third in the 330 yard hurdles. James Varner gained 5th in the 100-yard dash with 11.7 to conclude the running events. In the field events, Freshman athletes also made themselves known. Tim Kormos achieved third in the high jump event with a height of 5'2". Tim also took third place in the broad jump contest. Glenn Miller obtained a 5th place for Burkburnett in the discus throw.

Mark Wilson Talks About Drugs At 24th Annual Scout Banquet

All Boy and Girl Scout leaders, assistants, and their spouses attended the 24th Annual Social Banquet on April 4 at the First Methodist Church in Burk. Following the covered dish supper, Mark Wilson, special guest speaker from Wichita Falls, spoke to the group on Drug Abuse. The purpose of the banquet was to further relations between the Boy and Girl Scout organizations for the better-

ment of the community, and to combine our energy on service projects. A workshop has been scheduled for this coming fall to try and accomplish these means. Special guests included Mr. Mickle Gaines, Field Advisor of the North Central Texas Girl Scout Council and Mr. Everett Lutyens, Chairman of the Boy Scout Council Committee. Girl Scouts acted as hostesses for the event.

Tsgt. Charles R. Callison of Burkburnett has arrived in Ankara, Turkey for assignment with a U.S.A.F. Support Unit in Turkey. Sgt. Callison, a Medical Supply Technician, is the son of Mrs. Edith Jackson of 615 E. 2nd Street.

Burkburnett's 18th annual rodeo and Boomtown celebration has been set for June 27-29. A red hot sales promotion campaign by Burkburnett merchants will ignite the three-day event. Bob Monaghan, retail Merchant Council president, will head this portion of the celebration. "Boomtown Parade" will be held in downtown Burkburnett at 3 p.m. Following the parade, there will be a community barbecue with John Gill chairman. This will be followed by the rodeo.

Burkburnett High School was represented at the State Student Council Conference at Abilene last week by Bill Byars, Bob VanLoh, Gustena Lawson and Twila Bridges. Roy Silkwood, Principal, was a state official, serving on the Scrapbook and Display Judging Team.

When the Red River Regional Bloodmobile recently visited Burkburnett, the principal of the Burk High School, Roy Silkwood donated his 9th pint of blood to help his fellow citizens. He is a member of the Red Cross Blood Club and has a rare A - negative type blood found only in 6% of the population. Burkburnett Red Cross Blood program chairman is Dr. J.A. Davey.

The Current Literature Club will celebrate forty years in Federation at a special anniversary party April 11. The event will be held in the Fellowship Hall of First Baptist Church. All former members will be honored guests.

Michael W. Thomas, seaman apprentice U.S. Navy, son of Mr. and Mrs. W.H. Pemberton of 738 West Main, Burkburnett, is serving with the staff of Commander Submarine Force US Pacific Fleet at Pearl Harbor, Hawaii.

Sunday, April 7, the Providence Baptist Church, located at the corner of Floyd and 8th Streets, held dedication services in the new education wing. The Brotherhood of the Jan Lee Baptist Church financed the completion of the building. The Jan Lee Church committee se-

4-H Club Hears Program On Snake Handling

by Tam Garland, reporter
The Burkburnett 4-H Community Club met April 3 in the Burkburnett Bank.

Our speaker was Mr. Bob Laurick of Wichita Falls. He is a professional taxidermist and snake handler.

He spoke on snakes, how to handle them, and first aid for emergencies. Mr. Laurick took a snake bite kit and showed us what a person bitten by a snake should do.

In Mr. Laurick's talk, he also told about the tourniquet and why it is better not to use it. Professional snake handlers recommend the suction cup and iodine.

While he was talking on this, he gave the Club an assignment: call a local doctor, a Wichita Falls doctor and a Sheppard doctor and find out what they think of the tourniquet.

Mr. Laurick brought three types of pet vipers—a copper head, a rattlesnake, and a diamond back rattler. He also discussed the cotton mouth water mouth moccasin and other poisonous and non-poisonous snakes in this area.

The Club would like to thank Mr. Bob Laurick for taking his time and talking with us.

During the 4-H meeting we were informed that there is a coming vegetable show and a Youth Fair May 5.

Airman Masters Grads Recently

Airman First Class Michael G. Masters, son of retired Air Force Master Sergeant and Mrs. Willie R. Masters of 123 Hardin Street, Burkburnett, has graduated from Federal Aviation Aeronautical Academy, Oklahoma City, Okla.

The airman, who learned to work on and repair computers used in the radar sights, is being assigned to Neah Bay, Washington. He will be accompanied by his wife and son, Jon.

Airman Masters graduated from Burkburnett High School in 1970.

His wife, Carol, is the daughter of Mr. and Mrs. Alvin Jeter of 1004 Louisa, Iowa Park, Texas.

Robert Bolduc, 412 Park St., was a little surprised last week when he discovered a large coin buried in his garden which depicted the sinking of the Lusitania. The coin was dated May, 1915. Bolduc stated that it might be worth some money, but he is not for sure yet.

Creative Arts Exhibit Winners Announced For District Convention

Winners in the creative arts exhibit of the Santa Rosa District Convention have been announced by Mrs. Joe Boucher, Burkburnett, exhibit chairman.

Awards were presented to club women from six towns representing 15 categories of creative art. A total of 112 entries were on display at the convention in Seymour.

Awards for first and second places were presented for creative stitchery to Mrs. Carol Carter, Burkburnett, and Mrs. Clarence Milbanks, Seymour; for ceramics, Mrs. Betty Pruet, Burkburnett, both awards; miscellaneous, Mrs. Sandy Smith, Burkburnett; and Mrs. Ulrich Lea, Knox City; season decorations, Mrs. Elmo Hoover and Mrs. Guy White, Seymour; dried flowers, Mrs. Lena McGee, Knox City, and Mrs. A.S. Hawkins, Quanah; recycled art, Mrs. Ulrich Lea,

You don't have to be a softball fan to like the "Kind and His Court", according to Eddie Feigner, founder, mentor and star performer of the diamonds awesome foursome. "Our bag is entertainment", says Feigner, "and as long as we can make the fans laugh and cheer, we're happy. The fun will begin at 8:00 p.m. April 12 when the jolly jesters take on the Wichita Falls Merchants at Scotland Park in Wichita Falls.

News From RANDLETT

by Mollie Elliott

Mrs. Nela Bowman returned home Sunday from Stillwater after spending the weekend with her brother, Dr. Oliver Wilhelm.

The Daisy Club met Tuesday, April 3 at the City Hall. Mrs. G.A. Lewis gave the devotional. The Lord's Prayer was repeated in unison.

Roll call was answered by "What Decorating Improvement I Could Make in My Home". Minutes of the previous meeting were read and the financial report given. Plans for a dress review were discussed and the May meeting was planned.

Mrs. B.B. Menz presented the lesson. Several exhibits were displayed of accessories made by members.

Rose Griffith won the door prize. An all day meeting will

be held April 17. Everyone should bring a covered dish. Election of officers was held and the president is Mrs. Bud McAdoo; vice-president, Mrs. W.R. Baldwin, secretary and treasurer, Mrs. Lavoy Bentley.

Members present were Messdames Bud McAdoo, C.O. Wilson, Jess Butler, N.R. Kirkpatrick, C.H. Thompson, Lavoy Bentley, Clarence Vache, W.R. Baldwin, G.A. Lewis, Rose Griffith, Nomia Wilkinson, B.B. Menz, B.L. Ressel, Mollie Elliott. Refreshments were served by the hostess, Mrs. G.A. Lewis.

Mr. and Mrs. J.M. Butler and family visited her mother and brother of Tulsa from Sunday until Tuesday of last week.

Mrs. W. R. Baldwin, Mrs.

David Esparza and son, and Mrs. Robert Goode visited Mr. and Mrs. Buck Pruitt and daughter of Duncan last Tuesday.

Mr. and Mrs. Warner Keisling of New Braunfels and Mrs. Clara Klinkerman of Burkburnett visited their brother, Mr. and Mrs. Herbert Keisling Saturday.

Mrs. David Esparza and son David Troy, returned to their home in Little Rock, Ark. Sunday after a two-week visit with her parents, Mr. and Mrs. W.R. Baldwin.

Mr. and Mrs. Wayne Fowler and children of Wichita Falls spent Sunday with his parents, Mr. and Mrs. Ted Fowler.

Mr. and Mrs. J.M. Butler

and family reported ill with the flu Sunday.

Mrs. Flora Hatcher spent from Monday to Wednesday afternoon with her son, Mr. and Mrs. Ray Dean Hatcher and children of Burkburnett.

Mrs. Laura Hopkins is visiting her daughter, Mr. and Mrs. Joe Lindsey and family of Liberal, Kansas. Mrs. Lindsey is to undergo surgery on Tuesday.

Mr. and Mrs. W.E. Morrow spent the weekend with his brother, Mr. and Mrs. Melvin Morrow of Ft. Worth.

Mrs. Flora Hatcher visited her sister, Mrs. Jessie Huff of Walters, Okla. last Thursday afternoon.

A bridal shower will be given Miss Dana Swinford and Mr. Terry Kirkpatrick at the City Hall on Saturday evening, April 21 at 7:30 p.m.

Mr. Lonnie Boles entered a Lawton hospital Thursday for eye surgery on Friday.

Mrs. David Hooper underwent foot surgery in a Wichita Falls hospital last Thursday.

The First Baptist Church held a fellowship dinner at 6 p.m. last Wednesday. A business meeting and fellowship singing followed.

Mrs. A.L. Patterson spent from Monday to Saturday with her daughter, Mr. and Mrs. Al Stob and children of Oklahoma City.

Mr. and Mrs. M.M. Bowles spent Saturday and Sunday with their daughter, Mr. and Mrs. Bob Ritchie and family of Wichita Falls.

Mrs. N.O. Fisher entered a Wichita Falls hospital last Wednesday and underwent surgery Friday.

Back Benson reported ill in a Wichita Falls hospital.

Mrs. Thelma Reading and Miss Wanda Best of Wichita Falls visited Mrs. Robbie Best and Carl on Sunday of last week.

Mr. and Mrs. B.L. Ressel returned home Monday of last week after spending the weekend with their son, Mr. and Mrs. Dennis Ressel of Paris.

Ireland, Subject Of Rev. McManus

Hear Rev. Victor McManus at Central Baptist Church on April 14 at 7:30 p.m. and find out what is happening in Ireland. He will prove that the Communists are responsible for the conflict that continues.

Devot News

Mrs. J.D. Eubanks of Norman, Oklahoma arrived Sunday to spend a few days with her sister, Mrs. Joe Champion, and her brother, John Coker.

Mrs. Pearl Coker, who has been on the critical list, in the Elmwood Nursing Home at Omaha, Texas is reported to be in critical condition.

Recent company of Mr. and Mrs. O.D. Nalls were Mr. and Mrs. C.W. Sanders and son, Kelvin of Hereford, Texas and Sheryll Oxford of Gfacement, Okla.

Mr. and Mrs. F.G. McClendon visited their daughter and son-in-law, Mr. and Mrs. Bob Carroll in Weatherford on Saturday.

Kathy Daugherty of Wichita Falls was recent company of Mr. and Mrs. McClendon.

Burk Riding Club Host To Dist. Playday

by Bobbie Klinkerman
Burkburnett Riding Club

Hi Folks! We here at Burkburnett are really booming. We have had a very full month. We had a very good playday March 11. The weather was just beautiful and that made us happy. Our weather has been pretty bad since the first of the year. One day it is cold, then rain, then sun. We never know. We really had a good crowd out.

We are sorry that we have had a couple of our members under the weather. Mrs. Phillis Klinkerman had surgery, but at this writing is doing fine. Mrs. Dreda Goins is in the hospital. We hope her condition improves soon.

We were host to the District playday last weekend. We had a little excitement. Mr. Robert Brown put on a show for us. His horse decided to buck through the arena instead of running. We all got a big laugh out of that.

We used the new plastic potatoes and had some experience we didn't expect. The potato bounced back out of the barrel some.

Our club had an auction sale and rummage sale. We worked hard and made good money. We would recommend it to other clubs. We also auctioned baked goods off. People really buy baked goods.

We had our monthly meeting and the directors met and elected Wendell Goins to represent the club and meet with the Chamber of Commerce on subject matters.

The club decided to have our trail ride April 15 at the Red River beginning at 1:30. Each family will bring a picnic lunch and it will be spread together.

It was decided that the club will make a donation to the City Welfare Fund.

Tom Lowery volunteered to be in charge of the weed killing around the arena. Don appointed Elmer to get the sign painted for the arena.

The May playday will be on a Sunday with registration at 1:00 and ride at 2:00. In June, the playday will be held on Saturday night with registration at 5:00 and ride at 6:00.

The Burk Club is going to have a fun playday April 29 to practice all new games. Register at 1:00 and ride at 2:00. The Burk Club has purchased the new potatoes to use.

A thank you card was read from Phillis Klinkerman for the flowers given her while she was in the hospital.

We are proud that we have two new families in the club since our last meeting.

Deward Kemp donated a stove for us to use in the club house.

We are having our regular playday this Sunday. We are all praying for a pretty day.

F-C Organization Meets In Its Regular Session

The Friberg-Cooper Community Organization held their regular meeting Monday evening at the Community Center. President, Leroy Barfield, called the meeting to order.

Prayer was given by Rev. Arthur Ackenborn, pastor of Friberg-Cooper United Methodist Church.

Plans were made to place a light in the community yard. Program chairman, Mrs. Ralph Swinford introduced Mrs. W.T. Jeanne who showed slides and spoke on her trip to Europe last year.

The next meeting will be May 7 and Mrs. Cecil Jarvis will present the program.

Refreshments were served by Mmes. Ralph Swinford, Bee Bryant, Willie Marton and Loma Vollmer.

School Menu

April 16-19, 1973
MONDAY - - Corn dog with mustard, relish, field peas, seasoned mixed greens, bread, butter, milk, cookies.

TUESDAY--Hamburger, bun, onion, pickle, mustard, french fries, lettuce & tomato, butter, milk, peanut butter brownies.

WEDNESDAY - - Sausage pizza, pinto beans, corn bread, buttered spinach, butter, milk, chilled fruit.

THURSDAY-- Fried chicken, whipped potatoes, cole slaw, hot rolls, butter, milk, ice cream.

FRIDAY--HOLIDAY.

Multiphasic Screening Unit To Be Located In Walters, Oklahoma

The Multiphasic Screening Unit of the Oklahoma State Department of Health will move into Walters next Monday, April 16 for two weeks. Sponsored by the Cotton County Extension Homemakers Council, the unit will be located on the Cotton Electric Employees' Parking Lot. Screening will begin on Tuesday and the unit will remain in Walters until Friday, April 27. Screening will begin in Temple on Monday, April 30 and continue until the concluding date, May 11.

There is no cost to the individual for the screening. Persons 18 years of age and older (or married women under 18) are eligible for the screening. Screening includes testing for obesity, diabetes, hypertension, glaucoma, heart disorder, anemia, pulmonary function and cervical cytology.

No one is screened for a disease previously diagnosed.

A few appointments for the unit in Walters are still available by calling the OSU Extension Office, 875-3136. Appointments are scheduled from 8-5 Monday afternoon through Friday noon. For those unable to come during the day, screening will be done the night of Tuesday, April 24. Persons desiring a night appointment may call the OSU Extension Office.

FARM COSTS UP -- With farm costs continuing to spiral upward, cost control will be a critical factor during 1973, contends an economist for the Texas Agricultural Extension Service. Unless farm prices keep pace with increases in production for farmers -- seed, feed and livestock -- increased by 10 percent in 1972. Nationwide, farm production costs rose 7 percent last year.

FARM REVIEW

B. T. HAWS

County Agent News

Price Freeze To Have Long Range Effects

President Nixon's decision to freeze the retail prices of beef, pork and lamb may have long-reaching effects on future production plans of farmers and ranchers, believes Dr. Ed Uvacek, livestock marketing specialist for the Texas Agricultural Extension Service.

"Production costs of farmers and ranchers are continuing to increase. Since there is no freeze on these inputs and the producer knows now that he will not receive any higher prices for his animals, he may just become 'fed up' with the whole situation. This could mean a pullback in resources and less expansion. And that's certainly not what is needed at this time."

Just at a time when producers should be expanding their herds to meet the increased consumer demand for red meat, they are caught in a situation that may "choke" some of them out of production or at least cause them to slow down on their expansion, notes the Texas A&M University specialist.

Uvacek believes this ceiling will stymie many farm and ranch efforts directed to herd expansion. "Producers will feel like they're in a dark room, afraid to move. Still others may even react with a 'get even' attitude and hold back cattle and calves."

"Right now farmers and ranchers need to be enticed to continue to increase production," Uvacek stresses. "Higher prices have done this. Unfortunately, expansion takes time. You just don't produce more beef or more pork or lamb overnight."

"Some analysts already project a shortage of beef in the second half of this year," points out the marketing specialist. "This shortage could become even more critical in the wake of the ceiling on meat prices."

Consumers will probably see less meat in the grocery case of the future and will be paying more for it, unless livestock producers are given some incentives for profitable production, contends Uvacek.

Separations are more numerous among non-whites than whites, and in urban rather than rural areas, according to Dorothy Taylor, specialist in family life education, Texas Agricultural Extension Service, Texas A&M University.

We would like to urge all people in the North Texas and Southern Oklahoma area to attend the annual Farm Expo to be held in the 4-H Center on April 13 and 14. This event is sponsored by the Wichita Falls Board of Commerce and Industry.

There will be a million dollar farm implement display and other equipment that will be of interest to both men, women, and youth.

This year we are having a 4-H and FFA Tractor Safety Contest on Saturday, April 14. Mark this date on your calendar and plan to attend.

Wheat throughout the area is five to 20 inches in height with the most in the seven to 14 inches range. Small grains continue to grow rapidly.

Garland Marshall, who has served the Texas Agricultural Extension Service in the fields of rural and resource development, has assumed the new role of community improvement specialist. He will give leadership to the Texas Community Improvement Program which was formerly coordinated by Reagan Brown. Brown has taken a leave of absence to serve as a special assistant to Governor Dolph Briscoe.

A new vaccine is now available to reduce newborn calf losses resulting from a diarrhea caused by a red-like virus. The red-like virus vaccine has been licensed by the U.S. Department of Agriculture and is available through local veterinarians. To be effective the vaccine should be administered to calves as soon as possible after birth.

The decorating look for 1973 is "comfort." Curved, soft, molded lines of new furniture and patterns of upholstered fabrics and wallpapers reflect the Chinese influence, notes Patricia A. Bradshaw, housing and home furnishings specialist, Texas Agricultural Extension Service, Texas A&M University.

Try a glass of chilled fruit juice for a "middle-of-the-afternoon lift," suggests Karen Krelpke, foods and nutrition specialist with the Texas Agricultural Extension Service, Texas A&M University.

County Extension Agent

JOYCE SMITH

Tex. Conservation Awards Program Names Winners

Texas Electric Service Company, Wichita Falls Division, and Mrs. Elmer Klinkerman of Route 1, Burkburnett, have been selected as Region Five winners in the Texas Conservation Awards Program.

The announcement was made this week by the Fort Worth Area Chamber of Commerce, sponsor of the Awards Program, and Fred Dwyer, chairman of the Board of Directors, Wichita Soil and Water Conservation District.

The winners will be honored at a banquet in Weatherford on May 19. The Area Five Awards Program is being sponsored by the Hood-Parker SWCD.

Mrs. Klinkerman was winner in the Conservation Homemaker division, and Texas Electric Service Company was tops in the Environmental Improvement-Plant or Industry Category. TESCO Division Manager is E.L. Watson of Wichita Falls.

Working Wet Soil Can Result In Wasted Effort

Soil that's too wet will prevent proper incorporation of preplant herbicides which later results in poor weed control. This warning is sounded by Dr. Robert B. Metzger, area agronomist-cotton with the Texas Agricultural Extension Service at Lubbock.

Working wet soil produces clods that cannot be mixed properly with the herbicide, Metzger explained. As a result, weed seed germinate in these soil clods after a rain and cause weed problems after the cotton emerges.

Proper application rate and good incorporation is the key to getting good weed control with preplant herbicides, he says. Growers should follow the label, applying rates according to soil type.

"Heavy textured soils," Metzger emphasizes, "will require higher rates than lighter, sandy type soil. Excessive crop residue or more cloddy conditions may require slightly higher rates to get effective weed control. Heavy crop residue should be worked into the soil before spraying."

The best incorporation is obtained when the soil is slightly on the dry side, the agronomist points out, but anytime the soil works well with tillage

equipment is a good sign that the herbicide will mix properly with the soil.

The Extension specialist added that under certain conditions, a producer might obtain higher return for his herbicide dollar if he considers banding herbicides at planting, using a drag behind his planter for slight incorporation.

"Banding herbicides at planting helps insure against weed growth if conditions such as cloddy soil, high crop residues, and excessively wet soil prevents good incorporation of preplant herbicides," he explains.

"Producers should check the guarantee label concerning the use of Treflan and Planavin at planting. Applying herbicides at this time will result in substantial control of pigweed and other annual weeds, but will not effectively control Johnsongrass, volunteer grain sorghum and other deeper germinating weed seeds."

Other preemergence herbicides applied at planting and approved for cotton, Metzger reports, are Caparol, Sancap, Dacthal, Kar-nex and Lassol.

The specialist who has worked on the herbicide problem with producers for years says that cotton growers should attack weeds early.

Automatic operation. Fully automatic two-light fixture -- turns itself on at dusk and off at dawn. So it's always on when you need it, off when you don't.

Directional control. Each bulb is recessed in a shield to give Eave-Lite an effective, but subtle glow. The strong, baked enamel shields are adjustable for full directional control, so you can direct light to the desired areas.

Helps prevent accidents. Because it's always there to greet you after dark, Eave-Lite helps avoid stumbling over objects. Adds cheerfulness to your home, and gives you a wonderful sense of security.

Guaranteed 3 full years. If anything goes wrong with the fixture during the warranty period, Texas Electric will repair or replace your Eave-Lite absolutely free (excluding bulbs). Eave-Lite is Underwriters Laboratory listed, too.

Special long-life bulbs, too. The bulbs that come with your Eave-Lite are designed to last up to 12,000 hours (about 3 years in Eave-Lite).

So economical to operate. Eave-Lite costs only about four cents a night for operation.

So easy to own. No down payment. No finance charge. Take up to 36 months to pay (\$2.00 minimum monthly payment). You can simply add it to your electric bill.

The newest idea in automatic outdoor residential lighting.

Introducing **Eave-Lite**

Only \$49.50 including normal installation.

Cotton County Wheat Growers Assn. To Meet

There will be an important meeting of the Cotton County Wheat Growers Association Monday, April 16 at 7:30 p.m. in the Civic Room of Cotton Electric Co-Op in Walters, Oklahoma.

The principal speaker will be Ray Davis of Potter, Nebraska who is President of the National Wheat Growers Association. Davis' speech concerns the future of the farm program and the current wheat situation. Earl Abernathy of Altus, Oklahoma, president of the Oklahoma Wheat Growers Association, will give a report of the state organization, Charles Rhodes of Oklahoma City, Executive Secretary of the Oklahoma Wheat Commission, will report on activities of the Oklahoma Wheat Commission. All Cotton County farmers are urged to attend as the present farm program is scheduled to end December 31.

PROTECT TREES -- Trees need special care to protect them from diseases, says a plant pathologist for the Texas Agricultural Extension Service. Proper watering and fertilization are especially critical. Care should be used to prevent construction injury, and caution is needed when using weed killers and pesticides near trees.

HOLSTEIN SETS RECORD -- a 10-year-old registered Holstein Friesian in Hopkins County has set a state record by producing 35,332 pounds of milk and 1,105 pounds of butterfat in one year. Her name is "Blossom" and her owner is Bill Jack Allen of Brinker. The average annual milk production per dairy cow in Texas is 12,529 pounds.

COTTON PICTURE -- The cotton picture looks good going into the 1973 season, says a marketing economist for the Texas Agricultural Extension Service. Overall, prices should be good due to a strong demand, especially with allotments cut by 13 percent across the nation.

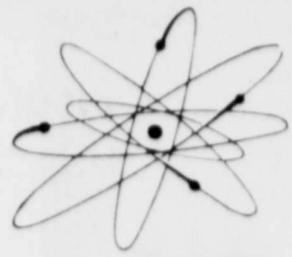

Snapper. The mower that works like a beaver.

It's the best riding mower you'll find. Tough, rugged and powerful enough to sweep, doze, haul, fertilize or aerate when equipped with attachments.

- Comfortable, safe maneuverability.
- Fully enclosed transmission.
- Five forward speeds plus reverse.
- Powerful 5 and 8 HP engines.
- Priced much lower than many bulky garden tractors.

SHEPPARD AIR FORCE BASE

SHEPPARD AFB, TEXAS--SPONSOR WALKER--Mrs. Madge Francis, executive secretary, discusses the pledge sheet for the Miles for Children Walk with Dave Rhone, president, both of the North Texas Home Builders Association when that organization pledged money for a number of members of the 3776th Student Squadron of Sheppard Air Force Base. From left to right, are Airman Richard A. Wheeler of the squadron; Dub Dennis, of the Home Builders; and at right, Airman Jeffrey D. Morris. The Home Builders sponsored several airmen in the March of Dimes walk. (OFFICIAL USAF PHOTO BY AMN LARRY ORIO)

Dr. Kubler-Ross To Hold A Two Day Conference On Death And Dying

SHEPPARD AFB, TEXAS--Dr. Elizabeth Kubler-Ross, renowned consultant on the care of dying patients and their families, will be at Sheppard April 12-13 for a conference on death and dying.

All sessions will be open to the public. Dr. Ross will give four presentations. On April 12 at 9 a.m. for "Meaning in Death" and "Stages of Dying". That afternoon at 1:30 p.m. she will speak on "Needs of the Dying Patient" and "Dealing With the Terminally Ill."

On Friday, April 13 at 9 a.m. Dr. Ross will address the conference on "Children and Death" and "Problems of Death in a Dying Society" and that afternoon on "Acceptance of Death - A Lesson from the Dying" and "Special Problems in Relationship to Death and Dying."

A native of Zurich, Switzerland, Dr. Ross began her work in the mid-sixties when approached by a student wanting to do research on patients faced with terminal illnesses. Dr. Ross believed the best way to do this was talk with the patients themselves. Strangely, she found the patients willing to talk about their experiences while their families and doctors were against it, feeling it was cruel.

Despite this, she interviewed more than 300 patients faced with imminent death and found that they pass through five stages of psychological change before dying.

In the first stage after first learning of his situation, the patient is unwilling to face certain death--he rejects the fact that it could happen to him. This gives way to the second stage--anger where the patient fights his condition; he is furious that he could be in such

a situation. This in turn changes into the third stage where the patient begins to bargain for his life. He may make promises to God or will parts of his body to science, all with the implicit understanding that in exchange for a kidney or a confession of sins he will be given life.

When it becomes obvious that this will not work, the patient enters the fourth stage: depression. Here he feels that nothing will save him, and he begins to mourn for himself, to feel sorry for himself. But as the patient senses the end drawing near, he enters the last stage, acceptance, where he is ready to die.

Dr. Ross explained her findings in her book "On Death and Dying" which appeared in 1969. Among other things we found that a patient never really gives up hope that something may save him; he may accept his fate, but he is never resigned to it. She also found that the family often needs more support during the last stage than the dying.

Dr. Ross has done most of her work in Chicago. She has served as assistant professor of psychiatry and assistant director of the Psychiatric Consultation and Liaison Service at the University of Chicago.

People interested in attending any of the sessions are asked to call the Sheppard Chaplain's office at 851-2762 for reservations.

SHEPPARD AFB, TEXAS--ALL IN FAMILY--Airman Joyce Olive Kitchen activates the card reader of the digital subscriber terminal equipment in the Communications Center Specialist Course at Sheppard Air Force Base. Looking on is her husband, Airman Larry R. Kitchen who completed the same course March 27. The two are being reassigned to Shaw AFB, South Carolina, their first permanent base. (OFFICIAL USAF PHOTO BY AMN LARRY ORIO)

Air Force, A Family Matter For Larry & Joyce Kitchen

SHEPPARD AFB, TEXAS--"We've competed in many parts of our training," stated Airman Larry Raymond Kitchen in discussing the schools which he and his wife, Airman Joyce Olive Kitchen, have taken in the Air Force thus far.

Both natives of Middleboro, Mass., the two completed the Communications Center Specialist Course of the USAF School of Applied Aerospace Sciences Sheppard in different classes.

He graduated March 27 and she completed the course Tuesday. While they were not in the same class, they compared accomplishments throughout the course.

She concluded the course with a 95 percent average and was number one in her class; he had a 91 average to rank fourth in

his class.

Even in basic training at Lackland AFB, Texas, they tried to see who could do best. He was with the 3707th Squadron and she was with the 3743rd Squadron. Both finished in the top 15 percent of their classes, so that they earned their first stripe when they completed basic training in early January.

They did not get the promotions, however until the national freeze on salaries was lifted in February.

This husband-wife team came into the Air Force with guaranteed assignments. They selected the communications operator course after both qualified

with high scores, and both could be assigned to the same base--Shaw AFB, S.C.

At Sheppard he was assigned to the 3775th Student Squadron and she to the 3781st (Women in the Air Force), both of the School of Applied Aerospace Sciences.

Both are graduates of Middleboro High School.

Prior to entering the Air Force he worked for a furniture building company and she was a factory worker. They married July 8, 1972.

His parents are Mr. and Mrs. Raymond A. Kitchen, 1185 Centre Street and her parents are Mr. and Mrs. Albert Young, 712 Plymouth Street, both in Middleboro.

Biomedical Course Now Offers A One Year Degree Program

SHEPPARD AFB, TEXAS--Graduates of the U.S. Air Force Biomedical Equipment Maintenance Course at Sheppard Air Force Base now has available a one-year degree completion program from Park College in Kansas City, Mo.

After initial evaluation of the USAF School of Health Care Sciences curriculum in this technology, the college agreed to grant students 30 semester hours of credit toward a bachelor of arts degree in physics.

Under the Park College Program, interested individuals may accumulate an additional 42 semester hour credits through off-base education, other service training and United States Armed Forces Institute examination and College

Level Examination Program. Individuals accumulating the necessary 72 hours may apply through Bootstrap procedures for evaluation by and admittance to Park College.

The one-year degree completion program is structured to provide the individual the necessary additional 48 semester hours of credit required for graduation. In addition, students have an option in deciding whether their studies will have a biomedical or engineering emphasis.

Hirschi Students Attend Seminar At Sheppard AFB

SHEPPARD AFB, TEXAS--Forty students from Hirschi High School attended a one-hour seminar at the School of Health Care Sciences at Sheppard AFB Tuesday.

The student group received a briefing on various types of medical equipment systems used in modern patient care facilities. Highlighting the briefing on various types of medical equipment systems used in modern patient care facilities. Highlighting the briefing, given by the staff of the Biomedical Equipment Maintenance Course, were comments regarding the various safeguards used in modern equipment to insure a safe patient/machine interface.

The students were accompanied by Delbert W. Todd and Mrs. Jean Lewis of Hirschi High School's Biology Department.

NCO Wives Make Their Plans For Club Activities

SHEPPARD AFB, TEXAS--The Noncommissioned Officers Wives Club at Sheppard Air Force Base changed its luncheon meeting to April 12 so that the Carswell AFB NCO Wives Club can meet with them.

The meeting will be held at the NCO Club at 12 noon.

Arrangements for this meeting as well as plans for activities throughout the month of April were made during the business meeting Thursday morning at the NCO Club.

Hostesses for the meeting were Mesdames Anthony Smith and Ann Mambretti.

A bake sale will be held April 14 at 10 a.m. at the Airman's Exchange.

Mrs. Robert Grass was named second vice president of the club.

The club will honor senior high school students (sons and daughters of NCO Wives Club members) and their parents, the executive board members and the scholarship judges with a Coke party in the velvet room of the NCO Club April 28.
