AUSTIN, Tex. — A flood of Mexican aliens, estimated at more than a million a year, is pouring into Texas, according to a new Texas Good Neighbor Commission report.

More than half the illegal entrants cross the Rio Grande into Texas.

Good Neighbor Commission said the number of such entries is greater than the total number of immigrants who entered the U.S. legally from all the countries of the world.

Last year, the GNC noted, 575,000 deportable Mexican aliens were found in the U.S., and immigration officials figure one escapes for every one apprehended.

Sophisticated smuggling techniques aid the crossings.

Immigrations have a social and economic impact in virtually all regions, since the aliens move on to metropolitan areas all over the U.S. in search of better jobs and safety from arrests.

Top AFL-CIO officials promptly called for tough new state laws making it an offense to hire illegal aliens, punishable by stiff fines or prison terms.

DEMOCRATS TO DELAY — Democrats are still in a dither about whether they should "recess" their September 17 state convention until September 19 to avoid a conflict with a high Jewish holy day.

A rules change to allow the delay will be aired at a special meeting of the State Democratic Executive Committee in Austin July 16.

If hotel rooms can be made available September 19, SDEC will consider the change to keep the convention from falling on Rosh Hashana, the Jewish

WELFARE ROLLS DECLINE — Fewer Texans got welfare benefits last year, the Department of Public Welfare reported.

The department's annual report showed Old Age Assistance was down from an average of 210,000 monthly in 1972 to 182,000 in 1973.

Aid to Families with Dependent Children declined from a peak of 121,588 in February 1973 to 118,681 families in July.

COURTS SPEAK — The State Supreme Court held unconstitutional a new state law regulating juke boxes and other coin-operated amusement machines.

Attorney General Hill called on the U.S. Supreme Court to accelerate a Texas case challenging impoundment of water pollution funds by President Nixon.

per cent order were E. Texas and Kelly-Snyder fields which were restricted to 86 per cent production.

BEAUTIFICATION AWARDS MADE — Seven cities received Governor's Community Achievement Awards for outstanding community beautification projects during the last year.

Winning cities were Stanton (under 2,500); Eastland (2,501 - 5,000); Athens and Jacksonville (5,001 - 10,000); Lufkin (10,001 - 20,000); New Braunfels (20,001 - 60,000) and San Antonio (over 60,000).

Eighty-six communities submitted entries in the competition. Awards were made at the seventh annual meeting of the Beautify Texas Council here.

BUDGET HEARINGS START — Hearings of the 1976-77 state budget — the first to use the new zero-base system — are under way.

BALLOON IS RETURNED—Sandra Miller, eight-year-old daughter of Mr. and Mrs. Joe Miller of 209 Mesquite, Burkburnett, released a gas-filled balloon named "FATSO", with her name and address on it at 7 p.m. Saturday, May 25. The balloon was found by a six-year-old, Gregg Thomas in a Crouse, North Carolina pasture about 4 p.m. on May 26. He enclosed the balloon in a letter and sent it back to her in Burkburnett. Gregg was born and lives in Honolulu, Hawaii, and was visiting an aunt in Crouse when he found the balloon.

Sandra's mother stated that each time Sandra obtains a gas filled balloon she releases it hoping that someone will find it, but this is the first time she has been notified that it had been found. (Informer/Star Photo)

LETTERS to the EDITOR

you have responded with things like "I'm too tired to get dressed up." Or "It's too far to go anyplace now." Or "It costs too much and the traffic is terrible and I don't like to be around a bunch of strangers when I don't even seem to have the time to visit with my friends".

Moms have the same songs that are sung all summer long, don't they?

Well, NOW there is a NEW answer for you, thanks to the work of a concerned city, community, and an active Chamber of Commerce.

What is it? It's the 4th of July Community Barbecue in the park. It will be a time to visit friends, to relax in your own home town, someplace for the kids to have fun without being watched every second, and BEST OF ALL, a time to show YOUR SUPPORT OF YOUR COUNTRY AND YOUR COUNTRY by participating in the activities.

Who knows? This could set a trend and there could be many such local activities to provide the bored and restless citizens with good fellowship in a pleasant atmosphere right here in Burkburnett. All it needs is your response and participation.

We'll look for you on the 4th of July!

*Editor's Note--The Informer/Star received this letter from Virginia Sjolin this week, which is aimed at promoting the July 4 Celebration and the community. It is addressed to the residents of Burkburnett and reads: "AW, GEE, DAD, CAN'T WE GO SOMEWHERE?"

Ever heard that before? Especially in the summer, right? The refrain goes on with things like "I'm so bored. There's nothing to do around here." Right? And your chorus is always the same—I'm sure

But a three-fourth majority is necessary to order the rules amendment.

APPOINTMENTS — Clyde Johnson of Bulverde and San Antonio was named by Gov. Dolph Briscoe to the Texas Water Quality Board, succeeding the late Gordon Fulcher of Atlanta.

Briscoe also named E. Carl Dillard of Pearsall to the State Judicial Qualifications Commission. He reappointed five State Health Advisory Committee members and appointed as new Committee members Mrs. Edd Henard of Wellington, Mrs. Emma Nugent of Orange, Mrs. H.L. Long of Kilgore, Mrs. Marie Bynum of Longview, Rogers Wilson of Austin, W.W. Manley of Terrell, Rev. Claude Black of San Antonio, Domingo Pena of Corpus Christi, Ernest Coker Jr. of Conroe, Ronnie Boules of Pecos and Ed Baker of Arlington.

AG OPINIONS — Atty. Gen. John Hill held a newspaper's donating free space to an official's column when he is a candidate for reelection is not a campaign contribution under the law.

In other recent opinions, Hill concluded:

* A county commissioner may not be paid for serving as appointed lawyer for an indigent defendant.

* Texas Water Development Board has a duty to approve or disapprove plans for proposed levees along any stream subject to floods or overflows.

* An appointed attorney who represents both an indigent criminal defendant in district court and a juvenile in juvenile court the same day may not receive more than one fee.

A hearing was set in the Supreme Court for July 17 on whether two elderly sisters can get back \$100,000 and 7,500 acres of land they gave to the Stephens County Museum, Inc.

The high court ordered the Dallas Court of Civil Appeals to take another look at adequacy of a \$4,146 damage award given a Van Zandt County man who was bitten on the hand by a neighbor's hog.

SHORT SNORTS

Twenty key state agencies report substantial employment increases for blacks and Mexican-Americans.

New textbooks considered for school use will go on display July 1 in 20 regional education service centers.

A \$48,000 state award from the Department of Mental Health and Mental Retardation will assist Attorney General Hill in legal research on rights of the mentally retarded.

Texas is seeking more than \$17 million in federal funds to help finance public school programs for children of migrant farm workers during the 1974-75 school year.

More than 175 Texas areas are eligible for flood insurance through a new special program administered by the National Flood Insurers Association.

Political Announcements

The following have authorized an announcement of their candidacy subject to the November General Election:

For Congress, 13th District: JACK HIGHTOWER
For State Senator, 38th District: RAY FARABEE

Long To Receive Liver Transplant

Huey Long of Burkburnett is under the care of an international team of medical doctors as he awaits a liver transplant at the University of Colorado Medical Center in Denver, Colorado. The medical team, consisting of physicians from Japan, Holland, Sweden, the Philippines, and Turkey, is headed by Dr. Thomas Starzi, winner of the American Medical Association's Brookdale Award. This award is given annually to the person under 50 years of age who has contributed the most to medicine.

Long has been in Denver three weeks and is next in line to receive the liver transplant. The operation, which is still experimental in nature, will be paid for by a federal grant, according to Long.

Physicians working on the international team include Dr. Mac Ishikawa of Japan, Dr. Gauki Koostra of Holland, Dr. Bo Husberg of Sweden, Dr. Reg Picachii of the Philippines, and Dr. Ali Habel of Turkey.

Long expects to remain at the center at least a month while recovering from the surgery. He is in Room 8210 of Ward 8, North Transplant Dept.

OIL ALLOWABLE SET — The statewide oil allowable for July was fixed by the Railroad Commission, for the 28th straight month, at a 100 per cent level.

Major crude oil buyers asked for 3,843,362 barrels of oil daily in July, a decrease of 36,087 from June.

Commission Chairman Jim Langdon pointed out that the U.S. still imports 1.5 billion barrels of crude annually — a "very long way" from self-sufficiency. Exceptions to the 100

per cent order were E. Texas and Kelly-Snyder fields which were restricted to 86 per cent production.

Change filters regularly. It takes very little energy on your part.

Replacing disposable filters or cleaning permanent type filters as required, is one of the easiest ways to help your cooling system do its job more efficiently and economically.

Clogged filters restrict the air flow your air conditioning unit needs, making the unit work harder and longer — which uses more electricity.

Here are some additional ways to help your air conditioning keep its cool:

Don't put lamps or other heat-producing appliances in the immediate vicinity of the thermostat.

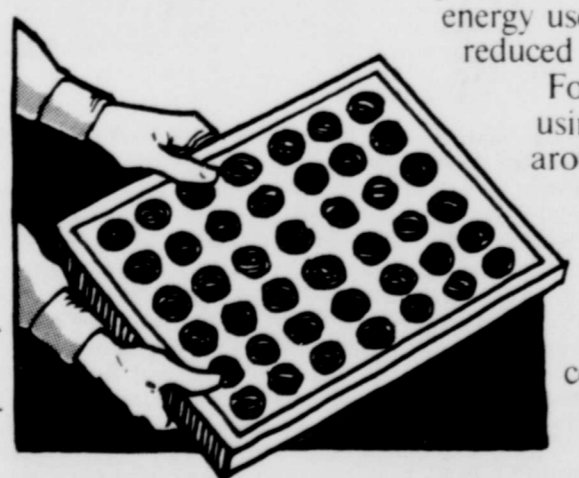

Keep the outdoor unit free of shrubbery or other obstructions that might pre-

vent proper air circulation.

Insulation can pay for itself by lowering your cooling (and heating) costs. You can save as much as 20% or more on energy consumption if your home is insulated to meet FHA standards.

For comfort and economy, set the thermostat at 78-80 degrees. For each degree above 75 degrees, the energy used for cooling is reduced by 5%.

For more ideas on using energy wisely around your home, come by Texas Electric or request our free efficiency tips booklet on the comment portion of your electric service bill.

Sheppard Notes

Foreign students in training at the School of Applied Aerospace Sciences (SAAS) attended a luncheon in their honor at the Sheppard Air Force Base Noncommissioned Officers Club last Tuesday.

The enlisted students, representing nine countries, were hosted by Colonel Carl L. Brunson, commander SAAS.

The students are from Ethiopia, Indonesia, Iran, Saudi Arabia, Tunisia, Thailand, Vietnam, and the Khmer Republic and are in various schools at SAAS such as aircraft maintenance, helicopter maintenance, accounting, and electrician courses.

Mayor T.M. Cornelius of Burkburnett attended the luncheon.

Five civilian employees at Sheppard Air Force Base retired in May.

They are Elsie M. Whitsett, Paul W. Callaway, John R. Eckert, James M. Pierce Jr., and William A. Harriman.

Leaders of the Community College of the Air Force (CCAF) and affiliated schools will review progress made since the college was founded as well as future plans and goals during a two-day meeting at Sheppard Air Force Base this week.

Colonel Carl L. Brunson, commander of the School of Applied Aerospace Sciences at Sheppard, will be the conference host.

Colonel John Phipps, CCAF president, will open the conference with a report on the state of the college. It was founded at Randolph AFB, Texas, in April 1972.

Other subjects to be discussed include revision of the Air Force regulation covering the CCAF policy and operating procedures; personal changes; functions and structure of the CCAF policy council; accreditation, catalogs; course documentation; and career education certificate programs.

Member schools will also report on their CCAF support activities. Frank K. Ezell, Sheppard AFB education services officer, will brief attendees on enrollments, completions and operating procedures developed to locally implement the CCAF programs.

The first Sheppard man to serve on a grand jury commission in Wichita Falls is Chief Master Sergeant Bertram Buckley of Burkburnett.

A weapon system planner in the School of Applied Aerospace Sciences at Sheppard, Sergeant Buckley went to 30th District court in Wichita Falls Friday to meet with other members of the commission to nominate jurors for the grand jury.

Sergeant Buckley first came to Sheppard in February 1967 and his family has lived in Burkburnett since that time even though he has had a one-year tour, from 1971 to 1972, in Korea. His first assignment was as a maintenance supervisor with the 3630th Flying Training Wing with the helicopter flying training mission. The wing has been redesignated to the 80th Flying Training Wing and the helicopter flying training mission has been phased out.

Since his assignment at SAAS in 1972 he works with the F-111 training program.

Surplus government property at Sheppard AFB, Texas, is being offered for public sale by sealed bid.

Items for bid will be scrap textiles.

Inspection of the property may be made 8 a.m. to 3 p.m. from now through July 9, 1974, excluding Saturdays, Sundays and holidays, by contacting the defense property disposal chief, James R. Crossland, bldg. 2135 at Sheppard, telephone 851-2712.

Bids should be mailed to Defense Property Disposal Region - Memphis, P.O. Box 14715, Memphis, Tenn., 38114, where they will be opened 9 a.m. July 10.

Mrs. Don Butcher was named best loser of the week (Take Off Pounds Sensibly) #410 at Sheppard Air Force Base during their weekly meeting Tuesday in building 1455.

Mrs. Richard Deason was

members.

Top KOPS (Keep Off Pounds Sensibly) was Mrs. Henry Holly with a three-pound loss.

The flower contest which began June 18 will continue until there is only one person left without a gain. The petal for each member comes off the week that person comes in without a weight gain.

Anyone interested in knowing more about the TOPS Club may call Mrs. Robert Davis at

855-4082 or Mrs. Russ Hendricks at 855-5466. The next meeting will be Tuesday at 7 p.m. in building 1455 at Sheppard.

Telethon '74 Arrangements Complete

George L. Bristol of Austin, and Gordon R. Wynne, Jr. of Wills Point, co-chairmen of Texas' Democratic Telethon Committee, today announced that arrangements have been completed for the CBS-TV 21-hour long nationwide telecast of the third annual Democratic National Telethon, "ANSWER,

AMERICA- DEMOCRATIC NATIONAL TELETHON '74". The program will be the longest ever televised in America, and will be carried live on 16 television stations in Texas. The Telethon will originate from CBS Studio 33 at Television City in Los Angeles, where a production crew of over

200 and an orchestra of 27 pieces will put the show on the air "around the clock". A Democratic Telethon Committee in many of the fifty states will have local programming "cut-in" segments, and more than 30,000 volunteers will be accepting both cash and credit card pledges on 4,000 tele-

phones in some 230 centers across the country.

In the Burkburnett area, KAUZ TV, Channel 6, Wichita Falls will carry the telecast. The telephone number to call during the Telethon is Wichita Falls (817) 723-7168.

IS IT HONEST TO PRAY "MAKE US HUMBLE"?

"By humility and fear of the Lord are riches and honor and life." (Proverbs 22:4)

Did you know that if you have humility, it will be so because you did it? The Scriptures tell us that, to begin with, Jesus humbled Himself (Philippians 2:8). And they go on to say again and again, "Humble yourself—" Thus, when you pray, "Make us humble," you are asking God to do something He will not do.

James says, "Humble yourselves in the sight of the Lord and He will lift you up (James 4:10). That's what God revealed to the writer of Proverbs—"Be humble, and I will give you—" But you must do it yourself!

Home Demonstration News

By Dee James
County Extension Agent

Do you plan to preserve some of your family food supply at home? Do you know how much you want to preserve? When should you start planning? A good time to start planning for fruits and vegetables is before the harvest season starts, whether you grow your own food or plan to buy it.

Consider the amount of freezer space you have whether it is a chest type, upright or a part of your refrigerator. If your freezer space is limited, you may want to preserve part of the food your family needs by canning. Consider the jars and other canning supplies which you have on hand. Will you need to purchase some new supplies? (Remember you can reuse undamaged jars and rings but always replace used lids).

And how much space do you have for storage of canned foods? Do you need to consider adding some new cabinet or shelf space for these extra canned foods?

Be ready for the season and preserve the foods at the peak of quality and when they are plentiful or lowest in price.

With good planning you can stretch your family good dollar by preserving some of your food at home and assuring your family of garden fresh foods the year round. This can help you to provide your family with the needed food nutrients for good health.

spores (seeds) of some bacteria are highly resistant to heat, which makes it necessary for them to be destroyed by high heat. This is accomplished with the pressure cooker.

What are foods processed by these methods? The water bath is used for such food as peaches, plums and tomatoes. The pressure cooker is used for such foods as beans, peas, corn, beans, greens and okra.

Have you had problems of spoilage of home canned foods? Take a look at the jars and lids you have been using.

Do the jars have chips or nicks at the top? If they do this can cause a poor seal—thus spoilage. Do not use these jars for canning.

Do you tighten the two piece lid as tight as you can get it before and after processing? If you do, this can cause the sealing material to be broken—and again spoilage.

What can you do? Run your finger around the tops of jars and inspect them visibly to make sure they are smooth and free from nicks and cracks. If two-piece, self-seal lids are used, follow the manufacturer's instructions in adjusting the lid and tightening the metal ring. After processing, when the canned product is thoroughly cool, take off the metal ring, if possible without forcing. If the ring sticks, cover it with a hot, damp cloth for a minute or two to loosen. Then wash them to prevent rust and they may be used again. However, the lid may be used only once.

Store canned foods in a clean, cool, dark, dry place. Canned food kept in a warm damp place may change in color and flavor. How long should home canned food be stored? It is wise to use all of it within a year. Freezing does affect canned foods. Canned foods that have been frozen may have undesirable changes in flavor and texture. However, they will not spoil unless the seal is broken.

For a copy of the booklet "Home Canning Fruits and Vegetables" call 322-0721, Ext. 38.

COOK-OFF WINNER--W. Dane Kimmell, president of the Texas Broiler Council, presents Virginia J. Sunbarger with the first place award in the first annual Texas Chicken Cook-Off. The Texas Department of Agriculture and the broiler council co-sponsored the event.

'Pollo Borracho' Wins State Chicken Contest

AUSTIN--Virginia J. Sunbarger, 7940 Cliffbrook Drive, Dallas, has been named winner of the first annual Texas Chicken Cook-off.

Along with taking home \$150 for her winning recipe, Ms. Sunbarger has also won a trip to Winston-Salem, N.C. to represent Texas at the 25th National Chicken Cooking Contest July 25.

First prize at the national contest is \$10,000. The Texas Broiler Council and the Texas Department of Agriculture co-sponsored the state-wide event.

Other finalists who competed in the cook-off at the University of Texas Home Economics Laboratory included Vicki A. Jones, 5110 Chevy Chase, and Mrs. Gerald Hargis, 7738 El Rancho, Houston, Mrs. Johny L. Hester, 5930 Oram St., Dallas, and Nelda Goeth, 4529 Weber Road, Corpus Christi.

The five finalists were chosen from entries submitted to the national contest headquarters in Washington, D.C.

"POLLO BORRACHO"
1 broiler-fryer (2½-3 lbs.) chicken, cut into serving pieces
¼ c. corn oil
¼ tsp. salt
¼ to ½ tsp. garlic powder (to suit personal taste)
½ tsp. crushed oregano
1 tsp. paprika
1 No. 303 can tomatoes, chopped
5 medium-sized zucchini squash, washed and sliced, but DO NOT PEEL
1 c. red Burgundy wine
1 tsp. flavor enhancer
¼ tsp. pepper
½ tsp. cumin seeds
1 cube or individual pkg. chicken bouillon
1 large onion, sliced

Heat corn oil in a Dutch oven or a large heavy kettle. Sprinkle the chicken pieces with Ac'cent and brown well on all sides in the hot oil. Add all seasonings, salt, pepper, garlic powder, oregano, cumin seeds, paprika, and bouillon cube or powder. Reduce heat to medium-low and add the remaining ingredients, chopping the tomatoes as they are added with their juice, onion slices, zucchini slices, and the wine. Cook covered for approximately 30 minutes and then continue cooking uncovered for another 15-30 minutes as necessary until the chicken is done and the volume of liquid is somewhat reduced. Makes four servings.

Records Needed For Farm Census Report

Farmers and ranchers, get ready for the 1974 Census of Agriculture! Keep good records of your farming operations this year! This is the request of the Bureau of the Census, the Federal Agency that will conduct the 20th nationwide Census of Agriculture during the first part of 1975. The Bureau is part of the U.S. Department of Commerce's Social and Economic Statistics Administration.

Farmers will receive their report forms by mail early in January. They should fill them out and mail them back promptly. Having accurate and detailed records will make it easy for farmers to do this. Questions will be much like those in the last previous agriculture census which covered farming and ranching during 1969.

Kinnaird Attends Youth Tour

Michael Wayne Kinnaird of Randlett, Oklahoma, recently attended the 11th annual Rural Electric Cooperative Youth Tour in Washington, D.C.

Kinnaird, the son of Mr. and Mrs. James Kinnaird, was 1974 winner of the Rural Electric Cooperative essay-writing contest sponsored by Cotton Electric Cooperative, Walters, Oklahoma.

each kind on the farm as well as the number sold and the sales value. Quantities and sales value of their products will be sought.

Details will be requested about farm products produced or marketed under contract. A few questions will be included about hired and contract labor, the number of workers and cash wages paid; also about any injuries to workers.

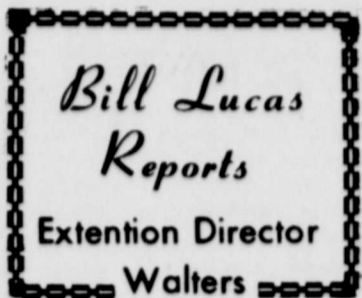

Further expenditure questions will cover amounts spent for feed, fertilizer, pesticides, lime, gasoline and other farm fuels, machine hire, and livestock and poultry purchases.

There will be questions about the various types and uses of land, such as cropland not harvested, other pasture and woodland, and about the value of land and buildings on the farm.

Operators will be asked about farm related income such as recreational services, custom-work provided other farmers, or payments for participation in Government farm programs.

Two types of report forms are being prepared: one for farms with sales of \$2,500 or more, and another less detailed form for places with sales of less than \$2,500. No matter which form a farmer receives, he need answer only those questions that apply to his operation. He should skip questions that apply only to other types of agricultural operations.

By Federal law, every report is confidential. It may be seen only by sworn Census employees and may be used only for statistical purposes. The mail method reinforces confidentiality. It also allows the farmer to complete the report at his convenience with accurate information from his records.

Family Land Heritage Program To Begin

Farmers and ranchers in Wichita County whose families have held the same land since 1874 or before will be honored by the Texas Department of Agriculture's "Family Land Heritage Program", according to Commissioner John C. White.

The program, which will be initiated July 1, will "pay tribute to those families who have proved their respect for and dedication to the land," White said.

This county has some of the oldest establishments in the state, with a long history of dedicated service to the agricultural community and I hope that every qualified family will take this opportunity to be recognized by the people they have served, White said.

Applications and rules for the program may be obtained by

writing Commissioner White, P.O. Box 12847, Austin 78711.

Any family who is certified by Judge Calvin Ashley will qualify for the honor. An applicant need only show a continuous family relationship between the founder of a homestead and the present owner.

The land must have been in use for agriculture by the family since 1874 or before, must be at least 10 acres and producing \$50 or more from agricultural products.

Those who do qualify by August 31 will be recognized in a special ceremony at the State Fair this year and short history of their family and land will be published in a land heritage directory. In addition, local recognition will be provided to the families for their long dedication to agriculture.

Texas Farm Bureau To Sponsor Seminar

More than 500 high school juniors and seniors from all over Texas are expected to attend the 12th annual High School Students Citizenship Seminar in Waco July 15-19. The seminar is sponsored by the Texas Farm Bureau.

County Farm Bureaus have indicated they intend to sponsor more students at this year's seminar than ever before.

The seminar, held on the campus of Baylor University, will include lectures, films, and

discussion concerning "our American heritage and the threat of Communism," according to J.T. (Red) Woodson, president of the TFB. The students' attendance is sponsored by county Farm Bureaus, and they are selected on the basis of scholastic achievement, character, and leadership ability.

Woodson said the seminar is regarded as one of the major annual activities of the Texas Farm Bureau.

"Devol" Author To Have Books Available

Bob Wyatt, author of GATEWAY TO THE BIG PASTURE: DEVOL, said last week that the second printing of his book will be available July 1. He stated that he will take reserve orders now and that this will probably be the last printing of the Devol books.

The Grandfield, Oklahoma

school teacher also noted that his second book, THE HUB OF THE BIG PASTURE: GRANDFIELD, will go to press July 1 and will be available September 15.

For more information contact Bob Wyatt, Grandfield, Okla. or call 479-5423.

Square Dancers Enjoy Outing

RRVA Area Square and Round Dancers participated in dancing at Lamar Park in Wichita Falls Saturday, June 22, at 8 p.m.

Callers were Stub Davis, Robert Walker, and Norman Teague, according to Jack and Marjorie Smith, RRVA Publicity Chairmen.

WEEKLY MARKET REPORT

"Trot on down" to the turkey market for this week's best buy, one authority says.

She's Mrs. Gwendolyn Clyatt, consumer marketing information specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

"Turkey supplies this year are expected to be six per cent above 1973. Big birds are generally the best buy—you can serve a family of five or six several different meals from a large turkey," the specialist noted.

Fresh fruit and vegetable items in greatest supply at lowest prices include oranges, bananas, cantaloupes, watermelons, pineapples, cabbage, squash, sweet corn, okra, green beans, carrots, dry yellow onions, radishes and green

onions, Mrs. Clyatt said. Potatoes are still lower than normal supply, and prices remain relatively high, she said.

"At meat counters, look for best beef values on chuck roasts and steaks, ground beef, round steak and roasts, and rump roasts.

"Pork values include smoked hams, picnics, shoulder roasts and steaks, and end-cut loin roasts and chops", the specialist reported.

The economy-quality egg value continues to be grade A, large-size eggs. Consumer Watchwords: In choosing fruits and vegetables, handle them carefully. Rough handling causes spoilage. Consumers eventually pay for this when the retailer must sell at a price high enough to cover such loss.

Beef Supply Influences Consumption

AUSTIN—Meat production figures for 1973 indicate lessened supply rather than lessened demand caused a per capita drop in meat consumption, said Agriculture Commissioner John C. White recently.

Per capita consumption dropped from 190 pounds in 1972 to 175 pounds. Beef production was down five percent to 21.3 billion pounds; pork, down six percent to 12.8 billion pounds; veal down 22 percent to 357 million and lamb down five percent to 514 million pounds. Total red meat production was off six percent below 1972.

White said consumers ate all that was produced, but that consumer resistance seems to be entrenching itself due to changes in shopping patterns that grew out of periods of short supply last year.

Conservation Money Restored To Farmers

AUSTIN—Agriculture Commissioner John C. White recently reminded farmers that \$19,330,000 in soil conservation funds has been restored by the U.S. Department of Agriculture to Texas for water and land preservation measures.

White said the West Texas drought and dry conditions in other parts of the state make the funds especially necessary to improve soil practices that will decrease erosion and maintain fertility.

The Rural Environmental Assistance Program (REAP) is administered by Agricultural Stabilization and Conservation offices throughout the state. Those farmers and ranchers who are seeking assistance in soil saving measures should contact their local offices, White said.

"Land previously set aside for conservation has been added to this year's farming acreage because of the increased demand for ex-

ports," White said. "We'll have to develop even more acreage in years to come if we are to keep up with the world's need for food."

Pointing to diminishing water supplies in West Texas, White said, "We must maintain and develop the kind of soil and water conservation measures that have made West Texas a fertile area."

White said funds are also available to livestock and poultry producers on a 50 percent cost-sharing basis for construction of animal waste management systems. The facilities must be substantially completed by Dec. 31 to qualify.

In most counties cost-sharing is authorized for runoff control systems, aerobic and anaerobic lagoons and liquid manure tanks.

Purpose of the facilities is to prevent or reduce water, land and air pollution in areas of farmland where animal wastes constitute a significant hazard.

B.T. HAWS

County Agent News

Do not drop worms on the ground once they are removed from wounds. They should be killed immediately. Screwworms normally drop from the host animal and burrow into the ground, to pupate before emerging as adult flies. Allowing them to drop on the ground while still alive only makes it easier for them to continue their life cycle.

Pasture weed control is even more important this year due to limited fertilizer supplies. Because the roots of pasture weeds absorb plant nutrients and moisture better than grasses, inadequate fertilizer can mean more weeds. Controlling weeds can increase grass production five to ten times.

Several herbicides are approved for controlling pasture weeds. Read and follow label directions on temperature precautions and other climatic factors for most effective application.

Numerous pasture weed control tests and demonstrations have been conducted by the Extension Service in cooperation with county program building committees. Extensive research has also been conducted by the Texas Agricultural Experiment Station.

Due to the high cost of getting a crop in the ground, crop insurance may soon become a necessity. No commercial companies write "all risk" crop insurance in Texas, but such type of insurance is available in 84 counties from the Federal Crop Insurance Corporation. Its main purpose is to protect farmers from a total crop failure, so the amount of coverage available is limited.

Home gardeners can follow certain practices to "stretch" available moisture. Use a good mulch at least two inches deep around shrubs, flowers, and other plants. Seek the soil to a depth of 6 to 10 inches when watering. Apply fertilizer, insecticides or fungicides to plants only when the soil is moist. Cut the lawn one-fourth to one-half inch higher. Take care of lawn and garden work early in the morning or late in the afternoon.

Home septic tanks can handle sewage properly if they are installed correctly and receive regular maintenance. It's important that the tile drain field is long enough to allow complete absorption of effluent by the soil. A grease trap between the kitchen sink and septic tank helps the overall system, and should be cleaned at least twice a year. Sludge should not be allowed to accumulate higher than within 12 inches of the discharge pipe. Septic tanks need a yearly inspection although cleaning may be necessary only every two or three years. Avoid using harsh cleansers as they will destroy the bacteria needed to decompose organic matter.

News From RANDLETT

by Mollie Elliot

Mr. and Mrs. H.L. Nichols and grandchildren visited in Sulphur Thursday, Friday and Saturday.

Mr. and Mrs. Roy Clayton of Wichita, Kansas spent the weekend here. He preached at the Baptist Church during the absence of the regular pastor.

David Troy Esparza of Moore, Okla. spent last week with his grandparents, Mr. and Mrs. W.R. Baldwin.

George Woods, Jr. lost his leg in an accident Saturday, June 14 in Garland. He is in a hospital there. His parents, Mr. and Mrs. George Woods, Sr. visited

him Saturday and Sunday.

Guests during the week in the home of Mr. and Mrs. T.L. Wileman were Mr. and Mrs. Joe Rose, Kent and Karen of Indonesia where they have lived for the past 2 years. They will be moving to San Antonio. Also visiting in the Wileman home were Mr. and Mrs. Larry Wileman and children of Boise City, Okla., and Mrs. Jack Wingfield and son of Moore, Okla.

Mrs. Lanelle Miller and Denise Swinford of Holliday visited in the home of her

daughter, Mr. and Mrs. Terry Kirkpatrick, Saturday.

Tanya Robertson of Lubbock returned to her home Saturday after a 3-weeks visit with her grandmother, Mr. and Mrs. Herman Biggerstaff and relatives in Burkburnett.

The Daisy Club met Tuesday, June 18 for a day of quilting and a salad luncheon. The white elephant was drawn by Mrs. Lorene Bentley.

Members present were Mmes. Herman McAdoo, Lavoy Bentley, Mollie Elliott, W.R. Baldwin, Joe McCluskey,

Beulah Wilson, Nomie Wilkinson, N.R. Kirkpatrick, C.H. Thompson and Maud Patterson. The club will meet July 2nd at the hall with Lorene Bentley as hostess.

Mrs. Bob Alexander and daughters of New York attended the wedding of her niece, Dana Goode, to Mike Vache Saturday night, June 22. She also visited her mother, Vera Fulfs.

Guests last week of Mr. and Mrs. T.J. Baber were Mr. and Mrs. E.R. Etter of Billinger, Texas, Tom Cromwell of Tucson, Ariz., Mrs. Marie Floyd

of Ballinger, Tex., Mr. and Mrs. H.H. Sanders of Trinidad, Texas, Mr. and Mrs. E.H. Cheves of Clyde, Texas, Miss Mildred Etier of Ft. Worth, Mrs. Ethel Parrack of Burkburnett, Mrs. Don Jepson and daughter of Arlington, Tex., Mr. and Mrs. Tommy Parrick and family of Walters, Julie, Reggie and Cliff Fielding of Antlers, Okla.

Johnette Harrison was honored with a party on her 7th birthday, Thursday afternoon, June 20. Refreshments of cake, punch and homemade ice cream were served to Mrs. Bill

McGarry and children, Mrs. L.E. Ellis and Elaine of Burkburnett, Casey Wyatt, Johnie McKener, Mrs. Neal Manley and daughters, Mrs. Zaida Bryant, Mrs. Mary Sells, and Mr. and Mrs. R.H. Rhoads.

Mrs. Tommy Colbert of Walters, Okla. spent Friday with her grandmother, Mollie Elliott.

Robbie, Rhonda, Brenda and David McGarry of Burkburnett spent Friday night and Saturday with their grandparents, Mr. and Mrs. R.H. Rhoads.

Mollie Elliott spent from Monday until Wednesday in the home of Mr. and Mrs. W.E. Morrow while they visited their son and family, Mr. and Mrs. Terry Morrow of Wichita, Kansas.

Mr. and Mrs. C.H. Thompson visited Mr. and Mrs. Orville Weaver and Mrs. A.K. Leach of Lawton, Thursday.

Mr. and Mrs. M.B. Morris of Dallas visited friends here over the weekend.

Devol Doings

The Cotton County Singing Convention group met Sunday, June 23 at the First Baptist Church in Devol. The afternoon was spent with gospel singing and spiritual fellowship. According to Mrs. L.J. Wiley, president, the next meeting will be held the fourth Sunday in July at the Church of God in Walters.

Mr. and Mrs. Jeff Mott and

baby, Ryan, and Miss Tresa Fewen of Lubbock visited Mrs. Maud Green and other relatives Friday. Other company of Mrs. Green were Mr. and Mrs. E.W. Green of Midland.

Mr. and Mrs. Harry Tarpley of Hendersonville, Tenn. have been recent company of her mother, Mrs. Avis Wood, and while here they flew to Acapulco, Mexico for a one

week vacation. The grandchildren, Harry Jr. and Michelle remained with Grandma Woods. The family returned home this past Friday.

Other children visiting their mother were Mr. and Mrs. Jack Wood of Lawton, Mr. and Mrs. Gene Stine, Mr. and Mrs. Ray Tinsley, Mr. and Mrs. Edwin Wood, Mr. and Mrs. Mike Tracy, Mr. and Mrs. Doug Green, all of Burkburnett, Mr. and Mrs. E.W. Green of Midland, Texas, Mr. and Mrs. Clyde Tinsley and Mr. and Mrs. Wayne Tinsley.

Mr. and Mrs. Robert Hopkins and Mr. and Mrs. Bryan Harrison have been vacationing

in Ruidosa, New Mexico.

Mary Beth Eley of Covington, Texas and Mrs. O.L. Beckner of Houston are spending the week with their parents, Mr. and Mrs. J.P. Eley.

Mr. and Mrs. Bill Mumow of Buena Park, Calif. are visiting this week with her parents, O.L. Doty, and other relatives here.

Mrs. O.L. Bridges of Pueblo, Colorado is visiting her parents, Mr. and Mrs. K.L. Smith this week.

Vanessa Champion, daughter of Mr. and Mrs. Jo Jo Champion has been released from the

Memorial Hospital in Lawton where she underwent surgery and is now able to be at home. Her condition is said to be improved.

Weekend company of Mr. and Mrs. Frank McClendon included Mr. and Mrs. Otto Mills and daughters, Mellisa and Donna, of Hubbard, Texas; Mr. and Mrs. Ed McCreary of Hereford, Texas; Mr. and Mrs. Roy Baumhardt and daughters, Tammie and Jodie, and Robert Roysden, all of Burkburnett.

Visit Rolling Plains Cowboys

(Rolling Plains - Panhandle)

Travel Series, Story No. 3

The West lives on in the rolling plains of Texas, maintaining a broad-brimmed profile in the land of the Four C's: Coronado, Comanches, Cavalrymen and Cowboys.

The first three are gone, but not the Cowboys, in a region that runs from below Abilene to the Oklahoma border in the Panhandle.

Western hats and boots are everyday wear, particularly in the smaller towns. Not far from main highways are the old, established ranches: the Spur, Pitchfork and Matador, below the Caprock in the Dickens area; farther east, near Vernon, the W.T. Waggoner spread; and near Dalhart, what remains of the XIT, once the world's largest.

Rodeos abound. Some are stop-offs on the professional cowboys circuit; others such as the Texas Cowboy Reunion at Stamford, are for amateurs.

Texans who decide to vacation on the plains will find that there is one scenic point which surpasses all others: the 122-mile Palo Duro Canyon, 22 miles southeast of Amarillo.

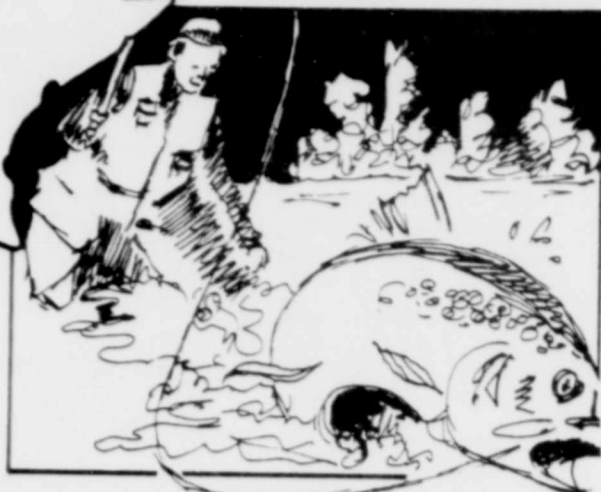

Ella Mentry

OF WHAT STATE IS THE MISTLETOE THE OFFICIAL FLOWER?

the three largest Plains cities, offers an excellent zoo whose reputation is growing, and Old Abilene Town, a western amusement park on Interstate 20.

Southwest of Abilene near Buffalo Gap, is Abilene State Park, shaded by oaks and mesquites. It is one of seven state parks on the Plains: Copper Breaks, near Crowell; Lake Arrowhead, Wichita Falls; Lake Brownwood, north of Brownwood; Mackenzie at Lubbock; Palo Duro Canyon; and Fort Griffin, north of Albany.

Lake Brownwood and Hubbard Creek Reservoir near Breckenridge give fishermen and water sport fans plenty of elbow room, as do lakes near Abilene and Coleman and Lake Kemp at Seymour.

In the Panhandle, Lake Meredith, west of Borger, reigns over the fishin' holes as Palo Duro dominates the scenery. Spreading among the cliffs of the Canadian River Valley, it covers 21,600 acres and also is accessible from Amarillo, Stinnett, Sanford, Fritch, Dumas and Pampa.

Detailed brochures about West Texas number more than 200 and are available free from the literature library of the West Texas Chamber of Commerce, Box 1561, Abilene, Texas 79604.

Abilene, the southernmost of

Kids Attending Burk Burnett's First Baptist Church Bible School

SO YOU'RE BEING AUDITED!

Your federal individual income tax return—Form 1040—has been selected for audit, and you're wondering why.

According to the Internal Revenue Service, the most likely reason your return and many others have been chosen for a further review is simply that they appear to contain errors.

All individual and small corporation income tax returns go through a sophisticated processing system called "Discriminant Function" (DIF) as they pass through the IRS computers.

DIF hasn't always been a part of the IRS processing system. In fact, it has been in use at the service centers only since 1969.

At one time the Internal Revenue Service relied on the "eyeball" method to pick out returns for audit. Large numbers of examining officers scanned and selected returns on the basis of their content and the officers' experience in spotting those needing a closer review.

Later the IRS enlisted the aid of computers, programming them with criteria based on past experience of examining officers. Under this method the computers would sort out returns for possible audit and then the examiners would review them to double check the

reasons for the selection.

The use of the computers was soon found to be a step in the right direction, since it saved time and provided greater uniformity in the initial selection of returns for audit. However, this initial system of criteria developed from examiner experience still did not ensure that IRS audit manpower was being spent on those returns with the greatest need for examination based on the probability of change in the tax reported.

After considerable research the IRS found it could determine the relative importance of each significant return characteristic as it related to the frequency of tax error. Eventually, this study led to assigning weights to these return items and their inter-relationships. That is the basis for DIF.

The DIF system today weighs the relationships of all of the key return items and produces a score for each taxpayer's return. Those returns having a high score are identified as having the greatest probability of tax errors.

In other words, under DIF, relationships between return characteristics and past results of audits of similar types of returns are what count. Whether or not items reported are higher or lower than average amounts is of no consequence. How the items go together to make up the overall picture and whether that

composite tax return image looks error prone are what tips the scales.

Screening by IRS classifiers determines whether returns selected by the computer really need auditing. For example, DIF, which is a nationwide system, cannot take into account unique local conditions. Screeners can identify local variations such as when a state's real estate taxes are high.

Returns found to need audit by both the computer and humans are ultimately selected for examination.

In addition, returns not selected for audit by DIF may be selected at random, as a means of checking the system. Or returns may be examined because they are related to returns already undergoing examination, such as those of partners in a business. Some returns are identified for audit when IRS matches associated documents, such as Forms W-2 and 1099 with information reported on the 1040.

But whatever the means for selecting your return for audit, the purpose remains the same—to correct those returns with apparent errors so that only the tax due is paid the government.

Last year, according to the IRS, 1.8-million audits ended with \$5.1-billion in additional revenue for the government, and \$275.7-million in reduced taxes or increased refunds for taxpayers.

Area Students Prepare For European Trip

"Passez-moi le dictionnaire, s'il vous plait." A group of area students is busy these days practicing foreign language phrases, checking passports, studying travel posters, and looking over guidebooks in preparation for a trip to Europe this summer.

The group is going to Europe on a comprehensive program of overseas study and travel offered by ALSG (American Leadership Study Groups) of Worcester, Massachusetts. Mrs. Ferne Bloodworth, teacher at Burk Burnett High School, is the local sponsor and will accompany the group overseas.

Area students enrolled in the group include Laura Bloodworth, Leiland Dow, and Terry Waller, all of Burk Burnett; Lesa May of Lawton, Oklahoma; Gary Gibson of Electra; and Ladise Richerson of Olney.

The group's itinerary will take them to England, France, Switzerland, and Italy. They will leave on June 29 and return on July 19.

The students will visit theaters and beaches, go sightseeing, and study the artistic and cultural background

of today's Europe. The ALSG overseas academic program is chaired by European university professors and by prominent local personalities in each city, including members of the British Parliament.

Special walking tours and seminar-visits to Europe's fascinating out-of-the-way places

are also included in the trip. Academic credit is available to students who successfully complete the ALSG program.

News From Hickory Elm

We want to thank Jewel and Lois Reed for the clothing they brought to a couple of patients. This is very much appreciated.

Several of the residents of the home ate lunch June 13 at the Senior Citizens meeting held at the Community Center. Those attending were Ed Bruner, Joe Howard, Zela Holman, James Wood, Jewel Snodgrass and Elloise Stubblefield, Social Worker. Also visiting with them was Edith Holland, daughter of Joe Howard.

Those volunteering with the games at Hickory Elm last week were Edith Holland, Mrs. Cox, Cheryl Cox and Becky Stubblefield.

There were 26 present for Sunday School June 23. Speaker was Gene Breeden. Ruth Anderson assisted at the piano with Mrs. L.H. Bryant and Frank Mallory leading the singing.

Several from Hickory Elm went to Highland Nursing Home

in Wichita Falls on June 18 for a return domino match. James Wood, Ed Bruner, Joe Howard and Steve Davis brought back nice trophies. Players from Highland Nursing Home were John Stafford, Nellie McGinnis, Naomi Jay and Otto Casey. Miss Ramona Odom served refreshments. Wanda Agnew is Social Director of Highland Nursing Home. Elloise Stubblefield, Social Director of Hickory Elm, also attended. Others attending were John Arthur, Administrator, Mrs. O.J. Cooper, Sr. and Edith Holland.

Visiting Mr. and Mrs. O.J. Cooper, Sr. were Wayne and Vesta Barritt, formerly of Sheppard Air Force Base and now on their way to the Philippines; Mrs. Joe Stacy and Mrs. Elise Opperman, nieces of Mr. and Mrs. Cooper; and Ann Briggs, formerly employed at Hickory Elm.

Mrs. W.R. Carswell visited Kate Kennedy. Also visiting Mrs. Kennedy were Mrs. B.L. Turner and Jewel and Lois Reed.

Mrs. Mike Vache

Goode-Vache Exchange Vows In Randlett

In a formal ceremony performed at 7:30 p.m., Saturday, June 22, at the First Baptist Church in Randlett, Miss Dana Ann Goode became the bride of Mike Vache, with the Rev. Roy M. Clayton of Wichita, Kansas officiating.

The bride is the daughter of Mr. and Mrs. Jesse A. Goode, of Randlett and the parents of the bridegroom are Mr. and Mrs. Clarence Vache, also of Randlett.

Brass branched tree candelabra holding lighted tapers flanked a double kneeling bench centered in a brass arch. Large baskets of mixed spring flowers in the colors of yellow, pink and blue decorated each side of the altar. Six brass candle pew markers completed the setting.

Escorted and given in marriage by her father, the bride wore a formal gown of white organza overlaid with French Alencon lace. The

chosen lace fashioned the scalloped V-neckline, the short flared sleeves and the raised V-waistline. The bell skirt featured a chapel length train with a deep scalloped border of lace, and lace medallions scattered to the waist. Seed pearls outlined the neckline, the high waistline and emphasized details in the lace over the entire gown. Her matching full length veil was a Camelot cap of lace encrusted with seed pearls over illusion. The gown was designed and created by the bride.

The bride carried a teardrop bouquet with a white orchid cascading with white rose buds and baby's breath.

Mrs. Doug Kohutek of Randlett, sister of the groom, served as matron of honor. Bridesmaids were Miss Janet Gardner of Tulsa and Mrs. Terry Goode, sister-in-law of the bride, of Grandfield, Okla.

They wore floor-length gowns of yellow miramist over knit.

The gowns featured a high mid piece highlighted with crewel embroidery of multi-colored flowers, a ruffled V-neckline, and full bell skirt. The headpieces were multi-colored flowers centered in circles of yellow illusion creating a picture hat effect. All the attendants carried nosegays of multi-colored flowers.

Doug Kohutek of Randlett, brother-in-law of the groom, served as best man. Grooms-men were Wayne Laminack of Watonga, Okla., and Terry Goode, brother of the bride, of Grandfield, Okla.

Ushers were Phillip Stoll of Snyder, Okla., Rick Venable of Anadarko, Okla., Danny Wedman of Yukon, Okla., and Eddie Wilks of Snyder, Okla.

Wedding music was provided by Mrs. Robert Alexander, aunt of the bride, of Chautauqua, New York. Vocalists were Mrs. Susie Slayden and Mrs. Sharon Bankhead, both of Burk Burnett, and Mr. Doug Eastman of Northridge, California.

Mother of the bride wore a mint green dress of polyester shantung with long sheer sleeves accented with pearl trim. She had white accessories. The bridegroom's mother chose a knit jacket-dress of light apricot. White accessories completed her ensemble.

Assisting at the reception table were Mrs. Cindy Hodges of Duncan, Mrs. Gay Josefy of Frederick, and Mrs. Gari Laminack of Watonga.

The bride's table was covered in an all white, floor-length eyelet cover. A yellow and white flower chellis draped from end to end, and was caught with yellow bows. The bride's chosen colors were carried out in the 4-tiered wedding cake, and the brass centerpiece. Puncis was served from a bubbling brass fountain.

A rehearsal dinner was given in honor of the couple with the groom's parents as hosts.

Both the bride and groom are spring graduates of Oklahoma State University. She is a fashion merchandising major, and will be employed in Wichita Falls. The groom is an animal science major, and is self-employed as a farmer-rancher.

Following a wedding trip to Colorado, the couple will make their home in Randlett.

PERSONAL

Betty Kaminski was here and spent a week visiting her mother, Pansey Anderson, who was a patient in Wichita General Hospital. Betty spent the week in the home of her sister, Frances Collins.

Mrs. Anderson is now recuperating in the home of her daughter, Dorothy Smith, of Burk Burnett.

Mrs. Virgle Pringle of Burk Burnett visited her son and daughter-in-law, Paul and Lee Bryant of San Augustine, Texas, recently. After a week there she visited another son and daughter-in-law, Gene and Doris Bryant and their three children of Waco, Texas.

Mrs. Lynwood Givens has returned to her home in Leander, Texas, after visiting last week with her parents, Mr. and Mrs. Claude Adams. Mrs. Givens is the former Dee Ellen Adams.

Galyean Becomes TSTA Secretary

E.L. Galyean of Austin has been named acting executive secretary of the 152,000 member Texas State Teachers Association to succeed L.P. Sturgeon, who retired as executive secretary on June 30.

Galyean, now associate executive secretary of the professional organization, has been with TSTA 24 years.

Prior to joining TSTA, Galyean had been in public school work for many years. He has been a classroom teacher, principal, superintendent, deputy state superintendent, and Director of School Census and Statistics in the State Department of Education.

How To Place Weddings, Engagements

To announce an engagement or have a wedding writeup in the Informer/Star is generally published on Thursdays, with a Tuesday deadline on emergency or late-happening news.

For more information call the Burk Burnett Informer/Star, 569-2191.

Federated Study Club Officers Hold Seminar

Federated Study Club officers of the Santa Rosa District held a planning seminar Wednesday morning at Wichita Falls. The seminar included information on year books, projects, reporting, and state and national departments.

Officers conducting the seminar from the Santa Rosa District, Texas Federation of Women's Clubs, included Mmes. Ben Fulton, president

from Quana; Robert Norris, Burk Burnett; Joe Powell, Olney; and Earl Watson, Iowa Park; all vice presidents.

Mrs. Gary Owen, district junior director from Burk Burnett, also conducted a special planning session for junior club officers.

The Santa Rosa District theme for the 1974-75 administration is "Unity For Strength in Our World".

MU Spring Semester Honor Rolls Listed

Midwestern University's honor rolls for the spring semester were achieved by 43 students for the Dean's roll and 155 for the University roll according to Betty J. Bullock, MU registrar.

Students meeting the Dean's honor roll requirements made no grade below "A" for at least 15 semester hours. On the roll from Burk Burnett was Teri K. Garland.

The University honor roll requires a minimum grade point average of 3.5 on a 4.0 system and no grade below a "C" on at least 15 semester hours. Students listed from Burk Burnett include Linda Sue Cokendolpher, Janet M. DiMarzio, Daryl Gordon Dursum, Ranette Hudson, Russell Miller, David Orman, and Mark C. Rogers.

Boomtown ABWA Holds Meeting

Boomtown Chapter of the American Business Association met for its regular meeting at the Community Center recently.

The meeting was called to order by President Rita Hudson. Mrs. Laura Todd gave the invocation. Guests for the evening were Mrs. Robbie Nelson and Miss Jane Sewell.

Mrs. Cheryl Mahaney, Home Economist for Texas Electric gave a very interesting film

Small Becomes NTSU Graduate

Some 1,276 students, representing the largest class in the university's history, were awarded degrees Tuesday (May 14) in the 84th annual spring commencement at North Texas State University, Denton, Tex.

Among the 828 participants in the ceremonies were 706 from the spring class and 122 December graduates who returned to participate in formal ceremonies.

Among the spring graduating class was Deborah Lynn Small, daughter of Mr. and Mrs. Harry C. Small, 306 W. 1st St., Burk Burnett. She received the bachelor of science in physical education.

presentation on energy conservation.

Mrs. Peggy Darter, Texas Insurance and Real Estate Agent gave the vocational.

It was decided that the Chapter would have a Fortune Telling booth at the July 4th Celebration.

Mrs. Donna Geer was installed as a new member. Mrs. Barbara Roysden gave the benediction.

Wampler Attends Hawaii Institute

Robin Wampler left June 18 for five weeks of study at the Hawaii Institute for Orchestra and Ensemble in Honolulu. She plays the oboe and clarinet in the Burk Burnett High School Band and is the pianist for the High School Choir directed by Ted James.

The group of teachers and students from Texas attending the Institute includes Robin; Noah A. Lee, Orchestra director at Deer Park (Texas) High School, and his daughter,

Laurie; and two young ladies from San Antonio.

The five weeks' workshop provides an excellent opportunity for students to gain valuable experience in the orchestra under the direction of Frederick Balazas. Students at the Institute may take private instruction and may choose extra curricular interests such as Hawaiian and polynesian dance, art and poetry, Oriental cooking, surfing, or sightseeing.

DRESSED FOR A PARTY—A watermelon basket takes time to carve, but the result is worth the effort. Filled with fresh fruit, the basket is an eye-catching centerpiece that your guests will love to eat. This one is filled with watermelon balls, cantaloupe and strawberries, but sliced peaches, dewberries or any Texas fruit in season add color and flavor. Texas Department of Agriculture home economists recommend dipping sliced peaches in lemon or lime juice to keep them from discoloring.

Another Fine Texas Recipe

WATERMELON BOWL OR BASKET

1 medium to large watermelon
1 sharp carving knife

With a little imagination you can make a watermelon bowl or basket with scalloped, saw-toothed, wavy or straight edge. The handle can be formed from any desired angle. You can also engrave the rind by scraping through to the white with the design of your choice from fruits and vegetables to fancy flowers. To start remove a thin slice from bottom of watermelon so it will sit without tipping. Draw desired shape of bowl or basket. With sharp knife cut away open section of design (leave handle intact). Scoop out watermelon meat with large spoon or melon ball scoop. Deseed meat and store in plastic bag and chill for use in bowl or as cocktail or dessert. Now, carve design, use bowl and throw away when you are finished. Bowl can be used for picnics, parties or flower arrangements.

FRUIT-FILLED WATERMELON BASKET

1 medium watermelon
2 cantaloupes
2 honeydew melons
2 cups blackberries or dewberries
2 cups fresh strawberries

Follow above directions to design basket. Cut edge of melon in saw-tooth design with sharp knife. Scoop out center with melon ball scoop, leaving about an inch of watermelon fruit intact. Cut cantaloupes and honeydew melons in half, remove seeds and scoop meat with melon ball scoop. Fill watermelon with prepared melon balls. Decorate with strawberries, and blackberries or dewberries. Wrap and chill. Decorate with novelty picks. Yield: approximately 10 servings.

For additional recipes write John C. White, Commissioner, Texas Department of Agriculture, P. O. Box 12847, Austin, Texas 78711.

NOTICES
PUBLIC HEARING NOTICE
A Public Hearing will be held July 29, 1974, at 2:00 p.m. at City Hall, 415 Avenue C, Burkburnett, Texas regarding construction of a new 1.5 MGD Wastewater Treatment Plant, and renovation of the existing Wastewater Treatment Plant. Location of the proposed new plant is immediately East of and adjacent to the existing Wastewater Treatment Plant. One of the purposes of this hearing is to discuss the potential environmental impacts of the project and alternatives to it. Detailed information on the proposed project is available at the office of Corlett, Gray and Probst, 2113 Kemp Boulevard, Wichita Falls, Texas.

ROUND the TOWN

By Sylvia Lohofener

Mr. and Mrs. John Clement had a two nights and three day house party last week; first her son, John Andrews, wife and children from Panama Canal Zone were here for two weeks previous. Then her daughter and husband, Mr. and Mrs. Noyes Silkwood from Odessa and Mrs. Clements granddaughters, Mr. and Mrs. George Hass of Houston, Mrs. Brad Allen and children from Odessa were all here for the gathering. They report a wonderful get-together.

Mrs. Fred (Garland) Fewin of Sedgwick, Kansas underwent major surgery Monday of this week. She is in a hospital in

Halstead, Kansas. The Fewins are long-time residents of this city. Fred was Supt. of the Skelley Gasoline Plant here for years. They were very active, in church, lodge and civic affairs while living here.

Mr. and Mrs. Marshall Teal of Houston spent most of this weekend with his parents, Mrs. Will Teal in this city and Will in the Wichita General Hospital. Mr. Teal is holding his own but still very ill. He and Mrs. Teal had their Sixtieth Wedding Anniversary Friday, the 21st, which they hope to observe at a later date.

Mrs. Pete Bryan is critically

ill in the Wichita General Hospital with several ailments and complications.

Mrs. Pamela (Hensley) Adams is in the Wichita General Hospital receiving treatment for a kidney disorder. She is resting well at this writing.

Robert and Frank Gilbow, sons of Mr. and Mrs. Lee Gilbow of Lake Arrowhead spent this past week here with their grandparents, Mr. and Mrs. Aubrey Gilbow.

Mrs. Joan Hill from Mountain View, Okla. spent a few days here last week with her mother, Mrs. Verta Stevens.

Visitors in the home of Mrs. Ina Sauls this past weekend here were her granddaughter and husband, Mr. and Mrs. Jimmy Carr and family from Vernon, another granddaughter and husband, Mr. and Mrs. Gary Burke and little daughter from Wichita Falls and Berrell and Larry Sauls and friends from Pleasant Valley, Texas.

Mr. and Mrs. P.H. Johnson had the following visitors this past week: their grandson, Mike Brian and friend Tommy Neal of Houston, Mr. F. McClain and granddaughter Donna from Livingston, Texas and Johnson's granddaughter, Mrs. Beverly McClain and baby.

Mr. and Mrs. Walter Riley of Burk, Mrs. Riley's sister, Mrs. Ida Bibby and friend, Mrs. Kate Fields, both of Oil City, La., all have returned from a delightful cruise on the Caribbean. Flying to Miami, Fla. Saturday, the 15th, they left there on the ship "Song of Norway", visiting Nassau, Puerto Rico, San Juan and St. Thomas in the Virgin Islands. They returned June 22, reporting a most wonderful trip.

Mr. and Mrs. Hubert Wall have returned home from attending the funeral of her mother, Mrs. Tabetha Christopher, 79, in Gowen, Okla., on Friday. Survivors include four sons, four daughters, 24 grandchildren and twenty-seven great-grandchildren. She was a long-time resident of the Gowen community.

Mrs. Henry McGee of Lone Grove, Okla., who will be remembered as Euda Friels of Burkburnett, is in the Presbyterian Hospital in Dallas receiving care and treatment from complications which developed from eye surgery. It has caused her much suffering.

Mr. and Mrs. Jerry Anderson of Chicago, Ill. spent two days last week here visiting his mother, Mrs. Pansey Anderson and sister, Mrs. Dorothy Smith.

Mr. and Mrs. Walter Riley recently spent four days in San Antonio visiting their daughter and husband, Irma Ned and Sam Stevens. They enjoyed attending the Spanish Fiesta while there.

S.J. and Polly Moreman of Tyler, Texas visited his mother, Mrs. C.A. Moreman here this past weekend. They had been to San Antonio for a week with their son and family visiting, sight-seeing and fishing.

Misses Lou Ann and Nell Grady have returned home from a few days visit with their sister and husband, Helen and J.D. Grizzle, in Wetumka, Okla. J.D. is suffering with a severe case of the shingles.

Mr. Howie Ruffles underwent surgery in the Bethania Hospital Monday of this week.

Mrs. Marie McNeill of San Francisco, Calif. is here visiting her father, Mr. W.T. Porter.

Mr. J.M. Pogue suffered a stroke Thursday. He is in the Intensive Care Unit in the Wichita Falls Hospital. His condition is quite precarious.

Mrs. Bertha Cropper and daughter, Mrs. Frances Spearman of Ft. Worth visited Al and Sylvia Lohofener Saturday and Sunday this past week. Mrs. Cropper is Al's sister.

Mrs. Alta Robbers of Ft. Worth visited her sister, Mrs. J.M. Pogue, Saturday and Sunday. Mr. and Mrs. Ben Dodd of Ft. Worth also visited her sister, Mrs. Pogue, on Thursday.

Mr. and Mrs. Jerry Jack VanLoh and little daughter of Ft. Worth and Ken VanLoh of Phoenix, Arizona visited their parents, Mr. and Mrs. Harold VanLoh in this city last weekend.

Lt. Col. (Ret.) Jane Sewell visited her cousins, Mr. and Mrs. Will Rogers in Arlington several days last week.

Mrs. (Angie) Randall suffered a severe heart attack last week and was taken to the Wichita General Hospital and was in Intensive Care for several days. She has been moved to a private room.

The Rebecca Lodge #236 of Wichita Falls sponsored a Sing Song service at the Monterey Nursing Home for the patients who had birthdays in June. Among the patients was Mrs. Alice Wingard. Jimmy Roberts was soloist and Mrs. Cora Lee Harmon of Burk accompanied him at the piano. They did several familiar songs for the group's pleasure. Ice cream, cake and punch were served by Lodge members Jewel High, Audrey McCrary, Mary Bowen,

Mabel Nix, Lucy Taylor, Bennie Hopson and Cora Lee Harmon.

Mrs. A.C. (Lena) Houser enjoyed a three day visit from a close friend last week, Mrs. Janie Connor, of Houston. They had not been together for many years and had a lot of visiting to catch up on.

Mrs. Herman Brown of Lufkin, Texas and brother, Arvin C. Griffin of Seattle, Washington visited several days last week with her sister, Mrs. Agnes Polson. Mrs. Brown returned home with her brother to Seattle. Also among the visitors was Mrs. Polson's daughter and husband, Hubert and Pat Peace and their son, Steve and wife, and James and Joan Kellett. They all had a family gathering on Lake Arrowhead this past weekend.

Mrs. Birdie Smith drove to St. Jo last week to visit her brother, Howard Barker and wife. Howard, a former resident of Burk, is seriously ill.

Mr. and Mrs. W.F. Guldsg of Flint, Michigan spent several days here last week visiting her sister and husband, Mr. and Mrs. Paul Fisher.

Mr. Robert Burdette had surgery Monday morning of this week in the Wichita General Hospital.

New Pops Granted Paternity Leaves

The U.S. Department of Labor has become the first Federal agency to grant paternity leaves to new fathers.

Under a new collective bargaining agreement, Labor Department male employees are allowed up to 30 days leave when their child is born.

SILHOUETTE SHOOT WINNERS--The Red River Rifle and Pistol Club sponsored its first metallic silhouette shoot Sunday at the local range, with trophies going to first, second and third place winners. Pictures are the winners: [from left] second place, Bill Steward; first place, George Provence; and third place, Jim Warf. The Burkburnett club fashioned the heavy

plate steel targets after various animals. All firing was done from the standing position with no artificial support such as slings. A hit is scored when the metal target is knocked over.

The Club will have another shoot July 21, at 1 p.m., and is looking for new club members. [Informer/Star Photo]

RR Rifle Club Holds Silhouette Shoot

The Red River Rifle and Pistol Club held its first metallic silhouette shoot this past Sunday with excellent results.

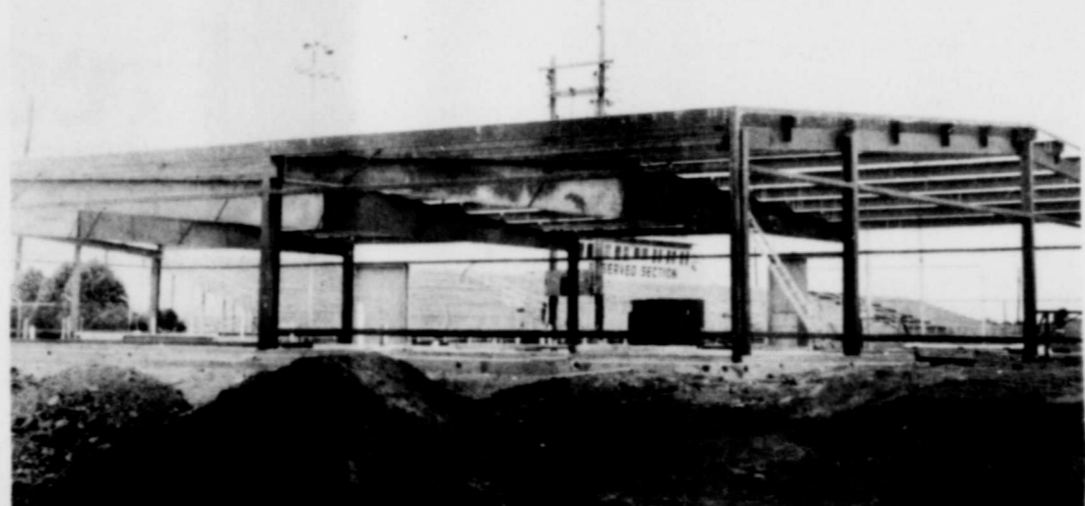

For those not familiar with metallic silhouette matches, the targets are made of heavy plate steel and are patterned after various animals. All firing is done from the standing position with no artificial support such as slings. A hit is scored when the metal target is knocked over. This is truly a sport for the hunting man and was designed for the hunting rifle; special target rifles are not allowed.

The course of fire consists of 20 rounds--10 rounds fired at 100 yards and 10 rounds fired at 200 yards. Don't let the distance scare you; anyone who can knock down 50% of his targets

stands an excellent chance of taking first place. The Gun Club has planned its next shoot for Sunday, July 21 at 1:00 p.m., so dust off that deer rifle and join in the fun.

Boomtowners NCHA Attend Convention

Eight families of the Boomtowners NCHA attended the South Central West Regional Campment in Oklahoma City last week. There were 717 rigs from the region composed of Missouri, Arkansas, Kansas, Oklahoma, and Texas, which were parked in an orderly fashion in the Oklahoma City Fairgrounds.

Attending the four-day campment from the Boomtowners Chapter were Bo and Patsy Montgomery and Johnny; Art and Louise Roper; Ray and Mary Carlisle; Eddie and Lelia Rowe; Clarence and Clodella Bridges; Bill and Ruth Halsey; Jack and Jo Ann Hall and Earl; and Herman and Leona Miller.

The campers were welcomed by Patience Latting, mayor of Oklahoma City; Harry Wilson of the Oklahoma City Convention and Tourism Department; George Nye, Lt. Governor of Oklahoma; and Jack Skinner, Regional Director.

Patty Sprague, State Director of Oklahoma, presented convention flags to the five states and to Regional Director Jack Skinner who was at one time the National President of NCHA. Also on the program were Bill Sprague, National second vice-president, and Vern Messer, National Treasurer.

Entertainment was provided by various groups including a Senior Citizens Band, square dance groups, tumbling classes, and an organ and xylophone combo. Many of the clups participated in an afternoon mini-parade. An afternoon business meeting for the Texas State Association was called by the newly elected State President, John Colehour. Plans for the coming year were discussed and announcement was made of the resignation of Bill and Polly Hout, State Directors of Texas.

Have a college grad's career without 4 years of college.

A revolution in science and technology has opened up thousands of new careers. Careers that require only a year or two of technical education--yet pay as much as a four-year college graduate earns. Weekly Health Tip
A survey among physicians finds that too many patients withhold vital information--they are reluctant to tell full details of their health problems or symptoms. Half of the patients, for example, did not mention symptoms of heart and respiratory problems which appeared obvious and serious to their doctors. The lesson is plain--the patient can only get his money's worth from his visit to the doctor, and can only be helped to a cure, if he confides all necessary information and symptoms so the doctor can make a prompt and correct diagnosis.

Steel Firms Double Spending On Pollution
A survey reveals that during the past year steel companies of the United States nearly doubled their planned short-term spending for environmental quality control facilities.
The report, issued by the American Iron and Steel Institute, covers firms producing about 98 per cent of the nation's steel.
It shows that at the beginning of this year the nation's steelmakers had budgeted \$643 million for air and water pollution control equipment scheduled to go into operation in 1974 and later years.
This is nearly twice as much as the amount similarly budgeted at the beginning of 1973.

Former "Nazarene" Pastor To Fill Pulpit Sunday

Rev. John Harvey is to be the special speaker at the Church of the Nazarene, 3rd and Holly, Sunday, June 30, at 10:50 a.m. He and his wife, Sharon, are missionary appointees to

Bolivia, South America. It was under the ministry of the Rev. Harvey while he was in Burk Burnett, that the new location for the church (at Ciba and Kramer Rds.) was

purchased prior to his going onto Nazarene Theological Seminary in Kansas City, Mo. for further study. A special dinner will be held in the Community Room of the Burk Burnett Bank in honor of the Harveys immediately after the morning service. Families and friends of the church are bringing and sharing dinner together. Everyone is cordially invited to attend the services.

HONORARY MEMBERSHIP, Sheppard AFB, Texas - Colonel John H. Allison (right), base commander at Sheppard Air Force Base, is presented an honorary membership certificate in the Noncommissioned Officers Association of the United States of America by Dumont Brady, a member of NCOA International Board of Directors, on behalf of NCOA Texhoma Chapter at Sheppard and the 170,000 members world-wide. The Texhoma Chapter has approximately 500 members. Brady, who lives in San Antonio, is a retired Air Force sergeant. [USAF Photo by Larry Orr]

SCHOOL BOARD

Rotary Club

Installs Officers
The Burk Burnett Rotary Club had its installation of officers for the coming year Tuesday at the noon luncheon held in the Community Center.

Officers include Joe Gillespie, president; Joe Jancke, vice president; Don Hellman, secretary-treasurer; Raymond Smart, Bob Dowd, James Easter, directors; and Cliff Wampler, installing officer.

The club meets each Tuesday.

Joe Gillespie

Bank Head Asks for New Economic Unit

President A. W. Clausen of Bank of America has proposed a new "National Economic Commission" with power to shape new economic policy and head off "persistent double-digit inflation."

Clausen said traditional policy no longer works in combating inflation in the "post-war" economy and suggested "broad, long-term action that doesn't take the place of but goes beyond traditional policy."

CITY COUNCIL

Cont. From Page 1

in short supply at an earlier date this year than ever and that wells are very low. He said that the hatch on the new million-gallon ground storage tank will be closed on Tuesday, July 2, and the process of filling the tank will begin then. He congratulated the council on its decision to build the tank when it did since the cost now would be \$140,000 with a 30 month delivery. Because of the council's early decision, the tank is now completed and cost only \$78,000.

Due to the unseasonably hot and dry weather, Bean stated that the city will have to purchase about 100,000 gallons of water per day from Wichita Falls on the new line, which is more than was expected.

All council members present approved payment of accounts payable totaling \$16,959.95, and approved the nominations of Joel M. Ellett, Mrs. H.R. Jefferis, Mrs. Jim Frye, and Mrs. Jim Myrick to be appointed as trustees on the Library Board.

Gary Bean announced that work began this week on the park on the Red River, with everything shaping up well with excellent cooperation. Workers started work on motorcycle and dune buggy trails Tuesday. The council authorized the park committee to set up temporary rules and regulations for the camp site area.

The City Manager reported to the council that the Board of Outdoor Recreation was very pleased with activities being

created in Burk Burnett. A committee consisting of Brack Preston, Donald Pate, and James Spinks was appointed to make plans for a possible swimming pool at the park for next year.

City Attorney Joe Jancke announced that Sam Walton has filed a suit against the City, Burk Burnett Independent School District and B.H. Alexander, and has asked for an injunction because of the City's not letting him drill an oil well in the city limits.

The council also unanimously approved the dedication of a plot of land located in Section 5A, Mimosa Heights Addition.

The City Manager told the council that the Volunteer Fire Department needs a 4-wheel drive vehicle for grass fires, and at the present time the City has enough revenue money to buy it. Also the City needs a tractor with a 3-point hookup to be used for mowing grass. The council set July 15 as the date to open bids on these.

Alderman John Musick suggested to the rest of the council that the City put out a list of holidays to be used for determining grave opening holidays. Gary Bean agreed to look into the schedule of federal and local holidays to set grave opening holidays to correspond with city holidays.

Total taxes for the month were \$856.28 and total deposits \$600.

Councilman McCandless was not present for the meeting.

Impressions
★★★★★★
Thoughts Of A Newsmen
by Leon Smith

Ever hear anyone complain that there's nothing to do in Burk Burnett?

Well, being a center of news, we've heard it plenty.

Although the statement is often true, the same people who complain are usually the ones who make it that way. It seems that whenever an occasion arrives which would be for the benefit of local individuals, not enough people participate to make the event worthwhile.

There is going to be a celebration here July 4 in Burk Royalty and Hardin Parks which is designed to give all members of the family a feeling of patriotism while they enjoy themselves with games, feasting, entertainment, and communion.

Clubs will sponsor booths which will feature games and cold drinks, bands will play, choirs sing, and country-western groups offer folk and country tunes.

Juicy barbecued beef will be served to accompany the musical treats. At 9 p.m. a patriotic ceremony in honor of American heroes will take place with the burning of soiled and tattered flags in the traditional

ceremony, and as soon as the last note of taps is played there will be a spectacular hour-long fireworks display lighting the sky.

Children will see people working together to promote patriotism in Burk Burnett, and enjoying themselves doing it. They will probably remember the fun of the celebration mostly, but the mood of the whole ceremony will surely make an impression on them.

As almost everyone knows, the federal government has been facing trying times lately. This event will honor the ideals originally set up for the government to follow. That's the whole purpose of Independence Day.

The local celebration will be something to do, and it should prove rewarding.

It will be monetarily expensive, financed mostly by the local Chamber of Commerce, but is a venture which could become an annual event if the first one proves successful.

To break even, the Chamber will have to sell over 1,000 barbecue tickets, which is quite a few. We urge citizens to purchase their \$2.50 tickets as

soon as they know they'll be in town so that an approximated head-count can be calculated for the meat purchase. Tickets will also be sold that day at the park. Let's celebrate the Fourth of July in style, as a community of individuals honoring the United States in an old-time patriotic ceremony. Attend the celebration.
