BURKBURNETT, WICHITA COUNTY, TEXAS THURSDAY, AUGUST 29, 1935

NUMBER 2

REAL CARRIES IN STATE AND LOCAL OPTION IN THIS COUNTY

FUSION IS CREATED BY ELECTION RESULTS; PENSION LAW PASSES

The state of Texas resembled a huge tower of Babel Monday morning as the results of the election became more certain. Each unit of the state government was puzzled as to what had been done with the recently passed amendment to the constitution repealing the state liquor law. The argument arose over questions. How would the enforcing provisions be put into effect? and did the law wipe out all previous local option laws that have existed? All over the state Monday there were confusion for the sale of liquor.

Confusion in Burk

The county and Burk Burnett had one of the strange days of the election. In Burk Burnett there was a huge majority for the repeal of the state liquor law, and at the same time there was only a meek majority of votes against state repeal. Both sides maintained that the confusion had hindered their cause. The fact that the 1250 represented change were confused wets, and the dry were equally certain of the confusion was only among the wets.

Confusion in the Burk precinct was especially in Box 29 where the voters record 70 to 54 in favor of the repeal, and the same county record as 74 to 50 favoring the repeal. Legal authorities claimed that

Tragic Tears

Proof of the confusion was seen on the streets of Burk Burnett Monday afternoon during the election. At the corner of Main and Exchange, C. L. Lewis was discussing how he voted on the repeal. When some one asked him to vote on the repeal, he voted wrong. For twenty years I have voted on pro-repeal and I always voted wrong. Now they made me vote. That was typical of the situation that existed here on Saturday. To the person who read carefully and studiously there was no confusion, but of the people can not do so, at least did not in Saturday's election.

It would be effective as soon as the legislature could be called. Austin, and most of the counties of the governor claimed that it would be immediately.

Burk Families Will Be Affected By Relief Policy

Williams announced last week that all government doles will be stopped next November 1. The 1,100 affected in the county will have to be placed in the care of the state agencies under the WPA program. The expenditure will be stopped except relief so far as the federal government is concerned, and all the governments and the state government must assume the burden. It is of special interest to the people of Burk Burnett. So far the federal relief project that is under way here to employ men in the municipal light plant. This will employ a large number of men through the fall season. However, there are two county projects that have been applied for by the commissioner. These two that are widening of Main street of the entire precinct. The two projects will draw an allotment of \$3,000.00 and will be spent after the cotton period over 12 months. The city will be forced to under several WPA projects in order to care for the families that will be released from the direct relief role, the work relief role. This is approximately 150 on work and 30 on direct relief. The government started the three years ago over six billion dollars has been poured into relief set-up in an attempt to ease the depression. The gradual up of business and re-employment of the heavy industries is leading to the abolition of direct relief.

How Burk Voted

New Students

All new students who are to attend the Burk Burnett high school for the first time this year have been requested by Mr. Duncan, principal, to come to the high school building some time during the week of Sept. 1 to 7 for registration and classification. These students can assist the officials and assure themselves a more accurate classification if they come between 8:30 and 12 o'clock on these days.

All the parents of pupils entering the primary department for the first time are urged to attend with their children on the opening day. The parents can assist the teacher while the children are becoming accustomed to the new routine.

Miss Ada Marsh In Lead n First Vote Count Made Tues.

Harvest Queens Urged To Get Ballots Into Office Early This Week

RACE GROWS INTERESTING

Princess Ada Marsh led the campaign in the first count for the Queen of Harvest at the Burk Fair, when the ballot was counted Tuesday afternoon with a 2480 vote lead over her nearest rival Mable Anderson. The votes for the two leaders stood 7090 and 4610 respectively. The vote for the others in order were Virginia Lee Skipwith, Cashion 3720; Monell Odum, Devol, 2930; Ida Belle Day, Valley View, 2210; Estelle King, Rabbit Creek, 380 and Pauline Gladden, Weeth, 240. Ada Marsh represents Fairview and Mable Anderson represents Clara. These two communities have been working rapidly for their candidates.

The candidates have been urged to get their ballots into the office as soon as possible. The committee is aware of the fact that several of the candidates are holding out votes that have been registered for them. The result is that their race appears to be lagging. The princesses should bring ballots to the offices of the Chamber of Commerce or deposit them at some store.

The stores cooperating are: The Famous, Owens-Brumley, Kemp Pipe and Supply, Manhattan, City Grocery, Barrow-Grace, Kelley Grain, Red's Barber Shop, Alexander Hardware, Rexall Drug, Thaxton Bros. Kiesling Bros, Majors Variety, Jackson News Stand, Band Box, White House Grocery, Sham-burger Lumber Co., Boyds Cash Exchange, Gray Shoe Shop, Magnolia Service Station, Scruggs Cafe, Peevey Jeweler, Burk Feed and Grocery, Musick Service Station, Boyd No. 2, Thrift Grocery, Alexander Station and Burk Nitro Company.

This prolonged dry spell has caused a sharp drop in the estimates that have been made for this section. At first it was estimated a possibility of 4 or 5 bales for this area. At the present the most optimistic reports give an allowance for 2000 bales in the area to be ginned in Burk Burnett.

The original bale was sold in Burk to the Farmers Gin and brought a price of 10 and 1/2 cents. Plus the premium this made \$71.70 for the bale. At the present rate of price 2000 bales will bring into the local market about \$113,400.00. This amount will be spent in Burk Burnett during the next few months. A large turnover is expected in every line of merchandise during the period. The estimates place the amount to be raised this year and ginned in Burk Burnett at 400 bales higher than last years crop. Last fall 1600 bales were made in this city by the two gins.

The Chamber of Commerce has offered a premium for the first Oklahoma bale, and as soon as a load is brought from across the river the check will be handed to the farmer from that section. The money was given to Mr. Lewis by Herman Brown, secretary of that organization soon after noon Tuesday. The first bale was ginned free by Mr. Holman, manager of the Co-operative Gin.

Second Part Of Paving Project Started On D

The paving in order to widen Ave. D south of Burk Burnett was under way again this week. Previously the Eastern side of the road had been completed, and the Western side of the pavement is receiving several feet of additional concrete. This widened road will give the city a much better approach for the centennial visitors for next year.

Begun Installed As Noble Grand Of Odd Fellows Last Friday

Judge P. A. Martin Addresses Local Order at Annual Meeting Of Initiation

DEPUTY GRAND PRESIDED

With Judge P. A. Martin, noted Texas jurist delivering the principal address, and deputy grand master of the district J. H. Cecil installing the officers, the local Odd Fellows initiated the new officers for the organization in elaborate ceremonies last Friday night. In his address for the installation, Judge Martin praised the work of Mike Begun, newly elected grand noble, and recommended the officer as one of his life long friends and as a gentleman beyond reproach. The speaker expressed his delight in seeing the new officer take the leadership of the club.

A. T. Todd was installed as vice-grand noble of the lodge. The organization has developed into one of the most influential in the city of Burk Burnett. Among the other distinguished visitors from Wichita Falls were Judge Irvin J. Vogel, C. H. Hayes and O. W. Webb. Most of the visitors spoke briefly about the work of the club, and the newly installed grand officers responded with speeches of appreciation asking the cooperation of the club members.

The other officers are: C. R. Chambers, recording secretary; J. H. Cecil, secretary; J. W. Boyd, treasurer; H. A. Kiesling, warden; V. E. Pringle, conductor; C. H. Mitchell, outside guardian; Cecil Todd inside guardian; L. R. Todd, R. Supporter; J. N. Self, left supporter of noble grand; Emmet Doss, right supporter and R. G. Hayes left supporter to vice grand; Rev. Gregory, Chaplain; Warner Kiesling, Wade Bogey and Roy Milligan, degree captains.

Final Services Today For I. M. Culpepper

Final rites for Ira Monroe Culpepper, 20, Wichita Falls newspaper vendor, will be held at 2:30 o'clock Thursday afternoon at the home of a brother, V. C. Culpepper of 1323 North Seventh street. Burial will be in the Burk Burnett cemetery under the direction of Owens & Brumley Funeral home.

Culpepper, for many years a familiar figure on the streets of Wichita Falls as he sold the afternoon and morning papers, was found in the Staley building Tuesday afternoon suffering from strychnine poisoning. He died less than two hours later in a Wichita Falls hospital.

Civilized people are those who spank a small boy for shooting a songbird and give a man a medal for shooting another man.

The man who would rather see someone else than himself in the Whitehouse always gets his wish.

July 3 and took charge here July 6. N. H. Harris acted as chief between Garland's death and Stapp's appointment. There were approximately 30 applications for the position when the new chief was chosen.

Mr. Ragsdale represents the protesting groups and had previously presented the question to the city council. The preparation of the quo warranto proceedings followed that petition.

SCHOOLS IN BURKBURNETT AREA TO OPEN DOORS IN SEPTEMBER

CASHION, BURK, DEVOL, CLARA, AND FAIRVIEW WILL ENROLL 2,400 STUDENTS

"Readin', Writin', and 'Rithmetic will be in order in the next two weeks, when the 2,400 pupils of the Burk Burnett area start their trek back to the school houses in this section. The present generation will find conditions that are far removed from the conditions under which students of a few years ago labored, and they will on the whole have well equipped school rooms with gymnasiums and cafeterias as well as the highly equipped laboratories in which to work and play.

It is only a few years since school meant sitting on long benches and writing on slates. There are actually many of our present generation (business men that went all the way through grade, never using paper tablets.

Holiday Monday

The one day of the year set aside for the special honor of labor, will be a complete holiday in Burk Burnett Monday as the entire city will close up to celebrate Labor Day. All of the major merchandising concerns will close their doors for the long holiday Saturday night and will not open until Tuesday morning. Everything in Burk will close with the exception of the drug stores, cafes and similar concerns. The labor organizations of this district are expected to put on a special program at their meetings this week. They have made some preparations during the last few meetings for the celebrations.

Chamber Commerce Adopts Plans Mon. On Fall Celebration

Organization to Back the Harvest Festival to be Held on Sept. 6th and 7th

PREPARE FOR CENTENNIAL

Two major projects received the attention of the directors of the C. of C. meeting at Scruggs Cafe noon Monday, when they planned the backing of the harvest festival and discussed the preliminary plans of the firemen's convention to meet here next May. The report on the Harvest festival was given by W. A. Roberts, who asked that the organization give a more enthusiastic advertising for the meeting.

The directors appointed a committee that will function to decorate the town for the next two weeks. This committee is to confer with the Lions and the Rotary clubs and place bundles of wheat and other crops on the corners and paint the windows and show rooms of the merchants of the city. The committee was authorized to take care of what expenses that the clubs were not willing to carry. The members were: W. A. Roberts, Bob Tevis and Herman Brown. This committee has already started the decoration.

Booth's Sale

Each member of the board of directors was instructed to contact the national advertisers of their line of goods and sell a booth for the commercial display of the building. These booths are offered for sale at \$10.00 each and will receive the most prominent display in the entire building of the fair exhibits. Three booths were reported as having been sold by the association.

The ballots of the queen election received the attention of the committee and the pictures of all the queens in the race for the fair throne were shown to the directors. The directors instructed the queens to make immediate contact with all the merchants and arranged the casting of the ballots for the election.

There will be the rehearsal of the pageant depicting the history of the city called this week. The Rotary and Lions clubs were given the responsibility of seeing that the play was produced, and the producer of the play was instructed to bring the matter before each of these clubs this week. The rehearsal will be completed in a final dress rehearsal next Thursday night.

W. A. Roberts reported that the Mayor Oscar Kemp had captivated the city of Plainview and the entire convention for Burk Burnett for the invitation to meet at Burk Burnett next year. The committee planned for the entertainment of the convention that will bring about 300 fire-eaters to this city.

Those present for the meeting were: H. D. Smith, president; Bob Tevis, Alexander, W. A. Roberts, B. F. Gilchrist, Frank Kelly, Herman Brown, Curtis Cook, Henry G. Brace, Henry Prinzing, Wylie Browning, W. R. Hill. The meeting of the Harvest executive committee and the general committee will meet later this week.

First School

Clara and Devol will be the first schools of this section to open. Clara as announced last week will open September 2, and Devol will start the same day. Clara will enroll 195 pupils, about an increase of 10 students. There will be approximately 300 students at Devol. Two hundred will be in the grades and primary work and almost 100 in the high school.

Devol has a new superintendent, H. C. Powell who has been teaching in Jackson county for the last six years. The other teachers are: Ena Hodges, Spanish and English; Oleet Stinson, coach and home economics; and a principal that has not been chosen for coach of boys in high school. The grade school teachers are: A. V. Durham, principal; Margaret O'Guinn, primary; Opal Hale, Francis Inman, Clayton Landes, and Maxine Bishop grade school.

Superintendent Powell announced the registration schedule for the Devol high school. All of the students

(Continued on page 5)

Coach Hill Speaks To Lions Club On Prospects Of Team

Coach Volney Hill, Bulldog mentor, spoke to the Lions Club Tuesday night at the First Methodist church on the prospects of the 1935 edition of the Bulldogs football team, and the race in district 5B. The coach pointed out that the district was as strong as ever, and that made this an unusually strong district compared to the neighboring class B groups. Olney has experienced and size to put on the field the strongest team they have had in several years. Crowell and Seymour the other favorites of the race will have most of their starting line-up from last year back for the conference games.

The other members of the district rank with Burk in having a medium team. They will be able to carry on a merry battle for the second division leadership, while the three strong teams battle for the championship.

Burkburnett has the lightest team and one of the youngest teams to ever wear the local colors. The boys have returned to build a team from new material. The coach discussed at length the qualifications of the players, and told of the work that was being done at the camp. He complimented them for its interest and passed the schedules for the year to each member.

Leonard Mattingly was appointed chairman of the committee to cooperate with the Rotary club in the decoration of the city for the Harvest Festival. This Committee was authorized to carry what expense was connected with the decoration. The club also pledged its cooperation in the production of the pageant that will celebrate the festival the final night of the fair.

Oil Well Blaze Friday Calls Fire Department

A blaze caused by friction in the engine at the Pilkerton oil well South East of the city caused a run by the fire department Friday afternoon. The blaze was reported by neighbors, and the department arrived before damage ensued. The engine that started the blaze was badly burned, but the blaze did not spread to the surrounding area. This is the second time that the local department has made a run to the same well in the last few months.

Maybe the printer was thinking of something else when he set an item about a vest button saving a man's life in a holdup and made it a pant's button.

PEDDLERS

Burkburnett has been afflicted with a group of peddlers the last few days. These men are not only dangerous, but they are inconvenient and insulting. They have developed the salesmanship on the basis that if you don't buy from them that you are a fool and a poor sport. The Chamber of Commerce and police have done every thing that they possibly can to protect us from our own foolishness, but in spite of it some still patronize the wandering legion.

There is nothing that they offer for sales that can not be purchased at a local store or through a local agent. Many times they ask for a small deposit that must be made. Then the purchaser never hears of them again. The local authorized men will approach you with credentials from the police and business men's organization. Be sure that such persons have a card from these people before you even talk a sale to them.

Nobody ever gains from a purchase made from these persons. They usually peddle inferior goods and they take money from the city that ought to be placed in the local market. This is a two edged situation in every phase. The customer loses, and the local merchants are deprived of a legitimate sale.

COTTON AND WHEAT

It is difficult to decide what to do about wheat and cotton. Some of the farmers hold it and lose, others hold it and gain, but every year it is a problem to the farmer, and especially the small farmer whose chief income is from the small amount of these two money crops. The cotton is starting to be marketed in this section and the government just announced the nine cent loan policy. The result is that the market dropped 92 points in one day.

A similar situation arose when the wheat market was opened this spring. Wheat went down below 70 cents, and the farmer who was working from hand to mouth had to sell. A large number held and are still able to take advantage of the 96 cent price given in the local market Friday afternoon. That 26 cent difference would mean a whole lot to some of the smaller men if they had been able to hold on until now.

Several experiments have been undertaken in the past to help the farmer stabilize his crop and take advantage of the higher prices. All of these methods have fallen short in some extent. However, the cotton and wheat farmers might take a hint from the citrus and coffee growers. These two products have never really glutted the market for the simple reason that the growers have the tightest organization that has ever been perfected.

There has been a lot of legislation such as the Bankhead act and similar laws. Ultimately the farmer is going to have to work out his own salvation. That means perfecting an airtight organization for the marketing of his products and disposing of the surplus. There is too much manipulation of markets by people that never saw a cotton field. There was one candidate for the department of agriculture that said "We'll keep cotton price up, if we have to cut down every cotton wood tree in the south." As long as men who are so unformed have a hand in making policies, there will never be a practicable or satisfactory solution achieved.

ELECTION RESULTS

The people of Texas have spoken, and in no uncertain tones for the old age pension and the abolitin of the fee system. For many years the students of government have maintained that both of these laws would be desirable, and the politicians have been reluctant to adopt them. The fee system made a patronage possible that kept many politicians in office when he otherwise would have been defeated, and naturally our legislatures hesitated to adopt a scheme that may have meant their defeat.

The old age pension will be a burden that it will be hard to carry. However, it is one of the most necessary moves that our state has ever inaugurated. There is nothing in the world that is more pitiful than to see a man that has lived a life of hard work and service, to be discarded by the society of which he has given all his life.

This law takes all the stigma of charity out of the relief that we have been administering to the poor aged people. Heretofore, these persons have been sent to poor farms or county farms. They were well taken care of, but there was a certain stigma that hurt the pride of the old person that became the ward of the state. That crushing of pride was the cruelest thing that society ever did.

The adoption of the state liquor law will be interesting to watch what fight the dry group will make. Will they try for state prohibition, or will they be content to teach temperance and local option? What ever program that the dries do adopt, we hope that it is one that is well directed and a more successful one than the late lamented prohibition act.

The text book law was defeated. That was the lone defeat. Most of the people of the state felt that something had been slipped by an unruly legislature when the amendment was submitted. However, it had one good part that would have been beneficial. That part was the apportioning of the funds by some method other than the scholastic population. We would like to see the law re-written in order that the apportioning of the funds be by average attendance.

Current Literature

Gene Stratton Porter's books will never rank as literature by any sort of method of measurement, but they do have an appeal to the mass of people. There is no artistry of construction nor brilliance of technique but the very popularity of her novels, has led some critics to wonder. Have we made the wrong standards of excellence. These books are nothing but a lot of sentimental huey, but that is what the public as a whole likes.

If such sentimental bosh is so universally popular, maybe the critics who have set up a series of rules that are mostly artificial, are the persons who are wrong. Personally, Porter's books are offensive to us, but it may be that we are entirely wrong and the mass of people are right. It doesn't pay to be too arrogant in judgment.

The very fact that a classic or proven bit of literature appeals to us, doesn't mean that a person is a moron for liking something that is offensive to the critic.

At last the claim is made that a good movie has been made about newspaper men and women. "The Front Page Woman" is said to be an excellent picture of what actually takes place in a newspaper office. If it is (we haven't seen it) it will be one of the first that ever did so. There is as much space between reality and what the movies have shown about papers and newsmen, as there is between two planets. The picture was in Burkburnett this week, and we will probably hear some interesting comments on it.

The editor of this paper has been asked to gather the folk lore and their interesting historical information about this section of the state for the centennial commission. If there is any one who has old letters, pictures or stories that will be of use, the commission would appreciate a loan of them for the period of the celebration.

It soon will be season for the literature clubs of the city to start their annual meetings. They have taken a vacation during the summer. There is one club that we would like to see established. Or if necessary maybe it could be a division of some club already established. "Writer Club" or a similar organization would be a real addition to the culture of the community. Some clubs have attempted such courses in the past, and we know that there are a sufficient number of people that are interested to make a good organization. The greatest need is a critic that will tell people the truth about what they write. The average writers club fails, because of lack of constructive and true criticism. For illustration we heard a perfectly rotten poem read at a local club, and everyone oled and ahd, when they ought to have said "punk" or pointed out where the poem could be improved.

News of Week

The passage of the compromise "death sentence" for the holding companies constitutes one of the major surprises of legislation this year. Less than a week ago the national house refused to sound the death knell over the utility companies, and all because the president writes one letter to them the vote is reversed. Now we may expect the most stringent regulation that we have ever seen in public utility matters. The vote of 249 to 142 allows only the second degree firms to remain in business. The other firms will be completely abolished at the end of a seven year period. This will bring to an end the bitterest fight that we have ever witnessed in a very stormy session of the national congress.

Brittain's Suggestion

England is doing everything in her power to prevent a conflict. The English empire has tried arm embargo, therat and peace arbitration. Now the nation has asked the other neutral countries to join with her as a police force to prevent misbehavior of the nations of the world. There will be only one way to establish international peace, and that would be to establish a police force that would be stronger than any single nation, or any combinations of nations that might be created.

The danger lies in the question of who shall control that international police force, and how it shall determine whom to arrest or attack in case of emergency. Such action would virtually amount to establishment of a United States of the World. The United States of America sounded as impractical when it was established, but it has proven to be successful. Maybe an international police system would work. It takes some real thinking at least.

Neutral

America has declared her neutrality. The program includes embargo on shipments, forbidding American ships in ports that are involved in war, and absolute check of financial support. Maybe we learned a lesson the last time we stuck our nose in the European mess. There is one thing that will be done. If American manufacturers arms and fighting equipment, it will be under

a licensing system, and that means no more uncontrolled profits. In the last engagement, some factories here made three or four hundred percent gouging the government.

Hopson's Testimony

Poor Mr. Hopson made only about \$13,000,000.00 in the last four years. The depression must be something terrible for such men. It surely is a shame that they are denied the luxuries and have to get along on a meager two or three million dollars income a year.

The most interesting thing that was brought out in his testimony was that the advertising was withdrawn from papers that didn't approve of the companies that he represented. The press resents nothing quicker than any one trying to control what they say. If you wish to make a permanent enemy, just try to tell a newspaper man he ought to put something or leave something out. It's very bad psychology to try to control the press. When a newspaper man is asked to suppress some news, he usually scents a rotten situation that ought to be written about very quickly.

BUILDINGS ARE PREPARED FOR HARVEST FESTIVAL CELEBRATION

Preparations for the gala celebration of the Harvest Festival are in full swing this week as the committee arranged the buildings for the exhibits in Burk Burnett Sept. 6 and 7. Herman Brown, Dean, Frank Kelly and J. Butz having been working all week to clean and decorate the building, and the booths for private exhibits are being arranged. The chicken coops for the competition are in readiness for the big annual fair. The fair will be the peak of the years program, will be sponsored by the band and the fire department.

Ballots

The first ballots for the queen scheduled to be counted Monday afternoon, and the results of count are given elsewhere in this issue of the Burk Burnett Star. The race for the queen was getting interesting this week as the candidates started their intense work for the election. The beautiful dress the royal majesty will wear is to display at some of the local

Chamber of Commerce mailed the prize lists to about four hundred of the farmers in this section Friday, and a real interest was shown by the farmers in the section in entries that are being received by the fair commission. Several hundred exhibits will be entered in the active competition for the number of prizes that are

Booths

Various organizations over the PTA Auxiliaries, and social clubs were registering for the booths that will be placed on Main Street for the sale of concessions at the fair. These booths are under the supervision of W. C. King.

Preparations were under way this week to give the final night of the big send off with a huge parade that will present the queen of the celebration. The votes will be public until the last day, and final results will be held until the announcement of her attainment of the throne at the pageant.

The festival committee announced that the colts and horses, and all animals of the larger class that receive the huge prizes in the exhibition will be exhibited on the day of the fair only. These rules

were adopted to suit the farmers in this section.

At the present the fair seems to be developing rapidly, and Burk Burnett will draw the largest crowds that the city has ever had for a single affair. There will be several thousand people visiting here during the two days of celebration.

PTA Hostess For Girls Team Fri. At Westmoreland

Mrs. Griffin Thanked For Work On Children's Fund During Summer

Entertaining twenty-three girls at the Westmoreland swimming pool, the PTA expressed their appreciation to the girls team for the games that the team has played this summer. The team has added a large amount to the benefit fund of the association, and the fund will make it possible for the organization to start the years work with the children without delay.

The girls went swimming for the first two hours of the party, and afterwards ate at the picnic grounds of the pool. They played on the lawn after the supper. Those present on the team were: Ola Guthrie, Juanita Shuffler, Jackie Jackson, Marjorie Bowden, Doris Bowden, Elizabeth Bowden, Wilma Faulk, Elizabeth Faulks, Oleta Thornton, Pauline Rankin, Norma Jean Pace, Earleen Reed, Della Ashman, Lillian Rainey, Elva Stimpson, Leona Reed, Viola Key, Marcelle Foster, Mildred Milford, Mrs. John Rogers and Mrs. R. Hanvey. Those who assisted in the entertainment were: Mr. and Mrs. Herman Brown, Mrs. Jess Griffin, John Pickerell, Curtis Cook, Mr. and Mrs. Dutch Wolfe, Mr. and Mrs. Oyler.

Mrs. Oyler thanked the girls, the managers of the team and the newspapers for the work that has made the summer successful. A special tribute was given to Mrs. Jess Griffin for her faithful work at the ball ground during the entire season. The girls played their last game at Frederick last Tuesday night.

Burk Bulldogs Settle Down Serious Work 2nd Week Training

Schedule Announced For The Complete Season of Play by Local Football Team

INTEREST INCREASES HERE

The Burk Bulldogs settled down to serious work in the second week of training, and the squad abandoned the lighter preliminary practices of the first week. Coach Hill has had from 14 to 17 men out for the practices during the last week of the training. The squad devoted most of the time to passing fundamentals, an learning proper handling of the plays. On last Friday they tackled the charging machine as the first taste of really heavy work. Most of the boys in the camp

are getting the kinks out of the muscles.

Fundamentals

This week has been devoted to the heavier fundamentals. The squad started in Monday by blocking and tackling on the basis of real competition. Most of the members of the squad are rounding into training condition in fine shape. The first few days found many of the members of the squad unaccustomed to the rigid exercise discipline, and falling out of practice. The stiffness and awkwardness is rapidly disappearing.

Coach Polk Robison has had charge of the line coaching. He has taken the linesmen aside and drilled them in fundamentals. Hill has worked with the general squad and devoted a lot of time to the backfield. Some skull work and signal work has been in order during the first week. Most of the time has been to the preliminary, and formation will come later.

The fans of Burk Burnett have been famed for their complete sup-

port of the team, and they will get a chance to see the squad in action many times this year. While most of the conference games are away from home. Many other games have been scheduled for the local stadium.

Schedule

The opening game of the season will be with the Tipton squad in Burk Burnett Sept. 20. This game will be followed by the annual Burk Electra game at Burk Burnett. While the game has been played late in the season, it has been moved up for this year. Nocona is determined to get revenge for the defeat at the hands of the Bulldog squad. Last year the Bulldogs journeyed to Nocona to defeat the Indians in an exciting game. The best of the season for the local lads.

The first conference game will be with Crowell at Crowell. That game will have more to do with the success of the squad this year than any other. Conference games with Seymour at Seymour, Archer City at Archer City, Throckmorton at Throckmorton, Olney at Olney, Chillicothe at Chillicothe and Iowa Park here will follow for the next six straight weeks.

This will be the hardest schedule

that the local team has ever played. It includes the class A Electra team, and the Crowell Cats and Olney Cubs, all three are strong teams.

Drys Hold Final Rally Last Week

The people of Burk Burnett that oppose the repeal of the state prohibition amendment and the county local option, held the final rally in Burk Burnett last Thursday night with three Wichita Falls lawyers visiting this city. Judge J. B. Hatchitt spoke on the effect of repeal and the possibilities retaining the present system. Judge B. D. Sartin followed with a brilliant speech asking the people of the city to stand for the present laws.

The speakers were introduced by Rev. Miles B. Hays, pastor of the First Baptist church. Judge Ogle of Wichita Falls accompanied the speakers. There was a large crowd at the street speaking in spite of the other community entertainment on the same evening.

CHIROPRACTIC ADJUSTMENTS RESTORE HEALTH

The adult spinal column consists of twenty four freely movable bone segments, called vertebrae, together with the sacrum and coccyx. All of the great nerve trunks emit through the openings between the vertebrae, which openings are known as the intervertebral foramina. The vital life force within man is carried by these nerve trunks from the brain to the various organs, muscles, and tissues of the body.

For every effect you must have a cause; that is a fundamental law of physics. If a person is ill, then the condition of disease, regardless of the name applied to it, is in fact an effect for which there must be a cause.

The Chiropractic premise is that the cause of disease is due to the subluxation of vertebrae, which produce pressure upon the nerve trunks and thus interfere with the transmission of vital life force.

The Chiropractic objective is to determine the subluxation that interferes with the transmission of this vital nerve force, and, through proper adjustment by hand, restore the subluxated vertebra to its normal position so that the interference is removed, thus permitting the restoration of health.

MILLIONS OF POUNDS HAVE BEEN USED BY OUR GOVERNMENT

Repeal Carries—

(Continued from page 1)

Probably within the next 15 days the legislature will meet to pass enforcing measure and tax measures for the newly created liquor control laws.

Another difference of opinion in Wichita county was how soon a new local option election could be held. Many people maintained that the local option law passed out of existence with the state repeal. The most authoritative opinion was that a new election could not be held in less than six months. However the state legislation machinery is expected to set up new laws controlling local option.

Old Age Pension
The most tragic aspect of the election was the belief on the part of the old people that the Old Age Pension law would become effective immediately and that since it passed the old people would start receiving checks on the next first of the month. These folks will be sadly disillusioned. It will take several months to set up the machinery for the old age pension. The federal law which will provide half of the money was signed only last week by the president and he has not as yet appointed the commission for the investigations and appropriations for the law. The majority for the law was the largest ever recorded for any state amendment.

Other Amendments
All the other amendments passed with the exception of the amendment requiring free text books for all schools, private, church or social, and the single defeat will be charged to a highly developed campaign on the part of the teachers.

The most interesting of the amendments from the viewpoint of better government was the abolition of the fee system. The people of Texas said in no uncertain terms that they were tired of the present system and that they had all the graft and intimidation that they wanted on the matter of official fees. Now the county officers will be paid a regular salary and all the officers will have to turn over the fees to the county treasury.

The legal puzzles of the dry law will be worked out in the near future, and in the meantime, liquor is flowing freely all over Texas, where there are no local option laws. The county authorities in Wichita county pledged that they would enforce the law that the majority of the people of the county had stated that they wished enforced.

Bertha Potter Rites Held In Burk Friday

The last rite of Martha Potter of Burkburnett were held from the chapel of the Owens-Brumley funeral home Friday by the Rev. O. W. Mowery. The burial was in the Burk cemetery. The survivors were Mr. Potter, two sisters, Mrs. Ruth Morris and Mrs. Jarvis of Wichita Falls. The funeral was held after the preliminary services on Thursday afternoon. The Mrs. Potter died after a brief illness Wednesday morning.

Temperament With Gable, Jean Harlow and Beery On Same Set? Not at all!

Pals on the set—pals in real life—three of a kind. That, in a nutshell, tells the story of the outstanding three-way friendship of Hollywood.

Clark Gable, Jean Harlow, Wallace Beery. Though the studio brought them together it was the gold threads of life and experiences that actually wove the firm bond of loyalty and friendship which has endured among the three since they played together in "The Secret Six" almost five years ago.

When the "Secret Six" was made Jean Harlow was almost unknown. Clark Gable was a young man just off the stage, without any great screen experience, and Wallace Beery was turning back to serious

drama after playing comedy for several years.

Together in that picture they began the march to fame which has made them leaders among the box office stars of the world.

Though great fame is now theirs, they have something they treasure outside the world's acclaim. Trained in the school of hard knocks, they share their gallant spirit of real sportmanship. Their friendship is their most prized possession.

Practical Jokes Were In Order
When they were in "China Seas," new Metro-Goldwyn-Mayer feature opening Tuesday at the Palace Theatre a feeling of gay comradeship existed among them. Anything in harmless fun was likely to happen on the set. A "gag" was always on

Rotarians Entertain In Water Melon Feed

The members of the Rotary Club and families enjoyed a watermelon feast at the Water works park Tuesday night. The regular meeting for the club scheduled to be at the First Methodist church at noon was postponed until the picnic. The club voted to cooperate with the Lions club in the decoration of the streets and stores of the city for the Harvest festival.

The group also voted to assist in the production of the Burk pageant for the presentation of the Queen of the Harvest festival. The members and their wives at melons and gathered for a social hour after the regular business session. The club adjourned early to attend the softball game.

'Rainbow Valley' Palace Attraction

Latest in the long succession of blondes who have appeared as leading women for John Wayne, ace western star, is Lucille Brown, a brown-eyed daughter of Memphis, Tennessee, who appears opposite Wayne in "Rainbow Valley" which comes to the Palace theatre Friday and Saturday.

Miss Brown's role in "Rainbow Valley" is that of a young post-mistress who contributes much to romantic interests of the fast moving plot. The story concerns the efforts of John Martin, undercover agent, to thwart the gang of desperadoes who have terrorized the inhabitants of a mountain encircled valley, and have frustrated their efforts to construct a road from the valley to the county seat which lies on the other side of a mountain range.

An Owens-Brumley ambulance carried Mrs. W. A. Jackson from a Wichita Falls hospital to her home West of Clara Tuesday evening.

Dorothy Schroeder Is Honored On Birthday

Mrs. Paul Schroeder entertained a peppy group of children Thursday afternoon with a birthday party honoring her daughter Dorothy Schroeder on her tenth birthday. Misses Marie Stallings of Denton and Mabel Anderson entertained the guests with lively games and contests, Virginia Rogers and Eugene Welborn winning the prizes. Ice cream and cake were served and a book was given as favors. Those present were: Virginia Rogers, Trevelyn Miller, Marjorie Hieserman, Bonnie Lee James, Winnie Minton, Mary Francis Boyd, Dorothy Ellen and Carolyn Rose Boyd, Rex Anderson, Eugene Welborn, Carl Wesley, Day, Weldon Minick, Charles White Hubert Butts, Gene Donuhoo, and the honoree Dorothy Schroeder.

Funeral Services For Monkers Infant Held

Clinton Jerry, infant son of Mr. and Mrs. Samuel Monkers died at the home of his parents near Thrift Monday. The funeral services were held by Rev. R. A. Wright, pastor of the Church of Christ of Iowa Park, from the cemetery chapel. The interment was under the direction of the Owens-Brumley funeral home. The survivors are parents, one sister, Ellen May and grandparents, Mr. and Mrs. C. D. Williams and several uncles and aunts of Thrift, Texas.

BOYER WOOS LORETTA YOUNG IN 'SHANGHAI'

Fresh from his triumphs in "Private World's" and "Break of Heart" Charles Boyer launches his new bid for starring fame in Paramount's "Shanghai," which comes to the Palace Theatre Sunday. With the colorful and mysterious

Burk Motors And Magnolia Enter Finals Playoff

Barrow-Grace and Thaxton Eliminated In First Round Of The Series

GOOD GAME EXPECTED

Two teams that are about as evenly matched as it is possible to secure in the softball league have blasted their way into the finals of the softball playoff by decisive victories, when the Magnolia and Burk Motors defeated the Barrow-Grace and Thaxton teams in straight games of the preliminary rounds. Burk Motors did not have so much trouble getting into the finals. They smashed the Thaxton combination 12 to 2 in the first game Friday as the Thaxton team blew up in strategic moments. Then repeated the victory by a lopsided score Monday night 19 to 9.

Both of the two games were filled with bitter bickering over official decisions and playing on the field. The Thaxton team was expected to make a much better showing than was evident on the field during the two games.

Best Game
The ten inning, 5 to 6 victory of the Magnolia over the Barrow-Grace Tuesday night was the best game of the two series. The game was clicked off in less than an hour and ten minutes. That is plenty fast for ten innings of play. Both sides produced some spectacular playing, but Magnolia went into the lead in the tenth with a three run rally as the defense of the Chevrolet team broke for a moment. The rally was started when Barrow-Grace's third baseman fumbled a ball at third to fill the bases. Immediately the center fielder dropped a long fly and the score trickled across the plate.

In their half the Barrow-Grace team had men on base and scored two runs. The final out was by the narrow margin of two or three feet. The Magnolia won the first game by a comfortable margin last Thursday night.

The playoff for finals started Wednesday night. It will be continued at the agreement of the players of the teams involved. At the present it appears that the series can not be finished this week.

capital of the Orient for its background, the picture tells the story of two who dared hatred and prejudice for love and won. Loretta Young is starred with Boyer.

Dumb animals are the ones that cannot assemble in vast crowds without needing a nambulance to carry off the injured.

Adding Machine Paper--Star Office

Magnolia Wins First Playoff Game Monday

Functioning like a smooth working machine the Magnolia softball team rolled over the Burk Motors for the victory in the first game of the finals of the playoff. The score at the end of the game was 8 to 4, but the sixth inning was stopped before the game was over and the score reverted to the 5th inning with a count of 8 to 2. Rain stopped the contest in the last half of the sixth when two men were out for Burk motors and two on base. The next contest will be a double header next Wednesday night.

Mrs. Ellis Dies In Burk Tues. Morn

Mrs. Belle Ellis, 78, died at home of her nephew Dudley on Ellis Ave., Tuesday morning. Mrs. Ellis has been confined to bed for several years. She is survived by her husband John J. Ellis, nephew Dudley Ellis, two nephews of Missouri. The body was sent to La Belle, Missouri for funeral services and interment will be at city. The Thomas funeral home in charge of the arrangements in Burkburnett.

The school will open Sept. 9 with the pupils enrolling. The same registration and as it had last year. The principal, Y. C. Paschall announced that the teachers report on Sept. 7, and an opening will be held Monday. The high school are R. D. principal; Mrs. Watkins, teaching; Lois Thompson, and Lillie Mae Armistead, and the grade school will be Ruth Keller, Pattie Jones, Toby Baird, Ray Davis, D. Willis.

School and other buildings painted and the district a new 50 pupil Ford bus placed in operation. The one of the largest in the with the exception of Burk-

Burkburnett

Burkburnett schools will

probably enroll between 1300 and 1400 students. The superintendent will be Butler Westerfield who has been studying in Austin this summer. Chester Duncan and Lee Clifton will be principals of the high school and grade school respectively. The pupils will enroll Monday, Sept. 9. The teachers will report Saturday September 7.

The football squad of the school reported August 19th and has been diligently training for the interscholastic series that will be opened in September. This squad will play under lights that have been erected by the summer months.

Cashion will open on Monday, September 9. The school will be under the supervision of superintendent J. A. McClendon. The other teacher will be Mrs. J. A. McClendon, E. A. Powell, coach, Mrs. Frank E. Pray, Mrs. Frank Lovell, Mrs. W. C. Vann, Miss Mary Morre Brown, all of Wichita Falls.

Burk Teachers

The teachers in Burk Burnett have been listed by the superintendent, Butler Westerfield. In the elementary school the teachers will be: Annie Laura Billingslea, Hellen Ingie, Ella McGalliard, Edna Hightower, Mrs. E. L. Blum, Katherine Lassett-

ter, Blake Roach, Sadie Fleming, Mildred Corley, Mary McGinnis, James Guest, Janis Franke, Carl Pommerening, Morris Strong, Ethyl Virginia Allen, Peggy Gideon, and Mr. Lee Clifton Principal.

In the high school and Junior high school will be: C. J. Duncan, principal, Frank Culpepper, Gladys Westbrook, Natilie McClure, Polk Robinson, Scott Williamson, T. J. Blackwell, Thelma Dunaway, Ella Billingslea, G. A. Reaves Jr., Vinnie Dee Michie, Jesse M. Johnson, Alice Morgan, Charles V. Hill, Norene Kirby, Morris Dean, Natalie Gorin, and Juanita Ford. Mrs. L. C. Lee will be the teacher at the colored school. 2 p. m.

Last Week Of Soft Ball League Drops Game For Playoff

The last week of the soft ball league schedule was discarded and all four of the leading teams consented to forfeit games with dispute involved. The season half ended with the Burk Motors and Magnolia tied for the first place. Magnolia took the first game of the week with a 15 to 6 victory over Skelly and the defeat practically eliminated the Skelly team from the Shaughnessy playoff. Thaxton took a forfeit from the Bell Oil and gas.

Barrow-Grace scheduled a game with the Skelly for Wednesday and failed to show up, and the game was declared forfeit by the executive committee. The Texas-Burk Motors and Bell-Magnolia schedule was counted no contest. The Thaxton game was offered as a forfeit to satisfy the protesting Skelly team.

The standing then placed Skelly into third place with a slight lead over the Barrow-Grace team. The Thaxton and Barrow-Grace teams were tied for the fourth and fifth places. This tie involved half losses and half wins for the last session of the schedule. Then league held a called meeting Thursday night, and at the motion of the Skelly team, a vote was taken on abandoning the Shaughnessy playoff. Although all managers were present only three voted. The vote was 2 to 1 in favor of retaining the playoff this week.

The second motion was made at the request of the secretary that the money in the treasury, in case of surplus would be retained on deposit at the bank in which it is at the present. The funds will be retained until the election of a new treasurer for next year, when next years organization the money will be handed over to the league for the perfection of the league workings.

Final standing for last half:

Team	G	W	L	Pct.
Magnolia	16	12	4	750
Burk Motors	16	12	4	750
Skelly	18	10	8	555
Barrow-Grace	14	7	7	500
Thaxton	16	8	8	500
Texas	16	6	9	333
Bell	16	6	10	312
Tucker	17	2	17	112

Battle To Death

A snake of unidentified species invaded the home of a black widow spider Thursday afternoon on the Gulf lease south of town and paid with his life for the intrusion. Jim Pogue, Gulf worker found the snake and spider tangle in a duel in one of the sheds, and called others to witness the battle. The spider calmly wove a web around the invading 14-inch snake and proceeded to dispatch him with series of vicious stings on the back. The widow seemed jealous of the recent newspaper stories discounting the deadliness of the spider's poison. Pictures were taken of the scene after the spider's triumph.

Former Burk Burnett Commissioner Dies In Wichita Thursday

R. L. Eeds, former commissioner of the Burk Burnett precinct died early Thursday morning in Wichita Falls after many weeks of illness at his home there. The final services were held from the Floral Heights Methodist church with Rev. C. A. Spraggins officiating. Mr. Eeds is remembered by many friends in the city of Burk Burnett, and one of the monuments of his civic interest still stands at the Central Ward school. The old mulberry trees that have grown to staunch shade trees were planted and tenderly cared for by the former commissioner.

Former Burk Woman Dies At Marshall

Mrs. Bertha Patterson, former resident of Burk Burnett died at

Marshall, Okla., Wednesday, August 14, according to announcement received in Burk Burnett this week. The services for the pioneer resident of Texas and Oklahoma were held the following Friday at the Baptist church. Mrs. Patterson was well known here for her association in the Baptist church and the Order of the Eastern Star. In the society of Rebekas she was a prominent member. Mrs. Patterson was born in Decatur County Iowa, and moved to Texas in 1897 the year that she married Walter Patterson.

Announcement

The regular first Sunday singing sponsored by the various churches

of Christ in Wichita County will be held next Sunday afternoon at Petrolia.

All lovers of vocal music should attend this singing. There will be quite a number of noted singers present, and will render special songs in duet, quartets together with congregational singing. This service will be under the direction of Will W. Slater, president of the Ft. Smith Music Co. of Ft. Smith, Ark. It will be a treat to anyone to hear him sing and direct a class of singers. He is also a well known evangelist and is now carrying on a series of meetings at Petrolia. W. H. Woods of Burk Burnett is directing the song service in this meeting. All are invited.

Ruba Joe Wimberly Receives Degree At N.T.S.C. Thursday

Ruba Joe Wimberly of Burkburnett received the bachelor of science degree at the forty fifth annual commencement of North Texas State Teachers College, August 22. She did major work in elementary education.

Governor James V. Allred delivered the commencement address, after which President W. J. McConnell conferred degrees on 445 candidates. One hundred and forty-nine degrees were conferred at the May convocation, making a total of 594 degrees conferred for 1935, the second largest number granted by any educational institution in the state.

A total of 3,255 students enrolled for the summer session of the college.

Miss Wimberly was selected by the N. T. S. T. C. as one of the best teachers attending the college. Each year the school chose ten outstanding teachers from the classes, and the Burk girl was among this group. She taught in the demonstration school as assistant teacher last winter and this summer. She has accepted a place with the Overton school system for the next term.

Sewing Room Opened Under Supervision Of Works Progress Act

F. R. Knauth announced Monday that preparation was being made to open the sewing room project that had been closed recently by the relief headquarters under the administration of the PWA. The Progress administration leaves the burden of the room and utilities to the local sub-divisions of the government. The rent and other expenses will be paid here. The Burk city government will provide the water and lights that are necessary for the building, and the Burk Gas company will give the fuel for the building.

The women who have been on the relief rolls that are qualified by physical examination to continue in this work will be given an opportunity to make the roll of the sewing room project. The exact number that will be employed in the new project has not been announced. This move is an attempt to bring up the relief role to the employment in PWA of as many persons as possible before the Nov of this fall. The relief agencies are supposed to cease to exist at that time according to recent announcements from Washington.

Rev. W. D. Cook To Speak Methodist Church Next Sunday

Rev. W. D. Cook, retired Methodist minister of Wichita Falls will speak at the First Methodist church next Sunday morning in the absence of the pastor Rev. L. G. Hagard. Rev. Hagard is holding a revival at Bluegrove Methodist church for the next ten days starting Thursday night. The evening services will have John Rigby local member speaking. The other services of the church will be according to the regular schedule. Rev. Cook is the father of Curtis Cook, pastor of the Presbyterian church of Burkburnett.

NOTICE OF BUDGET HEARING

The State of Texas, County of Wichita, City of Burkburnett

Notice is hereby given that there will be held at the City Hall in the City of Burkburnett, Texas on the 2nd day of Sept., 1935 at 8 o'clock p. m. a public hearing upon the question of adopting the budget for the City of Burkburnett, Texas as prepared by the Budget Officer thereof, and now on file at the office of the City Clerk in said city, and you are hereby notified to appear and submit any objections or amendments thereto as desired.

This notice is given as required by law and by order of the City Board of Commissioners this 19 day of August, A. D. 1935.

R. P. REAGAN,
City Clerk and Budget Officer.
1-2tc.

Watch Your Kidneys!

Be Sure They Properly
Cleanse the Blood

YOUR kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as nature intended—fail to remove impurities that poison the system when retained.

Then you may suffer nagging back-ache, dizziness, scanty or too frequent urination, getting up at night, swollen limbs, feel nervous, miserable—all upset.

Don't delay! Use Doan's Pills. Doan's are especially for poorly functioning kidneys. They are recommended by grateful users the country over. Get them from any druggist.

DOAN'S PILLS

Sports Fans Follow The American Boy

Boys and young men of this city who wish to improve their tennis service, their basket-shootin eyes, their forward passing talent, or their crawl stroke, can enlist the aid of the nation's foremost coaches and players by subscribing to THE AMERICAN BOY magazine and follow the sports interviews and fiction stories that appear each month.

"When I was in high school," says a famous decathlon champion, I read a track article the THE AMERICAN BOY that gave me my first clear-cut idea of the western style of high jumping. At practice I laid the open magazine on the grass and studied it as I worked out. That afternoon I increased the height of my jump by three inches.

That was a long time ago, but today thousands of future champions just as eagerly follow the AMERICAN BOY.

This year, states Griffith Ogden Ellis, editor, our staff writes have gone to the two greatest football teams of the country—Minnesota and Pittsburg—for first hand tips on strategy, blocking, tackling, passing and the fine points of play. They have interviewed Jack Medica, the world's fastest swimmer, and his coach, Ray Daughters. Gone to Eastern High School of Washington, D. C., Eastern Interscholastic basketball champions. In the past they have followed the Grapefruit Circuit of the Major Leagues in Florida, sat on the bench at the Rose Bowl, sought out the famous runners, divers, All-American ends, tackles and back-field men, to bring their story of how to play the game to the young men of America.

In addition to our fiction, exploration, hobby counsel, and vocational help, we shall continue to encourage young men to improve their game in every line of sport.

Send your subscription to THE AMERICAN BOY, 7430 Second Blvd. Detroit, Michigan. Enclose with your name an address \$1 for a year's subscription, \$2 for three years, and add 50 cents a year if you want the subscription to go to foreign address. On newstands, 10 a copy.

Library Receives Four New Volumes

Four new popular new novels were received by the Library last Friday, and have been catalogued for the shelves. One of the most popular is "The Keeper of the Bees", by Gene Stratton Porter. This book was recently made into a movie and

was brought to Burk this week. For that reason many patrons will be interested in reading the novel now. Another book was by the same author, "Freckles." For many years the novel has appealed to the American public.

"Ann of Green Gables" by L. M. Montgomery is treasured by many people. For the children there is "The Secret Garden" by Frances H. Burnett. The new books were purchased recently by the library board.

John W. Allen, 72, Dies At County Line Home

John W. Allen 72, died at his farm home near County Line, a few miles north of Electra, Thursday afternoon. The body was taken in charge by Owens & Brumley Funeral home of Burkburnett.

Mr. Allen had been living on his farm for about nine or 10 years. He had been ill for some time.

Survivors include two sons, R. W. Allen of Iowa Park and G. C. Allen of Newcastle and four daughters, Mrs. B. C. Gillam of Olney, Mrs. B. E. Parmley of County Line, Mrs. O. L. McCain of Vancouver, B. C., and Mrs. D. Penton of New Bernie, California.

Mrs. Lепlee Honoree At Lovely Shower Monday Afternoon

Mrs. Lowell Lepley was the honoree at a lovely good luck shower at the home of Mrs. Bert Lepley with Mrs. J. H. Holloway as joint hostess Monday afternoon. The large number of guests were entertained with a series of interesting contests by Mrs. Lee Prescott and Mrs. Stockstill. The honoree received many beautiful gifts from those who were present, and a pleasant afternoon was directed by the hostesses.

Refreshments were served to the following: Mesdames T. L. Warren, G. C. Rankin, C. F. Johnson, Clark Gresham, Effie Addison, F. M. Milford, L. H. Stockstill, Lee Prescott, E. H. Logan, John McNeil, C. F. Cordray, F. E. Cruce, H. E. Crommett, L. H. Holloway and Misses Lenor Young, Vivian Gray, Mesdames Johnson, Burges, Attebury, Gibson, and Markham, an dthe hostesses and honoree.

Men weren't greater in the old days. They just seemed that way because they weren't quoted by the press.

J. G. Hardin Honored By Baptist Church Last Monday Nite

J. G. Hardin, pioneer Burkburnett citizen, was honored at the picnic at the First Baptist church on the occasion of his 81st birthday. The speaker brought to Burkburnett by the brotherhood, Rev. Lum Hall, pastor of the Baptist church at Electra, paid a tribute to the excellent civic and religious work of the pioneer couple. The party was originally planned as an outing for the church, and when it was remembered that the date of Mr. Hardin's birthday was Monday, he was appointed honor guest of the occasion.

Mr. and Mrs. Hardin made no special attempt to celebrate the anniversary. They were at home in the afternoon, and a large number of

their friends came by to celebrate. Some birthday presents and cakes were brought by the din.

Mr. and Mrs. Hardin have contributed many progressive things to Burkburnett. They have been of the churches of the city in the depression, and made the municipal light plant from their work here. They voted their money to help worthy institutions. That they have given away that possible for several churches to survive during the last year.

Mr. Hardin came to Burkburnett during the days that it was a store and farm was built the village, Nesterville, from the city Burkburnett has grown.

Wouldn't those women demand equality be up age the men should decide to wearing whiskers again.

WE LIKE TO SAY
"YES"

↓

We like to say "YES" to an applicant for a loan—just as the manufacturer likes to accept an order for the goods he sells. The income of this bank is largely dependent on loans.

The factors to be considered before the loan can be granted are not very different from those of a manufacturer when he makes a sale. We have to be sure the depositors money will come back at the proper time.

Crops are just burning up, especially the early planted cotton. It seems that the late planted cotton is heading up better for some reason but where the cotton is holding its own it hasn't any fruit on it only just in spots. Some feed has already made and is being cut and shocked. The late feed is still looking fairly good. Still if the cotton could get a good rain within the next few days lots of cotton would be made yet as it will have till the 15th of September to make, if a early frost or freeze don't catch it.

Mrs. D. C. Jones, sister Mrs. Barton who lives near Poolville, Okla., is visiting with Mrs. Jones and daughter the past week.

Mr. and Mrs. Luther Bridges and family arrived home Friday from their 10-day visit out in New Mexico and South West Texas. Mr. and Mrs. Bridges reported to the writer Saturday that they enjoyed their trip to visit among their relatives and friends just fine and that all crops where they traveled through was just fine. Cotton, corn and feed. All day Thursday and part of Friday he stated that they traveled in rain out in New Mexico and Southwest Texas.

Hawkeye and his partner Mrs. Owens motored over to Burkburnett Saturday morning and while in the city called on Mr. and Mrs. Melvin Bridges who lives in the North East part of the city to see Mrs. Bridges who was supposed to have gotten her back broken several days past by letting their car run over her. She can move herself in any position and is doing fine.

Mr. W. H. Martin arrived back home from his vacation trip Wednesday of last week from New Mexico where he went to look after his oil interest. Mr. Martin advised the

writer that everything was looking very favorably for an oil field to be developed within a mile of his land. He said that nearly all of the land he traversed through they had fine crops.

Mr. and Mrs. John Ashton and their daughters were shopping and attended the big Trades Day in Burkburnett Saturday. Also Mrs. James Milligan, Mrs. Ashton's mother was in the city of Burkburnett Saturday afternoon.

O. H. Hooper, alias (Uncle Obbie) Haayed Reynolds, Harry Griffin, Jmi Ed Griffin (Walters) E. O. Penwell and several others all out of Randlett attended the big trades day event in Burkburnett Saturday.

Charlie Nails and his friend Edward Harrison called on the Owens family Sunday morning.

by HAWKEYE
I'm not so very lonesome,
But just a little blue,
It seems the little simple things
Start longing most for you.

Sometimes a rose tinted sunset
Or hours I seek my bed,
A clock chiming out the midnight
These are the things I dread.

I'm not so very lonesome,
But since you went away,
It seems I have no place to go
Or nothing much to say.

Sometimes I walk on city streets,
Or on beaches I roam,
At times I think I miss you less
If I stay right at home.

I'm not so very lonesome,
Except sometimes I know,
How fate conspires with little things
To make me miss you so.
HAWKEYE.

Autumn Wedding Announced At Party

Announcement of the early marriage of Miss Frances Cropper to Victor Spearman was made in a pretty surprise miscellaneous shower at the home of Mrs. J. H. Brumley Friday evening.

Bouquets of cut flowers, soft lights and stains of music played by Miss Blanche Butler combined a scene of beauty. On the arrival of each guest they were registered in a pretty handmade register presided over by Mrs. Carlos Baker.

A program of entertainment included a reading by Miss Pauline Henry; a vocal solo by Mrs. L. J. Foster after which a mock wedding ceremony was given with Mrs. D. A. Wesbrooks reading the vows and Mrs. Fred Brookman bridesroom and Mrs. W. T. Vance as bride. Little Valta Brookman acted as ring-bearer.

The feature of the occasion however, was when little Carol Lohofener entered the room carrying a tray of pink and green tied gifts which are the brides chosen colors and gave a pretation reading in her sweet manner. Many lovely tokens of friendship were passed around and admired while pleasant conversation furnished diversion.

Special hostesses in charge were: Mesdames J. H. Brumley, C. C. Gilbert, F. R. Knauth, C. E. Baker, R. C. Elder, A. H. Lohofener, Misses Gwinn Brumley and Doris Webb who served a dainty plate with small corsage bouquets as favors bearing cards which announced the date as Sunday, September 8, to Mesdames H. C. Preston, Marshall Chrestman, J. C. Parker, Grace McClurkan, L. J. Lorang, W. R. Hill, Morris Book-binder, Butler Westerfield, John H. Rigby, John R. Webb, J. M. Pogue,

J. L. Caffee, R. H. Henry, R. D. Owens, M. W. Majors, J. L. Foster, Jay Knauth, Belle Gebhart, Jim Spearman, Tom Boyd, D. M. Lowery, B. M. Hamilton, Fred Brookman, D. A. Wesbrooks, W. T. Vance, B. H.
