#### Christmas Parties Attract Crowds At 3 Motor Rooms

Christmas Fund Mounts As Party Tickets Bring \$91.00 To Treasure

#### PROGRAM PRESENTED

Approximately 200 persons gathered at the three motor companies last Monday night to add appreciably to the fund for the Christmas tree to be presented here about Dec. 24. More than 600 children will be treated at the program at that time. The persons gathered at the jubilee Monday night played various games, and were entertained with a program and box supper.

The program was an informal presentation of the singers of the choral group of the grade schools under the direction of Miss Ethyl Virginia Allen, teacher. The group sang several selections of the favorite Christmas hymns and carols. Through out the evening this organization sang in a series at each of the groups.

Eddie Sims and Leroy Wilborn, and Looney Blair presented a comedy skit and a series of string band selections to entertain the crowd with comedy. The Rhinefeldt string band gave a short concert.

The parties were held at the Barrow-Grace, Cooper and Burk Burnett motor companies. These companies generously donated space and other facilities for the occasions.

#### Riley Patterson Injured Monday

Riley Patterson, son of Mr. and Mrs. J. M. Patterson, was injured Monday night when the car of Lawrence Gilbert crashed into Patterson's wheel chair. Patterson was returning from a visit to the home of friends at dusk, and as Gilbert approached lights blinded him. He was too near the car to swerve or stop.

Riley was reported improving rapidly and that no dangerous complications had developed this week. He received cuts about the head and legs and numerous bruises over the body, lacerations on the left hip.

Patterson is one of the best known of the Burk Burnett Bulldog fans. He is interested in other sports, and last year he piloted the Rookies of Burk Burnett to the league championship in Wichita Falls.

#### Clara Wins Title Of League Tuesday

The Clara fast moving Greyhound basket ball team swept out into front during the last half of the game at Fairview Friday night and won the title for the championship of the Red River Valley league. The game was a hard fought from the start with the lead changing and the score near even all the time. The Clara team won the first game last Tuesday 29 to 31.

Fairview tied the series last Friday night when they won 30 to 32 on their home court. The sight of the third game was chosen by a toss of the coin and Fairview won the toss. The last game was the most bitterly contested of the series. Sensational offense and defense was brought into play to sew up the pennant for the Greyhounds. The victory of the Clara team served as a warning of their strength for the Wichita county title race.

The two teams had previously fought it out for a tie in the regular six game schedule of the league. Each won five and lost one game. The playoff was necessary to decide the title.

#### Bulldogs Win For Bi-District Lead In Close Contest

Teal's Last Minute Score Brings Burk Team Victory Over Stamford

#### POWERFUL DEFENSE

In spectacular story book fashion the Burk Burnett Bulldogs combined breaks, penalties, and smashing offense in the last 60 seconds of their bi-district game with the Stamford Bulldogs to win 6 to 0, before a crowd of 2,500. It was little 127 pound Fullback Marshall Teal who smashed off left tackle for the winning run in the last few seconds with the Stamford team seeming to have the game in the bag on the basis of penetrations and first downs.

The two teams had fought to a standstill throughout the four quarters of the game with each team presenting a brilliant offense in the middle of the field and bogging down in scoring distance. It was Bobby Watson, Stamford ace quarterback, who produced the sensational play of the game when he dashed off a 48-yard return of Finch's punt to place the ball within 10 yards of scoring for Stamford's first threat and penetration.

#### Penalties Help

The winning touchdown march combined the two 15-yard penalties, a perfect pass from McKown and the climax of Teal's brilliant crash through the line and over the goal. With a little over a minute to play the Burk Burnett team took possession of the ball on their own 23 yard line when four desperate Stamford passes had failed to score from that point, after Stamford had gained possession of the ball on a blocked punt. McKown passed to Teal for 15 yards. Then the Stamford coach sent in Rorie to replace their star Orville McCann. Rorie was too eager and talked before the first play.

The 15-yard penalty gave Burk another first down. On the next play Doran who had played a brilliant defense game for Stamford at center, sassed the umpire. He was escorted to the side line and ejected from the game by that official who returned to step off another 15-yard penalty. McKown then passed to Teal, who lateraled to Finch for 22 yards to place the ball on Stamford's 9-yard line. McKown faked into the line and Teal took the ball through left tackle. He was hit three times and kept charging until he went over the goal line with three men hanging onto him. With only inches to spare, Teal became the hero of Burk Burnett for that one play.

#### Both Teams Fumble

At that point Stamford seemed to have had the bi-district championship sewed up, and one single play ruined their ambitions. They were leading 10 to 9 in first downs and 3 to 2 in penetrations. After the score Stamford tried a few desperate passes to complete three of a score.

Both teams fumbled frequently at the first of the game as a fine mist of rain fell and the cold wind numbed the hands of the players. But the first quarter was bitterly fought with the Burk Burnett team holding an advantage in the first downs.

Burk Burnett received and started a march that was interrupted by a fumble when the Stamford team tackled Tolly McKown with viciousness. After three futile attempts to gain, Watson kicked over the Burk Burnett goal on a play that produced much dispute when Stamford claimed that Teal Burk safety touched the ball before it went over. The officials ruled otherwise. After that it was a series of punts with McKown contributing two good runs of 16 and 18 yards for Burk's first downs.

#### Road Between Burk-Wichita Will Be Improved

\$20,000 Grant By Federal Government To Beautify and Widen Highway

#### PROGRAM COMPLETED

F. R. Knauth, county commissioner, announced Monday that he had received word from the federal government that the \$20,584-00 grant had been made by the national officials for the widening and beautifying of the Burk Burnett-Wichita Falls highway. The work on this project started last Spring by the local WPA workers and others, but it was not completed.

The first grant was not sufficient to fill the deep ditches at the road side near the airport and to carry the widening program completely through. According to Mr. Knauth this year the highway will be completed and the shoulders widened and beautified along the entire stretch of pavement.

#### BURK FANS ON EAST SIDE

The Burk Burnett fans have been warned that the proper side for the local delegation is on the East side, or sun side of stands of the Coyote stadium. The band and pep squad has been located on this side and the fans who wish to assist in the yelling and to group themselves together have been asked to move to that section. The best entrance for those walking in this case will be the sixth street gate. Those taking cars into the stadium should enter the seventh street gate on the south. Cars may be parked inside of the stadium without additional charge.

#### P.-T. A. Postponed

Meeting of the Parent-Teacher association has been postponed until January. The meeting scheduled next Tuesday afternoon was in conflict with the operetta. Other Christmas activities prevent the choice of any other date thereafter, so the officials of the society has announced that the program will be held in connection with the regular meeting in January.

#### Aged Randlett Resident Dies

O. M. Bransen, 79, of Randlett, Okla., died at the home of his daughter, Mrs. J. H. Kanard of Randlett, Wednesday night at 10:15 o'clock following an illness of two months. He had been in failing health for the last year but only recently began to lose ground.

Funeral services were held Thursday afternoon at 2:30 o'clock from the Church of Christ at Randlett with Rev. H. R. Hicks, pastor, officiating. Burial was in the Randlett cemetery under the direction of Owens & Brumley funeral home.

Mr. Bransen had lived with his daughter in Randlett for the past two years, moving there from Wauwika where he had farmed for many years.

Survivors include the widow, one son, W. D. Bransen of Randlett; and five daughters, Mrs. J. H. Kanard of Randlett, Mrs. H. F. Spoon of Waurika, Mrs. Elmer Faber of Sayre, Mrs. R. S. Stovall of Ryan, and Mrs. Rachel Adams of Randlett.

Burial services were held by Henry Baber, O. W. Hatcher, Roy Brock, Jim Thornton, Joe Royals and W. M. Griffith.

#### Accepts Appointment

F. T. FELTY

Frances Felty received the honor of this week of appointment to the general land office of the state government, and will take the position in the near future. Felty has been associated with the local First National Bank for several years. He is at the present cashier of that organization. He was graduated from the Burk Burnett high school and was a popular and active student during the school days.

#### W. C. Hill Buys Kent Service Sta.

W. C. Hill purchased the Kent Service Station last week from Geo. Kent.

Mr. Hill will carry a complete line of automobile accessories in addition to a nationally advertised brand of gasoline and oils. He will also do washing and greasing.

He invites his friends and the customers of Mr. Kent to come in and see him and solicit their business on the merit of courteous and prompt service.

Mr. Hill was formerly connected with the Barrow-Grace Chevrolet Co. as salesman, and has many friends in Burk Burnett who wish him success in his new business.

#### Automobiles Will Be Popular Christmas Gifts This Year

In a statement made yesterday by Mr. Grace of the Barrow-Grace Chevrolet company, the purchase of new cars as Christmas gifts promise to break all records for holiday season buying.

For several weeks now, said Mr. Grace we have been booking advance orders for Christmas delivery of the distinctive new 1937 Chevrolet. Many of these orders have come from people who plan to buy a new Chevrolet, and they figure that the new car will be a Christmas surprise that the entire family will enjoy.

All Christmas orders are being tagged with strictly confidentially delivery instructions and the cars will be delivered at the exact time specified by the purchaser in order to make the presentation of these fine Chevrolet Christmas gifts a complete surprise, concluded Mr. Grace.

#### SANTA CLAUS TO BE HERE DEC. 19th

The merchants issued an invitation to Santa Claus to visit Burk Burnett Saturday afternoon, December 19, and the patron Saint of the children will bring a bag of gifts for the children and grown-ups. The children of the entire territory have been invited to be present at the parade of the Saint, and to tell him about their Christmas wishes.

Judge Coombes Amuses And Instructs Crowd of 200 At Banquet

#### OFFICIALS INSTALLED

R. L. Mattingly Thursday night was installed as president of the Burk Burnett Chamber of Commerce at the 16th annual banquet of that organization. Judge Charles E. Coombes of Stamford was the principal speaker.

Approximately 200 members of the organization and their wives attended the affair, which was held in the basement of the Methodist church.

A town's success, Judge Chas. Coombes said, depends upon its reputation. It has as much or as little reputation as an individual and upon that reputation depends its future.

"I have seen many West Texas towns where it took a few good funerals to start it ahead," he declared.

#### Should Stand Together

The speaker urged that the citizens of a community should stand together against any other town; for their state against another state; and for their country against any other country.

"There is no other place in a democracy for an array of employe against employe, labor against capital or city man against country man," he said.

I. E. Harwell, a prominent chamber of commerce member and president of the First National bank of Burk Burnett, was toastmaster for the occasion. The Rev. Miles B. Hays, pastor of the First Baptist church, offered the invocation.

The speaker was introduced by Herman Brown, secretary of the chamber.

One of the features of the meeting was the report of the retiring president, H. D. Smith, who had served for two years. His report indicated numerous activities during the year. More than 1,000 trees were placed in the city in a highway beautification program.

Reports were made by both the highway and trade extension committees.

#### Out-of-Town Guests

Out-of-Town guests introduced included J. E. Biggs, A. C. Estes, Wilburn Page, Oral Jones Jr., W. D. Dixon, Butler Westerfield, Jim Robinson, Judge H. W. Fillmore, Solon Featherston, Grady England, Dick Naylor, and J. L. Nickel of Wichita Falls. Mr. and Mrs. Red Hill, Alvin Tanner, Z. F. Dale, I. W. Austin, D. D. Metz and Miss Lela Grace Cornforth of Iowa Park, and L. M. Hardy of Stamford.

The half hour opening concert was given by the Cowboy band under the direction of E. L. Nichols. The organization provided a rousing series of football songs in connection with the Friday football game that has all Burk Burnett excited.

The musical features of the evening were a vocal duet by Dreda Miller and Mary Frances Goins accompanied by Miss Butler of Burk Burnett and two beautiful violin solos by Miss Mary Elizabeth Kolb of Wichita Falls, accompanied by Miss Nettie Maxine Baber of that city.

The new officers installed in addition to President Mattingly, were Harold Vanloh and A. H. Lohofener, vice presidents, and W. R. Hill, treasurer. The new directors included Harold VanLoh, A. H. Lohofener, L. N. Peyton, D. R. Peevey, W. T. Holman, J. H. Cooper. The holdover directors who will serve one and two years were H. D. Smith, F. T. Felty, W. R. Hill, Henry Prinzing, Chas. Boyd, B. F. Gilchrist, R. L. Mattingly, R. L. Gragg, J. H. Brumley, A. B. Sandler and Roy Jackson.

#### Spectacular Play Promised In Game With Nocona Team

#### Indians Bitter Over First Loss Of Year; Fans Send Taunts to Burk Burnett

#### Record Crowd Seen

#### Teams Ready For Important Conflict: Men In Good Shape For Game

The annual non-conference battle between the Nocona Indians and the Burk Burnett Bulldogs creates a bitter rivalry, and Burk won that game this year, Sept. 12. The game was close with the Bulldogs winning in a rally during the last quarter after trailing all of the game 6 to 7.

The natural tense feeling between the two clubs has been intensified beyond imagination with the regional championship at stake in next Friday afternoon battles and the Bulldogs, victors of 10 and 9-B and the Indians victors in 11 and 12-B meet. The fact that these two teams fought out a closely matched game by a narrow margin demonstrates how closely they are matched.

#### Improved

Both teams have improved since their early season meeting, and the winner will be the team that has improved most. Naturally the fans will be watching the spectacular work of Tolly McKown of Burk Burnett and Crahn of Nocona, two of the finest football players in the region. However, along with these two brilliant performers are men that will bear a lot of examination at close range.

On the Nocona team one man King, powerful back, has received little notice in the press or by the fans because of the sensational work of Goodspeed and Crahn. But King has contributed as much to the success of the Indians as any other individual. It was he that made the single touchdown against the Bulldogs in their first game. On many of Nocona's gains King smashes the line and tosses a lateral to Crahn or Goodspeed for long gains after the defense has been concentrated on the line play.

#### Other Backs

In the Burk Burnett backfield there is much the same situation. Marshall Teal, the hero of the Stamford game, gives the backfield a diversity of gaining plays that makes McKown's gallops more effective. Teal snares passes, crushes the lines, and blocks like a professional. He is generally rated as one of the best blockers in the district.

Furthermore Avis Finch and Carl Cook both defensively and offensively carry out their assignments perfectly, but their excellent work is not spectacular as the long dash.

The offense of the two teams is built around the same type of play. For three weeks the Bulldogs have been playing the powerful type of teams and winning with crazy quilt pattern of attack. Next Friday both teams will have that same "There's no telling what'll happen next" type of offense.

#### Puzzles

For that reason the game will produce fireworks that will thrill the most blasé type of fan. Passes will fill the air; spectacular reverses, laterals, and razzle dazzle of the highest degree will keep the stands bewildered from both teams. The speediest players in the region will vie for distance honors. All of this will combine with a bitter grudge battle to make the price of admission the biggest bargain of the year. Football is the most advanced degree of a wideopen game will be played.

#### News Subscription

The Star received a letter from L. Anderson former Burk Burnett citizen now living at Perry, Texas, this week, inclosing check and asking that his subscription to the Star be renewed the next year. Mr. Anderson well known here in this city, paper appreciates his enjoyment in the renewal.

## LET'S FORGET THE FIGHTING

Last week the Burkburnett football team went to Stamford, and it was necessary for some of the local fans to bluff and in a few cases almost fight their way out of the mob after the game. Such tactics on the part of the fans of the city were guest of is an insult to the name of sportmanship. Of course everybody likes to see a team win, and it is easy for us who were victorious to say the losers ought to take the defeat with good grace and sportmanship, but that is a lot harder to do than say when it happens.

However, the purpose of organized football in Texas isn't to produce winning teams so much as it is to give recreation both to the fans and the boys. When it is reduced to such a bitter proposition, that significance is lost.

Friday we will play Nocona. That game will have more tenseness than any that we have played because of the conditions surrounding the contest. A more than usual amount of dispute arose of the cation of the game and the season record of the teams. That however, even if we are excited and loyal when thinking about our team isn't excuse for fighting by the fans.

Generally speaking those who wish to indulge in fist-cuffs are the cheap type of persons. They are no credit to either the town they represent nor the team that they favor. The hotheaded impetuous fan that can't control his emotions, even in defeat has no place in the plan for inter-scholastic league play.

Of course this paper isn't preaching that the local fans allow themselves to be insulted or abused without recourse, but it is urging that the fans of the two cities think a few moments before starting any rough stuff. It reflects against the reputation of the town. It is nothing to be proud of on any occasion.

## LET THE KING MARRY

Of course it is none of our business in the United States whom the King of England marries. That is an English matter, and what we think has little or nothing to do with it. However, it does provide an excellent example for another lesson. The whole affair shows the tendency that we as human beings have to interfere with the private life of other people.

There is nothing we resent so quickly as to have some one else tell us what to do about such personal choices as Edward VIII must make soon, yet a large percentage of the people seem to get pleasure in criticism of the same type of thing in the everyday life of the ordinary people with whom we associate.

Probably the world would be a much happier and much less troublesome place to live if the gossipers and meddlers would leave other people alone. The theory of living under democratic and semi-democratic government provides for the liberty of the individual in such matters. For us to pass judgment on the behavior of a person who has a personal problem that we have never experienced or who has a situation in his life that would tempt most of us to do the same thing is almost a crime.

## CALM YOURSELF

The speaker at the chamber of commerce last Thursday night stated that the violent mental cases were not the result of physical or organic maladies, but the result of the loss of self control and worrying. The speaker stated that most loss of balance mentally resulted more from imagined insults than real opposition.

The speech could not have been more appropriate than to a community that is busy with the job of recovery. During the last few years many of us have felt the severe pressure of financial and personal reverses. Some people were brave enough to "take it" and others resorted to the complex of protective mechanisms to explain their failures and losses.

For a man to fail is not a disgrace. But for a man to fail and give up, start worrying beyond his control, becomes a deep tragedy. We have all had enough to make each of us gray headed, but it has been a common experience in which all have suffered. If we are made of good material we will recover our balance and fight it out in a sane and logical manner. And from the experience those who are of tough enough fiber will gain strength and self discipline.

Men like horses get the most accomplished when they stop kicking and pull together.

The trouble today, avers the old cynic, is that too many people are interested in vacations and not enough in vocations.

Radio orators apparently don't realize that while the constitution may guarantee free speech it doesn't guarantee listeners.

There are plenty of back seat drivers too when it comes to directing us over the way of community progress.

# HEADLINES

**Seige of Madrid**  
 Casual observation of the Madrid seige seems to teach two lessons. The first lesson is about the effectiveness of air attack. For the last ten years experts all over the world have been predicting that a group of air planes could wipe out even the largest city in a few moments. Picture of poison gas, high explosives wrecking Berlin, Paris, London, Leningrad, and Rome were drawn consistently by the military men that demanded more protection in larger fleets of fighting planes. The Rebels have had at their disposal a large fleet of planes, poison gas and large amount of bombs. The city has withstood the seige two months and still has a chance of fighting off the offense.

The second lesson is that in spite of the promises that the horror of the nations about killing noncombatant in the last war that these people will be the chief victims of the air plane attack. Not many soldiers are among the 15,000 dead in Madrid. It has been children, women, or innocent citizens going about the normal tasks of living. These two vivid lessons have been valuable in spite of their extreme cost.

**Robles Case**  
 Another kidnapping case illustrates the seriousness with which the federal government approaches the problem of crime. The crime took place two years ago. It was practically forgotten by the local authorities in Tucson. However, the federal government investigators quietly and methodically continued their work. This week they surprised the Tucson and other Arizona officials by announcing that they had evidence enough to ask for six indictments. Little June Robles was held several days in a cave in that state while demands were made for her ransom. Now the case is near solution and once more the criminals have learned that the government is taking very seriously violations of the kidnapping law.

**Pope Pius XI**  
 Pope Pius XI, probably the most powerful religious leader in the world, is near death, and the entire world joins with the Catholic in their prayer for the great leader. Chapters of four major basilicas joined to give special dedication to the religious ruler. To the protestant who has no similar type of church head, the significance of this man's office is hard to understand. Those members of his church who look upon him for the ultimate in spiritual guidance the death would be a severe blow. The ruler has lived in an unusually trying period, and his aggressive and positive leadership has been a powerful element in the churches rapid progress during these few years. He has been bothered with rebellion in Mexico, emphasis and persecution in Russia, the change in Spain, the rise of Hitler in Germany, and at the same time kept his church in the van in world progress.

### Jesse Jame At Palace Theatre Dec. 15 th

Jesse James, the original Missouri outlaw who was supposed to have been shot by Bob Ford on April 3, 1882, has returned to the realm of the living after a hide-out of fifty-one years, and will be seen in person at the Palace Theatre here Tuesday, December 15th only.

Explaining that the historical "picture on the wall" shooting was a frame-up, James says that he, his brother Frank and Bob Ford plotted to get rid of Charles Bigelow, an outlaw who had been committing crimes and leaving indications that it was the work of the James boys. When Ford shot Bigelow, Jesse immediately rushed into the room and charged guns and other marks of identification with the slain man, and escaped into hiding that was destined to oulido Rip Van Winkle. During his seclusion, James earned a quiet living as a dealer in cattle and race horses, spending most of the time in Colorado, and passing under the name of "Jim Williams".

When he decided to return to public life, Jesse James obtained assurances in Washington that charges once in effect against him were no longer in force because there were no living witnesses. Accompanied by a delegation of early settlers who had identified him, James also paid a visit to the governor of Missouri and was told that when the \$10,000 reward was paid to Bob Ford, the case was officially closed as far as the State of Missouri was concerned.

In his appearance at the Palace Theatre, James will recount the

high-lights of his most interesting experiences and will describe his escape in detail.

In addition to Jesse James in person, the Palace Theatre will present Hank Farris and Ar'n Alexander, cowboy entertainers, in their famous Australian whip-cracking, and fancy roping act.

The screen attraction will be Katharine Hepburn in "A Woman Rebels."

### Senator Conally To Speak Dec. 16. 9:30 Over WFAA

(SPECIAL TO THE STAR)  
 Senator Tom Conally will speak on "The Next Session of Congress," on Wednesday night, Dec. 16, from 9:30 to 9:45 over Station WFAA at Dallas, according to announcement today. The Senator will discuss legislative matters which will receive the attention of Congress when it convenes on January 5th.

Senator Conally is expected at the next session to take the major part in enactment of legislation designed to take the profits out of war. The Texas Senator was chairman of a subcommittee which framed the bill in the Senate at the last session. It was favorably reported to the Senate but action was not had upon it before adjournment and Senator Conally has already announced his intention of pushing such a measure vigorously at this session.

As one of the leading Democrats on the powerful finance, Judiciary and Foreign Relations Committees of the Senate, Senator Conally will have an important voice in the determination of whatever legislation is enacted at the coming session. The Texan is also a member of the Democratic Steering Committee of the Senate, a group which formulates the legislative policy.

Senator Conally is at present in Texas and will remain in the state until the Senate convenes.

### T. E. L. Class Meets

Members of the T. E. L. Class of the First Baptist church met at the home of Mrs. Myrtle Lewallen last Thursday night for their monthly social and Christmas party. The opening song was "My Faith Looks Up To Thee." The devotional was given by Mrs. M. B. Hays, and prayer by Mrs. O. L. Clark. The minutes were read and approved and the business meeting was dismissed by Mrs. O'Neill.

The program under the direction of Mrs. Williams presented an interesting hour of entertainment. The Christmas carol "Silent Night" by the class opened the program. Mamie Browning gave a reading and Myrtle Mae White read. Solo by Lela Mae Pinkston, accompanied by Mary Ruth Cooper, reading Doris Francis Majors, prayer Mrs. R. E. Carnes, and a Christmas tree. Gifts were handed to each member by Santa Claus.

Those present were Mesdames M. B. Riley, Cloe Williams, L. E. Bundy, J. R. Berringer, M. P. Keith, Roy Blansett, J. G. Cheney, E. C. Cantor, Roy Stuckey, M. S. Dean, L. Johnson, W. A. Hinnant, H. A. **Sr. Play To Be Pre-  
sented Dec. 16**

The Seniors have selected  
"April Fool" a comedy drama in  
three-acts for their play of this  
year. The play is written by Jay  
Tobis and if you want to treat  
your family give them a full  
meal of laughter and bring them  
to this play. Also if you want to  
know how to settle your family  
troubles, don't fail to be at the  
high school auditorium Wednes-  
day night at 8 o'clock.

This play is sponsored by Miss  
Loleet Stinson and the cast has  
been carefully selected so you  
can bet your buttons that you  
will get your dimes worth.

**To The Sophomores**

Little girl sophisticates,  
Lassies so unwise  
Think its cute and clever  
To frown and squint their eyes.

When first they came to high  
school  
They were only just thirteen  
Their eyes were wide and wistful  
Lips tick they'd never seen.

But they've become accustomed  
To the ways of Devol Hi  
They use just gobs of rouge now  
Their model is the sky.

They've lost their cunning plump-  
ness  
They've dropped their babyish  
ways  
They've arched their eyebrows  
and cut their hair.  
So that Seniors turn to gaze.

Shaking their heads in bewilder-  
ment  
They wonder at such slang  
They're just a bunch of Sopho-  
mores  
Gone Collegiate with a bang!

This poem is written in honor  
of the Sophs, because we the  
Seniors are returning you the  
write up you gave us.—We thank  
you.

The Junior Hi boys and girls  
are preparing to enter the coming

tournament at Faxon. The coaches  
hold high hopes for the boys and  
are confident of the girls.

**Jr. News**

The three teams from Devol Hi  
tangled again to come out as usual  
the "A" team loses the "B"  
team winners and the girls team  
winner. The opponents were  
Union Valley Ryan, and just plain  
old Union Valley from where  
the tall ones come.

The first and most interesting  
game was the "B" boys, they  
went again the hardest team of the  
season, to meet in battle, but  
when the battle was over the  
Coyotes were still in the lead. The  
game looked as if it would be  
close for a while but it just could  
not be. At the end of the first  
quarter the score was 10 to 4 in  
favor of the Coyotes. The Coyotes  
increased their lead as the game  
went on, until at the end the  
score was 18-7. Just another vic-  
tory that keeps the percentage

1000.  
The next game was the game of  
the forsaken "A" team, they  
seemed to do very well for a  
while and fought until the whis-  
tle blew but they just didn't fight  
hard enough or fast enough to  
win, because the score at the  
end of the game was 13-27 in fa-  
vor of the Union Valley Ryan  
team.

Now comes the game of the fair  
lasses of Union Valley and Fairier  
lasses of Devol, it was pitiful  
folks, the way that game was  
played, those Devol lassies just  
ran circles around the U. V.  
dames until the end. Both teams  
fought hard, the score was 32-9  
in favor of the Devol lassies.

The next game in which the  
Coyotes will contend will be play-  
ed at the home gym Friday 11.  
Boxing will be among the enter-  
tainment.

**Chevrolet Production  
For November Best  
In Chevy History**

(SPECIAL TO THE STAR)

Chevrolet production for Nov-  
ember exceeded that of any pre-  
vious November in the 25-years  
of history of the company, sum-  
maries of official figures revealed  
this week, with a total of 112,229  
cars distributed from the com-  
pany's factories.  
Domestic production for the

month was 95,022; export pro-  
duction, 12,853; and Canadian  
production, 4,354. The total was  
3,353 more cars than the 108,976  
produced in November, 1935,  
which was the previous record.

At the same time, company of-  
ficials said, unfilled orders for  
the new Chevrolet are running  
far ahead of last year, with 96,  
084 customers' orders still to be  
met.

Factory production schedules  
have been stepped up to more  
than 6,000 cars a day in an effort  
to keep up with popular demand,  
with plants working capacity.

## Childers-Roberson Nuptials Read Sun.

Mrs. E. L. Childers of Burkburnett became the bride of J. E. Roberson of Wichita Falls in a simple ceremony at the home of the pastor of the Methodist Episcopal church in Wichita Falls last Sunday. The ceremony was read by the Rev. Henry Morton pastor of the Grace Methodist church, and was announced in Burkburnett this week. The bride and bride groom are both well known here and in Wichita Falls. They will be at home at 220 East 5th street in Burkburnett.

thrilled the crowd with the announcement that Southwestern Life has recently gone over the mark of \$300,000,000 life insurance in force.

More than 500 Texans representing the company, are attending the Centennial-year convention, and as these agents earn the trips to the annual meeting by the volume of insurance written for Southwestern Life, which does business exclusively in Texas.

At noon today, the visitors were entertained with a luncheon in the Adolphus Hotel Junior. Ball room, during which Arthur Coburn, vice president of the firm, made his annual address. Tonight the annual get-together dinner will be held in the Baker Hotel Crystal Ball Room and it will be followed by the Southwestern Minstrels, the cast of which with the exception of the famous Bel Canto Quartet, is composed entirely of agents and home office employees of the company. After the show there will be dancing and bridge.

Business sessions will continue through Saturday morning with Richard R. Lee, vice president and agency director; E. G. Brown,

vice president and actuary; T. L. Bradford, Jr., vice president and treasurer; R. A. Goodman, vice president and secretary; and Dr. DeWitt Smith, medical director participating.

Friday there will be a luncheon for the men at the Baker hotel, when Hon. R. L. Daniel, chairman of the board of insurance commissioners of Texas, will speak, and a luncheon for their wives at Brookhollow Country Club. The climax of the convention will be Friday night when the annual banquet will be staged in the Adolphus Junior ball room, at which time President O'Donnell will confer awards for the year's accomplishments.

## Education Chief Tuberculosis Foe

(SPECIAL TO THE STAR)  
AUSTIN, Tex., Dec. 9.—Tuberculosis continues to be one of the major causes of death in Texas. Public health authorities agree that the death rate will not diminish satisfactorily until the average person appreciates that tuberculosis is preventable, that it is not inherited directly, that it is acquired by direct transmission of the tuberculosis germ from the sick to the healthy; and above all, that he most be concerned immediately if any symptoms appears.

"In combatting tuberculosis," said Dr. John W. Brown, State Health Officer, "education of the public is of prime importance—education as to the treacherous character of the disease and its methods of transmission, how to prevent the disease and how to treat it when contracted, to the end both that recovery may be as rapid as possible and that spread of the disease to other members of the family and to neighbors may be avoided."

"Chi. ven pick up tuberculosis as rapidly as they do measles or scarlet fever or any other contagious disease, but tuberculosis differs from some in not showing up as quickly as other germ diseases. As a rule, the characteristic symptoms of other diseases develop in a few days after a person has been exposed, while it takes a much longer time for the symptoms of tuberculosis to be recognized.

"The periodic health examination by a competent physician plays an important role in fight to stamp out tuberculosis. These check-ups should include examination of high school, college students by the tuberculin test and X-ray and prompt examination of all persons who have symptoms of tuberculosis. "Removal of the contact protection of the infant and young, and prompt professional advice when symptoms suggestive of tuberculosis arise, do much to reduce the tuberculosis death rate. These measures, however, are largely outside province of health officials, the problem is quite definitely personal one."

**BULLDOGS**

(Continued from page 1)

**McKown Called Back**  
The start of the second quarter was dashed 29 yards when McKown dashed to the left end in a brilliant run, but was called back on a penalty when a Burk line was found.

Burkburnett registered the first touchdown in the second quarter on a 40-yard march. The march was made in the last minute of the half. Teal, McKown and Cook carried the ball to the six-yard line. Stamford called a time-out and was penalized to the one-yard line for too many time-outs.

McKown tried to kick the goal but lost every time. The first time this year the goal was thrown for two points.

The half ended with a Burk line on the 12-yard line and six first downs. Lee Walker must have some of the famed psychology in the intermission. The team came out fighting and registered three penetrations in an order.

**Stamford Marches**  
The half opened with McKown kicking the kickoff 31 yards behind his own goal line. Burk was forced to punt and Stamford took the ball on the 25-yard line to march the field in a scoring threat when Tolly McKown intercepted Watson's pass on the 30-yard line.

A sudden change in the Stamford started when McCann kicked back, entered the game. The presence seemed to create a new spirit, and from that point Stamford team out-played Burk. McCann didn't catch the ball, he just calmed the team and made them fight. Tolly's interception, Burk tried a futile series of passes stopped by Watson, Doran and McCann. Finch punted to

Watson who stood on his own 42-yard line to catch the ball and then evaded the entire Burk squad until he was chased out of bounds on the 10-yard line. The 48-yard run was the most spectacular side-stepping and changing of pace presented during the game. The Burkburnett defense stiffened and the next four plays lost 14 yards.

Watson and Bodeker combined a deceptive triple lateral and a forward on the next march a few moments later to gain 45 yards, only to lose the ball on a fourth down pass over the goal line.

**March Now Famous**

Burkburnett then started a parade toward the goal line only to have a penalty to erase McKown's and Teal's gains. Back on their own 5-yard Finch punted and Bodeker partially blocked the kick. Lovvorn recovered for Stamford on the Burk 23. Four passes were tried and the ball went over. Burk then started their now famous march aided and abetted by the contribution from the umpire.

The two teams were so evenly matched and fought so hard that it took a break like those created by Stamford violation of the rules to determine the winner. Both teams received some sour breaks in the game; both were fortunate to receive penalties at critical moments.

**Jolly Dozn "42" Met Monday Eve.**

The Jolly Dozen "42" club met last Monday at the home of Mrs. Horace Goodwin for a delightful party.

J. Douglas Smyth won high and flying prize for the men and Neal Allen won low. For the ladies Mrs. Blake Browning won high and Mrs. C. R. Chambers, flying prize, with Mrs. Neal Allen carrying off the console prize.

Those present were: Messrs and Mesdames C. R. Chambers, C. R. Miller, R. J. Kelly, Neal Allen, Robert Dunn, H. A. Goodwin, Blake Browning and Mr. J. Douglas Smyth and Miss Parnell.

After the games, delicious refreshments were served by the hostess, and names for the Christmas party were drawn.

The next meeting will be held at the home of Mr. and Mrs. Robt. Dunn Monday night.

**Home Builders Class**

Members of the Home Builders class of the First Methodist church were entertained in the home of Mrs. D. A. Westbrook

December 2, with Mrs. D. A. Stacy as co-hostess. The meeting opened with the Christmas song "Silent Night". Mrs. W. T. Vance gave an interesting devotional reading from the second chapter of Matthews. Prayer was led by Mrs. Nichols. After a short business session a program of songs, a beautiful reading by Mrs. Lanell Kenedy and exchanging of gifts was presented. It is the annual custom of the group to exchange gifts at the season. These gifts are sent to the C. C. Young Memorial Home in Dallas. The class presented the teacher and assistant a picture.

Mrs. Gilbert gave each officer an apron. Refreshments were served to Mesdames H. C. Gilbert, M. C. Tucker, J. M. Thomas, B. M. Cropper, W. T. Vance, C. N. Thompson, F. R. Knauth, M. L. Urbzan, R. H. Henry, W. J. Butts, H. M. Roads, Scott Morris, J. J. Nichols, Lanell Kenedy, Jack Brown, Gebhardt, Leath, W. H. Lewis, J. C. Parker and W. A. Browning and hostesses.

**Current Literature Club Studies Cowboy**

Members of the Current Literature club met at the home of Mrs. J. N. Hicks December 3 for an interesting study of the Cowboy ballads. The leader for the program was Mrs. Rex Kolter. Mrs. Majors spoke on things a president and secretary should know. A paper on Cowboy ballads was read by Mrs. F. A. Jamieson. Robert Gragg played a guitar and sang several selections.

Those present for the meeting were: Mesdames T. H. Boling, J. L. Caffee, B. M. Cropper, B. F. Gilchrist, F. A. Jamieson, Rex Kolter, A. H. Lohofener, M. W. Majors, R. L. Mattingly, J. R. Prince, James Thomas, and two visitors Mrs. H. W. Butz and Mrs. Fred Alexander.

**Popular Novel In U. Club Program**

Mrs. C. J. Duncan gave an interesting review of the popular novel "Gone With The Wind" as the feature of the program at the meeting of the University Study club Dec. 2 at the home of Mrs. O. C. Wills. The book has recently set a new daily record in the sales of volumes on a single 24 hour period, and it has caused wide spread interest and comment all over the nation. The interesting review by Mrs. Duncan presented a vivid account of the most talked of book in the American market.

The next meeting of the association will be at the home of Mrs. R. P. Reagan Dec. 16. It will be a Christmas party with Mrs. O. L. Clark presenting a study of Christmas story. A tree will be presented.

The visitors present were: Mrs. S. S. Reger and Mrs. W. D. Utts. The members present were Mesdames O. L. Clark, J. H. Davis, C. J. Duncan, W. R. Hill, George Kerr, J. M. Pogue, H. W. Prizing, R. P. Reagan, I. D. Russel, L. N. Peyton, R. C. Tevis, R. W. Wallace, Woods, P. G. Williamson, and the hostess.

**Hardin Club Holds Christmas Party**

Members of the Hardin Demonstration club met at the home of Mrs. J. C. Muller Wednesday for the annual Christmas party and business session Wednesday afternoon. The officers for the year were installed by Mrs. James Johnson. Mrs. J. C. Muller presided over the business session until the installation of Mrs. Fred Brookman, president.

The social hour was enjoyed by the members and visitors. The home was decorated with Christmas colors with Christmas tree centering the living rooms and the motif. Gifts were exchanged. Mrs. Muller, retiring president was honored with a gift from the membership.

Those present included new officers, Mrs. Fred Brookman, president; Mesdames M. R. Hewell, vice president; H. C. Preston, secretary-treasurer; Murphy Dean council delegate. Visitors Mesdames E. A. Birkham, L. Johnson, and R. E. Carnes, and members, J. A. Johnson, Bill Stapp, H. S. VanCleave, Artie Whitesides, Fred Minick, Murphy Dean, J. H. Bentley, G. W. Ferguson, F. R. Knauth, Fred Brookman, and the hostess.

## Bulldogs Win Bi-District From Stamford

The Burk Burnett Bulldogs beat the Stamford Bulldogs last Friday afternoon to win the bi-district championship. It was a hard fought battle all the way through. The Burk Burnett Bulldogs finally were able to push over a touchdown in the last two minutes of the game. The Burk Burnett Bulldogs threatened at the end of the second quarter. They carried the ball to the one-yard line, but they could not get it over through that stubborn Stamford line. The score was made from the nine-yard line with Teal carrying it through the left side of the line. The kick for extra point was wide. The Stamford team was all set for McKown's good runs. They were both called back because someone was violating the rules. The Burk Burnett team made 183 yards at scrimmage while the Stamford team was making 117 yards. The Stamford Bulldogs made 10 first downs to Burk Burnett's 9.

## Bulldogs Play Nocona Dec. 11 For Reg. Championship

The Burk Burnett Bulldogs will play the Nocona Indians Friday, December 11, at Coyote Stadium in Wichita Falls. The game is scheduled to start at 2:30 o'clock. Both teams won their bi-district games. Nocona beat Moran 65 to 0, and Burk Burnett beat Stamford. At the first of the season the Burk Burnett Bulldogs beat the Nocona Indians 12 to 7, but both teams have improved a great deal since then. The Burk Burnett officials and the Nocona officials met at Wichita Falls Sunday evening and decided the site of the game. The Bulldogs know it will be a battle, but they expect to come out victorious.

The probable lineup:

Bulldogs	Indians

## Poetry Column

This week we have a poem which Coach Hill said showed more school spirit than anything he had seen in a long time. It is by Marie Mims:

**Our Football Heroes**  
They're our football heroes!  
The boys whom we should praise  
The boys who work for victory,  
Throughout the football season  
days.

They're our football heroes!  
Whose work is really grand;  
They're a famous squad folks,  
Let's give them all a hand.

The team that fights to the finish  
And plays no game of folly,  
Has a great coach, Volney Hill,  
And a loyal captain, Tolly.

This strong team is the Bulldogs,  
Our Bulldogs, good and true,  
The team that plays the best game  
To win for me and you.

Yes, we're proud of this squad,  
The team whose work is best,  
The team that works for victory  
And dear old BHS.

See those Bulldogs--there they go  
They're the best boys that we  
know.

Yes sir, folks, they've got the stuff  
And what's more they're plenty  
tough.  
Fight 'em, Bulldogs! Hit 'em hard!  
Take 'em back to the wagon yard.  
You've got what it takes to win!  
Come on, team! Show you're men.

Mr. Hunkey Dory.

Did you hear Mr. Pommerering  
at Stamford? After the game he  
was all smiles.

## F. F. A. News

Pauline Browning was elected F. F. A. Sweetheart by the local F. F. A. chapter. She will appear on a program at a district F. F. A. meeting in Chillicothe, December 12. On the same date the Burk Burnett chapter will take part in a basket ball tournament. Local boys have already started working out for this event.

## WISE STATEMENT

By Polly Wiggins: Everybody criticizes us for making the drag so much, but they criticize us a lot more if we get off of it.

A lot of nothing in general: Mildred is down on the fellows who select the all-district team in a great big way. You guess why. The Princess of Rhythm now has a prime minister and a privy council to see that she is diplomatic around the right prince. Whose big moment was Billy Walker last? All answers welcome. Billy Ashlock seems to have had a bit of heart trouble recently, at any rate, he broke a six months old date because of something. The school has a promising poet in one Paderewski, or else he's at it again. Seems that a certain somewhat irregular contributor to the Growl delights in seeing her name in print. The latest fairy tale is that the Princess of Rhythm was proposed to by Sir Sub in a green '36 Dodge last Sunday night. The reaction of the milkmaid are anxiously awaiting all concerned.

After a big disappointment from some Chillicothe boys, two local lassies have decided to stick to Burk Burnett gentlemen. Can M. O. take no for an answer from J. W. without losing her temper? We all hope so anyway. Are W. E. and N. M. really and truly going steady? Information is desired. With LaNelle's help Dorace got many bids to the banquet at McKown. Did you see Tollie going around asking girls to go to the banquet with him? Polly Wiggins had made up with good old Dan again. Or rather, it was he who did the making up. If she'll keep getting along with him, a few of the other girls around this place can bury their hatchets. The latest case on our hands turned out to be nobody but Mrs. Elder's little lambchop and the tiny Teal boy.

Tuesday morning when the announcement of the county meet directors was made in Miss Billingslea's home room, at least 15 members of the class promised to enter something. Anyway, the Juniors bet at the Seniors that most of the county winners will be from their class.

## Junior Jottings

More of the Juniors than were expected turned up in the mist at Stamford last Friday. Almost every body took part in the parade and started discovering people after the field was reached. The girls had nice times meeting Haskell and Hamlin boys, and though no record is left of what the local boys did, their activities may well be supposed. Of course nobody missed much of the game in talking to new acquaintances, and everyone waxed duly excited during the last three minutes of play. After the game a lot of the folks took part in the celebration in town at Stamford. That over, every one came home and did various things. One prominent Freshman tells of a piece of hardened mud from around one of Tollie's cleats that her father is keeping as a souvenir. The whole class plans to see the Nocona game at Wichita next Friday in individual groups. If support from the Junior class will win any game, the Nocona game need not even be played.

The plays that Miss Billingslea ordered last week have been received, and she has decided on "Incubator Husband." The Jrs. will present the play sometime next January or February.

The art of gossiping has progressed this week as follows: Marjetta seems to be beating Miss January's time, but who's afraid of the green-eyed monster? Polly Wiggins is anxious to have "Mother Goose" write another pretty fairy tale about her. Maybe Mother Goose would if Polly did a little besides trying to have dates with Dan and two others in one night. Kathryn wants something in the paper about herself, so here's a special little tip to those

who don't know--the oft-mentioned milkmaid of BHS is none but lil Kathryn Houser. Billy Walker, after tunneling through his memories for a few days, has finally decided that he's in love with some sweet thing he hasn't seen in years. Mary Jo was terrifically mad at Cline last Thursday noon for having conversations with some Wichita girls, but she had forgotten all about it by Monday. Since when has Dan gone to telling LaNelle all about why he breaks up with Polly each time? Paderewski has gone in for inventing yarns. Oh well, he is a good arguer.

## B. H. S. Pick-ups

Dan: May I have the last dance with you?  
Polly: You've had it.

Doris Ruth: Does she have her own way?  
Marilyn: Does she? Why, she writes her diary a week ahead of time.

Mr. Johnson: Angeline, what does HNO3 signify?  
Angeline B: Well, ash, er--I've got it right on the tip of my tongue, sir.

Mr. Johnson: Well you'd better spit it out. It's nitric acid.

Dr: I will examine you for \$10.  
Senior: Go to it. If you find it I'll give you half.

Grace: What is college bred, Pop?  
Pop: with two daughters in college. They make college bread my dear, from the flour of youth and the dough of old age.

Van: Mother, I've seen a man who makes horses.

Mrs. Cross: Are you sure?  
Van: Yes, he had a horse nearly finished when I saw him, he was just nailing on his back feet.

Bill Johnson: I've an invention at last that will mean a fortune.

Mr. Kimbrew: What is it?  
Bill: Why, it's an extra key for a typewriter. When you don't know how to spell a word, you hit that key, and it makes a blur that might be an e, an a, or almost anything you like.

A fellow who works like a horse seldom makes an ass of himself.

Painting the town red on Saturday and Sunday usually leave it blue Monday.

Most girls are like parlor lamps--out for a good time.

Proud father--of course my son has studied foreign language. Say "Hello" to the man in the albatra, son.

Did you see Howard Clement and James Walling war dance when our Bulldogs made the touchdown.

You should have seen Billie Jo Shrum's face when she made G in math. It was amazing how she changed her expression.

Mary Margaret Browning, Lois Andrus, and a few others also celebrated the touchdown Marshall made. Did you see them?

Joe Stoker, a Freshman, is a member of the Bulldogs.

## Pep Rally

Thursday, December 3, the students of B. H. S. once more gathered together to encourage the football boys to win the bi-district championship.

Mr. Duncan announced that school would be dismissed Friday so that everyone would be free to go to Stamford.

The pep squad entered the auditorium singing "You've Gotta Be A Football Hero," and afterwards the pep leaders led the assembly in some yells, 15 for Bulldogs, 15 for Coaches, and Yea Team Fight, and two songs, Fight for Old Burk Hi and We're loyal to you Burk Hi.

Tollie McKown, our captain and popular pigskinner, was called on to make a speech and his words were: We do our talking on the field. And what talking its been says our editor.

Tommy Harms, senior president and Mildred Kemp, football queen made two short pep talks in which they stated they were behind the team a hundred per cent.

Coach Hill was next, and oh, what winning district has done to him. For once he didn't play with his watch, or even so much as glance at it while making his speech. We don't know whether someone told him about it or he was so happy that he forgot to notice the time.

Mr. Duncan added a word of appreciation and thanks for the three business concerns, Barrow-Grace Chevrolet Company, Burk Burnett Motors, and Cooper Motor Company, for furnishin transportation for th pep squad, football boys, and band to Stamford.

He also told the assembly how proud he was of the score after the game, he would still be proud of them.

Miss Gideon, one of the pep squad sponsors, thought it fit to give a yell for Burk Burnett, and this was done.

Since no more time could be taken up, but we really weren't trying to take up time, everyone went to his first period class.

## Pep Squad News

The pep squad would like to take this opportunity to thank Barrow-Grace Chevrolet Company, Cooper Motor Company, and Burk Motors for the transportation to the game at Stamford last Friday, December 4.

The Pep Squad paraded in Stamford at 2:15 just before the game and all marched on the field together. At the half they brought a "B" to the 50-yard line--then forming two straight lines went through several pivot exercises; from that they went through a cart wheel, coming off the field in sevens.

The Pep Squad will go to iWchita Falls to the Coyote stadium, Friday, December 11, 1936, to do its part in helping the Bulldogs win the Regional Championship.

## Special Assembly

A special assembly was called Tuesday, Dec. 8, 1936, for the announcement of the ticket sales for Friday, midnight, priced at 50c for adults and 25c for students. After then, on Friday until noon students will be sold for 35c. Only one ticket to a student will be issued. Adults who have not bought their tickets may do so at the game, but an additional amount will be added, making the cost 75c at the game. No student tickets will be sold at the game.

## Vera Mae Johnson

This quiet little girl was born in December, 1919, at Ranger, Texas. She has a pet cat. Now,

personally, we don't care for any kind of cats, but she is different; she thinks that some cats are awful, but of course her cat is not just an ordinary cat; in her sight, it is different.

Vera Mae is a good dishwasher and a good cook, but she doesn't like that very much, but here is something that she does like--to sing and play the piano. She does both like an artist if you are lucky enough to hear her.

Her ambition is to be an old maid school teacher.

## William Elder

This little lad with the red hair was born in 1918. He can draw very lovely pictures in speech class, and can also write some right sweet stuff that he calls poetry, but really it isn't our idea of poetry.

Bill is a very popular young man, especially with a certain little brunette lass of Burk Burnett. Some of his favorites are: Coconut Cake, Chocolate Pie, and almost anything else he sees that is good to eat.

When and if he finishes high school, he plans to be a snow-shoveler on the equator.

## Thanks, Kids!

We wish to express our thanks to our Editor, and to Luke Grace, Avis Finch, Grace Preston, and Polly Hall for helping type our paper this week.

Our regular typist were unable to complete everything without some help; so these students consented to help with the typing on the paper.

--I thank you.

## How The Creek Nation Came To Be Leased To The White People

(by Louvain Harris)

All of you have heard and read Indian stories; so I'm going to add one more to your list. This incident was witnessed by my mother with her family and several neighbors. They were living in the Indian Territory which is now known as Eastern Oklahoma, around the small town of Okema.

In 1904 the Creek and Cherokee Indians were having trouble over the settlement of their territory. The Creeks were in favor of leasing the land to the white settlers and letting them make their homes there, but the Cherokees objected to the proposal made by the Creeks. The neighboring white people did not know the nature of the quarrel at the time it happened, but they later found out.

For three days and nights Indians could be seen traveling to a big mountain. In passing the houses of the few, and scattered white people, the Indians frequently stopped for water. When inquiries were made as to what was going to happen, the Indians would often say, "Uh, Uh, maybe big ballgame." But would never give any valuable information.

The settlers living near the mountain, went there on the afternoon of the supposed ballgame. The surface of the mountain was about two and one-half miles, and when the white people reached the top, two bright bonfires were visible. Eighteen warriors of each tribe, dressed in war paint, were having war dances around the fires. As soon as this dance was over, they moved to a part of the ground where two large poles were stationed several yards apart, and exhibited another dance. When this dance was over, nine of the best warriors were selected from each tribe and were given war clubs.

The Indian Marshal fired a gun as a signal for the battle to begin. The warriors immediately began beating each other, and it seemed it would be a fight to the finish.

Groups of Indian squaws were stationed about two water barrels, and poured the water on them, causing sheets of bloody water to fall from the bodies of the men.

After thirty minutes of hard fighting the Cherokees retreated to their starting point causing the Creeks to win. Several hours after the fighting had ceased, two of the Creek Indians, bruised and ill, stopped at a farmhouse and wanted to spend the night. Their wagon needed repairs, and they were not able to travel easily, so they were given places to sleep. They explained the reason for

gained 30 yards by penalty and 43 yards by scrimmage. So it took heads-up ball to win even with the two penalties awarded Burk for the violation of rules by Doran and Rorie of the Stamford team. In other words Burk earned their score and the winning of the game.

**That a boy, Pappy**

Pappy Whitton played the game last Friday on one leg. One of his arches is broken down. In the first five minutes he stopped Bobby Watson's thrust at the line. After that smashing tackle, Bobby never tried to come back that way. It is hard to refrain from poetry when you think of some of the other players. Take Cook as an example. A song could easily be written about some of his tackling and blocking. Or what about Elliot's smacking that line on defense and offense—isn't that enough to get goofy about? Of course the rest of the team did just as well. It was a perfect game.

When I say perfect, I mean one that was perfect from the view point of the fan. Of course some Monday morning quarterbacks say we ought to have pulled a reverse to the weak side in the first half instead of an end run. Such a play may have scored. It would have been the logical thing to have done. But Avis Finch was calling that game and we'll break down right now and

admit that he did a much better job of it than any of us jittery fans on the side line could have ever done.

**Ticket Plan**

If you attend the game get your ticket before six o'clock tonight. (Thursday) After that hour the price advances from 50c to 75c. This plan is used to serve as a rain insurance in case of bad weather. It is a wise idea. The students should secure their tickets in Burkburnett at the high school. There will be very few sold at the gate and the ticket sellers there will require some sort of identification or proof that you are a student. The plan ought to bring the schools to a sound financial rating before the game is played. We would like to see it used for more of the important games.

**Weather and Wind**

The Indians claimed that the first test was not fair because it was played in the muddy, sloppy weather on a bare field. They also say that Crain was not in the game. Well we can't do anything about the weather, nor can we assure them that Crain will play, but we are glad that they have the chance to show their wares for the second time, possibly it will settle this argument. I have a hunch that the Bulldogs are going to repeat their early season triumph, and by a fairly decent

score.—Say, one or two touchdowns.

**Crazy? Yep!**

Everybody including the coaches will say that the prediction is crazy and the prophet is crazier. We'll even say that I will admit that I am crazy, and the prediction is goofy. Well its just a hunch.

**COUNTY FUNDS GO INTO 'RED'**

**Higher Costs, Less Revenue Create Problem**

Drastic cuts in the operating costs of Wichita county are imperative in view of the record breaking deficit now on the books and will be provided next month as the result of serious investigations now being made by county commissioners, County Judge H. W. Fillmore declared Monday afternoon.

Reports for the first 11 months of 1936 provided by County Auditor J. R. Jones were the subject of an executive session of the court Monday afternoon. Seven county offices which operated during the first 11 months of '35 at a cost of \$3,400 less than their total earnings for the same period now are \$42,163.07 in the red for the corresponding period of 1936. The seven departments had receipts of \$82,017 up to Dec. 1 last

year. Thus far in 1936 their receipts are \$63,664.

The same seven departments had operations cost totaling \$84,615 for the first 11 months of last year. Up to Dec. 1 of this year the combined operation cost is \$105,827.

County officials, including Judge Fillmore, point to the officers' salary bill adopted in abolishing the old fee system as an explanation of the situation. Pay rolls have mounted, receipts have diminished, and only a small part of the anticipated allotment from the state has been received, it was shown.

Each member of the county commissioners court was given a copy of figures reflecting the present condition of the officers' salary fund. These reports are the subject of profound study on the part of each commissioner, Judge Fillmore said.

"The commissioners are unanimous in determining that a plan for relieving this unprecedented deficit must be evolved before Jan. 1, and will be evolved," Fillmore said.

Two WPA projects were approved by the court in a brief session Monday morning. One, filed by Commissioner Miles Hines of Iowa Park, contemplates the graveing of five road gaps with a total length of 6.5 miles in that precinct. The federal government would contribute \$17,124 in labor, the precinct \$9,148.

The other project, submitted by Commissioner F. R. Knauth of Burkburnett, would provide a 24-foot bridge north of the Weeth schoolhouse. Federal expenditures would be \$4,449 and that by the precinct \$2,106.

**Rotary Club**

Members of the Rotary club were entertained by a series of tap dances presented by Frances and Frankie Alexander, accompanied by Miss Blanche Butler at noon Tuesday. The dance was a military tap dance motif. Neeley Vaught was in charge of the program. The visitors were Mrs. Scotty Scott, Rotarians of Wichita Falls and Rotarians, Scotty Scott, Kindell Paulk, Alex Brittain, Arch Warn and Everett McCullough.

**HOME SCENE OF WEDDING**

Simplicity marked the wedding of Mrs. Billie Russ with J. R. Jordan, which took place in the home of the bride, 313 SW 42nd st., Oklahoma City, when Rev. J. B. McDonough, pastor of the Capitol Hill Tabernacle, read the service. Mrs. Jordan wore an afternoon dress of brown crepe with brown accessories and a corsage of lavender orchids.

Mr. and Mrs. J. D. Simmons attended the bridal couple.

Immediately following the ceremony Mr. and Mrs. L. E. Carter of 1513 NE 20th st entertained at dinner in honor of Mr. and Mrs. Jordan.

Covers were laid for the honored guests, Mr. and Mrs. Simmons, Mr. and Mrs. K. E. Perry, Mr. and Mrs. D. B. Boyles, Mr. and Mrs. Lee Page, Mrs. Alice Graham, Mrs. Tom Thornhill, Mrs. Arnie Bradshaw, Mrs. Jeanne Gilliam, Fred Bender and Bill Lurie.

**Punts And Passes**

The severe reaction to my write-up about the Burk team taking advantage of a series of breaks to score was the result of some misunderstanding of the wording of the lead of the story. In the first place a winning team is usually one that makes and takes advantage of its breaks. Ask Volney Hill about the game where he went to Crowell rated four touchdowns better and lost by two touchdowns.

Last Friday both teams received some good and some sour breaks. Each got its share. The Burk team was winner because it took advantage of the last two. On that 77 yard march the team

**A Word To The Wise ALKA-SELTZERIZE**

Millions of users feel that they get quicker, more pleasant, more effective relief from ALKA-SELTZER than from old-fashioned unpalatable preparations. That's why ALKA-SELTZER is more in demand than almost any other single item in the average drug store.

We recommend ALKA-SELTZER for the relief of Gas on Stomach, Sour Stomach, Headache, Colds, "Morning After," Muscular Pains, and as a Gargle in Minor Throat Irritations.

We really mean it.

Use ALKA-SELTZER for any or all of these discomforts. Your money back if it fails to relieve.

In addition to an analgesic (Acetyl-Salicylate of Soda), each glass of ALKA-SELTZER contains alkalis which help to correct those everyday ailments due to Hyper-Acidity.

Hardin Municipal Light Plant again contributes its part to the bright and happy spirit of Christmas. At this holiday season for the past few years of its existence, the home owned plant has contributed electricity without charge for all decorations in the business section. If the citizens and visitors have been cheered by the glowing lights and have been happier for having viewed them, the plant is glad to have shared in the building of a prosperous community.

### Big Rabbit Creek

November 5, 1936.

Last night about 10:45 p. m. on of them things that's called a norther blown in and believe me it made everyone wish that they were further south, but Sunday morning came in nice and sunny, and lots warmer.

The sad news came to the Rabbit Creek neighborhood Sunday morning informing Hawkeye of the passing of a Mr. H. B. Turner who lived in Randlett. His passing came last Wednesday and his remains were laid to rest in the Randlett cemetery. Mr. Turner lived in Burkburnett in 1935. He leaves to mourn his loss a devoted wife, married daughter, Mrs. Keeble Jones, Mrs. John Mouser, Mrs. Artie Ward of Duncan, Okla., 3 sons, all of Burk.

Mr. Charlie Nails called on the Owens family Sunday morning.

W. H. Martin motored down to the Owens family Saturday evening and loaded them and his niece Miss Nettie Blumfield up to his upper place to hear the Saturday night radio program on his nice Philco radio which was purchased from the big Boyd Bros. Philco Station. A fine program was rendered. Hawkeye is such a lover of radio music. It was after 1 a. m. before they all arrived home.

Well, for the past week, every day of last week it just tried its best each day to rain during the 6 days about 22 one hundreds of an inch of rain fell. It revived the wheat and oat pastures which will last maybe a week or so. A few flakes of snow fell here about 2 a. m. Sunday morning.

It has been so long since E. H. has been over in Burkburnett, he will have to get the big Chief of Police to guide him around among his host of friends. If nothing happens H. E. wants to go to Burkburnett next Saturday as he sure wants to see old Santa Claus and get a pack of candy.

It is learned that the Big Rabbit Creek school is preparing a fine program in the near future, and a box supper. The proceeds will go to buy toys, candy, fruits and nuts for the needy children in the Rabbit Creek community.

No doubt but what Burkburnett is among, if not the most live wire city in North West Texas around the holidays, as well as every day in the year of 365 days. Why? Simply because every business firm puts his shoulder to the wheel and when they start anything for the betterment of their city they make it go. It's one of the best lighted towns at night of its size in the good old Lone Star State.

H. E. has been advised that there were lots of Christmas over in Burkburnett, and hundreds of people were already doing their Christmas shopping, and every business place, even the Burkburnett Star office was doing a land office business.

### Senior Class Sponsors Mascot Contest

The Fairview Senior Class aspires to be numbered among the classes of Texas that visit the Carlsbad cavern this year, so they have already started filling their treasury in every possible way. (They already have enough to get the class as far as Wilhoit's station.)

Their latest project is sponsoring the school mascot contest, which seems now to be a very interesting and amusing contest. Each class in school has elected a mascot to run in the race for basketball, volley ball and pep squad mascot, this making a total of eleven entries in each event. The eligible nominees were any children who lived in the community from the ages, walking, to the fourth grade in school and it is believed, after seeing them all introduced between the halves at the Clara-Fairview ball game last Tuesday night, that the contest is going to be a hotly contested one, because from all appearances the nominees must be from the very "cream" of the community.

The contest began December 3, 1936, and it will close finally at 8 o'clock on the night of December 22, 1936, when the ex-students stage a ball game between Wichita Coyotes and the Fairview Bears here in the local gym. However, on December 17, the three highest in each division will be selected and the contest will be between them from then on until the polls close. Voting is only one penny each time you cast a vote.

Following is a list of the contestants: Basketball mascots—Charles Russell Boyd, Billy Jack Brown, Scotty Grizzle, Bobbie McCall Coyote Pead, Hugh Key and Jerry Farrington. Volley ball mascots—Patsy Morgan, Patsy Hurnall, Patricia Browning, Winnie Jean Johnson, Rita Ann Lehr, Evelyn Ranning, Filly Jean Hamilton, Joan Podreger, Joy' Dunn, Patsy Ruth Beavers, Francine Johnson, Jo Ella Morgan, Jamie Metz, Carolyn Herr, Leo Winkles, James McDonald, Robert Lee Jordan, Junior Whigham, Rita Lehman, George Ann Spencer, Marlin Fay Zink, Sonny.

Tobe Herdin and Charlie Nails killed 4 fine fat hogs Tuesday for Mrs. Jim Self who lives west of the Rabbit Creek school house.

Mr. Jim Self for several weeks past has been manager for a wholesale house down at Swanece, Okla. It is said he will come up from Swanece to spend the holidays with his family.

Uncle Obbie Hooper, 93 year-old pioneer of Randlett, underwent an operation down at Wichita Falls a few days past. The writer has been advised that Uncle Obbie wasn't doing any good. Since coming back to his home in Randlett, Uncle Obbie is the oldest living man in Cotton county.

HAWKEYE.

Greer, Charles Goins, Arnold Wayne Story, Lenortha Bradshaw and Bruce Williams.

### Sport News

Two of the three games series have been played between Fairview and Clara. The first game was played at Clara. The game was a hard fought one through the entire game. Fairview lead Clara in the first half by 3 points, but in the last half, luck found Clara leading Fairview. When the final whistle was blown the score was tied 28 to 28. This called for a three-minute playoff. One of the Fairview boys fouled and the Clara boy made the free shot and one of them made a field goal leaving the score 28 to 31.

The second game was played at Fairview. That night the Fairview boys dazzled everyone with their new shoes and white satin suits. The Clara boys were completely dazzled during the entire game.

The Bears lead Clara through the entire game. At one time the Bears were 15 points ahead. When the game was ended, the score was 22-30 in the Bears' favor.

The volley ball girls entered a tournament at Iowa Park the past week-end. Their first game was with Clara. They were defeated and therefore were made eligible for the consolation matches. They played Valley View Saturday afternoon and were defeated again.

a banquet and basketball game Tuesday, December 22, 1936. The Fairview boys will play the Wichita Coyotes that night. After the game there will be a banquet in the Home Economics building to be served by the Home Economics club girls. The speaker of the banquet will be the dean of Hardin college from Wichita Falls, Dr. George Crutsinger. Interesting musical numbers have been selected from Wichita Falls. Ex-students are selling tickets, which are 60 cents each. This event should be enjoyed and looked forward to by all.

### Senior News

The seniors are sponsoring a contest to choose a mascot for basketball, volleyball and the pep squad. Candidates were selected from the first four grades and three students were picked as representatives of each class. The contest closes December 17, and the three leading contestants will be in run-off by December 22. See the seniors and cast your votes for your favorites. The night of the run-off, the ex-students are sponsoring a basketball

game and banquet.

### Senior Personals

Bessie Cuddeback was born in Chattanooga, Okla., Dec. 1917. She started to school in Fairview in 1935. She has brown eyes, weighs 115 lbs. and is 5 feet and 3 inches in height. Her pet aversion is writers and her favorite amusement is dancing; food, pecan autry; teacher, Mr. Watkins; subject, biology. She is quite interested in ex-student of '34. This as a cup and saucer, thought of as being together. (We wonder just who it is.)
