Test will be made in the famous townsite pool in Burk... Plans are near completion for the drilling... on a block that has been arranged which includes... of the city and which will be near the center of one of the... oil fields in the history of the industry.

A Thankless Job

Of all the thankless jobs that community minded citizens are compelled to do, the solicitation of funds for celebrations, special events, or trade promotion enterprises rates at the top. The solicitor for these funds gets nothing for himself. The only gain that can come to him must be in the satisfaction he derives in working on civic enterprises. But in return for that nebulous advantage he must listen to abuse, to criticism, and to point blank refusals delivered in none too kindly a manner. Our suggestion to the citizens of Burk Burnett is this. When a fellow citizen calls upon you for financial support to back some enterprise he believes is worthy of consideration, talk the matter over in a friendly manner. If you do not see fit to extend your support, tell him why in a manner friendly. Don't assume the attitude that he is selling something for himself. In ninety-nine cases out of a hundred he is merely handling a job that nobody else wants.

Flower Show Schedule Out

The Flower Show which is to be held jointly by the Burk Burnett Garden club and the Bluebonnet Garden club will be held at the Rotary Hall, November 4, from 1 to 9 p. m.

Committee Named To Make Plans For Annual C.of.C. Meet

Most Worthy Citizen To Be Honored By Organization With Trophy
MEMBERSHIP DRIVE IS PLANNED

Plans for the annual banquet of the chamber of commerce were made by the organization this week, and the meeting will be held in the First Methodist church basement Thursday, December 2. Committees were appointed for the meeting and for the annual membership drive and reports. Each year the organization selects the most useful citizen who is honored at the banquet. The committee appointed to suggest the method of selection this year is Henry Prinzing, W. T. Holman, and B. F. Gilchrist. This committee will report at the next meeting of the board of directors.

Fairview Bears Down Oklaunion

In a practice game played on the Fairview gym, the Polar Bears won another victory last Friday night at the expense of the Oklaunion basketball team. The bears took the lead from the start of the game and at the half were leading by a score of 14 to 1. The Oklaunion team scored only one field goal the entire game, that being in the third quarter.

Correction

Last week the Burk Burnett Star listed in the Boyd Bros. Cash Exchange "Boot Shoes, regular \$6.50 value, special \$2.45." The ad should have read "Boot Shoes regular \$6.50 value, Special at \$5.45." The editors regret the error, and call the attention of the customers to the correct price. During the week the ready response of the people to this offer indicated the wide spread value of the paper as an advertising medium.

"WE LOVE OUR CHILDREN"

Several communities have adopted the slogan "Drive Slow—We love our children." Signs bearing the slogan have been erected at each of the school buildings in these communities. We are all sure that "we love our children," but sometimes we behave more like savages who do not do so.

Burk Ward School Children Defects Noted By Nurses

Children in the first four grades of the Burk Burnett public school were examined by Miss Winifred Bonham of the American Red Cross organization this week. Various defects appearing in the children were noted by the nurse, and notices of the defects sent to the parents.

Local Youth Is Charged Felony In Car Theft

A Burk Burnett youth was charged with felony in connection with the theft of a car in Wichita Falls Tuesday at noon. The alleged theft occurred at the General hospital in Wichita Falls when the car was parked at that place.

Billy Brown Hurt By Dynamite Cap Explosion Mon

Billy Brown, 10-year-old son of Robert Brown lost a portion of his hand Monday morning when he hit a dynamite cap with a hatchet. The boy had found the cap in a car that had been driven by his father. The car had been borrowed for a short trip. The child took the cap into the yard and caused the explosion by hitting it was the hatchet.

DOUBLE-EDGED BOYCOTT

For Texans the boycott of Japanese goods may become a double-edged sword. Almost every person asked if a boycott against the Japanese should be adopted has answered in the affirmative, but a few hesitated to approve of such a move inasmuch as it would mean that the biggest market for Texas cotton would be closed.

So first examinations would indicate that the boycott would be harmful. However, the suffering of the present loss of cotton markets might be in a long range beneficial to the Texans.

Should Japan secure control of China, they promise to undersell the world on cotton good by planting huge cotton fields.

Already the price of cotton goods have been forced to an all time low by the cheap labor that manufactures the goods in Japan. So while the temporary reaction may mean depression among the cotton farmers, it is highly probable that the ultimate effect would be to the benefit of Texas farmers.

LOW FIRE LOSSES

The report for the first nine months for the Burkburnett fire department indicated that Burkburnett would continue to hold the maximum credit possible for a city this size with the amount of premiums paid. According to J. J. Blackstone, fire marshal, the losses for the year were \$135.88. Of this amount \$99.98 were incurred last month.

We are just completing the celebration of fire prevention week. Last week emphasis was placed on the fact that the best way to keep fire losses low was not in efficiency of fighting fire, but rather in the efficiency of organizing to eliminate the cause of fires.

That particular service has been the greatest achievement of the local department. They have made the public conscious of their work by public spirited participation in every civic enterprise. The result is that many of the natural causes of conflagrations have been eliminated.

This work has led to real money benefit. The hundreds who have paid insurance premiums this year have each saved money by the co-operation of the schools, citizens, and fire department. However, the objective is to keep in mind that the work is not confined to a week or even a few months, but is the co-operation throughout the year.

FOOTBALL STADIUM

Burkburnett has one of the best stadiums in this entire football area in either country class A or class B football. Recent trips over the country to other football teams and other schools revealed that we have the right to be proud of our plant. There are many things that can yet be added, and in time we feel that they will be, but for the present we ought to express our appreciation to the school individuals and organizations that have made the comfortable arrangement possible.

UNUSUAL COURTESY

Citizens of Burkburnett have developed a habit of closing the business places during funerals as a tribute to those citizens who have played an important part in the building of the community. This unusual courtesy has attracted attention to our small community, and the comment has been favorable.

It is a tradition that we should guard with jealousy. Everywhere the community is becoming known as one that pays adequate respect to its dead, and adds courtesy of tribute for those who are bereaved.

Many people have lived among us who contributed to the progress of our community in a way that was not of spectacular nature, but nevertheless, their living definitely made the community a better place to live. As these last tributes of respect and love are made we can continue to give them this recognition.

In this connection we might add that the work of the volunteer fire department is excellent. They have added to their great usefulness in the community by accepting the task of regulating traffic during the funerals. We sincerely hope that they will always cherish this responsibility. Their work is valuable.

HEADLINES

"We have no territorial ambition in China," says Japan. "It is merely our desire to have a government in China that will stop the series of insults against our nationals and be friendly and courteous." That sounds very nice. It leaves the European and other powers a chance to save face. But Japan said the same thing about Manchuko (Manchuria). They said they merely wished to have a friendly government in control rather than bandits in the Chinese province. Well they have a "friendly government in control." They rule Manchuko with an iron hand that not only excludes any initiative of government, but also excludes all possibility of foreign relationship. In other words, they are spending two or three hundred million dollars and sending 200,000 soldiers to China now merely to punish a group of bandits. That sounds a little fishy, but it is diplomacy in its rottenest exhibition.

Roosevelt's Statement

The statement would not have been made had it not been for Roosevelt's strong statement of accusation in his Chicago speech. He made the strictest statement that has been made by an American president since the world war. It was officially verified when the state department through Cordell Hull announced that the United States was joining the remainder of the world powers in the program to condemn Japan. There is little that Japanese could do other than deny that they were guilty or try to make their outrages appear reasonable. For many years the cry "bandits" has been the excuse of large nations which wished to invade smaller nations. Italy used it against Ethiopia, France and England earlier did the same thing in the Orient, Africa and even on the continent. Even the United States used the excuse when sending marines to South and Central America. It is a very handy excuse to have around.

Special Farm Session

The new estimate of cotton which places the production higher than ever makes a special farm session imperative. In the Burkburnett area where the production was restricted by drought, the suffering becomes acute. The farmers have not been able to make expenses on cotton. Had it not been for the salvation of a huge wheat crop, the farmers would have had a hard time this year. Fortunately most of the farmers in this immediate district made good crops. That crop made it possible for them to ride through the less fortunate fall session of low production and low prices. What type of program can be adopted to control production or price with out seriously impairing the foreign market is a question that will worry the administration and legislators. The strongest argument against the Bankhead control measures have been that the local market has been increased, but the high price killed the foreign market. During this high price, Brazil and other cotton producing areas have grabbed the United States' chief sales points.

Big Rabbit Creek

Well the elements at this writing are very heavy laden with rain clouds. The big inch-rain that fell Friday night made bole pulling very bad. It will be at least several days before cotton pulling will start up again. The heavy rain and wind didn't do much damage to cotton here.

Well, Burkburnett, our friendly little city had another big cash and trades day Saturday with the largest crowd of people of the season on hand to help draw those sixty bucks which were drawn. The best thing about the drawing was those who drew the money needed every cent of it as Hawkeye was advised at the drawing.

J. E. Wood, W. E. Fowler and Edward LaBarre were shopping and transacting business over in the big oil city Saturday.

Those wheat raisers who did not have their wheat sowed before our big rain Friday night will have their tractors running in full blast next week. There will be many hundreds of acres planted in wheat this coming week.

Mr. and Mrs. W. H. Martin spent Sunday visiting the Owens family and their two little daughters, Winne June and Margaret.

The Hon. Tom Boyd, manager of the Boyd Bros. big wholesale and retail grocery and radio stores in Northwest Texas were

over across the big pond last Tuesday selling the Philco radios. He made several sales, one of his last sales over in his sister state, Oklahoma, was at the home of Mr. and Mrs. C. H. Dunn. He also made a wind charger sale at the same home.

Well, sir, you know before Hawkeye left the friendly little city of Burkburnett he went down to Little Henry's and Hicks big meat shop to get a fine beef roast that Hawkeye had got when he first got into the city. He just had to stand back of the big crowd of meat buyers just an hour before he got his roast.

The big Famous drygoods store had such a great mass of people doing their shopping that Hawkeye honestly was afraid to enter that big store to get cotton sacking to fix his cotton sacks. So he met a neighbor on the street. He gave his neighbor the money as he was a big 200 pounder and wasn't afraid of getting all mashed up in such a crowd. So he got in and got out all safe and sound with Hawkeye's canvas to fix his cotton sack.

Hawkeye, as usual, everytime he is in the friendly little city, he is just bound to go to the Star office to see if all of the Star staff is at their posts and working which they always are and as busy as a cranberry merchant—even to the editors and owner of the Star, Mr. and Mrs. Fred Brookman. While Hawkeye was in the office who stepped in but an old friend that he had known for over 25 years, a Mr. Wiley Tyler. After a short talk with his friend, Wiley told Hawkeye that he and his wife owned and running a washing house over on D Avenue on the Wichita Falls Highway. After a little while Hawkeye just walked over to Wiley's place of business. Say boy, the first thing he saw six brand new washing machines all running in full blast. Say, boy, after those duds came out of the last water, they were just as white as a snow bank.

Mr. and Mrs. Fletcher Babers and family were shopping Saturday over in the big oil city. Also Mr. and Mrs. John Ashton and family all up to date farmers in Rabbit Creek neighborhood were over there.

A large congregation attended the community singing Sunday afternoon at the Big Rabbit Creek school house. Everyone had a fine time and enjoyed the services fine.

The Owens family received a letter from their old friends, I. W. Hardin, Mrs. Martha Nails and her son, Charlie, who are pulling cotton at 60c per hundred pounds at Mesilla Park, N. M. I. W. writes that a bumper cotton crop is being harvested out there but they have been making poor progress pulling cotton for over two weeks on account of much rain.

Dr. R. J. Dice of Randlett for several days past of last week has been a very busy physician vaccinating several hundred school children against the scarlet fever. So far no cases have developed as Hawkeye has been advised.

BAPTIST WMU ALL-DAY MEET

Members of the W. M. U. of the First Baptist church met Monday, October 4th at the church for an all-day meeting, studying "The Chinese." The program included Oldest and Largest, Mrs. Harris; The Religion of the Chinese, Mrs. Ashton; Baptists and Chinese, Mrs. Wilborn; Consider the Chinese, Mrs. Salter; Native Leadership, Mrs. M. S. Dean; Chinese at Our Door, Mrs. Storm, and Story "A Little Child Shall Lead Them," Mrs. Turner.

In the afternoon the devotional was brought by Mrs. Watkins from Psalm 23. Mrs. H. S. Van Cleave installed the officers in a beautiful ceremony. The officers were Mrs. Frank Watkins, president; Mrs. Ruby Harris, secretary;

A Three Days Is Your Danger

No matter how many times you have tried for your cold, or bronchial irritation, get relief now with Serious trouble may be yours if you cannot afford to be with any remedy less than Cremonium, which is the seat of the trouble, and expel the mucus membranes and don't be discouraged, Cremonium is a safe, reliable, and thoroughly satisfied with the bottle. Cremonium is on the bottle is Cremonium. Ask for it plainly, see the relief you want.

DODGE MODELS FOR 1938 ARE SEEN AS NEW ACHIEVEMENT IN MOTOR CAR VALUES

First News of Latest Series Of Popular Line Reveals Many Advancements

Announcement description of the 1938 Dodge passenger car models will make interesting reading to the many followers of this popular make, especially in view of the fact that the new line, offering ten body selections, is said to incorporate some forty-seven progressive improvements affecting appearance, comfort and performance. Coupes come in three styles—business, rumble seat and convertible. Sedan and touring models include two and four-door closed types and a convertible style. There are also two 132-inch wheelbase vehicles—rated as 7-passenger sedan and 7-passenger limousine, but in reality accommodating eight passengers.

Changes and improvements distinguishing the 1938 models from their immediate predecessors are found in nearly every major element of the new series—in the power plant, transmission, the brakes, steering mechanism, the clutch, wheels and other components. Outstanding engineering features such as floating power and other engine details, silenced all-steel safety bodies, hydraulic brakes, hypoid rear axle, and a variety of automatic operating features are either retained or used with modifications. Entirely new are such units as the radiator shell and grilles by which the head-one appearance of the new cars is beautified.

New also are hood louvers, the fenders and their mountings, the windshield, instrument panel, the seat adjustment, head lamps, door and luggage compartment locks, brake drums, engine impulse neutralizer, muffler, clutch facings, clutch baffle and release bearings, generator and interior treatment.

Mary Frances Clark Elected To Choir

Miss Mary Frances Clark has been chosen as a member of the chapel choir at Mary Hardin-Baylor. Auditions for the Chapel Choir, a new organization on the campus, were held last week and only sixteen young women were chosen. Miss Clark is to be congratulated upon receiving this honor.

Miss Clark is also a member of the College Chorus and was chosen a Student Counsellor this year. She is a student in the voice department. She is the daughter of Mr. and Mrs. O. L. Clark.

Sounding the Alarm

Many serious fires can be averted, and loss of life and property reduced by reporting every fire promptly and accurately.

It is estimated that ninety per cent of all fires could be extinguished quickly and easily if the fire were reported soon enough to enable the firemen to reach the scene within five minutes after the blaze starts.

Telephoning the Alarm
Be prepared to sound the alarm by phone. This frequently saves considerable time. Space is provided in many telephone directories for the phone number of the fire and police departments. Look up these numbers and print them plainly in your directory in ink.

If, in the excitement you can't find the number call the operator and simply say, "I want to report a fire." The operator will immediately connect you with the fire station. Accuracy is as important as speed in announcing an alarm, so when you report a fire, give the exact location clearly and distinctly. And keep calm.

Don't Handicap the Firemen
Death rides with the fireman in his race to reach the fire. Every obstacle placed in his path means delay during which the flames gain headway and makes his job more hazardous.

Don't handicap the fireman by thoughtless acts. When you hear the siren or going stay on the sidewalk, and don't dart into the street after the apparatus has passed, volunteer firemen must follow in private car—give them ample time to get by before attempting to follow.

It is not only inconsiderate and thoughtless but in many cases a violation of local ordinances for unauthorized motorists to follow police or fire apparatus. Give the apparatus a clear right of way, and at the first warning signal, drive at once to the extreme right of the street, keeping to the curb as closely as possible. Give the apparatus plenty of lee-way.

Don't Park Your Car In Front of a Fire Hydrant. Even though you expect to be gone only a few minutes, don't take a chance. While you are away might be one of the times that it is necessary to get at that particular hydrant. Watching firemen while they are fighting flames is often re-

sponsible for injuries and damage. If you must watch the fire do so from a safe distance.

False Alarms
More than five thousand years ago AEsop warned against "false alarmists" in his fable of the shepherd who falsely cried "wolf" so often that the townspeople refused to respond when real danger threatened. Both thoughtless and wilful "false alarmists" add an additional burden to the tremendous loss of life and property caused by fire.

Statistics show that in the average city, approximately 10 per cent of all alarms are false and that the cost of each of these alarms are between \$50.00 and \$350.00.

This, however is not the most serious result of false alarms. The real menace is the endangering of lives in responding to false alarms. Many firemen lose their lives in responding to false alarms. A recent study conducted by the National Fire Protection Association revealed that out of 75 alarms, ten were false and resulted in the needless sacrifice of 12 lives.

Another, and equally serious consequence of false alarms is the impairment of the fire department's efficiency. While the company is responding to a false alarm, the rest of the neighborhood is left exposed to danger. If a real fire occurs while the company is on its useless mission, the second alarm must be made. Because of their distance from the fire, precious time is lost during which the flames may gain headway and get beyond control. Modern police methods makes it possible to apprehend the "false alarmist" in most instances, but jail terms, fines and regrets are of little avail after the damage has been done.

For one's own safety and for the safety of others, it is every person's duty to know how to sound the alarm and to do so promptly in case of a fire. It is equally a duty to assist in the apprehension of those who turn in false alarms by reporting the offenders to the police. Most important of all is to keep out of the way of the firemen after the alarm is sounded.

—W. A. ROBERTS
Pres. Fire Dept.

Mrs. Wise Honored At Shower Wed.

A lovely shower was given to Mrs. Frances Wise Wednesday, October 6 at the home of Mrs. H. F. Brock. After the gifts were presented, refreshments were served. The hostesses were Mesdames Ed Jones and H. F. Brock. Those present were Mesdames L. H. Gilbert, J. C. Parker, Christine Bradley, Josey Mash, E. B. Cain, S. E. Hitz, V. E. Pringle, O. D. Wortham, C. C. Wise, C. W. Smith, C. F. Shaffler.

**Punts
And
Passes**

By J.C.C.

I have an Idea. Don't be shocked. Last week I went over to see a man football game in Tillman county. It was more like a combination of SMU football and basketball. That is it was all passes and running. All the hard body contact of regular football was eliminated. But all the speed and flash of a good basketball game was retained. The field was smaller than a regular football field, and every man on the team eligible to receive passes. On the first play the center threw the ball to a back and went down the field to catch a pass for a score. Let's try that here.

The Idea Is For Two teams of ex-football players to line up and practice for a while. Then play for the benefit of some fund. Some organization can sponsor the game and sell the tickets. The football team might need some extra money, and this would be a good way to raise it.

The game is designated for small schools like Fairview and Clara, who do not have enough men for regular football teams. It takes practically no equipment, and only a few boys. The men line up and either run or pass, from any place behind the line of scrimmage. All players are eligible to receive the passes. There are opportunities to lateral that are never presented in the regular football game. So let's try it some afternoon or night for the benefit of the football team or some other organization.

Don't let These Scores, Iowa Park 0, Throckmorton 0, fool you about the game next Friday night. The Throckmorton Greyhounds have real power. In Cribbs and Odell, they have two backs that can make almost any defense in the district uncomfortable. If the field had been dry at Iowa Park last Friday night, they would have run away with the game. As it was the Hawks put up a stubborn defense and deserve all the credit in the world for stopping the two Greyhounds.

The only Bad Thing About the Archer City forfeit to Burkburnett is that it denies some of the Burkburnett players the opportunity to add to their record. Recognition will be given to players of this district according to performances in game. The Bull dogs did not have an opportunity to show off at Archer City. The backfield would have run its scoring record, and the line would have received credit for some good blocking and tackling in the game.

Seymour Starts Every Year ranked high in the dope column. The district has a lot of respect for Coach Orr and his lads. But about once every year the team completely fizzles. That seems to be what happened last Friday night. After promising to give a lot of trouble in the conference, they allow Chillicothe to outplay them and get a tie. It is highly probable that the Panthers will play much better ball the rest of the year now that they had the bad game out from under their belts.

If You Wish to Rank Burk according to comparative scores this year, just look at district 2-A. The Bulldogs defeated Quannah who defeated Electra. Burk smashed the Nocona Indians 56 to 6. Olney turned the trick by an 18 point margin. It would appear that Burk is much better than at least three of the class A teams. I swear by that until evidence to the contrary is produced. I wish we could play Olney this year.

But Come Back Into Class B games. Haskell defeated Seymour. Crowell defeated Haskell by two touchdowns. Then Chillicothe (beaten 74 points) ties Seymour. On paper that makes Burk look a lot stronger than Crowell, but the trouble is that these games in this district are played on the field (and at Crowell this year), and not on paper. There isn't the slightest bit of doubt that the Burkburnett-Crowell game will be the championship game of the year.

We Notice That The Peppers have their uniforms this week, and we are sure that they have a good stunt ready for next Friday night. The Throckmorton uniforms are almost exactly the same color as the Burk Girls'. Let's hope they don't get mixed up. Incidentally the Throckmorton peppers are going to be here in a group. They have some real singers and fair 'yellers.'

Randlett School News

SENIORS

The Seniors have been rather inactive this last week—all but our brains. They have been extra busy.

The current gossip about one of our class members is that she is married. Is she??? Well, she doesn't deny it.

In English IV the seniors have been reading some very interesting poems—romances. Robert, maybe Edith approves of the way they made love in those days. Heed Fair Margaret and Sweet William for the rules of the game. The Seniors wish to say "Happy Birthday" to Palmer Warren, our former classmate, whose birth day was October 9. Palmer now lives in California.

Next Saturday the Seniors and Juniors are planning a trip to Craterville. This will be our first social affair. If any of our farmers have any extra horse shoes, send them to us. We will probably need them.

The Seniors and Juniors went up the hill. They got back late on Sunday morning, and Monday all were tardy.

JUNIORS

Next Friday, all those taking Spanish will meet and form a Spanish club. It will be educational as well as entertaining. We are proud of the fact that the entire girls quartet is made up of Juniors. We are glad that Jack Satson has returned from California to rejoin our class.

SOPHOMORES

The Sophs haven't done anything to make any news this week but wait until next week and see "Soph News."

District Governor Visits Burk Club

J. M. McLaughlin, Falls, Texas, district governor of the Rotary International spoke to the members of the board of directors and the members of the Rotary club Tuesday at noon during a brief visit to Burkburnett. The speaker met with the members of the executive board at 11 a. m. and explained the work of the Rotary committees and officials.

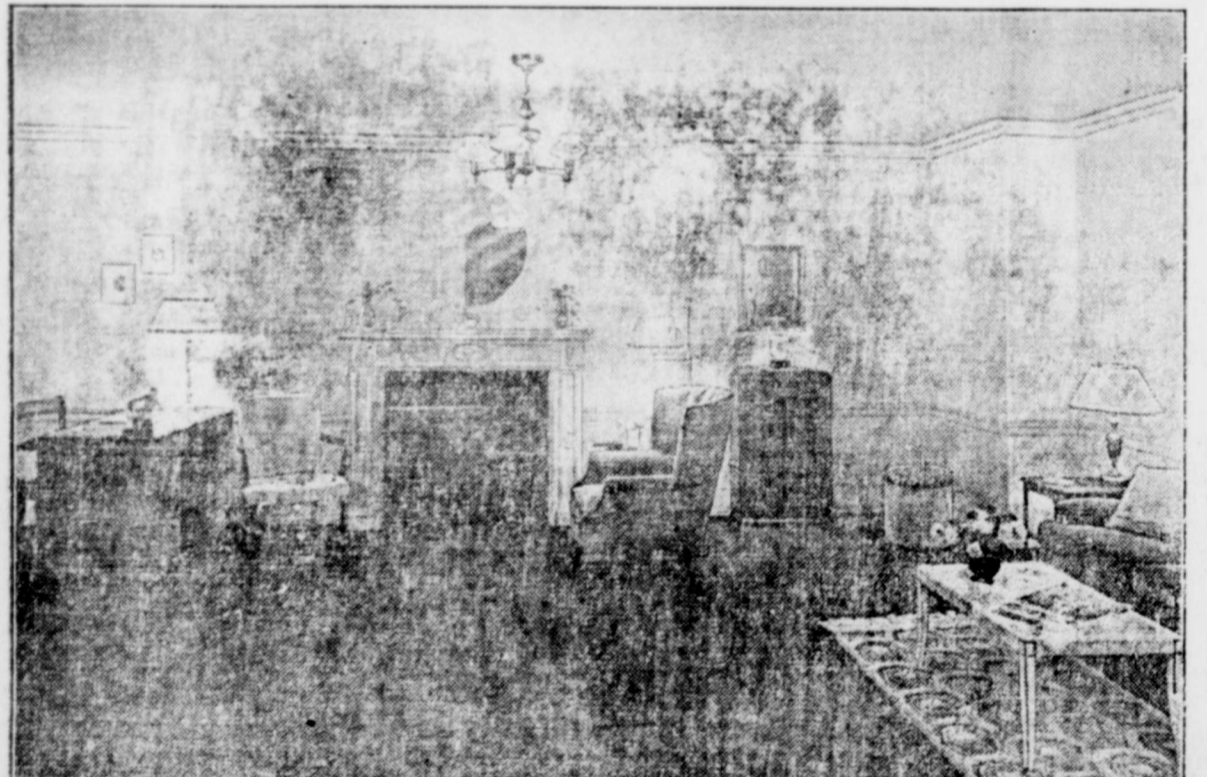

At noon he gave an inspirational address on the work ideals and plans of the Rotary club. In spite of the rain, the club had one hundred percent attendance at the meeting.

The visitors included Charles Kirby, Alex Britian, Jimmy Summerville, J. P. Tarry, J. K. Estes, W. B. Hamilton, H. D. Fillers, Ford Massey of Wichita Falls.

Light-Conditioning Opens New Era in Home Comfort

This light-conditioned living room provides eye-comfortable illumination for every member of the family.

By Jean Prentice
NOW comes "light-conditioning" to be added to the comforts of home. When rain beats against the window pane or when early twilight falls, light-conditioning will make eyesight-conserving and beautified light available at the turn of electric switches.

Scientific Standards
A home is light-conditioned when its lighting meets scientific standards for eyesight protection. The term may refer to inexpensive but correct new lighting in a cottage or to the approved illumination in a pretentious home.

A single room may be light-conditioned by following the new rules. Or an entire home, from basement to attic, can be conditioned against gloomy days and long evenings.

Not for many years have there been so many developments as recently in home lighting.

First important departure came with the unearthing of new scientific facts on the relation of light to sight. To give the more abundant light which researchers found was needed, shades of lamps grew bigger and table lamp bases grew taller. An instrument was perfected to measure home lights quickly and without fuss. Providing enough light to see safely was thus taken out of the realm of guesswork.

Light-conditioning has sprung from all these developments.

Planned for Comfort
How to light-condition your own living room is illustrated by the accompanying picture. The lights here were planned for the comfort of a father, mother, and two children, as well as for the beautifying of the home.

Notice that the lighting presents a symmetrical appearance. It is well-balanced. Also it is well-diffused. There are no depressing shadows. The illumination is stimulating.

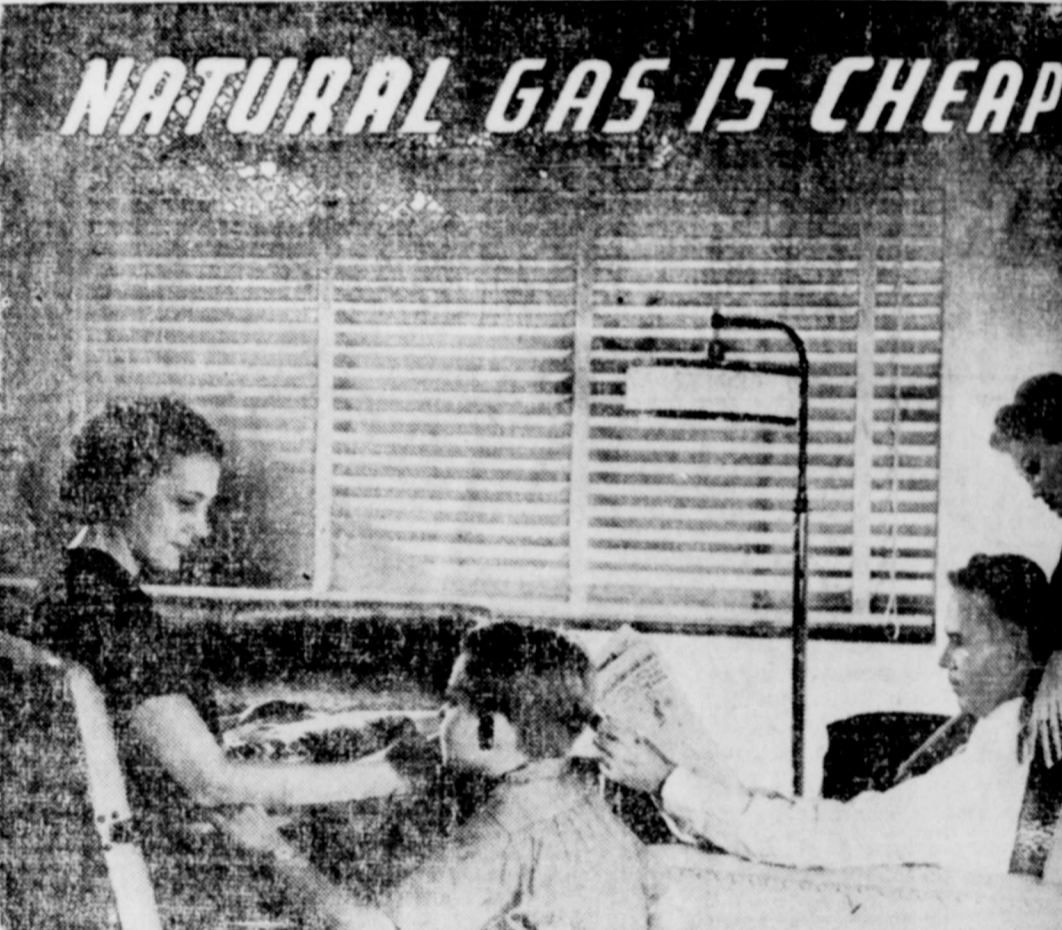

Since, for eye comfort, we should not read or sew in a single island of light in an otherwise dark room, the ceiling fixture was selected to provide an over-all smoothness of light. It reflects most of its light to the ceiling, to be distributed into the room.

I especially like light-conditioning's provision for a good lamp near every sitting place!

Provision for All Eyes
The scientifically designed study lamp on the desk serves both desk and chair. The large comfortable fireside chair is made still more comfortable with an approved bridge lamp . . . which produces 25 foot-candles of light at book level.

At the davenport, twin end-table lamps, also of scientific structure, assure good lighting for two or more persons. And for an unseen grouping of furniture in the left foreground there's a floor lamp giving three levels of light.

For beauty's sake alone there's a bowl of electric light, or decorative urn, on the radio. It is the finishing touch for a cheerful room where overcast skies outside cannot put a damper on one's spirits . . . or one's eyes.

NATURAL GAS IS CHEAP

BRING HOME THE *Joy of Living*

Automatic Gas Heat Drives Out Winter Chill

• Warm floors on winter mornings . . . a cozy home at night . . . no chill . . . no damp . . . no closed rooms . . . that's what an Automatic Gas Floor Furnace can do for you! Act now to protect your home from chill this winter—it will cost you nothing to get the facts. Ask for a free heating survey of your home.

Chevy Men and Car Show

Oct. 14.—Plans for the new 1938 Chevys, with most extensive advertising program in the history, were revealed at a special pre-view meeting attended by Chevrolet dealers and personnel, from all points of the state.

The new product with which Chevrolet undertakes to exceed last year's high volume sales, is being advertised with enthusiasm, according to H. Wilson, manager of the Chevrolet division of the General Motors Corp., who conducted the pre-view meeting.

The new car models are being shown in detail at a session at the Pan-American Hotel in Dallas. The afternoon session is devoted to a presentation of the new car models to the public. A detailed explanation of the fall advertising campaign is being given. A showing of the new Chevrolet models is being given by our dealer.

Treatment of Burns, Bill Wright, Fairview 41, Valley View 18

A week ago last Friday night the Valley View Harvesters, both the boys and the girls, came to the Fairview gymnasium to play ball. The boys from Beartown turned the Farm Hands back to the homeland with a 41-18 defeat. Snow and Rainwater started for the visiting team. The Fairview girls lost their game by a score of 7-15, 15-9, 0-15. This was Fairview's first conference game in the Red River Valley League and the girls' first game of the year.

Fairview vs. Oklaunion

A small but scrappy team of basketball players came to Fairview from Oklaunion Friday night to play the local cage team. They were outclassed in height and playing ability and went down in defeat, 24-4. They made only one field goal. The Fairview girls woke up and won a volley ball game from the lasses of Oklaunion. The score was 15-17, 15-13, 15-9. Oklaunion won the first game and Fairview won the last two. Although Oklaunion is in the Red River Valley Conference, this was a practice game and had no effect on the standing of either team in the league.

Fairview at 5-in-1

Monday night Fairview went to 5 in 1 to play basketball. In the first game, Fairview won by a score of 15-9. In the second game the score was deadlocked, 9-9. This game was not played off because of the lateness of the hour.

Bluebonnet Club Holds Luncheon

Members of the Bluebonnet Garden club met at the home of Mrs. George Kerr and Mrs. Lillie Green Tuesday noon for a covered dish luncheon, one of the lovely social events of the opening fall season. The installation of the new officers with Mrs. B. F. Gilchrist as president was the important feature of the meeting.

The new officers were installed by the retiring president, Mrs. Johnnie Anderson. The new members of the club, Mrs. H. C. Gilbert and Mrs. Wid Phillips, were introduced and honored.

The club history prepared by Mrs. J. M. Thomas was read by Mrs. B. F. Gilchrist. The poem of Mrs. Thomas including the members of the club was read by Mrs. George Kerr. The club discussed the arrangements for the fall garden show which will be held at the Rotary club hall, November 4.

Those present were Mesdames B. Danforth, D. A. Wesbrooks, R. M. Gilchrist, Wid Phillips, H. C. Gilbert, Johnnie Anderson, Lillie Green and George Kerr as members, and Jennie B. Blackburn of Abilene, R. A. Soules of Terre Haute, Ind., C. L. Anderson and D. R. Peevey of Burkburnett as visitors.

Mrs. Thomas' poem was as follows:

One day I was walking along
Down a pathway and lonely was I;
Behind me I heard a sweet song
I paused to let some one pass by.
But she did not pass by—she took
My arm, and she smilingly said,
"I want you to come take a look,
And the way to her garden she led."

I stepped thru a gate above which
A bower of beauty arose,
With color of blossoms so rich;
She called it her "Anderson Rose."

I stepped forthwith at the sight
That greeted my exploring eyes—
The flowers in the yellow sunlight,
Flowers of all colors and size,
Such flowers that go by the name
Of Mildred, and Ethel and Pearl
And Noreene and Ruby and Dean—
They grew them when I was a girl.

There were Adas and Idas and Ollas
And a Lilly that grew in a pot;
And Blanches and Fredas and Lorras,
And Jessies and lovely Charlottes.
Oh, there was a bed of pink
Mathews
And Roberts and Danforth so neat;
Sweet Williamsons grew all about
you;
There blossoms were perfumed
ed so sweet.
In a bed of blue Alexander
I saw such glory abound
That I was made to wonder
How I such a beauty had found.
And then as I stood in my rapture
And wondered whose was this
fame,
I looked to the right and there
in plain sight
"The Bluebonnet Club" was the
name.
Deep in this garden of flowers,
So pleasant my sojourn had been,
I knew that in memories sweet
hours,
I'd long for our club once again.
—Mrs. J. M. Thomas.

THRIFT NEWS

By B. F. JACKSON

Mr. and Mrs. B. F. Rush and family wish to thank their many friends for remembering them in their recent distress when they lost their home and furnishings in the fire that burned the old Taylor place to the ground.

The especially wish to thank the employees of the Tucker, Bohner and Texas companies for the assistance rendered by them.

New 4-piece bed room suit at Thaxton Bros. 8-ltc.

The Thrift Baptist W. M. U. met in circles Monday afternoon for Bible study. Circle No. 1 met with Mrs. Troy Miller. Circle No. 2 met with Mrs. E. G. Gregory while circle No. 3 met with Mrs. R. G. Hayes.

New Miracle Tone Emerson radios, \$14.95 up at Thaxton Bros. 9-ltc.

Cuddleback-Hodges Nuptials

The second wedding within a week took place Sunday morning about 9:15 o'clock when Miss Bessie Cuddleback and Mr. Henry Hodges were married at the home of E. G. Gregory Jr., the pastor of the local Baptist church.

The bride was attended by her sister, Mrs. C. H. Berry, while the groom was attended by his brother, George Hodges.

Others attending the ceremony were Mrs. W. H. Draper, Ruby Owen, Ward Bogy, Mrs. Doris Hodges and Mrs. E. G. Gregory Jr.

Immediately following the ceremony the couple visited the bride's relatives in Chattanooga, Oklahoma.

They will make their home at Thrift where the groom is employed by the Tucker Oil company.

Best prices on heaters at Thaxton Bros. 9-ltc.

Mr. and Mrs. D. G. Winkles entertained their son, Milton and his bride, the former Miss Marcel Foster of Burkburnett, together with several of their friends at their home one evening last week.

CLARA NEWS

By MRS. F. T. GROZIER

Mr. Paul Matthews and Mr. Walter Koch spent Saturday in Wichita Falls.

Mr. Matthews entertained the faculty Monday night, Oct. 11, in his superintendent's home, the faculty put aside their dignity and enjoyed the party.

Mr. and Mrs. Ralph Davis had as their guest Monday night, Mr.

Sherwin Williams paint at Thaxton Bros. 8-ltc.

Fairview continued their winning ways last Friday night at Fairview by swamping Oklaunion 23 to 4 in a basketball game. The Fairview girls came through in a big way and won two out of three games in volleyball from the girls from Oklahoma.

The two young children of Mr. and Mrs. R. S. Welch have been on the sick list this past week, but both are able to be back in school now.

JUNIOR U. CLUB BUFFET SUPPER

Miss Ethyl Virginia Allen was hostess of the Junior university study club members Monday night. Seated at quartet tables, the members enjoyed a social hour after which the meeting was called to order. The president welcomed a new member to the club, Mrs. Ace Auld.

During the business session plans were made and committees appointed for the next meeting which will be a Halloween party.

Covers were laid for the following members, Misses Stephany Corley, Gladys Wesbrook, Alice Wesbrook, Mesdames Harold Van Loh, Carl Morrison, Walter Morris, Carlos Baker, Victor Spearman, John Foster, Truman Galand, Dale Cropper and Morris Strong.

Stringtown Methodist Missionary Society Met

Mrs. Jack Jones entertained members of the Stringtown Missionary Society in her home at 1015 Austin Street in Wichita Falls, Thursday afternoon, Oct. 7. The president, Mrs. Morris, opened the meeting by calling attention to the week of prayer. The program to be observed will be held throughout November and through all the world.

"What a Friend We Have in Jesus," was sung, followed by a prayer led by Mrs. Bunstine, who also gave the devotional. The roll call was answered with a verse of scripture. As each person turned their plate, they passed dimes totaling \$150 for the year. The money covered the pledges for the year.

CASHION NOTES

By MRS. C. F. JOHNSON

The Executive Board of the Cushion Parent Teacher Association met at the Cashion School Monday afternoon. Final plans to attend the County Council at Iowa Park were made, and several members signified that they would attend.

The organization again decided to sponsor the Rhythm Band under the direction of Mrs. Vann, and more instruments are to be purchased.

Plans were discussed for the annual Halloween Carnival.

After the announcement of the next regular meeting to be next Tuesday night, Oct. 19, which will be the State birthday anniversary, the meeting adjourned.

Mr. and Mrs. J. C. Clingman and son, Billy Joe, of Wichita Falls spent the week-end visiting in the home of Mr. and Mrs. E. M. Moody.

Mr. and Mrs. C. A. Reed, Mr. and Mrs. C. L. Hunn and Mrs. J. W. Bailey attended the singing convention at Rabbit Creek Sunday.

The W. M. U. of the Cashion church met at the church Monday afternoon for a Royal Service program.

Miss Ruby Fuqua was a dinner guest of Mrs. C. R. Clements last Sunday.

Mr. and Mrs. J. D. Cooper have gone to Portales, New Mexico, to visit relatives.

The Senior Class of the Sunday school with their teacher, Mrs. C. R. Clements, enjoyed a weiner roast at teh Burkburnett water Station last Wednesday night.

Miss Ruby Fuqua was a dinner guest of Mrs. C. R. Clements last Sunday.

Mr. and Mrs. J. D. Cooper have gone to Portales, New Mexico, to visit relatives.

The following officers were elected: Mrs. T. Luke Warren, director; Mrs. Carl Hunn, associate director; Mrs. Glenna Gill, secretary. Sponsors are Mr. D. S. Smith for the Adult Union; Miss Ruby Fuqua, the senior department; Mrs. B. M. Jarvis, intermediate department, and Mrs. V. C. Skipwith the junior department. Much interest was shown and plans are for a very active union.

Hardin Club Will Hold Halloween Party October 27

The regular meeting of the Office Supplies at The Star.

Hardin home demonstration club

October 27, will be combined with the annual Halloween party of the organization at the home of Mrs. Robert Dunn located on the Wichita-Burkburnett road. Plans for the meeting were made at the session of the club Wednesday afternoon at the home of Mrs. E. A. Birkman. Every member is to wear a costume, and Mesdames M. R. Hewell, Robert Dunn, and J. J. Blackstone were appointed to plan and direct the entertainment for the party.

The meeting will start half an hour early at 1:30 p. m. At the meeting last Wednesday Mrs. Fred Brookman, president, directed the business session. Members answered the roll call by naming the goals which they had accomplished during the year.

In the program plans for achievement during the year.

In the program plans for achievement day were made and the purpose of achievement day were discussed. It was revealed during the discussion that the club has accomplished all goals recommended by the County Home demonstration department.

Refreshments were served to Mesdames J. J. Blackstone, Bill Stapp, Fred Brookman, D. A. Wesbrooks, J. C. Muller, Robert Dunn, Misses Clara and Millie Keising and the hostess, Mrs. E. A. Birkman.

Mr. and Mrs. L. H. Mitchell, their former superintendent of Howe, Texas, who is now Superintendent of the Reynolds Presbyterian Home, located at Vickery, Texas.

BETHANIA HOSPITAL

MODERN, WELL-DIRECTED INSTITUTION

modern well-staffed institution of Bethania Falls and the entire hospital is justly proud. It is located at 1600 Eleventh Street, Phone 4111.

The Bethania Hospital is a modern hospital with a feeling of security and safety; it is a hospital where the patient is in a hospital.

The Bethania Hospital is a modern hospital with a feeling of security and safety; it is a hospital where the patient is in a hospital.

The Bethania Hospital is a modern hospital with a feeling of security and safety; it is a hospital where the patient is in a hospital.

WICHITA MOTOR SUPPLY CO.

WHOLESALE AUTO EQUIPMENT & SUPPLIES

modern well stocked Wichita Falls at 1101... they are jobbers of motor equipment, rings, etc., and serve mechanics and nationally known.

Mechanics and auto service men have found that they can always find standard products here and a wholesale service that saves them time and money and they can depend on the Wichita Motor Supply Company to have "What They Want" and that this wholesale concern is the only one that will keep "Good Quality at Reasonable Prices."

We are pleased to compliment the Wichita Motor Supply Company and to give them commendable mention.

BRADFORD SUPPLY COMPANY

DEPENDABLE OIL FIELD SUPPLIES

No institution in the community has met with greater favor with the public than the Bradford Supply Company. By reason of the fact that the management has had a wide experience in every feature of the business and because of their comprehensive knowledge of every branch of the trade this establishment has continued to witness the increase in the number of their patrons. Their oil field supplies and products will be found in demand by all who insist on the best.

We deem it most fitting that we give them commendable mention in this business review and predict that in the future their business will continue to prosper and expand in territory.

GRANDE STUDIO

one of the foremost artists in this section of Wichita Falls. Located in Wichita Falls, 8th Street. Here you will find a prompt service in modern photography.

The Grande Studio has won the commendation and dependence of all branches of the community. We urge our readers to inspect the beautiful display for which we are noted.

For the time to get your portrait, Holiday work and find the operator, Mr. Grande, a real expert in knowledge and expression to best particular individual.

GRANDE STUDIO

production of children's portraits. The Grande Studio has won the commendation and dependence of all branches of the community. We urge our readers to inspect the beautiful display for which we are noted.

Fritz Motor Co.

well known and reliable service for the Buick, Cadillac and La... and now have a complete assortment of dependable used cars... In preparation for any building or repair work you will find them efficient and courteous and always ready to give any advice or information for their patrons' benefit.

They are here to serve our people and Mr. Arkus and assistants are latter day business men who have the interests of Wichita County and surrounding territory at heart, and are ready and willing at all times to lend their capable interest and advice to all propositions which promotes public improvement or contributes to civic pride.

R. F. FINANCE CORPORATION

IT PAYS TO FINANCE YOUR CAR THE R.F. WAY

This modern and popular automobile finance concern is located in Wichita Falls at 718 Lamar Avenue where they are daily demonstrating to their many thousands of satisfied customers that "It costs no more to do business with home folks."

The R.F. Finance Corporation was effected some 15 years ago in response to the demand for a sound and aggressive automobile finance service particularly equipped for handling dealers' paper arising from the sale of both new and used automobiles, as well as the advancing of money on a direct loan basis to worthy car owners. Its management is composed of prominent and conservative men who have successfully guided its direction to the enviable standard of one of the best known and strongest automobile finance and loan companies in Texas.

Because of its low rates, square dealing and sound conservative management it enjoys the fullest confidence of the public at large and its influence on the industrial and home life of the community has been marked indeed. Many who could never have raised sufficient cash to buy a new car are now enjoying the benefits of an automobile and paying in small monthly payments through the aid of this concern.

The R.F. Finance Company extends a friendly loan service wherein one may refinance his car, reduce and extend his payments or secure additional money for personal needs at new low rates.

Stop in and get acquainted with the R.F. Finance folks in their new air conditioned quarters located adjacent to the Hamilton building at 718 Lamar Avenue in Wichita Falls where each day dozens of new customers are learning that "It pays to Finance your car the R.F. Way."

Minneapolis Moline Power Imp. Co

This place is always a favorite farmers center, located in Wichita Falls at 512 Ohio St. and features a complete line of the dependable Minneapolis Moline Farm Machinery. It is operated under the well-known direction of Mr. Haley, and Mr. Williams.

The Minneapolis Moline Power Implement Company has a large and varied stock composed of tractors, farm implements, and supplies, and are the output of the world's foremost manufacturer in this line. As soon as an implement is perfected and put on the market, it will be exhibited in the warehouse of this efficient dealer.

This establishment, through its years of commercial service to the farmer, has gained the reputation of being one of the most logical places to purchase supplies and modern machinery used on the farm of today.

The Minneapolis Moline Power Implement Company is a great convenience to the farmers of this and the surrounding counties.

Past policies are all embodied in the following slogan: "Reasonable Prices, Prompt Service and Good Quality."

Their service in farm machinery parts and repairs always pleases, and has gained for them many friends and patrons.

ANTI-PAIN PILLS BEYOND QUESTION RELIEVE - BUT DON'T CAUSE INDIGESTION

I HAVE PAINS IN MY MUSCLES AND PAINS IN MY HEAD INSTEAD OF GOING SHOPPING - I SHOULD BE IN BED.

I USED TO SUFFER THE SAME WAY UNTIL I FOUND QUICK RELIEF IN AN ANTI-PAIN PILL.

DR. MILES' ANTI-PAIN PILLS

Did you ever take a medicine to stop headache and have the headache stop and a stomach ache start?

We'll wager you didn't take an Anti-Pain Pill. Anti-Pain Pills do not upset the stomach. They take effect quickly too—and they taste like wintergreen wafers.

You can't do good work—you can't have a good time when you are suffering from Neuralgia, Headache, Muscular or Periodic pains.

Why don't you try the Anti-Pain Pill way to relief? We believe you will be delighted with the results. Thousands of others are.

It will not cost much. Anti-Pain Pills sell for one cent each (less in Economy Package) and one pill usually relieves.

Get Anti-Pain Pills at your Drug Store. Regular pkg. 25 for 25c. Economy pkg. 125 for \$1.00.

LIFE OF A TROUPER

PHIL BAKER here shows what a comedian-accordionist goes through to win the epaulets of the "Great American Troupers" by which he is known in his Sunday evening radio series over the WABC-Columbia Network. At the top he is shown in vaudeville days, next (2) as a musical comedy headliner, and (3) as an ace radio performer, able to bask in the California sun with no fatiguing over-night jumps.

THE STAR SNAPSHOTS

LAZILY LOUNGING

Frances Farmer is showing some of us how to relax during a day off.

HOT DOG IN NATURAL CASING IS KING OF AMERICAN FOODS: Over 1,500,000,000 are consumed yearly.

Tastiness because they're delicious and tasty. The real reason for the deliciousness and tastiness is revealed as due to the natural casing which permits the tang of hickory smoke to permeate the sausage stuffing.

IN HIS PRIME—Polar bears at the London Zoo welcome return of wintery days.

SLATED BEST-SELLER: "Assignment in Utopia," an autobiography by Eugene Lyons, described as the most intimate and most devastating picture of life under the Soviets yet published.

Dog as foster mother—Collie dog is foster mother at the Bristol Zoo to the 11 weeks old tiger-cub recently deserted by its mother.

Fair bathers tell about unfair taxes—Bathing beauties at Miami Beach, Florida dramatize the growing gasoline tax burden on motorists. Fifteen years ago, in 1923, the average U. S. Motorist paid \$5 annually in gasoline taxes. Now he pays more than \$30—and there are twice as many automobile owners. The gasoline tax bill of the motorists of this country will be almost \$1,000,000,000 this year.

Giant Bible—Imitation Bible measuring 25 feet long and 10 feet high with a thickness approximately 4 feet was placed outside a college in London, as a greeting to its students who began a 10 months training course.

How motorist's tax dollar is spent—Roy F. Britton, of the National Highway Users' Conference, at inter-state conference on automotive taxation held in N. Y. C., points out to Baird H. Markham, Director of the American Petroleum Industries Committee, that one out of every \$6 paid by the nation's motorists to the States last year was diverted to non-highway purposes. Only 40c of the tax dollar last year was spent in actual work on State highways.

Busman's Holiday—Ernie Johnstone, a bus driver, spends his spare time making model buses. Out of odds and ends including old tins, saucers, pan lids, scrap wood and junk he makes model buses and motor coaches. His latest has 98 cc. motor cycle engine and is licensed and insured.

Division Association Plans Huge Reunion Nov. 5-6-7 In Tulsa, Okla.

General Charles H. Martin, Now Governor of Oregon Former Dir. Commander, To Be Chief Guest

The 90th Division Association will be reorganized as a unit of the national army in 1917. The 90th Division Association was organized in Berncastle, Germany, in 1919. This is the 19th reunion of the Association. It is the 20th anniversary of the creation of the 90th Division. The Division was first composed of enlisted men from Oklahoma and Texas. A great number of these men were transferred out of the 90th during the fall of 1917. They were replaced by men from Camp Dodge in Iowa. These men were from Iowa, Minnesota, Indiana, and Illinois, and other states of the Middle-West. There were a total of over 50,000 men during the World War who in some capacity served with the 90th Division. It is estimated that over 25,000 of these men are still living. Over 7,000 of them are living in Oklahoma and over 10,000 are living in Texas. The remainder of them are scattered over various states of the United States and different foreign countries.

booths will be in the lobby of the Mayo Hotel.

so expected to be special guests.

All individual company organizations are expected to arrange for a breakfast for their own groups at 8:30 Saturday morning, November 6th. A special automobile trip for visiting ladies has been arranged by the Chamber of Commerce of the City of Tulsa. A football game will be played between the University of Tulsa and Drake University of Des Moines, Iowa, Saturday afternoon, November 6, at 2:30 which will be known as the 90th Division Memorial game. Colonel Ernest O. Thompson of Austin, Texas, will deliver a memorial address at the beginning of this game. Governor Martin of Oregon and Governor Marland of Oklahoma will both be present and will be introduced. The annual banquet will be held in the Crystal Ballroom of the Mayo Hotel beginning at 6:30 p. m. Saturday evening, on November 6. 800 places have been arranged for this banquet. The annual business meeting of the Association will be held at the close of the banquet. The address of welcome will be given by Mayor T. A. Penney of the city of Tulsa. Judge Frank P. Culver, Jr., of Fort Worth, Texas, will respond to the address of welcome. Reverend Father P. N. McDermott of Atlantic, Iowa, Division Chaplain, will deliver the invocation. Governor Charles H. Martin will deliver the principal address. He will be introduced by Governor E. W. Marland of Oklahoma.

This year's reunion is expected to bring the largest attendance the association has ever had. For the first time both men and their wives are to attend. Major-General Charles H. Martin, now Governor of the State of Oregon, who commanded the 90th Division in Germany, will be the guest of honor. This will be the first time in many years that Major-General Martin has attended the reunion. He is expected to bring with him all of his former staff officers who are now living.

A very interesting program has been arranged for the reunion. The annual Military Ball will be held at the Mayo Hotel in Tulsa, Friday evening, November 5th, from 8:30 p. m. until 1:00 a. m. Governor Martin and his former staff will attend this dance. All former 90th Division men and their wives are invited. Governor E. W. Marland and his wife are also

Martin will deliver the principal address. He will be introduced by Governor E. W. Marland of Oklahoma.

Senator William G. Stigler, of Oklahoma, has been appointed chairman of the Resolutions committee. Captain Beauford H. Jester of Corsicana, Texas, has been appointed chairman of the Nominating Committee. Judge Frank P. Douglas of Oklahoma City has been appointed chairman of a committee on location of the Division City of the year 1938.

The memorial service will be held in the Boston Avenue Methodist Church on Sunday, November 7th, at 11:00. The Reverend Doctor Forney Hutchinson will deliver the memorial sermon at this service.

CLARA GREYHOUNDS

Georgie Mae Lamb Editor-in-Chief
LaVerne Mitchell Associate Editor
Frances Ramming Society Editor
Charles James Boys Sports Editor
Mary Lois Ferguson Girls Sports Editor

Junior News

After five weeks of school, the juniors woke up, and decided that their previous knowledge is coming back to them. They are talking among themselves about the oncoming ball games. Most of the members are either playing basketball or volleyball. They are getting ready to smash Harrold. The class has a meeting coming up for Monday and we are patiently waiting for the efforts. The juniors are in and about always willing. Their news is about on the bum.

The junior girls and boys have a hundred percent going out in basketball and volleyball. The juniors are going to take in the game Friday night, October 8th, at Harrold. We are also happy the juniors have a lot of new boys for the ball team and they can really put the ball through the hoop, which we hope they do at Harrold. We hope to win as this will be our first game of the season.

The Clara basketball team is still going strong with the boys from the junior class still leading. We are all in good condition, but have blisters about the size of half-dollars on our feet. The Greyhounds play their first game October 8th at Harrold. Harrold has won two games this year, but the third may be their unlucky game.

Sophomore News

Stop, look, read. The first six weeks test schedule is on the board. This sure is getting the Freshmen, Junior and Seniors down, but watch the sophomores sour upward, for they expect to make the best grades in high school. The Sophomores have selected for their motto, "The best in everything." Let's live up to this and show the people what the sophomores can do, in grades as well as athletics. Come on sophomores do your stuff.

Freshman News

On the night of October 8th the Clara Greyhounds will compete with Harrold in a volleyball game and basketball game. In this outstanding occasion the Freshmen will be represented 100 percent. A glorious victory is anticipated. However, if Clara loses these games it surely will not fail to give full credit to Harrold and try hard to win the next time.

The Freshmen class is measuring the Clara school grounds and school building. After all the dimensions have been recorded the class will make a complete drawing to scale. This work is under the direction of Mr. Matthews.

Basketball News

All the squad ventured to Harrold October 8th. In spite of the fact that the score read, Harrold 24, Clara 23, the boys played a good game. Each member showed a fighting spirit, never giving up till the last whistle blew. At the end of the game the score was tied at 23 all. During the extra time period Harrold made a free pitch.

Those seeing service were: Harry Martin, Norman Jackson, Kenneth Ferguson, Lloyd Morris, Charles James, Grover Miley, and Coy Miller.

Let's all forget the game with Harrold, and look forward to the game with Valley View on October 15. We are all hoping the boys will win this game and get started on the path to victory.

Volleyball News

When it rains it pours. Both rain and defeat for the Clara Greyhounds. We're not making any excuses, for the Harrold Hornets played a grand game, and the Greyhounds didn't do bad, considering it was the first game of the season. Although the greyhound led the chase for the first period of the game, the hornets gained fast and reached the finish 15 to 11 for the first game. The two teams stayed

even for the second until the Hornets buzzed ahead to finish the game 15 to 9.

This game dampened both the spirits and suits, but the sun will soon dry the suits and the light of victory will make short work of low spirits. The excitement of the game with Valley View on October 15 has already put them back to work with renewed energy and they are eagerly awaiting their chance to be able to tell a different story and to restore their lost foothold on the way to the championship of the Red River Valley League.

Senior News

The seniors have already begun moaning and groaning. And what about? Because this week they have their first six weeks test. Especially everyone is wanting to pass that bookkeeping. If you happen to see a Senior with his hands folded in front of him, you will know that he is praying that he pass his exams. All are saying what the Seniors in the past can do we can also do.

Home Economics News

Look out, everybody, for the Home Economics girls. In case they hit or pinch you because they are so full of pep, after the ripping and roaring picnic they had last night, Oct. 7. Although it took Miss Curtis to get each car and member of the picnic down through those rough and sandy roads, we reached the picnic grounds and got off to a big start. The picnic got off by everyone joining in and playing a game. This was followed by roasting weiners and toasting marshmallows over a roaring fire. After everyone had eaten their share a few more drowsy rides were taken on the trolley. This ended the picnic. But the ones who were energetic returned home and studied lessons for the next day. The ones who were not so energetic went to bed for a good night's sleep.

5th and 6th Grade News
We have received some new library books in our room. One of them is "The Cat That Went To Heaven." We have almost finished it and we think it is a good book.

George Hicks moved to California last week. We hated to lose him.

Our room sponsors are planning for us to make some money at the next P. T. A. meeting. We plan to sell ice cream.

We are glad that everyone in our room who has been ill is well again and back in school.

3rd and 4th Grade News
Gene Heustes attend the Clara Harrold ball game at Harrold last Friday night.

Our room is planning for two programs. We are to have part in the assembly program Friday. We are also going to be in the P. T. A. program October 18.

Seventh Grade News
The seventh grade is missing some of the members of the class because of absence. Billie Starnes is ill; Rober and Norman Beaver are working as are Earl Melto. We truly hope they will be back to school soon.

The seventh grade examinations will begin Wednesday.

Most of the girls in the seventh grade are practicing for the junior Volley ball team.

Card of Thanks

We wish to express our appreciation for the thoughtfulness of our many friends and neighbors during the illness and death of our loved one. Your expressions of sympathy have been of abiding comfort to us.
—Jim Griffin, John Griffin, Charlie Griffin, Mrs. Johnnie Patterson, Mrs. Anne Peterson, Mrs. Birdie McKinney, Mrs. Artie Whiteside. 10-1tp

10-B Elevens Watch Burk

Crowell, Iowa Park Take Challenging Position

As six of the seven teams indulged in conference games last week, the 10-B picture stood out a little more clearly. In the top of the heap stands Burk Burnett, Crowell, and Iowa Park, each with a winning percentage. A little below are Seymour and Throckmorton with only a tie game to mar their records. At the bottom are Chillicothe and Archer City.

Burkburnett didn't get to run up another 81-7 score as the helpless Archer City Wildcats, beset by serious injuries, handed the Bulldogs a 1-0 forfeit. Playing Throckmorton next week, the Burk boys may resume their habit of steam-rolling the opposition. And they may do nothing of the kind. The Greyhounds had been going great guns until they played their scoreless tie with Iowa Park last week.

Hawks Improved

The Hawks, strongest in several years, will play host to Charlie Lindsey's Wichita Falls Rowdies over the week-end. They will find the Wichita second team about on a par with their conference opposition.

Crowell has the longest string of victories in the circuit, five, topped by the 14-2 decision over Haskell Friday. The Wildcats take on Chillicothe at Chillicothe this week, after which breather they will rest a week and take on all their remaining conference foes in order, climaxing the season with a tilt with Burkburnett that will likely enough be for the conference championship.

Seymour Ties Chillicothe
Seymour finds itself bracketed with Chillicothe the team so ignominiously defeated by Burkburnett, after a 6-6 tie Friday. Seymour's Panther's will attempt to skin the Archer City Wildcats in this week's conference game.

Results, schedules and standings follow:

**District 10-B
Last Week's Results**
Burkburnett 1, Archer City 0.
Throckmorton 0, Iowa Park 0.
Seymour 6, Chillicothe 6.
Crowell 14, Haskell 2.

QUAKER OATS

the "BIG TEN" Commissioner of Athletics,

JOHN L. GRIFFITH, great American athletic authority, President of the National Collegiate Athletic Association

Alert mothers everywhere give children this warm, tasty breakfast because it has the extra value of Nature's Vitamin B. Doctor's say you and the youngsters should have this precious vitamin every day to combat nervousness, constipation and poor digestion. Yet this wonderfully wholesome breakfast costs only 1/2 cent per serving. There's no other oatmeal like it! Today many grocers offer Quaker Oats at a special price for 2 packages.

HE'S GOT "Gillywibbers"

An attack of Gillywibbers is announced by an electric chill racing up the spine, frequently attended by a mild rash of folliculitis (Goose flesh, described in a coming announcement). The attack is always temporary and ends when the patient laughs at his own physical reaction to the stimuli which induces Gillywibbers. We can promise a husky attack of Gillywibbers when you see the latest M-G-M surprise film "Tepper."
