Jim Jones Ousted As Co. Auditor

Joe Goudy Appointed For 2 Year Term

WAS ASSISTANT

County Auditor J. R. Jones was defeated for reappointment by a two to one vote of the district judges at a meeting last Friday afternoon, it was revealed Monday noon.

Although no official order has been drawn, the three district judges agreed to appoint Joe Goudy, an assistant in the auditor's office since April 23, 1927. Goudy was called before the judges for a conference Friday.

No Formal Vote

Judge Allan D. Montgomery was the district judge who favored retaining Jones. No formal vote was taken but both Judges Irvin J. Vogel and Ernest M. Robertson informed Montgomery at the meeting they would not vote for Jones.

Jones joined the auditor's office as an assistant January 1, 1923. He succeeded Paul Barnett as auditor March 4, 1933, following the latter's death, and will step out of office July 1, 1939, following 16 1-2 years of service.

Members of the commissioners court Monday morning, thinking the appointment as usual would be made some time in April, signed a resolution which was presented each of the district

Local Man Will Have Agency For Sound Projectors

The first new model of sound projectors for schools and homes shown in this state will be on display at Cannon's Drug store on Monday, April 3.

The demonstration will be in charge of David F. Parker, representative of the Victor Animatograph corporation of Davenport, Iowa, manufacturers of cameras and projectors.

George Counter Jr., will have projectors of this type for sale and has invited all superintendents of schools in this area, and everyone else interested, to be present for the demonstration.

Visual instruction is fast becoming the order of the day and it will not be many years before all schools, and many homes are equipped with these machines, which make instruction easier and more effective.

The projector which Mr. Counter will demonstrate for the public Monday is suited to all home and school needs and is guaranteed to stimulate the interest of all who see it. Educational films are assorted in a rental library, to the upkeep of which every school in the state already contributes. With one of these projectors in the school, or the home, it will be possible to subscribe to the undoubted benefits of the library.

Bids Open On Star Route To Wichita

Bids on a Star Route leaving Burk Burnett every evening at 9:05 and arriving in Wichita Falls at 9:30—one way service only—may be submitted to the local Postoffice from this date until April 25th.

Bids will be accepted from individuals or from transportation companies. For further information, inquire at the Postoffice.

Stamps Quartet To Give Concert

The Stamps Quartet will give a concert at the Devol High school auditorium next Friday night, March 31. Come to see them and spend a very enjoyable evening. Mr. V. O. Stamps will be here in person. The admission will be 15c for High school students and 25c for adults.

Evangelist Spoke To Rotary Club

Members of the Rotary Club heard Rev. T. H. Osborne, who is holding a revival at the First Methodist church, at their regular luncheon meeting Tuesday. Rev. Osborne was introduced by Rev. C. W. Thomas, pastor of the church.

Miss Lela Mae Pinkston, who won first place in the recent county meet as a declaimer in the senior division, gave the declamation which she gave at that time. It was "Bargains in Sweat." Little Dorothy Ann Preston also read for the Rotarians. Her selection was "Little Boys' Snakes."

Henry Hall had charge of the program.

Visitors were: Luther Robertson, J. K. Estes, Dick Lindsey, Edd Bebb, Luther Hoffman, Scotty Scott and Mr. Scott's guest, Wilson Abbott, all of Wichita Falls.

New Lady Worker Named For FSA In Northwest Texas

Appointment of Mrs. Aubrey W. Russell, Burleson, as district home management supervisor for the Farm Security Administration over Wichita and 23 other Northwest Texas counties was announced today by Regional Director C. M. Evans.

Mrs. Russell was formerly FSA home management supervisor in Fannin County. Holder of a degree in vocational home economics from Texas State College for Women, she taught this subject for six years in rural schools of the state.

She has direction of the county home supervisors of the 24 counties, who seek to rehabilitate low-income farm families by educating and guiding the woman. Mrs. Russell's position is a new one, created by increasing demands for FSA assistance. Her headquarters are at Wichita Falls.

Oklahoma Bridge Closed to Traffic

Temporary passage over Red river north of Oklahoma where construction of a new free concrete bridge is under way still is closed by virtue of high water in the river, highway officials here said Wednesday.

The wooden "causeway" cabled in position beside the new span across the Red river at that point for dry-weather crossings is now distinctly pontoon, highway officials said. The route has been closed since last Saturday morning.

FORMER BUS MAN IS SUPT. BUS TERMINAL AT PORT ARTHUR, TEXAS

Friends of Harrell Haynie, formerly of Burk Burnett, were delighted to hear of a recent promotion which has placed him as superintendent of the Greyhound bus terminal in Port Arthur.

Mr. and Mrs. Haynie have been living in Mineral Wells for several years and will move to Port Arthur on the first of April.

The first oil refinery in Texas was built at Corsicana in 1897.

Garland & Goble Buy Kiseling's

Truman Garland and Harrison Goble were the high bidders for the furniture, hardware, fixtures and accounts of the Kiseling Bros. Hardware & Furniture Co. last Monday when the company's assets sold for \$1650.00.

Mr. Garland has been a resident of Burk Burnett for the past 13 years and was formerly owner of the Gulf Service Station here. Mr. Goble has resided in Burk Burnett for the past 20 years and was formerly connected with the Owens & Brumley Furniture Co. and the Boyd Bros. Cash Exchange.

Burk Boy Reports For Baseball At Baylor University

J. W. Kent of Burk Burnett was one of the 23 players who reported to Coach Floyd Crow this week as the freshman baseball practice got under way at Baylor.

Kent has shown lots of ability in hitting and fielding during the past week and is considered as one of the best prospects for the freshman nine this year.

The Baylor freshmen went through an undefeated season last year and Coach Crow is looking forward to another successful year with the Bruin first year men.

Man Who Died At Electra Buried Here

Funeral services were held at his home near Electra at 1 o'clock Tuesday afternoon for W. L. Lake, 77, who died of a sudden heart attack Saturday morning.

A native of West Virginia, Lake came to Wichita county 18 years ago and had lived in and around Electra. He was employed by the Darby Lynd Oil company.

Interment was in the Burk Burnett cemetery Tuesday afternoon under the direction of Owens & Brumley Funeral home.

L. BAUMHARDT LOST COW DURING STORM

L. Baumhardt, who lives south of town, lost a valuable milk cow Friday night during a brief rain storm. The cow was killed by a bolt of lightning.

"Granny" Broach Honored On 83rd Birthday

Mrs. M. E. Broach, better known to every one in Burk Burnett as "Granny" Broach, was honored Monday, March 27, with a lovely surprise birthday party at her home.

She received many lovely gifts from her many friends who have known her for the long time she has lived in Burk Burnett.

Those present were: Mesdames W. A. Lawson, Dink Lawson, L. L. Barker, S. E. Eidson, J. E. Cody, Ethel Rodgers, Teel, Minnie Poe, Ramsey, Lollie Providence, Janie Bartley, "Granny" Morris, Fred Morris, Carl Moore, and Misses Lorene Nason and W. Faye Freeman.

Those sending gifts were: Mr. and Mrs. W. T. Holman, Mr. and Mrs. R. P. Thaxton, Tom Boyd, Mr. and Mrs. Charley Burleson, Mr. and Mrs. F. H. Hood, Mr. and Mrs. Morris Bookbinder.

Hardin School Won All Round Championship For Ward Schools In Meet

Burk High Has Few Firsts In Recent Co. Meet

Burkburnett High school will have contestants in five events entered in the district meet, which will be held in Wichita Falls April 7 and 8.

In literary events Lela Mae Pinkston won senior girls declamation. Miss Pinkston was competing for the first time in senior declamation, but has been a consistent winner in Ward school and junior divisions. She was winner of the district last year in junior declamation.

Stanford McPherson and Volus Bowman won boys debate, and the one-act play, "Pink and Patches," directed by Miss Margaret Tanner, will go to the district.

Members of the cast are: Mary Margaret Browning, R. H. Henry Jr., Myrta Mae White and Mary Louise Cagle.

Frank Clynch, winner of the mile, and Boyd Anderson, winner of pole vault, gave Burk Burnett High her only first places in the track and field meet.

Lineup for Burkettes Has Been Announced

The Burkettes are showing definite signs of becoming one of the best girl softball aggregations ever to emerge from North Texas. Right now, according to their coach, Riley Patterson, the lineup will probably read:

Avis Todd	Catcher
Pauline Stubblefield	Pitcher
Juanita Morris	Pitcher
Lorene Womack	First Base
Lora McCromack	Second Base
Mattie Hanvey	Shortstop
Doris Potts	Third Base
Mary Alice Mills	Short Field
Edith Miller	Left Field
Louise McKown	Center Field
Jo Ella Brownlee	Right Field

The girls are still practicing regularly and are still asking for a game. Besides the regular team there are several substitutes who are showing up very well, too.

WPA WORKERS ORGANIZE FORUM AT MEETING

WPA workers of Wichita Falls and Burk Burnett areas organized a WPA Forum Wednesday morning in a meeting in the county courthouse, and elected George A. Mawman as president; J. W. Humphries, vice president, and O. P. Nolan of Burk Burnett, secretary.

Resolutions to be sent to WPA national headquarters and to the Texas governor's office were adopted. The group charges that discrimination is being shown in assignment to WPA work, Mawman said.

Dinner Party Had A 'Little Light' On the Subject

One example of the inconveniences occasioned by the destruction of power lines during the storm Monday evening was the struggle of one local hostess to provide light for an informal dinner party.

Guests of Mr. and Mrs. Bob Browning were forced to resort to the primitive method of a burning, grease soaked rag in a saucer to have light to finish their dinner. Not even candles were available.

J. N. Anthony and Mr. and Mrs. Henry Porter were the guests present at what will prove to be a memorable affair.

One Hundred and Eighty-Five Lions Here for Meet Tue.

One hundred and eighty-five Lions and their wives were present for the Inter-city meet held here at the First Methodist church on Tuesday evening. This was considered a very good attendance in light of weather conditions, which were decidedly unfavorable.

Lion Frank Crippliver of Wichita Falls, deputy district governor of the organization, introduced the principal speaker of the evening, Lion Gene Antrim, pastor of the Grace Methodist church in Wichita Falls, who spoke on the "Spirit of Lionism."

Lee Clifton, president of the local club, acted as toastmaster for the occasion and extended a hearty welcome to all visitors. Representatives from Bowie, Electra, Vernon, Wichita Falls, Iowa Park and the local club were present. The Iowa Park club attended 96 per cent strong and 71 Lions and their wives represented the Wichita Falls club.

Lion J. S. Minton of Wichita Falls led the assembly in singing "America" for the opening number of the program. The Lion

Winners of Events

The Ready Writers contest was won by June Golden of Burk Burnett. Burk Burnett Choral singers also won first place in the meet. Winners in these two events will compete in the district meet to be held in Wichita Falls on April 7.

The choral singers are: Joe Glen Gibson, Janice Caffee, Jamie Ruth Jacobs, Doris Mae Grace, Christine Suttles, Helen Parks, Alta Fae Spillers, Ruby-nelle Russell, Betty Jean Mae, Betty Riddles, Peggy Martin, Dorothy Ann Preston, Joy Rankin, Lewis Fulks, Charlie Grace, Betty Ruth Wilson, Clara Mae Parker, Alice Millikin, Josephine Uts, Jackie Henry, Mary Frances Boyd, Colleen Mattingly, and Billie Jo Stacy. Dorothy Browning acts as pupil director.

Hardin school made a clean sweep of tennis matches and won first place in spelling for the fourth and fifth grades and first place in track and field events.

Geraldine Klinkerman and Jane Poteet formed the spelling team.

E. B. Whitehead and Bud Blair of Hardin school placed first and third in the 100 yard dash. Whitehead was third in the 50 yard dash.

Junior Brock, Alton Sauls, Bud Blair, and E. B. Whitehead ran second in the 440 yard relay.

Leonard Maney was first in the high jump. E. B. Whitehead and Bud Blair placed first and third in the broad jump.

Robert Small tied for first place in chinning the bar.

Playground baseball teams, boys and girls, both won second place.

Wheat Payments To Start In April

Merchants doing business in the wheat sections of the state are expected to start late in April to feel the stimulating effects of an estimated \$3,500,000 increase in the purchasing power of approximately 50,000 Texas wheat farmers eligible to receive wheat price adjustment payments.

Instructions for making applications for the 1939 wheat "parity" payment have been sent from AAA state headquarters at College Station to 132 counties, and it is believed that nine-tenths of this state's wheat farmers will be entitled to payment for acreage reduction this year.

Jess Watson, wheat farmer and state AAA committee man representing the Wichita Falls area, explained that the wheat price adjustment payment of 11 cents a bushel is made on the average yield of the 1939 allotment, and that it supplements 1939 conservation checks on wheat expected to amount to more than \$5,000,000 to be delivered next winter and spring.

An estimated total of \$3,600,000 in 1938 conservation payments on wheat is now in the process of distribution.

While the Texas wheat acreage to be harvested this summer, largely because of the farm program, will be an estimated 390,000 acres less than last year, Watson pointed out that the reduction is more than offset by payments.

"At average prices and yields for the past ten years," he figured, "the 390,000-acre difference between 1939 and 1938 would be worth about \$3,900,000. Texas farmers will get more than twice that much in 1939 conservation and price adjustment payments."

MAN INJURED BY CAR IS REPORTED IMPROVED

The condition of Dow Fancher, 30, farmer resident on the Burk Burnett road, injured when struck by an automobile on the Burk Burnett road Wednesday morning, was slightly improved Wednesday night. Attendants at the Wichita General hospital said Fancher's condition was not considered serious.

Bill Stapp, Burk Burnett chief of police, driver of the automobile, was absolved of blame by investigating officers. Sgt. Morgan Myers, of the state highway patrol, said Fancher came from behind the trailer of a car in which he had been riding. Stapp, who was returning a prisoner to Burk Burnett from Wichita Falls, rushed the injured man to the hospital. Fancher had severe lacerations and bruises about the face and body.

DOOR TO DOOR SALES — IS IT A NUISANCE?

In last week's issue of the *Star* there appeared an article in regards to the house-to-house canvassing in Burkburnett and also the fact that the Chamber of Commerce is waging an active campaign against such practice. What about the house-to-house peddler? Are his calls a nuisance that should be curbed by city ordinances, such as some cities now enforce? Or are they indispensable contributions to household efficiency and to merchandising in general? We think they are a nuisance and should be curbed by a city ordinance and we heartily commend the Chamber of Commerce upon the stand they have taken.

An ordinance should be adopted by the city commissioners and if enough requests from citizens who are annoyed by these salesmen would be filed with the local commission they would probably pass such an ordinance.

Most of these salesmen who come to your door are schooled to high pressure tactics, disregard the amenities, and hold that "nerviness" or "boldness" pay. Through unwillingness to be rude many people are overborne by these tactics, and after the salesman has gone, they are in for it; often they have to accept something they don't want and perhaps can't afford.

We do not believe there is any need for this kind of salesmanship in Burkburnett. In the old days of bad roads and far-scattered stores it was a convenience to have a trader come to your door. But today practically every community is served by modern mercantile establishments. We feel that it is only right that the business of the community should be handled through the local institutions that make our communities possible: the people who employ local labor, pay taxes, and help maintain the schools and churches.

THE NEXT GOVERNOR

Who will be the successor to Governor W. Lee O'Daniel?

That question was asked just after the last Democratic Primary and is heard on every hand all through Texas today.

Most prominently mentioned as likely and possible candidates already are Lieutenant Governor, Coke Stevenson and Railroad Commissioner, Ernest Thompson.

Coke Stevenson is the second Texas ever to serve both as Speaker of the House of Representatives and as Lieutenant Governor to preside over the Texas Senate. The other was the honorable George C. Pendleton, who was Speaker of the 20th Legislature.

Nineteen distinguished Texans have been called to serve on the Texas Railroad Commission.—"Dream child of John H. Reagan and James Stephen Hogg." Only one of the 19, Oscar Branch Colquitt, stepped directly from the Commission to the Texas Governorship. Pat M. Neff served on the Commission after his service as Chief Executive of the State. It is generally understood that Commissioner Thompson, dynamic former Mayor of Amarillo, who made what his friends declare to have been a clean although unsuccessful gubernatorial campaign in the first democratic primary of last year, will be in the race. Whether he can make the grade two years hence, like Allred did after being defeated for Attorney General is another question.

Then, every time the subject comes up, there's another double query—to-wit—"What did Tom Hunter go to Alaska on a big game hunt for? Will his hat be in the ring again?"

Much water can pour over the dam in the next twelve months and it will be at least in the Spring of 1940 before the outcome of O'Daniel's first administration can be appraised. Will he be a two-termer?

Miss Ruth Farquhar, home demonstration agent in Wise county for the last two years and three months, will take over the same post here early in April, it was announced Tuesday by Miss Vida Moore, district agent.

Miss Farquhar will succeed Miss Leta H. Bennett, who leaves here April 1 to become home demonstration agent for McLennan county, of which Waco is county seat.

Miss Moore said it probably would be some time between April 5 and 10 before Miss Farquhar could close up affairs of her office in Wise county and come to Wichita Falls.

The new county agent is a native of Jonesboro, Texas, and a graduate of Texas State College for Women at Denton.

County's Home Demonstration
Club Women Honor Miss Bennett

Miss Leta H. Bennett, who is leaving Wichita Falls Friday to assume duties as home demonstration agent for McLennan county, was complimented with an elaborate farewell party given Monday afternoon by women of the home demonstration clubs of Wichita county.

The affair was given at the Wichita Garden Community house.

Activities of the afternoon were introduced with a song by the assembly after which Mrs. O. M. Givens, accompanied by Miss Lucile Coburn, gave a vocal solo, "The One Rose." "Deep Purple," a second vocal selection, was the offering of Miss Miriam White after which Buster Tasker entertained with an appropriate reading.

An original poem by Mrs. J. L. Elkin, "The Death of the Hired Man," was read by her son, Jimmy. A second poem of Mrs. Elkin's "Your Footsteps," which has been set to music by Mrs. Blanche Potter Kuykendall, was given as a vocal number by Mrs. F. M. Hansen. Miss Lorena Black entertained with a reading and tap dances were contributed by Miss Patsy Horn.

"The Easter Parade" and "You Must Have Been a Beautiful Baby" were vocal selections given by Miss Elaine Browning of Burkburnett. A reading by Buddy Bessent was followed with a duet, "You're the Only Star in My Blue Heaven" given by Mrs. Givens and Miss Nell Rowe. The latter also gave a solo number. Mrs. Ben G. Oneal, speaking in behalf of the Wichita County and Inter-County Federations of Women's clubs, expressed appreciation of the work done in those groups by Miss Bennett and regret at her departure from this area.

The party was concluded with the presentation of a handsome set of California pottery to Miss Bennett as a parting gift from the home demonstration club women of the county. Mrs. E. S. Easton made the presentation to the honor guest who also received personal gifts from several of the club women.

Refreshments were served to approximately 165. Mesdames A. R. Allen, M. R. Hewell, Richard Pink, F. R. Knauth, Artie Whitesides, Ray Mills, J. C. Muller, Fred Brookman, A. A. Evert, J. J. Blackstone and Misses Clara and Millie Kiesling of Burkburnett attended the party as representatives of the Hardin club.

Ruth Class
Notes

Members of the Ruth class of the First Baptist church met Sunday for their regular session. Attendance was good and all girls present joined in the lesson discussion.

Their teacher, Mrs. E. H. Carver, was quoted as saying, "It gives me joy and encouragement to meet with these young women who so eagerly and earnestly express their desire to know more about God's word and his works and who are so willing to study and bring to me and the class the inspirational talks that are being brought each Sunday.

"It is my hope and my prayer that all girls in Burkburnett who are not already affiliated with some other class will attend our meetings. We urge them to come. We feel that we can help you solve your problems."

The class was especially glad to welcome Miss Margaret Turner back to the fold. She has been out of town visiting friends and relatives for about two months. Miss Turner has been asked to bring the lesson topic for next Sunday. Her subject will be, "A New Person," show me the man who hit my

Mrs. O. L. Clark dismissed with prayer. Refreshments were served to the hostess to 10 members and the visitor.

Texas Almanac
Is Now On Sale

From "AAA" to "Zinc" the new Texas Almanac, just published by The Dallas News, covers practically every question that might be asked about the economics, politics, government or cultural progress of Texas. The new book has 512 pages, is illustrated with a number of charts and half-tone reproductions of photographs, and contains a large folded sheet showing the highways of Texas on one side and railway and county map of the state on the other side.

If you want to know the things in which Texas is first among the states, or the names and areas of the Texas state parks, or the amount of retail business done in each county and town, or the name of the Sheriff of Brown county, or the winner of the Dixie Series in 1936, or the size of Buchanan Lake, or the kind of soils found in every county, turn to the Texas Almanac.

Rare varieties of the tropical orchid are found native in one or two places in Texas. More than 30,000 deer were killed in Texas legally in 1938. There is more than \$3,350,000,000 (billions) of life insurance in force in Texas. Cost of Texas State Government increased from \$33,493,724.83 to \$157,747,877.57 in 1938. Texas paid last year \$145,551,279 in federal taxes. A Texas man, Thomas V. Munson of Denison, originated and introduced more hybrid grape varieties than any other person or agency in the United States. More than 300 new manufacturing plants were established in Texas during 1938. The University of Texas has the largest library in the South. These and other facts may be obtained from the Texas Almanac, which very appropriately bears the subtitle, "Encyclopedia of Texas."

The new edition brings up to date all of the material carried

THRIFT NEWS

By B. F. Jackson

Mrs. J. W. Zink left Monday for Nashville, Tenn., to be with her mother, who is seriously ill.

Floyd Sands, an employe of the Tucker Oil company, received a severe electrical shock last Monday night about 9 o'clock, when a flashlight in his hand came into contact with some wires of a broken light bulb at the refinery where he was working. He was knocked to the ground by the shock. At this time he is still sore from the shock. He was unable to work the next day.

Mrs. Connally, who has been seriously ill in a hospital in Wichita Falls, is reported to be not much improved at this time. She has been ill for some time.

G. T. Roberts is on the sick list this week suffering from a light attack of tonsillitis.

Mr. and Mrs. H. W. Bogy attended a beauty convention in Dallas last week-end.

The Men's brotherhood met in their regular bi-monthly meeting last Monday night. A good meeting was held with only a small number present, due to the inclement weather.

Wilma Fay Blackwell is absent from school this week because of illness.

This community was visited by one of the worst hail storms in years last Monday night about 7 o'clock. The hail accompanied by a strong wind did lots of damage to windows and roofs of houses and other buildings in this vicinity.

Boyd Brothers' store had several windows in the north end of the store to be broken by the hail, which lasted about 30 minutes.

The beauty shop of Mr. and Mrs. Wiad Bogy was also hard hit by the storm, losing several windows, as well as having the room damaged to a great extent.

Very few houses in this community escaped the storm's fury, which was a great help to the gardens and crops which survived the hail.

The local Church of Christ and the Baptist church were also damaged by the storm, having several windows knocked out and the roofs damaged.

It rained all day Tuesday which hindered repair work to the places needing it.

Mrs. Louis T. Hough will present her beginners in piano in a spring recital at the Fairview High school Friday evening, March 31, at 8 o'clock. Miss Mae Mauldin will present six of her pupils on the same program.

In the Centennial Edition of 1936 and, in addition, has a number of new features. It is the best proportioned, most varied edition to date, and it is more attractively bound and printed than ever before.

In connection with the issuance of the Texas Almanac this year, The Dallas News is offering prizes in a "Know Your Texas" contest in public schools. The contest has been prepared and is being directed by Dr. Carter Alexander, Library Professor of Teachers College, Columbia University, New York, who also offers a course each summer at the University of Texas. The contest has the approval of the State Department of Education.

The Texas Almanac sells for 50c paper bound and \$1.00 a copy cloth bound by Bill Wood, Burkburnett, or may be obtained directly from The Dallas News, Dallas, Texas, by adding 15c to the price to cover postage.

Social April 6

The T. E. L. Sunday school class of the First Baptist church will hold their regular monthly business and social meeting at the home of Mrs. M. E. Lewallen Thursday afternoon, April 6, at 2 o'clock. All members will note that the day has been changed from Wednesday to Thursday. This change is permanent.

Elderly ladies are to be honored guests Thursday. All members and associate members are urged to be present and to bring elderly ladies as your guests. A special Easter program has been arranged.

Christian Science
Services

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 2.

The Golden Text is: "Remove far from me vanity and lies: give me neither poverty nor riches; feed me with food convenient for me" (Proverbs 30:8).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And he answered, Fear not: for they that be with us are more than they that be with them. And Elisha prayed, and said, Lord, I pray thee, open his eyes, that he may see. And the Lord opened the eyes of the young man; and he saw: and, behold, the mountain was full of horses and chariots of fire round about Elisha" (II Kings 6:16, 17).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to Scriptures" by Mary Baker Eddy: "All the evidence of physical sense and all the knowledge obtained from physical sense must yield to Science, to the immortal truth of all things" (page 493).

County Fights Proposed Bill

Wichita Would Fail To Benefit From Plan

Drastic opposition to proposed state legislation changing the present plan of co-operative state-county retirement of county road bonds was voted Monday afternoon by the county commissioners court in the form of a resolution to be forwarded to representatives at Austin.

Proposed measures which would forbid new road construction out of the one-cent gasoline tax fund during the ensuing 25 years, but would provide for full retirement of all county road bonds, have been under study by the county court for several days, County Judge H. W. Fillmore said.

It was explained that should such legislation be adopted, Wichita county would continue heavy contributions for many years to the fund, but would derive aid from the fund in comparatively small amount and for only a few years. Members of the court said that counties in other parts of the state which have large bonded indebtedness would benefit in great amounts for many years while contributing less to the fund than this and other counties.

The text of the commissioners court resolution pleads for retention of the law as it is. It reads:

"Whereas, the commissioners court of Wichita county has given considerable time and study to various proposed pieces of legislation now pending both in the lower and upper house of the state legislature, and

"Whereas, said court feels that these measures would not be beneficial to each and every county in Texas in that the division of said monies derived from the one-cent gasoline tax would not be upon a uniform basis, and

"Whereas, under the present plan, by virtue of the law now in existence, each county is treated fairly in regard to its bonded indebtedness and in regard to the state's assumption of its proportionate part as now fixed by law, and

"Whereas, under the present law each county as well as the

State highway department is now permitted to expand in the way of new construction and to participate in a portion of this fund for new construction, and

"Whereas, under the measure now advocated, to-wit, the county judges' bond assumption bill, known as senate bill 104 and house bill No. 396, it is probable that the passage of same would retard new construction;

"Therefore, be it resolved by the commissioners court of Wichita county, Texas, that said commissioners court be and is hereby against the passage of any measure that will change the present law relative to handling of county's bonded indebtedness and/or any changes affecting the proportionate part of the present indebtedness of the counties now assumed by the state.

"Be it further resolved that a copy of this resolution be mailed to each of the state representatives of this district and to Senator George Moffett."

During the morning session of the court, J. H. Allison had presented the court with a request to oppose the proposed bills which were rejected by the court's resolution later in the day.

judges. The resolution reads as follows:

Text of Resolution

Whereas the term of the present county auditor of Wichita county expires on July 1, 1939, and

Whereas the district judges of Wichita county under the law are required to appoint an auditor for a period of two years beginning on such date, and

Whereas in the opinion of the county judge and commissioners court the Hon. James R. Jones, the present county auditor, has been an honest, capable and efficient officer, and

Whereas the county judge and commissioners believe that in view of their close association with Mr. Jones in the transaction of the county's business that they are better able to judge his qualifications, and

Whereas the county judge and commissioners court believe that the district judges of said county should have the benefit of their knowledge before making such appointment.

Now, therefore, it is resolved that the county judge and commissioners court of Wichita county, with solicitation or instigation on the part of the county auditor, voluntarily of their own free will and accord, believing that it is to the best interests of Wichita county and its citizens, without qualification, do hereby recommend to the district judges of Wichita county, that the Hon. James R. Jones be appointed county auditor of Wichita county for a term of two years beginning July 1, 1939.

It is ordered that a copy of this resolution be placed on the minutes of the court and a certified copy be furnished each of the district judges of Wichita county.

Done in open court this the 27th day of March, 1939—H. W. Fillmore, county judge; Lee Cooper, commissioner precinct 1; F. R. Knauth, commissioner precinct 2; M. L. Hines, commissioner precinct 3; H. H. Haynes, commissioner precinct 4.

Legislature For Vice-Pres. Garner

Senator Moffett Presents Resolution Endorsing Vice-Pres.

The Texas legislature unanimously adopted a resolution today endorsing John N. Garner for president and calling on Democrats of the nation to work for his nomination.

The concurrent resolution said the Democratic party soon would put in motion its presidential nominating machinery, and then lauded the vice president.

It said Garner, a native Texan, had served long and ably in congress, and had fully demonstrated his statesmanship and grasp of national affairs to all the country.

"The time is not far distant when the national Democratic party will put in motion the machinery for the selection of its presidential nominee in the 1940 general election," the resolution said.

"Texas was formerly an independent republic, and merged its destinies with the United States of America and is the only state in the union which has this distinction.

"Hon. John Nance Garner, a native Texan, has served long and ably in the national congress of the United States, as a member from a Texas district, and as the presiding officer of both the house and senate of said national congress, a distinction that comes to but very few men.

"His ability has been recognized in each and every one of the other 47 states of the American union, as well as in his own state; . . . Garner is hereby endorsed and put forward as a candidate for the nomination of the national Democratic party for the high office of president of the United States, which we believe he would fill with ability and distinction. . . .

"We call on fellow Democrats in all of the states to instruct their delegates to the 1940 national Democratic convention to vote for the nomination of . . . Garner as the candidate of the national Democratic party for the presidency of the United States at the 1940 general election."

The resolution was by Senator George Moffett of Chilloothe.

DICKINSON MOTORS FORMAL OPENING ON SATURDAY

New Ford Agency Invites General Public to Inspect New Fords

Open House—8 to 10

Devol News

By Lorene Mowery

The Dickinson Motors, Inc., successors to the Cooper Motor company, local Ford dealers, announce their formal opening Saturday, April 1, from 8 a. m. to 10 p. m.

The new firm is composed of O. H. Dickinson and W. E. Pippin. The gentlemen formerly resided in Chillicothe, where they operated the Chillicothe Motor company. Others from Chillicothe connected with the firm are G. O. Gatewood, parts manager and Earl McGee, service manager. Bill Walker, who was connected with the Cooper Motor company, as salesman, will remain with the new firm.

The new managers invite every person in Burkburnett and surrounding trade territory to visit their sales room and inspect the new 1939 model Fords and also visit their service department which is one of the most modern in Northwest Texas or Southern Oklahoma. They will do all kinds of automobile repairing, washing and greasing, and the work will be done by factory trained men. They also state that they will carry a complete line of Ford parts at all times and the public can rest assured that they will not have to go to Wichita Falls for parts for their Ford cars.

Big Rabbit Creek

March 26, 1939

A Mr. Postelwaite, who left last Saturday a week ago for Blackborn, Okla., to visit his 92 year old mother, has arrived home. He states that he enjoyed himself just fine visiting and being with his aged mother and other relatives. He also stated that he left his mother in the very best of health, considering her age.

Well, you know, folks, when Hawkeye predicted a big rain last week around the 20th? Well, it sure did come and, believe me, it was just what the doctor ordered. It has meant thousands of dollars to this part of Okla., likewise other parts of the country. Those who were wise, that didn't plant their corn before the big rain, will be able to plant it this week, and will get a good stand of corn up.

Some few who planted corn the ten days past will have to plant it over. Some will try to get it up by scratching it with homemade scratching devices.

All of this coming week will be conserved in planting garden, as it will be fine where you have the garden spot in planting shape.

Hawkeye had the pleasure of meeting one of his friends and neighbors, a Grady Farrington, over in Our Friendly Little City Saturday. Grady was raised in the Big Rabbit Creek community, but when a boy he went to Portland, Oregon, so Hawkeye had not seen his old friend since 1917. He certainly was glad to see his friend, Grady, who has come back to visit his mother, Mrs. Kalup Farrington.

As Big Rabbit Creek has had her rising clothes on since the big rain fell Thursday night, but is down to normal now, so all day Sunday fishermen made calls to get permission to fish on the O. H. Darter farm, but as O. H. Darter don't allow any fishing of any kind, as well as hunting, the same as W. H. Martin, Hawkeye had to say, "No, we can't allow it." All of the callers were mighty nice about it, as they came to the house to get permission and we thank them very much for their respect, as we are living under the same contract to O. H. Darter regarding to fishing and hunting that we had with W. H. Martin.

Mr. and Mrs. J. E. Wood had sickness in their family this past week, as their daughter, Miss Geneva and their baby boy, William, were bed fast all week with the "flu." At this writing, they are much better.

Mrs. Dewey Austin's mother, Mrs. Garrett, who lives over in Our Friendly Little City, spent Saturday night and part of Sunday visiting with her son-in-law and daughter.

Hawkeye and Miss Winnie June Martin called on Mr. and Mrs. Dewey Austin and their little daughter, Miss Patsy, Sunday evening.

Well, sir, you know while Hawkeye was over in Our Little City Saturday, he happened to walk into one among the most up-to-date and modern photo studios, owned and operated by Mr. and Mrs. Noble and family. This fine studio is located just a few doors north of the Corner Drug store. Say boy, those people sure know their onions when it comes to taking pictures just as natural as life. The best pictures

Local Magnolia Employees Go To Sales Meeting

A unique method of conducting the sales school was innovated by the Magnolia company when it presented Mrs. Elizabeth Hay Conner who gave some 115 dealers and commission representatives her impressions as "Mrs. Average Driver."

The dinner meeting, held in the Attic room of the Holt hotel, inaugurated Magnolia's spring advertising campaign, which will be launched nationally April 1.

Approximately 20 Northwest Texas towns were represented at the meeting which was opened by W. O. Gatton, Fort Worth division manager.

that Hawkeye ever seen. You can get three of those fine pictures of yourself or a friend for only 10c. It's just like stealing them.

You know, sometimes it's pretty hard for Hawkeye to get over to Our Friendly Little City on Saturdays, but as Our City is made up of so many good Samaritans, Hawkeye has no trouble in getting back home. The Hon. man Engelmann, manager of the Chamber of Commerce of Our Friendly Little City, motored Hawkeye home in less than 20 minutes last Saturday, which was greatly appreciated by Hawkeye, also by his better half and brother Johnny.

Hawkeye and his old friend, John Ashton, were standing on the sidewalk in front of Adams' big drug store talking about the big rain which came Thursday night. Up stepped the big Chief of Police, Will Stapp, of Our Friendly Little City. The big, good-natured law says, "Boys, all of you Oklahomans are looking so pleasant, as well as our Texans, over the big rain which came just in time, I am going to turn the Friendly Little City's keys over to all of you this afternoon to do as you please," which was appreciated by the Oklahomans, also the Texas peo-ple, so of course, Hawkeye had when he once got started to take in a city, and especially when he got in the company of Hawkeye, Hawkeye's old friend, Andy Hudson, a Texan, and a few others. It just kept Hawkeye all afternoon to keep John down as he is really a bear cat when he has fine sway of anything. After all, everything just turned out fine all afternoon amongst the 7,890 people that were in Our Friendly Little City Saturday to attend the big trades day event. There isn't a nicer set of laws in north-west Texas than Our Friendly Little City has, but on the other

hand, when they say a word, they mean just what they say and they don't mean maybe, either.

This part of Cotton County was visited Monday night with a norther, a 2 inch rain and the largest hail storm in thirty years, which lasted for 13 minutes. No hail was smaller than a bird's egg, and up to the size of a hen's egg and it covered the ground. No serious damage was done only to onion sets that were set out and wild plum and peach blossoms were beat off the trees. Big Rabbit Creek is nearly out of her banks.

Dewey Austin was transacting business Monday at the county seat, Walters, Oklahoma.

Yours truly,
"Hawkeye" Owens
