

Sam Herren Cited For 25 Years Of Service As A Weather Observer

Samuel P. Herren, of 1607 N. Avenue F, Haskell, better known to Haskellites as "Sam the Weatherman," completed 25 years as a cooperative weather observer in September and has received an emblem as a token of the high esteem with which his work is held by the United States Department of Commerce Weather Bureau Environmental Science Services Administration.

Mr. Herren received the following letter this week from David S. Hill, Substation Management section of the Regional Weather Bureau Office, Fort Worth:

"Dear Mr. Herren: In September 1966 you completed 25 years as a Cooperative Weather Observer. We join with the Secretary of the Department of Commerce, the Administrator of Environmental Science Services Administration and the Director of the Weather Bureau in congratulating you.

"This is a creditable record of public service. The results of your efforts are used every day by many organizations and individuals in governmental activities as well as in private enterprise.

"Please accept the enclosed emblem as a token of the high esteem with which your work is held. We hope that you continue to find your weather work interesting and that you add many more years to your worthwhile record of public service."

Community Service

Not only does Mr. Herren perform his services as weather observer without pay, but he has also served his community in many phases of activity. He served on the school board here for some six years and was chairman of the board when the present elementary school building was built. He is a Mason and has served as a Deacon and as an Elder in the Presbyterian Church and also taught a Sunday School class for a number of years.

Mr. Herren, a graduate of the University of California with the class of 1932, is married to the former Ernestine Cox and they have two daughters, Mrs. Gene Cross of Fort Campbell, Kentucky and Miss Louisa Herren who teaches in the Port Arthur school system.

"Sam" is not one to boast or brag but mention "grandchildren" around his presence and a smile spreads across his face, his ears perk up and a sparkle comes into his eyes for you see, Mr. and Mrs. Herren, still young at heart and age, too, are proud grandparents, as the Gene Cross' have two lovely children.

Sam loves his work as a "weatherman." He scans the skies daily with his eagle eyes and is no slouch in prophesying the weather.

Rainfall Here To Date Is Far Above Normal

September was another wet month "moisturewise" for Haskell as a total of 3.53 inches was recorded by Sam Herren, "the weatherman." Normal September rainfall is 2.94 inches.

Normal rainfall for the first nine months of the year is 18.27 inches and the total received to date stands at 26.56. These records reveal that Haskell is 8.29 inches above normal for this time of the year. The August and September combined rainfall alone totalled 13.49 inches.

Here is how the rains came during September: Sept. 3, .04; Sept. 9, 1.42; Sept. 10, .28; Sept. 15, .26; Sept. 16, 1.18; Sept. 18, .67; Sept. 20, .05; Sept. 31, .03. Total 3.93.

Lowest temperature readings for September were cool 55 degrees registered on the 20th and again on the 28th. Highest reading for the month was 92 on September 30th.

Savings Bond Sales \$30,354 During August

Mr. R. W. Herren, Chairman of the Haskell County Savings Bonds Committee, has announced that Savings Bond sales in Haskell County totalled \$30,354 during August.

Series E and H Bond sales in Texas during August totaled \$12,801,989 which is an increase of 8 per cent over the same period last year. Texas sales for the first eight months of 1966 totaled \$103,042,978 which is 70 per cent of the state's goal of \$147.5 million.

Texas Savings Bond volunteers and the Treasury Department extend their thanks to all media for their fine cooperation during the past 25 years.

Rotarians Are Challenged To Go Second Mile

Through community service we are better able to serve our community in its many charitable claims as well as projects for the betterment of our community," Dr. T. W. Williams told members of the Rotary Club at last Thursday's noon-day luncheon meeting.

Bob Greenway was in charge of the program and introduced the speaker.

"Rotary service may be stimulated through the individual or the entire club. There are many ways in which we may carry out these projects, by either joining with other clubs in the community or sharing in an individual project for our own club," Dr. Williams said. "Continuing the speaker said, 'we must look at our work much as a mosaic design of which we are a definite part.'"

Through our vocational service surely we as Rotarians are expected to go the second mile in the realm of service that we are willing to give and are able to perform," Dr. Williams pointed out.

"Through our International service we have a great responsibility in making every effort to create a better understanding between people of all lands," Dr. Williams emphasized.

The speaker gave Rotarians much food for thought and challenged them to meet many of the needs which arise.

Following Dr. Williams' talk, Rotarians sanctioned the idea to ask other clubs of the community to join with them in forming a committee which would be able to consider the needs as they arose and offer assistance when the need arises.

President R. W. Herren presided over the meeting and Ira Hester gave the invocation.

The budget for the new year was read and approved. It was announced that a student from South Africa, under the auspices of the Rotary Foundation, would speak at today's Rotary meeting.

Rotarians voted to hold the October 20th meeting on Thursday morning as a breakfast 7 o'clock, and plan for the carrying out of their project on the cemetery land.

Guests noted at last Thursday's meeting were Rotarian, Bob Simmons of Rochester, and student guests, James Wall and David Galvan.

The song service was led by H. V. Woodard with Mrs. Henry Withers at the piano.

Dr. Wm. J. Kemp Lions Speaker Tuesday Noon

The State Board of Dental Examiners is the police force for the dental profession. Dr. William J. Kemp told members of the Lions Club at the Tuesday noon-day luncheon meeting at Peiker's Restaurant dining room.

District Attorney Royce Adkins was program chairman for the day and introduced the speaker who is an active member of the club.

"Each dental applicant must appear before the Dental Board for tests and must have an average grade of 80 before he receives his license to practice," Dr. Kemp said.

Dr. Kemp, who received his appointment to the State Board just a little over a year ago, has traveled extensively over the state since that time, in carrying out his duties as a board member.

The State Board of Dental Examiners is composed of six men, who are appointed by the Governor," Dr. Kemp said. As a member of the State Board, Dr. Kemp spends a considerable amount of time in overseeing that the dental policies are enforced and giving examinations for dental licenses.

Savings Firm Seeks Branch In Haskell

Abilene Savings and Loan Assn. has applied to the State Savings and Loan Commission, James O. Gerst, requesting approval of a branch in Haskell, association president, C. E. Bentley, Jr. said.

If approved the new branch will open in January at 408 N. 1st in Haskell. Hearing on the application has been set for November 9th.

The proposed branch will be the second for the association which opened an office in Coleman last January. Bentley indicated the office in Haskell would serve Haskell, Stonewall, Knox and Three-Rivers counties.

At present there are no savings and loan associations in Haskell.

Haskell County FB Convention Slated October 17

Haskell County Farm Bureau will hold its annual County Convention meeting, Monday, October 17, at 7:30 p. m. in the Haskell Elementary School auditorium and all members and their families are invited.

At the meeting the resolutions previously discussed by the resolution committee will be voted on, and any new resolutions that are submitted for discussion and action will also be voted on. J. P. Perrin, the policy development committee chairman, advised.

Perrin said that the membership is urged to think about matters pertaining to the local area and urged any member receiving income from farming and ranching to bring their ideas to the attention of the committee or the convention floor.

T. C. Walker, local president also advised that the three high school students who attended the citizenship seminar at Waco, sponsored by Farm Bureau, would give reports on their school, which would be of interest to all.

Officers and directors for the coming year will be installed; refreshments will be served and prizes awarded, Walker said.

JUNIOR FIRE MARSHAL'S LAUNCH HOME FIRE CHECK

Each year more school children join the ranks of Junior Fire Marshals in a program of fire prevention and safety sponsored by the Hartford Insurance Group.

Haskell Elementary School is among 15,000 that participate. Here the program is coordinated through Hess Hartsfield of the Coggins-Hartsfield Agency in cooperation with local school and fire department officials.

One of the first projects for Junior Fire Marshals this year is an inspection of their homes for fire and safety hazards. With a check list in hand and under the guidance of their parents, the youngsters look for such common causes of fires and accidents as overloaded electrical cords, paints and other flammable liquids in open containers or stored too close to furnaces, loose floor boards and weak staircases.

According to Mr. Hartsfield the check list is the cover of the fall issue of the Junior Fire Marshal magazine. The magazine now reaches some four and a half million children in the U. S. Each child who turns in a completed Home Safety Report to his or her teacher, becomes a Junior Fire Marshal and receives an official badge and fireman's hat. Schools receiving a high percentage of completed reports will be awarded a Junior Fire Marshal Achievement Award Flag. Mr. Hartsfield said.

While the program's major emphasis is on fire safety, other areas of safety education are covered at different times of the year. With each chapter of the Junior Fire Marshal program, teachers receive guidance and educational materials to incorporate into classroom instruction. Now going into its 20th year, this public service of the Hartford Insurance Group has reached more than 40 million youngsters with instruction in fire prevention safety.

Now Is The Time For Farmers To Unite To Control The Boll Weevil

Here at the beginning of the 1966 cotton harvest, while the evidence is in the field, is the best time for a Rolling Plains Cotton farmer to justify his need for an area-wide effort to control the boll-weevil in 1967.

Damage to the Rolling Plains this year due to the boll weevil is estimated at 10 million dollars.

Purpose of Meeting

Representatives of District 5 composed of Haskell, Throckmorton and Stonewall counties in the Rolling Plains area met last week to obtain cooperation of gins, farmers, warehouses and compresses and oil mills in the all-out fight against the boll weevil.

The plan proposes to obtain 2c per bale from gins, 15c per bale from the farmers, one-half cent per bale from warehouses and compresses and 2c per ton from oil mills.

Research, promotion and an organized effort are vital to the future of cotton. We have the most versatile fiber in the world with a proven record for response to research and promotion. We have something to fight for if we will. We still have the opportunity to fight for it if we want to."

The 1967 Rolling Plains boll weevil fight can and should start with the 1966 harvest. Where possible, community-wide early desiccation, harvest and stalk destruction can be of tremendous benefit in reducing next year's weevil population. Addition of an insecticide to approved desiccants is also extremely beneficial. Check with your local County Agent for recommended insecticides.

With an extremely large weevil population this fall going into diapause (hibernation) we can look forward to another bad weevil year next year. A little planning and effort this fall can pay dividends next year. A little cooperation ... neighbor with neighbor ... can make almost anything work!

Our biggest problem has been the inherent pessimistic attitude of the cotton farmer. Too many of our farmers have thrown in the towel. When we speak of a boll weevil control program, most farmers immediately say with 10-cent cotton he can't afford to spend much on his crop. With a third less cotton to be ginned a lot of gins can't afford to gin cotton either. Some will close down. They don't have the price support payment. Farmers will not be selling 17c or 15c cotton this

Final Rites Are Held For Former Haskell Resident

Final rites were held Sunday at 2:30 p. m. at Victor, Texas, near DeLeon, for E. R. Clifton, former Haskell resident and groceryman here for several years.

Mr. Clifton passed away at Gravelly Friday, September 30, while enroute to Scott & White Hospital at Temple. He had been in failing health the past several months and had operated the Stovall Wells near Gravelly since his retirement.

Survivors are his wife of 23 years, Mrs. Borden W. Clifton, two sons, Borden W. of Midland, and Ernest Jr. of Abilene, six grandchildren, three great-grandchildren and one great-great-grandchild.

Funeral services will be held at 11 a. m. in the Victor cemetery.

Homecoming At Mattson Set Saturday

Consistent with tradition observed for a number of years, homecoming of the Mattson School will be held Saturday, October 8, and all former students and teachers are urged to attend.

Mattson grew out of the consolidation of several smaller rural schools, Roberts, Cottonwood, Powell, Irby, Douglas, Pleasant Valley and Vontress. All former students, teachers and patrons of these schools are also urged to attend.

George M. Beard, Winters Elementary Principal, former Mattson principal, will be the speaker Saturday. Registration will begin at 9:00 a. m. and continue through 5:00 p. m. The program will get underway in the school auditorium at 2:00 p. m.

A barbecue supper will be served at 5:00 p. m. on the school grounds. Alfons Peiser will prepare the barbecue.

Climaxing the day-long activities will be the football game at 8:00 p. m., at which time Paint Creek will play Luaders.

Billy Benton Is Found Guilty On Simple Assault

In Judge James C. Alvis' County Court in session here last Thursday, a jury composed of H. V. Woodard, E. W. Pruett, J. L. (Pete) Mullins, Mrs. Lee McClure, Mansell Robertson and E. H. Burnett, found Billy Benton, of O'Brien, guilty of simple assault.

Benton was charged with aggravated assault on his ex-wife April 9, 1966, and was fined \$25.00.

Attorney Joe Williams (court appointed) represented Benton and Bill Ratliff, prosecutor.

Haskell County Sheriff's Posse Elect Officers

Gene Hunter, owner-operator of Hunter's Men's Wear and Dry Cleaning, was re-elected president of the Haskell County Sheriff's Posse at a dinner meeting held Monday night.

Other officers and directors named to head the organization for another year are: Cecil Eager, vice president; C. O. Holt, secretary-treasurer; Otto Baumback, parade captain; A. V. Twonsend, assistant parade captain; Adell Thomas, chuck wagon chairman; Clyde Grice, Jetty Clare and Ramon Liles, directors.

Fraziers Attend NATL. CONVENTION

Mr. and Mrs. Byron Frazier, of Frazier's Appliances, were in Houston Thursday and Friday of last week attending the National Whirlpool Convention which was held at the Sheraton-Hilton Hotel. The 1967 line of merchandise was presented to dealers and distributors from all over the nation.

While in Houston they were given a guided tour of the Astro-dome.

Haskell-Seymour Battle To 7-7 Tie; Tackle Olney Next

The fighting Haskell Indians reached the "promised" land in the opening minutes of the fourth quarter here Friday night to tie the Seymour Panthers and remain undefeated for the season.

Defensive Battle

Tommy Perry, Bill Damas, Ray Herren, Derrell Davis and Keith Chapman stood out strong against Seymour Friday night. In fact had it not been for the all-out defensive battle by the stalwart Indians, Seymour would have blown the locals out of the ball park.

Another thing noticeable, especially to Haskell fans, was the fine physical condition of the Indians. During time-outs they remained on their feet while the visitors drooped to their knees for the rest period.

Statistics

Hit the Road

The Indians journey to Olney tomorrow night, Friday, to take on the Olney ball club in their last non-conference game of the season.

Indian fans were becoming restless before Thursday's Throckmorton-Gilmore played out the end zone with only 40 seconds gone in the fourth quarter and Ray Herren's conversion kicked the score at 14-0.

The scoring drive covered 80 yards in 10 plays. A crucial 18 yard, third-down pass from Keith Chapman to Herren kept the Indian fires burning and deposited the pigskin on the Haskell 34. From that point, Tim Eversen, tightend, Herren and Gilmore with perfect tosses to move the ball to the Panther 12.

Eversen and Gilmore took turns plunging at the Panther line until they reached paydirt. After that the Indian defense, led by Derrell Davis, Tommy Perry, Billy Damas, Kenneth Peiker, Herren, Chapman and Gilmore, stayed off the Panthers for the remainder of the contest.

After recovering a loose ball at the Haskell 40, Seymour unleashed a drive which appeared would lead to sure victory.

Starting up the clock with a constant ground game, the Panthers marched to the Indian 3-yard line where a fourth-and-one play failed by a mere inch.

The Panthers had one more chance, marching to the Haskell.

Farm-To-Market Road Projects Approved For Haskell County

The Texas Highway Commission today approved the spending of \$42,800 for highway safety and betterment and improvement of the farm-to-market road system in Haskell County during 1967. District Engineer J. C. Roberts of Abilene said.

The work is part of the Highway Commission's combined 1967 Farm-to-Market Road Improvement and State Highway Safety and Betterment Program.

The farm-to-market road improvement will involve 28 1/2 miles and cost an estimated \$42,800.

The following projects will take place in Haskell County: F.M. 617, from St. 24 to Jud. 3.8 miles, seal coat, \$12,800. F.M. 600, from Haskell to the Paint Creek School, 8.1 miles, seal coat, \$12,800. F.M. 202, from F.M. 618 to 3.6 miles East, 3.7 miles, seal coat, \$5,400. F.M. 2407, from F.M. 617 to St. 283, 3.0 miles, seal coat, \$4,500. F.M. 2163, from F.M. 617 to F.M. 2229, 5.0 miles, seal coat, \$7,500.

Haskell County T.B. Association Activities Mapped Tuesday Night

With the president, Dr. T. W. Williams, presiding the Haskell County Tuberculosis Association met in the community room of the Haskell National Bank Tuesday evening for the first regular meeting of the 1966-67 year.

Reports from the executive secretary, Miss Nettie McClullum, and the treasurer, Mrs. W. P. Trice, were heard and discussed.

Dr. Williams discussed modern drug therapy for active cases of tuberculosis and far follow-up care for arrested cases who have returned from hospitals to community life.

Mrs. Elmo Stephens, of O'Brien, will again head the organization as Christmas seal campaign chairman.

The official opening of the Christmas seal sale will begin November 15th and stuffing of the envelopes has been set for Tuesday evening, Nov. 15th, at 6:30 at the bank building.

Program assistant of the West Texas TB Association, Mrs. Ella Herridge, registered nurse of Lubbock is in Rochester this week to give the tuberculosis test to all school personnel and students and the West Texas Mobile N-Ray unit was in Weinert and Rochester Wednesday October 5, and was open to the schools and the general public.

All-Day Area Meeting Hospital Auxiliaries Held Here Tuesday

Although rain fell throughout the day, some 50 guests representing nine area towns and communities registered for the Texas Association of Hospital Auxiliaries, District II Area III meeting held here Tuesday at the First Methodist Church.

Representatives of Hospital Auxiliaries from Stamford, Abilene, Weinert, Rule, Rochester, Haskell, Paint Creek and Breckenridge were present for the all-day meeting.

Registration got underway at 9:30 a. m. in the foyer of the church, with Mrs. Byron Frazier, chairman, and Mrs. Gene Overton, greeting guests. Mrs. R. L. Foote, of Haskell, Council Woman, District II, Area III, presided over the opening session, which officially opened at 10:00 a. m.

Invocation was given by Alfred Turnbow, Haskell County Hospital Manager and Joe Williams, city attorney, welcomed the group.

Texas Association of Hospital Auxiliaries, president-elect, Mrs. Clyde W. Sylvester, of Fort Worth, gave a very informative resume on the overall program of the Auxiliaries and Mrs. Robert C. Webb, State president TAAHA discussed Stan-

dards of Hospital Auxiliaries. State Council Woman, Mrs. George J. Ritter, of Lando, spoke on "Standards of Council Women" and Mrs. R. L. Foote, of Haskell, gave a report of Auxiliaries. Mrs. M. E. Overton reported on the candy drives.

Haskell County History

30 YEARS AGO (October 1, 1936)

The Jones Shoe Shop, located on the east side of the square is being moved today to a new location in the Oates building, three doors north of the Oates Drug Store. D. A. Jones, proprietor, states that the new location will afford ample space for arrangement of their equipment and stock merchandise, and invites patrons of the shop to visit them in the new quarters.

September term of District Court was convened Monday morning for the regular six-weeks fall term, with District Judge Dennis P. Ratliff presiding and District Attorney H. F. Grindstaff and County Attorney Ben Charlie Chapman in charge of the criminal prosecution. A large number of cases appear on both criminal and civil dockets, indicate a busy term if the majority of the actions are cleared from the court calendar. Grand jury for the term was impaneled Monday, composed of the following members: J. W. Nanny, W. S. Grimsley, Elbert Mapes, J. F. Simmons, August Stremmel, Joe Lowrey, A. E. Fouts, I. R. Cybert, W. E. Bland, C. A. Lambert, W. E. Penick and J. L. Sproutse. John Baugh and Olin Dotson were appointed riding bailiffs for the Grand Jury and Dan Kirkpatrick was named court bailiff.

Defeating Aspermont 18-0 last Friday night on a field which would have been more suitable for water polo, the Haskell Indians started their march toward the coveted top honors in District 9-B High School football.

County Judge Charlie Conner was notified the first of the week of his appointment as Veteran County Chairman of the Democratic National Campaign Committee for Haskell County. The appointment was made by Hon. James A. Farley, national chairman of the Democratic National Campaign Committee.

Miss Dorothy Herrin, a student at Draughton's Business College, Abilene, spent the weekend here with her mother, Mrs. Angie Herrin.

Mr. and Mrs. Carl Arbuckle returned from Wichita Falls where Mr. Arbuckle had her tonsils removed the first of the week.

30 YEARS AGO (Sept. 30, 1926)

The farmers around Weinert are putting in full time gathering the big crop of maize which has been grown in this part of the county this year, and picking and hauling the cotton to the gins.

A team belonging to G. D. Payne of the Irby community became frightened and ran away one day last week while Mr. Payne was heading maize. The wagon was demolished, but fortunately no one was in the wagon when the accident occurred. The team was not seriously injured.

Mrs. Manley Branch and baby, Mirtie Bob, are visiting relatives in Wichita Falls this week. They accompanied Mrs. Branch's brother, Fritz Taylor, and wife, home last Saturday.

Following a conference between Col. C. C. French, Industrial Agent, Fort Worth Stockyards Co., Fort Worth, chairman R. C. Couch of the Agricultural Committee of the Chamber of Commerce, County Agent W. P. Trice, O. E. Patterson and others, steps are to be taken to place an order for a carload of gilts for Haskell county farmers.

In spite of the bad weather, preparations in every section of the grounds at the Haskell County Fair Park, as well as the race section, have never stopped.

The first norther of the season swept down on Haskell Friday night ushering in the belated fall and routing the hosts of summer insects.

There was a large congregation of farmers from over the county on the streets of the city most of the day Monday discussing the price of cotton and the plans of getting more pickers into the county. From the general expression of the farmers, pickers are badly needed in all parts of the county. Most of the farmers are planning to pick instead of snap the cotton as they have done in the last years. The difference in price will make big savings to the growers.

Tom Holland of the J. W. Gholson Grocery Store is reported suffering with the flu this week.

60 YEARS AGO (October 6, 1906)

Mr. W. T. McDaniel's gin turned out forty bales of cotton Thursday and Mr. McDaniel said that he could have ginned twenty more, as his plant has a capacity of sixty bales per day.

From the number of cotton wagons on the streets daily it is evident that the bollworms didn't get all of the cotton.

Mrs. S. C. Donohoe and Miss Jewell Yoe left Thursday for Sweetwater, where they have accepted employment in a telephone office.

PROCLAMATION JUNIOR FIRE MARSHAL DAY

BY THE MAYOR:

WHEREAS: The President of the United States has proclaimed the week of October 9-15 as National Fire Prevention Week; and,

WHEREAS: Experience has shown that effective community fire prevention programs can save thousands of lives each year and millions of dollars in property; and

WHEREAS: Several million elementary school age boys and girls across the country are joined in a national brigade of Junior Fire Marshals for the purpose of learning to recognize and remove fire hazards; for safe habits they will carry with them throughout their lives; now

THEREFORE, I, H. V. Woodard, Mayor of Haskell, do hereby proclaim Thursday, October 13, during National Fire Prevention Week (October 9-15) as JUNIOR FIRE MARSHAL DAY in Haskell, and urge parents to support the Junior Fire Marshal Program which is sponsored locally by Coggins & Hartsfield, to assist Junior Fire Marshals by inspecting their own homes for fire hazards. I also urge all the citizens of Haskell to benefit by the example set by our boys and girls; to pay special tribute to this worthwhile activity by making a special effort to check their own premises for fire hazards on JUNIOR FIRE MARSHAL DAY.

IN WITNESS WHEREOF: I have hereunto set my hand and caused the Seal of the City to be affixed on this 30th day of September, 1966.

—H. V. WOODARD

Haskell Freshmen Topple Aspermont

Invent farmer of the northeastern part of the county, was in town Tuesday and speaking of the cotton crop, said he had 50 acres in cotton that was good for half a bale per acre.

Still the good work goes on. Three new residences were completed in the eastern part of town this week and others were commenced in other parts of town.

The usual first Monday crowd was in town Monday selling and trading horses, etc., and a good many of the farmers were on the lookout for cotton pickers.

Miss Annie Branham has accepted a position in the millinery department at Alexander Mercantile Company's store.

The Haskell Free Press has been informed that the Wichita Valley Railroad has made a rate of \$7.50 on cattle from Haskell to Seymour and \$25.00 from Seymour to Fort Worth, or \$31.50 for the through trip per car load. This rate makes Haskell the most favorable shipping point for cattle to the Fort Worth market in this territory.

The Haskell Street Fair committee has decided to have a fiddler's contest during the fair and requests that all fiddlers who will take part in the contest notify the committee.

Mrs. Wright's handsome hotel building is nearing completion. Mr. and Mrs. F. G. Alexander returned Wednesday from a Mineral Wells.

Haskell's freshmen team defeated Aspermont's B team here by a score of 44-6.

Haskell rushed to an early lead with Roy David Pitman taking a 75-yard pass on the first play from scrimmage after point try failed.

Haskell then scored again on a 4-yard run by Terry Chapman. Key block was from C. A. Thomas. Bob Aycock then ran same play for extra points. Haskell reached the scoreboard again in the first half on a punt return by Terry Chapman. Extra point try failed.

Haskell then taking kickoff had the very same kind of pass intercepted again. The ball was on the one-yard line but Haskell's defense thwarted a 4th down play and kept Aspermont from scoring.

Haskell then taking the football over on downs as the second half begins, and Lanny Ivy raced around right end to score... Gary Felker passed for the two points on a fake field goal try.

Haskell then made two more scores by Lanny Ivy and Terry Chapman. The latter resulting from a 42-yard run by Lee Pippin down to the 3-yard line. Both extra point tries were executed.

Defensive standouts were Hal Spain, Freddy Crouch, Juan Diaz, Randy Foster and Mike Cook.

LETTERS TO THE EDITOR

Al Hinds, Editor, The Haskell Free Press, Dear Al —

It was a soothing salve for the very soul to get a glimpse of all the wonderful folks in Haskell during our brief visit there last Thursday on the occasion of the launching of the Haskell County Fair and attendant Hey-Day activities. Jewel and I had planned to return for the climax events Saturday, but some important news breaking at Sheppard AFB precluded that privilege. We were disappointed beyond description not to have had the pleasure of returning "home," to be with you all a little longer and a little more leisurely. But WE SHALL RETURN!

It would be impossible to convey in words the thrill Jewel and I experienced over seeing our cherished friends there in Haskell after much too long an interval of time. We would appreciate your sharing with the fine people there our expression of deep gratitude for their gracious reception, and tell those whom we were unable to see, due to the brevity of our visit, that "now that we know the way," we'll soon return.

Particularly am I indebted to you for your exemplary hospitality, Al, and for your notable assist to Lois Luecke and me in expediting our gathering of the information for the RECORD NEWS story on the big doin's in Haskell. We shall never forget your attentive

Final Rites Are Held For Frank Rivas

Audrey Francisco (Frank) Rivas, 81, passed away last Thursday at 7:30 p. m. at his home in Rochester. He had apparently suffered a heart attack.

Funeral was held at 11 a. m. Saturday at St. George Catholic Church in Haskell with Father J. Dudley, pastor, officiating. Burial was in Rochester Cemetery with Smith Funeral Home in charge.

Born August 3, 1885, in San

Diego, Texas, he was married to Esmerjelda Reyna in 1912. He had lived at Rochester since 1941, moving from Cambellton. Surviving are his wife; three sons, Paul, Pete and Ysrael; four daughters, Mrs. Erminas Rodriguez, Mrs. Lupe Reyna, Mrs. Ramona Velez and Mrs. Dora Rodriguez; 33 grandchildren and 19 great-grandchildren.

Michael Overton Teaching In Bryan School

Michael E. Overton of Haskell teaches health and physical education in a Bryan school this semester, preparatory to receiving a degree in physical education at Texas A&M University.

Dr. C. W. Landiss, health and physical education head, announced Overton is one of nine department students practice teaching in area schools.

The future teachers spend half of each day during the fall semester instructing health and PE classes, working under co-operating teachers. The work is part of a six-hour credit course in observation and supervised practice teaching in public schools.

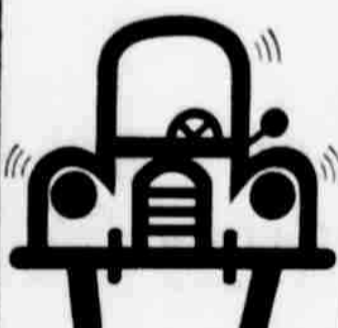

Overton, graduate of Joint Creek High School, instructs at Anson Jones Junior High School in Bryan under Carlos Jackson. He is the son of Mr. and Mrs. M. E. Overton, Haskell.

RETURN HOME

Bill Edwards of Watsonville, Calif., returned home last week after spending several days here visiting with his aunts, Mrs. Arthur Edwards, Mrs. Sterling Edwards and friends. Mrs. Sterling Edwards' daughter, Mrs. Clara Grant, of Leveland, also visited here.

Haskell Seniors Are Invited To College Night

Senior students of Haskell High School who are planning to go to college, and the parents of these students, will have an opportunity to meet and talk with representatives from various colleges at a College Night program at Cooper High School on Tuesday night, October 18, at 7:30 p. m. Letters have been sent to the principals of high schools within a fifty-mile radius of Abilene issuing an invitation to the college-bound seniors and their parents to attend this meeting.

Representatives from 30 colleges, universities and junior colleges will participate in College Night. Each student and parents will have an opportunity to attend three different discussion groups to obtain information about three different colleges in which they are interested. The college representatives will discuss such matters as entrance requirements, application procedures, estimated yearly cost, courses of study or fields of specialization offered, type of housing available, financial aid, and opportunities for social development.

College night is being co-sponsored by the Parents Clubs of Abilene High School and Cooper High School for the purpose of giving area seniors and their parents the opportunity to secure first-hand information about colleges early in their senior year.

Vietnam Veterans Are Now Eligible For Membership

American Legion membership ranks have been opened to the current generation of Veterans in what must have been one of the fastest legislative procedures in the history of the Congress and the office of the Chief Executive of the United States, according to Jim Sampson, Commander of Post 221.

Just 48 hours after the Legion's 48th National Convention approved a proposed amendment to the Constitution, permitting Viet Nam Veterans to amend the Legion's Federal Charter, and President Johnson had signed the measure into law.

Commander Sampson stated that Viet Nam veterans are now eligible for membership in the world's largest veterans organization and, in behalf of the Post, extends a most cordial invitation to these men to join the American Legion. Any member of the Post will be glad to accept their application.

Parents and/or wives of service men now fighting in Viet Nam are urged to clip this article and forward to them.

With the Presidential signature, men and women with honorable active service in the Armed Forces from August 5, 1964, until "the cessation of hostilities as determined by the Government of the United States," are eligible.

Other periods of service for American Legion membership are: April 6, 1917 to Nov. 11, 1918 (World War I); Dec. 7, 1941 to Sept. 2, 1945 (World War II); and June 25, 1950 to July 27, 1953 (Korean War).

33% OF ALL HOME FIRES BREAK OUT BETWEEN 9 P. M. AND 3 A. M.

Night-time fires are worst. You can help prevent them by following a few elementary rules...

Do you know what they are? (If so, find them out from among these:)

- 1 Check ashtrays for smoldering cigarettes. 2 Turn off unnecessary appliances. 3 Check stoves and turn off all burners. 4 Keep First Aid Kit handy. 5 Make sure bedroom doors are shut.

"A Year for New Learning and Growth" Is Theme of PTA Meeting September 21

The first meeting of the 1966-67 Parent-Teacher Association was held at 3:00 p. m., September 21, in the Elementary School cafeteria.

The Parent-Teacher prayer was led by Rev. Royce Wood, Minister of the Christian Church.

The President, Mrs. Joe E. Thigpen, welcomed the group to their building and the PTA. She called for the support and appreciation of our teachers and urged all to look forward to a year of work, study and fellowship.

Mrs. Joe Warren, in the absence of the secretary, Mrs. William J. Kemp, read the minutes.

The treasurer, Mrs. Ervin Frierson, reported a balance of \$340.01.

Recommendations from the September 20th meeting of the Executive Committee read and adopted are as follows:

- 1. The PTA will honor some person during the year with a \$25.00 Life Membership. 2. A nursery will be provided for each monthly meeting. 3. A \$25.00 award will be made to the room with the largest PTA membership enrollment and to the room with the largest group present at the monthly meetings. 4. Mrs. L. R. Burkett was elected Parliamentarian to fill the vacancy left by Mrs. Douglas Finch. 5. A Fall Festival will be held October 29th in the Elementary School.

Mrs. Robert Wheatley directing the program, "A Year for New Learning and Growth," stressed the qualities for parents and teachers and said that the year's programs set the stage for a year of fellowship and involve us in the 1966-67 theme, "Today's Issues and Responsibilities: PTA Moves Forward for Children and Youth."

Mrs. Wheatley introduced the room chairmen who in turn introduced the teachers.

Mrs. Tom Anderson and Mrs. D. V. Hiebert were introduced as new teachers.

Mrs. Maurice Gannaway's kindergarten won the room count.

COMPLETES COURSE

Reynaldo Benavides of Haskell received his certificate of graduation from Breckenridge Job Corps Center, Morganfield, Kentucky, last week.

Benavides has completed successfully a 6-month training course in retail sales, and is well qualified to work as a sales clerk or in the stockroom of a retail store.

While he had finished only the ninth grade when he entered the Job Corps, Benavides was enrolled in basic education classes for only a short time before he was transferred to the general educational development preparation course which leads to a high school diploma equivalency.

GET SMART ABOUT FIRE

Forest fires have killed more people at one time in the U. S. and Canada than any other type of fire. The great Chicago fire of 1871 took 300 lives. A forest fire in Pestigo, Wis., the same year killed 1,152 people. Junior Fire Marshals urge: Get smart about fire, indoors and outdoors.

Attend Workshop At Albany

Mrs. Ed Hester and Mrs. E. L. Wyche attended the civic development workshop at Albany, Friday, September 30th.

Mrs. Howard Kittel, State, Sears award and national civic beautification chairman, told how John Wesley (in England) had given a handful of seeds to the people of an unsightly neighborhood and they planted them and enjoyed the beauty the plants brought. From this small beginning has come the more than 400,000 garden clubs and their beautification projects.

COMPARE

The regular RCA WHIRLPOOL washer capacity will meet the needs of most families, but this super-capacity washer is great when big loads pile up on you.

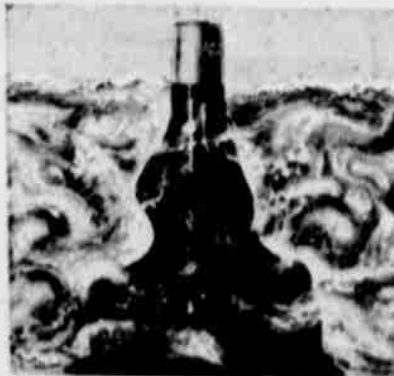

Tub and agitator are both extra large. When a normal-size washer tub is placed next to our giant-size tub there's a visible difference. Our new tub is larger... holds more water, more clothes. Does a better washing job on big loads.

See the difference between the agitator of a normal capacity washer and the new super SURGILATOR agitator. The super SURGILATOR is larger... to move more water and more clothes. Yet it's gentle enough to pump dainties, too.

Exclusive SURGILATOR® agitator washing action... washes everything really clean. Big loads or small!

Every load you wash... from a handful to a giant 18-lb. tubful... comes sparkling clean. "Millions" of surging water currents, set in motion by the exclusive super SURGILATOR agitator, flex and scrub, tumble and turn, every item over and over for really thorough washing.

"Plan And Plant For Beauty" Is Theme Of Haskell Garden Club

MRS. E. L. WYCHE President

With the return of autumn, activities begin again for the Haskell Garden Club.

Mrs. E. L. Wyche will head the 1966-1967 club year as president. Officers to serve on the official staff with Mrs. Wyche are Mrs. S. P. Kuenstler, first vice-president; Mrs. B. F. Cobb, club columnist for the Haskell Free Press, second vice-president; Mrs. Ed Fouts, recording secretary; Mrs. LeRoy O'Neal, corresponding secretary; Mrs. C. B. Rhea, treasurer; Mrs. Kenneth Thornton, reporter; Mrs. Bailey Guess, parliamentarian.

Committee chairmen are Mrs. Kuenstler, yearbook; Mrs. Cobb, flower show; Mrs. Jetty Clark, historical scrapbook; Mrs. Fouts, membership; Mrs. R. C. Couch, courtesy; Mrs. Gene Overton, litterbug campaign; Mrs. Ed Hester, projects; Mrs. O'Neal, telephone.

"Plan and Plant for Beauty" is the theme for the club year and a wide variety of topics related to gardening, culture of flowers, shrubs and other plants, will be presented by club members and guest speakers.

Projects, with Mrs. Hester as chairman, will include improvement of city approaches, replanting of the Captain Marcy Monument due to hail damage, campaign against litterbugs, assisting in National and State projects and to help landscape the depot grounds at the Haskell Historical Museum.

Special days for the year will be October 19, when Mrs. C. M. Conner is scheduled to present "Color and Design for Hanging Gardens."

On December 14, flower arrangements made by members will be presented to the Rest Homes.

Mrs. Hebert Bosse, National Judge, of Stamford, will give a talk on the culture of day lilies on February 14.

On March 15, a litter-bug skit will be presented by Mrs. Gene

Overton, followed by a pilgrimage to Haskell gardens.

Haskell Garden Club members will strive to "Keep Faith With Tomorrow," theme of the National Council and with the Texas Garden Club, Inc., in the challenge of "Creating and Preserving a More Beautiful Texas."

JEHOVAH WITNESSES TO ATTEND MEETING

Jehovah's Witnesses of Haskell and vicinity are cancelling all local meetings October 7-9 for a circuit meeting in Lubbock, Fair Park Coliseum.

"Become Spiritual Men With Everlasting Life in View" is the theme to be discussed for 15 congregations from Wichita Falls to Muleshoe and from Altus, Okla., to Haskell, Texas.

"The object of the meeting," W. Clayton Short, presiding minister of the Haskell congregation said, "is twofold; to build one another up spiritually and to share the spiritual information with our fellow man."

The three-day program calls for talks, discussions, illustrations and demonstrations into the platform to emphasize the importance of becoming spiritual men. "With Everlasting Life in View," the Witnesses have scheduled time to call on the people of Lubbock and vicinity in the house-to-house ministry.

District supervisor and chairman of the assembly, A. A. Catanzaro, will give the focal talk of the assembly, "Satisfying Mankind's Greatest Need," at 3 p. m. Sunday.

Erwin A. Grover, who visits the congregation in Texas Circuit No. 9 three times a year, will give his final talk at 5:00 p. m. Sunday, "Keep Your Balance With Many Responsibilities."

TAX MAN SAM SEZ:

Every year the Internal Revenue Service calls in thousands of taxpayers for tax audits. A large part of these taxpayers get into a discussion of their tax affairs with Internal Revenue through their failure to keep good records. Keeping good records is not an easy task but it is an important family chore that is profitable. You can prepare a much better tax return and you may save yourself a lot of tax dollars if you take the trouble to keep a simple set of records. You will find your records are not only helpful for preparing your tax return, but they may also solve a lot of other problems for you.

A Tribute To Brother Manuel Villarreal

Tuesday, September 20th at 9:20 a. m., one of the most courageous and faithful Christians I have known, went home to be with the Lord.

"It would take more ability than I have, to tell the great things this humble man has done. What he has meant to me, is more than I can say.

"God always provides a man to lead His people in times of crisis. Brother Manuel Villarreal was the man God used to keep a struggling little mission going. In heat, or cold, or rain, Bro. Villarreal was always there. If the mission had a pastor, or if it didn't have a pastor, Bro. Villarreal was there. If times were hard financially, he was there. He wasn't an ordained minister, but he could lift Christ as high as many ministers I know.

"My heart is bowed in grief. But not for him. He has gained the crown of life, thou good and faithful servant," that Jesus promised. I grieve for the loss of a kind friend, the loss to his family and community. The vacant place he filled so nobly in the service of his King.

"We know his task is finished. I hope that I may be counted as faithful as he, when the Lord calls me home. I doubt that I shall. I do thank God that I was privileged to work

with this man awhile and had a glimpse of the beautiful Christian spirit that was Bro. Manuel Villarreal. My sincere sympathy to relatives and friends."

Eighth Graders Tame Anson Cubs By Score of 32-0

The Eighth grade scored its first victory by running over the Anson Cubs 32-0. Charles Franklin scored first on a 57-yard romp. Wayne Reeves added the extra points. Keith Everett scored from 15 yards out. Darrel Crouch added the extra points. Darrel Crouch scored the

third touchdown with Wayne Reeves adding the points. Keith Everett made the final touchdown going around left end. Johnny Fouts came in and ran up the middle for the extra two points. Randell Arend caught a touchdown pass but it was called back because of a clipping penalty.

The Seventh grade lost the opener to Rule 14-0. They were helped greatly by Marry Mays who was tops on offense and defense.

The State Fair of Texas' Ex-

position of Young America in Dallas next October 8 through 23 will hit its climax the second week during the annual series of Junior Livestock Shows and Auction Sales.

Ray W. Wilson, Manager of State Fair's livestock department, has announced that 2,000 Future Farmer and 4-H Club exhibitors will share a grand total of \$24,000 in premiums offered by beef and dairy heifer, steer, lamb and barrow shows.

"In addition to the premiums, the boys and girls will receive approximately \$150,000 from the sale of 2,000 market animals on Friday and Saturday, October 21 and 22," he said.

The 2-day public auctions will offer the grand champion and all other prize-winning steers the first day and the champions and all other prize-winning barrows and lambs the second day. Each sale will open at 9:30 a. m. in the livestock area at Fair Park with Col. Walter Britten of Bryan, Texas, chanting up the bids.

The junior shows will open on Wednesday, October 19, according to the following schedule of time, arena, judge and premium:

Junior Lamb Show, 8:00 a. m. Sheep Arena, Roger Howell of the Kingfisher High School at Kingfisher, Okla., \$3,420.

Junior Dairy Show, 8:30 a. m. Livestock Pavilion, R. E. Leighton of the Department of Animal Science, Texas A&M University, College Station, \$5,260.

Junior Steer Show, 8:30 a. m. Livestock Pavilion, Dr. Val H. Brungardt of the University of Wisconsin at Madison, \$2,855.

Junior Beef Heifer Show, 1:30 p. m. Livestock Pavilion, Allen Poe of Waxahachie, Texas, \$4,550.

Junior Barrow Show, 1:30 p. m. Swine Arena, Carroll Plager, Austin, Minn., \$3,490.

The Barrow Show will continue at 8:30 a. m. on Thursday, October 20.

The Junior Market Steer Show is scheduled for the same time on Thursday in the Livestock Pavilion, with Dr. O. D. Butler of the Department of Animal Science at Texas A&M University, College Station, serving as judge. Premiums for the market steers total \$4,025. Display awards of \$400 complete the full \$24,000 in premiums offered for the Junior Livestock Shows.

ON VACATION

Mr. and Mrs. Leon Burson left last week for California to join Mr. and Mrs. Leslie Doer and Mr. and Mrs. Marvin Williams for a two weeks' vacation in the Hawaiian islands.

The party will spend seven days visiting the islands of Hawaii, Kauai and Maui, then they will spend seven days in Honolulu and other points of interest on Oahu island. Mr. and Mrs. Burson are expected back in Haskell about October 14.

The Good Earth

If the number of people registered at the Haskell Garden Club was any indication, the show really went over with a bang. Six hundred and seventy-six registered. Many failed to register because of the crowded conditions at times during the show.

People came from Stamford, O'Brien, Burleson, Breckenridge, Abilene, Munday, Rochester, Sagerton, Rule, Dallas, Woodson, Stephenville, Gorman, Lubbock, Seymour, Old Glory, Eddy, Luaders, Guthrie, Knox City, Rotan, Roby, Spur, Wichita Falls, Hawley, Dyess AFB, and Aspermont. All these are Texas cities.

There were visitors from Watsonville and McFarland, Calif. Also a visitor from Minneapolis, Minn.

Had it not been for the working Hesters the show might not have been possible. The Jaycees had been hampered by wet weather, and had not been able to clean the room where the flower show was to be held. On Tuesday night before we were to take entries Wednesday, the Hester clan, sons-in-law, daughters and Mr. and Mrs. Ed Hester rolled up their sleeves and started to work. By 11:30 p. m. the room was ready to stage the show. We express thanks to the Hesters, Thanks also to the Jaycees and the Chamber of Commerce for allowing us the space to have our show.

We were well pleased with the flowers entered in the Haskell Show Case, but we would have loved to have more entries throughout the county. Many have said that if ever given the opportunity again they would enter the Haskell County Show Case.

Our senior citizens in Brick Village did much toward making our show a huge success. Their entries were almost all blue ribbon entries.

Mr. and Mrs. Andrew Jossett added much to the show by their display of roses, dahlias and coxcombs. All blue ribbon winners.

We were fortunate in having three nationally accredited judges to judge the show. Mrs. W. H. Buchanan, president of the Abilene Garden Club, and a winner of hundreds of first places through the years, said she had never visited a show or judged one where there were more blue ribbons handed out in horticulture. Mrs. K. H. Flemming, lifetime accredited national judge, and Mrs. Wendell Foreman, nationally accredited judge, said they, to, had never seen as many 'firsts'

even in much larger shows. Fall bulbs are on the market now. Be sure to prepare beds well in advance before giving the bulbs their winter home. Tulips, ranunculus, jonquil, daffodils, narcissus and crocus are all finding their way into the nurseries and seed houses.

SAFE AFTER BIG BLOW

Mr. and Mrs. Bruce Young, of Haskell, received word from their daughter and husband, Mr. and Mrs. George Gunter (and their four daughters, Barbara, Johanna, Sherry and Beverly), stationed in Yokota, Japan, that they are all safe following the big typhoon.

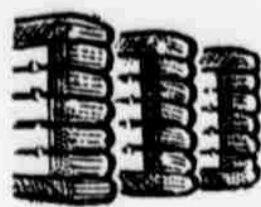

all the power is and they had no during that period were well

NOW! THE QUICK-SIZE '67 CHEVELLES

NOW, as many kinds as there are kinds of drivers to enjoy them—from the SS 396 (the Chevelle for the DRIVING MAN) to the brand new Concours Custom Wagon!

Long live Chevelle! And its trim dimensions, sharp performance and great maneuverability. For '67, there're a new grille, new wraparound taillights and distinctive sheet-metal changes. The effect is a newer, more contemporary look. As for specific models, one is completely new: the sumptuous Concours Custom Wagon shown below, featuring the rich look of wood outside. Then there's the SS 396 with a 396-cubic-inch Turbo-Jet V8, special suspension and an even

more remarkable capacity for delighting the stout of heart. Other models, too: Malibu, 300 Deluxe and 300, all with Body by Fisher. In addition, every '67 Chevelle carries a multitude of new safety features such as a GM-developed energy-absorbing steering column, four-way hazard warning flasher, dual master cylinder brake system with warning light. Try a Quick-Size Chevelle at your Chevrolet dealer's.

For '67, everything new that could happen... happened! Now, at your Chevrolet dealer's

Haskell Indians:

(Continued from Page 1)
kell 21 where once again the Indian defense rose to the occasion.

After Everett was dropped for a 10-yard loss by Steve Martin, the Indians chose to run out the clock and settled for a tie.

The first half was all Seymour except for the final moments when Haskell made a futile, desperation drive.

The Panthers drew first blood on their first possession of the game with 7:50 left in the opening stanza. QB Gene Jordan lugged the pigskin the final 5 yards to pay dirt. Tom Porter's conversion made a seven out of a six.

The drive covered 47 yards in five plays with Tony Kuehler's 33-yard gallop collecting most of the steps.

Haskell threatened in the waning moments of the first half. A third down, 31-yard aerial from Everett to Herren moved the ball to the 20. But on fourth down, Crain slapped down another Everett pass and the Panthers took possession on their own 15.

Seymour threatened seriously in the second quarter, moving to the Indian 10 before Couch swiped Jordan's fourth

down pass. Gilmore paced the Indians with a total of 58 yards on 15 carries.

face personnel crises and auxiliaries are helping to fill the gaps," she said.

Although rain was still coming down, the group toured the Haskell Hospital Park, following the panel discussion. The day's activities closed with "Coke for the Road" in the community room of the Haskell National Bank.

State Council Woman, Mrs. Ritter; State president Taha, Mrs. Robert C. Webb, and Taha president-elect, Mrs. Sylvester in speaking of the meeting said: "It was excellent." Mrs. R. L. Foote had this to say about the area meeting: "We were fortunate in having the state officers with us and we received wonderful inspiration from them." Mrs. Foote also expressed thanks to every council woman of this district in helping make the meeting so successful.

Thanks was also expressed to Rev. Roy Alexander, pastor of the Southside Baptist Chapel, Haskell, for operating the projector and showing the film, "Halo for a Cap."

Also present for the area meeting was John Martin, Stamford Hospital Manager. "Our next new Hospital Auxiliary will be organized at Stamford," Mrs. Foote said. All Hospital Auxiliaries represented gave reports on their activities.

Mattson 4-H Club Elects New Officers

Mike Guess was elected as president of the Mattson 4-H club in a meeting held Monday, October 3, at the Mattson school.

Other officers elected were vice-president, Diane Davis; secretary-treasurer, Debbie Campbell; reporter, Susan Weise and council delegates, Eddie Stewart, Mike Guess, Kathy and Sue Hager.

Members filled out enrollment sheets and also discussed the projects they would like to undertake within the next year.

County Agent Bob Schumann and home demonstration agent Barbara Elliott, met with the council.

Zip Coded Mail Helps Provide Better Service

Beginning October 10, 1966, letter carriers throughout the Haskell area will deliver two cards to every residence. Postmaster Tommy Davis reported.

Each card will have spaces for addresses the householder wishes ZIPPED. (To be added in culti-coded cities; one for local addresses, the other for out-of-town.)

After placing their uncoded addresses on the cards, preferably printed legibly, they may be dropped into any letter box or returned to their letter carrier. The Haskell post office will add the appropriate ZIP Codes and return the cards to the mailer.

"No postage is needed," Mr. Davis said.

The project is part of Postmaster General Lawrence F. O'Brien's program to make ZIP Codes more accessible to the mailing public.

In addition to the cards for addresses, a special notice advising each resident of his local

ZIP Code number will be delivered.

The cards will carry a message from Postmaster General O'Brien advising that ZIP coded mail helps provide better service.

In completing the cards, only the street address and city and state are required. Individual names should not be listed.

Postmaster Davis emphasized the importance of including a return address on the front of the cards so they may be returned after addresses have been coded.

Incomplete addresses which are submitted but cannot be ZIP coded by the local post office, such as those in a city like Washington, D. C. which has the same street names and numbers in the northeast, the northwest, southeast and southwest sections, will be sent to the appropriate city and the codes will be added there. Additional cards are available from your letter carrier or postal delivery station.
