### Haskell County History

**20 YEARS AGO**  
 (January 21, 1947)  
 Dr. T. W. Williams, president, and Ralph Duncan, secretary, of the Haskell Chamber of Commerce, will attend the annual meeting and banquet of the Haskell C. of C. Tuesday evening.

Haskell will be host for the quarterly district meeting of Lions Clubs of District 5 to be held in April, following acceptance of an invitation extended by the Haskell delegation at the district meeting in Sweetwater, Tuesday.

Haskell county schools are in excellent condition, both with respect to equipment and high standards of teaching and will compare favorably with any county in the state, is the opinion voiced by Deputy State Superintendent J. D. Wilson of Childress, who has been in Haskell County several weeks inspecting the various schools.

J. T. Hester was re-elected president and A. W. Turner, re-elected vice-president of the Farmers & Merchants State Bank of this city at a meeting of the directors of the institution last Thursday afternoon. Mr. Hester was elected cashier and Miss Mary Pearcey, assistant cashier with Mrs. Mary Wormie, bookkeeper, completing the list of officers of the bank for the ensuing year.

Those spending the day in the home of J. E. Robinson Sunday were: Mr. and Mrs. Bob Robinson of Portales, N. Mexico; Mr. and Mrs. Austin New; Miss Juanita Pool and Mr. Doyle Andrews; Mrs. John E. Robinson and children; Grace, Anita and Tammy, all of Haskell and Richard Darden and family.

Mr. and Mrs. V. E. Walsh and daughter, Miss Ruth and Mrs. Byron Welch, left for Temple and Houston, Tuesday. They will attend a celebration of the 50th wedding anniversary of Mr. and Mrs. J. E. Silvers at Temple, brother to Mrs. V. E. Walsh. They will visit with Dr. and Mrs. Hugh C. Welch and family and Mr. and Mrs. Fred E. Robertson and family in Houston, returning home the first of next week.

**Use of County Labor, Equipment Materials For Private Use**

County Commissioners sometimes are called upon by friends and neighbors for use of county labor, material or equipment for other than public use. It is unwise. The same applies to county employees regardless of motive or intent of profit and taxpayer may engage unwise use of county property.

Article 170 Criminal Code provides: "If any officer of this State or of any county or of any municipality shall knowingly use or permit to be used for private profit to himself or to any other person, any property, supplies, equipment or other thing of value belonging to the State or to any county or municipality, he shall be punished by fine of not more than One Thousand Dollars (\$1,000) or by imprisonment in the county jail for not more than two (2) years or by both such fine and imprisonment."

While there are several ap- pellate decisions private use of county property is prohibited. The court held "County Commissioners authorized to use county equipment for private use."

**FARMERS TAX**

**Begin Teaching United Statesism**

The greatest beneficiaries of the United States free enterprise, free market economy are the young people, who have to get started in life. They do not realize that without private enterprise and property ownership there would be no real freedom of choice for the individual. He would depend upon the state for employment.

Strange as it may seem, in a nation that takes pride in boasting of its academic freedom, little of the broad and better principles of economics that spell freedom of opportunity and the right to profit by one's own efforts, are taught in our schools and colleges.

How many high school and college students, for example, realize that representative government cannot continue to exist in this country unless the individual retains the privilege of making his living without regard to political considerations?

How many can see the government ownership and domination of industry must be continuously resisted, not because industry is sacred, it can be controlled, but because the freedom of the individual is inseparable from the nature of private enterprise?

How many realize that as long as representative government is the system desired by U. S. citizens, it is imperative that the people be constantly informed of the part private enterprise and private employment play in maintaining that system?

If the basic principles of economics at which our nation was founded were stressed more in our schools, young people would gain greater respect for and appreciation of the privileges and opportunities they enjoy under our representative form of government. They would require love for a country that gives them freedom.

One of the billions of dollars in federal taxes that are being given our schools and colleges, some should be earmarked to teach the principles of economics, which have assured unmatched personal liberty, religious freedom and material prosperity to United States citizens.

**THIRTY WEEKS' SERMONETTE**

by Rev. Calpepper  
 First Baptist Church  
 "Is It Right for a Christian to Curse?"

Is it ever right to curse anybody whether he deserves it or not? In the first place, Jesus said, "Judge not that ye be not judged." And James said, "Sometimes the tongue praises our heavenly Father, and sometimes it curses out into curses against men who are made like God. And so blessing and cursing come pouring out of the same mouth. Dear friends, this is not right." It is inconsistent with his profession for the Christian to curse.

We should not take it upon ourselves to curse others. Does any one of us have the right to damn or send a person to hell? The Bible says, "By thy words thou shalt be condemned and by thy words thou shalt be justified." Jesus said, "That which comes out of the mouth, this defileth a man. Again He said, 'Those things which proceed out of the mouth come forth from the heart.' When a person has to resort to profanity to express himself it is indicative of an empty head and a wicked heart.

It may be said of me, Surely thy speech betrayeth thee. Then hast been with Jesus of Nazareth... With Jesus of Nazareth.

**GRADUATES FROM TRAINING COURSE**

Master Sergeant Zorn T. Miller, son of Mrs. Grace D. Miller of Rale, has been graduated from the special training course for C-124 flight engineers at Tinker AFB, Oklahoma.

Sergeant Miller, who studied electrical systems, instruments and hydraulics, is being assigned to a Military Airlift Command (MAC) unit at Kelly AFB, Texas. MAC provides global airlift, air rescue, aeromedical evacuation, air weather and air photographic and geodetic services for U. S. forces.

The sergeant served in the Pacific Theater of Operations during World War II, and is a veteran of the Korean War.

He is a graduate of Rale High School. His wife, Laura, is the daughter of Mr. and Mrs. L. W. Willis of Fortran.

**Rep. Calhoun Assigned To Five Committees**

Representative Frank Calhoun has been assigned to five standing committees in the House of Representatives and they are of unusual quality and quantity for a first-term member. These committees are: Commerce, Consumer Affairs, Legislative Oversight, Education, and Labor and Human Resources.

Service in these committees should be of interest and benefit to District 23-F, Haskell, Jones and Taylor counties. Now that the committees are appointed, bills can be introduced and business will begin in earnest.

**Rule School Lunch Prices Are Increased**

With approval of the School Board, Supt. Connor Barton, of Rale, announced an increase in school lunch prices due to the increase in the price of groceries, the decrease in government commodities, and an increase in the cost of operating the school lunch room.

Effective February 1st, the following will be per-person prices for the school lunches: Grade 1 through 4, 10c; Grade 5 through 8, 15c; Employees, 40c.

**CARD OF THANKS**  
 We want to express our thanks to our friends for the flowers, the many cards we received, food brought to our home, for the visits and comforting words. Also we wish to thank Rev. Calpepper for his visit and prayer, at the loss of our brother, Mr. and Mrs. A. D. Jones.

**Rule Resident Passes Away; Rites Held Friday**

Julius Floyd Dugan, 67, passed away January 22 at 1:35 a. m. at his home in Rule. He had lived in Rule for the past five years after having lived in Anson. He first came to Rule in 1919.

Funeral was held at 3 p. m. Friday in the Sweet Home Baptist Church of Rule, of which he was a member. Officiating were the pastor, the Rev. Jack Key, and Rev. E. L. Redden of Anson. Burial was in Rule Cemetery.

Mr. Dugan was born May 12, 1889.

Survivors include the wife at Rule; one son, Jimmie, of Anson; one daughter, Mrs. Louise Wood, of Elko, Nev.; four sisters, Mrs. Henry Crosson, Mrs.

Hugh Cohen and Mrs. Oscar Corbin, all of Rule, and Mrs. Pleasant Bush of Plainview; a host of nephews and nieces; and two grandchildren.

**PROMOTED TO MASTER SERGEANT**

Robert A. Miller, son of Mr. and Mrs. Albert Miller of 307 Terry Ave., Billings, Mont., has been promoted to Master Sergeant in the U. S. Air Force.

Sergeant Miller is a precision photographic systems technician at Offutt AFB, Nebraska. He is a member of the Strategic Air Command, the nation's combat ready intercontinental missile and bomber force.

The sergeant, who attended Billings Senior High School, served during the Korean War.

His wife, Martha, is the daughter of Mr. and Mrs. Henry Perry of Rochester.

**The Good Earth**

By Mrs. B. E. Cobb

I received such a sweet letter from Mrs. Robert F. Harrison of Richmond, Virginia. I would like to share it with you who read this column.

Sometimes the cares of the world become rather heavy and I feel I must stop writing, then comes something like this to give my sagging spirit a lift. It is good to know that I can bring pleasure to people through this column. I hope you do not mind, Margaret.

Dear Mrs. Cobb, I look forward to reading your column, "The Good Earth," in the Haskell Free Press. The recent article about the loss of your father was so beautifully written I had to tell you. The words, which I have never thought of, described my late father.

When you write you were left a legacy of honesty and decen-

cy. Is it not wonderful to be in the heart of this?

My father loved to plant from seed. How I wish I had watched him more.

With working as a secretary in the school of nursing of the Medical College of Virginia and keeping house, I have little time for my garden but I do like to see the flowers grow. It seems like I have too many weeds.

I married Robert F. Harrison from Haskell. His twin brother, Wylie B., lives in Stamford, E. F. subscribes to the Haskell Free Press which we love to read. Here is a little poem that might ease your hurt.

Think  
Of stepping on the floor and  
finding it heaven;  
Of taking hold of a hand and  
finding it God's hand;  
Of breathing new air and find-  
ing it celestial air;  
Of feeling invigorated and  
finding it immortality;  
Of passing from a storm and  
tempest to a unknown  
calm;  
Of waiting and finding it  
home.

Mrs. Cobb, I hope you do not mind me writing you, but I did

want you to know I appreciate your column.

Sincerely,  
Margaret Harrison

No, Margaret, I did not mind; in fact, your letter gave me much comfort. It is good to know others care.

MARG and Mrs. Coel Napier of Presner, France have been receiving the column from time to time since they have been across. They write that it gives them much pleasure and a little glimpse of Texas, the state so dear to their hearts. Coel was stationed at Eggen

for a number of years and although his wife, Gln, is a native of France, and her daughter and family live over there, she, too, longs to return to Texas. Coel, like so many of our boys, is protecting our country.

GET YOUR NEW 1955-1957 Texas Almanac now, \$1.75 plus tax. Good for school, home and office use. Also makes nice inexpensive gifts. Haskell Free Press.

He is a member of the Carrollton Turner high squad and is a senior. The Sadler family formerly lived in Haskell county, having resided at Rule and Haskell and still have many relatives in this area. Charlie attended Haskell schools and moved from here with his parents to Carrollton about eight years ago. The team is chosen from twelve southern states.

**Paul Crawford Returns From Holy Land Tour**

Dr. Paul Crawford, of Bryan, son of Mrs. John Crawford and the late John Crawford, of Haskell, was recently called by the Naptha Oil Industries to Rome, Italy, Israel and Athens, Greece as a consultant in oil.

He visited Nazareth, the Jordan river and sea of Galilee, saw wild camels, drank Turkish coffee in the desert and visited the Dead Sea.

Dr. Crawford left the United States by December 27 and returned home January 17th.

### State Ranks 33rd In Teacher Salaries

Among the 50 states, Texas ranks 33rd in average salaries paid to teachers, according to a study by the Texas State Education Association announced today.

The official, Dr. Joe B. McNeil, Superintendent of Wichita Falls Schools and Chairman of TSTA's Legislative Committee, said the TSTA program envisions an average increase in Texas classroom teacher salaries of \$775 in the minimum salary schedule for Texas classroom teachers.

"Compare TSTA's \$775 average increase with the difference of \$796 in our present salary schedule and the national average and you can see that TSTA's program is indeed a must," McNeil stated.

"At best," said McNeil, "the TSTA pay program is an interim measure preparatory to action on salaries we hope will be granted two years from now."

A study committee set up by an act of the Legislature in 1965 is expected to recommend higher salaries for Texas teachers in 1969.

"Texas can't wait until 1969 for action and we think the Legislature knows this," McNeil said.

"The TSTA program," he added, "is an interim measure needed now to prevent our present shortage of 5,000 teachers from becoming a deeper crisis."

"THE CHAMPS": At left is Andy Gannaway with the champion and C. A. Thomas III holds the reserve champion fat steers judged Saturday at the Haskell County Youth Livestock Show.

#### Essential Nutrients

Hay is for horses—but is it a balanced diet?

The best diet for horses is the one that nature invented: green growing pasture. But even a fine-looking pasture may lack trace elements essential to equine well-being. Iodine, for example, is lacking in the so-called "goiter states"—and a mare deprived of iodine may have foals that are born feeble or dead. Other trace minerals, such as cobalt or manganese, may be deficient in other areas.

Besides minerals, your horse needs vitamins.

He gets his vitamin D in the same way you do—by manufacturing it in his skin with the help of sunlight. But winter-stabled horses may suffer from vitamin D deficiency. This is what causes rickets in young horses, or a similar condition, osteomalacia, in older horses.

Animals deprived of rations rich in green leafy legume hay may not get enough carotene. This can lead to poor night vision, poor hoof growth or reproductive failures. Similarly, the B vitamins, synthesized by friendly bacteria in the intestine, can also run short, causing faulty protein metabolism.

How can you be sure your horse is getting the vitamins and minerals he needs? You can play it safe and feed him a concentrated conditioner. It should be palatable, so the horse will eat it all. And ideally, it should be in a form that simply can be sprinkled on the horse's daily ration.

Some nutrition hints from the animal health scientists at Merck:

1. Feed by weight, not volume.
2. Feed more than once daily.
3. Feed at same time every day.
4. Sprinkle a daily portion of "Top Form" concentrated conditioner over the feed, and watch the multi-colored pellets to make sure entire ration is finished.
5. Let the horse drink all the water he wants, except immediately after exercise.
6. Don't overfeed your horse.

### Several Small Grain Variety, Fertility Tests Are Being Conducted In County

Haskell County small grain producers will be glad to know that there are several small grain variety and fertility tests being conducted in the county. These test plots include variety tests on wheat, oats and barley," said Haskell County Agent R. W. Schumann. One test located just off Highway 36 on the W. E. McNeil farm has ten varieties of wheat, six varieties of oats and five varieties of barley planted on it. Another test on the Albert Thane farm in the Paint Creek community has five varieties of wheat on it. Buddy and Kenneth Lane, two progressive young farmers from Haskell are also participating in small grain tests on their respective farms. Buddy Lane has a test demonstration with five varieties of wheat and four varieties of oats. Also part of each test plot is fertilized while the rest is not. Kenneth Lane is running a wheat fertility test on his farm. This test is in conjunction with the Chillicothe Experiment Station and has wheat fertilized with eleven different rates of fertilizer, each repeated four times.

Schumann says that although it has been a very dry year for wheat, unless the tests are completely ruined, results should be beneficial to the county's small grain producers.

Demonstration tests on cotton and grain sorghum will be planted later this year.

### Farmers Urged To Attend Tax, Record Meeting

Norman Brints, area farm management specialist, will conduct a meeting on Farm Income Taxes and Records for Haskell County farmers and ranchers, Tuesday, January 24th, at the community room of the Haskell National Bank.

The meeting will start promptly at 2:00 p. m. and all farmers, ranchers and other interested persons are urged to attend, County Agent Bob Schumann said.

Mrs. Barbara Elliott, county home demonstration agent, said: "This meeting on taxes and records should be a good one for the wives of farmers and ranchers to attend, since they often keep the record book around the house."

### Injuries Fatal To Relatives Of Local Residents

Jerry Meeks, 21, of Kermit, nephew of Other Meeks, of Haskell, was killed instantly in a grinding two-car crash on January 3rd, just inside the Kermit city limits, and his wife, Cathy Lynn Meeks, passed away early Saturday morning, January 7th, from injuries received in the mishap.

Lena Fay Savage, 25, sister of Jerry Meeks and niece of Other Meeks was also injured in the mishap and passed away at 3:00 a. m. Friday, January 13. A total of six persons were involved in the wreck.

Meeks, his wife and sister, were riding in a 1966 Plymouth which was slammed into a highline pole, crushing the top of the vehicle and pinning the occupants inside the car. The other vehicle involved in the accident was a 1966 Oldsmobile occupied by two Monahan girls, 250-1, the well is bottomed at Connie Tedford, 15, Patricia Fin-

ley, 16, and Sonny Compton, 18, of Kermit.

The impact slammed the Oldsmobile into and broke a fire plug, resulting in water flooding the area as rescue work was carried out.

### Workers Conf. Set By Haskell Knox Association

The Haskell-Knox Baptist Association Workers' Conference will be held Tuesday, January 24, at the East Side Baptist Church, Haskell.

The conference will begin with a board meeting at 5:15 p. m.; supper at 6:15. Theme of the conference will be "Bible Doctrine."

Other activities include: 7:00 p. m. We worship together in song; R. D. Williams Moderator

In Prayer Announcements 7:20 p. m. The Fall of Man: Billy Hudnall, Pastor, FBC, Rotan 7:40 p. m. Justification Through Faith, Gerald Petty, Pastor, FBC, Knox City. 8:00 p. m. Congregational singing led by R. D. Williams. Special Music 8:30 p. m. The Results of Regeneration, Max Brown, Pastor, FBC, Hamlin. 8:30 p. m. Adjourn.

### OIL NOTES

A well was completed as a 1,200-foot south extension to the Turnbow, South (4,660-foot Strawn Sand) Field 5 miles north of Haskell in Haskell County.

No. 2 Bailey had a daily potential of 122 barrels of 39 gravity oil. Flow was through a 24-64 inch choke with 300 pounds casing and 50 pounds tubing pressures. It is producing from an open hole. Operator set 4.5 inch casing at 4684 feet, and the pay was topped at 4669 feet. Having a gas-oil ratio of 250-1, the well is bottomed at 4674 feet.

### er March of Dimes Poster Boy Is Part of Twin Medical Problem

twins are sup- carbon copies of in every respect others Joel and er, 6, New Stan- ve been cruelly n birth. er brother by five orn with an open (sida), a birth de- paralyzed him at down. At the his back, Jeff has ark. doesn't feel well. ters on his birth- e he is a normal, le boy," says his Thomas Kirker. ably, the young a medical puzzle. er puts it, special- sed that only one and not the other" life lost for words" e crippling differ- ical twins. Kirker says. "We a great deal to be ecause Joel is do- we can hope for rovement in the

"That's OK, Joel, even astronauts need help with their gear some- times," says Jeff Kirker, 6, of New Stanton, Pa., as he helps his identical twin Joel into his braces.

physical handicap, and quite a bit. ry, 1966, he was State Poster Boy of Dimes camp- irth defects. This l traveled through erties in his area eared on a tele- argh. watch the twins re big leaguers er on the back- and Mrs. Kirker e all the things even though he and uses a cane. ful for the skilled Joel received from th. Without that t not be alive to- was only one day pine was operated his spinal cord n. While surgeons ore the function of uscles, they did er complications, erous being infec- meningitis. other victims of Joel also had hy- ("water on the ora performed sev- to drain off the uid within the e relieve pressure.

Without relief, this pressure can lead to permanent mental damage, blindness or even death. For Joel's parents, the past six years have been times of great emotional anguish, to say nothing of financial strain. Mr. Kirker has worked for the Bell Telephone Company since he graduated from McKeessport Technical High School in 1950. In addition to caring for the twins and keeping house, Mrs. Kirker sells kitchenware to supplement her husband's income and help with medical expenses. The Kirkers are deeply grateful to the local chapter of the March of Dimes which helped pay Joel's hospital bills and covers the cost of braces which must be changed periodically. Braces or not, Joel loves it when the family pile into their trailer and set out on a camping trip, something all the Kirkers enjoy. When they settle in a campsite, the whole family knows what to expect from Joel.

He invariably takes off to visit all the other campers, one by one. He loves to meet and chat with other people, even if it means climbing hills and fighting the underbrush every step of the way. The twins can take care of each other pretty well these days. Joel can put on his braces for himself but sometimes Jeff helps him. Active, outgoing Jeff helps his quieter, more thoughtful brother in other ways, too. A firm "I think you'll like this, Joel," from Jeff often helps Joel make a decision in favor of places or things. This sort of fraternal influence leads Mrs. Kirker to tell friends that Joel's "twin brother is his therapist." By this time, the Kirkers know what Joel can do and they avoid overprotectiveness which could be harmful to both boys. His doctors hope that when Joel is about 14, surgery can be performed that will make the leg braces unnecessary.

### Haskell Garden Club Presents Mrs. C. B. Rhea in Special Night Program

#### FACTS ABOUT MEDICARE

Q—Who decides what are reasonable charges for physicians' services under medicare? A—Intermediaries. — Blue Shield organizations and private insurance carriers—who serve under contracts with the Federal government to receive and pay medicare bills, determine what are "reasonable charges." They apply two criteria set out in the law: 1. The customary charges for similar services generally made by the physician, and 2. The prevailing charges in the locality for similar services. The reasonable charge by a specialist will naturally be higher than the charge for the same service by a doctor who is not a specialist. Also, the reasonable charge may be higher than the customary and prevailing rate if there are special circumstances.

Q—How often do I have to pay the \$50 deductible under the doctor bill insurance part of medicare? A—Just once a calendar year. But if your medical expenses are less than \$50 in some year, or if they do not go over \$50 until the last three months of a year, the expenses in those last three months can count toward the next year's \$50 deductible.

Q—I don't know whether my family doctor has signed up with the medicare program. How can I tell whether he can treat me under medicare? A—Medicare can pay toward the bills of any physician licensed to practice medicine in your state.

Q—Does the medical insurance plan cover any home health care visits? A—Yes, whether or not you have been in a hospital, a physician can prescribe a home health care plan under which you can get up to 100 health care visits a year. Under the basic hospital insurance plan, home health care visits are covered only if preceded by a hospital stay of at least three days, but if you are covered under the voluntary medical insurance plan, you are also eligible for up to 100 home health visits whether or not you have been in the hospital.

Mrs. C. B. Rhea and her husband entertained Haskell Garden Club members and guests Thursday evening, January 12th in the community room, Haskell National Bank, with a showing of their films of Canada and Alaska. Also many objects from that territory were on display. Prior to the program, Mrs. E. L. Wyche conducted the business session. The nominating committee submitted the following slate of incoming officers, which was accepted: Mrs. C. B. Rhea, president; Mrs. B. F. Cobb, first vice-president; Mrs. E. L. Wyche, second vice president; Mrs. Ed Hester, treasurer; Mrs. S. P. Kuenstler, recording secretary; Mrs. Ed Fouts, corresponding secretary and Mrs. K. H. Thornton, reporter. Mrs. Cobb stressed the importance of each one participating in all types of conservation—birds, soil, water, all the good things nature has endowed to man.

Mrs. Thornton showed club members a homemade bird feeder (made by her husband). Each member could have one at no expense and a little work. Mrs. O'Neal displayed unique candles and holders which she had made. Mrs. Lane showed some of her paintings. Guests and members enjoyed the beauty of the refreshment table as well as the hospitality it afforded. The table was beautifully appointed with a silver coffee service and crystal punch bowl. The centerpiece was of pink carnations in a three-pronged crystal epergne, flanked by two decorative candles. Hostesses were Mmes. Jetty Clare, R. C. Couch and B. F. Cobb.

#### East Side Baptist Church To Observe "Men's Day"

Arthur Henderson will speak at the morning service at the East Side Baptist Church, Sunday, January 22, at the annual observance of Baptist Men's Day.

Other men who will take part in the special service and who will give testimonies will be Oris Elmore, "Christian Men and the Home," and Wallace Bird, "Christian Men in the Business World." Activities of the morning will begin with a breakfast for the men at 8:30 a. m. East Side Baptist Church is one of an estimated 15,000 churches throughout the Southern Baptist Convention which will recognize their men in a special way this day.

Baptist Men's Day is sponsored by the Baptist Men's unit of the church, Bill Marr, president.

### Haskell County Girl Awarded Scholarship

Abilene Christian College student Carolyn Bean of Rochester has been awarded a \$400 music scholarship by the Texas Federation of Women's Clubs for the 1966-67 school year. The Federation sponsors a scholarship program in which most of their clubs contribute to a Musical Penny Fund. Under the leadership of Mrs. B. F. Seay of Austin, president for 1966-68, a scholarship was provided for a deserving music student at Abilene Christian. The ACC music department, headed by Dr. M. L. Daniels, together with the Scholarship Committee, chose Miss Bean for the honor. Daughter of Mr. and Mrs. Wilson Bean of Rochester, Miss Bean is a 1963 graduate of Rochester High School. A senior music major, she has a 3.03 grade point average out of a possible 4.0. She is a member of the Women's sextet, the A Cappella Chorus, Mu Phi Epsilon music honor society, Zeta Rho social club and Kappa Delta Pi national education honor society.

### Family Assists Award Winning 4-H Pair

Mike Wheeler achievement

Linda Lilley foods

"Behind every 4-H'er you will find a father and mother's love and helping hands," said a Texas 4-H'er who won 1966 state honors. Both Michael Wheeler, 18, of Donna and Linda Lilley, 18, of Lampasas attributed their 4-H success largely to family support. Wheeler, who received a \$150 scholarship from the Ford Motor Company Fund as one of two state winners in the achievement program, says that 4-H brought him and his father closer together. "Before I joined 4-H my father and I were merely two relatives," Wheeler said, but by working together on 4-H activities, "we now have a 'father and son' relationship." Wheeler's first project was a hog. He knew nothing about raising his hog, but his father was experienced and they learned to work together. In eight years of 4-H work, Wheeler has raised outstanding 4-H poultry, vegetables and horses. In 1966 he gave the first place civil defense demonstration at state round-up. In addition to holding offices in his local 4-H Club, Wheeler has been president of the Hidalgo county 4-H Drill team and treasurer of the county 4-H council. The son of Mr. and Mrs. W. A. Wheeler, he now attends Pan American College. "A family that loves to eat and a farm named 'Hungry Acres' are two reasons why 4-H Food Preservation has been an excellent project for me," Miss Lilley explained. An exciting week in Chicago, as a guest of the Kerr Glass Manufacturing Corporation, has provided another reason. As state champion in the food preservation program, Miss Lilley was one of the Lone Star delegates at the National 4-H Club Congress.

#### Officers Elected By Neighbors Hobby Club

The Neighbors Hobby Club met in the home of Mrs. Henry Harris, Wednesday, January 11, with Mrs. Norman Bevel, president, presiding.

The following officers were elected: Mrs. John Wallace, president; Mrs. Pete Callaway, vice president; Mrs. Clois Thomas, secretary-treasurer and Mrs. Norman Bevel, reporter. Mrs. Hamp Harris, a guest, gave a demonstration on knitting. The hostess served lemon pecan pie, coffee and cold drinks to the following: Mmes. Buck Callaway, Gene Grand, Clois Thomas, Norman Bevel, Glen Alsbrook, Pete Callaway and guests, Mrs. Hamp Harris, Michael Alsbrook, Gary Thomas and Peggy Harris. Next meeting will be in the home of Mrs. Pete Callaway, and guests, Mrs. Hamp Harris, Michael Alsbrook, Gary Thomas and Peggy Harris. Next meeting will be in the home of Mrs. Pete Callaway, February 8.

#### Brother Of Gene Campbell Passes Away

Funeral services for Boyd B. Campbell, 62, of Graham, brother of Gene Campbell, of Haskell, was held at 2:00 p. m., Thursday, Jan. 12, from the First Methodist Church in Graham, with Dr. D. L. McCree, pastor, officiating. Burial was in Pioneer Cemetery, Graham. Mr. Campbell, production superintendent for Pitcock Oil Company, passed away at 7:00 p. m. Tuesday, January 10, in the Graham General Hospital following a lengthy illness. Survivors include his wife, Mrs. Marguerite Campbell, of the home; a daughter, Mrs. Sherry Sue Widener, Graham; a grandson, Donald Boyd Widener, Graham; a brother, Gene Campbell, of Haskell; and a sister, Mrs. R. T. Hartness, Fort Worth.

**Time Out For Beauty**  
by David Lawrence  
**The Lip of Luxury**  
Lip fashions are as erratic as clothes trends. You may not be old enough to recall the "bee stung" lips, the crimson cupid's bow, or the Joan Crawford square mouth look, but you'll probably remember the ghostly "moth-of-a-mouth" that was part of the 1960's Italian renaissance. Today, we've hit the prettiest medium because the flexible lipstick wardrobe is definitely "in." Women change their lip coloring as often as they change outfits. Who hasn't a pretty pink, a true red, a sunny coral, a tawny russet, and a mauve-y shade for a starter? And then, in addition, some one-of-a-kind special colors to go with certain dresses. Now there's a new lipstick concept; Dorothy Gray has come up with delicious toners like Lights Up Yellow and Opal that add new depths and lights to other shades a woman already owns. And for a marvelous about-face from day to evening, shimmering glosses like Diamond Head add pretty, pearly overtones to the lips. Not only are lipstick colors super-beautiful, but the new textures are super-smooth. Liquecence by Dorothy Gray is a moist lipstick that creates an invisible "vapor barrier" which seals in the lips' own moisture and keeps them dewy and appealing all day. Today's lipsticks do more than Color You Pretty, they're all day beauty treatments for your lips—not to mention your spirits.

### Commissioners Court Set Salaries For County Elected Officials

The Commissioners' Court of Haskell County met in regular session Monday, January 9th, with three new members holding session for the first time, including County Judge, B. O. Roberson, S. E. Biedsoe, Commissioner, Prec. No. 2, and E. C. Collins, Commissioner, Prec. No. 4. One of the main items to be considered before the court was the salaries to be set for the year 1967. The salaries set for the County Elected Officials were as follows:

County Clerk 4,687.50 Annual  
 Co. Treasurer 3,600.00 Annual  
 Sheriff 4,687.50 Annual  
 Com., Prec. 1 4,250.00 Annual  
 Com., Prec. 2 4,250.00 Annual  
 Com., Prec. 3 4,250.00 Annual  
 Com., Prec. 4 4,250.00 Annual  
 Cons., Prec. 1 100.00 Month  
 Cons., Prec. 5 200.00 Month  
 Cons., Prec. 6 100.00 Month  
 Justice of Peace  
 Prec. 1 ... 125.00 Month  
 Justice of Peace  
 Prec. 5 ... 40.00 Month  
 Justice of Peace  
 Prec. 6 ... 40.00 Month

The above salaries were set in 1956 when all county officials went on a salary basis instead of a fee basis as in previous years. Some of the County Officials think that a raise in salaries is long since over-due. Several requests for salary increases were denied.

Other items passed by the Court was to advertise for bids for a motor grader in Precinct No. 3. Advertise for bids for a county depository and school funds for years 1967 and 1968. Quarterly Report for quarter ending December 31, 1966 was approved. Resolution appointing a Justice of Peace for Precinct No. 6 was approved. A Resolution by the Commissioners'

Court endorsing the construction of community recreational facilities was approved. One to be situated near the town of Rule and to be known as Rule Recreation Club, Inc. The other to be situated near the town of Haskell and to be known as the Haskell County Country Club.

#### HASKELL COUNTY PURCHASES \$108,836.55 PLUS TRADE-INS FOR ROAD MACHINERY DURING 1965 AND 1966.
