Chamber of Commerce Luncheon Each Second Monday at Town Hall Everybody Invited Each Pays for His Meal

EX XXXV

Alan Haley
Candidate for Court
Final Appeals

ALAN HALEY

Judge Alan B. Haley of Wichita Falls is a candidate for Democratic nomination for the Texas Court of Appeals.

Haley of Wichita Falls is a candidate for the 89th District (Wichita County) bench and is, at 36 years of age, the youngest district judge in Texas.

During his election as district judge, Haley was investigated and a narcotics ring was exposed. Operations extended into Wichita Falls High school. Haley was convicted in 12 convictions, the latter part of 1951 and the first part of 1952.

Haley is announcing his candidacy, Judge Haley to his experience as a lawyer, as District Attorney and as District Judge in Wichita Falls. Haley is qualified for the high office of the Texas Court of Appeals.

Haley has served in all three of the positions in the trial of cases has enabled him to acquire a criminal jurisprudence "State," Haley said. "I have my experience to the Texas with my pledge to the duties of the court impartially and with the full vigor to the ever-increasing work placed upon the court was created in 1926 in 62 years its volume has increased four-

Complete Stoppage of Watering May Be Necessary If Citizens Continue to Disregard Zones

Complete stoppage of all watering of lawns, shrubs, etc., with City water may become necessary if citizens continue to abuse the watering privilege. Wednesday, more than 800,000 gallons of water were pumped from the station East of town. That is a record amount of water being pumped into the water mains any one day.

The city is divided into 6 watering zones. One zone each day has had the privilege of watering precious shrubs enough to keep them alive. City Water Dept. employees checked Wednesday and found people all over town watering from the City water supply. The City has an Ordinance controlling the use of city water. A stiff penalty can be placed on those violating the Ordinance.

It is believed there is enough water for all necessary household and industrial needs, plus enough to permit limited watering to save valuable shrubs and trees. PLEASE, for the good of every one, help conserve water by observing the plan laid out by the City officials.

Oscar Kemp of Kilgore, Texas Dies Of Heart Attack

OSCAR KEMP

A well known independent oil operator and pioneer oilman, William Oscar Kemp, 55, died unexpectedly of a heart attack at his home in Kilgore Friday night.

Funeral services were held at 10:30 A. M. Monday at St. Luke's Methodist Church in Kilgore with burial in Kilgore Cemetery.

A native of Temple, Kemp went to Kilgore nine years ago from Burkburnett, where he was a member of the Masonic Lodge and active in civic affairs. He was a former mayor of Burkburnett and a past president of the Burkburnett School Board and Rotary Club. He reared his family in Burkburnett.

Well known in the oil fraternity, he was co-owner of the KPM Oil Company with his sons-in-law, Hunter Parks and Don Meabon. Kemp was a member of the board of stewards of the Kilgore St. Luke's Methodist Church.

Survivors include his wife; three daughters, Mrs. Hunter Parks, Mrs. Don Meabon, and Mrs. John V. Thompson, all of Kilgore; two brothers, L. D. Kemp, Boerne, Texas, and J. A. Kemp, Refugio, Texas; four sisters, Mrs. Anna Sivils, Houston; Mrs. J. D. Copeland, Austin; Mrs. Paul Jensen, San Angelo, Texas, and Mrs. Tom V. Williams, Mineola, Texas.

A number of Burkburnett people attended the funeral.

Wendell McCulley	0	1
Jack Bowles	0	0

The Boomers have won 18 games, while losing two. They have scored 190 runs to their opponents' 48.

Lone Star Gas Announces New District Manager

H. L. Dyer, Lone Star Gas Company employee almost a quarter of a century, is the newly appointed manager of the company's Wichita Falls district of distribution, according to an announcement to R. H. Gray of Abilene, division superintendent. He succeeds George P. Williams who goes to Corsicana as district manager, Gray said.

Dyer will direct gas service and maintenance operations in Wichita Falls, his headquarters, and Burkburnett, Henrietta, Petrolia, Iowa Park, Byers, and Iowa Park Road. Sub district managers under Dyer's supervision are W. R. Milam at Burkburnett, J. G. Hayes at Henrietta and Carl Walsh at Iowa Park.

The Wichita Falls district list more than 28,000 residential, commercial and industrial customers.

Dyers comes to this territory from Denton where he had been district manager for six years. He began work for Lone Star at Bonham, January 6, 1930, as salesman in the liquefied petroleum gas department, and with the exception of this assignment Dyer has spent his entire Lone Star career in the capacity of district manager.

His first managerial appointment was in Cisco from 1931 to 1937, followed by similar work at Seymour and McKinney. In 1949 he took over the district managership at Denton. His appointment as Wichita Falls district manager becomes effective August 1. Prior to his Lone Star connection, Dyer was city salesman for the Brown Cracker and Candy Company in Dallas, his birthplace.

Dyer's work in behalf of community affairs reads like a "Who's Who" listing. At Denton he had served as president of the chamber of Commerce, was elder and finance chairman of the First Christian church and director and vice president of the Rotary club. He was serving as finance chairman of the Denton County United Fund and a director of Denton Industries Inc.; Denton County Red Cross chapter and the West Texas Chamber of Commerce. He held memberships and committee assignments in the Denton Rotary Club, the Denton County Live Stock Association, and various other civic and welfare groups. His work in behalf of community affairs was also noteworthy in Cisco, Seymour and McKinney, among other things, he was county chairman for the Collins County Centennial Celebration.

"Biggest job I ever held in the behalf of community services," said Dyer. He is a Mason and member of Hella Temple Shrine in Dallas and the Aircraft Owners and Pilots Association.

Mrs. Dyeans is the former Dorothy Hamm. Her parents were Mr. and Mrs. George E. Hamm, Dallas residents for many years. The Dyers children are Mrs. E. D. Little of Carland and Dorothy Colleen Dyer, age 17.

Wrestling Matches Bulldog Stadium Friday, July 23rd

The American Legion Post No. 264 of Burkburnett is sponsoring wrestling matches to be held at Bulldog Stadium Friday night, July 23rd. The events will begin at 8:30 P. M.

Headlining the grunt and groan contests will be GORGEOUS GEORGE McKay and SAMMY BALDWIN. Gorgeous George is known far and wide as the soft looking man with the tough disposition.

Midgets Too

Midget wrestlers will also be featured on the entertainment bill. Gentleman Bill will oppose Pee Wee Cortez.

The final bout will be between Elephant Boy and Jack Kennedy. Kennedy is the bald-headed bad man from South Texas.

According to Jack Alexander, local Commander, the prices have been set at \$1.50 for ring-side; general admission \$1.00, and children 50c.

Cleve Cullers Candidate For State Legislature

Cleve Cullers of Wichita Falls, candidate for state representative, today stated his platform as follows:

A few weeks ago I announced my candidacy for the state legislature in the 81st district, place 2, representing Wichita County. In asking your support I believe that you are entitled to know my personal background and my political beliefs.

My name is Cleve Cullers, and my home is Wichita Falls, Texas. I was reared on a farm in Jack County, Texas, and was graduated from Bryson public schools in 1940. After graduation from public school I entered Abilene Christian College and attended college in Abilene, Texas, until 1943 when I was called into the Navy as an apprentice seaman. I later received my commission and served state-side and in combat in the Pacific Theatre of operation. Upon being relieved of active duty, I again entered Abilene Christian College and received my BS degree from there. Since then I have been almost continuously engaged in tax consultant work. For the past six years I have been associated with Berry Brown and Company, Wichita Falls, engaged in this type of work.

I am married and have two children. I am a member of the Church of Christ and have taken an active part in the activities of the church, particularly in the programs pertaining to the young people. I am asking your support because I believe that the maintenance and preservation of the American way of life and liberty is dependent upon sound practical legislation.

I believe that a member of a legislature should be able to go to Austin and devote his full time to the legislative session. I have made arrangement whereby I can be free from all private business responsibilities during any session of the legislature.

No public office holder should use his position for the promotion of personal gain and I assure the citizens of Wichita County that my one aim is to serve them.

I. All matters of legislation should be given mature and thorough study by all members

The star pitchers were Joe Hoggard for the Braves, J. L. Pinson for the Eagles, Kenneth Estes for the Steelers and Donald Moore for the Oilers.

Little Boys to Sell Pins

Members of the little boys' baseball teams will be out next week selling baseball pins to raise money to buy T-shirts and caps. They plan to call on every business house down town as well as the homes in the residential areas.

Richardson says he needs more equipment, now that the group has grown larger. Each day new boys report and the number is expected to increase as the days go by.

Booger Wood was in town Wednesday from Devol, Oklahoma. He recently returned from Missouri, where he had three combines following the wheat harvest. Booger said that if Country Owen wanted to play him another game of baseball, he had found some excellent material around St. Louis, Mo., and if necessary, would import some outsiders in order to beat Country and his gang.

Boys' Recreation Program Growing Needs Equipment

Supervisor Al Richardson turns in a mighty fine report on the Boys' Summer Recreation Program for this week. Eleven new boys have reported for the fun the other one hundred plus have been enjoying.

Dug-out shelters have been erected to protect the little fellows from the hot sun when they are not on the baseball field.

The Eagles and the Braves had a three game series this past week. The Eagles won the first 18 to 1, lost the second 9 to 5 and the third 6 to 1.

In another division the Tigers beat the Wildcats 4 to 3 in the first game, were victorious in the second game 4 to 2, but lost the third to the Wildcats 16 to 15.

Excellent hitting was turned in by Chuck Duke and Loy Walker for the Braves. For the Eagles, Ronald Patterson and Tommy Six were outstanding. Kenneth Estes and Gary Jennings also looked good at the bat.

William Bundy Died Tuesday Of Heart Attack

William McKinley Bundy, 57, resident of Burkburnett for 34 years, died unexpectedly Tuesday afternoon following a heart attack in the oil fields Southwest of town.

An employee of the Magnolia Petroleum Company for three years and of the now-defunct Tucker Oil Company for the 20 years before that, Bundy came here in 1920. He was born at Yellville, Arkansas.

Funeral services will be held Thursday (today) at 3:00 P. M. at the Thrift Memorial Baptist Church with Rev. Lamar Lewis, pastor of the Jenoe Baptist Church of Jenoe, Texas, officiating.

Interment will be in Burkburnett Cemetery under the direction of Owens and Brumley Funeral Home.

Pallbearers will be Emmett Hancock, George Hodges, Geo. Savage, G. E. Maltby, Howard Williamson and J. W. Stubblefield.

Survivors include the widow; two sons, Harold Bundy of Hull and Billy Bundy of Beaumont; three daughters, Mrs. Mary Louise Kincaid of Mishawaka, Ind., Mrs. Jo Ella Boyd of Bonham, and Mrs. Sue Kirkham of Burkburnett; two brothers, Luther Bundy of Burkburnett and J. H. Bundy of Megargel; five sisters and eight grandchildren.

Mr. and Mrs. Henry McDonnell and sons Gary and Doak visited in Fort Worth over the week end.

Paving of Streets In Additions Paid By Individuals

An article in the Star last week concerning the paving of streets in Burkburnett left the impression that all of the paving was paid for by the City of Burkburnett. The article should have stated that individuals paid for the work in the additions, and the City paid for the other paving, principally on First and Second Streets and Avenue E.

We don't understand why modern girls are so rude as to let their boy friends go home without breakfast.

Boomers Battling To Hold Top Spot Against Iowa Park

The Burkburnett Boomers will play Iowa Park here tonight (Thursday) at 8:00 P. M. in an Oil Belt League game. These two teams will be battling for the top spot in the League. The Boomers lead the Iowa Park team by only one game, and both teams will be doing their level best tonight. The local team beat Iowa Park 7 to 5 in a previous engagement.

Lefty Jim Price will pitch for the Boomers tonight.

Won One, Lost One With Sheppard Senators

The Boomers won one and lost one with the Sheppard Senators this week. The Boomers won here Monday night 4 to 3 in an 11 inning game, one of the most exciting games of the season. Dan Owen stole home base in the bottom of the 11th with the winning run. Al Richardson was the winning pitcher.

The Senators won Tuesday night on their home field. David Fleming was the losing pitcher.

Selected officers are: President, Geo. Hodges; Vice president, Floyd Secretary; 3 new elected: Bill Milam, Harold and F. A. Jamieson.

Herring Purchases Byars Hardware

In a recent business transaction in Burkburnett, ownership of the Byars Hardware Store passed to Johnnie L. Herring of this city.

Herring has been in the radio and television business here for the last four years.

The business will be operated by Mrs. Herring for the first two weeks as Herring is attending an electronics school in California.

L. J. (Buddy) Byars, the former owner, has not announced his future plans yet.

NOTICE

The Gay Lady's Garden Club will meet Monday night, July 19th at 7:30 P. M. in the home of Mrs. Frank Hendon at 122 Avenue E.

TEX OK THEATRE Sunday Only

Jane Russell sizzles in this scene from "The French Line." A technicolor story of song, dance and romance!

Political Announcements

Under the headings will be published the names of the candidates for public office, subject to the Democratic Primary.

The fees for announcements will be as follows:

For State, Judicial, or District Offices \$20.00
For County Offices \$15.00
For Precinct Offices \$15.00

Above prices include formal write-up announcement and carrying name in announcement column. All fees cash in advance.

For County Commissioner Precinct No. 2:

W. T. (Slim) HOLMAN
OSCAR McBRIDE

For County Hide and Animal Inspector:

T. GUY WILLIS
REX LEHMAN

For Constable, Precinct No. 2

T. K. (Beaver) GARLAND

For Assessor and Collector of Taxes

CLAUDE C. RITCHIE

NOTICE

Absentee ballots for the July 24th Democratic Primary may be secured from the Chamber of Commerce in Burkburnett.

NOTICE

Funeral services for Mr. Bruce Hopkins who died in a Wichita Falls hospital Tuesday night will be held Friday, July 16th, at 2:30 P. M. from the Randlett Baptist Church.

TOMORROW'S JOBS Great Chances - Great Opportunities

No one really knows, of course, how life will be in 1964. But from the trends of today, it looks something like this:

There will be many more people running machines, and fewer laborers and skilled craftsmen. An upper level of scientists, engineers and business school trained executives will run business and industry.

To get ahead in any trade or profession you will have to know more than you have to know today.

Industries that use the discoveries of science will be booming. They will include chemicals, electronics, labor-saving devices.

Big Government, big business, big unions and the machines will tend to level people into a common denominator. It will be harder for a man to be independent, individualistic, be his own boss.

Chances are you will be more comfortable, better amused, more secure. Whether you will be happier and live a more fulfilling life will depend on how well you can fit yourself into the complex economy that lies ahead.

CALL THE COPS

It seems that Mrs. Lilita Lebron fired her pistol into the ceiling of the House of Representatives, while her three male companions poured lead from the gallery into five Congressmen on the floor below them last March 1.

Thus, while US District Court Judge Alexander Holtzoff meted out the stiffest sentences in the book to the four Puerto Rican terrorists, Mrs. Lebron, who said she did the shooting "for the freedom of my country," was given 16 years and eight months to 50 years, and her pals 25 to 75 years.

But for the skill of surgeons, Judge Holtzoff told the would be assassins, they would be receiving death sentences. We can hope that parole boards in future years will remember these words, and reflect that serving maximum time will amount to the same thing.

The crime, said the Judge, was "so heinous, so infamous, so daring, and so atrocious as to shock the conscience of the Nation." We will go along with his Honor on all those adjectives except "daring". And while the crime has shocked the Nation, it has thus far failed to jar the Congressmen themselves into action to provide the Capitol with an adequate professional, and non-political, police force. A bill to replace the patronage policemen with real cops was written long ago, but nothing happens.

It took little "daring" for these trigger-happy mobsters to make their way into the National Capitol, to their vantage point in the House Gallery, and there to open fire on their helpless victims.

Gun-toting in these premises should be discouraged, by professionals.

WE CAN'T WIN

Last February third, two Russian diplomatic aides, Commander Igor A. Amosov, assistant naval attache and Alexander P. Kovalyov, second secretary to the Soviet UN delegation were declared undesirable and ordered expelled from the US. On May 29, Lt. Col. Leonid E. Pinev, assistant aid attache, met the same fate. All three were charged with espionage.

But these matters were kept very quiet in hopes that Moscow might fail to return the compliment and kick out some of our embassy team. It seems it's not easy to get qualified Americans to fill these jobs in the Communists paradise. We are permitted to know these things now because Lt. Col. Howard L. Felchlin, assistant military attache, and Maj. Walter A. McKinney, assistant aid attache, have been chucked out of the US Embassy by the Russians in retaliation. The Russians say our men are spies. The State Department says they are not.

This diplomatic patty cake should point up the ridiculousness of trying to maintain formal, polite, stripped pants relations with the Soviet, and give fresh momentum to the effort to bring our boys home from Moscow and invite the Red envoys to leave Washington. It is worse than foolish to continue this one way pipeline for the Kremlin.

Texas Forest Fire Losses Last Year May Be Record

Forest fire losses in Texas dipped to a new low—at least in recent years, in 1953, it was announced by American Forest Products Industries.

With a record of 2,125 fires and 40,148 burned over acres, the Lone Star State was second only to Virginia in low forest fire losses in the South, AFPI reported. The Virginia record was 2,517 fires and 35,197 burned-over acres.

The 1953 figures for Texas show a phenomenal improvement over the 1952 record of 5,264 fires and 503,083 acres burned. During the past 12 years losses have ranged as high as 3,396,576 acres in 1948. This year's figure is the lowest since 1949, when the loss was 66,137 acres. Since 1942 Texas topped the million acre loss mark four times: 1943, 1,288,901 acres; 1946, 3,108,051 acres; 1947 3,254,670 acres and 1948, 3,396,576 acres.

Fifty-nine percent of Texas' 15,399,000 acres of forestland has organized fire protection. Careless smokers, careless brush burners and incendiaries were blamed for more than two-thirds of the fires last year on protected lands.

The new figures show 170,960 acres burned over in Louisiana, 773,620 acres in Mississippi and 188,079 acres in Arkansas.

"Forest industries of Texas are proud of their part in this low fire loss record," said Hursley, Trinity, chairman of the Texas Forest Industries Committee. It shows that everybody concerned has done a good job. But we know from past experience that we cannot afford to rest on our laurels in this matter of preventing forest fires.

Burkburnett History

Revealed By Star
Files 10 Years Ago...

Victor VanLoh is back at the Frozen Food Locker after suffering from an infected foot the past two weeks.

Miss Annie Laurie Billingslea was taken to Dallas Thursday morning to the hospital where she will receive treatment for an eye injury.

Mrs. Virginia Woosley left last week for Tennessee where she will visit her sister and mother-in-law. She is the former Miss Virginia Crowder.

Cecil Sauls was here last week visiting his parents, Mr. and Mrs. J. A. Sauls.

Miss Margaret Mathews of San Antonio is here visiting her sister, Mrs. Ralph White.

Mr. Dow Estes and son Bill

have gone to Indiana this week for a short visit.

A number of relatives and friends gathered at the D. E. Woodard home Wednesday evening in honor of the birthdays of Mrs. Bessie Bogart and Grandma Bogart. A lovely dinner was served and many lovely gifts were presented the honorees.

Mr. Rene Miles of Canyon, Tex., is visiting friends and his mother in Burkburnett this week.

Pfc. Hubert S. Butts, Jr., left last week after a 15 day furlough with his parents, Mr. and Mrs. H. S. Butts. Pfc. Butts is in the Field Artillery and is stationed at Camp Maxey, Tex.

THE STATE OF TEXAS

TO: E. M. Jones, and his unknown heirs, legatees, devisees, spouses, assigns, executors, and legal representatives, Greetings:

You are hereby commanded to appear before the Honorable 30th District Court of Wichita County, Texas at or before ten o'clock A. M., the first Monday next after the expiration of 42 days from the date of issuance of this citation, the same being the 2nd day of August, 1954, then and there to answer the plaintiff's petition filed in said court on the 12th day of June, A. D. 1954, in this cause numbered 53981-A on the docket of said court and styled R. Lee Kempner vs. E. M. Jones, his unknown heirs, legatees, devisees, spouses, assigns, executors, and legal representatives, Defendants.

This is a suit, wherein the plaintiff seeks to cancel an oil and gas lease insofar as it covers certain property herein-

after described by the failure of E. M. Jones, the record leasehold owner thereof, or those claiming under him, to reasonably develop said lease as to such property, and for the abandonment of same; or, in the alternative, to enforce specific performance of the implied obligations of said oil and gas lease to reasonably develop same.

Plaintiff alleges that he is the owner in fee simple of all of the 231 acres of land covered by a certain oil and gas lease dated January 14, 1919 and recorded in Volume 122, Page 149 of the Deed Records of Wichita County, Texas executed by J. A. Kemp and Eliza Kempner, as Lessors, in favor of W. G. Burton, as Lessee, to which lease and its record reference is hereby made for all purposes.

Plaintiff further alleges that on October 29, 1919, by instrument recorded in Volume 141, Page 441 of the Deed Records of Wichita County, Texas, W. G. Burton executed as Assignor of said oil and gas lease to E. M. Jones, as Assignee, insofar as the same covered the following described land in Wichita County, Texas, to-wit:

All of Block No. 13 and 25 of the W. G. Burton's Subdivision of Blocks No. 45 and 82 of J. A. Kemp's Wichita Valley Farm Land, according to the plat of said Burton's Subdivision of record in Volume 2 at Page 53 of the plat Records of Wichita County, Texas, and containing 14.58 acres of land, more or less;

to which assignment of oil and gas lease and its record reference is hereby made for all purposes. Plaintiff further alleges that the record ownership of said leasehold estate in the above described 14.58 acres is now in the name of the defendant, E. M. Jones; that there has been no drilling of any kind on Blocks 13 and 25 of said Burton's Subdivision since the year 1920; that E. M. Jones has not been heard of for more than 25 years; that said E. M. Jones and those parties and defendants holding under him failed reasonably to develop the property and drill such wells as a reasonably

prudent oil operator, under similar circumstances would have drilled and would drill in the reasonable expectation of obtaining production therefrom; that although production has been obtained upon adjoining tracts within the past year, the defendant E. M. Jones or those claiming under him have failed to reasonably develop the above described property, and have abandoned same. That for such failure to reasonably develop said property and for the defendants' abandonment of same, the plaintiff herein is entitled to have said oil and gas lease cancelled insofar as the above described 14.58 acres of land is concerned.

Plaintiff further alleges in the alternative that due to the fact that the defendants are non-residents of the State of Texas, or in the alternative are transients, whose residences are unknown or who have no fixed place of residence, and that the defendants are insolvent in that they have no assets of any kind or character within the state subject to execution, that damages would be wholly inadequate under the circumstances and that the implied covenants of said lease to reasonably develop said property should be enforced.

WHEREFORE, Plaintiff prays that Defendants be cited by publication and on final hearing he have judgement cancelling and holding for naught the above described oil and gas lease insofar as it covers the above described 14.58 acres of land, or in the alternative judgement be rendered specifically enforcing the performance of the implied obligations of said lease to reasonably develop the same, insofar as the above described 14.58 acres is concerned, under penalty of forfeiture; and the plaintiff recover of and from the defendants, and each of them, the title and possession of the above described property free and clear of all claims that might be asserted by defendants, or either of them, therein; that the Plaintiff recover his cost herein incurred and have such other and further relief, general and special, in law and in equity to which he may show himself justly entitled

If this citation is not served

within 90 days after the date of issuance it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and seal of said court, at my office in Wichita Falls, Texas, this 18th day of June A. D. 1954.

(SEAL) Flora Cobb, Clerk of the 30th District Court of Wichita County, Texas 49-41C

A Man of Integrity

T. Guy Willis of Burkburnett, is a much loved man of the people of Wichita County. Having lived here practically all of his life, he is familiar with all the ranchers, knowing each brand and in many cases even the traits and habits of their livestock. By having this knowledge it enables him to look after your interests and at all times is happy to do so. Stock not only seem to seek a greener pasture in the day time but are fascinated to take a stroll at night. Therefore it behooves your brand and animal inspector to be on the alert for just such incidents.

T. Guy Willis will at all times endeavor to protect your interests as voters in Wichita County as he is asking that you go to the polls, Saturday, July 24th, and elect him as your brand and animal inspector.

Fifteen Enrolled In Summer Course Of Homemaking

Fifteen girls at Burkburnett High School are taking a summer course in homemaking to increase their homemaking skills as well as earn one-half credit toward graduation.

Deloris Fleming, Eileen Webster, Janice Henry, and Peggy Terry have been doing group work in canning vegetables and making jelly. Pat Bernethy, Louise Boyd, Charlotte Simons and Etta Lee Brannon have been unholstering a chair. Shirley Blankenship, Marilyn English, Joyce Lovelace, Margaret McDonald, Marion Pace, Shirley Smith and Gloria Wortham have been conducting a play school for pre-school children.

In addition to this work each student undertakes some home responsibilities for her project work.

Iletha Herring is attending G. A. camp in Vernon, Texas, this week.

Mr. Johnnie Herring is attending an electrical school in Hollywood, California, for two weeks.

First Baptist Church

T. Lynn Stewart, Pastor

The Church in Bible Study, 9:45 A. M. God's Word is faithfully taught to all ages. We are rejoicing in the way our attendance is holding up despite the hot weather and vacations. The Lord blessed with 420 present last Sunday. We had 5 new members and 48 visitors. We urge our people to be in attendance this Lord's Day. Bring your visitors with you. Visitors and new members are most cordially invited.

The Church at worship, 10:55 A. M. Sermon: "Master of Wind and Wave." A Christ centered sermon.

The Church in Training, 6:45 P. M. Training Unions for all ages.

Evening Worship, 8:00 P. M. Sermon: "Lovest Thou Me More Than These?" Plain Bible preaching. Bro. Ted Boya, music director, has returned and will lead the singing at both services.

Wednesday, 7:15 P. M., Officers and Teachers meeting. Prayer Service at 7:50 in the church auditorium. Choir rehearsal at 8:30.

A clean, cool babyland is provided for the babies. Capable attendants are in charge.

Make Sunday a great day for the Lord. Be faithful in all services and we believe the Lord will bless you.

Unity Garden Club Met In Home of Mrs. Ralph White

Mrs. Ralph W. White presided over a brief business session of the Unity Garden Club meeting in her home Tuesday morning, July 13th. Delegates were elected to attend the fall board meeting of Texas Garden Clubs, Inc., at Marshall, Texas, and also the state convention next spring at Corpus Christi, Texas.

Discussion was held on various ways to secure money for the cemetery project. Mrs. R. C. Gilbow, chairman, asked that we look over the architecture plans for the gate at the South side of the cemetery.

Cokes were served to twelve members and two visitors present.

Mrs. Ella Dodson of Lexington, Kentucky, is here this week visiting her son, Editor Harry Dodson, Mrs. Dodson and Jean. She will go from here to Roswell, New Mexico, to visit another son, Lieut. Donald Dodson and wife.

Calvary Baptist Church

Sunday School at ten A. M. The lesson is Genesis, chapter forty-five—"Joseph Makes Himself Known to His Brethren." This lesson is a beautiful type of how Christ makes Himself known to those who trust Him, and to Israel, who as a nation shall see Him as He comes in power and great glory at the close of the tribulation period, and shall confess Him as their Messiah. We study the Bible chapter by chapter. There is a class for every age.

Preaching service at eleven A. M. After being away last Sunday in revival services, the pastor will be back in his own pulpit. The message subject will be, "The Marks of A Christian." How about it, are your identification papers in order? How about coming and checking them over against these scriptural marks?

Young People meet at 7:15 P. M. All youth are welcomed.

Night song and preaching service. The christian has something to sing about. The sermon subject of the pastor will be, "When and How Will This World Know Peace and Security?" Who isn't interested in this subject? When we observe international chaos, national confusion, moral debauchery, religious turmoil, etc., what is the answer? While we look at this subject from a worldwide standpoint, we shall also consider it locally and personally.

You have a warm welcome to all services of this church.

Ray C. Morrow, Pastor
Mr. and Mrs. H. A. Goodwin of Burkburnett and Mr. and Mrs. E. V. Pearson and family of Nocona, Texas, have just returned from a week's vacation in Hot Springs, Arkansas. They also visited George Pearson and family in Texarkana, Texas.

2nd Lieut. and Mrs. Williams of Greenville, visited in the home of Mrs. H. A. Goodwin. 2nd Lieut. Williams received pilot from the Greenville, Nevada where he will be stationed. Mr. Williams is a former educational director of the Baptist Church here.

MORE MONEY for SCHOOLS

During Governor Allan Shivers' administration more money has been spent for schools than ever before.

The result?—better schools, more and higher paid teachers, and better guidance for your children.

Since Allan Shivers became your governor, school funds have increased from 115 million to 211 million dollars per year. Teachers get \$1000 a year more. Your child receives individual attention from 15,000 more teachers.

This educational climb is your child's guarantee of a profitable and happy future. For you it means assurance about his growing up years. It means a better Texas for everyone.

IN WICHITA COUNTY

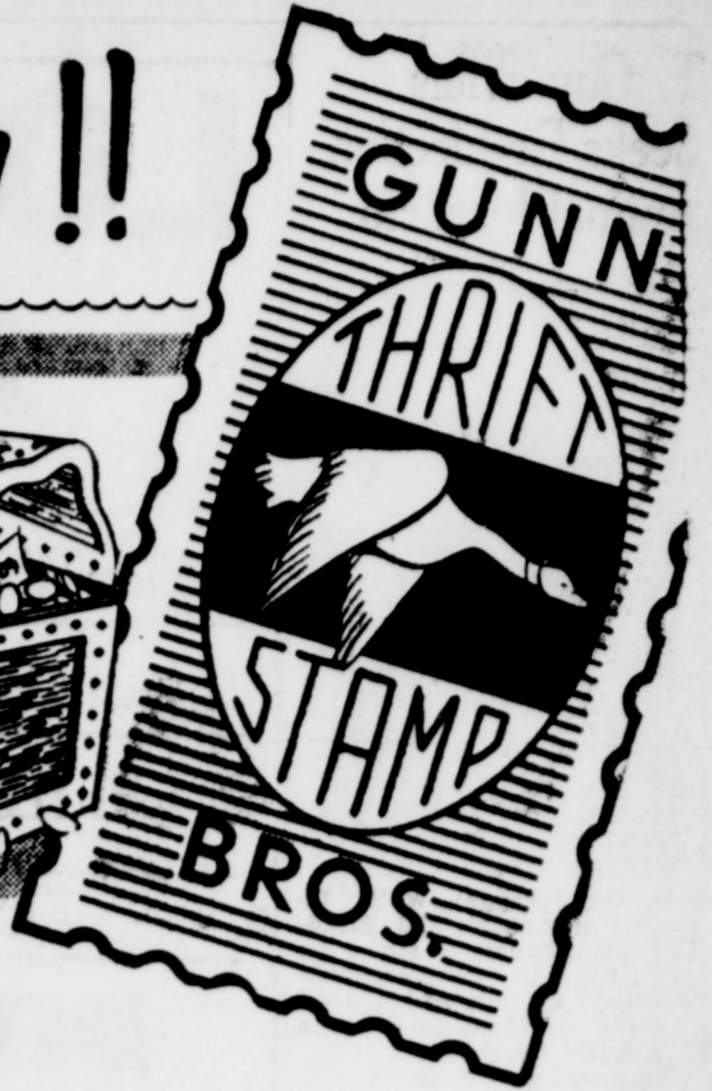

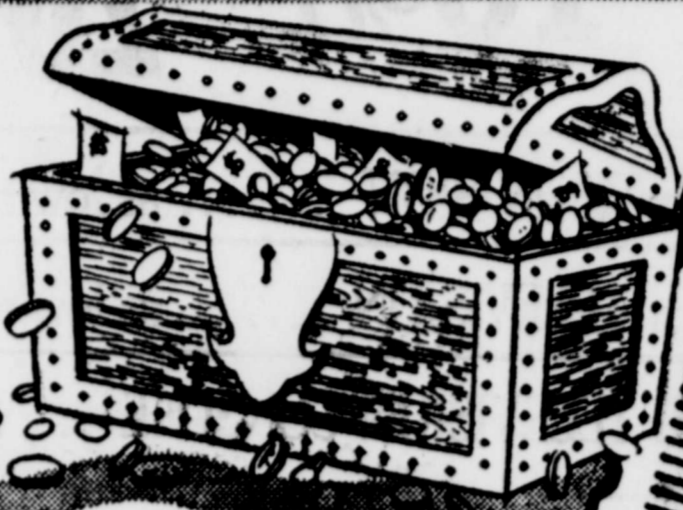

\$1,690,118.05 was spent for your child's education during the last fiscal year. He got better teachers with higher salaries and an administration that had more money to spend for its needs. Texas veterans received more educational aid.

The money went for other—but mighty important—things too, like school buses and cafeterias with hot noontime lunches. It meant more vocational help for your child. It went for many things, all necessary for a better education for him.

Texas Comes First With Allan Shivers for GOVERNOR

DEVOL NEWS Mrs. C. O. WOODLEY

Bruce Hopkins who suffered a stroke several weeks ago, had a heart attack Sunday and is considered in a serious condition in a Wichita Falls hospital.

considered quite good and he was able to return to Dallas Sunday. Mrs. J. H. Gardner who has been in a Wichita Falls hospital three weeks is expected to be able to return home this week.

and V. E. Lagrone left Sunday morning for Rockport, Texas for a few days of fishing. H. D. Hinkle received word last week of the death of a brother whose home was in Tennessee.

Mrs. Madell Ellis Hostess July 12th To Wesleyan Guild

The Wesleyan Service Guild of the Methodist Church met in the home of Mrs. Madell Ellis on July 12th. Mrs. Earl Martin presided over the business session.

Jim Pirtle, T. M. Jenson, Homer Gilbert, Bertha Majors, J. B. Morris, H. R. Hayes, Lucille Duval, the hostess, Mrs. Ellis and one visitor, Mrs. Henry Prinzing.

A busy man doesn't worry about his age, because he does not count his years until he has nothing else to count.

Women soon learn that if you give a man an inch he thinks he's a ruler.

Our modern girls have a real problem when they try to buy clothes that reveal and conceal at one and the same time.

Nowadays it isn't a question of whether or not the train is on time. It is just a matter of whether or not it is going in the right direction.

Adam's Ale is another term for water.

Bridal Shower Honors Miss Gee At Baptist Church

Miss Patricia Gee, bride-elect
 of Wayne Ellis, was compli-
 mented with a miscellaneous
 bridal shower held in the party
 room of the First Baptist Church
 Monday evening.
 Miss Gee, the honoree, her
 mother, Mrs. C. D. Gee, and the
 groom-elect's mother, Mrs. H. C.
 Ellis of Electra, were presented
 corsages.
 A large list of hostesses served
 the guests throughout the
 evening.
 Miss Peggy Rinefeldt presid-
 ed at the bride's guest book.
 Miss Juanita Butts and Miss
 Nathalie Foster served punch
 and cakes from the lace cloth
 decorated table.
 Miss Foster, accompanied on
 the piano by Miss Donna Ady,
 gave as her vocal number
 "Here".
 Little Miss Karen Metz and
 Master Michael Knox furnished
 appropriate numbers, "Every
 Day I Love You Just a Little
 More", "Make Love to Me" and
 "Somebody Bad Stole the Wed-
 ding Bell". They were accom-
 panied by Miss Blanche But-
 ler.
 Mrs. Chas. (Peanut) Boyd
 gave a clever reading, present-
 ing Miss Gee with a large col-
 lection of beautiful and useful
 gifts.
 Among the approximately 60
 guests present were the follow-
 ing from out of town:
 Mrs. O. B. Greene of Wich-
 ita Falls, Mrs. Elva Gamble of
 Electra, Mrs. Sophie Myers of
 Electra and the groom-elect's
 mother, Mrs. H. C. Ellis of
 Electra.

Buddy and Becky Byars

Mr. and Mrs. Bill Null of
 Wichita Falls, Mr. and Mrs.
 Taylor Dunn and sons, Jim, Joe
 and Jay and Miss Patricia Cal-
 lumburger of San Francisco, Calif.
 and Mrs. Charles Dunn and daugh-
 ter Barbara of Tulsa, were
 visitors in the home of Mr. and
 Mrs. C. H. Dunn over the 4th
 of July holiday. Joe is remain-
 ing with his grandparents for a
 longer visit.
 Mr. and Mrs. John Duke and
 children of Lawton visited Mr.
 and Mrs. Grady Duke and Mr.
 and Mrs. T. E. Spannagel Tues-
 day of last week.

VETERANS Administration Questions and Answers

Q—I still am in school under the World War II GI Bill. I want to know whether I will be allowed to change my course even though my cut-off date has passed. I've been doing well in my studies, but I feel I am in the wrong field.

A—Under the law, it is possible to change your course if the new course would be more in keeping with your aptitudes, previous training and experience. You will need VA's approval before you make the change.

Q—I am the widow of a World War I veteran and I am supporting a child under 18 years of age. My salary has just been raised to the point where I no longer will be eligible for a VA pension. Could a pension be paid in behalf of my child?

A—Yes, so long as your child's annual income does not exceed the legal maximum, he will be eligible for pension payments in his own rights. The payments will begin as of the day follow-

ing the date of your last payment.

Q—Is there any time limit on filing a claim for reimbursement of burial expenses of a veteran?

A—Yes. The claim must be filed within two years after the date the veteran was buried.

Mr. and Mrs. Charles Duke of Atlanta, Ga., visited over the weekend in the homes of Mr. and Mrs. Grady Duke of Oklahoma and Mr. and Mrs. Jack Duke of Burkburnett. The Dukes will visit in Utah and California before returning to their home in Georgia.

Mr. and Mrs. Jerry Jack Miller of Norman, Okla., are the proud parents of a new baby girl born 1:55 p. m. Thursday afternoon, July 8th. The young lady weighed 7 lbs and has been named Valerie Miller. Mother and baby are both doing fine.

Mr. and Mrs. F. S. Shofner and children of Houston are visiting in the home of her parents, Mr. and Mrs. Roy Magers this week.

People wouldn't brag so much about their ancestors if they'd just remember that the older the seed the poorer the crop.

From where I sit... by Joe Marsh

What's New with Cows?

Catching up on my reading, I noticed three news items you might like to know about.

First, a farmer whose milk had a trace of garlic flavor is feeding his cows chlorophyll to sweeten their breaths.

Next, a college agricultural station has trained a herd to get milked when they are called by number. Seems 75 out of 80 cows learned their numbers in a few days. Guess the "dumb" five couldn't count that high. Final item—cows are getting "nose-printed" for identification.

From where I sit, I hope there is as much progress being made with humans... especially in regard to tolerance. Whether it's a choice of a political party, a basketball team, or a favorite beverage, let's learn to live and let live more. You may ask for a soft drink after a hard day's work—I'll choose a refreshing glass of beer. But let's not try to "cow" the other fellow into our way of thinking!

Joe Marsh

At Your Electric Appliance Dealer NOW!

wonderful

Party Partner

— an ELECTRIC FOOD FREEZER!

Party giving is easier... and less expensive with Reddy Kilowatt and an electric food freezer to help you. You have fresh fruits and vegetables that you bought in season in your freezer. And when your market had a weekend special on meat, you bought in quantity at savings... you stored it for just such an occasion as this. Save time and trouble when you entertain... always be prepared for unexpected guests with a full food freezer. It's a "party partner" you'll never want to do without.

See your electric appliance dealer for the chest or upright electric food freezer that opens the door to good eating every day in the year.

TEXAS ELECTRIC SERVICE COMPANY

Texas State Dept. of Health

Dr. Henry A. Holle, M. D.

Walk into practically any home gardening supply store in the state and ask for an organic phosphate insecticide. Chances are the clerk will sell you a bottle or package without fuss or bother.

What's wrong with that? Just that organic phosphates happen to be among the most deadly of chemical compounds for humans as well as insects.

Last year a Texas rancher accidentally killed 48 cows by spraying them with the potent insecticides. He wanted to kill their insect parasites, and did not realize the chemical was highly toxic for all warm blooded animals.

A six year old Oregon boy found a bottle of TEPP, one of the organic phosphate insecticides, in a field near his home. Workmen presumably had left it after spraying an orchard. The curious lad spilled a cupful on his pants and was dead in less than 24 hours.

Conscious of the same thing happening in Texas, State Health Officer, Henry A. Holle would like to make it hard for part-time home gardeners to buy the compounds.

"Used as chemists intended, organic phosphates are a great help in fighting agricultural pests," says the health official. Used indiscriminately without protective clothing, they're lethal.

Organic phosphates were developed in Germany after the last war. They are the chemists' answer to demands from agricultural men for a real bug killer to combat hordes of insects which do billions of dollars of damage to crops annually.

In the hands of professionals, trained in precautions to be taken in using them, chances of accidents are slight. But in recent years, bottle and packages have appeared on retail shelves for home gardening use. Since then, incidents of human poisoning have increased.

The three most important types are tetraethylpyrophosphate (TEPP), hexaethylethyltetra-phosphate (HETP), and parathion. All are sold under various trade names.

Most manufacturers spell out in bold black or red letters the fact that the contents are highly hazardous for humans, and recommended wearing respirators, rubber gloves, coveralls, and a rubber cap or hat when using the sprays. But warning labels don't always help.

Dr. Holle thinks legislation regulating sale of organic phosphates for home use would help. But without legislation, he says it's up to users to read warning labels and believe what they read.

Vote for S. J. Mitchell for Constable, Precinct No. 2.

Back BEN RAMSEY For GOVERNOR

Ben Ramsey, as a man who has fought the battle of water and conservation, knows it is the state's foremost challenge. A statewide coordinated program, integrating flood control, soil conservation, power and recreation, Ramsey says, is necessary to the state's welfare and economy.

For By Ben Ramsey

Ways From The Congress

FRANK IKARD

ago I mentioned that the Congress was expanding the pre-ream flood control program in our part of the country. I am familiar with it and know how important it is to proper soil conservation as well as flood control. A bill dealing with it passed the House several times, and just recently the Senate with what is a crippling amendment. The Department of Agriculture has been almost put out of business entirely. Another bill requires that of over 2,000 acre feet must be approved by the Senate. In addition, any small project will have to be approved by the appropriate agency. A few states have agencies, but the great majority of them would have to give approval. This, of course, has to be done by the legislature. In other words, like the bill in its present form would seriously handicap a good start that has already been made on this project. All of those who have

worked on this legislation for a long time and who are interested in it still hope that something yet might be done to maintain the progress that has already been made and to make it possible for the program to be expanded in the future.

During this session of Congress, the establishment of an Air Academy to train officers for the Air Forces was authorized. Just recently a site for this Academy has been selected near Colorado Springs. The Academy will be similar to West Point and Annapolis and will provide a four-year college course along with military training. The first school session at the Academy will begin next year. Like the other Academies, students in the Academy are nominated by members of Congress. Generally speaking, the physical and mental requirements are high to gain admission; however, if anyone in the District is interested in making application to attend the new Air Force Academy, I would be glad to hear from them.

There has been a lot said in the last few days about the possibility of Red China gaining admission to the United Nations. It seems disgraceful to me if they should be successful in this, for it would be an admission on the part of the UN that a country could literally shoot its way into membership in the Organization. Just a short time ago, Red China actually was at war with the United States and the United Nations in Korea. It seems ridiculous to think that before the peace in that war has even been written, that they could gain admission into the group that they were actually fighting.

Visitors from home this week were Mr. and Mrs. Charles Prothro and children, Kay and Joe, and Mr. and Mrs. E. S. White, all of Wichita Falls, I also enjoyed visiting with a group from Denton who were in Washington this week.

\$1,690,118.05 for Education in Co. From State Aid

Wichita County school children are among those over the state sharing the most impressive period of Texas Public Education in state history, a compilation of figures from 1949-1953 released in Austin this week shows.

The county received \$1,690,118.05 for public education during the last fiscal year as its share of the giant 211 million total spent over the state, The Texas Educational Agency report said. It also showed that money for the state's school children had increased from 145 million in 1949 to the present figure.

Interviewed this week, Gov. Shivers noted that education funds were distributed through the Gilmer-Aikin formula to a wide variety of uses.

Largest amounts went for salary and operations. Fifteen thousand more teachers with average salary increases of \$1,000 in the last few years took a large percentage.

Shivers also explained that last years administrations received more money to spend for needed improvements than ever before.

Figures also showed lesser known, but important, uses for funds. These included school buses that pick up children in rural areas and transport them safely to school.

Cafeterias with hot noon lunches, only recently becoming less than a luxury to public schools, received financial help also figures showed.

Shivers, who called the present school system "the best yet in Texas" bid for better education, said that the picture looked even better for future students.

"With the continuance of this aggressive improvement program, Texas can expect to meet efficiently increasing demands of public education," he said.

Ramsey Suggests Stock Piling Oil For Our Defense

Lieutenant Governor Ben Ramsey has stepped up his campaign for re-election with trips to West Texas and the Panhandle where he proposed stock piling oil for defense.

The East Texas, lawyer, a steady but quiet campaigner, said the increasing importation of foreign oil is hurting the petroleum industry which foots about half the state's tax bill.

"A few Texas oil men could financially stand serious price cut-backs, but the majority of the people connected with our oil industry could not. Some of these include farmers and ranchers with leases and royalties. Others are having a hard time now keeping their exploration going," Ramsey said.

"Many of our state services, including schools, college and regular operating expenses, are paid for out of oil tax money," Ramsey said. "If our state revenues from petroleum steadily decline, we are in for a pinch which I think is unnecessary."

Ramsey, who consistently works to keep state economy

and state services in balance for the welfare of all the people, proposed a solution to the impact of foreign oil imports on state and national economy. The lieutenant governor said, "as long as the national government feels the importation of foreign oil is necessary for defense planning, and as long as we keep spending dollars abroad in aid programs, we might as well put the two together and come up with something that bolsters and not weakens, our own economy." Ramsey said engineers have advised stock piling oil is feasible.

"I think," Ramsey said, "the national government might well consider stockpiling oil with funds in the foreign aid bill now being considered by Congress."

New, bigger load space! New, lower loading height!

New Chevrolet Trucks... do more work per day... more work per dollar!

You save on operating costs. The "Thriftmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save extra trips. That's because of extra load space. New pickup bodies are deeper... new stake and platform bodies are wider and longer.

You save time on deliveries. New truck Hydra-Matic transmission saves time and effort at every stop. Optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save with lower upkeep, too. There are heavier

axle shafts in two-ton models, bigger clutches in light- and heavy-duty models, stronger frames in all models.

You save hours on the road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds.

And your savings start the day you buy. Chevrolet, you know, is America's lowest-priced line of trucks.

Come in and see all the wonderful new things you get in America's number one truck.

Now's the time to buy! Get our BIG DEAL! Save with a New Chevrolet!

CLEVE CULLERS FOR STATE LEGISLATURE (Continued From Page 1)

of the legislature. The highest responsibility that can be placed upon a person who desires to be a member of such a legislative body is to devote all of his abilities and time to being a representative of all the people. I pledge myself to apply my abilities, efforts and time to being your representative.

2. The life blood of Texas is in the soil. The farmer more than any other businessman is dependent upon the chances of nature—the rain, the drought, the unexpected season. Frequently all that he can do by himself is not enough. Sound practical measures of soil conservation, development of water resources, control of insects and pests must be inaugurated. New technical advances made by our great agricultural colleges must be made available for the practical use and to the advantage of the average farmer. With proper help the farmer can and will reduce the extreme hazards that are inherent in his business to the economic advantage of all Texas.

3. I am personally opposed to socialization of any business or profession. Our country has developed because we are a free people who recognize that our individual freedom must be developed by the recognition of the rights of others. The unscrupulous must not be given additional opportunity to operate under the guise of state sanction to the economic or moral destruction of the innocent. Adequate provision must be made in our law to prevent further preying on the public by loan sharks, insurance promoters, and debasers of the moral integrity of our youth.

4. The problems relating to education and support of public schools are continuing ones. In recent years Texas has made great strides in improving its educational system but each day brings more demand for better qualified teachers, better equipped buildings and more adequate transportation facilities. Seeking the solution to these and other school problems for the greatest benefit to the children of the State of Texas will be one of my primary objectives for we have learned that in an educated mind lies the future hope of our democracy.

5. I believe in a policy of fairness and equality between management and labor. Texas needs no ruling class from either side. Every man's right to work and his essential privilege of collective bargaining must be maintained and all parties treated fairly, honestly and without prejudice. We must at the same time concern ourselves with the consumers—Mr. and Mrs. Texas—who are dependent upon capital and labor to maintain their way of life.

6. Texas is one of the few states that has kept pace with modern transportation by maintaining good roads. Where special need is shown and present planning is found inadequate, I will assist in the planning of new speedways and traffic control highways, but I will not adopt nor advocate any program which will hamper the continuing development of good highways for the use of all nor the curtailment of our farm to market road system.

7. I believe in a program of welfare and old age assistance based entirely upon need. Need is an actual thing and so far as possible must be defined by law so as to insure equality of treatment and to remove discrimination and unfair practices. Welfare and assistance to have any meaning must mean that the needs of the people are met.

8. I believe in a program of development and progress but not of waste and as your representative I shall endeavor to be a guardian of the public funds of our state, spending them wisely where needed and progress requires and conserving them thriftily against all waste and abuse. Our public debt is high. The discharge of our obligation will be difficult. The job must be begun now and at home.

During my campaign I hope to meet and discuss with you the policies I have here outlined. Upon the basis of hard work and diligent effort I earnestly ask your support. Never before have I sought public office, and I do so now in the hope that all of us together can build a progressive and enlightened democracy.

Sincerely yours,
CLEVE CULLERS

C. of C. Luncheon Had Bill Paying Session Monday

The regular monthly Chamber of Commerce luncheon and business session was held Monday noon at Town Hall. The business part of the meeting was spent hearing reports on the results of the Boom Town Celebration, and to authorizing payment on outstanding bills created last year on building rest rooms at the stadium.

Truman Garland, vice-president, was in charge in the absence of Buddy Byars, president. J. V. Brookshear gave the invocation. Others present were: Manager Ray Hill, Marjorie Hofacket, W. H. Holt, George McClarty, Harry Dodson, Casey Logan, D. C. Dodson, C. M. Archer, Cliff Wampler, Morris Bookbinder, Geo. Byerly, John Brookman, C. A. Morgan, H. D. Smith, T. J. Campbell, Will Teal and T. R. McCasling.

Manager Ray Hill reported the Rodeo fund had \$2,050.30 after paying all current bills for this year's show. By unanimous consent, the directors voted to apply the balance in the Rodeo fund on outstanding obligations made last year for construction improvements to the rodeo stadium.

City Manager T. R. McCasling reported that so far the nine new water wells drilled by the City were proving as good as first tests indicated, and that if the wells hold up to their present production, water would be available for all necessary needs, and some for watering shrubs on a limited basis.

Truman Garland urged those present to actively work at selling the services of the Municipal Light Plant. H. D. Smith City Commissioner, backed Mr. Garland up in his statement and said the City was in position to produce just a lot more current with little or no added expense. Smith also stated the extra revenue from added consumption of City manufactured electricity could be used for many improvements needed within the City.

LIONS CLUB Meets at Town Hall, 7:00 P. M. Each Tuesday

Newly elected president Herman Miller was in charge last Tuesday night. Ralph White gave the invocation. Following the meal the program was dispensed with and business matters discussed.

Lion Bob Fouts of Lancaster, Texas, was a guest of John Durham. Lion Fouts told briefly how his club raised money for their projects each year, and of some of the activities of the club.

Miss Margaret Hall, executive secretary of the T-B Association of this district, was introduced by Harry Dodson. Miss Hall reported the free chest X-ray unit would visit Burkburnett again this year, on Saturday, September 4th. Miss Hall urged each Lion to work to get as many out for the free X-rays as possible. But for the pleadings of Miss Hall, the unit would not be in Burkburnett this year, and unless a greater number of people take advantage of this free service, this is probably the last visit of the mobile unit here.

Miss Hall stated that the X-rays last year turned up 95 T-B patients. Seventy-five of the 95 were early cases, or cases that have a very good chance of being cured. The unit will be in the Corner Drug Store, Sat., Sept. 4th.

Next week B. H. Preston, Jr., and Pat Patterson will bring the program.

Card of Thanks

Please accept our sincerest thanks for each expression of sympathy, your prayers, the beautiful flowers, the good food and every kind word of our neighbors and friends during the illness and loss of our wife and mother.

W. T. Maxwell Succumbs Here Friday, July 9th

William Thomas Maxwell, 85, who had been living with a daughter here for the last three years, died Friday night at a Wichita Falls hospital.

Funeral services were held in the First Baptist church at 2:30 p. m. Sunday with Rev. T. Lynn Stewart, pastor, officiating. Burial was in the Burkburnett cemetery under direction of Owens & Brumley Funeral of this city. Born in Collin County, June 23, 1869, Maxwell had been ill for the last three weeks and a hospital patient two days.

Survivors include his wife, Mrs. Lydia E. Maxwell of Sherman, four daughters, Mrs. Paul Turnbow, Burkburnett; Mrs. Kathryn Reatherford, Sherman, and Mrs. Bessie Cameron and Mrs. Imogene Milligan of McKinney; four sons, Odell Maxwell, El Paso; Albert Maxwell, Hereford, and Isaac and J. W. Maxwell, Sherman; 18 grandchildren, one great-grandchild and two great-grandchildren.

Card of Thanks

We wish to take this means of expressing our sincerest thanks for the many cards, flowers, gifts and visits received by Mr. Leo Bryant during his stay in the hospital and on his return home. For the many acts of kindness, we are indeed grateful.

Mr. and Mrs. Leo Bryant and Linda 52-14P
