

## \$150,000 Check Is Delivered To The Haskell Country Club

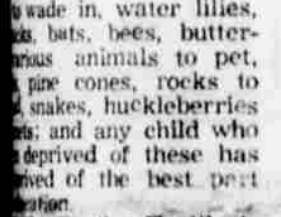

Farmers Home Administration delivered a \$150,000 loan check to officers of the Haskell Country Club in the FHA office here Friday morning, September 15.

President Bob Mobley and secretary Joe Harper, were on hand to accept the loan check on behalf of the club.

Attorney for the Corporation, Royce Adkins, who handled the closing and Corporation Engineer Ernest L. Andrews, of Wichita Falls, were also present for the closing.

Total family recreation facilities to be constructed at the site of the Country Club, 2 1/2 miles northeast of Haskell include a club house, swimming pool, picnic area, fishing docks, croquet courts, tennis court, complete water system on the golf course and a new lake.

The engineer advises that all contractors are ready to go and construction will get underway in the near future.

## Catch-up, Keep-up, Step-Ahead!

Haskell is falling behind in the race for the tourist dollar. At the present time, approximately \$23.60 per car is spent by tourists in the state of Texas. If tourist cars could be stopped each day for one day it would mean an additional \$258,520 in business to Haskell. Tourism is big business and should be treated as such.

The Haskell Chamber of Commerce is going to install an overnight trailer park for the ever-increasing tourist, but we need the financial support from the people of Haskell. Make it your business and responsibility to keep Haskell on the upswing. If you have ever taken a vacation in a camper trailer, you have seen what other towns have done.

The trailer park will be located in the area of the Railroad Museum and will have rest room facilities and water. The City of Haskell will build the restrooms and supply the water and it will be our responsibility for gravel, trees, and other items needed.

The Chamber plans to plant approximately 50 non-bearing Mulberry trees and will need about 100 loads of gravel for the parking area. The complete cost to the Chamber will be around \$1000.00.

Will you please do your part and send your contribution to the Haskell Chamber of Commerce, Box 713, Haskell.

The Chamber of Commerce assures you that your contribution will go for this project.

Catch-up — Keep-up — Step-ahead!

## Three-Day County Fair Gets Underway Here Next Thursday

### COUNTY WIDE COTTON MEETING SLATED HERE MONDAY NIGHT

FRED ELLIOTT

A county-wide cotton producers meeting has been set for Monday, September 25, at 7:30 p. m. at the Haskell National Bank community room, according to R. W. Schumann, Haskell County Agent.

Fred Elliott, Cotton Specialist with the Texas Agricultural Extension Service will be on hand to discuss cotton harvesting, including the use of defoliants and desiccants in the harvesting of cotton. Also to be discussed will be the use of herbicides in cotton weed control.

Mr. Elliott is well known in the field of specialization all over the state. He is a student of cotton and makes it his business to keep up-to-date on the changes that affect the cotton industry. He has worked closely with organizations, groups, agencies and individuals interested in improving the status number one cotton crop.

Schumann said that "Mr. Elliott is much in demand as a speaker and is the author of many publications and popular articles on different phases of cotton production and related subjects."

This meeting is jointly sponsored by the Haskell County Crops Committee and the Haskell County Cotton Producers Assn. "Every cotton producer in Haskell County should make it his business to attend this important meeting," Schumann said.

The Haskell County Fair will get underway here next Thursday and will continue through Friday and Saturday, September 28, 29 and 30, with many various events scheduled for the three fun-packed days.

On the opening day of the Fair, judging in the Women's Division, the Flower Show and Art Show, will take place.

At 5:30 p. m., a downtown parade will officially get the annual event rolling into high gear. Adding emphasis to the Fair will be the flower show under the supervision of the Haskell Garden Club, and Garden Club members have been hard at work for the past several weeks getting ready for the show.

Carnival rides, booths and concession stands will be under the supervision of the Haskell Jaycees.

Fair-goers will also enjoy a large number of commercial exhibits by local and county merchants.

Mrs. Barbara Elliott, County Home Demonstration Agent, pointed out that all entries in the Women's Division must be in before 5:00 p. m. on the afternoon of Wednesday, September 27, and all entries must remain until Saturday, September 30th, except perishables.

"From Space To Space Age" will be the theme of the Flower Show, with three divisions... artistic, education and conservation and artistic arrangements and horticulture exhibits by the Junior Garden Club.

Fair chairman, C. O. Holt, says that everything is shaping up nicely for the three-day event.

Miss Penny Patton, Haskell County and Rolling Plains Cotton Queen and Miss Patti Jewell, Miss Hey-Day and Jill Adkins, Little Miss Hey-Day, will reign over Fair activities.

ART SHOW Mrs. T. J. Finley, chairman, said the art show will include two divisions... Junior High School and Adults and will consist of oils, water colors, casein, acrylic, tempera, pastels, charcoals, pen and ink and mixed media in classifications as follows:

Oils: 1. Land and sea scenes. 2. Still life. 3. Portraits. Water colors, caseins, acrylics and tempera: 1. Land and sea scenes. 2. Still life. 3. Portraits.

Pastels: 1. Land and sea scene. 2. Still life. 3. Portraits. Charcoals, pen and ink: 1. Land and sea scenes; 2. Still-life; 3. Portraits.

Mixed and Abstracts and mixed media. Mrs. Finley said that all pictures should be framed and have wire ready for hanging and all entries must be in by 5:00 p. m. Wednesday, September 27th. Judging will be from 9:00 to 12:00 a. m., the 28th.

A \$1.00 entrance fee for three pictures will be charged, with each additional entry 25c.

PARADE The gala parade at 5:00 p. m. next Thursday will include a long list of commercial floats, Rochester Band, Cub Scouts, Haskell County Sheriff's Posse, Boy Scouts, Haskell High School Band, O'Brien Drill Team, Young Home Makers, Girl Scouts, fire truck and others.

Johnny Isaacs asks that anyone who would like to enter the parade to contact the Chamber of Commerce office.

Also anyone interested in entering the County Fair talent show is asked to contact the Chamber of Commerce, Johnny Isaacs, C of C manager said.

STEER SHOW Haskell County Agent, Bob Schumann, said the steer show will be held Saturday morning, Sept. 30, and will be open to entries from Haskell and surrounding counties, including Baylor, Throckmorton, Jones, Knox, Shackelford and Stonewall.

"We expect about 30 steers to be entered in two divisions, heavy and light weight," Schumann said. Judging will begin at 2:00 p. m. Saturday, Sept. 30, with H. C. Stanley, of Abilene, Taylor County Agent, as the judge.

Premiums will be given in the top five places in both classes. Grand and Reserve Champion awards will be presented.

Steers must be at the fairgrounds by 8:30 a. m. on Saturday the 30th and remain until 4:00 p. m.

POULTRY SHOW Fifty pens of broilers will be on display all three days of the fair, which will be open to Haskell County 4-H and FFA. Judging of poultry will be at 10:00 a. m. Saturday, final day of the fair.

On display during the fair will be various types of hay and varieties of sorghum grown in Haskell county, Schumann said.

## "NEW CAR FEVER" BURSTING OUT ALL OVER HASKELL

Many Haskellites are coming down with "new car" fever, as it's that time of year again for dealers to display their 1968 models.

The all new 1968 Buicks, Pontiacs and GMC Pick-ups went on display today, Thursday at the Medford-Buick-Pontiac Company.

The '68 Oldsmobiles and Chevrolets also are on display here today, at the Bailey Toliver Chevrolet Company. A sneak preview of the new models was held Wednesday evening at Toliver Chevrolet, prior to the showing today, Thursday.

Beginning tomorrow, Friday, September 22, the 1968 Fords, and Mercurys will go on display at the Bill Wilson Motor Company.

Showing of the '68 Chryslers, Plymouths and Dodges by Perry Motor Company was held Thursday, Friday and Saturday of last week.

Yes, just take your pick and Haskell automobile dealers can supply you with your "dream car" of 1968!

## Eight Rural Accidents Investigated In Haskell County During August

The Texas Highway Patrol investigated eight accidents on rural highways in Haskell county during the month of August, according to Sergeant Frank Jirek, Highway Patrol Supervisor of this area.

These crashes, resulted in three persons killed, four persons injured and an estimated property damage of \$7,975.00.

The rural accident summary for this county during the first eight months of 1967 shows a total of 39 accidents resulting in four persons killed, 21 persons injured and an estimated property damage of \$32,270.00.

"School Days" are here again... The familiar yellow school buses are back on the highways. The Sergeant reminds all motorists of the State Law regulating traffic in regard to school buses.

"The driver of a vehicle upon a highway outside the limits of any incorporated city or town, upon meeting or overtaking from either direction any school bus which stopped on the highway for the purpose of receiving or discharging any school children, shall stop the vehicle immediately before passing the school bus, but may then proceed past such school bus at a speed which is prudent, not exceeding ten (10) miles per hour, and with due caution for the safety of such children."

Moguls Next The Indians take on another Class A aggregation in a non-conference tilt, out at Indian stadium Friday night at 8 o'clock.

The Moguls have been picked to finish sixth in District II-A; however, fullback David Key offers experience in the backfield and guard Donnie Michalik, tackle Rodney Morrow, end Randy Reeves, and linebacker Buddy Lowrance, blend power and "know-how" in the line.

Receive God And Country Awards Danny Smith and Jimmy Boyd, of Boy Scout Troop 36, were recipients of God and Country Awards at the morning worship service at the First Methodist Church Sunday morning, September 17th.

Rev. J. V. Patterson, pastor a n d Scoutmaster Ed Smart made the presentation to the two Scouts for their progress in Scouting and Service to the Church.

Danny is the son of Mr. and Mrs. John H. Smith, Jr., and Jimmy is the son of Mrs. Eva Boyd.

## Charges Of Kidnapping Filed Here

Charges of kidnapping a minor were filed against Russell C. McClure, about 54, who gave his address as Stephenville, in Justice of the Peace Court of Hubert Bledsoe, here Monday.

Examining trial was held and bond of \$5,000 was set. McClure is in the Haskell County jail pending action of the grand jury which convenes next Monday, September 25.

The charges are in connection with the August 8th kidnapping of a Haskell youth, Mike Cook.

McClure was arrested about 1:20 p. m. Saturday in Stamford by Sgt. Lewis Johnson of the Stamford Police Department and then brought to Haskell by Sheriff Wesley Skiles of Seymour; Deputy Sheriff T. C. Clark of Munday and Haskell County Sheriff, Garth Garrett.

The youth had told police a man had waved him down August 8th in Haskell, asked him to drive to the Sales Barn outside town, and upon reaching the barn, told him to drive to Abilene, saying he had a gun. Upon reaching Abilene, the youth said the man told him to let him out at a service station on Pine Street.

The potent Haskell Indians went on the warpath to roll up their second impressive victory of the season without allowing a point as Coach Sonny Everett's charges humbled the hapless Clyde Bulldogs 53-0 at Clyde last Friday night.

A week earlier Haskell opened by drubbing Frederick, Oklahoma 35-0. Clyde never got past mid-field.

Seven backs scored the eight touchdowns in the massacre. Derrell Davis got two, the first a 7-yard run to open scoring, and a 15-yard tally in the big second period when Haskell scored four times.

Ray Herren who kicked three points after, also scored in the big second on a 14-yard pass from Lanny Ivy. Hershel Thompson hit from the 10 and Tim Everett went over from the one before halftime.

In the second half, Terry Chapman and John Martinez each scored on five yard spurts. The final score was a 30-yard pitch from Gary Felker to Doug Bartley.

Statistics 16 First Downs 5..... Haskell, Clyde First downs ..... 16 5 Yards rushing ..... 267 -42 Yards passing ..... 102 17 Passes ..... 10-5 9-2 Passes intercepted by .. 0 1 Punts ..... 0-0 5-32 Fumbles lost ..... 0 3 Yards penalized ..... 95 30 Haskell ..... 7 26 6 14 -33 Clyde ..... 0 0 0 0 -0

Hask-Derrell Davis 7 run (Ray Herren kick) Hask-Herren 14 pass from Lanny Ivy. (Herren kick)

Man Convicted In Haskell Paroled A man serving in the penitentiary for a felony conviction in Haskell County has been released on parole, according to the State Board of Pardons and Paroles.

Alberto Alvarez, convicted on September 26, 1965, of burglary, was released with credit for serving 19 months of a four-year sentence.

H. D. Agent To Transfer To Washington Co. Mrs. Ted Elliott, Haskell County Home Demonstration Agent for the past two and one-half years, has resigned effective as of October 1, 1967, and will transfer to Brenham where she will serve as Agent of Washington County. Mr. Elliott will continue his education at A&M.

County Judge B. O. Roberson said the Commissioner's Court had accepted Mrs. Elliott's resignation and that Miss Ruth Ann Sansler, a May graduate of Oklahoma State University, met with the Court Tuesday and made application for the position.

## Haskell Humbles Clyde; Face Moguls Here Friday

Hask-Davis 15 run (Herren kick) Hask-Hershel Thompson 10 run (kick failed) Hask-Tim Everett 1 run (run failed) Hask-Terry Chapman 5 run (run failed) Hask-John Martinez 5 run (Martinez run) Hask-Doug Bartley 30 pass from Gary Felker (run failed).

Moguls Next The Indians take on another Class A aggregation in a non-conference tilt, out at Indian stadium Friday night at 8 o'clock.

The Moguls have been picked to finish sixth in District II-A; however, fullback David Key offers experience in the backfield and guard Donnie Michalik, tackle Rodney Morrow, end Randy Reeves, and linebacker Buddy Lowrance, blend power and "know-how" in the line.

## Haskell County Cancer Society Holds Meeting

With the president, Judge Ben Charlie Chapman, presiding, the regular meeting of the Haskell County Cancer Society was held September 16 in the Community Room of the Haskell National Bank.

Mrs. Wesley Styles, a board member of Seymour, was a guest at the meeting with Mrs. J. W. Holmes, District Director. Mrs. Holmes, a member of the State Board of Directors, gave an interesting talk and presented the chapter with their charter.

Mr. Jack Sperry, staff member, gave an inspiring talk, giving each committee a list of objectives.

Mr. Jack Sperry, staff member, gave an inspiring talk, giving each committee a list of objectives.

## List of Grand Jurors Selected

Following is a list of Grand Jurors selected by the Jury Commissions of the District Court of Haskell County, Texas, at the April term, 1967, to serve at the September Term, 1967, of the District Court. Jurors will convene Monday, September 25, at 9:00 a. m.

Charles Swenson, Ira Townsend, Willie Peiser, Jerry Hester, Paul Fischer, C. W. Offutt, R. B. Clark, L. M. Patterson, Eddie Swann, Ray Perry, Jerry Hamz, Adolph Stulz, J. E. Kitley Jr., Clois Thomas, C. A. Turnbow, Bailey Foster, L. A. Covey, Laymon D. Newton, Buddy Lane and Desmond Dulaney.

HEY-DAY CANDIDATES Please come by the Haskell Free Press and pick-up your Hey-Day pictures, and also the ones from previous years. 35tc

## C of C Directors Hear Reports On Fair, Airport, Education, Museum

Haskell County Fair Chairman, C. O. Holt, told the board of directors of the Chamber of Commerce Tuesday night that plans are nearing completion and everything is moving on schedule for the annual fair to be held here next Thursday, Friday and Saturday, Sept. 28th, 29th and 30th.

C of C President, Bob Greenroy, who presided over the Tuesday night meeting, told directors, "we are now in the process of acquiring a speaker for the chamber banquet and that a telephone is being installed at the museum."

In a report on education, Mrs. Luther Burkett stated that in the near future, meetings would be held in the area concerning the need for higher education.

E. J. Stewart has been named chairman to oversee re-doing the Christmas decorations, Greenroy said.

"Proxy" Greenroy reported that the Historical Society had been presented a check for \$850.00 for work at the museum. The balance of Hey-Day proceeds will be used for monthly utilities for the museum.

Also at the Tuesday evening session, directors discussed in some length the airport project.

JEAN ELLIOTT IS REPORTED IMPROVED Jean Elliott, Laboratory Technician, Haskell County Clinic, who suffered a heart attack Saturday afternoon, is reported to be improved at press time.

Mr. Elliott became ill at the golf course northeast of town Saturday afternoon, but drove his car to his home, then was taken to the Haskell County Hospital in a Holden ambulance.

RAJAH HASSEN IN WICHITA FALLS HOSPITAL Rajah Hassen entered Wichita General Hospital Tuesday for laboratory tests. He will be released Friday, but will return to the hospital in Wichita Falls within a few days to undergo major surgery.

For 1968, Oldsmobile introduces a sporty new Cutlass "S" Coupe to augment its gains in the youth market. Built on a special wheelbase, the "S" Coupe is available in a hardtop (above), pillar coupe, or convertible body style. The "S" Coupe may be customized through the use of any one of 12 engine-transmission combinations. Deluxe interior trim and special exterior ornamentation are standard features, while dual exhausts, a wood grained steering wheel and special handling components are optional.

Luncheon Opens Rule Garden Club Activities

The Rule Garden Club began its 1967-68 club year with a salad and luncheon last Wednesday in the Philadelphian Club House.

Mrs. Joe W. Cloud, the new club president, presided at the business meeting. The theme of her president's message was "Truth is Beauty and Beauty is Truth."

CARD OF THANKS

We wish to thank all our friends for the sympathy extended to us in your cards, gifts and flowers in the loss of our father. Your acts of kindness will always be remembered.

### William Reber Celebrated 95th Birthday, Monday

William Reber, a longtime resident of Stonewall and Haskell counties, celebrated his 95th birthday at the Rice Springs Care Home, Monday, September 18, with the traditional birthday cake. "Happy Birthday" sung to him, and gifts.

Mr. Reber came to Stonewall county in 1907, where he farmed for many years before he retired and became a Haskell county resident in 1942.

Mr. Reber says his desire is to live to be 100, and from all indications he will make it. His mind is still very alert, and he reads a lot, such as "Time Magazine," "Life," his daily newspaper and other good publications. He writes a beautiful hand and still corresponds with his friends in Wingshausen, Germany.

Born in Germany, Mr. Reber celebrated his 18th birthday on the ship which brought him to the Texas Gulf Coast area, where he lived until he moved to Stonewall county.

The U. S. Marine Band provided the music when the White House was re-opened to the public on January 1, 1818, following the War of 1812.

### Garden Club Opens Season With Luncheon

With eleven members and three guests present, the Haskell Garden Club opened its new season Saturday, September 16, with the annual president's luncheon at the home of Mrs. Ed Hester, honoring Mrs. C. B. Rhea.

Following the salad luncheon, yearbooks were distributed by club president, Mrs. Rhea.

Mrs. E. L. Wyche, flower show chairman, gave a detailed discussion of the flower show schedule. The show will be held at the Corral building, during the Haskell County Fair, September 28, 29 and 30.

Club members also discussed the need for more work to be done on the museum grounds. One important topic discussed, concerned the most suitable grass to plant.

### WSG District Meeting Held Here Sunday

With the Haskell Guild as hostess, the Childress District Wesleyan Service Guild, met in Haskell Sunday, Sept. 17, at the First Methodist Church with 57 "Guilders" present.

During the salad luncheon, reports were given by ladies who had attended the Jurisdictional meeting at Mt. Sequoyah, Ceta Canyon and School of Christian Missions at Abilene this summer.

While the Executive Committee was meeting, the other Guilders viewed a film strip which pointed out where the money pledged to Missions goes.

The duties of each officer were given in a short report by various guild members.

Maxine Cardwell of Vernon gave a report on "Christ and the Faiths of Men." Mrs. Hal Spenter of Lubbock gave an interesting talk on "Membership Cultivation."

Louise Goodnight of Quanah, District Secretary, presided. Arnelia Foote was pianist and Bebe Middleton, song leader. Benediction was given by Mrs. Warren of Knox City.

### YOUNG HOMEMAKERS OF TEXAS WEEK OBSERVANCE SEPT. 17-23

For the purpose of interpreting the Young Homemakers of Texas program, and keeping the others informed of projects, aims and purposes, "Young Homemakers Week" is being observed throughout the State of Texas September 17-23.

For the purpose of evaluating the work of the Haskell Young Homemakers Chapter the following purposes are:

1. To develop skills, to gain information on new improved methods of homemaking and to keep informed on matters affecting people engaged in homemaking.
2. To develop a deeper understanding of the home and its influence on the community.
3. To plan and carry out activities designed to improve our homes and our community.
4. To provide wholesome social and recreational activities.
5. To become better acquainted with the products and information of current consumer trends.
6. To plan and carry out a

### Weinert 4-H's Plan Booth For County Fair

The Weinert 4-H girls met at 4:00 p. m. Monday in the lunchroom for the purpose of planning and preparing a booth at the Haskell County Fair. Plans were also discussed for this year's study.

Adult leaders attending and assisting the girls were Mrs. Alton Sanders, Mrs. Walter Bredthauer, Mr. Leon Newton and Mrs. Glenn Caddell.

Attending were Lorena Caddell, Karen Guess, Alexia Mayfield, Sheila Dutton, Joan Caddell, Wullene Bredthauer, Karen Earp, Ruthie Dutton, Nean Newton, Marsha Berry and two new members, Mary and Johnnie Bruggeman.

### "Aunt Becky" Atchison Honored On 94th Birthday

Aunt Becky Atchison was honored on her 94th birthday, September 17, with a party in the home of Mr. and Mrs. Pete Mercer.

The party honoring "Aunt Becky" was held a few days early in order that more relatives and friends could attend. All of her children were present, with the exception of one daughter, Mrs. Eula Mapes of Modesto, Calif.

The party was complete with a huge cake, topped with the wording, "Happy Birthday, Mother, 94."

Those present were: Mr. and Mrs. Raymond Pace, Mr. and Mrs. Hallie Chapman, Mr. and Mrs. J. C. McDonald, Elvie Henson, Alverne Merchant, Glenn Merchant, Beulah Gilleland, Mr. and Mrs. Wayne Pace, Lois Brown, Mrs. Esta Kelly, Forg Achison and daughter, Jake and Lela Mae Atchison, Mr. and Mrs. George Tucker, Clyde Pace, Mr. and Mrs. Ralph Merchant, Lesa Harrell, Joyce Chapman, Myrtle Cobb and Mr. and Mrs. Pete Mercer.

### Millers Creek Dam Hearing Is Postponed

A hearing, which was scheduled Wednesday, on proposals to change the Millers Creek dam site, a project under study a number of years as a potential source of water supply for sev-

eral Northwest-North Central Texas communities, has been postponed indefinitely. Joe D. Carter, chairman of the Texas Water Rights Commission, announced in Austin Monday.

Postponement, Carter said, was granted at the request of Elbert Hooper, attorney for the North Central Texas Municipal Water Authority (NCTMWA). Hooper said additional studies of the proposed new reservoir are required to fully develop evi-

dence for the commission's consideration. The cities of Haskell, Munday, Rule and Goree are members of the NCTMWA. Aspermont recently has indicated an interest in making application for inclusion.

Mayor H. V. Woodard said reasons for the postponement request involve development of information on four, and possibly five, new locations on the Miller's Creek watershed which possibly could double the water

storing capacity of the reservoir. Under close study, Woodard said, are sites three to four miles from the original one, but still in the same general vicinity, in the southwest corner of Baylor County, just over the line from the intersecting northeast boundary lines of Haskell.

### Annual Singing Convention Set At Seymour

The North Central Texas annual singing convention will convene Saturday night and all-day Sunday, Sept. 23-24, at Seymour at the Assembly of God Church. Many quartets from four states will be represented at the convention. Gospel song lovers from this area are invited to attend.

### American G. I. Forum Awards Two Scholarships

The American G. I. Forum, of Haskell, Rochester and O'Brien, a Latin-American non-profit organization, awarded two scholarships at the Mexican Fiesta held at the American Legion Hall, Saturday night, September 16th, commemorating Mexico's independence.

Miss Lee Diaz of Haskell was selected as queen to reign over the fiesta. She was chosen from a group of nine girls, and was crowned by District Attorney.

Royce Adkins, Scholarship recipients were Johnny Benavides of Aspermont and Tommy Casillas of Rochester.

Benavides' enrollment will be at Tarleton State College and Casillas' at Tarrant County Junior College, Fort Worth. Scholarships were \$200 each.

Casillas is the son of Mr. and Mrs. Manuel Casillas. He attended the Rochester schools, lettered in football, was in the Steer band, interscholastic contest in phrase reading and school plays. He is attending Tarrant County Junior College in Fort Worth, where he is majoring in Business Administration, minoring in law enforcement. He will begin Police Cadet school in Fort Worth, part-time in October of this year.

Benavides, son of Mrs. Rachel Benavides, is a graduate of Aspermont High School. He lettered in AHS band for four years and received a music scholarship. He attended the McMurry College summer band school for three years and is a member of the National Baton Twirlers Assn. He is attending Tarleton State, Stephenville, where he is a drum major.

### Haskell Gets Almost Two Inches of Rain

A thunder storm, accompanied by a considerable amount of lightning, dumped 1.49 inches of rain in Haskell last Thursday, with 1.29 of that amount registered during the early morning hours, and another .20 of an inch falling intermittently throughout the remainder of the day.

Another 41 of an inch fell on Sunday afternoon to bring the overall total to 1.90, according to Sam Herren, "The Weatherman."

The wet weather once again slowed the Highway 24 widening project.

### Rites Held For Grandson of Chas. M. Conners

Forest Buford, Jr., 15, of Sweetwater, passed away at 5 o'clock p. m. Wednesday, September 13, at Hendrick Memorial Hospital, Abilene, where he had been a patient for six weeks.

Funeral was held at 2:00 p. m. Friday in the First Baptist Church, Sweetwater, with Dr. James Robinson, pastor, officiating. Interment was in Garden of Memories Cemetery, Sweetwater.

Born July 3, 1952, in Bryan, he was a sophomore of Sweetwater High School, a Boy Scout, a member of the Little League Giants team, and a member of First Baptist Church.

Survivors include his parents, Mr. and Mrs. Forest Buford, and one sister, Ann, of Sweetwater; maternal grandparents, Mr. and Mrs. Chas. M. Conner of Haskell and paternal grandfather, Sam Buford, of Haskell.

### TAX MAN SAM SEZ:

Millions of young Americans are beginning another year of education. About 4 1/2 million, including more than 200,000 young Texans, will get a short but highly profitable course in how to prepare their income tax returns. The Internal Revenue Service furnishes the schools with free material for the Teaching Taxes course. The students learn how to read the instructions, pay the tax they owe, and take advantage of the deductions available to the taxpayer. These students will prepare tax returns next income tax filing period with only one-fourth of the errors contained in their parents' returns.

### WWI Veterans And Auxiliary Meet Sunday

World War I Veterans and Auxiliary will meet Sunday, September 24, at 3:00 p. m., at the American Legion Building.

Arthur Lee, Commander, and Mrs. Dave Persons, Auxiliary President, asks that all members attend, as some important business will be on the agenda.

### ENROLLED AT OKLAHOMA CHRISTIAN COLLEGE

Donna Gwen Finley, daughter of Mr. and Mrs. T. J. Finley, 506 North 9th, Haskell, is one of 512 freshmen enrolled at Oklahoma Christian College in Oklahoma City.

Total enrollment for the fall trimester at OCC has reached 985 and late registrations are expected to boost the number to 1,000, according to Dr. James

### NOTICE

#### SHERIFF'S SALE

THE STATE OF TEXAS )  
 County of Haskell )  
 BY VIRTUE of a certain Writ of Execution issued out of the Honorable 104th District Court of Taylor County, on the 11th day of September 1967, by R. H. Ross, Clerk of said Court, against Oleta Fern Jeter, a widow, individually and as Independent Executrix of the Estate of G. B. Jeter, deceased; for the sum of Sixteen Thousand, Four Hundred, five and 52/100 (\$16,405.52) Dollars and costs of suit, in cause No. 10,429-B in said Court, styled The Citizens National Bank in Abilene, plaintiff, versus Oleta Fern Jeter, a widow, individually and as Independent Executrix of the Estate of G. B. Jeter, deceased, defendant, and placed in my hands for service, I, G. T. Garrett, as Sheriff of Haskell County, Texas, did, on the 12th day of September, 1967, levy on certain Real Estate, situated in Haskell County, described as follows, to-wit:

All the right, title and interest of Oleta Fern Jeter in and to the Estate of G. B. Jeter, deceased, including, but not limited to G. B. Jeter's undivided one-fifth (1/5) interest in and to the following described real property: Tract I: 111 acres out of Section 54, Block 1, H&TC Ry Co. Survey, Haskell County, Texas, acquired by J. F. Jeter in those certain partition proceedings in Cause No. 2902 in the District Court of Haskell County, Texas, dated May 17, 1923; and G. B. Jeter's undivided one-tenth (1/10) interest in and to the following described real property: Tract II: 58 acres out of Section 54, Block 1, H&TC Ry Co. Survey, Haskell County, Texas, as described by warranty deed dated November 20, 1923, recorded in Vol. 95, page 150, Deed Records of Haskell County, Texas; Tract III: 160 acres out of Section 53, Block 1, H&TC Ry Co. Survey, Haskell County, Texas, as described by warranty deed dated December 6, 1916, and recorded in Vol. 65, page 206, Deed Records of Haskell County, Texas.

And levied upon as the property of said Oleta Fern Jeter, a widow, individually and as Independent Executrix of the Estate of G. B. Jeter, deceased, and on Tuesday, the 3rd day of October, 1967, at the Courthouse door of Haskell County, in the city of Haskell, Texas, between the hours of ten A. M. and four P. M., I will sell said real estate at public vendue, for cash, to the highest bidder, as the property of said Oleta Fern Jeter, a widow, individually and as Independent Executrix of the Estate of G. B. Jeter, deceased, by virtue of said levy and said Writ of Execution. And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Haskell Free Press, a newspaper published in Haskell County. WITNESS my hand this 12th day of September, 1967. G. T. GARRETT, Sheriff, Haskell County, Texas. 37-39p

CHRISTMAS IS RIGHT here on us. If you need some Christmas cards, come to the Haskell Free Press and leaf through our Masterpiece albums of cards and select yours, name printed or plain cards. All cards our cost, plus 10% of the selling price, plus tax. Place your order early. 38tp

### 1968 Chrysler Styling is Evolutionary

The successful evolutionary styling which has characterized Chrysler for the past several years is continued in 1968. Styling improvements have been made to the front and rear, a new roof is provided for three different hardtops, and several convenience features have been added to the line. Refinements which make each of the 15 models more luxurious and the styling changes establish strong identity for each of the five series: Newport, Newport Custom, 300, New Yorker, and Town & Country Wagons. The sporty 300 series, above, available in convertible, two-door and four-door hardtops, offers headlamps which are concealed behind movable doors which match the rest of the grille. Numerous changes have been made in the engines to improve high-speed performance. Wagons have wood-grain body side ornamentation. An optional tailgate window washer-wiper is offered for the first time.

### Mrs. Terry Diggs Lions Speaker Tuesday Noon

"The British people were the kindest and loveliest of all," Mrs. Terry Diggs, who recently returned from a six weeks tour of Europe, told members of the Lions Club at the Tuesday noon luncheon meeting at Felker's Restaurant dining room.

Wallace Cox, Jr., was program chairman for the day, and introduced the guest speaker.

Mrs. Diggs, who served as a chaperon for Alliance of International Studies, said there were 182 students and 18 chaperones in the group.

"We might could take a lesson from the Europeans, as we saw no poverty in our entire travels," Mrs. Diggs said.

The speaker gave a very enlightening and educational insight into the political and economic conditions of the countries she toured.

"The students and counselors enjoyed the very interesting tour, but we were thrilled when our plane landed back in the good old USA," Mrs. Diggs said.

President E. W. Pruitt presided over the meeting. Royce Wood led the singing, with Lucy Kennedy at the piano, and Dr. Frank Cadenhead gave the invocation.

### Troy Culpepper Rotary Speaker Thursday Noon

"To have friends you must be a friend," Troy Culpepper, pastor of the First Baptist Church, told members of the Rotary Club at last Thursday's noon luncheon meeting at Felker's Restaurant dining room.

Ira Hester was program chairman for the day and introduced the speaker.

Using as his topic, "Friendship," Brother Culpepper said he believed that West Texans were the friendliest people in the world.

"There are two ways to insure making of friends. First, have genuine interest in others and second, make the other person feel important," the guest speaker said.

"Have interest in other persons and always strive to speak first, if possible when meeting," the genial pastor said.

"I never met a man that did not have some quality of goodness in him," Brother Culpepper said.

"Prexy" Bob Greenroy presided over the meeting. Invocation was given by H. V. Woodward, R. C. Couch, Jr. led the singing, with Jo Nell Anderson at the piano.

Guests noted were Tom Conner of Lamesa; Rex Felker of Odessa, and two senior high school students, Pam Reeves and Jo Nell Anderson.

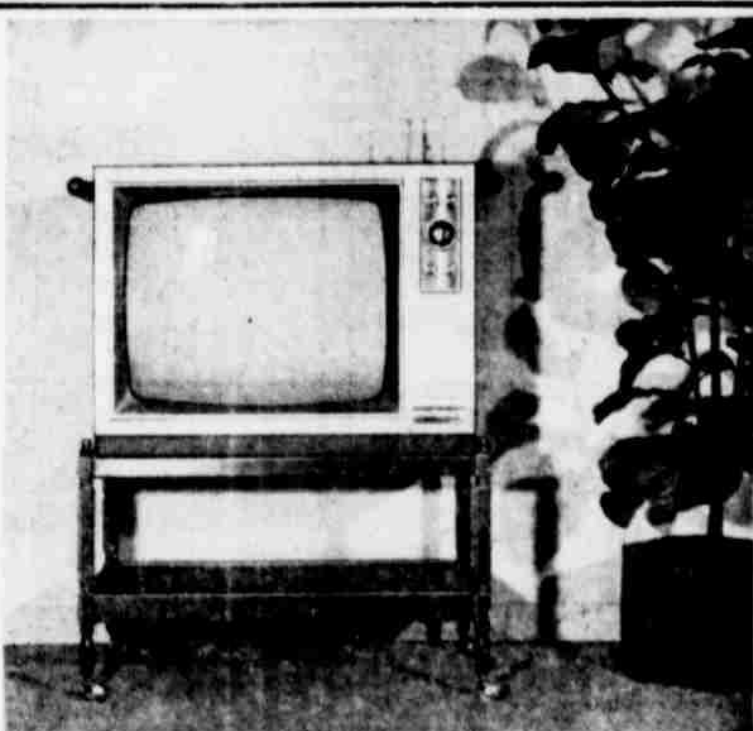

### '68 Plymouth Fury Offers Low-Cost Luxury

The success car of the volume sector of the auto market in 1967—Plymouth Fury—increases its appeal for 1968 with styling refinements, increased model availability and additional comfort options to provide low-cost luxury. There are 27 Plymouth Fury models and six engines are available. New for 1968 are Plymouth Fury III V-8 and six-cylinder models with the fast roof, two-door hardtop style. Main appearance changes are at the front and also characterizes the all-new Engines available range in size to 440 cubic inches. Changes upgrading of the station wagon, the addition of wood-grained top-of-the-line wagon, the Suburban. Shown is the Fury hardtop, one of the most popular

## Professional Consultation" Will Improve Education Policy Making

...of getting the best... of professional educa-... of professional school... by a team of school... members, superintendents... better educational offerings to... students.

A central feature of professional consultation is a written agreement in which the school board designates a local professional education association, or several local professional associations acting jointly, as spokesman for the teachers.

The agreement also spells out various steps by which the local association can bring matters of concern to the attention of the school board. The agreement also works in reverse since the same channels may be used by the school board in seeking out thinking of teachers on problems facing the board.

The written agreement clearly specifies that final decision-making power remains in the hands of the school board.

The use of a written agreement as the basis for professional consultation is to insure continued existence of open lines of communication.

School districts in Texas are under no obligation to enter into professional consultation agreements. But several, including El Paso, Fort Worth and San Antonio, have already concluded agreements and a num-

ber of other school districts are considering the move.

The group which has just issued the guidelines also issued a sample agreement to show form and some suggestions for wording locally-reached agreements.

An appealing aspect of professional consultation, say proponents, is that through these agreements teachers are provided a voice in policy making while superintendents maintain administrative direction and school boards retain their legal rights to set school policy.

With professional consultation agreements in existence the collective wisdom of the entire teaching staff can be used as a resource for more effective policy making and keeping.

The members of the committee which issued the guidelines are:

—Representing the Texas Association of School Boards, John E. Meade, of Bonham, TASHB president; Joe Kelly Butler, of Houston, TASHB vice-president, and Calvin Ray west, of Bryan.

—Representing Texas State Teachers Association, Miss Antoinette Miller, of Houston, TSTA vice-president; Mrs. Pearl Allen, of Austin, and Miss Marjorie Robertson, of Corpus Christi.

—Representing Texas Classroom Teachers Assn., Miss Bobbie Wilborn, of Dallas, TCTA president; Mrs. Kathryn Townsend, of Victoria, TCTA president-elect, and Weldon Wicker, of Fort Worth.

—Representing Texas Assn. of School Administrators, H. M. Landrum, of Spring Branch, TASA president; Archie Roberts, of Beeville, and Irby Caruth, of Austin.

**TAX MAN SAM SEZ:**  
The tax folks point out that Congress has provided a number of additional tax deductions for retired taxpayers. The IRS folks feel that many retired taxpayers do not understand these benefits and sometimes pay more taxes than they owe. If you are a retired taxpayer, it will pay you to get Document 5639, "Tax Benefits for Older Americans," from any IRS office. You can write P. O. Box 1738, Dallas Texas 75221, and request a free copy.

## State Draft Boards Issue October Call

State draft boards are scheduled to forward 4,000 young men for pre-induction mental and physical examinations in October, Col. Morris S. Schwartz, State Selective Service director, announced Thursday.

This same number of young

men are being forwarded for pre-induction examinations in September.

The state's 155 draft boards will be called upon to furnish 977 men for induction in October.

This compares with quotas of 1,180 for September, 1,421 for August, 974 for July, 975 for June and 885 for May.

Local board quotas for induction and pre-induction examination in October already have been figured and sent to the state's 155 draft boards.

The Texas quota of 977 for Oc-

## OIL NOTES

Shenandoah Oil Corp. of Fort Worth staked a wildcat four miles southeast of Haskell in Haskell County.

No. 1 Kate Hemphill is spotted 1,350 feet from the north line and 1,300 feet from the west line of E. Reed Survey 35. This is 1,350 feet from the north line and 665 feet from the west line of a 130-acre lease.

Proposed depth is 3,600 feet with rotary to test the Palo Pinto.

Lone Star Producing Co. staked No. 3 R. L. Dumas in the Turnbow pool five miles north of Haskell in Haskell County.

Drill site is 467 feet from the north and 1,000 feet from the west lines of William Brander Survey, A-25.

Permit depth applied for is 4,700 feet with rotary.

toher is the state's share of a national call for 17,000, all for the army.

## WITH U. S. COMBAT AIR FORCES WESTERN PACIFIC

Pedro M. Robledo, son of Mr. and Mrs. Eluterio R. Robledo, of Killeen, has been promoted to technical sergeant in the U. S. Air Force at a forward base in the Western Pacific.

Sergeant Robledo, a Strategic Air Command aircraft pneumatic technician, supports KC-135 Stratotanker aircrews who daily provide aerial refueling to fighter-bomber and reconnaissance aircraft conducting the air war over Vietnam.

The sergeant attended Killeen High School and completed requirements for his diploma after entering the Air Force.

His wife, Helen, is the daughter of Paul Ozama of Route 1, Haskell.

### THE DAYS OF AUTUMN

It always seems that summer has barely started when someone smells "fall in the air." Many people hate to see the leaves begin to turn. But, if they will look around them when fall is in "full bloom," they will find that they are in the midst of one of the most pleasant seasons of the year. While there is a tang in the air, there is also a new freshness. Crisp mornings and falling leaves tell winter is coming. We will look to such things as winterizing and tidying up the premises. It is time to think about anti-freeze for the car, etc.

Autumn begins this year on September 23rd, so those who have been smelling fall in the air will be vindicated on that day. Autumn marks the beginning of the challenging and busy days of the fall season.

### EXPRESS YOUR OPINION NOW

How big can our central government get without becoming a self-perpetuating mass of bureaus and administrative agencies beyond the control of the President, the Congress or the people? Such a government would quickly lose concern for what should remain its primary role of preserving the fundamental economic and political framework of a free society. Taxes are apparently on the way up, the value of the dollar on the way down, deficit spending continues and new proposals abound for pouring more untold billions of tax dollars into expanded federal programs.

Only the people through their votes and expressions of opinion to elected officials have the power to control the size of the federal government. The future of freedom will depend on a majority of the people making their concern and disapproval felt at the polling places during state and local as well as national elections.

**BUSINESS TRAINING THAT LEADS TO WELL-PAYING POSITIONS WITH VARIOUS LARGE BUSINESS CORPORATIONS.** The National Extension University is organizing a unique training center for business administration in Haskell, Texas. Registration of high school graduates and other qualified adults will be held at Haskell High School from 7:00 to 9:00 Monday, October 2. This training program was designed with the assistance of representatives of business corporations, and the graduates will definitely be interviewed with a view to career employment by various business representatives. The completion of the entire curriculum requires only 56 weeks of study and 28 bi-weekly consultation periods of 1 to 4 hours each with a business training expert. Write me today for complete information and prepare to register October 2. The class will be limited to 16 students.

MRS. JERRY SORRELLS, Box 273, Haskell, Texas 79521  
Telephone 864-2736

## Haskell County History

**30 YEARS AGO**  
(September 24, 1937)  
Mr. and Mrs. H. S. Post and Mrs. Ada Rike of Haskell received announcement of a new grandson, born September 22nd, to Dr. and Mrs. Gaines Post in Madison, Wisconsin. He will answer to the name of Gaines.

County Superintendent Matt N. Graham left Thursday morning for Austin for a week's business session with State school officials. Mr. Graham will consult the State school architect and study plans for a new building to be constructed for the Paint Creek Consolidated School.

Aerial maps of Haskell County returned for the second time for correction have been returned and the county agent's staff is checking them for accuracy. If found to be correct this time, acreage of farms will be checked for compliance of planted crops in the 1937 Agricultural Conservation Programs, reports B. W. Chesser, county agent. This work will probably start next week. Area of the county was photographed by an aerial surveying company early in the spring but part of the first set of maps were found to be off scale. This method of mapping shows the exact acreage of farms in minute detail. The cultivated acreage in various crops on each farm will be checked on the map to determine compliance with the 1937 conservation program.

Miss Geraldine Conner of Haskell was elected vice-president of the Freshman "Y" Club of Texas Tech College in their first business meeting Thursday afternoon.

Mr. C. B. Breedlove, superintendent, went to Austin, Monday afternoon where he will consult members of the State Department of Education. He will return Wednesday.

Two new sump pumps are being installed in the city water wells in compliance with the State Sanitary Department, reports Rogers Gilstrap, city water superintendent.

**10 YEARS AGO**  
(September 22, 1927)

Misses Galen and Ruth Robertson left Sunday evening for Denton, where they will attend the College of Industrial Arts during the current term.

J. H. Pickett of the Texas Garage returned Saturday afternoon from Lameta where he and his family spent a week with relatives. He left Lameta early in the morning and arrived here about 2:00 p. m., making the trip in a Ford Coupe and experiencing no car trouble on the trip.

The following men have been summoned for Grand Jury service during the September term of District Court, which will convene Monday, September 26th. The grand jury will be selected from the following list: R. L. Huddleston, T. B. Bagwell, Ab Hutchins, R. O. Carothers, J. O. Jackson, C. P. Neal, J. H. Parsons, W. E. Bunkley, O. E. Patterson, E. I. Christian, Earl Atchison, H. M. Cooner, T. M. Mitchell, W. O. Sargent, W. M. Trammier, J. W. Adeock.

After some three weeks of in-

tensive training, the Haskell High School Indians will try their mettle against the tough aggregation from Seymour at the Fair Park Friday afternoon at 3:45 o'clock.

The \$1,500,000 road bond issue lost for the second time during the past 45 days in last Saturday's election in Haskell County, according to the unofficial count secured from the county clerk's office. There were 1,713 votes cast for the bonds and 1,188 against.

Fight fans of Haskell and this section will welcome the announcement made this week that returns from the big Dempsey-Funney match will be received by two local radio dealers, who will hold open house the night of the fight, Thursday night. McNeill & Smith Hardware Co., dealers for the Atwater-Kent, and McMillan Electric Radios, state that their store will be open until after the fight, and that special provisions are being made to insure the best possible reception of the big fight. Jones Cox & Co., dealers for the famous RCA radios and loudspeakers, will also entertain fight fans.

**60 YEARS AGO**  
(September 21, 1907)

Capt. M. E. Pierson and family are visiting this week with the families of Messrs. D. R. Couch and S. B. Pierson at Aspermont.

Miss Minadale Davis left a few days ago to attend the nor-

mal school at San Marcos. She goes by appointment from this representative district.

Mr. Chas. Hoffman and Miss Iela Hubbard were married on last Sunday at the Hubbard House. Rev. J. T. Nicolson performed the ceremony.

Mr. J. J. Guest of Stephenville visited his son, Dr. G. M. Guest, a few days. He was accompanied on his trip by Messrs. Whitaker, Tudor and Sanders, who came prospecting with a view to probable location.

By an order issued by the Live Stock Sanitary commission cattle may be shipped from Haskell to the Fort Worth market during the next 90 days without inspection. The removal of this restriction on shipments will be a great convenience to persons who have beef stuff they desire to market. Considerable shipments were made from this point this week.

Mr. G. R. Couch, who has been the efficient cashier of the Haskell National Bank for several years, has resigned that position and has been elected vice-president of the bank, while Mr. G. E. Lankford, who has been the agent of the Wichita Valley since the advent of the road into this place, has been chosen by the bank directors to fill the important position of cashier. Mr. Marshall Pierson remains as assistant cashier and Mr. Couch will continue to give a considerable portion of his time to the management of the bank's steadily expanding business affairs.

Mr. Shirley Smith and Miss Mable Smith of the Sargentton community were married last Sunday. Justice A. W. Dunn of

Sargentton precinct performed the ceremony.

We are requested by the Street Fair committee to state that the fair will probably be held on Friday and Saturday, November 1 and 2.

# Pontiac announces the great American sport for '68

Le Mans Hardtop Coupe

Wide-Tracking has never been farther removed from just plain ordinary driving. One look at our stylish '68 Pontiacs should tell you that. One ride will convince you!

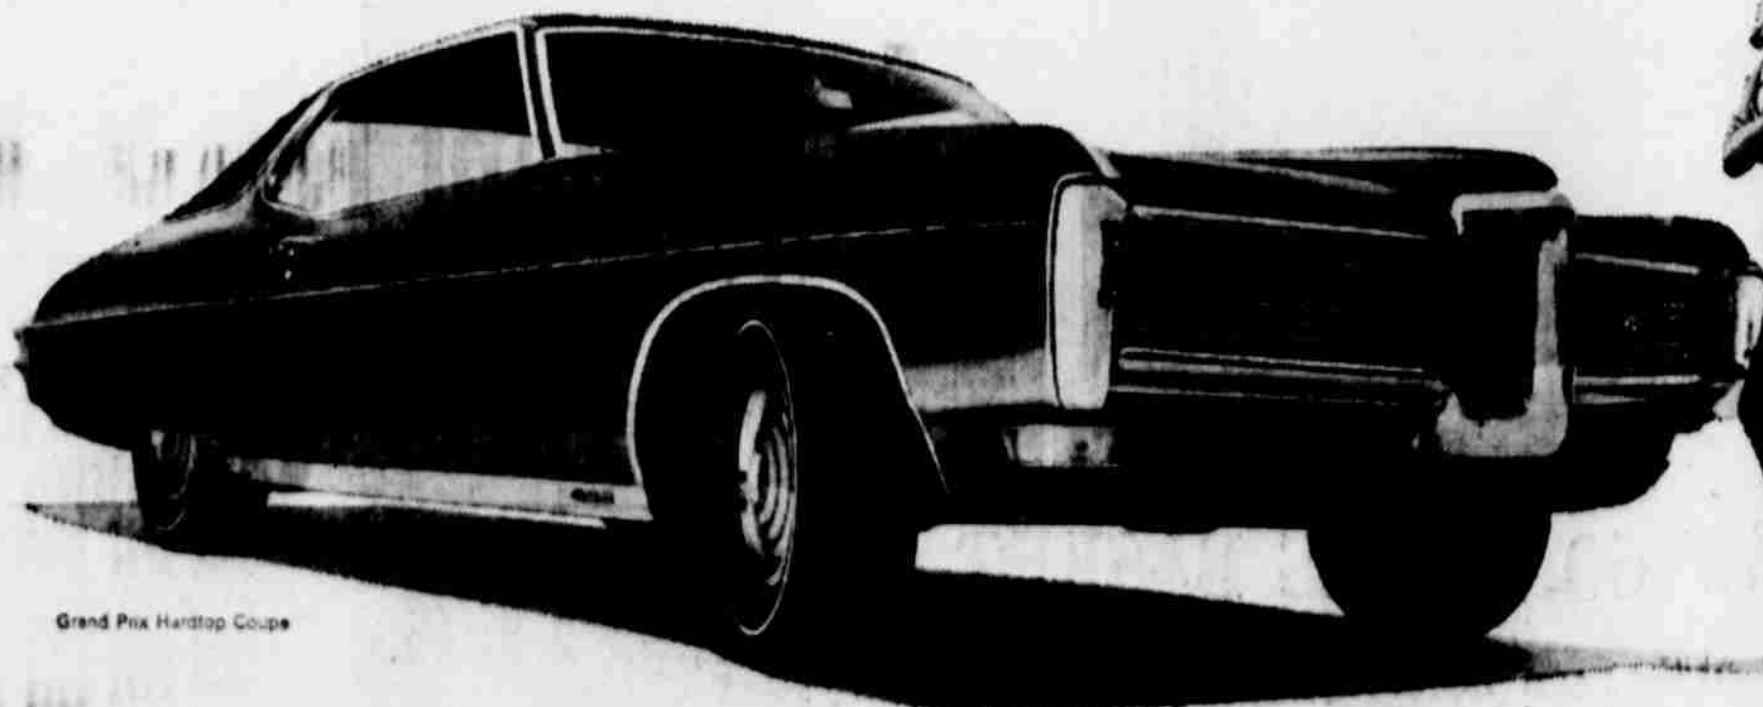

Our sporty new Tempests and Le Mans are new from the wheels up. There's a new 175-hp Overhead Cam Six. New sports car feel. Smoother ride. Superior stability and response. Disappearing windshield wipers on all GTOs and Le Mans. Even wider Wide-Track. And you can choose from two new regular- or premium-gas 350 cu. in. V-8s!

Our fabulous GTO boasts the neatest engineering innovation of the year—an exclusive revolutionary new bumper. It's the same lustrous color as the car. But it won't chip, fade

or corrode. And you won't believe what this bumper does until you see it with your own eyes!

Naturally, our new Bonneville, Grand Prix, Catalina, Executives and Venturas won't take a back seat to anyone. Especially with their bold new integral bumper-grilles that are nearly twice as strong as before. There's also new Wide-Track ride. Improved handling. Smoother engines. And more new features for your protection, like a buzzer that warns you when you forget your ignition key.

Isn't it about time you decided to give up plain ordinary driving? Don't fritter away another hour. See your Pontiac dealer today and start Wide-Tracking!

### REQUIRES A LICENSE DAY CARE SERVICE

...with the in a day nursery for a group of children.

The license authorized by Texas State Law to provide a service by the state for working parents and their children is issued without cost by the Child Welfare Division. The Child Welfare Office for this area is located at 401 Burk Burnett Road, Wichita Falls, Texas, telephone 723-0831. Miss Mary Wright is the Child Welfare Worker.

The Child Welfare Division recommends that a working Mother check to see that any place she chooses for her child meets requirements from the standpoint of equipment; that she sees that the person caring for her child is warm and understanding toward children and can give them the sense of security needed during the long day they are away from their own homes.

The licensing law offers protective and helping service to three groups of people—the staff of a facility, the parents and their children and the community.

The license is helpful to the staff in assuring parents that their children will be well cared for. No matter whether the child attends a day care center, nursery school, family day care home, or has baby sitting away from his home, the standards for his treatment should be the same. Day care away from the parental home should offer a warm affectionate, protective

contact with another adult besides Mother—another place besides home where a child may spend a portion of the day and feel secure and cared for. A young child must have all that good physical care can mean for wholesome growth—adequate food, a sufficient quantity of rest and sleep, stimulation of active play, a safe place to run and climb and yell, watchfulness against accidents and physical hurts, protection against communicable diseases, and observation so that defects for physical and emotional functioning do not go long unnoticed.

Many persons keeping children on a commercial basis are not aware that they are required to meet state established qualifications and obtain a license. The Child Welfare Division will help these people understand minimum standards and obtain a license.

Those who wish more information may call the Child Welfare Office in Wichita Falls, 723-0831, or write to 401 Burk Burnett Road, Wichita Falls.

### The Good Earth

By Mrs. B. F. Cobb

Mr. and Mrs. Ralph Merchant take great pride in their yard... as one enters the yard, two clumps of red yucca catches one's eyes. A small pecan tree on the front lawn gives promise of later years of shade.

Redbud, abelia, nandina, pfitser and waxleaf legustrum flank each side of the front entrance. Two Mimosa tower over the other shrubs.

When one enters the backyard from the east, they go through a hidden secluded side garden that well might be a gardener's retreat. Golden Forsythia and privet hedge meet a mock orange and waxleaf legustrum, to form a tunnel that leads to a lattice arch covered with English ivy; it is through this arch that one enters the back yard.

A curving iris bed runs the length of the east side in the back. Two tall pecan trees, loaded with nuts, casts their shade over the yard. A bird bath, with pink flamingoes, attracts many thirsty birds. Wandering Jew, with light orchid blossoms and iris ring one of the pecan trees. A redbud tree peeps from beneath the pecan tree in the back.

A beautiful pink crepe Myrtle stands guard at the back of the garage.

A patio covered with wisteria vines makes an inviting place for family get-togethers. In the summer, long racemes of purple blossoms turn the arbor into a thing of beauty.

Cannas, a Sutter's Gold rosebush, nandina, red yucca and an ever-blooming pomegranate with purple petunias intermingled, graces each side of the backdoor and runs the length of the back wall.

Nandina, abelia, photinia, forsythia (golden) and mock orange marches along the west side of the house. A border of Crinum lilies furnishes huge clusters of blossoms from time to time.

Blaze roses grow along the west wall of the garage in the back.

Haskell Garden Club is off to a good start this year. We aim to grow and show many new specimens of flowers, trees and shrubs the next growing season.

### Munday Downs Rochester 14-6

Quarterback Richard Albus passed Munday to a 14-6 win over Rochester Saturday night at Munday, clicking on scoring throws of 19 and eight yards.

Munday did all its scoring in the first half as Albus hit Dan Kuehler on a 19-yarder with Don Michalik converting on the point-after kick, and connected with Randy Reeves in second-quarter play for 8 yards.

Rochester scored its only points in the first period when Mike Wyatt broke loose from scrimmage for 61 yards.

Munday ..... 77 00-14  
Rochester ..... 60 00-6

### Texas Highway Department To Celebrate Golden Jubilee

The first half century of the Texas Highway Department has been one of growth—growth not only in the building of a 68,000-mile network of highways but also in services offered to the public.

The Highway Department, celebrating its Golden Jubilee during National Highway Week, Sept. 24-30, has developed traffic services simultaneously with the modern 68,000-mile Texas highway network.

Seven tourist information bureaus are operated at key entry points along the Texas border as well as one in the rotunda of the State Capitol in Austin. Travel counselors at these bureaus—at Anthony, Wichita Falls, Denison, Gainesville, Texarkana, Waskom and Orange—distribute travel literature, provide road condition information and assist tourists in charting their travels to any area of the state.

Presently a bureau is under construction at Amarillo and another is planned for Laredo.

In addition to providing tourist information, the bureau personnel issue permits to those truckers and travelers who have oversized or overweight vehicles. These permits also are available at any highway department district office.

When the information bureaus first were opened in 1936 to serve tourists during the Texas Centennial, they were staffed by cadets from Texas A&M who had very little to offer the traveler except a state map, drinking water and a friendly smile.

Today, the professionally trained counselors distribute a large part of the four million pieces of literature which are sent out annually by the Texas Highway Department. More than half of this literature, including the official Texas State

Highway Map, is produced by the Department with the remainder furnished by chambers of commerce and allied groups.

In addition to operating the travel information bureaus and publishing vast amounts of educational and travel material, the Highway Department serves the needs of motorists in other ways.

It maintains more than 1,100 safety rest areas, roadside parks, scenic overlooks and scenic turnouts for the enjoyment and safety of the motorist. The Department has constructed more than 90 boat ramps on Texas lakes, operates a fleet of toll-free ferry boats from Galveston Island to Port Bolivar, and maintains a free tunnel under the Houston Ship Channel.

In helping to preserve Texas heritage, the Highway Department erects and maintains historical markers at sites designated by the Texas Historical Survey Committee. The Judge Roy Bean Museum at Langtry is operated by the Department, which is planning to expand the museum to include a visitor's center and a more complete cactus garden.

The Planning Survey Division of the Highway Department issues a variety of maps. They range from individual county maps to large state maps which show all the state-maintained highways in Texas, including local service farm to market roads and roads designated for construction.

Also available are county outline maps of the state and traffic flow maps on which the amount of traffic is graphically shown by the width of the line. All are available to the public at small cost.

Of course, the primary purpose of the Highway Department is construction and maintenance of Texas highways. But, like all good businesses, it has expanded to meet related needs of the people it serves.

### Ben Anderson Enrolled In Dentistry College

James Benjamin Anderson, son of Mr. and Mrs. Carl Anderson, of Haskell, enrolled as a freshman student in Baylor University College of Dentistry, Dallas, September 12.

For the second year 100 students have been accepted in the freshman class.

Three years of academic work in a college or university are required before a student can be accepted in the College of Dentistry. Seventy-five percent of the entering students have earned a bachelor's degree.

The course in dentistry, leading to the Doctor of Dental Surgery degree, is completed in four years.

The College of Dentistry, which has been a part of Baylor University since 1918, is operated under the auspices of the Baptist General Convention of Texas.

Texas has no large natural lakes. Every major lake in Texas is the result of a dam across some stream. Many of these are in Central and West Texas, where a few years back they were practically devoid of game fish.

In fact, some historians say that black bass were not found west of the Colorado until the present century. This is easy to believe because there was no water to support them.

Now there are new and larger developments in East Texas. So the whole state is benefiting.

VA Questions and Answers

Q—I presently have a loan on my 30-Pay Life National Service Life Insurance policy. Is it possible to make an additional loan on this policy?

A—The amount you may borrow is limited to 94 per cent of the present cash value of your policy. If your present loan is in an amount less than 94 per cent of the cash value, you may make an additional loan up to that limit.

Q—I was in service from October 1953 to September 1957. I plan to purchase a home with a GI loan. I have heard something about a funding fee. What is this?

A—This applies only to veterans who have eligibility for GI loan arising out of military service performed since January 31, 1955. These veterans must pay a fee of one-half of one per cent of the amount of the loan to the lender. The lender then submits it to the VA. Since you had service during the Korean Conflict period, you will not be required to pay this fee.

Q—My husband, a World War II veteran, died recently. I applied for the proceeds of his National Service Life Insurance, only to be informed by the Veterans Administration that I was not the beneficiary. I need this money badly as I have three children to support and educate. Is this money lost to me?

A—It may be. The VA must pay the proceeds of USLI policies to the beneficiary last designated by the insured, even when this results in an obvious inequity. It is sad but true that many veterans neglect to keep his beneficiary designation up to date. In your case the situation can be resolved in your favor only if the named beneficiary recognizes the unfairness and can be persuaded to assign all or part of the proceeds to you.

Q—I am enrolled at the University of Arkansas under the GI Bill for the 1966-67 term. I plan to attend the University of Missouri for the 1967 summer session. What must I do to obtain VA educational assistance for the summer session?

A—Submit a request to the VA Regional Office for a change of program or school. This should be done early enough to

Rites Held In Monahans For Mrs. W. E. Green, Jr.

Mr. and Mrs. W. E. Green Sr., Mr. and Mrs. Guinn Medford, Mr. and Mrs. Duke Montgomery and J. W. Howard of Haskell and Mrs. Harvey Medford of Munday, were in Monahans Wednesday of last week to attend funeral services for Mrs. W. E. Green, Jr.

Mrs. W. E. Green, Jr. is the daughter-in-law of Mr. and Mrs. W. E. Green, Sr., of Haskell. Mrs. Green passed away Monday night, September 11, at her

home in Monahans. Interment was at Monahans.

INSURANCE - REAL ESTATE AND LOANS

LET US SECURE YOUR RESIDENCE LOAN

YOU ARE INVITED TO SEE and DRIVE THE New 1968 CHEVROLET and OLDSMOBILES Thursday, Sept. 21st

New roof line augments beauty of 1968 Chevy II Nova Sport Coupe

Built on a longer 111-inch wheelbase and wider stance, the Chevy II Nova's fresh new look includes a longer hood, short deck styling and stunning sweep-back roof lines. New Nova models feature—curved side windows; foot-operated parking brake and keyless locking of all doors. For that 'extra touch' an optional wide accent band and bright moldings can be used (shown above) to enhance the exterior styling of the lower body. Chevrolet dealers will display 1968 models for the first time on September 21.

Swanky lines distinguish the Smart '68 Chevrolet Caprice Coupe

Chevrolet's new look for 1968 begins up front with a smart new grille and hood that conceals the windshield wipers. Recessed taillights in the rear bumpers and new body side lines are smart styling features as shown above on the Caprice Coupe. An impressive list of comfort and convenience options make it possible to custom-tailor a new Chevrolet to almost any personal taste. The new Chevrolets will be on display September 21.

In addition to dramatic new styling both front and rear, the 1968 Oldsmobile Delmont 88 — together with all the new Oldsmobiles — features a long list of important mechanical improvements. Among these are larger front wheel cylinders for better overall brake effectiveness and balance. Powering the Delmont is a standard 350-cu.-in. 2-barrel V-8 engine providing better mid-range performance, fuel economy, quietness of operation and durability. A 455-cu.-in. V-8 engine is also available.

For 1968, Oldsmobile introduces a sporty new Cutlass "S" Coupe to augment its gains in the youth market. Built on a special wheelbase, the "S" Coupe is available in a hardtop (above), pillar coupe, or convertible body style. The "S" Coupe may be customized through the use of any one of 12 engine-transmission combinations. Deluxe interior trim and special exterior ornamentation are standard features, while dual exhausts, wood grained steering wheel and special handling components are optional.

FREE COFFEE AND COOKIES Bring the Entire Family and let them enjoy seeing the NEW MODELS

Our Complete line of Chevrolets and Oldsmobiles for 1968 will be on display SEPT. 21st... and we Invite You to Inspect and Drive the Car of Your Choice!

## Pontiac... Styling Leader in 1968

**ALL NEW FROM PONTIAC** — Two of Pontiac Motor Division's newest and most distinctive 1968 models are shown above. In the foreground is the GTO convertible which features the exclusive Endura front bumper as standard equipment. The bumper is made of a special chemical compound which has an energy-absorbing quality. Also standard on GTO is a 400 cubic-inch engine with dual air scoops on the hood. Concealed headlamps and hood-mounted bumper are among the GTO options. Also pictured is the Le Mans two-door hardtop coupe which reveals the new styling of all the 1968 Tempests. Featuring the popular long hood short deck styling, the Le Mans has a new roof which blends into the rear section. Pontiac's overhead cam six cylinder engine is standard and there is an optional V-8, both with increased displacement and horsepower.

**GARY DAVIS COMMUNICATIONS CREWMAN COURSE** in basic electricity, switchboard installation and operation and pole climbing. Sept. 8th, at Ft. Huachuca, Ariz. Gary M. Davis, trained to string wire from the field to the communication center. Instruction was also given by Mr. and Mrs. Ray Davis, 101 N. Ave. M. The private's wife, Sondra, lives at 802 S. First St., Haskell.

## Rule Bobcats Claw Hounds

The District 6-B Rule Bobcats rolled up a 12-0 victory over the host Throckmorton Greyhounds Friday night with back Charles Lott providing both tallies. Following a defensive affray in the first quarter, during which neither team was able to penetrate, Rule came back in the second period with a pair of TD's. With 10:04 remaining in the 2nd quarter, Lott boomed over the left end to score from the one-

yard line after setting up the play with a strategic 26-yard sprint. QB Johnny Westbrook's try for extra point failed. The Bobcats struck again 1:21 before halftime. Westbrook hit Lott in the end zone with a 12-yarder, but a pass play for the PAT was incomplete. Throckmorton's only serious threat was late in the fourth quarter when the hosts drove to the 12-yard line before losing the ball on downs, 18 seconds before the game ended. The victory was Rule's second, while the Greyhounds now own a 1-1 record.

## News from Weinert . . .

MRS. O. W. VAUGHN

**Class Officers** Officers of the classes in Weinert High School have been elected to serve during 1967-68. Senior officers are Danny Stewart, president; Terry Sanders, vice president; Ronnie Alexander, sec'y-treas.; Larry Sanders, reporter; sponsors, Mr. Forehand, Mr. Guess. Juniors are: Gilbert Jemenez, president; Allen Johnson, vice-president; Kathy Hager, sec'y-treas.; Johnny Stutir, reporter; sponsor, Mrs. Moody. Sophomores are: Joey Yates, president; Donna Adams, vice president; Betty Edwards, sec'y-treas.; Judy Gray, reporter; sponsor, Mrs. Hedley. Freshman: Janice Rainey, president; Lorena Caddell, vice president; Pauletta Wilfong, sec'y-treas.; Tommy Miller, reporter; sponsor, Mr. Willie Grimes.

**Attend Fair** The Weinert freshman class enjoyed a trip to the West Texas Fair in Abilene September 13. Class members attending were: Janice Rainey, Lorena Caddell, Pauletta Wilfong, Sheila Dutton, Alexis Mayfield, Debra Struck, Myrtle Davis, Caron Guess, Lee Gray and Tommy Miller. Sponsors were: Mr. Guess, Mr. Grimes and Glenn Caddell. Visitors were Mrs. Grimes, Gail Grimes and Joan Caddell.

**FHA Weiner Roast** The FHA girls held a weiner roast September 5th at the Mansfield Park for all high school students, parents and teachers. There were 51 present.

# News from Rule

MRS. FAYE DUNNAM

**Pea Shelling Party**  
Twelve adults got together recently for a "pea shelling party" in the home of Mr. and Mrs. Ben Kitley in Rule. Work, talk, food and fun were combined with almost five bushels of peas, two freezers of ice cream, a cake, cookies and dips.

Those attending were: Mr. and Mrs. Lonnie Martin, Mr. and Mrs. C. W. Dunnam, Mrs. Emmitt Eakins, Mrs. Bruce Miller, Mrs. Lois Martin, Mrs. C. A. Jackson, Mrs. Bill Mason, Mrs. Raymond Denison and the host and hostess, Mr. and Mrs. Ben Kitley.

Mrs. Kenneth Sacke and family of Andrews spent the weekend with her father, Mr. Earnest Allen.

Mr. and Mrs. Phil Place have been visiting his grandmother, Mrs. Jess Place. Phil has been stationed at Quantico, Va. Mr. and Mrs. Clyde Laughlin and Mr. and Mrs. E. H. Norwood are vacationing in the Big Bend area.

Mr. and Mrs. Boyce Foil moved back to Plains, Texas Sunday to make their home. Mr. and Mrs. Lonnie Martin gave a farewell dinner for them on Saturday night. Those enjoying the buffet supper were: Mr. and Mrs. Boyce Foil, Mr. and Mrs. Ben Kitley, Rev. and Mrs. Mike Herrington and children, Mr. and Mrs. Clyde Grace, Mrs. Lois Martin, Mr. and Mrs. C. W. Dunnam and Mr. and Mrs. Lonnie Martin.

Mr. and Mrs. Clyde Grace spent Sunday in Fort Worth with the Ronnie McKimins.

Mrs. Ruth Brewer of Red Springs is visiting her daughter and family, the R. E. Morrisons. They all spent the weekend with the Ken Young family in Dallas.

Rule graduates attending colleges this year are:

Texas Tech: Judy and Jimmy New, Brent Davis, Lynn Richards, Bob and Tonny Jo Clark, Jeff and Jana Lewis.

Hardin-Simmons University: Gary Fanning, Howard Brass, McMurry College: Sue Lewis, Linda Green, Linda Simpson, Larry LeFevre.

Ahlene Christian College: Joe and Janice Cannon, Jerry Cannon, Cheryl Counts.

Midwestern at Wichita Falls: Glenn Davis, Max McMeans, Danny Langford.

Arlington State: Ronnie and Paula May.

East Texas State: Ann Anders, Sue Gann.

San Marcos: Chris Allison.

Texas University: Crawford Allison.

Odessa Jr. College: John McQuinn.

West Texas State: Beth Simpson, Virginia Hatusus, Billy Dave Kittley, Dave McCandless, Edith Chambers, Eddie Chambers.

Cisco Jr. College: Terry Joe Mathis.

Cook County Jr.: Lyndel Norwood.

Southwestern Dental: David May.

Galveston Medical: James Norman.

John Tarleton: Jerry Barbee, Teresa Mahler.

Texas Women's University: Charlene Price.

Indiana University: Kent Dunnam.

Dallas Baptist College: Ken Young.

Mae took their son and brother, Cecil Ray, to Austin Sunday where he is enrolled in University of Texas and will be starting his schooling this week.

Visitors in the home of Mr. and Mrs. O. W. Vaughn Saturday and Sunday were his brothers, Mr. and Mrs. John Vaughn of Chickasha, Okla., Mr. and Mrs. O. O. Vaughn of San Angelo, Sunday visitors were son, Mr. and Mrs. DeWayne Vaughn, Elaine and Jerry of Anson.

Mr. and Mrs. Durwood Bruton and brother, Elwood, all of Dallas, visited their parents, Mr. and Mrs. Ben Bruton, over the weekend. Also, Mr. and Mrs. Ivan Gresham of near Munday were Sunday guests in the Bruton home.

Mr. and Mrs. Edgar Lowe visited her brother, Mr. and Mrs. Walter Williams at Bomhr-ton Friday of last week. Mrs. Williams was just recently dismissed from Wichita Falls hospital after having serious surgery.

Mr. and Mrs. H. W. Liles visited their son, Mr. and Mrs. H. W. Liles, Jr., in Odessa, over

the weekend and all attended the Ice Capades. They were met there by his sister, Mr. and Mrs. Pat Mayfield of Fort Stockton; her sisters, Mr. and Mrs. Paul Roberts of Andrews; and Mr. and Mrs. Bruce Davis and Debbie of Petersburg.

Guests in the home of Mr. and Mrs. A. D. Johnson Tuesday and Wednesday of last week were his sister, Mrs. J. V. Roberts of Ahlone Lake.

Mr. and Mrs. George Ashby of Corsicana spent Thursday and Thursday night with his sister, Mr. and Mrs. Cecil Jones. He is superintendent of Rebekah Orphans Home in Corsicana.

Mr. and Mrs. Glenn Caddell visited Mr. and Mrs. Coyt Hix at O'Brien Sunday afternoon. Mrs. Hix had been dismissed from Haskell Hospital Saturday.

Mr. and Mrs. Marvin Plemister spent the weekend in Dallas visiting their daughter, Mr. and Mrs. Ernest Frantz and children.

Mr. and Mrs. Duard White visited her sister, Mr. and Mrs. Donald Jones in Fort Worth over the weekend.

Mr. and Mrs. D. H. Carroll visited their son, Mr. and Mrs. Bobby Carroll and children in Odessa from Thursday of last week until Sunday. They visited their niece, Mr. and Mrs. Lane Wells in Trent on their return home.

Mr. and Mrs. Jack Sanders were in Snyder Sunday evening

# SAGERTON NEWS

MRS. DELBERT LEFEVRE

This area received good rains beginning Wednesday night of last week, with the heaviest amount in the south part between Sagerton and Stamford. The moisture was helpful to the younger crops and filled the stock tanks. However, everyone agrees that we need plenty of sunshine now.

Mr. and Mrs. J. C. Schwartz and daughters of Snyder attended the Stamford-Snyder game Friday night and then visited with Mr. and Mrs. Otto Lehmann.

Mr. and Mrs. Cliff LeFevre, accompanied by Reece Clark, spent the weekend at Tulsa, Oklahoma in the home of Mr. and Mrs. Oscar LeFevre.

Mrs. Leta Pope, sister of Mrs. G. A. Leach, who has been visiting here, went home with her son Saturday to Fort Worth.

Mrs. Fred Kupatt honored her son, Kraig, on his birthday Monday, Sept. 18, with a party for a group of his friends. His grandparents, Mr. and Mrs.

Shortie Hewett of Stamford were also present.

Paul Neinast, who became ill at his brother's home in Littlefield and was a patient at the Littlefield Hospital, has been brought to the Haskell Hospital and doing better.

Mrs. R. N. Sheid of Rule visited with Mrs. John Clark Tuesday night of last week.

Mrs. J. H. Jordan hosted the meeting of the Stitch and Chatter Club in her home Wednesday of last week. Those present were: Mrs. John Clark, Mrs. Cliff LeFevre, Mrs. R. N. Sheid, Mrs. Oscar Gibson and the hostess.

Mr. and Mrs. Keith Whiteaker of Austin visited with Mr. and Mrs. Alvin Ulmer last weekend.

Mr. and Mrs. Alvin Ulmer went to Lockney late Sunday afternoon to visit with Mr. and Mrs. Macon Ulmer and family.

The musical session at the Sagerton Community Center held last Saturday night was a great success. Approximately one-hundred people attended and three area bands took turns playing good toe-tapping music. It was decided to have such a session here on the third Sat-

urday night of each month from now on.

Mr. and Mrs. John Hickey of Dallas visited with Mr. and Mrs. Oscar Manske last weekend.

Mr. and Mrs. August Angerman visited with Mr. and Mrs. Ed Shaming and sons near Sulphur Springs, Texas.

Mrs. Ben Hess is in Midland visiting her sister, Mrs. Ellen Reising. Mrs. Mary Hess and son, Joe Bennett, came after her last week.

Mr. and Mrs. Charles Clark are vacationing in Colorado.

Mr. and Mrs. John Bell were called to Fort Worth Friday by the death of her brother-in-law.

Mr. and Mrs. Bob Clark of Lubbock visited with Mr. and

## NEW 1968 MERCURY AND FORD

### Friday, September 22

Refinements in styling and a new 429-cubic inch V-8 engine distinguish the 1968 Thunderbird. Shown above is the four-door Landau model. All Thunderbirds have a standard bench seat in 1968 which, along with a lowered floor tunnel, provides more space for passengers. Highlighting the styling changes is a new grille that gives a wider look to the front of the car.

NEW 1968 MERCURY MONTCLAIR

COFFEE AND COOKIES WILL BE SERVED

1968 FORD OFFERS MANY MODELS TO SELECT FROM

WHICH WILL BE AVAILABLE AS SOON AS FORD MOTOR COMPANY'S STRIKE IS OVER.

Don't buy now but wait to see and drive your choice of our models . . .

You will always be glad you did.

Strikingly new for 1968 is Torino by Ford. At the top of the Fairlane series, the Torino is available in six models including the formal hardtop (above) and the GT fastback. Four inches longer than previous Fairlane models, the Torino brings a new standard of luxury to the intermediate class. All 1968 Fairlane models have completely new sheet metal featuring an integrated grille-dual headlamp assembly and a distinctive raised center panel. A new 302-cubic-inch engine is standard in the Torino GT and optional in all other series.

An exciting new XL fastback (above) and an LTD 2-door hardtop with a new formal roof line are but two of 21 Ford models for 1968. All LTD, XL and Country Squire models feature a special die-cast grille with retractable headlamp doors. A new 302-cubic-inch V-8 engine is standard in LTD and Squire models and optional in all other Fords. New options for 1968 include AM/FM multiplex stereo radio, an automatic load leveler system, a rear window defogger and tilt steering wheel.

Falcon in 1968 retains its long hood, short rear deck styling theme, but design innovations, a larger engine option and new interiors help to set it apart from earlier models. A new square off rear end gives Falcon a more stable appearance as exemplified in the Futura four-door sedan above. The Futura station wagon below retains the dual-action tailgate that opens like a door and swings down like a tailgate—an exclusive in Falcon's class. Optional in 1968 is Ford's new 302-cubic-inch V-8 engine. Interiors feature new cloth and vinyl upholstery and a new instrument panel.

### Skip Row Will Raise More Cotton Charles Stenholm of RPCG Says

Some details of the 1968 Cotton Program are due for release the latter part of this week -- particularly those pertaining to allotment and projected yields.

"Much has been said about projected yields in the past year," said Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers. "Most, if not all people, admit that penalties imposed on skip-row that have the effect of lowering projected yields of farmers who follow the cultural practice of skip-rowing, are clearly discriminatory and just flat wrong."

"But now as the time for deciding on the 1968 cotton program rules and regulations draw nigh," continued Stenholm, "We find that reports from Washington indicate that penalties now

imposed will be continued. "We hope these reports are wrong but just to be on the safe side, RPCG plans to be in Washington Monday to work with our Congressmen and with Department officials concerning the 1968 Cotton Program and particularly skip-row and projected yields.

"In my opinion," Stenholm said, "we either get skip-row regulations changed now or we never get them changed. The present situation is such that we need more cotton (skip-row will raise more cotton), we need to improve farmers' income (skip-row will increase farmers' income) and we need better quality cotton (which skip-row will also help). We will never have a better situation for removal of skip-row penalties."

J. B. Cooper, Jr., president of

### CORPORAL O'KEEFE AT CAMP BOOKS, VIETNAM

Marine Corporal Michael E. O'Keefe, son of Mr. and Mrs. Pat E. O'Keefe of Rt. 1, Haskell, is at Camp Books, Vietnam, 10 miles northwest of Da Nang, serving with Headquarters and Service Battalion, First Force

Service Regiment of the Force Logistic Command.

His battalion provides command, administration, communication, transportation supply and supporting services for the regiment and air-ground task force, including elements operating on independent missions.

The Force Logistic Command supports Marines fighting in the northernmost portion of South Vietnam.

### Several County Farmers Plan To Plant Winterpeas

Willie W. Baerger of Haskell, cooperating with the Wichita-Brazos Soil and Water Conservation District, plans to plant several acres of Austrian winterpeas for soil improvement and conditioning following the construction of parallel terraces.

Jack Kittley, of Rule, cooperating with the California Creek Soil and Water Conservation District, also plans to plant a sizable acreage to winterpeas for soil building and conditioning.

Hinds A. McGowan, Jr., Soil Conservationist for the Haskell Work Unit of the Soil Conservation Service, stated that now is the time to plant winterpeas. Planting rates may vary depending upon whether the peas are planted in rows, drilled, or planted with small grains. Twelve to eighteen pounds per acre is commonly accepted for row plantings, twenty to thirty pounds for drilled, and about 12 pounds when planted with small grains.

The final planting date for best results is November 1, McGowan concluded.

**What if you need NURSING CARE AT HOME?**

A serious illness or injury often requires a long and expensive convalescing period at home. Does your present medical insurance protection cover these expenses as well as those acquired in the hospital? If not, check with us about the in-and-out-of-hospital medical expense protection you can have with Major Medical Insurance... and at surprisingly low cost!

### Swanky lines distinguish the Smart '68 Chevrolet Caprice Coupe

Chevrolet's new look for 1968 begins up front with a smart new grille and hood that conceals the windshield wipers. Recessed taillights in the rear bumpers and new body side lines are smart styling features as shown above on the Caprice Coupe. An impressive list of comfort and convenience options make it possible to custom-tailor a new Chevrolet to almost any personal taste. The new Chevrolets will be on display September 21.

### Howard Sloan Attends Austin Conference

Howard Sloan, Veterans County Service Officer for Haskell County, attended the 23rd Annual Statewide Rehabilitation Conference in Veterans Service Officers, which was held at the Austin Hotel in Austin, September 11-14.

The Conference was conducted by the Veterans Affairs Commission of Texas, in cooperation with the American Legion, Disabled American Veterans, Veterans of Foreign Wars, Veterans of World War I, and the Veterans County Service Officers Association of Texas. The purpose of the meeting was to offer Service Officers from the entire State of Texas an opportunity to gain first hand knowledge of recently enacted legislation dealing with benefits to veterans and their dependents and survivors. Topics discussed during the four-day conference included disability compensation and pension, Government insurance, GI loans, Education and training for veterans and children, hospitalization and medical treatment, and veterans employment and re-employment rights.

Conducted annually, the Conference serves as an in-service course of training for

National, State, County, Post and Chapter Veterans Service Officers.

### WEEKEND VISITORS

Visitors in the Mildred Kennamer home over the weekend were Mr. and Mrs. James Roy Champ and children of San Antonio; Mrs. Larry Fey and children of Lueders; Jerry Syllis, of Pace, and Mrs. Lois Love of Dallas.

### OIL NOTES

Raven Oil Co., Inc. of Abilene leased No. 6 G. C. Lam in the Turnbow (Burson) field. The planned 400 ft. rotary venture is 5 miles north of Haskell. It spots 2112 ft. from the south and 850 ft. from the east line of J. Montgomery Survey 2.

Magnifying glasses now available at Haskell Free Press.

### Mart Steady Here Saturday

The market was steady and packer cows higher at Haskell Livestock Auction Saturday.

There were 741 head of cattle and 37 hogs offered.

Top on hogs was 19.90, with the bulk of butcher hogs 18.00-19.25 and sows 14.50-17.00.

Bulls: Bologna 20-21.50; light 30-27. Butcher cows: Fat 17-19; canner and cutter 14.50-18; old shells down to 12.

Butcher calves and yearlings: choice 25-26.50; good 24-25; standard 23-24; rannies 18-23. Feeder steer yearlings, choice

26-27; good 25-26; common medium 21.50-25.

Feeder heifer yearlings, choice 25-26; good 24-25; common medium 20.50-23.

Stocker steer yearlings: good and choice 25.50-27.50; common medium 22.50-25.50.

Stocker heifer yearlings: good and choice 25-26.50; common medium 21-25.

Stocker steer calves: choice, 27.50-35; good 26-27.50; common medium 23-26.

Stocker heifer calves: choice, 26-27.50; good 24-25; common medium 21-24.

Cows and calves: pairs, \$165-\$270.

### Pots And Pans Can Be Shiny

Pots and pans can be shiny even with hard daily use, if you know what metal each pan is made of and treat it accordingly, says Barbara Elliott, county home demonstration agent.

Wash aluminum utensils thoroughly in hot soap or detergent suds, then rinse with hot water, the home agent advises. Remove stuck foods by boiling water a few minutes or by scraping with wooden spoon, plastic scouring pad or steel wool soap pad.

Remove inside discoloration by cooking tomatoes, rhubarb, apples or other acid foods in the pan. Polished exterior surfaces need cleaning with a sudsy cloth or silver polish. Steel wool soap pads could scratch the surface, she points out.

Other tips by the county home demonstration agent include:

Wash stainless steel in hot suds promptly after use to maintain luster. Rinse with hot water and dry thoroughly. Moisture left on the surface causes a cloudy film. When food sticks to utensils, soak in warm suds and scrub with a cloth, sponge or fiber brush. Avoid using abrasive which could scratch the finish.

Remove brownish or varicolored "heat-tint" on pot bottoms with silver polish. Pans with copper bottoms are cleaned with vinegar or lemon juice and salt and a fine steel wool pad or commercial cleaner.

LEDGER SHEETS, boxed typewriter paper, and columnar pads, get them at the Free Press. 37tp

### Dramatic! Distinctive! Daringly new!

## '68s Top Secrets are here 1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

### A MORE SILENT RIDE

And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

### BETTER PERFORMANCE

There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

### UNIQUE ASTRO VENTILATION

There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

### PROVED SAFETY FEATURES

You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

### MUCH MORE THAT'S NEW

There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

Be smart! Be sure! Buy now at your Chevrolet dealer's.

There's more quality and value built into Chevrolets than ever before, making every new 1968 model an even better buy!

ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING • ELECTRIC CONDITIONED LIVING

What people are saying about...  
**A CLEAN BREAK WITH THE PAST**

"Sold on the cleanliness!" says Mrs. John Barrows of San Angelo, Texas. The Barrows have lived in total-electric comfort for almost three years, and are pleased with the living! Pleased that it is so clean... less dust. Pleased with the electric cooling and heating because it does such an "excellent job." Pleased that they can set the temperature controls one time in the summer, and one time in the winter and a constant temperature is maintained. The Barrows are pleased that there have been no service problems with the heating or cooling units, no cold spots in winter or hot corners in the summer. Both are especially pleased that the electric bill is so reasonable. Only \$42.31 per month average. That is the total operating cost for cooling, heating, lighting, laundry, water heating, cooking, cleaning and running all of the work-saving electrical appliances for a family of 5 — and Robert, age 15; Ken, age 11; and Bryan, age 10; are active youngsters who open and close the refrigerator a lot... need lots of clean clothes and open and close doors frequently. Seven room, 2300 square feet — just \$42.31 per month average.

Electric living is great — talk to your electric contractor or visit WTU and find out how easy it is to live better electrically.

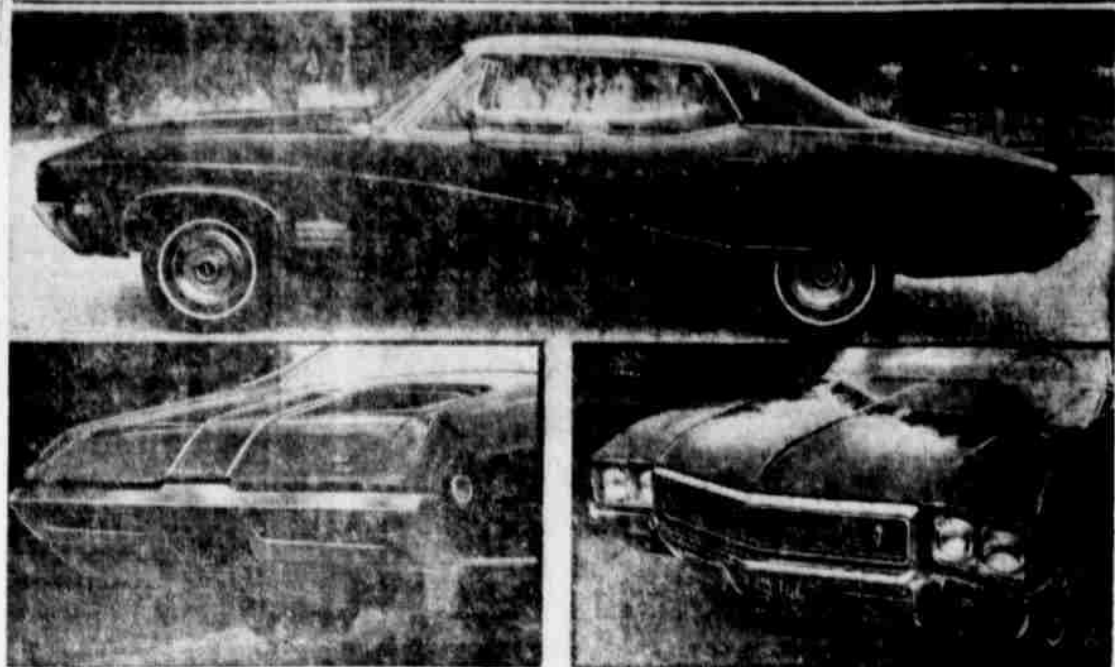

**MAKE A CLEAN BREAK WITH THE PAST** — convenience and comfort are great in Total Electric living.

### Buick Skylark Features All-New Body

Buick's popular Skylark model introduces an all new body in 1968 with the emphasis on a shortened rear deck and a longer hood. A sculptured body sweepline predominates the side view. The new grille is reminiscent of the Riviera and the new taillamps are designed into the large rear bumper. In the Skylark Custom model, such as the four door hardtop shown here, a 230 horsepower V-8 engine is standard equipment.

### Motorists Are Encouraged To Stay Within Legal Speed Limit

(Note: This is the first of three articles on a new emphasis program and an all-out drive of the Texas Department of Public Safety to enforce the state speed laws in hopes of reducing highway carnage.)

**Speed kills.** This hard fact of life on the open road is universally accepted by the officers who are charged with the duty of making Texas highways safe, just as it is ignored by many of the drivers using those highways.

Because speed kills—and because the chances of a driver becoming involved in an accident increase with speed—the Texas Department of Public Safety has started a more intensified effort to encourage motorists to stay within a legal speed limit on Texas highways. "Statistics prove that drivers are more likely to be involved in an accident at speeds over the legal speed limit," explained Major Luther C. Moore, Commander of the Department of Public Safety's Region 5, cover-

ing thousands of miles of highways in northwest Texas.

The average motorist might ask some questions about these statistics, and Major Moore can provide some eye-opening answers.

For instance, the motorist might ask if a driver is more likely to be involved in a traffic accident at 70 miles per hour than 65? What about 75 or 80 miles an hour? And if the accident chances increase above 65 miles per hour, then just how much do they increase?

The grim history from bloody Texas highways during daylight hours shows a 20 per cent increase in accident involvement at 70 miles per hour, compared to the 65 mile per hour rate.

Major Moore points out that by increasing the speed from 65 to 75 miles per hour (just 10 miles per hour) the motorist risks a 50 per cent increase in accident involvement, and at 80 miles per hour the risk jumps to 90 per cent.

The fast driver risks even more at night, the Regional Commander explains. Accident statistics show that a driver is more likely to become involved in an accident at any speed at night, and at 55 miles per hour the accident rate is nearly two and one-half times as great as driving at the same speed in the daytime.

Nighttime drivers are more than three times as likely to become involved in an accident at 65 miles per hour than at the

same speed in daylight. During night hours 75 miles per hour speeds produce about five and one-half times as many accidents, and at 80 miles per hour the accident frequency is multiplied eight times.

And that's not all of it. Studies show that injuries sustained in motor vehicle accidents are more severe as speed increases.

Major Moore explained that researchers at Cornell University learned the severity of automobile accident injuries is twice as great at speeds over 50 miles per hour as slower speeds.

Research also shows that while a driver trying to maintain 80 miles per hour through traffic on typical rural highways can cut about 30 per cent from the time required for the trip at legal speeds, his chances of getting killed in an automobile mishap increase by at least 400 per cent.

In hopes of encouraging drivers to stay within legal speed limits, the DPS is placing more

patrolmen on the roads and more radar units beside highways to clock the persistent speeder in an effort to control speed.

(The second article in this series will tell what percentage of drivers are speeding and the type of accidents they have, and the third article will tell more about what the Department of Public Safety plans to do about speeding.)

### Annual Meeting Texas Heart Assn. Begins Today

The latest information available on the urgent and complex problems of heart and blood vessel diseases, which account for more than half of all deaths in the United States each year, will be presented during the 22nd Annual Meeting and Scientific Sessions of the Texas Heart Association (THA) to be held in Dallas from Sept. 21 through

Sept. 24, 1967, according to Saul H. Appel, M. D., El Paso, THA President.

The meetings will be headquartered at the Sheraton-Dallas Hotel and a record number of physicians, scientists, nurses and laymen from Texas and six neighboring states will be in attendance. This year the sessions will cover, among other important topics, the use of newer drugs in the treatment of hypertension (high blood pressure) and heart attacks; the surgical correction of the failing heart;

and medical and surgical treatment of congenital (birth defects) heart disease.

#### COMPLETES COURSE

Fire Control Technician Third Class Engineering Aid Dale E. Denton, USN, son of Mr. and Mrs. Lea R. Denton of Rule, and the husband of the former Miss Donna J. Millsap of 1908 E. 1st St., Lubbock, was graduated from the Fire Control Technician Class "A" School at Mare Island Naval Schools Command, Vallejo, Calif. He is now qualified to oper-

ate, maintain and repair special fire control systems and their accessory equipments on board ships of the Fleet.

Fire Control Technician school is one of four schools attached to the command at Mare Island including the Guided Missiles school, Data Systems Technician school and the Cryptographic Repair School.

# '68 Buick. Now we're talking your language

We changed the Skylark from front to rear, we gave it a whole new look, simply because we believe you want a car like this. In other words, we're talking your language.

We thought you'd like to have a little easier time parking. So we shortened the wheelbase of the two-door Skylark down to 112 inches.

The new 230-hp., V-8 engine runs on regular gas. It's standard on a Skylark Custom model.

We also refused to limit your choices. Skylark Custom comes in four models, 15 colors and 32 trim combinations. So talk to the man who talks your language, your Buick dealer.

All Buicks have a full line of General Motors safety features as standard equipment. For example, side marker lights and energy-absorbing steering column.

Wouldn't you really rather have a Buick?

The '68 Buicks are at your Buick dealer's now. He's ready to talk your language.
