Writing contest sponsored  
Council of our  
held April 30  
entry is Diana Marie  
age 12. She will partici-  
6 different events.

mark or alcohol stains  
furniture are not  
removed. Often furniture  
can be restored only  
if the stain is a few  
days old. Here are a few  
tips offered by Thelma  
county HD agent, for  
treatment of such dam-  
ages:

you spill any beverage,  
or medicines contain-  
ing oil on furniture, wipe  
up immediately. Be-  
cause oil penetrates in-  
stantly. If the liquid goes  
through the finish  
use one remedy, a spot  
remover. It temporarily  
restores the finish. Use  
a colorless wood stain  
to match the wood. If this  
does not mix powdered  
into a creamy  
to the stain,  
grain of the  
with a clean

the same  
wax, then the  
mixture.  
is not too  
may be elimi-  
nated. Water  
to waxing or  
camphorated

from all sections  
are taking  
refinishing  
present time.  
removed the  
of furniture  
wood pores,  
ded and then

## James-Christy Circus Coming Here May 4th

The James-Christy Circus  
will show in Burkburnett  
Wednesday, May 4th, sponsored  
by the Volunteer Fire  
Department.

There will be two big per-  
formances, one at 2:00 P.  
M. and one at 8:00 P. M.

The location will be on  
the lots across from Dickson  
Service Station on Avenue  
D, or on the New City Park  
near the swimming pool site.  
Featured will be Henriet-  
ta, leader of the elephant  
herd, balancing and turning  
around on a 5 inch elevated  
plank. Plus Kentucky thor-  
oughbreds, Eight Liberty  
Drill, bareback steeds and  
Shetland pony drills.

Another feature will be a  
live Anaconda snake, 26 ft.  
long and weighing 306 lbs.

## Volunteer Service Dept. Installed at State Hospital

Wichita Falls State Hospi-  
tal has recently initiated  
a new "Volunteer Service"  
department. Its sole func-  
tion is to develop all possi-  
ble community resources  
within the 56 county area  
which the hospital serves.

Miss Beulah Ann Johnson,  
a native of Tom Green Coun-  
ty, has been appointed Vol-  
unteer Coordinator for this  
new project. Miss Johnson  
stated, "I shall try to ac-  
quaint the community with  
the services our hospital  
needs and to acquire the  
necessary volunteer assist-  
ance. It is my firm conviction  
that Wichita Falls and its  
surrounding communities  
will in time be able to bring  
about the same therapeutic  
aid and comfort to patients  
in the Wichita Falls State  
Hospital that countless other  
communities have given  
to their state institutions  
through organized volunteer  
aid."

She emphasized the fact  
that it is to the interest of  
the citizens of Wichita Falls  
to aid the approximately  
2800 patients—and also of  
all citizens throughout the  
large district—to assist in  
the hospital program. For  
those who wish to give per-  
sonal service Miss Johnson  
reported that there would  
be interesting activities such  
as helping write letters; as-  
sisting in musical and educa-  
tional discussions; escorting  
groups to symphonies, con-  
certs and athletic events;  
giving ward parties; and in  
taking part in an enlarged  
occupational recreational  
program. She further em-  
phasized that there would  
be numerous services and  
donations in which distant  
individuals and groups may  
be able to participate in.

For detailed information of  
this Volunteer Services  
Program individuals may  
contact Miss Beulah John-  
son, Volunteer Coordinator,  
Box 300, Wichita Falls State  
Hospital, Phone 692-1220,  
Station 346.

A door prize of a dress length  
of material was given with this  
program and was won by Mrs.  
Jo Ann Thomas.

Those attending this meeting  
were Mesdames Sydney Askins,  
Francis Smith, Elaine Hubbard,  
Pat McClure, Jo Ann Thomas,  
Selma Wright, Evelyn Nichols,  
Hellen Reasoner, Barbara  
Browning, Jean Dolan, Daphne  
Mills, Betty Crane, Rita Joy Hud-  
son and two guests, Mrs. Fred  
Hunt and Margaret Knox.  
Mrs. Betty Crane won the door  
prize.

Life today is like a round of  
golf; as soon as we get out of  
one hole, we head for another.

A study compiled by The  
Travelers Insurance Companies  
shows that speed was responsible  
for 12,980 traffic deaths in 1960,  
more than 43% of the total.

## Adult Craft Classes Begin Tonight, 7:30

Classes in adult craft work  
will begin this Thursday night,  
7:30 p. m. at the High School  
Home Economics Dept. Pictures  
will be made out of assorted ma-  
terials during this first session.  
For further information, please  
call Doris Hutchison, 569-3660.

## Brownwood Wife Competing In "Mrs. America" Contest

Mrs. Seale T. (Betty) Cutbirth,  
Brownwood homemaker and  
mother of four children, was to-  
day named "Mrs. Brownwood,"  
winner of the West Texas re-  
gional competition of the 1960  
Mrs. America Contest.

Mrs. Cutbirth will now enter  
the state contest, to be held in  
Dallas May 12 and 13th at the  
Stalder Hilton Hotel and Lone  
Star Gas Company, one of the  
contest sponsors.

Other West Texas contestants  
included Mrs. J. Coluburn, Wichi-  
ta Falls; Mrs. James M. Graves,  
Ablene; Mrs. Richard Hender-  
son, Ranger; Mrs. Eugene Keat-  
ing, Wichita Falls; Mrs. Paul  
Mohle, Wellington; Mrs. Hamil-  
ton Naylor, Vernon; Mrs. James  
D. Read, San Angelo; Mrs. Geo.  
Sorenson, Abilene; and Mrs.  
Thompson, Wichita Falls.

Mrs. Texas will receive an RCA  
Whirlpool gas refrigerator and  
several other valuable prizes in  
addition to the Florida trip.

The new Mrs. America will re-  
ceive prizes valued at more than  
\$50,000 including a \$30,000 four  
bedroom home in Florida. The  
home will be equipped with a  
gas range, gas refrigerator,  
freezer, washer-dryer, automatic  
dishwasher, waste disposal,  
vacuum cleaner and kitchen cabi-  
nets. The home also will come  
equipped with a \$6,500 swim-  
ming pool. Other prizes include  
a complete year-around ward-  
robe and an additional two-  
weeks vacation for her entire  
family in Fort Lauderdale.

## Mrs. Walter Riley Guest Speaker At Modern Study Club

"Flower Arranging" was the  
program brought by Mrs. Wal-  
ter Riley when she spoke before  
the Modern Study Club Monday  
evening, April 25th. Mrs. Bar-  
bara Browning served as hostess  
and assisted Mrs. Riley as she  
made five beautiful flower ar-  
rangements using flowers she  
had grown as well as some that  
she had found growing wild.  
During her program, she ex-  
plained about the balance of a  
flower arrangement and the dif-  
ferent containers that could be  
used. She also demonstrated how  
to turn back the petals of a tulip  
in order to make it look like an  
entirely different flower. Several  
kinds and colors of flowers were  
used in her arrangements which  
were placed throughout the room  
for closer inspection. The pro-  
gram was enjoyed by everyone.

Following the program, the  
club creed was read and each  
member answered roll call by  
giving their favorite political  
figure.

During the business session,  
president Reasoner explained  
about the open house which will  
be held at the Southwestern Bell  
Telephone Co. Wednesday,  
Thursday and Friday night and  
sked for volunteers who could  
help serve one of those even-  
ings.

Vice president, Evelyn Nich-  
ols, reported on the meeting she  
attended at the Chamber of  
Commerce Friday night on plans  
for the rodeo. Club members  
voted to sell rodeo tickets and  
are planning to work at the con-  
cession stand.

The Social Committee chair-  
man announced that there would  
be a picnic for all members and  
their husbands June 4th.

A short review on the club  
woman magazine was given by  
Evelyn Nichols.

## Services For Mrs. Ray Held Friday In Longview Tex.

Funeral services for Mrs. J.  
W. Ray were held Friday, April  
22, at 4 p. m. in the Baptist  
Church at Tennesseville with the  
Rev. B. B. McPheeters and the  
Rev. L. L. Thomas officiating.  
Interment was in the Spring  
Hill cemetery under the direc-  
tion of the Welch Funeral Home  
of Longview, Texas.

Mrs. Ray was born August 29,  
1881 in Sherman, Texas, the  
daughter of Herman and Annie  
Bouman. Rose Annie Bouman  
was married to James Whit-  
comb Ray in 1901. Mr. Ray pre-  
ceded her in death in August  
1940. Interment was in the  
Spring Hill cemetery. Mr. and  
Mrs. Ray were residents of  
Burkburnett from the summer  
of 1914 to the Spring of 1927.  
Since the death of Mr. Ray, Mrs.  
Ray had made her home for the  
greater part of the time here in  
Burkburnett where she resided  
with the Willis Bartleys.

Mrs. Ray died Wednesday af-  
ternoon, April 20 in a Wichita  
Falls hospital, after having sus-  
tained second and third degree  
burns on the upper portions of  
her body on April 6.

She is survived by four sons,  
James W. Ray Jr. and E. Bar-  
ney Ray, both of Longview, Tex-  
as. Lawrence A. Ray and Fred  
B. Ray, both of Odessa, Texas;  
five daughters survive; Mrs.  
Cone J. Edison (Willie) Magnolia,  
Ark. Mrs. Hoy B. Johnson  
(Rose Annie) Beaumont, Texas,  
Mrs. Harold Flowers, (Lucy),  
Hobbs, New Mexico, and the  
two daughters in Burkburnett,  
Mrs. Willis Bartley (Janie), and  
Mrs. Clarence Schroeder (Nel-  
lie).

Also surviving are eighteen  
grandchildren and seven great-  
grandchildren.

Pallbearers were: I. V. Robin-  
son, J. C. Farris, W. M. Bur-  
roughs, R. P. Darney, B. J. Swaf-  
ford, and H. D. Nettles.

## Called Meeting Of Current Lit. Club Was Tuesday

A called meeting of the Cur-  
rent Literature Club was held  
Tuesday morning in the direc-  
tor's room of the First National  
Bank. Mrs. John Brookman pre-  
sided in the absence of the pres-  
ident, Mrs. C. M. Archer, who  
was ill.

During the meeting the club  
voted to sponsor Linda Roark as  
a parade queen candidate in  
the forthcoming Boom Town Ro-  
deo, also to sell rodeo tickets of  
which the club get 10%, and to  
work in the concession stand.  
Mrs. B. H. Preston Jr. will be  
chairman of the concession  
stand. Mrs. Ralph White was se-  
lected as a delegate to the State  
Federated Convention which will  
be held in Austin May 2-3. Club  
members also voted to serve re-  
freshments at the open house of  
Southwestern Bell Telephone  
Co. in Wichita Falls Wednes-  
day, Thursday and Friday.

Following the business meet-  
ing, Mrs. C. E. Lundberg was  
hostess for a coffee at the Pal-  
ace Cafe. Those attending were  
Mesdames W. W. Chambers, F.  
M. McMurry, Charles Boyd, W.  
B. Short, Ralph White, F. G.  
Jeffers, C. R. Chambers, A. H.  
Lohofener, W. C. Vann, John  
Brookman and the hostess, Mrs.  
Lundberg.

The Old West had its pirates  
who turned his stock loose on  
too. A range pirate was a man  
the range without owning open  
range and water in proportion  
to the cattle turned loose.

Cars that ran away—with no  
driver behind the wheel—killed  
30 people in the U. S. last year,  
according to a report released by  
The Traveler Insurance Co.

## High School Baseball

Bowie	Here	May 3
Electra	There	May 6
Olney	Here	May 10
Nocona	There	May 13

The above School activities are  
the ones left for the remainder  
of our school year, says Mr. Roy  
L. Silkwood, High School Prin-  
cipal. Our baseball team has  
done exceptionally well.

## Wichita Falls State Hospital Planning Open House May 1-6 During Mental Health Week

### Gary L. Wood Initiated Into Phi Eta Sigma

More than 100 University  
of Texas students have  
been initiated into Phi Eta  
Sigma, national honorary  
fraternity to which they  
were elected for high fresh-  
man grades.

The 139 honor students  
includes:  
Gary L. Wood of Burkburnett.

### ROTARY CLUB Town Hall Each Tuesday 12:00 Noon Floyd Marten, President

A two part program was pre-  
sented to the Rotary Club Tues-  
day noon. First, the Oklahoma  
Belles, District Champions of  
Oklahoma, favored the club  
with song and dance numbers.  
Mrs. Wes Beard of Randlett is  
their sponsor. Walter Riley then  
introduced Biggs Todd and his  
lovely wife, Mona, of Abilene,  
Texas. Biggs is president of the  
First State Bank of Abilene. His  
remarks were an inspiration to  
the club members. He stated  
that the most important meeting  
in Rotary is the next meeting he  
will attend. Come again Biggs,  
we enjoyed your remarks.

There were 54 in attendance.  
Buddy Byars introduced the  
guests.  
Paul Browning will bring the  
program next Tuesday.

### Archery Club News

The Boomtown Bowhunters  
Archery Club will meet at 7:30  
p. m. Thursday, April 28th at  
the Town Hall. During the meet-  
ing, archery moving pictures  
will be shown. The pictures will  
show the shooting of ducks and  
javelina.

Some of the club members  
have been going out the last  
week or two and shooting gar  
and carp.

Our tournament was held on  
Sunday, April 24th and prizes  
were given in each division of  
the tournament.

In the men's division: first  
place, Joe Morris of Duncan,  
Okla., was awarded a trophy;  
second place, Jim Lewis of Rush  
Springs, Okla., was presented a  
pocket quiver; and third place,  
Henry Parker of Apache, Okla.,  
was awarded years subscription  
to an archery magazine.

In the ladies division: first  
place, Virginia Cline of Duncan  
was presented a trophy; second  
place, Virginia Lawrence of  
Wichita Falls, was awarded a  
pocket quiver; and third place,  
Mary Durdle of Burkburnett  
was awarded a years subscription  
to an archery magazine.

In the juniors division: first  
place, Dennis Crow of Apache,  
was presented a pocket quiver;  
second place, Mike Cline of  
Duncan was awarded a dozen ar-  
rows; and third place, Jim Law-  
rence of Wichita Falls was  
awarded a years subscription to  
an archery magazine.

We wish to take this oppor-  
tunity to thank Mr. and Mrs.  
Norman Roberts from the bot-  
tom of our hearts for the use of  
their farm pasture for our club  
tournament.

We are still looking for a place  
to lease for our field range.  
Anyone knowing of a suitable  
site, please notify Mr. Jim Lind-  
sey, our club president. Thank  
you.

### Political Announcements

Fees for announcements will  
be as follows:  
District Offices .....\$20.00  
County Offices .....\$15.00  
Precinct Offices .....\$15.00  
City Offices .....\$10.00  
All fees cash in advance.

For Assessor & Collector of  
Taxes  
GEORGE McMACKIN  
W. H. (Bill) CARNES

For Judge, 78th District Court  
TEMPLE SHELL

The first week of May has been  
set aside as National Mental  
Health Week and the Wichita  
Falls State Hospital is planning  
its annual Open House. The hospi-  
tal will be open from Sunday,  
May 1st, through Friday, May,  
6th, and the hours will be from  
1:30 p. m. to 4:00 p. m.

All visitors will be directed to  
the Volunteer's building where  
they will be asked to register  
and will receive information  
concerning this hospital and a  
visitor's pass. With this pass,  
a visitor is free to go about the  
hospital grounds as he desires,  
visiting the wards, the central  
kitchen, the new medical-surgi-  
cal building, the occupational  
and recreational therapy build-  
ings, and any other areas of the  
hospital which are of interest.  
Volunteer workers and attend-  
ants will be stationed through-  
out the hospital to assist any  
visitor in finding his way.

Great strides are being made  
in mental hospitals everywhere  
and a program such as we are  
planning will help to demon-  
strate the advances. After all,  
the Wichita Falls State hospital  
is your hospital and is being  
supported by the people of the  
State of Texas and your com-  
munity. Everyone should know  
as much as possible about the  
mentally ill, and their treatment  
in mental hospitals.

Mr. and Mrs. T. P. Randall spent  
the week-end in Tulsa visiting  
friends. They were also cele-  
brating their 35th wedding an-  
niversary.

Nearly 1,000,000 American  
men, women and children were  
injured or killed last year be-  
cause an automobile driver ex-  
ceeded the speed limit.

Outside These Counties ..... \$2.50

## Buying Soviet Wheat For GI Bread

The American public has been treated to so many odd developments in the way of attempts to dispose of mountainous crop surpluses and "trading with the enemy" that no one could have expected to read a story that caps the climax.

But today Americans can say "Now I've heard everything" along both these lines at once.

Our service men in Europe are eating bread made from Russian wheat. At a time when we have billions of dollars worth of surplus crops—wheat the most costly item of the lot—deteriorating in storage while the cost of storing is \$1,000,000 a day.

At a time when we are, at least theoretically resisting Russia's export trade offensive. A government probe of Army buying of Soviet wheat is said to have been launched.

Such purchases should be stopped forthwith. There is no possible excuse for them.

And while on the subject, the American people would like to know why this country can't, or doesn't, deliver as clean wheat to European buyers as the Russians do. The man who made the revelation, W. W. Graber of the Kansas wheat commission, stated that Soviet wheat is almost 100 percent clean while the United States allows 5 percent residue. And Americans would like to know why—according to Graber—there are delays of as much as 30 days in loading at our ports "while there is no waiting time for Russian wheat."

## Farm Electrification

Ninety-seven percent of the farms of America are electrified today. Investor-owned electric companies serve 45 percent of the farms with power, and the REA cooperatives and municipals lines supply the remainder of the farmers. Two-thirds of the cooperatives purchase some or all of their electricity from the utilities.

On May 11th, the REA celebrates its silver anniversary. Along with the utilities it can look with pride on a job that is near completion. Much of the drudgery of farm labor is now a memory.

To make its accomplishments possible, the REA has loaned more than \$4 billion to 984 cooperatives and 101 other borrowers. The bulk of the money went to the cooperatives to build lines to outlying farms and make possible a broader distribution system.

While the REA borrowers were expanding into remote areas, the utilities were also speeding the work of bringing electricity to the farm.

In addition, the utilities have continually struggled to find new means to aid the farmer in agricultural development. The companies' programs have included research on production, nutritive values of fertilization, water requirements of grass, spinach disease, sprinkler irrigation, hybrid corn development, soil and conservation practices, and in helping the farmer solve his labor problems electrically.

May 11th is a good time to pause and add up the score. Nearly 97 percent of the nation's farms are now electrified, 43 percent of them are served by the electric utilities, the remainder by the REA borrowers. The task of the REA is almost finished.

The REA has already cost the taxpayers millions of dollars. The money it lends to cooperatives is at a 2 percent interest rate while the government must pay between 4 and 5 percent for its money in the open market.

Today, however, that situation no longer exists. There is no need. But the cooperatives are still receiving money at 2 percent and are still not paying federal income taxes. Now they are using their government subsidy to service towns, industries and recreational areas.

## A Pendulum Swings

Great Britain has had more down to earth practical experience with nationalization of industry than any other major non-communist nation. Not many years ago, it looked as if nationalization of almost all essential British enterprises and services was inevitable.

The pendulum has swung the other way. Witness, for instance, the present plight of Britain's Labor Party. It is splintered among warring factions. Numbers of competent observers think that as now constituted it has no chance whatsoever of returning to power. The big bone of contention is Clause Four of the Labor constitution which calls for "common ownership of all the means of production, distribution and exchange," i. e. total socialism. The party's leader, Hugh Gaitskell, recognizing that this philosophy has become repugnant to the majority of British voters, wants to modify it. But the die-hards won't go along. They refuse to see that Britain's long, extensive and expensive experience with national socialism has produced profound disillusion, especially among the younger voters.

Witness, again, something that is due to happen next February 14th. That will mark the 10th anniversary of Britain's nationalization of her steel industry. And on that date, in 1961 denationalization is expected to be completed, and the steel industry returned to private enterprise. The stock of 11 remaining firms the government still owns will be sold at auction, for a forecast of \$115 million.

Britain still has a very long way to go in ridding herself of socialism. For example, her coal mines, railroads and medical services are still socialized, and are accounting for heavy taxpayer borne losses. But she is moving—and the anti socialist movement has the full support of the majority of British people.

We can learn an invaluable lesson from our English speaking cousins across the Atlantic.

Dunn and Bradstreet observes: "95% of all failures in business are from the ranks of non-advertisers. Only 5% of those who fail are advertisers."

## Local Births

Birth certificates were issued to the following Burkburnett parents last week: Messrs and Mesdames:

- James Leroy Hollaway, girl, Donna Jean
- Dana Blanchette, girl, Laurie Rene
- Clair Eugene West, boy, Charles Burnett

## Friendly Homemakers Club

The Friendly Homemakers club met April 21st at the home of Mrs. Nancy Landers. Mrs. J. G. Cheney, presided over the business meeting. Roll call was answered with My Best Dress Design.

A bake sale will be held April 20th at Parkers. Electra nursing home will be visited on April 27th. Please bring cookies, fruit or juice. Homemakers will meet on May 5th at 10:00 at the home of Mrs. Cheney to go to the Home Demonstration luncheon. A covered dish and place setting for yourself is to be brought.

Miss Thelma Wirges gave the lesson on Accessories Around the Clock. Next meeting will be May 19th at the home of Mrs. Ernest Masters.

Those present were Mesdames Marzie Dulworth, Ruby Lanig, Nancy Landers, Myrtle Masters, Evelyn Gray, Wanda Pierce, Mattie Cheney, Emmy Midkiff, Elizabeth Sloan, Nina Kiesling, and visitors, Miss Thelma Wirges and Louise Magee.

## BURKBURNETT HISTORY

Revealed By The Star Files 10 Years Ago . . .

Mrs. H. R. Hurd and children of Jacksboro spent the weekend with her parents, Mr. and Mrs. J. B. Leith.

Mrs. Roberta Jacobs, Mrs. Bessie Beeman and Mrs. J. R. Wilkinson, Jr., of Ft. Worth visited this week with Mr. and Mrs. J. C. Adams.

Clyde Miller, who has been connected with the Skelley Oil Co. here for a number of years, left Tuesday to make his home in Morton, Texas.

Among the Burk students attending the Ice Capades in Ft. Worth last weekend were Billy George McClarty, Joan Sites, Leeman Smith, Judy Willingham, Kay Morrison, Keith Hubbard, Patsy Morgan, Jon Bear, Shirlene Richards, Norman Dodson, Peggy Doty and Joe Bill Dodson.

Mrs. Ralph Brookshier and

Mrs. I. D. Russell and Austin this week.

Mr. and Mrs. George Kilgore visited Tuesday.

Mr. and Mrs. Howard spent Monday and Tuesday at the Baker Hotel in Wells as guests of Mr. Letts in view of the Prudential Life

Mr. and Mrs. C. C. Amarillo, former Burk schools, visited week with Mr. and Mrs. Hayworth.

### LIONS CLUB

Town Hall Each Tuesday, 7:30 P. M.

Morris Simonson, who was in charge of the program, introduced Mrs. Archie Faulk, instructor of declamation in the local schools. Mrs. Faulk presented two students who won first places in the district Inter-scholastic League meet. Giving their prize winning declamations were Francie Mills and George Parks. These and other Burk students took the lion's share of honors in literary events in the district meet.

Next week's program time will be devoted to speeches from candidates running for various offices in the club.

### NOTICE

Mrs. Ruth Cheshire of the State Dept. of Public Welfare will resume her regular schedule at the Town Hall in Burkburnett Wednesday, May 4th beginning at 9 a. m. Mrs. Cheshire will be here the first and third Wednesday of each month and will be glad to help you in any way possible.

Guests in the home of Mr. and Mrs. J. C. Adams Tuesday and Wednesday were Mrs. Bob Gilchrist and her sister, Mrs. Florence Savinault, of California. They are former residents of Burkburnett.

### Report From Ralph Yarborough

Sound flood prevention practices are like buying insurance. We've got to invest today to have protection for the future, and if we fail to act now the costs in property damage in the long run will run much higher than protection costs.

Continued or new watershed protection and flood prevention construction work is needed in Texas counties. The earliest day we can get this work done is not too soon, for tomorrow may be the day it becomes a matter of life or death, financial security or bankruptcy. Homes, farms, ranches, bridges, roads, livestock, and even the lives of human beings are swept away in these floods.

That is why I am backing the recommendation of the Association of Texas Soil Conservation Districts and urging that 35 million dollars be appropriated in the 1961 budget for this important national program.

Such an appropriation would permit completion of flood prevention and other watershed improvement work now under way in 14 Texas watersheds and the beginning of construction in 12 other watersheds where there is acute need for protection.

The budget Bureau and the Administration, following their policy of no new starts or few new starts, has earmarked only \$21,900,000 for the whole nation for this program. Gambling with flood control measures is simply being penny wise and pound foolish.

For that reason, I believe we should complete work in 1961 on the 14 projects already started, and begin work on the additional 12 watersheds where planning has been completed. This program would include:

To be completed — Cummins Creek in Lee, Fayette, Austin and Colorado; Upper Brushy, Lower Brushy, Williamson and Milam; Dry Devils River and Lowery Draw, Sutton & Scheicher; Auds Creek, Lamar; Langford Creek, Red River; Upper Lake Fork Creek, Hunt, Rains and Hopkins; Sulphur Creek, Lampasas and Burnet; Chiltipin-San Fernando, Duvall, Jim Wells Nueces and Kleberg; San Diego-Rosita, Duvall and Jim Wells; Alamo Arroyo, Hudspeth; Diabolo Arroyo, Hudspeth; Johnson Draw, Crockett; Turkey Creek, Fort Bend.

To Be Started—Knob Creek, Bell; York Creek, Hays, Comal and Guadalupe; Tehuacana, Hill; Limestone and McLennan; Caney Creek, Fannin and Grayson; Agua Dulce Watershed, Jim Wells and Nueces; Martinez Creek, Bexar (Fronton (Ramirez) Starr; Olmitos Garcias, Starr; East Keechi Creek, Palo Pinto, Jack and Parker; Plum Creek, Hays, Caldwell and Travis; Kickapoo Creek, Coke; Mimms Draw, Presidio.

Mr. and Mrs. Jack Green and Mr. and Mrs. G. B. Sanders of Wichita Falls and Mr. and Mrs. Virgil Wigginton of Watonga, Okla. visited Mrs. M. C. Ring and Robert Sunday. They all brought covered dishes for Sunday lunch.

### Willbarger-Wichita SOIL CONSERVATION DISTRICT NEWS

Outstanding conservation work by individuals and groups will be rewarded at the annual Banquet of Champions, Ralph Swinford, Willbarger - Wichita Soil Conservation District supervisor, has announced.

The banquet will be held at University Center at Midwestern University in Wichita Falls, April 26th at 7:00 p. m. Mr. Swinford said. The banquet is sponsored by the following banks of the district, Herring National Bank, Waggoner National Bank, and First State Banks, all of Vernon; First Wichita National Bank, City National Bank, and Parker Square State Bank, all of Wichita Falls; State National Bank of Iowa Park; Electra State Bank of Electra and First National Bank of Burkburnett.

All farmers and ranchers of the Willbarger-Wichita Soil Conservation District are requested to pick up tickets at their bank after April 10th. Wichita Falls Farm and Ranch club and others interested in soil conservation will be guests of the bank and districts.

The program will be under the general supervision of a program committee composed of Ralph Swinford, chairman, Jack Gresset, vice chairman and secy; Earl Sargeant, Glen Toie, B. T. Haws, David Clinton and Doyle Beavers, all of Wichita Falls; W. A. Bond, Lee Glazener and T. J. McGill of Vernon; Robert White of Electra; Fenton Dale, Joe Price and Elvy Sargent of Iowa Park.

Miss Thelma Wirges, Wichita County HD agent, will be assisted by the Home Demonstration council with decorations.

### From the Office of Lyndon Johnson

Senate Majority Leader Lyndon Johnson said Sunday enactment by the Senate of a civil rights bill was a triumph for national unity.

Johnson in a radio report recorded for broadcast in Texas, said the civil rights bill is a victory of fair play.

It establishes the voting rights of all qualified citizens, but it does not treat the South as a conquered, outlaw province. It is a triumph for grown upness in our national politics and most of all, it is a triumph for national unity at a time of great peril and of great opportunity in a world which is hurtling toward tomorrow and which has little time for yesterday, he said.

Johnson pointed out, "There have been those who were determined that we should do nothing about civil rights. There have been those who were determined that we should undertake so very much that the end result could only have been nothing at all."

Enactment of the bill came because a large majority of the Congress adopted a "policy of moderation," he told his listeners.

"Moderation," Johnson said, means advance, sensible advance, obtainable advance, under the one great imperative of our system, which is that we keep this as a government operating by the consent of the governed.

### News From The County Agent

Four communities turned in records books to compete in the community improvement Program this week. The communities turning in record books are: Punkin Center, Friberg-Cooper, City View and Valley Farms. They will compete for several hundred dollars in prize money.

Some of the varieties of grain sorghum recommended for Wichita County are RS 610, Texas 620, Texas 601, Texas 660, Texas 611, RS 590, RS 630 and RS 608.

Some corn will be planted in the county. The corn varieties recommended for Wichita County are Texas 28 and Texas 36. Texas 26 will perform just as well as these hybrids if seed can be located.

The shield-shaped USDA grade mark on a carton of eggs is a valuable quality guide. This mark on the carton or the sealing tape means the eggs inside have been carefully selected for quality on the basis of official standards and under supervision of a Government grader. The grades AA, A, B, and C are guides to quality. The weight classes—extra large, Large, Medium and Small are guides to size. Pick the quality and size best suited for a particular need.

Texas cotton farmers have expressed their choices and the 1960 cotton acreage for the state is set. They will plant an additional 509,528 acres over the regular allotments as a result of Choice B selections.

B. T. Haws, county agent, said the final results of the selections, the deadline was March 16th, were provided by the Texas Agricultural Stabilization and Conservation office. He said the acreage on Choice A farms adds up to 5,543,000 acres with 283,194 acres of this total under Conservation Reserve contracts.

Soil samples submitted to the testing laboratory operated by the Agricultural Extension Service during February totaled 3,515. According to B. T. Haws, county agent, this is by far the greatest number of samples received in any one month since the laboratory was established in 1950.

The county agent points out several reasons for the large increase in soil testing. First he says, agricultural producers have seen and heard of demonstration results where soil test recommendations have formed the basis for adding plant nutrients to the soil for increased as well as more efficient production. Too, he adds, the ever-tightening cost-price squeeze

which farmers have faced for the past several years has caused them to seek ways and means to increase their income.

Black spot is one of the most common diseases of roses. It is likely to be more serious on susceptible plants in areas of high rainfall.

Large, roundish black leaf spots with irregular margins are often observed. However, the spots on soft twigs and leaf branches may frequently develop unnoticed. Severe damage results in premature leaf drop. This weakens plants and makes them more susceptible to dieback, drought and winter injury. Too, it also results in smaller flowers which are weak in color and fragrance.

Black spot in controlled by spraying once a week with Dithane M-22, Manzate or Phaltan. Time between sprays may be longer during periods of little rainfall. Adding a spreader sticker to the spray will provide better coverage. It is important that both lower and upper sides of the leaves be sprayed. Hose on sprayers or compressed air sprayers are generally satisfactory for a few rose plants.

Where powdery mildew is a problem, Karathane may be added to Withane M-22 on Manzate. Most commonly used insecticides can be mixed with the aforementioned fungicides. Combination fungicide - insecticide mixtures are available but are generally more expensive. Dusts generally give very poor control of blackspot. See your extension agent for additional information.

Mr. and Mrs. J. C. Adams attended the funeral of Mrs. Frances Hogle in Electra Tuesday. Mrs. Hogle is the mother of Mrs. J. S. Adams of Monahans, Texas.

### Texaco Honoring Area Employees

Eleven employees of Texaco, Inc., in the Wichita Falls area will receive gold watches or Atmos clocks in recognition of 30 years of service, and diamond-studded Texaco pins for 25 years service. The awards will be made at the company's annual Service Award Dinner at 6 P. M. Friday night, April 22nd, at the Wichita Country Club, according to T. D. Halls, Dinner chairman.

Approximately 300 active and retired employees in the Wichita Falls area who are members of the Texaco Quarter Century Club will attend. Five Texaco "Old Timers" will receive their 30 year service awards and six their 25 year awards.

Those receiving awards will be:

Otha C. Erwin, Eddie A. Brown, John J. Odell, Clem Barrett of Electra. George R. Bruce of Archer City.

25 Year Awards

Gran V. Anderson, Walter P. Estes, Wichita Falls. Luther C. Coffman, Colorado City.

B. J. Meason, Hamlin. J. E. Franklin, Gainesville. S. H. Williams, Electra.

When 75% of the petals have fallen off spray with 25% wettable dieldrin and wettable sulfur.

Small grain in the county looks very good. Rains are needed in some parts of the county on grain.

Choice Hereford steer calves implanted with 12 milligrams of stilbestrol when approximately three months of age averaged 19 pounds more per steer at weaning time than their non-implanted mates. According to information received by B. T. Haws, county agent.

41 choice Hereford steer calves were implanted with the same number not implanted in the test. The implanted calves weighed 521 pounds per head at weaning time, about October 1, 1959.

compared with 502 lbs for those not receiving the implant of 12 milligrams of stilbestrol.

In continuing the comparison one group implanted as suckling calves was reimplanted with 24 milligrams of stilbestrol on Nov. 19th. This group showed a daily gain of 1.12 pounds from Nov. 19, 1959 to Feb. 24, 1960. Another group, first implanted in November, had a gain of 1.16 lbs daily. The group implanted only as suckling calves in May had a daily gain of 1.01 pounds and those not implanted at any time gained 1.03 pounds daily.

The steers will be placed in drylot for fattening about May 1st and implants again used to provide comparisons between 3, 2, 1 and no implants, respectively. The steers are expected to reach slaughter weights by August or September. Haws added that presently stockmen are cautioned to allow at least 100 days between implantation and the sale of the steers for slaughter.

Growers using fungicides and pesticides can be assured they will not contaminate the edible part of fruit or vegetable and the residue will not be excessive at harvest time if they follow the recommendations on the label.

B. T. Haws, county agent, says the labeling of all fungicides and nematocides shipped interstate must be registered with the U. S. Dept. of Agriculture. These applications are carefully examined to see that any direction for use meet the requirement of the law. Among other things, the USDA determines if any treatment will leave excessive chemical residues on the harvested raw agricultural product.

Haws suggests that the following rules be closely followed. First read the label and then use any plant disease or nematode control chemical only on the crops specified and in the amounts directed on the label.

The omission of any crop name from the label may mean that no residue of that particular pesticide is permitted on that crop, and that any treated crop could not be shipped if it contains a residue of that chemical.

Haws emphasizes that if custom applicators are employed, you should be sure they too follow the rules or directions listed by the manufacturer on the label.

The District III 4-H elimination contest will be held at Mid-

western University on Saturday May 7th. There will be approximately 300 4-H boys and girls that will participate in the contests.

The Wichita County 4-H broiler show, sponsored by the Wichita Falls Chamber of Commerce will be held on Saturday, May 14th at the 4-H barn. There will be 125 4-H/FFA boys and girls that will participate in the show.

A number of farmers in the county are planting Grain Sorghum at present time. Some are planting sudan for temporary pastures. The grain crop in the county looks very good, but needs rain at the present time. A lot of the wheat is heading.

Spring is the optimum time for planting Coastal Bermuda grass in most sections of Texas. B. T. Haws, county agent, advises farmers and stockmen not to let the cost of establishing a coastal pasture scare them off for it is a longtime investment. In some areas Coastal has produced more than 180 pounds of hay per day per acre during peak growth periods.

For farm machinery, more land or other equipment and education for the children, there is a sure way to have the money when it is needed—Buy U. S. Savings Bonds regularly. New savings bonds pay 3 3/4% interest on every dollar invested when held to maturity.

**News From The Congress**

By Congressman Frank Ikard

Certainly one of the most important independent offices in the Federal Government is the Office of Civil and Defense Mobilization. Besides the overall program of providing physical assistance before and during any disaster, they are charged with the responsibility of a tremendous public relations job of educating the people on the need for such a program.

The general complacency of the people of this country to attack from the outside makes this job almost insurmountable. We have been indeed fortunate in the past that we have not had to be involved with attack on our shores. With the present

and future scientific advancements in warfare, I am sure we all realize that the next war will probably reach the United States.

To set up any organization to give us protection from or aid in the event of a national emergency would be a tremendous undertaking. However, their responsibilities do not end here. Unfortunately most every city and county in our area has had some experience with a natural disaster such as floods, tornado, and other grotesque events of nature. Since 1958 the Office of Civil Defense Mobilization has been given joint responsibility with the various states to give advice and assistance to the respective state and its various cities and counties. Coordination of the civil defense and defense mobilization activities and the various headquarters and the other Federal Governmental agencies such as the Defense Department, health agencies, Agriculture Dept. during the time of a disaster is now in effect.

These responsibilities for the great Southwest are handled thru the Southwest Regional Office at Denton, Tex. They are presently set up and operating on the campus of the Texas Woman's University but soon will be moving into a new underground center. Since 1955, this office has aided and assisted in cleaning up and making safe and usable again the roads, sewers, water systems, utilities, bridges and other public facilities in four of the five states that it serves, Texas, Oklahoma, Arkansas and Louisiana. New Mexico has been fortunate in not needing their services.

If you have an occasion to visit the offices in Denton, I know you will go away feeling a lot safer from attack or natural disaster. You will, no doubt, go back home more interested in your local civil and defense organization. Through a matching fund program, your local city or county may be able to effectively equip and maintain a program of military and non-military defense. The office of Civil and Defense Mobilization is set up to prepare the civilian population for survival under attack, and preparing for management of the Nation's resources to meet several types of National emergency. We should feel fortunate that we have in this Congressional District the Regional Headquarters for the Southwest. Mr. F. C. Sanford and Mr. Rhea Howard of Wichita Falls were Washington visitors this week.

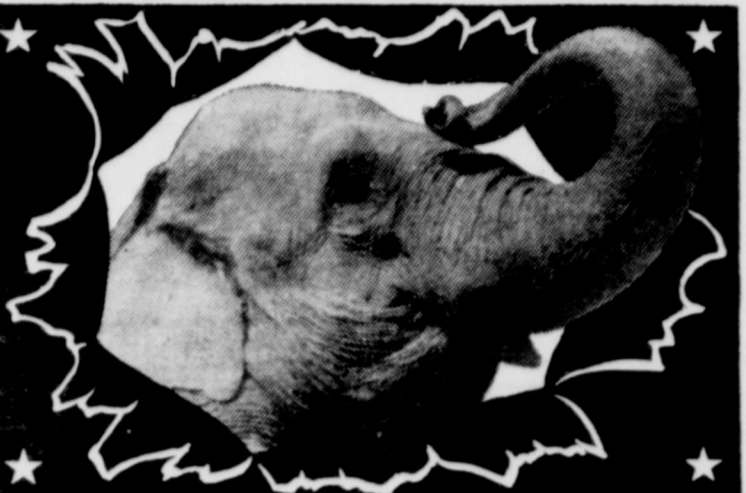

The term 'nester', for a range settler, originated when the homesteader cleared a patch of brush and stacked it in a circular form to protect his feed patch from range cattle. It looked like a giant bird's nest.

'Loggerin' is the term cowboys use for riding out of the chute at a rodeo with the hand, or hands gripping the saddle horn.

Cowboys used to call a sheep camp a maniac den, believing anyone who would herd sheep must be more or less crazy.

# WISHING

# WON'T MAKE IT SO!

Everybody knows that merely wishing won't make things come to pass. It won't deliver us from decisions, nor will it solve any of life's problems. Sweat of the brow and sweat of the brain are needed in this world to get things done. In religion, however, many do little more than idly wish for faith and then wonder why it doesn't come as if on magic wings. Spiritual wishing, however, is as unproductive as any other. Wishes do not make life more meaningful nor help one to know God. Faith requires decision and active commitment. A pledging of life to God and creative participation in doing His will is the only road to deeper faith. Go to Church Sunday and begin to put your faith into active service.

*Highlights AND Sidelights*  
by Vern Sanford  
TEXAS PRESS ASSOCIATION

A great number of persons are not aware of the fact that the Legislature at its 1959 session, moved the primary and run-off elections forward several months.

Candidates are not in sufficient abundance this year to impress this fact upon the voters. Now with only a short period remaining, many of them are surprised to learn that not one out of a hundred voters knows when elections are to be held.

Those who are campaigning have not failed to stress the earlier voting dates. First primary will be held on Saturday, May 7th. The run-off, if any should be necessary, is scheduled for June 4th.

If you're going to be out of town during first election, May 7th, you have from now until May 3rd to vote absentee for

that election.

After May 3rd you must go to the polls if you want to vote.

For those living in a county seat town, the simplest procedure is to go by the county clerk's office. If you do not live in the county seat, you can write the county clerk for the necessary papers.

Voting in the Democratic primaries is essential to participation in other Democratic party activities this year. No one will be allowed to take part in a Democratic precinct convention unless he has a poll tax that has been stamped "Democratic." Poll Tax holders must vote in the primary, absentee or at the polls, to get their poll taxes stamped.

This new section of the election laws was designed to keep out the so-called "one day Democrats" who participate in Democratic primaries and conventions and Republican conventions too. People who go to the GOP precinct conventions will have their poll taxes stamped "Republican." This shuts the door on their having any part in Democratic party affairs until they get a new poll tax. An intensive campaign has been under way for several weeks to educate voters to the new procedures and dates and the importance of their voting and coming to precinct conventions.

**Door Knobs Costs Cut—**  
Amid a statewide hullabaloo over the cost of hardware came a quiet explanation that the door knobs in the State Office building

ing really cost only \$3.65, not \$36.00 apiece.

H. R. Nieman, executive director of the State building Commission, said the cost of all the hardware for the building, including automatic closers, locks, keys, hinges and doorstops for 1,000 doors came to \$36,000.

Nieman, who was not with the building commission at the time the State Office building was constructed, called the hardware cost "well within reason. Nieman's statement punctured a story that had been the subject of almost as many jokes as Pappy O'Daniel's flour barrel. It got started when a House committee on tax saving investigated the building which had cracks in the lobby's terrazzo floor. Sightseers had come, almost as to a museum, to look at the highly publicized stainless steel knobs.

**Troubles Everywhere—**  
If sunny weather and disappearance of the flu has you feeling secure and content, the State Dept. of Health has bad news.

Health officials warn of three separate menaces:

1. Rabies is on the increase, up 33% from this time last year. During the first three months of the year 219 positive cases were diagnosed.
2. It's the measles season with Travis County (Austin) leading the state with 250 cases reported. Nueces County (Corpus Christi) reported 205 and Galveston 172.
3. Stinging caterpillars are about and will be around feeding on trees and shrubs until fall. Health Dept officials particularly urge parents to warn their children not to pick up the fuzzy, fascinating moth larvae. Stings should be treated as bee or wasp stings, by cleaning with alcohol and covering with calamine or other soothing lotion.

**Oil Slumps Further—**  
Texas oil allowable has been further reduced to a permissible flow of 2,574,894 barrels a day for May.

An eight day producing pattern, as low as at any recent time was set by the Railroad Commission. A number of independent producers ask for an even sharper cut to seven days. They said the industry was going into a lower demand season with too much oil on hand.

Recent crude oil price cuts have intensified the general gloom of the Texas oil industry. It raises, too, the probability that state tax revenue from oil will fall substantially below expectations.

**Criminal Code Changes—**  
Directors of the State Bar of Texas approved recommendations for extensive changes in the Texas Criminal Code.

But they took a make haste slowly view about taking the proposals to the Legislature. If enacted, the revisions would bring about considerable change in the way criminal court trials

are conducted.

Bar directors suggested the proposals might be voted upon by lawyers and studied in seminars over the state before presentation to the Legislature in 1963.

Recommended changes would allow 11 jurors to return a verdict if one juror had to drop out and would leave the locking up of juries in criminal cases to the discretion of the judge.

**Loan Shark Injunction Upheld—**  
Texas Supreme Court upheld state action against several loan companies accused of charging excessive interest.

It was the first test in the state's highest court in a field where the state has filed 365 suits against loan companies for charging more than the legal maximum interest.

In other action, the Supreme Court ordered the participants in a fight over grazing rights in the Davis mountain State Park to start all over with a new trial in district court.

At odds over the matter are the State Parks Board, which leased the land for park use, and owners of grazing rights on the land. Owners of grazing rights locked the gates to keep the public from using the park for horseback riding. Parks Board declared this impaired its use as a public park.

Supreme Court said there was error on both sides and ordered a fresh start.

Mrs. Carl Morrison and Mrs. J. C. Adams attended the State Garden Club Convention in Dallas last week as delegates from their club.

## Area Highway Patrol News

The Highway Patrol service of the Texas Department of Public Safety investigated 8 rural traffic accidents in Wichita County during the month of March according to Sergeant F. E. Webster.

In making this announcement the Sergeant reported 3 property damage, 4 injury and 1 fatal accidents. These wrecks caused a total property damage of \$5,258, with 8 persons injured and 2 killed.

This brings the total for the year in this county to 3 killed,

30 injured and property damage of \$22,110.

The Highway Patrol Supervisor pointed out that the motoring public can improve a traffic record by doing two things—drive defensively and always be alert.

"In driving defensively we help the other driver to not only save his life, but help him to save our own lives, he concluded."

When a cowboy uses his spurs freely, it's known as "throwing the steel."

About 1870 Frank Meana, a Cheyenne saddlemaker made a saddle with a leather flange extending over the cantleboard, to the rear, which became known as a "Cheyenne roll."

**Burkburnett Women Attend Garden Club Convention April 21**

On April 21st, Mrs. W. H. Bohner, Mrs. Charles Boyd, Mrs. J. T. Brady and Mrs. J. A. Johnson, members of Bluebonnet Garden Club, and Mrs. Tom Campbell of the Unity Garden Club, attended the State Garden Club Convention awards banquet at the Baker Hotel in Dallas, Texas.

The Bluebonnet Garden Club won third place on their yearbook of 144 competing in this class.

**DEVOL NEWS**

MRS. C. O. WOODLEY Reporter

Mr. and Mrs. Walter Hill and their daughter and son-in-law, Mr. and Mrs. A. E. Miller, all of Gainesville, Tex., visited Mr. and Mrs. U. S. Hill, Sunday.

Sunday visitors of Mr. and Mrs. F. G. McClendon were: Mr. and Mrs. Jim McClendon and granddaughter, Diane, of Oklahoma City, Mr. and Mrs. John Helms and daughters, Johnette and Amanda of Walters, Mr. and Mrs. V. E. Lagrone and Mr. and Mrs. Bryan Harrison and children, Bryna Jean, Stevie and Cindy.

Mrs. O. D. Nalls and Mrs. Nora Wood visited Mr. and Mrs. J. H. Gardner in Grandfield Sunday. Mr. Gardner, who has been ill for some time, remains in a critical condition.

Mr. and Mrs. Ernie Wood and daughter spent the week-end with relatives in Okla. City.

Mr. and Mrs. W. L. Frye, Jr., of Cleburne, Texas, and their son, Steve of Arlington State College, were guests the past week of Mr. and Mrs. W. L. Frye Sr.

Mr. and Mrs. O. L. Littlejohn of Altus spent the week-end with her brother, Mr. and Mrs. Jim Eley and Mary Beth.

Mr. and Mrs. Robert L. Huff and children of Ryan visited her parents, Mr. and Mrs. E. N. Miracle, Sunday.

Miss Bessie Woodall went to Okla. City Saturday for a visit with relatives.

Mr. and Mrs. E. L. Green and son Jim of Midland, Tex., spent Easter Sunday with her mother, Mrs. Avis Wood and family.

**News of Devol Baptist Church**

This Sunday, May 1st has been designated as Egg Offering Day, at the church. The eggs which are given will be sent to the Baptist Childrens Home in Oklahoma City. There are now two hundred children in the home which is operated by the Baptist of Oklahoma. Those who do not have eggs are encouraged to give money for this worthy benevolence.

Attendand on Easter Sunday, April 17th, was 71 in Sunday School and 24 in the evening service.

Rev. James Pugh of Wichita Falls was guest speaker on that day. Rev. Dean Burk, pastor, returned to Devol last week after conducting a revival in the Pantex Baptist Church at Amarillo.

Attendance last Sunday, April 24th was 50 in Sunday School and 15 at the evening service.

The Tillman Association Youth Rally will meet this Sunday, May 1st at the First Baptist Church in Manitou. The speaker will be Rev. Herman Ledford pastor of the Chattanooga Baptist Church and known as the Country Parson of Channel six television.

Mr. and Mrs. Ed Morrow and Eddie Wayne and Mr. and Mrs. S. M. Smith of Burkburnett enjoyed a fishing trip to Lake Diversion Sunday.

**Card Of Thanks**

I would like to take this opportunity to thank our many friends for their kindness and concern of me during my stay in the hospital and since my return home. Thanks for all the lovely cards beautiful flowers and your visits and prayers. May God bless and keep you all.  
Tom Mills,  
Randlett, Oklahoma. 33-ltc

**District P-TA Conference Was April 21st In Seymour**

The 32nd annual District P-TA Conference was held April 21st at Seymour, Texas, for the 13th district. Mrs. D. O. James presided at the meeting with Mrs. Charles Lloyd of Wichita Falls as recording secretary, and Mrs. Fred Hunt of Burkburnett as parliamentarian. There were approximately 300 attending the conference. Other district presidents helped Mrs. James conduct the work shops. A play was presented on Vision and Venture by the Seymour High School Speech class. Mrs. Harris, State vice president gave a talk on policies and objects. Talks were made on enrollment, salesmen of P-TA, personal contacts, P-TA as an asset to the community, room representatives and their duties, outside and inside publicity, P-TA library in activity use and to display P-TA books at meetings.

Many other subjects were covered in other work shops but this reporter only found time to visit in two rooms. Luncheon was served to about 185 delegates. The afternoon refreshments were served by the Seymour P-TA.

The Burkburnett Primary delegates were president, Mrs. Pershing Waddell; vice president, Mrs. R. W. Morine and of officers elect were Mrs. George Smith and Mrs. O. H. McBride. Hardin delegates were president, Mrs. M. D. Glover; council vice president, Mrs. W. T. Zimmerman and president elect Mrs. S. L. Johnson.

The tables and rooms were adorned with yellow gladioli with blue trim and the 3 "N" for inspiration, information and instruction.

**Randlett Lodge Cornerstone Service May 4th**

Cornerstone ceremony at Randlett Masonic lodge will be an event of Wednesday, May 4th at 4:00 p. m.

E. C. Morris of Drumright, grand master, will be on hand to lay the cornerstone. All Master Masons are invited to participate in the ceremony, officers said.

E. W. Fuller is worshipful master, D. L. Alexander, secretary and Walton Manley treasurer of the Randlett lodge. The Cornerstone will be laid for the one story stone structure built over the remains of the old building which was destroyed by fire some time ago.

Randlett and Devol lodges have combined to form one group with a membership of 140, officers said.

**NOTICE OF PUBLIC HEARING**

A public hearing will be held at 10 a. m., May 4, 1960 in the City Hall in Burkburnett, Texas regarding the proposed construction, as planned by the Texas Highway Commission, of U. S. Highway 277 from the U. S. Highway 287 interchange North of Wichita Falls to the Red River. Preliminary drawings, plans and sketches showing the proposed location are on file at the office of Frank S. Craig, resident engineer, 400 East Scott in Wichita Falls, Texas. 32-2tc

Mrs. Amanda Warren of Burkburnett visited Mrs. Edd Morrow, Monday.

If you have any donations of rummage, please call 569-2607 or 569-2164. 33-3tc

Mrs. Curtis Cook of Wichita Fall is visiting her parents Mr. and Mrs. Pop Ivey here this week.

**Bulldogs Ahead In District**

By D. W. Underwood  
Bulldog Growl Sports Editor

The Burkburnett Bulldogs took over undisputed possession of first place in District 2A-9, when they trounced the Olney Cubs 8-3 at Olney, Friday the 2nd.

Johnny Morren struck out 11 of the Cubs, bringing his season total of strike outs to 47. He allowed only two hits.

The Bulldogs picked up 10 hits. Leading hitters were Ricky Taylor, with 4 for 5 at bats; Don Overton, with 3 for 4; and Barney Fudge, with 2 for 3. Fudge

and Taylor each had two runs and Overton credit. Loy Wacker had three.

So far this season the Bulldogs have scored 14 runs, had 24 hits, while their opponents had only 13.

TROOP

Troop 154 met on April 26th. During the meeting a board of review was held. Members were Wayne Landrum, Don Carpenter and Pete Glover.

Pete Glover

**THANK YOU . . .**  
**GOOD CITIZENS OF BURKBURNETT**  
We wish to thank the good people of Burkburnett for their patronage since the day we first opened February 3, 1958. It was a pleasure to serve our many customers and the friendships made are lasting ones.  
Although we are moving our business to Snyder, Oklahoma, we shall remember Burkburnett and its fine people.  
In our new location we will still be connected with the automobile business, but in a field different to the one we served in Burkburnett. We are opening an automotive machine shop, featuring equipment not usually found in any except the larger towns—brake drum lathes, custom cylinder boring, and piston fitting, valve grinding and fitting, etc.  
Again, thanks for the many kindnesses and business favors shown us.

## Club Council

Wichita County Club Council met Monday, May 2, at the home of Mrs. L. E. Hudson on April 21st. Frances Perry called the meeting to order. There were nine members present. Marsha Monson gave the pledge. Beth Byars led the group in singing America. Donna Hudson called the roll and read the minutes from the last meeting. Valaree Matherly gave the devotional and served refreshments.

## ELU TA WA CAMPFIRE GIRLS

The Elu Ta Wa Campfire girls met in the home of Mrs. L. E. Hudson on April 21st. Frances Perry called the meeting to order. There were nine members present. Marsha Monson gave the pledge. Beth Byars led the group in singing America. Donna Hudson called the roll and read the minutes from the last meeting. Valaree Matherly gave the devotional and served refreshments.

We went to the park and played some games, then the meeting was adjourned.

Lois Barr, Reporter

## THE RED DEVILS

The Red Devils met for their first meeting, Saturday, April 16th. We discussed where, when and what time we would meet. We also decided what our colors, emblem, songs and our motto would be. We then closed the meeting and went to have a luncheon. Nookie, Snookie and Poopie were hostesses.

## FHA Winners In Project Show

At the Wichita County project show held on April 23rd at Iowa Park several members of the Burkburnett Future Homemakers chapter received ribbons and prize money. This project show for 4-H, FFA and FHA members was sponsored by the Farm Bureau and prize money was donated by many businesses and individuals in Wichita County.

Members receiving blue ribbons in sewing were Kathryn Siber, Betty Gentry, Julieene Abdouch, Karen Abdouch, and Sandra Landrum; Winning red ribbons were Marie Cobble, Marilyn Bailey, Sue Parsons, Janelle Hinkle, Pam Duke, Martha Meyer, Sandra Landrum and Betty Gentry; receiving white ribbons were Polly Northrip, Marie Cobble, Earlene Clark, Janelle Hinkle, Marilyn Bailey, Pam Duke, Kathryn Siber and Sue Parsons.

In the craft division blue ribbon winners were Kathryn Siber, Polly Northrip, Marie Cobble and Betty Gentry. Earlene Clark received a red ribbon in this division and white ribbons were won by Marie Cobble and Betty Gentry.

Blue ribbon winners in the baking division were Martha Meyer, Julieene Abdouch and Betty Gentry; red ribbons were won by Pam Duke, Earlene Clark, Betty Gentry, Julieene Abdouch, Marie Cobble, Sue Parsons, Kathryn Siber and Martha Meyer; and white ribbon winners in baking were Ruth Northrip, Sue Parsons and Betty Gentry.

## ARROWHEAD CAMPFIRE

The regular meeting of the Arrowhead Campfire Group was held on April 20th at the home of their leader, Mrs. Page Brown. The occasion was turned into a surprise birthday celebration for Jan Brown whose birthday was April 20th. A beautiful cake, ice cream and Cokes were served to the group with miniature colored umbrellas as favors.

A song practice session was held after which a number of out-door games were enjoyed. Members present were Peggy Anderson, Judith Bowles, Jan Brown, Carol Dickson, Anita Foster Phyllis Kiesling, Sylvia McDonald, Stephanie Slusher, LaQuita Stout, Mrs. Brown, leader and Mrs. Arnold Kiesling assistant leader.

**CHEVROLET**  
OVER BACK-COUNTRY ROADS AT 45 WITH A SKY-HIGH LOAD OF TIMBER  
**Chevy middleweight shows the big rigs how it's done!**  
That's a 6303 medium-duty Chevrolet powered by a 283-cu.-in. V8. But there's sure nothing medium-duty about the load. Mr. J. E. Blankinship, Arkansas logging contractor, says both of his torsion-spring 6303's "move along at 40 to 50 miles per hour with 55,000 pounds gross weight and maintain a 5-trip-a-day schedule with no trouble at all." Figure the money you save when you've got a medium-duty truck that can cover 30,000 back-country miles a year with a high-tonnage load!  
We've never seen anything like the amount of praise truck owners are heaping on Chevy's new torsion spring suspension. Owners like the fact the truck handles a whole lot easier, can move faster off the road without beating the driver to death and shaking loose all the sheet metal. They like the idea of extra thousands of miles before trade-in! . . . Drive a '60 Chevy just once. It's a whole new experience.  
Chevy middleweight averages 200 miles of back roads a day dogging timber out of the woods and delivering it to the mill at Crossett, Arkansas.

### Correct Posture Week to be Observed Beginning May 1st

With the objective of making the public aware of the importance of spinal hygiene to health Correct Posture Week will be observed in Texas beginning May 1st.

This will mark the 11th straight year posture week has been sponsored by the Texas State Chiropractic Association in an effort to impress upon Texans that spinal normality and correct posture were basic to health and healing.

In a statement issued by Dr. E. V. Mulenberg of El Paso and Jay H. Perreten of Houston, state co-chairmen of posture activities, it was stated that the spine houses the body's power and communication system, both of which can be impaired by spinal defects, thus lowering a person's efficiency as well as lowering his resistance to disease.

Observing the rules of good posture, it was stated, can do much toward keeping the spine in line.

Various activities are planned to show the relationship between posture, the spine and good health. Most of the areas of the state were planning to hold posture queen contests, the winners of which will compete in finals that will be held during the TSCA convention in Houston in June.

Some women are a sight to behold; others a sight to be held

### HIGH SCHOOL SCIENCE CLUB NEWS

Ken VanLoh conducted an experiment with potassium. The chemicals used are as follows: Sodium lithium, potassium nitrate, potassium chloride, potassium hydroxide, potassium chlorate, potassium bromide, potassium iodide, potassium cyanide, potassium carbonate and potassium bitartrate.

Sodium Natrium was discovered in 1807 by Davy. It is second in activity; the atomic weight is 229.97. Lithium is the lightest of all solid elements which was discovered by Arvedson in 1817. Rubidium was discovered by Bunsen in 1860. It is slightly radio active and is found in minerals. Bunsen also discovered cesium in 1860. Cesium is the most electropositive of all alkali metals.

Daisy Walker, corresponding secretary.

Small, thin ears may be a sign of weak character; but large, thick ones are a sure sign of a weak defense.

### ATTENTION Ladies and Gentlemen

If your shoes need new heels, soles or other work, I'll be glad to fix them for you.

Best of Workmanship Fully Guaranteed
