Haskell County's Wonderful Crops

Haskell County again forges
to the forefront as to a grain
country. There is much land
planted to small grain here this
year and the yield is proving to
be very heavy. Grain cutting
and threshing has been the order
of the day now for the past
couple of weeks, and it is truly a
great sight to get out and witness
the work that is going on on
all sides.

It has long been known and
claimed by citizens here that
this is the greatest grain belt in
the country, and there is no
doubt but that this year's crop
will fully vindicate the claim.
However, Haskell County also
grows other crops in abundance.
In addition to the small grain,
the prospects this year are
quite flattering for a large cotton
yield.

We desire to call especial attention
to one particular field of
wheat that was cut and threshed
near town last week. This was
a field of thirteen acres be-

longing to W. A. Eastland. The
entire 13 acres made an average
of forty bushels per acre, and
the grain tested out at 61 pounds
per bushel. There are many
other fields of the beautiful
grain that will yield fully as well
but this was a specific case
brought before our attention,
and is worthy of special mention,
we think.

With the small grain crop as-
sured, and the great prospects
for the other crops that come on
later, there is much evidence of
prosperity already apparent in
the Haskell country, and it is the
prediction of many of the leading
business men of the city that
conditions will be better here
this fall than has been the case
for many years. It has long
been known that this was the
coming farming country and
doubtless there will be much activity
in real estate circles here
this fall and winter, after the
wonderful resources of Haskell
County are put generally before
the public.

Capt. Long Honored

In connection with charges of
irregularity at the Annapolis Naval
Academy, growing out of recent
examinations at the institution,
a court of inquiry has been
appointed to investigate matters,
according to dispatches in the big
dailies. The court is composed of
the following: Capt. R. L. Russell,
president; Capt. A. T. Long,
commander; L. R. Desteiguer,
lieutenant commander. W. S.
Watt will be the judge advocate.
The appointment of this court of
inquiry was made by Secretary of
the Navy Daniels.

Capt. A. T. Long, referred to
above, is a brother of our fellow-
townsman, Chas. D. Long, and
has received a signal distinction
at the hands of the secretary of
the navy. Capt. Long is a resident
of North Carolina.

Capt. H. Donohoo was here Tuesday.
The Captain is 90 years of
age, but he still retains good eye
sight, a good set of natural teeth
and walks spry as you please with
out the aid of a stick.

Haskell Has Day Current

Citizens of Haskell are now
enjoying the comforts of a continuous
day electric current. According
to announcement last week,
the current was turned on for day
use on the 22nd, Tuesday. Manager
Scales stated to a Free Press
man that it is his aim to in the
very near future have a continuous
current in the strict sense of
the word; that is, the current will
be on at all times, both day and
night. Improvements continue
at the plant of the Haskell Ice and
Light Company, and the service is
becoming better all the time, both
as to the production of ice and
electric current.

Mr. Scales announces that work
on the electric line to Rule is progressing
rapidly, and it is now
only a matter of a couple of weeks
or so until Ruleites will be enjoying
the luxuries and conveniences afforded
by electric lights, irons,
etc.

A. M. (Uncle Andy) Carothers
left Wednesday morning for a
trip to Vernon, Texas.

Good Bills at the Airdome

Good bills have been the order
at the Airdome since our last report,
there having been many good
attractions all this week. On
last Saturday came a good
program, among the good ones
being the serial, "The Trey o'
Hearts." There was a matinee at
Dick's Theatre Saturday afternoon
and the regular show was put on
at the Dome in the evening.

On Monday night the attraction
was a Broncho two-reel Comedy—
"Shorty Turns Actor" and a good
Reliance picture, entitled "The
Light in the Window." On Tuesday
evening came the splendid
feature, "Enoch Arden" in which
was featured Lillian Gish, as
Annie Lee; Alfred Paget, as Enoch
Arden, and Wallace Reid, as Philip
Ray. The work of these well-
known screen stars was exceptionally
good and this was a feature
that was pleasing to the
many who witnessed the production.

There were many other notable
pictures scheduled for this week,
which are produced most too late
in the week for us to mention
same, but we are sure the programs
for Friday and Saturday
nights will be great, as there is a
good Keystone booked for each of
these nights. In one of these
Keystones will appear "Fatty"
Arbuckle and Mabel Normand,
and they never fail to draw a
large and happy, pleased audience.

Writes Many Policies

Chas. E. Rutledge went out last
week and wrote one hundred policies
in Haskell County Home Circle
and Accident Association. He
is building up the circle and it
promises to be good, active insurance.
This is the cheapest insurance
we know of. Everybody
should take a policy in this circle.

Moonlight Picnic Enjoyable Event

A merry group of young people
enjoyed a moonlight picnic at the
country home of Mrs. Walter
Meadors last Tuesday evening.
They were conveyed in cars filled
with happy hearted girls and
boys and well-filled baskets. Soon
after they arrived lunch was
spread and the rest of the evening
was enjoyed with Victrola music
and other amusements.

After bidding the ideal hostess
goodnight they went for a joy
ride.

Those partaking of the evening's
pleasures were: The honor
guests, Misses Thelma Porter and
Clvie Colwell of Seymour, Yettie
Cummins, Ruth Walden, Ora
Simmons, Mary Smith, Kate Donald,
Mary Steadman, Myrtle Marr,
Ruby Cahill, Sadie Killingsworth,
and Grace Wilfong.

Messrs. Charles Conner, Bailey
Collins, Virgil Meadors, Wynn
Whately, Walter Fox, Artie Mc-
Fatter, Rice Pierson, "Sonny"
Neil, Bailey Post, Gordon Odell,
John Piere Payne and Clarence
Rutledge.

Baptist Church Announcement

Next Sunday morning the children
will render a special program
of choruses, duets and readings,
and we shall have a special visit
from the Munday Quartette Singers.
The pastor will preach on
"Singing Time." Come early.
For the evening service, 8:30, the
subject will be "A Brilliant and
Bitter Infidel Converted."

To all who realize it is a privilege
to worship, and to all who do
not, but ought—this church opens
wide its doors and in the name of
Jesus, the Lord, says: "Here's a
glad hand; welcome!"

Wm. Groom, Pastor.

Enjoyable Trip to Sagerton Country

Messrs. W. A. Nettle of Paris
and Jas. I. Harvey of Dallas, representing
the Gibraltar Life Insurance
Co., of Paris, Texas, are in
this city, and on last Sunday Mr.
and Mrs. C. M. Hunt, Miss Lipscomb,
and the Senior Editor of the
Free Press, accepted an invitation
to ride with them in their car to
Sagerton. The trip was made in
the shortest time, and gave the
party the opportunity to see one
of the best wheat and oat crops
ever produced in Texas. We had
barely left the corporate limits of
Haskell, when we began to pass
fields of wheat and oats in the
shock. There were hundreds of
acres of the golden grain, between
here and Sagerton. The shocks
were immense, and thick on the
ground.

From Haskell to the Double

Mountain Fork of the Brazos,
then south over a smooth plain to
Sagerton, we sped, passing thousands
of acres crowded with shocks
of wheat and oats. At Sagerton
we saw them loading the wheat
into cars, from farm wagons. We
returned via Rule, and just west
of Haskell, we saw Mr. Eastland's
13 acres that threshed 40 bushels
per acre of 61 pound wheat. The
fields of corn were immense, and
the dark green color of same gives
promise of a big yield.

The maize and kaffir corns will
make big yields this year and the
farmers do not depend much on
early corn. The June corns planted
in July do best as they silk and
tassel in the cool fall.

The party left Haskell at ten
twenty, spent thirty minutes in
Sagerton and landed back at the
Fox House in time for dinner.

Ye Working Men

Harvesting time is here—it tells
hard on your clothes. Where do
you buy your work clothes anyhow?

We would be glad to have you try
our work clothes. They are made
right and of good material.

Work Shoes

If you haven't heard something of
our reputation for selling good shoes
then we are surprised. Let us show
them to you and explain why they
are the best that can be bought. A
great variety for you to select from.
If you want a heavy shoe that is
flexible and fits your foot, we have
it. And if you had rather have a
lighter weight—one that will fit your
foot and is smooth as a glove, we
have it. They are good wearers too.
Made of the best of leather, made
by master craftsmen, and the price
is no more than other shoes.

Gloves

During the harvest season you should
wear a glove, and a good one will
costless than the cheaper ones. LION
BRAND gloves are good, and here is
the only place they can be bought
in Haskell. We have just the glove
you want. They fit like gloves
should fit. Prices range up to \$2.00

Overalls and Jumpers

HAWK BRAND—this overall is
made in Texas and made of Texas
cotton. If you will compare it with
others you will find it cut fuller and
of the best material. Overalls \$1.00,
Jumpers 50c and \$1.00.

Good shirts and work pants. HAWK
BRAND—Texas product. Buy them
here.

Nice Notice of Entertainment

Last week's Stamford Leader
contained a very complimentary
notice of the recent entertainment
given in this city by the
ladies of the Magazine Club.
There were several ladies from
Stamford in attendance upon this
meeting, and all spoke in high
terms of the hospitality of the
Haskell ladies.

Christian Church

Next Sunday at the 11 o'clock
hour, the pastor will discuss "Religion
and the Child" and earnestly
hopes that every father will be
present.

The evening service will be
"The Christian Church, What She
is, What She Stands For."

You are invited to be with us
in these services.

HASKELL, TEXAS, June 22, 1915.

Cut the weeds.

Boost for Haskell and Haskell
County.

But, the nights are cool and
pleasant.

What about a good band for
Haskell? It would "listen good."

The merchants of Haskell have
arisen to the occasion and shown
a splendid spirit in giving their
employees a holiday for July 5th.

Forty bushels to the acre and
full sixty pounds to the bushel.
That is what one field of wheat
tested out last week, the wheat
field being in a few miles of the
city of Haskell.

The purr of the thresher is to
be heard on all hands in the Has-
kell country nowadays. The
grain crop is simply immense, and
many men are employed harvest-
ing and threshing same.

The farmers need a place to
store their wheat and oats. At
present the price is better than
usual at harvest time, but it will
probably be still better after all
the grain leaves the hands of the
farmers.

The local paper is the best and
by far the cheapest of all adver-
tising. No scheme that comes
along can reach as many people,
for as little money. If you feel
the need of advertising, go to the
local paper.

Prominent Haskell Citizen: "I
have always contended this was
the best country in the world if
people would just have confidence
and cultivate the soil. The won-
derful crops of this year are a
vindication of my contention."

We have a letter from M. R.
Hempnill asking that we change
the address on his copy of the
Free Press to Belton. He says he
never felt much interest in the
Free Press until he got away from
home, but that now he enjoys the
local news items it contains.

Are we improving the oppor-
tunity as we should to advertise
our wonderful country? The
great grain crop of this season is
a mighty forcible argument for
the country contingent to Has-
kell. Why not put our resources
before the world? Everybody
boost.

Advertise your business in the
Free Press. It will give you
standing and class you up. The
Free Press can tell more people
about your business in one issue
and reach more people in one
week than can find you in a year.
Now, figure the cost of all other
schemes, and then figure the cost
in the Free Press.

A WORD FOR MOTHERS

It is a grave mistake for mothers to neglect their aches and pains and suffer in silence—this only leads to chronic sickness and often shortens life.

If your work is tiring; if your nerves are excited; if you feel languid, weary or depressed, you should know that Scott's Emulsion overcomes just such conditions.

It possesses in concentrated form the very elements to invigorate the blood, strengthen the tissues, nourish the nerves and build strength.

Scott's is strengthening thousands of mothers—and will help you. No alcohol. Scott & Bowne, Bloomfield, N. J.

The newspapers are rather severe in their criticisms of Mr. Bryan for resigning the office of Secretary of State. While we do not approve of Mr. Bryan's foreign policy, we are glad he resigned. His weakness in dealing with foreign nations was such a menace, by inviting contempt, it was liable to lead to acts that would result in war.

Echoes of recent entertainment by the club ladies of Haskell, when they entertained the clubs of adjoining towns, are still to be heard, and are very complimentary to the club ladies of the city. Another instance wherein Haskell maintains her reputation for generous hospitality.

A stranger in our midst was asked by a Free Press representative a few days ago what was his opinion of the Haskell country. His reply was: "You have the finest country and the best people I ever saw." Pretty good recommendation, coming as it did from a stranger.

City Marshal Alex Edwards has been doing good work in cleaning Haskell streets of the weed pest. He is deserving of the hearty support of all citizens in this civic enterprise. Let's all dig out our old hoe and to work on the weeds.

We would ask: What preparation has been made regarding the Haskell County Fair, and are we to have the Fair this fall? Strikes us that it is time to get busy on the proposition.

President Wilson has the confidence of the people. He is not seeking war, but he knows when we have been mocked by the Mexicans, Englishmen and the Germans.

Among those present: Mr. Summer, if you please.

Don't over look the weeds—cut 'em.

Sticking Pins in Nutmegs

That is the expert's way of telling the good ones. The natural oil in the nutmeg is what gives it its flavoring qualities—the more oil there is the greater the nutmeg's value for flavoring.

Stick a pin in a nutmeg that is full of this oil and it will ooze out of the pin hole when the pin is withdrawn—little oozing will follow the pin if the nutmeg is a poor one. So you see when you buy two tins of perfectly pure nutmeg may differ widely in flavoring value—the one kind being ground from oily nutmegs and the other from nutmegs that could not pass the pin sticking test.

You must be careful that besides being pure the ground nutmeg you buy is only nutmeg. Look for it in a way—the only kind is a smooth, rich brown—the other kind looks more grainy and is speckled with black woolly particles. Your best assurance is to buy a brand that is packed by a company of integrity and reputation—and so packed that none of the flavor is lost through evaporation. Every bit of White Swan Ground Nutmeg is made from nutmegs that have, in the highest degree, passed the pin-sticking test—that are full of the oil that flavors. That's why White Swan Nutmeg costs a little more but, because it takes so little to give a rich flavor, is so economical to use.

Your grocer sells and recommends White Swan Nutmeg—and other White Swan Goods—ask him.

Monday Mrs. Groom in her competent way led the devotional meeting. True devotedness to God is childlike affection. It is not the devotedness of a servant, who employs his powers for his master merely on account of the wages he expects to earn; it is the devotedness of a ransomed criminal, who consecrates to the friend that redeemed him, the life his kindness has prolonged. We are his that ransomed us. Who among us loves and obeys the Heavenly Father, even as obediently and lovingly as he expects service of his own children? And yet God has done far more for us than we are capable of doing for them.

Monday was our election day and the following ladies were elected to office for the incoming year. President, Mrs. Paxton; vice-President, Mrs. Whiteker; Secretary and Treasurer, Mrs. Murphy; Reporter, Mrs. Bowman. A tribute was paid to our retiring officers, who gratefully responded to them. Mrs. Reynolds has won the hearts of her members by her enchanting way, and it has been a great pleasure to do her bidding in the work. Our beloved vice-presidents, Mesdames Ellis and Jno. Couch were ever alert to perform their duties. Our efficient secretary, Mrs. McFatter has held this office for a number of years, and has made everyone love her for her untiring service to her society and her God. Our trusted and revered treasurer Mrs. J. W. Collins had quite a bit of money in the treasury which was voted to be used for a new bath tub and equipments for the Parsonage.

The tything plan as adopted by the church was also adopted by the society, as we all felt this was God's way of carrying on the work. Next week is the co-operative meeting; let every lady in town be there, who can. Reporter.

Conditions Good on W. V. Line

Wheat and oats along the Wichita Valley are all cut south of Haskell according to Engineer Myron Barwise. The acreage in those crops along the Valley has been large and the crops promise good yields. Corn and cotton, he says, are coming along nicely, being well cultivated and free from weeds with good stands. The country around Abilene, he reports is needing rain although crops have not been hurt yet by the dry weather.—Wichita Times.

Greatly Benefitted by Chamberlain's Tablets

"I have used Chamberlain's Liniment for sprains, bruises and rheumatic pains, and, the great benefit I have received justifies my recommending it in the highest terms," writes Mrs. Florence Slife, Wabash, Ind. Death of Matt Brown

Matt Brown, who enjoyed a State-wide reputation as a fiddler and composer while traveling with "Booger Red's" Wild West Show, is dead. On Friday, June 14, at 12:15 o'clock, Mr. Brown fell in a lake four miles east of the town of Spur, and was drowned. The body was taken in charge by a doctor who traveled with him, and was taken to Fort Worth for interment.

The great number of people who have heard Matt Brown play the wonderful pieces of music, composed by himself on the violin, will regret to hear of his untimely death. Mr. Brown was widely known in Haskell and the Haskell country, as well as over the State generally.

Severe Storm Thursday Eve

What was probably the worst storm witnessed in Haskell and Haskell county in many years occurred on Thursday afternoon. The terrific wind storm blew up about 4 o'clock and lasted for fully an hour. It was declared by many to be the hardest straight wind ever seen here. The exact extent of damage can not be ascertained at the time this is being written, as telephone service is practically demoralized. Also, it is so near our press time that we will be unable to get a full report. The Free Press is usually out on Thursday afternoon, but will be delayed in getting to press this week until Friday morning, on account of the storm.

Unofficial reports are to the effect that much damage was done at Rule and Rochester, and it is said the worst part of the storm was a few miles northeast from town. One report also says that the town of Munday suffered severe damage.

The damage in town was rather extensive. Many residences were partially unroofed and flooded with water, and trees were torn up all over the city. Probably the most serious losses in town will fall upon the Haskell Telephone Co., and the firms of Jno. W. Pace & Co., and W. H. Parsons. The Telephone Company has many poles and wires down, while the buildings occupied by the above named firms were unroofed and their stocks greatly damaged by the flood of water that accompanied the storm. Two of the gins in the city were also badly damaged, as were many other buildings, of which we are unable at this time to get a full list.

Land Deals Pending
We understand that there have been some capitalists here from Ohio during the past week, and that some land deals are pending. The Haskell section is becoming far-famed as a farming section, and it is quite probable that some big deals will be made here in the near future.

Bargain Subscription Offer
By special arrangement with the publishers of Holland's Magazine and Farm and Ranch, the Free Press is enabled to make the following subscription offer: Haskell Free Press one year, Farm and Ranch one year and Holland's Magazine two years, all for the nominal sum of \$2.00. Send in your subscriptions, or renewals.

Know Paint
There's a paint-education in this advertisement. Buy by the job, not gallon. Buy by the paint put-on; that's the job. The price of paint is so much a gallon; that can't be helped, but amounts to nothing. The price of painting is so much a day; that can't be helped, but amounts to nothing. Put them together. How can you do it? You've got to or lose perhaps half of your money. Devote 10 gallons enough for the average job; an average paint, 15. Now reckon your costs. Count labor a day for a gallon. Devote 10 days; the other 15. Devote about \$50; the average paint about \$70 or \$80; the dearer the labor the bigger the difference, always that way. But that's for the job. How long is it going to last? One twice as long as the other. DEVOE. Jno. W. Pace Co. sells it.

Bilious Attacks
When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter Obtainable everywhere

BETTER CONSTRUCTION AT LOWER COST

STUDY THESE CUTS

Corner Construction, 12-inch Wall, 8-inch Wall, 6-inch Wall Brick Veneer.

Why Interlocking Tile is so Widely Used
For many years the public—you—has needed a building material that would be better than anything heretofore in use, and at the same time be within the reach of all in cost. Interlocking Tile is being used from New England to the Pacific Slope, from the Great Lakes to the Gulf of Mexico, because it is filling this demand. In Texas every section is using this material for every class of building, it being more especially adapted to our climate than any other.

Nothing can compare with a material that builds firmer walls that are cooler in summer, warmer in winter, stronger and more rigid, and at the same time cheaper than brick. Interlocking Tile does this.

Just why these apparently impossible, "too-good-to-be-true" things are so is fully explained in our literature, government reports, etc. Write for this data and information now, even if you do not intend to build until later. It will be well repaid.

LIV-VER-LAX

All the Effectiveness, Not the Effect, of Calomel.

LIV-VER-LAX is one of the most important medical discoveries of recent years. For a long time medical experts, realizing the harmful effects of calomel, have been striving to find a liver cleanser that would be just as effective as calomel, and yet be absolutely harmless in its action. Recently this remedy was actually put forth by L. K. Grigsby, in his LIV-VER-LAX.

LIV-VER-LAX is a harmless vegetable compound, desinged solely for the treatment of liver complaints. The immediate favor it has met with in thousands of homes is proof positive of its real value.

If you feel worn out, tongue coated and skin sallow, don't delay until it becomes dangers, nip the trouble in the bud with LIV-VER-LAX. Insist on the genuine, bearing the signature and likewise of L. K. Grigsby, which is guaranteed to give satisfaction or money refunded. For sale by Corne Drug Store.

The Haskell Bottling Works is now opened up and running on full time. The plant of the bottling works is now located in the downtown district, and has been separated from the ice and electric plant. Mr. S. A. Huskey, recently of Abilene, is manager and owner of this plant, and he has moved his family here. Mr. Huskey states that his business has started off well, and is all that he could expect. He intends to also manufacture ice cream, but all the fixtures for this branch of his business have not arrived, and he has consequently been delayed in the manufacture of cream.

Off for a Fishing Trip

Walter and Bob Robertson, Lige Northcutt, Matthew Alexander and Travis Arbutckle is the personnel of a party that is spending the week out at the Clear Fork of the Brazos, fishing. They went well prepared, and will doubtless get their share of the elusive water denizens. Walter Robertson lives at Wichita Falls, and is visiting here as a guest of his parents, Mr. and Mrs. S. L. Robertson, and other relatives and friends.

Lame Back.

Lame back is usually due to rheumatism of the muscles of the back. Hard working people are most likely to suffer from it. Relief may be had by massaging the back with Chamberlain's Liniment two or three times a day. Try it. Obtainable everywhere.

"Who Pays?" Was Good

As per schedule, the "Who Pays?" series of photo-dramas was put on at the Photoplay Airdome Wednesday night. The title for this week's picture of this remarkable series was: "Unto Herself Alone," and dealt with a headstrong young lady who defied all the conventions of society, with the consequent results. The picture was portrayed in a highly pleasing and artistic manner, and the "Who Pays?" series is creating wide interest and comment in the many cities in which it is being produced.

In addition to the above, there was a two-reel Kay-Bee feature, "The Taking of Luke McVane," and a Keystone Comedy for Wednesday night. It was a long and highly pleasing program, and there were large crowds out, the night being ideal for the enjoyment of an open-air entertainment.

New Gin Being Erected

Mr. F. D. Sanders is building a new gin, which is now nearing the stage of completion. The new gin plant is located on the lot just north of the light plant and adjoining the other gin of Mr. Sanders. With the addition of the new gin, Mr. Sanders will have doubled his capacity for handling cotton, of which there is promise of a large crop this season.

There are many gin improvements going on over the county, we are told, and the facilities for handling the fleecy staple this year will be greatly accelerated.

Operation for Appendicitis

John, the 10-year-old son of Mr. and Mrs. S. E. Rike, of this city, underwent an operation for appendicitis at the Alexander Sanitarium at Abilene, last Saturday. The many friends of the family here, who have been rather apprehensive as to John's recovery, will be gratified to know that he is now much better. Latest reports from Abilene state that he rallied well from the operation, and is convalescing nicely.

Calomel Salivates and Makes You Sick

Acts Like Dynamite on a Sluggish Liver and you Lose a Day's Work

There's no reason why a person should take sickening, salivating calomel when 50c buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

Trustee's Sale

Whereas, on January 16, 1908, C. H. Foote and wife conveyed to R. G. Patton, Trustee, 283½ acres of land in Haskell County, Texas (see Vol. 7, pp. 402-9, Haskell County Deed of Trust Records) in order to secure ten certain promissory notes Nos. 1-10 inclusive, each for \$200 payable January 1, 1909, 1910, 1911, 1912, 1913, 1914, 1915, 1916, 1917, and 1918, respectively, to the American Freehold-Land Mortgage Company, of London, Limited at Waco, Texas, and

Whereas on February 5, 1909, said Foote and wife sold 174½ acres out of said tract to J. H. and E. G. Stein, the latter assuming to pay 1 of the amount due on said ten notes; and

Whereas on April 9, 1910 said J. H. and E. G. Stein sold said 174½ acres to J. H. Novosad and Mrs. F. Chupik, present owners, the latter assuming to pay said 3-4 of the amount due on the said ten notes; and

Whereas on September 23, 1908 said Foote and wife sold 100 acres out of the said 283½ acre tract, being the remainder of said tract, to E. L. Adams, who assumed a payment of \$750 on the principal amount due on said ten notes hereinbefore set out; and

Whereas on November 21, 1908, said Adams and wife conveyed said 100 acres to E. G. Stein, who assumed the indebtedness set out in the preceding paragraph; and

Whereas on September 27, 1909, said E. G. Stein and wife conveyed said 100 acres to F. A. Terry, who assumed to pay the indebtedness due against said property; and

Whereas, F. A. Terry et al, conveyed the said property to Clyde F. Elkins, who in turn conveyed the same to W. D. Joiner, the present owner, so far as the undersigned is advised, both of said conveyances having been made subject to the indebtedness herein-after shown; and

Whereas the above described notes Nos. 1, 2, 3, 4, and 5 were paid off in full, principal and interest by J. H. Novosad and Mrs. F. Chupik to The American Freehold-Land Mortgage Company of London, Limited, after which the remaining five notes were transferred and assigned by said Company to J. H. Novosad and J. F. Chupik, present holders thereof and there is now due upon them one-fourth of the indebtedness assumed by E. L. Adams on September 23, 1908, the sum of \$675 with interest thereon from January 1, 1909 at the rate of 9 per cent per annum and 10 per cent per annum on accrued interest, besides 10 per cent attorneys fees; and

Whereas, default has been made in the payment of said indebtedness and the same is now past due and unpaid, principal, interest and attorneys fees, by reason thereof and as provided for in each of said notes and in said deed of trust; and

Whereas, I have been requested by the said J. H. Novosad and J. F. Chupik to enforce said trust, as substitute trustee, the said R. G. Patton having refused to act in this matter, I will offer for sale between the legal hours thereof, to-wit: between the hours of 10 o'clock a. m. and 4 o'clock p. m., at public auction, to the highest bidder, on the first Tuesday in July 1915, the same being the 6th day of said month at the court house door in the town of Haskell in Haskell County, Texas, the following described property: 100 acres out of section No. 4, Block No. 1. H. & T. C. Ry. Co. described as follows: Beginning at the southeast corner of section 4 Block 1; thence North 668½ varas, stake for corner; thence west 884 8-10 varas; thence south 668½ varas; thence East 844 9-10 varas to the place of beginning, containing 100 acres of land, with all the rights, members and appurtenances thereto in anywise belonging.

Witness my hand this the 17th day of May, A. D. 1915.

Geo. E. Lenert, Substitute Trustee.

Fourth of July

Revival Meeting for Haskell

An invitation is hereby extended to all who are interested in harmony and a good feeling to throw in a meeting to begin July the fourth.

Some have asked me who I will have to hold my revival meeting and my reply is this, "I want to let the Lord use me and help me to use the people." If I can get the people to hold a meeting it is sure to be a good one; for the Lord will help any one who will be of one mind to get souls saved and men close to God.

For four years I held meetings in the Munday and Goree country, and during the four years I had over three hundred conversions. I will try to treat all other churches as I want to be treated. They are as honest as I am.

—Ed. R. Wallace.

Pay Your City Taxes, Quit Cussing the City Marshall and Cut Your Weeds

The City Council is doing all it can to cut the weeds in the streets and alleys of Haskell. Their funds for this work is limited and they ask the citizens to join with them in this work. I have cleaned up some of the principal streets and will try to finish up the other streets and alleys in a few days. The man that hasn't paid his city taxes nor cut the weeds on his own premises, has no right to kick. If you will do this we can have a cleaner Haskell and a more sanitary place in which to live. Let us co-operate in this clean-up move.

Very respectfully,
Alex Edwards,
City Marshall.

J. B. Baker of Dallas was here this week, and while here he closed a deal with R. S. Nolen, where by, Mr. Nolen purchased the home of Mr. Baker near the Wright House.

Alexander's Novel Window

Wallace Alexander, the man who does the advertising and window dressing for the firm of F. G. Alexander & Sons, is ever abreast the times in his special lines. This week, apropos the harvest season, Wallace has fixed up a window that is quite novel and attractive. In this window, the background effect is made by use of bundles of wheat and oats, and the other trimmings are in accord with the needs of the busy harvest hand.

F. W. Sellers, representing Shaw Bros. Creamery Co., of Fort Worth, the largest farm of its kind in the state, was in the city Monday. While here Mr. Sellers place a contract with John W. Pace & Co., druggists, to handle Shaw Bros. ice cream products in this city.

Haskell's Reply

Haskell Accepts the Evidence and Many Haskell Readers will Profit by it

Which is the more weighty proof—a few words from a Haskell resident, whom we know and respect, or volumes from strangers in distant towns? There can be only one reply.

Mrs. W. F. Burt, Haskell, says: "About a year ago, I used a kidney medicine, but it failed to help me. Hearing about Doan's Kidney Pills, I got a box from the West Side Drug Store and they relieved me. I kept on taking them and they did me good in every way. I know that Doan's Kidney Pills are a reliable kidney medicine."

Loses Fine Car

Mr. Earl Cogdell had the misfortune on Thursday of last week of losing his fine automobile, by fire. Mr. Cogdell had gone to his pasture in the car for the purpose of putting out some poison for prairie dogs, and was a short distance away from the car when it was discovered to be enveloped in flames. The car burned so rapidly that it was impossible to do anything to extinguish the flames.

The car was a 1921 Buick, and was practically new, having not been used to any great extent, and was one of the most stylish autos in the county. We understand that Mr. Cogdell carried insurance to the amount of \$2100 on the car.

Married

The Free Press is glad to announce the marriage of Mr. Elmer Wall, manger for Hunt and Fields at Rule, and Miss Allene Couch, one day last week, up in Oklahoma. Miss Couch was visiting in that State, and Mr. Wall went up there last week, where they were married and returned to Rule, where they will make their home.

The groom has been here ever since he arrived in his teens, and Miss Couch is the daughter of Mr. and Mrs. G. R. Couch of this city. Mr. Wall has proven to be an exceptional young man, and has never been out of employment. He is now general manager of a large mercantile business. Miss Couch has been a student at Baylor University, and taught school in this county last year.

The Free Press joins the many friends of the young couple, with best wishes for their happiness and prosperity.

Whenever You Need a General Tonic Take Grove's

The Old Standard Grove's Tasteless chill Tonic is equally valuable as a General Tonic because it contains the well known tonic properties of QUININE and IRON. It acts on the Liver, Drives out Malaria, Enriches the Blood and Builds up the Whole System. 50 cents.

Over in the Philippines the Carabao is the general beast of burden. For all kinds of hauling this short-legged, long-horned buffalo is used.

It is more than a mere coincidence that the principal brand used with the Red-Star-Green-T oils in the Philippines is a picture of this animal with its name "Carabao."

To the native of these islands the Carabao represents service, valuable service continuously performed in many ways. What the horse was to the Texas ranchman in the early days, the Carabao is to the Philippine native.

To Texaco products are pictured to the native by the Carabao, indicating the service and its character, the quality and its usefulness. The same quality and service are available for you in your town under the Red-Star-Green-T emblem of Texaco fame. Ask for them.
